

PIONEER WOMAN DIES AT AGE OF EIGHTY-EIGHT

Mrs. Amanda J. Ward Passes At Daughter's Home Saturday; Came Here In 1875.

After months of failing health, Mrs. Amanda J. Ward, 88, one of Valley county's earliest pioneers and oldest residents, passed away last Saturday, Nov. 1, at the home of her daughter, Mrs. S. W. Roe, where she had been cared for during her last long illness. Funeral services were held at 2 p. m. Monday at the M. E. church and interment was in Ord cemetery.

Born April 19, 1842 in Cashion, Tuscarora county, Ohio, Amanda Honold was one of ten sons and two daughters, only two of whom, Albert and Isaac, survive. In 1862 she moved with her parents to Jasper county, Iowa and there typhoid fever took both her father and mother and left her to care for the surviving children. It was in 1874 that she came to Ord, together with two brothers, sought the wider reaches of Nebraska to better their condition and settled in Howard county. The following spring, with her brother, R. T. Honold, she came to Mira Valley and homesteaded. In November of 1876, deceased was married to Asahel Ward and three children were born to bless the union, Flora Ward Whitford, of Glidden, Ia., Jessie Ward Roe, of Ord, and John L. Ward, of Burwell.

Rev. Real Rotary Guest. Rev. L. M. Real, new Presbyterian pastor, was a guest at the Ord Rotary club luncheon Monday and spoke briefly, describing himself as a "one-reel" speaker. He made a pleasing impression. Next Monday evening local Rotarians will go to Broken Bow for an inter-city meeting at the Arrow hotel. The following Monday the Burwell Wranglers will be guests of the Ord Rotarians.

VALLEY COUNTY FARM STATISTICS SHOWN BY CENSUS

Government Census Bureau Report Shows 8 Million Decease In Farms Farmed by Owners.

A decrease since 1920 of eight million dollars in the value of Valley county farms conducted by their owners is the most startling bit of information contained in Valley county farm statistics revealed in the 1930 census, which were released by the census bureau just this week. In 1920 the value of land and buildings on farms operated by owners was \$20,379,722. Ten years later it is only \$12,283,065.

The farm statistics show that there are now 1,296 farms in Valley county while ten years ago there were 1,295. Acreage of all land in farms is now 348,261, only six thousand acres more than in 1920.

The value of farm land and buildings is now \$21,721,835 while in 1920 it was \$33,944,932, more evidence of the depression. All of this difference is taken up by the decrease in land values as land alone is now valued at \$17,466,235 whereas in 1920 it was worth \$30,175,345. Valley county farm buildings have increased in value a half million dollars in this ten year period.

The average value of land and buildings per farm is now \$16,761 whereas ten years ago it was \$26,212. Land alone has decreased in average value from \$99.04 per acre to \$62.37.

Of the 1,296 farms in Valley county 710 are operated by their owners, 5 by managers and 581 by tenants. Ten years ago 791 were operated by owners and only 497 by tenants, showing how hard pressed farmers have been in this ten year period.

Special Train Of Cattle Unloaded
A special train of cattle, 500 head in all, arrived over the Union Pacific Sunday for Charles McCarty, of the McCarty ranch twenty miles northwest of Erickson. They were driven to the Axel Lindhart farm that night and on to the McCarty ranch the next day.

To the Voters of Valley County.
Regardless of the outcome of the election in the state (this is written Wednesday morning) I want to take this opportunity on behalf of Superintendent Charles W. Taylor, to thank each one of you for the splendid majority which he received in Ord and Valley county. Very sincerely yours, Herbert L. Cushing 3311

Bayard H. Paine Is Leading In Contest For Supreme Judge

Judge Bayard H. Paine, of Grand Island, apparently was elected to the Nebraska supreme court at the election Tuesday. Returns from all but nine counties in the district at 3 p. m. yesterday gave Paine 18,946 and Blackledge, his opponent, 13,864. Blackledge supporters are conceding Judge Paine's election.

Two of the nine counties unheard from were Phelps and Franklin counties, right in the heart of Blackledge's stronghold, but the other seven counties were thought to be safely in the Paine column. An interesting sidelight on the vote was revealed when Hall, Judge Paine's home county, gave him 6,570 votes to Blackledge's 1,635, while Adams, Judge Blackledge's home county gave him but 4,761 to Paine's 2,081. Judge Paine's many friends in the Lupp Valley will want to congratulate him upon his elevation to the supreme bench.

NORRIS SAFELY IN LEAD; BRYAN BEATS WEAVER

Senior Senator Has 45,000 More Than Hitchcock; Governor Won't Concede Defeat.

Money doesn't buy senatorial jobs in Nebraska, it was convincingly demonstrated Tuesday when voters flocked to the polls and reiterated their faith in Senator George W. Norris by re-electing him by a majority that should reach 75,000 when all returns are in. His opponents had spent a fortune in furthering Hitchcock's campaign but their money and efforts were wasted.

By telephone at 8:30 o'clock Wednesday evening, the Quiz learned that Norris was given 164,735 votes by 1,418 out of 2,068 precincts while Hitchcock got 120,077 votes from the same number. Completed returns from outlying districts are expected to materially increase Senator Norris' lead.

Chas. W. Bryan was apparently elected governor of Nebraska, leading Governor Weaver 149,039 in 1,415 out of the state's 2,068 precincts. Weaver was refusing to concede Bryan's election but returns from other precincts are expected to increase Mr. Bryan's lead.

Bob Simmons, in the sixth district, apparently is the only republican elected to congress in Nebraska. Democratic congressmen chosen include J. N. Norton, John Moorhead, Edgar Howard, and Shallenburger. The race in the Omaha district was still close but the democratic candidate had a slight lead last night.

With the exception of Governor Weaver, the entire state republican ticket is apparently elected. C. A. Sorensen has a big lead over Grover Long for attorney general. One candidate, Dr. Bass, is being pressed by his democrat opponent.

While all this was going on in Nebraska democrats all over the nation were making big gains and now control the house of representatives but complete returns in several places where close races are in progress may throw this body also into the democrat column.

New Theater Work Progressing Nicely

Work on the new theater being built here by Henry Ohlsen & Son for M. Biondini is progressing nicely. Until Monday the workmen were occupied in cleaning out and bricking up the basement but Monday they started to swing the big beams into place. These huge steel beams weigh 1-4 tons each and it was a big job to get them in place. From now on the work will proceed much faster.

More Barberry Found.
Government field men report finding six barberry bushes on a farm owned by the Nebraska Securities company 2-1/2 miles north of Arcadia. Phil Elche lives on the farm. There were four large bushes about 6-1/2 feet in diameter and two smaller bushes. The barberry eradication men have been working out of Arcadia for about two weeks now. It is thought that work will be suspended for the winter about November 15.

Fair Meeting!
The annual meeting of the stockholders of the Lupp Valley Agricultural Society which was to be held at the Court House on November 8, 1930, was adjourned to meet on Monday November 10, 1930 at 1:30 o'clock p. m.

COUNTY HUSKING PLANS COMPLETE, FOURTEEN ENTER

Two Former County Champs Will Be In Competition on Gross Farm.

Final arrangements for Valley county's 1930 corn husking contest were perfected Monday evening at a meeting held in the office of County Agent C. C. Dale, and with fourteen huskers entered the contest. It is expected to be the most successful Valley county has ever held. The affair will be held on the Stanley Gross farm south of Brace school house, starting at 1:30 p. m. tomorrow, Friday, Nov. 7.

Three more huskers, including a former Valley county champion, have entered since last week, County Agent Dale says. Elmer Vergin, Charles Alderman and Clyde Keown are the three new entries. Vergin won the Valley county championship the first year a contest was held. Other entries previously recorded include Victor Larsen, John W. Kennedy, Bill Flock, Oscar Bretthauer, Ross Leonard, Victor Benben, Alvin Larsen, John G. Lemmon, Earl H. Leonard, James Bremer and H. S. Flock. Ross Leonard is also a former county champion.

Orin Kellison, well known Mira Valley farmer, was selected Monday evening as general superintendent of the contest. Judges will be Charles Arnold, Stanley Gross, E. S. Coats and Moll Rathbun. Weighing will be done on the Travis farm adjacent to the field where the contests is held and Chester Travis was selected as weighmaster. Gleaners and referees will be selected from the crowd on the day of the contest.

The new 1930 husking contest rules will be followed. The new regulations allow a husker five ounces of husks per one hundred pounds of corn without penalty. The usual deductions will be made for all over five ounces of husks and for corn left in the field. Three prizes, \$15, \$10 and \$5 in cash are offered for the three best huskers. The Chamber of Commerce of Ord is uniting with the Valley county farm bureau in offering these prizes.

The contest has aroused much interest and it is expected that a large crowd will be present tomorrow.

Fined For Driving While Intoxicated

When Darald Ludington overturned his car in a ditch west of Bussell park Sunday night he was bruised up considerably and his car was wrecked. A little later he was taken into custody by Marshall Covert and upon his appearance in county court the next morning he was charged with operating a car while intoxicated. To this charge he pleaded guilty and was fined \$25 and costs by Judge Hollingshead. He was alone when the accident occurred.

—Yesterday Mr. and Mrs. Lewis Mazac went to Omaha and are attending Ak-Sar-Ben.

Outside Hunters Kill Over 5,000 Pheasants

More than five thousand pheasants were tagged out of Valley county during the pheasant season that closed last Saturday, reports Ign. Kilima, Jr., county clerk. The total reached 5,633 birds when reports from all checking-out places were received Tuesday. Of this total 4,419 were cocks and 1,214 were hens. Over 25 hundred were tagged out of the county clerk's office alone.

Four Are Fined For Intoxication

Four young men were arrested last Friday night and lodged in jail on charges of intoxication. Saturday all plead guilty and were fined \$15 each by Judge J. H. Hollingshead. The four were Roland Toobey and Sherman Burgess, Greeley, Roland Hemmett and George Hoyt, Burwell.

THIEVES BREAK INTO ARCADIA PLACES SUNDAY

Waterbury Store and Baird Garage Lose Money, Property; Local Talent Responsible.

Arcadia, Nov. 4.—(Special)—Thieves became active in Arcadia again Sunday night, entering the Waterbury Mercantile Company store and the Baird garage and stealing money and property to the value of several hundred dollars. Sheriff George Round was called from Ord Monday morning and has several promising clues.

At the Waterbury store the cash register was broken open and about \$20 in cash was taken. A number of men's suits, shoes, ties, shirts and hats were also taken and \$40 worth of cigars as well. At the Baird garage the cash register was unlocked but in their haste the robbers overlooked this and broke the register taking a small amount of cash. Several new auto tires were also stolen.

The spare tire, tools, chains, number plates and all the gasoline that could be siphoned from the Chevrolet car belonging to Jack Brown were also taken Sunday night and it is presumed that the same parties who entered the business places were responsible for this theft.

Dance Well Attended

The hard-time Halloween dance held at the opera house last Friday evening by Emil Kokes attracted a huge crowd of dancers, many of whom came costumed. Prizes were awarded to Mills Hill, North Loup, and Miss Velma Benson, Ord who were thought to have the most original hard-time costumes. The Gerwick orchestra of Beatrice played.

LEGION URGES PEOPLE HEED ARMISTICE DAY

Should Stand At Attention For Moment At Eleven, Is Plan; Program at Auditorium.

True to the purposes and traditions of their groups, Fidelity Post No. 38, American Legion, and the post's Ladies Auxiliary, have planned suitable exercises to commemorate the signing of the armistice on Nov. 11, 1918. On next Tuesday, Nov. 11, the public is urged to participate in these exercises.

At 11 o'clock a. m. the city siren whistle will sound to announce the approach of the armistice hour. At the sound of the whistle all citizens are urgently requested to cease the task of the moment and stand facing east at attention for a half-minute. Taps will then be blown from the west steps of the court house.

At 11:15 a. m. a program suitable to armistice day will be presented at the Ord high school auditorium. A local speaker will give a brief address and music will be featured. Citizens are urged to join with school students in attending. Residents and merchants are urged to display the flag all day next Tuesday.

New Outbreak Of Smallpox Reported

A new outbreak of smallpox is reported this week, six houses having been placed under quarantine. They include the Curt Wilson home, where Mr. and Mrs. Wilson are both ill, the Anton Bartunek, Joe Demuth and James Wachtler homes, where children are ill, the Demund home where both Mrs. Demund and Teddy are ill, and the Eastburn home, where Miss Maude Eastburn has the disease.

Until these new cases were reported it was supposed that the disease had been stamped out here, as no new cases were reported for a number of days. All of the new cases seem to be in a light form.

Famed Coyote Hunter Visits Friends Here

Frank Slezak, of Milligan, Neb., a well known coyote hunter, was a guest nearly all last week of his friends, Mr. and Mrs. Lewis Mazac. He had with him four grayhounds which he uses in catching the coyotes. Mr. Slezak has this fall killed seven of the animals. Coyote fur is very fine in late fall and winter, Mr. Slezak says.

BRIDGE COLLAPSES

Elba, Neb., Nov. 4. (Special)—The steel bridge across Davis creek on the old highway, a few miles north of Cotesfield, gave way Friday when Mr. Tift of the Tift Construction Co. was crossing it with his new road machine. They had taken it across twice before by using a tractor as power, but when using its own power some of the steel stringers buckled and the bridge settled several feet.—Grand Island Independent.

Suit Would Force Centralizers Pay Promised Dividend

Suit was filed in county court here last week by County Attorney George Munn, acting for Hiram R. Packer and others, to force J. Wise and the David Cole creamery company to pay dividends promised to farmers who sold butter-fat to that company's Ord station last year. Through their local agent, Mr. Wise, the David Cole people agreed to meet the dividend or rebate paid by the Ord Co-operative Creamery company. It is alleged. This the company refused or failed to do.

Mr. Wise no longer represents the David Cole creamery company in Ord and that company is disputing County Attorney Munn's legal right to sue them in Valley county since they have no property here. This point must be argued and a decision reached before the suit can be tried.

Basis for the David Cole company's defense is expected to be an opinion rendered by Attorney General Sorensen which would make it illegal for a centralizer to meet rebates paid by a co-operative company.

ANOTHER EARLY SETTLER HEEDS FINAL SUMMONS

Funeral Services Held Sunday For Mrs. James B. Miller, 87; Who Came in Early Day.

Mrs. Charlotte Miller, 87, another one of Valley county's pioneer residents, went to her reward last Friday, October 31, and funeral services were held Sunday at the Methodist church here. Long a resident of the Haskell Creek community, Mrs. Miller was familiarly and affectionately known to people of her neighborhood as "Grandma" and though she had been in failing health for some years her death was a surprise and shock to all.

She was the only daughter of Charles and Cynthia Ames, who traced their ancestry to Perigrine, first white child born in the United States, and she was born Nov. 17, 1842, near LaPorte, Ind. Her father was a soldier in the war of 1812 and a cousin of the famous poet, William Cullen Bryant, and boarded at the poet's house for a time.

Charlotte Ames grew to womanhood near LaPorte, Ind., and united with the Methodist church there when thirteen years old, remaining true to this faith all her life. She was married to James B. Miller Feb. 20, 1879 and in April, 1880 they moved to Valley county.

Mr. and Mrs. Miller homesteaded 160 acres upon moving to Valley county and lived there 21 years, moving to Ord in 1901 and moving back to the farm in 1907.

Two children were born to them, Charles A. Miller, who died in 1921 and Edith C., who died in 1921. Mr. Miller, Sr. died January 25, 1908 and after his death his wife continued to live on the home place with her son and wife, Mrs. Pearl Miller, where she was tenderly cared for until her death last Friday.

Pall-bearers at the funeral Sunday were Frank Koupal, C. A. Hager, Morris Sorensen, Carl Holm, K. W. Harkness and Thorvald Aagaard, all old friends and neighbors of the Miller family. The Methodist quartet sang and Rev. W. H. Wright had charge of the services. Burial was in Ord cemetery.

Aug. Petersen Buys Partner's Interest

A deal was completed last week by which August Petersen becomes sole owner of the Johnson & Peterson hog and grain buying company in Ord. He expects to continue the business as in the past, Mr. Petersen tells the Quiz. The Johnson & Peterson partnership was formed in 1914 and continued until last week though the senior partner, Ed Johnson, has been inactive for nearly a year because of ill health.

Catholic Ladies Supper Menu

Menu for the Catholic ladies club supper to be served at the Bohemian hall from 5:30 to 8 o'clock, Saturday, Nov. 8, is as follows: Italian chicken, rice with steak and tomato sauce, mashed potatoes and gravy, kraut and relishes, cranberry salad, rolls, bread and kolaches, chocolate cake with whipped cream, coffee. The public is cordially invited. 33-11

Florida Orchestra Coming.
Nip and His Miami Loons, advertised as Florida's finest dance orchestra, will furnish music for a dance at the Ord opera house, Friday, Nov. 7, announces Emil Kokes. This orchestra is the best he has ever employed, Mr. Kokes says, and he is expecting a large crowd.

—Mrs. E. M. White of Burwell was an Ord visitor Tuesday.

WIEGARDT WINS AS COURT CLERK IN CLOSE RACE

Democrat Candidate Edges Out Maude Jackman by 118; Norris Wins County.

Satterfield And Round Win Easily

Ball Shows Early Strength in Ord But Loses Over County; Chas. Bryan Poor Second.

Valley county voters turned out to the polls in large numbers at the general election Tuesday but only one surprise, Alfred Wiegardt's defeat of Miss Maude Jackman for clerk of the district court, was revealed when votes were recorded. Otherwise the election in Valley county went about as was expected and many people had even predicted Mr. Wiegardt's victory.

First returns from Ord township and from the Ord wards showed Wiegardt running ahead of Miss Jackman by a substantial margin but his strength carried out into the rural districts and the present incumbent carried only six of the county's eighteen precincts. North Loup, Yale and Arcadia gave Miss Jackman substantial majorities while she carried Michigan, Liberty and independently by small margins. Mr. Wiegardt's main strength was in the Ord precincts and in Enterprise and Noble.

The final vote in this race gave Wiegardt 1,549 and Miss Jackman 1,431, the winner having a majority of 118.

Ellsworth Ball, democratic candidate for county treasurer, showed decided strength in Ord second and third wards and got a scattering vote over the county, his total being 859 to 2,134 for his opponent, George Satterfield, the present incumbent. Ward One, Ord, and Arcadia gave Mr. Satterfield huge pluralities.

George Round, as usual, received a huge vote for sheriff and defeated Warren E. Lincoln, democrat, 2,028 to 1,067. The first ward, Ord, with North Loup and Arcadia, voted strongly for Sheriff Round, he led Lincoln 1,641 all but two precincts, Independent and Geranium. Other county candidates were unopposed.

Funeral Today For Perry A. Luse, Who Died In California

Funeral services will be held here at 2 p. m. today for Perry A. Luse, 69, who passed away November 1 at the home of his son, Oscar, in Long Beach, Calif. Mr. Luse's body arrived last night from California, accompanied by another son and wife, Mr. and Mrs. Will Luse of Omaha. Besides those mentioned another son, Jesse Luse, of St. Louis, survives.

Mr. Luse was a veteran Valley county rural mail carrier and until his wife's death in March, 1927, he made his home in Ord. Since then he has been staying with his sons in California.

Legion Will Have Armistice Dance

The Ord post, American Legion, is sponsoring a big Armistice night dance at the Bohemian hall Tuesday evening, Nov. 11. The Revelers, a dance orchestra from Grand Island, has been secured to furnish the music. This Armistice dance has become an annual affair in Ord and a large crowd always attends.

Melia's Condition Serious.
The condition of P. J. Melia, who last week underwent a severe major operation performed by Dr. W. Weekes at Hillcrest, is still reported to be serious though he is somewhat improved. Sunday his life was despaired of and his relatives were summoned. That evening Dr. Weekes, Hemphill and Shepard performed an emergency operation that relieved Mr. Melia's condition to some extent and it is now thought that he has a fair chance for recovery.

Play at Burwell Friday.
Coach Joe Krefel and his Ord high school gridiron students will invade Burwell tomorrow for their annual encounter with the Cowboys. The Burwell team is weaker than usual this year and the Krefel-coached gridgers are hoping for revenge for previous season defeats.

—Harry, Ed and Jack Melia of Gettina, brothers of P. J. Melia were called to Ord Saturday night to see the latter, who was in a serious condition. He is a patient in Hillcrest.

The teacher and pupils of Lone Star are planning a program and box social for November twenty-first. Everyone is welcome.

Ord Methodist Church

The beautiful weather seems to have a bad effect on Sunday school attendance. Who can figure that out? There was a falling off last Sunday to 172. How many reading this know themselves to be responsible for the slump? May your head be uneasy on your pillow tonight as a result, providing you could have been present. Let us all get behind ourselves and push, and push the attendance mark up to where it ought to be. We will have the regular program of services next Sunday. We notice an increasing number of young people in our worship services.

That is very encouraging to the minister. The topic next Sunday night is: Making a Touchdown. A change has been made from Thursday to Friday night this week for the Official Board and Sunday school Board meetings. The First Quarterly Conference will be held next Wednesday evening with Dr. Hunter presiding. We were glad to welcome Mr. and Mrs. J. W. Goddard into membership last Sunday. Mr. and Mrs. W. Haskell were received previously.

Tells How Stomach Trouble Readily Yielded To New And Different Medicine.

MR. WILLIAM JAMES RICE

"I am glad to recommend Konjola for my wife and I have been greatly benefited by it," said Mr. William James Rice, Polk City, Ia., near Des Moines. "My wife suffered from stomach trouble for five or six years. I had indigestion, gas pains and dizzy spells. I am seventy-five years old and my wife is twelve years younger. I took but three bottles of Konjola and my stomach trouble is entirely gone. I am free from attacks of dizziness and am in better health than for years. I only wish I had heard of this medicine years sooner." Konjola is a medicine for young and old, a medicine, indeed, for all the family. All that is asked for Konjola is that it be given a chance to prove its merits. Konjola is sold in Ord, Nebraska at the McLain and Sorensen drug store, and by all the best druggists in all towns throughout this entire section.

The Radio Bridge club had a pleasant time last Wednesday evening in the home of Mr. and Mrs. A. M. Kosmata. Miss Blma Kosmata came in from her school in district 48 and was one of the players.

Pussyfoot's Sportlog

By GEORGE ROUND, JR.

Yes, Buckshot did prove to be a popular dog during open pheasant season. As predicted through this column there were many Ord hunters who wanted the use of Buck during that time. Even Doctor Taylor was wishing he could use the dog to help run the pheasants down and catch them. Just because Buckshot caught them once is no sign he will do it all the time. What more than a set could the hunter want?

Gatie Warden O'Connell put one over on the hunters from Omaha and Lincoln during the open season. Instead of having his doubts in the open counties, he had them around the principle points in eastern Nebraska. There the hunters were stopped and forced to show how many birds they had and whether or not they had been tagged. After the first few days, it is freely predicted that most of the hunters tagged their birds rather than take the chance of being caught.

The pheasant came in for its fair share of talk in Lincoln last week. Nearly everywhere a person went where men were to be found, the talk centered around pheasant hunting. Bigger stories were told than Hank Leggett ever dreamed about telling. But instead of being fish stories they were pheasant stories.

I overheard one man tell one that even Dale "Hipp" Norman couldn't even come close to equaling. This man said he was hunting with several other fellows and luck had been against them during the morning. Having a dog he decided to go up a little nearby draw by himself. The draw, he said, was no wider than such a building as the bakery in Ord and about one-fourth as long. (Just try to imagine such a short draw). Nevertheless going up the draw once he got out and killed ten birds. When telling the story, he never blinked an eye and was serious about it.

Even though Ravenna high bailed Coach Joe Krejci's Ord high eleven in a close game recently, it is my opinion that the local eleven will win a game before the season is over. That may be with Burwell.

During the past few seasons, Ord has been forced to fall prey to Burwell and the Burwell Cowboys have boasted in a graceless fashion. Now the Krejci boys believe they will take the Cowboys into camp. If they keep improving as they have in the past few weeks they should give Coach Zorn's men a chase.

Jesse Livingston who played ball with the Ord Camels this summer has a younger brother attending the college of agriculture who is quite a pitcher. It might be that Mira Valley could import him next year for the farm bureau ball league. Rules, however, may not permit outside players to perform next season.

District 42 News

The Hallowe'en social which was held at the school house Thursday evening was enjoyed by those present. The pupils of the school presented a pantomime after which the election of officers for the ensuing year took place. Mrs. Mary Weed was elected president, Mrs. Carrie Parks vice president and Mr. James Morrison, sec. and treas. Boxes were sold by Mr. Morrison and brought about \$5. A lunch of doughnuts, apples and coffee were served by the committee for those not having boxes.

Sore Throats And Coughs

There's a doctor's prescription called Thoxine that is really throat insurance. Its success is due to its quick double action. With the very first swallow it soothes the sore throat and stops the coughing. It goes direct to the internal cause.

The remarkable thing about Thoxine is that while it relieves almost instantly it contains nothing harmful, and is pleasant tasting and safe for the whole family. Singers and speakers find Thoxine very valuable. Put up ready for use in 35c, 60c, and \$1.00 bottles. Your money back if not satisfied. Sold by Berack's Drug Store and all other good drug stores.

Eat Kreamkrust BREAD For Health

There are no shortcuts or substitutes in baking if your baked goods are to taste right. First grade flour, pure creamery butter, fresh eggs, rich milk and cream and the finest of flavoring must be used. Probably that's why so many people prefer Kream-Krust products. They taste "just like they were baked at home."

By MRS. RAY GOLDEN

Honke-Brown
The following item concerning the marriage of Miss Gladys Honke of Lincoln was taken from the Sunday State Journal. Miss Honke taught Latin in the Arcadia high school for two years and will be well remembered by her many friends in this community.
"Mr. and Mrs. C. R. Honke announce the marriage of their daughter, Gladys to Louis E. Brown of Omaha, son of Mr. and Mrs. J. G. Brown of Lincoln. The marriage took place in Omaha on the afternoon of Oct. 27. The couple will reside in Omaha. Mrs. Brown has attended the University of Nebraska."

Men's Community Club Entertains.
The members of the Men's Community club entertained their wives at a seven o'clock dinner at the Methodist church basement Tuesday evening, Oct. 28th. Sixty-eight attended and greatly enjoyed the fine program and the excellent dinner served by the Ladies Aid Society of the Methodist church.

Four large tables were arranged in the church dining room and at these the guests were seated. Rev. Gaither returned thanks after which Mrs. Ed Christensen sang two beautiful vocal numbers. A male quartet composed of H. D. Weddel, Rev. Gaither, Horace Mott and Lowell Finney rendered two numbers which were greatly appreciated by the audience. Dinner was then served after which the remainder of the program was given. Miss Nema Crusan played two pleasing piano selections and the program closed with a musical reading by Mrs. C. C. Weddel. All the program numbers received a hearty encore by the guests and those present were unanimous in their opinion of a very enjoyable evening.

Car Overturns at Corner.
Louis Haller of Fallsdale, Nebr. and Roy Buskirk of Alliance, traveling in Haller's light sedan tipped over about three miles west of Arcadia while trying to negotiate an unmarked corner on the Arcadia-Broken Bow road Monday evening of last week. Luckily neither of them were seriously injured but the car was quite badly damaged. After making temporary repairs to the car they were able to continue their journey to North Platte Tuesday.

Up-To-Date Club Meets.
The Up-To-Date club met Tuesday afternoon Oct. 28th with Mrs. E. A. Easterbrook. Roll call was answered by electric rings. Mrs. C. D. Langrall led the lesson which was on the study of candidates, the amendments and the initiative bills which were voted on at this election. Mrs. N. A. Lewin was appointed as chairman for the local club to assist with the work of encouraging better movie films, a movement for which the Federation of Women's clubs is diligently working.

The next meeting will be held at the home of Mrs. G. O. Gaither on Tuesday, November 11th.
Child Breaks Leg in Fall.
Orene Lutz, seven year old daughter of Mr. and Mrs. Guy Lutz, had both bones of her right leg broken by her knee Monday afternoon of last week while swinging at school district No. 4 where she is a pupil. Orene was pumping in the swing and had obtained considerable height. As she was in mid-air the posts holding the swing rod moved slightly from the attachment of the swing causing Orene to lose her balance and fall. She was taken to Loup City where the fracture was reduced and she is now resting as well as can be expected.

Airplanes Visit Arcadia.
Three airplanes styled as "The Three Hawks" spent Monday in Arcadia carrying passengers and entertaining the inhabitants with their thrilling stunt flying. Their planes consisted of a six passenger cabin monoplane and two open sport planes. Paul Miller, Robert Hoag and L. P. Quinn, were the pilots in charge. Louis Tjaden, parachute jumper, accompanied the party but did not make a jump on account of the small crowd which assembled.
Teachers Return From Convention.
School was resumed Monday after a vacation since the Wednesday

previous while the teachers attended district conventions of the State Teachers Association. Supt. Thompson, Miss Koenig, Miss Hranac and Miss Ayers attended at Lincoln. Mr. Mott, Miss Majors, Miss Sutton, Miss Ceik and Miss Downing attended at Grand Island. Miss Kenfield and Miss Crusan at Omaha and Mr. Tuning at Norfolk.
The weather was ideal during the convention period this year and the meetings were all thoroughly enjoyed by the teachers.

Repaint Buildings.
The store buildings occupied by the Hastings Furniture store, the Bly pool hall and the Schank Radio shop have all been repainted the past week with a fresh coat of white paint. This makes a decided improvement to the south side of main street.

Football Game Friday.
Arcadia is scheduled to play Litchfield at Litchfield next Friday. This promises to be an exciting game so go along and root for the boys.

Fair In Progress.
The three day fair, sponsored by the Ladies Aid Society of the Methodist church and which is being held at the church basement, opens today.

Hallowe'en Passes Quietly.
Hallowe'en passed quietly in Arcadia. But few jokes were played, the most noticeable of which was the marking of store windows with soap and wax. This is becoming a yearly event and does not find a very hearty welcome by the merchants as the marks are difficult to remove.

A number of Hallowe'en parties and socials were held and the usual amount of ghosts and jack-o-lanterns appeared at residence windows about town.

Loup Valley Bankers Meet.
A very interesting meeting of the Loup Valley Bankers association was held at the Methodist church basement Thursday evening of last week when they were guests of the officers and employees of the two Arcadia banks. A three course dinner was served by the church ladies at seven o'clock at attractively decorated tables carrying out the Hallowe'en motif. The Arcadia bankers wives and the lady employees of the banks served as waitresses. Thirty-five members of the association attended. During the meeting a free will offering was taken which totaled \$22.75. This was kindly donated to the Ladies Aid society of the church.

Harold Valett Home.
Harold Valett was able to be brought to his home in Comstock last week from the Bryan Memorial hospital at Lincoln where he had been for some time following an operation upon his arm. Harold's arm is still in a cast and he can remain at home for only four weeks when he will be taken back to the hospital for further treatment. Although the arm is healing slowly it is said to be improving as well as could be expected.

Friday of this week a number of the Comstock and Arcadia friends of Mr. and Mrs. Valett plan on "a hering" at their home for a Thanksgiving bee. The ladies plan on bringing lunch and assisting the men by preparing dinner for them.

Woolen Frocks Dominate Fall Styles

THEY WILL BE BELTED AND LONGER THAN LAST SEASON, SAYS HARRIET—KNITTED MATERIALS, ESPECIALLY LACY WEAVES, ARE SMARTEST

BY HARRIET

THE woolen frock vogue takes precedence over every other fashion style of the autumn.

When the frost is on the pumpkin, woolen frocks will appear as the most distinguished apparel for women.

There are all kinds of worsted frocks this autumn and all kinds of material from which they are fashioned. Knitted materials, especially the lacy weaves, are among those that rank highest socially. Next come the soft tweeds that take pleats and which lend a note of correctness to the smartly tailored woman who wears them.

Some of the new frocks use finger collars, vestcocks, cuffs. Others are tailored with avert lines and no trim, depending on furs for decoration.

All of them are longer than last season. Most of them are belted. But the matter of peplums, boleros, cape treatment, one or two-piece cut and other details of fashion are considerations left to each woman.

The three outstanding colors for fall are browns, in all tones possible, reds ranging from tawny red to rich wine and black. The way to visualize a wool frock is to visualize it with all the accessories you need to make a stunning outdoors outfit, such as hat, shoes, purse, gloves and, if you wish it, a scarf or fur piece.

Two of the smartest woolen dresses shown this fall employ two piece of the newest materials, one lace jersey, the other soft tweed.

The jersey is the bright new red that is so chic, and it is made in a one-piece design, with a skirt that flares below the hips. It has a regular shirt collar, very smart on a good-looking woman. And it has tight, long sleeves, with cuffs that fasten with link buttons, another new note. With it there is a black suede belt, with a buckle of gold and some red enamel the color of the frock.

A black hat, one of those little ones that sit atop a woman's head jauntily, is worn with it, a tricorne of velour, with a goose rail. The eowl scarf, that throws

Difficult to excel for smartness in fall frocks is the bright red lace jersey, left, decorated with astrakhan fur. Also smart is the two-piece frock, right, in green tweed. It has an unusual vestee arrangement.

its ends down the back, and a cuff to match are made of black astrakhan.

The second woolen dress is a two-piece soft green tweed, made with a pleated peplum, an unusual vestee strap arrangement that is used with a daintily pleated organdie collar and vestee and a belt of self material.

Relief From Curse Of Constipation

A Battle Creek physician says 'Constipation' is responsible for more misery than any other cause. But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lax, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at Ed F. Bernek's Rexall drug store or at the nearest Rexall Drug Store. 8-32r

To Whom It May Concern: I wish to thank all those who voted for me for Supervisor in district No. 1. I assure you that your vote was deeply appreciated. John B. ZULKOSKI

THANK YOU! To the people of Valley County I am deeply indebted and sincerely grateful for the splendid support given to me, which has made possible my election to the office of the Clerk of the District Court particularly to my many friends who so faithfully worked for me and made this success possible. To truly merit the confidence placed in me will be my aim for the next four years. Once again I thank you all very kindly. Alfred A. Wiegardt

To the Voters of the SEVENTH DISTRICT I wish to thank you for the splendid support you gave me at the late election and to repeat that my effort while in office will be to give this district and the whole county the best service I possibly can. S. V. HANSEN

PIONEER WOMAN DIES AT AGE OF EIGHTY-EIGHT

(Continued from page 1)

Fifty-five years ago this valley was not the succession of well tilled acres with their modern farm homes that make it famous today...

After a quarter of a century on the old homestead the aging wife and husband moved to Ord to spend their latter years.

After a quarter of a century on the old homestead the aging wife and husband moved to Ord to spend their latter years.

Mrs. Ward was a thoroughly unselfish woman as was typified in the delirium of her declining days.

At the time of her death Mrs. Ward was 88 years, 6 months and 21 days old.

WIEGARDT WINS IN CLOSE RACE AS COURT CLERK

(Continued from page 1)

In the Valley county senatorial race Norris showed a decided strength and ran away from Hitchcock to the tune of 1,875 to 879.

Bryan supporters were disappointed in the ex-governor's showing in this county, as Weaver led him by a margin of 1,707 to 983.

Every republican state candidate pulled through with big majorities, Norris, C. A. Sorenson and Theo. Metcalfe having the largest vote.

Bob Simmons received his usual big majority for congressman, getting 1,841 to only 644 for John McCoy.

In the non-political race for state superintendent Chas. W. Taylor got 1,015 votes and John M. Matzen only 462 on the face of incomplete returns.

Gramlich Gives Feeding Advice

In feeding out a carload of yearling calves it might be well to start them on a rather liberal ration or let them graze on some stalk fields before putting them on a regular grain ration.

Local men may find oats a good feed for the first month or six weeks. However, with oats selling at thirty cents, there might not be any economical advantage to be derived from using very much oats.

Oats are pretty bulky for fattening stock, Gramlich says. Young cattle like oats but it takes corn, wheat and barley to produce fat, he avers. In order to mix with corn, wheat should be ground.

With prices remaining at present levels it might be well to feed the steers a ration of half corn, and half wheat. Relative price of the two should determine whether Valley county farmers choose to feed such a ration. It is doubtful if any local feeders are feeding much wheat since this county is not essentially a wheat-producing center.

EYES OF FOOTBALL WORLD ARE FOCUSED ON TEN NEW COACHES TAKING HELM AT MAJOR SCHOOLS—PHELAN'S OFF TO FINE START ON COAST

BY PHILIP MARTIN

TEN major colleges and universities throughout the country have swung into the 1930 football campaign with new drivers behind the wheel. All of them appear confident that the business of taking victories on the gridiron will pick up in the next few weeks.

Some of the new helmsmen took over machines that needed little tuning up from last fall. Others found themselves confronted with a task of breathing new life and speed into a broken-down derelict.

In one instance, the new coach already has worked his miracle. He is James (Jimmy) Phelan, the man who gave Purdue her first Big Ten football championship, and who now is master-minding the Washington Huskies. Phelan has presented the Seattle university with a clean-cut victory over Montana.

Enoch Bagshaw, who dropped dead of a heart attack only a few weeks ago, had good material, but Husky alumni felt that he wasn't getting results with it. Bagshaw resigned under pressure from Washington alumni. Phelan's record as a builder at Purdue looked good to the Huskies. They made advances and he accepted. Washington's first victory may not prove that Bagshaw was using the wrong methods nor that Phelan is a wonder. It does put the smiling Notre Dame Irishman in a pleasant spot, however.

Joe Hanson, former Syracuse All-American and idol of the student body for three years of intercollegiate football, basketball and baseball, stepped into a

Jimmy Phelan, above, coach at University of Washington.

wealth of material when recalled as grid coach this fall by his alma mater. Hanson has practically every member of last year's team.

LOU LITTLE at Columbia and Dr. Clarence (Fatty) Spears at Oregon must go through construction periods. The Lion has

been weak for many years, while Oregon has not known a championship contender for several seasons. Both coaches are renowned as builders, so within a year or two we may read of Columbia and Oregon as leaders of the east and west.

Noble Kizer, new Purdue coach, and Fritz Crisler, at the Minnesota wheel for the first time, have serious problems to solve. Both were successful as assistant coaches, but neither ever attempted a head coachship until this fall. Minnesota's usual wealth of material seems lacking this fall and Kizer's task is doubly hard because he must defend the championship won by Purdue a year ago.

Pennsylvania, with Lud Wray in charge, and Georgetown, with Tommy Mills as head mentor, have been among the eastern leaders for years, although neither has dominated the field. Both Wray and Mills are visioning dreams of an eastern title within a few years. Personally, I think each should be satisfied to do as well as their predecessors. Wray is a former Penn star who assisted Lou Young with the Quakers the past few seasons. Mills served as head coach in several colleges, and for the last three years was right-hand man for Knute Rockne at Notre Dame.

It shouldn't be hard for Major to produce winning teams at West Point. His choice of material would gladden the hearts of most coaches. His men as a group are older, and many of them have the benefit of two or three years of intercollegiate football prior to taking West Point appointments.

and drove to their home Saturday morning. Helen Whalen stayed Friday night with her sister Mrs. Iva Williams.

Fussyville News

Tuesday evening the Union Ridge teachers gave a Halloween party at the school house, a large crowd being present. The audience was given slips of paper representing ghosts and witches which were divided into two sides, each side choosing captains. Wm. Horner was chosen captain of the ghosts and Lloyd Wheeler of the witches. Then the fun began, each side was given points on doing different kinds of stunts. The ghosts winning the witches pie consisting of lollipops, candy and licorice sticks.

The losers are to serve at the next community gathering some time in November. After the games all marched to the basement, which was decorated in colors and Jack O'lanterns, suitable for the occasion, where a lunch of sandwiches, pickles, coffee, and pumpkin pie was served. We thank the teachers for their work in preparing the games and for a general good time.

Tiny "Monarchy," Under U. S. Flag, Has No Jails, Radios, Autos or Rum

A NEW land has been "discovered" under the American flag where for 60 years prohibition has been in actual force, where no man or woman may smoke, where everyone is a church member, where jails, radios, automobiles, airplanes, wireless and even dogs are unknown.

It is the remote island of Nihoa, smallest of the Hawaiian group and until recently a place of the deepest mystery. For years Nihoa has been a fly-speck on the map to passing steamers. Then the new governor, Lawrence M. Judd, paid it a visit, the first Hawaiian governor to do so. In Judd's party was the first newspaper man ever to set foot upon the tiny island's shore. Here is what he found:

An entire island owned by one white man, Aubrey Robinson, descendant of an early missionary, dictator by right of ownership, by his own strict moral code, his determination to keep his "family" of native Hawaiians untainted by the foreigner.

Hawaiian Governor L. M. Judd discovered the "monarchy."

"Dry" for 60 Years
A population of 130 souls lives under Robinson's benevolent feudalism. For 60 years there has been prohibition such as "the states" never dreamed of. Most of the inhabitants never saw or smelled liquor. Tobacco is taboo. School attendance at the one village school is compulsory up to the fourth grade. After that the children work at home. Everyone must also go to the one village church.

A land devoid of a single "modern" invention—autos, radio, wireless, irrigation works, even a village store. One single passenger vehicle, an ancient surry, is the transportation system, the men ride blooded horses, the rest walk. Rainfall is the only water-works. One temperamental spring furnishes water for the island, that and rain water gathered in receptacles. Because of the limited water supply the population is limited to 150, 20 persons more than the present population.

Raise Stock
The chief industry of the island is stock-raising—cattle, sheep, turkeys—all of the best variety. All males work on the great range. The women are very sheltered, the girls doing housework in their parents' huts, making red-meat, shelllets preparing for marriage. The aged are taken care of by Robinson.

The humans, like the stock, are pure-bred. Nothing but the purest of Hawaiian Polynesians are found, a contrast to the racial hodge-podge of the other Hawaiian islands. "Store goods" or dress in "tough clothes" shipped from Chicago mail-order house.

There are no jails. The few misdoers are deported. No ships sail from Nihoa's precarious port except an occasional whaleboat or small freighter that brings the mail and takes away wool, hides, cattle and other produce.

Woodman Hall

Charles, the eight year old son of Mr. and Mrs. Adolph Ruzicka, passed away at his home Thursday evening and was laid to rest in the National cemetery. Funeral services were held at the Community Hall with Rev. Filippi of Clarkson delivering the address. The boy was their only son and we extend sympathy to the bereaved parents.

Mr. Fritz of Wilbur is picking corn for Otto Radil.

Evelyn Kamarad, the little six-year old daughter of Mr. and Mrs. Jos. Kamarad was operated on for appendicitis at the Hillcrest Sanitarium last Wednesday morning. Mrs. Kamarad is staying at the hospital with her little daughter and Mrs. Waldmann and Mrs. John Kamarad are taking care of the smaller children.

The students of Geranium high enjoyed three days vacation while Miss Roth attended the state teachers' convention at Omaha.

Mr. and Mrs. Emil Mathouser stayed over night with the Adolph Ruzicka family Wednesday night. Frank Smolk traded his John Deere tractor and Belle City corn picker on a new Case tractor and New Idea corn picker at the Kokes implement company at Ord Monday.

Lawrence Waldmann had his tonsils removed last Wednesday morning. He is slowly improving. All is quiet in this section of Valley county again after the war on pheasants the last ten days. A good many of the birds were killed on the first few days but the hunters were fewer and report less luck the latter part of last week. About 380 pheasants were killed, tagged and taken out at this end of the county, mostly by Custer county hunters during the ten days. No doubt more were tagged at the numerous other sections of the county.

A large crowd enjoyed the Carnival and dance given by school district 73 Sunday night. Monday morning was reserved to keep All Soul's Day and masses were said at 9:30 and 10 o'clock at the Geranium church.

Mr. and Mrs. Will Waldmann and son Donald accompanied by Mrs. Waldmann's parents Mr. and Mrs. J. L. Clochon drove to Grand Island Saturday afternoon where they visited with Mr. and Mrs. Ted Clochon until Sunday evening.

Miss Elma Kosmata gave her students in district 48, a surprise Halloween party Friday. The children had a delightful time. This was their first Halloween party in that district.

The record-breaking drive of these boys proves again the longer-lasting, crack-proof qualities of the new Texaco. Learn from them how to make a Ford, or any other car, give you the maximum in service.

Here's a remarkable demonstration of the new crack-proof Texaco Motor Oil—the same oil you can buy at all Texaco Stations.

FASTER than the "20th Century Limited." Breaking all existing automobile records, regardless of engine type or power, William Madden and E. C. Bidwell drove a Ford Sedan from New York to Chicago in the astonishing time of 18 hours and 42 minutes.

Their time is all the more remarkable in that they were forced to fight their way through dense fogs in New Jersey and Eastern Pennsylvania—through rain and sleet in Ohio and Eastern Indiana.

Following the route charted by Texaco National Road Reports, the two boys encountered no detours on their whirlwind drive. They used Texaco-Ethyl (the "dry" Ethyl gasoline) exclusively, making one stop in Pittsburgh for refueling. Before leaving New York the crankcase had been filled with 5 quarts of the new crack-proof Texaco Motor Oil Grade "G." Upon reaching Chicago the gauge still registered "FULL." No oil was added on the entire record trip!

NEBRASKA FARM FAMILIES BUY FEWER CLOTHES

Annual Clothing Cost Per Person Only \$49 in This State; Vermont Is Lower.

Valley county people will be surprised to know perhaps that Nebraska farm families spend less for clothing than farm families in thirteen of fourteen states where surveys have been made to determine the cost of clothing annually. Results are published in a bulletin by the college of agriculture and written by J. O. Rankin of the rural economy department. Vermont was the only state to spend less money per family.

