OLD SANTA CLAUS WANTS TO HEAR FROM CHILDREN

Quiz Gets Letter From Bringer Of Gifts; Will Try To Satisfy Wants Of Good Kiddies.

For several years genial Santa Claus, patron saint of all children, has been trying a new system in determining what gifts kiddies of Ord and Valley county really want. Each year about this time he writes a letter to the Quiz asking all children to write to him in care of this newspaper. Then he reads the Quiz carefully, makes out his lists from the letters printed in the paper, and tries to bring the children exactly what they asked for. His annual letter to the Quiz arrived this week.

Santa's letter comes from his home in the Arctic Circle, snuggled up next to the North Pole, where Santa lives the year around except when on his long jaunt at Christmas time. He has his big workshop there, where toys and other gifts for good children are made under his own supervision.

Here is Santa's letter:

Dear Quiz Editor:— Well, Christmas time is almost here again and I expect to be on the job as usual. I like to see Christmas the happiest day of all the year and I want to bring children just what they most want.

I know that you take great interest in the children of your town and county and that you want them to have just the things they want for Christmas. I always try to bring children what they want, whenever they write and tell me. But I get thousands of letters every day from children all over the world. It takes a lot of time to open all those envelopes, even with Mrs. Santa's help, so I'm going to ask you to help me again this year.

I'm sending you a little letter to the children that I wish you would print in your next issue.

It is addressed to the children and I'm sure when parents see the letter in your paper they'll read it to the kiddies and then the kiddies will write to me in care of the Quiz. I'll ask you to print the letters between now and Christmas and as I get the Quiz I will read them carefully, then I'll know just what to bring Valley county children and will do my best to do it.

Give my love to all the children.

Yours truly, SANTA CLAUS

The Quiz is doing a grand job. Santa asked and in another place on this page you'll find his letter to the children. We're doing our part and we're sure Santa will do his part so all children have to do is write to Santa Claus, Drawer 11, Ord, Neb., and tell him what they want most for Christmas.

And just a word of advice to children—times are hard this year and you'd better not ask Santa for too many things, because he doesn't like greedy children and besides he has to have enough toys and dolls and other gifts to go around. Just tell him what you want most—maybe two or three things—and most likely you'll find them in your stocking Christmas morning.

We'll save a place in the Quiz next week for your letters, children.

Blessing Car Wrecked

Lorenzo Blessing's Plymouth sedan was badly damaged last Wednesday evening when it overturned on the highway west of Bussell park. Ross Blessing, who was driving it, was uninjured. icy roads were blamed for the accident. The car was taken to Grand Island the next day for repairs.

Rev. Spracklen Has Radio Talk With Old Time Friend

The miracle of modern radio means something to Rev. H. H. Spracklen, Ord United Brethren pastor, for Monday evening he held a long conversation by means of John Anderson's short wave station, with Andrew Robson, of Winner, S. D., a friend of year's standing. On Sunday night John, who is a licensed amateur broadcaster with W9FCT as his call letters, picked up Robson's station, which likewise is licensed by the government. In the course of their conversation Mr. Robson mentioned the fact that he knew an Ord man, Rev. Spracklen, very well. John asked if he would like to talk with him and, Robson answering in the affirmative, a "date" was made for the next evening.

Monday night the two friends had a long conversation over the ether waves, first Rev. Spracklen talking and asking questions with Mr. Robson listening, then Mr. Robson broadcasting with Rev. Spracklen receiving. It was a unique experience for the Ord minister as it was his first time before the "make", and he enjoyed it greatly.

A Letter From Santas' Headquarters

Dear Boys and Girls:

I'm going to ask your help again this year, because I've been awfully busy and won't have time to open and read all the letters that come direct to me here near the North Pole.

You see if I know just about what you want for Christmas it saves me lots of time, so if you want to help me please write to

DRAWER H., ORD, NEBRASKA and tell me of your wishes. I will have your letters printed in the Ord Quiz and then will look them all over and make my arrangements accordingly.

We have been having lots of snow and cold weather up here and the reindeer hay crop is short so I may have to drive my dog team or maybe come to Ord in my airplane this Christmas. We want to start in a few days, so better get your letters ready and mail them to Drawer H now.

I want you to tell me how old you are, whether you've been a good boy or girl and also be sure to tell me where you live so I'll know how to find you.

Watch for your letters in the Quiz and be good children for I have a fine lot of presents to distribute this year.

Lots of love from

Santa Claus

FREE WHEELING, SYNCRO-MESH IN NEW CHEVROLET

20 Percent Power Increase Featured In New Model on Display Here Saturday, Says Seyler.

The new Chevrolet for 1932 will be on display in Ord this coming Saturday, December 5, according to Ed Seyler, manager of the Graham-Seyler Chevrolet Co., who returned Monday from Omaha where he attended a meeting of Nebraska dealers and inspected the new models.

Free wheeling, syncro mesh transmission, a twenty percent increase in power, stream lined bodies and a wealth of other new features are in the new car, Mr. Seyler says, and it will be sold in the price range of the present series.

Among the improvements from the 1931 model that he mentions, the new car will have down draft carburetion, counter balanced crankshaft, smaller wheels and larger tires, radically changed front end appearance, improved clutch and an additional cross member in the frame.

Twelve standard body styles are in the line for 1932—three open and nine closed Fisher bodies all in new Duco color combinations. The car looks longer than last year, lower, speedier and more powerful—promises borne out by the new engine, which has been increased from 50 to 60 horsepower.

The new engine is smoother and quieter, as well as more powerful, according to Mr. Seyler, because so many reinforcements have been made. Main crankshaft bearings are thinner, making possible an increase in diameter of the crankshaft journals. The crankshaft, with four counterweights, weighs 53 pounds, which is five pounds more than last year. Lubrication to the crankshaft and camshaft bearings and valve stem is positive pressure this year, instead of splash feed as formerly.

In addition to the new down draft carburetor a heat control valve has been added to the exhaust manifold to concentrate the hot exhaust gases for easy starting. Other refinements include an air dome added to the fuel pump, a new four bladed fan that makes for improved cooling, and a new cushion-mounted clutch. The transmission unit, incorporating the syncro-mesh principle and the over-running clutch or "free wheeling," is entirely new and Mr. Seyler says he believes it is the first instance of any manufacturer offering the combined features to the motoring public.

"The Great American Value for 1932" will be Chevrolet's new slogan. The Graham-Seyler company is making arrangements for a big crowd of visitors to inspect the new Chevrolet Saturday.

Ord Co-op Creamery Meeting December 10

At 2 o'clock next Thursday afternoon, December 10, at the city hall in Ord, stockholders of the Ord Co-operative creamery will hold their annual business meeting. Manager Fred Coe tells the Quiz this morning. The annual report will be given, officers elected and other important business transacted so it is urged that all stockholders be present.

Evening Classes For Farmers Organized

A farm management class for young farmers who have graduated, or are out of high school, has been organized by the vocational agriculture department of the Ord high school.

The plan being followed this winter is to conduct the instructional session during the fore part of the evening, and follow it with some kind of recreation in the gymnasium.

An enrollment of about one dozen young men has been secured, and this is expected to increase. The first meeting begins tonight at eight o'clock in the high school agricultural room. The course will be continued on Monday evenings after this week for an indefinite period. The course is open without charge to country folks.

Gadd Dies In South Dakota

G. E. (Ed) Gadd, a former Ord resident, passed away Monday in York, Neb., where his son, Lloyd Gadd, lives. Funeral services are being held today in Winner, S. D., which had been Mr. Gadd's home since he moved away from Ord about twelve years ago. He was janitor of the court house there. Last spring he visited in Ord and was taken ill soon afterward.

Olfert Magnussen Highest At Dana

The highest grades at Dana College, at Blair, during the first six weeks period were made by a former Ord young man, Olfert Magnussen, whose home is now Auditor, Ia. Olfert is a sophomore at Dana and is twenty years old. He is earning his way through college by working in a co-operative filling station but his high standing indicates that he has plenty of time left to pursue his studies. Olfert is a son of the late Rev. J. Magnussen, who filled the Ord Danish Lutheran pastorate for several years.

Noll Ships Popcorn To Foreign Country

A carload of popcorn leaves Ord this week consigned to a foreign country, so in a few weeks children of Germany or Austria probably will be munching the delicious grain grown in Valley county. The popcorn is white rice and is shipped by the Noll Seed Company. It was sold through another firm so Manager Bob Noll doesn't know exactly what foreign country it will be shipped to, though he believes it will go to Germany or Austria. Each bag of the popcorn is being Stencilled "For Foreign Export."

Mr. Noll also reports carload shipments of sweet clover and sweet corn this week. This is the second carload of clover seed that he has shipped in recent weeks.

Schwamer Car Hits Motorcycle Sunday, Young Man Killed

One young man was killed and another seriously injured west of Scottsbluff Sunday when a car driven by Charles Schwamer, who is well known in Ord, had a head-on collision with a motorcycle on which two were riding. Mr. Schwamer was unhurt. John G. Pottevin, 21, who was driving the motorcycle, was killed instantly and his companion, Charles Davenport, was taken to the hospital. The motorcycle turned out to pass another car and struck the Schwamer auto head-on, papers say.

16 GRIDSTERS EARN RIGHT TO WEAR LETTERS

Ord High Closes Successful Grid Season After Long Slump; Lashmett Honorary Capt.

Sixteen Ord high school boys who earned the right to wear the honorary letter "O" on the gridiron this fall were guests Monday of the Ord Rotary club at that organization's weekly luncheon. No more games remain on the 1931 schedule, the Turkey Day clash with Loup City having been cancelled because of the snow storm that day.

The Ord grid season just closed is considered a successful one, in spite of the fact that several games were lost. It marked the ending of several years of failure on the football field, not a game having been won by the Ord team in the seasons of 1929 and 1930.

The Ord team's record this season includes victories over Broken Bow, North Loup and Comstock, ties with Scotts, St. Paul and Arcadia and losses to Burwell and Ansley.

Boys who won letters this year are Rodney Stoltz, Earl Klein, Eldon Benda, Doc Lashmett, Charles Barnhart, Everett Lashmett, Marcus Steinwort, Paul Gard, Merritt King, Dave Barnhart, Roland Vodshak, Anton Poota, Edwin Auble, Kenneth McGinnis, Floyd Rathbun and Cecil Hanson. All but Rathbun and Hanson were present at the Rotary luncheon Monday, Rathbun having moved to New York state with his parents last week and Hanson being unable to come because of illness.

Among the speakers Monday were Coaches Molzen and Watkins, Superintendent Bell and Everett Lashmett, who was elected honorary captain for the season just closed.

In his resumé of the season the head coach, Cecil Molzen, observed that prospects for next season appear bright in spite of the fact that seven players are lost to the team graduation. The seven are Stoltz, Klein, Charles Barnhart, Everett Lashmett, Steinwort, Poota and McGinnis. Floyd Rathbun, it is hoped, will be back in school next year as will last year's captain, Paul Gregg. Several sophomores and juniors show promise, Coach Molzen said.

Trap Shoot Champ, Once Ord Resident, Buried At Fremont

With more than one thousand mourning friends in attendance, funeral services were held at the First Lutheran church in Fremont Sunday for Oscar Hansen, former trap shooting champion of the United States and once an Ord resident. He passed away last Thursday evening following a lengthy illness. He was 42 years old.

Mr. Hansen's marriage to Mable Hansen took place at Ord Oct. 1, 1913 after he had made his home here for some time. His sister, Mrs. Chris Thomsen, still makes her home here and Mr. and Mrs. Thomsen, Emory Thomsen, Mr. and Mrs. Will Nelson and Mr. and Mrs. Earl Hansen were suit attendants at the funeral Sunday.

It was at Vandalla, O., in 1927 that Mr. Hansen won highest honors in the trap shooting realm, though he had placed high in the national contest in previous years and had also been Nebraska state champion. Many Ord people will remember Oscar Hansen and will extend their sympathy to his sorrowing widow, his two daughters and the other members of his family who survive.

Mr. Hansen's wife, Mrs. Mable Hansen, was quite ill for several days after the birth of her little son. She is now improving and able to sit up. She and her baby are staying with the former's parents, Mr. and Mrs. L. M. Umstead.

Ord Dentist Sued For Huge Sum

Funeral Director Sowl Charges Erstwhile Friend, Dr. Blessing, Defamed His Character In Anonymous Letter, Asks \$729,831.36 3-4.

Charging that his erstwhile health wrecked as a result of publicity given the letter. The letter so unnerved him that he was unable to speak on Armistice day so E. L. Vogeltanz spoke in his place. Mr. Sowl has engaged James D. McCall as his attorney while Dr. Blessing will be represented by Edwin Clements and Mr. Vogeltanz. Preliminary discussion on the suit was held at the meeting of Monday at the American Legion Tuesday evening and the case will be tried before the Kangeroo Court of that post on January 4th. The Legion hall probably will be crowded when the case comes to trial, as the huge sum of money involved has created a sensation among friends of Dr. Blessing, many of whom believe he will be unable to pay in full if judgment is pronounced against him.

Prominent Springdale Residents, Married 50 Years, Celebrate Here

On November 27, 1881 in a little sod house two miles east of Ord, Mosmer M. Timmerman and Miss Mary Finley were united in marriage. Last Friday, just fifty years later, they celebrated their golden wedding anniversary in the Ord Legion hall surrounded by sixty descendants and close relatives. It was a happy occasion for all present and particularly for Mr. and Mrs. Timmerman.

"Haws" Timmerman, as he is known to hundreds of friends, was born in Canisteo, N. Y., the son of Mr. and Mrs. Jonas Timmerman. His bride of fifty years ago was the daughter of Mr. and Mrs. A. M. Finley, who lived in Springdale at that time.

Almost all of Mr. and Mrs. Timmerman's married life has been spent on their fine farm in Springdale so naturally a large portion of the time last Friday was devoted to recalling incidents

in Valley county's history. Besides the exchanging of reminiscences there was enjoyable piano and accordion music by Ernest Glaser and a bountiful dinner. Mr. and Mrs. Timmerman received a number of fine presents. Four children were born to these popular Springdale people and all of them, with their own families were present Friday. Ed Timmerman lives near his parents in Springdale, Mrs. Ernest Stewart and Little son, Wayne, of Long Beach, Calif., have been visiting here for some time, but Ben Timmerman and family of Sumner, and Mrs. Ralph Haight and family, of Arnold, came to Ord especially for the occasion. There were sixteen grandchildren present to help their Granddaddy and Grandma enjoy the day to its fullest extent. Which they did and their numerous friends, including the Quiz, hope that they may enjoy many more anniversaries.

One of Comstock's Oldest Residents Died Last Thursday

Last Thursday morning at the home of her daughter, Mrs. Albert Hvezda in Comstock one of that community's oldest residents, Mrs. Sophia Nemeskal, went to her reward at the age of eighty-seven years. Her death came after several months of suffering.

Funeral services were held Saturday morning at the German church by Father Thies, of Sargent, and Mrs. Nemeskal was laid to rest in Catholic cemetery by the side of her husband, Peter, who passed away ten years ago.

She is survived by one son, Fred Nemeskal, three daughters, Mrs. Mary Jarousek, Mrs. Anna Hvezda and Mrs. Tracie Holzinger, all of Comstock, as well as a number of grandchildren and great grandchildren.

Organize To Care For Needy Of Ord

Lodges, Chamber of Commerce, Clubs And Churches Seat Delegates Last Night To Form Allied Relief Council.

Representatives of various churches and organizations of Ord met last evening in the Blessing building to form an allied relief council to take care of needy and unemployed people of Ord and vicinity during the winter months. The meeting was held in response to a suggestion made by Rev. L. M. Real, Presbyterian pastor, and it was proposed to coordinate efforts of various bodies that engage in charitable work in Ord each year.

Because the Quiz goes to press Wednesday evening it is impossible to give an account of the meeting. However, it was proposed to send committees to take care of the various divisions of relief work, including raising funds, collecting clothing, searching out needy families and distributing aid as needed.

Among organizations expected to send delegates to the night were the Rotary club, Knights of Pythias, Chamber of Commerce, Eastern Star, Masonic lodge, American Legion and Auxiliary, P. E. O. and Pythian Sisters. In addition to churches of Ord.

The fund raised at the annual charity ball of the Knights of Pythias, which will be held this year on Dec. 15, will be turned over to the allied board, the committee decided Tuesday evening. Other organizations with relief programs plan similar action.

On Thanksgiving Day Mr. and Mrs. A. W. Pierce enjoyed having their son Paul of Lincoln at home. Mr. and Mrs. Will Moses were also guests.

CHAS. J. NELSON JOINS SISTER IN LESS THAN WEEK

Former County Surveyor Dies Five Days After He Found Sister's Dead Body.

Just five days almost to the hour after he found the fragile body of his aged sister, Miss Dora Nelson, dead and partly frozen in her little home here, Charles J. Nelson passed away in Hillcrest hospital after a brief attack of double pneumonia.

At noon November 23 Mr. Nelson, venturing forth from the home where he had been confined by illness and a severe snow storm, broke down the door of his sister's home with the aid of neighbors and found her dead body.

On November 25 he was taken to Hillcrest suffering with acute double pneumonia. He lingered for three days but at noon last Saturday, November 28, he passed away.

Funeral services were held Monday afternoon at 2:30 o'clock in Sowl's chapel with Rev. W. H. Wright having charge and burial was made in Ord cemetery, beside the body of the sister who had been laid to rest only two days before.

Born January 28, 1850 in Ystad, Sweden, Charles Nelson came to the United States with his parents, Lars and Karna Nelson and family, in 1882. After growing to manhood in the east and in Omaha, Mr. Nelson came to Valley county about 1876 and took up a homestead south of Ord where he lived as a neighbor of J. H. Capron for several years. Three years later he also took up a timber claim near Arcadia. Valley county was his home continuously from his arrival in 1876 until the time of his death.

For some time he held a mail carrying contract and hauled mail by team and buggy to the Mira Valley store and other country postal stations. Trained as a surveyor, Mr. Nelson helped in laying out Valley county and about 1895 was elected county surveyor, which position he held for thirty years, until approaching 80, when he was unable to fulfill the duties of the office longer.

On May 22, 1895 he was married to Flora Ward and to the union four children were born, one dying in infancy. Those who survive are John L. W. Nelson, of Omaha, Mrs. Zelma Nelson, of Grand Island, and Mrs. Vera Sanders, of Lewellen. He also is survived by two sisters, Mrs. Caroline Nygren, of Arcadia, and Mrs. J. B. Monroe, of Cadotte, Wis., and by a brother, Dr. Alfred S. Nelson, of Stevens City.

In spite of troubles that came to him in late years and the infirmities of old age that made him scarcely able to get around, Mr. Nelson retained his cheerfulness and his unflinching good humor and always held a mail and a word of greeting for all with whom he came in contact. He was one of Valley county's earliest settlers and numbered his friends by the hundreds and he will be greatly missed.

Miss Lois Wentworth spent the Thanksgiving Day vacation at home leaving Sunday for her university work in Lincoln.

Red Cross Finds \$200 Was Misaid In Ord Bank

Miss Clara McClatchey, Ord clerk in charge of the Red Cross, had a welcome surprise Monday when she received a phone call from W. C. H. Noll, of the First National bank, asking what disposition the Red Cross wanted to make of \$200 that had laid in the bank for several years. The fact that the organization had that sum on deposit here was a surprise to Miss McClatchey and likewise to Mrs. Barber, of North Loup, county chairman. An investigation revealed that when Red Cross funds were transferred to North Loup, when the county headquarters was shifted there from Ord some years ago, the \$200 had been in time certificates and so was not transferred with other funds. In some way it was forgotten but comes at a very timely moment now, both because the need is greater this year than usual and also because much of the Red Cross money is tied up in the defunct North Loup state bank.

The Red Cross drive that just closed was very successful, Miss McClatchey says. She secured 119 members in Ord and about 60 were secured in Arcadia. The exact number signed up in North Loup is not known yet but it will be large. The annual meeting of the Valley County Red Cross will be held soon.

MRS. SHARP GETS INJUNCTION TO HALT AUCTION

Burwell Woman Suing For Divorce Prevents Mate Selling Stock, Personal Property.

At 10:30 o'clock a. m. yesterday, just 2 1/2 hours before a public auction of stock and personal property advertised by her husband, C. A. Sharp, was scheduled to start, Mrs. Elizabeth Sharp applied for and received a court order to restrain her husband from holding the sale. Attorney Ben Rose, who represents Mrs. Sharp, applied for the order and it was signed by County Judge Hollingshead in the absence of District Judge Clements.

Belief that because of present low prices the property will bring more money if sold later is the principal reason given by Mrs. Sharp for her petition for an injunction to stop the sale. This action is just another link in the tangled marital and legal affairs of Mr. and Mrs. Sharp. The latter is an invalid and when she brought suit for divorce from Mr. Sharp some weeks ago, after 40 years of married life together, she sought and received an injunction to prevent him molesting her. Judge Clements issued an order that in effect divided the Sharp house near the Garfield county line into two homes one part being occupied by Mrs. Sharp and the other by her husband.

Later Mrs. Sharp moved to Burwell so she could have better medical care and her husband was ordered to pay \$100 per month temporary alimony. When he became in arrears on this alimony he was cited by the district court for contempt and ordered to keep his alimony payments up or go to jail. Since that time he has regularly paid his wife \$100 monthly, though he has sought unsuccessfully to have this amount reduced and still maintains it is too high.

In her petition for the injunction yesterday, Mrs. Sharp set forth that she feared if her husband was allowed to hold the sale he would apply the money he received toward payment of his personal debts. All property and money should be held by the estate until the final divorce settlement, she believes.

E. L. Vogeltanz, of the firm of Davis & Vogeltanz, who act as Mr. Sharp's attorneys, told the Quiz Wednesday afternoon that the sale advertised by their client had been postponed for the present.

A district court hearing on Mrs. Sharp's application for a permanent injunction will be held here December 11, the temporary injunction having been granted without a hearing. Mrs. Sharp has posted a \$400 cash bond to guarantee against loss.

Final settlement of the Sharp case probably will not be made until late January or early February, when the divorce case is heard in district court.

Will Meet To Try Form City League

Basketball enthusiasts of Ord will meet at the high school building next Tuesday evening at 8 o'clock to try to re-organize the city basketball league. The meeting is being called by Clyde Baker, who was president of the league last year, and it is hoped that a large number of those who want to play will be present. It has been suggested that the league go back to a four-team basis, with either churches or organizations like the Legion, Rotary club, etc., sponsoring teams.

Conference Coaches To Pick "All" Team

An honorary "all-star" team to represent the Loup Valley high school conference will be selected by coaches of the valley loop at a meeting in Ord December 10. The coaches will have the assistance of officials who worked conference games.

Ord Church Notes

Methodist Church. The church, of all institutions, is effected by weather changes. It is sometimes too hot and at other seasons the year is too cold. But whether the wind blows hot or cold be at church next Sunday. Sunday school at 10, remember. Try to be on time. And the pastor will have a vital message for you at the worship service at 11 o'clock. The Epworth League service at 3:30 will be interesting to young people. And the evening service will be especially attractive. The five greatest hymns will be used and interesting stories connected with their origin and use will be related. Popular songs come and go but the great hymns that voice the deep sentiments of the human soul live through the centuries. You will enjoy singing these hymns. Besides the young people's choir, a quartet will render a number. Also Mr. Roy Frazier will sing a solo entitled, "One Fleeting Hour."

W. H. Wright.

CHRISTIAN SCIENCE. In the lesson-sermon for December 6, subject "God the Cause and Creator," a central teaching of Christian Science is presented. A passage from the Bible (John 1:3), quoted in the lesson-sermon, declares that: "All things were made by Him (God); and without Him was nothing made that was made." The perfection of God's creation is declared by Christian Science to be eternally true and a knowledge of this truth constitutes Christianity as Jesus taught it. A passage from the Christian Science text book presents the logic of this truth: "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love." (Science and Health, p. 275). The subject of the lesson-sermon for December 13, "God the Preserver of Man."

Bethany Lutheran Church. S. S. Kaldahl, Pastor. Sunday school at 10 a. m. Reading service in the Danish language at 11 a. m. Remember the Ladies Aid bazaar Saturday at Hans Andersen's store.

The Sunday school teachers have met to arrange for a Christmas program. Recitations and songs will be given out in Sunday school. Parents who would like to contribute for the buying of candy and

nuts for the children may give the same to Jens Hansen, the superintendent. "Blessed are they that hunger and thirst after righteousness: for they shall be filled."

Presbyterian Church Notes. Sabbath school will convene at 9:45 a. m. Preaching service at 11 o'clock. Rev. Real's topic, "Handwashing." Following that Rev. Real will receive and baptize new members. The Young People's Expression clubs will meet Sunday evening at 6:30 p. m. At 7:30 the young people of the Seventh Day Baptist church will present two plays. Everybody is cordially invited.

The church calendar for next week is as follows: Tuesday, 6:30 p. m., meeting of Friendly Indians. Tuesday, 7:30 p. m., regular choir practice.

Wednesday, Missionary meeting in the afternoon with Mrs. E. H. Petty. Wednesday, 6:30 p. m., meeting of Pioneer Campfire Girls.

Wednesday, 7:30 p. m., Meeting of Pioneer Boy Scouts. Thursday, 7:30 p. m., Leadership training class, and meeting of the session.

Last Tuesday evening the Young People's Dept. enjoyed a sliding party.

NEBRASKANA EDUCATIONAL FUND ORGANIZED

Schools and Libraries May Obtain Nebraskana History.

Plans for the organization of an educational fund for Nebraskana have been completed. Through this fund it will be possible for public schools and libraries to obtain copies of the new state history.

"The primary purpose of preparing Nebraskana, is to preserve history and promote patriotism to our state," declared Sara Mullin Baldwin, editor of the history. "Of course it is necessary to charge for copies of the book in order that the expenses of compiling and printing may be met. In order that every school district in the state and every public library may have at least one copy of Nebraskana, we have organized the educational fund."

"School board officers and librarians may obtain information by addressing inquiries to Nebraskana, Hebron, Nebr. It is necessary for each board to direct a written request to the fund in order to receive its advantages."

Barker News

The Junior Neighborly club girls were guests of the Barker Big club boys last Tuesday evening. The entertainment was in the form of a coasting party in the Eghehoff pasture, followed by a wener roast. The families of all members of both 4-H clubs were invited and spent their time in the Eghehoff home playground and visiting. At the close of the party the president of the boys' club presented their leader, Mr. Edwin Schudel with a hand-laced billfold and key case from the club boys.

The annual Thanksgiving dinner was enjoyed at the schoolhouse Wednesday. There was a large crowd in attendance this time than Barker has seen for several years. And we had a fine dinner, too. This is the first time Mrs. Severyn had been at home for nearly a year. Last summer she submitted to a major operation and it has taken her several months to regain her health. She is feeling much improved this winter.

—Mr. and Mrs. Arlos Thompson have returned home from Cincinnati, Kansas City, Chicago and other places where Mr. Thompson was working for W. B. Weekes in the interests of the Weekes Seed company.

—Dr. and Mrs. A. H. Hostetter and daughter Miss Helen Hostetter of Douglas, Neb., were in Ord for several days with their daughters and sisters, Mrs. Gould Flag and Miss Marjory Hostetter. They arrived last Wednesday and stayed until Sunday. Miss Helen Hostetter recently returned to the United States from China where she had been teaching for three years.

—Wm. Brown, son of Mr. and Mrs. S. J. W. Brown of Lincoln but formerly of Ord, visited here last Thursday and again Saturday with friends. Bill is employed at O'Neill by the state highway department and came to Burwell to spend Thanksgiving with his sister, Mrs. Luther Pierce. While there he took occasion to look up Ord friends.

—Emanuel H. Vodehnal, Ord young man who is student at the University of Nebraska, was elected treasurer recently of his fraternity, Lambda Chi Alpha. Emanuel is a son of Mr. and Mrs. E. E. Vodehnal and spent Thanksgiving day at home.

—Typewriter ribbons for all makes and models for sale at the Quiz office. \$7-1t

—Mr. and Mrs. L. T. Holloway returned last Friday to their home in Avoca, Ia., after spending a few days with their relatives, the Clements and Leggett families.

—Miss Margaret Frazier, who is employed at O'Neill as head of the ready-to-wear department in the J. C. Penney store, spent Thanksgiving in Ord with her parents, Mr. and Mrs. Harlan T. Frazier.

—Pike Hill, of Ogallala, was a Thanksgiving visitor in Ord with his mother, Mrs. Alvin Hill and other relatives. Pike operates a linotype for the Keith County News and also leads the Ogallala band. He is making a big success of his work in both lines.

—Ernest Johnson, of North Loup, was a Quiz visitor Saturday and made arrangements to have his Quiz follow him to California. The Johnson family will spend the winter with relatives in that state, returning to their farm on Davis Creek about March 1.

Classified Sells Scales. Last week H. Anderson advertised a platform scales that had been setting around his place of business for several months. He had fifteen inquiries Saturday and sold the scales before night, he says.

Forward March

The latest U. S. Census contains food for much thought.

It is clearly a fact that future years will see FEWER but BETTER towns. This is inevitable, for, as transportation becomes speedier service facilities expand, making it possible and desirable for fewer towns to serve a given area.

How is this condition going to affect Ord? Before answering, let us ask and answer another question. What are the main things that govern a town's growth and progress?

1. Commercial advantages . . . The existence of a steady, dependable outlet for the merchant, and an up-to-minute, attractive market for the buyer.

2. Living advantages . . . Healthful climate; congenial friends; religious, social, educational and recreational facilities for young and old; quick, easy access to the outside world via railroad and highway.

These advantages are already assured in Ord. Vision and energy only are needed to make this one of the outstanding business and home centers in this section of the state.

FORWARD MARCH! is the command. Opportunity beckons and we are ready. Only our own inertia can hinder our progress.

FIGHT THE SALES TAX.

Farmers and salaried people of the United States, already overburdened with taxes in a dozen different forms, will do well to keep their eyes on Congress during the coming session.

Eastern conservatives, which is often a term for "kept" senators and representatives, are talking long and loud in favor of a general or selective sales tax.

A sales tax will mean that food products, wearing apparel and countless necessities all of us buy every day will be taxed by the federal government.

There are certain arguments in favor of a sales tax—it is quickly and easily collected, the revenue starts coming in at once and fluctuates very little afterward.

Apparently there is but one alternative to a sales tax and that is increased income taxes in the higher brackets, along with a lowering of exemptions.

Fortunately for most of us, there is in congress this term a large bloc of progressives, insurgents and liberals who hold the balance of power.

A STUDY IN CONTRASTS. The Quiz wonders if the federal farm board sees an inconsistency in paying an annual salary of \$75,000 to E. F. Creekmore, general manager of the American Cotton Co-operative association.

Mr. Creekmore draws his \$75,000 a year, Henry G. Safford, a vice president, gets \$35,000 a year, C. O. Moses, another vice president, draws \$15,000 a year, and other expensive officers cause the association's annual pay-roll to amount to \$82,000.

The cotton co-operative managed by Mr. Creekmore is \$50,000,000 in the red so far. The federal farm board is pledged to pay off 40 million dollars of this deficit.

That was a pretty expensive experiment we embarked on when we decided to "relieve" agriculture by a government-financed price fixing body.

