Ord High School Students Sweep District Music Contest

15 Superior, Five Excellent Ratings, Give Event to Ord

Unofficial Point Total Is 87, Closest Competitor Had 59; National Contest Next.

Winning fifteen superior ratings in twenty events and scoring 87 out of a possible 94 points, Ord high school music students taught by Professor Dean S. Duncan swept the District 7 music contest held at Fullerton Friday and Saturday. It was the most successful showing Ord ever has made in a music contest.

Closest to Ord in the final standings was Central City with 59 points, then came Fullerton with 55 and Abilon with 55. Thirty schools entered musicians in the contest.

Eight Ord soloists, three small groups and four large groups won the superior ratings, highest given. All Ord contestants who did not win superior were adjudged excellent, the second highest rating.

Judges included Prof. Oscar Bennett, of Wesleyan University, Prof. Harold E. Cerney, of Kearney Normal, and Prof. William Pfeiffer, of Hastings college.

Ord soloists who won superior ratings included:

- Eugene Puncocchar, clarinet.
- Angeline Wachtler, bassoon.
- Harry James McBeth, oboe.
- Allen Zikmund, trombone.
- Alden Clark, low voice.
- Jerrine Burrows, medium voice.
- Ruth Auble, soprano.
- Marilyn Dale, violin.

Soloists who won the excellent rating included Virginia Sack, high voice; Bette Vogelanz, flute; and Dick Koupal, baritone.

Small groups that won the superior rating were:

- Clarinet quartet—Eugene Puncocchar, Opal Miller, Myrna Auble, Lyle Flagg.
- Brass sextet—Lloyd Sack, Gerald Jirak, Dick Koupal, Virginia Sack, Allen Zikmund, Ruth Auble.
- Woodwind quintet—Bette Vogelanz, Angeline Wachtler, Harry McBeth, Opal Miller, Virginia Sack.

The boys' small group, composed of Dick Koupal, Orville Stoddard, Lloyd Zikmund, Edwin Hitchman, Eugene Puncocchar, Robert Williamson, Lloyd Sack and Allen Zikmund, was adjudged excellent, as was the girls' small group com-

Frederick Amusement Company for Ord Fair

Chris Belers, concession superintendent for the Loup Valley Fair and Auto Races practically closed a deal with the representative of the Frederick Amusement company for them to bring their shows and rides to the fair this year. When the representative left he promised that he would draft the kind of a contract the fair board requested, and would send it up some time this week. The presence of this company this year should practically assure the success of the fair, as it is one of the largest as well as the most popular companies on the road.

Henry Zikmund Files.

Henry Zikmund, present supervisor for the 3rd district, which comprises Michigan and Ord townships and the first ward of Ord city filed last week for reelection. He is a candidate on the democratic ticket.

Two Brooder Houses Burn, Chicks Perish

This is the dangerous season for brooder house fires, two of which have come to the attention of the Quiz.

At the Sam Garrison farm 2 miles southeast of Burwell, a defective stove caused a blaze last Wednesday evening. The Burwell fire department was called and saved the hen house and other buildings but the brooder house was totally destroyed. Of 500 baby chicks in the building, 162 were saved. Damage to the building was covered by insurance.

At the George Gowen farm northeast of North Loup Friday night, 400 chicks were killed when oil leaked from the stove, saturated the board floor and then caught fire. The brooder house also was a total loss.

Only Class B Band to Win Highest Rating at Fullerton

Ord high school's 60-piece uniformed band, pictured above, was the only Class B band to win the superior rating at the district music contest in Fullerton Friday. There were "ohs" and "ahs" of admiration from the audience when this strikingly-garbed organization filed onto the platform and the musical performance given by Director Dean S. Duncan's musicians brought a furor of applause.

Members of the band are Bette Vogelanz, Helen Work, Bobby Klina, Ruth Auble, Mildred Nay, Joy Larsen, Virginia Sack, James Ollis, David Milliken, Lydia Mathausen, Billy Fafetta, Lloyd Sack, Gerald Jirak, Angeline Wachtler, Margie Smith, Bobby McBeth, Maxine Long, Myrtle Auble, Junior Wilson, Lyle Flagg, Gerald Stoddard, Eldon Wachtler, Mary Miller, Lillian Karly, Christina Peterson, Lucille Lewis, Loretta Mae Achen, Lawrence Wolf, Harry McBeth, Irene Auble, Opal Miller, Irene Hansen, Raymond Vogelanz, Carolyn Auble, Wilma Klina, Joy Loft, Dean Misko, Willie Blaha, Harlan Christensen, Edwin Hitchman, Leon Mason, Lavay Umstead, Jerrine Burrows, Vivian Wiegardt, Rodney Rathbun, Vera Severns, Orville Stoddard, Vernon Malolepszy, Don Auble, Arden Clark, Wayne Stewart, Allen Zikmund, Henry Benda, Warren Allen, Ray Dlugosh, Dick Koupal, Eugene Puncocchar, Lloyd Zikmund, Emanuel Smolik and Eldon Mathausen.—Quiz Photo.

Wingfield Reveals \$120,000 Transferred To Finish Project

No. Loup Project Has Funds, Laterals Will Be Advertised for Bids Soon.

Back from Washington, D. C., where he had been for over a month, K. Sewell Wingfield last Thursday announced in Lincoln that he has approved a contract between the North Loup River Public Power and Irrigation district and the Western Public Service company for power transmission facilities, thereby making it possible for the PWA to release immediately \$120,000 for completion of the district's irrigation system. Wingfield is chief project engineer of PWA-financed power in Nebraska.

"Plans and specifications for a complete lateral system in the North Loup valley," said Wingfield, "are almost completed and it will be possible for the district to advertise for bids within the next few days. This means that work will be started in some 30 days after the contract has been signed." E. H. Dunmire, engineer-manager of the district, confirmed Wingfield's announcement and said that work is being rushed on the lateral plans. The \$120,000 transferred last week will complete the North Loup project, both Wingfield and Dunmire agreed.

"Now under contract is construction of turnouts and checks on the main canal of the North Loup project," the Wingfield announcement said. "The canals are completed. Construction of the lateral system will start at the heads of canals and water will be made available to farmers as work moves progressively down the main canals." First laterals to be built, it was said at the irrigation office in Ord, will be on the Ord-North Loup canal. Work of getting right-of-way for laterals is now being done.

Fire Does Damage Estimated at \$2,500

Fire of unknown origin Sunday afternoon did damage estimated at \$2,500 at the Lelloy Frazier home on west M street. The Frazier family was absent on a drive in the country when the fire broke out, apparently in a downstairs closet beneath a flight of stairs. Firemen were on the job in quick time but the fire had a big start. Furniture and draperies in the living room were destroyed and heavy smoke damage was done elsewhere in the house. Most of the damage from fire, smoke and water will be covered by insurance.

Chester Barnes is still in the Veterans' hospital in Portland, Ore., according to word received by A. V. Wiegardt, but hoped to be discharged in a short time.

Fireman's Wife Knows A B C of Fire Fighting

Sunday afternoon while the Ord fire department, including her husband, were busy with the fire at LeRoy Frazier's, Mrs. Archie Bradt discovered an active fire in the alley. A short time before a quantity of rubbish had been burned there by W. Kurt Miller, who evidently thought the fire was all out. When Mrs. Bradt saw the fire it was blazing quite high, and had crept to within a few feet of the corner of the garage. No one else was around, so she hooked up the garden hose to the hydrant and proceeded to do a little fire fighting on her own account. She had the fire out before any one else knew it was burning.

Dr. A. A. Enos Will Give Ord Lecture

"Syphilis" Will Be Topic of Discussion Sponsored by Nebr. Medical Ass'n.

Announcement was made today by Dr. C. J. Miller that Dr. A. A. Enos, one of the representative speakers of the Nebraska State Medical association will be in Ord on April 13 to give a free lecture and that arrangements are now under way for a local meeting which will be held at the high school auditorium at 8 p. m. The title of Dr. Enos' lecture will be "The Venereal Disease Problem." This lecture will be one of a series of lectures now going on over the State of Nebraska by the Nebraska State Medical association in a statewide campaign against syphilis.

In this campaign physicians in the state who are members of the Nebraska State Medical association are giving their time in bringing authentic information to the public regarding this very acute problem. Lectures to the public are going on now in approximately two hundred Nebraska towns in an effort to better inform the people regarding a disease which is controllable, but which requires the close cooperation of the medical profession and the people of the state.

Those who attend this lecture will have the opportunity of hearing one who is an expert in his subject. Following the lecture there will be an opportunity given for those present to ask questions to bring out any other information which they desire regarding this problem.

That syphilis is a problem is attested by the fact that about one half million people are diagnosed yearly in the United States as being syphilitic. Many acquire this disease innocently. In fact it is considered that about half of these half million people acquire the disease each year in an innocent manner. If, then, it is true that two hundred and fifty thousand "nice people" acquire syphilis annually, then it is a problem that should be met squarely and solved.

County Acreage of Depleting Crops Is Revealed as 129,768

State Committee Fixes Limit for Valley County; Corn Acreage Is 92,872.

The Nebraska ACP committee announced late last week distribution of the 15,000,000-acre state soil depleting allotment among the 93 counties, and division of the 6,700,000-acre corn allotment among the 64 commercial corn counties, under the 1938 federal farm act.

The valley county allotment, according to County Agent C. C. Dale, is 129,768 acres for the total soil depleting crop allotment and 92,872 acres for the corn acreage allotment.

Allotments are based on the acreage of crops grown in each county from 1928 until 1937, inclusive, allowing for effect of AAA programs and trends in production during recent years.

Members of the Valley county committee, according to Dale, are well satisfied with the corn acreage allotment of 92,872, which is less than 10 per cent under the average planted during the 10 years period ending in 1933 and approximately the same as the county's acreage in 1935, 1936 and 1937. Some dissatisfaction over the depleting crops acreage allotment is heard, however, as some committeemen feel it should have been larger. There are about 190,000 acres of crop land in Valley county.

About four-fifths, or a trifle less, of Valley county crop land, can be planted to soil depleting crops such as corn, oats, wheat, barley, rye, potatoes, etc., in 1938 if all farmers participate. Rest of the county's crop land must be summer fallowed or planted to soil conserving crops.

County and community committees will require almost a month to divide the Valley county allotment among individual farmers, Agent Dale states, in line with procedure required under the 1938 farm act. It will be about May 1 before allotments for individual farms can be announced, he says.

"We'll promise to have the allotments ready before corn planting time," says Dale on behalf of the county committee.

Gas War Is Still On.

Car drivers who visit Ord are profiting by lower prices on gasoline than are quoted in most Nebraska cities, for the "gas war" is still on in full force. Two or three stations are still maintaining prices that were in effect before the competitive squabble started while others have dropped their prices part way. Lowest prices posted in Ord this morning were 14.5c on competitive grade and 15.5c on the standard grade.

Associated Music Studios to Open

Something new for Ord, the Associated Music Studios with an imposing list of instructors, will be opened in Ord at once under the sponsorship of Auble Bros., it is announced this week. Headlining the instructors is Mrs. Austin, graduate piano teacher, who studied piano under Emil Liebling, who in turn was a student of the famous composer, Liszt. Mrs. Austin studied piano at Northwestern University, taught there several years and taught eight years in the American college in Shanghai, leaving there because of the war.

Other instructors include Miss Jane Plinder, of Grand Island, Mrs. J. W. Severns, Mr. James Aagaard, Miss Ilene Weller and Irwin Underberg. Miss Lucille Engstrom, of Grand Island, will conduct classes in dancing in connection with the music studio.

Albert Peterson New Candidate For Sheriff

Tuesday afternoon another man threw his hat into the political ring when Albert Peterson of Mira Valley made his filing for the office of sheriff. Mr. Peterson is a well known and popular farmer, and would make a good official if elected. He is running on the republican ticket.

His Honor, Mayor-Elect M. Burt Cummins

Mr. Cummins, who operates the Ord Livestock Market, has been an Ord resident only about 1 1/2 years but already has won the confidence of citizens as proved by his election as mayor Tuesday by a majority of 89 over Gould B. Flagg. Common sense policies and economy in all phases of city administration will characterize his regime as mayor, Mr. Cummins promises.—Quiz Photo.

Ord Woman Observes Her 100th Birthday

Mrs. Marie Kubica, oldest woman in Valley county, quietly celebrated her 100th birthday on March 25 at the home of Mrs. Frank Sevenker, Jr., a relative, who is taking care of her.

About a year ago Mrs. Kubica fractured a leg and the bone knitted quite well. Subject to spells of dizziness, she spends most of her time in bed, however. Her eyesight is still quite good and she reads her Bohemian-language newspaper every week. She has an excellent appetite and her general health is good despite her advanced years, Mrs. Sevenker says.

Ted Augustyn, 19, Passes Suddenly

Blood Poisoning was Cause of Elyria Young Man's Death; Interment Monday.

Hemolytic septicemia, a form of blood poisoning, caused the death at the Cram hospital in Burwell at 11:20 a. m. Friday, April 1 of Theodore J. Augustyn, 19-year-old son of Mr. and Mrs. Frank Augustyn of Elyria. Employed on the Ign. Pokraka farm near North Loup, young Augustyn was taken ill only two days before his death. The disease resulted from a sinus infection, it is thought.

Theodore Augustyn was born and reared in the Elyria community and lived at home until two years ago when he began working on farms near his home.

He was a devoted member of the Catholic faith and active in work of his local parish. He is mourned by his parents, six brothers, Emanuel, Ernest, Carl, Roman, Eugene and Sylvester, and by two sisters, Regina and Bernadine; also by two grandmothers. An infant brother, Chester preceded him in death.

Funeral services were held Monday morning at the St. Mary's Catholic church in Elyria with Rev. C. Czumski officiating and burial was in the Elyria cemetery. For two days the body rested in state at the Frazier chapel in Ord, being removed to the home Sunday afternoon. Many friends paid their last respects to him at the residence.

Pallbearers at the interment rites Monday were Floyd Augustyn, Edmund Augustyn, Henry Kuske, Leonard Sobon, Emanuel Kapustka and Ralph Dubas.

900 Ord Citizens Balloted Tuesday; Jewett Reelected

Largest Vote in Decade Cast Yesterday; Guy Burrows Defeated by 3 Votes.

Nine hundred and eleven voters, largest number to ballot at a city election here in the past twenty years, went to the polls Tuesday and elected M. B. Cummins as mayor by a majority of 89 over Gould B. Flagg, who for the past four years has headed the city administration. The size of the vote was the biggest surprise as often only 200 to 300 votes are cast and last year, with a controversial swimming pool proposal on the ballot, less than 400 voters went to the polls.

Total vote for ummins was 500, with Flagg getting 411. Every ward gave a majority to Cummins but his greatest strength was in the second ward, where he picked up 50 votes on Flagg. By wards the vote for mayor was: 1st ward—Cummins 166, Flagg 157; 2nd ward—Cummins 180, Flagg 130; 3rd ward—Cummins 154, Flagg 124.

Rex Jewett, candidate for reelection as city clerk, encountered no difficulty in beating his opponent, Lynn Beghly. Jewett was given a total of 611 votes while Beghly's total was 294. By wards the vote was: 1st ward—Jewett 210, Beghly 112; 2nd ward—Jewett 200, Beghly 104; 3rd ward—Jewett 201, Beghly 78.

Biggest upset of the election was in the race for second ward councilman where J. L. Dvorak, petition candidate, got a total of 158 votes to 155 cast for his opponent, Guy Burrows, present incumbent, who was endorsed by both the Citizens and Good Government parties for reelection. So close was the vote in this race that final result will remain in doubt until April 26 when the vote is canvassed officially by the city council and "by mail" votes are opened and counted. There are four "by mail" votes to be counted and these alone might change the result.

Other city councilmen were elected without opposition. M. Biemond getting the vote of both Citizens and Good Government party members in the first ward and Joe Rohla, present councilman, being the choice of all third ward voters. James B. Ollis, city treasurer, also was reelected without opposition.

In the school board race Ralph W. Norman, for reelection, polled the highest vote, 524, and William Sack, with 427 was the second member chosen. The third candidate, Fred W. Coe, received 357 votes. By wards the vote was: 1st ward—Norman 137, Sack 179, Coe 145; 2nd ward—Norman 233, Sack 153, Coe 131; 3rd ward—Norman 144, Sack 95, Coe 81.

W. E. Lincoln was reelected to the park board by a big margin over his opponent, Dr. G. W. Taylor. The totals were 592 for Lincoln and 271 for Taylor, divided by wards as follows: 1st ward—Taylor 110, Lincoln 106; 2nd ward—Taylor 95, Lincoln 132; 3rd ward—Taylor 66, Lincoln 204.

Sleet Storm Impedes All Communications

Long distance telephone lines were down this morning, local telephone service was impeded and telegraph service was halting and uncertain as result of an ice and sleet storm which began Tuesday evening and continues today.

The storm began with light rain Tuesday afternoon but as the temperature dropped the rain changed to sleet, which formed on telephone and telegraph lines and made highway travel dangerous.

Some snow is falling today and radio forecasts indicate more snow for Thursday. Freezing temperatures will be the rule for at least the next 24 hours here.

Though spring is officially here, the present storm shows that Old Man Winter still has a few strong kicks left in his system.

CCC Quota Is Five.

Valley county's CCC enrollment quota for April is five, according to Relief Director Frank Kruml. Only three applicants have signified their willingness to go at this time. Mr. Kruml is anxious to fill the quota, as the number will be made up elsewhere if there is a shortage in Valley county. The boys will be taken to camp Friday, and there is still time to get your name on the list, if you act at once.

—H. R. Packer returned to Ord from Chicago Sunday evening, bringing with him his son Allen, 17, who had gone to Chicago last Tuesday.

Fred Cahill Given Choice of 3 Prized Uni Fellowships

To Fred Cahill, Ord young man who is a graduate student at University of Nebraska, came word this week that he has been awarded the Cowles Fellowship in political science by Yale university, and also has been awarded fellowships in political science by Princeton University and by Michigan University. He has not yet decided which he will accept.

The Cowles fellowship carries with it a cash award of \$615, the Michigan fellowship \$550 and the Princeton \$400 and fees. Each is good for one year.

At present young Cahill is attending school on a scholarship won last year when he was a Uni. of Nebr. senior. He is in line for Phi Beta Kappa honors this year also. He is studying for a master's degree which he expects to secure this spring after only one year's study. Usually two year's study are required to earn this degree.

He is a son of Mr. and Mrs. P. V. Cahill of Ord and was at home for spring vacation last week.

Mr. and Mrs. Clarence Starr went to Omaha Sunday where Mr. Starr will attend to business matters and Mrs. Starr consult a doctor in regard to her health. They will return this week, Tuesday.

Officials of the Middle Loup power and irrigation district announced a few days ago they will call for bids to be opened April 22 for turnouts, checks and a few laterals so that water may be run down the main canal by about August 1. Officials are hopeful work can start by May 1 and that the contract probably would be awarded five days after the bids are opened. Water will be available to farmers along the canal as rapidly as turnouts are installed progressively down the canal from the river intake.

Mrs. Laura Hansen of St. Paul, came on the bus Wednesday and visited Mrs. A. L. Christensen until Monday when she returned to her home.

The Methodist Ladies Aid, with 23 leaders, gave a "mystery party" Friday afternoon. Each leader invited two guests who were taken to the home of Mrs. Chas. Weddel. Each guest drew a number and from a table neat packages were placed where the corresponding number gave them a gift. The guests were all blindfolded and escorted around corners and zigzag to the home of Mrs. Hawthorne where a chorus of six girls cleverly dressed, sang many lively airs of welcome. The girls were Neva Hawthorne at the piano, Donna Pies, Josephine Lutz, Genevieve Aufrecht, Mary Zentz and Marjory Trefren. Packages tied in pink and green napkins were on a table for each person, and then with the leaders were taken on a march to the home of Mrs. Tarca and welcomed by the girls singing chorus, and given a package. Again the final trip around, took the crowd to the Methodist church parlor, where two long tables were ready to seat the 80 to a lovely lunch. The packages were unwrapped, jokes were handed out and read, Mrs. McCaig and others being the main entertainers during the lunch. A charge of 25 cents paid for the lunch, and was to go toward paying the debt on the Methodist church. A most enjoyable time was the remark of all attending.

The Senior class play, "Dummy", a three-act mystery comedy, by Ross Farquhar will be given April 29 in the high school auditorium. —Mr. and Mrs. Ross Lakin, accompanied by Mrs. A. A. Wiegardt drove down to Grand Island Monday afternoon, where the ladies did some shopping. In the evening Mr. Lakin attended a United Motors meeting. They returned home following the meeting.

Biamond Opening New Loup City Theatre

After being closed a month for remodeling and redecorating, the new Liberty theatre at Loup City, owned by M. Biamond of Ord, was reopened Friday, the feature attraction being "The Big Broadcast of 1938." Sal Slominski is local manager of the theatre, which is said to be one of the finest in central Nebraska since it was remodeled. The Sherman County Times devoted a special section of its last week's issue to the new theatre.

Softball Meeting Thursday. Softball enthusiasts of Ord will hold their first meeting of the season Thursday night at 8:00 at Syl's Sign Shop. Organization of a league will be discussed, officers elected and plans made for the coming season. Every boy and man interested in playing softball is invited to attend the meeting.

Beulah McGinnis Injured

Dr. and Mrs. J. W. McGinnis received word recently of the injury two weeks ago Friday of their daughter, Beulah, in a car-train accident near Dayton, O. The car in which she was riding stopped at a railroad crossing for a train coming from the right. As soon as the train passed they drove upon the tracks and were hit by a train coming from the left. The back end of the car was demolished, and Miss McGinnis was badly cut by flying glass. It was found necessary to take five stitches in a gash cut in her forehead. The other members of the party were practically uninjured.

Syl Furtak Appointed

Syl Furtak received word Friday that he had been appointed a member of the state board of directors of the Nebraska Table Tennis association. The headquarters of the organization is in Omaha, and Syl's job is to look after the out-state membership. He has been interested in various sports, table tennis especially, which accounts for his appointment to this position.

Fishing Season Opens

Friday the fishing season for 1938 opened officially, but very few Ord Izaak Waltons have had a try at it yet, as the weather so far has been too cold for fishing. Theron Beehrle was out for suckers and carp Sunday but did not have any success. It is time now for catfish to start biting, but the water is too cold, and good catches will probably not be reported for two or three weeks.

QUIZ VISITS RURAL SCHOOLS

District 47, taught by Miss Lois Bremer, is sometimes called the Sunset Hill school. Before the last term of school opened the exterior of the school was painted and the interior painted, so students have been attending in pleasant surroundings this year. A new set of maps was bought for this term of school also. A school paper known as the Hilltop Index is published.

Students present at Dist. 47 school on the day the Quiz photographer visited were: Front row, left to right—Stephen Sok, Retha Ackles, Mary Lou Ackles, Janette Kosmicki, Jack Burrows, Shirley Ackles, Lois Ackles, Bernice Dymik. Back row—Edward Waggoner, Albert Sample, Paul Pilakowski, Dominic Plakowski, Raymond Sample, Donald Ackles, Henry Sok and Miss Bremer.

Battling with guns that shoot rubber bands are waged almost daily between boys at Dist. 47 school. Such a battle is shown in progress below.

District 27 school is taught by Miss Alberta Russell. This is the Glendale school, located 3 miles northeast of Arcadia. Pupils are, back row, left to right—Valeria Setlik, Betty Walkemeyer, Wayne Hoon, Darrel Drake, Ray Dobson. Front row—Dorothy Hoon, Viola Holmes, Lea Holmes, Norris Jones, Robert Coats, Neal Walkemeyer and Donald Coats.

—Rubber sponges for cleaning wall paper—also the regular wall paper cleaner. Stoltz Variety Store. 2-11

—Dorothy Auble spent most of the spring vacation week on tour with the Hastings singers, but arrived home Saturday. Sunday Mr. and Mrs. Glen Auble took her and Arthur back to their school work at Hastings college.

—Mrs. Robert Nay returned from her winter in California Friday morning. She reports that Mr. and Mrs. Lloyd Timmerman, who are now living in California, are the parents of a baby boy born March 26.

—Wait and see the fine display of Furniture and Floor Covering that Frazier's will have on display soon. This carload will be priced right. Wait for our announcement. Frazier's Furniture Store. 1-21

—John Tully of Palmer, Alaska, arrived last week and is spending the time getting acquainted with his old friends here and looking after business matters. He has not changed greatly since he left here 26 years ago, and many of the old timers knew him at once. He went first to Didsbury, Canada, where he remained for several years, then moving to California. When times began to get strenuous in 1924 he decided to have a try at life in Alaska, and has been there ever since. He likes living there, and believes that opportunities are better there than in the United States.

—Dr. and Mrs. Leo Nay and Barbara and Mr. and Mrs. Jerry Petska made a business trip to Red Cloud Sunday. While there they had an opportunity to look over the Republican river valley, the marks of the flood being still to be seen in many places. They saw a number of buildings still where the floods had washed them to, the owners giving up all hope of rebuilding them. They noted that the land is much drier there than here, and in consequence what crops they have are not showing up as well as they do here. They said Valley county looked good to them when they got back.

—Arthur Mensing shipped a car of cattle to Omaha last week, and reports hitting only a fair market.

—William Dohnal of Co. 755 of Pawnee City, was home and spent a few days over the week end with relatives.

—Following the advice of her physician, Dr. C. W. Weckes, Miss Alta Stewart went to Denver last Wednesday to consult a specialist in regard to her health.

—Mr. and Mrs. Frank Andersen came up from Lincoln early Sunday morning to visit his mother, Mrs. Hans Andersen, and other relatives. They returned to Lincoln Sunday evening.

—Leonard and Raymond Cronk, Harold Sack and Floyd Beranek made up a party of Nebraska University students who came home for the spring holidays last week. They returned to Lincoln Sunday. Harold and Ruth Benn came up Thursday evening, and returned to Lincoln Tuesday afternoon.

—Mrs. Riley Chitwood, who has been visiting her mother, Mrs. William Carlton, for the past week, left on the morning bus Monday for Lebanon, Mo., where she and her husband have bought a farm, and where they expect to make their home in the future.

—Three Ord young men, John and Clyde Paddock and Marvin Fox, were discharged from Camp Custer, S. D., at the expiration of their term of enlistment April 1, and are now at home. They like the life in camp except in winter, but they say that the cold weather there is much more severe than it is here.

—Mr. and Mrs. Axel Lindhartzen were over from Ericson Friday. Axel lives northwest of Ericson, and is of the opinion that the time is ripe for a graded highway up the grade to the northwest of Ericson. He says this road is the natural outlet for the upper Cedar valley, and would be used a great deal if it were finished.

—A carload of the latest in Furniture and Floor Covering will arrive soon. Watch for an announcement on its arrival and come in and view the marvelous bargains in the latest merchandise. Frazier's Furniture Store. 1-21

—Mr. and Mrs. Jud Tedro have received word from their son Roland, who lives at Long Beach, and near where the bridge collapsed. He was near the bridge at the time it went down. A friend of his had ventured upon the bridge, and was carried out to sea by the flood, where he was picked up some time later clinging to a pole, and not much the worse for his terrifying experience. With most of those who fell into the flood it was a different story, most of them being drowned, and many of the bodies have not yet been recovered.

—Mr. and Mrs. Ign. Pokraka received a call Thursday evening telling them that Mr. Pokraka's father, James Pokraka sr., of Denver was ill. They left immediately for Denver. Mr. Pokraka was taken ill Thursday morning with double pneumonia and pleurisy. He had been under an oxygen tent since three o'clock in the afternoon.

IT HAPPENED IN ORD.
A certain man runs around town occasionally with a 50 gallon barrel sitting on his front bumper. A stranger in Ord the other day asked a business man what the barrel was for and received the following reply: "That's his auxiliary gas tank. That bird lives so far out in the country that it takes 40 gallons of gas to make the round trip."
On "Pal Night" at the Ord Theater two fellows were matching to see who would pay for the ticket. Said one, "I'll just watch you to see whether you take me or pay your own way in." "O. K.", said the other fellow, not getting the idea that he couldn't win, no matter which way it came out.

THE PRICE OF PEACE.

In the midst of turmoil and distress the world longs for peace. No nations desire peace more than those who are at war, for they know the hell that war means to the human race.

More than eighteen hundred years ago the prince of Peace came to a war weary world, and his followers hoped that there would be no more wars.

The issue of peace or strife is with the individual, and so long as individuals of influence incline toward war, we will have wars. Wars are not an outgrowth of necessity.

Because of his fiery nature, Patrick Henry will always be revered as one of the heroes of Revolutionary times, but it was the presence in the Colonies of men of his type that made all the peace efforts of the leaders of no avail.

No doubt Patrick Henry was right. Possibly the end justified the means. But the fact remains that we peace loving Americans hold up as patriots and heroes only those who have been leaders in time of war.

Unknowningly, perhaps, the Swiss long ago adopted as their slogan the motto of the Boy Scouts, "Be Prepared." They have ever been prepared for trouble, should some other nation start it.

Very few nations or persons have gotten into trouble by staying at home and attending strictly to their own business.

To be able to differentiate between what is your business and what is not is a most admirable trait of character, in nations as well as in individuals.

All cities have a well organized fire department, men well trained to fight fire with costly equipment. We do not keep these men organized and this equipment on hand because anyone desires a fire.

That World-Herald price of 11 weeks for \$1 is still good; or you can buy it a year for \$5; 6 months for \$2.50; or daily and Sunday 14

cause there have been few law violations, we would hold indignation meetings and protest such action. We are well aware that police protection is the only method of keeping down crime.

In the final analysis, peace is a state of mind, and is incompatible with fear. The man who truly loves peace is a bold man.

We thought we were right, we thought the world was made safe for Democracy, but time has proved we were wrong.

My Own Column By H. D. Leggett

The little story that John Ward wrote last week about the three Blair women who ate up the three prize muffins which a little Blair girl had baked for a contest, and which never got entered in the contest because they got entered in the ladies first, reminds me of a very tragic thing that happened many years ago.

And now President Roosevelt is going to have his man Friday, (Jesse Jones) turn loose one and a half billion dollars in the hope that business will be stimulated.

It is going to be six or seven weeks yet before I can get my fish line in the Cullen lakes and that seems like a long time.

Even granting that President Roosevelt, if given the added power which the new reorganization bill would give him, would not become a dictator, some other man might be elected president who would.

As a matter of fact I don't see why he wants the power of a dictator if he does not want to become one in fact.

Rumors are coming along to the effect that the big radio advertisers are not getting the results that they used to get and I can well believe it.

Even granting that President Roosevelt, if given the added power which the new reorganization bill would give him, would not become a dictator, some other man might be elected president who would.

As a matter of fact I don't see why he wants the power of a dictator if he does not want to become one in fact.

A FEW THINGS TO THINK ABOUT! Written by GEORGE GOWEN

When Religion Pays. The question was asked by a stranger at the elevator where he might find Jim Coleman. The reply was that no one knew but if he wanted to find him real badly, to just start up main street at something like fifty miles an hour.

Two traveling men went storming out of town the other day but Jim caught them. They both admitted they had gone too fast and were very sorry.

Short Shavings. I heard a couple merchants talking the other day. Art Hutchins and Dick Breithauer, and they agreed that they sold four pounds of oleo to one pound of butter.

Something Different. This sounds like one of George Gowen's stories. Sunday morning I delivered Billy Mann of Lincoln, twelve year old son of George Russell Mann once of Ord, to Sunday school.

Must Be Popular. This week, at Burwell, on Thursday, the Loup Valley Federation of Ladies clubs met. Ladies from many towns North Loup, Loup City, Scotia, Burwell, and others.

As a matter of fact I don't see why he wants the power of a dictator if he does not want to become one in fact.

If You Must Speed, Don't Cuss Too Free Groceries Unanimous Choice

election until after the meeting. At the time of the balloting she was in the basement doing dishes. It happened several other ladies were elected but in each instance the winning candidate refused to act.

Jim pointed out the road and told him they'd be mighty happy if he didn't. One Ord fellow was doing a little business here and near town.

Jim said to him, "Do they let you drive up to Ord this way?" and the man admitted they didn't.

Jim says, although he has really arrested and fined a very few, this campaign has slowed down the traffic to a more human pace.

One flower that we could make into an Ord flower with very little time, trouble, or money, is the iris. Or that is the way it seems to me.

Irish grow easily here, and are almost indestructible. Even if

half the dirt blows off the roots, they will still grow. And they multiply so rapidly, the plants could be divided every other year, and thus we could all share with our neighbors with very little expense but considerable increase in the beauty of the city.

WASHINGTON LETTER BY SPECIAL CORRESPONDENT

Partisan Smoke Clouds Obscure Issues In Reorganization Bill

WASHINGTON.—The average citizen trying to get an intelligent understanding of what the reorganization bill is all about will have a hard time piercing the thick clouds of contradictions and partisan arguments.

As the bill approached voting-time in the Senate, a barrage of telegrams descended upon the solons, demanding that the bill be defeated. But Roosevelt in a press conference bitterly denounced the wave of wires as an effort of "organized opposition" to "purchase" the Senate.

TRUE it was, however, that large non-partisan groups did fight the reorganization bill. True it was, also, that the bill passed the Senate only after the administration had whipped its followers into line by applying the lobbying methods which the "ins" always have at their command.

The Senate victory succeeded in reviving a prestige which the administration sadly needed. It was the first bitter major congressional battle in which it tasted victory since the 1936 congressional elections.

There seems to be little question that if the machinery of government is to be overhauled so as to pare expenses, increase efficiency and reduce duplication, Congress will have to delegate authority to the Chief Executive. The question is how much authority.

Many contend that the bill's provision allowing the President to transfer, regroup, consolidate and abolish administrative agencies, with a few specific exceptions, gives the President too much power to defeat the will of Congress.

Those who are really sick about the Murder of Beautiful Old-Time Vienna are those who know it, I imagine. Dr. Barta, who studied in "Wien," probably Mrs. C. J. Mortensen, and I fancy Mrs. Charles Bals. There may be some other Valley county people who come from there, or have often visited the city of waiters, operas, the old-time haunts of princes, officers, medals, beer-gardens, promenades, spics, and what have you read of Vienna?

Once a city with a beautiful, spicy personality, now it is to be a squelched, subdued place where the citizens are afraid to confide treasurable thoughts even within their own families, a city regimented to death. A city drab, with no fun left in it.

THE shadow of the cross already has begun to fall across the path of Jesus in the lesson for this week. As we observe Him and listen to His conversation with the disciples, we see that they were not yet ready to understand that His divine mission would bring Him grief and suffering.

Jesus had sent His disciples forth preaching in the villages, and now as He was journeying with them, He asked them what the people were saying about Him. We may be sure that Jesus did not ask the question simply because He wanted to know the popular gossip concerning Himself.

WHEN they reported that some thought that He was a great prophet returned to earth, either the recently-martyred John the Baptist, or the great prophet, Elijah, Jesus challenged the disciples very strongly. He said, "Who say ye that I am?" Peter, always very ready, answered, "Thou art the Christ."

For some reason, Jesus told them that they should not tell others of this. Perhaps He felt that the time had not yet come for such a plain message concerning Himself. Perhaps He felt that the people could only misunderstand and be disappointed, because He suggested that the Messiah's role might not be that of fame and glory, but rather that of service through suffering.

This would seem so from the record, for we are told that Jesus began to teach them that He must suffer many things, be rejected by the elders, chief priests, and scribes, be killed, and after three days rise again—just as it all happened in the days of

Legion Agrees Sponsor Air Mail Celebration

National Air Week, commemorating the 20th anniversary of the beginning of air mail service, is to be celebrated May 15 to 21, and plans for a proper celebration at Ord are developing rapidly. This anniversary celebration is being sponsored jointly by the Postoffice Department and the National American Legion, and for this reason is being sponsored by Fidelity Post No. 38, American Legion, of Ord.