The annual cost of clothing persons over one year old in Nebraska farm homes was \$49, according to the bulletin. The average is probably near that figure here in Valley county, it is thought. The survey from which the figures were deducted was made among 328 farm homes. Rankin found the average total cost of family living expenses to be \$1680. That included money spent and value of food, fuel, and shelter furnished by the farm.

Rankin shows in his bulletin where one-fourth of the homes spent less than \$1200 for all living expenses a year while two-fifths spends \$1200 to \$1799. The report shows farther that one-tenth of the 328 homes spent over \$2399, indicating the spread of expenses in various farm homes and showing the low spending families weren't the only ones taken into consideration in the survey.

Clothing costs per family in different Nebraska sections vary, the bulletin reads. It shows that the cost of clothing per household in Kimball county is \$271 while in Washington and Lancaster counties in eastern Nebraska, it was \$200. Clay county spent but \$140 but the low figure may be due to the elderly people there, Rankin explains. Presence of many young farmers in western Nebraska may account for the higher clothing costs there.

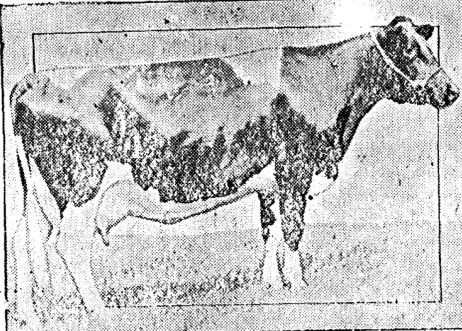

Nebraska farm people evidently spend less for clothes than the city people if the bulletin is correct. It shows that clothing expense on the farm was \$49 per person while in Grand Island it was \$54, showing the increased expenditures in the third city.

Again in cost average for every farmhome, Rankin shows where the farm home spends less than the city home. The average cost for clothing in the farm home was \$197 while in Grand Island each family spent \$245 on an average and in Omaha the cost was \$231. Rankin says in his bulletin that the cost of clothing per family was greater in the cities than in the farm homes because of the greater numbers in the working men's homes in the cities.

The survey showed that farm men and boys under twenty-one spent about fifteen percent less each than the city men and boys of the same age. Above that age, the city men spent distinctly more for clothing than men in the country. Farm girls clothing cost far less than that for city girls up to twenty-one but the farm wives spent a little more than the wives under that age. After marriage a little less was spent for each of the clothing items except aprons, suits, furs, hats, chemises, brassieres and corsets.

Figures in the bulletin show that farm people wear very few homemade garments today. What was worn was almost exclusively for women and girls and for babies under two. Only \$5 out of every \$1000 spent for farm boys and men's clothing went into materials for homemade clothing.

Worth Her Weight in Butterfat

The sort of cow any farmer would like to have around is Bay State Colantha Countess, above, 1500-pounder, which was recently ranked 176 on the all-time Holstein butterfat list when she produced two-thirds of her weight in butterfat and 16 times her weight in milk in a year. The Countess is owned by Massachusetts Agricultural College.

Thirteen Calves Go From Valley County To Show In Omaha

Thirteen Valley county calves are entered in the 4-H show held in connection with the Ak-Sar-Ben stock show in Omaha this week. Boys having calves entered are Floyd Rathbun and William Garnick, with Angus calves, and Fred Nielsen, Claud Barber, Kenneth Barber, Ray Wolf, Leonard Wolf, Harold Koelling, Donald Marks, Dean Marks, Orvil Sorenson, George Falser and Guy Worm, with Herefords. There will be 46 Angus and 123 Hereford calves from Nebraska alone entered in the show. Iowa, Kansas and Missouri will also be represented.

The local sifting committee sifted out two of the local calves and sent them to the stockyards last week. Owners of calves entered left for Omaha early this week. Parents of several of the boys also are attending the big Ak show. County Agent Dale drove down Tuesday.

Hooked Rug Making Outlined by Expert

Today Valley county housewives admire rugs that have small or border designs that give repose and harmony to the room is the opinion of Ripah Douglas, state extension agent in home beautification. In a recent circular she describes methods of making hooked rugs for the home.

Formerly women admired rugs with large striking designs such as garlands of roses with intense color of red and green. The rug designed with a cat or dog used to be popular also. A rug that seems "spraw" all over the floor today does not make a good background for the furniture nor does it make the room have a restful appearance, declares Miss Douglass.

Since the rug is the foundation of the room and furniture, Miss Douglass believes a modern housewife wants an inconspicuous design. She wishes also a color that seems to "stay down" on the floor and give a restful feeling.

Every rug should express the general color harmony of the room. A north exposure could well have a dull, dark blue or green. Miss Douglass is telling these things to her women's club leaders over the state. Last year she conducted a similar project in Valley county, holding her meetings at Ord monthly.

In her new circular the extension specialist from the agricultural college explains how to make a hooked rug. Planning the pattern and color are important parts of making a good rug, she advises. Decide upon the place where the rug will be used and make the burlap large enough to fit the rug, Miss Douglass suggested.

The success of the rug depends largely upon the design and colors used. Care must be taken to get interesting shapes and proportion, she tells her club women. A long narrow rectangle is uninteresting. So is a circle unless it is made to fit a definite object.

John Ward, who had been in Ord for a couple of days on account of the death of his mother, Mrs. A. Ward, went to his home in Burwell Saturday evening.

BACK FORTY

By J. A. Kovanda

Perhaps the first hybrid corn test to be completed in this section of the state is the one made by Anthony Kokes.

Last winter the college of agriculture offered to furnish, through its county agents, samples of hybrid corn to those who were willing to test them out. Anthony made application for some of this seed, which he secured and planted as a part of his agricultural project work.

He produced a nice stand of corn and it grew well until it reached a height of about two inches. Then a severe "gully washer" covered most of it with a deep layer of mud, and the crop was considered destroyed.

But Anthony is a lad who never gives up. He took one glance at the sad remains of his test plot, and then proceeded to exhume it. Acting upon his own initiative, he rolled up his sleeves and stooped down to the delicate and almost impossible task of digging the buried plants out without injuring them, patiently and carefully he probed and hunted with mud caked hands and aching back. So diligently did he toil that in a few days the job was finished, and the hybrid corn appeared but little worse for its ducking.

Last week Anthony harvested the corn with the assistance of a number of other young boys. They shucked and weighed an eighty-three foot row of each variety. The number of pounds thus secured was considered equal to the approximate yield per acre in bushels. Along with the hybrids were some rows of home grown ordinary field corn which were checked for comparison. These were the yields:

Name of Corn	Yield per Acre
Newlin 2	47. bu.
Funk 250	41.5 bu.
Nebr. 298 x 299	40 bu.
Henry Field	39 bu.
Funk 517	38.5 bu.
Bulls Reed	38.5 bu.
Kokes White (check)	38 bu.
Nebr. 2914 x 2915	38 bu.
Krug	36.2 bu.
Wilson's Reid, Blair	35.7 bu.
Bierman's Reid	35.3 bu.
Cooper's Cattle Corn	34 bu.
Funk 365	33 bu.
Newlin 1	32 bu.
Manglesdorf	30 bu.

These results might indicate that hybrid corn possesses but little if any superiority over common field corn, when planted in this region. It would be unfair, however, to draw any conclusions from a single test conducted during only one season. It is hoped that some farmer will volunteer to carry out a similar experiment with hybrid corn next year.

Wheat Fed Hogs Make Quick Gain

Valley county hog producers learned that hogs on experimental tests at the Nebraska agricultural college paid \$1.25 per bushel for ground wheat and \$1.14 per bushel for shelled corn when Prof. Wm. J. Loeffel spoke at Rooter's Day held at the college last week.

The hogs were considered worth \$9.00 per hundred at the close of a 105 day feeding test. One lot received shelled corn, tankage, and sudan grass. Cost of the pasture and tankage in each case was taken out before the pigs paid their bills for wheat and corn.

As in previous experiments, ground wheat was worth 102 per-

cent as much as corn as a fattening hog feed. The wheat fed hogs made thirteen pounds more gain the 105 days and were ready for market earlier in the season, a practical item in the season of the year when hog prices generally go downward.

Prairie Hay's Best Market Furnished by Crockery Packers

The machine age! That is what has brought about many changes in the economic structure of today's business and farming. It has made markets and broke them. In the latter class is the prairie hay and oats. Coming of tractors to farms here in Valley county and elsewhere has naturally brought about a gradual decrease in horses upon farms. That in turn has brought about a change in market value of oats and prairie hay. No horses, no hay and oats needed. Some grades of prairie hay on the market today do not pay the farmer enough to ship it.

Oats have held their price, however, much longer than has prairie hay. The price of the oats has been expected to drop before but it has not been until recent months that the price has slumped although they may be in a fairly good position today.

Where there were big markets in the cities before for prairie hay for horse feed today that market is completely broke. Few cities demand any prairie hay as horses aren't used by any extent anymore. Likewise oats has not been finding a steady market.

Today oats and prairie hay must find a different market. It has been shown that oats can be used for cattle feed profitably. Experimenters have brought about an experiment station last winter showed that a light feed of oats with prairie hay wintered calves profitably.

Oats may be fed to growing animals best such as pigs and calves. Fed with other grain oats will prove a valuable help winter calves. As feed for fattening cattle, however, they have little value since they have but little protein.

Feeding of a light feed of oats with corn fodder may prove successful to some Valley county farmers. Perhaps some local farmers follow that practice now.

Few Valley county people realize that the greatest market prairie hay finds today is for packing crockery. The hay seems to pack the crockery better than straw and the large companies buy the hay on the market for packing purposes. Crockery packing is one of the most reliable markets for prairie hay today.

This under-consumption or over-production age which we are now passing through may be caused partly by the machine in the use of oats and prairie hay. Since prairie hay offers little inducement to leave the land lay idle except for hay production, many farmers over the country have plowed the land up and put in grain crops.

Today there are many fields in eastern Nebraska pasture land that would return more to the landowner if planted to wheat and barley. This is not true in some parts of the state though where the soil will not produce any crops.

Don't Graze Alfalfa After Freeze, Warns Professor Gramlich

In answer to inquiries from cattlemen in Valley county, H. J. Gramlich of the agricultural college today warned that there might be some danger in pasturing cattle on frozen alfalfa immediately after the freezing takes place. Many cattle raisers and feeders over the county have been at loss as to the safe practice to follow.

Gramlich says that later when most of the moisture has left the plant, there is practically no danger to cattle. Within a month after the first freeze it should be entirely safe in allowing cattle to run to the stalk and adjacent alfalfa fields he believes.

Rather than run too much risk at first, Gramlich suggests putting up a temporary fence along the alfalfa.

Valley County's Husking Price In Line With Others

Valley county's uniform shucking price of six cents per bushel appears to be in harmony with similar prices paid over the state. Some counties, however, are paying seven cents while a few are giving shuckers but four cents per bushel.

Reduced corn yields in the eastern part of the state and a decided increase in the number of mechanical pickers being used over the state have tended to lessen the demand for corn huskers. A similar condition is supposed to exist in Valley county. Little outside help will probably be needed to get the 1930 crop out of the fields.

Farmers in many counties over the state are cooperating in a similar fashion to those in Valley county. County extension agents have called general meetings of farmers as Agent Dale did in Valley county to establish a uniform price. Most of the farmers over the state will pay from five to six cents a bushel for husking.

Cheyenne county in western Nebraska is reported to have established a uniform price of seven cents per bushel. The supply of huskers there is sufficient, reports to the quiz indicate.

In eastern Nebraska, Lancaster county farmers are paying six cents per bushel. The supply of huskers seems adequate to take care of the labor demand. Hamilton county farmers in central Nebraska where corn is exceptionally good this year will pay from four to five cents a bushel to huskers.

Keith county farmers have just started husking their corn. Farmers there report they may need some outside help later. Farmers in Deuel county are paying six to seven cents a bushel this year to huskers. There the supply of available huskers apparently equals the demand.

Normal husker demand is expected in Valley county. In former years there has been no great demand for outside help in shucking the local crop. This year should prove no exception.

Thursday Mrs. Emil Chotena and two sons, Lyle and Harold, were passengers for Omaha.

Free Application Blanks Ready Soon

Application blanks for free governmental trees will probably be available within a short time after the first of the month, according to County Agent Carl Dale. Valley county farmers wishing to secure the trees to plant for windbreaks should get in touch with Dale within the next few weeks.

Each year the trees are distributed to farmers over Nebraska from the National Forest reserve at Halsey, Nebraska. All varieties are available but applications for trees are honored as they reach Clayton W. Watkins, extension forester at the agricultural college. Agent Dale says that every year

there are some Valley county farmers who wish the trees but fail to get their application in soon enough. When the supply is gone, none are available as was learned last year by many local farmers who were planning to start growing a windbreak.

As in previous years, farmers will receive the trees free probably, according to Dale. Their only expense will be paying for the express and wrapping charges. This has been necessary in former years.

Miss Helen Kokes, who teaches in Wolbach, attended the teacher's meeting in Grand Island, coming to Ord Friday. Sunday she was a motor passenger for the island, going to Wolbach from there.

Historic German Cities and Prague Are Visited By Miss Marjorie Hostetter

Rothenburg, Germany July 16, 1930.
Dear Folks:
The villages between Wurzburg and Rothenburg were so interesting that we took several pictures of old gates etc. "Rothenburg ob der Tauber" with 9,000 inhabitants is very pleasantly situated on the top of a plateau which descends abruptly to the Tauber river. It is unique in its wealth of beautiful buildings and picturesque streets. The growth of Rothenburg was brought to a standstill at the end of the 30 years war (1648) and since then no definite outward change has taken place. There has been a law for years that no new buildings can be made, only repairing and remodeling on the inside. Some new buildings are outside the city walls but things have stayed the same inside for several hundred years. The houses are so neat and almost every window has rows of geraniums, petunias etc. The streets are paved with stone and everything is so full of life and color. It's a lovely place to stay, the hotel so clean and cheap. I had a darling room with bath for only 70c a night. The name of the hotel is Grunen Baum,

Weller and McMIndes Sale Barns in Ord
1:30 P. M.

SATURDAY, NOV. 8

200 HEAD OF CATTLE

50 head of big husky hereford calves. 100 head of yearling steers and heifers. 35 head of real good two-year old feeding steers. 25 head of breeding cows and heifers. 35 head of bucket calves. A number of milch cows. Some baby calves.

The quality of this week's offering is much better than what we have had the past two sales. With livestock prices advancing and grain declining it looks like a good time to buy a few cattle. Come in and look them over.

150 OR MORE HEAD OF HOGS

125 head of good thrifty stock hogs. Spring boars of all breeds.

SEVERAL HEAD OF WORK HORSES

We are starting our sales a little earlier than usual, so be prompt. Several interested people arrived too late for last Saturday's hog sale. With the days getting shorter it is necessary that we start on time.

meaning, "The Green Tree". The walls of the city, and also the towers and gates are very famous. There is a covered passage along the top of the walls where the soldiers who were defending the city stood. There was a fine article in the Geographic a couple of years ago about it. It is the most perfect example of a city of the middle ages in existence. We had tea this afternoon in the court of the Baumerstr Waus. The court is surrounded by wooden galleries from the windows of which hanging nasturtiums. The building was made in 1898 and has been unchanged. I'd love to stay right here for days. I walked about 3/4 of the way around the city on the wall this afternoon.

Margy Nurnburg, Germany July 18, 1930

Dear Folks:
We had a tour around the city of Nurnburg this morning because we didn't have time to just bum around by ourselves and see what we wanted to leisurely. Good thing too for it has been raining all afternoon. The city's walls are very interesting but nothing can quite come up to Rothenburg. Tomorrow we go on to Prague. Everyone I've talked to who has been there says they liked it better than most any other city in Europe. I guess there are not so many tourists there as further west in Europe. The country is just flooded with American tourists this summer. I suppose on their way to or from the Passion Play mostly, and say they are a disgusting lot as a rule. The girls are far too much painted and the old women are so priggish and complaining. They certainly have queer ideas about good time and how they do throw the cash. I'm not always proud of the fact that I'm an American. When people learn that we are Americans, they say, "Oh! you have lots of money, you can pay this price easily." We immediately inform them that although our nationalities are American we have lived for some time outside of the states and do not have lots of cash. You can always tell American women a block away too. We bet, "Is she American or isn't she," then we walk near to hear what they are talking about. Then we talk in Turkish so they won't know we are Americans and talking about them. I'm anxious to get to Berlin and see if I have any more mail. We go to Prague, Czechoslovakia tomorrow. Everyone says Prague is lovely.

Margy Prague, Czechoslovakia July 22, 1930

Dear Folks:
The weather has been grand since we left Nurnburg and although it has been clear and sunny it hasn't been too warm. The first day we were in Prague we started out in the morning early to take a tour of four hours around the city. As a rule I hate that way of seeing things for the guides' English is not always easy to understand and you go from one thing to another so fast and crowd in and out of the bus so often that it's dumb, but Babcock said it was the best summer was very satisfactory so we did it. Since every one in the bus was American he didn't have to explain in two or more languages. The guide was a nice young fellow who had been in American three years. I didn't know much of the history of the country, but the President of the republic is American and married an American woman. He has held three six year terms and has a good chance of a third re-election. The Checks seem to be very fond of America and the Americans. Last night we started out about five took a ride to the top of the hill overlooking the city, wandered around the castle and cathedral grounds and then down to the river. We stopped at a big island and sat in a garden drinking famous Pilsen beer and eating pretzels while we listened to a band concert. Then we walked in the shopping district looking at window displays and about 9:30 went to another garden cafe, which is famous for its good Bohemian cooking and had dinner and listened to the orchestra. The night before we went to a movie. It was an American film and very good. About West Point and Annapolis school life. Tonight we are going to another American production.

Margy Wittenburg, Germany July 24, 1930

Dear Folks:
The first p. m. in Dresden we had a tour around the city and neighboring country. It is awfully pretty and we saw a lot in four hours. The next morning we went to the wonderful Dresden Art Museum and saw the lovely Raphael Madonna, Guido's Christ, several VanDykes, Georgio Venus, Holy Night and others. I wish you could have been there. In the afternoon we took the train out to the Hygiene Exposition. There were all kinds of exhibits. Everything you could think of in connection with health. It was all so beautifully arranged and the grounds were lovely. We had a swim in a grand open air pool and then hiked back to our hotel to pack and get the 7:40 train for Wittenburg.

Margy Berlin, Germany July 26, 1930

Say Pansy's trip certainly does sound wonderful. It isn't everyone who sees what she'll see. Any one can come to Europe and see what I'm seeing, almost. I don't believe I told you much about Wittenburg, except what I wrote on the cards I sent. The city is larger than it looks, about 27,000 but it seems like a small town. We walked all over the whole place. The things of interest of course are the things connected with Martin Luther. The

church where he preached for 32 years has been redecorated. The church on whose door he pinned his 99 articles of protestation against the Pope and the Catholic faith has all been redecorated since 1890. Of course the buildings are the same and there are statues, oil paintings, bronze tablets and inscriptions everywhere of Luther. The room where he worked is still as it was when he occupied it. The building along with others is now a seminary and museum in which are hundreds of old manuscripts, letters, pictures, etc. connected with the Protestant Reformation. Even the pulpit from which Luther preached.

We got into Berlin day before yesterday. That evening we went to a musical comedy that was real cute although it was in German. We came back on the subway and in our walk of three blocks it began to rain. The next morning it was pouring and there was quite a wind with it too. Our landlady loaned us an umbrella and we tramped up to the American Express to get your letter with the Round Robin Mama. I wanted to buy some cloth for a dress for next summer so I could make it next spring in Merzifun before leaving. I got a brown and orange and yellow flowered chiffon and a string of wooden beads to go with it. Then I got hosiery too. Berlin is a great place to trade. The hosiery were full fashioned, pointex heel and awfully nice silk for 90c a pair. I want to get cloth for one more dress and wool for a coat in England. Today the rain stopped and we took a 3 1/2 hour trip around the center of Berlin with a stop at the Kaisers town palace and at the museum of pictures of old masters. This afternoon we rode for four hours and through Charlottenburg where the royal palace is and three other suburbs which are now included in Greater Berlin. Berlin is second largest city in Europe and covers a lot of land. Most buildings are no more than five or six stories high but they have a couple of new department stores which they call their sky scrapers which are ten stories high. Their flying field is the largest and best located in the world. We stopped there this p. m. A ride of 15 minutes costs 8 marks or \$2.00. Berlin certainly is building some fine modern buildings with plain straight lines. I would like to stay in Berlin a whole winter. We have our tickets up to Copenhagen and will leave in a few days.

Poultry Car

We will have a Poultry Car on the Union Pacific tracks all day Saturday of this week and up until Monday noon

Old Hens	lb. 14c
Spring Chickens	lb. 13c
Leghorn Hens-Leghorn Spgs.	lb. 10c
Old Roosters	lb. 7c

Just a week ago, Hens and Springs were Bringing You 10c per pound.

If you have chickens to sell, better bring them to this car, for it will probably be a long time before you get more money than the above prices which we will pay Saturday and Monday for chickens delivered to the car.

If you like this increase in price, show it by bringing in your chickens

There is a large Surplus of Poultry in the United States this year and when we quit getting in cars watch the LOCAL PRICE GO DOWN!

WE Want ONE HUNDRED MORE NEW CREAM PATRONS, so as to round out our year with a GOOD BIG VOLUME.

You people who do not patronize us will surely admit that we are helping you to get more money for your Poultry. One good turn deserves another, so my not sell your cream to us and help us increase your cream dividend. You won't have to sue us to get it either.

THE ORD COOPERATIVE CREAMERY COMPANY

WILL DEDICATE NEW CHURCH AT ARCADIA NOV. 23

Methodists Will Formally Open
New \$26,000 Structure; Re-
porter For Quiz Views It

by Irma Ellis Leggett

Upon the personal invitation of Mr. Lutz, this Quiz reporter inspected the splendid big new \$26,000 church which the Methodists of Arcadia have just erected. And well worth investigating the church was the general effect of massiveness, the variegated colors of the brick walls, the fine corner location with a south and west exposure, the softly colored green cedar shingle roof, the rich and simple stained glass windows and the square tower over the entrance with its small Gothic arches all combine with dozens of other attractive features to make this handsome edifice.

This church was not built in a day. For years the good Methodists of the Arcadia parish have worked to make their dream come true. For about two years church services were held in the basement of their new building, only the basement being finished, and that temporarily. Now this huge basement room will be used for Sunday school classes, church entertainments, etc. Beside this dining hall is a very large kitchen, well equipped with a furnace, a hot water fan to circulate either hot or cold air, and a fuel room. The downstairs is finished in hard pine.

Going above stairs, all the woodwork, including the floor is the finest oak. The walls are rough white plaster, new and clean. The lighting fixtures are urn shaped. A soft color suggesting pale tan with a green tinge. They are suspended on long chains, simply decorated in wrought iron fashion. Numbers of these lights are used.

Entrance to the body of the church is made through a small corridor under the tower. Coming in at the southwest corner of the auditorium, the pulpit is directly opposite, on a raised round platform. The pews and all other furnishings are of dark oak, facing in a circle toward the northeast. North and in an alcove, high behind a dividing rail is the place the choir will occupy. West is a small room used by the choir which would be ideal for putting on vestments.

East of the choir rooms is a study for the pastor, Rev. R. O. Gaither, and still east is a small parlor, which opens directly through a big double entrance-way into a large room which the Epworth League will occupy. At the north west corner of this room connects with that in the church proper, and seven huge doors may be folded away to combine the two rooms as well, if the size of the congregation demands.

Calves Average \$13.75 at Omaha

Floyd Rathbun's Angus Only Valley County Calf in Prize Money, But Sale Prices Are Good.

Showing in Group B of Angus steers at the Ak-Sar-Bee stock show in Omaha last week Floyd Rathbun's Angus baby beef placed tenth in a field of thirty-three. It was the first time a Valley county calf has ever placed at the Omaha show. The grand champion Angus, which later became the reserve champion of the show, was in the same class.

Other Valley county baby beefs failed to place in the money but Donald Marks' Hereford, competing in a class of fifty-five, ranked as fifteenth individual.

On Friday the 4-H sale was held and the grand champion of the show brought 60c per pound, which was under the price paid for the champion last year. Valley county calves in the sale averaged \$13.75, which is regarded as very good. Dean Marks' calf brought the highest price, \$15 per 100, and other Valley county boys entering animals received the following amounts per hundred: Orval Sorenson, \$13.50, Floyd Rathbun, \$14.50, Claude Barber, \$14.50, Guy Worm, \$13.25, Harold Koelling, \$13.25, Fred Nielsen, \$13.25, Kenneth Barber, \$14, George Palser, \$14.25, Wm. Garnick, \$13.75, Roy Wolf, \$12.50, Leonard Wolf, \$12.50, Donald Marks, \$11.50. These good prices should encourage others to enter the baby beef club in 1931.

Bea-News Special Still On.
The Quiz was authorized in a special delivery letter received Tuesday to continue accepting subscriptions for the Omaha Bea-News at \$5 a year, daily and Sunday. The offer holds good until Tuesday night, November 25, the letter says.

New Chevrolet To Be Shown Saturday

Chevrolet's new car for 1931, priced substantially below current levels, goes on display Saturday throughout the nation.

The new car boasts a two-inch increase in wheelbase, larger and roomier bodies by Fisher with mohair or broadcloth as optional trimming, and scores of refinements in appearance and performance despite the new prices which bring the level for the 1931 car to a far lower figure than any Chevrolet, four or six, has ever sold.

Dealers throughout the United States will put the new models on exhibition Saturday for the first time, nearly two months in advance of the customary date for the showing of the annual new car. This move in advancing the announcement date, it was felt by the Chevrolet officials, would render a distinct contribution to the cause of general business revival by insuring extraordinary activity during the normally dull business months for the 200,000 people throughout the United States who depend directly upon Chevrolet for their livelihood.

The nineteen domestic production plants of the Chevrolet organization are now in full swing on the new model, according to W. S. Knudsen, president, and shipments are going out to dealers to assure immediate delivery of all models.

STOCKHOLDERS OF FAIR ASS'N HOLD ANNUAL SESSION

McClellan, Roe, Kokes Again
Chosen But Barta Treasurer;
Fine Financial Report.

Meeting in the district court room at the court house Monday, stockholders of the Loup Valley Agricultural Society re-elected S. W. Roe, Don Rounds and Ernest Hill as directors and listened to a fine financial statement from Vincent Kokes, secretary, and John Allen, treasurer. That Valley county's 1930 fair was a successful one financially was shown by the report.

A year ago the indebtedness of the association was \$1,200. Since then four acres of land were purchased, one new building was built, all the buildings moved and numerous improvements were made, the total cost being over \$5,000, and the association is now but \$3,500 "in the red." Officers say the remaining indebtedness will probably be paid in full before the 1931 fair begins.

Stockholders present at the meeting Monday complimented officers and directors on their management of the business of the association and extended a special vote of thanks to Chas. Bais who so faithfully managed the moving and building last summer without pay.

The financial report read to stockholders showed that total receipts of the association in 1930 were \$18,306.57, of which \$4,877.85 was from grand stand seats, \$4,011 was from Valley county, \$3,500 was from borrowed money and the balance was from miscellaneous sources. Total expenditures were \$15,088.19, of which premiums cost \$3,272.85, the auto races \$3,366.28 and the free acts \$2,200, to mention a few of the major items. The complete financial report will be found on page eight.

At a directors meeting following the stockholders meeting Monday, W. W. McClellan was re-elected president, Vincent Kokes, secretary, and Jos. P. Barta was elected treasurer in place of John Allen, who did not wish the office for another year.

Fall Festival Is Planned For Friday

Friday, November 14, is the date set for the first Annual Fall Festival being sponsored by the Ord M. E. church. Plans have been made to provide entertainment to a large group. It is hoped that the festival idea which has been held in former years. The program which has been planned will include musical numbers, readings and a little playlet, all of which will be held in the auditorium. A small admission is to be charged, tickets having been on sale for a week. In addition to the above program, the admission, which will be charged will include rather elaborate refreshments. The ladies of the church will serve the food from booths in the church basement. The playlet has been coached by Miss Johnson, and the parts of the characters are taken by Mrs. Kovanda and Mrs. Sam Marks. The sale of tickets, in charge of Mrs. Leo Long, is progressing satisfactorily. Other chairmen in charge of committees are Miss Mamie Smith, Mrs. R. O. Hunter, Mrs. Tunncliff, and Mrs. Henry Marks. 34-11

WILL MAUPIN TO SPEAK AT FATHER AND SON BANQUET

Well Loved Hastings Poet, Former Bee-News Columnist, Will Feature Program Monday.

Will M. Maupin, former conductor of the Sunny-Side-Up column in the Omaha Bee-News, will be the principal speaker at a Father and Son banquet to be held next Monday evening in the Ord high school auditorium, announces W. D. Cass, high school principal, this morning. Securing Mr. Maupin as speaker rounds out a splendid program that should make this year's father and son banquet the most successful ever held in Ord.

"Bill" Maupin, as he is affectionately known to newspaper men all over the United States, is an old-time printer who owned a paper before he was 21 years old and he has been in the newspaper business all his life. His greatest fame, perhaps, came when as a columnist and special writer for the Omaha Bee-News he was evicted from Queen Marie's special train and wrote interestingly about it in a story that was reprinted all over the country.

Many Valley county people who were subscribers to the Bee-News and always turned first to Mr. Maupin's "Sunny-Side-Up" column will be happy to know that he will speak in Ord, for he talks even more interestingly than he writes. He has published several volumes of poetry and is at present editor of the Hastings Democrat. A father of several sons himself, he will have a humorous and interesting message for all fathers and sons.

Fathers and sons who want to attend the banquet and hear Bill Maupin speak next Monday should get in touch with Mr. Cass at once, as tickets are already on sale.

Mrs. Brickner Is Hurt In Collision

While enroute to Grant for a visit with relatives last Saturday, Mrs. and Mrs. Barney Brickner were victims of an auto accident near Maxwell. A truck standing beside the road caused a collision between the Brickner car and a car coming from the other direction. Mrs. Brickner's face and head struck the broken windshield and she was badly bruised around the eyes and forehead. A Maxwell doctor took eight stitches in one severe cut. The Brickners stayed in Kearney Saturday night and came back to Ord Sunday. Dr. Kirby McGrew is caring for Mrs. Brickner.

C. J. Mortenson and Jos. P. Barta were in Omaha last week attending the state bankers convention.

Fred Travis Kicked By Horse, Improving ANNUAL RED CROSS DRIVE IN PROGRESS

Fred Travis has been in serious condition since last Wednesday, when he was kicked in the back by a horse. For a time it was feared that pneumonia would set in, as he was kicked just back of his right lung. This danger seems to have been averted, however, and Mr. Travis is reported to have a good chance to recover. He is being attended by Dr. C. C. Shepard and has a special nurse. He is being cared for at his farm home south of Ord.

Ord P. E. O. Ladies Entertain Guests From Other Towns

Ladies of neighboring chapters of P. E. O. entertained Saturday by Ord P. E. O. members at a luncheon served at 1 o'clock in the parlors of the Methodist church. More than ninety enjoyed the luncheon, sixty-five of them being from other towns. Members from St. Paul, Loup City, Burwell and Sargent were present and Mrs. Josephine Waddell, state organizer from Beatrice, was an honor guest. The rooms were decorated in yellow and white, the colors of the sisterhood, and bouquets of yellow chrysanthemums were used. The decorating committee consisted of Miss Daisy Hallen, Mrs. Ada Mann, Mrs. Kirby McGrew and Mrs. L. D. Milliken.

Small tables were used, at each of which an Ord P. E. O. acted as hostess. Each table carried out a color scheme planned by the hostesses and the rainbow effect was very pleasing. Upon each table was a yellow candle bearing a bow of white tulle. Mrs. A. S. Koupal had charge of arranging the tables, each of which bore a name suggestive of P. E. O.

The luncheon committee consisted of Mrs. H. B. VanDeer, Mrs. A. W. Tunncliff, Mrs. Glen Auble and Miss Gertrude Hawkins and three courses were served. Between courses Miss Elva Bloodgood sang a group of songs, Mrs. Kirby McGrew and Mrs. Glen Auble played a group of piano duets and Mrs. Roy Collision led the singing of P. E. O. songs.

Mrs. C. J. Miller was toastmistress and called upon one member of each chapter, those speaking, being Mrs. G. W. Taylor, president of the Ord club who welcomed guests, Mrs. J. H. Paul, St. Paul, Mrs. Lamont Stephens, Loup City, Mrs. Clara Butts, Burwell and Mrs. Eva Brown, Sargent, who responded for their respective chapters. Mrs. Josephine Waddell made a short talk and Mrs. Mark Tolson captivated with a group of three songs.

Rev. Wright Speaks On Armistice Day

Rev. W. H. Wright, of the Ord Methodist church, was the speaker at Armistice day services sponsored by the American Legion at the high school auditorium Tuesday evening. He made a splendid address. Another feature of the program was singing by the audience under the leadership of Miss Elva Bloodgood. Ritualistic services were given by the Legion. The program lasted only thirty minutes but was one of the most impressive ever held here on Armistice day.

Rotarians Attend Inter-City Meeting At Broken Bow

Twenty Ord Rotarians drove to Broken Bow Monday evening and attended an inter-city Rotary banquet held at the Arrow hotel. Other clubs represented included Ansley, Arnold, Callaway, Loup City and Broken Bow. Irl D. Tolen served as toastmaster in place of C. C. Dale, who was ill and unable to attend. Dr. George R. Gard led group singing and Clarence M. Davis represented the Ord club on the program. Cullen Wright, banker and stockman of Scottsbluff, was the principal speaker. A fine time is reported by Ord Rotarians who attended.

Only one accident marred the pleasure of the trip for a portion of the local men. Thirteen of them made the trip in one of W. F. Williams' busses and the bus broke down west of Westport and the cars were sent out from Broken Bow to transport the thirteen to the meeting. They arrived late.

Postal Clerk Wins Belt As Champ Husker

John Lemmon Victorious In
County Match Held Friday
At Stanley Cross Farm.

Selling stamps or husking corn at a championship pace—its all in the days work for John G. Lemmon, champ cornhusker of Valley county, who won his title against strong competition in the county contest held last Friday at the Stanley Cross farm south of Ord. After working all morning in the Ord postoffice, where for nearly a year he has been a young man, Lemmon entered the contest in the afternoon and his ears against the bangboard such a rapid pace that when the yields were weighed he was 26 pounds ahead of his closest competitor. Lemmon husked 1,434 bushels, or approximately 19.03 bushels, in the allotted eighty minutes.

Young Lemmon's gross weight of 1,495 pounds was not far off from that of a margit but Otto Laska and Guy Barr, the gleaners who followed him, found only 13 pounds of corn he had left in the field so his deductions from gleanings were only 39 pounds. Three pounds of corn are deducted for each pound of gleanings. And the champion had husked cleanly, too, for he had but 6 1/2 ounces of husks per hundred pounds of corn. Husking contest rules allow 5 ounces per 100 without penalty, so only 1 1/2 per cent of Lemmon's gross was deducted for husks. His total deductions combined reached only 61 pounds, which left him a net weight of 1,434 pounds.

Second place winner was Earl Leonard, who husked 1,435 pounds but lost 27 pounds for gleanings, leaving him 1,408 pounds of corn. Mr. Leonard was the cleanest husker entered and had no deductions for husks. He placed second in the county contest when he finished up with 1,395.33 pounds of corn. Oscar Bredthauer got more corn out of the field than any husker entered, 1,600 pounds, but he lost 373 pounds from deductions. Bill Flock, second high gross husker, with 1,550 pounds, lost 393 pounds from deductions.

Other huskers entered, with their net weights, were Victor Ben, 1,311 lbs., Elmer Vergin, 1,357 lbs., Charles Alderman, 1,250 lbs., Leonard Peavy, 1,215 lbs., Jim Bremer, 1,257 lbs., Clyde Keown, 1,168 lbs. The amount of corn husked by all contestants was much smaller than in previous years but this should not be regarded as a reflection on the ability of the huskers. The field where the contest was held was slightly rolling and there was quite a lot of down corn. The corn would make about a 35 bushel average and many of the ears were small. In 50 bushel corn better records would have been made by the husker.

Cars Collide On Square, Two Are Slightly Injured

Cars driven by Jack Sargent and by a Mr. Lacey, of Lincoln, collided Monday evening at 8:30 on the pavement in front of the Aulsebrook and two of the passengers in Sargent's car were hurt. Gilbert Gaylord had one ear nearly severed and Miss Ursel Peterson's knee was hurt. Other young people in the Sargent car were unhurt but the car was wrecked.

Loses Right Hand In Picker Accident

A corn picker accident that cost John Beran his right hand occurred Tuesday morning on Mr. Beran's farm near Turtle Creek. The picker became clogged up and he was trying to push the corn through when his mitten was caught and his right hand drawn into the machinery. The hand was terribly mangled before he could extricate it. He was brought to the Ord hospital at once and Dr. C. J. Miller amputated the hand at the wrist.

Will Be 90 Years Old.
Tomorrow will be the 90th birthday of Bill Wear, one of Valley county's oldest residents, who now is being cared for in the Charles Palmatier home. Mr. Wear is in fairly good health and comes down town occasionally. His most recent trip was on election day, when he cast his ballot in the third ward polling place.

F. J. Mella Improved.
The condition of F. J. Mella, who has been seriously ill, was reported this morning as slightly improved.

ORD CATHOLICS SPONSORING BIG MUSICAL COMEDY

"A Bachelor's Escapade" Will
Be Presented November 24-
25 By Brilliant Cast.

Amusement loving people of Ord and vicinity are promised a big treat on Monday and Tuesday nights, November 24 and 25, when the musical comedy success, "A Bachelor's Escapade," will hold the boards at the high school auditorium. It is being sponsored by the Knights of Columbus and the Catholic Ladies club, and more than thirty local people have parts.

In presenting this comedy the management wishes to point out the fact that it is not the usual "home talent" play but rather a standard professional show that has enjoyed a long, successful run on the professional stage for many seasons. "A Bachelor's Escapade" has been acclaimed by critics as one of the best comedies ever produced on the American stage. "The funniest show on earth" is the slogan under which the play is always given.

The plot is said to be brimful of sparkling wit and humor, it is a clean show with nothing to offend the most fastidious, and the song numbers such as "Springtime," "My Cairo Love," "Swimming," "Ma Belle," and many others which are introduced by the principals supported by pretty girls beautifully costumed add much charm to the delightful program. The dance routines are said to be decidedly out of the ordinary for the average home talent show and include a number of solo dances as well as ensembles.

Principal characters are Joe Puncocchar, who plays the part of Philip Springer, the bachelor; John Allen, as Denny Maloney, Irish gardener; Esther Zulkoski, Ophelia Higgins, an old maid; Lillian Kokes, who appears in the leading role as Betty; and Dr. F. L. Blessing, who appears as Deacon Smith.

The comedy appears to be a meritorious one and packed houses should greet the local thespians at each performance. Reserved seats go on sale at McLaughlin and Sorensen on Friday, November 21, at 9 a. m.

Old Fashioned Gospel Will Be Preached In Ord

What is hailed as an "old fashioned revival" will begin Nov. 22 at the Odd Fellow hall in Ord, when the Stanley evangelistic party of Kansas will conduct services every evening until Nov. 30. The old fashioned gospel will be preached in an old fashioned way, announcements of the revival say. Everyone is cordially invited to attend.

County Agent Dale, who arranged the contest, was not able to be present, as he was at the Ak-Sar-Bee stock show in Omaha. Orin Kellison, E. S. Coats, Stanley Gross and Charley Arnold were in charge of the meet and ran it off smoothly. In winning the championship, John Lemmon won the right to represent Valley county at the state contest in Alma Tuesday of this week. How he fared will be found elsewhere on this page. He also won \$15 offered jointly by the Valley county farm bureau and the Ord chamber of commerce. Earl Leonard, second place winner, won \$10 and, Ross Leonard won \$5 for third place.

Doesn't Place at Alma.
At Alma Tuesday John Lemmon didn't fare so well and placed well down in the list of forty county champions competing. Though he husked more corn than he did in the Valley county contest, deductions for too many husks cut his total down considerably. Guy S'mms, Republican City, won the state championship by husking 27.36 bushels.

Ciochons Honored
On Anniversary
Last Sunday was Mr. and Mrs. Chas. Ciochon's 25th wedding anniversary and in honor of the occasion their seven children planned a celebration which was attended by more than two hundred friends and relatives. Dinner and supper were served at the home and a dance followed at the National hall. Mr. and Mrs. Ciochon received a set of silver as a gift. Besides people from this immediate locality Mr. and Mrs. John Kusek of Columbus and Mr. and Mrs. Henry Plakus and family of Mission, S. D. were present.

Files Sult for Divorce.
In district court at Omaha last week Margie John filed suit for divorce from Joseph F. John, charging non-support.

NORTH LOUP DEPARTMENT

MRS. CLAUDE RATHBUN, Editor.

Mr. and Mrs. Bud Beebe, who have been living at Kimball, have come to North Loup and will make their home here for the winter at W. B. Stine's. Mrs. Stine and her daughter Mrs. Vera Anderson were over from Scotia, returning Sunday.

Mr. and Mrs. Paul Robinson left Wednesday for Omaha, where the former was to attend the bankers' convention. They returned home Sunday.

Mrs. Jennie Bee and daughter, Esther spent the week end in their home in North Loup. They are living at Kearney where Esther attends normal.

The Irvle Weeds entertained several relatives at dinner at their home Sunday. They were the Hubert Weeds, Chas. Thrashers, Arthur Townsends, Mr. and Mrs. Howard Manchester, Mrs. Maggie Annys and Mrs. Della Manchester. Mr. and Mrs. Hubert Weed celebrated the thirty-ninth anniversary of their marriage on the day following.

Mr. and Mrs. Clark Roby and little daughter motored to Aurora Sunday and spent the day with Mr. and Mrs. W. C. Douglas. The Douglas here former North Loup people. Mrs. Douglas had a meat in ket here.

Mrs. Las Thrasher went to Waco Friday for a few days because of the illness of her daughter, Mrs. Josephine Eystone.

J. F. Earnest and son last week shipped out two car loads of sweet corn for seed to the Robinson Seed Company at Waterloo, Iowa.

Two young men from Versailles, Ohio, friends of Guy Earnest came out from the east a few days ago, to try their hand at corn shucking. They are Leonard Pequitnot and John Martino, painter and factory worker by trade. The former made quite a record for himself the first day by shucking eighty-four bushels. This wasn't so bad in view of the fact that it was his first experience in the shucking business.

Mr. and Mrs. C. E. Rusmisset of Palmer stopped Sunday for a short

visit with Miss Maud Shepard. They were enroute to Ord for a visit with Mr. and Mrs. Stoltz.

Little Donna May Brown celebrated her fifth birthday by a party at her home on Friday afternoon. The little guests, who came to the party immediately after school, had a fine time playing games, and best of all there was a birthday cake with candles and lots of ice cream. Donna May received a number of little gifts.

Will Preston was a Union Pacific passenger to Omaha Sunday.

The annual reception of the North Loup Public Library will be held on Thursday afternoon of this week, November 13. Patrons are urged to visit the library and free will offerings will be appreciated. Light refreshments will be served from two until six.

People of North Loup and vicinity are urged to smile on representatives of the Red Cross when they call on them any time between November 11 and Thanksgiving Day which is the time to be given over to the annual Red Cross Roll Call. Mrs. C. W. Barber of North Loup has been appointed Red Cross Roll Call chairman for Valley county for 1930, and she will appoint a sufficient number of workers so that everyone may have a personal invitation to join the Red Cross and contribute to the wonderful work that the organization hopes to do in the future as in the past.

Members and friends of the Methodist church to the number of about seventy-five gathered Friday evening at the home of Ed Post and from there went to the Methodist parsonage for a surprise party on the pastor, Rev. G. A. Schwabauer and his wife. They were both at home as they were entertaining Mr. and Mrs. Laverne Peterson and Mrs. Ray Knapp at dinner that evening. They were exceedingly surprised and the crowd was given a very cordial welcome. However, as there was such a large number present it was thought best to have the party in the church basement. The pur-

pose of the affair was welcome to the pastor and his wife because at the recent conference they had been returned to the North Loup charge for another year, and gifts of canned fruit, and other eatables were brought for the honored guests. The evening was pleasantly spent with games and visiting. Pop corn balls and apples were served.

About a dozen members of the Foreign Missionary Society of the Methodist church, met with Mrs. Amy Taylor Thursday afternoon for their November meeting. The meeting was in charge of Mrs. Claud Thomas, president of the organization. Mrs. J. M. Fisher was the leader for the afternoon, and following the devotionals and study of the missionary lesson, she gave an interesting review of a playlet, entitled "The Thrill of the Uninteresting." The story of this playlet brought out the fact that lack of interest in the cause of missions is primarily caused thru ignorance of the facts concerning it. Mrs. Ray Knapp was admitted as a new member of the organization with the use of the Stewardship candles in her honor. Mrs. Knapp will assist Miss Shepard and Mrs. D. S. Bohrer with the work of the Standard Bearers. The December meeting will be with Mrs. Fred Bartz.

With a copy of Millet's "The Angels" thrown on the screen before his audience, Rev. G. A. Schwabauer at the Methodist church on Sunday evening used "Prayer" as the subject of his evening discourse. This is the first of a series of special Sunday evening services.