ALFALFA BILL—OPPORTUNIST. Down in Oklahoma lives the nation's greatest opportunist—Alfalfa Bill Murray, governor of that commonwealth.

After having been quarantined for diphtheria for several weeks the Ellsworth Ball family were released and the house disinfected but a few hours later the hired girl came down sick and quarantine was again placed in effect.

ALFALFA BILL—OPPORTUNIST. Down in Oklahoma lives the nation's greatest opportunist—Alfalfa Bill Murray, governor of that commonwealth.

oil wells close down, thus securing page after page of publicity in newspapers all over the country.

Down in Des Moines a couple of weeks ago Governor Murray addressed the national Farmers Union. Waitresses at the banquet wore in their caps badges marked "Alfalfa Bill Murray for President."

The following extracts from Alfalfa Bill's speech that night, as reported by Time, national news-magazine, show just how much of an opportunist he is.

"The next President must not be reared in the shadow of Wall Street. Such a man has no more conception of the Mississippi Valley than Satan has of the Kingdom of Heaven."

Governor Murray's words struck a responsive chord in the hearts of his hearers and the applause was thunderous. And dozens of people who read this item will do so with approval of Alfalfa Bill.

A remarkable showman, a vivid personality, a man whose rise has been nothing short of phenomenal, Governor Murray's opportunism may win for him the highest office in the land when voters go to the polls in the fall of 1932.

When You and I Were Young, Maggie

25 Years Ago This Week. The Arcadia hotel burned to the ground and other buildings in the business district were saved only after a hard struggle.

The Invincibles, composed of alumni, defeated Ord high school basketball team 17 to 10. On the invincible team played R. Harris, Long, Mann, Twombly and Cushing.

A. J. Firkins was elected president of the fair association. Other officers were J. P. Baird, vice president, C. A. Hager secretary and S. N. Arnold treasurer.

90 Years Ago This Week. Anthony Koupal and Miss Mary Russell were joined in marriage by Rev. Kechley.

It is rumored to be much harder to make good in the town where you were fetched up. Which is why I wrote one of the paragraphs above.

It isn't exactly ethical to have, say, some little old lady call tell the jury how she twiddled you upon her lap, or perhaps how funny you looked that time with the mumps.

Something Different

I am sure every woman in Ord who is her own washday will gently but firmly embrace me for the following suggestion, if I can put it over: how about smoke screens for Ord's chimney tops?

Every day the sky is lowering, soot falls on hundreds of clean garments that have been hung out to dry. Soot also makes necessary a lot of extra cleaner's bills.

How about it, Men? Kin we please have some smoke screens? Mrs. Olof Olsson has a backyard full of birds most of the time now.

Had you ever noticed how many of our prominent young business men are Local Boys Making Good in their old home town?

Personally I believe a million dollars a year is enough for any man and I also believe, when his income is greater than that, he should be taxed out of a large percent of it.

And now another Omaha man is mentioned as a republican candidate for governor. It is Robert Smith, present clerk of the district court in Douglas county, long recognized as a Norris progressive republican.

Needling lots of fancy doo-daddles to start houses, in other words, the girls were shopping in Lincoln. Having their arms full, they returned to their parked car and stowed it with bundles of this and that, among them a dress and hat.

Not so painless, either, to the pocketbook or disposition. The two Ord women were more than "regretted", but never a trace of the stolen packages has been found.

It is rumored to be much harder to make good in the town where you were fetched up. Which is why I wrote one of the paragraphs above.

I suppose when the neighbors have seen your relatives exasperatedly administer the necessary slipper, or perhaps grab you and firmly tweak your nose or tell you to "Blow, now!" that a lack of dignity is likely to occur.

It must take the old I. S. to stick around the home town and fight 'em. (I. S. meaning intestinal stamina).

My Own Column

After all, considering the mess the standpat republicans have gotten us into while handling the affairs of government, why would it be such a bad plan to elect a man of the George W. Norris stripe as president.

Of course this column is the best thing in the paper but you are missing a lot if you fail to read Prof. Kovanda's column and the departments that Irma writes.

Walt Desch says that kissing one's wife is about like scratching a place that don't itch.

Only 64 members of congress went on the Hearst junket to Canada, for the purpose of studying the sales tax as used in that country.

THE COOK'S COL-YUM, YUM!

Lots of good recipes are pouring in, but I am afraid they are a little late to enter the next year's Quiz cook-book calendar.

Nut Bread. 2 eggs, 1 c. sugar, 1/4 c. melted shortening, 2-3 c. molasses, 1 c. sour milk, 1 1/2 c. graham flour, 1 tsp. soda, 1 c. raisins, 1 1/2 c. nuts, 1/2 c. white flour, 1/2 tsp. salt.

Beat eggs and sugar until light, add shortening, molasses and milk in which soda has been dissolved. Stir in raisins and nuts (both coarsely chopped), then graham flour and lastly white flour stirred with the salt.

Separately beat the egg yolks well, mix in the sugar and beat again. Mix cocoa and vanilla, beat. Sift the flour and baking powder, add to the cake and beat.

Baked Cream Pumpkin Pie. 1 1/2 c. pumpkin, 3 eggs, 1 pt. milk or cream, 3-4 c. sugar, 1 tsp. molasses or honey, 1 tsp. ginger, 1 tsp. mace, Scald milk, mix egg yolks and sugar and combine with hot milk.

Potato A La Goldenrod. Dice boiled potatoes. Make the following white sauce: 2 tsp. butter, 2 tsp. flour, 1 c. milk, 1-8 tsp. pepper, 1/2 tsp. salt.

Separate the yolks from the whites of 3 hard-cooked eggs. Chop white fine and add to white sauce. Combine with diced potatoes. Pass the yolks through a sieve and sprinkle over the top of potatoes. Garnish with parsley.

Lost 20 Lbs. of Fat In Just 4 Weeks. Mrs. Mae West of St. Louis, Mo., writes: "I'm only 23 years old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast — an 85c bottle lasts 4 weeks—you can get Kruschen at McLain & Sorensen's or any drug store in America. If not joyfully satisfied after the first bottle — money back.

Two Doses May Stop That Cough. Money back if a whole bottle doesn't do it! McLain & Sorensen and all other good druggists guarantee it.

For Broncholine Emulsion is a real cough killer, not just a sweet, syrupy mixture like so many cough-killers.

But it positively kills any cough due to colds or you get your money back.

EYE TALKS Week by Week

Wrinkles from eye strain? Yes certainly eye strain is the cause of most of the wrinkles around the eyes.

The scientific explanation is that where the eyes consume an excess amount of nervous energy part of this energy spills over and irritates the Seventh nerve.

Your optometrist, if observing can form quite an accurate estimate of the type of eye disturbance you have, simply by watching your Wrinkles.

Which makes you look the better DISCOMFORT and Wrinkles or comfort and well fitting glasses? That of course is for you to decide.

Made FRESH

never parched, never toasted

CAMELS are KEPT Fresh!

You probably know that heat is used in the treatment of all cigarette tobaccos. But you know too that excessive heat can destroy freshness and fragrance. That's why there could be no truly fresh cigarette except for scientifically developed methods of applying heat. Reynolds is proud of having discovered and perfected methods for getting the

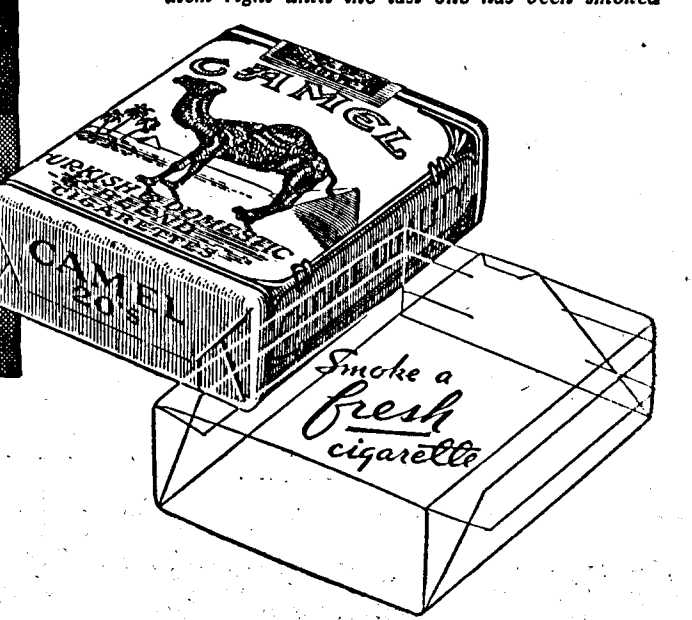

benefits of heat treatments and still avoiding ever parching or toasting. With every assurance we tell you, Camels are truly fresh. They're made fresh— not parched or toasted—and then they're kept fresh in the Camel Humidor Pack. If you wish to know why the swing to Camels is nationwide and steadily growing—switch to them for just one day—then leave them, if you can.

FOG, RAIN, SNOW BESET DOCTOR ON CALIFORNIA TRIP

Roads Worst He Ever Saw, Says Dr. C. W. Weekes, After Journey To Sister's Bedside.

After a series of unseemly happenings, both on his hurried trip westward to the bedside of his sister and on his return journey, Dr. Charles Weekes has about decided he was lucky to reach Ord in one piece Sunday.

The day he left Ord Dr. Weekes located a fine snowstorm in Kansas, which stayed with him for some distance. Then from Liberty, Kas., to 45 miles this side of Albuquerque, N. M., such a blanketing white fog smothered everything that a car 20 feet away was invisible.

The trip homeward was no better. As other roads were completely blocked out of San Francisco, Dr. Weekes headed his car southward and went to San Diego. At El Paso a snow between 8 and 12 inches deep covered everything. . . in a country where snow is sometimes unseen for years.

In Oklahoma was the best part of his trip, as he declares the doctor, but south of Oklahoma City he encountered a football procession, and for four hours was forced to travel at their gait. The doctor stated that faulty road information was to blame for about half his troubles, and that people were being routed over impassable territory. In one case an elderly couple were started out over a road which had been closed for two days and will not be reopened until spring.

Though disgusted with driving conditions he found, Dr. Weekes declared his sister, Mrs. Aikman is now better and gaining strength. In a month or so, when she is strong enough, she plans an Ord visit.

Ord Girl Married To Elyria Farmer

Monday evening at the home of Judge J. H. Hollingshead, Miss Evelyn Haught, daughter of Mr. and Mrs. Chris Haught of Ord, was united in marriage to Roy Nelson, young Elyria farmer and son of Mr. and Mrs. John Nelson. The couple had expected to be married by Rev. Lemar, Ord Pentecostal pastor, but he was called to Broken Bow late that afternoon so Judge Hollingshead performed the ceremony. Both bride and groom are fine young people with a wide circle of friends. They will live on the groom's farm near Elyria.

Former Garfield Co. Treasurer Pleads Not Guilty, Held on Bail

F. N. Smith, a former treasurer of Garfield county, pleaded not guilty to embezzling \$2,910 of county funds when he was arraigned in court a few days ago. He was released on bond furnished by Ralph Brownell and Harry Doran, pending his trial in district court. The shortage in his accounts was discovered by auditors who went over the books early in the fall.

ORD SCHOOL TAX LEVY IS AMONG STATE'S LOWEST

Only \$28,000 Asked For Ord Schools This Year And Expenditures Within Budget.

Tax-payers will no doubt make pleased grunts to learn that the Ord schools this year are keeping well under a budget which is lower than for many years previous, according to facts presented to the school board Monday evening.

This year the amount asked for was \$28,000. In 1925, \$35,000 was levied for school use, while in 1929 \$30,000 was the sum thought necessary for operations. In 1930 only \$23,500 was supplied the schools, but actually \$28,000 was used as a surplus was available from the year previous.

The levy in Ord is one of the very lowest in the state, about 10 mills being set aside out of each dollar of taxes paid here for general school purposes. This is in marked contrast to such levies as 21.2 mills for Grand Island schools, or the scarcely better figure of a small town like Clay Center, which demands 21.1 mills of the tax-payers money.

So Ord may do a little back-patting for not only having one of the lowest budgets in years, on one of the state's smallest levies, but also for the fact that the amount remaining securely under the budgeted amounts of expenditures for this year.

Ord Hi Basketball Schedule Arranged

With the exception of one tentative game with the Fairfield, Neb., team, Ord high school's basketball schedule for the 1931-32 season has been definitely arranged. Supt. M. D. Bell announced this week. The Fairfield game is the third one on a road trip that the Ord team will take from January 14 to 16 and if a contract is not entered into with Fairfield a game with Sutton or some other school near there will be secured. Other teams played by Ord on the road trip are Clay Center and Aurora.

Basketball games between Ord and Burwell high schools have been cancelled this year because of a Burwell ruling that only Friday games will be played. The Burwell-Ord clashes originally were scheduled for Tuesday evenings. No Friday dates remain open on the Ord schedule.

The complete schedule is as follows: Dec. 21, Taylor there; Jan. 8, St. Paul here; Jan. 13-16, road trip to Clay Center, Aurora and Fairfield; Jan. 19, Ravenna there; Jan. 23, Dannebrog here; Jan. 29, Broken Bow here; Febr. 5, Comstock here; Febr. 13, Scotia here; Febr. 19, Sargent there; Febr. 20, Loup City here; Febr. 23, North Loup here; Febr. 27, North Loup there; March 1 to 5, Loup Valley Tournament.

Rural Schools May Obtain Nebraskana

Publishers Offer History Through Educational Fund

Every rural school district in the state is entitled to secure a copy of Nebraskana through the educational fund which has recently been organized.

Nebraskana is a biographical history of the state, containing life sketches of more than 2500 outstanding individuals. The book is being prepared under the direction of Robert M. Baldwin and Sara Mullin Baldwin, editors. Because of the fact that many school districts would not be able to invest a large sum of money it was deemed necessary to organize the educational fund.

Auto Demolishes Wagon But Clark Escapes Injury

I. C. Clark had a narrow escape from serious injury last Wednesday evening when his wagon was struck from the rear by a car driven by Charles and Dave Barhart of North Loup, as he was on his way to his farm just south of Ord. The wagon was demolished, the tongue broken and a silver from the tongue was run into the leg of one horse and Mr. Clark fears the horse will die. The team ran away and did not stop until they were far past the Clark farm. Mr. Clark was thrown off the wagon and landed on his head and shoulders beside the road but was unhurt. The Barnhart car was being driven without lights, Mr. Clark says. It was badly wrecked.

Ord Schools to Enjoy Two Weeks Vacation

Ord school children are going to have a full two weeks vacation to enjoy the coming of Santa Claus and his exciting pack of gifts, as well as the advent of the new year, since vacation will begin at 3:30 p. m. on the afternoon of Dec. 22nd, when school lets out for the day. . . and continue until it is necessary to again hunt up the shortest way to school on the morning of January 6th. On that morning the big fellows and the little fellows and the girls to match will all go back to school, partly because Teacher said to come back that day, but also for the thrill of telling "What I Got for Christmas!"

Christmas plans for most Ord teachers will mean a nice visit with home folks. The Bell and Kovanda families will probably stay in Ord. Coach Molzen plans to return early for basketball practice reasons.

The G. A. R. ladies will hold their regular meeting next Saturday afternoon in the Legion hall.

ORD SENIORS TO PUBLISH HIGH SCHOOL ANNUAL

Adrian Tolen Editor, Rodney Stoltz Business Manager, Of First Year Book In 4 Years.

This year, the first in four past seasons, Ord high school students will put out an annual and furthermore, the staff will not be filled with advertisements, or paid for by local merchants. It will be self-supporting, put out by the students, meant for the students, and paid for by student organizations which want space within its covers. The new annual will be a volume of approximately 80 pages, and will be edited by Adrian Tolen, assisted by business manager Rodney Stoltz.

Charles Shepard, president of the senior class, is an ex-officio member of the staff and will assist in the preparation of the year book. Miss Elsie Frederickson is class sponsor and will share the responsibility, and Superintendent Bell will also act as an advisor.

The student members of the staff will be chosen very shortly by the above board of workers, so that all may turn in some copy on the annual during the holidays. After this year it is planned to put the annual out yearly, as the faculty and board do not regard it as fair to other classes to permit the seniors one year in our issue a book in which of course the freshmen and sophomores necessarily take a lesser part. It is planned to condense the material in the book as far as possible without impairing the contents, and it is now thought that an 80 page book will suffice.

Those in charge are assuring students that the annual will not cost more than \$1.50 per copy, and perhaps will only ask \$1.25 for the book, a very nominal charge for this type of "memory" book.

County Officers At Omaha Conventions

County Clerk Ign. Klisma, jr., Highway Engineer Bill Ayres and Supervisors James, Vascek, Sorenson, Clochon and Hansen are in Omaha this week attending state conventions of county officials. Part of them drove down Monday and others went by rail. They will return home tomorrow.

Auble Store Sponsors Contest. Auble Brothers have decided to again sponsor a home decoration contest just before Christmas, and announce that three prizes will be awarded this year, in place of five. Definite arrangements of their Christmas contest have not yet been made, but will be stated in next week's Quiz. Watch for them.

'GHOST PARADE', JUNIOR PLAY, IS FRIDAY EVENING

Eight Girls, Eight Boys, Have Parts In Annual Show; Real Entertainment Is Promised.

Those who are going to entertain their fellow-men through the medium of the junior play which is to be given Friday evening at the high school auditorium will appear as follows:

Gerald Kelm, son of Mrs. Will Misko, is going to take the part of an old crab, and one of the oldest inhabitants, labelled Absalom Hawkes. Appearing as the sheriff in a hotel office. Comic relief for the evening will be Rastus, a scary ducky who certainly will swear there are hants after this show, enacted by Elwin Auble.

Not what he seems is Abe Higgenbottom, a paying guest of the hotel who is an elderly cripple, ordinarily Leonard Cronk. A couple of mysterious guests will be Don Williamson and Marjorie Bell, as Jonas and Matilda. Fresh and slangy, a city gal straight from New York will be Mame Rose, acted by Myrtle Benson. Thelma Palmatier will be Anne Watkins, the girl who inherits the Hotel Imperial of Littleboro, and then has troubles.

Aleck Smart is a breezy city fellow, and he and Ted Lewis, another city slicker, are called vaudeville headliners in the story, and the parts taken by Edward Bricker and Billy Baird.

Twila Brillman acts an elderly spinster with sweet young thing trimmings. Truly Lamont, the Red Ruby Film Co., is the name given Wilhelmiana Janssen in the junior entertainment, and Claudia, Flo and The Pest are the titles of three gals who complete the cast: Leota Auble, Tessamine Meyer and Helen Holden occupy them.

Written by Katharine Kavanaugh, this comedy promises real entertainment, and the class expect a good audience, although no effort to sell tickets in advance is being made. Miss Elva Johnson is sponsor of the class, but Miss Jean Nelson is doing the actual play coaching.

Rotarians To Meet At Thorne's Cafe

Ord Luncheon Club Becomes Dinner Club Next Monday, Will Have New Meeting Place In Future.

The Ord Rotary club, which since its organization seven years ago has met every Monday noon in the basement of the Protective building, will meet at a different hour and in a different place beginning next Monday. The new place is Thorne's Cafe and the new hour is at 6:15 p. m. instead of at the noon hour.

Convenience to members is the principal reason for these changes, Rotarians being almost unanimously in favor of meeting for the evening meal instead of for luncheon. It is expected also that several new members will be secured as a result of the change. Mrs. Laura Thorne is removing a partition in her cafe and converting two party rooms into one large banquet room so as to be able to accommodate the Rotary club. The new room will be redecorated this week, also. Violin selections by Orville H. Sowl, with Mrs. Sowl at the piano made up Monday's program, to the delight of Rotarians present.

NOTICE—Z. C. B. J. At the annual meeting new members will be initiated, officers elected, representatives elected and voting on the merger of 6,000 of B. A. Foresters together with other regular transactions. All members of Lodge Dennice, No. 14 are urged to be present at 1 p. m. Sunday, Dec. 13, at Ord, Z. C. B. J. hall. Henry Vodehnal, president.

—Mr. and Mrs. E. C. James are looking forward to a visit at Christmas time with their daughter Jean. She has for two years been a student nurse in the Bryan Memorial hospital, Lincoln.

A Test

Buy your advertising with as much thought as you buy your merchandise. Make this test: Follow up the boys who deliver bills and other things of that nature—see how many are left on the porches and in the mail boxes an hour after they are peddled. Then follow up the carriers who deliver The Quiz and see if you can find one left on a porch five minutes after delivery.

It doesn't do you any good to have a bill "delivered" at every door. It's "reader interest" that stamps the value on the advertising.

Eastern Star Elects New Officers Friday

Members of the Eastern Star met last Friday evening in their hall and elected the following as officers for the coming year: Worthy matron, Mrs. Harold Erickson; worthy patron, Harold Erickson; associate matron, Mrs. Ign. Klisma; associate patron, Ign. Klisma; secretary, Mrs. R. C. Ayres; treasurer, Mrs. George Satterfield; conductress, Mrs. Ed Beranek; associate conductress, Mrs. Laura McLain. The serving committee Friday evening was composed of Mrs. Orville H. Sowl, Mrs. A. W. Tunnell and Miss Grace Pullen. A good attendance was present.

ORD DONS XMAS GARB THIS WEEK

Chamber of Commerce and City To Decorate Business Section; Stores Gift Centers.

More beautiful than ever in her gay gypsy Christmas garb, Ord is to be adorned with bright colored globes, shapely green trees, and fascinating gift windows for the next few weeks. A vision of the Ord business district is going to be a real treat; by all means see Ord in her Christmas jewelry.

The committee appointed by the Chamber of Commerce to see to Christmas decorations for Ord was composed of Glen Auble, George Allen and Dave Haught. These men report that side streets are also to be adorned this season, and that pretty evergreens will be set at regular intervals as last year, with perhaps more lighting and decoration than previously. George Allen and his helpers have already strung up the wires to carry city current, which will be in the appearance of Ord, and within a day or so the city of Ord is going to be the most charming in the valley.

This year it is planned to mount a large tree on the balcony of the court house, and decorate it handsomely. The court yard will also be made alluring, and will be a sight not to miss. Come to Ord this Christmas and shop in Ord's stores, which have been transformed into gift centers, take advantage of the many bargains, and best of all bring the children to enjoy the beauty which a snow-strewn, jewel-studded city will reveal.

Radiator Alcohol Aflame, Car Burned Near Burwell Bridge

When radiator alcohol boiled over onto the hot motor, a car belonging to Marton Gilliland and A. C. Puffer, of Tekamah, was completely destroyed by fire near the bridge west of Burwell last week. The alcohol caught fire when it came in contact with the motor and occupants of the car were lucky to escape alive. The car was an almost new Willys-Knight sedan. One of the owners, Mr. Puffer, is a brother of Mrs. Vere Schafer, Burwell.

North Loup Pastor In Auto Accident

North Loup, Dec. 8.—(Special)—While returning home about 11:30 o'clock Friday night from the Mira Valley Evangelical church, where he had attended a community program, Rev. Kirkwood wrecked his car when he crashed into Nick Whalen's truck, which was parked in the highway in front of the Allen Simms residence. There was a heavy mist and Rev. Kirkwood could see but a short distance ahead. Upon investigation by authorities blame for the accident was placed upon Mr. Whalen whose truck was parked improperly.

FILL YOUR TANK FREE BY BUYING FROM ORD STORES

Gasoline Offer Starts Friday, Lasts Until Dec. 31; Coupons Redeemed Up To Febr. 1

"Fill your gas tank on Ord merchants" is the slogan adopted by twenty-eight Ord firms, in announcing a free gasoline offer that begins tomorrow, Friday, Dec. 11 and continues for twenty-one days, ending December 31. During these twenty-one days a large percentage of Ord stores will give coupons that may be redeemed in gasoline free at any one of eight Ord filling stations.

Particulars of the plan are simple and easy to understand: With every 50c you spend with the 28 firms making this offer you will be given a coupon. When you have accumulated 20 coupons, take them to one of the eight filling stations participating and you will be given one gallon of gas free. Remember, one coupon with each 50c you spend and 20 coupons are good for a gallon of gas. To get five gallons of gas you need 100 coupons, etc.

It will pay everybody for miles around to trade in Ord exclusively during the holiday season. Ord merchants are making large discounts on all items, and gas stations are filled with Christmas merchandise—the largest and best assortment in the whole Loup valley—and besides these advantages you are given gasoline coupons free.

Names of the stores participating are signed to the large announcement elsewhere in this paper. Names of filling stations where coupons may be redeemed are printed on each coupon. All ready? Let's go!

Girl Reserves A Mother's Dine Monday

A pot-luck dinner was held at Ord high school Monday night by the Girl Reserves, with their mothers also in attendance. The girls chose the menu themselves, and each one brought either a scaloped or baked dish of some kind or fruit, cake or cookies. At six o'clock about 45 sat down to eat.

The mothers, as an advisory council, held a meeting afterward, while the girls rode their hobbles, some choosing to read, others to sew or embroider. There was no set program, although a few of the girls presented a mock trial for their guests. Rosemary Needham led the girls in singing pep songs, and a jolly time was enjoyed by those present.

Miss Elizabeth Shaver is chief sponsor for these Girl Reserves, and was also present at the dinner.

Frank Dubas Wrecks Car Near Cotesfield

Icy roads resulted Monday afternoon in the wreck near Cotesfield of Frank Dubas' car. Mr. Dubas, whose home is near Elyria, was returning from Grand Island. As he neared Cotesfield his car slipped into a ditch and overturned. Mr. Dubas' head was badly cut and one leg injured. The car was greatly damaged. Dubas left the car for repairs and came home on the motor Monday evening.

Chippis Baby Dies, Funeral Saturday

Eldon Dean, first born child of Mr. and Mrs. Henry Chippis, passed away early Saturday morning, Dec. 5th, after a brief illness with pneumonia. The infant was born May 12, 1931, and was almost seven months old when death came. Funeral services were held at 3 p. m. Saturday in Sowl's chapel, Rev. W. H. Wright having charge, and interment was in Ord cemetery. Mr. and Mrs. Chippis have the sympathy of the whole community in their grief.

Madams Glen Auble and Henry Koelling entertained the Methodist Missionary society last Wednesday afternoon in the home of the former. There was a good attendance and a pleasing luncheon was served. Mrs. Vernon Laughrey had charge of the lesson.

The next meeting of the Merry-mix club will be a covered dish luncheon in the home of Mrs. Henry Koelling.

United Brethren Aid society met yesterday in the home of Mrs. Wes Daily.

THE ORD QUIZ

Ord, Valley County, Nebraska

H. D. LEGGETT . . . PUBLISHER
E. C. LEGGETT EDITOR

Entered at the Postoffice at Ord, Nebraska, as Second Class Mail Matter Under Act of March 3, 1879.

Subscription Price \$2.50

THE SCARLET CORD: A newsboy puts "paper" in a grocery bag and sticks a tag on a barrel of potatoes. The auto dealer writes "For Sale, \$295" on the windows of his demonstrator.

Along the highways the motorist reads as he goes, "Fresh Eggs," or "Watermelons for Sale," or "Fresh Pork" . . . These are all forms of advertising.

Few Englishmen of the middle ages could read, but each one knew a goat from a bull, and all could therefore pick their favorite hostility by the sign it displayed. By the costumes of attendant priests a Roman could tell whether he was entering the temple of Adonis or Pallas Athene. Some hundreds of years before that a man named Joshua, the leader of a tribe of Jews, knew where to storm the city of Jericho because a scarlet cord hung from the window of the wall.

These are all forms of advertising. In each of these cases a sign of some sort told people what they wanted to know, where they could buy something, where they could get some special type of service.

The advertising in the Quiz tells you exactly these same things. But advertising is also a business force. It has been organized. Its results have been tested. Its value is known.

To the consumer it means shopping news. To the consumer it offers information of pleasant, agreeable ways to live. To both consumer and merchant alike it is advertiser, because it spreads information.

Advertising is as much a part of your life as your telephone, your food, your business or your family.

Indeed, most of these things are possible, partly, because of advertising. The scarlet cord still hangs from the wall of Jericho.

X-RAY CURES MASTOIDITIS

Good news for parents is found in the discovery by Dr. William L. Ross, of Omaha, that the fairly common and decidedly painful and dangerous disease, mastoiditis, can in many cases be cured by x-ray therapy. Surgery, with its attendant dangers, is the treatment resorted to in the past.

In acute cases of mastoiditis x-ray treatments are given every 12 to twelve hours until the severe pain stops. Dr. Ross reported at a meeting of the Radiological Society of America. The pain usually stops after from three to five treatments, he said. The treatments reduce tenderness and discharge from the ears and shorten the course of the disease. The treatments themselves are painless, he reported.

Your editor knows just how painful mastoiditis is and how inconvenient and expensive the surgical operation to relieve this condition is, for he was laid up almost all summer with mastoiditis a few years ago. Though the ailment frequently afflicts adults it is more common in children, where the condition can be very dangerous. Providing the discoveries of Dr. Ross are sustained by additional investigation, his x-ray methods present a most readily available to mastoiditis sufferers everywhere within a short time.

PRACTICAL TAX RELIEF

For a long time we've been yelling that farm taxes are too high. A lot of politicians have promised tax relief and have ridden triumphantly into office on tax reduction platforms. In the senate and house of representatives, from the press and perhaps even from the pulp, orators and writers have thundered that farm taxes must be reduced—that the farmer is being crushed by his tax burden. And the net result of all our yawning and thundering has been nothing.

Now comes Judge Blackledge, of Adams county, with a decision since confirmed by the supreme court of Nebraska, that farm lands should be valued for taxation purposes according to their net earnings.

Why hasn't this fair and simple solution been thought of sooner? Railroads, corporations, public utilities, have been taxed on such a basis—but not farmers. Perhaps, in theory, our farm lands have been so valued. But in practice they are valued according to their nearness to town, railroad or school, to the kind of highway that runs past the farm, perhaps in some cases even according to the owner's capacity to pay.

The decision of Judge Blackledge may be of far reaching importance in the solving of tax problems.

MORE DUCK PROPOSALS

A closed season throughout the country on ducks in 1932 and after that a thirty day open season with a daily limit of five drakes is the proposal from Kansas, where the duck shortage this year was very acute. Proposals like this contain few rays of hope for Nebraska wildfowling.

It seems certain that drastic action will be taken next year to save our remaining ducks. In all probability a "duck moratorium" will

THE GREAT AMERICAN HOME

My Own Column

declared by the president. But in action of this kind duck hunters see little chance of the duck crop ever increasing.

Reduction of shooting privileges and curtailment of bag limits are never going to cause an increase in duck numbers. They may postpone complete extinction of migratory birds by a few years but they never will bring ducks back to their numbers of twenty or thirty years ago.

The More Game Birds in America association is working on a more sensible program for presentation to Congress this year. By the terms of this proposal the government would advance several millions of dollars to be used in buying breeding and feeding areas in the United States and Canada, flooding them, sinking artesian wells, etc. The loan would be repaid to the government either by a federal hunting license fee or a government tax of 10c on each shotgun shell purchased.

Such a program, if adopted, will restore duck hunting. Closed seasons and low bag limits never will.

MILITARISTIC FRANCE

The daily papers just now are filled with stories about the China-Japan controversy, with Soviet Russia pictured as the factor that may plunge the world into a bloody war. Yet France, where martial spirit runs high and where militaristic preparations are being made daily, is largely overlooked when the possibility of war is being discussed.