As postmaster of Ord Alfred L. Hill is taking a leading part in making the necessary arrangements, and has appointed committees representing the various civic and fraternal organizations of Ord. At their meeting Tuesday evening the Legion took responsibility for sponsoring the Ord celebration, and a committee of five, composed of Tom Springer, A. A. Wiegardt, C. J. Mortensen, Alfred L. Hill and Cash Rathbun, was appointed to take charge.

Plans call for the purchase of a supply of air mail envelopes, which are to have the cachet printed on them, and they will be sold with a suitable insert and the air mail stamp for ten cents each. These will be placed on sale at various places in Ord and probably in nearby towns, and will be held until May 19, the day the airmail is to be sent from Ord, when they will all be mailed.

As stated last week, Miss Evelyn Sharp is to have the honor of flying Ord's first air mail, and her picture is to appear either on the cachet or the insert, according to present plans. Indications are that May 19 will be one of the biggest days in the history of Ord, and it should be as history will be in the making. All who have friends and relatives living elsewhere should plan to send them one of those special letters.

3 Boys Have Leads in Senior Class Play

The cast for the senior class play "The Black Flamingo", has been chosen. The "Black Flamingo" is a mystery play which centers about the French Revolution. Leading parts are taken by Robert Williamson, Ernest James and Harry Zulkoski. Other members of the cast are Jane Ferguson, Virginia Sack, Arden Clark, Don Tunnell, Simon Danczak, Dale Hughes, Frances Duemey, Jerrine Burrows, Lloyd Sack, Vernon Malolepszy, Edgar Barnes, LeRoy Zikmund, Eldon Turner, Gerald Jones, Everett Williams, Lillian Karty, Charles Cetak and Bernice Zulkoski.

The production staff for the play is: Student director, Valasta Vodchnal; business manager, Virginia Davis; business committee, Ruth Auble, Kendall Wiegardt and Jean Ferguson; artist and musician, Opal Miller; electrician, Gerald Jones, stage manager, Robert Miller, stage committee, Clay Nelson and Willis Plate; costume chairman, Donzella White; costume committee, Eleanor Iwanski, Gertrude Seminski, Florence Vergin and Kristina Kominek; makeup artist, Lydia Blaha; properties, Eldon Turner, Vernon Malolepszy and Lonnie Nelson. Director of the play is Miss Ellen Servine, teacher of dramatics in Ord high school. Miss Barbara Hansen is the senior class sponsor.

Light Vote Was Cast at No. Loup Election

North Loup—(Special)—One hundred and twelve voters expressed their preference for members of the North Loup school board, with the following results: A. C. Hutchins, 80; Paul Jones, 63; Charles Sayre, 43; and Allen Simms, 33. The above was for the three year terms. For the one year term R. H. Knapp was running unopposed.

For village board, 103 cast their votes, with Charles Faudt leading with 71 and Erlo Cox second with 59. Both were elected. Faudt was re-elected, and Cox succeeds Bill Vodchnal, who refused to run again. For police judge Charley Barber received 62 votes to Melvin Cornell's 36.

—Mr. and Mrs. Fred Fisher and family were over from Loup City Sunday visiting his sister, Mrs. A. L. Fisher and husband.

Arcadia Clubs to Have Their Achievement Day

Arcadia—(Special)—Home demonstration project clubs of this vicinity will hold their achievement day program at 8:00 p. m. Wednesday, April 13 at the Methodist church basement. The county chairman, Mrs. Clyde Baker, of Ord, and the group chairman, Mrs. Fred Stone, will be in charge.

The program will commence with community singing of "My Nebraska" with Miss Ockerman as leader and Mrs. Glenn Beerline as pianist, and then the playlet, "What All Housewives Know," will be presented.

Other features will include "Epoch of American Women," with Mrs. Chas. Weddel as reader; songs by the Home Demonstration Chorus; a playlet; a ventriloquist act by Mrs. Thurman Bridges and Mrs. Cliff Carver; a talk, "What Is Ahead for Home Demonstration Clubs," by County Agent C. C. Dale; a wedding gown parade; a speech by Miss Mary Ellen Brown, state extension agent; recognition of community club leaders by Miss Grace Lee, county extension agent.

Lesson demonstrations will be given by the W. K. D. club, the Progressive club, the Cozy Corner club, the Homemakers club, the Yale club, and the Prosperity Seckers club.

There is no admission charge for this program and the public is cordially invited.

Legion May Sponsor Junior Baseball Team

Henry Misko, Jr., Melvin Moore, Lawrence Kusek and Don Severson, met with the American Legion Tuesday night as a committee representing junior baseball enthusiasts, and not only asked the Legion to sponsor a junior baseball club, but outlined a plan for doing so.

The Legionnaires were favorably impressed with the idea, and Commander Tom Springer appointed a committee consisting of A. A. Wiegardt, Jim Gilbert and Cecil Clark to investigate the proposition, with power to act. It is almost certain that Ord will

To the people of the second ward, I wish to thank you for your splendid support during election. There are still some mail votes which are not counted, but regardless of the outcome I thank you.

JOE L. Dworak

have a junior ball team this year. Two obstacles presented themselves in the past when the Legion talked of baseball, one being that the boys themselves did not seem to be much interested in baseball, many of them preferring soft ball. Then in the past it has been difficult to find anyone who could devote time to the management of a club.

This year both these problems are about solved. There is no question of the interest of the boys, as Misko read a list of 22 who are anxious to play, and said almost every boy of the right age is interested. Harry Wolf, who in the past has been interested in soft ball, has told the boys he thinks he can arrange to devote a part of his time to the management of the club.

Soft ball seems to be losing out in public interest, and many have expressed themselves as in favor of baseball this year. A number of towns in this section are organizing junior baseball clubs, so there will be plenty of competition. Grounds on which to play can be found without difficulty, according to the boys, who had done some investigating, and matched games should start by May 1.

Tuesday at Chamber of Commerce Luncheon Tuesday, April 12, the Ord Chamber of Commerce will tender a luncheon to five or six Union Pacific railroad executives, who are visiting central Nebraska that day to inspect the North and Middle Loup irrigation projects. All members of the Chamber are urged to be present to assist in welcoming the Union Pacific men.

Chief speaker at a brief program following the luncheon will be Earle C. Reed, of Omaha, superintendent of agricultural development for the Union Pacific. His topic will be, "Irrigation as a Com-

unity Enterprise," he has informed O. B. Johnson, local agent of the railroad. In charge of arrangements for the luncheon is Tom Springer. Place has not been definitely decided but cards will be mailed to all Chamber members by Alfred Weigardt, secretary. After inspecting the North Loup project in the morning and meeting with the Chamber of Commerce at noon luncheon, the Omaha group will go to Arcadia for an inspection tour over the Middle Loup district. Tuesday evening they will be dinner guests of the Loup City Rotary club.

—In writing to renew her Quiz for another year, Mrs. Dora Lambert Waechter says that they would hate to get along without the old home town paper and that they watch for it each week. She also says they plan on visiting the old home town some time this summer, which will be good news to many friends.

"WHERE BUYER AND SELLER MEET" THE WANT AD PAGE

MINIMUM CHARGE IS 25c
Want Ads cost 1c per word per week with 25c the least total charge per order. If your want ad contains 25 words it will run once for 25c, twice for 50c, etc. If it contains only 10 words it will run 2 weeks for 25c, 3 weeks for 30c, etc. "Blind ads", that is ads without name or phone number, cost double.

YOUR NAME IS IMPORTANT
A want ad with the name of the advertiser will bring much better results than one which fails to give the name. Giving full information also helps, as does a price. Give a phone number if possible. The more you tell the quicker you sell.

Some of the Musicians Who Brought Honor to Ord by Winning in the District Contest
Eight Ord high school students who won superior ratings in solo competition at Fullerton, as well as the brass sextet which without doubt will compete in the national contest, and Director Dean S. Duncan, the man who made Ord's great victory possible, are pictured here. In the upper row, left to right, are shown Miss Ruth Auble, superior winner on the sousaphone; Miss Angeline Wachtrie, who won superior on her bassoon and doubled as accompanist for other soloists; and Miss Barbara Dale, superior violinist. In the middle row, at left, is Miss Jerrine Burrows, whose beautiful voice was rated superior by judges; the brass sextet composed of Lloyd Sack, Allen Zikmund, Virginia Sack, Dick Koupal, Gerald Jirak and Ruth Auble; Harry James McBeth, superior oboe soloist; and Arden Clark, bass soloist who won superior rating. Dean S. Duncan, who directs band and orchestra and coaches all contestants, is shown at bottom, left. Next to him is Eugene Puncocar, superior clarinet soloist, and at right, Allen Zikmund whose trombone solo rated superior in the estimation of judges.—Quiz Photos.

posed of Jerrine Burrows, Virginia Sack, Margie Jean Smith, Angeline Wachtrie, Ruth Auble and Eleanor Wolf. In commenting on Ord's brass sextet, which was rated superior, one of the judges told Professor Duncan that it was the finest high school brass sextet it had ever seen in his privilege to hear. Playing piano accompaniments for soloists and small groups were Angeline Wachtrie, Dick Koupal, Ruth Auble, Eugene Puncocar and Margie Jean Smith, and much of the credit for Ord's fine ranking in these events should go to the pianists. Large Ord groups winning the superior rating were the 60-piece band, the 42-piece orchestra, the 33-voice girls' glee club and the boys' glee club of 32 voices. Every large group entered by the local school was rated superior by the judges.

More than 100 Ord students made the trip to Fullerton, some going Friday and others Saturday. Soloists and the small groups gave their performances Friday, with the larger groups performing on the final day of the contest. Personnel of the larger music groups who attended contest is as follows: Orchestra—Margie Smith, Marilyn Dale, Eleanor Wolfe, Mae Klein, Patricia Frazier, Opal Miller, Simon Danczak, Donadale O'Neill, Irene Auble, Walter Hansen, Amelia Lola, Donnie Auble, Clarice Warford, Dorothy Kokes, Margaret Petska, Wilma Ollis, Bette Vogeltanz, Mary Miller, Eugene Puncocar, Lillian Karty, Myrtle Auble, Joy Larsen, Ray Dlugosh, Angeline Wachtrie, Harry McBeth, Dean Misko, Helen Work, Lloyd Sack, Gerald Jirak, James Ollis, Virginia Sack, LaVay Umstead, Vera Severns, Richard Koupal, Allen Zikmund, Vernon Malolepszy, Ruth Auble, Gerald Stoddard, Christina Petersen, Robert Klima, David Milliken, Jerrine Burrows.

Girls' glee club—Loretta Mae Achen, Myrtle Auble, Ruth Auble, Martina Biemond, Lydia Blaha, Norma Bredthauer, Jerrine Burrows, Evelyn Ciochon, Norma Jeanne Ciochon, Erma Covert, Alice Cronk, Marilyn Dale, Virginia Davis, Claire Dlugosh, Jane Ferguson, Dorothy Ferris, Patricia Frazier, Violet Mae Guggenmos, Verna Mae Hellwege, Sylvia Iwanski, Lillian Karty, Mae Klein, Joy Loft, Betty Meyer, Mildred Mae Moudry, Thelma Nielsen, Evelyn Ollis, Donadale O'Neal, Christina Petersen, Virginia Sack, Gertrude Saminski, Margie Jean Smith, Evelyn Suchanek, Alice Shotoski, Bette Vogeltanz, Angeline Wachtrie, Clarice Warford, Eleanor Wolfe, Bernice Zulkoski, Frances Duemey and Marie Bell.

900 Ord Citizens Balloted Tuesday; Jewett Reelected

(Continued from Page 1.)

John L. Andersen was reelected police judge by a big majority with Charles Sterneck, Irwin Underberg, Joe Puncocar, Dale Norman and several others drawing a scattering written-in vote. The election was quiet and until late in the afternoon it was not generally realized that such a heavy vote was being cast. There was no last-minute rush to the polls as often is the case, nearly all voters visiting the polls before 6:00 p. m. First ward voters cast their ballots at the city hall, second ward voters at the State bank building and 3rd ward voters at the Bohemian hall. There are no counting boards at city elections so it was nearly midnight before results of the vote were known.

Issues of the campaign, that resulted in upset of the present city administration both through defeat of Mayor Flagg and election of Joe Dworak as second ward councilman, have not been clearly defined. Some anti-administration votes no doubt were due to opposition to the city buying a third diesel engine at this time; some were due to opposition to Charles Kingston, appointive street commissioner, Roy Pardus and L. H. Covert, appointive police; and several other factors entered into the voting in rather surprising fashion. A mass meeting at which the mayor-elect, M. B. Cummins may state his policies, and at which

citizens may say what line they want the new administration to follow regarding law enforcement, purchase of another diesel and cooperation with the irrigation project, is being talked of. Such a meeting may be held soon under auspices of the Chamber of Commerce, with other citizens and taxpayers being invited to attend.

County Board Agrees to Help on Line Bridge
The Valley county board of supervisors, in session yesterday, adopted a resolution by John Bremer to help Custer county in the repair of the county line bridge southeast of Constock across the Middle Loup. Supervisors Zikmund, Ball and Barber voted "no," the rest of the board carrying the resolution by a vote of 4 to 3, with Chairman Hansen casting the deciding vote. Another action of interest was the adoption of a resolution by Supervisor J. A. Barber, calling for the appointment of Walter Thorngate as county surveyor, filling the vacancy left by the departure of H. O. Strombom. Mr. Thorngate is a competent surveyor of long experience, and will fill the unexpired term.

Ernie Foster, formerly with the Ord Livestock Market, is moving to Burwell where he will be connected with the Burwell Auction company as head ring man. Foster was well acquainted with the auction game here, and is especially well acquainted with the values of horses. —Quiz Want Ads get results.

High School Music Has Grown in Interest, Excellence, Since Duncan's Arrival in 1932

To one man—Dean S. Duncan—most must of the credit for Ord high school's development along musical lines in recent years be given. The achievements of high school musicians at Fullerton last week shows how greatly this department has progressed both in interest and in excellence since Professor Duncan came here in the fall of 1932. In the spring of 1933, first year of Duncan's leadership, Ord won two superior ratings and four excellent ratings at the district contest, held that year in Kearney. Superiors were won by Elwin Auble, as boy's low voice soloist, and by the boys' glee club of 24 voices, while excellent ratings were given to the orchestra, the girls' glee club, the mixed quartet and a boys' quartet. Later Elwin Auble entered the state music contest and won an excellent rating.

The next year, 1934, Ord entered five divisions of the district contest at Hastings, rating superior in girls' glee club, boys' glee club and orchestra, and excellent in mixed quartet and band. Gothenburg and Loup City finished ahead of Ord in the comparative standings. At Grand Island in 1935, Ord entered 112 musicians in 13 divisions,

but no soloists were entered. The band was judged excellent, as was the orchestra, and the glee clubs were rated as good. No superiors were won. Kearney musicians ran away with the contest. A change in districts found Ord entered in the District 7 contest at Albion in 1936 and 125 students took part. Eight superior and five excellent ratings were won and Ord scored 55 points. Albion with 66 points and Central City with 57 led the contest. In 1937, last spring, the District 7 contest again was held at Albion and again Ord musicians showed vast improvement, coming home with 14 superior rankings and 2 excellent rankings. A total of 101 students took part and all of them won the right to compete in the state contest at Hastings, which they later did with credit to themselves and the school. The 1937 contest was the first won by Ord and this spring Ord dominated the district contest even more thoroughly than last year.

Yes, Ord is definitely in the picture, musically speaking, and parents of students who have become interested in music in recent years are inclined to place a major share of the credit where it belongs—with Prof. Duncan.

Burwell News

Written by REV. W. L. GOODELL

The Wrangler's club sponsored a banquet Wednesday evening in the Burwell high school auditorium and had as their guests 35 students of the high school athletic department, with their coach, Wayne Riggs. One hundred eight plates were served by the home economics department under the supervision of their instructor, Miss Chloe Nelson. Group singing was led by Rev. W. L. Goodell. Judge B. A. Rose gave the address of welcome and Billie Goodell, a member of the senior class gave the response. Clyde Ilgenfritz, chairman of the program, introduced Coach Riggs who introduced the students in the athletic department. At the close of the banquet Ed Weir, assistant coach from the University of Nebraska, presented approximately \$400 feet of film which included high lights of various games played by the University of Nebraska's football team and other leading university teams in the United States.

Mr. and Mrs. Howard Nixon returned to Burwell the last of the week from Kansas City where Mr. Nixon had employment for a short time. They will make their home with his parents, Mr. and Mrs. Harley Nixon and he will work on the field that is being made for the irrigation laterals.

Mr. and Mrs. Will DeHart of Lincoln came Sunday to visit relatives in this vicinity. They were called here by the illness of her brother, Will Saunders who lives near Sargent.

The Cedar Creek Baptist mission located 21 miles north of Burwell on Highway 11 was dedicated Sunday afternoon with Rev. William Park, state mission secretary in charge. A large number of members and friends of the church assembled for Bible school and the morning worship service which was followed by a basket dinner. At 2:45 p. m. the dedication service was opened by a half hour sacred musical program under the direction of Dr. Glen Auble of Ord followed by the prelude, call to worship, invocation, hymn by congregation, scripture reading and offering. Special music, a vocal duet and mixed quartette, was furnished by members of the Chambers Baptist church. M. A. Benton, who has been largely responsible for the construction of the Mission presented the building free of debt. The one-story, stucco structure was built at a cost of about \$1,000. In the response, Rev. Park spoke very highly of the achievements of the local congregation and the splendid leadership of those responsible for

this spiritual enterprise. After the responsive reading of the dedication service, Rev. Arthur P. Sengpiel of Chambers delivered the sermon of dedication. Rev. Sengpiel serves this church every two weeks and began a two weeks pre-Easter meeting Sunday evening, April 3. The Chambers church presented the Mission with a lovely silver communion set.

C. O. Brewer, Burlington engineer, a former resident of Burwell, and who for the past 10 months has been working on the Aurora-Ravenna division, was transferred March 29 back to his former run as engineer on the Aurora-Burwell division.

Miss Grace Hopkins returned Thursday from North Loup where she visited her father, Will Hopkins and her cousin, Mrs. Earl Howell who was ill.

The spring seed show held Saturday in the Burwell school auditorium, was considered a success by the committee, Geo. West, vocational agriculture director, Ralph Douglas, county agent and students of the local F. F. A. Approximately 160 farmers and friends attended and the business men of Burwell assisted the Farmers Bureau and the high school in sponsoring the entire show. Mrs. Geo. West was in charge of the musical program composed of the following numbers: Piano solo, Mrs. Thomas; tap dance, Jean and Jeanette Barryman; vocal duets, Elgie Hald and Mary Ann Frederick; piano solo, Mrs. Lewis Moore; Spanish skit, Dorothy and Virginia Goodell. The special speakers, Elvin Frolicke of the agriculture college of Lincoln and Dean Eckhoff of the federal pest control, were introduced by Mr. Douglas. Mr. Frolicke discussed grain and forage sorghums, pasture practices, artichokes and hybrid corn. He suggested that hybrid corn be tried out on a small scale before planting extensively, in order to compare its yield with proven local varieties. He recommended planting of early Kalo and Sooner Milo for grain crops and Atlas Sorgo for forage crops in this section.

Mr. Eckhoff discussed the grasshopper situation and ways of aiding in its control. He mentioned the dangers of depending on the castor beans as a hopper check because of the possibility of them poisoning stock. Melvin Gideon, president of the high school F. F. A. spoke briefly of the purpose of F. F. A. and of some of its recent accomplishments. Three seed companies were represented by group displays of various types of grains and grasses. They were the Johnson Hardware and Noll Seed Co. of Burwell and the Nebraska Seed Co. Mr. Frolicke acted as official judge of the various seed displays and prizes were awarded to J. G. Bartos, R. R. Nightingale, Emery Tetschner, Chris Brockman, L. A. Butterfield, Albert Gloss, Erwin Rhode, John Pokorney, Orville Wilson, Leslie Chaffin, J. W. Penas, Melvin Gideon, Delvin Conner, Herman Treptow, C. W. Woods, Jerry Freeman, Calvin Key, Jerry Quinn, Chris Hanson, W. B. Johnson, Jr., Alvin Deamont, C. H. Sorenson and L. L. Franssen.

R. J. Grunkemeyer began work of assessing in the Burwell precinct on April 1. John Beynon is working in the City Meat Market during his absence.

William Zike, Frank Bright and Fred Hewitt of Burlington, Ia., who have been visiting in the Geo. Schrier home here left Tuesday evening for Alliance where they plan to find employment.

S. R. Jones and son Joe of Arnold were in Burwell Monday on business.

Bud Hoyt visited relatives in Burwell Monday. He recently returned from Los Angeles, Calif., where he spent the past 6 months.

Mr. and Mrs. Bernard Wonderlich of Lincoln came Saturday for a visit with her parents, Mr. and Mrs. Ebon Moss and to see the new baby sister. Mr. Wonderlich is employed in the state agriculture office and Mrs. Wonderlich in the county agriculture office in Lincoln. They returned home Sunday evening.

Rev. and Mrs. Arthur Embree and daughter Miss Carmen of Rushville visited friends in Burwell Monday on their way to Lincoln to visit their daughter. Rev. Embree taught in the Burwell high school about 20 years ago. Mrs. Embree was formerly Miss Edith Forbes of Burwell. Rev. Embree is pastor of the Methodist church in Rushville.

North Loup

Written by MRS. ETHEL HAMER

Mrs. J. S. Burrows of Ord spent Wednesday in North Loup.

Mrs. Lelia Green came in on the Thursday afternoon motor from Council Bluffs where she has spent the winter with her daughter, Mrs. Hettie Edwards. She expects to stay at home for the summer. Johnny Green remained in Council Bluffs where he hopes to have work.

Mr. and Mrs. Elmer Cox and Mrs. Edith Bartz drove to Pibel Lake Thursday afternoon to watch the draining of the lake but found they were too late as it had been finished the day before.

Mr. and Mrs. Otto Brown of Grand Island were guests of Mr. and Mrs. Asa Clement Friday and Saturday.

An interesting letter from Mrs. Fred Swanson of Wenatchee, Wash., to Mrs. Harold Hoepfner tells that Mr. and Mrs. W. D. Kingsolver and son Orin have recently moved from their filling station a little way out of Wenatchee into the city and are living in the first story of the same house

with Swanson's. Fred works in a drive-in market that is just across the street from their home and meets many former friends. Their daughter, Rosemary, is in the 7B grade and plans to attend university in Seattle when she has finished school in Wenatchee. Mr. and Mrs. Fred Green who live in Cashmere, about twelve miles away recently spent a day with Mrs. Swanson.

Mrs. Hoepfner is still confined to her bed by heart trouble and expects to go soon to the University hospital in Omaha for observation.

Mrs. Ethel Tatlow and little daughter of Cotesfield spent Friday and Saturday with her sisters, Mrs. Nell Manchester and Mrs. Katherine Anderson. Mrs. Tatlow is the twin sister of Esther Hurley and resembles her so much that several people thought Mrs. Hurley had returned.

Some of Elmo Hurley's household goods were crated and shipped to their new home in Parkdale, Ore., Monday.

Mr. and Mrs. Ed Hurley moved to the Wm. Plate farm Friday and will work for Mr. and Mrs. Ivan Canedy.

Nearly all of the road men that were staying in town have gone to the John Bremer and Mrs. Blanche Leonard homes to stay to be nearer their work.

Sample but stopped over at Cheyenne with May Tolen for a few days on the return trip. They also spent a short time with relatives in Denver and Boulder.

Garnet Jackman of Ord and the Sterling Manchester family were Sunday dinner guests of Mr. and Mrs. A. H. Jackman.

Mr. and Mrs. Ign. Pokraka were called to Denver Thursday night by the serious illness of his father. A telephone message from them Sunday night said he was no better and they would not be home for a few days. Mrs. Pokraka's mother, Mrs. Beran is staying at the farm while they are away.

Mrs. Dena Lewis and Mrs. Jennie Davis came up from Lincoln Friday. They returned Monday afternoon. Mrs. Lewis is taking a special course in welfare work at the state university and her mother is keeping house for her.

Space For Sale.
The Alliance Times-Herald speaks for most country newspaper editors in a rebuke to PWA officials for the publicity now flooding into newspaper offices, seeking to show that Nebraska's power projects are 100 per cent OK. Maybe they are—we could be convinced—but advertising space is for sale to the PWA at the same rates we charge Republicans. After all, boys, we can't eat propaganda.—Sidney Telegraph News.

Loup Valley Camera Club Met Monday Eve

The second meeting of the Loup Valley Camera club was held Monday evening in the American Legion hall with twenty persons in attendance. Various details of organization were talked about, including the appointment of George Jensen as chairman of the print committee, he to select another member, and the two to select the third.

Syl Furtak of the constitution and by-laws committee arrived about this time, and at the request of President John L. Andersen proceeded to read the constitution and a part of the by-laws. As this was taking up too much time, it was at length decided to postpone the reading of the remainder until the next meeting.

John L. Ward was then introduced and gave a half hour talk on the various types of photographic lenses, how they work, and their principal differences. He was followed by Lavern Duemney, who explained the general principle of the focal plane shutter, and how it is used in photography.

The first lesson from the Eastman Kodak company will arrive in time to be given the first meeting in May. It was decided to hold a meeting on Monday evening, April 13, at which time the members are to bring such prints as they have at the time, together with the negatives from which they were made, for examination and criticism.

Ord Girl Is Actress

At Lindenwood College St. Charles, Mo.—(Special)—Miss Barbara Ann Dale, of Ord, played the part of the beautiful heroine, "Lucinde", Friday night, April 1, at Lindenwood College, in the Moliere comedy, "The Doctor in Spite of Himself", playing opposite "Leandre", who was impersonated by Miss Corinne Zarth, of Hammond, Ind. Although neither of these two characters had a great deal to do, other than to be "in love", they were by far the most attractive characters in the play. "Lucinde" had feigned an attack which made her deaf and dumb, greatly to the distress of her bustling father, who designed to have her marry a man he had chosen. But by her pardonable duplicity, she gained her point.

This was the annual spring play at Lindenwood, and was directed by Miss Nina Jewel Lemen of the speech and dramatics faculty.

Miss Dale was a guest at a recent dinner given by Miss Betty Barney, of Kearney, Nebr., in the home economics department, as a sample "dinner for six", which Miss Barney had herself prepared and cooked.

—Harry Marshall arrived Monday evening from Ft. Warren, near Cheyenne, Wyo., and will spend a few days visiting Mrs. Marshall and other relatives here.

Two Country Schools Hold Patrons' Days

Two Valley county schools observed Patrons' Day last week. It was an all day affair at Midvale, Dist. No. 15, Thursday. The teacher, Miss Helen Cook, invited parents to attend, and three of the mothers, Mrs. James Janicek, Mrs. James Cook and Mrs. Walter Noll came with the children at 8:30 a. m., and remained all day, bringing their dinners with them.

In the afternoon Rev. J. A. Adams gave a talk, using for his subject the following rhyme: "Without education and wearing fine clothes, is like a gold ring in a guinea pig's nose." Dist. No. 40, Miss Aloha Stewart, teacher, held their Patrons' Day program Friday afternoon, all the children taking part. The children also presented the mothers with Easter baskets they had made and filled with candy.

Saturday Broadcasts

Are Proving Popular
In the absence of the Quiz's regular announcer, Arden Clark, who was busy collecting a superior rating at the music contest with his bass solo, Irwin Underberg served as understudy Saturday and pleased the fans with his careful enunciation. He also added to the interest by singing several solos which were highly appreciated. Following the broadcast, D. W. Tipton, a young man from Sargent, sang a number of fine tenor solos. Miss Eileen Weller played the piano for both singers, and also played several solos.

Mrs. Laura Thorne's RESIDENCE Ord, Nebraska

It Pleases Us to Please You

That's a time-worn slogan but it has never been used more sincerely than we use it. Really, it pleases us to please our customers. Several generations of Ord people have traded at our market, and we are still doing business at the same old stand. The principles that enabled our market to stay in business over 40 years with a constantly growing list of customers are unchanged. Good meat, sold at fair prices, and quick, courteous service, is our never-changing policy.

We invite newcomers to the Ord community to pay us a visit. Introduce yourself when you come in—let's be friends.

When You And I Were Young Maggie

April 5, 1928.
Jack Dempsey Bussell, four year old son of Mr. and Mrs. Ralph Bussell, living four miles west of Ord, died of burns received when he tried to fix a fire in the house while the rest of the family were away, and an older brother was outside.

On Friday, April 13, it was announced that Ord was to be host to an invitational track and field meet. The other schools expected were Dannebrog, St. Paul, Scotia and North Loup.

Mrs. Joseph Marech, for more than half a century a resident of Valley county, passed away at her home near Ord at the age of 75 years.

The county board took no action in regard to the proposed bounty on crows, doubtless feeling that the results in counties that had paid bounties had not justified the expense.

It was rumored that the Burlington was soon to put on a motor instead of the regular train from Palmer to Burwell.

Mrs. Laura O. Provins, one of the early residents of Ord, passed away at the family home in Spokane, Wash., at the age of 80 years.

Keith Lewis, then as now, manager of the Ord J. C. Penney store, went to Kansas City to attend a convention of Penney store managers and other officials there.

A team of five Ord high commercial students, Carlota Davis, Elsie Pecenka, Mildred Krahl, Fern Colliprest, and Olaf Mag-nussen, won second place in a contest at Hastings, against schools with teams of eighteen contestants entered.

A large number of contestants took part in the declamatory contest at North Loup, Robert Gibb, Lois Kildow and Alice Pierce winning first places in their respective divisions.

Jens Nielsen, well known Ord citizen, passed away at his home in Ord April 1, at the age of 79 years.

As a result of the city election W. A. Bartlett was elected mayor, Nelle Wolters clerk, William Heuck city treasurer, W. T. Hanson police judge, W. A. Anderson park board, F. L. Blossing and Wm. Zabloudd school board, all without opposition. For council F. W. Coe won over R. C. Nelson in the first ward, W. H. Moses won over J. A. Brown in the second ward, and E. W. Gruber won over Dr. H. N. Norris in the third ward.

Mr. and Mrs. Fred Hather of VanNuys, Calif., came back to pay the old home town a visit.

Ray Lindsey, who underwent an operation for acute appendicitis, was recovering at his home at Burwell.

The American Legion was still keeping up its "Get Out the Vote" campaign, and was urging everybody to get out to the primary election, which was scheduled for April 10.

(April 4 missing)
The text of the new sedition bill upon which Nebraska lawmakers had finally agreed, was made public.

Mrs. Idah McGlone Gibson, returning from France, told how the Red Cross supplies sent from home were actually delivered to the boys in France, and not wasted enroute, as many claimed.

A lengthy article in the Quiz tells how Engineer Lund was compelling the Henningsen people to come through and bring their work up to specifications.

Earl Barnes, Ord's well known flyer, wrote to tell his folks how he was getting along in the flying game. He liked it fine, he said, and is still at it, which is more than many of them can say.

Arrangements had been made for the 355 Regimental band to visit Ord on April 15. Plans were in charge of H. B. VanDecar.

The Mazac Meat market was gutted by a fire that broke out while the city council was in session. The loss was about \$2,000 and was partly covered by insurance.

Writing from Dr. W. E. Cramer's hospital, Mrs. Florence Chapman, Quiz reporter, stated that she had undergone two severe operations, and would have to remain in bed at least a week longer, after which she hoped to be back on the reporting job soon.

Arthur Dye submitted to an operation on his leg at the hospital at Kirksville, Mo., and expected to be home soon with his leg in a cast.

One of the best known and most useful of Ord's early citizens, W. B. Keown, passed away at his home in Ord. The Keown's came to Ord in the spring of 1874, and homesteaded the land where Elyria now stands. He held a number of public offices with credit.

John Pete Jensen, Howard B. Barnes, John Snawerdt and Chris Peterson, all local carpenters, had signified their intention of offering their services to the government as carpenters for ship building.

Captain A. A. Clements was in a San Francisco hospital, suffering from a diseased kidney. He was there to have the kidney removed, and he afterward died.

An anonymous writer challenged Ora Taylor's walking prowess, to St. Paul, between the hours of 6:00 A. M. and 6:00 P. M. some day, if the people of Ord would raise money enough to make it worth while. He agreed to turn over half the money to the Red Cross and buy war savings stamps with the rest.

The second quota of the second draft had been called, and those whose names were on it were Pat Pardue, George Benn, Jr., Ray Pester, Walter C. Stude, Robert E. Glover, Farles Britton, Everett L. Nelson, John Snawerdt, James E. Webb, Emil R. Fafetta, Jose R. Cundad, and G. B. Parkhurst.

April 2, 1908.
The People's Store, Mammie Siler, proprietor, was holding their regular spring opening, with real values in every department, music by Reed's orchestra, and light refreshments served.

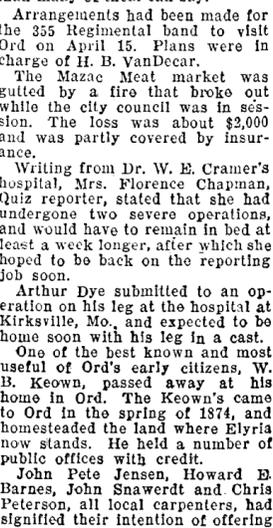

W. A. Anderson, writing from Old Mexico, told of a bull fight he witnessed with all the details of the great story.

Spring was coming right along, with flowers beginning to bloom, and the first pair of turtle doves had made their appearance. While this fine weather was reported in Nebraska, the peach crop in Oklahoma was killed by frost.

Ralph Potter and Miss Grace Stoneberg went to Grand Island, where they were married. For the time being they were making their home at the home of the groom's father, Frank Potter, in Springdale.

Hans M. Hansen of Valley county, and Miss Lizzie Smith of Pittsfield, Illinois, were married by Judge H. Gudmundson.

defeated E. M. Williams for clerk; J. F. Colby defeated J. L. Clafin for treasurer; G. H. McDonough defeated R. L. Staple for police judge; Art Gass defeated C. J. Nelson for city engineer; H. Strong defeated John Luke in the first ward; H. D. Heuck defeated Adam Smith in the second ward; and Joseph Cernik defeated Charles W. Barnes in the third ward.

The village of Arcadia went dry by a vote of 56 to 43, with Al Dur-yea, Dr. Lee, Dud Gonnard, G. H. Kinsey and Ed Donald elected trustees.

The Robbins twins, Otto Heuck and Earl Micklewait started out on a hunting and camping trip, expecting to go a long distance from Ord. They made camp at the mouth of Haskell Creek and did not get any farther away.

M. D. L. Taylor bought a new woven wire fence machine, and was building fence for his neighbors. It was quite a fad in its day.

For the second time in succession John H. Luke was defeated for councilman in the first ward by a single vote.

Although the wrecking of the battleship Maine was some time past, the papers still talked hopefully of a peaceful settlement.

Miss Grace Calhoun, Ord winner, carried off second honors at the declamatory contest at Kearney.

The Ord high school girls were giving a pie supper, the proceeds to go for the benefit of the ball club. In those days athletes had to pay their own expenses.

E. L. Clements started the construction of a blacksmith shop on the corner south of the Yeager and Micklewait lumber yard. (Where Clement Bros. filling station now is.)

Sheep are growing more popular on Nebraska farms. In this locality and throughout the state, farmers are giving more attention to the breeding and raising of sheep. Our state is more certain of a forage crop than a grain crop and sheep are coming in for this reason.