On Wednesday afternoon, Mrs. Frank Johnson was hostess to the No. 10 club. The meeting was opened with a report given by Mrs. H. C. Dallam of the recent state convention at Alliance. The lesson hour was given over to a study of Longfellow's Hiawatha under the leadership of Miss Fannie McClellan. Reviews were given by Mrs. James Johnson, Mrs. Otto Bartz, Mrs. Merrill McClellan and Mrs. W. J. Hemphill. Mrs. Edgar Davis gave a whistling solo, and Mrs. Bartz read a poem composed by her brother, Mr. Cleary. A social hour and refreshments closed the afternoon. Mrs. Fred Bartz was hostess to the Fortnightly club at her home on

Wednesday afternoon. Sixteen members were present and two guests, Mrs. Clyda Chadwick and Mrs. Homer Sample. Response to roll call was the naming by each one present of a book read during the past year. The club has taken up the study of the text, "Child Nature and His Needs" and two chapters of this book were taken up under the leadership of Mrs. L. O. Greene and Mrs. Sam Shineman. A discussion followed. This was followed by a report by Mrs. Harold Hoepfner of the recent club convention. Little Muriel Bartz played two piano solos and "America the Beautiful" was sung by all. The hostess served refreshments during the social hour.

When Mr. and Mrs. Paul Robinson went to Omaha Wednesday, accompanied by Mrs. Harry Gillespie who went to Murdock for a visit with relatives. Mr. Gillespie went down after her Saturday.

Mr. and Mrs. Horace Davis of Lincoln were in North Loup for a short visit Friday. Mrs. Davis and her sister, Mrs. Grace Root were guests Friday evening of Mrs. Chas. Goodhand in Ord.

Mr. and Mrs. Frank Allen of Litchfield spent the week end with North Loup relatives.

The opening session of the District Christian Endeavor Institute of the Eighth district was held on Monday evening, November 10 at the Seventh Day Baptist church in charge of J. Alvin Shartle of Boston, Massachusetts. Mr. Shartle is treasurer and field secretary of the International Society of Christian Endeavor, and is a man interesting to hear and one who understands the problems of the youth of today in an unusual way. P. Marlon Sims, of St. Edward, state secretary of the Christian Endeavor, was also present and assisted Mr. Shartle with the services. The address by Mr. Shartle on Monday evening was along the lines of the work of officers and committees of the Christian Endeavor, and many helpful suggestions were given to be put into practice. There were delegates present from the North Loup Seventh Day Baptist society, the North Loup Friends and from the Evangelical Zion Endeavor society of Mira Valley. Ord also had a representation, and a number of delegates were present from the Evangelical church of Fish Creek.

At 4:30 Tuesday afternoon were further conferences held by Mr. Shartle and Mr. Sims with officers and committees, followed by a plate supper furnished by the local Christian Endeavor organizations for all visiting delegates. The Tuesday evening address was given by Mr. Shartle who told in a most interesting way of his recent visit to Oberammergau, where he saw the Passion Play. His lecture was illustrated with colored views of that wonderful spectacle.

Frazier Funeral Home, Ord. Ambulance service. Day Phone 38; Night 193.

The next meeting of the Womens Christian Temperance Union will be on Monday of next week, November 17, with Mrs. W. J. Hemphill. The subject for consideration will be "Peace," with Mrs. G. A. Schwabauer, leader.

The Twentieth Century club met on Monday afternoon of this week with Mrs. Harry Barber with a good attendance. Mrs. A. D. Moulton was a visitor. The lesson on the preparation of various kinds of sandwiches was presented by Mrs. Chas. Sayre and Mrs. J. A. Barber, project leaders. The hostess prepared a salad to be served with the sandwiches made by the members.

Mr. and Mrs. John I. Goodrich who have been away from North Loup for some time, are moving back again, and will live in the house in the south part of town formerly occupied by the Sid Wilson family.

Members of the American Legion and their families, and the ladies of the Legion Auxillary, in honor of Armistice Day enjoyed supper together at the Legion Hall, followed by a theater party at the Strand.

A niece of Mrs. Edgar Davis, Mrs. Leslie Bond, arrived Wednesday from her home at Nortonville, Kas., accompanied by her husband and baby. Mr. Bond will pick corn for Edgar Davis. Mrs. Lewis Wier came with the Bonds for a visit of a few days. Her husband came for her Tuesday and they went to Farnam for a visit.

Friday November 7, was Ray Knapp's birthday and in honor of the occasion his wife surprised him by having his parents, Mr. and Mrs. Ed Knapp, and his brother Cecil and sister Maxine over for dinner. Another nice surprise for

Ray was hearing "Chain store Blues" over KMA from Shenandoah, and dedicated to him. The Lloyd McCune arrived in North Loup Thursday for a short stay. They were accompanied by Arnold Cowles, Mr. McCune's partner in business, and the men went on to Omaha. They left Tuesday of this week for their home at Chadron, accompanied by Mrs. McCune's mother, Mrs. Josie Abney who had been in North Loup for a week or so.

V. W. Robbins went to Omaha Sunday on business connected with the firm of Robbins & Blessing at Ord.

Methodist Aid 1. meeting on Wednesday afternoon of this week with Mrs. C. B. Clark. There will be quilting and a business meeting. Preparations are going forward for the annual bazaar and dinner which will be given by the society on Friday December 5. The meal will be served at noon instead of in the evening as has usually been the custom in former years.

Mrs. Elmer Cox was over from her home in Greeley county Monday, and spent the day with Mrs. Bert Cox.

Mr. and Mrs. Laverne Peterson and the latter's sister Grace Rich drove to Edison Saturday and went on to Bartley for a short visit with relatives. They returned Tuesday.

Mr. and Mrs. G. W. Anderson and baby daughter of Wakefield, arrived Saturday for a visit of a few days with the Dr. H. C. Dallam family. These people are friends of long standing. The Andersons were accompanied to North Loup by Mrs. Dallam's parents, Mr. and Mrs. A. Stiles of Brunswick. The guests returned home the middle of the week.

Bridge club is meeting on Thursday night of this week with Mr. and Mrs. William Vodehnal.

The bridge crowd surprised Mrs. Paul Robinson very pleasantly Monday evening in honor of her birthday. Nine couples were present. High score went to Eino Hurley and Sam Shinemat, was low.

Scores have been kept during a series of bridge games, and on Tuesday evening the winners were entertained by the losing side at a theater party at the Strand, the crowd being entertained afterward at the home of Mr. and Mrs. Harry Gillespie.

Little Grover Patterson was four years old November 11th and his mother, Mrs. I. K. Patterson prepared a nice birthday supper in his honor.

Mr. and Mrs. Clifford Hawkes will entertain the Young Marriell People's Bridge club at their home on Thursday evening, November 20.

A son was born November 11 to Mr. and Mrs. Walter Shoemaker of Scotia. Dr. Hemphill of North Loup was in attendance, and Mrs. H. G. Westburg of North Loup is caring for the new arrival and his mother.

Dorris Davis is doing substitute teaching this week in the district west of 42. The regular teacher, May Layher, submitted to an operation several weeks ago, and is still unable to resume her duties in the schoolroom.

The Nellie Shaw Missionary society of the Seventh Day Baptist church met on Wednesday afternoon of this week with Mrs. Roy Cox. Mrs. J. A. Barber was the leader for the afternoon. The lesson was on the Denominational history of the Seventh Day Baptist church, and roll call was "Famous Seventh Day Baptists."

A wedding of interest to their Valley county friends took place Saturday, November 8, when Hilma Shoemaker Paddock was united in marriage with Carl Young. The marriage ceremony was performed by a justice of the peace at St. Paul. The contracting parties were attended by Lucille and Thelma Paddock. The bride is the daughter of Mr. and Mrs. Jake Shoemaker and the groom is the son of Mrs. Cornelia Young Shoemaker. The newlyweds will live nine miles south of Ord on the farm of Mrs. Hulda Nass.

Mr. and Mrs. Erlo Babcock very pleasantly entertained the young married people of the Seventh Day Baptist church at dinner at their home on Thursday evening. The guests included fifteen grownups and eight children. The evening was spent in playing rook.

Mr. and Mrs. John Kriewald of Riverdale, Mrs. Louisa Eberhart and the Vere Leonard and Henry Lee families were guests Sunday at the home of George Eberhart. John Weir and Mr. and Mrs. Lewis Weir of Farnam who are visiting North Loup relatives, were entertained Tuesday at the home of Robert Van Horn.

WILL DEDICATE NEW CHURCH AT ARCADIA NOV. 23

(Continued from page 1)

There is also a well planned entrance from the street into the Epworth League rooms, up a flight of stairs. On either side at the top of the flight, are toilet rooms for ladies and gentlemen.

A number of stained glass windows, which have been kept comparatively patternless, ornament the rooms they light with a softened glow. Two large rectangular ones, one in the south and the other in a corresponding position in the west represent "Christ in Gethsemane", and "Resurrection Morn". These are dedicated to Mrs. H. M. Dewitt by her husband, and to William L. Cramer by his wife. In each of these walls is a larger double window, very beautiful although without representing any story. One of these was the gift of the Ladies Aid, the other of the Odd Fellows.

The two casements above the choir stall bear the names of M. L. Fries and Mrs. M. L. Fries, and were given by Mr. Fries and his daughter, Mrs. Lewin, and the only motif in either is a small lyre or harp, denoting music. The Epworth League paid for the three big east windows in their room, dedicating one to "Our Mothers", the window in the little parlor bears the name of J. M. Ballinger. The Sunday school classes bought the little entry window on one side, and on the other side the little window was donated by Walter Zentz, student pastor at Sumner, whose home is over Arcadia way. The tower window commemorates the memory of Louise Hall, church treasurer for a number of years.

The contractor of this beautiful church was Oscar Ulmquist of Lincoln City; the architect, J. C. Bowell of Grand Island. The furnace, furniture, windows and lights were let on special contracts of their own. The building committee to whom this new addition to Arcadia is a great credit includes Ray Lutz, Otto Lueck, William D. Kingston, Dr. Frank Christ, and C. C. Weddell. They have done their work well and surely must feel proud.

The members of the church have all worked faithfully for the new building. The Ladies Aid have surely done their part. They pledged \$1,500, due in three installments the second of which they were preparing to pay the afternoon of my visit. Decorated booths offered a choice of several suppers, after which a program was provided.

IN THE WORLD OF SPORTS

IN FOOTBALL AS IN BASEBALL THE SUCCESS OF THE TEAM DEPENDS ON THE FELLOWS WHO THROW AND CATCH THE BALL—SOME FORWARD FLINGERS

BY PHILIP MARTIN

WHERE the most successful forward passing attacks are this fall, there also will you find the most successful football teams. It is significant that a team strong in the aerial game has sufficient strength in other departments to carry it well up among the leading eleven of the country. And as I look at it, the lateral pass attack is only incidental. The forward heave's the thing.

Marchy Schwartz, above, of Notre Dame.

Let's have a look at the topnotch teams of the present season. They are Notre Dame, of course. Michigan and Northwestern in the middle west; Southern California and Washington State west of the Rockies; Alabama, Georgia and Tennessee south of the Mason-Dixon line and Dartmouth and Yale east of the Alleghenies.

It would be absurd to say that Notre Dame's success this year is due entirely to the forward pass. Still, it would be ridiculous to think that Notre Dame could have reached the heights she has attained this fall without her highly-developed aerial game.

Rockne's eleven is probably the best he has produced in the last decade, if not the best of his entire coaching career. Much of this 1930 strength lies in Marchy Schwartz and Frank Carideo. While neither is exactly a Friedman as a passer, each can hold his own with almost any other exponent of the forward pass. In addition, Schwartz is a greater ball carrier, while Carideo has few equals as a punter and field goal kicker.

Michigan has gone a long way

the Austin Downs of Georgia is responsible in a large sense for the Georgia success this fall. In addition to being a splendid field general, Downs is a constant threat through his passing ability. And when you put Downs in with a pair of pass-snatching ends like Captain Herb Maffet and "Catfish" Smith, the combination is bound to gain yards and score touchdowns.

The leading individual scorer up to November 1 in the Big Ten Conference campaign was Frank Baker, Northwestern end, who had tallied all of his points on forward passes. Rentner and Hanley, Wildcat back field aces, are accurate passers and both have been connecting regularly on their heaves to the Purple end.

Washington State College has been able to walloop California and Southern California this season because Coach Hollingsberry has built a diversified attack around Linnhart and Ellingsen, a pair of the best triple-threat backs in the country. Southern California, although defeated once, still remains as a great football team, and they will stay that way while they have Orv Mohler to shoot passes to such fellows as Arbetide, Finckert, Shaver, Musick, Apsit and Wilcox.

University of Alabama, undefeated in the south, boasts one of the best passers Dixie has seen in many seasons. He is Flash Suther, half-back, who combines kicking and ball-toting ability with his passing talent, which, if you ask any southern lad, is a very effective combination.

Mildred Fuss is recovering rapidly from a recent operation and it is thought that she will be able to be in school again Monday.

John Palser and family visited at Mike Sowokinos' Sunday evening.

Verna May Hellwege had her tonsils removed Monday morning.

Madams John Lunney, Ray Atkinson and Win Arnold attended club at Dominek Mostek's Tuesday. The next meeting will be at Mable Atkinson's, Dec. 9. The lesson will be on making candy.

Mrs. F. P. Ackles and Floyd called on John Lunney's Tuesday afternoon.

Mr. and Mrs. Dave Bredthauer visited at the Louie Fuss home Friday evening.

Mr. and Mrs. Win Arnold spent Sunday in North Loup.

Donald Atkinson visited school Monday afternoon.

Gus Smith helped John Lunney fix a well Monday where Ray Atkinson lives.

A few friends gathered Thursday evening in the home of Mr. and Mrs. Jim Larsen and played bridge. Refreshments were served during the evening.

The next day a bazaar and supper were planned; all these to help put together the second \$500.

The men of the church worked Saturday at cleaning up outdoors, and grading the grounds. Fifty loads of dirt were to be worked over to provide a suitable foreground for the new M. E. church of Arcadia.

Sunday the twenty-third of November the church will be officially dedicated. Bishop F. D. Leece of Omaha will come for morning services and Dr. Harry E. Hess of Kearney will speak in the evening. Monday evening following the Gaitner quartet will give a sacred concert and Rev. G. A. Randall of Scotia will talk. Tuesday evening Aulsebrook Brothers of Ord will provide an evening of music, and Rev. Wright of Ord will be guest speaker. Wednesday evening Rev. Burleigh, Congregational pastor will address an audience in the new building. Friday night the choir will furnish a cantata called "Zion."

All these things are planned for dedicatory week, to celebrate the completion of the fine church the Methodists have built. And all those who view this splendid big church and admire it will realize the hard work and many sacrifices that have made it possible, and give appreciation and credit to the members as well as the pastor and building committee.

Let a GENERAL ELECTRIC ALL-STEEL REFRIGERATOR PAY FOR Sunday's Dinner

PERHAPS you've wondered how so many thousands of people of modern circumstances can afford to have General Electric Refrigerators in their homes.

Ask your neighbors who own General Electric Refrigerators. They'll tell you how they cut down household expenses. Thousands of women save enough money, by preventing spoilage and waste, actually to pay for the whole family's Sunday dinner.

There are dozens of other ways you will save money with a General Electric Refrigerator in your home. We'd like a chance to explain them to you, and to tell you of the special terms we offer. Will you drop in sometime soon?

GASTRITIS COLONDUODENITIS!

Sounds terrible, doesn't it? Well, that's what I had and it kept me on my back in bed for 13 days. I tell you I was good and scared after I found what I really had. I thought it was just an attack of stomach trouble, the result of eating too many big duck and pheasant suppers. I knew that my stomach felt like it had the hind foot of a mule in it, kicking all the time and it was after I had stood that the heat could for a dozen hours or so that I went for the Doc. He looked at my tongue, felt my pulse, took my temperature and then just sat there apparently trying to swallow his adam's apple and looked like his last friend had just cashed in. I knew it must be serious and finally mustered courage to ask what the trouble was. In his judgment. After more thought and serious looks the above was the verdict. I ventured to ask if it was always fatal. "That's the trouble," he replied, "it is never fatal." At that time I felt as though the sooner it terminated fatally the better I would like it but my time had not come yet so after a couple of weeks I am back on the job and trying to write something for this department.

There was one thing, I had a splendid graduate trained nurse from the minute I got ill. She is a graduate of the best nursing school in the whole world, this school of experience. She is thoroughly trained for I did it myself and have been at it for over 30 years. I ached in every joint and she was right on the job with hot packs, the electric pad, or hot water bottle as my whim demanded. I got a daily sponge bath, two some of the time and was rubbed with alcohol and then with talcum powder until I glistened like a new born babe and smelled like a rose. But I know I was mean cuss to take care of my wretched orange juice at all hours of the night and my back had to be rubbed and then I couldn't sleep. For six or seven days and nights I slept very little and when I did sleep I dreamt the most terrible dreams.

It was during the progress of the case that the Doc decided that a well defined case of stomach trouble had developed into intestinal flu and when I was able to get out and down stairs I felt little like walking. On the 15th day after being taken sick I managed to get down to Ed Beranek's and stepped on the scale and found I had lost 25 pounds. Then I knew for sure I had been sick. It is going to cost a lot for beefsteak enough to get that weight back and I hope I don't, only I do hate to have Bill Bartlett bragging around that he outweights me.

When Harry McBeth, foreman in the Quiz shop, told his little son Harry James that a new baby brother had come to live with them, Harry James shouted with glee and said, "Now as soon as we get six more we can have a baseball nine in the family."

Mrs. Elmer King came in the other day and subscribed for the Quiz for a year for their son. It was a birthday present. Surely the Quiz makes a nice birthday present and pretty soon now it will make a nice Christmas present. Nothing could be nicer.

It has been a good many years since I have visited the few remaining relatives left in the old home state, Michigan and when you read this I will be back there, renewing friendships of years ago. Only going to be gone a few days. There are not many relatives left there so it won't take very long to call on them. Have been away so long that they won't want me to tarry very long, probably.

I was hoping Bryan would not be elected but now that he is I must make the best of it. When I come to think of it, probably it will be better anyhow, for he promised to reduce our taxes, I believe he said he would at least cut them in half and mine are awful high and it is hard work to get them paid. Sometimes I have to pay a

little interest on them before they are paid. I presume if it is brought to Governor Bryan's attention while he is reducing the taxes, he will return a part at least of what we paid this year. If he does that and I get a hundred or two back I shall always be for Bryan.

By the way I believe Bryan is the logical candidate for second place on the democrat national ticket in two years. He performed quite a miracle getting elected this year in Nebraska and his name would lend a lot for there are scores of democrats who will vote for the name of Bryan any time they see it. Why not a Roosevelt & Bryan ticket in 1932?

Irma Finds New Kindergarteners Are Healthy Lot

By IRMA ELLIS LEGGETT

One of the most thrilling school visits that can possibly be made is to see how the little beginners get along, and just who all these little boys and girls starting to school for the first time really are! So last Wednesday in the Misko kindergarten I looked over the new crop of little would-be scholars.

Some of the little boys and girls look so much like their fathers and mothers that there was no need to ask their names. Among this group is little Billy Pafetta, son of the Emil Pafetta family. He has two cronies, little neighbors of his, Phyllis Hill and Raymond Vogel-tanz, and the three always stand together when they play circle games, and always sit at the long work tables side by side.

Another young fellow who wont be separated is Junior Lakin and Laverne Keck, the two little boys who ran away from home one summer afternoon a few months ago, and caused a lot of people a lot of worry. These two are pals, and always tag one another when game time comes.

Little Bobbie Shunkwiler looked familiar, even without the dark curls he has lost. Probably he didn't mind losing his curls for he has a dandy pair of high brown boots to wear this winter. Like all the other young kindergarteners, he wears warm long legged underwear and long stockings. No bare knees play out doors in Ord in winter time; it is too cold.

Then there was young Alvin Ma-zach, slim little fellow who will have to grow a lot to be as big as his daddy and grandpa. He very seriously followed all directions for being a good kindergartener, even if he didn't color quite to the edge of his cow. He tried, and that counts. Maybe he'll be president some day.

Inez Pavak, daughter of Mr. and Mrs. Lester Pavak, is a little miss with light hair who tries to solve all her own problems. She works hard and Santa will most likely hear of it!

Doris Kilma is just a smaller edition of her rosy-cheeked brother Bobby, and I knew her at once. She too has a little chum. It is Betsy Kovanda, otherwise named Elizabeth Ann, who lives near Doris so that they can play together in school and out.

One little boy with twinkly eyes I knew right away! He was Charles Thompson, and he is a model scholar in school. All that pep of his is employed in trying to do everything exactly right. Several times a day he inquires of Miss Misko: "Am I doing this right?"

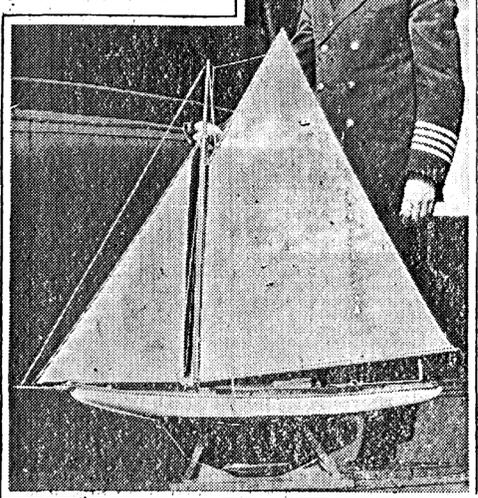

Donna Murrish is a little girl with wavy blonde hair, and every once in a while her mother finger waves it for her. Another little blonde girl everyone knows is Ros-alle Lemaster, who doesn't have time to miss her little sister at school, because there are so many other little boys and girls around.

Darlene Carlson was not in school Wednesday. Probably she was with her mother, who was visiting relatives in Aurora and other towns east in Nebraska. A little classmate of hers, Dorothy Kokes, looks so much like her mother, and so much like her dad that anyone who knew them could tell her last name. She has blonde hair which will be dark some time and big dark eyes. And she likes going to school very much indeed.

Last Friday there was a very exciting party in the room. Irene

Builds "Perfect Model Yacht"

A man Sir Thomas Lipton would do well to consult his Captain F. J. Hamma, who has built what west coast seafaring men call the "most perfect model yacht ever constructed." Captain Hamma, a skipper on a trans-Pacific liner, is shown here beside the model, which was built up, piece by piece, like a real yacht.

Barnes was five years old, and in celebration her mother sent two big bundles. In one was lollipops, lots of lollipops. In the other was something that was new to most of the children. Ice Pies. That made it a real birthday party.

All the little boys and girls look so husky this year. Lots of them are plump. Lots of the have red cheeks, and dimples. And they all have lots of pep. They like school, and are eager to learn, so eager that their teacher thinks it is fun to teach them.

And the reporter thinks it is fun to visit them!

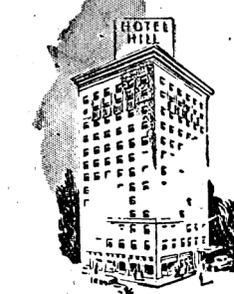

Haskell Creek

The Happy Circle club met with Mrs. Morris Sorensen last Thursday afternoon. No business meeting was held. Ida Howerton, one of the club delegates was unable to be present but Mrs. Chris Nielsen, the other delegate, showed the ladies how to make several kinds of sandwiches. The next meeting will be with Mrs. C. O. Philbrick on Nov. 20. At this meeting the delegates will finish the lesson on sandwiches.

Mr. and Mrs. Wm. C. Nielsen and two children of Winner, S. D. came down Friday and were guests at the Chris Nielsen home. Saturday morning they called at Elliot Clement's and in the evening they visited at the Aagaard home. Sunday Mr. and Mrs. Wm. Nielsen and daughter and Mr. and Mrs. Chris Nielsen and two small daughters drove to Minden and spent the day with relatives there. They returned to Winner Monday.

Mr. and Mrs. Carl Holm spent Sunday with the Hans Clement family. Ida and Roy Howerton drove to Genoa Wednesday for a visit with relatives. They were accompanied by S. I. Willard of the Maiden Valley community and Orta Willard of Hemingford.

Mrs. Mark Tolen will be the next hostess to the Delta Deck club.

SOMETHING HAD TO BE DONE: KONJOLA DID IT

Lady Tells How New Medicine Ended Seven Years of Suffering—"Greatest Remedy On Earth", She Says

MRS. A. F. BAILEY
"I believe Konjola is the greatest remedy on earth," said Mrs. A. F. Bailey, 7915 North 28th Avenue, Omaha. "My stomach bothered me for seven years and for the past eighteen months it steadily got worse. Every morning my head ached and I had pains in the region of my heart. My stomach was sore to the touch and my kidneys were in a weakened condition."

"I realized something had to be done, and after reading about Konjola, I decided to give it a trial. Before I finished the second bottle I knew I had found the right medicine. After using eight bottles every trace of my former ailments disappeared. I eat and enjoy hearty meals and feel better in every way. I am glad to have published this truthful statement of my experience with Konjola."

If you are in ill health, profit by the experiences of Mrs. Bailey and put your faith in Konjola. Konjola is sold in Ord, Nebraska at the McLain and Sorensen drug store and by all the best druggists in all towns throughout this entire section.

THERE'S HEALTH IN GOOD BREAD!

Good bread is truthfully called "the staff of life" but inferior bread lacks many of the elements that make bread the universal food. For high food value and tastefulness buy Cream-krust, the bread baked right here in Ord. No substitutes are used in it, you get all the goodness in the wheat plus fresh yeast, whole milk and other fine ingredients. It costs no more, food value considered.

Mrs. Gus Elsie visited at John Pisker's, Louie Axelheim's and John Williams' Thursday. She came out in the morning with Mrs. Holm and attended the bazaar in the evening. Mrs. Dominek Mostek entertained the Loyal Workers club Tuesday. There were thirteen members present and Mrs. Sam, as visitor. All the ladies greatly enjoyed the lesson on school lunches. Our next meeting will be Dec. 9 with Mable Atkinson. All present are expected to bring a coin for the penny drill. This lesson will be on Christmas sweets in which all will be interested. A good crowd enjoyed the chicken supper at the bazaar Thursday night and the ladies were well pleased with the results of their sale. Caddie Mitchell was home Sunday while Mr. and Mrs. Nelson were at North Loup and enjoyed dinner at Irvle Sheldon's. Geo. Walkup and Will Wheatcraft hauled pop corn to Ord last week which Geo. had raised this year. Burton Stevens, his mother, sisters, Hazel and Glenn, and Pearl Leach motored to Pullerton Sunday to visit relatives. Mr. Stevens tells us they have about 2,000 bushels of corn shucked, the average yield being about 25 bu. Mr. and Mrs. Ruben Athey and children spent Saturday night at Charley Johnson's. John Williams and family were at Maggie Annvas. Mrs. Walter Finch spent Saturday night with her daughter, Mrs. Clifford Collins. Arthur Collins and family were dinner guests there Sunday, and they were welcome guests at the U. B. church in the afternoon. Mr. and Mrs. John Skala and daughter were visiting at Charley Mrsny's Sunday. Mrs. C. C. Sample, Elma and Percy were at Ralph Collins' Sunday afternoon. Mrs. Ben Nauenberg spent last week with Mrs. Albert Bohy. She came home Saturday and Helen stayed with Mrs. Bohy. John Palser and family were supper guests at Mike Sowokinos' Sunday evening. Mrs. Sowokinos is much improved in health. Joe Sowokinos was also a guest of his brother in the afternoon. Geo. Palser returned home Sunday evening from his trip to Omaha. His calf was placed 12th in

the class of Herefords. George speaks very highly of their entertainment while there. He says they were to many banquets. Will West of Primrose has been visiting his brother Geo. McGee of North Loup and came out Sunday visiting his brother Geo. McGee. They took him back to town in the evening. Pussyfoot's Sportlog By GEORGE ROUND, JR. According to press dispatches, the Ravenna All-Star basketball team will be organized again this year. Reports say prospects are brighter for a winning team. Local basketball fans well remember the fast Ravenna five last year. As I recall it, they met Krejci's Ord team three times and won twice. Again this year the two teams will probably meet. The Ord team believe they will be able to take Ravenna this year. It is all according to how Mr. Joe Krejci thinks or the evening the two teams meet. If Mr. Krejci decides his team should win, they perhaps will trounce the Ravenna boys. Mr. Cass and others, though, from Ravenna might want to argue a bit but Mr. Krejci would probably be able to put over his side as he did last year. There may be a question, however, as to whether or not Joe will be in shape to play basketball with the city league all-stars this year since he just recently recovered from a major operation. It shouldn't bother him by the time basketball season rolls around. At least Ord fans hope Mr. Krejci will be in condition. Now comes James Aagaard of Ord to the front with the news that he has a dog that will probably set as many pheasants as Pussyfoot's Sportdog, Bucksfoot, James had already ordered me an invitation to hunt pheasants with him next year; he doesn't know what kind of a hunter I am. His dog is a shepherd and evidently a good one. The dog is a good retriever, Jim told me last week. He said he worked fine during the open season and all Ord men working with the dog agreed that he helped them get their limit in no time. Without doubt, Jim has a good dog. Maybe we should have a little contest between Buck and his shepherd to decide which is really the best pheasant dog. While on the dog subject, Vernie Andersen of Ord declares that he is with me in claiming the championship of Valley county for Buck in the ability to hunt pheasants. Until the season opens, I had not much use for Pussyfoot's Sportdog but toward the end of the season he took him out and produced results. Vernie believes Buck has a great nose. "I was funny how Vernie came to dislike Buck before last week when the two made up. Not so many months ago, Buck slipped into Andersen's, went to the backroom where they were unpacking their meats and proceeded to take his choice of the hams. Carrying his ham in his teeth, Buck politely walked out in an aristocratic fashion and proceeded to the courthouse lawn. There he was in all his glory eating the ham when county Agent Dale found him. Andersen's refused to take the half-eaten ham back so to this day, Dale believes he got a raw deal. Vernie will tell you that Buck knows his hams. Evidently Mr. Paul Gregg and his associates on the Ord high football team elected to get beat again last Friday at Burwell. Given the odds to win, the Ordites proceeded to give the game to Burwell. What the trouble was, no one knows. It is a known fact that they were beaten. All summer Ord sport fans heard Mr. Bodie of local baseball fame tell about the athletic teams produced at Imperial, Nebraska. Naturally most everyone here scoffed at Mr. Bodie's ideas. Now it appears as though the gentleman must have known what he was talking about. Imperial has probably the best high school football team in Nebraska. Mr. Bodie is probably

PILE'S PAIN THOUSANDS

An old Chinese proverb says, "It is better to suffer from piles, but the pain and itching of blind, protruding or bleeding piles are alleviated within a few minutes by soothing, healing Dr. Nixon's China-rod, fortified with a rare, imported Chinese Herb, having amazing power to reduce swollen tissues. It's the newest and fastest acting treatment out. You can work and enjoy life right from the start while it continues its healing action. Don't delay. Act in time to avoid a dangerous and costly operation. Try Dr. Nixon's China-rod under our guarantee to satisfy completely and be worth 100 times the small cost or your money back." Ed P. Ord At Bottom Of Loup Valley Association

Since each of the ten teams of the Loup Valley high school association have two or more conference games to play it is too early to predict a champion. However, the leaders now look like the best bets to come through with high honors.

St. Paul still has North Loup and Burwell to down, while Comstock plays Taylor, North Loup, and Sargent and Sargent mixes with Arcadia, Loup City and Comstock. From all appearances the title will not be decided until all games are over Thanksgiving day.

In the association games last week St. Paul won from Scotts 7-0, Burwell beat Ord 13-0, and North Loup was pushed to win from Taylor 7-0.

The association standings to date are:

School	W	L	T	Pct.
St. Paul	3	0	0	1000
Sargent	2	0	0	1000
Comstock	1	0	1	1000
Scotts	4	1	1	800
Loup City	2	1	1	667
North Loup	2	1	1	667
Arcadia	2	2	1	500
Burwell	2	5	0	286
Taylor	0	5	0	000
Ord	0	3	0	000

ADOPT NICE BOY.
Mr. and Mrs. Joe Burson are happy over the arrival at their home a few days ago of a 10-year old boy. They secured the boy from the Nebraska home and Joe went to Grand Island to meet him. The young man's name is Jay, he has already started to school and is shaking into place in the Burson home and has already won a warm place in the hearts of these good people. Fortunate Jay! Twenty years ago the twin babies which had been given to the Bursons died, leaving the home desolate and no others came to take the places. Now this little ten year old boy will make the Burson home bright and happy. 34-1f

Arcadia News

By MRS. RAY GOLDEN

Twenty members of the Arcadia Community club attended a meeting of the Public Service club of Broken Bow which was held at the club rooms in Broken Bow last Thursday evening.

The matter of a better road through Arcadia from Loup City to Broken Bow was under consideration and after discussion by members of both clubs, the Broken Bow club adopted a resolution to the effect that the supervisors of Custer County be requested to survey and establish a road to be graded and designated as highway 128 from the Custer county line west of Arcadia to Broken Bow. The Arcadia club is to prevail upon the county commissioners of Valley county to complete that portion of the road between Arcadia and the county line at the earliest possible time.

The visitors were guests of the Broken Bow club at an oyster supper at the Arrow hotel following the meeting.

Sidewalk Improved.

A much needed improvement was completed last week along the sidewalk between the school building and the depot. The drift dirt which has been accumulating for years along both sides of Arcadia was moved down into the street, thus benefiting both the sidewalk and the street. The work was done by Marshall Brown and Elmer Rambo.

Arcadia Wins at Football.

The football teams of the Arcadia and Litchfield high schools clashed at Litchfield last Friday. Arcadia were the easy victors by a score of 26 to 6. Sargent will be the guests of Arcadia next Friday. Let's go out and help the boys win.

Truck Strikes Horses.

Jess Stone, driving one of the McMichael transfer trucks last Thursday evening ran into a drove of horses just west of Arcadia, striking two of the horses and crippling one so badly that it had to be shot. The horses were the property of Ben Greenland. It is supposed that the light of the truck blinded and frightened the horses which were wandering in the ditch along the roadside causing them to stampede across the road directly in front of the approaching truck.

Legion Auxiliary Notes.

Mrs. J. H. Marvel entertained the Legion Auxiliary Friday afternoon, November 7th. Ten members and the following guests were present: Mesdames Rose Taylor, H. S. Kinsey, E. C. Baird, R. O. Gaither and Miss Cora Gaither of Falls City.

The afternoon was spent working for Mrs. H. D. Weddel. A business meeting was held and it was decided to buy an overcoat for an ex-service man who is badly in need of one. We will send a wool comforter to a tubercular patient who is living outside of Lincoln in a tent. We have a layette almost completed and outgrown baby clothes, such as wool stockings, slippers, dresses, blankets, etc. would be greatly appreciated. The next meeting will be held at the M. E. church basement with Mrs. Lyle Lutz as hostess.

Many Attend Husking Bee.

Last Friday morning one hundred and fifteen men gathered at the home of Mr. and Mrs. Harold Valde of Comstock at the morning and evening services of the Congregational church last Sunday. An anthem by the choir, in which Mrs. F. V. Amick carried the solo part, was rendered in the morning and in the evening a men's quartette composed of Horace Molt, Dan Bartlett, Kermit Erickson and Rev. Burleigh sang two numbers. The music was beautiful and very impressive.

Fair Closed Saturday.

The three day fair sponsored by the Ladies Aid Society of the Methodist church, closed Saturday following three successful days of entertainment. A waffle supper was given by the Epworth League members Thursday evening and a fine program by the League and Aid members assisted by the children of the church was given Friday evening. Candy, popcorn, pie, doughnuts, hot dogs, hamburgers

and coffee was sold before and after the Friday evening program. The annual church bazaar and supper was held Saturday. All events were well attended and the proceeds netted a generous amount for the Aid treasury.

Entertain at Armistice Dinner.

As is their usual custom, Mr. and Mrs. P. E. Doe entertained a large number of relatives and a few friends at an Armistice dinner last Sunday. The dining table was adorned with red, white and blue candles, red and blue nut cups and a bounteous supply of tempting food, including two large delicious turkeys. The guests enjoying the dinner were: Mr. and Mrs. A. E. Weddel, Mr. and Mrs. C. M. Routh, Mr. and Mrs. C. C. Weddel and family, Mr. and Mrs. D. O. Hawley, Mr. and Mrs. H. D. Weddel and John, Mrs. Rose Taylor, Misses Clara Koenig and Mary Cook and Mr. and Mrs. P. E. Doe and Wallace.

Glendale Literary Meets.

The Glendale Literary society met at the Glendale school house last Friday evening. The program was given including a very interesting newspaper. A debate between the high school pupils of the Glendale and Hayes Creek school will be a feature of the program at the next meeting which will be held Friday evening, Nov. 28.

Wagner-Chilpps.

We have just learned of the marriage of Miss Viola Wagner of Bradshaw, Neb., and John Chilpps of Arcadia which occurred Wednesday, October 23, at Paul, Neb. The bride has taught school in Valley county the past four years, making her home with relatives near Ord. The past year she taught the Vinton school.

Locals.

Mrs. R. W. Hill and her father, W. S. Dunbar of Comstock drove to Norfolk last Friday after Dr. Hill who had just returned from California. Dr. Hill went to California a short time ago to see his brother, Alfred Hill who was ill in a hospital at Bakerfield. His brother returned to Nebraska with him and is now with his parents at Norfolk. Dr. and Mrs. Hill and Mrs. Dunbar returned to Arcadia Friday.

Benefit Party a Success.

The benefit party, sponsored by the Ladies Community club and held at the home of Mrs. A. H. Hastings last Monday afternoon was a success in every detail and the fifty-two guests that attended thoroughly enjoyed the hours that passed all too rapidly. Amusement diversion was provided for every one and bridge, rummy and hand sewing occupied the guests time. At the close of the affair a lunch of hot chicken sandwiches, pickles, pumpkin pie with whipped cream and coffee was served. The delightful meeting closed with the reading of one of Wm. C. Cards poems by Mrs. W. J. Ramsey and two vocal solos by Mrs. Otto Rottmayer, accompanied by Mrs. F. V. Amick. The proceeds amounted to \$26.50 which will be used to help pay for the dining hall at the park.

Special Church Music.

Special musical anthems were rendered at both the morning and evening services of the Congregational church last Sunday. An anthem by the choir, in which Mrs. F. V. Amick carried the solo part, was rendered in the morning and in the evening a men's quartette composed of Horace Molt, Dan Bartlett, Kermit Erickson and Rev. Burleigh sang two numbers. The music was beautiful and very impressive.

My Thank You

The columns of the county papers seem the best way of expressing to the voters of this county my sincere appreciation of the vote given me in the general election just past. I find the work in the office of county superintendent very pleasant and I trust that your generosity in granting me a second term is an indication that you have found it, in a measure, satisfactory. I am looking forward with pleasure to the coming term and it will be my aim to cooperate with all patrons for the best interests of the schools of Valley County.

Flavia Twombly Schwarzel Writes Telling About Life In Pennsylvania

Well Known Valley County School Teacher Who Wed Recently Greets Old Friends.

Dear Mr. Leggett: I haven't the excuse for writing of sending a subscription check because we saw to it that the Quiz was paid for two years in advance before we left the country and we expect to be back on a visit before our subscription expires. And believe me it is an incentive to get my weeks wash on the line Monday morning before the postman leaves the home paper. Because every thing stands still until it is read. I even read the advertisements for the sake of comparing prices.

I was pleasantly surprised to see in a recent issue the announcement of Antonia Stara's marriage. She is the last member of our class of '05 to be married and out of the class of 16 (3 boys and 13 girls) if I am not mistaken, Stella Morris (her married name has slipped my mind) is the only death. Some record in 25 years.

And of course I am following the home politics and especially hoping George Rounds and other favorites will come out on top. Although I have been thankful a great many times the past year that the voters of Ord defeated me for the County Superintendent's office four years ago. But enough of that.

So many of my friends have been kind enough to inquire about me from Mrs. Spencer Waterman and Mrs. Ord Twombly that I thought I would take this means of telling you and them something of my impressions of Pennsylvania. Our home is a large two-family house, we have six rooms. The sidewalk is terraced up from the paved street and the house is on a terrace above the sidewalk. Leafy maples are in front of the house where a robin has held forth all summer, but since the leaves are gone he too has taken his departure.

Across the street is a green house, across and to the right are to be found a meat market, filling station and two chain stores, farther down the street, a garage.

The street past the house is the junction for three cross state highways and one sees every kind of a conveyance from immense milk tanks (built on the order of gas trucks) out there, only painted white) to tiny shoddy pony carts. In fact I think I have seen every thing except an ox cart. One evening last summer we counted 83 cars passing in 3½ minutes, but then Conneaut Lake, one of the largest summer resorts and amusement parks in Pennsylvania is only 7 miles out. We drove out one afternoon last summer. The "Masons" were having a big meeting. It is a popular place for state conventions in the summer time. It is a beautiful place with its motor, sail and row boats and bathers by the hundreds.

Only a block away to the left and across French Creek is Meadville proper, the oldest town in Northwest Pennsylvania, a city about the size of Grand Island (18,000 inhabitants).

It is a venerable dinner bucket town, almost any time of day you can see men passing with dinner pails. Besides the Erie Railroad shops, where Mr. Schwarzel works with about 1,000 other men, there is "The Mead Penn." formerly known as the Phoenix, established in 1865 makers of large gas tanks and large iron castings; "The Mal-leable", another old establishment where smaller castings and iron works are made; "The Bronze Metal" works with nothing but brass; "The Hookless Fastener Co." famous for their Talon slide fasteners; "Champion Tool Works" where small tools as hammers, etc., are made; "McCrassy Tool Works", another maker of small tools; Barrett iron works, which specializes in large tools as lathe and cylinder boring machines. Then there are two flour mills (More buckwheat is raised in the country than any other cereal for market). And last but not least "a Viscoe" plant, the 6th of its kind to be organized

Start Tomorrow With A Good Breakfast!

Don't try to get along with a meager breakfast—start the day out right with sausage and pancakes, bacon and eggs or pork chops and fried potatoes. That's the kind of a breakfast that "sticks to your ribs" and gives you pep and energy all day long. Let us supply you with home made sausage, home butchered pork chops or the finest quality of bacon.

for the manufacture of rayon silk. Besides these the high school has a large high school building with an enrollment mark around 1,000, several large public parks, two general hospitals, a public library and is the seat of the Pennsylvania College of Music, a Commercial college, The Meadville Theological school and the Allegheny College, a co-educational institution with an enrollment of several hundred men and women.

Pittsburgh is only 125 miles to the south, Cleveland 85 miles away and north of us 20 miles is Edinboro one of the state teachers colleges and 20 miles beyond that, Erie, a city of 112,000 population.

The friends will recall my dread of the cold and distant East where people gave you the haughty stare. Well, if there is such a place it must be further east, because before we arrived Mr. Schwarzel's land lady (a Mrs. Klippel) had a serene, shower and picnic planned in our honor, and the friends at Blooming Valley a serenade and shower and since then his friends have done everything in their power to make me like the East. Among my acquaintance are the Shmalenberg sisters, one a high school teacher, the other teaches in a night school for those who wish to become citizens of the United States. After one man had graduated the Judge was giving him his examination and asked "Why do you wish to become a citizen of the United States?" Quick as a flash came the answer, "So I can shake the dirt heads off of crow." (An alien is not permitted to carry fire arms.

The ones we rent from live next door and are the kind of landlords one dreams about but seldom find. Several times this fall Mrs. Dunlap has furnished the gas and I the car and we have taken excursions into the country among her friends and relatives and have beautiful and picturesque the country is with its wooded hills and rail fences (you seldom see any other kind). The roads follow very few section lines but weave and wander about as one would imagine they did in the early day adding to the picturesque of the landscape. Perhaps one reason is the abundance of quicksand found in some places. At one place not far from here the county, state and Pennsylvania Railroad Co. have been working all summer and are still working with immense trucks on a strip of road where I am told they are sinking \$1,000 a day with out results. The dirt disappears as if it were being dumped into a bottomless pit. Not long ago they decided to sink an 80 foot pile and it went down and down until it was out of sight and for aught they know it is still going.

A great many of our week ends are spent with Mr. Schwarzel's sisters family (the Millers) at Blooming Valley, little borough about 6 miles out, and a few miles beyond that is a farm formerly owned by John Brown of Civil War fame. Here he had a tannery and here his wife and daughter are buried. But where John Brown's body "lies a mouldering in its grave" is not exactly known.

But I did not realize until I came East what labor problems meant. Back there if a man really wants to work his family need not go hungry because of the depression. Here men and women are being laid off every few weeks. The Erie R. Co. has made two cuts laying off about 250 men and cutting the rest to 4 and 5 days a week, although Mr. Schwarzel has been fortunate to draw from one to two hours over time nearly every day. A girl told me last week that in her department at the Hookless Factory where they usually employ 200 people there were only nine girls working. So I would not advise anyone to come here at the present time looking for work.

Early one Saturday morning a few weeks ago the family who live in the other part of the house and we loaded up our camping equipment and enough eats to last two days and beat it for the tall timber (The Allegheny National Forest) where Mr. Schwarzel has an interest in a hunters cabin. We went by way of Franklin and Oil City. Between here and Franklin are many nice, small farms and farm homes for it seems to be a rich farming district. The most outstanding features to me are the silos and immense hay barns, for no straw or hay is stacked in the open. After we left Franklin we were in the oil district a mile or so out we ran into a perfect net work of gas and oil pipes, there were oil pipes to the right of us, oil pipes to the left of us, oil pipes formed a canopy over us and we could not help but wonder if they were not buried beneath us. There is a large refinery located here.