The reception Senator Borah's talk on disarmament met with in France should cause the rest of the world to worry, but it has not seemed to. A shouting, fighting mob in the Trocadero, in Paris, howled the speech down with shouts of "We Want War!" And French newspapers, instead of condemning this attitude, praised the rioters.

France is ready for war now, her vaults are filled with almost half the world's gold supply. She maintains the largest standing army and armed reserves of any country in the world. And France is determined that Germany shall not live. Germany must not repay privately negotiated loans until war reparations are paid in full, France says. If she persists in this attitude war must come for the world's financiers will not allow the debt Germany owes them to be thus nullified.

Unless French sentiment changes we will see, within a few months or years, England and Italy lined up with Germany against their former ally, France. It will not be long until the United States is in the fray, too.

How One Woman Lost 20 Lbs. of Fat

Lost Her Prominent Hips—Double Chin—Sluggishness—Gained Physical Vigor—A Shapely Figure.

If you're fat—first remove the cause. Take one half teaspoonful of KRUSCHEN SALTS in a glass of hot water every morning—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—KRUSCHEN will give any fat person a joyous surprise.

Get an 85c bottle of KRUSCHEN SALTS from McLain and Sorensen or any leading druggist anywhere in America (lasts 4 weeks). If in this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—your money gladly returned.

fic of the great trucks, then some way must be found to make the trucks pay a larger share of the cost of road building. In the east already, pavements are being made 80 feet wide with three traffic lanes each way, one for trucks, and heavy, slow traffic, another for medium speed and a third for the fellows who want to slip along at 60 and 70 miles an hour. There are times, now, on Nebraska highways, when motor passenger traffic is badly hampered by excessive truck traffic and I predict that it will not be very long before our road builders will be planning roads double the present width.

The Quiz recipe calendar is being manufactured as rapidly as possible and we are still hoping to have it ready by the middle of the 20th of December and we want every Quiz reader to have one. A copy of the Quiz for a year with one of these calendars makes a splendid Christmas gift.

It is prophesied that within ten years aluminum will replace steel in building railroad cars. Ought to be good news for Andrew Mellon who is said to practically have a monopoly of aluminum business in the world.

Now it is proposed to have an extra session of the legislature to "relieve the farmers." Rot! It will relieve the state of a considerable bunch of money and provide a nice winter vacation for the members. If it would stop there it might not be so bad but perhaps some "relief" legislation will be passed and that will cost a lot more and there will be no results. Present business conditions cannot be legislated away.

Another thing, it is not going to help any to set up some more credit financial organizations to "loan money to home builders and the farmers." There has been too much money loaned already and more harm will be done loaning more and besides it will be expensive, as has been the farm board. If the government will put enough money in circulation so those owing debts can pay them with the same priced dollars that they borrowed, the whole bad business will be righted. But of course that would not suit the Wall Street group and it won't be done, not yet. After a while the people will get sick and tired of the present methods and insist on a change.

I like the announcement of Governor Bryan that oiled gravel roads will be built next year instead of cement but there will be a big fight made by the cement manufacturers. Speaking from experience of course I don't know a thing about the ultimate value of the two methods of road making, that is, which would be the cheapest in the long run. Bryan says cement roads will cost approximately five times as much as the oiled gravel and he believes it will be better to build five times as much roads. I believe he is right. I have driven over thousands of miles of oiled gravel roads and they seem to be almost as good as cement. The upkeep does not seem to be high. Surely oil and gravel is plenty good for roads between towns in interior Nebraska. The dream of cement roads connecting all county seat towns is a dream of the cement makers no doubt but it would be an expensive dream to make come true.

The increasing number and size of trucks on the roads is creating another problem that is going to have to be solved in some way. More and more of the local freight is being hauled by truck and railroads are going broke. One man who has traveled widely says that in forty years a railroad train will be as much of a curiosity as a team and buggy is now. If trucks are going to multiply in numbers and size as they have been doing, and if roads have not to be made of cement instead of gravel in order to stand the traf-

half, as her fond grandfather occasionally remarks, "is smarter than some whole families." Long ago Shirley selected the name "Levi" for the addition to the family, choosing it all by herself. I suppose from that Solomon Levi song, as that is the only Levi she has ever heard of.

When the new baby arrived a friend asked what the baby's name was going to be, and the answer was, that in honor of Shirley's grandma the name chosen was Cora Lee.

Up spoke our child wonder, quick as a flash: "No, sir! That baby's name is Cora Lee-ee!"

A little North Loup boy not quite five years old, was overheard at his prayers a few nights ago, earnestly talking as follows: "And thank you a lot, Jesus, for that beautiful sunset you painted tonight."

BACK FORTY
By J. A. KOVANDA

The fact that farmers and other property owners are victims of an obsolete system of taxation is news to no one. Agriculture, though receiving less than one-tenth of this nation's income, pays a third of its taxes. Less than half of Nebraska's population residing on farms pays two-thirds of our state taxes. In order to keep taxes from eventually confiscating land, various remedies have been suggested. They are summarized in the following paragraphs:

1. The Income Tax—The best measure of ability to pay is income received. Many folks earning large incomes possess no taxable property. Our county officers here come very close to being self-supporting, through the fees which they collect.

2. Equal distribution of railway taxes—At present the district having a railroad within its boundaries gets most of the tax money from the fellows who want to slip along at 60 and 70 miles an hour. There are times, now, on Nebraska highways, when motor passenger traffic is badly hampered by excessive truck traffic and I predict that it will not be very long before our road builders will be planning roads double the present width.

3. Equalization of School Taxes—In Nebraska they now range all the way from 0 to 30 mills. Taxes on poor land are often higher than on good land in counties near by.

4. Federal Aid for Education—Too much wealth has been concentrated in the east. This is one means of bringing some of it back. Distant cities get many of the best finished products of our schools. They might pay for part of the cost of educating them.

EYE TALKS
Week by Week

Still talking about wrinkles this week.

Those up and down wrinkles in your forehead, especially the ones that are magnified as you look closer at some object, are caused by imbalance of the many muscles of the eyes.

These wrinkles can often be eradicated simply by treating or training the muscles of the eyes and do not necessarily mean that you will have to wear glasses.

Of course we did have automobiles, bath tubs, electric lights, radios or any of our other many products of education.

In the days when only the old wore glasses we must remember we did have automobiles, bath tubs, electric lights, radios or any of our other many products of education.

Geo. A. Parkins
Optometrist

5. Reduction of School Expenses—Further reductions are possible in cost and quality of instruction. Higher education tends to relieve the unemployment situation.

6. Consolidation of County Governments—In sparsely settled regions there is some unnecessary duplication. Our county officers here come very close to being self-supporting, through the fees which they collect.

7. Sales Tax—Several states have derived surprisingly big revenues through this form of taxation. A tax on luxuries, such as cigarettes, cosmetics, entertainments, and club dues places more of the burden of government on those best able to pay.

8. Lessening of Tax Evasion—Much property escapes taxation. Some pipe-line and power companies have dual valuations; a high one for the railway commission, and a low one for the assessor. Nebraska's new intangible tax law brings in two million dollars yearly. This law might well be adopted by other states.

9. Abolishment of Exemptions—It has been suggested that nothing be exempted from taxation, not even government land. Our two hundred dollar tax exemption on furniture makes it easy to lie to the assessor.

10. Re-classification of A, B, and C Land—Good land often pays no more in taxes than poor land adjoining it. There has been too much guess work in determining land values.

11. Deduction of Road Tax from Farm Gasoline—It is unfair to require a road tax from gasoline not used on the roads. Kansas deducts it, and Iowa rebates it back afterward. Neither state's system has been any too successful, however.

12. Curtailment of Gold Flow to Europe—As soon as the United States declared a moratorium on European war debts, those countries proceeded to draw out their credit balances in gold. Thus we lost one-sixth of our gold bullion in six weeks. This country cannot do likewise, because most of the other nations are not on a gold standard and we could receive only paper. France has taken all the gold we loaned Germany, for payment of reparations. The American taxpayer is being forced to stand the cost of war debts of not only the allied nations, but also of Germany.

When Death Tests a Fabric's Strength

Mr. ALVA MITCHELL, who farms near Winamac, Indiana, climbed down off his disc harrow for a drink of water. His team, frightened at something, started a runaway, the heavy harrow banging and bumping over the ground. He cut across the field to head them off, grabbed for one horse's head—and tripped! As Mr. Mitchell tells it in his letter: "Just that morning I had bought a pair of Oshkosh B'Gosh Overalls at Haas's at Winamac and luckily I had them on. When I grabbed for that horse's head I fell but my Oshkosh B'Gosh Overalls caught on the tongue and held me suspended. For a hundred feet I was carried between two plunging horses and ahead of the heavy disc. Then the disc hit a gate. I was knocked loose. The smashed gate post raised the disc just enough to let it pass over me and I escaped with a few bruises. Had I not been wearing Oshkosh B'Gosh Overalls I claim that I might not be here today to tell this story."

Therefore, if this column is to be useful, it must contain the more unusual recipes, or at least the newest and most delicious ways to cook old stand-bys. So please, when choosing recipes to send to the Quiz, select the most different new recipes you have acquired, that we may all enjoy them.

By this do not think that recipes for everyday use will not be valued, because they will be. However, it is easy to understand that there is no use to print recipes for things that we all know how to make and have used for years. Let us have variety in this column, please.

Mrs. Fred Bartz

Maple Raisin Cream Pie.
2 c. milk, 3 tbsp. sugar, 1/4 tsp. salt, 2 tbsp. cornstarch, 2 egg yolks, 1 c. raisins, 1/2 c. walnuts, 1/2 tsp. maple syrup.
Scald milk with sugar and salt. Moisten cornstarch with a little cold milk, add yolks and pour into hot mixture, stirring constantly until thick. Put in the nuts and raisins, which have been boiled a few minutes and then chopped. Allow to heat thoroughly, remove from fire, add the maple flavoring, cool slightly and pour into baked pastry shell.

Cover with a meringue made of the egg whites beaten stiff with 4 tbsp. sugar. Bake fifteen minutes. This is also good without the nuts.

Mrs. James Sedlacek.

Divinity Fudge (small batch)
1 c. sugar, 1/4 c. corn syrup, white, 1/4 c. hot water, 1 egg white.

Cook sugar, syrup and water together over a medium hot stove until a little dropped in cold water forms a hard (not too hard) lump. In the meantime, while the above is cooking, beat the egg white until very stiff.

Take the hot mixture and pour it slowly into the stiffly beaten egg whites, stirring constantly. Add nuts, raisins or cocoanut if wished, beat until stiff. Drop on oiled paper or pour into a pan and cut in squares.

Mrs. Elmer Henkel.

Amen, Herbert.

Throwing platitudes to the winds, Herbert L. Cushing, deputy state superintendent of public instruction, broadcast an American education week address Friday afternoon in which he scored the movement to centralize educational matters at Washington, D. C., in the hands of those whom he said were uncertain whether the west begins at the Hudson river or the banks of the Mississippi.

"Heaven forbid that equal opportunity for rural culture ever be made available for the rural children of Nebraska," said Mr. Cushing. "If rural culture means that rural children of Nebraska are to be brought in contact with the social standards of New York."

"If equal opportunity and adequate 'rural culture' means that the rural children of Nebraska are to be brought in contact with the social standards of New York, it means that gangland code of ethics which prevails in the city where 15,000 teachers have not been paid for eight months, if it means that the moral standards of Hollywood are to be brought any closer than they are present through the medium of sex saturated movies, if it means more intimate contact with newspapers and magazines which picture smiling beauties with sparkling eyes, ruddy cheeks all brightly portrayed as the result of the use of a particular brand of cigaret and whose editorial columns seek to break down confidence in the eighteenth amendment, if it means uplifting the rural youth to the point where he will pay \$50 for a ringside seat but wouldn't give a slick dime to the church, if it means the substitution of a cold intellectualism which reasons away the existence of God and obliterates all evidence of an emotional life which through all the ages has found its highest expression in some form of religious experience, then heaven forbid that equal opportunity for rural culture ever be made available for the rural children of Nebraska."—Clay County Sun.

MAYTAG

Here! it is! and the price is only \$79.50

The New Maytag... with quality features you'd expect on a much higher priced machine... constructed to take the punishment of years of hard use... every hidden part made and assembled with painstaking care... in short, typical Maytag quality at the price of a "second choice" make of washer.

This New Maytag cleanses by the famous Maytag Gyrafoam method—fast, positive, yet gentle. The Gyrafator is countersunk to the level of the tub bottom—an extra quality feature that saves wear and tear on clothes. There is the "sediment zone"—another Maytag development which prevents dirt from being washed back into clean clothes. Extra large rolls on the wringer gently remove the last vestige of dirt—but save the buttons.

And the New Maytag is quiet. It stays quiet. Because the moving parts are so carefully made and put together that they don't wear out and get loose. That quietness is a sign of the built-in quality that makes this New Maytag such an amazing value.

See it. See this New Maytag. Visit the Maytag showroom and prove to yourself that this is the kind of a washer value you've waited for.

History Professor At State Uni Urges Uncle Sam Enter Sino-Japanese

EDITOR'S NOTE: The following article discussing the present Manchurian situation has been written especially for this paper by Dr. F. M. Fling, professor of European history at the University of Nebraska. Dr. Fling was chief of the section of diplomatic history of the American General Staff during the World War. He also represented the historical branch during the Peace conference in Paris.)

BY DR. F. M. FLING

The present situation in Manchuria is the almost inevitable outcome of the political chaos in China. For years Manchuria has been in the hands of bandit-armies and practically independent of China. China proper is divided between two warring governments, one with its seat at Canton, the other at Nankin. China is, and has been for some years, in a state of civil war, the end of which no man can foresee. As the result of the Russo-Japanese war, Japan established itself in southern Manchuria, under treaty arrangements with Russia and China, built the south Manchurian railway and did much to develop the country whose population increased many times in two decades. The disorder in China naturally spread to Manchuria. Attacks on the Japanese, in the zone of their railroad, led to clashes between Japanese and Chinese troops that made possible the steady advance of the Japanese into northern Manchuria, into the region under Russian control.

While the fighting was going on, China constantly demanded the retirement of the Japanese and the Japanese replied that they were ready to retire when they were assured that Japanese lives and property in Manchuria would be protected. Shortly after the first clash occurred, China appealed to the League of Nations, of which both China and Japan were members. The United States declared its intention of cooperating with the league in settling the difference between the two countries and sent a representative to sit with the council of the League, although he had no right to vote. Japan protested against this act, but the council did not withdraw its invitation. The council, after long deliberation, advised Japan to withdraw from northern Manchuria by November 16. Japan did not withdraw and the council is now in session in Paris. General Dawes is present in the city, conferring with the individual members of the council, but not sitting with it. Up to the present time, no solution, agreeable to both the Japanese and the Chinese has been found. There is talk of an economic boycott, but in the present economic state of the world, it is highly improbable that the United States would support such a measure.

The one immediate solution of the problem would seem to be for some of the great states, England, the United States, and France, for example, to send a few thousand men into Manchuria to act as an international police force until some kind of a permanent government has been established. The

United States already has a regiment on the borders of Manchuria and it can easily and quickly be moved into the territory. Neither China nor Japan could object to such action and Japan, granted the security it asks for, could have no logical ground for not withdrawing to the territory that it holds by treaty arrangement.

If the League, supported by the United States, fails to act, the little brush-fire that now exists, may be fanned into a prairie fire that will sweep across Asia, involving not only China, Japan, and Russia, but all the states that have interests in the East. Common sense demands immediate action. Let us not forget that the World War, that all but wrecked western civilization, began in the Balkans, in an affair between Austria-Hungary and Serbia, an affair that did not concern us, we thought. Before this little affair was settled, we had an army of 2,000,000 men in France. Have we not yet learned that the world must be governed and that a large part of the responsibility for its government has fallen upon our shoulders?

SUMMARY OF PROCEEDINGS OF THE COUNTY BOARD

December 1, 1931, at 10 o'clock a. m. meeting called to order by chairman with all supervisors present upon roll call. Minutes of last meeting were read and approved as read. Rev. Reel of Ord, appeared before the meeting and outlined and explained a plan for organizing a committee composed of representatives of the various churches, lodges and various civic organizations of Ord, for the purpose of doing systematic relief work to supplement relief work as now done among destitute and needy families by the county, all of which was concurred in and cooperation promised by the board.

Bank balance as of November 30, 1931, was as read, The First National Bank, in Ord, \$51,248.14. Resignation of Herman Gramke, precinct assessor in North Loup precinct, on account of removal from county, was accepted.

Application for admission of Myrtle Elizabeth Jorgensen, to the Nebraska Institution for Feeble-minded at Beatrice, as a county charge, was considered and granted. Board then audited General Fund, Road Fund and Bridge Fund claims and ordered warrants issued upon proper funds in payment of all claims allowed for payment.

Upon motion seconded and carried Jos. Bartunek was allowed \$10.00 per month for two months from January 1, 1932. Meeting then adjourned sine die. IGN. KLIMA, Jr. County Clerk

For A Cough That Hangs On

A Speedy End-- Or Money Back

Say goodbye to that harsh, rasping cough that racks your whole body and keeps you (and the neighbors) awake night after night. Two doses of Bronchuline Emulsion will probably end it. A whole bottle certainly will—or you can have your money back.

Bronchuline Emulsion is no sugary sedative syrup. It's a REAL cough medicine. It contains no chloroform, narcotics, nor habit-forming drugs of any kind. Nothing to upset your stomach—nothing to give you the drug habit.

No matter how your cough has hung on, give Bronchuline a trial. It MUST stop your cough or money back. McLain & Sorensen guarantees it.

Miss Elma Stanton entertained the members of the "Believe It or Not" club and eleven guests at a party held at her home in Ord on Saturday evening, Nov. 23. The evening was spent in playing games. At an early hour lunch was served which consisted of cake and ice cream.

OIL HEAT

Burns Oil and Air Amazing New Way!

LACO OIL BURNER CO. 1501 Union Street GRISWOLD, IOWA

You needn't tell me — I know Camel is the fresh cigarette!

Here's why they're FRESH!

CAMELS are never parched or toasted

THERE is of course a sound reason why the Camel Humidor Pack can deliver to Camel smokers a cigarette that is genuinely fresh.

Camels are made fresh to start with, fresh with natural moisture — blended of the choicest, delicately mild, full-mellow, sun-ripened tobaccos that money can buy.

The full natural goodness of these fine tobaccos is safeguarded at every step in their handling — they are never parched or toasted — the Reynolds method of scientifically applying heat guarantees against that.

That's why we can say with every assurance that

Camels are truly fresh. They're made fresh — not parched or toasted — and then they're kept fresh in the Camel Humidor Pack.

The delights of a genuinely fresh cigarette are so rare and desirable that Camel popularity continues to mount daily to new highs.

Test these delights for yourself — see what true freshness means in cool, slow-burning, delicate mildness — switch to Camels for just one day, then leave them — if you can.

CAMELS

Made FRESH — Kept FRESH

Don't remove the moisture-proof wrapping from your package of Camels after you open it. The Camel Humidor Pack is protection against perfume and powder odors, dust and germs. In offices and homes, even in the dry atmosphere of artificial heat, the Camel Humidor Pack can be depended upon to deliver fresh Camels every time.

Save Now — and thank yourself Later!

Perhaps you are a young man or woman, out of high school only a short time but earning a good salary. You have no family, no definite aim in life, and you have gradually drifted into the habit of spending all the money you make. "I just can't save money," you say.

The easiest way to save is the Protective way. It's so easy to make that small deposit every month that you never miss the money. And how happy you'll be a few short years from now if you start saving now. You'll thank yourself then.

NORTH LOUP DEPARTMENT

MRS. FRED BARTZ, Reporter

Mrs. Ernest Paddock went to Ord Monday to receive a third treatment of her tonsils at Hillcrest.

Mr. Black, old time resident of North Loup, though not seriously ill, has been confined to his home for the past month. His daughter, Mrs. Georgia Green who resides near acts as nurse for her father.

Mr. and Mrs. Elvin Barnhart were well pleased with the results of their sale of livestock and a few household goods. The remainder was trucked to their new home at Sterling, Colo. Mr. and Mrs. Barnhart and Ermin left via auto Tuesday morning. They will reside just across the street from Mrs. Barnhart's brother's family, Mr. and Mrs. George Helbig.

Mrs. D. M. Vanzant, who with her family was for many years a resident of North Loup, passed away on Thanksgiving Day, Nov. 26 at the home of a daughter, Mrs. D. B. James, at Sterling, Nebr., with whom she has lived and been tenderly cared for during the past four years of illness. Her husband, D. M. Vanzant preceded her death Aug. 1, 1924 in Springfield, Ore. She is survived by one son Lee, of Central City, and five daughters, Mrs. Orle Campbell, of Eaton, O., Mrs. O. L. Randall of Wayne, Nebr., Mrs. A. H. Green, Ismay, Mont., Mrs. J. R. Baker, Hawthorn, Ore., and Mrs. B. James of Sterling, Nebr., all of whom grew to manhood and womanhood in North Loup. By request of Mrs. Vanzant herself, the body was cremated, the ashes of which are expected to be buried at a later date in the family lot at Scotia.

North Loup school faculty and students, as well as friends of the churches enjoyed a visit of officials from Salem College, West Virginia, last Tuesday and Wednesday, Dec. 1 and 2. They were present S. O. Bond and Dr. D. P. Bishop, who are traveling in the interests of the college. They left good impressions with North Loup folks.

Mrs. Jesse Babcock and Maud Shepard were hostesses Tuesday, Dec. 1, to the NoLo club at the latter's home. Fifteen members and two guests, Mrs. Goodrich of Omaha and Miss Mabel Lee were present. Amusing personal experiences were given in answer to roll call. The first three cantos of Scott's, "Lay of the Last Minstrel," composed the lesson study and was conducted by Mrs. Mabel McClellan in the absence of Miss Fannie McClellan. An original song of 49 verses with piano accompaniment was, it is related, very beautifully rendered by the hostesses, and much more to the audience than the most tasteful of lunches.

The Fortnightly Woman's club entertained 17 members of the Scotia Woman's club on Wednesday afternoon, Dec. 2, in the parlors of the S. D. B. church. Madams Esther and Mrs. Myra Thrasher and Addie Gowan were hostesses. Miss Bessie Franc Brown had the lesson in charge, which was a Bible lecture based on the different Hebrew interpretations of Jehovah and was very

fine and interesting. Following the lecture Miss Brown sang to her own piano accompaniment a much appreciated Chinese song. An original monologue, "Mrs. Club Woman Goes to the Convention," was given by Mrs. Winnie Bartz. Two piano solos from a "Day in Venice" suite were given by Mrs. Warren. The program closed with club singing lead by Genevieve Hoepfner accompanied by Ruth Hutchins at the piano. During the social hour and preceding lunch Mrs. Myra Barber lead in a good fellowship game. Mrs. Schudel, president of the North Loup club, welcomed the Scotia ladies. The response was given by Mrs. Mark Nelson, president of the Scotia club. Roll call was responded to with favorite Bible verses.

The Clifford Goodrich family will move in the near future to the Elvin Barnhart farm, where the Elvins will do light farming and Mr. Goodrich will continue as mail carrier.

The Home Economics class of high school girls with their sponsor, Miss Crink entertained the members of the school board and Supt. Green Monday evening at luncheon following the regular monthly session of the board. Miss Ruby Babcock who was called home from Milton because of the death of her mother, Mrs. Stella Babcock has returned to her college work. Her father, Mr. Tom will remain with his father and brother Richard for the present.

TRADE MERIT VALUES FOR EVERYONE

INDEX to Trade Merit Specials

Now, on Friday and Saturday, Dec. 11 and 12, just in time for Christmas shopping, comes a presentation of the Ord Trade Merit Specials. These bargain days will be a big event—huge crowds will throng Ord—for beside the regular Trade Merit items merchants taking part, and others, are offering a lot of special values that most commend the attention of every shopper.

Read through this paper carefully—right now. Read the Trade Merit index below, make a list of the items you want and then turn to the center pages of this section to learn where they may be secured. Then, after you have read Trade Merit ads, read the paper front page to back page, overlooking nothing, for on every page you will learn of new values.

Come to Ord to do your shopping this week end. Shop for your regular needs and do your Christmas buying as well. Ord is a real Christmas city, with its handsome decorations and good will spirit.

Now for the big buying index. Read the index, jot down numbers of items you are interested in, then turn to the center pages to find them.

1. A \$2,000 reduction sale of groceries. Values? Well we guess yes.
2. Here's a gift for little girls—18-inch unbreakable doll valued at \$1.50 for only 89c.
3. Gold Medal cream separators with the curved disk bowls, specially priced.
4. An enamel waterless cooker for \$1.38, along with special prices on bikes and sonny wagons for the kiddies.
5. Fifteen percent off on genuine Goodyear tires. Can you beat it? Plus gas coupons.
6. Here's an item for the men of your family—Domit flannel shirts for 50c. You can't afford to not buy.
7. High chairs, cribs and baby carriages at low levels. Values you can't touch elsewhere. Buy for the baby now.
8. Nunn-Bush shoes, one of the best made in America. Specially sell at \$8 and \$10, once at \$6.85 per pair. Children's stockings in this lot, regardless of price, group at 10c per pair. Dresses or coats for the lot of one plus \$1.00.
9. A bargain show for afternoon at the Ord e. Clip the ad and with it will admit two to the e. Or one to an even performance.
10. Cash Overalls, the d of overall value, now at \$1.19, the lowest in history. Why wear "cheap" overalls?
11. How does boys and girls skates at 75c per pair sound? Get in on this value. Or a 12-qt. tin pall for only 30c.
12. Electric washing machine for \$59.50, four-gang radio for \$49.50, cream separator and 1,000 other values.
13. 20 to 50 percent off on all family.
14. Buy a used car, get free gas to run it.
15. Celery and cranberries, holiday items, 5¢—at special prices.
16. Buy the Quiz for only \$2.00 on trade merit days.
17. Gooch's hog fatterer and pig meal at special prices. Every farmer needs some.
18. Books—books—sell at 75c each now offering for two bits.
19. Two good sized Turkish towels for a quarter or six handsome Christmas cards for a dime. You can't beat these offers.
20. Here are one dozen Christmas cards, with envelopes, offered for 18c. You'll want at least a dozen.
21. Why pay fancy prices for fancy breakfast food boxes when you can buy this delicious whole wheat food for 25c, getting a big four pound sack?
22. Chronic ills successfully treated by chiropractic spinal adjustments. Get an adjustment free by calling on trade merit days.
23. These cold mornings call for Rockliffe—the easy starting gas for which no premium is asked. Try it once, use it all ways.
24. This firm gives you \$100 off on a brand new Chevrolet. Like finding money if you need a new car.
25. Marinello facial, eyebrow arch and manicure all for \$1.60. Better telephone 55c, Ord, for an appointment.

Taxpayers Meet At Woodman Hall December 18

A meeting of taxpayers will be held at the Woodman hall west of Ord on Friday, December 18, our Woodman hall correspondent reports, the meeting being called to discuss present high taxes and see if some means cannot be found to reduce them in the future. Sponsors of the meeting point out that present taxes on real estate and farm property were established during the war time boom and that they are greater out of line with present prices of farm products. If grain, cattle and farm produce prices cannot be raised some way must be worked out so that taxes and other farm expenses may be lowered, leaders of the meeting say. All taxpayers are invited to attend the meeting.

LAND IS BEING LEASED FOR OIL AT NORTH LOUP

Henry Bredthauer, Fred McAnulty Signing Up Mira Valley Land For Big Oil Company

North Loup, Dec. 9.—(Special)—Interest in the possibility that there may be oil beneath the surface of Mira Valley was revived this week when Fred McAnulty, of Scottsbluff, and Henry Bredthauer, of Ord, started seeking leases in the lower part of the valley for a big oil company, the name of which has not been revealed. It is reported that the company wants only 5,000 acres under lease before they are ready to go ahead with drilling.

For some time it has been known that geological surveys indicate the possibility that Mira Valley land may be rich in oil. Some months ago J. D. Barfield, a representative of a company called the Phillips Oil Company of Wichita, Kas., sought oil leases in almost the same territory but could secure only a few leases.

Among those owning land in the locality where leases are being sought are Wm. Fogler and sons, Harry Meyers, Ed. Henry, Ed. Mabel Lee, Will Schultz, Mrs. Jennie Anderson, Mrs. Ella Coombs and son, and others.

McAnulty and Bredthauer are said to have secured a number of leases already.

Knights of Pythias Charity Ball Dec. 15

Next Tuesday evening, Dec. 15th, the annual Knights of Pythias charity ball will be held at the K. of P. hall in Ord. Net proceeds will be turned over to the Welfare Board, to aid in helping needy and unemployed of Ord and vicinity. Ticket sales started yesterday under the direction of Jack Sargent as chairman of the ticket committee. This is a worthy cause and everybody should buy tickets when asked to do so.

Union Xmas Cantata Here December 20th

A cantata under the direction of Miss Elva Bloodgood will be presented at the Methodist church on the evening of December 20. The union choir, representing all Protestant churches, will give the cantata. The public is invited.

Co-op Creamery Has Annual Meet Today

Stockholders of the Ord Co-operative Creamery association are holding their annual meeting at the Ord city hall at 2 p. m. today. In 1930 the Ord creamery churned 445,000 pounds of butter, thus winning the honor of being the largest independent co-operative creamery in Nebraska. It is believed that this year's business will be even larger than last. The Ord creamery has consistently held cream prices paid in Ord above state station prices throughout 1931. A full account of the annual meeting will be published in next week's Quiz.

Vogeltanz Withdraws As Defense Att'y. In Million Dollar Sowl-Blessing Law Suit

The sudden withdrawal of E. L. Vogeltanz from the "legal" staff of Dr. F. L. Blessing, who is being sued for \$29,831.36 3-4 by Orville H. Sowl, is the most sensational new development in this case during the week. Mr. Vogeltanz gave no reason for his withdrawal and Dr. Blessing is said to have engaged C. J. Mortensen to assist Edwin Clements in defending him. The case will come to trial January 4th before a Kangaroo court in the Legion hall.

As Quiz readers will recall, Mr. Sowl is charging that Dr. Blessing's character is an anonymous letter mailed to him shortly before Armistice Day. Sowl was charged with being a communist in this letter.

A brilliant staff of attorneys will prosecute the case for Funeral Director Sowl, as Carl C. Dale has been engaged to help Chief Counsel J. D. McCall and Alfred Weigardt also is assisting in drawing up briefs and affidavits. Attorney Meall has employed Dale Norman, of the detective firm of NORMAN & Andersen, to secure evidence in the case. Dr. Blessing's counsel, Messrs. Clements and Mortensen, are expected to base their client's defense on the theory that to defame the character of Mr. Sowl would be an impossibility.

So much interest has been manifested in the trial that Legionnaires are considering charging an admission fee when the case comes to trial January 4th.

Do You Enjoy Writing Limericks? Then You Can Win A Prize in Limer-Ad Contest

Lilla Austin Falls, Hart.

While visiting her sister, Mrs. Ace Vincent, in the Vincent family's rooms in the Goodhand building last Saturday, Miss Lilla Austin fell down stairs and crashed against the glass door at the entrance. The plate glass broke and Miss Austin's head was badly cut that Dr. Lee Nay had to take three stitches to close the wound. She is a high school student.