Sheep can top the market with very little grain feed. It takes but a small amount of money to get started in the sheep business. Wool can be sold in the spring and lambs in the fall, thus giving quick returns. The small size of lamb carcasses also makes them a convenient form of fresh meat for family use and for summer butchering. A ewe's fleece usually pays for her keep, so that the money received from lambs is largely clear profit.

The improvement of soil fertility by sheep is of considerable importance. The flock generally rests on the knolls, thus leaving a large portion of the droppings where most needed. Sheep also destroy many weeds. It is estimated that sheep will eat over 90 percent of all weeds, while cattle and horses consume about 50 percent. They are good chewers, and it is not necessary to grind grain for them.

Nebraska has always ranked second in the feeding of sheep and lambs. Such feeding is done largely with by-products from the sugar beet industry. But now the trend is toward the keeping of flocks of breeding ewes.

Farm flocks in this state are kept mostly on a one-year basis. Ewes culled from range flocks because of old age and poor teeth are purchased cheaply in the fall and sold the following spring. During the brief time that they are in the farmer's possession, he gets two marketable products—lambs and wool.

It is cheaper to buy ewes than to raise them. Ewe lambs produce only wool the first year, and they sell for more than old ewes cost. This accounts for the practice of buying ewes one year and selling them the next.

A large selection of new, moderate priced furniture and floor covering will be on display at Frazier's Furniture Store soon. Watch for announcement.

Rosevale News

Mr. Flagg, who was defeated by eighty-nine votes for reelection at the city election Tuesday, will hold office until the end of April, when he will be succeeded by Mr. Cummings. During his four years as mayor Mr. Flagg has been an efficient city officer and many city improvements have been made during his incumbency. The municipal light plant was converted from a steam plant to a more efficient diesel plant, streets have been graded all over the city, some paving installed, water was piped to the park and cemetery, some bonds have been retired, a new fire truck and pumper outfit was bought, to name a few happenings of the past four years. Mr. Flagg will retire with the thanks of a vast majority of citizens for his faithful service.

Agriculture Boys Attend Contest at North Platte

About 350 youths from western Nebraska are expected to meet in North Platte on April 7 and 8 for the twenty-fourth annual high school agricultural contest. The event will be in charge of L. L. Zook, superintendent of the experimental station at North Platte. Most contests will be held on the experimental station grounds.

High school members of the Future Farmers of America will compete in the public speaking contest at North Platte Wednesday evening, April 6. The other contests will get under way Thursday morning, starting with dairy judging. Other events will include woodwork, grain judging, dairy products, and egg show, livestock judging, Babcock milk tests, grain grading, egg grading, crops and soils management, and dairy management. The management contests will be based on ability to answer questions.

Teams from Ord which will participate in the event are: Dairy judging—Everett Williams, Charles Kunklik, and alternate Harvey Kunklik; woodwork—LeRoy Zikmund; grain judging and identification—Richard Fish, Clay Nelson and Robert Miller; poultry judging—Eldon Kokes, Robert Miller and Allan Packer; dairy products—Eldon Kokes, Robert Miller and Clay Nelson; livestock judging—Everett Williams, Charles Cetak and LeRoy Zikmund; crops and soils management—Robert Miller, Eldon Kokes; Babcock tests—Clay Nelson; egg grading—Richard Fish.

Purchase of Engine Held Up Few Days

Council Adjourns Friday Eve Without Buying Diesel but Will Do So Later.

Minor discrepancies in a bid filed by the Atlantic Refining company, of Philadelphia, to sell a 550 k. w. diesel engine to the city of Ord, caused Mayor Flagg and councilmen Friday evening to adjourn without making the purchase but within a week or ten days the council will meet again and buy the engine, it is now planned.

The eastern company, which is dismantling a large refinery at Franklin, Pa., offered the engine to Ord for \$18,500, with certain extra parts offered at from \$250 to \$750 in alternative proposals. Some of the parts the city wants, some it does not, and a flat offer of \$13,700 has been made for the engine and such equipment as the city needs. Light Commissioner Allen feels sure the company will accept the Ord offer.

Since the engine is being bought where it stands, and is to be loaded either by a contractor employed by the city or by city employees sent east for that purpose, it also will be necessary to file a compensation insurance policy guaranteeing the seller against liability for damages in case of injury to one of the men engaged in dismantling and loading this heavy equipment. A bond to protect the seller against damage to its building also must be filed.

City officials here think the engine can be bought, loaded, shipped to Ord and installed at a cost not in excess of \$22,500.

—Mrs. C. J. Miller took a load of contestants to Fullerton Friday, Mrs. George Work going with her also. The ladies drove on to Lincoln for a visit, returning to Ord Sunday.

—The C. D. Wardrop family is again located in Ord. Friday they moved into the Wentworth property on north 16th street formerly occupied by the Everett Pettys.

Postoffice Bond Sale Is \$23,000

With sales totaling \$23,006.25, the Ord postoffice ranked 43rd among the 65 second class postoffices of Nebraska in the total amount of United States savings bonds sold from Sept. 1, 1935 to August 31, 1937. Postmaster A. L. Hill announced yesterday.

Of the total amount of bonds sold here, \$13,856 were sold through the office and \$9,150 were sold through the mail.

Sales during the year ending next Aug. 31 will be much larger than during the past fiscal year. Postmaster Hill believes, as he sold \$20,000 worth of bonds to one family and other sales have been brisk.

Bond sales throughout Nebraska last year totaled \$10,041,887, reveal postoffice department records. The Omaha postoffice led first class offices with sales of over \$2,000,000 and Seward led second class offices with sales of \$192,000.

Some second class offices do not have postal savings departments as the Ord office does, and money which goes into postal savings here goes into savings bonds in such offices, enabling them to make a better showing in bond sales. The Ord office has issued more than \$100,000 in postal savings certificates.

Marjorie Ball In Fatal Car Accident

Mr. and Mrs. Ellsworth Ball have received a letter from their daughter Marjorie, in which she gives the details of a car accident in which a man named Plane was killed. Miss Ball, Miss Opal Garrett, Miss Gladys Richwein and a young man from Beaver City, Nebr., were enroute from Wichita, Kas., to a district council church meeting at Lincoln.

They were traveling about 45 miles per hour when they saw a truck parked beside the road, and a man standing by the open door. They slowed to 15 miles per hour in passing. Just before they reached across the road, looking in their direction. At the last moment and apparently on purpose, he suddenly turned back directly in the way of the car.

The man, whose name they learned was Plane, was terribly injured, and died in about an hour. Miss Garrett, who was driving was held on a technical charge of manslaughter. Church members raised a fund to cover all expenses, and at a hearing held Monday Miss Garrett was cleared and a part of the fine was remitted to her to enable the party to proceed to Lincoln.

They were not only cleared by the jury, but also were absolved from all blame by the relatives of the slain man, who said he had been worried and acting queerly all that day. It seems to be the opinion of all concerned that the act was deliberate on his part.

Starting MASH

Those feeding our Starting Mash are having very good results. There is a very low death loss and the chicks are doing well. You are not buying a lot of high priced advertising and freight when you buy our Starter. Price \$2.50 per bag, free feeder.

LAYING MASH.
Price \$1.75 per bag.

BALED HAY.
We have a few tons of good baled hay.

—Howard Barnes returned Tuesday from the Veterans' hospital in Lincoln, where he had been for 21 days undergoing treatment. He is not well yet by any means, but is feeling much better than when he went down. He said his registration number was 9026, which means that many patients have received treatment there since it was opened.

—Miss Alice Smith, daughter of Gust Smith of this county, has secured a position in Washington, D. C. and writes this week to have her Quiz sent there instead of to Omaha, where she has been doing office work for several years.

The Arvin Dye family spent Sunday at the Will Nelson home.

SEED Potatoes

We have in stock Early Ohios and Cobblers in both large and small sizes.

Prices on seed potatoes are advancing and we believe that it is a good plan to get your seed now.

SEED OATS AND BARLEY.

We still have a good supply of seed oats and barley and at a low price. Ask for price on truckloads of feeding oats, corn or barley delivered to your farm.

SWEET CLOVER AND ALFALFA.

A limited amount of local grown white and yellow blossom sweet clover and alfalfa seed. You can book this seed for future delivery for a small down payment.

SUDAN AND SORGHUMS.

Under the plan of the new Agricultural program there will be a large acreage of Sudan and sorghums and millets planted. Buy your seed now and we think you can save money.

Leonard Kizer made a trip to Ord Sunday to have a foreign substance removed from his eye.

BURWELL

Rev. and Mrs. B. C. Heinze, John Wittsche and Merv Van Pelt left Monday for Lincoln where they are spending the week attending a state convention of Pentecostal churches.

Mr. and Mrs. S. J. W. Brown, Ross Brown and Miss Dorothy Pierce of Lincoln spent the weekend with Mr. and Mrs. Luther Pierce and family.

J. R. VanWagenen, local carpenter, has worked on the average of six hours a day for the past four months constructing a power gasoline launch which he expects to use as a pleasure boat on the lake north of the Burwell dam. It will carry 20 passengers besides the operator. The launch is nearly completed and Mr. VanWagenen expects to have it on the lake by Sunday. All necessary arrangements have been made with the Irrigation Company to land and take passengers. It has been painted with aluminum paint and the name, Miss Burwell, appears on each side of the boat in small black letters. The launch has a 24 foot keel, 6 foot beam and is 4 feet deep. It is equipped with a 40 horse-power, 6 cylinder Pontiac motor. The total weight is approximately 1400 lbs., and has a 16x28 inch sheet steel rudder. Since Mr. VanWagenen lived in Omaha 25 years ago and was around the boats on Carter Lake and Lake Manawa, he has carried the idea that sometime when the opportunity presented itself he would like to make a launch of his own. He expects to make a test run before Sunday if the weather conditions are favorable.

Mrs. John Tiff and baby son who have been in the County Hospital for the past 10 days returned home Monday afternoon. They live northeast of Burwell.

Corporal Jean Lewis, Corporal Everett Greathouse and Privates Herman Greathouse, John Alexander and Corporal Harry Marshall of Fort Warren, Wyo., came Saturday for a few days visit with relatives in and near Burwell. They returned to duties Wednesday.

Mrs. E. Hallock and Mrs. Luther Pierce were guests of Mrs. W. O. Zanger in North Loup Monday afternoon.

The third and last G. A. A. play day of the school year was held in the Burwell high school Tuesday afternoon from 1 o'clock until 4. Approximately 75 G. A. A. girls attended from Taylor, Ord, Scotia and Burwell, with their sponsors

OBITUARY

JOHN HENRY HORNICKEL.

John Henry Hornickel, victim of a tragic farm accident, was born February 23, 1930 and departed from this life, March 20, 1936, aged 8 years and 25 days. He leaves surviving his parents, Mr. and Mrs. Everett Hornickel, his only brother Lores, his grandmother, Mrs. Martha Malotke, and numerous uncles and aunts.

John Henry was a very intelligent child who possessed a happy and unselfish disposition. He usually brought joy and happiness to those with whom he came in contact with his witty remarks and smiling eyes. He was in the second grade at the Happy Hollow school, district No. 57. Not only his parents and relatives but also his schoolmates and friends will mourn his sudden death.

Funeral rites were held at the home of his grandmother, Mrs. Martha Malotke and later at St. John's Lutheran church of Mira Valley with Rev. Bahr officiating. Pall bearers included Donald Dak Vogeler, Dean Fuss, Orel Koelling, Herbert Bredthauer, Eldon Lange and LaVerne Vealeba.

The many beautiful flowers were indicative of the high esteem in which relatives, neighbors and friends held John Henry. Girls assisting with the flowers were Ava Bremer, Lolla Koelling, Viola Koelling and Norma Bredthauer.

Mr. and Mrs. J. L. Abernethy were callers at the Chas. Marshall home Thursday afternoon.

PERSONALS

—Mrs. Bernice Brady and daughter Betty returned Sunday from West Liberty, Ia., where they were called by the serious illness and subsequent death of Mrs. Brady's mother, Mrs. Estella Mead. Mrs. Eddy taught in Mrs. Brady's place while she was away.

—The eight months old daughter of Mr. and Mrs. Harry Petersen is now recovering nicely from the effects of swallowing an open safety pin and the operation which followed at the St. Francis hospital in Grand Island. Mrs. Petersen and the baby are at the home of her parents, Mr. and Mrs. C. E. Mitchell at Ayr, Nebr., but expect to return home Sunday.

—John Pishna writes us this week from Crook, Colo., where he is employed, renewing his Quiz subscription for another year. He says he is enjoying his work, though for a time he was out of work.

—Mrs. O. E. Wesenberg writes to have their Quiz address changed from Omaha to Gretna, Nebr., where her husband has gone into the garage business.

A Directory of Ord 55 Years Ago

Fifty-five years ago Ord was a flourishing village, and the Ord Quiz was preparing to celebrate its first birthday. In the final issue for that first year Mr. Haskell printed a directory of Ord, giving the name, business and location of every person in business in Ord at the time. Partly for the benefit of those who may remember some of the persons in the list, and also for the sake of preserving the data for the future in case this one invaluable copy is destroyed, it is reprinted here.

The following is a directory of Ord, March 29, 1883.

Dam at Burwell and Lake Above It Will Be One of the North Loup Valley's Scenic Marvels

A brisk northwest wind had set whitecaps to rolling Friday when LaVern Duemey, the Quiz photographer, took this interesting group of pictures showing the Burwell dam and the lake that has formed above it. The dam itself is built in the shape of an inverted "L" as the photo at the top shows. Right side of the dam, part of the gates being lowered, diverts water into the Burwell-Sumter canal, the water first going into a concrete settling basin similar to the basin at the Ord dam. If gates on the short end of the "L", at left in above picture, are closed, the entire flow of the river would be diverted into the canal. All these gates never will be closed, however, as the canal can handle only a small part of the volume of water that goes down the river.

The picture at lower left was taken from the east side of the lake and shows part of the earth dike joining the dam to higher ground. At present the lake is about 1-2 mile wide and nearly a mile long but when more of the gates are closed it will be at least 3-4ths of a mile wide and probably 1 1/2 miles long.

At lower right is a picture taken from the west side of the river, below the dam, showing water plunging over the spillway and going down the river.

When checks and turn-outs on the Burwell-Sumter canal are finished, and water is turned into the canal, a dedication ceremony will be held at the dam and it will be named. The Wranglers club will be in charge of the dedication. Name for the dam and the lake above it have not been selected and no doubt the Wranglers would welcome suggestions from people having good names in mind.

Nimrods of central Nebraska believe this lake will become a splendid fishing resort in years to come and also that it will bring improvement in duck hunting all along the North Loup river because it will furnish open water for flocks to alight on when they are hunted too strenuously from river bluffs.

Mons Monson in Ord Sixty Years Saturday

Mons Monson celebrated the completion of his fiftieth year in Ord Saturday, and in honor of the occasion he was invited to Niels Nielsen's home in Ord, where a number of his friends prepared a dinner for him and helped him enjoy the day. Mons arrived in Ord April 2, 1888.

He recalls spending his first night in the old water mill across the river with his cousin, Niels Mosen, and he ate his breakfast the next morning in a dugout in the same locality. The old mill was on its last legs at the time, and that summer the new mill in Ord started putting out flour, which spelled the doom of the old R. F. Milford mill.

North Loup

Written by MRS. ETHEL HAMER

Mr. and Mrs. Dewey Regier spent the week end in Lincoln.

The grade rooms at school have printed a newspaper with all the interesting happenings of the week in it.

The 3rd and 4th grades have Snow-White and the Seven Dwarfs on their table and are making a study of them.

The ag boys have planted 300 trees and expect to have 200 more to plant. They obtained the trees through the Clark-McNary plan at no cost and the boys on whose home they were planted take care of them as an improvement project. They are red cedar and are planted as a windbreak and not for decorative purposes.

It is hoped three of the boys in the ag class will have a sugar beet project for the summer if arrangements can be made. The land has been obtained and will be close in.

The cast for the senior play has been chosen and they are at work on it.

Mr. VanHorn took James Birmingham and LaVerne Hutchins to Fullerton Friday where James played a clarinet solo at the music festival and LaVerne accompanied him on the piano. He was given an excellent rating.

Donald VanHorn came home from Lincoln Friday for spring vacation.

Edwin Schudel drove to Lincoln Tuesday to take his son Harold, Kenneth Koelling, Donald VanHorn, Paula Jones and Louise Hamer back to their work at the university. He took a trailer as far as Aurora and brought back a load of buttermilk.

Erma Campbell is helping her sister, Mrs. Mildred Lenz, who is boarding some of the men who are working on the road.

Richard Jeffries went to Ravenna Friday afternoon after his sister Ethel who had gone from Lincoln to Ravenna where she will teach again next year. She returned to her school work at the university on the Tuesday afternoon bus.

Miss Eda Toline and Miss Ann Ross, teachers at Ravenna, spent the week end as guests of Ethel Jeffries, Ethel and Arthur Jeffries took them back to Ravenna Sunday afternoon.

Mr. and Mrs. Mills Hill and Mr. and Mrs. W. H. Vodehnal and Idonna were Sunday dinner guests in the George Hastings home in Arcadia.

Ign. Pokraka returned Tuesday night from Denver but Mrs. Pokraka remained to help care for his father whose condition is no better.

Miss McClatchey visited North Loup schools Monday morning and presented the awards for the spelling contest before the school in the auditorium. Muriel Hamer received a silver medal and Marlon Maxson two gold ones. The girls will accompany Miss McClatchey and Miss Campbell to Omaha and Council Bluffs April 29 and 30 for the Inter-state and World Herald contests.

A. L. Willoughby, Mrs. Clyde Willoughby and son and Mrs.

cause of poor health and Albert Babcock has been chosen by the board of directors to take his place. Mr. Babcock began his work Thursday morning and Mr. Sayre will assist him until he becomes familiar with the routine. Mr. Sayre has several things pending but is undecided just what he will do. He has sold his interest in the H. & S. store to A. C. Hutchins. Mr. Babcock will continue to operate the Home Town Bakery with the help of Mrs. Babcock and Chas. Barber.

Mrs. Fairchild went to Burwell Monday morning on the bus.

Mr. and Mrs. L. J. Miller and Mrs. Emma Stude were Grand Island visitors Thursday.

Cynthia Haddix came down from Ord Saturday. She has been working in Ord most of the winter.

Mrs. Bartholomew who has been caring for Mrs. Flynn of Ord for some time has returned home.

Mr. and Mrs. Ray Barnhart came up from Omaha Monday for a few days visit with Mr. and Mrs. Elvin Barnhart. Both families were dinner guests Tuesday of Mr. and Mrs. Ernie Weed.

Mrs. Hattie Curtis of Scotia visited her niece, Lola Fuller, Monday night.

A daughter, who has been named Mary Joan was born to Mr. and Mrs. Robert Preston Sunday, April 3. She is the only daughter among four children so is indeed welcome. Mrs. Nellie Wilson is caring for mother and baby.

Miss Erna Kline of Scotia spent Sunday with Lola Fuller.

Mr. and Mrs. Willard O. Trueblood will be at the Friends church Thursday evening for a special meeting. Mr. Trueblood is the five year evangelist of the Friends people and will be accompanied by the pastor of the Friends church at Central City.

The Cloyd Ingerson family were dinner guests Sunday of the Ernie Weed family.

D. S. Bohrer has been suffering for some time with heart trouble and has been much worse the past week, being confined to his bed. Tuesday he was a little better. Mrs. Fred Lundstedt and two children are with Bohrer's this week. Mr. and Mrs. Bohrer are rejoicing over the arrival of a new grandson in the Victor Cook home. He arrived Friday, April 1.

Purchase of Diesel Engines Deferred Until April 26th

Mayor Flagg, Council, Met With Members-Elect Friday Eve to Discuss Situation.

Postponement of purchasing another diesel engine for auxiliary use at Ord's municipal electric plant, at least until April 26 when the new mayor and council take their seats, was the decision of Mayor Gould B. Flagg and city councilmen at an adjourned special meeting Friday evening. Mayor-elect Cummins and Councilmen-elect Diamond and Dworak met with the present council and took part in the discussion.

Opening the meeting, Mayor Flagg said: "To my mind, the most important step confronting our city at the present time is the purchase or non-purchase of an auxiliary engine."

"At our last meeting the council appeared to be unanimously in favor of the purchase of the 6-cylinder Ingersoll-Rand engine, now located at Franklin, Pa. A minor matter had to be ironed out relating to the inclusion of some spare parts at the quoted price of \$18,700. This matter is now settled."

"Not wishing to assume a position not in keeping with policies of the new council, and with only 13 days until they assume office, I would like to have this meeting adjourned until April 26. It has taken much study on the part of this council to arrive at a decision to spend such a sum of money, many angles must be considered in reaching a decision on this question. Therefore, I am asking the new mayor and council to give this matter the attention it deserves. The intervening 13 days will be ample time in which to seek expert opinion and no harm can come from the loss of 2 1/2 weeks in adjournment."

George Allen, light and water commissioner, was asked by Mayor-elect Cummins to explain the light plant situation and why, in his opinion, a third diesel should be purchased at this time, when high-lino service under the city's contract with the North Loup power and irrigation district will be started in a few weeks.

Both of the city's present diesels must be operated daily to handle the peak loads, explained Mr. Allen, and capacity of the two, operating together, is only about 20 percent in excess of the present peak needs. Should either engine break down now, he stated, service would have to be curtailed.

Ord's electric load has been growing steadily all through the past few years of drought and depression, Allen said, and without doubt will grow faster as normal crop conditions return. By next fall, if there is a good crop year so that electric equipment in seed houses and mills goes back into use, the two present engines will not handle the peak loads, even if both are running all the time.

High-line service at best is uncertain, explained Allen, and he cited last week's failure of service.

At Large Since October Clarence Babcock Found

After being at large for more than six months without anyone knowing where he was, Clarence Babcock showed up in North Loup Monday and was picked up by Marshall James Coleman as he stepped up on the front porch of his wife's home. Mr. Babcock was committed to the Hastings hospital for the insane for the second time Jan. 21, 1931, and escaped Oct. 13, 1937. It is not known for certain where he had been from that time until he appeared in North Loup Monday. Marshal Coleman notified Sheriff George Round, who in turn notified the Hastings hospital, which sent up for him that afternoon.

Ferguson Car Wrecked, Two Women Are Hurt

Mrs. A. J. Ferguson was quite seriously hurt and her sister, Mrs. Nina Thompson badly bruised early Sunday morning when the car in which they were riding hit the approach to a bridge between Sargent and Taylor. The ladies were returning home from a dance at Comstock shortly after midnight Saturday when the accident occurred. They took that road because the direct road was not in good condition. The car apparently slipped in the gravel.

The wreck of the car was brought to the Ord Chevrolet garage, where all who have seen it have expressed wonder that the women escaped alive. Mrs. Ferguson was taken first to the Cran hospital in Burwell where she received first aid, including the bandaging of several broken and bruised ribs, after which she was brought to her home, where she is slowly recovering. Mrs. Thompson was badly bruised but not otherwise hurt.

'Trailer Baby' Was Born Here Tuesday

In a little trailer house near the Ord mill Tuesday morning, Mr. and Mrs. Carl Lerdall became the parents of their fifth child, a boy, with Dr. J. N. Round in attendance. So far as is known, this is Ord's first "trailer baby." The Lerdalls have lived in their trailer in Ord for the past year and in the trailer elsewhere for two years. Their other children were born twelve years and more ago, and their eldest son is graduating this year from the agricultural school at Curtis. Mr. Lerdall is an employee of the Assenmacher Construction company.

Mail Vote, Canvass, Cut Dworak's Lead In 2nd Ward to One

Councilman Burrows Got 3 of 4 Mail Votes Cast; Other Results Unchanged.

Unless Councilman Guy Burrows contests the election of his opponent, Joe Dworak, as 2nd ward councilman, and asks the county court to order a recount, Mr. Dworak will be sworn in as a member of the council on April 26. The canvassing board consisting of City Clerk Rex Jewett, Mrs. Bessie Achen and Alvin Jensen finished their job Monday, as the law provides in cases when "by mail" votes are cast. When no mail votes are cast, the city council does the canvassing at its final meeting in April. Twelve mail votes were cast in the city of Ord.

Four mail votes cast in the 2nd ward gave Dworak an increase of 1 and his opponent, Guy Burrows, an increase of 3. This left the result as follows: Dworak, 159; Burrows, 158. Other election results also were unchanged by the mail vote and the canvass.

The canvassing board does not recount votes cast, but only rechecks totals to see that election tellers added the votes correctly. No such mistakes were made in the city election, the canvassing board found.

By petitioning the court for a recount of votes in the 2nd ward by April 25, Councilman Burrows no doubt could get a court order for such a recount. He said this morning that he has not decided whether or not he will do so. Expense of contesting the election of Mr. Dworak would be \$50 or \$60, which must be paid by Mr. Burrows if he files a contest.

This morning Mr. Burrows said that two of the 2nd ward election board have told him there were "mix-ups" in tallying the vote there. He will decide tonight or tomorrow about contesting the election, he says.

Friends of Burrows yesterday were considering filing application for a recount on his behalf, and footing whatever expense there is. The law provides that such contests must be filed within 20 days after election, so Mr. Burrows and his friends have until April 25 to take action.

Wins Phi Beta Kappa Award.

Fred V. Cahill, jr., of Ord, was announced Tuesday as one of 44 students to win Phi Beta Kappa keys for superior scholarship at the University of Nebraska. Phi Beta Kappa is a national honorary scholarship society. Marie L. Kotouc, daughter of Mr. and Mrs. Otto Kotouc of Humboldt, lead the list of Phi Beta Kappa winners with an average grade of 94.63 in all subjects during her four years at the university.

Easter Bunny Is Faithfully at Work in Ord

And here is Ord's own Easter Bunny faithfully working so that all you boys and girls will have plenty of pretty Easter eggs when the time comes to hunt for them. LaVern Ducey, Quiz photographer, found the Bunny on its nest and took the picture.

Pilot Personnel Is Designated By District Chairman

13 Regularly Licensed Pilots Declared Eligible to Fly Nebr. Routes on May 19.

Postmaster Harold C. Menck, of Grand Island, district chairman, National Air Mail Week, announced today that 13 pilots in the central Nebraska air mail district had qualified and are eligible to participate in the air mail pick-up service.

Six distinct routes will be included in the district. Collectively, these routes will represent approximately nine hundred air miles. They will serve a city population of 100,000 people in the 27 cities directly served by the flights.

Menck indicated that there was a strong possibility that two pick-up flights would be accorded all the cities. This, however, is contingent on the operating schedules of the regular U. S. Air Mail service on the established route at Grand Island on May 19.

"The pilots of central Nebraska have responded nobly in their willingness to fly their ships in the mail service on May 19 to commemorate and honor the pioneers in American aviation and the air mail of twenty years ago," the Grand Island postmaster stated. He also said that his pilot personnel had been selected not only on their official qualifications, but upon a personal scrutiny of their splendid records as Nebraska aviators.

"With weather suitable for safe flying and barring mechanical difficulties we hope to maintain schedules to the minute. We are providing stand-by planes and pilots to immediately gather up any loose ends due to adversity that overcomes any pilot or his ship on a route. This will assure every city being served and their mail dispatched with the precision that is a tradition in the postoffice department."

All flights will originate at Grand Island where the pilots will officially be sworn in as "U. S. Air Mail Pilots" on the morning of May 19.

The following pilots will participate: Evelyn Sharp, Ord, O. A. Kostal, M. D. Hastings; Frank L. Cushing, Hastings; Arvine J. Bierman, Holdrege; George Bartelbach, Grand Island; John Selms, Columbus; W. W. Arrasmith, M. D., Grand Island; H. L. Hansen, D. S., Hastings; Louis W. Rodenhoff, Columbus; Leonard Kyes, Archer; D. W. Kingsley, M. D., Hastings; Victor L. Beck, D. S., Broken Bow; F. O. Gottschalk, Columbus.

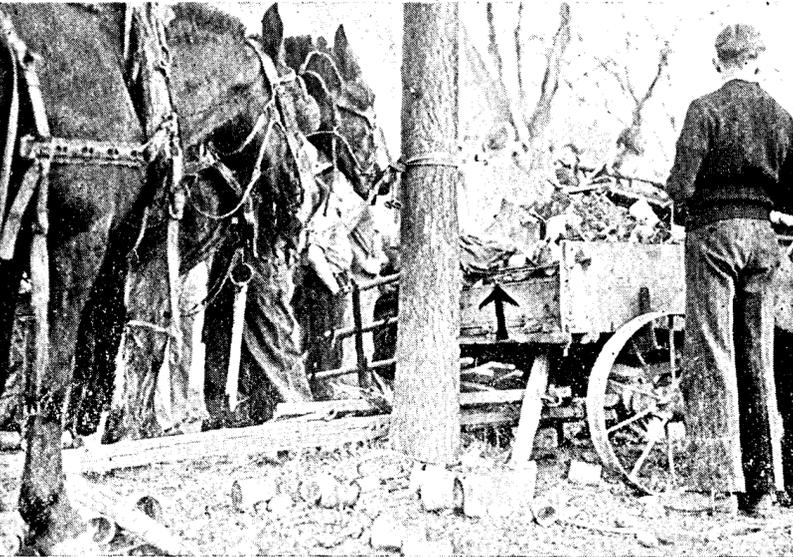

Syphilis Lecture In Ord This Eve

At 8:00 this evening at the Ord high school auditorium under the sponsorship of the Nebraska Medical Association, Dr. A. A. Enos will give a free lecture on "The Venereal Disease Problem," with special attention to the prevalence of syphilis and modern preventive and curative measures. Dr. C. J. Miller, on behalf of the medical association, announces the Dr. Enos lecture and urges large public attendance. This afternoon Dr. Enos is lecturing at Burwell on the same subject.

Will Appear on Stage.

Miss Evelyn Sharp, Ord's girl pilot, has been engaged to appear in person on the stage of the Capital Theatre, Grand Island, April 23 and 24 in connection with the showing of a new Clark Gable picture, "Test Pilot," says her father, J. E. Sharp of Ord. She will fly to Grand Island on the morning of April 23 from Lincoln where she is studying aeronautics.

Child Unhurt After Ride Behind Runaway Team

Monte Lee, 6-year-old son of Mrs. Wes Daily, was more frightened than hurt Tuesday evening after a wild ride through town alone in a wagon pulled by a runaway team belonging to Lee Cronk. Attempts to head off and stop the team by men and boys running, riding bicycles and in cars, resulted in the team running into the yard of the house occupied by the Arthur Swanson family, and the wagon piled up against a tree, as shown in this photo.

At first it was feared that Monte was seriously if not fatally injured, as he appeared to be pinned between a harrow in the wagon and the tree against which the wagon stopped. The arrow in this photo shows where Monte was found when the wagon stopped.

Unconscious, the little boy was rushed to the Ord hospital where he soon regained consciousness. Examination by Drs. C. J. Miller and J. N. Round disclosed that no bones were broken and that he was more frightened than hurt. A half hour afterward he was placidly eating an ice cream cone, apparently little the worse for his frightening ride.

As the Quiz gets the story, Mr. Cronk had been plowing a garden near 12th and R streets, had hitched his team to the wagon, placed harrow and plow in the box and gone into a house to get a drink of water. The Daily child apparently climbed into the wagon and the team, thinking Mr. Cronk had returned, started off. The child's attempts to stop the horses probably frightened them and they went faster than ever, going west

to 14th street, then north as far as K street, west to 20th street, then south to N street and east a block to the Miss Jane Sutton house occupied by the Swanson family, where the wagon hit a tree and brought the team to a stop. The team covered more than a mile in its mad run.

Dozens of cars took part in the exciting chase to stop the team while dozens of other cars and men took other streets in efforts to anticipate the team's movements and head the horses off. It was the first bad runaway Ord has had in years and it seems a miracle to the hundreds of people who saw the team and wagon, with the little boy bouncing up and down on the load, that a tragedy was averted.—Quiz Photo.

Ag Boys Snowbound 3 Days; Lonnie Nelson Gets Farmer Award

Ten Ord F. F. A. boys with their teacher, J. A. Kovanda, started for North Platte Wednesday noon to take part in the contests there, but failed to figure on the peculiarities of Nebraska weather. They ran into trouble shortly after leaving Broken Bow, and finally arrived at Arnold, where they were snowbound until Friday noon.

Only ten schools managed to arrive for the contest, the others either being stopped by snow or falling to start. The Ord boys who started were Charles Cetak, Leroy Zikmund, Harvey Krahulik, Everett Williams, Allen Paiker, Robert Miller, Lonnie Nelson, Clay Nelson, Richard Fish and Eldon Kokes.

Lonnie Nelson, son of Thead Nelson and senior in the Ord high school, was to have received promotion to the rank of State Farmer at the tenth annual convention of the Nebraska Association of Future Farmers of America Friday evening at North Platte if he had been able to be there. As this is won on scholastic standings, he still receives the award.

In the past only seven Ord high students have received the award. They are Adrian Tolen, Harold Benn, Anthony Kokes, Paul Dana, Charles Barubart, Darrell Fish, Kenneth Koelling, and now Lonnie Nelson. Reed Pulliam of Sargeant was the only other young man in this territory to receive the award. The only higher honor is that of American Farmer, given by the national organization.

Mrs. L. M. Seerley Passes April 10th

Mrs. L. M. Seerley, daughter of Mr. and Mrs. W. D. Thompson of Ord, died April 10 at the home of her parents, where she had been seriously ill several weeks, and was laid to rest in the Ord cemetery Tuesday after services at the Pearson-Anderson chapel conducted by Rev. Mearl C. Smith. She was 48 years old.

Pearl Beatrice Thompson was born in Shelby, Nebr., on Oct. 23, 1889 and moved with her parents to Ord at the age of 14. She was married to Mr. Seerley Febr. 5, 1910 and they lived in Grand Island until 1915, moving then to Grainton which was the family home until Mrs. Seerley's death.

She is mourned by her husband, her parents, one son, Gordon and two grandchildren, who live at Grainton.

Chosen Rotary Delegates.

The president-elect, Dr. F. E. Barta, and E. L. Vogeltanz, retiring president, will be delegates from the Ord Rotary club to the 120th district conference at North Platte, which will be held on April 25 and 26. They were elected Monday evening. Ralph Misko is a new Rotarian, joining the club Monday.

Electric Service, Communications, Out After Storm

Elyria and Other Towns Out of Electricity; Telephone, Telegraph Out.

Most serious spring storm in ten years so far as loss to public utilities is concerned was the rain, snow, ice and sleet storm of last Tuesday and Wednesday, damage being heavy throughout Nebraska and the middle west.

Electric service from the municipal plants in Ord and Burwell never was interrupted, either during the storm or afterward, but Elyria was without service for many hours, as were North Loup and Arcadia, all these towns being served by the Western Public Service company.

From midnight Tuesday to noon Wednesday was the period when power was out at Arcadia, and during this period many homes and stores were cold because stokers and oil burners could not operate. Banks in Arcadia took a short holiday because of lack of heat.

Telephone service within towns was not impeded seriously but from Tuesday night until Saturday morning there was no long distance service into Ord. One circuit went into service Saturday morning and the other four were back in use that night.

Farm telephone lines all over the county were damaged by the storm and several are still out of service.

The Union Pacific's telegraph system went out Tuesday night and no telegrams could be sent or received until late Saturday afternoon. Only 15 poles were down between Ord and St. Paul and these were soon replaced by between St. Paul and Grand Island 90 poles were down and it took all week to repair this portion of the line.

Burlington telegraph service was out from Wednesday last week until yesterday, due principally to pole and wire damage between Greeley and Aurora. On this stretch 199 poles were down, reports H. G. Frey, the Burlington agent here.