Make Friday Macaroni Day — Eat Gooch's Best Macaroni

SPAGHETTI

At almost every farmhouse we saw oil barrels on platforms by the roadside and I was told the owners probably had small oil wells that produced from one to ten barrels per day and trucks gathered them up and took them to the refinery.

Here we had our first glimpse of the Allegheny River, a river that very much resembles the North Platte only where the Platte has sand bars the Allegheny has large rocks cutting out of graceful curves of the river for miles. The valley is comparatively narrow and the wooded hills on either side are beautiful. At one point we saw a long train coming around a curve, it seemed to be the last thing needed to complete the picture. Such scenes make me wish I were an artist.

And Oil City reminds me of a steel engraving I once saw some place. The streets are narrow and winding, the buildings seem tall, there are many blind streets (but so are there in all Pennsylvania towns I have been in. Here in Meadville I know a place where 5 streets come together). Oil City is built on a hillside and follows the curve of the river. I think the Millfords originally came from there.

Our next stop was at Tidouate, about 2 miles from Warren. Between Oil City and Tidouate are many dangerous curves and often one sees the sign "Danger Slide" and were told that often in the spring large pieces from the mountain slide down and block the road. At one place we were just too late (but were not sorry) to see a Ford A Coupe wrecked and a woman killed. They were making a curve too fast and hit a cement culvert post.

Just this side of Tidouate we went down one hill where the speedometer registered 2½ miles, (one does not find many steep pitches here as they do in the Rockies but rather long graceful curves). So we threw out the clutch and used the brake where necessary.

At Tidouate we headed straight into the tall timber, it is all second growth but such trees, the leaves of the oak, wild cherry and sassafras had begun to turn to scarlet and gold. We followed the trail for eleven miles some of the road as sandy as any Nebraska road dare be. In the eleven miles you see very few farm houses and one can imagine themselves in the forest of the early day and I would not have been surprised to have seen an Indian peeping around a tree with his bow and arrow aimed (but I didn't).

Of course we were constantly on

the look out for deer and other wild animals and just as we stopped at a spring to get a good cold drink and fill our water pail Mrs. Lechty shouted, "There goes a deer." But the rest of us were too slow to see it.

A half mile farther on we came to the cabin, a two-roomed affair nestled among the tall pines where the sun's rays or winter's blasts can scarcely reach it. There is a large room that serves as kitchen and dining room with a long table across one side, in the room back are bunks that will accommodate nine people. Eight hunters lease the cabin and privileges to hunt over a large territory and one can imagine the good times they have on long winter evenings around the crackling wood fire and the yarns that are spun.

We arrived about noon, having traveled 101 miles and hungry as the proverbial bear. After the inner man had been satisfied, the men started out to explore while Mrs. Lechty, their small son Carl, and I wandered about gathering bright leaves with which to decorate the cabin. About 5 p. m. the men returned very much excited. They had found where beavers had been working and learned of a herd of ten deer that came up to a farm house every evening about dusk. So we all piled into one car and away we went. Up in here the deer are so tame before the season opens (Dec. 1) that they destroy the farmers crops and even eat their apples. We found four lying down in a buckwheat field and when routed out one old buck wandered up into the orchard and the others grazed along toward the timber line. In order to get a better view of them Mr. Schwarzel and I worked our way down toward the timberline but the farm dog followed us and presently he took after the three who ran slowly and easily to the timber, they had been chased by this same dog before so were not afraid. The last we saw of them was their white flags waving in the air. But what of the buck? He had spied us by this time and again I wish I were an artist. Head erect, body alert, side stepping to get a better view of us— it was almost dark now—then the dog returned and took after him and as he gambled and kicked to the timber line and vanished he reminded us of a playful colt.

We returned to the cabin almost too tired and sleepy to get supper. But what a night to sleep. Not a sound to be heard. I put the flashlight near the bed expecting to get up in the night and see if I could see any wild animals, but never woke up until 7 o'clock the next morning.

The night before we had learned that about four miles from the cabin was a Watchman Fire Tower where one might obtain a wonderful view. Having brought our field glasses, as soon as breakfast was over we started out. The fire tower is a steel structure 80 ft. high where men take turns watching for forest fires. There is an open winding stair way and oh, what a wonderful view when one reaches the top. You can look out over 300,000 acres of timber with only now and then a clearing.

Returning to camp we packed our belongings and after dinner started for home by a short cut. Just a mile from camp is a hill 1½ miles long that terminates at the paved highway. But such a hill! The road or trail is only wide enough for one car and so steep that we threw the car into second and then used the brake most of the way but again what a wonderful picture. Here and there a bright red or yellow tree standing out against a background of green. Trees in front and at both sides of us, large rocks jutting out beside the road and tiny springs with still tinier cool streams (it has been so dry here this summer, many of the springs have nearly gone dry) of the water by the roadside.

Then over paved roads to Tidouate and again taking a short cut over dirt roads (part of them old) winding up over steep hills—perhaps if I had never visited the Rockies, I might call them mountains. To me there is a grandeur about the Rockies I have never seen elsewhere and a picturesqueness about Pennsylvania that makes me wish I were an artist).

We passed through Titusville, near where you know the first oil wells of the world were discovered and you can hear the put-put of little gasoline engines pumping oil or catch the gleam of a shaft for miles. At Titusville we were again on paved roads (All the main highways are paved) but such roads! They were resurfacing them with crushed rock and a tar composition and as you drove over them the rat-a-tat-tat made you feel a hail storm was rising up out of the ground. Needless to say, one had to drive slowly or have all the finish taken from the underside of your car. Presently we drove into a heavy rain storm and that seemed to cool the tar mixture and we had no more trouble. We arrived home only having traveled 61 miles on the return trip, tired but happy vowing we were going again and already Mr. Schwarzel and I have begun to plan where we are going to have a little cabin of our own so when he goes up

there to hunt bear and deer I can go also. And who knows some day I may be a second Roosevelt.

New Circular Gives Suggestions For Thanksgiving

Suggestions for the Thanksgiving dinner is the name of a circular which is proving popular at the agricultural college extension service with the approaching of the day. The circular, No. 975, is available at county extension agent offices or at the college of agriculture.

In giving various suggestions for the day, the circular says appropriate decorations and color schemes can do much to make the meal attractive. If some thought is given to the choice of foods in the menu from the standpoint of color and flavor the effect is far more pleasing than if prepared in a hit or miss fashion, the circular reads.

Table decorations and color schemes are explained. A pumpkin hollowed out and filled with several kinds of fruit makes a colorful centerpiece, housewives are told. Crystal candlesticks holding bright orange candles will serve to repeat the pumpkin in color.

Economical but appropriate menus are suggested in the circular. The housewife may choose between a roast loin of pork or pork ribs with bread stuffing and apple rings in one suggested menu. Potato puffs with gravy may be served. Buttered string beans, pickles, white bread and butter are on the menu. A cabbage, celery, and carrot salad is a good one for the menu. Cranberry criss-cross pie is to be served with the menu for a dessert.

Spiced salted pecans can be prepared and served with some menus. Using olive oil, the nuts are made into a delicious food for the Thanksgiving feast. Only enough to coat the nuts is necessary. Usually two tablespoons are sufficient for one cup of nuts. When the fat is hot, the housewife is instructed to drop in the nuts, stirring them constantly until they are crisp.

The nuts are then drained off on an absorbent paper where a mixture of one tablespoon of salt, two tablespoons cinnamon, and nutmeg is used. The mixture is placed in a salt shaker and sprinkled over the nuts just after they have been drained. In order to remove the surplus salt, the nuts are placed in a colander and shaken.

Other menus and cooking recipes are included in the circular. It may be had free of charge at County Agent Dale's office in Ord.

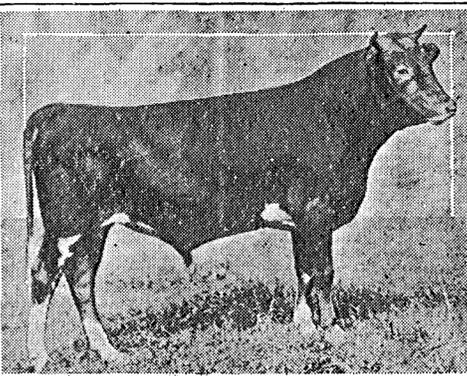

Crop Rotation To Prevent Root Worm

Returning to Lincoln from McCook where he had been on a tour of cornfields infested with corn root-worms, O. S. Bare, extension entomologist, reports that the most damage was done in cornfields where corn had been planted in previous years. Very little if any root-worm, however, is affecting Valley county cornfields, it is reported. The tour was made possible by the Burlington railroad, McCook Chamber of Commerce, and County Agent Scrivner of Red Willow county. Fifty farmers of that vicinity went on the tour where the seriously infested fields were inspected.

Bare emphasizes the need of crop rotation for keeping the root-worm away from Valley county. It is the most effective preventive.

Thursday afternoon Ever Busy club met with Mrs. J. W. McGinnis. There was a good attendance.

Princess Buys Prize U. S. Steer

English royalty, out shopping for livestock to add to the purebred herd of Viscountess Lascelles, the former Princess Mary, came to the United States to buy this prize bull, Foremost Valor, from J. C. Penney, chain store operator. Penney is famed as a breeder of Guernsey cattle.

BACK FORTY By J. A. Kovanda

"Earning and learning," which is the slogan for vocational ag-boys means that they learn by attempting to earn as well as by making actual profits.

An example of this is shown in the project diary of George Valsack, George, who was an excellent all-around student, had an outstanding dairy project. Yet the profit from it was small the first year. His diary as taken from his record book reads thus:

Feb. 3—Bought pure-bred registered Holstein calf at a Burwell sale for \$44. It was 2 months old.

Feb. 4—Brought it home and started feeding it twenty pounds of skim milk.

Feb. 12—Weighed milk for my calf.

Feb. 13—Curried and brushed my calf; cleaned its housing quarters.

Feb. 20—Gave calf more room in pen.

Feb. 23—Brushed and curried calf.

Feb. 25—Changed the oilmeal from the milk into the grain mixture.

Feb. 26—Wrote my record book up to date.

March 1—Weighed out the oilmeal for the rations.

March 2—Cleaned out the sleeping quarters.

March 3—Brushed calf.

March 9—Brushed calf again.

March 13—Added oats to the ground cob and corameal.

March 17—Brushed calf and cleaned it up good.

April 7—Brushed her again.

April 12—Wetted calf thoroughly and then brushed her hair down smooth.

April 28—Took my calf and led her for a quarter of a mile.

May 5—Brushed her and put her in a different pen.

May 17—Weighed out the grain mixture for her.

May 28—As my calf was on pasture 4 days I scraped her horns and brushed her.

June 6—Instructor came out and took the calf's picture.

Pound of Turkey Per Person Enough Says Elton Lux

With Thanksgiving time but a few weeks away, housewives in Ord and other Valley county towns and in the country are beginning to wonder about the possibility of having turkey for the annual feast. Some who have served but little turkey before wonder how big a turkey to get.

Elton Lux, extension editor at the college of agriculture, believes most local people are confused about the size or weight of the turkey in comparison with the number of persons to be served.

In the past few years, Mr. Lux has run a turkey farm on a small scale in a Lincoln suburb and has had experience in raising and selling birds. This year he is not in the business.

Lux says a live turkey loses ten to twelve percent of its weight when killed and 12 to 15 percent more when dressed and drawn. This, he believes, Ord housewives should remember when buying the birds.

In other words, he relates, a live 15-pound turkey will dress out between 11 and 12 pounds of edible turkey. Generally speaking one pound of turkey when the bird is ready for the oven will serve one person at the table.

For the new project, the people of the state are cooperating with the department in keeping costs of operation. Cost account books have been sent to county extension agents in Nebraska.

County Agent Dale is urging Valley county farmers to co-operate in the project. His record books available at his office in Ord.

Within the past few years, the corn picker evidently has come into prominence as a unit of farm machinery in Valley county. No attempt has been made before to find the exact cost of operation.

The rural economy people believe the results will be of value to Valley county farmers.

Farmers using the cost account book are instructed to use one column for each field on which the picker is used. This will avoid duplication and make cost accounting accurate for each picker.

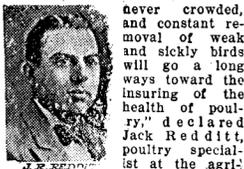

Those co-operating in determining the cost of running the corn pickers will keep detailed accounts. Space in the books for the number of hours lost because of breakdown is available. The farmer will record the number of acres husked with the picker and the number of bushels husked.

Labor hours on picker and tractor are to be calculated in the cost accounting books. Co-operators will also record the number of man hours required in hauling corn. This will also include the number of teams or number of trucks hauling the corn.

All other items of expense such as gasoline, kerosene, cylinder oil will be put down in the book to help determine the cost of operation.

Different cornfields will probably present varied conditions and the book takes them into consideration in the study of the cost of operating. Quality of corn and variety are taken into consideration. The farmer cooperating with the rural economics department is requested to record the firmness of the ground in the field when husking with the picker. Even weather conditions are recorded.

Jack Redditt Gives Advice To Poultrymen

"A good feeding program, a comfortable house that is dry and never crowded, and constant removal of weak and sickly birds will go a long way toward the insuring of the health of poultry," declared Jack Redditt, poultry specialist at the agricultural college, today in a message to the Quiz.

Valley county poultrymen will find good management, the most valuable disease control measure, Redditt averred. It does the most good and costs the least.

Use of permanganate of potassium, eucalyptus oil, and sweet oil are valuable as treatment where managing methods have been corrected and the flocks culled out, Redditt believes. Colds, roup, canker and flu are considered respiratory diseases and the weak birds should be separated before treatment is started.

Redditt believes the use of permanganate of potassium in drinking water aids in killing germs that fall into the water. Enough should be used to color the water. After losing its bright color, the mixture is of no value due to the action on feeds, impurities, or metals, is Redditt's opinion. Because of the action upon metal containers, the use of crocks or wooden troughs is recommended with the chemical.

Placing of small amounts of eucalyptus oil on the drinking water is another way of treating the flock with the heating oil, Redditt further advises.

Nebraska poultrymen find that their birds troubled with nasal and bronchial infection may find a mixture of five parts of sweet oil and one part of turpentine valuable. The mixture can be dropped or sprayed into the throats or nasal cavities to relieve infections of the respiratory system.

Miss Maris Clochon was in Fullerton last Saturday attending a birthday party held in honor of Hubert Janc. She was an overnight guest at the John Janc home. Enroute to Ord the next day Miss Clochon visited friends at Farwell.

birds instead of shipping them to eastern markets.

Last year, people here paid comparatively low prices for turkeys. It was the first time in the last few years that most people felt like they could afford to buy a turkey for the Thanksgiving dinner.

Though not so many turkeys are reported in Valley county, Dale reports, the price for the birds should be low. In most places over the state, turkeys are plentiful this year. Not as many will be shipped from Ord to other points.

Coarse Hay Better Says Prof. Gramlich

In answer to an inquiry of a prominent Valley county feeder, Prof. H. J. Gramlich of the agricultural college is telling him that brown, relatively grassy hay would be splendid to start cattle on feed. The feeder wished to know whether it was better to feed a coarse or fine hay.

Toward the end of the feeding period, it might be well to feed a better grade of hay. Results at the agricultural college, Gramlich states, have tended to cause animal husbandry authorities to be partial to a rather coarse hay.

Fine leafy hay may cause scouring, Gramlich warns. At times it has caused bloat, especially during the periods of damp weather. When using a coarse grade of hay, such experiences never occur, he says.

QUICK RELIEF FOR COUGHING SPELLS

Famous Prescription Stops Them Almost Instantly

The amazing success of this prescription called Thoxine is due to its quick double action; it immediately soothes the irritation and goes directly to the internal cause not reached by ordinary medicines. The very first swallow usually stops even the most obstinate cough.

Thoxine is pleasant tasting and safe for the whole family. Your money will be refunded if it does not give better and quicker relief for coughs or sore throat than anything you have ever tried. Put up bottles for use in 35¢, 60¢, and \$1.00 bottles. Sold by Beranek's Drug Store and all other good drug stores.

Will Broadcast at York. Joe Puncochar and his orchestra will go to York tomorrow afternoon, Friday, to broadcast from the radio station there. These musicians are favorites with many Valley county people who will want to hear them.

AM I RIGHT?

By Geo. Round, jr.

Again the Ak-Sar-Ben livestock show at Omaha from a showstand point was outstanding. The array of prize winning stock was greater than ever. The club show was better than before, though perhaps not so large.

Yet with all the greatness of the exhibit, the attendance at the show was small. This may be expected but it didn't appear to me that Omaha is back of the show. Some so-called public spirited business men put up \$50,000 for prizes and other expenditures but yet the people weren't out to look the stock over.

Of course at such a show, only those who are interested usually attend. It stands to reason that some people weren't interested in the exposition. In the main the largest portion of the crowd came from Iowa and Nebraska, breeders or farmers actually interested in high-bred stock.

Last week it appeared as though the show would again go in the hole. This was because of the poor attendance. Whether or not the show will continue to be an annual event will probably be a matter of financial backing.

It was a great show!

I overheard a man make a statement the other day to the effect that he believed the life of a bee was determined by the number of times the wings were flapped. To me, the statement seemed impossible and I went to O. S. Bare, extension entomologist, for information.

Mr. Bare says the remark may be true in one sense. In the winter time the bees gather in clusters in the middle of the bee hive. Those on the outside flap their wings to generate heat and in this way the bees are kept warm. Naturally the flapping of the wings over a period of time uses up much energy and probably causes the life span to decrease.

Later on this month I expect to have an article on bee preparation

Coming To Ord

Dr. Doran
SPECIALIST

In internal medicine for twenty-five years.

DOES NOT OPERATE.

Will be at Ord Hotel on Thursday, Nov. 27 from 10 a. m. to 4 p. m.

ONE DAY ONLY

No Charge for Consultation

Many in this community will avail themselves of the opportunity to visit Dr. Doran on this special visit to Ord. The doctor pays special attention to the SCIENCE OF INTERNAL MEDICINE AND DENTISTRY. He is trying conscientiously to eliminate surgery in his treatment of disease as far as possible.

He has to his credit many wonderful results in diseases of stomach (especially ulcers), glands (especially goitre), ailments of women, diseases of liver and bowels, as infected gall bladder, gall stones, appendicitis, chronic constipation, colitis, auto-intoxication and rectal ailments, circulation disturbances at high or low blood pressure, heart and blood disorders, skin, nerves, bladder, kidneys, bed-wetting, weak lungs, tonsils, adenoids, metabolic disturbances such as Rheumatism, sciatica, leg ulcers and chronic catarrh.

Medicines are prescribed and prepared for each individual case in his private laboratory, also special attention given to diet as to proper balance and selection of foods.

For this service a nominal charge is made. Dr. Doran is a regular graduate in medicine and surgery and is licensed by the state of Nebraska.

Married women must be accompanied by their husbands.

Address: 532-536 Boston Block, Minneapolis, Minnesota.

from J. W. Waldmann, who lives over near Comstock. He is one of the foremost bee keepers in Valley and surrounding counties.

Harold Schudel, Valley county club member writes me that he is getting along fine in his school work but has one fault to find with his teacher. "Gee whiz, our teacher won't stand for paper wads throwing. She won't even let us throw little ones, writes Harold. Must be tough to not be able to throw paper wads at school, Harold.

Bill Sorensen of Arcadia at the Ak-Sar-Ben show in Omaha last week was enthused about the club show. Evidently it was his first visit to the livestock show and he got a lot of good pointers from other club members.

The showing made by Valley county 4-H club members at the Ak-Sar-Ben livestock show at Omaha last week was quite as impressive as I had expected despite the fact that great honors came back to the county.

Floyd Rathbun of Ord gained a moral victory in showing his Angus calf to tenth place in a class where the grand champion Angus and reserve champion of the show was competing. The Rathbun calf bloated at Omaha and this may have been a deciding factor in preventing him from showing higher.

The Ord boy has been a victim of circumstances this year. He started out the project with two Angus steers. All was going well until the middle of the summer when both started bloating, one of the calves dying. Since that time, the other calf has not been doing so well.

Given a fair break, Floyd's calf would have given the grand champion a strong run for higher honors. It isn't expected that he will get such a good prospect next year for club work. If he does, given good luck, he should come through. He knows how to feed.

OPPORTUNITY WEEK

NOVEMBER 17 to 22

COPPER-CLAD DEMONSTRATION

Lined with Pure Sheet Copper where other ranges rust out

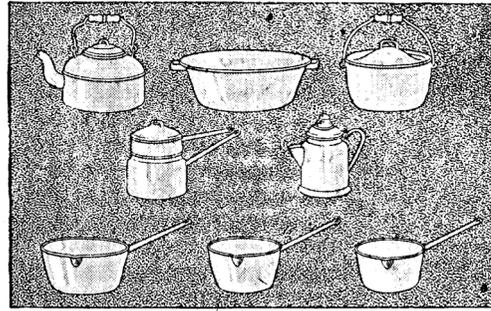

All next week November 17 to 22 is OPPORTUNITY WEEK at our store. During the entire week, a specialist from the Copper-Clad factory will be with us to tell you all about the Copper-Clad Range. We invite you to come in and see a most interesting demonstration. The Copper-Clad specialist will show you how the pure sheet copper lining protects Copper-Clad Ranges from inside rust, and how the thermos' construction of the bodies and flues of Copper-Clad Ranges conserves heat, saves fuel and insures better baking results. He will also tell you why the sparkling beauty of the smooth porcelain enamel will endure throughout the entire life-time of the range.

After you have had the Copper-Clad demonstrated to you, you will be surprised at its extremely low price—a price no higher than that asked for ordinary ranges.

YOU CAN GET THIS VALUABLE GIFT

By special arrangement with the Manufacturers of Copper-Clad Ranges, we are able to offer the valuable gift—illustrated below—to everyone purchasing a Copper-Clad Range during our Demonstration Week.

Even if no premium were offered, you would be getting a wonderful value in selecting the Copper-Clad Range for your home. But, in order to make this a real "OPPORTUNITY WEEK," the Manufacturers have authorized us to offer this beautiful gift—absolutely free.

Valley County's State Champs Will Practice at Lincoln
Members of the Valley county H club crops judging team, Nebraska champions this year, are expected to go to Lincoln Friday of this week for practice judging. The work will be done under the direction of Paul Stewart of the agricultural college who will help the boys prepare for the contests at the International Livestock show held in Chicago the first of the month.
Harold Benn, Anthony Kokes, and Bill Garntek are to represent Nebraska at the big show. They will compete against other state champions for the national crops judging crown. Benn was the second high individual at the state fair contests where the locals topped high honors.
In addition to classes in which they have had practice judging the boys will judge alfalfa and sweet potatoes. Stewart at the agricultural college expects to help the boys with the new products. County Agent Dale may accompany the boys to Lincoln for the practice judging.

150 PRESENT AT DAD-LAD DINNER; MAUPIN SPEAKS

Annual Banquet Held Monday Eve At Auditorium; Hastings Man Is Fine Talker.

At the high school auditorium Monday evening of this week under the auspices of the Ord Hi-Y and the management of Prof. W. D. Cass, a banquet was given in recognition of Fathers and Sons day. Hard work had been done by those responsible for the event, and good results were shown in the success of it.

In ample time those eligible to attend the meeting packed themselves into the waiting rooms of our splendid high school building and made themselves at home till summoned to the formal dinner.

At the appointed hour a line was formed to the banquet room and all were presently standing beside the many long tables which filled the room. When a short and to-the-point prayer was offered by Rev. Willard McCarthy of the Christian church, the guests were pleasantly seated, one hundred and fifty in number.

While the serving advanced all had a chance to observe the decorations, which were in red and white, the colors of the high school and the Hi-Y. Bells of long tape had been carefully left in profusion on the tables and Young America did not overlook that fact. And from unknown sources inflatable rubber sacks appeared and were soon floating about or bursting with loud reports.

At the attending confusion, the advanced home economics class were moving about placing the inviting dishes before us from the bounties supplied by the Christian Ladies Aid.

At spells Glen Auble, music leader, mounted a pedestal and intoned all to join in appropriate words set to familiar tunes.

Funeral Service Of J. J. Novosad Held Thursday

Rev. Philip J. Clark, Neb., conducted funeral services at the Bohemian hall here last Thursday afternoon for J. J. Novosad, 82, who died at the home of his son, Joseph, on November 11 after an illness of only five days. Paul, his son, and informant was Alfred, Emil and Vladimir Babka, Glen Overton, William Novosad and William Adamek. Music was furnished by a quartet composed of G. W. Collipriest, F. L. Blessing, Mrs. A. S. Koupal and Mrs. Jos. P. Baris and informant was in the Ord Bohemian cemetery.

Mr. Novosad was born April 21, 1848 in Kneztlich, Caslavi, Bohemia and on June 10, 1871, was married to Miss Mary Tuby. In 1873 they came to the U. S. and settled in Saunders county, Nebraska. The Novosad family moved to Valley county in March, 1902, and until 1914 they lived on a farm, moving to Ord in that year. Mrs. Novosad died Feb. 27, 1921, and after that Mr. Novosad lived at the home of his son, Joseph.

Children who survive include J. J. Novosad of Ord, Mrs. Mary O. Johnson of Lincoln, and Mrs. Josephine Babka of Ord. Three children died in infancy. Mr. Novosad also is survived by one sister, Mrs. Frances Mudra, of Lincoln, one half-brother, Vaclav Handler, Raymond, Neb., and by eleven grandchildren and eleven great grandchildren.

At the time of his death deceased was a member of the Catholic church and until two years ago, when he resigned, he held membership of the Z. C. B. J. lodge.

Little Symphony Orchestra in Ord

A civic little symphony orchestra under the direction of Professor Theo. W. Toenniges will be formed in Ord soon, is the announcement made this week by the Ord Music Improvement Association. Ord people with musical talent and such people from the surrounding community will be invited to join, it is said. Rehearsals will begin in about ten days and later in the winter a series of concerts will be given.

The little symphony orchestra movement is one that is gaining great headway. Prof. Toenniges tells the Quiz. They are being formed in most cities but few towns the size of Ord have them. The wealth of talent in this community makes such an organization possible and assures its success, he says.

The orchestra will number about thirty-three, the music director says, and he asks men and women who want to join it to communicate with him at once.

Frank Valasek Hurt In Picker Accident

Frank Valasek, young Springsdale farmer, lost the index finger of his right hand last Friday in a corn picker accident. His glove was caught and before he could disentangle it his hand was drawn into the machine. Only one finger was mangled, however. He was brought to the Ord hospital and the finger was amputated. Sunday he was allowed to go home but it will be some time before he will be able to do much work around the farm.

Mr. Valasek's accident was the second corn picker injury reported in the vicinity of Ord last week. Earlier in the week John Bern lost his whole right hand when it was caught in a picker.

GIRL RESERVES CONDUCTING RED CROSS CAMPAIGN

Are Working in Ord Under Direction of Miss McClatchey; County Drive Under Way.

The annual Red Cross Roll Call in Ord will be conducted by Miss Clara McClatchey. It was announced last week by Mrs. Lou Barber, North Loup, who is chairman of the work in Valley county. The annual drive is now under way.

Girl Reserves are doing the work in Ord under the direction of Miss McClatchey and Ord people are urged to have their dollars ready to help put the Ord sector "over the top" in the drive. The county has been distributed by Mrs. Barber and other district chairmen are Mrs. C. C. Hawthorne, Arcadia; Mrs. W. O. Zangger, Olean; Mrs. Fern Maxson, District; Mrs. Addie Gowen and Mrs. George Bartz, Riverdale; Mrs. Will Horner and Dorothy Cummins, Union Ridge; Mrs. John Williams, Davis Creek; Mrs. Mawline Koelling, Mira Valley; Mrs. Ruby Green and Mrs. Alice Vanhook, Barker; Mrs. Jennie Anderson and Mrs. Beattie Vogeler, Dist. 64; Mrs. L. L. Harris and Ella Williams, Pleasant Hill. Other sections of the county will be visited by volunteer workers from the various towns.

The Red Cross does wonderful work the year around both locally and throughout the world. Nearly all of the money subscribed in Valley county will be spent in Valley county and since the Red Cross is the only relief organization carrying on a comprehensive program here local people should join it when asked.

ORD LAD FALLS IN BOILER, IS BADLY BURNED

Gordon Sorensen, 2, Expected To Recover From Serious Burns Sustained Monday.

Gordon, 2-year-old son of Mr. and Mrs. Carl Sorensen, is in serious condition at his home here as the result of painful burns he sustained Monday morning when he fell into a boiler of scalding water. Fully half of his body was burned but he is expected to recover.

The little lad was playing about while his mother was washing and in some way stumbled and fell into the boiler, which Mrs. Sorensen had just filled with scalding water. His mother snatched him from the water almost instantly but the lad has sustained painful burns.

Emergency treatment was given by Dr. C. J. Miller, and the lad is now under the care of a special nurse, Mrs. A. R. Brox, and the family physician, Dr. Kirby McGrew. High hopes are held for Gordon's complete recovery.

Corn Husker Faints, Falls From Wagon

August Eisele, North Loup, is at home recuperating from injuries he received last week when he fainted and fell from a wagon while husking corn on the Carl Koelling farm in Mira Valley. He has a broken collarbone and several cracked ribs. Mr. Eisele is unable to explain how it all happened as he suddenly became dizzy, fainted and fell to the ground. It will be several weeks before he is able to work again.

Pollomyelitis at Arcadia

The first case of pollomyelitis in Valley county has developed at Arcadia where Marvin Larson, 2-year old son of Mr. and Mrs. Carl Larson, has the disease in a mild form. His left leg is in a weakened condition and has been placed in a cast, but doctors think he will recover the use of it in a few months. The Larson home has been quarantined.

ARCADIA MAN LOSES ARM IN CORN PICKER

Leroy Hulbert's Arm Crushed By Rollers; Is Pinned in Machine More Than Hour.

Arcadia, Nov. 19.—(Special)—His right arm held for over an hour in the vise-like grip of the rollers on a corn picker here yesterday, Leroy Hulbert was almost fainting when he finally reached home. He was employed on the Oak Hickman farm four miles east of this village and was alone in the field when he attempted to clear the picker when it became clogged. Instead his hand and arm were drawn into the rollers.

With his foot Hulbert managed to stop the machinery but all efforts to free his arm were unavailing and when he was finally found by Mr. Hickman, who had been hauling corn from the field to a crib, he was almost unconscious. So badly was the arm wedged between the rollers that Mr. Hickman was unable to release Hulbert and neighbors were called, who with the aid of crowbars managed to free the sufferer. Dr. Hill was summoned and Hulbert was brought to Arcadia where x-ray examination was made. His hand was crushed and one bone in his wrist was broken, the forearm being terribly mangled. He then was rushed to Grand Island to a hospital.

Yesterday morning Mr. Hulbert's right arm was amputated above the elbow. At first it was thought the arm at least might be saved but gangrene had set in and last night the patient was said to be in a dangerous condition, though he is expected to recover.

Fall Festival Is Brilliant Affair

The annual Fall Festival put on last Friday night by the ladies of the M. E. church was a brilliant affair, successful both from a financial standpoint and because it furnished entertainment for a goodly crowd. A program was presented at 8 o'clock, the first part being "The Message of the Months," which was engineered by Mrs. Chester Hackett and Mrs. L. J. Auble. Those appearing in this were Laverne Tatlow, Donnie Auble, Don Tunnicliff, Dorothy Auble, Virginia Sack, Irene Auble, Billy Tunnicliff, Jay Auble, Lloyd Sack, Myrtle Auble, Ruth Auble, Raymond Tatlow and Arthur Auble. Then came a playlet, "The Acid Test" in which Mrs. J. A. Kovanda and Mrs. Sam Marks appeared, the play being sponsored by Miss Elva Johnson. After the program all retired to the basement where the "cats" were served.

To Correspondents And Advertisers

Next Thursday is Thanksgiving Day and as usual the Quiz will be published on Wednesday so that the force can enjoy the holiday. We will appreciate it if all advertisers and all correspondents will get their copy into the office not later than Wednesday noon.

When An Owl Bites Mailman It Must Be News!

How to handle owls doesn't come in the instruction book that Uncle Sam gives to all his mailmen. Perhaps that's why Jim McCall, carrier on rural route two out of C. J., has been nursing a sore finger as the result of an encounter with an owl.

While carrying mail last week Mr. McCall stopped at a certain box on his route, thrust a package of mail into the box—and then let out a yell of pain. He hastily withdrew his hand from the box and there, clinging to his finger, was a large owl. It had been "holing up" in the mail-box during the day.

Not satisfied with taking a nip out of McCall's finger, the owl jumped right into the car with McCall and had quite a time evicting him. For a time it wasn't certain whether Mr. McCall or Mr. Owl was going to continue occupying the car. The mix-up lasted only one round and it was a draw. Mr. McCall got the owl out of the car but the owl got a good-sized hunk of Mr. McCall's finger!

There's a sequel to this story but those interested will have to ask Jim for details.

EVERYTHING IN READINESS FOR K. OF C. COMEDY

Packed Houses Expected Monday, Tuesday, When Musical Show Is Presented.

Tickets go on sale at McLain-Sorensen's drug store at 9 a. m. tomorrow for "A Bachelor's Esquise" the musical comedy to be presented at the high school auditorium next Monday and Tuesday evenings. The show is being sponsored by the Knights of Columbus and Catholic Ladies club and it is expected that tickets will be snapped up rapidly.

More than thirty local people have parts in the comedy and it is under the personal direction of Miss Hewitt, of the Midwest Producing Company. Miss Hewitt says that members of the cast show remarkable ability and are taking great interest in the production. Leading characters in the play are taken by Joe Puncocar, John Allen, Esther Zukoski, Lillian Kokes and Dr. F. L. Blessing. They have been rehearsing daily, as they have the various choruses. An excellent show is anticipated by amusement lovers.

Irrigation Tests Prove Successful

Tests made on the first irrigation well to be sunk in this territory have proved successful. Two days of pumping on the I. A. Manchester 30-acre farm north of North Loup have proved that the well will produce from 700 to 1,000 gallons per minute. The well was sunk by Butterfield and Johnson, of Burwell, and the cement casing used is the one on which they hold a patent. A similar well was sunk on the Butterfield farm south of Burwell where it proved very successful. The Manchester well is 87-feet deep and he expects to irrigate not only his own farm but several adjoining.

WRANGLERS OF BURWELL MEET WITH ROTARIANS

Splendid Time Enjoyed at Joint Session Here Tuesday Eve; Hoffman Makes Hit.

One of the most enjoyable banquets ever held in Ord resulted Tuesday evening when the Wranglers, Burwell commercial organization, and the Rotary club of Ord held a joint session at the Rotary club rooms here. Speeches by Will Hoffman and Professor John Opp, an exhibition of conjuring by Professor Anderson, and a discourse by Jacob Belina were high spots in an interesting program furnished by Wranglers.

About fifty were present when Dr. George R. Gard, the Rotarian song leader, called the meeting to order and proceeded to lead in the singing of a group of songs with Miss Edith Mason at the piano. The New Cafe staff then served a splendid dinner, after which President Irl Tolen of the Rotary club welcomed Wranglers and turned the meeting over to Clyde Igenfritz, Boss of the Burwell club.

After introducing the Wranglers individually, Boss Igenfritz introduced Will Hoffman, cashier of the First State bank, as the guest of honor and he made a splendid address, urging the need of Burwell and Ord people working together against the business encroachment of larger centers. Professor Opp was the next speaker and his talk, too, was heartily enjoyed.

Professor Anderson, Burwell's local magician, pleased with his sleight-of-hand tricks and Punch-and-Judy act, but the crowning event of the evening was Mr. Belina's discourse on "The chicken comes from the egg, not the egg from the chicken." Rotarians and Wranglers whooped and howled with laughter during his speech.

Both Ord and Burwell men hope that these joint sessions will become more frequent events, as the one held Tuesday was a brilliant success.

K. OF P. TO HAVE DISTRICT MEET HERE ON MONDAY

Six Towns Will Send Delegates To Ord; Local Lodge Hosts At Banquet in Evening.

Ord lodge No. 68, Knights of Pythias, will be host to delegates from other towns in this part of the state next Monday, when the eighth district of the Pythian order will hold a meeting here. A banquet at Castle Hall in the evening will be the big event of the district session.

Towns expected to send delegates are Loup City, Comstock, Greeley, Ravenna and Broken Bow and local Knights are also expected several from Albion and probably from other places. A committee composed of Dr. G. W. Taylor, James McCall and M. P. Kogmata has charge of arrangements for the meeting. Dr. Taylor is district deputy.

Ord Pythian Sisters will serve the banquet at 6:30 o'clock and Carl Dale will be toastmaster. Addresses will be made by Irl Tolen, Horace Davis of Lincoln and George Munn. There probably will be other speakers. Work in the second rank with five candidates will follow the banquet.

Carl Sorensen is chancellor commander, of the Ord lodge.

Heavy Snow Fall

As this is written Thursday morning Valley county is having its first heavy snowfall of the season. Snow started falling about 2 p. m. after a day of drizzling rain, and already the ground is blanketed to a depth of two inches. The temperature is mild and all roads except the graveled highways are in terrible condition.

4 NORTH LOUP PLACES ROBBED TUESDAY MORN

Knapp Hardware Looted of Goods Valued at \$200; Sheriff On the Job Early.

North Loup, Nov. 18.—(Special)—Four North Loup business firms were entered and robbed by parties unknown at an early hour this morning. Those who were singled out for the special attention of these early visitors were the A. T. Jones Lumber Company, the L. Sheldon filling station, Knapp Brothers Hardware Company and the A. H. Crandall filling station. The office of the Jones Lumber Company was entered by prying open one of the windows on the east side. Here the robbers met with little success as six cents was the extent of the cash on hand when the cash drawer was opened. However, they took a 22 rifle belonging to Paul Jones which happened to have been left in the office.

At the Sheldon filling station entrance was gained by prying of the door stop and forcing back the Yale lock on the front door. Here about \$3 was found in the cash drawer and somewhere around \$4 in pennies which were in a sack on the desk. Mr. Sheldon estimates his loss at about \$15 in all, as the thieves made away with a box of valve cores, two pair of pliers, two tire testers and some other articles. A ten pound pail of grease that was taken from the office was found in the alley back of the station. This had not even been opened.

The lock on the door at the Crandall filling station was put on in such a way as to seemingly bluff the thieves as they made a hole in the screen on one of the windows next main street and opened the window, crawling in across a table setting directly in front. They had to pry open the cash drawer with some sharp instrument, but were rewarded with only \$5.96 for their trouble, but they took along a gallon can of oil. They carelessly overlooked a brand new automatic which was in the drawer of the table they crawled over in breaking in.

Knapp Brothers fared worst of all. The wooden strip where the front doors meet was torn off and the Yale lock pushed back, making entrance comparatively easy. Fire arms and ammunition seemed to be the main attraction here as three new pump guns were taken, one second hand double barrel shot gun, a 22 rifle, new, and a 22 revolver, which had been left for repairs. Also twenty boxes of shot gun shells and a few shells for a 22 rifle. The robbers were evidently amateurs as they didn't bother the safe, but contented themselves with rifling the cash drawer of \$2.80 and taking along a number of jack knives and several flash lights. The Knapps figure their loss at somewhere between \$150 and \$200. The 22 rifle which had been taken from A. T. Jones' office was left at the Knapp Hardware where it will be held until the owner can prove his property and apprehend the burglars.

Sheriff Round was in the village early this morning after possible clues, and while he was not prepared to give out anything for publication he seemed willing to admit that he had reason to believe that the job here was done by the same bunch who recently robbed several places of business at Arcadia.

Babcock Cow Is Leader In County

Wolstein Produces 77 Lbs. Butterfat In October To Top Association; Taylor, Hanson Herd High.

With an average butterfat production of 50.7 pounds per cow for the month of October, the Valley County Dairy Herd Improvement Association ranked seventeenth in Nebraska among the twenty-eight associations, according to word sent the Quiz from the agricultural college this morning. Rankings was below that of former months.

James Taylor of Ord had the high fat producing herd in the local association for October in the five to fifteen cow class. His herd of Guernseys made a record of 38.6 pounds butterfat. In state standings, he ranked eighth in the class. In the class of sixteen or more cows, Earl Hanson's herd ranked second in the state for the month. His herd of Holsteins lead the local association in the class with a production of 42.5 pounds butterfat. Hanson's herd produced 1,240 pounds of milk for the month.

It took a Holstein cow belonging to R. O. Babcock to top the local high producers for the month. The cow produced 77 pounds of butterfat and ranked fourth in the state among the high producers from each association. The cows produced 1,935 pounds of milk which tested 4.2 percent butterfat.

NORTH LOUP DEPARTMENT

MRS. CLAUDE RATHBUN, Editor.

The Bridge Club met Thursday evening with Mr. and Mrs. William Vodehnal. There were four tables of players. This was the beginning of a series of games with the women playing against the men, so no prizes were given that evening, but scores kept for the series.

The No Lo club is meeting on Tuesday of this week with Mrs. Otto Bartz, and Mrs. S. L. Shine-man will be hostess to the Fort-nightly club on Wednesday after-noon.

The Eworth Leaguers of the North Loup Methodist church will be hosts to the Epworthians of the Loup Valley District Friday eve-ning, Nov. 21. Delegates are ex-pected from Scotia, Eriksen, Bur-well, Arcadia, Ord, and Loup City.

Christ and the Rich Young Ruler was the subject of Rev. Schwabauer's discourse at the Methodist church on Sunday evening, with the famous picture in view of his hearers.

Mr. and Mrs. Otto Hill and Lou Pierce and his daughter Abigail of Ord spent Sunday at Barlett with the Luther Pierce family. The Pierces formerly lived near North Loup and have many friends here and at Ord who will be glad to know that they are doing well in a general store and hotel busi-ness.

Bert Buten is under the weather and not at all well these days.

The Otto Bartz family were Sun-day guests of Miss Maud Shepard. Pupils in the seventh and eighth grades, taught by Miss Alice Klis-inger, are planning a Thanksgiving party to be given just before the Thanksgiving recess.

Dr. O. P. Bishop, financial secre-tary of Salem College at Salem, W. Va., occupied the pulpit of the Seventh Day Baptist church last Sabbath morning. Before deliver-ing his sermon, he read an original poem which was a tribute to his father, Pres. S. O. Bond of Salem College was also present and had a part in the service. Another special feature for the benefit of the younger members of the audience was a story told by Mrs. W. J. Hemphill, who is a local worker in the interests of the Red Cross.

Two numbers were sung by the men's chorus and there was special music by the choir.

Mrs. M. J. Arnold, mother of Mrs. D. S. Bohrer, enjoyed a visit last week with her son, Dr. Chas. Ar-nold, who is pastor of the Dayton Avenue Presbyterian church at St. Paul, Minn. Dr. Arnold lived in North Loup when a boy and still has a number of friends here.

Lyle Earnest, son of Mr. and Mrs. M. D. Earnest was eight years old Nov. 13 and celebrated by inviting all the boys in his hooom at school to come to his house at 3:30 for a party. They had a great time with all kinds of hilarious games, fol-lowed by the best part of any party, the refreshments.

A fine son, George Milton Hutch-ings, was born on Armistice Day to Mr. and Mrs. Geo. Hutchings. Mrs. Edna Coleman is caring for the new arrival and his mother. This is the second child in the Hutchins home, both boys.

Mrs. J. M. Fisher entertained eighteen ladies at a quilting bee at her home on Thursday afternoon. They worked on a quilt for the Methodist Aid society in making for Mrs. Geo. E. Johnson. Lunch was served by the hostess.

Mrs. Chas. Thrasher arrived home Saturday from Waco where she had been visiting for a few days with her daughter, Mrs. Jo-sephine Eystone. The latter came to North Loup with her mother and will remain for a visit.

The Linger Longer crowd were guests Saturday night of Mr. and Mrs. Clifton Clark. Those pres-ent were the Townsends, Ford Ey-erly, Wheatcrafts, Carl Stude's, and Floyd Wetzel. Mr. and Mrs. Earl Greene were guests.

North Loup teachers have been divided into groups for the pur-pose of entertaining each other at intervals, and on Wednesday eve-ning, at the home of Mrs. Pearl Morrison the hosts were Prof. L. O. Greene, Alice Myers and Mrs. Morrison. The evening was very pleasantly spent in games and stunts of various kinds, followed by refreshments.

Coach Warren Bailey and Hubert Vodehnal were guests Sunday of Mr. and Mrs. William Vodehnal at a duck dinner.

The local ministers held a meet-ing Wednesday at the home of the pastor of the Friends church to consider the advisability of a un-

evangelistic campaign. It was decided to make plans to that end, with the meetings to begin soon after the holidays. The preaching will be done by the pastors of the Friends, Baptists and Methodist churches, and with the co-opera-tion of the pastor of the Zion Evan-gelical church of Mira Valley, and special music for the services will be furnished by local people. The meetings will be preceded by a series of prayer meetings held at intervals of one week. The first one will be on Friday evening, De-cember 5 at the Seventh Day Bap-tist church, in charge of Rev. John Kirkwood.