Every Two Weeks Ord Merchants Give Two Prizes Free For Best Last Lines.

Nearly everybody enjoys writing limericks, which probably is the reason why the Trade Merit Limer-Ad contest sponsored by Ord merchants every two weeks is such a great success. Hundreds of people have competed in the contests, hundreds will do so again this week.

All you have to do to win a prize is to write the best "last line" to the little Limer-Ad published by the different business men taking part. This week's Limer-Ads are sponsored by the Limer Seed Co. and Harlan T. Frazier. They will be found in the Trade Merit pages in the center of this section, along with full contest rules and instructions.

If you haven't previously taken part in a Limer-Ad contest do so this week. Its fun—aside from the chance you have to win a prize. Everybody's writing "last lines"—why not you?

JUNIOR BOYS WIN CLASS CAGE MEET, LOSE TO FACULTY

Junior Quintet, Composed Mostly Of Letter Men, Wins 8 to 3; Senior Girls Soccer Champs.

Basketball activities opened in Ord high school last Wednesday evening when preliminary games in the annual interclass tournament were played. The tournament continued through the week, ending Friday evening when the junior boys won the interclass championship by defeating the seniors 8 to 3 in the finals. A girls interclass soccer tournament ended the same day with the senior team victors over the juniors.

In preliminary cage encounters Wednesday the freshman five lost to the juniors while sophomores were taking a trouncing from the senior quintet. Girls soccer in the annual interclass tournament was played, freshman boys losing to the sophomores. The freshman girls beat sophomores in soccer.

Final games Thursday evening were played before a large crowd and the fast junior quint won their championship by taking the seniors into camp, 8 to 3. Eldon Benda, Don Lashmett, Roland Vodehnal, Kenneth Nutter and Ralph Mastonka were in the starting line-up for the winning juniors.

The girls soccer game the same day was a hard fought battle but the seniors proved more proficient and with Virginia VanDecar, Katherine Lewis, Rosemary Needham and Elythe James starting, they out-scored their junior opponents. Grace Ball, Evelyn Barta and Leta Auble looked best for the losers.

The junior boys, not satisfied with the honors they had won in interclass competition, were so unwary as to accept a challenge from the faculty and Saturday evening went down to defeat, 13 to 9, in a game featured by the fast play of Professor Theo. Toenneges, who gave up his orchestra baton for a pair of basketball shoes and proved himself a star in basketball as in music.

Ordites Urged Leave Cars At Home, Save Parking Space

Ord business people are putting on a big trade campaign this week-end and because an enormous crowd of visitors is expected in town Ordites are requested to leave their automobiles at home or park them some distance off the square, so as to save as much parking space for visitors as possible.

The shortage of parking space will continue to some extent throughout the holiday buying season so Ord merchants and their employees should be as considerate of visitors as possible.

Let's make every effort to make our visitors feel at home, not only during the Christmas season but all the time. Ord is a friendly city—let's make our guests feel our friendliness to them.

WELFARE BOARD READY TO HELP NEEDY ORDITES

Organization Perfected At Meeting Tuesday; Hope To Help Unemployed Get Work.

No one is going hungry or cold in Ord this winter, if the Welfare Board of Ord can help it, and this the welfare workers are determined to do, laying plans at their Tuesday night session accordingly. Those present were Rev. Real, Frank Fafetta, Mrs. C. J. Mortensen, Mrs. William Carlton, Mrs. Harold Erickson, Jim Misko, Mrs. George Parkers, Alvin Blessing, Mrs. Gould Flagg, Val Pullen, Sheriff Round, and Andy Cook. Organizations which have signified their desire to help in the work of caring for the needy this winter are Pentecostal, Christian, Catholic, Methodist, Lutheran, Presbyterian and United Brethren churches, Woman's Club, Rotary club, Chamber of Commerce, American Legion and Auxiliary, G. A. R., Knights of Pythias, Pythian Sisters, Odd Fellows and Rebekahs, Degree of Honor, Masonic Lodge, Eastern Star, F. E. O.

To appoint committees, a committee composed of Alvin Blessing, Mrs. Gould Flagg and Rev. Real will act, and the committees will begin their work almost immediately. The work will really have three phases. First, getting the necessary food, clothing, toys, etc., and putting them in shape for use. Second, investigating cases that seem to need help. Third, the actual work of fitting the needed things to the needy families. The scope of the Welfare Board's work is not restricted to Ord alone, but extends out into Ord's trading territory, out into Valley county. While the county cares for paupers, or chronic cases, there is a large amount of other assistance needed which the Welfare Board intends to supply.

Donations which formerly were carefully used for charity by individuals and lodges, church organizations, etc., are now being turned over to the Welfare Board so that work may not be duplicated. Within a few days the K. of P. lodge will give their annual charity ball, proceeds of which are used for the needy and usually amount to \$75 to \$85, according to Mr. Blessing. Mrs. Mortensen reported \$10 given by the Auxiliary for a Christmas fund for the Welfare Board. It is proposed to keep an itemized record of all donations, from whom received, when, etc., and also when, where, what and to whom issued.

Ambitiously, the Welfare Board would like to help men who are out of work and really want to work. Very shortly it is planned to act as a sort of employment agency or go-between to help workers and work get together, for very few families like to accept charity, greatly preferring to earn a living if at all possible. Phone any member of the Welfare Board if you want work to do.

Beginning next Thursday, the office in the court house basement formerly occupied by the county assessor will be open from 2 p. m. until 5 p. m. each day except Sunday, for at least a week, to receive any donations of food or clothing you may be able to spare. Toys are especially requested, as many children lack them entirely and will welcome with open arms unbroken second-hand toys. Children's clothing, men's clothing, hats, shoes, anything you may have, will be useful to someone, so see that the Welfare Board gets your aid.

Jensen President Of City Basketball League

Alvin Jensen is the new president of the Ord City Basketball League. He was elected to succeed Clyde Baker at a meeting of cage enthusiasts held Tuesday evening in Ord high school. Harry Wolf was re-elected secretary and treasurer.

The first practice session for town cage was held at next Tuesday evening. President Jensen announces. Four teams will be formed this year but sponsors have not yet been chosen. Any boy or man in Ord and vicinity who is not attending high school may join the league. Dues of \$2.00 pay all gym expenses, including shower and locker dues.

129 Citizens Ask Grand Jury Probe In Garfield County

A petition asking that a grand jury be called to investigate the condition of Garfield county offices has been filed with the county clerk at Burwell. The petition bore the signatures of 129 Garfield county citizens and sets official, Frank N. Smith, stands charged with twenty counts of embezzlement of sums totalling \$2,910 and that auditors are still going over the books. The petition asks an investigation into the conduct of other offices. A hearing will be held in district court at Burwell.

A Note To Santa Claus

Dear Santa Claus: As you requested we printed your letter that we are printing the letters your little friends in Valley county wrote in answer to it. You will find these letters on several different pages of the Quiz today so scan the paper carefully from front to back so as to miss none of them.

Probably some other boys and girls will write to you in care of the Quiz again next week, so be watching for them in our next issue.

Some Winter Style Hints for Youngsters

LATE STYLES FEATURED BY CAMEL'S HAIR SWEATER BLOUSES AND JACKETS, AND SHORT-LONG NOVELTY FUR COATS

BY HARRIET

YOUNGSTERS always like novelty clothes. Nothing too exaggerated, but snappy clothes that have a little of this or that which more adult things do without.

College clothes this year are definitely in this class. They are suitable for all girls up to their middle twenties. But they have something essentially youthful about them that becomes the late-in-her-teens age.

For girls who wear sporty-looking outdoors-type-of-things, there are all kinds of new brushed camel's hair sweater blouses and jackets that are perfect for topping the extra tweed skirt or the jersey or camel's hair skirt. These can be of novelty cut and swagger pattern. Or they can be eminently sportswomanlike in their severity.

One of the latter type is a cardigan in a beige, gray or any one of the soft pastel blues or pinks. It buttons clear up to the neck with snappy leather buttons and has a neat crew neck that only a youngster should try to wear. It is perfect with a plain gored skirt and tailored hat and perhaps gloves of the new pigskin that comes in color.

For the young girl, the long coat is not nearly so smart as the jaunty three-quarters or the two-thirds length. These new short-long fur coats do nice and new things with their sleeves. Nine cases out of ten they have novelty ones, either putting them in in raglan fashion or having fancy cuffs or elbow trim.

The brushed camel's-hair cardigan at left, in soft beige, gray or pastel colors, and buttoned all the way up to the neck, with tweed skirt, is very collegiate. The new three-quarters length fur coat is shown at right. It is of kidskin, with raglan sleeves, tweed lining and a plastron front with scarf tie collar.

hat. The hat suitable for it might be a neat little dark brown suede fancy, slightly beret in character, with a winged something atop one side of it in a light caramel brown and white, with just a touch of brown in the feathers. Brown suede gloves and shoes complete the picture of chic any youngster would make in this coat.

These costumes illustrate the fashion for clothes for young girls this winter.

NORTH LOUP DEPARTMENT

MRS. FRED BARTZ, Reporter

Mr. and Mrs. J. A. Barber were in Ord on business Tuesday.

Rev. and Mrs. Geo. Schwabauer with Rev. and Mrs. Moore of the Scotia M. E. church attended the Ministerial Association at the Christian church at Ord Monday. Ruby Post accompanied them to do some shopping.

Under the leadership of Mrs. Pinckney, the Standard Bearer girls of the M. E. church will give a pageant at the church Sunday evening entitled "The Angel's Message to the World." All who can should witness this beautiful pageant.

Two one act plays, produced and sponsored by Myra Barber, entitled "And Peter," the other, "A Challenge to Christian Endeavorers," were given at the Presbyterian church at Ord Sunday evening by members of the S. D. B. Christian Endeavor. Both plays were well received and the young people report a very pleasant evening with the Ord people.

An operetta, "Christina of Greenland," will be given by the members of the North Loup high school at the auditorium, Tuesday evening, Dec. 22. Remember, the date.

The grade rooms are very busy preparing a delightful Christmas program to which the public is invited.

Frazier Funeral home, Ord. Ambulance service. Day phone 38; Night 193. \$1-14

The churches of the village are as usual planning and beginning practice on their Christmas festivities, always a variety from lovely pageants and cantatas to the old fashioned mixed program of readings and dialogues, with plenty of Christmas carols.

What might have terminated in a real fire occurred Tuesday morning at the home of Owen and Nora White when a few drops of gasoline caught fire when Miss White lighted a match while Owen was in the process of filling the tank of their oil stove which is in the wash room just a few feet east of the residence. They were lighting the fire preparatory to heating water for washing in the same manner which they've done for the past ten years, Nora stated. While awaiting the firemen, who were summoned at once and who were very soon on the job the family packed snow over the flames and thus prevented a probable explosion.

LETTERS FROM SANTA CLAUS

Dear Santa: I saw your letter in the Quiz last week so I thought I would write. I live on Haskell Creek. I am ten years old and in the fifth grade. I think I have been a good boy. I would like to have a toy stock farm, and anything you would like to bring. Santa, I wish you a Merry Christmas and a Happy New Year. Your friend, James Flynn, R. 4, Ord, Nebraska.

Dear Santa: It is nearly Christmas time so I thought I would write you a letter. I go to the Haskell Creek school and I am in the third grade. My teacher's name is Miss Mortensen. I think I have been good this year. For Christmas I would like to have a set of dishes and a toy stove. I hope you have a Merry Christmas and a Happy New Year. Your friend, Betty Flynn, R. 4, Ord, Nebr.

Dear Santa: I was a good boy. I am 8 years old. I am in the second grade. Please would you bring me a set of tinker-toys? We are going to have a Christmas program in our school. I live 18 miles northwest of Ord. Yours truly, Edward Rousek, Burwell, Nebr. R. 4, Box 41.

Dear Mr. and Mrs. Santa Claus: I saw your letter in the Ord Quiz this week and you were asking all the boys and girls to help you out, so I thought I would tell you what to bring me. I have a shetland pony so I would like to have a halter and a bridle. I am not asking for very much, because there are thousands of other children who want some toys. My name is Hazel Knecht. I live 14 miles north of Ord. I am eleven years old and in the sixth grade.

Well, that is all I have to say, so I will close. I wish Mr. and Mrs. Santa Claus very good luck. Yours truly, Hazel Knecht.

Dear Santa Claus: I hope that you will read my letter. I know you are very busy now, but please take time to read this. Is it very cold there? We have snow here, but it isn't cold. You say bring your reindeer with you. I am not asking for very many things for I know you are very poor this year, only bring me a suitcase, bedroom slippers and finger mittens. I hope I will see you at our program, December 22. I like you very much. Now my letter is getting long so I'll say Merry Christmas to you. Your friend, Norma Blaha, R. 1, Dist. 71.

Dear Santa: I am a little girl an have been a very good girl. I am six years old and in the 2nd grade. I want you to bring me a pretty ring and a pair of beads. I live 6 miles north of Elyria. With love, Valeria Setlik.

Buckwheat Cakes and Sausage

The season for hearty breakfasts is here and what could taste more delicious than buckwheat cakes and fresh sausage these cold mornings?

We can highly recommend our pure pork sausage. Made from fresh, lean pork, with nothing but seasoning added, it makes a welcome addition to the menu of any meal.

Try some of our sausage with your breakfast tomorrow.

CITY MARKET
J. Hlavacek, Prop.

Dear Santa: I am a little girl six years old. I live on So. 22nd street. I want a bicycle. Now be sure and give me a girl's bicycle. How are you and Mrs. Santa. I am a good girl. And I would like to have a doll. Her name is little Orphan Annie. I want a blue bicycle.

Much love to you all from Betty Rogers, Ord, Nebr.

Dear Santa Claus: I want a pair of beads. My brother Chester, is three years old and he wants a Teddy bear. I am a good girl. I am in the third grade and eight years old. I live six miles north of Elyria.

With love to Santa. Victoria Setlik.

DEAR Santa: How are you and Mrs. Santa? I am just fine. I am ten years old. I think I have been pretty good. We live on South 22 street. I would like to have a red bicycle with a horn and light, and I think that is all. With lots of love, John Rogers.

Dear Santa Claus: My sister has just written a letter to you so I will send you one too. I am 9 years old and my sister is 7 years. I am not wanting much from you. You could bring me some handkerchiefs and a little cedar chest. In 1929 I got a doll from you. I surely thank you for it. I make dresses for her too. It is snowing here, but it isn't cold.

I am going to school every day. We are practicing now for our Christmas program. Our teacher's name is Miss Penas. I like to be a good boy. I like to go to school. I am in the fifth grade. I hope you can come to our program. It is going to be December 22. Our teacher is boarding at our house. I do not have anything more to say so I must stop. Merry Christmas. Your friend, Leola Blaha, Dist. 71.

Dear Santa: How have you been getting along since last year. I was just fine. I am going to school as much as I can. I am 11 years old and I was trying to be a good boy. I live 17 miles west of Ord, and I would like to have you bring me a baseball. I have a brother 8 years old. He wants some kind of whistle.

I have a sister 3 years old and she has a good sister. And she would like you to bring her a little toy car. We thank you for all the presents you gave us last year. Yours very truly, Emanuel, Eldon and Mattie Bruha.

Dear Santa: I want a Skippy doll. I am in the kindergarten. I am 5. I want a dog and a wagon. Jocarol Ayres.

Dear Santa: For Christmas I would like to get a tricycle and a big doll. I am four years old. My little brother Joe Lee wants a little baby doll. He is one and one-half years old. We live at 516 N. 18th St. in Ord. With love, Delma Louise Miska.

Dear Santa Claus: I want you to bring me a flexible flyer sled. I want two games, any kind of a game but a twelve-game board. I want an electric train and anything else you want to give me. LETTERS FROM SANTA CLAUS

Dear Santa Claus: I was a good girl. go to school every day. I am 5 years old. I want for Christmas a sled and a doll, candy and nuts. Please don't forget my little brother, Leo Dean. I live 15 miles southwest of Ord. Your friend, Leona Wolf, Route 2, Arcadia, Nebr.

Dear Santa Claus: I go to school every day. I am 8 years old. I was a good boy. I want for Christmas a real watch, and a big ball, candy and nuts. I live about 5-13 miles west of Ord. Your friend, Leonard John, Ord, Nebraska, Route 3.

Dear Santa Claus: I am a very good boy. I pick cobs for mamma and go to school, and I am 6 years old so please bring me a knife, tractor, a football, machine dump truck, aeroplane, gun, pencil box and penholder. Also bring Robert an aeroplane truck and a train. He is a good boy too. Eldon Smolik.

Dear Santa: Just a few lines to see if you have time to send me a pencil box with all school works in it. I am in the 5th grade and am 9 years old. I think I am a pretty good girl.

My sister Luella wants a double box of colors and a box of handkerchiefs. She is 7 years old and is in the 2nd grade. She is a nice little girl so she would like to have what she called for. Will close. So please try and send them. Your friends, Ethel and Luella Fikus, Mission, South Dakota.

Dear Santa Claus: I live 12-1/2 miles north of Ord and one and a half miles east of Ord. I have been a good girl. I am ten years old and in the 5th grade. My teacher's name is Miss Anna Nelson. Santa Claus, for Christmas I want a coat and ring. Be sure and not forget the candy and nuts. So I guess this is all Santa. Your friend, Alice Samla.

Dear Santa Claus: How are you? I am just fine. Will you please bring me some clothes for Christmas? It is getting near winter. Do you like me? I like you. Do you know how old I am? I am six years old. I live 8 miles north of Ord. That is all. Ruth Jorgensen.

Dear Santa Claus: I am 11 years of age. I am in the 6th grade. I want you to bring me a set of dishes, a little sewing machine, some pencils and don't forget some candy and nuts. Lots of love, Florence Golka.

My dear Santa Claus: I read your letter in the Ord Quiz. I will write my letter early, so you will have time to read it. I will not ask for very many

things because I know you'll be poor this year. I only want some clay for building and moulding, some new slippers and a new dress for my dolly. Also some nuts and candy. I am seven years old and I am in the second grade. My teacher's name is Miss Smolik. We are practicing for a program to be given December 23. I hope I see you there Santa Claus. We have some snow, so you can come with the sled and reindeer. My letter is getting long so I must now wish you a Merry Christmas. Your little friend, Dorothy Penas, R. 3.

Dear Santa Claus: I am 9 years of age. I am in the 4th grade. I want you to bring me a picture book, bracelet, stationery, and a doll that sleeps and talks, and some candy and nuts. Your little friend, Dorothy Golka.

Dear Santa Claus: I was quite a good boy this year. When I came home from school I had to carry the cobs, feed the chickens. So please bring me an Amos n' Andy fresh air taxicab, rubber ball, and some candy and nuts. With love, Raymond Golka.

Dear Santa Claus: I was quite a good boy this year, anyway I tried to be. I don't go to school yet, because I am only 4 years old, and I don't know how to write yet so my sister had to write for me. Please bring me a caterpillar, a little toy car, and don't forget some candy and nuts. Your little friend, Adrian Golka.

Dear Santa Claus: I am writing you this letter to tell you what I would like to have for Christmas. I would like to have you send me an Eskimo sled, a blackboard, and a leather jersey. I would be very glad Santa if I could these three for Christmas. Well, goodbye Santa, I will be waiting for Christmas and hoping I will get to talk to you some time. One of your friends, Gerald Nutter.

Dear Santa: I want a doll that goes to sleep and a little milk bowl. I am three years old. I try to be a good girl. I live at the same place that Donald does. Your friend, Kathleen Clement.

My dear Santa: You were very good to me last year so here is another letter. I live at 605 So. 18th st. I have been a good girl and like to go to school.

Please bring a doll buggy, a black board and picture to hang in my bed room. Please remember all little girls and boys and my teacher. With lots of love to you and Mrs. Santa. Reva Lincoln.

LETTERS FROM SANTA CLAUS

Dear Santa Claus: I am six years old and in the third grade. I have a mule and a half to go to school. How do you like to live in the North pole?

Dear Santa: I want a doll, a sled and some candy. There are 10 children in my family. Some of the little boys would like a ball. Your friend, Marie Kusek, Burwell, Nebr.

Dear Santa: I am six years old. I am in the first grade. I have 3 miles to school every day. Please bring me a doll. Your friend, Kathryn Kozel, Burwell, Nebr.

Dear Santa: I was a good boy. I am 8 years old and I am in the third grade. Please, Santa, I want for Christmas a big harmonica. I live 2 1/2 miles north of Elyria. Please, Santa, don't forget my little brother. Bring him a nice big colored ball for Christmas. Your friend, Alozy Glos, Burwell, Nebr.

Dear Santa: I am in the first grade. I want a car and some blocks for Christmas, nuts and candy. I am a good boy. I walk to school every day. I am six years old. Your friend, Alex Glos,

Burwell. Dear Santa Claus: I am in the third grade. I want a sled and a sled. Does it snow hard there where you live in the North Pole? It was snowing here not very long ago. There are five in my class and all together with the teacher there are 28 of us in this school. I study quite good. I have 3 miles to go to school. Martha Kozel, Burwell, Nebr.

Dear Santa: I will be in the 4th grade next year and I am 9 years old. The number of my school is Dist. 7. I hope Santa, you are getting along all right in the North Pole. Please bring me a cork gun and a sand truck and some candy. Your friend, Richard Kapustka, Burwell, Nebr.

Dear Santa Claus: How are you feeling in the North Pole? It has snowed here so I have lots of fun riding on the sled so I won't want a sled this year. I am in the fourth grade and 8 years old. Please Santa, bring me a doll and a pencil box and some candy. Your friend, Adelino Kusek, Burwell, Nebr.

Mrs. F. B. Shirley had a bad fall Monday, when she slipped on the icy step at their home. She was laid up all day and has not yet fully recovered. Ford is recovering from some broken ribs but is not able to work. Reginald Beeghley was assisting for a few days with the work in the mill. Monday he left for North Platte where he had been offered a position. Friday Mr. and Mrs. Chris Petersen and their seven children returned to their home in Grand Island. They had been here since the death of Mrs. Petersen's father, Charley Nelson.

May Open Candy Store. It is rumored that Will Brooch, who lately came here from Alliance will open a candy store in one of the small theater rooms. Mrs. Brooch is a Royal Neighbor deputy. Their household goods are still in Alliance.

Woodman Hall. We had some nice weather last week, it being quite warm, warm enough to thaw a little. There is plenty of snow left and a possibility of more judging from weather predictions. Roads are in good condition. Mr. and Mrs. Anton Nevrla and Thursday evening. Jos. Moravec took his daughter Alice to school last Wednesday morning and on his way home experienced quite an accident, yet he was quite fortunate for it might

have proved more serious. Just as he was about to drive over the culvert past Jos. Waldmann's something went wrong with his steering apparatus and his Chevrolet sedan slid off the grade taking along the white post at the end of the culvert. The car happened to run off straight or else it might have upset. Mr. Moravec called his son William and journeyed on home with the aid of a team of horses. Miss Alma Klancey was an overnight guest at the John Mott home last Tuesday. Mr. and Mrs. Emil Mathouser spent Wednesday evening in the Adolph Rusfuka home last Wednesday evening. Mrs. Stanley Kordik and Little son spent several days at the home of her parents, Mr. and Mrs. James Petka. Miss Holoum and her pupils have been enjoying hot lunches again for a couple of weeks. Their lunches consist of different soups and various hot dishes. Mr. and Mrs. Jos. Holoum sr. were dinner guests at the home of their daughter Mrs. James Hoesek last Wednesday.

There have been reports of quite a number of accidents due to the icy roads. Dr. Kantor of Sargent accompanied by Mr. Finley, was on the way to Ord one day last week and just as he was making the turn on the Custer and Valley county lines on the Radl will his brakes locked and the car slid in the ditch on the right side of the road. Paul Waldmann was on his way to school and helped him get his car back on the road. The front bumper was broken off and a fender quite badly bent, the occupants also were quite badly shaken up. Mr. and Mrs. Will Mach and Mr. and Mrs. Jos. Kaiser visited at the Emil Mathouser home Thursday evening. Otto Radl returned home from Omaha last Wednesday. He had been there with a shipment of stock.

The teachers and pupils of District 73 have been preparing a Christmas program which they will give at the Woodman Hall on Wednesday, Dec. 23. They will have a big Christmas tree with all the brilliant fixtures. There will also be a basket supper following the program. Everyone is invited.

776 PRODUCERS OF CREAM SPLIT \$11,910 MELON

Annual Rebate Paid Last Week Only Part of Profits Dairymen Get Thru Co-operative System

Under the co-operation of cream producers in organizing a creamery paid big dividends it did so in the past twelve months of low prices and stringent markets...

The difference in the amount of rebate this year in comparison with last year, is because of the fact that the average price of butter in 1931 was about 10c lower than in 1930...

The year 1931 has been, from many angles, the most successful the creamery has had since its organization in 1927...

Seventy-five stockholders were present at the annual meeting, which is the largest number that has attended a meeting since the creamery's organization...

Cause for gratification was given stockholders in the splendid showing made by the company at the annual meeting held in the city hall last Thursday...

Housewives—Share In Ord's Best Food Values

On nothing that a family uses are real bargains more appreciated than on food products. Every family buys groceries and meats every week in the year and the condition the family budget is in at the end of each month is largely dependent upon the sums spent for things to eat.

Ord's best grocers advertise in the Quiz. Each week housewives will find an array of real food values presented for their attention in the columns of this newspaper...

Rotarians Sponsor Drive For Rabbits

Will Turn Hares Over to Welfare Board For Distribution Among Ord's Needy; Co-operation of Hunters asked.

The co-operation of hunters of Ord and vicinity is asked by the Ord Rotary club in a drive for rabbits being sponsored by that organization from Sunday until next Wednesday, Dec. 23.

The Rotary club's plans do not call for a formal hunt in which a large group takes part. Rotarians ask that all Ord men who enjoy hunting go out Sunday, Monday or Tuesday and then turn the rabbits they secure over to the Rotary club...

Olof Olsson, owner of the Ord artificial ice plant, has generously offered storage space for the rabbits in his freezing room. Hunters are asked to leave the rabbits on the platform at the ice plant and they will be taken care of.

Rabbits are numerous this year and, besides Rotarians who join in the hunt, there are many men in Ord who enjoy hunting them. So probably a sizeable number of rabbits will be available for distribution among those who need them.

Ross Leonard And Lenora Roberts Wed

At the New Federated church of Columbus on Sunday, Dec. 6, occurred the marriage of Miss Lenora Roberts of Ord, to Mr. Ross Leonard of Mira Valley, the marriage being read by Rev. Riley Lohengrins wedding march was played on the pipe organ by Mrs. E. W. Byllesby, Miss Nina Roberts, a sister of the bride, was the only relative present.

After the ceremony Mr. and Mrs. Leonard drove to Lincoln, where they were guests in the home of the groom's uncle and aunt, Mr. and Mrs. Walter Byington, former Ord residents. They returned to Ord early this week and are making their home with the groom's parents, Mr. and Mrs. Charles Leonard, of Mira Valley, for the present.

Mrs. Leonard is a daughter of Mr. and Mrs. Oscar Roberts and was graduated from Ord high school last spring. The groom is one of Valley county's most capable young farmers. Both of them have a host of friends who will wish them all happiness together.

—Mr. and Mrs. "Brick" Smith are parents of a fine 6-3-4 pound boy born last Thursday in the Ord hospital. The baby has been named Dean Elliott.

TWO ORD GRID MEN NAMED ON ALL-STAR TEAMS

Barnhart First Team Guard, Auble Is Second Team Full, Chosen by Valley Coaches.

Charlie Barnhart, guard, and Elwin Auble, fullback, are the Ord high school gridsters singled out for honors on All-star football teams chosen by coaches and officials at a meeting here last Wednesday evening.

Barnhart landed on the first team while Auble was a second team selection. The "all" teams follow:

First Team—Metcalf, Sargent, and Van Wagon, Burwell, ends; Ballagh, Burwell, and Harrison, Arcadia, tackles; Cooney, Sargent, and Barnhart, Ord, guards; Ballard, Burwell, center; Mansil, Burwell, quarterback; Elsner, Loup City, and Anderson, Burwell, halfbacks; Brown, Sargent, fullback.

Second Team—Starke, St. Paul, and Lotholm, Loup City, ends; Shetton, St. Paul, and Roy, Loup City, tackles; Haggstrom, St. Paul, and Edney, Sargent, guards; Hein, Sargent, center; Haner, Sargent, quarterback; Scull, St. Paul, fullback; Jorgensen, Orth Loup, halfbacks; Auble, Ord, fullback.

Barnhart was almost a unanimous selection at the guard post while in an ordinary year Auble would have been placed at first team fullback, so outstanding was his work during the year.

Coaches also elected officers for the coming year, C. C. Thompson of Arcadia being chosen president and Wilbur D. Cass of Ord secretary-treasurer.

Juniors Perform Like Troupers In The Ghost Parade

An exceptionally fine performance for high school youngsters, "The Ghost Parade," given by the 16 members of the junior class here last Friday evening, was heartily applauded by a well filled auditorium last Friday evening.

Elwin Auble was probably the star of the evening, his portrayal of the frightened black Rastus keeping the audience howling with laughter most of the time, very outstanding acting for a high school student.

Twila Brickner was remarkably good as an elderly, twittery spinster. Gerald Keim, who had had stage-fright before the show, performed like a veteran. Billy Baird was the handsome hero, and also proved that he had considerable ability. Eldon Benda made a dandy sheriff, with the aid of moustaches, six-shooter, and his good humor interpretation of the part. Myrtle Benson was well chosen in her part of Mamie, the city girl, too, and so was Edward Urban as the smart aleck from the city.

In fact the whole cast played more like seasoned troupers and the audience appreciated the skill and aptitude of each actor for his part. Miss Johnson, class sponsor for the juniors, and Miss Nelson, who coached the youthful actors, were very well satisfied with the fine work of the juniors and were very satisfied to learn that they had taken in a gate of more than \$100.

Between acts a clever clown dance in costume was given by the Misses Dorothy Seerley, Evelyn Barta, Gwendolyn Hughes and Audrey Meila, and appropriately enjoyed by the house. Another between-the-acts feature was a reading by Irma Kokes, gownned as an old-fashioned miss. In her little skit, she told how though not being good enough to get in the play cast, they sent her out to entertain between times.

The high school orchestra played preceding and following the play.

Knights of Pythias Raise \$83 At Ball

The annual charity ball of the Knights of Pythias lodge was held Tuesday evening and about \$83.50 was raised by the sale of tickets and turned over to the Welfare Board for use in helping needy families of Ord and vicinity. Miss Elizabeth Janssen's orchestra furnished the music and about one hundred couples enjoyed themselves with dancing until a late hour.

Blessing Files His Answer to Sowl Damage Suit

Taking the expected line that Orville H. Sowl's character is lost past redemption and therefore that he could not have defamed it, Dr. F. L. Blessing Tuesday filed his answer to the \$750,000 damage suit for \$750,000 which has caused much comment in American Legion circles here for several weeks. Dr. Blessing makes a number of countercharges against Mr. Sowl and promises further sensational revelations when the case comes to trial before a Kangaroo Court in the Legion Hall on January 5th.