Ice as thick as a man's wrist formed on telegraph and telephone wires in many places.

Highways were ice-sheathed for two days but no serious accidents happened in Valley county. At Arcadia two bread wagons had trouble, one going into a ditch east of town and remaining there all night. Bus and train service to towns of Valley county was only a little late Tuesday and Wednesday and by Thursday was operating on schedule.

—Mr. and Mrs. Rudy Koupal and son Dick traveled to Grand Island Sunday to attend the presentation of the Messiah chorus. Vernon Malolepszy accompanied them as far as St. Paul.

Contracts Are Let for Ord-North Loup Road

The much discussed Ord-North Loup highway, following the line of the Union Pacific for 3.9 miles in the Olean vicinity, will soon become a reality. Last week the names of the successful bidders were announced. The grading goes to Booth and Olson of Sioux City for \$17,052; the graveling contract went to Orshek and Christensen of Fremont, for \$2,865; and the culvert contract went to the Norfolk Bridge and Construction Company of Norfolk, for \$13,770. Work will start in a very short time. The chief advantages of the new road will be elimination of a bad corner, shortening of the distance between the two towns, and, most important of all, elimination of two railway crossings.

Bids Sought on 150 Miles of Laterals To Cost \$200,000.00

May 4th Date of Letting If Suitable Bids Received. More Lines Authorized.

On Wednesday, May 4, directors of the North Loup Irrigation project expect to let contracts for construction of 150 miles of laterals at a cost of \$200,000 or more, according to a notice to contractors which began publication last week in the Burwell Tribune. If suitable bids are received contracts will be let on that day and construction will start within ten days or two weeks afterward.

Yesterday, says Engineer-Manager E. H. Dunmore, the district received authorization from the PWA to advertise for bids on 20 miles more of transmission lines, this being the final piece of construction required to complete the project.

The proposed lines lie between Burwell and Taylor 16 miles and south from Taylor 4 miles to connect with a line from Doris Lake. Other transmission lines are now under construction, between Olean and Burwell.

Propp Pleads Guilty To Reckless Driving

Harry A. Propp, who was arrested by Deputy Sheriff F. J. Cohen March 16 on a charge of reckless driving, through his attorneys, Munn and Norman, entered a plea of guilty in Judge John L. Andersen's court Tuesday, and paid a fine of \$10.00 and costs of \$6.55. The incident occurred when Jim Crutcher and others were in a car which was crowded off the highway just west of North Loup. Propp put up a bond for his appearance April 14. He is a resident of Des Moines.

—Mr. and Mrs. H. L. McGinnis, parents of Dr. J. W. McGinnis, are expected up from Maywood tomorrow for a visit.

Emil R. Foth Is Victim of Cancer; Passes Thursday

Wealthy Mira Valley Farmer Was 67; Well Known and Highly Respected.

Emil Reinhold Foth, son of Daniel and Anna Foth, was born near Graudenz, West Prussia, Germany, June 13, 1870, and departed from this life April 7, 1938, at the age of 67 years, 9 months and 24 days. His father having died in early childhood, at the age of 12 years he immigrated to this country with his mother and made his first home near Norwalk, Wis., in which vicinity he lived for eight years. Later in his life he became a naturalized citizen of his adopted country.

In 1884 he was confirmed in the Lutheran faith, which church he attended until the time of his death. In 1890 he came to Valley county, Nebr., which has been his home ever since. In 1894 he moved to the place now occupied by his son Will and family, and it was here that he brought his bride, Wilhelmina Zienke, Nov. 14, 1897.

Here also were born his children, Walter J., Bertha Clement, Will and Harry, all of Ord, and Lydia Brodthauer of Grand Island. Besides his widow and children he leaves to mourn 13 living grandchildren and a number of nieces and nephews in Wisconsin and various other places. He was the youngest of his own immediate family, and the last to depart.

Testing Station is Urged By Chamber of Commerce

At their meeting Tuesday evening, directors of the Ord Chamber of Commerce passed a resolution urging that the city council of Ord take action immediately toward establishment of a municipal car testing station here, and directed Secretary Alfred Weigardt to transmit a copy of the resolution to Rex Jewett, city clerk, to be read at the council meeting April 26.

Protection of business interests is urged as a reason for the station in the Chamber's resolution, and it is also urged that location of such a station in Ord will result in a large financial saving to residents of this city and to all car owners in Valley county.

Nearest station at present is in Grand Island, and if owners of all motor vehicles in Valley county must drive to Grand Island to have their cars and trucks tested, cost to them will be a minimum of \$15,000, figuring cost at \$5.00 each, and it might be many times greater.

Val Pullen, member of the city council and also a director of the Chamber, says he thinks a station can be established here for \$2,000 to \$2,500.

Charles Drozda Dies, Is Laid to Rest Here

Chas. Drozda, 80, passed away April 7 at his home in David City after a long illness. The funeral was held from the David City Catholic church with interment in the Catholic cemetery at Ord. He is mourned by his widow, two sons, and four daughters, also one sister at Wahoo, Nebr., and 19 grandchildren. Mr. and Mrs. Ralph Norman went to David City Friday night and accompanied the body of Mr. Drozda to Ord. Mr. and Mrs. Charles Drozda of Lincoln and Mr. and Mrs. Joe Drozda of David City also accompanied the body to Ord.

Railroad's Taxes \$700.00 Per Mile

Sixty-three members of the Ord Chamber of Commerce attended a luncheon Tuesday noon in the basement of the Methodist church, at which guests of honor were a group of Union Pacific executives here to inspect the North Loup irrigation project. In the group were Earle G. Reed, supervisor of agricultural development, F. H. Choate, assistant general freight agent, E. G. Clay, traveling freight agent, and F. G. Clark, division trainmaster. Roy Hudson, of North Loup, president of the North Loup district, I. G. Thelin, Union Pacific agent at North Loup, and O. B. Johnson, Ord agent, also were present.

Carl Dale served as toastmaster and the speaker was Mr. Reed who told about problems facing the railroads of America today, the improvements in transportation that have been made in recent years, and the advantages that irrigation will bring to the North Loup valley.

At one point in his talk Mr. Reed brought out the fact that the Union Pacific pays \$700 per mile taxes on its 15 miles of track in Valley county, or a tax of \$28.96 per acre of land occupied by the right-of-way.

Military Funeral for Spanish-American War Vet

When Howard L. Mason was laid to rest in Ord Sunday, he was given a military funeral by the American Legion and National Guard. At right, above, is shown the flag-draped coffin being lowered into the grave, while comrades stand at attention. In the photo at left is shown a firing squad from a Grand Island company of the national guard firing the final salute to the dead.—Photos by John L. Anderson.

Health Undermined In Cuban Campaign, Howard Mason Dies

Ord Man in Poor Health For Many Years Because of War Illnesses; Dies at 65.

Howard Lowell Mason was born March 5, 1873, at Canton, Ill., and passed away April 8, 1938, at his home in Ord, the direct cause of his death being cystitis. He was the second son and third child of Mr. and Mrs. Seth M. Mason, and came with the family to York county at the age of five years. The family came to Ord about 55 years ago, living on a farm near Spring Creek for about 15 years.

Forty years ago the family moved to Ord. Mr. Mason enlisted in the Nebraska National Guard under Captain H. Gudmundsen May 30, 1895. Sept. 22, 1896 he enlisted in the regular army and was assigned to Co. "B" of the 22nd regiment under Captain Crittenden, at Ft. Crook. From there they went to Mobile, Ala., where they remained 8 days. This was followed by two months at Tampa, Fla.

From there they were sent into the interior of Cuba. They advanced upon El Canay July 1, and on July 3 were ordered to the top of San Juan Hill. After the taking of this position they besieged Santiago, which surrendered July 17, 1898. Thus he had the honor of having a part in the three most important engagements in the Cuban part of the Spanish-American war.

Three days after the fall of Santiago he was stricken with malarial fever and yellow jaundice, and remained in the hospital for more than a year before he was discharged. It was there that his health was undermined, and he never fully recovered from the same diseases that claimed the lives of hundreds of his comrades. He was discharged from the regular army Sept. 21, 1899, having served his full term of enlistment, with this notation on his discharge papers: "Honest and Faithful. Three Years continuous Service." He enlisted again in the Nebraska National Guard July 20, 1901, and was one of the members of old Company "H", enlisting in 1914. In all he had 6 years service in the National Guard, and 3 years in the regular army. His last service was on the Mexican border in 1916. Mr. Mason was married to Miss Bertha Mattley Dec. 10, 1903, at Ord, and they lived in Ord continuously since that time. To this union three children were born: Mrs. Alice Mae Wilson and Everett Lowell Mason, both of Ord, and Miss Bernice Lucille Mason, who teaches at Scottsbluff also five grandchildren.

In addition to his immediate family he is survived by five brothers and one sister. One sister, Mrs. Evelyn Mason Gossett, preceded him in death many years ago. The others are Herbert E. Mason, Lawrence J. Mason, Leslie R. Mason, Mrs. Lottie Craig of Oregon, John Mason and Seth Mason.

Following his marriage Mr. Mason worked at the mason trade to whatever extent his health would permit, but his health became worse until he finally had to quit work entirely. The government he served summed up his life in the notation on his papers, "Honest and Faithful." These were the dominant characteristics of his life. A soldier has gone to his well earned reward. As a young man he became a member of the Ord Methodist church, and he was true to its principles throughout his life.

Funeral services were held from the Frazier chapel Sunday afternoon at one o'clock, with arrangements planned by E. C. James, one of the few remaining Spanish-American veterans in Ord, and with Fidelity Post No. 38, American Legion furnishing the pallbearers, and the Grand Island National Guard company supplying the firing squad. Rev. Mearl C. Smith of the Ord Methodist church was in charge of the services.

Three Boys to CCC Camp.

Friday Frank Kruml took Edwin Swanek, son of Mr. and Mrs. Paul Swanek, Emanuel Cadek, son of Mr. and Mrs. Wencil Cadek, and Richard Parkos, son of Mrs. Anna Parkos, over to the CCC camp at Ravenna as new enrollees. Dr. George R. Gard took his son Paul over the same day, but Paul decided not to stay. It is not known whether the boys will remain at the Ravenna camp or be sent elsewhere. Valley county had a quota of five, but only three went.

McAnultys Go East

George McAnulty and son Fred arrived from Scottsbluff Sunday evening and spent the night at the home of Mrs. M. B. Goodenow and daughter Maude. They were brought by a neighbor of Fred's named Walter Yensen. They attended to business matters in Ord and then drove back to Scottsbluff Monday. Tuesday they planned to start east, taking Mrs. Fred McAnulty to the home of her brother in Ogallala, where she will remain until they return.

Fred is in very poor health, being permanently lamed by a paralytic stroke a number of years ago. They will go to Pittsburg, where Mr. Yensen has business matters requiring his attention. He and Fred will return in about three weeks, but the elder McAnulty will remain until June, visiting relatives in Pittsburg and also in Richmond, Va.

Boxing and Wrestling Tournament Called Off

The H-Y boxing and wrestling tournament which had been planned for April 11 has been called off. The reason for this is because of the late death of a boy who had been boxing in Columbus. His death was caused when he struck his head on a chair as he fell from the ring. Ord officials, fearing that some such tragic accident might happen here, called the tournament off.

More California Weather.

Mrs. Frances Gruber received a letter from her daughter, Mrs. Paul Fenner, living at San Francisco, Calif., saying that they were having their third hail storm, which was unusual weather for them to be having.—The Howard County Herald.

Ord Tracksters to Attend Two Invitational Relays

Ord tracksters have been invited to attend two relays, one, the annual Gothenburg relays, and the other the Hastings combined college and high school meet. In the Gothenburg relay on Friday, April 22, Ord is one of sixty schools invited. This meet will qualify the competing teams for the state contest which will be held May 14 at Lincoln.

Present records held in the Gothenburg relays are: 120 yard high hurdles—H. Trimble of Gothenburg, 16.3 seconds, in 1936; 220 yard low hurdles—Harwich of Moorefield in 24.7 seconds at the 1936 meet; 100 yard dash by Moran of Kearney with 10.2 seconds in 1935; Carter of Brady threw the shot put 46 feet 10 inches in 1936; the high jump is held by Bengier of Callaway who jumped 5 feet 10 inches in 1937; McCarter of Gothenburg held down the discus record by throwing it a distance of 113 feet 1/4 inch in 1937. The pole vault record belongs to Hunt of North Platte who vaulted 11 feet 3 inches in 1937. Parks, also of North Platte, broad jumped 20 feet 1 inch for the record in 1938. Carter, also holder of the shot put record holds the javelin record, throwing it 157 feet in 1935. North Platte holds all relay records. They ran the 440 yard relay in 44.6 seconds at the 1936 meet. Also in 1936 they set an 880 yard relay record of 1 minute 35.5 seconds. Besides these two, they ran the mile relay in 3 minutes 38.7 seconds. Ord may have a chance to break some of these records with Jones,

Cetack and Zikmund flying the main flags for Ord. The annual Hastings College Relay is to be held on Saturday, April 16. This meet contains no weight events. The events in the meet are 440 yard relay, 880 yard relay, mile relay, and spring medley relay, 440-220-200 and 880. Besides high school events, there will be college events. These are to be well represented from different schools all over the country. Some are coming from distances as far as Pittsburgh. The event is more than a track meet for the high school tracksters because they can make valuable observations while watching the college track meet.

Emil R. Foth Is Victim of Cancer; Passes Thursday

(Continued from Page 1)

In 1925 he moved to the present home, and has been a resident of this community over 47 years. Mr. Foth as a child and young man knew many of the hardships of the early days but through the help of God, thriftiness, good management and plenty of hard work, he amply supplied his family with the necessities and luxuries of life.

Until July, 1937 he scarcely knew what ill health was. It was then he first took sick, but did not think it anything serious. Gradually continuing to fail, and more rapidly after New Years, he sought the advice of Grand Island physicians about a month ago, who diagnosed his ailment as cancer. This disease being of the painless type, had advanced so far that no help was possible.

Funeral services in charge of Pearson and Anderson Mortuary were held Sunday afternoon at 2:00 at the house and at 2:30 at St. John's Lutheran church.

Palbearers were Adolph Fuss and D. H. Bredthauer of Grand Island, George Lange, Bud Bell, Ben Hackel and Joe Cook of Ord.

THE WANT AD PAGE

"WHERE BUYER AND SELLER MEET"

MINIMUM CHARGE IS 25c

Want Ads cost 1c per word per week with 25c the least total charge per order. If your want ad contains 25 words it will run once for 25c, twice for 50c, etc. If it contains only 10 words it will run 2 weeks for 25c, 3 weeks for 30c, etc. "Blind ads", that is ads without name or phone number, cost double.

YOUR NAME IS IMPORTANT

A want ad with the name of the advertiser will bring much better results than one which fails to give the name. Giving full information also helps, as does a price. Give a phone number if possible. The more you tell the quicker you sell.

—Mrs. W. A. Bartlett and son Dan drove down to Omaha Sunday afternoon where they visited at the John L. W. Nelson home until Tuesday. They drove back by way of Lincoln and stopped for a few minutes at the J. E. Gilmore home, arriving in Ord Tuesday evening.

—The John P. Misko house is quarantined for measles, Jimmy having the disease in quite a severe form. Children of Mr. and Mrs. LeRoy Frazier also have the measles. The Frazier family has rented rooms in the house occupied by Mr. and Mrs. Asa Anderson while their own home, damaged by fire ten days ago, is being repaired and remodeled.

—Mrs. Glenn (Happy) Holloway submitted to a major surgical operation Sunday morning and was found to be suffering from acute osteo-myelitis, a bone infection. Drs. Round and Miller performed the operation.

—Guy Keap sent his parents clippings of an accident on the highway near Idaho Falls, Ida., in which four persons were instantly killed and another is in the hospital dangerously hurt. One of the victims, a young man of 17, was a close friend of Guy's. As a result of the crash, which was apparently caused by too narrow a grade, a campaign is being launched to have it and other highways widened.

How Telephone Service Fared at Ord

Above is shown how the sleet storm Wednesday of last week took down some of the poles of the Crownover Telephone company connecting Ord and Sargent. In spite of the fact that this and three other poles were down in a row, service to Sargent was uninterrupted, as well as to Burwell and to North Loup. Sleet on the poles approximated an inch thick, as shown by the sample John Ward is holding in his hand.—Quiz Photo.

—Word from James Ward and Norval Loft is to the effect that times are plenty dull in California, so dull, in fact, that they have not had any work for the past two weeks. They said they were starting back to the White Spot, and that they would arrive within two weeks if they did not strike any work enroute. The firm for which Loft worked last year went on the rocks, and there is no demand for the rocks that Ward hauled last year, so they are coming back where there will be a chance of a square meal once in a while.

—A 6 3-4 pound daughter was born to Mr. and Mrs. Shirley Norton at York about nine or ten o'clock Thursday. All day Thursday Mr. Norton tried to get word of the event through to relatives here, but did not succeed until evening. Sunday H. T. Frazier could not get away, but the rest of the grandparents, Mr. and Mrs. Lester Norton of Elyria and Mrs. H. T. Frazier, of Ord, and also Patricia Frazier, drove down to see the new granddaughter. Perhaps most interested of all are the great grandparents, Mr. and Mrs. A. J. Shirley, who plan to see this first great grandchild at the first opportunity.

—Mrs. W. A. Bartlett and son Dan drove down to Omaha Sunday afternoon where they visited at the John L. W. Nelson home until Tuesday. They drove back by way of Lincoln and stopped for a few minutes at the J. E. Gilmore home, arriving in Ord Tuesday evening.

—The John P. Misko house is quarantined for measles, Jimmy having the disease in quite a severe form. Children of Mr. and Mrs. LeRoy Frazier also have the measles. —Charles Mottl, age 30, suffered fractures of both wrists Tuesday afternoon when he fell from a barn roof which he was shingling on the Anton J. Adamek farm 10 miles east of Burwell. The barn burned on this farm recently and the neighbors assisted in the rebuilding of a new one.

—Born to Mr. and Mrs. Archie Mc-Masters of Lincoln, a daughter in the Cram hospital Tuesday morning. Dr. E. J. Smith was the attending physician.

—Florence (Tuttie) Donner who spent the past week in the Cram hospital receiving medical treatment was somewhat improved and left for her home Tuesday morning.

Celebrates Birthday.

Sunday was the occasion of Miss Wauweta Cummins 20th birthday, and in honor of the occasion the family invited in as guests for Sunday dinner Mr. and Mrs. Clyde Baker, Mrs. Anna Goff and son William and Lowell Jones.

Suggests Rocky Ford as Name For Burwell Dam

Dean Moser was in the Quiz office one day last week and in conversation with the Boss, suggested the name "Rocky Ford Dam" as appropriate for the new dam at Burwell. Old timers will recall the Rocky Ford of early days, which was located a short distance below the new dam. It is still there, and could still be used as a ford. Other names that have been suggested are Hartsuff or Ft. Hartsuff, and Littlefield. These names are offered to the Wranglers club and other interested Burwellites for what they are worth.

BURWELL

Marie Rejda Nedbalek. Marie Rejda was born in Opatovice, Moravia, February 18, 1850, and departed this life at her home in Burwell, Nebr., April 12, 1938, having attained the age of 88 years, 1 month and 24 days. On February 8, 1876 she was united in marriage to John Nedbalek at Lipa, Moravia and to this union were born 6 children of whom 5 survive her. Mr. and Mrs. Nedbalek came to America in June of 1884 settling in Custer county, Nebr. In 1914 they moved to Burwell where they have since resided. Mrs. Nedbalek united with the Evangelical church when but a young girl and gave much of her time and effort to the various activities of the church. She was also a member of the Z. C. B. J. lodge. Besides her husband John Nedbalek, she is survived by her 5 children, Mrs. Anna Capek and John Nedbalek of Burwell; Mrs. Francis Bartu of Comstock, Nebr.; Frank Nedbalek of McCord, Saskatchewan, Canada and Thomas Nedbalek of Wilder, Ida., also 2 grandchildren and 4 great grandchildren. Funeral services will be held at Jungman hall Thursday, April 14 at 2 o'clock with Lyman Kern, Charles Masin and James Visek in charge. Burial will be in the Evangelical cemetery. The pallbearers will be her 6 grandsons.

Dr. and Mrs. G. L. Mills escaped with serious bruises Monday evening when their car failed to negotiate a turn 7 miles southwest of Burwell when they were coming here from their home in Hot Springs, N. M. The car turned over three times and the occupants were fortunate in not being more seriously injured. They were brought to town by Julius Gross and the car was towed into the Bredthauer garage. Dr. and Mrs. Mills plan to visit in Burwell until May 1.

WOODMAN HALL

Several young people from here attended a farewell party for Richard Parkos at the home of his grandmother, Mrs. Krahulik, at Ord last Tuesday evening.

DAVIS CREEK

Mrs. Ruth Creager entertained the United Brethren Ladies Aid society Wednesday. In spite of the blizzard there were sixteen present.

BACK FORTY

More barley is being raised in Nebraska. The growing popularity of this crop can be ascribed largely to the finding of better varieties, the increased use of combine harvesters, and to a widening appreciation of its high productivity and feed value.

Remember This Man-

This week we print another of those early day pictures that are creating so much interest among Ord readers. This one should be easy, as he is still a pretty good looking fellow, although he changed into long pants a good many years ago.

The little fellow on the big horse was Archie Rowbal, and the horse was one of the Bradt dray horses, named King, which was later sold to Archie's dad.

Purchase of Diesel Engine Is Deferred Until April 26th

to North Loup, Elyria, St. Paul and other towns served by the Western Public Service company as proof of his statement. Moreover, it should be remembered that the Western Public Service company has several sources of power to draw on, including hydro plants in several places and steam and oil generating units in others.

Several councilmen stated their positions in the matter, including Councilman McGinnis who said that when purchase of another diesel first was suggested a few months ago he did not favor it, but since studying the question he now is firmly convinced that the city must buy the engine.

New Books in The Ord Township Library

A number of new books have been received, among them, "This Proud Heart", the latest contribution by Pearl S. Buck, author of "The Good Earth". After writing eight books about China and Chinese the author turns to the American scene and American characters.

SERVE HAM FOR EASTER SUNDAY

We don't know how it all started—this custom of serving ham for dinner on Easter Sunday—but it's an American habit almost as well-formed as that of having turkey for Thanksgiving and goose for Christmas. Serve ham for Easter.

Let us take care of your needs in Ham. We have several different kinds, including our own home-cured. Also, we have the new "tender" ham, made that way by an exclusive pre-cooking process.

At whatever price you want to pay, we have the Ham you want. Everything else in the meat line also, if your fancy doesn't approve of Ham for Easter.

Burwell News

Written by REV. W. L. GOODELL

Allie Reed Shoemaker, the community was shocked Saturday morning to hear of the death of Mrs. A. E. Shoemaker at her home in Burwell. Mr. and Mrs. Shoemaker had recently returned from Yuma, Ariz., where they had spent the winter with relatives. Mrs. Shoemaker seemed unusually well until Thursday, April 8th, when she had a severe fall on the icy step at her back door, which caused her death. Allie Reed Shoemaker was born at Wilkesbarre, Pa., Sept. 16, 1861 and died at her home in Burwell, April 9, 1938 at the age of 76 years, 6 months and 24 days. At an early age she came with her parents to Grand Island, Nebr., residing there for a time, then at Fort Kearney, then back to Grand Island where on April 25, 1885 she was united in marriage to A. E. Shoemaker. In 1887 they moved to Burwell where they homesteaded in Loup county. They spent 14 years in the Black Hills in South Dakota, returning to Burwell in 1910 where they have since made their home. She leaves to mourn her husband, A. E. Shoemaker and four nieces, Mrs. G. H. Winn, Mrs. J. C. Murray, Mrs. R. H. Wallace of Omaha and Mrs. H. J. LaGrandeur of Sumner, Wis. Two sisters preceded her in death. She was a life long member of the Catholic church, one of its most devoted workers and will be greatly missed by all her friends. The funeral services were held Monday morning, April 11 at 8:30 o'clock a. m. in the Burwell Catholic church and the body was taken to Grand Island for burial.

Rev. Shelby J. Light of Grant Park, Ill., the newly appointed minister for the local Congregational church is expected to arrive Friday to be present for Good Friday service, which will be held at 8 o'clock, P. M., and also for the Easter Sunday services. It is not possible for his wife and family to come at this time as the children are having a siege of the measles and he will return to Illinois for them after Easter.

Mrs. Mike Helmkamp was hostess to the New Century club at her home last Wednesday afternoon. The project on "Adding to the Attractiveness in Homes Through Decorative Objects," was presented by the project leaders, Mrs. Kathryn Hoyt, a member of the club who has been in California for the past several months, was present at this meeting. The hostess served delicious refreshments. The next meeting of the club will be held Wednesday evening, April 13 in the home of Mrs. Elmer Graber.

Mr. and Mrs. Fred Kennedy and 2 sons of Elyria were Sunday dinner guests in the home of Mrs. H. D. Cass.

Mr. and Mrs. C. R. Fanning, son Russell and daughter Aletha of Alliance were week end visitors in the Otto Cassidy home.

Chas. Davenport has been quite ill for the past week at his home northeast of Burwell. Mr. and Mrs. Otis Conner from near Elyria are assisting Mrs. Davenport with the farm work during his illness. Mrs. Conner and Mrs. Davenport are sisters.

Mr. and Mrs. Pete Bartusek of Ord and Mrs. Stacy Bartusek were dinner guests Sunday in the home of Mr. and Mrs. Joe Koziol southeast of Burwell.

Gordon Cassidy of Ericson was a guest in the home of his parents Sunday.

Members and friends of the Methodist church gathered at the church Thursday evening, April 7, to help their minister, Rev. J. Bruce Wylie celebrate the anniversary of his thirty-fourth year as a minister of the gospel. On April 7, 1904 he entered the ministry and his first charge was at Lushton. Rev. Wylie was to have left Fairbury at 2 o'clock on Saturday afternoon but on account of a snow storm his train was held up and he did not get to Lushton until Monday night. The storm on April 7 this year was not quite as severe as it was 34 years ago but was bad

enough to keep several of the country members from attending the celebration. An enjoyable program was planned for the occasion. Refreshments were served. Rev. and Mrs. Wylie received a number of lovely gifts as a token of the appreciation of the members for the good work done by them here. The church at Burwell had been without a pastor for several years when Rev. Wylie was appointed four years ago to come here and the members were so discouraged they had talked of selling the church building. In the past four years the church has almost doubled its membership, finances have been put in good shape and the building has been redecorated inside and painted outside.

Otto Struve, State Auditor from the State Assistance Department was in Burwell on business last Wednesday.

Corporals Jean Lewis and Everett Greathouse and Private Herman Greathouse and John Alexander of Fort Warren, Wyo., and Miss Margaret Lanik of Burwell were dinner guests of Miss Dorothy Cass Sunday April 3.

Mr. and Mrs. Ott Taylor celebrated their 40th wedding anniversary very quietly at their home in the east part of Burwell Tuesday, April 12. Mr. Taylor and Minnie M. Miller were united in marriage on April 12, 1898 in a sod house, northeast of the bridge, about 2 miles east of Burwell. Judge Jones performed the ceremony. Their attendants were Susan Garrison, sister of Sam Garrison, and Robert Kemp. Before her marriage Mrs. Taylor had been employed in her father's print shop in Burwell where the local paper, "The Eye" was published each week. Mr. Taylor was an engineer at the water works station in Ord and operated the first electric light plant in Burwell about 25 years ago. Mr. Taylor's parents came to Nebraska in a covered wagon and homesteaded in Valley county in about 1884, before there was a railroad in Ord. Mr. and Mrs. Taylor made their home in Ord for several years following their marriage, later moving to Burwell. They were blessed with two children, one who passed away at the age of eight months and their daughter, Mrs. Gus Asplund who makes her home with her parents. Mr. and Mrs. Taylor have a picture of the sod house in which they were married and prize this picture very highly. At that time the house stood across the road north of the B. A. Rose cabin. Congratulations are extended to Mr. and Mrs. Taylor.

So that life-saving water may be carried to farms at Carlsbad, N. M., on the fringe of the dust bowl, the \$2,000,000 federal Alamogordo dam, near Fort Sumner, N. M., shown left above, is now pouring 10,000,000 gallons of water every hour into the Pecos river, which waters the region. Effect of the dam is pictured in the photo at right, which shows the fruitful checkerboard farms, saved by irrigation, extending to the edge of the desert from which they were reclaimed.

Andersen Saturday to Levi Chippis, jr., and Miss Dolores Higgins, it has been learned that the young people went down to Grand Island, where they were married following the issuance of a new license. —While plowing the former site of the old Vinton M. E. church the other day, John S. Hoff was reminded that it was more than fifty years ago that he used to attend church there. The only others who attended there at that time and who are still living, whom he could recall are Mrs. Myra Watson, Frank Travis and Clint Thompson. It was in 1854 to 1857 that Mr. Hoff recalls attending there. —Dr. J. G. Kruml reports two injuries this week. Monday evening Viola, 7 year old daughter of Mr. and Mrs. Frank Masin, had her right limb broken below the knee in a fall from a swing at school. Tuesday morning, Donald, the 14 year old son of Mr. and Mrs. Bill Fisher, broke his right arm just above the wrist. This is the third break he has suffered in as many years, the other two affecting the left arm.

Streamlined in an entirely new design, this Hudson-type locomotive is the first of 10 steel giants that have been ordered for the Twentieth Century Limited run between New York and Chicago. In road tests it has developed 4700 cylinder horsepower at 75 miles an hour. Engineers hail it as an outstanding advancement in modern locomotive power.

Streamlining Hits Motorcycles

Only the bare front wheel would tell the casual observer that the queer contraption Eric Fernighough, British racer, is shown straddling is a motorcycle. Fernighough fitted his speedster up with metal "bubbles" to diminish wind resistance, and hopes to set a new world's record with it. He is pictured on a track at Brooklands, Surrey, England, just before making a trial run.

High Winds 'Done Her Wrong'

"Well, can you beat that!" the pretty occupant of this car seems to be thinking as she climbs out of the wreckage of what a few minutes before was her spiffy new roadster. High winds which swept the same California area that a few weeks ago was ravaged by floods uprooted a number of trees, causing considerable damage—and the above freak accident.

EUREKA

Edmund Osentowski and family moved last week. Enus Zulkoski is helping him with work this week. Mr. and Mrs. Pete Kochonoski and Mr. and Mrs. Leon Osentowski and their families spent Saturday evening at Edmund Osentowski's, on their new place. Mr. and Mrs. Frank Swanek and boys were Sunday dinner guests at Pete Kochonoski's and went to see the Burwell dam in the afternoon. Mr. and Mrs. Paul Szwanek and son Melvin left for Loup City where they will visit their daughter and family, the Mike Michalski's, and Sunday they will visit at their son's Joe Szwanek's, near Ravenna. Mr. and Mrs. Mike Kush and family and Mr. and Mrs. J. B. Zulkoski and children spent Sunday evening at the Frank Swanek home. Ed and Chet Swanek and Bennie Zulkoski visited Sunday evening at Will Grabowski's. Leonard Swanek returned home from the Ravenna camp and his brother Edwin left for CCC camp last week. Mrs. Joseph Danczak was on the sick list last week. Assessor Will Grabowski started his work last week.

Bartlett Goes to Denver. Dan Bartlett, son of Mrs. Will Bartlett of Ord, who has been visiting his mother and other relatives here since he quit a job in a newspaper office in eastern Oregon, went to Denver today to start work as a field representative of Woodyard Associates, of New York City, a nationally-known firm that represents select weekly newspapers in selling national advertising. He will assist in organization work in several western states for the next few months and then, if he makes good, will have a permanent job as field man for the Woodyard firm. Dan has operated newspapers of his own, has worked in a good many plants in every capacity from "devil" to publisher, and is admirably fitted for the new work he is undertaking.

Some Weather! It was nice and warm outside the other day, and we'll admit it looked like summer could not be far away. But it grew much warmer indeed, after we had passed Stewart's pharmacy and noticed that their thermometer showed it to be 115 degrees in the shade.—Blair Pilot-Tribune.

—Edward Vodehnal is still carrying two fingers of his right hand around in a bandage as a result of getting them cut by a saw about ten days ago.

Short Wave Radio Used During Storm

With telephone and telegraph lines disrupted for a time last week, Ord was without quick service with the outside world. The need was most keenly felt when Lawrence Mason was trying to communicate with his niece, Miss Bernice Mason at Scottsbluff, Friday evening. It occurred to him to have John L. Andersen try to get word out on the short wave set. John had sold it to Virgil Cuckler, who went into action when asked to do so, and soon picked up the station at North Platte. They sent a telegram from there to Scottsbluff, as the wires there were working. A short time afterward Ralph Norman used the same method in trying to communicate with David City to get word of the condition of his father-in-law. This time Cuckler picked up an amateur at Republican City, who reported back that he was unable to get word to either David City or North Platte. In the meantime a telegram mailed up from Grand Island brought word of Mr. Drozda's death. The incident is of interest as it shows how valuable the amateur

sets can be in case of emergency, and it explains just why the government has insisted on reserving the short waves for amateur use. Miss Mason received the word in time to enable her to drive over to Alliance and catch the Burlington there, arriving in Ord the next morning.

This Week's Patterns

PLEASEING features of Pattern 8177 are its pleats in the flare sleeves, the soft gathers in front, the lengthening line of the raglan shoulders and its classic, tailored collar finished with a bow. Sizes 14, 16, 18, 20, 40, 42, 44 and 46. Stripes are a bright new note for spring, and if you're thin, you'll like to wear them as in Pattern 8191. Sizes 12, 14, 16, 18 and 20. The round collar at the high neckline give Pattern 9179 a touch of youth and freshness. Sizes 12, 14, 16, 18 and 20. The princess, Pattern 8184, is a perfect style for little girls who are still within the 8-year limit. (It's a pantie style, too.) Sizes 2, 4, 6 and 8. "We Pay as We Go"

R. L. Cochran Gov. of Nebraska

★ In Nebraska low taxes are not a hope but a fact. Nebraska's fiscal policy is well known. It is based upon a simple tax structure. There is no mystery, no sleight of hand involved. ★ Nebraska's fiscal policy embraces: (1) Fixing of governmental responsibility BEFORE a new activity is made a governmental obligation. This involves resistance to pressure groups seeking new or expanded appropriations, state or local. (2) Rejection of new forms of taxation such as a general sales tax or state income tax. The people of Nebraska have observed elsewhere that attempts to shift taxes have merely resulted in added taxes. (3) Constitutional and statutory limitations on local spending. (4) A pay-as-we-go plan for the state and its increasing application to local spending. (5) Ability to pay MUST be the ultimate determining factor of public expenditures. ★ Strict adherence to this policy has resulted in good, economical government. The state itself owes not a dollar. The total indebtedness of subdivisions is small and is being decreased constantly. Property taxes are low. ★ THE COMMON SENSE OF THE PEOPLE OF NEBRASKA IS RESPONSIBLE FOR THIS FAVORABLE TAX SITUATION, WHICH HAS PREVAILED DURING SEVENTY YEARS OF STATEHOOD. This same common sense assures its continuance.

Nebraska Offers .
No Income Tax
No Sales Tax
No Other Extra Taxes
No Bonded Debt
More Money for Living

Nebraska's constitution prohibits state bonds. Moreover, 77 of 93 counties have no bonds. Municipal debts are low, and steadily declining.

North Loup

Written by MRS. ETHEL HAMER

Cecil Knapp was in Grand Island on business Thursday.

Mrs. Fairchild returned from Burwell on the Thursday afternoon bus.