Frazier Funeral Home, Ord. Am-bulance service. Day Phone 33; Night 193. 31-1f

A number of friends were enter-tained at bridge on Monday eve-ning at the home of Mr. and Mrs. Geo. Gowen in Riverdale in hon-our of Mr. Gowen's birthday. There were six tables of players. High score for the men was made by Paul Robinson with high honors for the ladies going to Mrs. Elna Hurley.

Mrs. Alfred Crandall returned Tuesday of this week from a visit of five weeks with relatives at Brookfield, Mo. During her ab-sence she also enjoyed a visit with friends in the Ozark mountain country.

There was a family gathering Sunday at the home of J. W. Kil-dow in honor of visiting relatives. Mrs. Kildow's sister, Mrs. Will Nel-son was present with her husband from Amarillo, Tex., and another sister, Mrs. Grant Applegate from Cheyenne, Wyo. Other guests were Mr. and Mrs. Chas. Mayo. The visiting ladies are also sisters of Mr. and Mrs. Mayo. Mrs. Applegate left Monday for her home, but the Nel-sons will remain for a longer vis-it with the Kildows and Mayos.

S. F. Fuller is still unable to resume his duties at the elevator of the Farmers Grain & Supply Company. He has been suffering for two or three weeks with an at-tack of shingles.

Tom Hamer and his carpenters, including Clyde Currie, Jack Cur-rie and Ben Stevens went Friday to Sherman county to do carpent-er work for the Nebraska Secur-ities corporation. However they were compelled to come home very soon on account of stormy weath-er, returning again the first of this week. Clyde Currie was unable to go back with them as he is suf-fering with a boil on his neck.

The Gillespies are entertaining the rook club at their home on Thursday evening of this week.

There will be a quilting bee on Thursday afternoon of this week at the home of Mrs. Della Man-chester in honor of the birthday of her sister, Mrs. Maggie Annysa.

Mrs. Otto Bartz was hostess on Tuesday afternoon to members of the No Lo club. Mrs. Glen John-son was the leader for the after-noon, and the lesson was on the book of Esther. Parts in the pro-gram were taken by Mrs. W. J. Hemphill, Mrs. A. T. Jones, Mrs. Jessie T. Babcock, Mrs. H. S. War-ren, Mrs. Frank Johnson, and Mrs. G. A. Schwabauer. Character sketches from Esther were given by Mrs. H. O. Dallam and Mrs. Otto Bartz. An appropriate and very pleasing appropriate duet was sung by Mrs. Glen Johnson and Mrs. A. H. Bab-cock. The number was from the oratorio, "Queen Esther." An in-teresting discussion of the lesson closed the afternoon.

Mrs. G. L. Hutchings of Sioux City, Ia., arrived on Armistice Day in time to welcome her new grand-son at the home of her son, Geo. Hutchings.

John Schultz of Lincoln, but for-merly of North Loup, arrived Sun-day for a visit at the home of Ira Manchester and with other friends.

The American Legion Auxiliary will meet on Friday afternoon of this week with Miss Elsie Rood.

The Women's Christian Tem-perature Union met on Monday af-ternoon, November 17 with Mrs. W. J. Hemphill. Devotions were led by Mrs. Ed Post. The subject for the afternoon was "Peace," with Mrs. G. A. Schwabauer leader. The principal address of the afternoon was given by Rev. Bessie Franc Brown on "Steps the United States has taken for Peace." Others had a place on the program. Mrs. J. A. Barber spoke on "Victories of Peace vs. Victories of War." Miss Maud Thomas gave a talk on "The Place of Friendship in International Relations," and Mrs. W. J. Hemphill's subject was "The Place

of Reading in International Rela-tions." The musical part of the program consisted of a piano solo by Mrs. H. S. Warren and a vocal solo by Eula Shinneman, "Misun-derstood," with Mrs. Reeve Man-chester at the piano. There was a good attendance of members and the following visitors: Mesdames L. M. Catlin, M. D. Earnest, H. S. Warren, Reeve Manchester, Fred Bartz and Eula Shinneman. Ref-reshments were served by the hostess.

The Junior Philathea class of the Methodist Sunlay school, taught by Miss Maud Sheppard, was entertained very pleasantly Sat-urday afternoon by Miss Beulah Wil-loughby assisted by another mem-ber of the class, Miss Thelma Ba-chanan. After a short business meeting rummy was played. De-licious refreshments were served by the hostesses. Eleven members of the class were present, and one guest, Mrs. Lillian Gustafsson of Edgar.

Miss Mary Davis, who teaches Home Economics at Edgar, came home for the week end. She was accompanied by Grant and Truma McClellan, and Mrs. Lillian Gus-tafsson, all of Edgar, who spent the week end with their cousins, the McClellans. They went back Sunday evening with Miss Davis.

Earl Smith and Ivan Canedy motored to Ulysses Saturday, re-son to visit Sunday. They went to visit relatives. Mr. Canedy's moth-er is seriously ill.

Mrs. J. A. Barber entertained her Sabbath school class of girls at her home Saturday evening. They made the place cards for the Fath-er and Son supper on Sunday eve-ning at the Baptist church.

A special feature during the Sab-bath school hour at the Seventh Day Baptist church was the pre-sentation of a Red Cross playette under the direction of Mrs. Lou Barber. It was most interesting and had to do with what the Red Cross organization is doing and of some of the dangers to be encoun-tered by Red Cross workers. Most of the parts were taken by men, with James Morrison, principal.

Union Thanksgiving services will be held on Wednesday evening No-vember 26 at the Seventh Day Bap-tist church. The Thanksgiving sermon will be preached by Rev. Bessie Franc Brown, pastor of the North Loup Friends church.

John Schultz of Lincoln, but for-merly of North Loup, arrived Sun-day for a visit at the home of Ira Manchester and with other friends.

The American Legion Auxiliary will meet on Friday afternoon of this week with Miss Elsie Rood.

The Women's Christian Tem-perature Union met on Monday af-ternoon, November 17 with Mrs. W. J. Hemphill. Devotions were led by Mrs. Ed Post. The subject for the afternoon was "Peace," with Mrs. G. A. Dear Quiz:

The Missus and I climbed into the car just after 7 A. M. Sunday and started east, our destination being the home of my uncle and aunt, Mr. and Mrs. F. D. Miller at Hopkins, Allegan County, Michigan. We drove up in front of their house at 11:30 Tuesday, 306 miles from home. The first night from home was spent at Nevada, Iowa and the second night at Chicago Heights, Ill., near Chicago. The trip was made without a bit of trouble of any kind and the roads are so well marked that we didn't have to make an inquiry. Sunday and Monday were beautiful, bright sunny days but Tuesday morning it was very cloudy and foggy and so misty that we had to keep the wiper going on the windshield in order to be able to see to drive. It was foggy Sunday morning until we got to Cotesfield, and froze on the glass so I had to wipe it off several times. We had paved roads every bit of the way after we left the new bridge at Blair, and of course there is some paving in Nebraska.

And right here I must make a confession. I have always held to the idea that a good gravel road is good enough, but I now believe that paving is desirable just as fast as we can get it in Nebraska. I know it costs less for upkeep and gas and the new paving is a big improvement over the older pavement. I for one will be willing to pay another cent or two gas tax in order to have paving.

Of course a trip of this kind would be more enjoyable in June, than in November on some accounts. Then the fields and forests would be green while now they are all brown. The crops are all harvested, except as we saw farmers husking corn and throwing it in golden piles. It looks funny to me to see a man tip a shock of corn over and get down on his knees and husk it, throw it in a pile where the shock had stood and then pick it up in a basket and pour it into a wagon box. That is the way lots of it is handled here. Of course this is a dairy country and much of the corn is cut and put in a silo. Most farmers have a silo. I am told that while a corn binder is used some, more of the corn is cut with hand knives. When I left this country 36 years ago there were many cheese factories in this country. Now there is not one left. All are condensaries. Butter factories followed the cheese factories, then the condensaries. Here saw milk is sent to a factory, separated and the cream shipped by truck to Chicago and the skim milk is made up into powder form and sold that way.

Of course this is a fruit country, apples being the biggest crop. I wanted to buy some apples to take home but so far have not been able to buy the first quality fruit. I went to see one man today. He has about 5,000 bushels but would not sell me even a bushel of the first quality fruit. He wanted \$1. a bushel for seconds. I am told I will have to pay \$2 for first quality apples. The man I visited this a. m. has all his first quality contracted to a big chain store.

Business conditions and unemployment seems much worse here than in Nebraska and I am told it is still worse further east. It was dry here, is still dry, as there has been no fall rain as is usual and while fall plowing is being done, it is too dry to plow.

We found my uncles home locked up when we drove up, and as it was a surprise visit, it gave the Missus a chance to say "I told you to write or wire them". I went to the neighbors however and soon located my aunt and hurried her home. My uncle had gone fishing, but the fish were on a strike and he got home by the time dinner was ready.

Yesterday we drove down through Watson township called on a number of old time friends and drove into the yard of my old childhood home. It is now vacant. I walked over a part of the place, over the hill which was orchard and where there are just 4 apple trees left. It made me homesick and was glad to drive away and presume I shall never visit it

again. We visited two cemeteries where our forebears have been buried for a hundred years and had some trouble figuring out some of the earlier relatives. Could not have done so except that Uncle Fremont was along. He is 76 and of course remembers many incidents of 50 to 60 years ago in the old neighborhood. He showed me the old school house which stood on the corner of my grandfather Leggett's farm. It was built of timbers, with 2-inch planks spiked on up and down, then siding put on. It was built over a hundred years ago and was never painted during all the years. It is used now for a granary and has been moved a mile from where it stood when my father attended school in it.

Well, this will be enough for this time. We are having a most wonderful visit and I am storing up thoughts for more stories later. We will be leaving here soon and will probably be home again by the time Quiz readers get this letter.

The Ord Quiz, Ord, Nebraska
Dear Quiz:
Of course it is not your fault, but you are missing me about two hundred feet with the Quiz now, due to the fact that I have moved about that far and this gives me an excuse to write to you.

My new address is as above noted and I would appreciate it if you will make an immediate change on your lists.
Please allow me to remind you that a "feller's" Old home town paper is a very welcome visitor once a week and let me tell you that I notice a great and steady improvement in the paper throughout the years I have been a subscriber and at times a contributor.

I come home Monday at lunch time and the Quiz is here and so is the Literary Digest, there is not time to read both of them during the noon hour and so I just open one of them and it is not the Literary Digest. Many strange names appear now in the Quiz and many names that used to appear no longer appear and sometimes I lose track of just what happened to those folks. Some of the names have changed considerably or added titles. For instance there was Kirby McGrew, who used to think he could lick me and he is now Doctor McGrew,—durn him, I hope he gets his whiskers caught in a revolving door someplace and that his daughter marries a democrat.

He never could lick me but he thought he could—and so did I durn him again.
Let me congratulate you on adding young George Round to your staff, his stuff is very very interesting and getting more so all the time but the idea of the young upstart claiming to give Charlie Arnold the name of "Deacon". I could have turned George Round across my knee and spanked him when I first named Charlie Arnold "The Deacon", look at some of my old advertising copy for athletic shows and see.

I miss the contributions of Ernest S. Coats very very much and I want to say that when myself and Ernest Coats were both contributing to the Quiz, the Quiz had two durn good writers working for it and—Ernest was both of them.

What is the matter with him any more? Consider this a complaint from a subscriber and see if you can pry him loose from an article once in a while only tell him not to write on any political subject. Ye Gods, but that feller is dum on politics. He wanted Hoover elected president so that the tariff would be doubled on aluminum kitchen ware, thereby protecting the Nebraska farmer—oh well, have him write something anyway.

Got all puffed up when I noticed my own name on the front page of the Quiz some months back when I made a change, that article was taken from the front page of a paper here and it did not swell me up when I saw it here but when a feller makes the front page of his old home town paper, "that is something".

Here is another complaint from a subscriber—same subscriber. The publisher of the Quiz used to write a column called "and about Ord" it was one of the features I liked best about the Quiz but that guy Leggett was always lazy and he quit it and only writes the publisher's own column about half the time.

Anyway the idea is that I want to put across that when you are making up the copy for my old home town paper I want you to consider that there are a good many hundred of us who used to live in Ord who still take the Quiz and we like the features and we like even the what ad. None of us wants to buy a Hereford bull and none of us has found an endgate but most of us read the want ads because that is the most informative part of any paper.

The old home town is a sort of a sacred shrine and we look forward to going back to some day and being guest of honor at the Rotary club banquet and we want to keep informed on what is going on.

Now another thing, what is the

Start Tomorrow With A Good Breakfast!

Don't try to get along with a meager breakfast—start the day out right with sausage and pancakes, bacon and eggs or pork chops and fried potatoes. That's the kind of a breakfast that "sticks to your ribs" and gives you pep and energy all day long. Let us supply you with home made sausage, home butchered pork chops or the finest quality of bacon.

matter with W. A. Anderson? He used to contribute some very interesting articles to the paper. See if you can't stir him up a bit. I do not live in California so I will not say anything about the climate, we don't have climate here we just have weather but it is generally pretty good weather and while I have lived here almost six years I have never seen any "unusual weather". Nor have I heard any of the natives apologize for what there was.

It is my present plan to attend the Valley county fair in 1931 and I hereby issue a challenge to Jake Earnest to a wrestling match or a tobacco chewing and spitting contest.
My very best wishes to every living creature in my old home town.

Hard Times! All in Your Eye!
Huh, call those "hard times?" Before you drive up to the gas station and say "fill'er up," just quit hollerin' about hard times long enough to consult some of us old-timers of Nebraska who know what hard times really are. On your way to pay the past due installment on your car, quit hollerin' about the times being so hard long enough to let some old-timer in these parts tell you about hard times that were really hard. Before you set that \$5 hat on your head and button up that \$40 overcoat and start out to tell what a helluva job you have getting along these awfully hard times, just call up some gray-haired old pioneer of the '70's and ask him about it.

Say, you haven't the remotest idea of what hard times really are—you with your automobile, and your telephone, and your furnace heat, and your porcelain bathtub, and your hand tailored clothes, and your radio. How'd you like to haul your 3-cent corn 10 or 15 miles in a jolt wagon and sell the whole blooming load for less money than you pay for a tank full of gasoline for your automobile today. How'd you like to stand around a barrel in headquarters of a relief commission and be thankful if you drew a moth-eaten old overcoat contributed by some fellow back east? Or a pair of patched shoes that you wouldn't think of wearing even in these present "hard times?" How'd you like to be snowed in for a month or two in a sod house or a wobbly wooden shack, burning cow chips for fuel and subsisting on mush and bacon, instead of sitting around the radio listening to good music, or reading the papers and magazines that were delivered at your door that day by a rural carrier traveling over open roads in an auto?

Who are you to be hollerin' about hard times? Better a good crop and low prices than to see every green thing on your place eaten by grasshoppers. But you'll probably go right ahead hollerin' about hard times while you are spending more for gas and oil and tires than it cost your father to rear and educate a family. Dad and mother reared a family around a cookstove in the kitchen and bathed themselves and you children in a wooden washtub, but you've got to have furnace heat, inside toilets and porcelain bathtubs, and yet you holler your heads off about times being hard.

Say, you give us old-timers a definitely located pain. Why, we used to eat mush and milk for supper and fried mush for breakfast and think we were living like kings. Now you sell a bushel of corn for about 60 cents and then buy it back in the shape of cereals put up in fancy packages and pay for it at about \$25 a bushel—and holler about hard times. We old-timers used to kill our own hogs and cure our own ham and bacon, but you are so darned busy holl-

erlin' about hard times that you sell your hogs for about \$9 a hundred on the hoof and then buy your bacon all wrapped up in fancy boxes and pay for it at the rate of about \$45 a hundred. We used to pay from \$1.75 to \$2.50 a pair for shoes that were meant for wear, not looks, but between your spasms of hollerin' about hard times you pay from \$7 to \$15 for a pair of shoes for their looks. When mother paid 35 cents for a pair of cotton or lisle thread stockings, Father used to look worried, but if you can't wear silk stockings at \$1.50 a pair you think life is without joy.

Hard times, my eye! The worst we are experiencing today would have seemed like the Seventh Heaven of prosperity to the pioneers. Give the present generation about 30 days of what those pioneers considered hard times, and it would just curl up and die. Times are only hard by comparison. We just think they are hard because we are now being compelled to pay for a lot of things we bought on the inducement plan when we thought rampant prosperity would never end. We lived beyond our means so long that it is simply Helen Repeat to have to live within our means now and pay up back obligations incurred when we were sailing along on expanded credit. The times are all

right. It's you that's all wet—we mean wrong. Buy what you need, pay for it when you get it, and instead of moaning, try smiling for a while.

And for heaven's sake quit indulging in abdominal convulsions! —Bill Maupin in Hastings Democrat.

Up-To-Date Club Meets.

The Up-To-Date club met Tuesday afternoon last week with Mrs. R. O. Gaither. Roll call answered by "A Hero of the War." The lesson study on "The Life of Woodrow Wilson" was led by Mrs. Geo. Parker. A short business meeting followed after which Mrs. Gaither sang "After the War Was Over" and "A Little Bit of Honey." The next meeting will be held at the home of Mrs. C. C. Hawthorne Tuesday, Nov. 25th.

Auxiliary Notes.

The Legion Auxiliary will meet at the Methodist church basement Friday, Nov. 21st. Mrs. Lyle Lutz will be hostess. We are going to piece and tie a wool comforter for some ex-service man's needy family. We would greatly appreciate wool pieces for this comforter. The past week an overcoat was bought and sent to a tubercular patient.

Verna Gregory, Pub. Ch. Buys Grand Champion Sow. Mr. and Mrs. Morris Fowler have purchased the 1930 grand champion Poland China sow of Henry Ebers of Seward, Nebr. They made the purchase last week and the hog is now in their possession. They expect to list the sow among their sale hogs when their sale is held February 18th. Mr. and Mrs. Fowler are the owners of "Conqueror," the grand champion Poland China boar and this hog also holds the world's championship for weight.

No Church Service Sunday. The Congregational church Sunday morning on account of the dedication service at the Methodist church. Sunday school will be held at the usual hour and the regular service will be held in the evening.

Methodist Aid Meets. The Ladies of the Methodist Aid Society met at the church basement last Friday. The afternoon was spent attending to matters of business which included the election of Mrs. J. G. Stanley as janitress of the new church, making plans and arrangements for painting the dining tables in the church dining hall and disposing of a number of the articles which were left from the bazaar held recently.

At the close of the meeting a delightful lunch was served by the hostesses, Mesdames Vere Lutz, J. W. Wilson and Paul Larsen.

Church Dedication Next Sunday. We wish to again call your attention to the dedicatory services of the new Methodist Episcopal church which will be held next Sunday, Nov. 23rd, continuing each evening until Friday. Bishop Frederick D. Lette of Omaha, assisted by District Superintendent Dr. Harry E. Hess and Rev. J. G. Gaither will have charge of the services Sunday morning and Dr. Hess will speak in the evening. Monday evening, Gaither Brothers quartette will entertain. Tuesday evening, Rev. Randall of Scotia will speak. Wednesday evening, the Gaither Quartette will entertain. Ord will have charge Thursday evening a Thanksgiving service by Rev. Burtleigh and the choir of the Congregational church and Friday evening the sacred cantata "Zion" to be given by the Methodist church choir. All services start at 7:30 each evening. You are cordially invited to attend all these services.

The program to be given by the Aubie orchestra Wednesday evening is as follows: Sacred Overture.....Orchestra Song.....Congregation Prayer.....Rev. W. H. Wright Vocal Solo.....Mrs. W. L. D. Aubie Anthem.....Double Quartette Readings.....Miss Dorothy Campbell String Ensemble.....Barcarolle Bass Solo.....Elwin Aubie Overture.....Princess of India

Re-decorating City Meat Market. The interior of the City Meat Market is being redecorated this week, adding greatly to its appearance. Gerald Bellinger is the man with the brush and he is painting the walls and fixtures in a pleasing and attractive shade of green.

Light Snowfall. The ideal fall weather, so typical of Indian summer came to a sudden change the latter part of last week, terminating with a light snowfall on Saturday. With the appearance of the sun Sunday morning, the snow melted rapidly and by noon it had about all disappeared. This was the second snowfall of the year, the first occurring Oct. 15th, just a month previous. Between snowfalls the weather was exceptionally warm for this season of the year.

Arcadia Loses to Sargent. The Arcadia high school football team did not fare so well in their encounter with the fast team of the Sargent high school on the local gridiron last Friday. They had to be content with a 20 to 0 defeat. They invade Ord next Friday and the season will be brought to a close with Burwell here on Thanksgiving day.

Indefinite Word from Robbery. Considerable gossip and speculation was had the latter part of last week when news was circulated that the parties who perpetrated the robberies of the Waterbury Merc. Co. and the E. C. Baird garage were under surveillance and their arrest was momentarily expected. In conversation with Mr. Waterbury we learn that the state sheriff called him on the telephone and inquired about some of the goods and about the number plates which were removed from John Brown's car the same night of the robberies, but although it was possible they might meet with success there was nothing definite yet. It seemed that the state sheriff had picked up an Essex sedan with a Texas license which probably contained some suspicious looking articles.

Community Club to Meet Friday. A business meeting of the Arcadia Community club will be held at the library basement Friday evening of this week instead of Tuesday evening as previously announced. This on account of the dedicatory services at the Methodist church. An oyster stew will be served at the Tucker hotel following the meeting.

The regular meeting of the club will be held at the Methodist church basement Tuesday evening, Dec. 2 at 7 o'clock. All members are urged to attend both of these meetings.

Entertain at Birthday Dinner. Mrs. D. O. Hawley and Mrs. Rose Taylor entertained at a lovely dinner at the Hawley home Sunday in honor of the birthdays of Mrs. F. J. Russell and D. O. Hawley. Following dinner the afternoon was spent socially. The guests of honor were presented with a number of pretty gifts. The guests included Rev. J. Russell and family, Mr. and Mrs. H. L. Jameson and family, Mr. and Mrs. Leo Hawley and Misses Thelma Cruikshank, Clara Koehn and Lillian Gille.

Gives Piano to Church. Mrs. Will Cramer has made the gift of a Vose and Sons upright piano to be used in the new Methodist church. The piano will be placed in the choir alcove and the piano formerly used for church services will remain in the basement to be used for church activities there or be moved to the Epworth League room. Mrs. Cramer's gift was greatly appreciated by the members of the church.

Improves Church Yard. Considerable work has been done on the Christian Science church yard the past month. The

large trees which stood on the south and west sides of the yard have been cut down and small elm trees planted instead. The lawn has been seeded with blue grass and a lilac hedge planted at the north and east edges of the lot. Spirea bushes have been planted at the front and on both sides of the church building. The two trees of paradise have been planted on the front lawn and two elms at the rear of the church. This is a decided improvement and the effort involved should be rewarded with a beautiful yard next summer.

Mild Case of Pottomylitis.

Mr. and Mrs. Fred Cox and Mr. and Mrs. Carl Larson and small son Marvin drove to Grand Island Sunday to consult a specialist in regard to Marvin's condition. The little fellow who is just a few two years of age, was taken ill last week with a slight fever. He soon recovered but his left limb seemed to be in a weakened condition. The doctor at Grand Island pronounced it a light case of pottomylitis and after placing the limb in a cast the baby was allowed to return to Arcadia with his parents. The disease cannot be carried it is stated and is not very contagious. The Larson family will be quarantined for a period of two weeks and it is hoped that no further cases will develop. Marvin is feeling fine at present, and will be able to have the full use of his limb within a few months.

Corp. Herron Speaks Over Radio.

Corporal Leander Herron of St. Paul, Minn., who is just a few two years of age, was taken ill last week with a slight fever. He soon recovered but his left limb seemed to be in a weakened condition. The doctor at Grand Island pronounced it a light case of pottomylitis and after placing the limb in a cast the baby was allowed to return to Arcadia with his parents. The disease cannot be carried it is stated and is not very contagious. The Larson family will be quarantined for a period of two weeks and it is hoped that no further cases will develop. Marvin is feeling fine at present, and will be able to have the full use of his limb within a few months.

Society Notes.

The Afternoon Bridge club met last Thursday with Mrs. Walter Sorensen. Mesdames D. C. Bartlett, Floyd Bossen, Vera Cook, M. R. Wall and Chas. Perry of Grand Island were guests. High score honors were awarded to Mrs. H. Kinsey and Mrs. Vera Cook. On account of the regular meeting date falling on Thanksgiving, the next meeting will be held Tuesday, Dec. 2nd, at the home of Mrs. F. V. Amick.

The Ladies Aid Society of the Congregational church met at the church basement today with Mesdames J. C. Ward, F. J. Russell, A. C. Mather and Ernest Esterbrook as hostesses.

The Salmagundies entertained at a one o'clock luncheon at the Community Park Monday afternoon in honor of Mrs. Rose Taylor of Denver, Colo. who is visiting with Mr. and Mrs. D. O. Hawley.

The Rebekah Kensington will hold their next meeting at the home of Mrs. J. M. Myers Wednesday, Dec. 10th. Mrs. Bryan Owens will assist Mrs. Myers as hostess.

The Balsa Ladies Aid society met Wednesday afternoon of last week at the home of Mrs. Wesley Hubert.

The Hayes Creek Farmers Union met Wednesday evening at the home of Mr. and Mrs. Ray Lutz.

Sunday dinners--Mr. and Mrs. H. A. Bellinger entertained Mr. and Mrs. Gerald Bellinger and family. Mrs. M. J. O'Connor, Alice and Milton O'Connor were guests of Mr. and Mrs. S. V. Hansen. Mr. and Mrs. J. P. Cooper entertained Mr. and Mrs. Walter Sorensen and Halph. Mr. and Mrs. Ed Christensen were guests of Mr. and Mrs. R. L. Christensen. Mr. and Mrs. Burt Sell entertained Mr. and Mrs. Ben Greenland and Mr. and Mrs. Jake Greenland and baby. Mr. and Mrs. H. M. Creemen and family were guests of Mr. and Mrs. Clifford Freeman. Mr. and Mrs. Oscar Jewell entertained Mr. and Mrs. Jerry McDonald and family. Mr. and Mrs. W. A. Leininger and Mr. and Mrs. Victor Larson and baby. Mr. and Mrs. Chas. Waite were guests of Mr. and Mrs. Walter Coats.

150 PRESENT AT DAD-LAD DINNER; MAUPIN SPEAKS

(Continued from page 1)

Well, the banquet was disposed of after a while and then Rodney Stoltz, president of the Hi-Y called a halt on the festivities and asked the banqueters to come closer to the speakers table.

With some facetious and happy comments he called on Charles Shepard to respond to the toast. "Our Dads", which great subject, Charles handled in proper style, while the dads grinned and applauded as occasion demanded. He then permitted Irl Tolten to toast "Our Lads". He did it in good style and added some wholesome and serious comments.

Miss Elizabeth Janssen then rendered a fine saxophone solo, accompanied by Miss Keo Auble and immediately proceeded to give another selection, which meant, of course, that she expected no encore. I like that way of doing.

Then came the event of the evening. The president introduced Will M. Maupin, the well known newspaper man, with license to speak to and any dads and lads, which he did in his characteristic way. His address was full of good sense with no pretense at oratory.

He first talked to the dads wisely and sanely and then tried to spoil it all by admitting that they would not pay any attention to it. He even hinted to the lads, when their turn came, that his admonitions might go unheeded until they had learned it all from the hard school of experience. He was not at all ashamed to tell these boys that they needed, along with other virtues, a background of christian principle.

Without that, he said, there was no hope of their attaining to their best. But the telling feature of his address came when he led the lads up face to face with the "old man." But he hastened to explain that by "old man" he meant not their dads, but the old man each of them would be thirty, forty or fifty years from now. He made them see that the old man of the future, which stood before each one of the lads present, was being made and animated by the lads themselves.

That the success or failure of the old man, in which each lad was most vitally concerned, depended wholly upon the way the lad utilized the intervening years. Mr. Maupin certainly presented this phase of his address in a most striking and practical manner.

Then all joined heartily in singing America and went happily home.

Shoots Large Coyote.

Jerry Petska is telling an interesting yarn about an incident of the recent pheasant season. Mr. Petska and Jack Hoogenboezem went to the Emil Kokes farm to hunt during the closing days of the season and accompanied by Mr. Kokes, went out into the cornfield. The three were several yards apart with Emil in the center and several yards in the rear. Suddenly a large dog coyote jumped up in front of Mr. Petska and started for the rear of the field. He ran right past Emil, who killed him with one shot from his 20-gauge shotgun. He is having the hide tanned and believes it will make a beautiful neckpiece for Mrs. Kokes.

VALLEY COUNTY HAS 21 PUPILS AT STATE UNI

Ord and Arcadia Send Largest Number to Lincoln School; Directory Issued.

By George Round, Jr. Valley county has twenty-one boys and girls attending the University of Nebraska this year, according to student directors issued at Lincoln yesterday. The directory lists Ord as having twelve students, North Loup but one, Arcadia seven, and Elyria one. In addition, three Ord boys are registered in the medical college at Omaha which is a part of the University of Nebraska.

Among the most prominent Valley county students upon the campus is Arthur Bailey, son of Mr. and Mrs. R. C. Bailey of Ord. Bailey is in law college, having received his degree from Nebraska last spring. He is president of Delta Upsilon fraternity, is an innocent, and was editor-in-chief of the Cornhusker year book last year. It is doubtful if there ever was an Ord student who made as impressive a record at Nebraska as Bailey.

Lumir Beran of Ord is taking pre-medical work at the Cornhusker school. Having graduated from Ord high last spring, Lumir chose to enroll at Nebraska for three years from where he will probably go to Omaha to attend medical college for several years. While in high school he was prominent in track circles, being one of the outstanding long distance runners in central Nebraska.

A graduate of '26 from Ord high, Richard Flynn is a junior in the agricultural college. He is a member of Alpha Gamma Rho fraternity. Last year he was a member of the college football team and performed outstandingly for the Aggies. Lack of time has made it impossible for him to go out this year.

The painter, otherwise Syl Furak of Ord, is listed in the directory as a junior in the fine arts college at Nebraska. Syl is now working at the Grand hotel for his board. During the past summer he worked in Ord.

Vera McClatchey of Ord is a sophomore in teachers college. Last year she taught in a country school near Ord. Likewise Erna Malotte of Ord is a sophomore student in teachers college.

Majoring in home economics, Della Nass of Ord is a junior at the agricultural college. She graduated from the local high school in '28. She is quite prominent upon the Aggie campus.

Grace Hagood of Arcadia is another Valley county student in the teachers college. She is a sophomore. Dorothea Hudson is listed as a senior in arts and science as another Arcadia girl while Claudia Langrall of Arcadia is also a senior in the same college.

Stanley Jameson of Arcadia is a sophomore in teachers college. Last year he made some outstanding scholastic marks in his college. The directory also lists three freshmen boys as students from Arcadia. They are Martin Lewin, Dick Whitman and Stanton Sorensen. Lewin is in arts and science college and stays at the Y. Whitman is a frosh in the college of business administration. He is rooming with Stanton Sorensen who is in the same college. Stanton is working in his spare time at barbering while Whitman works at a downtown cafe for his meals.

Chauncey Hager, of Ord is taking his second year work at the medical college in Omaha while John Round of Ord is taking his first year at the same school.

While in school at Lincoln, Chauncey was a member of the Nebraska rifle team for two years, captaining it his last year. He was a member of Tau Kappa Epsilon fraternity and prominent in student activities on the campus. At Omaha he is a member of Nu Sigma fraternity.

"Doc" Wise is another former Ord man who is taking work at the medical college in Omaha.

Another agricultural college student is George Round, Jr., of Ord. He is a junior and a member of Farm House fraternity. Round is assistant editor of the Cornhusker Countryman, college magazine.

Does Jesus

Heal the sick today? Many ministers and church members say NO. Did he ever heal? Everybody must say YES. Does not the word of God say he is the same? Let's not have "a form of Godliness and deny the power thereof." Thousands are being healed in these last days and other thousands are receiving the Holy Ghost with the evidence mentioned in Mark 16:17, Acts 2: 4, Acts 10:46, Acts 19:6, "Examine yourselves and see if ye be in the Faith."

God will heal you whether you are a saint or sinner and no matter what your affliction may be.

Fur, Velvet Lend Chic to Winter Suits

FOR FORMAL AFTERNOON WEAR FASHION APPROVES THE SUIT WITH WARM TONES—BLACK IS STILL POPULAR BUT BURGUNDY IS GOOD SUBSTITUTE

BY HARRIET

THE suit's the thing this winter for dressy wear. It can be made to look like any number of different costumes by this or that change. It is itself a very aristocratic and useful garment.

You can have your suit of just about anything you want, but you should contrive to have some fur on it. The ultra chic outfit will have velvet.

If you are young and trim, you should have a suit with a belt line, and perhaps a flaring peplum. They are so youthful and jaunty.

If you are a little more matronly, it is much better not to have a coat that cuts its line at the waist. One of the semi-fitted ones is more flattering. But the jacket should be not longer than two-thirds the full suit length. They are smarter than short or shorter.

As to color, black is best. It goes with everything. You can have light blue blouses, pink, or white. You can wear it with any hat.

But if you are a little tired of black, why not go into one of the burgundy shades? Wine tones are vastly becoming. Next to navy blue, burgundy is most popular. Browns are also good this winter. Blue, though good in all seasons, is especially a color for the spring. Use the warmer tones up while the weather is cold!

THE two very different types of suits shown here are both to be had at different prices and different colors. One is a burgundy velvet suit, with a beaver scarf collar that ties shut at the back of one shoulder with ties of the burgundy velvet, taking only just a small piece of beaver.

The skirt is a wrap around, instead of being stitched shut at both sides. This is a fashion many velvet skirts are taking to lessen wrinkling.

The jacket, fitted like a Russian blouse, is belted and buttoned up

A feature of the burgundy velvet suit, left, is the jacket which is belted and buttoned up the front and the peplum is stitched all around about fifty times.

The other suit, for formal afternoon wear, is made of black cloth in one of the new very soft weaves, trimmed with black broadtail. The coat is just semi-fitted, with its two-thirds length coat cutaway and with a pasque finish of bands of the broadtail.

The collar is a standing one, warm and chic, made of the fur. There are deep shaped cuffs and a muff also of the fur.

With this there is a black felt hat with a band of broadtail for trimming. The fur rolls back to give the new rolled shape.

A blouse of white satin completes this outfit, although this suit is excellent with colored blouses, too.

dies in attendance. After the business meeting a nice luncheon was served.

Yesterday Mrs. Vincent Kokes was hostess to the Catholic ladies club.

The Christian Aid society gave a Kensington last Wednesday afternoon in their church parlors. Mrs. John Collison and committee furnished a nice luncheon. There was a short program which was much enjoyed.

P. E. O. met Monday evening with Mrs. Mark Tolen. Mrs. Charles Goodband was assistant hostess. The program, Educational Day, was in charge of Mrs. L. D. Milliken and Miss Daisy Hallen.

Mrs. Alice Vincent had for her Sunday dinner guests her daughter and husband, Mr. and Mrs. John Lanham and the latter's daughter-in-law, Mrs. Archie Boyce and baby.

Dinner guests Tuesday in the home of Mr. and Mrs. Jack Brown were Mr. and Mrs. Rhyley Christensen and daughter, Evelyn and Mrs. Ben Madison and son and daughter of Olean.

Yesterday afternoon the Missionary society of the Presbyterian church entertained all of the ladies of the church at a Kensington luncheon and program in the basement rooms of the church.

the making of many kinds of sandwiches and told the members how to plan a balanced school lunch. Their husbands were guests and each member brought a school lunch for herself and husband.

Mr. and Mrs. John Schuyler and daughter Doris were Saturday evening visitors at the Chas. Libersy farm home.

Dad-Lad Banquet Held at Midvale

A fine group of dads and lads gathered at the Midvale United Brethren church last Friday night for the first father and son banquet and enjoyed a sumptuous three course banquet served by the Midvale Ladies Aid under the direction of Mrs. Hubert Hayes, president, and ably assisted by the young ladies of the church in the capacities of waitresses. The church dining room was decorated for the occasion in the patriotic colors, red, white and blue.

After the banquet meal, Orin Kellison, Sunday school superintendent, welcomed the boys and fathers to which welcome Merritt King responded on behalf of the sons. Following this the toastmaster introduced Rev. Kirkwood, pastor of the Mira Valley Evangelical church, who responded with a pleasing talk on relationships of father and son. Next in order was a fine address from Rev. H. H. Spracklen, pastor of the Ord U. B. church, who stressed in a very able manner the inherent good in the youth of today which is so often overlooked by youth's critics. He also paid a tribute to the parents of today and defended the opinion that the world was in many ways growing better.

To conclude the program, the pastor C. F. Wanz, presented a chalk lecture on "The Biggest Job in The World". Chalk pictures of the various characters, places and types were drawn and this part of the program was closed with a scene portraying Riley's "Old Swimm'n' Hole" with colored lighting effects used to enhance the beauty of the drawing.

The occasion was closed with prayer of dismissal by the Rev. Kirkwood.

ORD HIGH Ord High, if when tempted, I scorn to cheat or tell a lie, If I choose the right to do, It's because I think of you, Ord High, if sometimes I heed Muttered pleas of one in need, And give alms, it is that you Taught me kindly deeds to do, Ord High, if in any test, I've risen to my best, It's because I've tried to be Worthy of your faith in me. Editorial by Evelyn Smith.

Girls' Athletic Association. The High School girls have organized a Girls' Athletic club. The first meeting was held Nov. 4. The purpose of this meeting was to secure members. Eighty-eight girls enrolled by the end of the meeting.

The second meeting was held Nov. 6. The purpose of this meeting was to install officers. Alvina Beran was elected president; Elizabeth Janssen was elected secretary-treasurer.

On Tuesday's classes will be held from 7:30 to 8:00 for folk dancing. On Thursday's classes will be held for soccer or baseball. Hiking, golfing, hygiene, and first aid are given for the purpose of earning extra points towards a letter.

Thirty-five girls went on their first hike on Nov. 13. Miss Hinzda and Miss Baird are sponsoring the club.

Jr. Hi Notes. A New York Herald, printed in 1885, is on display in Miss Hinzda's room. It tells of the death of Abraham Lincoln.

The Jr. Hi enjoyed a show slide Nov. 13. It showed pictures of the statesmen including Columbus the explorer, William Penn the peace-maker, George Washington the patriot, Abraham Lincoln, and Benjamin Franklin.

In Miss Lukes' homeroom they are discussing opportunities of the past and present years. In the seventh grade class they are having fractions.

In the eighth grade they are studying ratio and proportion. The fifth and sixth grade projects for next week will be: Presidents of the United States, past and present and their help to the American Nation.

Pep Club Notes. The Pep Club aroused much enthusiasm out at the gridiron Friday when they performed a clever stunt.

Their costumes were red and white making a very attractive display on the field. They formed the letters O. H. S. and the letter A for the opposing team, Ansley. During the formation of O they gave yells for Ord. After forming A they yelled for Ansley. Then they marched off the field.

The Pep Club received many compliments from both sides in regard to their clever stunt. Ten Reasons Why I Should Swear. 1. It pleases mother so much. 2. It is a fine mark of friendliness. 3. It proves I have self-control. 4. It indicates how clearly my mind operates. 5. It makes my conversation so pleasing to everybody. 6. It leaves no doubt in anyone's mind as to my good breeding. 7. It impresses people that I have more than an ordinary education. 8. It is an unmistakable sign of culture and refinement. 9. It makes me a very desirable personality among women and children in respected society. 10. It is my way of honoring God who said, "Thou shalt not take the name of the Lord thy God in vain." -Exchange.

Home Room Notes. Miss Johnson's home room had an Armistice Program Tuesday morning. One of the features was the reading of "In Flanders Field" by Thelma Palmatier.

Class Room Notes. Miss Johnson's English class has just finished "Silas Marner". There were some very interesting picture notebooks handed in.

Miss Blanchard's American History class are finishing the Revolutionary War and will study the Constitution. Miss Nelson's Senior Literature classes are studying Hawthornes, "House of Seven Gables".

Miss Blanchard's English class now studying Shakespeare will finish next week and then give extemporaneous speeches.

Grade School - Kindergarten Maxine Sorensen had a birthday November the seventh and treated the kindergarten with candy. The children are busy making Thanksgiving posters.

Those that have written their numbers to a hundred are: George Cetak, Jerry Bryzcek, Domon, Clochion, Irene Vincent, Mary Louise Miller, Betty Jane Lambdin, Evelyn Hulbert, Dollie Mae Beehrle, Matilda Clochion, Dudley Hulbert, Betty Rogers, Beverly Davis, Amelias Lola, Cerella Wegryn, and Irene Auble.

They decorated their sand table with Indians and Pilgrims. They are practicing their parts for the Thanksgiving program.

The Health-coolest finishes Monday and the rest of the week gets to do something special. All pupils absent from school on account of Smallpox are back for the first time Wednesday, November 12th.

Last Friday, Miss Campbell took her class on a picnic to study about trees and leaves.

Armistice Day Program. The Armistice day program which was held in the assembly was as follows:

Star Spangled Banner - Entire school. Flag Pledge - Entire school. The meaning of Armistice day, by Rev. Spracklen. Saxophone Solo by Mr. Toenniges.

A color pageant of American Patriots. "How Alan Discovered America." Song, America - Entire school.

The Agricultural Department. The agriculture boys are trying to arrange for a corn-husking contest in the near future. The agronomy class has been practicing judging grain.

The Animal Husbandry students have been judging sheep. Don Marks has finished a sheep feeding bunk. Bennie Dubas is starting on a hog house.

Personals. Miss Hinzda was ill over the week end. The Daddow family were quarantined with smallpox Monday. Lila and Glea Porter have returned to school Monday after having been quarantined for smallpox.

Miss Jeary is going to Seward Friday. The pupils that have been absent for some time are: Evelyn Dumond, Kate Romans, Chester Malolepszy, Mae Paddow, Gladys Stewart, Helma Parks, Jack Romans, Gwendolyn Daddow, Georgia Vaslicek, Willard Ball, Earl Klein, Dorothy Romans.

The teacher's had a professional meeting Thursday night November 13. They discussed the teacher's convention.

Muscle Department. The Glee Club, under the leadership of Miss Bloodgood is memorizing Christmas songs for the program they are to give. The instrumental classes are progressing fine. They are to play for an opera the second week of December.

Mr. Toenniges is becoming better acquainted with his pupils and he is very much pleased on having more pupils in his classes.

Ord Defeated by Ansley. The Ord Gorillas took a 6-0 defeat from the Ansley Clowns last Friday at Bussell Park. When the game opened the Gorillas had the advantage of the wind. The Clowns fought hard to keep the Gorillas from crossing the goal line.

When the quarter ended the ball was near the Clowns goal line, but with the advantage of the wind they got the ball back into midfield. When the half ended, the ball was in midfield. R. Stoltz was injured slightly in the second quarter. In the beginning of the second half, the Gorillas had the favor of the wind. The Gorillas took the ball down the field to the Clowns 10 yd. line where they met a stone wall. Their quarter ended with the Clowns in possession of the ball on their own 15 yd. line. They punt down into the Gorillas territory. The Gorillas took the ball and the Clowns punted to the Gorillas 20 yd. line. The Clowns gained possession of the ball and tried one plunge. This plunge was good for no gain. The second plunge made the required gain and the Clowns made a touchdown. They failed to make the extra point. Thus the game ended 6-0 in favor of the Clowns.

The Lineups. Ord: E. Lashmett RE, O. Hather RT, P. Gregg (C) RG, R. Stoltz LG, C. Hansen LG, J. Ulrich LT, K. McGinnis LE, D. Lashmett RB, M. Dobbish RB, J. Kerr RB, J. Bar nhart HB, J. Garnick FB, C. Foster C, Substitutions: F. Rathbun for R. Stoltz, D. Klein for D. Lashmett, D. Lashmett for D. Klein, M. Dobbish for R. Edmondson.

Officials: K. U. Peterson - Referee, K. M. Parsons - Umpire, O. Graber - Head Linesman. WIT COLUMN. Wilma Slavicek. Please don't get me mixed with Will or Laveda Rogers but to be real frank the only way you can tell us apart is by my 'spilling'.

You know one of our English teachers told us to write letters for English. I wrote to my "uncle". The paper was returned with a large F. S. at the end. "Looks bad," says I as I noticed it. I took the paper back to the teacher and asked her what Post Script she wished to write, and added that my "uncle" would be very glad to hear from her. She gave me a "phony" look and said "that means Poor Spelling."

Girls beware: Mr. Redfern flatly refuses to wash dishes thereby will make a very poor husband. I've noticed Coach is getting rather round 'shouldered. Will some one please ask Miss Bloodgood to quit asking him so many questions.

Mr. Cass: "Okley, please give me the symbol for water." Okley: "H, I, J, K, L, M, N, O." Mr. Cass: "Where did you get that?" Okley: "Well you said H to O."

Faculty Meeting. The faculty of the Ord schools held a meeting, Thursday evening, November 13, to exchange ideas which were received during the Association. Since the teachers attended different conventions, some very interesting reports were given.

Before the meeting Superintendent Bell had placed different sample textbooks from which each teacher selected those that might help her in the classroom. The meeting was then turned into a social hour at which time different games were played. Refreshments were served by Supt. and Mrs. Bell.

Girl Reserve Notes. The Girl Reserve's held a meeting last Wednesday evening at the schoolhouse. The meeting was led by Elizabeth Janssen. The topic discussed was Home Relationship. A special reading was given by Miss Fredericksen.

The Girl Reserves are sponsoring a Dad and Daughter banquet to be held this evening. A large crowd is expected as this is the annual affair.