According to present plans Alfred Wegardt will act as judge at the trial and a jury of Legionnaires will hear the case. Legia members from nearby towns will be invited to attend the trial and enjoy a lunch served by Ord Legion members afterward. If Dr. Blessing loses the case he has agreed to give Mr. Sowl a note for the amount involved. Mr. Sowl has agreed that, if Blessing gives him a note for \$250,000,000, he will trade it to Forrest Johnson for enough salted peanuts to treat his attorneys, McCall and Dale, providing that Mr. Johnson will consent to such an exchange.

AMATEUR NIGHT EVERY THURSDAY AT ORD THEATRE

Entertainment Talent of Community Will Have Opportunity—"Strut Their Stuff" in Public.

Beginning tonight, amateurs of this community who have talent in any line, whether they are dancers, readers, etc., may compete for cash prizes offered by the theatre management.

In every city, village and community in the land you will find people who are talented and could follow the entertainment profession with success if given the opportunity. That such talent exists here in large measure is proved by the success home talent shows have always enjoyed. But, in such plays, the individual is rarely given a chance to fully display his or her talents, because the action of the play must be followed. Now, through the medium of amateur nights, the Ord Theatre proposes to give individuals with entertaining ability the chance to gain public recognition that may lead to success on the stage.

There will be no expense whatsoever to entering these amateur night contests. Anybody interested should simply get in touch with Manager Hoogenboom. Amateurs may enter either as individuals or as groups.

And tonight, in addition to the amateur acts, The Princess Players will present a play, "The Bachelor's Baby," which is guaranteed to please everyone. This play is sure to entertain and will hold the interest of spectators from the rise of the first curtain to the fall of the last. New vaudeville between acts, plus the amateur acts, will make tonight's show one that every person should see.

Supervisor's Wife Badly Hurt In Auto Wreck In Metropolis

When the car in which she, her husband and their daughter were riding was struck by another car at the intersection of Parnam and 31st streets, in Omaha, last Wednesday, Mrs. S. V. Hansen, of Arcadia, was quite badly hurt. Mr. Hansen and their daughter, Mrs. Wayne Sanders, escaped without injury. Mr. Hansen is a Valley county supervisor, representing the Arcadia district, and he was in Omaha to attend the convention of county supervisors.

Mrs. Hansen's injuries consisted of severe bruises on her left arm and shoulder. She was taken to a hospital and remained there two days, later being taken to the home of her daughter to recuperate. An x-ray examination revealed that no bones were broken. She probably will be able to return to Arcadia this week.

The automobile was badly damaged that Mr. Hansen was forced to secure another car which to come home Sunday. He has filed suit against the driver of the other car, who was a boy of eighteen and who did not possess a driver's license.

Pentecostal church people are planning a Christmas eve program, tree and treat for their young people.

Ord Stores To Remain Open Evenings, Beautiful Decorations Worth a Visit

With all Christmas decorations in place throughout the Ord business and residential districts and several of Ord's largest stores announcing that they will remain open next Tuesday, Wednesday and Thursday evenings, a visit to Ord during the evening hours becomes very worth while.

Among the more elaborate decorative schemes are those of the city hall, Auble Bros. store, the Ord theater, Hotel Ord and the court house. Manager George Allen has decorated the city hall this year in beautiful fashion with

a double bow knot of colored lights, several strings of lights, Christmas trees, etc. The Auble store, with flash signs, strings of colored lights, trees and other decorations should be seen by all. The Christmas trees around the square and the decorations placed by Dave Haught on the court house make the entire scene one of beauty.

A regular jubilee of Christmas bargains awaits shoppers in the Ord stores. Do your shopping early if possible; by all means visit Ord some evening next week.

15 CLUBS, LODGES REPRESENTED ON WELFARE BOARD

Meetings Will Be Held Every Tuesday During Winter; Toys, Blankets, Badly Wanted Now.

Fifteen Ord clubs, lodges and other organizations were represented Tuesday evening at a meeting of the Ord Welfare Board, held in the assessor's office at the court house. The Welfare Board is going ahead with plans to assist the needy of Ord and vicinity, not only during the holiday season but throughout the winter.

Blankets, baby clothing and toys are the articles most needed now, the Board decided, and donations of these articles will be greatly appreciated. Even if the toys are broken they are acceptable, for manual training students have offered to repair them.

Donations during the past week included a ton of coal by Koupal & Barajow, \$5.00 from the Joint Home Aid club, \$10.00 from the Legion Auxiliary, \$5.00 from the P. E. O. and articles of clothing from the J. C. Penney Co. and Golden Rule stores. C. E. Norris has offered to repair shoes free of charge for people sent to him by the Welfare Board.

Committees were appointed Tuesday evening as follows: Soliciting committee—George Round, Mrs. George Parkins, C. A. Hager. Purchasing committee—Frank Pfeiffer, Jr., James Misko, Val Pulten. Investigating committee—Alvin Blessing, Mrs. C. J. Mortensen, Mrs. Wm. Carlton.

Receiving and distributing committee to have charge of work at office—Carl Sorensen, Mrs. Harold Erickson, Andy Cook. The assessor's office in the court house will be permanent headquarters for the Welfare Board and donations may be left there afternoons. The Welfare Board plans to meet every Tuesday evening throughout the winter to discuss work being done and make plans.

Too Beautiful

Her husband declared she "was too beautiful to become a mother," Mrs. La Berne Simon, above, claimed in her suit for divorce in San Francisco. She said he told her he wed her only for companionship, and left her a month before their child was born. The husband, Carol Simon, son of an Oklahoma oil magnate, has been ordered to pay \$40 a month for support of the six-week-old daughter, Marlene, shown above, pending trial of the case.

Walter Moulton Dead. Walter C. Moulton, pioneer Anselmo merchant and once a resident of Ord, passed away last week from a stroke of apoplexy, brought on by the exercise of shoveling snow. He lived in Ord with his parents when he was a boy and 23 years ago went to Anselmo, where he engaged in the mercantile business. He is survived by his wife, two daughters and one son. Mr. Moulton was an Ord high school graduate and for a time was president of the alumni association.

County Judge III, Goes To Missouri

On the train Tuesday afternoon bound for Savannah, Mo., were Judge J. H. Hollingshead and wife. In Savannah they will consult cancer specialists about a growth on one of the judge's legs which has bothered him for a long time. Ord doctors this week diagnosed the trouble as a surface cancer and it is hoped the treatment will yield to expert treatment.

Judge Hollingshead says he believes the source of his trouble is a severe bruise he received several years ago when he slipped and fell on an icy sidewalk. Later a tumor developed, making necessary an operation in the Ord Hospital a few weeks ago. The tumor was removed but started to grow back, so doctors said they believed to be cancerous origin.

The Judge expects to be gone ten days or two weeks, possibly a few days longer than that. The county board may have to appoint a deputy to carry on the judge's duties during his absence.

Taylor Obsequies Held At Belgrade

Last Thursday James Taylor accompanied the body of his father, Isaac Taylor, to Belgrade, Neb., and from there the body was taken to the old farm home twelve miles from that city where funeral services were held Friday in the home of another son, George Taylor. Burial was made in Red Wing cemetery, near Belgrade.

It will be remembered that Isaac Taylor, who was 76 years old, took his own life by slashing his throat with a razor last Wednesday. He had been visiting his son, James Taylor, a family, for several days before his tragic death.

Judge Horth Files As District Judge

In the secretary of state's office at Lincoln Saturday, Judge Ralph R. Horth, of Grand Island, filed as a non-political candidate for reelection as district judge in this, the Eleventh judicial district. Judge Horth was appointed to the bench by Governor Weaver and is filling out the term of Judge Paine, who resigned when he was elevated to the supreme bench.

—Miss Dorothy Campbell, who teaches at Dist. 51, is planning a Christmas program to be given next Monday evening, Dec. 21, at 8:30 p. m. The public is cordially invited to attend.

JUDGE REFUSES INJUNCTION TO MRS. C. A. SHARP

Dissolves Restraining Order Issued Previously, Rules Action Was Improperly Brought.

Opportunity for more litigation in the case of Mrs. C. A. Sharp versus her husband was opened up in district court here last Friday when Judge E. P. Clements, hearing Mrs. Sharp's petition for a permanent injunction to prevent her husband disposing of his stock and farm machinery, ruled that her action had been improperly brought and ordered it thrown out of court.

The action originally was filed by Mrs. Sharp on December 2, the day her husband had advertised a farm sale. She sought, and was granted, a temporary restraining order to stop the sale, the order being issued by County Judge Hollingshead in the absence of District Judge Clements.

Sheriff George Round served the papers on Mr. Sharp only an hour before the sale was scheduled to start, and the sale had to be called off. A large crowd of buyers was present and the sale proceeded.

Then Mrs. Sharp sought to have the temporary injunction made permanent, which was the reason for last Friday's hearing. However, the case never was tried on its merits because Davis & Vogelitz, attorneys for Mr. Sharp, contended that the action had been improperly brought by Mrs. Sharp's attorney, Ben Rose, inasmuch as he failed to file a petition or have a summons issued in the new action that he started. Judge Clements ruled in accordance with this argument and ordered the case thrown out of court.

Davis & Vogelitz also maintained that a cash bond of \$400 posted by Mrs. Sharp to guarantee her husband against damage as the result of the sale being postponed, was an illegal bond, inasmuch as the statutes of Nebraska provide for surety bond being filed. Judge Clements sustained this contention, also, and Alfred Wegardt, clerk of the district court, was instructed to hold the \$400 bond pending settlement of liability in the case.

All of this litigation is an aftermath of Mrs. Sharp's suit for divorce from her husband.

Auble's Offer 3 Prizes For Best Decorated Homes

Auble Bros. store is again sponsoring an Xmas decorating contest this Christmas and this week announce that to the owner of the best decorated home in Ord they will give a beautiful framed picture valued at \$5.00. A picture worth \$3.00 will be given as second prize in the contest and third prize will be a picture valued at \$2.00.

Many Ord people decorate their homes simply as a matter of civic pride and to show their Christmas spirit. Now more substantial rewards are available, so dozens of homes should be beautifully decorated this year.

Arcadia Editor Is Sued For Divorce

Dan Bartlett, editor of The Arcadian and son of Mr. and Mrs. Wm. Bartlett, Ord, was sued for divorce last week by his wife, the suit being filed in Lincoln. Mrs. Bartlett charges neglect and extreme cruelty in her petition and asks custody of their two children, one and two years old. Mr. and Mrs. Bartlett were married in Cozad about four years ago.

Allene Miller Is Wise Young Lady

Years ago someone broke out with the information that it was a wise child who knew its own father, or something to that effect. If such is the case, then Allene Rae, two and a half year old daughter of Mr. and Mrs. Paul Miller, 238 South Pine street, is a very, wise young lady.

Allene knows her "daddy" when she sees him and there is no doubt of it in the minds of those who attended the Little Theatre play at the Liederkranz last night.

Daddy had a quite prominent role in the play and when he entered the stage early in the second act, no one else was on the stage and as daddy strode forth into the glare of lights all was silent—that is all.

Allene Rae who was down in the audience with her mother, "Daddy, what are you doing out there?" piped out Allene the moment she sighted daddy.

And amidst the amusement of everyone present but the very embarrassed daddy and mother involved, Allene continued to direct questions toward the stage. Her mother was finally forced to leave the auditorium in order that the play could go on.

News Notes About The Ord Schools

Dates established for the Loup Valley basketball championship play will be chosen from the first week in March. It was decided at the meeting of the Loup Valley High School Association last Wednesday night. Walter I. Black, secretary of the state association was present, and aided in the discussions. The schools present decided not to enter the regional basketball tournament this year, which will be held the same week as the Loup valley contests mentioned above.

Dates chosen for the girls winter camp were January 29, 30, 31 and the meetings will be in Ord. A maximum representation from each school was set at 15 girls. On March 24 music contests and a festival of music will be held at Ord, with the other valley cities competing.

Spring play days will be held in Scottia this year on April 13, it was decided. Other business was also discussed.

The faculty of the Ord schools held their Christmas party and gift exchange in the McClatchey home Wednesday evening. The committee in charge of the affair was the Misses McClatchey, Hinzda, Johnson and Campbell. Christmas decorations and favors were used, and a jolly time enjoyed by all.

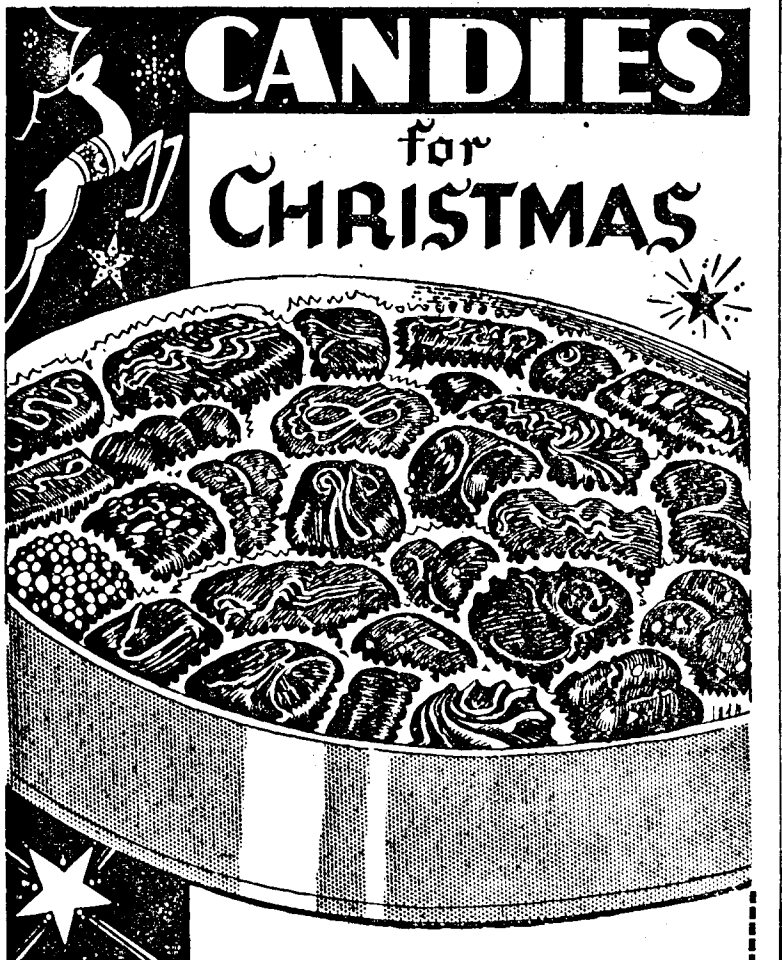

Wednesday was class day for the sophomores, who wore their class colors and celebrated with a special convocation. Miss Blanchard is sponsor of this class.

As one of their projects, the home economics class will have a "tea" Saturday afternoon at 3 o'clock. The Christmas party of the Girl Reserve will also be held that afternoon at the high school. Miss Elizabeth Shaver is sponsor in chief of this group.

Woodman Hall

Most all the farmers from this community attended the Farmers Progressive local meeting at the Longwood school house last Friday evening. Will Waldmann was re-elected as president and James Visek as secretary and treasurer.

Mrs. John Pesek, Mrs. Edwaldmann and Mrs. Jos. Moravec were chosen for the refreshment committee for the next meeting which will be held in about three months. Jos. Kamarad was elected delegate and John Mott alternate to the state convention. The Longwood entertainers presented a very good program of which the family album was a specially enjoyable feature.

All the ladies brought refreshments and the Longwood ladies served it to a crowded household of people.

Miss Emma Moravec and her mother, Mrs. Jos. Moravec attended the meeting of the Sewing Circle at Longwood last Thursday. The next meeting will be held at the Jos. Moravec home.

Lawrence and Alice Waldmann spent the latter part of last week at the home of their sister, Mrs. Rudolph John, while her husband was in Omaha.

The Joe Kluna family spent Sunday afternoon at the Jos. Moravec home.

Mr. and Mrs. Albert Piacnk entertained about forty guests at a party last Sunday evening. The evening was spent at cards and games and a very delicious lunch was served.

The young folks of this community are preparing a short play which will be a part of the school program at the Woodman Hall on December 23. Miss Roth and her students are preparing a minstrel comedy and Miss Holom is working hard with her little folks to furnish various Christmas drills and playlets.

The high school boys repaired the lower hall, set up the heater and everything will be all fixed for that evening. There will be a box supper after the program and everyone is cordially invited.

Frank Mottl, who attends the Commercial school at Lincoln, is expected home for Christmas. Frank has not been home since he started to school last August.

Mr. and Mrs. Frank Krikac visited with their new grandson at Charles Krikac's last Friday evening.

Miss Rose Weverka, who is employed at Lincoln is expected home for Christmas.

We hope to see everyone out at the taxpayers meeting to be held at Woodman Hall next Friday evening, December 18 at 8 p. m. An invitation is especially extended to the ladies as they certainly are equally interested in the welfare of our country and also to the young folks for they soon will take the place of their elders.

As the lower room at the Woodman hall will be in use this week and next the boys at the high school have taken over a bit of repair work. They are having a good many broken windows replaced with new ones, the light wires are all fixed and things cleaned up generally. The students there have been using that room for roller skating during their recreation hours.

HOWARD HITS THE NAIL
Fred Howard, the wit and philosopher who presides over the Westlines of the Clay County Sun and makes it the bright and readable paper that it is, strikes the nail on the head with well timed and pungent comment perhaps more often than any other editorial paragrapher in Nebraska. In a recent issue of his publication we noted the following:

It is my observation that a lot of newspapers are doing their best to be cheerful for a lot of communities which have few smiles for their newspapers."

How true that comment is and how truly Fred wrote when he said that many business men who allow their newspapers to go on for years urging people to buy at home, without giving their editors a word of thanks or appreciation, would holler their heads off should an editor sometime make a mistake and advise home people to go to the city to trade. True again, Fred, but newspapering ever was a thankless occupation. Virtue is said to be its own reward and the same must be true of the editing business. And, after all, even you must feel a glow of pride when a couple of thousand people, most of whom you can call by their first names, and who call you by yours, step into the office once a year and plank down a couple of simoleons as evidence that they like your paper.

WAR DEBT REVISION AND THE CHEAP DOLLAR.

Andrew Mellon, "greatest secretary of the treasury since Hamilton," is much concerned. Andrew is all hot and bothered, not about the economic condition of his own American people, but about the British taxpayer. The decreased value of the English pound sterling means that Great Britain, to make her annual war debt payment, to us of \$19,500,000, must pay us 47 percent more pounds than when the pound sterling stood at par. In other words, the burden on the English taxpayer is increased by almost half, Andrew figures.

Something must be done about such a terrible situation, Mr. Mellon and his chief, President Hoover, point out. Great Britain's war debts to us must be revised, which means in this and every other instance reduced, so that Britain can pay us with somewhere near the same number of pounds sterling as when the pound was at par. This is Secretary Mellon's idea.

It is very commendable for Andrew to show so much concern for our friends in England. It shows that our great financier has those broad, humanitarian principles for which the extremely wealthy are noted. But to us it seems strange, passing strange.

Has nobody pointed out to Andrew that the people of his own country are facing a crisis too? Has nobody informed him that dollars are extremely hard to come by in the United States, and that certain of our own people possess heavy obligations, entered into when money was plentiful? If so, why doesn't Andrew make a proposal to reduce by half the debts of his own countrymen, so that farmers and others may pay their debts with somewhere near the same priced dollar as when the debts were contracted? This is exactly what he wants to do for Great Britain.

Secretary Mellon throws up his hands in holy horror whenever some "son of the wild jackass" proposes to double the amount of currency now in circulation, thus making money more plentiful. His frowns on gold standard suspension, increased silver coinage, and every proposal designed to relieve his own people. But he cold-bloodedly proposes to again reduce foreign war debts, because foreign taxpayers are groaning under their burdens.

The Grand Old Party certainly has straggled into evil ways under the Mellon leadership. Its only hope lies in such insurgents as Senator Norris and the Quiz calls upon him and upon other Nebraska representatives to fight to the last breath proposals that will push American debtors still deeper into penance, while helping to lift the burden of English and European taxpayers.

We must not again play the part of Santa Claus in our international affairs. European nations, their debts to us reduced or cancelled entirely, will be free to continue their race in armaments. We paid almost entirely the cost of the World War—let's not be suckers enough to pay for the next one.

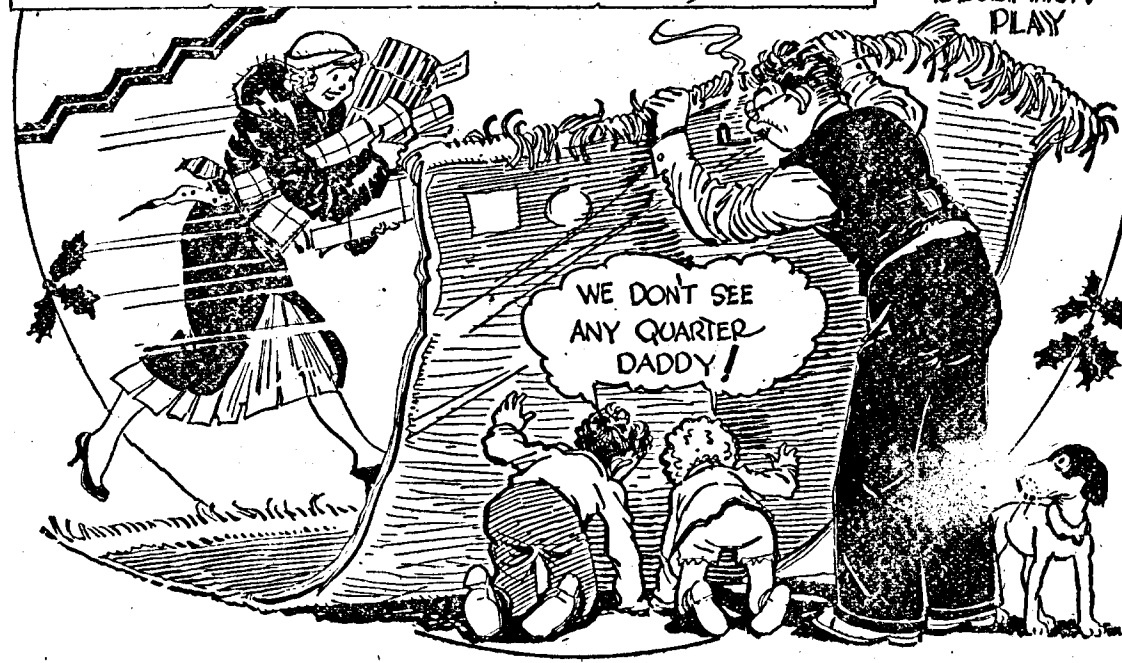

Kansas Looks At The Farm Board. In a Washington committee room yesterday a little knot of earnest sekers after truth gathered to hear the federal farm board's report to congress, and to speculate as to why its perpetual motion machine designed to raise the price of wheat above the world level, failed to work.

We Kansans have a real interest in that machine. It was our farm organizations who demanded that it be built. It was our congressional delegation which supervised its design, and "halled the finished product with delight."

It was our candidates for office in 1930 who begged, pleaded, and threatened the farm board in an effort to get them to buy more

wheat to prevent this major Kansas product from following the downward trend of all other raw commodities for the past two years.

The report disclosed that the farm board at one time owned almost 300 million bushels of wheat—more than the entire American export surplus. It has succeeded in disposing about a third of this amount, and still has almost 200 million bushels in storage, hanging over the market and depressing the present price. It is costing taxpayers 18c per bushel per year to hold this grain in storage. It is difficult to see how the average farmer has benefited one red cent by the operations of the board. Its members point with pride to the fact that co-operatives have doubled in membership. Naturally so, and why not? Only by joining co-operatives could the farmers secure government loans against their wheat on the basis of a price above the world market.

The farm board was handed a lot of bad advice—not from the grain brokers, but from representatives of the producers and exporters. Out of every 8 bushels produced, 6 are consumed at home. The two extra bushels are sold on the world markets where they determine the price for all eight bushels of wheat.

Under the equalization fee plan the Federal Farm Board would finance and authorize marketing associations to buy and remove these two surplus bushels. They would pay the world price of 40 cents plus the United States tariff, which is assumed to be 50 cents. The price of wheat would be a dollar.

The two surplus bushels would be sold at a loss. The loss would be taxed back against the other six bushels when they were sold. An equalization fee of about 20 cents would be charged on every bushel of wheat moving through the marketing channels. The producer would actually receive about 80 cents for wheat.

Suppose the plan stimulated production would be automatically restricted. The equalization fee would not be too difficult to collect. It would not require another raft of government employees. It would not be a government subsidy. It is one proposal that charges the entire cost of removing the surplus of a commodity back to that commodity.

The Scotia club decided to dispense with the social meetings for the month and contribute the money usually used for gift exchange to a welfare fund.

THE COOK'S COL-YUM, YUM!

Here is a recipe for mock chilli the way Mrs. Bob Simmons, wife of our congressman, prepares it for her famous husband. Easy to make, a whole meal in itself, a favorite with men and growing youngsters, you'll surely be glad if you try it on your family.

Mock Chilli. 2 medium onions cut and browned in skillet. Add 1 lb. hamburger and stir until brown. Add 1 or 2 c. baked beans, 2 c. canned tomatoes and cook slowly for one hour. Add chilli powder and salt to taste (or none at all). This serves six.

Cottage Cheese Salad. Moistest cottage cheese with cream. Add a finely cut onion and a sweet pickle also chopped fine. Shape into small balls and serve on lettuce leaves. On top put a nut of cream dressing and garnish with hard-cooked eggs.

Sunshine Cake. Whites of ten eggs, yolks of six, 1 c. sugar, 1 c. flour, 1 tsp. vanilla, 1/4 tsp. lemon, 1 tsp. cream of tartar.

Measure flour after sifting, add salt and cream of tartar, beat the egg whites until dry, add sugar, the yolks which have been beaten light, fold in the flour, add extracts, bake in an angel cake tin in a moderate oven for 50 minutes. When cool frost with roughy with brown sugar frosting.

Eggless Pumpkin Pie. 2 c. sugar, 4 level tsp. flour, 1 level tsp. baking powder, 1 level tsp. cinnamon, 1/2 tsp. each of nutmeg and clove, 2 tsp. ginger, mix well. Add 1 qt. of prepared pumpkin and 2 small c. rich sweet milk. Bake in a slow oven about 2 hours. Makes 2 pies.

Bread Sponge Coffee Cake. 1 1/2 c. bread sponge, 1/2 c. heavy sweet or sour cream, 1/2 c. sugar, 1 egg. Salt. Handful of raisins. Mix as for bread, let rise once and put in pans. Flatten out in the pans, spread with shortening and sprinkle with sugar and cinnamon. Mrs. H. R. Packer.

Lemon Foam Pie. 4 eggs, 2 c. sugar, 4 tbsp. butter, 4 tbsp. flour, 4 c. milk, 2 lemons. Beat butter to a cream, add sugar, yolks of egg, rind and juice of lemons. Mix flour in 1/2 c. milk, stir into mixture, add 1/2 c. milk. Fold in stiffly beaten egg whites. Bake 45 minutes as a custard pie, in a slow oven. This is enough for 2 pies. A Subscriber.

Nebraska Found Use for Nebraska Sand in Germany. "While I was traveling in Germany," said E. H. Lulkhart, head of the Nebraska department of trade and commerce, "I was invited to a certain garden in Berlin to see the native Germans enjoying themselves. I noticed that instead of mugs there were in use a lot of thin clear glasses and that these glasses did not break when they fell. I had a walter test one of them and it did not break with the fall. I asked what they were made of and he told me they were made of a peculiar quartz sand. I asked where the sand came from and he said a place in America called Nebraska. I told him I knew of no quartz sand in Nebraska but he said it came from a station named Woodlake. He referred me to a man he knew connected with the glass works and I called later and was shown the containers in which sand was shipped from Nebraska to Germany for the making of unbreakable glassware. I believe it is used much in laboratories."

There is another product of Nebraska soil of modest name that travels in pretty high but not exclusive company. It is volcanic ash. Its popular name is silica.

EYE TALKS Week by Week

This is our third talk about wrinkles.

Those wrinkles around the eyes, that are more pronounced when looking closely, some times erroneously called laugh wrinkles indicate to your Optometrist that you are quite badly in need of glasses, and glasses are the only way today to surely free them out.

Cleopatra, of course, had to wear her wrinkles as they came though she worked her slaves daily trying to rub them out.

Trouble with Cleopatra was of course there WERE NO OPTOMETRISTS in Egypt at that time.

Certainly if there had been Cleopatra would have immediately availed herself of the services of one as she greatly appreciated unstrained beauty.

Women of today have so many advantages over Cleopatra and most of them realize that their wrinkles quicker than tons of face creams, massages and lotions.

Geo. A. Parkins Optometrist

It is light to dark grey in color and of powdery consistency. Its particles are fine but hard and sharp, making material suitable for abrasive purposes. It is the foundation for cleansing powders such as Sapallo, Old Dutch Cleanser and cleaning powders of that kind. The familiar figure of a Dutch cleaning woman, armed with a brush and a can of powder, had her origin in Nebraska, and from here she had stridden forth to distant parts to scour the world and make its surface clean.

Sand quartz and volcanic ash are very modest products of the earth, when precious metals are mentioned, but these Nebraska products are doing their bit to justify their long preparation in the rich soil of an agricultural state.

Something DIFFERENT

If you have old clothes with wear left in them, spare toys, also please turn them over to the Welfare Board, to be given to some needy person or poor child, who may otherwise be left forlorn. Go now and look. Lots of things are being turned in but more are wanted.

If there is anything around this town that always hits the spot with me it is Spot's bread. I mean that Sonny Boy kind. Buy it about noon before it has even cooled, and see if it doesn't mightily resemble What Mother Used To Make.

I'll be down to collect a free loaf for this T. L. in a few minutes Spot. Wrap it up.

Parents are sometimes impatient with teachers, and it also reads the other way occasionally. I know because I hear the low-down from each side.

But parents would have more regard for their children's instructors if they had witnessed all the agony and searching for one little boy's seat that I saw not very many days ago.

Bobby McBeth, kindergarten, was minus a brand new black helmet, couldn't find it anywhere. He looked and looked, started home once then turned back to hunt some more. This time not only one teacher but four or five joined him in his search. Several hundred children were asked to look about where they had been sitting in the bleachers in the auditorium... it was during practice for the Thanksgiving program. The teachers hunted and hunted, looking in even the most out-of-the-way places.

Bobby, crying by now, was questioned over and over, and the hunt went microscopically on. Even the principal investigated odd spots. Of course such co-operation had to yield results.

And Bobby was happy again.

Alfred Weigardt believes he holds the local world's record for getting distance on his radio. Last winter he brought in two Japanese stations. The Philco dealers thought it remarkable enough when he used an ad copy. Did you see his picture in the Quiz ad?

And if you hold any records we challenge you to speak up and tell us about them!

I never could see any reason to make all good resolutions only at New Year's time. If you need to turn over a new leaf, why not do it now? Why wait, as the Gold Medal flour people used to query from every sack, billboard, ad, etc.?

Consequently, I am now doing some of my next month's chores. One thing, I have decided it is silly to carry around any little old grudges or enmities. So I have dropped mine with a bang. I'm going to beam on everybody.

Look out! I am now a beamer.

Errors for which printers and linotypers are responsible always tickle the people to whom a newspaper and its makings are a mystery. Even tickle the ribblisties of the sometimes.