Mr. and Mrs. Tony Pawleski were in Ord on business Friday morning.

Rev. and Mrs. C. L. Hill went to Lincoln Sunday where Rev. Hill will go through the clinic at the veterans hospital before returning the last of the week. Their small son Teddy is staying with Mr. and Mrs. James Johnson while they are away.

Mr. and Mrs. Lester Watts of Scotia were in North Loup Sunday.

Mr. Kauer spent the week end in Kearney.

George Gowen received a letter from his brother John of Denver that contained a clipping from a Denver paper of April 1st which told of the serious injury of Oren Davis in a car accident. Oren, in company with his sons, Keith and William were driving from Denver to Boulder when they met a coal truck and turned over. Neither of the boys was hurt but Oren had a dislocated vertebra in his neck. He had been removed to his home from the Presbyterian hospital where he was taken after the accident. The Davis' have had more than their share of trouble lately. Mr. and Mrs. Davis were gassed last winter when the stoker on their furnace didn't work and Mrs. Davis has recently had an operation for cancer of the breast.

Roy James of Cashmere, Wash., is in the Deaconess hospital at Wenatchee, Wash., with a compound fracture of his left leg and badly bruised lungs. The car he was driving crashed into another car when a front tire blew out. Mr. and Mrs. James visited North Loup for two weeks last July when they attended the reunion of the James family held at Arcadia.

North Loup, like many other towns was without electric current Wednesday night and most of the day Thursday.

The Robert Mills family spent the week end in Norfolk. Ava Leach who works in the Mills home spent the time at her home on Davis Creek.

A family gathering was held at the John Goodrich home Sunday in honor of Mrs. Goodrich's eighty-third birthday. Those attending were Mr. and Mrs. Truman Smith, Mrs. Alvin Pearson and Mr. and Mrs. Vernon Smith and baby, all of Albion, Mrs. Alice Smith and three children of Scotia, Mrs. Edna Hatfield and two children of Spalding, Mrs. Oscar Smith and two daughters of Burwell and the Arthur Smith family of Sumter.

Born in Australia, Mrs. Goodrich, whose maiden name was Jane Whiting went to England with her parents at the age of two years and then came to the United States. As a child she lived in New York, Michigan, Illinois and Iowa. She was married in Iowa to her first husband, Mr. Smith in 1872 and came to Butler county near what is now David City before there was any town there. In '94 they moved to Valley county living on their farm near Sumter where her son Arthur Smith now lives. In 1915 she was married to John Goodrich and her home has been in North Loup most of the time since. Although in failing health she takes much enjoyment in the company of her children and grandchildren and an occasion last Sunday gives her a great deal of pleasure.

Mrs. Sabrina Williams, known to everyone as Aunt Sabrina celebrated her eighty-sixth birthday Monday. Born in New York state where she grew up and taught school and later was married to Jacob B. Williams. They came to Nebraska in 1879 settling in Clay county. In 1886 they came to Valley county living on a farm and later in North Loup till they moved to Texas in 1912 where Mr. Williams died in 1922. In 1924 Mrs. Williams came back to North Loup and has made her home with her daughter, Mrs. Roy Cox, where she is dearly loved by all the family. She is a faithful member of the Seventh Day Baptist church and scarcely ever misses a service. She makes beautiful crocheted and braided rugs and except for slightly failing eyesight and hearing is in good health. Mrs. Cox invited several ladies in to spend the afternoon with her mother.

ther Monday, among them four friends that have passed the age of 80, Mrs. Mary Clement, Mrs. Emma Thomas, Mrs. Jane Goodrich and Mrs. Maud Johnson.

Clifton and Fanny McClellan entertained Mrs. B. B. Buten at dinner Sunday in honor of her seventy-third birthday. A birthday cake with seventy-three lighted candles which Mrs. Buten was able to blow out formed the centerpiece on the table. Mrs. Buten has many friends who remembered her on her birthday.

Mr. and Mrs. Clayton Meyers and Phyllis went to Palmer Monday and are spending the week in the home of Mrs. Meyers' grandfather while Clayton is taking treatment for ulcers of the stomach.

Bobby Lincoln of Scotia spent Saturday and Sunday with his grandparents, Mr. and Mrs. A. G. Springer.

Two nurses from Grand Island that were on their way to Burwell were in too big a hurry Saturday to observe the speed limit and when James Coleman was unable to overtake them he called Sheriff Rounds who stopped them in Ord. They returned to North Loup and appeared before Police Judge C. W. Barber, but because of the delay, lost the case in Burwell. Another case of more haste, less speed. Two truckers from the Fairmont trucking service also contributed to our school funds Saturday for a similar offense.

Nearly forty relatives and friends had dinner at the Chas. Otto home Sunday to help Loren Otto celebrate her birthday. The Huebner families from Horace were among those present.

Mrs. and Mrs. Will Cox and Mrs. Griffith returned last week from Texas where they have been for Mrs. Cox's health. She seems to feel much better.

Mr. and Mrs. Elmer Cox and Nora and Owen White were Sunday dinner guests of Mr. and Mrs. Will Cox.

Mr. and Mrs. Otto Bartz and Mary Ann drove to Grand Island Sunday afternoon to attend the funeral services of Howard Mason who was a member of the same company as Mr. Bartz in the Spanish American war. They called on Mrs. Smith and Donnie before coming home.

Mr. and Mrs. L. V. Kokes and Mrs. Kokes' sister from Farwell called on Mr. and Mrs. Anton Uher Sunday afternoon.

Miss Wilma Schoening spent the week end with her parents, Mr. and Mrs. Herman Schoening. She is teaching in Howard county and expects to attend Kearney Normal school this summer.

Mrs. Henry Blankenfeld has been ill and confined to her bed for several days, suffering from tonsillitis and a severe cold. Mr. and Mrs. Daniel Pishna were dinner guests at Frank Holden's Sunday. In the afternoon they called at the Mrs. Anton Pishna home near Burwell. The Arvin Dye family moved last Wednesday to the farm formerly occupied by the Gerald Dye's. Since their return from the west they have been making their home at C. A. Dye's. Mr. and Mrs. Joe Jirak were callers at the Blankenfeld homes Sunday afternoon. Mr. and Mrs. J. L. Abernethy called at the Frank Meese and Nelson Baker homes Sunday afternoon. Mr. and Mrs. Arvin Dye and family visited at Leo Nelson's Sunday. Henry and Floyd Blankenfeld and Daniel Pishna were Burwell visitors Monday. Mike Noha called at Bill Toban's Sunday afternoon. Kathryn Clement was an overnight guest at the Jim Hansen home last week.

A force of men from the 9-41 and 24 lines repaired the telephone lines running northeast of Ord Friday, after the recent ice storm. A number of poles were broken but all lines but one were able to get telephone service. The Chas. Lane family visited at John Zablouddil's Sunday. Eugene Holden attended a party at Ralph Hanson's Saturday night. Mr. and Mrs. Ernest Risan spent Thursday evening at Bill Toban's. LaReta Blankenfeld has been absent from school during the past week due to illness. The high school room have been having six weeks tests. Wilber Kizer was excused on good merit. Mrs. Harold Elmquist of Minneapolis, Minn., formerly Rose Kokes, is a guest at the home of her parents, John Kokes, Miss Helen Kokes of Omaha, Miss Florence Kokes of Lincoln, and Richard Kokes of Wilber are expected visitors at the Kokes home for Easter vacation. Miss Grace Christensen accompanied her parents to Central City Sunday to visit with relatives and friends. —In writing from Weiser, Ida., to renew her subscription for another year, Mrs. L. A. Cronk says she would not want to be without the old home town paper.

Chris Thomsen's Hereford Cows Make A Specialty of Raising Twin Calves

Above are shown a couple of cows belonging to Chris Thomsen of Springdale. They and one other cow of Thomsen's have mothered twin calves this year. The "mooly cow" in the rear is taking care of her fourth pair of twin calves in as many years, making her a total of eight calves and she is only six years old, believe it or not.—Quiz Photo.

Rules for Planting Sorghums Defined

Many farmers who wish to participate in the 1938 conservation program have been asking about the distinction between sorghums which will be classed as depleting and those which will be classed as non-depleting under the rules of the program, says Carl Dale, Valley county agricultural agent. The distinct grain types which will be depleting are kaho, milo, feterita and about half of the kaffir varieties. The distinct forage types and the dual purpose types which will be classed as non-depleting if used for forage purpose and not seed or silage are black and red amber, sunac, atlas, loof, orange, Cheyenne or sweetstark kaffir, grama hegar, western blackhull, and pink kaffir and similar sweet and semi-sweetstark varieties. The rates and methods of planting and the method of harvesting will not affect the classification. The use to which these types are put is the determining factor. Since the non-depleting acres on farms which come into the program will in most cases be filled at least partially with sorghums and since sorghums should not be planted until after corn-planting time, the county committee states that bases will be announced in plenty of time for farmers to make their plans as to the number of acres of corn and sorghums they will plant. Although seeding time for grain and forage sorghums is all of six weeks off, Valley county farmers were advised this week to make preparations for obtaining seed stocks. Plans should also be made now for treating the seed for smut. The supply of most sorghum seed is ample. Plenty of certified seed of adapted varieties is available with but few exceptions. In the later instance, there is but little loti sorgo available, according to Mr. Dale. Prices for sorghum seed this year will probably range from 1 1/2c to 8c per pound. The cost of seed per acre, in many instances, will be but little more than that for corn. Last year sorghum seed was considerably higher. Losses from smut in sorghums are sometimes heavy where the seed is not treated. Corn on the contrary, cannot be effectively treated for smut. Either copper carbonate which is used for treating wheat or improved Ceresan may be used. The former is applied at the rate of 3 or 4 ounces per bushel of seed while only one-half ounce of improved Ceresan is necessary. Cost per acre is very small.

Barker News

Mrs. Fritz Pape went to Grand Island Tuesday to see her mother, who is in the hospital. Mrs. Pape returned Thursday to Scotia where she remained with her sister. Saturday evening she returned home. Mr. and Mrs. T. S. Weed and Kenneth visited for a little while at Mr. and Mrs. Lloyd Weed's of Scotia Sunday afternoon. They also went fishing for a little while but the fish must have been on vacation or a strike because they wouldn't bite. Bud VanHorn and Carla Rasmussen spent the week end in Lincoln with friends, attending a party given by the fraternity to which Donald VanHorn belongs. Mrs. Lena Mulligan and daughter Eva, accompanied by Hannah Goodrich, Mrs. Clyde Willoughby and Mrs. Ed Stillman went to Grand Island Tuesday. Miss Mabel Lee paped for Mrs. Anna Pape Monday, Tuesday and Wednesday of this week. The Neighbory Club met last Wednesday at Mrs. Ervie Weed's at North Loup. Ten members were present. The next meeting will be held at Mrs. Etta Weed's, April 20. Mr. and Mrs. Orville Noyes and Connie, Mr. and Mrs. Ed Green and children, Mrs. Noyes and Donna Desel were Sunday dinner guests of Mr. and Mrs. Rasmussen, in honor of Mrs. Orville Noyes' birthday. Mr. and Mrs. Edgar Davis and Donald were Saturday dinner guests of the U. S. Davis'. Nettie Davis spent Tuesday evening with her aunt, Mrs. Edgar Davis. Mr. and Mrs. J. M. Fisher were Sunday dinner guests of Mr. and Mrs. Harold Fisher and children. Mr. and Mrs. August Vodehnal and children accompanied by Mrs. Frank Psota and Arline and Audrey Psota visited Sunday at the John Skala home. Harlan Green played Sunday afternoon with Jerrold Fisher. Mrs. Nell Peterson spent Friday and Saturday with Mr. and Mrs. Archie Boyce. Leonard Psota returned from Ericson Friday. He returned Sunday and his brother, Edward, accompanied him. Mr. and Mrs. Ed Schudel and children made a trip to Grand Island Saturday. While down there, they visited Clyde Willoughby, who is in the hospital. Sunday dinner guests at Archie Boyce's were Mr. and Mrs. Anton Psota and son Eugene and Mrs. Fred Boyce. The play, "Here Comes Charlie" was given by the Barker high school pupils last Saturday evening with great success. The play takes place in Larry Elliott's

home in a suburb of St. Louis. All parts were very well taken. Nora Malone, cook at the Elliott home was played by Nettie Davis. Nora's sweetheart, Officer Tim McGrill, was enacted by Herman Maxson. Mrs. Fanny Faruham, Larry's aunt by marriage, a comely matron in her early forties, disagreeable and arrogant during the first two acts, but considerably chastened and meek in her behavior during the last act, was played by Rita Stobbe. Larry Elliott, a young business man, was played by Maynard Schudel. Edward Psota played the part of Ted Hartley, Larry's old time college pal, a very keen-eyed, lively, cynical chap of twenty-four. Vivian Smythe-Kersey, Larry's fiancée, played by Darlene Mulligan, was a spoiled and scheming society girl, with a calculating disposition. Uncle Aleck Twiggs, who is in charge of Charlie was played by Roy Maxson. He has a very loud voice and a breezy manner and is wholeheartedly devoted to Charlie. Charlie Hopps, Larry's ward, played by Mavis Schudel, was a pretty and charming girl of seventeen, still a child in thought and actions, with a sad little face and large dark eyes. Harriet Brown played the part of Mrs. Caroline Smythe-Kersey, Vivian's mother, a snobbish, arrogant matron of fifty. Mortimer Smythe-Kersey, Vivian's brother, was played by Horace Williams, was a vacuous-looking youth of twenty-one, with a bored and languid air. This play, as most plays do, came to a very happy ending.

NORTH LOUP

H. J. Hoepfner and Frank Johnson attended the postal employees meeting held at Barwell Tuesday night. Fred Lundstedt came up from Hebron Saturday night to get Mrs. Lundstedt and the children who had been with her parents, the D. S. Bohrsers, for two weeks. They spent Sunday in the Victor Cook home and returned to Hebron Monday morning. Mr. Bohrer seems to be gaining a little. Mrs. Nellie Wilson paped for Mrs. Harry Maule last week. The Maules have recently moved to the farm north of town where Rusty Maule lives and plan to raise sugar beets and potatoes. They came from Scottsbluff. Joel Babcock of Humbolt was the guest of his aunt, Mrs. Robert Van Horn Monday and Tuesday. Mr. and Mrs. Clyde Barrett were in Grand Island on business Monday afternoon. Mrs. Nathan Maxson submitted to a major operation at University Hospital in Omaha Friday. Mr. Maxson is in Omaha with her. Mr. and Mrs. Clyde Barrett spent Sunday afternoon and evening in the Wm. Worrell home. Mr. and Mrs. Ed Lee and Mabel Lee attended the funeral services of Emil Poth at Valleyside Sunday afternoon. Relatives have received announcement of the marriage of May Lee, daughter of Mr. and Mrs. Ernest Lee, to Godfrey Young at the Methodist parsonage at Caldwell, Ida., on March 12. The Lees left North Loup for Idaho about a year ago and Mr. and Mrs. Lee visited here last winter but May did not accompany them. Mr. and Mrs. Young will make their home in Marsing, Ida. Mr. and Mrs. Fred McKeown were in Wolbach on business Monday. Mrs. Lou Stine, Mrs. Opal Beebe and Irene Meyers spent Sunday afternoon in St. Paul with Mrs. John Jordan. Thursday and Friday are to be clean-up days in charge of the Variety club. Mr. and Mrs. Orville Noyes are moving to a farm in the 42 district where they will work for Bud Knapp. Muriel Bartz celebrated her birthday Sunday by having Jane Hoepfner and Edna Hawkes as dinner guests. Richard Bartz came down from Ericson Monday because he had a bad case of poison ivy. He remained over for a few days to have it taken care of. Helen Madsen was up from Grand Island for the day Sunday. Mr. and Mrs. W. H. Vodehnal entertained the dinner bridge club Friday night. Decorations and favors carried out the Easter idea. Mr. and Mrs. H. L. Gillespie won high score. Mrs. Claud Thomas was hostess to the Nolo club Tuesday afternoon. Mrs. Ada Springer conducted an interesting lesson on Education of the Blind. The Fortnightly club held their annual guest day Wednesday afternoon at the home of Mrs. Wm. Schudel. Mrs. Geo. Gowen, Mrs. Mills Hill and Mrs. Merrill Anderson were assistant hostesses. Mr. and Mrs. Corwin Springer of Cotesfield spent Saturday night at the A. G. Springer home. Mrs. Clyde Willoughby went to Grand Island Saturday and remained with Clyde at the St. Frances hospital till Sunday. Sunday Mr. and Mrs. A. L. Willoughby stayed and Mrs. Clyde Willoughby came home. Tuesday Clyde's condition was enough better so doctors were able to set his broken arm. It is still undecided when he will be able to come home. Wm. Earnest who has been in veterans hospital at Lincoln for several weeks submitted to a minor operation last week and unless it is necessary to have another operation he will be able to come home the last of this week. The business and professional women's club met Tuesday night with Dorothy Campbell. Dorothy Gudgel was assistant hostess and Ann Johnson led an interesting lesson on tuberculosis. I. J. Thelin was in Ord and Burwell on business Tuesday.

Saturday Sale

at the Sale Ring in Ord
SAT., APRIL 16
Sale Starts at 1:00 O'clock

In last Saturday's Sale we had a nice run of stock. But, the buyers were a little backward. The market was steady to slow, due to the cold weather, and the desire of local buyers for better climatic conditions.

In next Saturday's Sale, we look for:
100 HEAD OF CATTLE

125 HOGS. 55 of these are hamp weanlings as fine a bunch of pigs as has been in our auction this spring. And, they will be sold in lots to suit the purchaser. Balance will be brood sows and stock pigs. There has also been a good market here all the time for your fat hogs.

We have been notified that there will be 8 head of good young horses. So bring in your consignments.

This market is working for the interests of every consigner.

You Can Depend on CORNHUSKER HYBRID SEED CORN

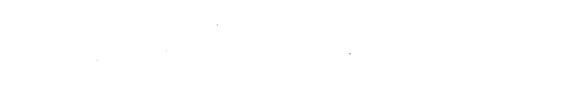

For 15% to 30% HIGHER YIELD —larger, heavier root system—stiffer stalks—uniform ear height—plant genuine Nebraska-Grown, Nebraska-Certified CORNHUSKER Hybrid Seed Corn.

Every bag is State-Sealed—carries the State-Certified tag. This is your guaranty it has been produced under the supervision of the Nebraska Crop Growers' Association—and is the right seed for your conditions.

Beware of seed that has NOT been tested and proved in Nebraska.

An increased yield of only 2 bushels per acre, at 50c, pays the cost—whereas the average increase for five years has been 7.3 bushels per acre.

Noll Seed COMPANY

When You And I Were Young Maggie

April 12, 1938. The city of Ord had two good wells which supplied the city with water sufficient for any ordinary use, but there was not enough reserve supply for emergency.

Mr. and Mrs. R. P. Flynn celebrated their twentieth wedding anniversary. Eighty Ord students were going to the fourth district music contest which was to be held at Grand Island.

Blaha Bros. Chevrolet company sold eleven cars in one week, the purchasers being Reimer Bouma, Tom Rogers, William Blaha, A. G. Baird, Anton Grabowski, L. J. Auble, Frank Blaha, Sr., Louie Vancura, Louie Blaha, Beryl Miller and W. J. Hather.

John Powell, Burlington station agent at Elyria, retired after forty years as Elyria agent. He expected to spend his time fishing.

The Ord council sent a resolution to Congress, asking that hydro-electric power be included as a part of the flood control plans. The plan was to conserve flood waters in Nebraska for future use, and use the power of the impounded water for generating electricity.

A Boy Scout troop was to be organized in Ord, and George Round, Jr., was pushing the proposition. The Quiz contained the story of O. P. White, the man who operated North Loup's only factory, and made brooms.

Plans were progressing for a track meet which was to be held at the Ord fair grounds Friday, April 13, with six schools competing. In the primary election the Norris slate was victorious over the state.

Edwin P. Clements, Jr., received his appointment for a second term as postmaster of Ord. The Burlington was to put in a "Y" or enlarge the turn table in Burwell, as a preparation for the running of a motor on this branch.

Miss Clara McClatchey assisted in the organizing of a parent-teachers association at Barker district

April 11, 1918. Blind Ed Wilson, one of Ord's well known characters, left for his new home with a sister in Council Bluffs.

The A. C. Wheeler family bought the G. H. Russell home and were moving into it. The Russells were expecting to make their future home in Lincoln.

The Bailey and Detweiler hardware had another carload of Dixie Flyers coming, and some of them were already sold. Arthur Dally, who had shipped his goods to Wyoming, did not find conditions there to his liking and shipped them on to Olds, Alberta, Canada.

Jim Holsington phoned County Agent Roberts that he feared his horse had the cholera. Roberts diagnosed the disease as cholera and vaccinated the herd, hoping to cut down losses and the spreading of the disease.

Cal Stewart, the celebrated "Uncle Josh", not of radio, but of phonograph record fame, and his company were to appear at the Bohemian Hall, April 13. Auble Bros. were guaranteeing the company's expenses and giving the high school an opportunity to make any extra.

The city authorities were considering a proposal of Engineer Lund to hire him and his wife at a price of \$3,000 per year to do all the bookkeeping and clerical work, superintend the lighting and water works, read all meters and make collections.

The Valley County Agricultural agent's office was open in the Misko building across from the Ord post office, by Arthur L. Roberts, who was agent at the time. George Kellison, Jr., left for Seattle, Wash., where he expected to take up government ship building.

W. J. Draper went to Perkins county to look after his farm there and to see if Clayt. McGrew, who was doing the plowing and seeding, was working according to orders.

At the village election North Loup went dry and Wellman, Earnest and Jones were elected to succeed themselves as trustees. Rev. Hamkin, who had Evangel-

ical minister at North Loup, moved to West Point, Nebr., where he was to be minister for the coming year. The First National Bank was moved from the old building to the new \$20,000 building on the opposite corner. The exact date of moving was stated as April 8. The building was erected by Charles E. Goodhand.

Rev. Charles Smith preached at the Ord Methodist church and pleased his hearers very much. Ord markets were as follows: potatoes, 50c; butter, 16c; eggs, 10c; hens, 7 1/2c; hogs, \$5.25; rye, 56c; oats, 43c; corn, 58c; wheat, 78c; barley, 30c and popcorn, \$1.50.

Norman Holt planned to plant 10 acres of potatoes on the Jonas Van Wie place in 1938. V. Barta of Springdale died as the result of injuries he received in a runaway. He was not quite fifty years old.

The Ord Mercantile company had organized a plan to have a wagon call upon the farmers of Springdale community and deliver goods from the store directly to their homes. Fred Moser, then employed on the W. N. Hawkins farm, was kicked in the jaw by a colt and Dr. Miller found it necessary to take three stitches in the inside of his mouth and two on the outside to close the wound.

Several cases of diphtheria were reported from Elyria, and several families were under quarantine. The Ord and North Loup baseball teams were scheduled to play in the first game of the season at Ord Friday, April 10.

The Ord Somerset club held a party in the basement of the First National Bank building. The ladies were not pleased with the lunch served, so they all went to Smith's restaurant for a real meal. The electric lights went out before the meal was finished, but other lights were provided. The younger generation don't remember Somerset.

Charley Partridge had bought the Hotel Ord again, and was to resume active management once more. He bought the building from Wencel Misko. At a debating contest held at Grand Island, Archie Coombs won first place and the opportunity to contest in the state meet later.

Charles Stichter was knocked down and injured by a stallion in a stall at Cambridge, Nebr. His breast bone was broken, and it took two doctors to repair the damage. Charley is still with us, but the chances are the doctors are both gone.

On Wednesday, April 13, Congress took the step that made war with Spain inevitable when they empowered the president to take whatever steps were necessary to stop the war in Cuba and secure permanent peace. R. M. Hayslip stepped on a nail and was going about town with one foot in a sling. He now lives at Ansley.

O. W. Taylor, the waterworks engineers at Ord, and Miss Minnie Miller, daughter of R. L. Miller, editor of the Burwell Eye, were married at Burwell, Tuesday, April 12. They were to make their home near the water works. Due to rain there was a very poor attendance at the opera house, where Doc Bixby was scheduled to deliver one of his well known lectures.

E. S. Eves had made arrangements to revive the defunct North Loup Loyalist, and the first issue was to appear in a few days. Mr. Mrs. Roy Swanson and Harold spent Tuesday in the Bert LeMasters home in Ord.

Jake Walahowski disced a few acres of ground for Herman Swanson Monday morning. Mr. and Mrs. R. Jay Davis and Lucile Swanson visited relatives in and around North Loup Tuesday. Mrs. Davis' brother, Will VanHorn, suffers from heart trouble and Mrs. VanHorn is unable to do her own work because of rheumatism.

Mr. and Mrs. Bill Flock visited Mrs. Flock's relatives Sunday. Mrs. Conner and son Arthur of Burwell visited Mrs. Conner's daughter, Pearl Swanson Sunday. Elsworth Alderman is assisting Bill Flock with his spring work. Several from this community went to Burwell Thursday to sign for their 1937 government checks. It was necessary to clear the roads of snow again last week. Elmer Hallock, with the help of some men from Burwell kept the road passable most of the time.

Head and Jay Nelson visited Jay Davis' Wednesday afternoon. Herman and Roy Swanson exchanged work butchering Friday. They butchered for Roy in the morning and for Herman in the afternoon. Mrs. A. J. Swanson visited Pearl in the morning.

Eves had until recently been the editor of the Atkinson Graphic. Prof. R. W. Bond was publishing his new piano edition of the famous hand piece, "Across the Missouri," which he had written. His picture was to appear on the title page. Doubtless some of those pictures are still to be found in Ord.

Van Matthews was holding down a good job as conductor on the street railway in Omaha, and had been up to Burwell for a visit with relatives there. April 12 Ord and vicinity received a slow steady rain of .37 of an inch, which put the ground in perfect condition for planting.

The Macs had it when it came to the hotel business in Ord. Mrs. J. L. McDonough had sold the Hotel Ord to another proprietor by the name of Mrs. McHenry. Ord also had another hotel man by the name of McCord.

L. D. Bailey and Sons were advertising suits to suit every pocket book, at prices ranging from \$2.75 up to \$12.50, and the higher priced ones were all wool. Elected trustees of the village of North Loup were George Larkin, W. P. Everingham, L. C. Wellman, J. E. Goodrich and A. T. Jones.

J. F. Earnest of North Loup had moved to the C. E. Winslow place for the year of 1938. A new schedule of water rates was printed in the Quiz and it would have taken a pretty good lawyer to figure out how much the average man's water rent amounted to. Tariffs were laid on no less than seventy types of business in addition to the regular rates by meter. The meter rate started at 30c per thousand gallons and tapered down according to the amount of water used.

New Dramatics Teacher Elected in Ord Schools

Miss Wilma Shavlik of Morse Bluffs, Nebr., has been elected normal training, English and dramatics instructor in Ord high school. Miss Shavlik will succeed Miss Ellen Servine who recently resigned, effective at close of the present term. Miss Shavlik has had eight years of teaching experience, and will receive her A. B. degree from Midland college in June.

As a dramatic coach, Miss Shavlik has directed plays for the Universal Producing company of Fairfield, Ill., the Pontiac Civic Players of Pontiac, Mich., and the Community Players of Fremont, Nebr. —Among Burwellites in Ord Saturday were Elmer Kent, George Schultz, Claude Dent and their wives.

It was moved by Councilman Burrows and seconded by Councilman Sershen that the claims be allowed, and warrants be drawn on their respective funds for the same. Carried.

The matter of purchasing the Ingersoll-Rand engine was next in order. After considerable discussion, it was moved by McGinnis, and seconded by Burrows, that the matter be laid on the table until April 8, 1938, and that the Council adjourn until that time. Carried.

April 9, 1938.

The Mayor and Council of the City of Ord, Nebraska, met in adjourned special session in the City Hall at 7:30 o'clock p. m. Mayor Flagg presided. City Clerk Rex Jewett recorded the proceedings of this meeting.

The Mayor directed the Clerk to call the roll. The clerk called the roll and the following Councilmen were present: Val Pullen, Guy Burrows, Frank Sershen, J. W. McGinnis, Joe Rohla and Frank Johnson. Absent: None. Also present at this meeting were Mayor-elect M. B. Cummings, Councilman-elect M. Blemmond, and Councilman-elect Joe Dvorak.

Mayor Flagg addressed the meeting with the following speech:

"Gentlemen: As the purchase or the non-purchase of an auxiliary engine is, to my mind, the most important step confronting our City at this time, I have called this adjourned meeting of the Council and have invited you Gentlemen who are about to assume your places on the Council to be present, in order that I may clarify the position of the present Mayor.

At our last meeting, the Council appeared to be unanimously in favor of the purchase of the six cylinder Ingersoll-Rand engine, now located at Franklin, Pennsylvania. A minor matter had to be ironed out at that time, relating to the inclusion of some spare parts at the quoted price of \$18,700. This matter is now settled.

Not wishing to assume a position not in keeping with the policies of the new Council, and with only 18 days until they assume office, I would like to have this meeting adjourned to April 26, 1938.

It has taken much study on the part of this council to arrive at the decision to spend such a sum of money; many angles must be considered in arriving at a decision on this question.

Therefore, I am asking the new mayor and council to give this matter the attention it obviously deserves. The intervening 18 days will be ample time in which to seek expert opinion, and no harm can come from the loss of two and one-half weeks in adjournment."

Some discussion ensued concerning certain technical matters in connection with our local plant. It was moved by Councilman Pullen that the Light & Water Commissioner communicate with dealer selling the Ingersoll-Rand and request an extension of the contract time until after the meeting of the 26th. Councilman Johnson seconded this motion. Carried.

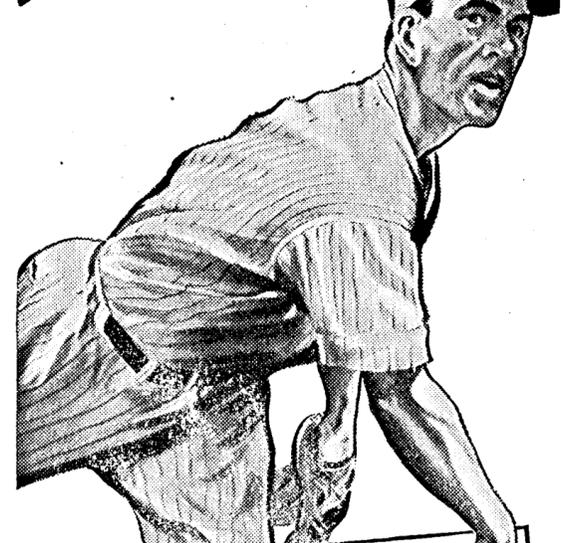

There being no further business to come before the Mayor and Council of the City of Ord, it was moved by Pullen and seconded by Johnson that the meeting adjourn. Carried.

ATTEST:

City Clerk, Mayor.

One Way To Keep Warm.
Monday while raking stalks, a team being driven by Norman Kellison, had their tails badly scorched, after making a real race in an attempt to get free from the rake. Stalks had caught on fire in the rake, and when the team felt the heat they left for other parts at once, and did not take Norman with them. They went through a couple of fences before they were relieved of the rake.—Hamburg Reporter.

WHAT MAY BE EXPECTED. Below are given extracts from a couple of our exchanges, which are a sample of the trouble experienced by a number of papers the past week.

Danabrog News: - If news which would otherwise appear in the paper this week is missing, it is because we were without power to operate our typesetting machine several hours on our press day, Wednesday. Electric service failed temporarily because of a sleet storm Tuesday night and Wednesday.

St. Paul Phonograph: - The Phonograph will be late in reaching you this week, because of the fact that there was no electricity with which to do our work. Without electricity a modern print shop is entirely tied up. We want you to know that the paper's delay was caused by circumstances entirely out of our control.

Without entering into the question of whether the change from municipal lighting to hydro-electric power is advisable or justified, let us skip the controversial issue and confine this article to facts which must be faced. It is inevitable in the transmission of power from a distance that there will be interruptions in the service. Perhaps it is providential that the storm came when it did.

It proved definitely that both Ord and Burwell must have stand-by power ready for use whenever such interruptions occur. This fact has been realized by the city authorities ever since the question of taking Platte Valley power came up, but the storm of last week brought it squarely before the people. Whether we like the idea or not, Ord must be prepared for emergencies.

The new council must decide, not whether they need the plant for a stand-by or not, but whether the equipment of the present plant is sufficient to handle the load when called upon to do so. Even if it is conceded to be sufficient for present conditions unless one engine should break down just at the time stand-by service is required it must be remembered that with completion of the irrigation project a building boom is due soon, and processing plants using much electricity will begin to locate in the valley, it is fondly hoped. In five years the amount of energy used here may double or triple.

A reserve plant must not only be sufficient for the needs of the present, but must be adequate for the growth of the future. With the purchase of hydro-electric energy at a higher figure than it costs to produce it at home, the city will not be able to build up a large reserve as in the past. The financing of added units in the future may be a difficult problem.

This is not written to influence public opinion, but rather to present facts that Ord must face. We might not have another such interruption of power in central Nebraska for a year, and it might come over night. But, knowing that it will come, we must be prepared. Whether our present equipment is adequate is a matter for the mayor and city council to decide, and the people of Ord must have faith in their ability to decide it rightly.

From the Gothenburg Times comes the following item, which is similar to many that have been printed in Platte Valley papers in the past, and that will be in the future.

"A break in the Phelps County canal of the Tri-County Project occurred on Sunday, washing out about 25 feet of canal bank. The ditch was carrying about six feet of water, and it is thought seepage started through a porous section of the bank. Inflow of water from the river was stopped and the gates at the siphon about three miles away were closed until repairs are made. The break was in a bank over an under-drain structure. About a week will be required for repairs."

The washing out of canal banks along new canals is something to be expected, since the dirt has been recently thrown up, and has not had time to settle. The canals will be carefully seasoned, but in spite of the best efforts of those in charge, a break is likely to occur. Eternal vigilance is the price of good canal service. With a new canal seepage may start and the break occur in a very short time.

Even in old canals breaks occur, and are frequently caused by rats or squirrels digging holes in the

bank. Patrons of the canal may frequently save extensive damage by notifying ditchmen of impending breaks. Like power line breaks, they may be a long time in coming, but canal breaks are certain to occur. Damage may be reduced materially if all patrons cooperate with the management.

Many other less objectionable things may be expected as soon as the ditches get into active operation. First, there will be a marked increase in the yield per acre on lands properly irrigated. Second, new types of crops will make their appearance, and will be cultivated extensively. Third, the processing plants and factories will spring up in the valley, furnishing employment for a large number of people during the harvesting season of the year.

Cheap labor, Mexican or Russian, will come in as it has in western Nebraska, and these people will present a problem all of their own. Perhaps they will live in a town of their own, as they do now at Scottsbluff. But with them also will come a better class of citizens, in the persons of the management of these factories. Ord has waited long for this opportunity. It has always been a good town. It will grow to be a better city.

VIEWING WITH ALARM. It is an old editorial custom to "view with alarm" at periodic intervals, and of all the matters that are customarily viewed in this fashion taxes are so viewed oftenest, so it is perhaps not out of place for the Quiz to do a little "viewing with alarm" at this juncture.

In speaking at a Tax League meeting in the eastern part of the state last week, Walter Pierpoint, of Omaha, brought out some figures that should be read and their significance heeded by every citizen. In 1916, Pierpoint showed, \$1 out of every \$12 of national income went to pay the cost of government—local, state and national. In 1930, this had risen to \$1 out of every \$6. At present the cost of government is \$1 out of every \$3 of national income.