THE NEW TEXACO

MOTOR OIL

"more than meets the requirements of today's high compression engines," says the

HOCHSTADTER LABORATORIES, INC.

A STUDY of this report reveals a number of interesting facts about this new lubricant. It is definitely shown that the new Texaco Golden Motor Oil has a higher viscosity at high temperatures and a lower viscosity at low temperatures. It is an oil with a flatter viscosity curve, which means greater heat-resisting qualities and a longer-lasting body.

It will hold its lubricating qualities throughout the entire range of engine temperatures with a very low

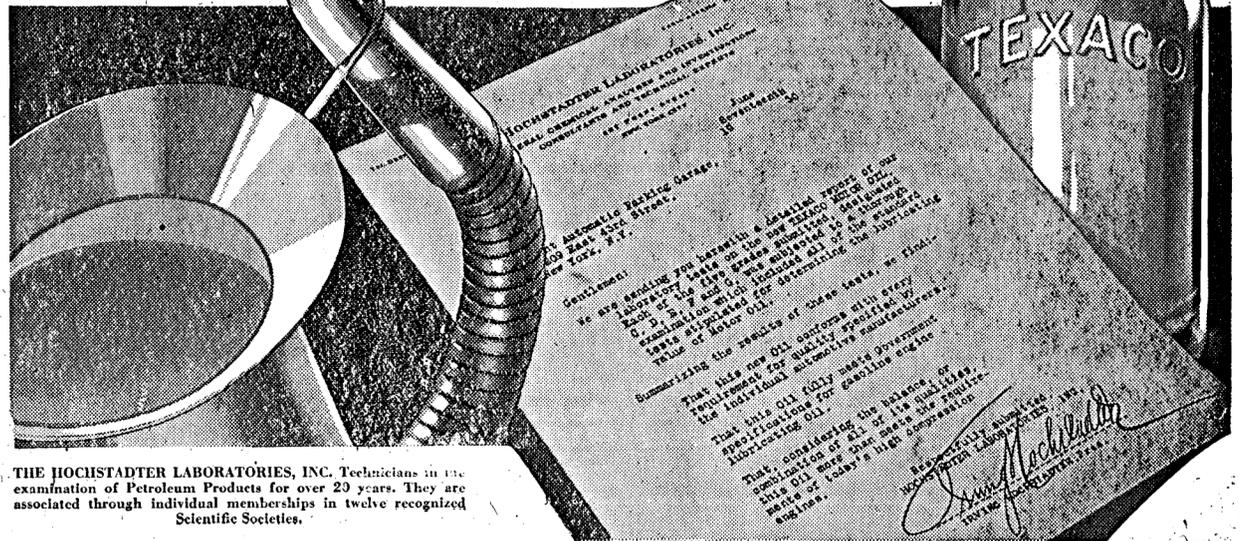

oil consumption. This was substantiated and proved in a nation-wide road test under extremely varied driving conditions in which the thirteen test cars averaged 790 miles to the quart.

The new Texaco is manufactured in 5 grades: C, D, E, F, and G, conforming with Society of Automotive Engineers viscosity gradings. Sold in all of our 48 States under the Texaco Red Star with the Green T. 30¢ a quart (35¢ for Grade G).

MAN AGED 71, GIVES PRAISE TO KONJOLA

Put An End To His Stomach Trouble—Declares He Feels Like A Young Man.

MR. ALLEN W. BURNHAM

"I enjoyed good health all my life until about a year ago when my stomach commenced to bother me," said Mr. Allen W. Burnham, 71, 110 South Washington street, Aberdeen, S. D. "Food did not digest but turned sour, causing gas and heartburn. I tried one medicine that did no good and then my attention was attracted to Konjola. Up to now I have taken three bottles of this medicine. All indications of gas disappeared, my food digests properly and I sleep better than for years. I feel just like a young man. I cheerfully recommend Konjola."
Konjola does work swiftly as this and countless other cases prove, but complete treatment of from six to eight bottles is strongly recommended for best results.
Konjola is sold in Ord, Nebraska at the McLain and Sorensen drug store, and by all the best druggists in all towns throughout this entire section.

Howard Family In Accident.

Fred Howard, editor of the Clay County Sun, and his entire family were injured recently in an auto accident on the highway between Clay Center and Hastings. Four children were very seriously injured and both Mr. and Mrs. Howard, suffered painful hurts. All are recovering. Their car was struck by a car driven by Carl E. Pratt, president of the Hastings Business college, who was returning from a football game at Lawrence, Kas. The sun was in his eyes and he did not see the Howard car, Mr. Pratt explained.

THERE'S HEALTH IN GOOD BREAD!

Good bread is truthfully called "the staff of life" but inferior bread lacks many of the elements that make bread the universal food. For high food value and tastefulness buy Kream-krust, the bread baked right here in Ord. No substitutes are used in it, you get all the goodness in the wheat plus fresh yeast, whole milk and other fine ingredients. It costs no more, food value considered.

News of the Farms!

What's New in Farming!

Good Feeding, Good Breeding Is Motto For Dairy Success

Good feeding is half the production, good breeding is the other half—is the motto of efficient production that has won many honors for the Jersey Home Farm of Ord owned by Ernest S. Coats. He practices what he preaches. "A nonproducer will not produce no matter how well she is fed," declares Coats. He has no confidence in the non-producer and does not make a practice of feeding cows that do not have the capacity of producing butterfat. He says, "A good producer on the other hand cannot be expected to produce if she isn't fed in the right manner."

So in establishing himself as one of the foremost Jersey breeders in Nebraska, Coats went about first to get the right breeding so as to have the capacity to produce. Later he learned how to feed right and produce real results. His herd lead the Valley County Dairy Herd Improvement Association last year in butterfat production.

"Many farmers who are dairymen as well probably have lots of faith in the ration recommended by the dairy publications but personally I prefer to feed what I raise on the farm," he recently told me. Despite the fact that he fed rations that were raised on the farm, his herd was approximately 300 pounds of butterfat higher than the low herd in the Valley County Dairy Herd Improvement Association last year. The Coats herd was nearly 100 pounds higher than the second high herd in the association for the year.

Coats, however, believes the recommended dairy rations are all right for the dairyman who must buy his feed and does not raise it on the farm. He isn't radical against the ration for he sees the value.

Getting a good feed from the start means a lot in dairy production, Coats firmly believes. Coats starts the calf on feed with the object of putting the heifer in the herd in two years, replacing the older cows. The older cows are then sold. Buying better bull calves, Coats builds up his herd all the time.

The Ord man believes in feeding the bull calves the same as his heifers for the first six months. After that time they are removed to the bull pen where they await the coming of a buyer. Coats sells his bulls reasonable and they are making good herd leaders for Valley county men. They do not all, however, remain in Valley county. Many are sold over the state, some even going to surrounding states.

"We are finding that our records are made on sweet clover and rye pasture, alfalfa hay, corn meal and a little bran in the winter time, Coats asserts.

This past summer Coats ran out of corn about the time he was threshing grain. Having plenty of oats and barley he ground the two feeds. They were used until October when the pastures were poor. Then the Ord man fed some ear corn with the oats and barley. By spring though, the dairy cows will probably be back to the old ration of alfalfa, corn meal, and a little bran.

"I believe plenty of good pasture, alfalfa hay, and a liberal feed of home grown grain will permit any farmer to produce butterfat at a profit providing he has a dairy herd that will produce 300 pounds, or more of butterfat annually," Coats says.

It was through the efforts of Ernest that the Valley County Dairy Herd Improvement Association was organized more than a year ago. After being in the association for that time, the Ord dairyman believes it has accomplished things in Valley county.

Before coming into the cow testing association, Coats kept records for seventeen years. He finds, though through experience that the association is the most satisfactory way of keeping accurate accounts. The tester gets things down right and is able to tell farmers what is returning them, actual feed costs, who the good and poor producers are, and helps with the rations.

Family of Two Spends More Than Larger Families

The old theory that two can live as cheap as one in Ord, North Loup, Arcadia, or any other town in Valley county may be nearly pushed into obsolescence as a result of a farm household account results announced today by Miss Muriel Smith, extension agent in home management at the agricultural college.

Miss Smith conducted a household keeping project last year among Nebraska extension club women and released her report today on the project.

Though no reports were kept in Valley county, the results can be applied quite generally over the state.

Her analysis of home accounts showed that the average family of two in the project spent \$1,431.98 during the year for living expenses. The report, however, does not indicate the cost of bachelor living on the farm but the figure would probably be reduced somewhat if there had been any records kept in such a family.

What is probably the average farm family in Valley county and Nebraska today, that of five persons, spent \$1,302.64 for living expenses. This was lower than the amount spent for the family of two. It was explained by Miss Smith that perhaps the family of five bought their food and other necessities cheaper by buying in larger quantities.

Food costs accounted for the largest percentage of money spent in the family of five for the year. The report shows that about half of the food supply was purchased while the other half were farm products raised for home consumption. The average meal in the family of five cost eleven cents while in the average eighteen cents. Nebraska farm women keeping the accounts kept accurate records of the money spent for clothing.

Necessarily the family of seven to nine spent the most as to be expected. The family of five reported on an average that the total clothing cost was \$181.01. Mother and father spent \$89 of the sum, other members of the family expending the remainder.

The family of two paid the most for motor car operation during the year, the average cost being \$166.27. The family of seven to nine reported the lowest figure for car operation, it being but a few cents over forty dollars.

Faulty Ration May Be Cause of Bloat

Valley county cattle feeders being troubled with bloat may find it is caused by some fault of the ration is the opinion of H. J. Gramlich, head of the animal husbandry department at the University of Nebraska. Several complaints have come to him from feeders about the bloat.

Eliminating alfalfa for a while from the ration might help, the ag man recommends to local feeders. He says use of straw and prairie hay and in case sudan grass or cane is available, allowing the cattle to have access to it would help.

Such feed would be non-protein roughage, the college of agriculture man suggests then feeding from one to one and one-half pounds of either cottonseed cake or linseed meal per head daily. There would be but little difference in the choice of the two supplements.

\$5.00 Until December 30

The Quiz is advised by the Omaha Bee-News that until December 30, 1930, the price of that paper, daily and Sunday, will be only \$5.00 per year. There will positively be no extension of that offer after this date, the letter says. The Quiz is authorized to send in your subscriptions.

Harold Schudel Likes Club Work

Harold Schudel of North Loup is one Valley county 4-H club boy who believes club work is great stuff. He has just completed his first year, having been a member of the Barker Pig club which his father, E. O. Schudel, lead.

Besides learning more about correct feeding and desirable types for showings, Harold had a lot of fun in his club work this year.

The club had several ball games and two picnics. The ball team wasn't so strong but, nevertheless Harold avers their nine will be able to battle with other club teams in the county next year.

Other boys and girls in the Barker district have been watching the Barker club all year. Without doubt, the enrollment in the club will increase next year. E. O. Schudel, the leader, is one of the outstanding club leaders in the county.

"It is all worthwhile," says Harold.

For laughing purposes only, see "A Bachelor's Escapade". Not just another "home talent" but a real professional show. 35-11

BACK FORTY

By J. A. Kovanda

The winter season is apt to be hard on watering tanks. Some of them become warped and burst by the action of freezing water; some have holes cut through them by the misdirection of axes used in breaking ice; others are battered up by the livestock which struggles about them in an effort to reach water.

The winter season is yet harder on these farm animals that have to suffer around such tanks; especially the small calves which are unable to reach water, and are sometimes crowded and injured by the older stock.

Everyone will agree that a tank heater becomes a most practical article under such conditions. According to Dick Thompson of Mira Valley, a tank heater which he purchased from A. J. Meyer last winter, paid for itself in a week's time. Mr. Thompson was feeding between 75 and 100 head of cattle at the time, and they consumed over twice as much water after it was heated.

An Iowa farmer, Will Klutz of Chickasaw, tells of a similar experience with dairy cows. He paid \$25 for a heater, and the following month his cows made an average gain in production of 5.5 pounds of butterfat each. The value of this increased production was \$28.34. The equipment paid for itself in one month, and left a sufficient margin of profit to buy the winter's supply of coal.

The Montana State Tuberculosis Sanitarium likewise reports a 20 percent increase in milk production following the installing of a tank heater. From other states come similar tales too numerous to mention. In fact the absence of tank heaters where needed is invariably due to neglect rather

than any doubt about their value. Animals have often been observed to shiver after drinking ice water. Cold water thus used must be warmed to blood heat either before or after the animal drinks it. In the latter case it is done at the expense of a body heat, which is in turn generated by the food the animal eats.

Corn is not a practical fuel to burn in a stove; neither is it economical to burn in a cow, for the purpose of raising the temperature of her drinking water. It is better instead to use some fuel like oil, coal, wood, or cobs in a tank heater.

Miss Atwood Will Tell About Candy

Bringing things for preparation to making candy, extension club leaders at the next meeting in Ord this month will be told how to make different kinds of candy. Miss Florence Atwood of the agricultural college will again be with the Valley county ladies.

She will discuss the proper time to eat sweets, the results and what precautions to take. Miss Atwood believes the December meeting will be one of the most interesting of all since all housewives are now interested in making candy for the Christmas party.

County Agent Dale will notify the local leaders of the exact dates when Miss Atwood will be here for the candy demonstrations.

Barker News

Jack Burrows, Arthella and Donna, Bernice Stewart, Ruby and Everett spent Sunday and Sunday evening visiting at the Chris Brennick home.

Thursday afternoon was Paton's Day at the Barker school. The parents who visited that day were Mrs. Beecher Van Horn, Mrs. M. W. Van Horn, Mrs. L. C. Mulligan, Mrs. E. O. Schudel, Mrs. T. S. Weed, Mrs. Arch Negley, Mrs. S. Martin Watts, Mrs. Frank Psota and Mrs. Boyd Mulligan. They recited their regular every day classes and the high school had a spell down in which the visitors took part but were spelled down by the children. The patrons enjoyed this very much as they were able to see the classes and how they were conducted each day.

The County Superintendent, Miss McClatchey visited the Barker grade room Wednesday afternoon. Mrs. Chas. Brennick visited with her sister, Mrs. Bob Gebauer, near Cotesfield Monday while Charles went down near St. Paul to get a hog.

Merrill Van Horn and Charles Brennick have all their corn out now. Merrill has been picking his with the picker. He had about six acres. He was planning to pick pop corn for T. S. Weed but he tried it Thursday forenoon but couldn't make it work so they had to give it up.

The Neighborly club met Wednesday afternoon with Mrs. Arch Negley. The time was spent in picking quilts after which Mrs. Negley and Mrs. Ross Fortis, the hostesses served a very nice lunch. The next meeting will be with Mrs. Charlie Sayre but the date is not certain.

Mr. and Mrs. George Finch spent Sunday at the T. S. Weed home. Martin Watts is picking corn for L. C. Mulligan. He has two other men picking for him too and they

expect to finish it this week. Mr. and Mrs. T. S. Weed called Monday afternoon at the Chas. Thrasher home to see Mrs. Dewey Eyestone of Waco, who is visiting her parents.

Keith and Mary Watts were absent from school Monday on account of sickness. Mrs. Martin Watts, accompanied by her sister-in-law, Mrs. Clyde Sample went to the Lester Watts home Wednesday. They were tugging comforters.

Cecil Severance and Carl Maxson spent the week end at Carroll Tenney's. The boys snuck corn there last year.

The house at the Spurling place is near completion. The plastering is being done this week.

Mr. and Mrs. Steve Parks were Sunday dinner guests of Mr. and Mrs. Anderson of Scotia. Mr. and Mrs. Will Stine and Mrs. Bud Beebe were there also.

Mr. and Mrs. Joe Karty of Loup City and Mr. and Mrs. J. B. Bernice of Ashton were Sunday dinner and supper guests at the Ign. Pokraka home.

Davis Creek News

Mrs. Walter Cummins entertained the U. B. Ladies Aid society Wednesday. There were thirteen members, seven visitors and thirteen men and children present. All enjoyed the good dinner. Mrs. Esther Collins was added to the membership list. The next meeting will be with Mrs. Walter Lunney in Ord, Nov. 26.

Mrs. Geo. E. Johnson was a dinner guest at Charley Johnson's Friday and Walter Johnson visited his sister, Mrs. Geo. Sample, while Mr. Johnson was attending to business matters out this way.

Mrs. Jess Waller and Mrs. Alta Waller were dinner guests at Delta Manchester's Thursday. John Palsler went to the Astimus ranch Friday to get one of their purebred Duroc boars.

Wednesday was Cowin Cummins and Muriel Knapp's birthdays so Everett Knapp and family and Mr. and Mrs. Clifford Collins enjoyed supper at Bert Cummins to cele-

brate the occasion. Friday evening about thirty-eight young people came in and gave Cowin a big surprise. Rook was played for entertainment. Refreshments were served by Mrs. Cummins.

Mrs. Merma Athey entertained the M. E. Ladies Aid society Wednesday. There were twenty present for dinner. Each lady took her own work. Mr. Schwabauer helped Mr. Athey pick corn in the afternoon and Mr. Athey wondered why he hadn't entered the husking contest.

Monday evening when the Beushausen sisters were on their way from Loup City to North Loup to attend a C. E. Convention, they ran into a cow at the Will Egloff place, breaking two of the animal's legs.

Mr. and Mrs. Jasper Wheatcraft and son Frank were dinner guests at Harry Waller's Sunday and supper guests at John Williams. Jasper began husking corn for Alfred Jorgensen Monday.

Paul White drives a Dodge Sedan car, having purchased it last Thursday at Scotia.

Mr. and Mrs. Arthur Collins had for their Sunday guests, Mr. and Mrs. Chas. Collins and Doyle, Mr. and Mrs. Emil Beushausen, of Loup City, Mrs. Belle, Mrs. Ivan Canedy, and Mr. and Mrs. Clifford Collins.

Rev. and Mrs. Spracklen, Rev. and Mrs. Wanz and James and Wanda enjoyed a hunt Monday afternoon at the John Williams' and were supper guests there also.

Card of Thanks.

To all those neighbors and friends who brought sympathy and kindness to aid us in our sorrow we extend our most sincere thanks. Mr. and Mrs. J. J. Novosad and family. Mr. and Mrs. E. F. Babka and family. Mr. and Mrs. Mark Overton and family.

The Popular Corn Sheller for Individual Use

Thorough shelling for years to come... well cleaned corn in big volume with less power... that's what you can depend upon when you buy a John Deere No. 5 Cylinder Corn Sheller.

You can shell with the No. 5 regardless of conditions. The adjustable shelling cage makes it possible to adapt the sheller to the corn.

Greater cleaning area combined with the shuck separator insures well cleaned corn with husk and dirt delivered well away from the sheller. Cobs and husks are left in good condition.

You can operate the No. 5 Sheller with an 8- to 10-H.P. tractor. It will shell from 100 to 150 bushels per hour in husked corn and from 25 to 50 bushels in snapped corn. A small crew can do good work with this sheller.

See us now about your corn shelling requirements. Choose from our complete line of John Deere Shellers.

Noll Seed Co. NEWS

We unloaded another car of feed and flour a few days ago. Have you tried our White Elephant flour? Many of our customers tell us it is by far the best flour sold in Ord. It cost a little more than the cheap flours but more loaves of bread are baked out of a bag of it.

Fred Meyers of Burwell was down and got 5 bags of Laying Mash and a ton of Bon-o-Fat.

Pete Walkowiak of Scotia was up and got a 100 pound bag of Calf Meal.

Everett Hoisington of Mira Valley is one of our new calf meal customers.

Royal Hughes of Arcadia was over again and got two bags of Laying Mash.

This is the time of year to get your hens in condition so they will lay all winter. Feed them properly and they will give a good account of themselves.

Come in and let us talk feeds with you. Remember when you buy feeds that are sold by an agent driving the country that you pay his salary.

ALLEN IS PANIC IN SHOW GIVEN HERE THIS WEEK

Bank Cashier Makes Hit As Irish Gardener in "A Bachelor's Escapade" Monday, Tuesday.

Two Good Crowds

Catholic Organizations Realize Nice Profit; Punochar, Miss Zulkoski, Blessing Good.

Before a well filled house Monday and Tuesday the Catholic Ladies and Knights of Columbus presented their clever farce comedy, "A Bachelor's Escapade." The first appearance of this show in Ord was greeted with roars of laughter when an appreciative audience enjoyed the antics of red headed Jenny Maloney, more commonly known as John Allen, sedate cashier at the State Bank of Ord. Esther Zulkoski cleverly portrayed the man-chasing old maid, and her best friend wouldn't have known her. Dr. Blessing carried off the part of the aged deacon with his usual verve and aplomb, and little Miss Lillian Kokes made a lovable Betty, pert and bright.

The many beautifully dressed choruses brought life and gaiety to the performance, and unearthed some unexpected talent locally. Especially good was the tap dance given between the first and second acts by Wilhelmina Janssen, Evelyn Barta, and Leota Auble. Presented in overalls, John Allen proved to have a nice voice, and helped his chorus of shamrock gowning girls by one last terribly high kick that was unusually graceful. John also made a nose dive onto the Monday night parade, and a dive into the water. His black velvet pancake hat with chin strap and red rose trim is sure to set the style here this winter.

Joe Punochar made a fine hero; the audience liked him. Esther Zulkoski brought in the laughs at every opportunity, and her solo, "Heaven will protect the working girl" with its tale of villainous demi-tasses went over plenty. Those in the choruses deserve mention for their dancing. They were: Clara Gilzinski, Clara Augustyn, Zola Barta, Viola Flynn, Evelyn Cooke, Florence Kokes, Irene Elkund, Ellamae Smith, Irma Kokes, Thelma Palmater, Evelyn Abernethy, Wilhelmina Janssen, Dorothy Harris, Iolamae Williams, Helen Worden, Virginia VanDecar, Myrtle Benson, Glea Porter, Leota Auble, Evelyn Flynn, Myrtle Benson, Geraldine Beeghly, Alice Parkos, Gwendolyn Hughes, Jessamine Meyers, Audrey Mella.

Bridge Lessons Start This Week

A series of bridge lessons by Wynne Ferguson, internationally known authority on auction and contract bridge, start in the Quiz this week. The first lesson will be found on page three. Both the beginner and the expert will find much of interest and benefit in these lessons which will continue in the Quiz for the next six months.

May Have Polymyolitis. Barbara Jane, 5-months-old daughter of Mr. and Mrs. John Anderson, may have polymyolitis. Health authorities are not sure she has the disease but to play safe the house was quarantined Monday. The infant has had the ailment in a very mild form if at all and is almost recovered. Dr. C. C. Shepard, city physician, says other parents have little cause for alarm as Barbara Jane is probably past the period when the disease can be communicated and no other cases have been reported. Dr. Lee C. Nay has been attending the baby.

Anderson Has Narrow Escape. W. A. Anderson had a narrow escape from serious injury Tuesday morning when, as he was passing the new school building, the tall flagpole was blown over by the high wind and fell across the side walk a few feet in front of him. He was not hurt.

Degree of Honor Head. Mrs. Cecil Clark was elected president of the Degree of Honor at its last meeting. Officers will not be installed until January. There will be a covered dish luncheon at the next meeting.

Misses Marie Hall and Maudie Jackman are giving a bridge party in the near future in the home of Mrs. Keith Lewis.

Mrs. Wilbur Dies At Soldiers Home In Grand Island

Mrs. May Wilbur, 86, mother of Mrs. H. D. Rogers and J. D. Wilbur, of Ord, passed away last Saturday at the Soldiers Home at Burkett. She had been ill but a short time. Funeral services were held Monday at Litchfield, her old home.

Deceased was born in Scotland, Feb. 16, 1844. In 1847 she came to this country with her parents, Mr. and Mrs. Peter Dunn, but her mother died on the voyage over and was buried at sea.

At Marshalltown, Ia., on Oct. 11, 1864 she was married to Ward J. Wilbur and for many years they lived at Litchfield, Nebr., where Mr. Wilbur died March 11, 1928. Two children are left to mourn, Mrs. Rogers and J. D. Wilbur, both of whom live here. Other relatives surviving include a brother, Duncan Dunn, Ottawa, Ia., and several grandchildren.

Mrs. Wilbur spent several summers in Ord and had many friends here. She had considerable trouble with her eyes but otherwise appeared in excellent health on the occasion of her last visit to Ord last summer. She was a member of the Ord Presbyterian church.

MRS. CAPRON WOULD BREAK MOTHER'S WILL

Charges Undue Influence of Mrs. Wentworth Caused Mother To Cut Her Off With \$10.

Charging that undue influence of a sister, Mrs. Margaret Wentworth, caused her mother, Mrs. Sarah L. Ramsey, to cut her off with but \$10 in her will, Mrs. J. H. Capron is objecting to the probate of the will in an action filed in county court Monday by her attorney, Bert M. Hardenbrook. Mrs. Ramsey's will left equal parts of a \$35,000 estate to six of her children while bequeathing her other child, Mrs. Capron, only \$10.

Mrs. Ramsey died some months ago and at first it was supposed that she had died intestate as a will could not be found. The estate was probated on this assumption and the property was partly distributed among the seven heirs when the will came to light. Mrs. Wentworth who was named as executrix, immediately started action through Florence Kokes, Munn and Norman, to re-probate the estate. The Capron brief filed Monday alleges that at the time the will was executed and for some time before and afterward, Mrs. Ramsey was subject to undue influence and control exerted over her by Mrs. Wentworth, with whom she made her home. The latter made false and fraudulent representations regarding Mrs. Capron and her husband, the brief alleges, and so influenced and controlled Mrs. Ramsey's mind that she believed these statements to be true.

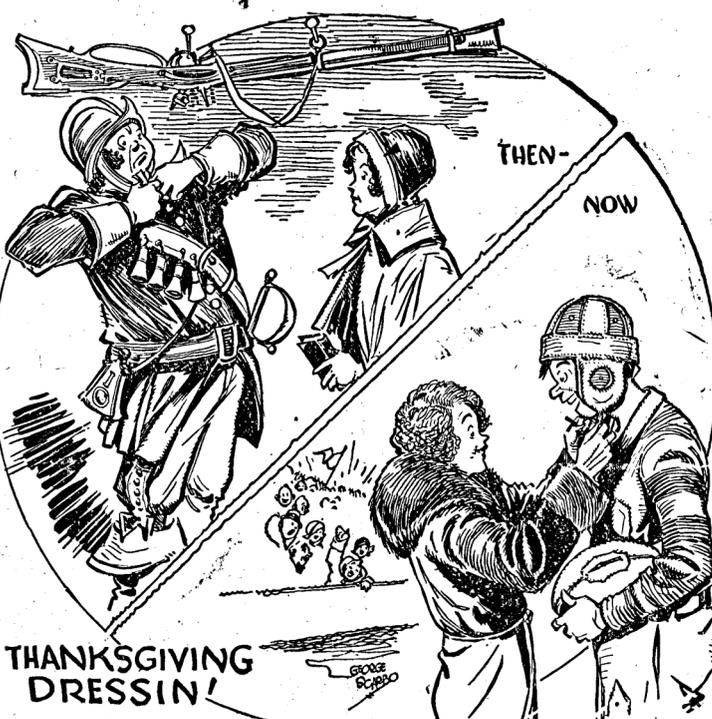

For months Mrs. Ramsey was kept as virtually a prisoner by Mrs. Wentworth, who would not permit any conversation between Mrs. Capron and her mother unless she, Mrs. Wentworth, was present, the brief goes on to say.

After the death of Mrs. Ramsey's husband, William H. H. Ramsey, J. H. Capron was administrator of his estate and Mrs. Wentworth told the widow that he was misappropriating funds from the estate, it is charged. By these and other statements equally false she induced Mrs. Ramsey to leave Mrs. Capron only \$10 when she drew her will, it is alleged. The brief also charged that the Ramsey will was not executed as required by law, was not properly attested and was filed too late. It also charged that at the time Mrs. Ramsey drew the will she was not, through old age and infirmity, of sufficient mental capacity to make a will.

Bank Robber Is Caught at Greeley

Carl Rose, who confessed to a share in robbing a bank at Hiawatha, Kas., early in October, was arrested last week at Greeley, where he was working on a farm. Chester Moore, killed at Omaha last week after slaying a detective, and "Shorty" Gore, now under arrest in Omaha, also were concerned in the robbery, Rose said. The three secured \$2,000 in cash and a number of travelers checks in the hold-up.

Crosby Has Operation. In the Ord hospital Monday Marion Crosby submitted to an operation on one of his legs. In August he fell and hurt the leg and it never had healed. Monday an incision was made and the bone was scraped and it is expected that Mr. Crosby will recover nicely. Dr. C. J. Miller performed the operation.

Lafe Paist Freed From Penitentiary

Having served nearly three years of a 1 to 2 year sentence for appropriating county funds, while serving as treasurer of Valley county, Lafe Paist was released Tuesday from the penitentiary at Lincoln. He was given an unconditional pardon.

On March 1, 1928, Mr. Paist pleaded guilty in county court here to unlawfully using county money. His plea followed the discovery by auditors that he was short about \$8,500 in his accounts. Judge Bayard H. Paine sentenced him to serve from 1 to 21 years at the state prison. Ever since the minimum term was served, friends have been working for his release. The Quiz is informed that Mr. Paist has a position as bookkeeper for a stock food company in Grand Island and has already joined Mrs. Paist in that city.

Masquerade Ball Is Turkey Day Feature

The annual masquerade ball sponsored by the Z. C. B. J. lodge will be a feature of Thanksgiving day here. The dance is to be held Thursday evening at the Bohemian hall and prizes will be awarded to the best costumed man and woman. Good music is promised and the committee in charge extends a cordial invitation to the public to attend.

Has Birthday Party.

Mrs. A. J. Ferguson was hostess to 35 little boys and girls Saturday afternoon at the American Legion hall in honor of the ninth birthday of her little daughter Jane. Games passed the afternoon pleasantly until about four thirty when dainty refreshments were served.

Thanksgiving Praise Service.

More than sixty ladies attended a Thanksgiving praise service last Wednesday afternoon in the Presbyterian church parlors. A jolly hour of music is promised and the program preceded the program, which consisted of a praise service shared in by all present. Two lovely solos by Miss Elva Bloodgood and a playlet, "Farming Eden," by the Misses Marlan Cushing and Leota Crosby, received hearty applause. An enjoyable lunch was served. More than \$20 was received in a voluntary thanks offering.

Robbery Suspects Released.

An itinerant family named Clayton, who had been held in jail here as suspects in the North Loup store robbery, were released by local authorities when word came that the robbers had been arrested in Lincoln. The Clayton family, which consisted of three men, a woman and a child, have an unenviable reputation throughout eastern Nebraska but Sheriff Round was unable to connect them with any wrong-doing here.

Merrill Elroy Hughes has returned home from Hillcrest but has not been able to sit up. He is recovering from a severe appendix operation.

Mr. and Mrs. Dan Marks of Sargent will be in Ord today as guests in the home of Dan's parents, Mr. and Mrs. Henry Marks. Their guests will be Mr. and Mrs. Sam Marks and son Bobbie. Miss Ellamae Marks will come from Lincoln for the Thanksgiving Day dinner.

OMAHA BISHOP DEDICATES NEW ARCADIA CHURCH

Structure Built By Methodists Fittingly Opened Sunday; Church Cleared of Debt.

Arcadia, Neb., Nov. 25.—(Special)—Dedicatory services for the new Methodist church here opened Sunday morning when Bishop Frederick D. Leete, Omaha, preached a powerful sermon taking as his text 2nd Corinthians, 9th chapter, 8th verse: "And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work." Bishop Leete's sermon followed an anthem by the choir and the reading of the scripture lesson by the local pastor, Rev. R. O. Gaither.

The new church cost \$26,000, most of which was pledged last summer, but a balance of \$5,707.60 remained to be raised so at the close of Bishop Leete's sermon a plea for funds was made. Dr. Harry E. Hess, of Kearney, district superintendent, had charge of the soliciting, assisted by Bishop Leete, Rev. Gaither and the church ushers.

Liberal donations were made but only half of the amount needed was secured on the first call. M. L. Fries, who has been greatly interested in the erection of the new church, then made a touching appeal to members of the congregation, beseeching them to free the church of debt before it was dedicated. He generously offered to donate \$1,400 of the amount needed provided the congregation would complete the subscription. Mr. Fries' offer was gratefully received and in a short time pledges had been made freeing the church of debt.

Bishop Leete then conducted short dedicatory services, at which time Ray Lutz, as spokesman for the trustees, offered the building for dedication. The meeting closed with a prayer by Dr. Hess after which dinner was served in the church basement to more than 250 people.

An afternoon meeting was held and Dr. Hess introduced as speakers Bishop Leete, M. L. Fries, J. C. Bowell, of Grand Island, and Oscar Altmquist, of Central City, architect and contractor for the new structure. An evening service also was held and Dr. Hess delivered a forceful sermon on "The Thanksgiving of Jesus."

The program Monday evening was to have been given by the four Gaither brothers but a last minute change was made when Lyle Gaither, of Edgewater, Colo., was unable to come. Rev. Hendrickson of Berwyn, a former Arcadia pastor, occupied the pulpit and brought a fine message. Two selections by three of the Gaither brothers, Ernest, of Shickley, John of Elk Creek, and Roy, of Arcadia, then were presented. These were followed by a number by Rev. and Mrs. Ernest Gaither and Rev. and Mrs. R. O. Gaither. Later Rev. Hendrickson favored with two vocal selections, one of them his own composition by Able Bros., of Ord, a Thanksgiving service and a sacred cantata by the Arcadia choir.

Miss Muriel Weekes Becomes Bride Of Robert Oliver Today

On Thanksgiving day at the home of her mother, Mrs. Ella Marie Weekes, in Tekamah, Miss Muriel Weekes becomes the bride of Robert Oliver of Omaha. Miss Muriel Weekes is the daughter of Dr. Chas. W. Weekes of this city and is a graduate of the Ord schools, later attending the state university for a time. Mr. Oliver is a relative of the A. W. Tunnick family and is well known here. The bride's father and other Ord relatives and friends are in Tekamah attending the ceremony.

Fred Zlomke's Hand Is Badly Mangled

Fred Zlomke, who manages the McCarty ranch at Summit suffered severe injury to his right hand Thursday when it was caught in an engine with which he was grinding feed. He reached in to drain the radiator when his sleeve was caught by the shaft. His hand was badly mangled. Jesse Whiting, a neighbor, took him to Ord where the doctor found it necessary to take several stitches.

Entertains Rotarians.

Miss Gladys Hewitt, who was in Ord directing a home talent play, entertained Rotarians with two enjoyable readings at their luncheon Monday. She was a guest of the L. Vogelzanz. Another feature of the weekly luncheon was the presentation to Carl Dale of a gift for his new son, Douglas Robert. Dr. F. L. Blessing was another guest Monday.

Melvin Hackel Severs Ankle Joint With Axe

While chopping wood at the home of Miss Ella Bond Tuesday evening, Melvin Hackel was the victim of a painful accident when the axe slipped and severed the joint of his ankle. The sharp blade hit through one bone of the joint, also severing the tendons. Dr. Kirby McGraw was summoned and Melvin was taken to Hillcrest hospital where his injury was cared for. Dr. McGraw says that the bones were knit together but that Melvin will probably have a stiff ankle after his recovery. He is a son of Frank Hackel and has been attending school in Ord.

Leroy Hulbert Recovering.

Leroy Hulbert of Arcadia, who last week underwent an operation for the removal of his right arm after it was crushed and mangled in a corn picker, is reported to be recovering nicely at the St. Francis hospital, Grand Island, where the operation was performed.

Tuesday Night Coldest

The coldest weather of the fall was reported here early Wednesday morning when the thermometer dropped to 14 degrees above zero. The record drop followed several days of strong northwest winds. Weather predictions are for warmer weather.

Included are an address by Rev. G. A. Randall of Scotia, an entertainment by Able Bros., of Ord, a Thanksgiving service and a sacred cantata by the Arcadia choir.

Knights of Pythias Enjoy Fine Banquet

Though bad roads prevented Knights of Pythias from other towns attending, members of the local lodge enjoyed a fine banquet and meeting at Castle Hall Monday evening. The meeting was a district affair but delegates from Loup City, Comstock, Greeley, Ravenna and Broken Bow failed to arrive. About eighty local members attended.

A splendid three-course dinner was prepared and served by the local Pythian Sisters, after which Toastmaster C. C. Dale took charge of the meeting. Irl D. Tolen spoke on "Good of the Order," Horace M. Davis of Lincoln gave "Reminiscences" and George A. Munn spoke on "Friendship." All of the toasts were heartily enjoyed.

Second degree work by officers of the Ord lodge followed the banquet, two candidates being initiated.

CHAMPION CROPS TEAM LEAVE FOR CHICAGO NOV. 29

Valley County 4-H Boys Join Others in Omaha; Judge Monday; Home Friday.

Members of the state championship Valley county 4-H club crops judging team and County Agent Dale are expected to join the Nebraska club delegation in Omaha Saturday on their way to the National club Congress held in Chicago next week. Bill Garnick, Harold Benn and Anthony Kokes are on the team.

State championship judging teams such as the crops team from Valley county, individual champions, and railroad trip winners are to meet in Omaha Saturday evening where they will have supper. Mr. Diers, author of the song, "My Nebraska," will meet with the club delegation and teach them some of the Nebraska songs.

The Nebraska 4-H club group leave the same evening at 7:40 p. m. for Chicago, arriving at the windy city early the next morning. Headquarters while in Chicago are to be at the La Salle hotel. Members of the Valley county team or County Agent Dale can be reached at the hotel up until 8:00 Thursday evening when the delegation leaves on their return trip to Nebraska. The Valley county boys will return to Ord some time Friday evening, it is expected.

The Valley county boys will compete against other state champion club crops judging teams on Monday for high national honors. The judging will probably take all day since a great variety of classes are to be judged. L. F. Frisbie, Nebraska club leader, will have charge of the crops judging contest.

Local people will remember that the three Ord boys won the state crops judging title at the state fair at Lincoln last fall. Entering as a dark horse in strong competition, they copied the state championship with Boone county ranking second. It was the first time a Valley county club team had ever won a state championship. Harold Benn ranked second as an individual at the state fair contest and received a silver medal for placing so high.

In preparation for the national contest at Chicago, the boys have been practicing here and at the agricultural college, Lincoln. Two weeks ago, Paul Stewart, extension agronomist, helped the boys with various classes at the college. He believes they have a chance to win the national crops judging championship.

County Agent Dale who has coached the winning Valley county team believes the local lads will give a good account of themselves at Chicago. He says, "We hope to win the national crown and bring honor to Valley county. If we don't win or are not near the top, I shall be disappointed."

Storm Plays Havoc With Phone Lines

The sleet and snow storm last week played havoc with telephone communication in Valley and Garfield counties and in fact throughout the state. Farm lines were broken down by the weight of ice and many business and residence sections in Ord were without telephone service for a day or two. Linemen were busy but could not be in all places at once and they are still busy repairing the damage done by the storm.

Gordon Sorensen Recovering.

Gordon, 2-year-old son of Mr. and Mrs. Carl Sorensen, is recovering nicely from burns he received last week when he fell into a boiler of hot water. The burns were not as serious as was at first supposed and Gordon can now walk around the house.

The Degree of Honor are receding a school on instruction on Dec. 12 in Grand Island. A few from Ord may go down.

TWELVE THEFTS CLEARED UP BY ARREST OF TWO

Men Who Robbed Stores At North Loup and Arcadia Caught In Lincoln.

Loot Recovered

Todd, Baxler, One an Ex-Convict, Are Picked Up With Car Filled With Stolen Goods.

Twelve robberies, eleven of which occurred in Valley county, have been cleared up last Saturday night with the arrest at Lincoln of John E. Todd, 36, and W. M. Baxler, 31, with an Essex car containing loot stolen from stores at North Loup and Arcadia. Within a day or two Todd and Baxler will be arraigned here on a charge of breaking and entering, with a supplementary charge of possessing stolen property.

Captain of Police Olson and Detective Towle, both of the Lincoln police force, made the arrest Saturday evening, and the two robbers were held for Sheriff George Rowland of Valley county, who went down Sunday with Deputy Sheriff Kern and brought Todd and Baxler to Ord. They are now held in the county jail here.

The first of the series of robberies attributed to the two prisoners occurred November 2 at Arcadia when the Clyde Baird garage and the Waterbury Mercantile Co. store were broken into and goods taken. Two private parties were also broken into the same night.

On November 17 North Loup place, the Knapp store, the Crandall and Sheldon filling stations and the Jones lumber yard, were entered and goods and money were stolen.

Last Friday evening, November 21, the Sheldon and Crandall filling stations and the Knapp store were again visited. Sheriff Round believes that a safe in the Knapp store inspired this second visit. The safe contained \$400 in currency but the robbers succeeded only in breaking through the dial and damaging the inner door, and did not get the money.

On the same night Jack Maddox' garage in Scotia was broken into and his car was stripped. The thieves removed the garage door from its hinges in making their entrance.

Most of the loot taken at North Loup was found in the possession of Todd and Baxler and part of the property stolen at Arcadia and Scotia also was recovered. That the two contained an explosive having been proved by the fact that a number of shotguns stolen from the Knapp store and found in their possession were fully loaded and ready for action.

Baxler, youngest of the two prisoners, an ex-convict, having served one term in the Colorado and two terms in the Nebraska penitentiaries. Police have no record of Todd and he is believed to have come here recently from Texas as he drove a car with license plates from that state.

A summary of the thefts attributed to this pair, together with a list of the goods recovered, follows: Nov. 2, Waterbury Mercantile company, Arcadia, clothing, cigars and \$15 cash stolen. Total value of loss \$400. Cigarettes recovered.

Nov. 2, Baird garage, Arcadia, four tires and money stolen. Total value of loss \$75. Two tires recovered (identification not possible).

Nov. 2, car in private garage, belonging to Jack Brown, Arcadia, completely stripped, license plates and food recovered.

Nov. 2, Fred White, Arcadia, sheepskin coat stolen. Recovered.

Nov. 17, A. T. Jones Lumber company, North Loup, place ransacked, eleven cents stolen.

Nov. 17, Sheldon Oil station, North Loup, \$8 in cash, accessories, including valve cores, stolen. Valve cores recovered.

Nov. 17, Knapp Brothers Hardware store, North Loup, six guns, pocket knives, flashlights, batteries, shells, clocks stolen. Total value of loss \$150. One gun, clock, batteries recovered.

ORD SOCIAL NEWS

Madams G. W. Coltripp, J. G. Hastings and Guy Burrows, of the Presbyterian church, spent Friday afternoon in the home of the latter planning costumes for the children who put on a Thanksgiving program "Heart Pictures in the Lighted Fireplace," at the church Sunday.

Merrymix club met Thursday in the home of Mrs. J. M. Beeghly. Mrs. Florence Chapman was hostess assisted by Madams Beeghly, Guy Burrows and Ida Klina. Plans were made for Christmas parties. The first one will be in the home of Mrs. Jack Brown when Christmas gifts will be exchanged. On December 23rd will be the big Christmas party when the ladies will entertain their husbands. They will gather in the home of Mr. and Mrs. Dan Needham.

Royal Neighbors were in session Friday evening. Plans were made for the exchange of gifts at their December meeting which will be on the 15th. Officers will be elected at the meeting and a covered dish luncheon will be served. At the business meeting Friday evening Mrs. Vera Thorne and Mrs. James McCall served a most delicious luncheon.

U. B. ladies had a good bake sale Saturday in the Jerry Hlavacek meat market. They disposed of nearly all their baked goods. The ladies did not hold their regular meeting last Wednesday, on account of the rain.

The Danish Lutheran ladies had a good sale Saturday in Anderson's store. The hot coffee and lunch was in demand. They sold considerable baked goods and most of their fancy work.

The O. O. S. have postponed their meeting for one week, as Thanksgiving Day occurs on their regular club party Monday evening. Madams Rudolph Koupal and H. G. Frey will be hostesses.

The Sunday World Herald had a good picture of Miss Muriel Weekes of Tekamah and an announcement of her marriage to Robert Oliver of Omaha. The wedding will take place today at the home of the bride's mother in Tekamah.

In spite of the bad weather the Presbyterian Missionary society entertained about seventy-five visitors last Wednesday afternoon in the church home. Guests were the church ladies and a few invited friends. There was a good program. Misses Marion Grace Cushing and Leota Crosby gave a short play entitled "Farming the Garden of Eden."

Madams Clyde Baker and Albert Albers entertained the Ever Busy club at a kensington Thursday afternoon in the Baker home. It was not a pleasant day and only half of the club members were in attendance. The next meeting will be the lesson in the country home of Mrs. A. J. Ferris.

The S. D. G. club are holding their next meeting in the country home of Mr. and Mrs. N. C. Christensen.

Friday evening there was a surprise birthday party honoring Mrs. Will Cohen. Relatives and neighbors gathered in the home of Mrs.

Will She Be Second Lady of the Land?

Once a cowgirl, Mrs. Etta Garner, above, wife of Congressman Jack Garner of Texas, may vie for the honor of being "Second Lady of the Land" if her husband is elected speaker of the House of Representatives. It has been contended by some that Mrs. Dolby Gann, sister of Vice President Curtis, is not officially entitled to this honor, as she is not his wife and that next in line is the speaker's wife. Mrs. Garner, however, is not ambitious socially.

Cohen's parents, Mr. and Mrs. Bert Lemaster and then summoned Mrs. Cohen. She received some nice gifts. A covered dish luncheon had been brought in by the visitors.