Haskell Creek

There were 27 in Sunday School Sunday morning. George Knecht and Fred Nielsen are the captains for the December contest of the Young People's class. Sunday afternoon there was a good sized crowd at the school house to hear Rev. Real speak. His talk compared the old Testament laws with present day people in their regard for laws. He also told of the Welfare work being done in Ord and asked that if people of the community felt able to give clothing or other aid they would assist in the work.

Several farmers from this community were in Ord Thursday attending the creamery meeting and the sale. When returning that evening the roads were quite slippery and several cars slid into the ditch on the hill south of Mrs. Pearl Miller's.

Mrs. Miller's car was the first in the ditch and Dave Guggenmos was next, catching the bumper of the first car with his fender. Jess Howerton, who was behind, went to Mrs. Miller's after a row and when returned alone slid into the ditch.

All working together they managed to get out and get home safely except for Mr. Guggenmos who slid in again by Aagaard's. A frosted windshield was blamed for this.

Arcadia News

By MRS. RAY GOLDEN

The evening services at the Methodist church last Sunday evening were in charge of the Women's Foreign Missionary society. A demonstration of a Women's Foreign Missionary meeting formed the program. A collection was taken to apply on transportation to foreign countries for five missionaries from the Topeka branch. Seven dollars and fifty cents was received.

The following article was taken from the Central City Republican: "The death of Mrs. Wm. Emgarten, who was removed to the St. Francis hospital in Grand Island last week for a major operation, occurred Tuesday, Dec. 8th and came as a severe shock to her many friends throughout the community. Her demise left motherless a family of four children. Dora Fagus Emgarten was born on the 8th day of Oct. 1895 to Mr. and Mrs. John Fagus in the state of Iowa. There she grew to womanhood. At the age of twenty-five she removed with her parents to Arcadia, and three years later was united in marriage to Wm. Emgarten at Central City, the ceremony occurring on the 12th day of May. Two years ago the family transferred residence to the farm near this city, which has since remained their home. Mrs. Emgarten was the mother of four children, Opal, William, Leo and Harold. She was a member of the German Lutheran church, having affiliated with this denomination when a young girl. Besides the bereaved husband and four children, she is survived by her father and mother, Mr. and Mrs. John Fagus of Arcadia, two sisters, Anna Hulbert of Omaha and Rose Lane of Arcadia and three brothers, Wm. Fagus of Arcadia, Otto Fagus of Loup City and Paul Fagus, also of Arcadia. One brother Ernest passed away at the age of eight years. During the past year this estimable family has been called upon to shoulder a heavy cross. Their daughter Opal laid at death's door for several weeks, following an automobile accident. Later they lost a new car by fire, and just prior to the removal of the mother to the hospital, Mr. Emgarten suffered a broken limb. Funeral services were conducted Thursday afternoon at 3 o'clock with Rev. John H. Hall of the Methodist Episcopal church in charge."

Edwin Harrison, tackle on the Arcadia high school football team the past season received the distinction of being named on the Roll of Honor of outstanding athletes of Nebraska high schools in the Sunday State Journal. Bethany Lutheran Church. S. S. Kaldahl, Pastor. Sunday school at 10 a. m. We urge all to try to come that they might go over their exercises for the Christmas tree program. Service at 11 a. m. This will be reading service in the Danish language. "Thy word is pure; therefore thy servant loveth it."

St. John's Lutheran Church. Missouri Synod. Eight miles south of Ord. English services at 10:30. "He that is of God (I. e. a child of God, a Christian—Writer) heareth God's words, ye therefore hear them not because ye are not of God (I. e. children of God, Christians—Writer)."—John 8:47. Rehearsing of Christmas program Saturday and Sunday afternoon at 2. William Bahr, pastor.

Methodist Church. I asked a man once if he were a regular attendant at church and he said: "Yes, I attend services every Christmas Sunday." We ought to do better than that. But Christmas Sunday does have a special appeal. Our services will be very interesting. At the morning worship hour the choir will sing a beautiful anthem, "The Savior's Birth, and Roy Frazier will render a solo entitled, "The Star of Bethlehem." The pastor will have an appropriate sermon. The young people of the Presbyterian church will join our young people in a service at 8:30. And of course the great attraction for the day will be the cantata given by the choir of the city under Miss Bloodgood in the evening at 7:30. This Friday evening the Business Girls' club meets at the church at 7:30. W. H. Wright

Save Now—and thank yourself Later!

Perhaps you are a young man or woman, out of high school only a short time but earning a good salary. You have no family, no definite aim in life, and you have gradually drifted into the habit of spending all the money you make. "I just can't save money," you say. The easiest way to save is the Protective way. It's so easy to make that small deposit every month that you never miss the money. And how happy you'll be a few short years from now if you start saving now. You'll thank yourself then.

The first and only low-priced car with Syncro-Mesh Shift and Free Wheeling

ONE of the biggest driving thrills in modern motoring is now available at one of the lowest prices in the automobile market. Syncro-Mesh is combined with Free Wheeling in the new Chevrolet Six!

This is the first time that these two outstanding inventions have been brought together in a low-priced automobile. Syncro-Mesh is the most advanced type of transmission ever developed. Free Wheeling is that new sensation which adds so much to the zest of driving. The two make a matchless combination! They bring about an entirely new kind of driving ease and car control, far beyond anything you have ever enjoyed. They give you quick, quiet shifting and complete mastery of the car under all driving conditions. They enable you to do things in driving that are impossible without both these features. If you prefer to drive in "standard" gear, Syncro-Mesh enables you to shift back and forth with uncanny speed, silence and precision. This is

particularly desirable when descending steep hills or traveling slippery streets. For it enables you to use the engine as a brake, instantly, without slowing down the car.

Then, suppose you want Free Wheeling. Simply press a button on the dash. Thereafter, and until you pull the button out again, you Free Wheel. You coast along with a delightful gliding sensation. And you shift with never-to-be-forgotten ease.

The Free Wheeling mechanism of the new Chevrolet Six is a highly simplified type. Instead of a complicated mechanism with many moving parts, it is a simple, sturdy unit, with only three moving parts.

Then, along with Syncro-Mesh and Free Wheeling, Chevrolet offers you 60-horsepower six-cylinder performance, higher speed, faster acceleration, greater smoothness, smarter Fisher bodies, matchless economy, and a first cost that is among the lowest in the market. Certainly it's the great American value for 1932.

The new Chevrolet Six combines the advantages of two inventions . . . Syncro-Mesh and Free Wheeling . . . to assure quick, quiet, easy gear-shifting and positive control of the car under every driving condition

776 PRODUCERS OF CREAM SPLIT \$11,910 MELON

(Continued from Page 1)

Twenty-five cents per pound for butterfat, while too low, is a much better money-making price for farmers than grain, hogs or cattle at present prices. As Manager Coe pointed out, if these products were selling at as good prices, comparatively as butterfat at 25c per pound, farmers would be much better off today.

The most important single forward step taken by the Ord company during 1931 was establishment of the system of buying cream by grade. No. 1 cream drew a premium price at all times since July 1, when the grade system was inaugurated, while even No. 2 cream was paid for at a price equal to or above state station prices. By means of this grade system the Ord creamery was able to manufacture better butter out of the No. 1 cream than formerly. Almost all of the Ord creamery's patrons are producing No. 1 cream at present, Manager Coe stated, and he has hopes that even during the hot weather next summer less than 5 per cent will bring in No. 2 cream.

In the poultry and egg business, as well as on butter, the creamery had a successful year, handling 205,923 pounds of poultry and 110,465 dozen eggs.

Many people do not appreciate the fact that the Ord creamery has held poultry prices above the level justified by Chicago and New York markets during the year. Poultry carload shipments, particularly, resulted in good prices to the producer.

Many people, likewise, do not comprehend the volume of business done by the Ord Co-operative Creamery. During 1931 butter enough to fill 27 railway cars was manufactured and shipped out. Thirteen cars of poultry and nine cars of eggs likewise were shipped. Enough butter was made here to supply a pound package to every man, woman and child in Lincoln and Omaha, with enough left over to give a pound each to every inhabitant of Grand Island, Hastings, Scottsbluff, McCook, North Platte, Fremont and Norfolk. And after this much butter was distributed, enough would remain to supply ten pounds to every Valley county resident.

Names of the ten farmers who produced the most butterfat and received the highest rebate checks were announced at the meeting last Thursday. Earl Hanson's herd produced over 4,400 pounds and Mr. Hanson's rebate check amounted to \$133.67. Next came McLain Bros., who drew a \$120.10 check, and others in order were J. T. Valasek, \$91.10; Coats & Son, \$87.77; J. D. Moul, \$85.04; Chris Nielsen, \$81.65; C. W. Noll, \$79.90; George Glarborg, \$79.62; Earl Smith, \$76.37; and F. J. Shotkoski, \$73.47. Manager Fred Coe called the special attention of the meeting to Mr. and Mrs. C. W. Noll, who are both over past seventy years old, milked enough cows to produce over a ton of butterfat.

Directors re-elected to succeed themselves last Thursday were Orin Kellison, Clarence Davis and Charles Cline. The board of directors will meet soon to re-elect officers for the coming year.

It's Your Own Fault If That Cough Hangs On!

For two doses of Bronchiline Emulsion will positive I loose it—while a whole bottle will chase it right out of your system. Bronchiline may not smell or taste so good (it's not bad, really), but it is safe to take, and does the work. Contains no chloroform, sedatives, narcotics, or any habit-forming drugs of any kind. And it won't upset your stomach. Money back if your cough persists after you have taken a full bottle. McLain & Sorensen and all other good druggists guarantee it.

Rosevale News

John Pigman was very sick Sunday night but has been feeling somewhat better the past week. Jim Samla and Lewis Cropp sawed wood for Earl Hurlbert Monday afternoon and for Orville Hurlbert Tuesday forenoon.

Mr. and Mrs. Henry Struckman and two sons, Rolland and Keith took Mr. Struckman's father to his home at Ogallala Friday. Mr. Struckman has spent several weeks visiting with his son and family. Many will remember Mr. Struckman as he formerly lived on the same place that his son now occupies. The Struckman family returned Tuesday evening and reported that we have more snow here than out west.

While Elmer Hallock was on his way to Earl Hurlbert's Tuesday afternoon to shell, he burned out a connecting rod in his tractor. Mr. Hallock has another tractor but decided it would make it quite late to shell.

Ladies aid met Wednesday afternoon with Mrs. Roy Swanson with six members present. There was plans made to give a treat Christmas when Miss Nelson gives her program, using either the Sunday school or the club money. It will be left to Mrs. Leonard Woods and Mrs. George Watts which will be used. Late in the afternoon a delicious lunch was served by Mrs. Wallace Dutcher and Mrs. Roy Swanson. The next meeting will be with Mrs. Henry Struckman and it will probably not be until after Christmas.

Mr. and Mrs. Wallace Dutcher broke down with their car Wednesday afternoon while going to the aid.

Mrs. Gerald Dye and Arvin Dye celebrated their birthdays together Wednesday evening with the latter's parents, Mr. and Mrs. Bert Dye. Mrs. Bert Dye served a very appetizing supper besides two lovely cakes made for them, each with the name of the birthday person.

Mr. and Mrs. Earl Hurlbert and small son, Duane and Mrs. Emma Cutler went to Grand Island Wednesday on business and to see the latter's daughter and family who live in that city. On their return to Rosevale, the stopping at Scottsbluff visited with Mr. and Mrs. Emmett DeLarm. Mrs. Cutler remained there with them.

Henry Struckman took Mrs. Clarence Guggenmos to Burwell Thursday afternoon to the doctor.

Orville Hurlbert's Wednesday afternoon.

Theatened To Shoot Ord Man; Is Jailed

O. D. Bloomquist was sentenced to sixty days in the county jail by Justice of the Peace Charles Weinberger of Spalding last Friday afternoon. In his sentence the justice stipulated that Bloomquist is to receive but one meal each day. Bloomquist was charged with threats to use a gun to collect \$199.45 from M. McBeth, Spalding stockman. Bloomquist sent a relative last spring to deliver hogs to McBeth. The relative told McBeth to send the check in district court. Disposition of the check is to be made the next time Judge Clements of Ord is in Greeley, it is said.

Bloomquist, who has been in jail for several weeks, refused to plead. A plea of not guilty was entered for him and the trial held.

Tom McVeigh of Spalding testified that Bloomquist told him he would get the money if he had to use a gun.

Mrs. McVeigh testified she overheard the conversation and that Bloomquist had made use of language to that effect. McBeth was the third and last witness. He told of the sale of the hogs and of his efforts to pay Bloomquist.—Greeley Citizen.

This Woman Lost 64 Pounds of Fat

Mrs. H. Price of Woodside, L. I., writes: "A year ago I weighed 190 lbs. I started to take Kruschen and now I weigh 126 and never felt better in my life and what's more, I look more like 20 yrs. old than the mother of 2 children, one 19 and the other 18. Every one of my friends say it's marvelous the way I reduced."

To lose fat with speed take a half teaspoonful of Kruschen in a glass of hot water before breakfast every morning—don't miss a morning—an 85 cent bottle lasts 4 weeks—get it at McLain & Sorensen's or any drug store in America. If not joyfully satisfied after the first bottle—money back.

Buy 50-Acre Farm.

A deal was closed last week by which Henry Koelling becomes the owner of the eighty-acre farm owned by Miss Anna Marks, located in Mira Valley west of the Joe Marks farm. The consideration was \$5,000, or \$62.50 per acre, which was a good price considering that the eighty has no improvements on it. Joe Marks farmed the place this year and will do so again next summer.

A Wise Buyer

Buying, as well as selling, is a science. A wise buyer is not deceived about value. He demands it and he expects to receive it. He is not greatly influenced by appeals of a purely sentimental nature. He believes in "keeping his money at home" — "patronizing the home merchant" — "loyalty to the town" — but he believes also in getting what he wants when he wants it, and at the right price.

Such a buyer thinks of "keeping money at home" in terms of what he can save on his purchase. "Home" in this case represents his own pocketbook and not the merchant's cash drawer.

Likewise, he reasons, loyalty is a beautiful sentiment; but he believes his first loyalty should be to his family and himself.

And he is right, too! A wise buyer bases every purchase upon four vital principles, giving each due thought, according to the nature of the purchase.

LETTERS FROM SANTA CLAUS

Dear Santa: I have tried to be a good boy. I am 6 years old and in the second grade. Please bring me a football, a dump truck, candy and nuts and a Christmas tree. I live on 10th and J street, Ord. Wishing you a merry Xmas. Eldon Wachtrie.

Dear Santa: I am a nine year old girl and I go to Haskell Creek school. I am in the fifth grade. My name is Catherine Miska. I live six miles north of Ord. What I especially want for Christmas is a play wrist watch and a pair of overshoes. I want my overshoes to be size seven. My brother Gerald wants a little wagon and a car. He is a year old. My brother Elwood, who is seven years old, is in the third grade at Haskell Creek school. He especially wants a sled and a pair of overshoes size five. My brother Richard, who is five but he does not go to school yet. He wants a Sandy Andy and a pair of overshoes which he wants to be about seven and a half. Very truly yours, Catherine, Gerald, Elwood and Richard Miska.

Dear Santa Claus: How are you? I am going to write a short letter. Please bring me a doll buggy, a game and some doll clothes for my doll. Also some candy and nuts. I am 8 years old and my teacher is Miss Galane Flint. Your friend, Annabel McIndes.

Dear Santa: I am 10 years old and in the fifth grade. I have been a good girl. For Christmas I want some gloves and a pair of stockings. I wish you and Mrs. Santa a Merry Christmas. Your friend, Dorothy Ferris.

Dear Santa: I am seven years old. I am in the third grade. I think I have been a good boy. I would like to have a knife and a ball. Santa, I wish you a Merry Christmas and a Happy New Year. I live two miles southwest of Ord. Your friend, Calvin Ferris.

Dear Santa: I am a little boy five years old. I go to school every day. I want missed a day this term. I am in the primary. I would like a slate and pencil and a mule hitched to a cart. My little brother Lloyd is nearly two years old and please don't forget him. Sincerely, Bernard Guggenmos, R. 3, Burwell, Nebr.

Dear Santa: I am a little girl 9 years old. I am in the 6th grade. I go to school every day. I have

not missed for two or three years. For Christmas I want a silk scarf, a pair of bedroom slippers and a slate and pencil. With love, Violet Mae Guggenmos.

Dear Santa: I am a little boy 8 years old and in the third grade. I go to the Willow Springs school and I like it fine. I have been a good boy this year. I have helped at home and always mind. I get the cows and feed the horses. I want a train and some candy for Christmas. Lots of love, Emory Tetschner, Burwell.

Dear Santa: I am a little boy, 7 years old and in the second grade. I go to the Willow Springs school and I like it fine. I have been a good boy this year. I have helped at home and always mind. I want a sled and some candy for Christmas. Lots of love, Stanley Schmidt

Dear Santa: I am a little girl in the second grade and I go to the Willow Springs school. My teacher's name is Miss Houtby and I like school fine. I have been a good girl this year and have helped my mother wash dishes. I want you to bring me anything you can. Lots of love, Margaret McClung.

Dear Santa: I am 9 years old. How do you like to be in North Pole. We have lots of snow here so you can come with your sled. I live a quarter of a mile from the Fairplay school. I have 5 brothers and 1 sister and I won't ask for many things because this year is poor. I want a set of tinkler toys, pencil box with all the school things in it and give me what you like and I forgot to tell you that I was a good boy. My sister is 2 years old. She is a good girl. She would like to have a doll, one that says mamma and sleeps in a kiten with a ball. With lots of love to you dear Santa. Your friends, Carl and Regnie Augustyn.

Dear Santa Claus: I am a little girl. I am in the first grade. I want a pair of roller skates and a sled for my little brother. Yours truly, Mathilda Wegrzyn.

Dear Santa: I am 7 years old and in the second grade. Mamma says I am not a very good boy but I study hard in school. For Christmas I want a lead pencil and shoe strings. Some candy and nuts also. I must close goodby. Your friend, Stanley Wadas.

Dear Santa: How are you? I am fine. I am five years old. I go to school and am in the first grade. For Christmas I want a ring, beads and nuts. With love, Mathilda Wadas, Elyria.

Dear Santa: I go to the Olean school. I try to work very hard in school. I want to get home from school I help my mother do the work. After supper I help mother do the dishes. Would you please bring me a box of Tinker Toys and a story book? And I would like to have you bring me a sack of peanuts and candy. Don't forget to stop at our place. Your friend, Verna Christensen.

Dear Santa: Do you know where Chris Sorensen lives? Please try and find the place because I live there with five brothers and my folks. I am six years old and in the first grade. I have tried to be a good boy and helped mama. When you come I wish you would please bring me some colors for school and Amos and Andy car. My little brother Sylvester, who is three years old wants a poggan with lots of shells and a teddy bear. I hope we all see you Christmas time. Your little friend, Carol Sorensen, District 60, Rt. 4.

Dear Santa: Are you coming in your aeroplane this year? I am seven years old. I live a mile east of Olean. I go to school. I am in the second grade this year. My teacher's name is Miss Inez Eberhart. I want a doll wagon and a story book for Christmas. I have two brothers and one sister. Don't forget them. I dry dishes, sweep the floor and watch the children for my mother. How are your reindeers? We will leave a warm fire for you. I wish you a Merry Christmas. Your little friend, Ruth Jelnek.

Dear Santa: I think I've been a good boy. I carried cobs and wood and washed dishes for mama. Please bring me a tractor and some nice mittens for school. I don't want to ask for too many things

so please bring those two things. Your little friends, Robert Raymond Sorenson.

Dear Santa Claus: I guess you will have plenty of snow so you can use your sleigh this Christmas. I have been a good girl so my mama says and I would like to have a toy train and a little cabinet to put my little dishes in. My little brother, Jimmy, wants a little wagon and a cuddly doll. To sleep with Jimmy is 18 months old and I am 4 years old. I live on my grandpa's farm 8 miles northeast of Ord. Tell Mrs. Santa "hello" for me. Your little friends, Patricia Anne and Jimmy Kucera.

Dear Santa: Mama and daddy say I am a good girl. I am nine years old and in the fifth grade. I live near Rosevale. I thank you for the presents you gave me last year. I won't ask for anything special this year. I don't have anything you can. I don't have any brothers or sisters. I would like to have you come with dogs if your reindeers are sick as I have heard. Your friend, Fern Dutcher.

Dear Santa: I am 7 years old. I am in the third grade. I live 2 miles south and 1 mile east from the school house at Olean. I live in a white house. I work at school and at home. Are you coming in a sleigh with the old reindeers? Please give me a book, slate, and a doll for Christmas. Your little friend, Jeanne Barber.

Dear friend Santa Claus: I wish you a Merry Christmas. I want a doll, a story book and a jumping bean. I am 10 years old. I am in the second grade. My little sister wants a doll, a ball and a book. I think you can come with your reindeer and sleigh this year because we have lots of snow.

I will hang my stockings by the fire. We go to Olean school. Please bring me a doll with a green dress on it. Please bring my little sister a doll with a pink dress. Your little friend, Mary Fish.

Dear Santa: Please bring me a doll and a book for me. When you come you will find the door unlocked. And my stocking by the fire. I am eight years old and in the third grade. The name of our school is Olean school. I hope you come in your aeroplane so you will get here sooner. I hope you have good luck. We have a picture of you on our blackboard. If you come in your sleigh tell your deer that I have some hay for them on my door step. Your friend, Esther Zangger.

Dear Santa Claus: I want a doll buggy and a doll that says mama and I have a little brother and he wants a wagon. I have a twin brother and he would like a wheelbarrow. I and my twin are six years old and my baby brother is 3 years old. From Imogene and Ella Graf, Horace.

Dear Santa Claus: I am a good boy and like to go to kindergarten. I am 5 years old. I have a little brother and sister. I want you to bring some things that I would like to have a drum and either a BB gun or cowboy holster, and a wagon. A Merry Christmas to you. Wayne Newton.

Santa Claus: I want a nice big doll. I know you will be good to me this year. We have been having cold weather here. I go to school in the second grade. I am six years old. I have been waiting for Christmas. From your little friend, Elva Fuss.

Dear Santa Claus: I am going to tell you what I want for Christmas. I want a toy manure spreader that I can hitch up to my little tractor you brought me last Christmas. My brother who is nine years old wants a tractor. We are having lots of snow so you can bring your reindeer. I am six years old and in the second grade. We live eight miles south of Ord. From your little friend, Carl Huebner, Ord, Rt. 2.

Dear Mr. Santa: How are you in the North Pole? I am fine. I am in the seventh grade and I am twelve years old.

For Christmas I want stationary, one fountain pen, one pencil box, one notebook and five pencils. I want some candy and nuts too. We are going to have a Christmas program at District 32. It will be at 7:30. It is the 23rd of December. Be sure to come.

Please do not forget about little brother. Bring him some toys. He is very fond of red cars and other things. Your loving friend, Bernice Zulkoski.

Dear Sir: My name is Roland Zulkoski. I am 13 years old. I am sending for the railroad style engraved watch. Please send me the watch. I live on a farm. I am in the eighth grade. Sincerely, Roland Zulkoski.

Dear Sata: How are you? I am fine. I go to school every day. I am eight years old. I will tell you what I want for Christmas. I want a doll buggy and a doll that can cry and walk and talk, and a bicycle and 20 dishes. So I will tell you Merry Christmas and a Happy New Year and will close. Matilda Zulkoski, Elyria, Nebr.

Dear Mrs. Santa: How are you? I am fine. I go to school every day. I will tell you what I want for Christmas. I want a doll and a buggy and some dishes and I want some candy and nuts and I want some water colors. I have a little sister who is six years old and her name is Mary. She goes to school every day and she wants 2 balls and a doll with hair that sleeps and says mamma. I will say Merry Christmas and a Happy New Year. Your friend, Matilda Zulkoski, Elyria, Nebr.

Dear Santa Claus: I am a little girl. I am 7 years old. I go to school, I am in the 2nd grade. I help mamma work in the house. Now I want Santa Claus to bring me a doll and a buggy and some nuts for Christmas. Yours truly, Cerella Wegrzyn.

MARION CUSHING WILL ADDRESS FARM MEETING

State Representative To Discuss Farm Taxes at Bureau Session; Flood Main Speaker.

The Honorable Marion J. Cushing, state representative for Valley and Garfield counties, will be one of the speakers at the annual meeting of the Valley County Farm Bureau, to be held next Wednesday, December 30, at the Ord Theatre. Mr. Cushing will discuss farm taxes and means of reducing them, County Agent Dale announces.

Principal speaker at the meeting will be Francis Flood, world traveler and associate editor of the Nebraska Farmer. Mr. Flood will bring his own monoton pictures, which he took during his recent 25,000 mile trip, and will show them in connection with his lecture, "The South Sea Islands, New Zealand and Australia were all visited by Mr. Flood this past summer and he describes these interesting places in his lecture."

Borneo, where the wild man still lives by the thousands, is a huge island in the Dutch East Indies, the second largest island in the world. The equator passes right through the island. Mr. Flood and his companion penetrated to the interior of Borneo, lived with the Borneo Dyaks and learned much about these primitive island head-hunters.

"The Island of Java, right next door to Borneo," says Mr. Flood, "is about the most remarkable country I have ever visited. It is smaller than the state of Nebraska yet supports a population of 40 million, one-third the population of the whole United States."

All of these countries are described by Mr. Flood in his lecture, which should attract a big crowd of farm bureau members and their friends to the Ord Theatre next Wednesday afternoon.

Charles Faudt, farm bureau president will have charge of the meeting and County Agent Dale will give his annual report. Officers will be elected and plans made for the coming year.

Jean Gass Wed To Harold Porter

Miss Jean Gass, youngest daughter of Raymond Gass, and Harold Porter, son of Mr. and Mrs. Charles Porter, both of Valley county, were married Saturday in Burwell by Judge McGrew. Albert and Miss Wilda Adams accompanied the young couple to Burwell as witnesses. After March first Mr. and Mrs. Porter will be at home on the Mrs. Roy Severson farm southwest of Ord.

Don't Appreciate Bryan Economy Program

Their first taste of Governor Bryan's economy program proved distasteful last Thursday to two Valley county courthouse employees, Jack Dave Haught and Clyde Baker, county treasurer. Bryan economy meant extra work for them, they found.

The extra work started soon after a truck from Lincoln arrived in Ord with 3,500 pounds of 1932 automobile license plates.

"Where do you want these plates delivered?" the truck driver asked.

"Just take them upstairs to the county treasurer's office," answered Janitor Haught carelessly.

"Like h— I will," was the comeback from the truck driver. "Our contract calls for delivery to the building. I'm unloading them at the curb line." And he did.

Haught and Baker worked nearly all afternoon carrying the plates upstairs and stowing them away. Since the plates were in 26 pound packages and the men had two flights of steps to climb, it wasn't such an easy task. Clyde Baker started out carrying three packages at a trip but it wasn't long until he was lagging only two, the number that Haught burdened himself with at the start.

In the past Valley county's auto license plates have been shipped to Ord by rail, brought to the court house in a dray, and hoisted into the treasurer's office through an east window by the drayman. The state's economy program probably saved a little money but it didn't make a hit with Haught and Baker.

1,500 People Throng Auditorium To See Christmas Program Presented By Schools

One of the finest if not the best Christmas program ever given by Ord school was presented Friday night at the high school auditorium before the largest crowd ever assembled in that building. Supt. Millard Bell estimated that at least 1,500 people were enclosed within the walls of the high school. The auditorium was packed, all standing room gone, and the halls of the building were thronged with those who still hoped to get to see some part of the evening's entertainment. The program more than repaid the expectations of the crowd. The entertainment was given with the aid of practically the complete enrollment of the schools.

A grade school band, trained by Professor Toenniges, opened the program admirably, greatly to the interest of the audience. Then little Miss Doris Klima gave youthful Christmas greetings to all in the form of a reading. Two folk dances by the kindergarten, full of claps and stomps next pleased the audience and friends present. The little girls wore costumes of pastel crepe paper, the boys their usual dress. One small man, who had been out of school that day and did not quite have the combination delighted the audience by sauntering casually into public view. At last he heeded Miss Lincoln's embarrassed beckonings, still oblivious of the presence of the audience, which relished the by-play exceedingly.

First and second graders sang a song nicely, and then presented a tiny play called "Frolie of the Toys", in which tin soldiers and

15 Boys Have Free Haircuts At Ord Barber Shop

Fifteen needy boys sent by the Welfare Board had the time of their lives last Friday when they were given free haircuts at the L. W. Benjamin barber shop here. Mr. Benjamin had generously offered to do barber work without charge for needy people sent to him by the Welfare Board.

Several of the boys who visited his shop Friday had never been in a barber chair before, their hair having been cut previously by dad or mother, sister or brother. Most of the boys were from the Welfare Board. They wanted their hair cut and they seemed to take a lot of interest in the process.

It would be difficult to say who had the most enjoyment out of the event, the boys or Mr. Benjamin.

POTATOES, MILK WANTED BY ORD WELFARE BOARD

The greatest need at present is for potatoes, milk and more clothing, the Ord Welfare Board learned at its regular meeting Tuesday evening and people having potatoes or milk to spare for needy families are requested to notify some member of the Welfare Board or call the assessor's office in the court house any afternoon between 3 and 5 o'clock. Clothing, either new or second hand, also can be used to advantage.

Fourteen families and sixty children have been helped either with food or clothing or both by the Welfare Board so far in its campaign. Some of these people will need more help and there are other needy families who will require aid to pull through the winter. With the generous co-operation of the community that has so far been evident the Board believes it will be able to succor all cases of actual need.

Velmer McGinnis Is Wed to Kansas Girl

In Manhattan, Kas., on Friday, December 11, occurred the marriage of Velmer McGinnis, son of Dr. and Mrs. J. W. McGinnis, of Ord, to Miss Ruth Maxine Babbitt, daughter of Mr. and Mrs. W. L. Babbitt, of Miltonville, Kas. The wedding took place at the Methodist church, the only guests being Mr. and Mrs. Arthur O. Brown, and Mr. and Mrs. Jack Brink, close friends of the bride and groom. Rev. E. A. Rogers read the marriage lines. The bride wore a formal gown of white lace and her bridesmaid, Miss Ada Yonely, wore a flowered blue silk. After the ceremony Mr. and Mrs. McGinnis were hosts at a dinner served in the Gillette hotel, after which the wedding party spent a few hours at a Manhattan country club.

Mr. and Mrs. McGinnis spent a few days in Abilene, Kas., coming to Ord December 20, and have since been guests in the home of Velmer's parents. After New Year's Mr. and Mrs. McGinnis will have an apartment at Manhattan, where both are senior students at the Kansas State Agricultural College. Mr. McGinnis is a member of Tau Kappa Epsilon fraternity while his bride is affiliated with Alpha Delta Pi. Both will graduate next spring.

Ed Holub Appointed Elyria Postmaster

Elyria, Dec. 23.—(Special)—E. A. Holub has received the appointment as temporary postmaster of this village, succeeding Mrs. John Schuyler, who has held the office for many years. Monday the post-office fixtures were moved to the Holub store. An examination will be held soon to fill the position permanently and several applicants are planning to take the examination.