Putting it in another way, total taxes paid by citizens of the United States in 1937 were about \$17,000,000,000. That was the cost of government—local, state and national. Interest on public debts of municipalities, counties, other political subdivisions such as school districts and townships, states and the national government, is of course included. Cost of national government alone, including interest on its \$7 billion dollar public debt, was eight billions of dollars, or thereabout.

And what was the total national income in 1937? It was, roughly, 50 billion dollars.

Taxes, then, consumed \$1 out of every \$3 of national income. Every family in the United States labored four months out of the twelve months to pay cost of government alone. One-third of every dollar earned by every wage earner in the country went to pay cost of government.

It is a fact that since 1920, at least, governmental cost has been growing constantly while national income remained almost static for years and beginning in 1930 has been declining. Without doubt our burden of taxes is the greatest deterrent to return of prosperity.

My Own Column

By H. D. Leggett

Almost everyone has some sort of hobby. Some hardly realize it, but they have a hobby just the same. I believe the man or woman who has a hobby and rides it hard, lives longer and enjoys life better, than does the person who has no hobby. I have several, one big one and several little ones. The big one, but shucks, you all know what it is and I am going to start riding it hard in about 30 days now.

Yesterday evening here came a special messenger from the Ord postoffice with a funny looking letter. The front of the envelope had a picture of a guy standing up in a boat and holding a big fish. The fisherman's hat had blown off and the fish was bigger than man and boat together, and why, with just the words, Ord, Nebraska, under the picture, the postoffice boys should pick on me, is a mystery. Opening the letter I found it was from my good old friend Doc Rich and all he said was that he wanted to know whether I was known as a fisherman at home. Just for that I am going to invite the old cuss up to Minnesota this summer and get him out on the lake and then find out for sure whether he is as good a swimmer as he claims to be.

But I started to talk about one of my little ones—hobbies I mean. It is a thing called blotters. I have a place for them and always put away a nice or unusual blotter, any blotter in fact that is different than those I have. I always appreciate getting a different blotter.

Judge Clements has a beautiful hobby. It is flowers and for years his Ord home grounds have been one of the show places of Ord. He likes to dig in the dirt and plant flowers. Year after year, during the recent dry years, his grass has killed out, his wonderful roses have withered and died; his other flowers, those that survived the drought and hot weather have been eaten by the grasshoppers, but when spring comes he goes to work

LITTLE RAY OF GOLDEN SUNSHINE

to repair the damage with just as much enthusiasm as ever.

The late J. H. Capron had a hobby. His was raising fine dahlias and he paid fabulous prices for roots and raised some of the most beautiful dahlias to be found anywhere. He was an old man when he passed on but he was looking after his dahlias up to the last.

W. A. Anderson, well known and much loved Ordite has long had as his main hobby, gardening and though well up in the eighties, he is already spading and planning and planting and hoping that 1938 will bring him more pleasure than for several years. He has loved trees and had his Ord home grounds well planted to them but he has seen them, mostly die in the past few years and he almost lacks the heart to go ahead and try to replace them.

Peter K. Jensen has a different kind of hobby. He saws out all kinds of ornaments, shelves, match safes, whatnots. I have a beautiful wall piece which Pete gave me several years ago and there is seldom a day that I don't notice it, pick out a match or point it out to someone else can get one and some days I go to it several times and never without thinking, how thoughtful my good friend Pete was to give it to me.

Just last week we had a picture of a North Loup man and the result of his hobby. John Ward also whittles out willow canes and makes inlaid cribbage boards and checker boards. Judge John L. Anderson rides the kodak hobby to a fareyouwell, as do numerous other Ordites. Guy Burrows is never quite so happy as when he can get time to gather his fly rod, assortment of flies and his trout basket and go to Long Pine. He did so often until he got into the laundry business and now he doesn't often find the time to indulge that hobby.

And all these hobbies are conducive to long life and happiness. I believe any man who can and will, go fishing a day two or three times a month, will add many years to his life. That, of course, if he enjoys fishing. Dancing might serve the same purpose if that was his hobby and he did it cleanly, save for the fact that dancing usually lacks the advantage of being out of doors. Of course no one is going to dance or fish or make checker boards or kodak unless he enjoys it. Occasionally there is a man who never takes any time out from grubbing for more money, and that man seldom attains long life or great happiness.

Politics. Although a majority of one vote would elect, when both candidates run as close as Cummins and Flagg, neither have much to crow over. In North Loup the election was very calm. Art Hutchins and John Paul Jones were elected on the school board. It was a little surprising that Paul beat Chas. Sayre. Both men are fine fellows with few enemies but Charles had recently resigned his position in the Co-op Credit Association and has said he might not vote for him because of that, thinking his election would only make a vacancy.

Paul had said he did not want the job and withdrew but the election board prevailed upon him to leave his name on for they could find no one else to accept. Paul finally consented feeling sure Charles would beat him. Paul said his father had been on the board for years and that was enough for him. Paul requested everyone not to vote for him and said if he was elected everyone would be sorry. One thing, he would do his utmost to put an aeroplane landing field on top of the school house. And then he was elected by a good majority. After it was over some of us asked Paul for a cigar. He said he would give anyone a cigar that he was sure voted for him, but no one accepted. We were suddenly aware any cigar he might give for that purpose would be loaded.

It is said that in St. Paul another candidate by the name of Jacobs has filed for the unicameral—another candidate besides Frost. That will split the vote in that direction. Let us still hope that no one files against Vern and splits the vote in this section. We'll have a good chance of electing him if he is alone.

Always Pleasant. Charles Sayre has resigned his job in the Co-operative Credit Association. As yet his plans are not complete, but he has given serious consideration on moving to California where several of his brothers live.

It will be with regret if Charles leaves. I officed with him in the bank building, seeing him frequently and I have yet to hear him say a cross word. He always has been pleasant to me. The town has not had a more public spirited man in years. He

WASHINGTON LETTER

CCC, Now Five Years Old, Has Given 2,242,000 Youths a Future

BY SPECIAL CORRESPONDENT

WASHINGTON.—As the Civilian Conservation Corps completes its fifth year of existence and enters its sixth year, people all over the country are showing renewed interest in this plan to take underprivileged youths from city streets and country crossroads and give them a chance to rehabilitate themselves.

The multifarious projects on which the CCC boys are engaged—tree-planting, swamp-clearing, road-building, flood and fire fighting and prevention, to mention only a representative few—are familiar to most people. Congressmen, too, are not unaware of the value of these activities, and their arguments have been confined, largely, to such questions as how the CCC should be operated, whether it should become something in the nature of a United States army reserve, and whether its appropriations should be decreased or increased.

At the close of this first five-year plan, in which a total of \$1,920,000,000 has been expended on 2,242,000 youths, it is timely to consider what effect this training has had upon the average CCC boy.

THE average youth in the corps, according to statistics compiled by Director Robert Fechner, is an American citizen 20 years old, unmarried, free of any communicable disease and a member of a family that requires help. He has completed grade school, but not high school. Before he joined the CCC, he had been out of work seven months. Things picked up for this average youth when he joined the CCC. Good food and plenty of it,

a man's work, the company of others his own age and a little pocket change made a big difference in his life. What's more, he was given additional education and practical training in some field for which he was fitted by inclination and ability. Perhaps he learned the technique of an auto mechanic.

At the end of his period of enlistment, his weight had jumped to an average of 147 pounds—which is approximately normal for his average height of 5 feet 8 inches. Before he came to camp, he weighed considerably less.

AND what of the folks back home? The CCC enrollee has not forgotten them. Every month, according to the rules of the game, he has sent them \$24 from his earnings. According to Fechner, the average boy has three persons partially dependent upon him.

CCC training has given many a youth a future. During the last year, about 8500 boys left camp for private employment every month. That paints a picture of hope for these boys who once knew only idleness and despair. If no job turns up at the end of their ten-month enrollment, they can re-enlist for another term.

In 1940 the CCC will expire unless Congress votes its continuance. In the light of the corps' record, many believe its chances of extension are extremely good. They agree with Fechner when he says: "The CCC has exerted a mighty influence for good in conserving American manhood, a priceless national asset."

Many towns have municipal bands, but not bands of several ages, as Ord does. Many towns do not hire a paid music teacher in their schools, nor a paid bandmaster either.

Ord residents have only to inquire at neighboring towns about bands, music, and young people to find out how fortunate Ord is in having such splendid musical training available for youngsters of their city.

The Business and Professional Women of Ord are planning another of their inimitable parties, and want you all to save the night for them. They have chosen the 25th of this month to re-open their "Rainbow Night Club" again.

Dr. Rich of Grand Island had himself some fun, when he addressed a letter to H. D. Leggett only by pasting a picture of a fisherman on the front, with Ord, Nebraska subscribed beneath it, and the letter was promptly delivered. A trick just like the ones from which Robert Ripley makes a daily feature in hundreds of newspapers over the United States.

Ord friends will be sorry to hear of the tragic ending of the husband of the former Wilma Abernethy of Ord. Stuart Hosman was killed in an automobile accident in California a few days ago, leaving three small children for Wilma to raise.

Wilma was a pretty Ord girl graduate, and her three children are as pretty as any pictures in the magazines.

(Continued on next page.)

WHAT meaning and application has this lesson for today? We live again in an age when ruthlessness and violence are rampant, and when the faith of men is largely in the power of the sword. Can we find hope as we read the story of Jesus, the victorious servant, that will give us a new confidence in humility and service, in goodness, and love, and unselfishness? The story of the Resurrection has little meaning for us unless it does deepen our faith in the things that cannot be destroyed, even though those who preach and practice them may be persecuted and crucified.

While millions of our fellow-men are suffering from violence and tyranny we cannot hope to improve the world by adding to its violence. It may be our duty to do all in our power to curb the violence of ruthless aggressors and rescue those who suffer; but an immediate duty is to free our own hearts from hate and evil, and overcome evil with good.

The Triumph of Humility

The International Uniform Sunday School Lesson for April 17. Text: Acts 2:22-36.

THERE is a note of joy and victory in this Easter Sunday lesson, which is a part of a powerful sermon Peter preached on the life and death of his Master. He brought directly home to the consciences of those who listened their responsibility for His death that they turned by thousands in repentance to accept the Christian way of living.

HERE Peter informs those who had participated in the crucifixion of Jesus or who had consented to it that despite their cruel and evil action, God has ordained something better, and that He has raised this crucified Jesus from the dead in newness of life and triumph. Peter is speaking mainly to those who are acquainted with the Old Testament Scriptures and tradition; and he that turns to the promise of David that the Holy One should not see corruption and that the Messiah should sit upon the right hand of God, to speak of the fulfillment of these Scriptures in the Resurrection of Jesus. "Let all the house of Israel therefore know assuredly that God hath made him both Lord and Christ, this Jesus whom ye crucified."

The title of our lesson is "The Triumph of Humility," and the title suggests what must impress us more than anything else as we

read carefully this final verse of the lesson. The Resurrection of Jesus meant the vindication of humility and service. The man who had cared for nothing but His mission of love in the world and His purpose to bear witness to truth was done to death by the bigoted, and the sordid, and the self-seeking, but rose in triumph over these enemies and over death through the power of God and the strength of His righteousness.

There is a note of joy and victory in this Easter Sunday lesson, which is a part of a powerful sermon Peter preached on the life and death of his Master. He brought directly home to the consciences of those who listened their responsibility for His death that they turned by thousands in repentance to accept the Christian way of living.

60th Anniversary Will Be Observed By Ord Methodists

All-Day Services Planned for Sunday, April 24; Church Founded in 1878.

All day services in observance of the sixtieth anniversary of the Methodist church in Ord will be held Sunday, April 24, announces the pastor, Rev. Mearl C. Smith. For several weeks various church groups, cooperating with the pastor, have been making plans for this observance.

The program for the day follows: 10:00—Sunday school. At 10:30 the school will assemble in the sanctuary for a 15-minute program by the junior department, directed by Mrs. Leo Long and her group of teachers.

10:45—Morning worship. Music by the chorus choir. Sermon by Dr. Frank Henry Pfoutz of Hastings. Concluded by a brief memorial service in memory of all the deceased members and ministers of the Ord church. Chancel flowers will be provided in memory of these deceased members.

12:30—Basket dinner in which all who desire may take part.

2:30—Reunion. Special music numbers. Addresses by former pastors, Rev. W. H. Wright of Sutton and Rev. J. A. Moorman of Neligh. Visiting members will be introduced and letters read from former pastors who cannot attend.

4:00—Social hour. 7:30—Evening worship, preceded by musical program. Several numbers by the high school girls' glee club, appearing in their robes. A massed choir consisting of the Methodist choirs of North Loup, Arcadia and Ord, will give one number and the visiting choirs will each give a chorus number.

The Methodist society was organized in Ord in 1878 and in 1881 the first church, pictured elsewhere in this issue, was built. In 1887 a gallery was added. In 1901 the church was remodeled. Twenty-five years ago the present church was built but the old church still stands, having been moved to 14th and L streets and remodeled for an animal hospital by McGinnis and Ferguson.

A large attendance at the 60th anniversary services Sunday is expected, particularly of former members who now live elsewhere.

Nickel Fined Sat.

For Intoxication Saturday, on complaint filed by Chief of Police Leonard Covert, Paul Nickel of Spencer, S. D., was brought before County Judge John L. Andersen on a charge of intoxication. He had brought in some harnesses in a truck which Auctioneer Herman Rice was selling on the auction grounds, but he was not willing to let Rice do the talking, but insisted on butting into the matter himself.

When brought into court he was willing to enter a plea of guilty as charged and pay his fine. Judge Andersen refused to permit him to plead at the time, as he was too intoxicated to know what he was doing, but the judge agreed to come down at eleven o'clock that evening and hear the case. At that time Nickel was sober, and paid a fine of \$10.00 and costs of \$11.00, and was permitted to leave.

Menace to Taylor Dam Now Averted

Last week water began trickling through a break in the brush and earth portion of the Taylor dam, for a few days threatening to take out that whole portion of the dam. Officials of the district rented the gravel pump owned by the city of Ord and sent it to the Taylor dam in charge of Vern Stark. Pumping gravel to reinforce the dam started at once and yesterday it was said that danger is over. A wing dam of willows is being built to divert part of the river away from the earthen dam. Trouble of this kind was anticipated when the dam was built, says Engineer-Manager Dunmore, and may occur again whenever the river is at flood stage, but if the earth breastwork does go out it will not be an expensive job to replace it, he says.

Car Overturns, Boys Escape Serious Hurts

Marvin Fox and the Padock boys, of Ord, and Walter Beck of Scotia, escaped serious injury recently when the car in which they were riding overturned on a corner five miles south of Dannebrog. The top covering of the car was torn loose, headlights and radiator damaged, but the occupants were able to right the car and drive it back to Dannebrog. There they received medical attendance at the Dr. P. M. Pedersen office and had minor repairs made to the car. The boys had been attending a dance at Pleasure Isle, near Dannebrog.

Beranek, Benn, Win Scholarship Honors at Uni Convocation

Floyd Beranek and Harold Benn, of Ord, were among 612 University of Nebraska students honored for high scholarship at the 10th annual convocation in Lincoln Tuesday. Floyd, a senior in the pharmacy college, is among those ranking in the upper three per cent of his class and has been one of the honors list four years. Harold, a junior in the agricultural college, ranked in the upper ten per cent of his class. He has been on the honors list each term since he entered university. Members of the Ed F. Beranek family drove to Lincoln yesterday to attend the honors convocation.

Dolsie Waterman Elected Chairman Of Women's Clubs

Extension Work in County to Be Headed by Ord Woman; Achievement Notes.

Thursday was achievement day for all the Valley county extension clubs in the vicinity of Ord. One hundred and fifty members met at the American Legion hall for a meeting and for the exhibiting of their club work for the past year. The exhibit was not as large as it could have been as some of the clubs had disposed of their work and it was not available for exhibition purposes.

Miss Mary-Allen Brown, state extension agent of women's work of Lincoln, and Miss Grace Lee of O'Neill, were present and had charge of the meeting. It was the culmination of the work for the current year, and nothing more will be done in the line of club work until the opening of the new year next fall.

New chairman elected Thursday to head the Ord group of clubs is Mrs. John Mason, who succeeds Mrs. Will Ollis in the position. Miss Dolsie Waterman has been chosen county chairman, succeeding Mrs. Clyde Baker.

The Ord territory has a total of sixteen extension clubs, the names of which are as follows: Jolly Homemakers, Modern Priscilla, H. O. A., Royal Kensington, Happy Circle, Jolly Neighbors, Jolly Juniors, Plain Valley Club, Springdale Kensington, Everbushy Club, M. A. O., Busy Bee, Midvale Homemakers, Rosevale Extension, O. N. O. and Twentieth Century.

Warren Ritz Fined For Road Violation

Warren Ritz of Arcadia had the credit of being the first Valley county person to be arrested by the new highway patrol, when he was arrested Thursday by patrolman J. M. Pierano and paid a fine of \$25 and costs of \$4 in Judge John L. Andersen's court. The arrest grew out of an accident that occurred at an intersection one block north of the main street of Arcadia last March 2.

Ritz coming from the west and Wesley Aufrecht coming from the north collided in the intersection, with about \$200 damage to the Ritz car, and about \$50 to the Aufrecht car. The responsibility for the accident seemed fairly evenly divided, and each man agreed to pay his own loss. However, it was learned during the inquiry that young Ritz was not yet 17 years of age, and had not bothered to purchase a driver's license.

Federated Women's Clubs Convened At Burwell Thursday

100 Members from 5 Counties at Postponed Session; Next Meet at Scotia.

Burwell—(Special)—The Inter-County Federation of Women's clubs, comprising clubs of five counties in the Loup valley district, held a convention in this town Thursday afternoon with attendance of about one hundred. The meeting originally was scheduled for the previous week but postponed because of bad weather. The convention began at 10 o'clock with group singing led by Mrs. Arthur Langstrom, and special music provided by the clubs from Arcadia, Loup City, Rockville and North Loup, and by the Burwell high school band, then was enjoyed.

Talks on club work were given by Mrs. J. A. Barber, of North Loup, 6th district chairman of motion pictures, Mrs. J. H. Cantlin, of Alliance, district vice-president; Mrs. T. E. Cain, of Burwell, junior leader; Mrs. Ruth E. Elliott, of Kearney, district president and Mrs. G. A. Butts of Burwell, state chairman of educational work.

At noon luncheon was served in the Congregational church. A short skit given by the Richland club was enjoyed.

Winners in the several contests held by the Federation were announced as follows: Editorial—1st, Mrs. Myra Barber; 2nd, Mrs. Mary Mead; Poetry—1st, Mrs. Mae Miller; 2nd, Mrs. Harry Cook; 3rd, Mrs. Myra Barber; Stories—1st, Mrs. Rena Flint; 2nd, Dorothy Campbell; 3rd, Mrs. Effigene Hallock; Fancy Work—1st, Mrs. Livermore; 2nd, Mrs. J. S. Everett; Embroidery—1st, Mrs. Harry Cook; 2nd, Mrs. Edith Hodgson; Quilts—1st, Mrs. Cassidy, Burwell.

Representatives from clubs of Valley, Greeley, Sherman, Loup and Garfield were present. Officers of this organization are Mrs. W. O. Zanger, of North Loup, president; Mrs. Hanisch, of Rockville, vice-president; Mrs. Hamsa, of Scotia, secretary; Mrs. Carpenter, Loup City, treasurer.

Next Tuesday and Wednesday, at Genoa, a district convention of the Federated Women's clubs will be held. Mrs. W. O. Zanger is going as a delegate from the Inter-County group. Others who will attend are Mrs. Myra Barber, of North Loup, Mrs. T. E. Cain and Mrs. G. A. Butts, of Burwell.

Burwell Feed Store Damaged This Morning

Burwell—(Special)—Fire from a defective oil stove caused considerable damage in the office of the H. J. Coffin feed store at the northeast corner of the square this morning. Ed Franssen runs the place, and had started the stove to heat water. He was away for a short time and the stove evidently burned too high, starting the fire. The alarm was turned in shortly after seven o'clock, and the Burwell firemen got the blaze out in short order, but considerable damage was done before the fire was discovered, most of it being confined to the office.

North Loup P. T. A. Meets. The North Loup P. T. A. met Tuesday evening. The theme of the meeting was "Better Parent- hood" and Rev. W. C. Birmingham had charge of the program. Rev. J. A. Adams gave a short address. A lengthy and diversified musical program was put on under the direction of Delmar VanHorn, musical instructor.

Three Former Pastors to Assist in Methodist Anniversary

REV. W. H. WRIGHT.

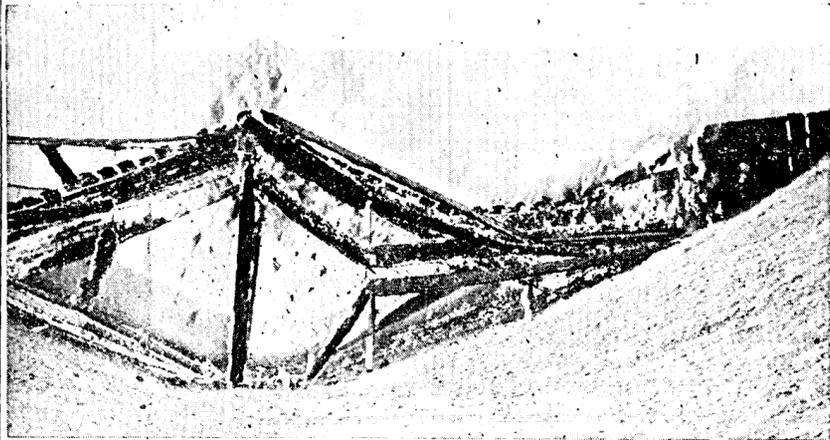

REV. E. H. MAYNARD.

REV. J. A. MOORMAN.

Here are pictured three former pastors of the Ord church, who will join Rev. Mearl C. Smith and Ord Methodists in observing the 60th anniversary of the church's local organization Sunday. Mr. Wright was in Ord from 1930 to 1932 and now is pastor of the Federated Churches of Sutton, having charge of both the Congregational and Methodist churches there. Mr. Moorman, in Ord from 1927 to 1937, now is pastor of the First Methodist church at Fremont, spent seven years in Ord, three years while he was pastor of the Ord circuit when he first came to Nebraska in 1907 and four years from 1923 to 1927 as pastor of the church here.

Tumbleweeds in Burwell-Sumter Canal Ablaze, Bridge Was Destroyed

Lavern Duemey, the Quiz photographer, set up his apparatus late Tuesday afternoon just in time to catch this picture of the North Loup power and irrigation district's bridge as it caved in after catching afire from burning tumbleweeds. The bridge was completely destroyed and will be rebuilt.

2 Arcadia Lumber Yards Consolidate

Outhouse Interests Buy Out Mrs. Lewin; C. Dietrich Will Be Manager.

Arcadia—(Special)—A lumber yard deal of considerable magnitude was completed here this week when the Outhouse interests, of Loup City, who have operated the Keystone Lumber yard in north Arcadia for many years, purchased from Mrs. N. A. Lewin the stock of the Lewin lumber yard in the south part of town.

By May 1, it is announced, all stock in the Lewin yard will be moved to the Outhouse-owned yard, and the consolidated yard will hereafter be known as the Arcadia Lumber Yard.

M. L. Fries started the lumber yard in 1886 and it was located where the home of Alfred Hastings now stands. In 1890 Mr. Fries bought out the Howell Lumber Co., whose yard was located just west of his own, and consolidated the two yards in the location of the latter. Later he sold out to the Foster Lumber Co., who in turn sold to J. K. Ward, and in 1924 N. A. Lewin, son-in-law of Mr. Fries, bought out Ward. Until his death he managed the yard, since which time it has been managed by Mr. Lenstrom.

Carl Dietrich, who has been connected with the Keystone yard fifteen years, will manage the Arcadia Lumber Yard, assisted by Fred Milburn, who has been employed in the Lewin yard fourteen years. Plans of Mr. Lenstrom for the future are uncertain.

Hundred Ordites Hear Lecture on Syphilis

Wednesday evening about one hundred people listened with interest to a lecture by Dr. A. A. Enos under the auspices of the Nebraska Medical Association at the Ord high school auditorium. The doctor took for his subject "The Venereal Disease Problem," and the lecture deserved a much larger attendance.

It is evident that knowledge, of the right kind, is the only way successfully to combat this scourge, and the best way to obtain that knowledge is from those who have had experience in treating the disease and thus can speak with authority. Dr. Enos did not mince matters, but expressed himself in a way that all could understand.

Sentiment in Ord For Car Testing Seemingly Strong

Employees of the Quiz, asked to sound out sentiment for and against establishment of a car testing station by the city, report that an overwhelming majority of citizens talked to during the past week think the city council should appropriate funds to put in a station.

Not only the convenience of a station to residents of Ord and other Valley county communities is to be considered, most people feel, but also the business that will be brought to Ord from other counties that do not have testing stations. Moreover, should no station be put in here, and Ord people be forced to drive to Grand Island or elsewhere to have their cars tested, loss of business to Ord garages and merchants will be far greater than cost of the station, it is commonly felt.

Since the motor vehicle inspection law is here to stay, it seems that a municipal station will, within two or three years at most, be a paying proposition for the city. In view of the feeling held by a vast majority of people interviewed, the Quiz feels that the city council should take steps to establish a station at once.

Birthday Picnic Ends in Accident

Saturday was Evelyn Loft's birthday and to celebrate the occasion Burwell friends planned a picnic trip for her. Sunday evening while the group, consisting of Forrest Swanson, Ohleen Hoppes, Willard Hoppes and Miss Loft, were returning to Burwell on the Ericson-Burwell highway, the car failed to negotiate a dangerous turn about ten miles east of Burwell, going off the grade and hitting the bank.

The quick stopping of the car threw Miss Loft, who was riding in the front seat, forward until her head came in contact with the rear vision mirror, cutting several severe gashes. Miss Hoppes bit through her tongue, and all of them were badly bruised. The car was too badly wrecked to run.

Dr. J. C. Holson and W. L. McMullen came along in a few minutes, returning from a fishing trip to Ericson, and took Miss Loft and Mr. Hoppes to the Cram hospital in Burwell, the others waiting until a car came out for them. Dr. Cram found it necessary to take fifteen stitches in Miss Loft's forehead to close the gashes, after which she was brought to Ord by Mr. and Mrs. Floyd Rowse, arriving home about midnight.

Except for her bandaged head, she is feeling fine, and insisted on sitting out on the lawn Monday evening, and hopes to be able to return to work in a week or two. The turn where the accident occurred has been the scene of a number of accidents in the past, and plans are being studied to eliminate it. No blame is attached to the driver, who was not very familiar with the road.

North Loup Students On Nebr. Honor Roll

Listed in the top three per cent for Nebraska University honors given out yesterday is the name of Donald LeRoy Van Horn, junior student and son of Mr. and Mrs. Merrill Van Horn of North Loup. In the general honors list is included the name of Harold Lester Schudel, member of the class of 1940 and son of Mr. and Mrs. Edwin Schudel of North Loup.

District's Biggest Wood Bridge Burns Tuesday; Cost \$1500

Thistle Fire Spreads, New 30 Foot Span Destroyed In Matter of Minutes.

A timber bridge across the irrigation ditch on the county road that runs past the old Bailey farm in Springdale, built recently by Inland Construction Company for the North Loup irrigation district at a cost of \$1,500, was totally destroyed by fire Tuesday afternoon.

Wayne Turner, who occupies a farm owned by the Travelers Insurance Co. just north of the timber bridge, was burning a fence row of Russian thistles and fire spread to thistles packed beneath the bridge, in the ditch.

Though Mr. Turner jumped into the ditch and tried to put out the fire his efforts were in vain. "It was too hot to stand it down there," he told irrigation district officials later.

A chemical company from the Ord fire department made a run to the fire but the bridge was almost totally destroyed within a few minutes. Creosoted piling in the bridge burned rapidly, fanned by a strong wind and added by the big pile of tumbleweeds underneath.

According to E. H. Dunmore engineer-manager of the North Loup project, the ditch had been cleaned of weeds only a few days before but more had blown in during the high winds Sunday and Monday.

The bridge was a 30 foot span, fourteen feet high from the bottom of the canal to the bridge floor and cost \$1,494 to build, it was stated last night at the irrigation office. It was the largest timber bridge built for the district.

It was built by the Inland Construction Company and had not yet been accepted and paid for by the district. The inland people carry insurance on all timber bridges until they are officially turned over to the district, so loss will be entirely covered by insurance, it is believed.

The bridge will be replaced at once.

Regional Bankers Met Here Thursday

The Central Nebraska Clearing House association met in Ord Thursday evening at the Masonic hall. The meeting brought bankers to Ord from ten different towns of this section, there being 31 in all present. A banquet was held with Dr. Karl Arndt of the University of Nebraska, department of economics, and A. J. Jorgensen, president of the Nebraska Bankers' association of Sidney, Nebr., as guests of honor.

Dr. Arndt was the principal speaker of the evening, and he spoke on the subject of "Federal Finance and Replacement." The meeting was sponsored by the association, but all arrangements locally were under the direction of Ord bankers. All in attendance expressed themselves as very much pleased with the program, and the beefsteak dinner served by McQuillan came in for its share of praise.

Evelyn Sharp Sworn In As First Mail Pilot

According to an Associated Press dispatch in the state papers, Evelyn Sharp became the first Nebraska pilot to qualify for flying the air mail May 19, during National Air Mail Week. Postmaster R. E. Benton of Lincoln administered the pilot's oath to the girl Monday.

Evelyn will fly her own plane from Grand Island to Ord and return, with mail pick-ups at towns along the way.

Ord Music Groups, Soloists, Eligible For Nat'l Contest

School Officials Plan Now to Take Band, Orchestra to Big Event in Omaha.

Word received Tuesday by C. C. Thompson, superintendent of Ord schools, and Dean S. Duncan, director of the music department, from the secretary of the national regional board in charge of entries for the national regional music contest in Omaha May 12, 13 and 14, practically assures all Ord superior winners at the district contest that they are eligible for the national regional contest.

The following list is unofficial but it is likely that the Ord schools will send the following groups and soloists to Omaha for the regional event: Band, orchestra, brass sextet and clarinet quartet, and soloists Ruth Auble, Eugene Puncochar and Marilyn Dale. The soloists and small groups are regular members of the band and orchestra and therefore may compete without paying additional dues.

Seventy-two students will be eligible to take the trip and school officials say that sentiment apparently now indicates that patrons will cooperate whole-heartedly in this, the first national music contest in which Ord students have participated.

No direct appeal for cars or for additional funds has been made and Thompson and Duncan are hoping this will not be necessary. Anyone desirous of taking a car load of students to the national contest should, they say, report to school authorities as soon as convenient.

If the Omaha trip is made, members of the band and orchestra will leave Ord Thursday afternoon, May 12, and return Saturday night, May 14.

Greatest benefit of the trip, believes Director Duncan, will come not from participation but from listening to the superior organizations and soloists entered from larger cities. Class B, in which Ord will compete, draws its entries from schools having enrollments of 250 to 500. This group includes such Nebraska cities as Beatrice, Scottsbluff, Columbus, Kearney, Norfolk and cities of comparable size in Iowa, South Dakota, Colorado, Kansas and Missouri.

Every precaution will be taken against accidents in the transportation and housing of the Ord students who make the trip, promise school officials. More parents for chaperones and car drivers will naturally lessen dangers and it is hoped the parents of many of the contestants may arrange to make the trip.

W. H. Smith Will Address Assessors

Through the combined efforts of County Assessor A. R. Brox and County Clerk Ign. Kilma, a district meeting of county assessors is scheduled to be held at Ord tomorrow, April 21. This is the first time that Ord has ever been honored with a meeting of this type, and the local men are making a special effort to make this first meeting a success. In fact it is the first time that a meeting of this kind has ever been held in this section.

Wm. H. Smith, state tax commissioner, is the principal speaker. While the meeting is especially for county assessors, precinct and township assessors and county clerks who wish to do so are cordially invited to attend and take any part in the meeting that they may desire, and the idea is to bring out problems that are puzzling assessors. The meeting will begin at one o'clock and will be held in the court room.

Condemnation Case Settled In Court

A hearing was held before County Judge John L. Andersen Wednesday on an application filed Feb. 10 by the state department of roads and irrigation for condemnation and eminent domain on the land along the new route of highway No. 11, northwest of North Loup, owned by Inez Robinson and others. The land in question is a strip across the south half of the northwest quarter of section 14 in North Loup township, and the amount of land involved is 4.76 acres.

Appraisers appointed by Sheriff George Round and approved by Judge Andersen were Verne Robbins, Alfred H. Crandall and Irving Sheldon. After checking over the land, they agreed upon a valuation of \$655.39, or slightly less than \$120.00 per acre. The land condemned is about half highway and the other half throw dirt for building the grade. It is not known at this time whether either side will file an appeal.

—The Rebekah degree staff, which is scheduled to put on the degree work at the coming district meeting in Burwell, held another practice Tuesday evening.

CLEAN-UP WEEK.

About this time in April of each year comes Clean-up Week, which in many respects is the most important week of the entire year. Nature is starting to put on her new clothes, and it is up to us to get the old clothes she shed last fall out of the way. There is a time for all things, and if this work is not done now, the new growth will hinder it later on.

Clean-up campaigns in the spring are as old as civilization itself, and are one of the best proofs that a people are civilized. No civilized or enlightened person cares to live in the new year with the reminders of the old on every side. It was a good year in many respects, but it is gone. What was worth while has been taken care of. It is up to us to rid ourselves of the trash.

Tin cans have their definite place in our modern way of living, but nothing is more unsightly than an empty tin can. Get rid of them now. Rake up all the trash around the yard, if you have not already done so, and burn it. Get rid of the accumulated trash in the basement, the cave, the garage. Its only value now is to provide a breeding place for vermin.

Trim the dead limbs of the trees and shrubbery. Insect pests find a home in the dead timber. Pile it up and burn it now, and you will rid your community of unsightly bugs and worms later on. Doubtless the burning of trash piles now will cut down materially on the crop of grasshoppers later on, and work that will lessen this menace is commendable.

Hang out your bird houses, if you have not already done this. Build a few if you have none, for every feathered friend who decides to remain as your guest this year, will more than earn his house rent by picking up insects that harm your yard. There is no finer alarm clock than the song of the robin in early morning. They appreciate a home if you will only give them one.

You who read have a large number of magazines that have accumulated during the winter. If you no longer want them, you may know of someone who would like to read them over. You doubtless have some clothing on hand that is no longer of value to you. If so, much of this material can be used by the Red Cross. You will be doing yourself a good turn, and at the same time helping others, if you turn it over to them.

It is not too late for New Year resolutions. In fact, it is the ideal time for that mental and moral house cleaning that all of us need. It is the time of year when nature is in tune, and sings a melody of hope. The old is cast aside and all vegetation comes forth in new glory. Rid yourself of those habits that make you a detriment to the community, and try to make yourself more worth while.

ARBOR DAY.

Friday, April 22, is Arbor Day. It is one day that Nebraskans celebrate more consistently than any other, for it was founded by a Nebraskan, J. Sterling Morton, and was first celebrated in Nebraska in 1872. The observance of this day has since spread to practically all the states of the union, although they do not all celebrate it on the same date, due to differences in climate.

The early settlers of Nebraska found virgin timber scarce except in the principal river valleys. Because of their rapid growth, the first trees planted were largely willow, cottonwood and box elder. It was soon discovered that while these trees grew rapidly they were not suitable for permanent forest trees, and they were subject to disease.

This led to experimental work by the state forestry service, in which a large number of trees were tried, and many cast aside when found unsuitable. Among those found practically worthless were the Lombardy poplar and ash, both of which could not survive the attacks of insect pests.