Misses Anna Mortensen and Hazel Ralsbach, who teach in district 45, Haskell Creek and the people who live in that neighborhood, enjoyed a box supper and program Friday evening.

Mr. and Mrs. George Finch and Mr. and Mrs. Clyde Baker attended a club party Monday evening in North Loup. The party was in the home of Mr. and Mrs. Clifford Hawkes.

Miss Clara McClatchey plans on enjoying Thanksgiving Day in the country home of her sister, Mrs. Wesley Miska and family. If the weather stays good relatives from Lincoln and York will be there.

Madams George Work and Warren Miller are contest leaders of the Philathea class of the Presbyterian Sunday school. They are succeeding in promoting a good deal of class enthusiasm. Every Sunday sees more new and very welcome faces in their places in the class as a result of the "Work-on Contest," which was planned by the members of this class at their last social and business meeting. Mrs. Charley Goodhand is teacher of this class.

Happy Hour club met Thursday afternoon with Mrs. Matt Parkos. Mrs. Frank Kraulik will be the next hostess.

Friday afternoon D. D. O. club met with Mrs. R. C. Bailey. Mrs. James Misko will be the next hostess.

Jolliet club met Saturday with Mrs. F. A. Barto. Friday Mrs. F. A. Barto was hostess to the Junior Matrons. Guests were Madams Pete Tolson, M. D. Bell, Rudolph Koupal, E. C.

Leggett, W. L. McNutt and Keith Lewis.

Mr. and Mrs. Clarence Davis entertained the Tuesday Evening Bridge club. Mrs. Edwin Clements entertained several relatives Sunday at dinner. Judge and Mrs. E. P. Clements, Mr. and Mrs. Earl Blessing and son, Dr. and Mrs. F. L. Blessing and daughter and Alvin Blessing.

Mrs. P. L. Blessing will be the next hostess to the Junior Matrons. Mr. and Mrs. Fred Cohen entertained several guests Sunday at dinner. Mr. and Mrs. Gerald Cohen and Melvin Ziomke, St. Paul, Mr. and Mrs. Wright, Burwell, Harold Nelson, Mr. and Mrs. Elmer Ziomke, Mr. and Mrs. Bill Cohen and Mr. and Mrs. Wm. Carlton.

Mrs. L. D. Milliken entertained the So and Sew club Thursday at a one o'clock luncheon, honoring Mr. Milliken's mother, Mrs. James Milliken of Fremont who is here on a visit. Other guests were Madams H. B. VanDecar, G. W. Taylor and A. W. Cornell. The club is not meeting today as it is Thanksgiving Day.

Twice As Many Colored Comics In Lincoln Journal

The Lincoln Morning Journal gives later news than any other Lincoln daily and as late news as any Omaha paper, since the Lincoln Journals are rushed by auto to Fremont and put on the same early morning Union Pacific train that the Omaha papers use.

The Journal is the only Lincoln daily printing regularly after 5 p. m. They print and edit right up until train time day and night. The Morning Journal comes in time for morning town and rural mail delivery on the same day. Town subscribers may have the noon Journal as early as 5:37 p. m. Burlington.

The Lincoln Journal gives unexcelled service on a morning newspaper, edited 100% for Nebraska. All of the other big Nebraska dailies are printed on the Iowa line and edit for Iowa readers also. The Lincoln Journal has added another colored comic section, giving "The Captain and the Kids", "Reg'lar Fellers", "Hairbreadth Harry", and "Talispin Tommy." Other features recently added are "Calvin Coolidge," \$200,000 a year feat, "Chic Sale," "Oz Black," "Toonerville Folks," colored comic, "Eleanor Gunn" Fairchild fashions, "Complete Sunday story," and "Grantland Rice."

For one dollar The Lincoln Journal will send you a trial subscription of a whole year may be had for \$4 daily, \$6 with Sunday. This is very reasonable compared to prices charged by other dailies and considering the superior service the Lincoln Journal gives. Don't give money to strangers, order direct or thru our office.

Christian Science Society. There will be special Thanksgiving services, Thursday, November 27, 1930 at 11 o'clock A. M. Sunday services at which the subject of the lesson-sermon will be "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced," will be held at 11 o'clock, November 30, 1930 in the Church rooms. Sunday school services are held at 10:00 A. M.

Ord Methodist Church.

The principal thing on the program this week is the community Thanksgiving service to be held in our church on Thursday evening. You will want to go somewhere after the feasting of the day. Why not go to church? The Rev. Mr. McCarthy pastor of the Christian church will preach the sermon.

The Sunday school attendance was well sustained last Sunday—202 were present. Plan to be in your place next Sunday. The minister's morning sermon will interest you. It is on the yes-no attitude and the need for conviction and stability in our private and public life. The evening sermon is the third in a series of book sermons on Victor Hugo's story of Jean Val Jean.

You will get the most out of your church life by being regular at the services of worship. W. H. Wright

Presbyterian Church. The regular morning Sunday school will be held at 9:45 o'clock and at 11 o'clock the Rev. Mr. Condit, of the theological seminary at Omaha, will have charge of the communion service. All church members and friends are invited to this service. We extend a cordial invitation to you to attend our services.

Notice to Everybody.

The Farm Central Mutual Insurance Co., of Hastings, has decided to go out of business, and has arranged to have its policy holders protected by the Farmers Mutual Insurance Company of Nebraska at Lincoln. Details of the plan have been mailed to all Farm Central policy holders, and a meeting of its members has been called for December 10th, at Hastings, to ratify the arrangement. Bring your Farm Central policies, and we will attend to the transfers, having been authorized to do so by the Farmers Mutual, which we represent in Valley county. The Farmers Mutual is 39 years old, and has accumulated a surplus fund of \$1,100,000 for the protection of its policy holders, and writes "perpetual policies," costing only twenty-five cents per \$100 per year, after the first.

Worsteds Relieve Monotony of Furs

COATS OF RIBBED OR NUBBED MATERIALS, FASHIONABLE FOR STREET WEAR THIS WINTER, LEND THEMSELVES TO ORIGINAL EFFECTS

BY HARRIET

ROUGH materials make the finest street clothes for winter. There is a tremendous vogue of nobby, ribbed, lined and cross-barred worsteds appropriate for winter.

Travel coats and sports coats of these materials are using their own fabric instead of fur for collars and cuffs. And not just in plain fashion. Rather they are making ruchings, tucked bandings pleated and corded bands to give the effect of tremendous decoration.

Among the new winter suits made of these novelty fabrics, there is a vogue for black and white effects with a touch of color in the blouse. One black one, flecked with white and making a basket weave effect dotted with white, has a scarlet jersey blouse with black and white grosgrain ribbon for its high Russian collar and long tight cuffs. Another nubbled, woolen suit, in rich blue, has a double peplum of its own material fitted like a skirt yoke and then flaring just below the hipline in a new silhouette. This suit has a cute collar, a regular turned down shirt collar of the tweed, with a bow tie of matching crepe de chine.

The suit shown at the left of the illustration is ultra smart, a Bonwit Teller import, made of English tweed in black and white in a striped weave. The skirt is made gored, giving the desirable flair at the lower edge and the fitted line about the hips and waist.

There is a jaunty jacket with a flaring peplum effect below its self-belt. Two little pockets are edged with banding of the material used vertically. And the piece de resistance of this outfit is the charming self-scarf, lined with white jersey and finished with the white jersey showing in scallops across both ends. There is a white jersey blouse with a scalloped collar and cuffs, like the finish on the scarf.

THERE are many novelty worsted coats this winter to give us all blessed relief from fur or fur-trimmed coats. One of these is a tawny French tweed in antique gold and brown, with the material woven compactly to give a broken check and nobby surfaces within

A smart sports suit for winter wear is the creation shown at the left, of English tweed in black and white mixture. Instead of a fur collar, a scarf of the suit's material is used. On the right is a top-coat of French tweed in antique gold and brown, the outstanding feature of which is its corded collar and pockets. Both creations are Bonwit Teller imports.

the checks. This coat is graceful with full length, tight long sleeves and the most original shawl collar and hip decoration made of the material, corded and treated like a ruching. The coat is made with a yoke effect across the back, out on the shoulders and forming a little vestee in front which is stitched to give the corded effect like the collar and hip decoration. Beneath the roll at the sides are two very deep pockets, cozy for cold days and useful to carry those many things that you always have to stow away somewhere.

These are just a few of our marvelous stock of toys. Here's How It's Done. Beginning November 29 we will give a coupon with every cent you spend here, with every purchase no matter how small. These coupons are redeemable in Christmas toys. When you spend \$1 you get 100 coupons. If you spend \$10 you get 1,000 coupons and with them you can buy any 50c toy in our store. With 2,000 coupons you can get any \$1 toy in the store. In other words, your coupons are equivalent to a discount of Five Per Cent. The coupons will be issued in denominations of 5, 10, 25, 50 and 100 and will be in a convenient size to keep until you have enough of them to get the toys you want. START NOW TO SAVE COUPONS. Coupons Will Be Issued to People Paying Up Back Accounts. THIS OFFER IS FOR CASH ONLY. This is not a contest but is much superior to ordinary contest events. You get a coupon with every purchase you make and every coupon you get can be used. If you don't get enough coupons to buy the toy you want, you can pay a cash difference and get the toy anyway. There are no wasted coupons in this event. McLain-Sorensen Drug Co. West Side Square Ord, Nebraska

How to play Bridge
AUCTION or CONTRACT
 by Wynne Ferguson
 Author of "PRACTICAL AUCTION BRIDGE"

Copyright, 1930, by Hoyle, Jr.

ARTICLE No. 1

Beginning with this article, all examples will include Contract, as well as Auction bidding, so that our readers can compare the two and thus get a good idea of Contract bidding as compared to Auction. To enable our readers to follow Contract bidding, the following summary of the main differences between Contract and Auction is given: Contract, as the name implies, allows the player to score towards game only the number of tricks he has bid. For example, if a player bids two spades and makes four, he can only score two, the number bid, and the remaining two tricks are scored in his honor column at 50 per trick. This rule makes it necessary for players to bid for game on every hand, whether their opponents overbid or not, provided, of course, their cards warrant a try for game. As a result, there are no "dead" hands at Contract where one player, for example, bids one heart and all pass, as occurs very frequently at Auction. When on one side of the cards there is bound to be plenty of action whether opponents bid or not. The lucky side must bid for game if they want it and once they feel sure of game, they have the still greater incentive of trying for "slams." At Contract a little slam, if bid and made, scores 500 points and a big slam, if bid and made, scores 1000 points, so they are well worth while. As a result of these large premiums, the effort to bid and make slams offers one of the exciting features of Contract. In the regular game of Auction you may take a chance now and then with a weak bid. It costs very little, but in Contract you'll find it very expensive. For instance, in Contract you bid one no trump with just an ordinary thin no trumper. What will happen? If second hand passes, your partner may have good help for a good no trumper. Your partner will of course bid you up; he may be justified in bidding three no trumps. The penalties are very heavy, so bid more soundly at Contract than you ever did at Auction. The new Contract count is very different from Auction and changes the point values of tricks and games, as follows:

Clubs.....	20 points
Diamonds.....	20 points
Hearts.....	30 points
Spades.....	30 points
No Trump.....	35 points
Game.....	100 points

From the foregoing table it will be evident that the number of tricks required to score game are exactly the same under the Contract count as in regular Auction. In other words the relative position of the minor and major suits and no trump is the same. There is one striking difference, however, and that is in the demotion of the diamond suit as a possible game scorer from an advanced score. For example, at Auction if you score three diamonds (21 points), you are in a position to score game by making one odd either

in spades or in no trump; but not so at Contract. Three diamonds (60 points) plus one spade (30 points) or one no trump (35 points) no longer score game. The result of this is to demote the diamond suit to a parity with the club suit as a game scorer from an advanced score. It should be noted, however, that the diamond suit still takes precedence in the bidding (three diamonds is a higher bid than three clubs) so is still the more valuable suit. As a compensation for the demotion of the diamond suit as a possible game scorer from an advanced score, note the promotion of the heart and spade suits. It is now possible at Contract to go game in two deals if you score two no trumps (70 points) on one deal and one heart or one spade (30 points) on another. This is not true at Auction as two no trumps (20 points) plus one heart (8 points) or one spade (9 points) do not score game. The next important change made by the new code is the bonus on the winning game of a rubber (either side) score no bonus as in Auction. The winners of the second game of a rubber (two game rubber only) score a bonus of 700 points. If the winners of the second game of a rubber (three game rubber) score a bonus of only 500 points. Thus for the first time a difference is recognized between a pair, winning a rubber in two games and a pair winning a rubber in three games. It has always been the writer's opinion that a pair winning a two game rubber is entitled to a greater rubber bonus than the pair winning two games out of three and the present code has recognized the contention by awarding the former a greater bonus for rubber. Another difference that should be noted between Auction and Contract is the "Vulnerable" feature of Contract. After a side wins one game, it becomes "Vulnerable." Until a side wins a game, it is "Not Vulnerable." The effect of being "Vulnerable" is seen in the increased value of bonuses and penalties that accrue or are charged to the vulnerable pair. For example, if a side is playing an undoubled contract and is "Not Vulnerable", each under-trick is penalized 50 points per trick. On the other hand, if a side is "Vulnerable", the first under-trick is penalized 100 points and each succeeding under-trick 200 points. The only way, however, to understand these penalties and bonuses when "Vulnerable" and "Not Vulnerable" is to study the Contract Code thoroughly understood.

If you want to become a good Contract player, study valuation and the fundamentals of regular Auction until you know them thoroughly. You will need them more to excel in Contract than in regular Auction. And remember, Contract is not a different game from Auction. It is only an added feature to add zest and excitement to the regular game.

—Mrs. R. O. Hunter says her son, Norman VanWie of Hastings has a broken wrist. The accident happened recently while Mr. VanWie was cranking a ford.
 —Mrs. H. D. Rogers came from Grand Island Saturday and Sunday she and her brother J. D. Wilbur, returned to Grand Island and accompanied the body of their mother, Mrs. May Wilbur, to Litchfield for burial.
 —Mrs. Paul Griffith, who makes her home with her brothers, the McLain boys near Sumner, has been staying in Ord with her sister, Mrs. Paul Duemey, since the latter left the Ord hospital and returned to her own home.
 —Clement Frederick, who was employed on the Joe Novosad farm on the sand flats broke his wrist last Wednesday while cranking a car. He was brought to Ord and Dr. Lee Nay reduced the fracture.
 —Mrs. John Ambrose received a letter from Miss Dora Heuck, Casagrande, Arizona. The latter has a

good position with a telephone company. Miss Heuck's sister, Mrs. Roy Ward and family live there and Miss Heuck has been staying with them for several years. Dora writes about a newspaper report from Phoenix, Ariz., which tells of serious injuries to Willard Prentice in an auto race. The latter has often been a racer in Ord during the Valley county fair.

Night Coughing Quickly Relieved

Famous Prescription Gives Almost Instant Relief
 Night coughs or coughs caused by a cold or by an irritated throat are usually due to conditions which ordinary medicines do not reach. But the very first swallow of Thoxine, a doctor's prescription, is guaranteed to give almost instant relief. Thoxine works on a different principle, it goes direct to the internal cause. Thoxine is pleasant tasting and safe for the whole family. It will give you better and quicker relief for coughs or sore throat than anything you have ever tried or your money will be refunded. Put up ready for use in 35c, 60c, and \$1.00 bottles. Sold by Beranek's Drug Store and all other good drug stores.

Haskell Creek

This community was just about isolated from the world by the storm Wednesday and Thursday. Telephone poles and lines were down and in most places the radio aerials were broken by the heavy coating of ice. Some Delco light wires were down and many trees have been partially broken by the ice and wind. No one cared to venture out in the storm and there was only one comfort besides a nice warm fire and that was that the mail carrier for the route, Lyle McBeth, was able to make his rounds. However a great deal of the snow and ice is gone, and telephone communication is again established so life is almost at its usual pace again. Anna Weintak was operated on for appendicitis Tuesday. She is reported to be getting along pretty well now. She is at the Ord hospital. We hope she will soon be able to return to her school work at Dist. 45. Leon Woods, Fred Nielsen and Fay Willard were at Howerton's Thursday evening. The grade room and the high school room of District 45, coached by their teachers, Anna Mortensen and Hazel Ralsback, gave a program at the schoolhouse Friday evening. The different entertainments were well given and en-

thusiastically received by the audience. Later twenty-five baskets were sold, these netted around eighteen dollars.

Mr. and Mrs. Fred Miska called at Chris Nielsen's Tuesday evening. Mrs. Fred Miska entertained Sunday evening in honor of Mr. Miska's birthday. The guests were the Wes Miska, Chris Nielsen, Frank Miska, J. M. Alderman, and Russell Jensen families and Eva Miska, Leon Woods, Fay Willard, Louis Flock and Donald Long. Mr. and Mrs. Will Nelson and three small daughters, Fred and Henry Nielsen and Fay Willard were Sunday afternoon guests at Howerton's. Glen Watts and Duane Woods were there in the evening. There were 27 in Sunday school Sunday morning.

Mr. and Mrs. Floyd VanSlyke and son visited Sunday at Walter Jorgensen's. Mr. and Mrs. Carl Hansen and children and Mr. and Mrs. Wes Miska and family helped Mrs. C. O. Philbrick celebrate her birthday Tuesday evening.

Hilltop Jabbers

Mr. and Mrs. Steve Papernik and daughter spent Friday afternoon with relatives in Elyria. Miss Ruth Flynn spent Wednesday and Thursday over night at the Freda Philbrick home. She was unable to drive home on account of the muddy roads and rain during those days. Mr. and Mrs. John Lech Jr. were dinner guests Sunday in the Andrew Shotkoski home. Lloyd Konkoleske spent the week end with home folks. He was picking corn at the Steve Papernik home. Mrs. Freda Philbrick and sons, Richard and Byron were shopping in Ord Saturday afternoon. Jerry Jablonski and Harry Marshall were last Monday evening visitors at the Frank Konkoleske home. Magdaline Konkoleske, Marshal Rueben, Alvin and Robert Sorenson were absent from school Thursday on account of the rain. Oscar Martinson spent Sunday afternoon with Leo Papernik. Mildred Philbrick visited at the Freda Philbrick home Saturday and Sunday. Joe Kusek was a caller at the James Iwanski home Sunday. —Quiz want ads get results.

BIGGER AND BETTER
THE NEW CHEVROLET SIX

Strikingly beautiful, fleet and smart — a masterpiece of Fisher styling

Front view of the new Chevrolet Sport Coupe

In the entire field of modern coachcraft no symbol has come to mean more to the buyer of a motor car than **Body by Fisher**. And never has Fisher's superiority been more strikingly exemplified than in the beautiful new bodies of the Bigger and Better Chevrolet Six!

Working with the added advantage of a lengthened wheelbase, Fisher designers have been able to achieve in the new Chevrolet a degree of smartness, comfort and impressiveness hitherto considered exclusive to cars far higher in price.

Inside and out, scores of refinements stamp this car as a masterpiece of modern coachwork. Radiator, headlamps and tie-bar are artistically grouped to create an unusually attractive ensemble. Mouldings sweep back in a graceful, unbroken line to blend with the smart new body contours. And new colors lend

a new individuality. Interiors, too, are exceptional in every way. The new mohair and broadcloth upholstery is tailored with exceptional smartness. Seats are wider and deeper and more luxuriously cushioned. A deeper windshield and wider windows give better vision for both driver and passengers. And beautiful new hardware, of modern design, lends a final note of charm.

Many mechanical improvements have also been provided in the chassis of this Bigger and Better Six. Among these are a stronger frame; easier steering; a more durable clutch; a smoother transmission; and engine refinements which make the new Chevrolet a car you will be happy to drive—as well as proud to own.

The Bigger and Better Chevrolet Six is now on display in our showrooms. See it. Drive it! Learn for yourself that it is *the Great American Value!*

My Own Column

By H. D. Leggett

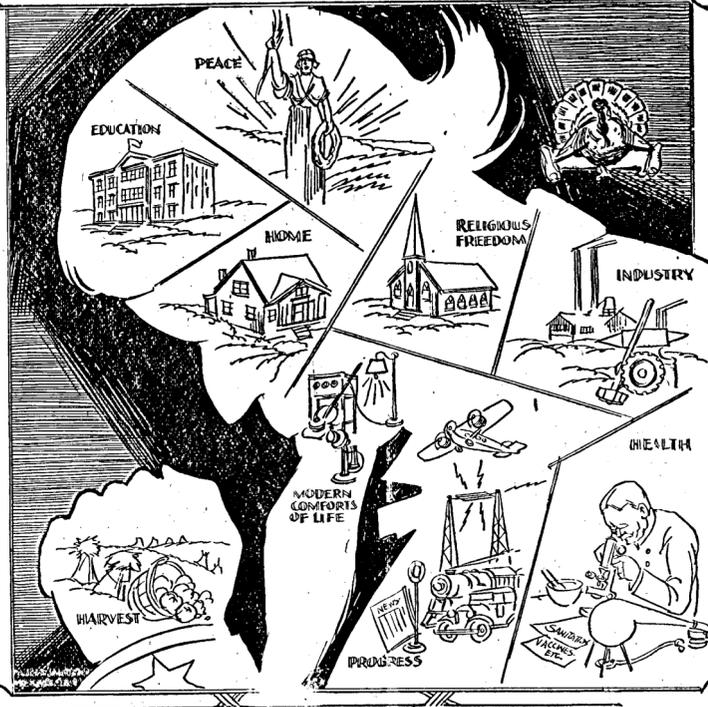

As I sit before my typewriter this Sunday evening in a nice comfortable office, ready to type off something for this department for the tourists that have been marooned by storms in the western part of the state, of the Dakotas, Minnesota and further west. The papers have been telling about them and the Missus and I have said a dozen times since we returned home Friday evening that we were sure lucky to be home. It is called more forcibly to my attention this evening because the wind is blowing a gale outside, the air is full of flying snow and it is so cold that it makes one shiver, the sound of it, in the office with a temperature of above 70. Yes, it is better to be home a night like this than driving in the dark on strange roads, even paved roads.

And that reminds me that I misstated the fact a little last week when I said that we had paying across I owa. There are only 15 miles of gravel, however, the way we went and only 3 miles if one goes through Omaha and follows No. 30 all the way. We chose to take 130 at Fremont and across the river at Blair and that way there is a 12-mile stretch of gravel between the Blair bridge and south of Val. There is a 3-mile stretch not yet paved just west of Boone, Iowa. No doubt both will be paved the coming year. I have done a good deal of talking about the good roads of Minnesota but Michigan beats Minnesota all to pieces on good roads and Iowa is soon going to have good roads almost everywhere. Cousin Fred Hughes who visited here last summer and who we visited at Adrian, Mich., who has toured Wisconsin and Michigan to shame with its good roads.

We arrived home from our Michigan trip about 5 p. m. last Friday, being away from home 13 days. I was sick in bed 13 days, so, really, I spent the last month of working days more or less frivolously. The first 13 days I had the Missus waiting on me in bed and the last 13 days she was sitting beside me in the car, watching the map, the road signs and helping to keep the right road. It is interesting to note that one can, with the aid of a state map, go anywhere without asking any odds of anyone. We only inquired once and then we were on the right road, almost knew it but wanted to satisfy a little doubt. That was while going through South Bend, Ind. It is the only city or town on the trip that is poorly marked. We drove 2291 miles on the trip and didn't have as much as a down tire to bother us. That is a diddler till we got back almost to Valley County. There was not a mile of the trip till we got back to Elba, Neb. that we couldn't drive fifty miles an hour on, except of course, through towns where a speed limit of 12 or 15 miles usually forced us to drop down to 35 or 40 for fear a cop might pick us up. But when we struck Elba 5 to 15 miles was the rule till we got to Scotia and then we went into a ditch once and had to call a passing farmer to hook his mules and corn wagon on and help us out. As Mr. C. A. Hager told me this evening, if the new Scotia-Elba road is ever completed and graveled we, up and down the valley, should have a celebration.

We left the home of my uncle Fremont Miller last Monday morning to drive south through Kalamazoo, Battle Creek, Jackson and other well known Michigan cities, to Adrian to visit the family of our cousin Fred Hughes. My uncle was celebrating his 76th birthday that same day. He probably is not quite as rugged as he was a half century ago but he walks straight, has a good appetite, says his stomach never bothers him, cuts wood a lot in the winter and does cement work, carpenter work and road work in the summer. He is quite famous for the many bridges he built in his home township when he was highway commissioner for 9 years. He used to be a great fisherman, fishes a lot yet but admits that there is a fisherman for

After All We've Got A Lot To Be Thankful For!

most every fish in Michigan. He visited us at Cullen Lake cottage 10 years ago and will likely do so again the coming summer. He has told his experiences of that fishing trip ten years ago to the natives around Hopkins all these years since and he must have told them well for several asked me about monstrous fish that even I had never dreamed of and wanted to know if the bass actually jumped in the boat when Fremont was up there. Sure he must have done a good job of telling fish stories.

About 34 or 35 years ago Frank Lloyd who was then running a store and restaurant on the west side of the square about where the new theatre is now being built, wanted some Michigan apples and I undertook to supply his wants. I had my father buy and ship a carload to Ord and in doing so he put in some apple jelly and apple butter in 25-pound wooden pails. In those days there were a good many cider mills that had facilities for making both the jelly and the apple butter right at the mill. It was wonderful stuff, better than any commercial product that we could buy. Later it seemed hard to get it on the few occasions when I was back there and I had never had any of it since. I determined to find a place where it was made, if there was such a place in Michigan, on this trip, and to bring some home. The mill where the jelly and butter was made 35 years ago is still running and we had all the cider we wanted from there while we were there. This time but the owner was not making jelly or butter any more. We heard of another place where it was thought we could get it and drove some 30 miles only to find that the owner had not made it for three years. I had about given up getting any when we drove down to Cousin Fred Hughes' last week Monday and for supper they had the most delicious apple butter. "Where did you get the apple butter?" I asked and was told that there was a mill up at Napoleon, near Jackson where it was made. I wondered if they were all sold out and Fred talked distance and was assured that there was some left. It meant a considerable drive but the drive was made and when we came home our load was partly made up of several gallons of apple butter and jelly. I also had a box of hickory nuts which Cousin Maude had packed for us, several bushels of the nicest Michigan apples (not the first quality because I couldn't find them) but they are good just the same. Also had a bunch of that small, sweet celery that is grown so extensively at Kalamazoo. It is sold in stands on almost every corner and a bunch is tacked on each telephone pole along the highway through the city.

Cousin Jessie Ashley, down in south Watson, tried to have us take a jug of cider but I was afraid we wouldn't be able to get it home and have been sorry all the way since. The Ashleys, like most other farmers, make dairying the main busi-

ness, selling their milk which is picked up each morning by the truck. I was surprised at the lack of pigs in the country. Some have a couple which they fatten for their own use but many of them don't have even one porker on the place. However, what they lack in pigs they make up in White Leghorn chickens, for everyone seems to be trying to produce as many eggs as possible.

Cousin Mont Baird has a large herd of purebred Holsteins, a strictly modern home, electric milking machine and his milk all goes on the morning truck to the condensary. He has two large brick silos and told me he fed his herd silage every day the year around and had not been out for six years. The dry year had cut down his yield this year till he feared he might run out sometime next August unless he reduced his herd or put some of the young cattle out to pasture away from home. We were kids together with himself and wife and of course we had a delightful visit the afternoon and evening we spent at the Baird home and I am glad to see them so prosperous and happy. They have their only daughter and her family with them, the husband assisting with the farm work.

I mentioned that my uncle Fremont Miller was celebrating his 76th birthday the day we left but really the celebration was the day before when the house was filled with relatives, some of the coming at that time because we were there, perhaps. Early in the morning a spy young fellow came up the steps and walked in without knocking, called me by name and as we shook hands I tried to figure out who he was. As soon as he began to talk I knew him, but when I knew him years ago he wore a full beard, black as night. He was Zack Foster and when he asked me how old I thought he was I told him he looked to be 40, or 50 at the outside but as he was a civil war veteran I knew he had to be upwards of 75. Just 83 he said and that morning he had driven his car from his home on the shore of Lake Michigan some 30 miles away. My cousin Harold Miller and wife and little son drove down from Grand Rapids that afternoon, bringing a birthday cake for Uncle Fremont and a freezer of ice cream. Cousin Maude Calkins and her family came after dinner and Aunt Ida Lynes and her husband were there for dinner. She was formerly Ida Mankin wife of my mother's brother. I asked her if she remembered the time she and Uncle Frank Mankin brought me the little Shepard puppie, she carrying the puppie in her lap all the way, and she blushed again like she did more than fifty years ago when, after getting out of the wagon, Uncle Frank laughed as he asked her how she got the wet spot on her apron. We all cried a dozen or fifteen years later when the puppie, which had been a faithful dog all those years, had to be disposed of because he was old and sick. I guess I could go on all night writing about that trip but it is interesting chiefly to me and you readers won't care for it so I will sign off.

Woodman Hall

Last week the weather man dished us out all varieties of weather by which all of us should have been satisfied. Monday morning dawned bright, warm and beautiful and the housewives who did their washing that day were well satisfied to be sure. Tuesday was foggy and damp, just the variety that pleased the farmers using a mechanical corn picker as the country electric light and telephone wires on the repair list. We were isolated from our nearest neighbors for several days. Most of the farmers are out repairing the telephone lines which is quite a difficult task in the snow and mud. The people in the cities who were out of employment will no doubt find something to do for a while, at least, as to us farmers of course, variety is the spice of life but many odd jobs around the farm are stored away for just such times when corn picking must wait for better weather. This Monday morning the sun is shining brightly although the roads are in terrible condition for travel. If nothing more happens all will be well again in a few days.

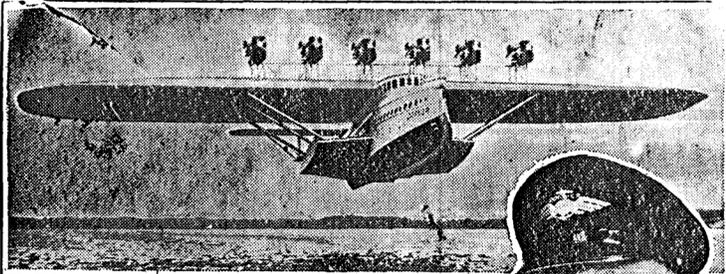

Elmer Fritz and John Eret, who have been picking corn in this neighborhood returned to their homes at Wilbur, Sunday.

As Largest Plane Tuned Up for Ocean Trip

Here is the Dornier DO-X, world's largest airplane, as it made a cruise in preparation for a trans-Atlantic flight to America, with stops at the Azores and Bermuda. Built to accommodate 150 passengers, the giant ship has been called a "flying hotel." On a test flight from Amsterdam to Southampton, England, the plane carried a crew of 15 men, 21 passengers, a black cat and Hans, the canary. Equipped with 12 American-made motors of 625 horsepower each, the DO-X has a wing spread of 125 feet and is capable of a speed of over 125 miles an hour. There are three decks on the ship and the soundproof wireless room is one of its features. An American, Lieutenant C. H. Schildhauer, a former American navy seaplane flyer, is the DO-X pilot. On the right is Captain Friedrich Christiansen, commander.

V. J. Vodehnal attended the stock sale at Ord Saturday, where he purchased a young calf.

We had no mail out on this end of the route Saturday.

Mrs. Jos. Zadina of Colorado Springs was in this neighborhood visiting her old home and friends last week.

Miss Roth had considerable trouble in getting home from school after the rain storm Wednesday. After losing the chains from her car, it slid in the ditch near the grade school house and she had to leave the car there. She stayed at the Jos Moravec home the rest of the week but drove to her home near Comstock Friday evening.

Quite a few attended mass at the Geranium church Sunday morning. The time will be changed to 9:30 and 11 o'clock during the winter months beginning next Sunday.

The Jos. and Will Waldmann families, Rudolph John and Jerry Macek were Sunday dinner guests at Ed Waldmann's.

The Geranium High and Hayes Creek High school basketball teams will compete in another game of ball at the Geranium high school as soon as the roads and weather are favorable. Miss Roth, the basketball five and the remaining students and Miss Holoun drove to Hayes Creek on November 14 where Geranium lost by a score of 4 to 5. James and Eldon Rybin, Chas. Radil, Raymond Waldmann and Edward Rouska compose the Geranium quintet.

Edward Radil arrived at his home Saturday from the Anton Radil home where he had been picking corn.

He was lucky indeed, who was able to be out and enjoy the beautiful landscape last Friday and Saturday. The most skilled artist could not duplicate its beauty. The sun's reflecting rays on the ice on the trees produced the most beautiful red, green and gold lights resembling Christmas trees all lighted up in colored bulbs, but all beauty vanished and the landscape changed its appearance by the moderate weather Sunday.

Dr. Hugh McCall of Grand Island spent Tuesday night with his brother-in-law, John Palser.

Mr. and Mrs. Rueben Athey spent Wednesday at Charley Johnson's.

Mr. and Mrs. Howard Manchester were at his mother's, Della Manchester's Saturday. Maggie Annys and son Virgil came home with them and Sunday they visited at John Williams'. Jasper Wheatcraft was there for supper Sunday evening.

Hazel Stevens spent Wednesday night with Esther Palser. Carl Smith, the cow tester, was at Palser's too.

Sunday Mr. and Mrs. Carol Palser went to Scottia and enjoyed a family reunion at the home of her parents, Mr. and Mrs. Beck. The occasion was her father's birthday and all the twelve children with their families were home.

There were no services at either church at Davis Creek Sunday on account of muddy roads.

Sons of George Sample were looking over the telephone line Monday and doing some much needed repairing as we have been unable to get central since Thursday.

Mr. and Mrs. C. C. Sample and Percy called at Joe Mawkoski's Sunday afternoon.

Elma Sample went to Rockville Saturday to visit two girl friends, who work at the switch board there.

Corn picking was started again Monday morning after seven days lay off on account of the storm. Several in this neighborhood are getting nearly through.

Mrs. Clara Holmes and twelve pupils of the English class who have just finished reading Julius Caesar, went to Alfred Jorgensen's Friday to hear the play given over the radio. They took their books and followed them as the play was given. They say it came in clear and they enjoyed it very much.

Night Watchman for Arcadia
On account of the present economic condition over the whole country and the numerous robberies and break-ins that have occurred in and around Arcadia the past few weeks, a few public spirited citizens of Arcadia have made it possible that the community have protection against such a menace.

At a special meeting of the village board of trustees held Friday evening arrangements were made to put on a night watchman to patrol the business section several times each night. J. H. Coons, who was appointed watchman, entered upon his duties Saturday evening and will continue at least until spring.

The idea was made possible by popular subscription on the part of the merchants and citizens of the community as the village finances were not in condition to stand the added expense.

Legion Auxiliary Meets.
Eleven members of the Legion Auxiliary met at the Methodist church basement Friday, Nov. 21. The guests for the afternoon were Mesdames Rose Taylor, R. O. Galtner and J. H. Marvel.

The afternoon was spent on different kind of games. Mrs. Lyle Lutz served a two course lunch.

The next meeting will be held in two weeks at the same place with Mrs. H. D. Weddel as hostess.

There has been quite a bit of discussion lately on why we send articles to the newspaper and do not when they get compensation from the government. All of them do not get help from the government and even if they do so many of them have wives and children at home who need that money. When these boys enlisted they did not stop to find out if each one of us were worthy or not, they just gave up everything and went. It doesn't seem to us as though we should hesitate now when they ask for things that we can give them.

We certainly appreciate the help people who do not belong to the Auxiliary have been giving us. As there are such a few of us it would be rather hard sometimes if outsiders did not respond and help. We wish to thank every one.

Arcadia Wins From Ord.
In a fast game played on an icy field at Ord last Friday, the Arcadia gridsters were victorious by a 6 to 0 count. The season will be brought to a close Thanksgiving day when Arcadia will be hosts to the Burwell team.

Enlarging Beauty Parlor.
Mrs. F. J. Schank has enlarged the space used for her beauty parlor in the Schank Radio Shop and has also installed a lavatory to be used when shampooing. The work is not yet complete as the decorating of the interior remains to be done.

School Closed For Thanksgiving
School closed Wednesday for the Thanksgiving vacation and will remain closed until Monday, November 28th. An interesting debate will feature the program.

Misses Nema Cruzan, Mary Sutton and Irene Downing entertained the teachers of the Arcadia high school at a party at the home of Miss Downing Thursday evening. The evening was spent playing bridge after which a lovely two course luncheon was served.

Mrs. D. C. Bartlett entertained two tables of bridge at her home Friday evening. A number of friends and relatives as guests, Thanksgiving always stands out as a red letter day on the calendar.

Sleet Affects Telephone Lines.
The snow and sleet storm of last week wrecked havoc with the electric light and telephone lines of this vicinity. The lights were out of order the majority of the day Thursday and the telephone lines were kept busy for several days repairing lines across the country. All the toll lines were also out of commission for several days.

Hold Special Meeting.
A special meeting of the Arcadia Community club was held at the Library basement Friday evening at which time plans were made in regard to the regular meeting which is to be held at the Methodist church basement Tuesday evening, Dec. 2nd.

The matter of the club again financing the spreading of "Christmas Cheer" in the form of baskets of food, fruit, nuts and candy among the more unfortunate of the village was deferred until the regular meeting when a more representative soliciting for the local chapter and they met with only fair success. We are sorry that the people of Arcadia find it so hard to make their quota in the drive. The Red Cross is one of the most worthy organizations in the country and the dollar from each family who is in ordinary circumstances seems a small amount to sacrifice for the service which the Red Cross has done and which it continues to perform.

Muriel Weekes to Wed.
The Sunday World Herald published a picture of Miss Muriel Weekes of Onawa, Iowa and an announcement of her coming marriage to Robert Oliver also of Onawa. The wedding was set for Thanksgiving day and the young couple will spend their honeymoon in the south. Miss Weekes and Mr. Oliver are both former residents of Ord and are well known in this vicinity. They will make their future home in Onawa where both are engaged in the motion picture business.

Thanksgiving in Arcadia.
Family dinners seemed to be the most important events planned for Thanksgiving day in Arcadia. Services were held at the Christian Science church this morning and union services conducted by Rev. Burtleigh of the Congregational church will be held at the Methodist church this evening. The football game between Arcadia and Burwell this afternoon promises to be well attended. With children used from school and friends and relatives as guests, Thanksgiving always stands out as a red letter day on the calendar.

Glendale Literary Meets.
The Glendale Literary society will meet at the Glendale School house Friday evening, November 28th. An interesting debate will feature the program.

One Man's Keen Interest in Aviation Brings Dallas Into World Prominence

THE name of Colonel William E. Easterwood, Jr., who gave the prize of \$25,000 which the French flyers, Costes and Bellonte, won for their flight from Paris to Dallas, Tex., with a stop at New York, has always been synonymous with aviation in the southwest.

Those Big Dallas Prizes
He posted \$25,000 prizes for a Paris-Dallas flight, a Hongkong-Dallas flight and a Rome-Dallas flight. He obtained airports at many Texas towns, and was instrumental in having names printed on roofs, as a guide to aviators, in most Texas towns.

But as big a figure as Easterwood has become, few know of the man's big heart.

In Dallas he has given generously to many charities, to hospitals, clinics, the Community Chest, churches, orphanages, the blind, the deaf, World War veterans and others. The nature of the man is better revealed, however, in this account of a newspaper reporter.

"The nicest memory of Easterwood which I possess," he wrote, "concerns an afternoon in Dallas at a home for forsaken babies—'Hope Cottage.' Colonel Bill was on his way to take Amelia Barnhart to lunch. He stopped off at Hope Cottage to give a \$500 donation and there he found a baby—a little boy just nine days old—who had no legal parents anywhere, and no place to go except to a home such as this.

"Colonel Easterwood hung over the little crib. He finally got the

Colonel William E. Easterwood, Jr. ... chewing gum.

where he was attending a convention, that the baby had died. He left on a special train for Dallas, the reporter wrote, and personally arranged the funeral.

Began as Salesman
Colonel Easterwood, 44, and a millionaire, was a traveling salesman less than 10 years ago. He came to Dallas in 1922 and set himself up in business there as factory representative for many large eastern firms. His success was phenomenal. In 1923 he decided to devote himself exclusively to the marketing of a listerated chewing gum. Two years later he sold the business, which by now he made famous, to one of the nation's leading gum manufacturers. Now he is head of the company's southern branch.

Easterwood's interest in aviation probably dates back to the time he served on the U. S. army's aviation staff of Mexico. Since then he has worked zealously to promote interest in aeronautics. According to one report, Colonel Easterwood gave \$75,000 to finance the Costes-Bellonte transatlantic flight and that one-third of the sum was given the flyers outright.

It is interesting to note a prediction of Easterwood's. He said recently that the time is not far distant when planes will be built to carry more than 3000 passengers and capable of a speed 1000 miles an hour. And if Colonel Easterwood continues his philanthropies in aviation, his prophecy won't be so fantastic as it seems.

The Pilgrims Originated Thanksgiving, But This Woman Made It a Holiday

WHEN thanks are offered up in countless homes throughout the country on Thanksgiving Day, the chances are remote that some small word of gratefulness will also be said for Sarah Josepha Hale.

The reason, of course, is that most people don't know it was Sarah Josepha Hale who made Thanksgiving a national holiday. This woman, who died only 51 years ago, has been forgotten by the present generation.

Everybody knows that Thanksgiving was originated by the Pilgrim Fathers in Massachusetts back in 1621. But it is not such common knowledge that the observance of the day had virtually passed out of existence at the time of the Civil War. At no time previous to this, for that matter, was the day celebrated universally.

How It Started

Now Sarah Hale, who was doing some writing for the Ladies' Magazine, a Boston publication, thought her position enabled her to start a movement for the national observance of the holiday. She was anxious to have the last Thursday in November set aside as a "common day for our whole nation to express our acknowledgments to God for His goodness beyond thought and aid of power divine which blesses the increase of the husbandmen, and keeps ward for the safety of the city."

For 20 years Mrs. Hale labored for the idea. She wrote editorials in her magazine and personal letters to governors and presidents with the persistence of a present-day publicity agent. Her efforts were rewarded finally when, in 1863, President Lincoln

Sarah Josepha Hale . . . she also had something to do about "Mary's Little Lamb."

decided to adopt her plan. He issued a proclamation appointing the last Thursday in November, 1863, "as the day of national thanksgiving."

Mrs. Hale took her triumph modestly. She wrote that she was "convinced that the general estimate of feminine character throughout the United States will be far from finding it an objection that this idea of American Union Thanksgiving was suggested by a woman." For, she added, "God gave to man authority; to women, influence; she inspires and persuades. He convinces and compels. It has always been my aim

to use my influence in this womanly way."

Helped Raise Monument

And Mrs. Hale used her womanly influence in other great causes. It was largely through her efforts that the Bunker Hill monument was elevated from a puny shaft of 40 feet to one of the most imposing war memorials in the country. She persuaded the women of New England to raise \$50,000 for the purpose.

She inaugurated the plan for educating women for service in medical and missionary work in foreign lands. She also organized in Boston the Seaman's Aid Society, still going strong.

Mrs. Hale will also be remembered in connection with the popular jingle: "Mary Had a Little Lamb," which she either wrote or popularized. When the rhyme was included anonymously in an anthology of poetry she published, English critics contended it was English authorship. Mrs. Hale's son, however, said that his mother had definitely told him that she wrote the rhyme.

Born in Newport, N. H., Oct. 24, 1788, she married when 25 David Hale, a prosperous lawyer. Nine years later she was left a widow with five children. It was then she went to work for the Ladies' Magazine which she successfully edited for nine years, when it was merged with Godey's Ladies' Book, published in Philadelphia.

It was while editing Godey's Book, the leading fashion publication of the day, that she won her fight for the establishment of Thanksgiving as a national holiday. She retired at the ripe old age of 89, and died two years later in Philadelphia.

She says she and her husband were in one of the big stores and going down in an elevator. A woman standing just in front of Mrs. Drownworth reached down to fix her hose or shoes, thieving a purse in the same time helping herself to the small purse in Opal's handbag. The woman got off at the main floor and Mrs. Drownworth noticed soon after that the handbag was open and the money gone. However in the large crowd of people nothing could be done. Mrs. Winder says that her children write that something along the stealing and pickpocket line is going on all the time.

—Mr. and Mrs. F. J. Dworak are expecting several out of town relatives to arrive in their home today for a short visit and to spend Thanksgiving Day.

Cincinnati Centenarian, Oldest Yale Graduate, Gives Rules for Long Life

THERE are two things for which Edmund Payson Bradstreet of Cincinnati, O., is most popularly known. The first is that he is the oldest living graduate of Yale and the second, that he is the oldest lawyer in the United States.

But it was not until a few weeks ago, when he wrote a letter to Yale alumni, that a more remarkable claim to distinction was revealed. It was that this man, who celebrated his 100th birthday last June, was predestined to die at an early age of an inherited throat and lung affliction. The fact he lived beyond his eyes in spite of this, is, in the opinion of many, his most noteworthy attainment.

Had Famous Father

In a day of fast and nervous living a striking contrast is presented in the life history of this centenarian, who declared that the greatest influence in prolonging his life is a "quiet mind and absence of wild excitement."

Bradstreet's father, Rev. Stephen Ingals Bradstreet, was one of the most distinguished men of his day. Though he died at 43, his brief life was crowded with accomplishment. He organized the first church of any sort in Cleveland, Ohio, soon after he arrived there from Amherst, N. H. He started and published in Cleveland the first religious paper west of Philadelphia. It was he, too, who raised the money to found Western Reserve University and who delivered the address at the laying of its cornerstone.