Seth Parker And Jonesport Folks At Ord Theatre

Rare Christmas entertainment for everybody will be "Way Back Home," the film hit starring Seth Parker and his Jonesport neighbors, succeeding Mrs. John Schuyler, who has held the office for many years. Monday the post-office fixtures were moved to the Holub store. An examination will be held soon to fill the position permanently and several applicants are planning to take the examination.

Hunter Jones Hurt When Tire Explodes

When a truck tire he was working on at Fullerton exploded last Thursday, Hunter Jones, formerly of Ord, was quite badly hurt. His injuries consisted of a possible fracture of the right hand, a broken finger, a sprained arm and numerous bruises. The force of the explosion caused the iron rim of the tire to strike his hand and arm with great force. Jones has been operating a trucking business at Fullerton for some months.

—Members of the Jim Nay family of Los Angeles, Calif., write that Mr. and Mrs. Dallas Dye of Elsinore, Calif., had been to visit the Nay family. Another guest was Bert Walker of Waverly, Neb. who formerly lived here.

—Elmer Palmatier arrived Sunday evening from Lincoln. He is a state university student and is visiting his parents, Mr. and Mrs. Chester Palmatier.

—Mr. and Mrs. Jos. P. Barta and daughter, Miss Pauline drove to Grand Island Friday and met Miss Martha Mae Barta, who was coming home from Stephens college, Columbia, Mo., to spend a couple of weeks with some people. Miss Barta says she like her college work very much.

HOLIDAY LIQUOR CUT SHORT BY STATE OFFICERS

Wets of Ord and vicinity may go dry during the holiday season this year. At least one wholesaler and several retailers who have been supplying the Valley county trade are reported to be in custody, and state men believe they have applied the sponge to the Loup valley, at least for a few weeks.

Most important among Monday's arrests was that of Lewis Meacham, of Comstock, who it is charged has been supplying Ord bootleggers with alcohol for several months. When state men visited his farm Monday they found 45 gallons of alcohol. In Broken Bow yesterday Meacham was fined \$100 and costs and given a 60-day jail sentence.

Another Comstock man, Elvis Birch, was arrested Tuesday when fifteen gallons of whiskey were found in his possession.

Besides the arrests at Comstock one bootlegger near Sargent was arrested, one at Taylor and two near Burwell, reports say.

Pete Bartuslak Fined

After an undercover man had made a buy of a pint of hooch from Pete Bartuslak Monday, Sheriff George Round and Officers Covert and Pardus took the young man into custody. Tuesday he was charged with sale of liquor and was fined \$100 and costs by Justice Hamilton.

Banta Has Stroke, Dies at North Loup

North Loup, Dec. 23.—(Special)—N. S. Banta, 65 years old and a respected River Valley farmer for many years, passed away at 1 a. m. today at the home of his nephew, Earl Bingham, after suffering a stroke at 7:30 o'clock of the evening before, as he was dressing to go to an opera. Dr. J. H. Hollingshead was called but could do nothing for Mr. Banta, who remained partially unconscious until his death.

Since his wife's death a few years ago Mr. Banta has been living with his various children, Jim Banta, of North Loup, Mrs. James Whiting, of Ord, Jake Banta, of near Scotts bluff and another daughter in Grand Island. He came here to visit only a few days before his death.

No funeral arrangements have been made as yet.

Hosman Appointed To Omaha Position

E. M. Hosman, once superintendent of Ord schools and for the past ten years secretary of the Nebraska State Teachers association, last week resigned to accept a position as director of the Omaha unit of the extension and publicity department. He will take over the duties of his new office January 1. Mr. Hosman's record as teachers secretary has been an enviable one, as he has built up the organization's membership from 3,500 to 13,000. His successor as secretary of the teachers association has not yet been appointed.

Warm Weather Spoils Rabbit Drive Though Sixteen Are Turned In

Warm weather, which took the snow off rapidly and left roads and fields muddy, worked against the success of the rabbit hunt announced by the Ord Rotary club this week. Only 16 rabbits and 3 squirrels were turned in at the ice plant but even this number is more than were expected, the way the weather turned out. Later the club may sponsor another hunt.

Kokes Arrested On Sidewalk Ordinance

L. V. Kokes, Ord hardware dealer, was arrested yesterday by City Marshal Covert on a charge of violating an ordinance passed recently by the city council which makes it an offense to display or sell merchandise on the sidewalk. When he was arraigned before Police Judge Hamilton Mr. Kokes asked that the case be continued until January 6, which request was granted. Davis & Vogelitz are representing Mr. Kokes.

Car Auction Went Over Big

The Graham-Sevler Chevrolet Co. advertised a used car sale for Monday of this week and eighteen cars were settled for at the close of the sale and besides one new car was sold during the day. Col. E. C. Weller cried the sale and says used automobiles sell much more readily than milk cows do. Ed Seyler says he is very much pleased with the sale and at the enormous crowd present.

—Mr. and Mrs. Leo Sems spent Sunday with relatives at Burwell.

Catholics Enjoy Christmas Program

Catholic parents and children enjoyed a pleasant afternoon Sunday in the basement of the church, informal arrangements having been made. About 25 or 30 children gave little songs, recitations, etc. which they had learned at home or at school, delighting those present. One little miss played a guitar while two others sang, in one instance.

Santa Claus made his appearance in his usual garb, and had a Christmas box for every child, which was received with joy by every one of them. Three number drawings were also held. A suitable gift was given to the lucky child under four years, a fortunate little girl won a nice doll and a happy boy became the owner of a new football, as a result of the drawings.

A very large crowd was present for the holiday celebration and a fine time reported by all.

Judge Clements Files For District Judge

Last Saturday, at the state house in Lincoln, the filing of Judge Edwin P. Clements, of Ord, for reelection as district judge in the Eleventh district, was received by the secretary of state. Judge Clements has held the office since 1920, when he was appointed to succeed Judge Hanna, and he is regarded as one of the most able judges in the state.

County Judge Is Home From Missouri

Judge J. H. Hollingshead and Mrs. Hollingshead returned home Tuesday from Savannah, Mo., where they went a week ago to consult specialists regarding the judge's health. After a short stay in Missouri they returned to Omaha and from there called the Ord family physician, Dr. C. J. Miller, who joined them in Omaha and helped make arrangements for some special treatments which it is hoped will effect a speedy cure. A message said the Hollingsheads would be home Monday evening but they didn't return till the next day and Dr. Miller will continue the course of treatment prescribed by the Omaha specialists.

During the absence of the Hollingsheads, Mr. and Mrs. Ed Hollingshead have been in the home of their parents and Mr. Hollingshead has been attending to such duties in the office as he could take care of. It may be necessary, later, to have an acting judge named until Judge Hollingshead is able to assume the duties of the office. It is unlikely anything along this line will be done before the January meeting of the county board, if then.

George Worth Dies, Funeral Saturday

North Loup, Dec. 21.—(Special)—Funeral services were held at the home here Saturday for George Worth, one of Valley county's pioneer residents and one of North Loup's early business men, who died Thursday evening following a brief illness. Burial was made in North Loup cemetery.

Mr. Worth was born in DeRuyter, N. Y., Jan. 18, 1857, he moved to Weldon, Ia., at the age of five and in 1874 came to North Loup with his parents. On Christmas day, 1877, he was married to Melva True, daughter of Rev. M. B. True. The next spring they homesteaded North Valley but an attack of inflammatory rheumatism left Mr. Worth in weakened health and he moved back to North Loup and most of his life was spent here.

He was one of the village's earliest business men, owning at various times a grocery store, market and general store. In recent years he operated a produce station.

Three children were born to Mr. and Mrs. Worth, a daughter, who died in infancy, a son, Jessie, who died when eight years old, and another daughter, Mrs. Mina Taylor of Grant, Nebr. Mrs. Worth also survives her husband.

Weather Man Says White Christmas

Though warm, sunshiny California weather has removed the heavy coating of snow from Valley county this week, prospects are still good for a white Christmas. Rain, turning to snow and colder is the forecast for the latter part of the week. The weather in Ord was foggy yesterday so snow may fall today.

TAXPAYERS FORM LEAGUE FRIDAY, ELECT OFFICERS

John B. Zulkoski 9lected President Of Organization Formed at Woodman Hall Meeting.

With about 150 Valley county taxpayers present at a meeting held at the Woodman hall west of Ord last Friday evening, a Valley County Taxpayers league was formed, the object of the organization being to find ways and means of reducing township, school, county, state and national taxpayers' taxes, so that taxes may be reduced.

John B. Zulkoski was elected president of the permanent organization, Charles Kokes was chosen secretary and V. J. Vodehnal, Otto Radl and Joseph Waldmann were elected directors. All are well known farmers living in the west part of Valley county. The board of directors was named as a committee to draw up a constitution and by-laws for the new organization.

When the meeting was called to order by the temporary chairman, Jos. J. Waldmann, every seat in the large hall was filled, which proves the interest Valley county farmers take in tax matters.

The discussion on taxes that followed was more or less informal. Frank Vodehnal, a former county supervisor, discussed the question and then Ign. Klima, Jr., Valley county clerk, analyzed taxes collected in Valley county and told what they are used for. Mr. Klima had been specifically invited to be the speaker, as he is the C. C. Dale, who discussed the work of his office. Both Klima and Dale expressed the belief that savings can be effected in their offices during 1932.

Other speakers pointed out that agriculture, the main resource of the central and middle states, is in perilous condition at present and that economies in all lines must be effected if farming is to continue. All prices are coming down and taxes must do likewise, seemed to be the feeling of the assemblage.

Representatives of the Carter county taxpayers league had expected to be present but bad roads prevented their coming.

Another meeting will be called at a date to be announced later, at which time the constitution and by-laws will be adopted. The board of directors plans to meet with the Valley county board of supervisors January 13, to discuss possible savings in county taxes.

County Treasurer Sentenced to Pen

When he pleaded guilty in district court Burwell Thursday to a charge of embezzling \$2,910 of Garfield county funds Frank N. Smith, a former county treasurer, was sentenced to serve from seven to ten years in the state penitentiary at hard labor. The sentence was pronounced by Judge Edwin P. Clements, of Ord. Smith also was fined double the sum he embezzled, or \$5,820. At his arraignment he had offered to turn over \$5,000 in property.

Smith served as Garfield county treasurer for eleven years and was regarded as one of the most influential farmers of that county.

Stranger Asks Co. Attorney Where To Buy a Drink

You don't know where a man can get a drink of whiskey in this town, do you?" was the startling question asked by George Munn, Valley county attorney, as he stood in a down town store one night last week. The question was asked by a traveling man, who went on to explain that he had a bad cold and had been trying for two hours to find a sample of the traditional cold remedy. "Ord's the driest town I ever saw. Can't you help me out?" he asked Mr. Munn.

Munn, who suspected that the man knew who he was and was joking, answered in a jocular vein.

"No, I don't know or I'd go and get one myself," was his answer.

"Just give me some idea where to go and I'll try it and if I find some I'll give you a good big drink," the stranger insisted.

About that time the county attorney made up his mind Mr. Stranger was in earnest.

"I haven't any idea but if you do find some let me know where you got it and I'll see what can be done about it," Mr. Munn said grimly.

About that time an employe of the store took the stranger aside and told him he had been talking to the Valley county attorney, the man charged with liquor law enforcement in this vicinity. The stranger ducked his head into his overcoat collar and left the store.

TOO MANY FANCY BOXES.

Among the things that have contributed to our present economic condition, it seems to this editor, is our liking for things that come in fancy boxes and packages. Nearly everything we buy to eat nowadays, comes doled up in parchment wrappings, highly lithographed containers, cellophane outside wrappers and other doodads that add nothing to the edible quality of the product within but do add to its cost.

Take the matter of breakfast food, for instance. In recent years we have become a nation of cereal addicts. We call for Muffed Corn Oatside-woolies because some dietitian has discovered that Oatside-woolies contain vitamins x, y and z. We buy 2 fancy priced and fancy wrapped Oatside-woolies and get maybe six or eight ounces of corn. Yet corn is selling for 40c a bushel right here at home. And it is the corn that contains the vitamins x, y and z, not the fancy box or the cellophane wrapper.

Or take wheat. "Give the children a hot whole wheat breakfast," some dietitian urges and all of us rush to the grocery to pay 25c or more for a half pound of Heart o' Wheat, or something called by a similar name. Yet our own Ord mill manufactures and sells a similar whole wheat product, almost indistinguishable from Heart o' Wheat, four pounds for two bits. Or, if we want to save still more money, we could buy wheat at 35c a bushel, grind it in our own coffee mill and have a more delicious breakfast than Heart o' Wheat ever thought of being.

Yes, too many fancy boxes. As long as we can afford to pay the price we can indulge in the pretty pictures that come on them. When we no longer can our health will be as well off and our pocketbooks a lot better.

LET'S MAKE IT UNANIMOUS.

Both judges for the Eleventh district, Edwin P. Clements and Ralph R. Horth, have filed as candidates for renomination and re-election, and if there were some law we could invoke to do so we gladly would make a motion that the listings be declared closed and that Judges Horth and Clements be re-elected by a unanimous vote.

The Eleventh district is fortunate indeed in having two men of the calibre of our two judges occupying the judicial bench. Both their keen statures of law, both old enough in years so that they are good judges of human nature, yet both possessing that passionate desire for justice and fair play that must ever characterize the honorable jurist. Judges Clements and Horth are two fine examples of what judges should be.

Judge Clements has given the best years of his life to the judiciary in this district. Appointed in 1920, following the death of Judge Hanna, he has made a wonderful record throughout his term. Rarely has his decisions reversed or remanded for new trial by the supreme court. In fact, his record in this regard is the best among Nebraska district judges. And, at the same time, he has dispensed justice with mercy, has been fair to lawyers and laymen alike, and he should be given the office again. Judge Horth, while a newcomer to the bench, has proved a worthy successor to Bayard H. Paine, whose chair he was appointed to fill when Judge Paine was transferred to the supreme bench. Probably even better grounded in law than Judge Paine and with all of that jurist's tact and discernment in handling juvenile and criminal cases, he has earned the right to re-election.

Yes, sir, Judges Clements and Horth suit us and they suit the big majority of voters as well. We'll have to hold the election as a matter of form next year but the result is assured in advance.

GOOD HORSES IN DEMAND.

Over at Wayne last week a public sale of horses was held. Thirty-two sound animals went through all of them, and the thirty-two head sold at an average of \$92 each. The first twenty head through the ring brought an average of well over \$100. Cash was paid for all thirty-two head.

The above item, which was reported in the Wayne Herald, proves that the business of breeding horses is due for a revival. Trucks, tractors and automobiles for several years threatened to succeed the horse on every farm. But as more stringent farmers have hesitated to make large investments in machinery. They know that trucks and tractors require a cash outlay for gas and oil before they can be used. And cash has been hard to come by in recent months.

My Own Column

By H. D. LEGGETT

After spending a couple of weeks with grandma and grandpa while the new baby and its mother were becoming adjusted to the new conditions, little Shirley Beal was taken home Friday. After one day at home she gathered her coat, cap and overshoes and announced that she was going back to grandpa's. Now her mother insists that we allowed her to do just as she pleased, which of course is absurd. Any restraint didn't like the home displeased because she couldn't have the new baby on the floor to dress and undress like a doll.

I believe Senator Johnson of California is right when he says the administration moratorium plan would be defeated by a vote of ten to one if the people could vote on the matter. If that is true why should the administration, elected by the people, in fact supposed to be the people, insist.

It is all wrong to say that the slump depression, hard times or whatever it is, is hurting Hoover. That is not true. The people know that the condition is worldwide and that it is the direct result, in the most part, of the world war. What is hurting Hoover and the present administration is the belief of the people, whether correct or not, that Hoover and his close advisors are more interested in the welfare of the Wall street bankers and the people of foreign countries than they are in the great mass of people of this country. A senator stated the other day that the young men of Germany would revolt and fight if they were saddled for the next 62 years with the payment of the debts which that country owes this country. Another senator asked what the young men of America would do if they were saddled with the payment of the debts of all the foreign countries, as seems to be the wish of some of the present administration.

If a lot of those farmers down in Washington who always do their farming on a typewriter in a nice warm office, with a guarantee of a good fat salary whether their plans work out or not, could be saddled with some real Nebraska, Iowa and Illinois dirt farmers, we might hope for some results from a farm program.

Ed Beranek says the Christmas season always brings a great increase in castor oil sales the week after.

Stan McLain tells of a Burwell mother of ten, who has no time to sit straddle of those kids and hold their noses while she pours castor oil down their throats, so she just mixes the oil with the pancake batter in the morning and the job is done painlessly and with a great saving of time.

Judging from the cars on the streets Saturday from Greeley, Colo. to Wheeler and other surrounding counties, the advertising which the Ord merchants are doing is getting results. We counted ten cars from one county on one side of the street at the same time.

THE COOK'S COL-YUM, YUM!

New and delicious recipes, that's what we are all looking for. And today we begin our col-yum with such a recipe. You'll surely be interested. Read this one:

Banana Bread.
1 c. sugar. 1/2 c. butter. 3 bananas. 2 c. flour. 1/2 tsp. salt. 2 eggs. 1-3 c. nut meats. 1 tsp. soda.

cream sugar, butter and salt together. Beat in eggs and banana which have been creamed. Beat in flour with soda. Bake about 40 minutes in a moderate oven. We are very fond of this bread.

Mildred Staple.
114 So. 37th St. Omaha
There here is a dessert recipe which is easily made, not too expensive and surely good. You will like it, and so will the children, I'm sure. Jello always fascinates them.

Pineapple Fluff.
1 pkg. lemon Jello, stirred up according to directions. Let cool. Then add:
1 pt. cream, whipped. 1 small can shredded pineapple. 2 egg whites, stiffly beaten. 1 c. nut meats cut fine. Sweeten with some powdered sugar. Serve plain.

Mrs. Elmer Henkle.
We would like to have more staple recipes sent in. Recipes for main dishes, meat dishes, hearty recipes that will make a whole meal. Please send in anything of this type that you enjoy making and eating, won't you?

Salmon Salad.
1 c. salmon. 5 or 6 sweet pickles. 6 hard-cooked eggs. 1/2 small head of lettuce. Remove the bones from the salmon. Chop the pickle eggs and lettuce and add a few broken crumblings if you wish. Mix lightly and then add this dressing, which is cooked and used cold.

Dressing.
1 egg, well beaten. 1/2 c. sugar (scant), 1 tsp. dry mustard, 1 tsp. butter, 1 c. vinegar, 1 tsp. celery seed, salt and pepper to taste.
Ellen Stanton.

And here is the way an experienced cook advises you to create that work of art - cream puffs.

Cream Puffs.
1 c. boiling water. 1/2 c. butter. 1 c. flour.

Cook in trying pan until it forms a ball and leaves the sides of the pan. Stir all the time it is cooking. Remove from the stove. Add four eggs, one at a time and beat well after each addition. Don't beat the eggs before putting in. Bake in muffin pans 30 minutes.

Eye Talks Week by Week

THEODORE ROOSEVELT was unfortunate in that he was born fully fifty years too soon.

Roosevelt was very near-sighted and grew more so as he grew older.

If he had been of the present generation and availed himself of the services of a Modern Optometrist the growth of his trouble would have been arrested.

Nearsightedness is an ABNORMAL condition of the human eyes that too often grows worse with the years.

Modern optometry has provided methods of holding this disturbance in check and in many types ACTUALLY reducing it as the years go by.

In fact thru Optometry research in the past few years the future generation will have much more comfortable eyes than the past generation.

Today the poorest urchin on the street CAN HAVE more eye comfort than Theodore Roosevelt ever enjoyed.

Something DIFFERENT

If there is any one combination that is more fun than riding for a bunch of children it is a snowy slope to slide down, a good sled, warm clothing and a tangy winter day.

The last few weeks Ord children, big and little, have been enjoying this kindly winter sport, and what fun. Throngs of children, the weeks hill a slide of glass, Jack Frost getting in an occasional nip, and the air alive with shouts and squeals of pleasure. It is hard to imagine a gayer scene, or one more intoxicating. Sleds have been at a rare premium, and the breath-taking hill has been passing out thrills even to the more blasé elders who are devotees of this outdoor pastime.

Many a night the "sliders" have slid until midnight or thereafter, and even kept-awake neighbors hadn't the heart to protest. Don't think that each night doesn't find many of our staid neighbors coasting, too. Among them I might mention Edwin Clements and his frau, Joe Puncocar, Dr. Blessing, Marie Hall, George Allen, Marjorie Hostetter, and many, many more. So enthusiastic have some of the coasters become that several large toboggans have been built, and two or three more are nearly ready for use. Not for several winters has out-dooring been so much fun hereabouts.

And for those who prefer their thrills a trifle smaller, the milder grade of the Weckos hill down to the east, on the paving, provides just the thing. Either one you choose, if you are a skilled slider you may coast for a number of blocks, and as I suggested before, what fun.

Of course there have been a few accidents, gashes, bruises, etc., but even these mishaps did not damp the enthusiasm of the coasters. Miss Hostetter received about the worst cuts and bruises but she is too calloused a sportswoman to stop for that.

It is rumored that one local man, going belly-buster down-grade about a hundred per, arrived at a spot we will call "X" at the same moment as an automobile, with neither able to halt. What happened?

Well, I'm Mrs. Ripley, and you can believe it or not, but they say that the coaster whizzed under the car as it was backing out, passing through a crosswise between the pair of wheels and the front pair. And came out . . . not without a shirt . . . but with out a scratch.

Now I'll listen while you tell one. And I don't vouch for the above, either, but it is declared to have happened.

Have you your New Year's Resolutions planned out yet? This is a dandy year to reorganize. I almost said reform. Whatever name, it is near the time for the annual reducing cutting out of cigars, swearing or what bad habits have you? Chewing, perhaps?

Hear about Governor Bryan being second fiddle man at a recent Rotary luncheon at which he was, supposedly, the guest of honor?

A Rotary meeting in Holdrege not long ago was considerably enlivened when the solitary bachelor left in the group took the fatal steps altar-ward, and turning up the Monday after his honeymoon furnished the chief object of kidding for the day. This was the meeting which Charlie was supposedly honoring with his presence, but the newly-wed was definitely the piece de resistance of the day.

Good-naturedly he mimed, but Governor Bryan laughed heartily at the sallies and wise-cracks at the bride-groom.

Would you like to know the identity of the bridegroom? He was Victor Hall, telephone man of Holdrege, who lately wed Muna Misko and carried her off from our midst.

If you know any one who may have a neglected Christmas, or any children who need shoes, clothes or toys, don't forget, please to turn in their names to the Welfare Association.

And also, don't forget to turn in any objects you have which may be useful to the Welfare workers in their giving. Giving will be done intelligently, after investigating, so do not fear to provide money, or whatever you have of use to this group.

Some small children tried to profiteer at the expense of the charity workers recently, applying for shoes, etc., getting fitted and turning up a day or two later for more. However, their profit was only the fun they got from this as they innocently revealed when asked where previously provided shoes went?

"Oh, we hid them under a sidewalk," was the answer.

So now charity workers are investigating thoroughly before responding to pleas for aid. And you need not worry, anything you give them will be well placed.

—Mrs. Emil Chotena and sons were passengers Saturday for Grand Island.

LETTERS FROM QUIZ READERS

Writes About Bee-Keeping. Since this is the first year that we have had bee inspection in Valley county, it occurs to me that it may be interesting to bee keepers and others as to what has been done.

First it may be well to state that the object of the inspection is to keep under control infectious bee diseases of which there are several.

A disease known as American foul brood is the most dreaded and most deadly of all bee diseases. It is called American foul brood, not because it is an American disease, but because American scientists discovered the germ that causes the disease. The disease is prevalent almost all over the world where bees are known and was brought to this country with bees from Europe.

It may be well to state right at the start that too much should not be expected the first year as the funds available for this work were insufficient and the work was new not only to the beekeeper, but to me also.

An explanation at the start may not be out of place: An apiary is a place where one or more colonies of bees are kept.

A colony consists of the hive, its appurtenances, honey and bees. Wherever infection of disease or infection it will invariably mean American foul brood, as no other disease was found.

And now the story follows: No attempt was made to cover the whole county. Instead, most of the time was spent where it seemed to be most needed. In other words where disease seemed most prevalent. In all, eleven days were spent at inspecting and one day re-inspecting. First few days were spent around Ord and in my own neighborhood.

One day I next turned my attention to Arcadia from where they were calling for help. Here I give much credit to Mr. A. T. Wilson and Mr. W. A. Leininger, both of Arcadia, for their free service and hearty support in the work.

Mr. Wilson helped to locate the apiaries and helped some with the inspection. Mr. Leininger also helped with the inspection and took it upon himself to see to it later on that my instructions were properly carried out where cleaning up was necessary.

During the eleven days 49 apiaries were inspected. American foul brood was found in 22 apiaries out of the 49 inspected, or almost 45 percent. In the 49 apiaries were 384 live colonies, of which 44 were diseased, or almost 11.2 percent diseased.

Practically all the diseased colonies were in Arcadia township. In the 49 apiaries inspected, 73 colonies were lost last winter mostly from disease some from starvation. This winter loss amounts to 16 percent. In all 149 empty hives were inspected. Of these 67 showed infection or over 38.1-4 percent.

During the eleven days of inspection an average of 35 live colonies were inspected per day, at an average cost of 14.1-2 cents per colony.

During the one day of reinspection five apiaries were visited, five colonies of bees and six empty hives were burned.

In all cases except one, the beekeepers were willing and glad to clean up and realized that their infected bees and hives were a public nuisance. Some beekeepers were successfully waging a fight with the disease, others were blundering in the dark and were spreading the infection unknowingly. Still others had given up in disgust and some had nothing but empty hives left and could not understand what was wrong.

Nearly all of those that had any bees left were glad to have the inspection and were very thankful for the information and suggestions which were freely given them by the inspector and in most cases his instruction were carefully carried out.

Yours for better bee keeping, F. M. Yodanis, Inspector for Valley and Sherman counties.

The Happy Circle club held an all day meeting in the home of Mrs. Carl Holm last Friday with fourteen members and three visitors present. Mrs. Holm and Mrs. Morris Sorenson gave the lesson from the extension department on the selection of kitchen cutlery. A potato peeling contest was held in connection with this. Mrs. Rudolph Collison and Mrs. Chris Nielsen tied for first place and were each given a prize. At this meeting the ladies also made their annual Christmas quilt which was given to a needy family. During their business meeting they made their plans for a New Year's Eve supper which is to be held at the school house for the members and their families. The menu committee is Mrs. Rudolph Collison, Mrs. Will Nelson and Mrs. Carl Holm. The next meeting will be with Mrs. Morris Sorenson on January 7th.

Mrs. Carl Holm called at Paul Kappel's and at Donald Miller's Saturday morning.

Harry Nelson was in this community a few hours Thursday visiting with relatives. He was going to Grand Island after his sister, Miss Lena Nelson, who has been a student at the business college. They returned to their home in Winner, S. D. Friday.

L. J. Able has been demonstrating his hammer mill grinder in this community during the past week.

Mr. and Mrs. Donald Miller are the parents of a daughter born Thursday Dec. 17. She has been named Carolyn Jean.

When You and I Were Young, Maggie

25 Years Ago This Week. Edward Timm bought an interest in the Fry barber shop and moved to Ord from Omaha. His coming made eight barbers and two apprentices working at the trade in Ord.

Lars Sorenson bought the J. C. Hayes home and moved to Ord from his farm on Turtle creek.

Ralph Haught and Miss Myrtle Timmerman were joined in marriage at the bride's home in Springfield.

Fred Coe returned home from his studies at the state university and was spending his vacation with his parents.

Bailey's store did a Saturday business of \$777.77, which was unusual not only because of the number of "7's" but also because of its size. Other Ord merchants had the biggest day's business in their experience.

20 Years Ago This Week. S. K. Jorgensen suffered injuries to his head when he was thrown from a high wagon box and landed squarely on his head on the railway crossing.

The state fire warden condemned several frame buildings on the Ord square, calling them fire hazards and ordering them torn down.

Mrs. Val Pullen had a narrow escape from serious burns when an explosion occurred as she was lighting a fire. Her hair caught fire but she smothered the flames with her arms. Aside from the loss of some hair and one burned arm her injuries were not serious.

Ora Taylor was employed as chief soloist in St. Paul's church, Lincoln, and also got a job in a Lincoln printery.

Cornell's hardware was sold to a firm known as Pearce & Doyle of Neola, Ia.

BACK FORTY

It is generally believed that milking a cow oftener will increase her milk flow. But until recently it was not known how much more milk or butterfat a cow would give if the number of daily milkings were increased. A series of studies on frequency of milking, just completed by our experiment station, reveals some startling figures along this line.

All breeds gave richer milk and more of it when the interval between milkings was lessened. High producing cows showed the greatest differences.

A group of mature Holsteins was milked twice daily for one year. Then the same cows were milked three times a day during the next year. When milked thrice daily they averaged 58 percent more milk and 63 percent more butterfat. The production of some of the cows was doubled by the one extra milking.

Another herd of Holsteins was milked three times a day for the next year, and four times a day the next year. This herd's milk production was boosted 39 percent, and its butterfat was raised 35 percent by the fourth milking.

The same results were secured from high producing mature Jerseys, Guernseys, and Ayrshires. Cows of all breeds and of various ages, milked three times daily, produced from 40 to 52 percent more fat, and from 45 to 65 percent more milk than cows milked twice daily. Taking the average of all cows yielded two daily milkings by from 149 to 168 percent in milk production, and 110 to 128 percent in fat production. In other words, their production was more than doubled.

Milking high producing cows four times was likewise better than milking three times. The increases ranged from 52 to 72 percent in milk, and 45 to 60 percent in butterfat.

The above results are from well fed, heavy milkers. Medium or low milkers fed the way the average farmer feeds them, might not show any appreciable increase from additional milkings.

Merry Christmas

Believe in Santa Claus? We'll say we do! Why, it's Santa . . . and all he stands for . . . that's made us forget all about depression and recession and session after session with bankers, and has made us cheerful as a winning team on its home grounds. And that's why we take this occasion to pay our hard-earned money for space to wish you and yours the Merriest of Merry Christmases. We hope you get a lot of Christmas greetings . . . and we hope every one means it as much as we do!

CUT FLOWERS

We carry a small supply of fresh flowers. Let us arrange your funeral designs or flowers for any occasion. **NOLL SEED CO.**

Parched or toasted? No, sir! CAMELS are FRESH!

THE bedrock of Camel popularity is the inherently fine quality of the tobaccos that go into our cigarette.

These tobaccos are notably mild, full-mellow, delicately flavored by nature—the finest Turkish and mild, sun-ripened Domestic tobaccos that money can buy.

To safeguard the essential goodness of these fine tobaccos we exercise every care to conserve their natural moisture and natural flavors.

They are never parched or toasted—the Reynolds method of scientifically applying heat guarantees against that.

That's why we say Camels are made fresh to start with—and why the Camel Humidor Pack can bring them fresh to you, in prime smoking condition.

If you want to know what a blessing that means in unalloyed smoke-enjoyment, switch to Camels for just one day—then leave them—if you can.

You needn't tell me—I know Camel is the fresh cigarette!