Among the trees recommended for Nebraska are the Chinese elm, the hackberry, the osage, the red cedar and spruce. The hackberry has proven its ability to resist the drought in the past five years, during which time very few of these trees have died. The osage is one of the best trees to plant for future use as posts, as it grows rapidly and the wood does not rot easily.

In spite of the fact that an intensive tree planting campaign has been carried on through the leader-

ship of the American Legion and other agencies for a number of years, more trees have died in Nebraska in the years of drought than have been replaced. Also the percentage of trees that has lived each year is lower than usual, due to lack of moisture.

If the number of trees planted were doubled the coming five years over what it was the past five years there would be no likelihood of planting more trees than necessary. If ten per cent of every farm and ranch in Nebraska were planted in trees the state's rainfall would be materially increased, according to the best authorities.

My Own Column
By H. D. Leggett

Five and a half years ago we were in the midst of a terrible depression and Hoover was president. They told us that prosperity was just around the corner. They had been telling us that for months, until we got so we peeked around, before rounding a corner, to see if there was anything in sight. At that time the depression was worldwide. Then we (the people) went to the polls and swept the republicans off the face of the earth and put Roosevelt in. In his speeches before election and in his inaugural address the new president stressed the idea of continuing to reduce the public debt and he promised to make savings everywhere. It will be remembered that during the Hoover administration the public debt was continually reduced until a good many billions of the war debt was paid off.

But instead of doing as he said he would, in a little over five years the public debt has been increased by something like twenty billion or double what it was when Roosevelt went in and government employees have been increased several times over. And now, when we are in a worse depression than we were in with Hoover, and with more unemployed than we had when Hoover went out of office, and with the rest of the world out of the old world war depression, the president makes the proposal to congress to spend SEVEN BILLION MORE DOLLARS to try to end the depression which he has been unable to end by already spending TWENTY BILLION DOLLARS. Could a private individual get out of a depression in his business by borrowing on such a scale? If not how can the government?

Appropriating another SEVEN BILLION DOLLARS NOW would of course call for another army of government employees. Can the government put the whole ten or eleven million who are now out of work on the payroll? And if so will that make the 1940 election safe for the democrats?

The administration forces in Illinois were badly beaten in the primary election last week Tuesday. That is the trend wherever there has been any kind of a vote taken. A great unrest is shown and the voters are without doubt getting ready to do something desperate, the only thing they can do, to show their disapproval of the way things are going. There are a lot of senators and congressmen who are going to face sure defeat this fall unless the spending is stopped and the president is sharply rebuked.

Quite a lot of people have looked at the label on their paper this month and sent in a renewal without waiting for me to send a notice. This is very kind and is appreciated, as it saves not only a lot of work but considerable expense also.

By the way that list of 6 magazines with a year of the Quiz for only \$3 is the best reading value we have ever had and a lot of folks are still taking advantage of it. I don't know how long we will be able to make the offer.

I went out the other morning after the little rain and saw several fish worms crawling around. Had hard work to keep from gathering a can of them and hiking for the river.

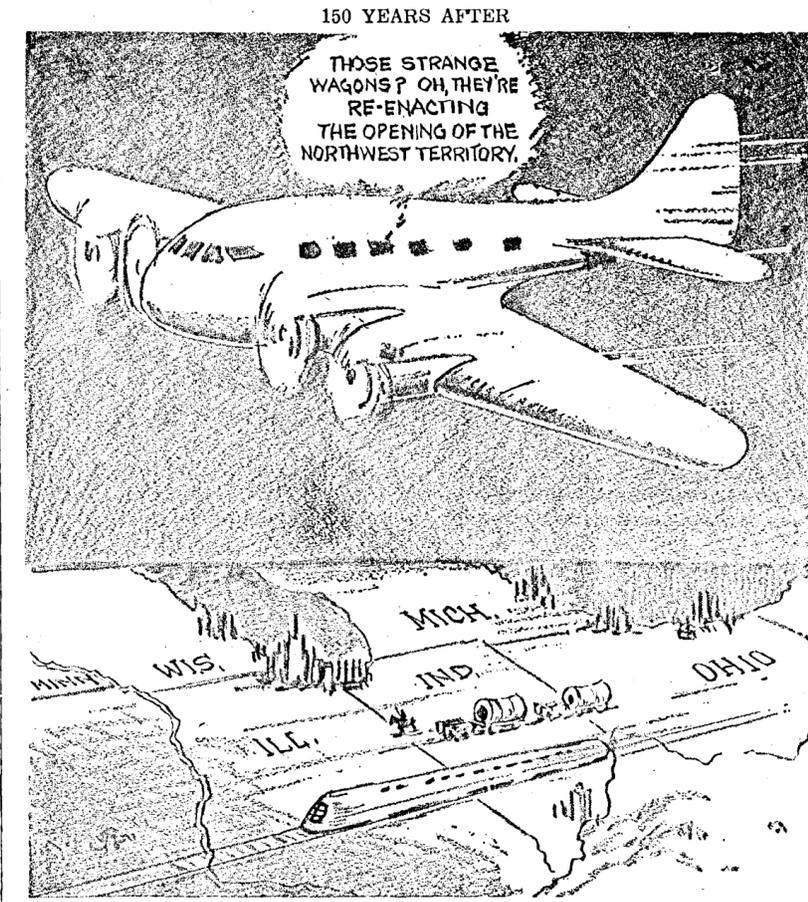

If you are in arrears on the Quiz you can probably tell just how far by looking at your name on your paper this week. The date will be right after the name if you are in arrears.

C. R. Wareham, auditor in the irrigation office, went to Kearney Saturday to spend Easter with his family. When school is out Mr. Wareham hopes to move his family to Ord for the summer.

Mr. and Mrs. Daryl Hardenbrook drove to Fremont Saturday and spent Easter with Mrs. Walter Hansen, mother of Mrs. Hardenbrook, and her husband.

Attend Townsend Meet. Clarence Blessing, Will McLain, Theron Beehrle and Clayt McGraw went over to Broken Bow Sunday to attend a huge Townsend meeting held there. One hundred and fifty delegates were present from all parts of Nebraska, and listened with great interest to the principal speaker of the day, Tom Bradstreet of Grand Island, state president. The crowd was so large that the Ord delegation did not get together to come home until after four o'clock. They have only the highest praise for the treatment they received while in Broken Bow.

A FEW THINGS TO THINK ABOUT!
Written by GEORGE GOWEN

A Good Loser. One of my worst nightmares, along with that of falling off a tall building and trying to get home from town without any clothes, is that of being sent to the penitentiary. Upon a number of instances have I been through the Nebraska institution as a visitor, and each time my mind has been horrified at the thoughts of it for months afterwards. In spite of that it has always been a secret desire that I might be employed for a while in a penitentiary, and that too is a strange phenomenon.

But should the worst come to worst, which pray to the heavens it never does, I hope I can be a sport like Whitney has been. One cannot read of his conviction and his actions but what one likes the fellow a little better even if he did steal a million.

He confessed readily. He did not go to long expensive trials nor attempt suicide. He did the deed and he would take his medicine. He wouldn't allow his folks to weep at the trial and he seemed to agree with the judge who reprimanded him that he was a disgrace. He waved his shackled hand to the camera man when he was taken off and asked that he have no privileges the worst dress of society do not have. His wife and two daughters are selling the furniture to turn the money to the creditors, have rented a small apartment, and the girls have found jobs. They will start over again when he gets out. We all love a good loser.

It reminds me of a man I once saw in a court room who had confessed to thievery. He was reprimanded by the court for his actions, but he faced the judge with a brave countenance answering simply, "I can take it." He did take it, he went to the penitentiary, got out and has been a fine citizen ever since.

We Feel Sorry. The trucking regulations meted out by the railroad commission are more or less of a mystery to all of us. The railroad commission was established originally to keep the railroads and other public utilities from overcharging the public for services and goods the public could not do without to save the people. The commission now seems to have taken a new role in that it is trying to force the rates up, on the public to save the railroads.

We all have sympathy for the railroads if they cannot profit and we would miss the taxes they pay into our treasury should they tear up their tracks and move away. But all indications are that the railroads are doomed, and especially for short hauls, just like the horse and buggy is doomed. We all feel sorry for the horseman too, or the hog man who cannot make his business pay. The railroad commission should step in and tell me I cannot sell my horse for less than a hundred dollars. The decline in the horse business effects many men, to say nothing of the horse sale barn where men have invested many thousands of dollars, similar to railroad investments.

We sympathize too with the railroad worker who is forced out of work because the truck and bus and aeroplane have taken their business, but if one stops to think

Whitney Proves a Good Sport
Protects Railways, Not the Public

There are still too many speeders in Ord, particularly for a family town (Remember, this was a family town I told you last week). Cars and huge trucks roar by our house every day in the week, exceeding the speed limit not a little but a lot. A child or a dog would be a complete ruin if ever found under their wheels.

All the travelers are sore at Ord for enforcing the speed laws in just the way they do. That is, for grabbing strange cars and drivers but neglecting many of the hometown products. The word has gone out that the law is enforced viciously for foreign offenders, and people from other towns tip-toe through Ord, as they do through North Loup and St. Paul too.

But it isn't the foreign cars that speed so much. Or at the least, they whirl through town only once at their chosen speeds, while localites speed on and on. Worst of the local offenders, as it always has been, are the high school youths and the youngsters just learning to drive who simply must impress all beholders with their ability to whirl around a corner on one wheel, or to stop within five feet. I guess kids have always had this fever when they learn to drive, perhaps I did too. It has been so long ago I can't remember. I hope I didn't.

But it is surely dangerous to round corners so abruptly, and to tear down the street raising so much dust (another of my pet housekeeping peevish) that no one could take the license number of the car if they wished.

Last year the Omaha traffic officers conducted a queer test. Two cars of theirs were timed over a certain route, starting and stopping at the same addresses. One car observed every traffic rule and safety precaution. The second car broke every rule, rushed every light, sped madly across the city over the ten mile course. And the time saved, by stop watch, by the wild car was two minutes and a few seconds. The car well driven arrived just that brief bit slower.

So you see, even though you are in a hurry, your tear doesn't save much time. But slower driving is not one bit safer than fast driving unless it is well done, with the laws of common sense observed. Even if it seems silly to stop at a stop sign with not a soul in sight, let's do it.

Just how well would you sleep if you'd strike down someone's toddler in the street? Did you ever think of that.

Carl Anderson of Alhambra, California, has a quaint method of keeping his car unscratched in the heavy traffic out there. Quite a sensible one, too. Says Carl, "When parking or stopping, do it by a new, shiny car. The moral is the owner of that car doesn't want it to be marred either!"

About a year ago now, Carl was doing his darndest to dazzle his country kin from Nebraska, and how he did whiz up to those traffic lights! Many boulevards in California insist on a road-speed of forty miles an hour, and all cars travel at that pace, or are asked to leave the street.

When pedestrians and their children want to cross them, they are about as careful as if the paving

Something Different

Believe it or not, Mr. Beran came across the street the other day and asked me if I cared if he dug some of my dandelions! So I deduce he was either going to (1) have a nice stew of dandelion greens and some kind of meat, or (2) he wished I would dig my dandelions. I have plenty of dandelions. It could easily be (2).

What Other Editors Are Saying

The President has taken it on the chin and been defeated by the House of Representatives three times on his wage and hour legislation. Using every political trick and patronage lever in the deck, offering Roosevelt's first compromise, and finally playing their idea of trump in the reelection "reputation of the president"—all failed. Most hopeful event of 1938 was Roosevelt's defeat on reorganization. It showed responsiveness of representatives, reversal of public confidence, and opened the way to American democracy's rebirth.—Central City Nonpareil.

The Roosevelt spending policy achieved just one thing. It doubled the national debt and increased taxation to the point of confiscation. Since it has definitely failed

WASHINGTON LETTER

Congress Gives Jones, RFC Head, \$1,500,000,000 and Vote of Confidence

WASHINGTON—Regardless of whether Congress decides there should or should not be more government spending, it is certain that there will be continued government lending. Chairman Jesse Jones of the R. F. C. has been given \$1,500,000,000 to lend to anyone in any amount for any length of time, which is evidence that when Congress voted the appropriation, it also gave Mr. Jones a vote of confidence. All but six among 531 members of Congress were in favor of giving him this financial power.

THE R. F. C. loan bill had little difficulty passing both houses with its generous grant and freedom from the important statutory safeguards that previously restricted R. F. C. loans. At the same time, President Roosevelt looks to Congress for \$2,000,000,000 of WPA money and \$1,500,000,000 of Public Works money for a new pump-priming program. But the President will have much more trouble getting his money than Mr. Jones had, and it will not be so

free of restrictions. Though there are four other directors on the board of the R. F. C. Jesse Jones makes the corporation's decisions, and his decisions have made him popular. When the new loan bill was up for consideration, it was criticized by one group which thought Jones too tight-fisted with the money placed at his disposal.

HERETOFORE, R. F. C. loans have been limited to industrial corporations, but under the new law, loans can be made to "any business enterprise." Concrete evidence that Congress trusts Jones is the change which allows R. F. C. now to buy stock in companies. If Congress were afraid Jones would misuse his power and perhaps invest millions in a business in which he was personally interested, they would not have put this clause in the new law.

Jones' critics may be reassured by the thought that if the President thinks it necessary, he can fire the R. F. C. chairman any time.

The Value of Communion With God

The International Uniform Sunday School Lesson for April 24. Text: Mark 9:2-10.

ONE of the most remarkable stories in the New Testament is that of Jesus' transfiguration. We have the portrayal of Jesus as He preached to the multitudes and as they thronged upon Him, not only to hear His words but also to see His wonderful works. We have the intimate account of Jesus with the inner circle of disciples, and we have the long discourse or series of talks, that we call the Sermon on the Mount, which came out of this communion with Jesus as He met with His inner circle of disciples.

But here, even from the inner circle of twelve, we have Jesus taking three of the disciples—Peter, James, and John—and bringing them up onto a high mountain, where they had an experience that must have strengthened their faith and in some ways changed their whole lives. Here on the mountain, Jesus became transformed as they observed Him, His garments glistening with a whiteness of another world. And along with Jesus there appeared two, whom the disciple identified as Elijah and Moses, who talked with Jesus.

PETER, always the ready spokesman, was so overwhelmed by the vision that in his eagerness, he exclaimed, "Master, it is good for us to be here; and let us make three tabernacles; one for Thee, and one for Moses, and one for Elijah."

We are told that he knew not what he said—which has been true of more than one who has had some extreme emotional religious experience. Moreover, the disciples were afraid; there was something appalling and overwhelming to their human spirits in this manifestation. But there came a voice out of the cloud, saying, "This is my beloved Son; hear ye Him."

THE story suggests the place of such experiences in the lives of all of us. The disciples did not stay upon the mountain top. They did not even return to the mountain top, expecting to have such a glorious vision again. They came down from the mountain, reminded by the Master that they should not even talk about the wonderful thing they had seen. They came back to the earth and to their daily tasks with the vision in a sense removed. These tasks were just as real, their duties and obligations were no less urgent, and yet—what it meant to have above this daily life the sense of this triumphant experience!

Cetak Runs Century in 10 Seconds As Chanticleers Conquer Callaway 71-51 in First Home Meet of Year

By Edwin Hitchman.

With Charlie Cetak capturing three first places, including a 10 second victory in the 100 yard dash, the Ord Chanticleers defeated Callaway, 71 to 51, in their dual meet Wednesday on the fair grounds in Ord. Coaches Lee and Brockman showed up with a track squad splendidly balanced in the sprint, field and distance events, and should be dangerous competition for all rivals throughout the year.

Feature event of the meet Wednesday was Cetak's startling victory in the century dash. In Benger, of Callaway, he had a formidable rival, for Benger won this event at the state track meet in Lincoln last spring in 10.4 seconds.

Almost a "photo finish" was required to decide the winner but judges ruled that Cetak broke the tape a fraction of an inch ahead of Benger. Most startling was announcement of the time—10 seconds—which is about as fast as prep runners ever make the 100 yard distance.

Another thrilling race was the 50 yard high hurdles, which Simpson of Callaway won by a close margin with Jablonski of Ord placing second. The time was 8.5 seconds. The two boys broke the tape so closely together that many in the crowd thought Jablonski had won.

In the mile run Callaway had no entries so Jones, Ord's crack miler, did not enter, saving his strength for the half mile race. Rose, Stoddard and Nay ran in the mile event, Rose taking the lead and keeping it until the home stretch when Nay put on a burst of speed and won by a 20 foot margin in the time of 5 minutes 16 seconds.

The pole vault was won by Tuntcliff, of Ord, with Brega of Callaway and Tatlow of Ord tied for second. The height was 10 feet.

Charlie Cetak brought in his second first place of the day in the discus throw when he tossed the discus 113 feet, 4 inches. Frederick of Callaway was second. A moment later Cetak repeated by taking first in the 40 dash in 5.2 seconds, good time on the Ord track.

Benger, the Callaway star, won the high jump at 5 feet 9 1/2 inches, Jablonski and Zikmund of Ord tying for second.

In the 100 yard low hurdles, Dahlin of Ord won easily in 12.1 seconds with Barnes second. Benger won the shotput with a heave of 40 feet and 11 inches, Smith of Callaway being second, and Brega of Callaway won the javelin throw with a toss of 134 feet 6 inches.

Callaway captured honors in the 220 dash, Benger winning first and another Callaway boy second and Barnes placing third for Ord. Benger repeated again by winning first in the broad jump with a leap of 21 feet, Dahlin taking second for Ord.

Jones and Tatlow coasted in to take the half-mile run in 2 minutes 15 seconds but a little later Callaway captured the 880 yard relay, the final event.

Benger was high point scorer of the meet.

One sure sign that spring has arrived is when Hank Leggett, editor of the Ord Quiz, starts talking about fishing. It won't be long before Hank will be heading his car toward his favorite fishing grounds in Minnesota.—Scotia Register.

Cetak Shooting at State Record in Century

When Ord's fleet runner, Charlie Cetak, beat Benger of Callaway in the 100 yard dash at the dual meet in Ord last week, his winning time was 10 seconds, just 1-10th of a second slower than the state record of 9.9 set by Lambert of Kearney in 1928. For many years 10 seconds was the fastest time shown on the scholastic record books in Nebraska and it is the fastest time made by any Nebraska high school sprinter this spring.

Another mark of Cetak's, 52.5 in the 440, isn't much over the state mark which is 51.4, held jointly by Bailey of Scottsbluff and Skinner of Omaha, which has stood since 1927. Before the present season ends Charlie may give this record a nudge as he is big enough, strong enough and fast enough to run the 440 in faster figures than the record book shows.

The century race in Ord last week was a real thriller, as this picture proves. Cetak broke the tape only an inch ahead of Benger of Callaway and two feet past the finish line Benger passed him. Allen Zikmund, of Ord who finished third, also is seen in the picture.—Quiz Photo.

Ord Men Rank High At Hastings Relays

Rain and a soggy field at Hastings Saturday failed to dampen the enthusiasm of several hundred athletes from all parts of the central west who entered into the competition in the celebrated Hastings relays. The major part of the competition was between the athletes of a score of midwest colleges, who competed in the individual events and the college relays.

The high school division comprised four relays, the 440, the 880, the mile, and the medley. For the benefit of those who do not know just what a medley relay is, the first man runs 440 yards, the next two 220 yards each, and the fourth man half a mile. Coach Helmut Brockman took down eight men: Charles Cetak, Dale Hughes, Edgar Barnes, Don Dahlin, Gerald Jones, Raymond Tatlow, Raymond Hulbert and Allen Zikmund.

In the 440 yard relay Ord won first, Lexington second, Hastings third and North Platte, fourth. Ord won in the remarkable time of 47.3 seconds, in spite of the mud. The Ord team consisted of Hughes, Dahlin, Barnes, with Cetak as anchor man. In the 880 yard relay, with the same men in competition, Ord took second place, as follows: Lincoln first, Ord second, Kearney third and Hastings fourth, time 1:38.7.

In the sprint medley relay, Ord entered their men in the following order: Cetak, Hughes, Barnes and Jones. Ord won their heat and took fourth place in the finals: Gothenburg first, Beatrice second, Beaver City third and Ord fourth. Zikmund, Tatlow, Hulbert and Dahlin ran in the mile relay, but failed to place. With a first, second and fourth place Ord led the competition, with Lincoln second, North Platte third and Gothenburg fourth.

Ord is one of sixty schools invited to the track meet at Gothenburg Friday April 22. Coach Brockman expects to have a good representation at that meet, and believes that his men will all be in good condition for the competition, which has not been the case to date. Two of his best runners and jumpers have had to be held back because of ingrowing toenails, from which they will be fully recovered by the Gothenburg meet.

Boosting Fort Hartsuff Park.
To the Editor of the Quiz:
A visit to Victoria Springs State Park in Custer county, will give the dweller in the North Loup river valley much food for thought.

Through hard work, perseverance and wise planning Custer county citizens have the beginning of a fine park of historical and scenic interest. A permanent depository for their pioneer relics, and recreation grounds of unusual charm.

Valley, Garfield, Loup and Blaine counties do not have such an institution, but they do have in their valley the site and buildings of an early military post, Fort Hartsuff.

Situated about half way between Ord and Burwell on the north side of the North Loup river, this group of historic buildings are rapidly passing into decay and will soon be ruins.

With the completed Burwell-Sumner Irrigation canal placing the fertile acres, and beautiful old pines, cedars, elms and cottonwoods under irrigation and assurance of continued life, one can easily vision the historic old spot made into a place of great beauty and charm.

Fort Niobrara is naught but a name preserve, Fort Kearney has none of the original buildings, and is largely a memory to a few old settlers. This makes it imperative that Fort Hartsuff be preserved to future generations, a monument to the conquest of this part of Nebraska.

We of the North Loup valley have no depository for our pioneer relics, records, or a meeting place centrally located for gatherings of a community, civic or historical character. In the old fort are buildings in plenty for every need, and each building teems with pioneer memories dear, even sacred, to the hearts of all old settlers in the valley. Furthermore our pioneer settlers of forty, fifty and sixty years have in their memories rich stores of historic pioneer lore that must soon pass into oblivion unless it be gathered, recorded and preserved. Hundreds of us have relics we would gladly place in a safe and permanent depository, for the pleasure and education of future generations.

The making of Fort Hartsuff into a State Memorial Park, is the answer to all this need. The North Loup Valley Old Settlers association are a group of oldsters with much less energy and push than they possessed when they began the building of civilization here more than a half century since. They can plan and dream, but they need active leadership to execute their good plans and make their dreams come true.

Political influence is needed. With so much of the valley soon to be under irrigation, we can well take a little time from the practical, and add this association in a project of sentimental and historic interest.

Shall Fort Hartsuff be made a State Memorial Park, or shall its historic and staunch old walls continue to be used as cattle sheds, shelter for swine and other agricultural activities?

Burwell still continues to vote on poolhall and bowling alley propositions each spring. The town always votes for poolhalls and rejects the bowling proposal. The vote last week was no exception. Burwell has an old ordinance that provides for both issues being put on the ballot for each spring election. Burwell voters are agreed that the ordinance should be repealed, but nothing has ever been done about it.—Greeley Citizen.

Interest Increases In Junior Baseball Team

Legion plans for the junior baseball club are going forward apace, according to Manager Harry Wolf, who had a list of two dozen names of boys who wish to play handed to him last week. A number of the boys are already practicing in small groups, and as soon as arrangements are made for a practice field regular practices will be arranged for.

As much will be done as possible at this time, but the real business will begin at the close of school, when all the boys will be able to devote much more time to the sport than is possible now. Also Manager Wolf will then have more time at his disposal to devote to his job. If enthusiasm counts for anything, Ord should have a real team from the start.

The following is the list of boys who have already signed up: Art Carlsen, Don Severson, Jerry Fryzek, Wayne Johnson, Gerald Stoddard, Harold Christensen, Robert Albers, Melvin Moore, Billy Johnson, Orville Stoddard, Robert Tuntcliff, Don Dahlin, Allen Zikmund, Harvey Dahlin, Ernest Piskorski, John Rogers, Henry Adams, Wilford Hansen, Henry Benda, Norval Marks, Raymond Hurlbert, Lloyd Vodehnal, Henry Misko and Lorrie Kusek.

In addition to these there are a number who are likely to sign later. Some equipment has been located, but a lot more is needed, and all who feel that a ball team would be a good thing for the boys, as well as for the town itself, are requested to donate any equipment they have and feel that they can spare. All necessary expenses are being borne by the Legion, but operation is solicited and appreciated.

Riverdale News

Mr. and Mrs. Lester Sample and Shirley called at Walter Thorngate's Sunday afternoon. They had Easter dinner with her parents, Mr. and Mrs. Nick Wetzel in Scotia.

Mrs. Gladys Sample assisted Mrs. George Bartz a few days last week.

Dr. B. M. Burgess, of Boston, Mass., spent from Wednesday until Friday visiting at the George Bartz home. He is a cousin of Mrs. Bartz and a son of her mother's only sister. He has practiced medicine in Melrose, a suburb of Boston, the past 20 years and specializes in ear, eye, nose and throat diseases. Because of ill health he is taking an enforced vacation and spends his winters in the south.

Bryan Portis called at Gus Wetzel's on Monday morning. Because of Mrs. Greeley Gebhart's illness David has been staying with his grandparents, the Gus Wetzel's and attending school from there.

Mr. and Mrs. Greeley Gebhart and children were dinner guests of her parents, Mr. and Mrs. Gus Wetzel on Easter.

Walter Thorngate took Olive Brown, Geraldine Gowen and his

daughter Dorothy to Scotia to take eighth grade examinations Monday morning. Dorothy stayed over night at the home of Mrs. Alice Smith.

Mr. and Mrs. C. V. Thomas, Lee and Carol were Easter day guests of Mr. and Mrs. Vernon Thomas.

Mrs. Nina Shultz decorated an attractive club booth in Ord last Thursday for the achievement day exhibit. Mrs. Doris Thomas accompanied Mrs. George Bartz to Ord for the program on Thursday. Mrs. Pearl Bartz, past president, Mrs. Laura Christensen, reading leader, Mrs. Gladys Sample, and Mrs. Nina Shultz, project leader, made up the representation from the Busy Bee club. On Thursday of this week the club will meet at the home of Alice Kriebald. The leader, Mrs. Doris Thomas will take Nebraska history as her topic.

There is to be a group meeting of the W. F. M. society in Grand Island next Thursday and C. V. Thomas is driving his car and several from Riverdale expect to attend.

Mr. and Mrs. Will Schudel were dinner guests of the L. J. Auble family in Ord on Easter Sunday.

Mr. and Mrs. Alfred Christensen drove to Ericson Sunday to see Raymond Baker who stays with his sister, Mrs. Ruth Warner, but did not find him at home.

Mrs. Ida Brown called at the E. E. Drs. and Charles Barber homes in North Loup last Tuesday.

Assessor A. R. Brox Reports Co. Average

From a list of schedules already in last week Assessor A. R. Brox made up a report of various kinds of stock, the number assessed at that time, and the average valuation. It is of interest, as it will give some idea of how the prices this year compare with last year.

Under the head of cattle he reports the following: 1600 yearlings, average \$18.54; 359 two-year-olds, average \$24.07; 58 three-year-olds, average \$30.08; 830 milk cows, average \$35.41; 373 stockers, average \$30.56; sixteen registered bulls, average \$60.16; 68 non-regis-

tered bulls, average \$37.32. Under the heading of horses he lists 76 yearling colts, average \$21.05; 72 two-year-olds, average \$37.19; 358 three years and over, average \$58.51; 802 ponies and plugs, average \$20.37; and 2 stallions, average \$145.00. These prices compare favorably with the general averages for last year.

April Showers to Bring May Flowers—Is Hope

Beginning Thursday and extending over the period until Sunday evening light April showers fell from time to time, and did a great deal of good to the winter wheat crop, which promises to be one of the best in many years. During Thursday night .18 of an inch fell. Friday night the fall was .22 of an inch. Saturday during the sales a

light shower of .03 of an inch fell, and Sunday evening .04 of an inch, for a total of .47 of an inch.

While these light showers were falling here, the surrounding territory received much larger amounts. Thursday evening a much heavier rain fell in the neighborhood of Elyria, and better than half an inch at North Loup. From Sargent came the report of more than an inch of water and some hail, which luckily did little damage. At Gothenburg and Easta small twisters are reported to have done about \$25,000 in damage. Rain was general over almost the entire state.

—Mr. and Mrs. Howard Elm of Genoa came up Friday evening for a visit with her parents, Mr. and Mrs. A. F. Kosmata. They left for home Sunday evening.

Easter Dinner Guests.

Mr. and Mrs. Paul Duoney had as their dinner guests for Easter, Mr. and Mrs. Albert Haught and family, Mr. and Mrs. Charley Turblade and Dickie and Arden Clark. They visited friends in Ericson in the afternoon.

Easter Dinner at Conners.

The Willard Conners had as Easter guests Mr. and Mrs. David Dobberstein and family of Ord and Mr. and Mrs. George Dobberstein and son Charles of Stronsburg, who had spent the week at Ord visiting with their relatives here. They returned to their home Sunday evening.

Anderson's 85th Birthday.

Thursday was the occasion of the 85th birthday of W. A. Anderson, but the celebration was postponed until Easter Sunday. Those who were in attendance were Mr. and Mrs. Ernest Norton, Oscar Norton, and Miss Grace Woodford, all of Scotia; Mr. and Mrs. A. J. Campbell and son, Irwin; and Mr. and Mrs. J. L. Abernethy. The ladies helped Mrs. Emma Hansen by bringing cakes and other good things to help out with the meal, and the men brought two gallons of ice cream. Needless to say, all enjoyed the occasion to the utmost. In spite of his advanced years, Mr. Anderson's health is quite good. He came to Valley county in February, 1879, and has thus been here for nearly 60 years.

Miss Ellen Servine Announces Engagement

A clever and different party was given at the "Shepard Theater" last Wednesday evening when Miss Ellen Servine announced her engagement and approaching marriage to Ralph Misko of this city, the ceremony to take place September 5 at Lincoln. Guests witnessed a play, took part in an old Irish lady's scene, and read the news of the engagement from promissory notes signed by Miss Servine. As Mr. Misko is a banker, this was most appropriate.

Miss Servine's sisters, Mrs. Leon Warner of Ericson and her small daughter Marjorie and Miss Margaret Servine of Lincoln were out-of-town guests, the latter providing an amusing reading. Dainty refreshments were served later in the evening. The house was decorated with fresh flowers and several high school girls, Misses Virginia Sack, Eleanor Wolfe, Margery Smith, Marilyn Dale and Frances Dumey, acted as theater ushers and took part in the play.

As drama teacher in the Ord high school Miss Servine has done fine work, and has won a real place for herself in the community. Many friends will be happy that she will become a permanent addition to the community by marrying an Ord man. Mr. Misko is strictly an Ord and a Nebraska product, the son of Mr. and Mrs. James Misko, and is cashier of the First National Bank. Quiet-spoken and friendly, Ralph is making new friends every day. The young couple are sure to receive many heartily good wishes for their happiness.

Happy Dozen Pinochle.

The Happy Dozen pinochle club met with Mr. and Mrs. Adolph Sevenker Friday evening. High scores were held by Mrs. Sevenker and Clyde Baker. Low score was held by Mrs. Stanley Absolon. The same club was entertained in the John Lemmon home Tuesday evening. Mrs. Sevenker again was high for the ladies and Ernest Horner high for the men, and low score was held by Rollin Dye.

Birthday Party.

A birthday party was given at the Kenneth Timmerman home Saturday evening in honor of their daughter, Betty's 14th birthday. Guests included Virgil Key, Leon Mason, Wayne Stewart, Marvin Mella, Dean Misko, Verl, Robert, Marie, Mildred, Roberta and Arlene Timmerman and Lavonne Timmerman.

Wedding Anniversary.

Mr. and Mrs. Ervin Zentz prepared a surprise party Tuesday evening for Ervin's folks, Mr. and Mrs. Emory Zentz in honor of their 15th wedding anniversary. Guests were Mr. and Mrs. Herman Stowell and family, Mr. and Mrs. Will Valasek and sons, Mr. and Mrs. Kenneth Timmerman and family. A beautiful cake was prepared for the occasion by Mrs. Ervin Zentz.

Pinochle Club Entertained.

Mr. and Mrs. George Houtby entertained their pinochle club Friday evening with all members present. High scores were held by Mrs. Dick Karre and Chester Houtby, and low score by Iris Walford and Harry Bresley. Dainty refreshments carrying out the Easter motif were served near the midnight hour.

Woman's Club Final Meeting.

The closing meeting of the Woman's Club of Ord was held Tuesday afternoon at the home of Mrs. G. W. Taylor, the hostess. Roll call was answered by each member giving some current event. The meeting was in the nature of a Kensington tea, and the refreshment committee were Mrs. Mark Tolén, Mrs. E. S. Murray and Mrs. Keith Wolfe.

Young Folks Entertained.

Miss Fern Miller entertained several young folks Tuesday evening, the occasion being her birthday. Those present were: Misses Maxine Miller, Beatrice Fisher, Lydia Lehecka and Frances Shotkoski. Enjoyable games were played and a delicious luncheon was served by the hostess at a late hour.

Club Entertains Husbands.

Wednesday evening the O. N. E. club entertained their husbands at a party at the Ben Janssen home. There were five tables of pinochle. Dr. J. W. McGinnis held high score for the men, and Reinhold Rose low. For the ladies Mrs. A. R. Brox held high, and Mrs. Art Larsen low. Mrs. McGinnis won the traveling prize.

Delta Deck Entertained.

Mrs. E. L. Vogelitz was hostess to the Delta Deck club Tuesday afternoon. There were several guests, Madams J. W. Ambrose, Joseph Kokes, E. C. Leggett and Lester Norton, the latter winning high score.

O. N. E. Club Meeting.

Mrs. Ben Janssen was hostess to the members of the O. N. E. club Tuesday afternoon. Mrs. Joy Hackett was a guest. Mrs. Lloyd Owens held high score, and Mrs. Hackett low. Mrs. Hackett also won the traveling prize.

United Brethren Church. "Thy word is a lamp unto my feet and a light unto my path"—Psalm 119:105.

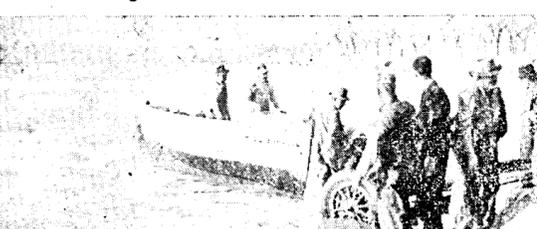

We invite all Christians to avail themselves of the opportunity afforded the people of this community for a better understanding of God's word. Rev. Mr. J. R. Barkman's ministry of the word is exceptionally clear. The Bible lectures continue every afternoon this week except Saturday, at 2 p. m. "The Book of Genesis".

Next week the afternoon studies will be on "The Work of the Holy Spirit". Evening services every night except Saturday until the 29th. Sound Gospel preaching and teaching. The themes for Sunday, Monday and Tuesday are: Sunday, a. m., "Jesus, Consider Him." 8 p. m., "Profit and Loss". Monday, "Does the Sino-Jap War Have Prophetic Significance?" Tuesday, "The Signs of the Times".

Mrs. Barkman and a company of young people will be with us all day Sunday. These young ladies are fine singers and will sing in quartet and trio. They will also have charge of the young people's hour at 7 o'clock.

—Mr. and Mrs. H. L. McGinnis, who have been visiting their son, Dr. J. W. McGinnis and family here, left for their home in Maywood, Nebr., this, Wednesday, morning.