After his father's death, Edward, who was then but 7, was placed on a farm near Oberlin, O. There he remained until he was 17, when he determined to leave to obtain a college education.

—Mr. and Mrs. Howard Barnes had several out of town guests Sunday. Mr. and Mrs. James Arnold, Mr. and Mrs. Ellis Barnes, Mr. and Mrs. George Barnes and their families and Truman Barnes all from Greeley. James Barnes of Ord was also there enjoying the big dinner with his son, Howard and family and the relatives from Greeley.

—Tuesday Mrs. F. J. Kolb of Aberdeen, S. D. left for Long Beach, Calif., where she will spend the winter months with her sister, Mrs. Stanley Bell.

—Frank Koupal left yesterday to enjoy his Thanksgiving dinner with Mrs. Eleanor Wegryzn and husband at Columbus.

—Atty. Clarence M. Davis is making a business trip to Omaha and Chicago this week, leaving yesterday.

—Emil Sedlacek has an infection in his knee. Dr. Kirby McGrew is caring for Mr. Sedlacek.

—Sunday the Marlon Vincent family were released from quarantine. They had been shut in for several weeks.

—There was a good attendance Friday at the meeting of the Eastern Star. Mrs. Ed Beranek and committee served.

(C) Bachrach Edward P. Bradstreet

He entered Western Reserve, but, after two years, was obliged to go elsewhere when the entire faculty but one resigned because of some dispute. So young Bradstreet says he "did the rash thing of going to Yale." He graduated from there in the class of 1853, one of his classmates being Andrew D. White, one of the principal founders of Cornell University.

—Mrs. Wilfrd Williams was the last hostess to the Entre Nous club. The next meeting will be with Mrs. Edwin Clements.

—A big Thanksgiving Day dinner is being served today in the home of Mr. and Mrs. Will Hather. Mostly relatives are invited.

—Miss Hazel Mason, who teaches in Bartley, Neb. could not come home for Thanksgiving Day. Her mother, Mrs. Leslie Mason, wanted her to have some goodies from home so yesterday she took a large box to the postoffice and sent it to her daughter.

—J. L. Clafflin of Lincoln will arrive in Ord today for a visit with his niece, Mrs. Leslie Mason.

—Mr. and Mrs. Leo Long and two little daughters and Mrs. W. H. Carson were Sunday dinner guests in the home of Mr. and Mrs. Glen Carson.

—Miss Anna Olsson who teaches in Lowell, spent the week end with her father, Ored Olsson in Ord.

—Mr. and Mrs. Bill Schauer of Olean and Mrs. Kate Marks of Ord are visiting in Polk.

—Vincent Vodehnal is a daily visitor in Dr. Kirby McGrew's office. He has an infection on his left arm.

—E. C. James is at home again and glad to be there. He was caught in a blizzard during the last week. He had left Kimball and when about seven miles from Brule he and sixteen other men, with cars were just about snowed under. Mr. James was four hours going the few miles. He and dozens of other auto travelers were laid up in that small place for several days. All could not find places to sleep so they sat up in filling stations, church basements or any other place where they could get in. The people were nice but there are only about 230 inhabitants there, so not very extensive accommodations for the traveling public.

—There are several children in our schools and also in their homes who are in need of clothing. Mrs. C. J. Mortensen of the welfare committee of the American Legion Auxiliary will be pleased if people having outgrown or discard clothing will call her and she will come after the garments or they can be left at the Mortensen home and the auxiliary will distribute the clothing to needy children.

New Methods Used In Teaching Fourth Graders Geography

Geography, reading, story hour and memory work are all combined in the pleasant way children in the fourth grade in Ord learn their geography, as I found out by paying a visit to Miss Lucy Rowbal and her numerous children.

The youngsters trooped in from a windy recess with glowing cheeks and bright eyes. Off with a lot of coats and hats and into their seats they went. Then Miss Rowbal asked what European countries they had studied. Russia, the Ukraine, Poland, France, Ireland, England, and Scotland were the assorted answers that poured in, all volunteered.

Gerald wanted to tell about Russia; that the people there were very poor and ate lots of bread. Elaine said they talked loudly there. Charles told about the well sweeps found in Irish houses, and said the houses were of logs, the roofs thatched, made of mud and straw or hay. Some one told how there wasn't any paving there. Jeanette announced that lots of potatoes grew there, and that they had great high beds. Also that there was no traffic in the streets, and children played there in safety. A little boy told how nearly every child there has a pet duck.

Next someone wanted to talk about Patrick, the little Irish boy the geography told about, whose home was in Ireland. There they didn't need coal; they burned peat. "The weeds fall down, by the river, and pretty soon they're peat," Barbara declared they fell down in a swamp. Elaine stated that they made most of their furniture, and Russell discussed the fact that the farms there averaged about 40 acres, in place of 160, as they do here. The young students said Patrick didn't have to go to school like they did, he learned at home. Lucille talked about the hills being green in winter.

Zach and Marie were the little hero and heroine of the French story in the geography, declared Donald, pointing out France on the map. Eleanor averred that all the people live in little villages, and walk out to work on their farms,

and go back to their homes at night. She also spoke of the storks that nest in nearly every chimney, or dooryard. Evelyn mentioned that about all the French had to eat was grape wine and bread.

Boyd said the little boys and girls worked much harder in school there than they do here, and never play when teacher leaves the room. Boyd talked about the long, long loaves of bread there, that are carried around without wrappings and handed to a guest with a knife, so that he may cut off his own piece. Barbara thought they needed to grow more wheat and less grapes. Maxine explained how willow branches are burned for fuel, and the tree left growing more branches for more fuel.

All these things were voluntarily told before the class, so these children surely obtained something from their study of Europe. They were much more interested in this kind of a lesson than children used to be in the other kind, years ago.

A few samples of art work done in this grade bordered the blackboards of the southeast room the fourth grade occupies. On gray sheets cut-outs were pasted. Across the bottom each sheet had the white numbers 1, 1620 pasted. Above were white cut-out heads of Puritan boys and girls, colored, some more, some less. Some of them were red faced, some white. Some had black curls, others were white haired and straight. Most of the faces were prim, one or two smirked or grinned a little. One had long black eyelashes, and brilliant red cheeks.

You really should go and see what these fourth graders are doing for yourself. They show talent.

—Mrs. Will Moon Jr. had a birthday Monday. Her parents, Mr. and Mrs. Wm. Bisher of Taylor, remembered the occasion and drove to Ord and spent that day with their daughter and family. They returned home Tuesday.

Ord-Arcadia Football Game; Seventeen Boys Saw Action

Friday morning, word was received that Arcadia could not get to Ord for the game that afternoon. Everyone was disappointed until another message was received saying that they would try to get through. A sharp, piercing, wind blew all morning, but abated somewhat in the afternoon. The sun came out and started to melt the snow. Arcadia arrived in Ord with at least 20 to 0, but the Ord team showed lots of fight and played real football. At the end of the game the score stood 0 to 0. In the last half, Arcadia used many aerial plays. These netted them a touchdown. They failed to make the extra point. Billy Garnick acted on his promise to sneer anyone who got in his way, when he made a forty yard run for our team. Higgins was the star player for Arcadia.

We have one more game to be played at Loup City, and we feel sure of winning it, if the team shows as much fight as they did against Arcadia. At the end of the line-up for Ord—McGinnis and E. Lashmett, ends; Ulrich and Hather, Tackles; Gregg and Hansen, Guards; Rathbun, Center. Barnhart and Klein, Halfbacks; Garnick, Quarterback, Auble, Full-back. Substitutions—Malopezpe for Ulrich, Boquet for Rathbun; Rathbun for Malopezpe; D. Lashmett for Barnhart; Steinwart for D. Lashmett and Stoltz for Rathbun.

Best Pep Meeting Of Season Friday

Friday's pep meeting opened with a few announcements by Mr. Cass. Then Miss Bloodgood led us in a few songs. Mr. Bell told us what the faculty expects of the team and the students. He said, "We only expect the team's best, and that is what we have been getting for the last few games." Captain Gregg gave a talk on "What the team is going to do to Arcadia." Bill Garnick promised to "sneer" anyone that got in his way. Coach Krefel then told us the prospects of the team, and we were two games. Later he introduced the seniors who would play their last game on the home grounds. "Bob" Cushing gave a short talk on "What the students expect." The meeting closed with a few yells. It was the most interesting pep rally of the year.

Grade School

The sixth grade are studying the division of decimals in arithmetic, and in geography, about Holland. Miss Finley is reading Katrina and Jan to her geography class. Mrs. Chas. Bechre visited Kindergarten last Friday afternoon. The grade school has learned a new song for Thanksgiving. A Thanksgiving program is to be given Wednesday November 26 by all the grades of the south school. All mothers and friends are invited. It begins at 1:30. Mrs. Emil Chotena visited the first and second grade last Wednesday.

The first grade has a new set of small chairs. The Third and Fourth grades are giving a play next Wednesday. It is called "The Pumpkin Pie Saves the Day for the Pilgrim." The second grade is very busy this week. They have two contests. One is going to and from the class rooms. The boys are against the girls. This contest ends Wednesday. The other one is a Health contest. Each row has its captain and they inspect the pupils in their row. Points are given on washing hands and face and brushing the hair. The winner will get to color an extra picture. The second grade is also helping in the program Wednesday. There are sixteen children in the dialogue. The dialogues are "Pilgrim Mads," "Pilgrim Fathers," and "Pumpkin". The children all have costumes which add a lot of interest. There are also several recitations to be given by Vivian Wiegardt and Jack McNutt.

Puzzle "I stood on the bridge at midnight— You've surely heard this rhyme, But was it King David's, Or Eastern Standard Time?—Exchange. Miss Jeary: "What is a polygon?" George Allen: "A dead parrot!"

THANKSGIVING

Thanksgiving days have been known since the days of the Romans. They held feasts in the fall to honor certain gods. Nations have set aside special days for Thanksgiving purposes from time to time. Many of these feasts were to give thanks for victories in wars. The first Thanksgiving in America was held in Plymouth in November 1621, and was entirely for religious purposes. The Pilgrims invited the Indians to feast with them and help them give thanks. Two years later another was held to give thanks for the rain that came in time to save their crops and three years later a day for Thanksgiving was held when a ship arrived in the nick of time to save them from starvation. Washington issued a national proclamation, but Thanksgiving was not observed uniformly on the same day until 1863. Since then the last Thursday in November has been observed. In the joy and feasting of Thanksgiving it is easy to forget the purpose of the day. We should always remember that it is set aside as a day on which to give thanks to God. Though our hearts be heavy and troubles many, we should brace up, think of our good fortunes and thank God.

"Thanksgiving Thankfulness" I'm thankful to the master For life he gives to me, For the brain to do my thinking And eyes with which to see, I'm thankful for my country home.

That lies among the hills; I'm thankful for my high school life With its ever changing thrills. I'm thankful to my teachers For the time they spend with me For the range they give my vision.

I'm thankful as can be, To others of my best, Mentally or physically Thoughts, hopes, and all the rest. I'm thankful for our football team— Strong physically and mental— A cleaner bunch is hard to find Than boys here at Ord. I'm thankful there are heights to climb For I want to reach the top, If I get my lessons, do my work If I get my lessons, do my work I'll never stop.

I'm thankful to my classmates For their courage and their smile The courtesies they show me Are what makes life worth while. I'm thankful for our high school Yes our high school all in all, How could we pray for richer gifts To come at life's first call? Selected.

Junior Play Cast Selected

The Juniors are giving their play the first semester this year, so that the second semester will be free for their banquet. The title of the play is, "The Whole Town's Talking." It is a very clever farce with laughs to kill. The characters are: Chester Binny, Chas. Shepard, Mr. Simmons, Adrian Tolen, Mr. Simmons, Rosemary Needham, Ethel Simmons, Marian Cushing, Letty Lythe, Florence Kokes, Donald Swift, Chas. Barnhart, Roger Shield, Rodney Stoltz, Lila Wilson, Clara Lee VanWile, Sally Otis, Sylvia Cornell, Annie, Ellamarie Strong, Sadie Bloom, Tolamae Williams, Taxi Driver, Julius Yala. Everybody ought to see and hear "The Whole Town's Talking," December 12.

Special Music Classes, 60 Students Benefiting

Mr. Toenniges, the new band and orchestra leader says that his music classes during the school hours are improving rapidly. All pupils have their books and the classes are just beginning to move along. Soon we shall see fine results from the classes. There are now over sixty students of the high school taking music lessons of some sort. Each pupil that is taking these music lessons, will receive a credit at the end of the year, to help toward graduation.

Personals

Mr. Kovanda and family have planned to go to Peru to visit relatives. Miss Hardin is going to Lincoln to visit her parents and friends. Miss Baird is also going to spend her vacation with her parents who live in Arcadia. Miss Shaver left for Jewell, Kas. to visit friends there, Tuesday. Miss Johnson is leaving Wednesday for Omaha where she will visit friends. Miss Frederickson is going to McCook to visit her parents. Miss Blanchard is going to Friend to visit friends and relatives. Miss Hntzda is planning to stay here in Ord. Miss Jeary left Tuesday for Chicago where she will visit friends. Mr. Redfern is going to visit in Peru. Mr. Cass is planning to spend Thanksgiving day with his parents and friends at Aurora. Saturday he plans to attend the football game at Lincoln. Miss Nelson is leaving for Hastings to visit her folks and enjoy a big twenty pound turkey. Joe Krefel is going to Plattsmouth to visit, but will return Friday for the football game which is to be played at Loup City. Miss Easley is visiting in Sutton, Clay Center and Lincoln. Miss Bloodgood will spend her vacation with her sister near Kearney. Miss Frederickson's home room has been discussing the race question. Tuesday Miss Shaver's home room had a discussion on "What Makes a Class Interesting?" Miss Hntzda's home room has been telling jokes. Miss Lukesh's home room has been reading the story of Curley Tops at Cherry Farm. Margaret Bonne favored Miss Johnson's home room Thursday morning with a reading which was appreciated by everyone.

Miss Nelson's English class is studying the Writers of the Civil War period, also description and the development of the paragraph. Miss Hardin's advance sewing class have finished making wool dresses. The beginning class are studying cooking they are taking up the breakfast unit. Miss Baird's class is studying child development, and are studying the clothing of children. Miss Johnson's Latin I, class are tracing the History of Rome from the very beginning.

The Sophomore English classes are preparing for examinations this week. Miss Easley's 8th grade literature classes are starting to study Dickens' works. Mr. Redfern's Biology classes have just finished studying the grasshopper. Miss Lukesh's arithmetic class is solving problems in ratio and proportion. With the exception of two or three dates the basketball schedule for the Loup Valley High School Association is filled. The schedule will be issued as soon as it is completed.

The Catholic ladies and Knights of Columbus put on a play November twenty-fourth and twenty-fifth. Several of the high school students took part. On November twenty-ninth the 4-H state crops judging team, Anthony Kokes, Bill Garnick and Harold Benn leave for Chicago on the 4-H Special. County Agent Dale Benn will accompany them. Saturday November 22, the teachers of the Ord schools met with Supt. Bell to talk over their problems. Plans concerning their future work were also discussed. A meeting of this kind is found to be very profitable.

During home room period Monday morning, the Ord High school "Pep Poppers" held a short meeting in the auditorium. Three or four new volume yells were practiced. Mr. Redfern, one of the sponsors, asked all members to wear their uniforms to the Pep Rally Wednesday. Two weeks ago a gymnasium class was organized by Coach Krefel. It meets during the last period in the afternoon on Tuesdays and Thursdays. Twenty-two boys enrolled and they show much enthusiasm. The first twenty minutes are used for exercises, marching, etc. The last part of the period is for games. If enough are interested, it may be placed in the regular curriculum.

I'm sure that everyone taking it enjoys it as much as the reporter. Miss Nelson: "Use the word de-spair in a sentence." Ruth James: "If a tire blows out put on de spair."

Miss Blanchard's Junior English Study Shakespeare

The Junior English classes have just finished the story, "The Tragedy of Macbeth," by Shakespeare. During the time the Juniors were studying the play, members of the class took the parts of different characters in different scenes and acted them out in class. This made the story much more interesting and easier to understand. Along with this work, each member of the class was required to read another story by Shakespeare and make a booklet of it. The booklet consisted of the pupil's summary of the story and pictures to illustrate different characters and different scenes. We find the Juniors now ready to start on a unit of extemporaneous speaking. These oral talks are to last about three minutes and they are to strive to correct all characteristic faults.

Girl Reserves Daughter And Dad Banquet Is Held

The Dad and Daughter Banquet was held Thursday evening, November 20. The High School Auditorium was decorated in yellow, brown and red, the autumn colors. The stage was very originally decorated with an Indian Teepee. In front of the Teepee was an imitation fire, and a large old-fashioned kettle hung. Each table had on it a pumpkin and two lighted candles. The favors were noise makers, caps and balloons. Nearly every Girl Reserve was there with either her father or someone to take his place. Some of our teachers were also present. Everyone enjoyed the program immensely. Rosemary Needham was toastmistress. The toasts were worked out in the way of G. R. D. A. D. S. This went as follows: Greeting by Elizabeth Janssen, Response by Rev. Williamson, Dads by the Daughters was given by Florence Kokes, A Friend by Mr. Bell, and the last toast, Daughters by Dads, by Mr. Marion Cushing. A number who were invited by Dr. Blessing, Mr. Colli-priest, Elizabeth Janssen and Rosemary Needham. All who attended complimented it as a fine banquet.

Father and Son Banquet. The Ord H-Y club of our high school, sponsored a father and son banquet, Monday night. A large crowd of one hundred and sixty four fathers and sons attended. The program opened with Glen Auble leading a few father and son songs. James Milliken on the piano. Toastmaster, Shepard who talked on the subject, "To our Dads." Elizabeth Janssen played a saxophone solo. Mr. Irl Tolen introduced Will Maupin of Hastings, who gave a very interesting address. The program closed with the last verse of America.

F. F. A. REORGANIZED A meeting of the old members of the F. F. A. Future Farmers of America) Chapter 107 was held last Thursday. The meeting was called to order by the old president, Adrian Tolen. Bud Brickner was elected as the new president and he immediately took charge of the meeting. Harold Benn was elected vice president, Adrian Tolen for secretary and Anthony Kokes treasurer. The chapter made arrangements for an initiation of the new members in the near future. Mr. Kovanda is the local leader of the club.

Girl Reserve Candy Booth. The Girl Reserves wished to make some extra money this year so they took up the sale of candy. They are permitted to sell this at noon and at four o'clock. A fairly good profit is made on the sale of this candy. The proceeds will be used to pay the National Girl Reserve dues and will also take care of the socials during the year, such as parties, hikes, banquets and any other bills that might come up. They plan to carry on this sale of candy throughout the year.

It was decided that the organization would make a special effort to win a national citation which is secured through outstanding effort on the part of the organization. A splendid report was given by Mrs. Frank Schubel as chairman for the rehabilitation committee. The Rood-Thorngate clan will hold a family gathering on Thanksgiving day at the home of Otto Hill.

Rev. H. S. Warren, accompanied by Rev. Bond and Dr. Bishop who were here from Sargent, College, Va., returned Wednesday from a short visit at Viborg, S. D. with Mr. and Mrs. Pimon Swenson who are known in the Seventh Day Baptist denomination as Lone Sabbath Keepers. That is they are the only ones in that particular denomination in that locality. Rev. Warren brought back with him 352 dimes which this family had saved to contribute to the missionary work of the denomination and which will be sent to the mission board by the local society.

Mr. and Mrs. Frank Johnson drove to Geneva Sunday, bringing their daughter, Mrs. Howard W. Hamilton home with them. Mr. Hamilton will come for Thanksgiving Day. Mr. and Mrs. Will Cox are expected to spend Thanksgiving with friends at Lexington. The Zangers are expecting Mrs. Zanger's parents, Mr. and Mrs. C. A. Burris of Garrison, Ia., for Thanksgiving.

A home service was held at the usual preaching hour Sunday night at the Methodist church. A number of old fashioned hymns were sung by the congregation, and Edgar Guest's poem, "A Heap 'O' Living" was read by Mrs. W. O. Zanger. A drama of home life was given, entitled "Yesterday and Today." This was in two scenes and the first scene had to do with the religious problems that confronted the young people of twenty-five years ago. Those taking part in this and with costumes appropriate to the period were Mrs. John Manchester and W. O. Zanger and his son Charles. The second scene dealt with the religious problems which confront the young

people of today. The actors in this scene were Mrs. H. C. Dallam, Vernon Thomas and Donald Fisher. "Home Sweet Home" was sung by S. L. Shinneman and the scenes. Hubert Vodehnal was also a guest. The Bridge club met on Tuesday evening of this week with Mr. and Mrs. Harry Gillespie. On Friday evening the North Loup chapter of the Epworth League were hosts to the chapters of the Loup valley district. Owing to the condition of the roads a number of delegates were unable to come, but there were representatives present from Burwell, Ord and Scotia. In all there was an attendance of about one hundred. The North Loup young people in Puritan costume conducted a service such as was held in the days of the Pilgrims, with Rev. Schwabauer conducting the service. Rev. G. A. Randall of Scotia participated in this and delivered the principal address. A debate had been planned for Burwell versus Loup City on "Resolved that it would have been better to have lived in pilgrim days than in the present," but those who were to participate from Loup City were unable to be present. Reports were given from the various leagues of the district. Appropriate refreshments were served of Boston brown bread, baked beans and coffee.

Mr. and Mrs. C. B. Clark are expecting their daughter Nettie home for Thanksgiving. She is high school principal at Bloomfield. Pussyfoot's Sportlog By GEORGE ROUNDT, JR.

Rex Reed, former Ord high athletic mentor, is enjoying a good football season at Chappell, Nebr., where he is coaching in the high school. Seeing Rex in Lincoln a few weeks ago reminded me of old times at Ord high and his excellent coaching. Every year he is being more successful than he was here. Thus far this year, the Chappell boys have suffered but one loss and they are considered one of the strongest teams in the western end of the state. They play Sidney, another undefeated team from Lincoln, which should be a battle. Without doubt, Rex Reed's team will give a good account of itself.

While at Ord, Rex won many friends. He was one of the greatest coaches ever at the local school and especially good in football. Having been a high school teacher on while here, he made a good record which Ord high teams have not been able to do since he left.

Unless something unexpected develops, Hank Armatis will be in Ord over the Thanksgiving vacation from his studies at the University of Nebraska. What Hank comes for nobody knows but he is coming up as my guest. Perhaps he will see other people if he can break away from—me long enough.

As forecasted at the opening of the season, Chris Mathis has been Coach Bible's regular signal caller on the Cornhusker football team this year. With this year's experience, Chris should be an outstanding star next year with the Cornhuskers. Little Dickie Koupal hopes he will return to work in Ord this summer so Chris can teach him how to play football.

Scotia high school football followers are angry as a result of a recent game with St. Paul when the Greeley county fellows claim they got a "raw" deal in the officiating. St. Paul won the game by a single touchdown margin. Genial Dan Webster probably didn't let Editor Roe of the Scotia Register get away with any remarks. Webster probably reprimanded Howard for criticizing the officiating.

From Harry Wolf, custodian at the new high school, I learn that there is a possibility of having a district basketball tournament in Ord this year. Harry says a meeting at the Ord high auditorium recently of other school representatives brought action to bring the high school tournament to Ord this year.

I have always been an advocate of basketball tournaments for Ord. I believe that if a good basketball tournament were held here, it would tend to stimulate interest in high school basketball which has been at a low ebb for the past two years. Grand Island has had the district tournament before but why not Ord in 1931? We have the facilities and equipment that no other school in the Loup Valley region possesses and we have the men to run the tournament off.

It appears to me that it might be well for Superintendent Bell to attempt sincerely to get the tournament next spring. Interest on the part of the Rotary club and Community club might help to bring the tournament here. It certainly

Man Who Started World Writing Memoirs to Justify Himself

IN the quiet of his home in Vienna, a man, near 70, is penning his memoirs as this armistice day rolls around. His name is not familiar. Neither is his picture. Yet it was he, according to recently published historical documents, who was more responsible for bringing about the war than any other individual.

Count Leopold von Berchtold

He is Count Leopold von Berchtold, former secretary of state and foreign minister in the cabinet of Emperor Franz Joseph of Austria.

The charge against Berchtold is that he falsified documents and deceived not only Kaiser Wilhelm and Sir Edward Grey of England but his own monarch, Emperor Franz Joseph.

How It Started Every one knows now that the conflagration was ignited with the assassination in Serbia of the Austrian crown prince and his wife. No nation considered this sufficient cause, however, to indict the entire Serbian people. Yet Berchtold, historians now say, quickly seized this excuse to go to war.

His anxiety was inspired by a desire to regain for himself, as well as for his country, some of the prestige both had lost in diplomatic exchanges following the third Balkan war in 1913.

Because of blunders, Austria's prestige noticeably declined, while Serbia's efforts to extend her power to the Adriatic and to win recruits for the ideal of a great Serbia among the Slavs of Austria-Hungary became more and more evident.

For these reasons, Berchtold, in spite of warnings that any belligerent action on his part would set the whole world at war, sought a break with Serbia. Following the assassination, he

But Berchtold was also ambitious. Even if Serbia had accepted the ultimatum in its entirety he had taken steps to provide against such a contingency by finding other causes for declaring war.

Plans came to Austria from all over the world to settle the situation amicably. Grey proposed a conference. Russia did the same. Serbia even wrote that it would accept even the last two points if the matter were set before a council of arbitration. All these offers were refused.

In order to persuade his hesitating emperor to sign the declaration of war against Serbia, Berchtold wrote in his report that Serbian troops had attacked Austrian troops at Temes-Kubin.

Afterward Berchtold erased the sentence about the attack from the declaration because it was proved untrue. He had deceived the emperor, and he deceived Sir Edward Grey with the same fiction. He had, in the words of Emil Ludwig, the historian, "not merely deceived his allies, but also his own imperial master, by concealing from him at least the fact that this reason for war had vanished."

Since the armistice was signed 12 years ago, Berchtold has been silent until a year ago when he attempted to refute in a Budapest paper the charges made against him in the book "July 14" by Ludwig

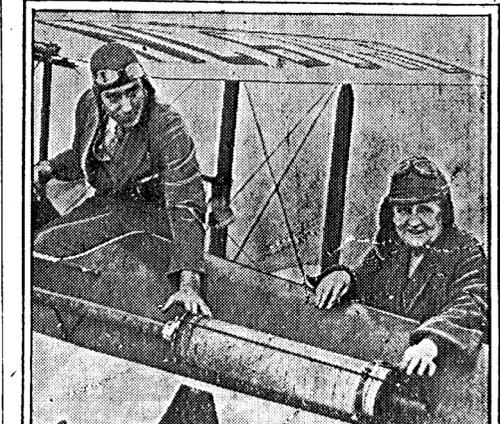

Berchtold wrote: "We were rather convinced that the vital nerves of the monarchy were being constricted by terrorist Serbian propaganda and that we should be irrevocably lost unless we could compel Serbia to cease her sinister work of disintegration."

What's New in Farming!

HEN'S INCOME ELEVEN CENTS DURING OCTOBER

Farm Records Indicate Average Market Egg Price 23 Cents; One Cooperator Here.

The average net income per hen among thirty-six Nebraska farm poultry record co-operators during October was eleven cents, according to word reaching the Quiz from the agricultural college, Lincoln, this morning. There is one co-operator in Valley county. The records are sent into the poultry department at the college.

Records for October show the average market price paid to co-operators for eggs was twenty-three cents. This is a probable near average price for market price of eggs in Ord during the month. One co-operator reported he received an average price of thirty-six cents a dozen for his eggs while another showed he received an average price of but seventeen cents a dozen.

Jack Redditt, poultry specialist, pointed out in his report to the Quiz that the average number of eggs per hen laid by the some seven thousand hens was 8.3 eggs. The high hen production was 17.3 eggs while the low average was but 1.9 eggs for the month.

The records show it cost sixteen cents to keep a hen in October. Feed costs were accounted for in that sum. The average gross return from each hen was twenty-seven cents.

Corn Fodder Good To Protect Fruits

Valley county people may find corn fodder can be used as a protection for red raspberries, grapes and other small fruits against cold weather, horticulturists at the agricultural college, Lincoln, say. They also believe the fodder may serve as a protection from the wind and the snow around the farm buildings.

Farmers in central and western Nebraska particularly have protected their small fruits by standing a single row of corn fodder bundles up against the north side of the grape vine or against the temporary fence built along the raspberries and other small fruits. This is probably true of farmers around Ord.

Those who would be sure that their red raspberries go through the winter in good condition will prune them out and lay down the strongest canes, staking them down and then covering them with 4 to 6 inches of loose dirt.

Mrs. Kenneth Draper will be the next hostess to the O. G. E. club.

Husking Champ

Here's the winning smile of Fred Stanek, of Webster county, Iowa, who won his fourth corn-husking championship in the presence of 40,000 people at Norton, Kan., recently. He husked 30 bushels of corn, net, in 80 minutes, to win from competitors from seven leading corn-producing states.

Hominy Fed Pigs Make Small Gains

Hominy fed pigs with a protein supplement eat less feed and make materially smaller gains than pigs fed corn and a supplement, according to experiments conducted at the agricultural college, Lincoln. The results are published in a recent hog manual, written by Prof. Wm. J. Loeffel. Though little hominy is probably fed hogs in Valley county, local farmers are interested in its possibilities.

On a replacement basis, hominy ranged from 95 to 100 percent as valuable per unit of weight as corn in the experiments. Loeffel says results at the Purdue experiment station in similar tests revealed approximately the same replacement value.

In the tests, Loeffel points out in his bulletin that where the hominy feed replaced only a part of the corn or where it was fed with corn, more satisfactory gains were obtained. Evidently the feed has possibilities as a supplement feed.

Hominy feed or meal is a by-product of corn milling by the dry method. This feed consists of the corn bran together with the germ and some starch materials. In some instances Nebraska farmers may find the oil extracted from the germ. Ordinarily, the feed is absorbed by commercial feed mixtures.

Hedges Predicts Corn Prices Will Remain Steady

Steady to little higher corn prices are probable in the next thirty day period for Valley county farmers, according to the monthly economic situation report as issued from the agricultural college today. Hedges predicts there may be some further recovery in wheat prices from recent low prices.

As most Valley county farmers expect, seasonally lower hog prices are probable during the next thirty day period. There may be a little upward reaction of fat cattle prices from recent sharp declines. The economic situation says steady to weak prices for stocker and feeder cattle, weak butter prices, somewhat higher egg prices, and poultry prices near present levels are expected.

There are large supplies of both grain and forage in many sections of the state, Hedges remarks in his economic report. This together with reasonable prices of feeding classes of livestock offers Valley county farmers a good opportunity to profit from winter feeding during a period when the corn belt states are forced to reduce operations.

The supply situation here is like it is in some other Nebraska counties. The corn crop is good and grain crops on a whole this year were good.

Although wheat prices may recover somewhat from recent low points during the next thirty days, no material advance appears likely unless southern hemisphere crops suffer damage. Pressure of Canadian supplies on the export market will probably continue until the close of the lake navigation in the middle of December. Not enough local wheat is raised in Ord and whereabouts to have the price when it is low, burden the farmers when it is low.

Price declines of about 12 cents since the middle of October in corn prices has discounted the prospect of the heaviest new corn movement makes further downturns less likely. The economic situation reads in predicting that prices will probably stay close to present levels in the next thirty days.

Demand for corn, as influenced in livestock feeding requirements, must be considered along with supply in predicting the probable price. Hedges emphasizes in his report.

The seasonal trend of hog prices in the next thirty days is expected to occur. Market receipts during recent weeks have been moderate and the pork storage situation continues to be favorable. The rural economics department believes fat cattle prices may react upward somewhat from the sharp decline of recent days during the next thirty-day period. No material advance, however, is expected. Choice kinds suitable for Christmas trade will command premiums in the next few weeks.

Valley county farmers may find a little further weakness in butter prices in the next period although the usual seasonal trend is upward from November to December. The economic situation says poor consumption demand continues to be the main cause for weakness. The storage situation is reasonably favorable as compared with a year ago.

Egg prices will probably work toward their winter peak in the next thirty days although some weakness may be in evidence by the end of the period.

Valley County Boys Attending Farm Short Course

Two Valley county boys, John Campbell of Ord and Harold Rich of North Loup, were registered for the annual Farm Operator's short course which opened at the agricultural college Monday of this week. Over one hundred Nebraska boys are enrolled in the course.

Last year Wayne Coats of Ord, attended the farm operator's course at the college. Neither returned this year.

The two Valley county boys enrolled in the course will study all about farm operation. Courses in every phase of farm management have been arranged for them. Instructors in regular college courses are to head the classes. The boys will study animal diseases, crops, horticulture, English, and every other phase of practical farm management.

Waldmann Says Bees Must Be Dry And Have Plenty of Honey in Winter

Doesn't Pose As Bee Expert But Round Believes Suggestions Should Be Followed.

Keep your bees dry and give them plenty of honey in carrying them through the winter months—that is the motto of Jos. J. Waldmann who lives west of Ord and near Comstock. Mr. Waldmann doesn't pose as a bee expert but since he is a successful bee producer, many Valley county farmers realize he knows what he is talking about.

"We always have our best luck when we leave our bees out of doors all winter with some wind-break from the north and some old cloth between the bees and the hive cover," he told me recently by correspondence.

Since the Valley county farmer is a big seller of honey and has been quite successful he should know the best method of keeping bees over the winter and Mr. Waldmann's suggestions are evidently good ones.

Mr. Waldmann also believes that the bees should have plenty of

honey to keep them during the coming cold months. The amount of honey stored for each swarm depends a lot on the weather conditions, he further believes. Bee experts agree with the Comstock man about the weather controlling element in regard to the amount of honey needed.

"When we find the bees are apt to be short some honey, we feed them some of the darker that is not saleable," Mr. Waldmann wrote me. In this way the bees get their honey if it is needed and the product is cheap.

In reference to the lifetimes of a bee, Mr. Waldmann may agree with O. S. Bare, extension bee specialist from the agricultural college, who says that a bee's life may be partially measured by the number of times it flaps its wings.

In the winter time, Bare explains, the bees cluster up in the middle of the hive. Those on the outside keep their wings going to generate heat for the others and they use up energy in doing so.

It might be well for Valley county farmers keeping bees this winter to follow Mr. Waldmann's suggestion about keeping the bees dry and providing plenty of honey if necessary.

Dairy Business Better But Still Is Below Normal

After a comparison of butterfat production in September and October in dairy herd improvement associations in Nebraska, extension dairymen at the college of agriculture believe the dairy business has picked up some but it is not quite what it was a year ago.

The dairy organization was taken into consideration when making the comparison.

E. C. Scheidhelm, extension dairymen who is quite well known in Valley county, shows by a comparison of production in September and October of this year that the number of cows sold in October exceeded the number sold the previous month by ten head. He also says the number of cows sold for breeding purposes has increased in October and December. The number of cows bought for the same two months of this year was the same.

The extension dairymen says the average cow testing association in Nebraska has 23 herds. In each association there are 306 cows on the average while there is an average of 13.2 cows in each herd in dairy cow improvement work.

In comparing the returns of the dairy herd improvement cow and the average cow for 1929, Scheidhelm says the former paid their owners 54 cents an hour for labor. He says the average cow paid but 43 cents an hour for labor. These, he says, point to the value of dairy herd improvement work in Valley and other counties over the state.

Feeding Hogs Three Times Daily Fails As Gain Producer

Feeding hogs soaked barley three times a day will not increase the daily consumption, according to Prof. Wm. J. Loeffel of the agricultural college in a recently published bulletin upon barley as a hog feed. Experiments conducted at the college to test whether the extra feed was practical failed to show the practicability of the practice.

The pigs fed twice a day gained one-tenth of a pound a day more rapidly than those fed three times. Valley county hog producers are probably interested in the results since often they have contemplated the daily consumption. Loeffel says the pigs fed twice a day made more efficient use of their feed, Loeffel says for the benefit of hog producers in Valley county.

In the experiments conducted, Loeffel says in his bulletin that the problem was studied in a 10-day feeding trial in which one lot received soaked ground barley three times daily and another lot received the same feed twice a day. Tankage, fed twice daily, constituted 7 percent of the concentrate. It was mixed with the barley just before feeding.

A self-feeder containing tankage was kept before the pigs which were fed three times daily. Racks of alfalfa hay were supplied to lots.

Results of the experiments showed that additional feeding did not increase the barley consumption. Loeffel points out that it did indicate that the group fed twice daily received a full feed. The experiment also showed that the self-feeding of tankage where the grain is hand-fed is uneconomical. The consumption of tankage was increased.

Dale Will Attend Meeting At Lincoln

County Agent Carl C. Dale will probably be in Lincoln for the week of December 15 for the annual county and state extension agents' conference. It is to be held at the agricultural college.

Each year the county agents over the state gather at Lincoln to discuss common problems with each other and with the faculty of the college of agriculture. Some plans for the 1930 program of the extension service will be outlined during the conference.

pounds of butterfat annually can afford to pay \$1.04 a bushel for corn. He based his statement upon butterfat being worth 33 cents a pound. Emphasizing the value of the butter producer, Davis points out that the dairy cow that produces 400 pounds of butterfat per year can afford to pay \$1.20 per bushel for corn with butterfat at 38 cents a pound.

In emphasizing the value of dairy cattle on Nebraska farms, the college of agriculture man says the ideal number of cows for the average farm to have is from six to ten. The practice would result in increased incomes, he believes.

Now there are about four milk

cows to every farm. Davis, however, maintains that many of the cows carry only the courtesy title of dairy cows. He advocates the replacing of the boarders with good producers in view of the fact that the good producer will prove her value.

It is probably quite true that there are many so-called dairy cows on Valley county farms that are not making their owners any profit. Gradually though, local dairymen believe farmers here are learning the value of the good producer and turning to her type.

BACKFORTH

By J. A. Kovanda

Some time ago we made a report in this column concerning our hybrid corn tests.

When this amount was added to each of the hybrids it gives them a 2 bushel advantage in yield over Kokes' white corn, the local variety.

Another local variety, Willard's cattle corn, yielded only 27 bushels, but there is some question as to whether or not it had the same conditions to grow under as the other corn.

Hybrid corn only outyielded ordinary corn by 3.8 bushels in Johnson county, according to County Agent Huston.

The hybrid corn test run on the farm of Carl Brock this year was harvested last week, and calculations made on the acre basis.

The corn was planted on May 30. Five kernels were planted in hills three and one-half feet apart with the rows three and one-half feet apart.

The different varieties showed up differently. Some were well matured with fairly good quality of corn.

WILL THAT POINT AFTER TOUCHDOWN AGAIN BE THE DECIDING FACTOR WHEN NOTRE DAME CLASHES WITH SOUTHERN CALIFORNIA NEXT MONTH?

BY PHILIP MARTIN

THE parade of stars that has made the annual Notre Dame-Southern California football contest one of the greatest attractions known to gridiron will continue, and perhaps surpass anything that has gone before, when the Fighting Irish-Savoldi, Carideo, Schwartz, Kurth, Kassis, Terlaak, Kaplan and that gang-meet the Thundering Herd in Los Angeles Dec. 6.

At no time in the last decade have two groups put on spectacles matching in sheer football skill and power the clashes between the Irish and the Trojans that began back in 1926.

And it will be the same this year. Coach Knute Rockne admits that Carideo, Brill, Schwartz, Savoldi, Mullins, O'Brien, Koken, Kaplan and O'Connor comprise the greatest backfield he ever assembled.

Both Rockne and Jones have developed strong lines. Notre Dame's line lacks the individual brilliance of last year's which graduated Cannon, Moynihan, Twomey, and Law, but the 1930 group is just as strong collectively.

By a strange trick of fate, South-

Howard Jones, Trojan coach, he'll match wits with Knute Rockne.

ern California has outscored Notre Dame 57 to 47 in the four previous contests, although losing three of the games. And by another queer twist, Southern California has lost each of the three games by the margin of a single point after touchdown.

FOUR years ago, a Notre Dame team that included All-American center Bud Boeringer, Chris Flans-

gan and Harry O'Boyle, speedy ball-carriers, journeyed to Los Angeles for the first time. They gained a 13 to 12 triumph over the Trojans, despite heroic efforts by Morton (Dewey) Kater, All-America half-back, Jesse Hibbs, great tackle, and Morley Drury, sensational triple-threat quarterback.

Jones shipped his Trojans east to Chicago in 1927 but again he saw a Notre Dame combination of Flanagan, Neimle, Parisien and Smith defeat Drury, Williams and others of his Thundering Herd. This time the score was 7 to 6. And following this game, Drury of U. S. C. and Smith of Notre Dame were named quarterback and guard, respectively, in the All-America selections.

Notre Dame suffered her most disastrous season under Rockne in 1928, and Southern California helped to make it just that. The Trojans, with most of the damage being done by Williams and Lloyd Thomas, younger brother of Chicago's 1922 All-America fullback, John Thomas, ran up a score of 27 points against Notre Dame's 14.

If Howard Jones ever threatened the life of the fellow who invented points after touchdowns in football, he must have done it a year ago, for the Trojans again were defeated by the Irish, 13 to 12. In this contest, Russ Saunders, Jones' great quarterback, ran the length of the field with the kickoff for Southern California's second touchdown. Even then, the tying point could not be registered and the Irish went through the season undefeated.

MICKEY WALKER'S DECISION TO STEP UP A CLASS IS BAD NEWS TO AMBITIOUS HEAVIES—HE'S ON SCHMELING'S TRAIL

BY PHILIP MARTIN

If you will lend a little assistance in moving this heavy football scenery to the rear of the stage, we may be able to put on a little vaudeville bill, with boxing skits holding the top spot.

The main attraction, of course, will be that inimitable Toy Bulldog, Mickey Walker, who will share the spotlight to a certain extent with his equally inimitable manager, Jack Kearns.

It was Kearns, with his penchant for sensational disclosures, who recently startled the boxing realm with this statement: "We have Joe Jacobs' word for it that Max Schmeling will defend his world's heavyweight championship against Mickey Walker in Chicago next summer."

Of course you don't have to be told that Jacobs is Schmeling's first lieutenant—and maybe his word in a matter of this kind is good. At any rate, Kearns has set up his stand in Chicago and is ballyhooing the title fight for that city for 1931. He claims that the money to pay the champion is ready and in any quantity.

In some states Walker still is the middleweight champion of the world. In some others he is not. In any state, however, Mickey can't find any middleweights to play with him. He drifted into the light heavyweight ranks and found there an unemployment situation almost as critical.

Mickey Walker

Now he's a heavyweight and Kearns says that Mickey will weigh 180 pounds for his forthcoming heavyweight fights. There are more who believe Walker will cut a great figure in the unlimited division. This much

is certain: he should have an easier time of it against such fighters as King Levinsky, Tuffy Griffiths, Max Baer, Victorio Campolo, Tommy Loughran, Ernie Schaff and a few others than old Ruby Bob Fitzsimmons had when he deserted the middleweight ranks for the heavyweight division some 30 years ago. The current crop, including the champion and the so-called contenders, is far below the usual standard.

FRANK BRUEN has resigned as manager of the Madison Square Garden corporation, but President Bill Carey says the Garden will continue to stage championship fights, and winter bouts in the south, particularly.

Right here it might be well to state that Atlanta, Ga., seeks the 1931 fight attraction for the south. Atlanta would put on Young Stribling as one of the principals.

A Walker-Stribling bout, staged in Atlanta where Stribling could entertain his many Georgia friends, appears to be the most likely boxing attraction that could possibly be arranged. Walker always has been popular; Stribling is the idol of Dixie fight fans. A sort of hate to try to pick a winner if Walker and Stribling were to meet. I like them both. However, there would be no hesitation on my part in naming either to beat Schmeling.

How Wickersham Keeps in Trim

George W. Wickersham, chairman of President Hoover's Law Enforcement Commission, is shown here on his favorite mount at the start of a canter through the parks of Washington, D. C. Daily horseback rides comprise his exercise.

As Oil Well Menaced Oklahoma

Spotting a stream of oil 300 feet high, this wild gusher spread such a quantity of oil and gas throughout Oklahoma City recently that it was feared that a part of the city would be consumed by flames. Hundreds of men, however, working frantically, succeeded in capping the well with a steel cone weighing more than two tons.

Full Gospel Revival Notes.

The Full Gospel Revival that started on 22 in the Odd Fellows hall will continue in the American Legion hall from Tuesday night, Nov. 25th until further announcements. Special subjects such as "Healing," "The Holy Ghost Baptism," "Speaking in Tongues," "Trophies," "Gifts of the Spirit," will be examined by the word of God. A special healing service is announced for Friday Nov. 28. All are welcomed regardless of creed or denomination. The sick are especially invited. Services every night 7:30 p. m.

Noll Seed Co. NEWS

Thanksgiving comes this week and our place of business will be closed all of Thanksgiving Day.

We have a lot to be thankful for this year. We have had plenty of good health and have had the finest business that one could ask for. Our customers like the goods we sell them. The quality is right and our price is always in line with the quality we sell.

We are expecting another car of Bon-O-Fat Tankage within the next week. If you feed tankage to your hogs ask us about this great feed and get your requirements right off the car; or if you desire we will make you a very good price on it delivered to your farm.

If your wife has been having trouble making good bread get a bag of our White Elephant Flour. It may cost more than some of the cheap flour but you will forget that when you see and eat the wonderful bread that can be made from it.