CAMELS
Made FRESH—Kept FRESH

Don't remove the moisture-proof wrapping from your package of Camels after you open it. The Camel Humidor Pack is protection against sweat, dust and germs. In offices and homes, even in the dry atmosphere of artificial heat, the Camel Humidor Pack can be depended upon to deliver fresh Camels every time

LETTERS FROM SANTA CLAUS

Dear Santa: How are you? Are you going to drive your reindeer this year? I am 9 years old. I go to school every day. I live 7 miles north of Arcadia. In my class the one that finds the most pictures of you gets a prize. For Christmas will you please bring me a de luxe wagon. It cost \$5.95. Will you bring my brother Teddy a little car. I have a little sister so will you bring her a very tiny doll? I would like some candy and nuts too. Good bye, Marion Tretren.

Dear Santa Claus: How are you? I am going to school. I am in the 4th grade. I am 11 years old. I am good in school and do what the teacher tells me too. I want a doll buggy and a stove and a doll. I live 15 miles north of Ord. Your friend, Evelyn Bouma. P. S. Santa please don't forget the poor children.

Dear Santa: I am 9 years old. I am in the 4th grade. For Christmas I would like to have a corduroy cap and Bradley's Tumbleout. Vest would like to have a set of dishes and a doll dress and a pair of shoes. I live 3 1/2 miles from Arcadia. I live 3-4 of a mile from school. Your friend, Harold Edward Tumbowley.

My Dear Santa Claus: I go to school. District 37. I have a friend to be a good boy. For Christmas I would like a nice sled and a pair of leather shoes. Please don't forget Bernard, Pauline and Eugene. And if you have plenty of drums I would like one, too. With love to you and Mrs. Santa Claus from Herbert Fuss Brethbauer.

Dear Santa: Will you please bring me some skates for Christmas this year. I will be glad. I will try to be good. Christmas is almost here and I am very excited. I will close now. With love, Gene Charles Freeman.

Dear Santa: I have three sisters, Verna is 5 years old, Donna is 11 years old, Lavon is 4 years old. We have tried to be good. Lavon would like a ticket to Santa Claus, a kiddie car. Verna would like darkie doll, a bed with wheels on. Donna would like dressing table and a sled. I would like a lumber wagon and a big tricycle and we all want a stove. Verna is in the first grade and Donna is in the sixth grade. I am in the fourth grade. I hope you will come to our program, Dec. 23 in the afternoon. Please don't forget to come to our house. We live 15 miles from North Loup. Your friend, Maynard Desel.

Dear Santa Claus: I wish you a Merry Christmas. I wish to have an airplane and a pair of overalls, too. Merry Christmas, your friend, Bennie Morris.

Dear Santa Claus: I would like to have a pair of stockings and a toy airplane, a toy train, some candy and peanuts. Yours, Virgil Morris.

Dear Santa: I want a doll and chairs and a lot of things. I have been good and helping grandma. I want a buggy, too Santa. Cora Lee wants some dollies too. I am not 2 1/2 yet, Santa. I like my Christmas tree, Santa. Thank you Santa Claus. Shirley Beth Anderson.

Dear Santa Claus: How are you and your reindeer? My name is Harlan Jorgensen. I am 3 years old. My birthday is the 21st of this month then I will be 4 years old. I do not go to school because I am not old enough. For Christmas I would like a new necktie to go with my new suit and I would also like to have a Fordson tractor so I can pull some of my other toys with it and I also would like to have some candy and nuts, too. Well Santa I hope you and Mrs. Santa Claus have a very merry Christmas and a Happy New Year. Well I hope I can see you at Christmas time. Your friend, Harlan Jorgensen.

Dear Santa: I'm in the 3rd grade and go to school every day. I help my mother and study awful hard. I think I've been a good girl. I'd like to have a tricycle, a few little toys to play indoors with while it's so cold. My brother Douglas is a fairly good boy and would like a sled very much. I would like to have a warm pair of mittens. I wish you and Mrs. Santa Claus a Merry Christmas. Your friend, Pearl Griesser.

Dear Santa Claus: I am 10 years old and in the fifth grade. I have a half mile to go to school. How do you like to live at the north pole? I want a pair of shoes and a doll and some candy and nuts. I have been a good girl. I have a little sister and she wants a doll and a pair of shoes. My little sister has been a good girl too. Your friend, Alice Smith, Ord.

Dear Santa Claus: I am a little boy. I go to school. I am in the primary. I am five years old. I live seven and one-half miles northwest of Ord. My teacher's name is Miss Baker. I like to go to school. For Christmas I want a little car, tractor, candy and nuts. That will be a plenty. Your friend, Lloyd Smith.

Dear Santa Claus: My name is Norma Mae Jorgensen. I am 8 years old. My birthday is April 11. For Christmas I would like to have a set of glass dishes and some candy and nuts. I wish you and Mrs. Santa a very Merry Christmas and a Happy New Year. Your friend, Norma Mae Jorgensen.

Dear Santa: I am seven years old and in the second grade. I go to school every day. For Christmas I want a doll, a play watch and some candy and nuts. I have a little sister. She is four years old.

Arcadia News

Woody Burns. Miss Dorothy Woody and Marlon Burns were united in marriage at Ord, Neb., Saturday, Dec. 12th. The ceremony was performed by Judge Hollingshead.

Dorothy is the daughter of Mr. and Mrs. Jerome Woody of Arcadia. She attended the Arcadia high school, graduating with the class of 1928. For some time she has been employed at the local telephone exchange where her courteous treatment and obliging manner have made for her a large circle of friends who are glad to know that she will continue as operator.

Marlon is the son of Mr. and

Mrs. J. D. Burns. He graduated from the Arcadia high school with the class of 1929 and since that time has been associated with his father in farming.

Mr. and Mrs. Burns will probably make their home on a farm in the spring.

A committee from the Ladies Community club has been busy this week preparing tempting Christmas baskets for needy families in the community. The money used for the contents of the baskets was furnished by the Men's Community club.

The following article was taken from a Geneva newspaper: "Robert, son of Mr. and Mrs. Fred White was run over by a model Ford car driven by Ernest

Reinsch Saturday afternoon. The accident happened in front of Heisey's news stand. The streets were full of children in town to see Santa Claus. Witnesses of the accident said that Robert ran out from between the cars parked in the center of the street into the path of the Reinsch car. Mr. Reinsch was driving so slowly that he was able to stop before the rear wheel passed over the boy. One front wheel passed over his abdomen. Robert was taken to Dr. Bixby's office. He was found to have been severely bruised but he seemed to have no serious injury."

Walter Judah and son Buster attended the funeral of Isaac Shepard which was held at Mr. Shepard's home on the Henry Thelander farm west of Arcadia. He left here several years ago and has since resided in Omaha. Mr. Shepard, 59, lumber contractor, was instantly killed Dec. 14th when he lost control of his truck, while rounding a turn on Fontenelle boulevard.

Mrs. W. H. Hendrickson of Berwyn, who was taken to the Methodist hospital in Omaha recently, was operated upon Wednesday of last week and her trouble was found to be caused by the gall bladder. This was removed and at last reports she was getting along nicely.

The employees of the Arcadia Ansley, Berwyn and Sargent telephone exchanges enjoyed a Christmas party at the home of Mr. and Mrs. J. Schultz in Ansley last Friday evening. Games, a Christmas exchange and lunch provided entertainment for the evening. Those attending from here were Mr. and Mrs. Lowell Pincey and baby, Mrs. Marlon Burns and Miss Dorothy Bly.

The American Legion Auxiliary met last Friday afternoon at the home of Mrs. D. O. Hawley. Thirteen members and fourteen guests were present. Instead of a Christmas exchange the members donated money to be used in spreading Christmas cheer in Arcadia. Donations of clothing, shoes and bedding were assembled and were sent this week to the Knox county droop sufferers. The members wish to thank those who so kindly donated. A Christmas tree, void of gifts but adorned with all day

suckers lent a Christmas atmosphere to the meeting. A two course lunch, furnished by the members was served at the close of the afternoon.

Harry Rutherford has been paroled from the state penitentiary and returned to Arcadia last week. He was sent to Lincoln three years ago for robbery.

Eugene Hastings returned last Friday from Canoga Park, Calif. where he spent the past year and a half with his sister, Mrs. Elmer Hayden. Eugene will remain in Arcadia with his parents.

Wallace Doe had the misfortune to lose his German police dog Monday, death being due to poisoning. Several German police dogs have died from poison in this vicinity the past few years. Whether they accidentally obtained poison or it was given them by some one intentionally is not known. It is a violent death and we hate to think that anyone would be so cruel.

The barn on the Mrs. J. B. Hughes place in the south part of town was discovered to be on fire shortly after noon last Thursday and before help could be secured the barn and practically all the contents were destroyed. Ralph Hughes conducted a garage in the barn at one time and a considerable amount of tools and machinery, together with about 300 chickens and over 100 bushels of grain were consumed. The barn was covered by insurance but there was none carried on the contents.

Friends and neighbors of the community gathered at the Ernest Crawford home Monday and shucked and cribbed his entire crop of corn. The ladies served dinner at noon. Mr. Crawford has been a

patient at the St. Francis hospital in Grand Island for some time.

Allice and Frances Kerchall and Leo Hansen visited with the former's mother, Mrs. Raymond Kerchall at the St. Francis hospital in Grand Island last week. Mrs. Kerchall is recovering splendidly from her recent operation and will be able to return home this week.

Miss Kate Fagen and Leo Murray drove to Grand Island Tuesday after Mark Murray who had been a patient at the St. Francis hospital for several weeks. Mark suffered an attack of pneumonia early in the fall and was taken to Grand Island for treatment.

Woodman Hall

Otto Radil has lost about twelve head of cattle from sweet clover hay in the last week.

The Modern Woodman held their annual meeting at the hall last Saturday evening. Will Waldmann, counsel, Charles Krikac, adviser, Frank Krikac, clerk, Rudolph John, banker and Jos. Moravec, watchman were all re-elected for another year. The new officers are Vance Grabowski as escort, James Visek for sentry and Henry Desmul one of the board of directors for three years. Dr. Barta of Ord was elected camp physician. Lunch was served meeting. The installation of officers will take place January 16 and lunch will again be served.

Lillian Krikac came up from Grand Island last Saturday evening and will spend the holidays at her home.

Anton Nevrlka drove to Omaha last Saturday where he went after his wife's mother, Mrs. Ign. Pesha, who was a patient at the hospital in that city. Alfred Bartunek is doing chores for Anton during his absence from home.

Our grade school has added some new improvements, a water jar for a soap container and new curtains adorn the stage at the Woodman hall.

Mr. and Mrs. John Mottl entertained about 40 young people at their home Sunday night as a surprise on their sons, Frank and John. Frank, who is a student at the School of Commerce at Lincoln is home for Christmas vacation. The young folks were royally entertained and pronounced the Mottl family splendid entertainers.

LETTERS TO SANTA CLAUS

Dear Santa: I was a good boy. I am five years old and am in the first grade. I like to go to school. I want a knife, watch and a big engine. Your friend, Bernard Augustyn.

GIFTS OF CASH ASSIST WELFARE BOARD IN WORK

Medical Society Gives \$25, Other Large Donations Made; 16 Xmas Boxes Distributed.

Several gifts of cash, along with potatoes, flour and other articles of food, were reported at the meeting of the Ord Welfare Board Tuesday evening. Largest among the cash gifts was that of the Ord Medical Society, Dr. C. J. Miller secretary, who gave \$25. Other cash gifts included A. Friend, \$4.00; Presbyterian church, \$16.64; J. H. and Mary Capron, \$10.00; Dr. C. G. Shepard, \$10.00; Mrs. John Beaman, \$3.00; and the Lodge, \$11.00. Gifts of food included three sacks of flour given by Frank Dworak, sr., Frank, jr., and Joe Dworak, and three bushels of potatoes given by Will Gruber.

Sixteen Christmas boxes were made up and distributed to Ord homes, the report showed. Women who have worked in the Board's office since last Thursday include Mrs. Wm. Carlton, Mrs. A. S. Koupal, Mrs. G. W. Taylor, Mrs. H. Koelling, Miss Kate Marks and Mrs. Harold Erickson. Quite a large amount of clothing has been distributed to the needy during the week.

Welfare board members gratefully acknowledge the sympathetic and kindly interest the community has taken in aiding the needy and unemployed.

North Loup Pioneer Woman Dies Tuesday

North Loup, Dec. 30.—(Special)—After a lingering illness which had made her bedfast for twenty weeks Mrs. C. J. Arnold, 75, a pioneer woman of this vicinity, passed away about noon Tuesday at the home of her daughter, Mrs. D. S. Bohrer, where she had been cared for during her illness. Her illness had been almost unbearable, particularly during the last three weeks, and death came to her as a relief. She had been cared for day and night by her niece, Miss Mary Bohrer, a nurse, and by Mr. and Mrs. Bohrer.

Orvel Sorensen Wins Club Trip to Lincoln

Lincoln, Neb.—Orvel Sorensen of Arcadia has been awarded a trip to 4-H club week held here in the college of agriculture, campus in June, according to an announcement made from the state club office. The Arcadia boy was one of fifteen outstanding club members in Nebraska during the past year. All expenses of the trip will be paid by the Nebraska Farmer, donor of the biggest day's business of any shop up to that time, \$225. Six months later Mr. Sorensen broke this record with a new stand he opened in Cincinnati, doing a single day's business of \$285. Seven people were kept busy in the Karmel-Korn store that day, he says.

Recently "Tony" has been busy making a thirty-day survey of Pennsylvania, on behalf of his company, and after the holidays he will go to New York City to become a general representative of the Karmel-Korn company, also managing fifteen or twenty stands in the metropolises. During the holidays he has been visiting his mother, Mrs. Marg Beran, here, while his family is visiting the Otto Johnson family in Lincoln.

Mr. and Mrs. O'Sullivan, who are sole owners of the Karmel-Korn corporation, now have 535 shops scattered over the United States, Canada and England. They are kept busy and make large profits selling Karmel-Korn licenses and equipment. Recently the two were in Nebraska "doing a little shopping," they said. The "little shopping" was for 6,000,000 pounds of Nebraska popcorn for use in Karmel-Korn shops all over the world.

The demand for Spanish Rice popcorn has been so stimulated, state papers report them as saying, that there may be a shortage next season.

—Mrs. Joe Bartu and little son, Donald Dean of Arcadia, are spending the week in Ord with Mrs. Bartu's brother, Ign. Klina and family. The baby is only three weeks old. He has never been very strong and is under a doctor's care here.

—On the 18th of November Mrs. Vera Thorne of Ord and Sam Mathews of Sterling, Colo., were married in Sterling. Mr. Mathews and Mrs. Bun Grimes of Illif, Colo., came to Ord for a short visit and Tuesday Mr. and Mrs. Mathews and the latter's daughter, Betty Thorne left for Sterling, where they will make their home. Mrs. Grimes is a daughter of Raymond Gass and a sister of Mrs. Mathews.

Ord People Finding Pleasure And Profits In Sale of Karmel-Korn

Relatives of Former Ord Family Perfect Process, Now Many Ordites In Business.

What is this Karmel-Korn that we hear so much about? Several Ord people have left their home town to sell it in many parts of the country; much Valley county popcorn is being sold this year to Karmel-Korn stores, who started the Karmel-Korn business and why does it seem to attract so many Ord people?

The Karmel-Korn process was originated by an O'Neill young man, William C. O'Sullivan, and his wife, formerly Miss Stella Hempel, of Spencer. O'Neill is a sister of Mrs. Otto Johnson, now of Lincoln but for many years an Ord resident.

Soon after the World war O'Sullivan and Miss Hempel were married and obtained a joint position as managers of a sheep ranch near Casper, Wyo. Dull times caused a drop in wages and the O'Sullivans resigned to accept jobs that failed to materialize. So they opened a small popcorn stand in Casper. They tried many confections and finally evolved a candied popcorn Karmel-Korn, which captivated the public.

In 15 months they made a \$7,000 profit and decided to branch out. They sold their stand and started shops elsewhere, selling each as soon as they had trained someone to run it. At Rockford, Ill., they established a central office.

Here is where the first Ord resident comes into the picture. Otto Johnson, who had moved to Lincoln shortly before and who was seeking employment that would allow him to quit his job as traveling man and stay at home, was decided to start a Karmel-Korn shop. He was trained by his brother-in-law, Mr. O'Sullivan, and opened a shop in Lincoln that succeeded from the start.

Mr. Johnson's son-in-law, Anton Beran, of Ord, had been having poor luck at farming. Drouth, hail and other disasters had cost him nine crops in twelve years. He, likewise, decided to quit farming and try something else and naturally hit on the business with which his father-in-law was making such a success.

Other Ord people who have since become connected with Karmel-Korn are Mr. and Mrs. Eugene Simpkins, who own their own shop at Fargo, N. D., Mr. and Mrs. Floyd Simpkins, who own one at Montevideo, Minn., John Beran, who has a shop in Norman, Okla., Mr. and Mrs. E. L. (Pidge) Johnson, Jr., who has a shop at Altoona, Pa., and Mott Rathbun and family, who recently moved to Elmira, N. Y., to open a shop. Probably there are others whose names we do not recall at the moment. All of these former Ord people are doing well.

Anton Beran, who got into the game early, is one of the executives of the company now. Trained by the founders of the company, it became Mr. Beran's task to travel around the country establishing shops and training their owners. In Akron, O., a new shop opened by Mr. Beran did the biggest day's business of any shop up to that time, \$225. Six months later Mr. Beran broke this record with a new stand he opened in Cincinnati, doing a single day's business of \$285. Seven people were kept busy in the Karmel-Korn store that day, he says.

Recently "Tony" has been busy making a thirty-day survey of Pennsylvania, on behalf of his company, and after the holidays he will go to New York City to become a general representative of the Karmel-Korn company, also managing fifteen or twenty stands in the metropolises. Lettuce Grows In Mid-Winter In Owen Garden

For a Nebraskan to pick lettuce from her garden late in December seems scarcely possible but that is just what Mrs. George Owen, of Ord, did last week. The lettuce came up volunteer, grew and flourished in the mild weather we have been having and on Christmas day Mrs. Owen picked enough for dinner. What's more, she expects to pick lettuce for her garden's day dinner from her garden, too.

Several Ord people have reported seeing dandelions in bloom this week while from other parts of the state come reports of pansies and violets in bloom. Bees are swarming in eastern Nebraska and even butterflies have been seen in the past two weeks there.

New Feature in Quiz.
"Brick Bats," a column of verse written in the style made famous by Walt Mason, will be an editorial page feature of the Quiz starting this week. "Brick Bats" are written by "Brick" Smith, Swift salesman who has made Ord his home for more than a year and who is known to most Valley county people. Mr. Smith will write on time, aptly and we think "Brick Bats" will prove a popular feature.

Brief Bits of Home Town News

Hurt In Auto Accident—Mrs. H. B. Van Decar returned home last Thursday from Omaha, where she had been caring for her daughter, Mrs. Philip Wellman, who was injured in an auto accident Thanksgiving day. Mrs. VanDecar, herself was in an auto accident while away. The car in which she was riding, which was driven by her relative, Mrs. H. J. Paul, of Lincoln, was struck by another machine near Waverly and was wrecked. Mrs. VanDecar and Mrs. Paul escaped with only slight bruises.

Enjoy Holiday From Store—For the first time in twenty-nine years of their married life, Mr. and Mrs. George Parkins did not spend a part of Christmas day in their jewelry store this year. Instead they went to North Loup and accompanied Mr. and Mrs. Frank Johnson to Geneva, where all spent the day in the home of Mr. and Mrs. Howard Hamilton. They report an enjoyable trip.

Recovering From Pneumonia—Shirley Norton, son of Mr. and Mrs. Lester Norton of Elyria, is recovering rapidly from an illness with double pneumonia. Shirley, who is a student at Kearney Normal, was taken ill a few days before Christmas. Dr. F. A. Bartu has been caring for him and he is able to sit up this week.

Son From East Visits—Mr. and Mrs. Harlan T. Frazier enjoyed a visit at Christmas time with their son, Ralph E. Frazier, of Pittsburgh, Pa. His wife and children had been visiting in Ord and in York for some weeks. The young man has been employed by the Mellon Institute and is studying for his Ph. D. degree in the University of Pittsburgh, having won a scholarship offered by the Institute. He is a graduate of University of Nebraska and also won his master's degree there. After the holidays the Ralph Frazier family will move to Philadelphia, where Mr. Frazier has a responsible position as consulting engineer in a factory of the American Solvent company. Other guests in the Frazier home here at Christmas time were Miss Margaret Frazier, of O'Neill and Glen Wallace, of Hastings.

Will Be Radio Expert—Lester Pavik has resigned his position in the Sack lumber yard here and in a couple of weeks he and his family will move to Omaha, where Mr. Pavik has a good job as radio repair man with a big company. He has learned the radio repair business by taking a course of home study and believes there is a great future in radio work because of the development of television. Ord people will be sorry to lose the Pavik family.

Bals Returning From Springs—Mrs. Charley Bals writes Ord friends that they are planning to leave Excelsior Springs, Mo., about the first of the year and return to Ord. In some ways Mr. Bals is better, but he has not shown the improvement they had hoped for.

Arrives From Kansas City—Miss Ethel Ollis of the Research Hospital, Kansas City, arrived in Ord for a visit with her brother James and other relatives. Miss Ollis had spent a few days with her sister, Mrs. Sadie Armstrong in Hastings. The latter's daughter, Margaret Armstrong accompanied her aunt to Ord for a visit.

ORD TO BECOME FAT HOG MARKET EARLY IN 1932

Weller Auction Co. Arranges To Have Packer, Shipper Buyers Here For Saturday Sales.

Beginning Saturday, January 9, Ord will become a direct market for fat hogs, Col. E. C. Weller of the Weller Auction Co. announces in this week's Quiz. He has made arrangements to have packer and shipper buyers here each Saturday beginning January 9. No sale will be held this coming Saturday, Jan. 2.

Hog sales have been held in Grand Island, Norfolk for the past two years and have met with great success. Now Ord becomes the third city in the state to offer a market of this sort to hog breeders and feeders.

There are several advantages in this type of marketing over each feeder shipping to Omaha or Chicago direct, it is said. The price received is often better, due to the absence of exceptionally large offerings. Handling charges are always lower, which results in a better price to the producer.

Packer and shipper representatives will be present on each sale day to buy the class of hogs for which they have orders and bill them direct to packing plants, Colonel Weller says.

Hog sales will start at 10:30 a. m. Saturday and not only fat hogs being sold at this time but also stocker and feeder pigs. The hog sale probably will continue over into the afternoon, at which time cattle, horses and the usual offerings will be sold.

The next shipments made by Colonel Weller should result in the Ord Saturday sales being better than ever before in all respects.

Ora Lashmett Keeps Marriage In July Secret Until Now

Who says a woman can't keep a secret? Married last July 13, at Smith Center, Kas., both Ora Lashmett and his bride, the former Miss Mary Elizabeth Wissbaum, of St. Paul, kept the secret until last week here. Now Mrs. Lashmett has resigned and the newlyweds will make Ord their home.

Ora, who is better known as "Bud," graduated from Ord high school with the class of 1926. He was prominent in athletics during his high school days. For the past two years he has been employed in the Piskorski produce station. He is a son of Bert Lashmett, of Ord.

His bride is a daughter of Mr. and Mrs. Edward Wissbaum, of Boelus, but has been employed at St. Paul for several years where she has a wide circle of friends.

Rev. Bona Named Bishop

Rev. Stanislaus Bona, of Chicago, has been named in pontifical orders from Vatican City to become Bishop of Grand Island and is expected to assume this office in the latter part of January. His consecration services will take place in Chicago, after which he will be installed at Duffy, who has served since 1913 and is held in high esteem throughout the diocese, which includes more than a hundred Catholic churches with a membership of more than 25,000.

Wilma Stowell Wins Rexall Doll Contest

Wilma Stowell, daughter of Mr. and Mrs. Herman Stowell, won the large doll house offered as first prize in the contest conducted before Christmas by the Berneke drug store here. To win first prize she polled a larger number of votes than Virginia Rathbun, who won the smaller doll house offered as second prize. Other little girls who won dolls in the contest were Addie Newberry, Dorothy Auble, Lillian Karty, Lorraine Kusek, Dorothy Albers, Bernice Glarborg, Carol Leonard, Bernice Parkos, Gladys Collins, Dolores Higgins, Joyce Grabowski, Phyllis Joy Dahlin and Maxine Dudschus.

COUNTY AGENT OFFERS REDUCE SALARY BY \$400

Says His Yearly Stipend Should Be In Accord With Farm Income; Fine Crowd at Meet.

That in his opinion salaries paid to agricultural agents should be regulated, in some measure at least, by the income farmers have, County Agent Carl C. Dale yesterday offered to take a voluntary reduction of \$400 in his annual salary. The offer was accepted and the farm bureau's 1933 budget was cut that amount by directors of the Valley County Farm Bureau, who were holding a business meeting prior to the annual meeting of the bureau held at the Ord Theatre Wednesday afternoon.

Expenses of the farm bureau were reduced from \$3,200 in 1930 to \$2,900 in 1931 and next year County Agent Dale believes they can be still further reduced, he told those who attended the annual meeting yesterday.

Clayton R. Ward will head the farm bureau next year, being chosen president to succeed Charles Faudt. Mr. Ward's home is near Arcadia. E. O. Schudel, of North Loup, becomes vice-president and Mrs. Mae McGinnis, of Ord, was elected secretary-treasurer. New directors included Mr. Ward, who succeeds himself, Mr. Schudel who succeeds Mr. Faudt, and Mrs. Leo Nelson, who succeeds Mrs. Boyd Mulligan.

Twenty-seven boys and girls clubs were in operation in Valley county this year. County Agent Dale's report showed, with 265 members taking part. Club members won \$1,400 in cash prizes at the county fairs, state fair and the Ak-Sar-Ben stock show this year, he said.

Another activity of the farm bureau was the women's clubs. Twenty-seven of groups are meeting regularly with 426 women enrolled. Genevieve Woodman comes to Ord each month this winter to conduct meetings of the project leader, who in turn take the work to their respective groups.

Twenty-three farmers are cooperating with the farm bureau this year in keeping farm accounts, Dale said. The baseball league with ten teams competing also was a major activity of the farm bureau during the past year, he said.

Three judging schools, schools for club leaders, 481 farm visits, 12,490 pamphlets handed out, 840,000 c. c. of cholera serum and 6,080 c. c. of blackleg aggression sold, etc. also are among the activities of the Valley county agent in 1931. He traveled 16,280 miles in the course of official business.

Charles Faudt, retiring president of the farm bureau, preside at the annual meeting yesterday and after preliminary remarks which he stressed reduction of expense and increased value of the farm bureau, he introduced Marion J. Cushing, state representative, who made a fine talk on tax matters.

Mr. Cushing, who is one of the foremost proponents of a state income tax in the state legislature, discussed the need of tax revision, so that farmers need not pay the bulk of state taxes as they do now.

"We want good roads and good schools," Mr. Cushing said, "we don't want them at the sacrifice of the farmers of the state who in the final analysis pay the bulk of the taxes." His comment was heartily applauded.

The state legislature last year made a start at reducing taxes, thereby proving that it can be done. Mr. Cushing stated that state tax commissioner's report shows that taxes paid in Nebraska in 1931 were reduced 2 million dollars, or about 1-2 percent over the previous year. State taxes were reduced by one-sixth, the average of county taxes over the state by one-twentyfifth. Village and city taxes, taking a state average, show an increase in 1931 over the previous year.

Mr. Cushing is a firm believer in the income tax as a method of tax equalization. Owners of real estate now pay the bulk of all tax said, and used Iowa as an example. A survey shows that 39 percent Iowa people live on farms, 14 percent own only 20 percent of the property in that state, yet pay 69 percent of Iowa taxes. The same condition holds true in other states that do not have an income tax, he stated.

He stressed the income tax as a tax reducer but as a method of tax equalization. Salaries of professional men, big corporate foreign owned stores, etc. will be a more proportionate share of taxes under the income tax system than under present methods, he said.

Representative Cushing made a powerful impression with his proving himself to be a friend of government.

that Valley and Garfield county people made no mistake when they chose him to represent them at the state house.

Francis Flood, of the Nebraska Farmer, made a hit with his talk about travels in New Zealand, Australia, Borneo and Java. Throughout his talk he stressed patriotism, advantages of being an American, love of country, and told in unforgettable words the luxuries we of the United States enjoy that foreigners do not have. His talk was illustrated with motion pictures that he took himself.

Not so large a crowd as had been expected attended the farm bureau's annual meeting, as weather and roads were unpleasant. But the theatre was comfortably filled and everybody who did attend thought it a fine program, enjoyable and informative in every way.

Mr. and Mrs. Roy Horner and family of Scotia were in Ord Sunday.

Union Ridge News

Mrs. Mike Pretl's two brothers, Frank and Rudy Herzinger drove over from Beemer last Monday after some furniture of Mrs. Pretl's which she had left here when they moved to Idaho last summer.

Mr. and Mrs. Henry Bolte and two children, Walter and Edna, came from Beaver Crossing last Wednesday to the Mike Pretl farm which Mr. Bolte has rented for three years. The day after Mr. Bolte's sale at Beaver Crossing one of the banks there failed and this has caused him considerable inconvenience and expense as he will be obliged to make another trip there to settle up his business affairs.

A letter from Mrs. Miller's brother, Albert Flint, who left here for West Virginia, Saturday, Dec. 19th states that he reached home Wednesday, Dec. 23rd and that he stood the trip very well.

Hog Sale Starting at 10:30 a. m.

Cattle, Horses, Machinery at 1 o'clock P. M.

We have made arrangements whereby we will sell fat hogs at auction after January 9th. This method of selling direct from producer has met with great success at Hastings, York, Norfolk and Island, where it has been in operation for the past two years. It is nothing mysterious about the operation of a fat hog sale and shipper representatives will be present sale days to select and buy the class of hogs for which they have orders and will bill them direct to the packing plants where they are wanted, thus eliminating a lot of handling charges. This saving of course is passed on to the producers in the way of a better market for his hogs.

WE WANT AT LEAST 500 HEAD OF FAT HOGS FOR THIS AUCTION

Why not favor us with a truck load or more and give us an opportunity to prove to you what we can do. We will appreciate the lift and are willing to stake our reputation that we can please you. **THE BUYERS WILL BE HERE, SO BRING THEM IN.** Our selling charges on fat hogs will be the lowest of any now in existence.

Remember The Hogs Sell at 10:30 A. M.
 This includes stocker and feeder pigs.

We will also have a large offering of cattle, horses, harness, machinery, etc. for the afternoon auction, starting at 1 o'clock.

What's New in the New Chevrolet Six

When you read what's new in the new Chevrolet Six, you, too, will agree it's the Great American Value for 1932: Syncro-Mesh and Free Wheeling combined for the first time in a low-priced car! Engine and chassis improvements that raise performance to new heights of power, speed and smoothness! The

finest Fisher bodies Chevrolet has ever introduced. And the same qualities of reliability and economy that have won the approval of millions of Chevrolet owners. All these you will find in the new Chevrolet Six at one of the lowest prices in the market! That's why the new Chevrolet Six is called the Great American Value for 1932.

Syncro-Mesh Transmission
This well-known feature of high-priced cars brings new handling ease and car control to the low-price field. Syncro-Mesh permits you to shift gears with marvelous quickness, quietness and ease. As a safety factor, it is especially valuable. For it enables you to shift rapidly from high back into second, any time you want to use the engine as a brake.