20-Passenger Boat Launched on Lake at Burwell

Probably the largest boat plying the waters of inland Nebraska is this 20-passenger launch built by J. R. VanWagenen, of Burwell, and launched recently on the new lake formed above the irrigation dam. The boat has been christened "Miss Burwell." Here is the scene of the launching, in a photo by Lewis Moore.

Powered by a gasoline engine, the boat will carry 20 passengers besides the operator, weighs almost 1,500 pounds, has a 24 foot keel, 6 foot beam, is 4 feet deep and has a 16x22 inch sheet steel rudder.

Probably as safe as any boat could be, "Miss Burwell" is due for a lot of service during the coming summer. Mr. VanWagenen, who designed as well as built the craft, lived around Carter Lake and Lake Manawa at Omaha for many years and has had considerable experience with boats of all types. Launching of "Miss Burwell" represented for him fruition of a dream he has held for many years.

Though the irrigation district did not officially give permission for use of the big boat on the lake, no objections have been raised by officials. The property around the lake is profusely posted with "No Trespassing" signs and people boating on, swimming or fishing in the lake do so entirely at their own risk.

Some Record

Thomas Borovka, who lives out in Springdale, is the owner of a Chrysler, 1927 Model, which he bought new. He is still running it with the same oil that came with it, as he has never drained it, but merely added new oil as needed. He is also running with the same tires and tubes that came with the car more than ten years ago, and they are still in good condition. Of course he does not run his car everywhere as many people do. The speedometer shows a total of 7,588 miles.

Flint Dog Has Day in School

Mary's little lamb had nothing on Billy's dog Pal, who accompanied his young master, 9-year-old Billy Ashby, to school in Flint, Mich. Mrs. Donna Lathrop, the teacher, was so much flattered by Pal's attentive manner, which he displays in this picture, that she permitted him to remain for the whole day's session.

Junior Red Cross Notes.

Miss Inez Swain, principal of the city grade school, has had every room enrolled in the Junior Red Cross, and the pupils are engaged in a number of projects in the regular school work and getting some interesting experiences. Miss Schneider's art classes made and sent about 100 valentines to the children in the state orthopedic hospital at Lincoln. One room assembled 40 Easter greeting cards written in Braille and sent them to the state school for the blind at Nebraska City. Superintendent N. C. Abbott wrote how much the youngsters enjoyed these cards because they came from other children. Some of the grade students will also bind 18 Braille readers for the younger readers at the Nebraska City school.

Blind students are always eager for reading matter, as they are not supplied so abundantly with supplementary readers. Braille books are of necessity more expensive than ordinary books. District headquarters of the American Red Cross are glad to supply the Braille books for any Junior Red Cross projects free of charge. This is only one of the many ways in which young people can carry on their slogan "I Serve" and the privilege is one which schools en-

joy without expense in dues of any kind. Some of the grade rooms are also preparing exchange correspondence albums with foreign countries. So far the countries chosen are Norway, Switzerland, Holland and France. Mrs. E. L. Kokes, county chairman of the Junior Red Cross work is very well pleased with the enthusiasm shown, and feels that by next fall many more rural schools will add some projects to the regular school work.

WOODMAN HALL

A nice slow rain, about three-fourths of an inch fell in this section last Thursday afternoon and the following night which has added the small grain and everything is greening up nicely. Rev. Sindowski of Sargent and Rev. Scizney of Loup City were supper guests of Mr. and Mrs. John Piacnik Easter Sunday. Several baseball fans practiced playing at the National hall Sunday afternoon. Leonard Piacnik, Miss Edna Smolik and Paul Waldmann were Ord visitors Sunday afternoon. A group of relatives were Easter dinner guests at the Lew Vancura home. The church was filled to capacity for Easter morning services Sunday. The altars were beautifully decorated with Easter lilies and other potted flowers. But the Easter joy was turned to sorrow when Father Sindowski announced he was leaving the 1st of May and his place will be filled by Rev. Michael Scizney of Loup City. Father Sindowski has been with us but a short time but has worked zealously and endeared himself to the hearts of his congregation who are sorry to see him leave but will wish him well in his new pastorate in his home city, Chicago. Rev. Scizney is not a stranger to us as he has assisted here on several occasions and will no doubt well fill the vacancy left by his predecessor. The Z. C. B. J. held their regular monthly meeting at their hall Sunday afternoon. Easter Sunday dinner guests at Albert Piacnik's were Mr. and Mrs. Edward Radil and Mr. and Mrs. Thomas Waldmann and family. The young folks St. Eulalia club will give a dance at Comstock on Sunday, April 24th. Ed Kerchal and his orchestra will furnish the music. Mr. and Mrs. Joe Waldmann and Raymond, Mrs. Rudolph John and Mrs. Rollen Johnson were Grand Island visitors last Wednesday. Mr. Wagner from near Comstock and daughter and baby called at Joe Waldmann's Saturday for eggs for setting. Mr. and Mrs. Albert Piacnik and son Vencel motored to Grand Island last Wednesday bringing home their daughter Edith after spending a week with her aunt, Mrs. Joe Palan. A light shower fell here Sunday afternoon. If the old saying that if it rains on Easter Sunday it will

rain for seven Sundays, comes true we will all be happy, but we hope it rains more than it did today. Time will tell.

BACK FORTY

By J. A. Kovanda

Each spring the land promoter blossoms forth with new selling schemes. This year's activity deals mostly with the sale of small tracts from half an acre to 10 acres in size.

The chief buyers are farm families migrating out of the great plains area, migrants looking for cheap land which may be bought with little or no down payment.

Operators usually acquire a tract of land near some city, subdivide it into parcels of saleable size, open an office on the tract, and begin a campaign of advertising and personal solicitation.

Chief selling points are the lower cost of living and alleged security against unemployment by a small farm—arguments which carry a strong appeal.

Real estate agencies of the above type are noticeable in the northeast, south, middle west and southern California. Typical advertising slogans are: "The Call of the Beautiful Ozarks," and "Southern California Charm."

Much of the real estate for sale in the lower Mississippi Valley is cut-over land, and redeemed grain-a district property which has reverted to the state for non-payment of taxes.

Depression and drought have compelled many people to look for new locations. But land which may be purchased at a few dollars an acre is often no bargain at any price, and no basis for successful farming.

The units are usually too small to return an adequate livelihood. It is doubtful if much of the recent settlement will result in benefit to the settlers. In frontier days a man could buy a farm and succeed with very little capital, but conditions have changed. If there remains any good, cheap land awaiting settlement, a man is as apt to find it in Valley county as in California.

Kenneth Koelling Honored. Kenneth Koelling, graduate of the Ord high school and son of Mrs. Herman Koelling of Mira Valley, was recently initiated in the Alpha Gamma Rho fraternity of the University of Nebraska.

Kenneth is listed as an all-state football player and Union Pacific scholarship winner. He is active in inter-university sports and his scholarship is far above the average. He intends to major in animal husbandry. Awards in the Block and Bridle judging contest have been announced, and Kenneth was adjudged high man in the judging of beef cattle. Seventy men competed in the contest.

LEGAL NOTICES

NOTICE TO CONTRACTORS.

Sealed bids will be received at the office of the Department of Roads and Irrigation in the State House at Lincoln, Nebraska, on May 5, 1938, until 10:00 o'clock A. M., and at that time publicly opened and read for Sand Gravel Surfacing and incidental work on the North Loup West Federal Aid Secondary Project No. FAS-371-C Federal Aid Road.

The proposed work consists of constructing 3.0 miles of Graveled Road.

The approximate quantities are: 3,715 Cu. Yds. Sand Gravel Surface Course Material.

The attention of bidders is directed to the Special Provisions covering subletting or assigning the contract.

The minimum wage paid to all skilled labor employed on this contract shall be fifty-five (55) cents per hour.

The minimum wage paid to all unskilled labor employed on this contract shall be thirty-five (35) cents per hour.

The attention of bidders is also directed to the fact that the State Director, National Reemployment Service, Lincoln, Nebraska, will exercise general supervision over the preparation of employment lists for this work, and to the fact that the contractor and subcontractors will be bound by the regulations effective January 15, 1935, jointly promulgated by the Secretary of the Interior pursuant to the provisions of Public Act No. 324, 73rd Congress, approved June 13, 1934 (48 stat. 943), entitled, "An Act to effectuate the purpose of certain statutes concerning rates of pay for labor, by making it unlawful to prevent any one from receiving the compensation contracted for thereunder, and for other purposes."

Plans and specifications for the work may be seen and information secured at the office of the County Clerk at Ord, Nebraska, at the office of the District Engineer of the

Department of Roads and Irrigation at Grand Island, Nebraska, or at the office of the Department of Roads and Irrigation, Lincoln, Nebraska.

The successful bidder will be required to furnish bond in an amount equal to 100% of his contract.

As an evidence of good faith in submitting a proposal for this work, the bidder must file, with his proposal, a certified check made payable to the Department of Roads and Irrigation in an amount not less than one hundred twenty-five (125) dollars.

The right is reserved to waive all technicalities and reject any or all bids.

Mr. and Mrs. L. W. McGrew returned home Sunday evening after spending the past 3 1/2 months in Tulare, Calif., at the home of their son Earl McGrew and wife and grandson C. I. McGrew and wife. They were met in Grand Island Sunday afternoon by Morris McGrew of Burwell and their daughter, Mrs. Geo. Shuman, and Mr. Shuman and family of Lincoln.

They visited with the Shuman family a couple of hours before coming to Burwell. While in California Mr. and Mrs. McGrew visited two weeks in the home of his sister, Mrs. W. H. Campbell and family and also visited the W. I. Hoffman family, former residents of Burwell. On March 20 they attended the Valley county picnic in Long Beach at which place they saw Mr. and Mrs. Fred Bell and family and Mrs. W. L. McMullen, Sr. On April 10 they visited in the Sequoia National Park in which is located the General Sherman Redwood tree which is the largest living tree in the world. This tree is 272 feet tall, as high as a 16-story building and its trunk is more than 32 ft. through. The trunk alone contains enough lumber to build forty 5-room houses. Following the flood Mr. and Mrs. McGrew went to Los Angeles and other points and saw the destruction.

Mr. and Mrs. Fred Kennedy and sons Phillip and Orin of Elyria were Saturday evening guests at the H. D. Cass home. Monday Mr. and Mrs. Kennedy and family moved to Kenesaw where Mr. Kennedy was transferred as section boss.

The largest dragline which was used on the Burwell-Sumter irrigation ditch was shipped to Gilliam, La., on the Burlington freight Monday morning. It was dismantled and hoisted into 2 coal cars and on one flat car. This machine belongs to the E. E. Morgan Construction Co., Inc., and will be used in building dikes in the flood districts.

Mrs. Ralph Douglas came Sunday to make her home here with her husband who is County Agriculture Agent. They are living in the Harry Maitland house formerly occupied by Supt. and Mrs. T. E. Cain.

Freddie Hugh Butcher, son of Mr. and Mrs. Hugh Butcher, has a badly skinned nose as the result of jumping off of the cab into the back end of Mr. Butcher's truck, losing his balance and striking the ground.

Mrs. Alta McClimans, one of Garfield county's oldest settlers, celebrated her 84th birthday at her home in Burwell Tuesday, April 19. Mr. and Mrs. Sam Barrett took her a lovely birthday cake and other good things to eat and enjoyed dinner with her. Mr. and Mrs. Elmer Kent and other friends called during the afternoon to wish her many happy returns of the day. Mrs. McClimans came to this county 62 years ago as a bride and settled on a homestead, remaining in this community since that time.

The Legion Auxiliary held their regular monthly meeting in the Library building Tuesday afternoon. Mrs. Frank Johnson presented the program of the afternoon. Delicious refreshments were served by the hostesses, Mrs. Ethel Wood and Mrs. Beulah Anderson.

Taylor News

Written by MISS LEONA FLEMING

Mrs. Orrin Stark took suddenly ill while visiting at the Frank Parker home Sunday. Dr. Taylor of Sargent and Dr. Smith of Burwell were called. She had recovered sufficiently to be able to be taken to the home of her parents, Mr. and Mrs. C. H. Locker Monday.

The Ladies circle met Thursday afternoon at the Beals home. The afternoon was spent tying a comfort for Mrs. Sam Garber. Eighteen members and friends were present. A delicious lunch was served by the hostesses. The next meeting will be May 12 with Mrs. Edith Replogle, with Mrs. Maggie Poland assisting.

Erwin Ferguson left Sunday for Page, Neb., where he is employed as foreman for the Western Asphalt Co., on a road job.

Frank Bartos May Enter Race Again

Frank Bartos, county commissioner for the third district of Garfield county, comprising Midvale, Dry Cedar, Bryan and Roosevelt precincts, or roughly speaking, the southeast corner of the county, was in Ord Monday, and in conversation with a member of the Quiz force stated that since he had stated that he did not intend to be a candidate for a second term, a large number of friends had been urging him to make the race.

In view of the apparent demand for his further services, Frank has about made up his mind to run for another term. He has made a very satisfactory official, and his friends seem to feel that he should serve two terms. Mr. Bartos felt that the work took too much of his time from his own work. Ord feels a special interest in his candidacy, due to the fact that a number of former Valley county residents are citizens of the district.

Has Been Swimming Twice. Honors for early spring swimming should go to John Wozab, Jr., who last week ventured twice into the waters of the North Loup river, once on Tuesday and again on Sunday. Although ice was out of the river the water was "as cold as ice," John reports. But John really doesn't need to swim when he goes into the water as he is tall enough to wade any deep place in the river.

Hardenbrook Dam Is "Fisherman's Paradise"

A "fisherman's paradise" is what J. A. Kovanda, Smith-Hughes teacher in Ord high school and noted sportsman, calls the waters below Hardenbrook Dam as a result of catching some catfish there Monday afternoon. He had the wrong kind of bait, Jess told the Quiz, and says that people who had chicken entrails bait were catching plenty of catfish.

The men pictured here, Ed and Jim Lacinia and Bob Mraz, weren't after catfish but they found Hardenbrook Dam a "paradise" also, as the picture above proves. Monday afternoon they caught this string—45 redhorse and 2 sturgeon. The previous day they caught 60 redhorse. Many other fishermen have had fine success catching redhorse, suckers and sturgeon below the dam and several good catches of catfish and pike have been made.

Minus 2 Hurdlers Ord Wins 61 to 56

Charlie Cetak proved that his 10-second mark in the 100 yard dash last week wasn't a flash in the pan, when he repeated his feat and paced the Ord track team to a 61 to 56 victory over Arcadia yesterday. Ord was minus the services of Zulkoski and Barnes, hurdlers and sprinters, or the margin might have been greater.

Results of the meet were as follows:

100 yard dash—time, 10 seconds flat—Cetak, 1st; Toops, 2nd; Hughes, 3rd.

220 yard dash—time, 24.2 seconds—Cetak, 1st; Toops, 2nd; Marsh, 3rd.

440 yard dash—time, 57.6 seconds—Hughes, 1st; Hulbert, 2nd; Harding, 3rd.

880 yard run—time, 2 minutes 15.6 seconds—Jones, 1st; Dalby, 2nd; Twombly, 3rd.

1 mile run—time 5 minutes 11 seconds—Jones, 1st; Sulder, 2nd; Nay, 3rd.

60 yard high hurdles—time, 8.4 seconds—Toops, 1st; Ericson, 2nd; Jablonski and Smith, tied for 3rd.

100 yard lows—time, 11.9 seconds—Smith, 1st; Dahlin, 2nd; Marsh, 3rd.

Shotput—distance, 40 feet 7 1/2 inches—Zikmund, 1st; Cetak, 2nd; Smith, 3rd.

Discus—distance, 107 feet—Smith, 1st; Zikmund, 2nd; Cetak, 3rd.

Javelin—distance, 134 feet—Smith, 1st; Toops, 2nd; Zikmund, 3rd.

Pole vault—height, 9 feet 11 inches—Tunnick and Smith, tied for 1st; Tatlow and Gregory, tied for third.

High jump—height, 5 feet 6 3/4 inches—Jablonski, 1st; Tunnick and Dalby, tied for 2nd and 3rd.

Broad jump—distance, 19 feet 11 inches—Smith, 1st; Zikmund, 2nd; Toops, 3rd.

The relay event was not run. Next meet in which Ord tracksters will compete is the Gothenburg relays Friday and next Tuesday is the Mid Six meet at Broken Bow.

Camera Club Holds Second April Meeting

The second April meeting of the Loup Valley Camera Club was held at Syl Furtak's Sign shop Monday evening. Due to conflicting meetings, there was not a large attendance. At this meeting each member was to bring in prints for criticism, and a number did so, but very little criticizing was done. Secretary Duemey reported that he had received the first lesson, and gave a brief summary of it. He also stated that the first set

of 16 slides would arrive in time to be shown at the next regular meeting, which will be May 2. The club is planning ahead to get a large assortment of pictures on May 19, the day that the first air-mail will be flown from Ord. It is expected that the club will have fifty or more cameras in action that day, and both still and motion pictures will be taken to commemorate the event.

Contest Rules For Air Mail Posters

The rules in regard to the making of posters for Air Mail Week, May 15-21, have been given out, and are as follows:

Entries are confined to students in grammar, high school, or schools having a similar curriculum. Entries must be on or mounted on bristol or similar board and not more than 20 inches by 25 inches in size when mounted.

Posters will be judged on the following basis: Originality of ideas will count 50%, neatness of composition 25%, and adaptability to use, 25%. The contest is now on, and will close to be postmarked not later than May 1, 1938. Your local postmaster will be glad to give contestants any information they may need.

Prizes will be awarded as follows: The first state prize will be a trophy, and the second prize will be a plaque, the winning posters to become the property of the National Committee. Each congressional district is arranging to have an additional trophy awarded.

A distinctive, two color air mail stamp will be issued by the United States Postoffice Department as a special recognition of National Air Mail Week, May 15 to 21, which will be the greatest effort in the history of this service to increase its effectiveness and popular support.

This stamp will be placed on sale May 14 at Dayton, O., which is the home of the Wright brothers, who built the first successful airplane, and at St. Petersburg, Fla., where the first passenger flight was made. On the following days of Air Mail Week, this stamp will be on sale at many thousands of postoffices throughout the United States.

Miss McClatchey states that information with regard to the posters and essays has been sent to all schools in the county having pupils old enough to enter the contest. It is hoped that the pupils will respond generally, as this is one contest in which all should take a special interest.

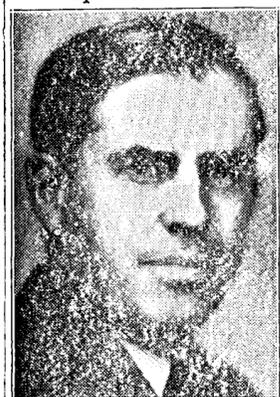

—Dr. and Mrs. R. A. Hamsa of Scotia were Easter guests of Mr. and Mrs. Edward Kokes and family of Ord.

Softball Enthusiasts Will Meet Thursday

Another meeting of softball enthusiasts is to be held Thursday evening at Syl Furtak's Sign Shop and all who are interested are urged to be present. It is hoped to get the organization completed and games under way as soon as possible.

The Knights of Columbus took time by the forelock Monday evening and held a meeting at the hall in which Dr. F. A. Barla was elected manager of the team, and Frank Kruml captain. Tuesday morning Syl Furtak was checking over the team's equipment to see that every thing was ready to go.

Crop insurance, as it applies to wheat produced in 1938, was discussed at a national farm meeting in Omaha this week by Green. He heads up the Federal Crop Insurance Corporation, created under the 1933 Farm Act.

ARCADIA

Lewis Williams.

Lewis Marboe Williams, the only son of Lewis A. and Amanda Williams was born in Grant county, Wisconsin on September 19, 1875. He passed away April 16, 1938, at the Lutheran hospital in Grand Island, Neb., at the age of 62 years, 6 months and 28 days. His early boyhood was spent in Wisconsin, and at the age of eleven years he came with his parents to Loup City, where the remainder of his life has been spent.

On June 1, 1908 he began carrying mail on the newly established Route No. 3, which he continued to carry for 23 years, at that time he was transferred to Route No. 1, which he carried up to within a month of his death. On October 27, 1908 he was united in marriage to Miss Ella N. Foster and to this union were born four sons and a daughter. He was a loving husband and father and leaves to mourn his death besides his wife, his sons, L. Leroy, Farnan and Lloyd of Loup City and Don F. of Hollywood, Calif., and daughter Lucille of Grand Island, and four grandchildren, Richard, Robert, Leonard and Shirley Joan Williams who were one of the greatest enjoyments of his later life, also two sisters, Mrs. Mrs. H. J. Cole of Broken Bow, and Mrs. O. O. Howard of Newbury, Ore. Funeral services were conducted from the M. E. church Monday afternoon at 2:30, Rev. Peterson, pastor of the M. E. church of Loup City officiating. The body was laid at rest in the Loup City cemetery.

Relatives attending the funeral of Lew Williams at Loup City Monday afternoon were: Mr. and Mrs. George Parker, Mr. and Mrs. Vivian Trook, Mrs. Clara Easterbrook, Mrs. Edith Bossen and Arthur Easterbrook. Mr. and Mrs. Anton Nelson of Arcadia also attended the funeral.

Mr. and Mrs. Ernest Jensen and little daughter, Mr. and Mrs. Curtis Hughes and son Donald, Mrs. J. J. John and sons of Comstock were Sunday dinner guests of Mr. and Mrs. C. M. R. John. Afternoon callers were Mr. and Mrs. Ed Slocum and Robert Price, Mr. and Mrs. Lelroy Hulbert and sons.

Mr. and Mrs. George Parker were Sunday dinner guests at the home of Mrs. Lew Williams in Loup City. Mr. and Mrs. Brownie Barger were afternoon callers.

POULTRY FEED

Chicks fed on Noll's Starting Mash are making very good gains. Last year we had many reports of chicks seven to eight weeks old weighing as much as two pounds each. You can have as good weight on your chicks if you feed our Mash. Reports from our customers show a very low death loss. It pays to feed a good feed; and we have that feed with no radio advertising and long freight hauls added to the cost of the feed. Save money, raise your chicks at low cost by buying Noll's Starting Mash.

chairman was well attended and a big success. Those who did not attend missed a great treat. Space will hardly permit relating each number on the program or mentioning those carrying an active part. Miss Mary Ellen Brown, state extension agent of Lincoln was able to express all one could desire regarding the efforts and work of the Arcadia club women. Miss Grace Lee was present and had an active part. Miss Dolcie Waterman was elected County chairman over Mrs. Clyde Baker. Booths which were arranged by the six different clubs, exhibiting the year's work, were nicely arranged and interesting. The table of relics were of many, and of real value, as to age, surprising and rare. A copper teapot more than 80 years old, a silver castor from Sweden, and other relics from Sweden over 100 years. A doll which belonged to Mrs. M. L. Fries 70 years, much different from the dolls of today. Relics of pictures, tin-types and daguerotypes. Books, china silver with many others. Mrs. Clyde Hawthorne's father, Chas. Peters, who lived in her home for five years whittled with a knife when he was past 82 years of age.

There will be church in the Danham school house every other Sunday evening, commencing April 24. Everyone wishing to attend will be welcome. Rev. Sloan will conduct the services.

a two-wheeled cart of good size, with a man and lady in it and a team of horses of solid wood, which when drawn by the cart gave the effect of running. There should be a curio shop for these relics which could be viewed often. The wedding gown parade was another attractive and interesting number. The gown of Mrs. M. L. Fries of 1833 was worn by her granddaughter, Mrs. Elizabeth Swanson; Mrs. Pete Larsen 1893, Mrs. Cliff Carver; Mrs. Walter Sorensen 1898, Miss Ida Sell; Mrs. Apa Iyatt 1907, worn by her daughter, Mrs. Dean Whitman; Mrs. A. M. Shoemaker 1907, Mrs. Ray Holcomb; Mrs. N. A. Lewin 1909, Miss Betty Rethemeyer; Mrs. Clarence Starr 1914, Frances Milburn; Mrs. Herman Moeller 1915, Geneve Aufrecht; Mrs. Verne Lutz 1916, was worn by herself; Mrs. Brownie Barger 1928, Martha Jameson; Mrs. Floyd Bossen 1928, Ahlene Norris; Mrs. Wesley Aufrecht 1932, was worn by herself; Mrs. Carl Dieterich 1932, Mrs. Willard Trefren; Mrs. Arthur Pierson 1936, Miss Donna Fees.

GARDEN SEED

We have a full line of fresh bulk garden seed; a very large variety and extra quality.

SORGHUM SEED.
Atlas Sorgo (State Certified), Sweet Stalk Kaffir, Hagari, Milo Maize, Wheatland Milo, Sooner Milo, Early Kalo, Black Amber Cane, Summac Cane, Orange Cane, Leoti Red Cane, Millets and Sudan Grass.

Under the present Agriculture Act we believe that many of these varieties will sell much higher at planting time. We will book your order and guarantee the price for down payment of 15%.

SWEET CLOVER AND ALFALFA.

The soil is in fine shape for sowing alfalfa and sweet clover seed. It seems that with the present scarcity of good fields of alfalfa and sweet clover that this would be a good time to sow some of this seed.

New Books in The Ord Township Library

The library has four copies of a book telling the story of "Suow White and the Seven Dwarfs," and these will doubtless find a big demand among the younger generation as soon as they hear that the story is available.

Of interest to the young folks also should be Bob Becker's Pet Book. It deals with four classes of pets, dogs, cats, birds and fish, and is an authoritative book on pets, written by a man who has made pets of all kinds his life hobby. Every lover of pets should read it.

"On the Dodge" is the latest book by that ever popular writer of fiction, William MacLeod Raine. It is the story of a Texan unjustly accused of a crime he did not commit, but compelled to keep on the dodge until his innocence is proven. Well worth reading.

"The Jewel of Mahabar" is a new book by Edison Marshall, the writer of 23 popular novels. This one should prove no exception to the rule. It keeps the reader engrossed until the last page. As may be inferred from the title, the book has a flavor of the orient.

"The Nutmeg Tree" is a story of the type that girls like. It tells the life history of a widow with a daughter apparently almost old enough to be her sister. It is written in a higher vein than most modern novels and serves to bring English fiction to a new high level. "And One Was Beautiful" is a novel by Alice Duer Miller, those who have read her books are loud in her praises, and she is rapidly becoming more popular. All the above books are highly recommended.

—Ord friends have learned of the announced marriage May 10, of Miss Edna Sherman, daughter of Mr. and Mrs. Edgar Sherman of Burwell, to Adam Klug, of Ovid, Colo. Recently her girl friends held a shower for her.

CORNHUSKER
Certified
HYBRIDS

Ask anyone who planted CORNHUSKER Hybrids last year. Here's what they say: "We got 10-bu., 15-bu., 16-bu. MORE CORN per acre than the best open-pollinated!"

And that isn't all. They say, also: "The young plants are easier to cultivate because they are stronger!" "They endure more hot, dry weather." "No barren stalks—a good ear on every stalk!" "Easier to pick because ears are at uniform height, no down corn!"

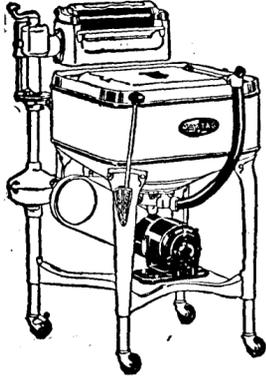

Nebraska farmers prefer CORNHUSKER Hybrids because they have proved they give excellent results in Nebraska's soil and climate. They are Nebraska-grown... State-Certified... every bag is State-Sealed.

Burwell News

Written by REV. W. L. GOODELL

The annual Achievement Day for Home Demonstration Project clubs in Loup and Garfield counties was held in the Burwell Methodist church Friday, April 15. A meeting of project leaders was held in the morning at which time reports of the year's work were made by the leaders, and the exhibits were put in place for the afternoon meeting. A covered dish luncheon was enjoyed by the women at noon. The program of the afternoon began at 1:30 with Mrs. Irma Draver, County Chairman, presiding. Singing was led by Mrs. Arthur Langstrom and Miss Nina Nickells lead the flag salute. Instrumental music was furnished by Mrs. Bernice Horner and readings were given by Mrs. Vera Kraus, Mrs. Leonard Chaffin and Mrs. John Penas. Hoppers Thrive On Castor Beans

LINCOLN, NEBR.—Recent experiments at the University of Nebraska college of agriculture show little or no evidence that the eating of the leaves of castor beans will kill grasshoppers, according to Prof. Raymond Roberts of the entomology department there.

Many inquiries have been received at the college regarding the planting of castor beans as a grasshopper control measure. They were chiefly the result of reports from Kansas, that grasshoppers in tests there fed freely on the leaves and stalks of castor bean plants and apparently were killed in large numbers from the effects of it. These tests led Professor Roberts to conduct laboratory experiments with caged grasshoppers and greenhouse-grown castor bean plants at Lincoln. His work failed to show any value of the castor bean foliage as a protection against grasshopper attacks.

All of the species of the most common destructive grasshoppers were included in the Nebraska tests, as well as a less common species, the large bird grasshopper. Seeds of the two varieties of castor bean which had been used in Kansas were planted in the greenhouse. The experiments at Lincoln were started late last December. Twenty-four grasshoppers were caged and fed on head lettuce until February 20, when it was decided that the castor bean plants were large enough for use. The grasshoppers were not fed at all on that day. Then for four days they had nothing to eat but castor bean foliage. On February 25 the normal diet of

lettuce was resumed. Within three days later only four of the grasshoppers—and all four of them the uncommon and relatively non-injurious large bird grasshoppers—were dead.

A longer feeding experiment was begun on March 22. Grasshoppers surviving the first test were used for the second one. This time they were not starved previous to the feeding. They were given only castor bean leaves for the next ten days. Only one of them died. It was of the same variety as the four that had died in the first test. The cause of its death may be inferred from the observation that a grasshopper of another variety was seen devouring it while it was still alive.

All the others were apparently in good condition at the end as they had been at the start of the experiment. Two of them became very sluggish during the feeding, but fully recovered later. From this, Professor Roberts believes the leaves may have some temporary anaesthetic effect on the grasshoppers.

A number of scientific articles written previous to the Kansas experiments indicated that certain species of grasshoppers would not eat castor bean plants. However, at Lincoln, as in Kansas, the grasshoppers used ate the plants readily. Rabbits and guinea pigs used in similar experiments at the agricultural college ate the foliage but did not seem to relish it. At the end of the feeding period the animals showed no ill effects, except that they were somewhat thinner from lack of sufficient food.

We Don't Use This Kind of Money

★ Nebraska coins no "money," prints no "sales tax currency," issues no metal "tokens" to crowd real money out of the pockets of its citizens. Nebraska needs no spurious coins which add to the cost of living in sales tax states. "FUNNY MONEY" BUYS NOTHING BUT INCREASES BURDENS OF GOVERNMENT. Nebraskans know from the experience of many other states that extra forms of taxation do not generally reduce property taxes. They are merely ADDED TAXES that encourage public waste. ★ Sales taxes tend to paralyze business. For example: Retail sales are up in Nebraska border counties; down in the sales tax counties' across the state line. ★ These taxes are called by many names: General Sales Tax, Retail Sales Tax, Gross Receipts Tax, Consumers' Sales Tax, Gross Sales Tax, Luxury Tax. Everyone of them takes spendable money from the pockets of the people. NEBRASKA REJECTS THESE AND ALL NEW FORMS OF TAXATION, KEEPS LOW THE COST OF GOVERNMENT AND THUS ENLARGES OPPORTUNITIES FOR BUSINESS, LABOR AND AGRICULTURE. ★ Industry expands readily in a state where government is thrifty, workers and employers co-operate. Nebraska's growing market and abundant raw materials are available through unexcelled transportation—and power and fuel are cheap. Write for full information.

Guy Burrows Will Contest Election of J. L. Dworak

County Judge Asked to Order Recount of 2nd Ward Votes to Determine Winner.

Alleging inaccuracies in tallying the votes cast in the 2nd ward at Ord's city election April 5, Guy Burrows filed suit Friday in county court to bring about a recount of the votes and determine whether J. L. Dworak, who now holds a margin of 1 vote, should rightfully represent the 2nd ward as councilman during the next two years.

The vote in this race, as reported by the 2nd ward election board, was Burrows, 155, Dworak, 156. Later, when four mail votes were counted, the result was: Burrows, 158, Dworak, 159.

Burrows, present councilman, was the nominee of both the Children and Good Government parties, while Dworak's name was on the ballot by petition, 50 second ward voters signing the petition to put his name there.

In contesting the election, says Mr. Burrows, he desires only to determine who was legally elected councilman. Since the election, judges in the 2nd ward have revealed that at various stages in counting the tally sheets kept by the two tellers did not jibe. With the final result so close—only 1 difference—a single mistake might change the whole result.

John P. Misko represents Burrows as attorney in his contest while the Quiz understands that Dworak has engaged E. L. Vogelanz to represent him.

Hearing on Mr. Burrows' petition cannot be held until June 6, it was said at the court house Saturday. The law requires that 30 days elapse after a contest is filed before it can be heard by the court; moreover, it must come up during the regular term of county court, which by law is fixed as the first two weeks in each month. Since the Burrows suit was filed Friday, April 22, expiration of the 30 days period comes after the May term of county court, so it must go over until the June term. Judge Andersen has set June 6 as the hearing date.

In the meantime, the city council went ahead and sealed Mr. Dworak as councilman at its regular meeting Tuesday evening, this procedure also being in accordance with statute. He will serve as councilman until result of the recount is known and, if the recount shows him to have received more votes than his opponent, he will continue to serve. Should the recount show more votes were cast for Burrows than for Dworak, the latter will be ousted and Burrows seated by court order.

Cecil Kennedy Took Acid, Dies

North Loup Man Working at North Platte Committed Suicide April 23rd.

North Loup (Special)—Cecil C. Kennedy, 39, well known citizen of this community, died Saturday at North Platte as a result of taking carbolic acid. Mr. Kennedy was morose over being unable to get steady work, it is thought by friends here, this being the only apparent cause for his suicide. The body was brought to North Loup and funeral rites are being held at 2:00 this afternoon.

Born in Tremont, Ill., on June 17, 1898, Cecil Kennedy came to Nebraska with his mother when he was 7 years old, his father having passed away during his infancy. They settled first near Oconto, in Custer county. Grown to young manhood, he came to Valley county in 1918 and worked for an uncle, Harry Klingensmith, for five years.

In 1923, at Loup City, he was married to Mamie Gans and four children were born to them—Dorothy, Delma, Frances and Cecil, who join their mother in mourning the loss of a good father and husband.

The Kennedy family lived in this vicinity, suffering the hardships of the drought years, hoping each year would see the return of normal crops. Mr. Kennedy was especially hopeful last season but with the withering of the corn last August he abandoned farming and went to Idaho to seek employment. Finding no work there, he returned to North Platte and remained with an uncle there through the winter, finding such work as he could.

Other bereaved relatives are his mother, Mrs. Minnie Klein, of Oconto, a brother, Frank Kennedy, Breckenridge, Colo., half-brothers Ed and Louis Klein, Oconto, half-sisters Mrs. Jessie Edmisten, Oconto, Elvora Klein, Callaway, Mrs. Char. Wright, Alliance, and Margaret Klein, Oconto.

Miss Vivian Cummins spent Friday to Monday visiting friends in Lincoln.

Ord Methodist Church Celebrated Sixtieth Anniversary Last Sunday

William Brown Heads New Planning Survey

William Brown, son of Mr. and Mrs. S. J. W. Brown of Lincoln, who lived in Ord many years, was an Ord visitor Monday and Tuesday. An employee of the state highway department, Brown has been appointed field supervisor of a planning survey being made throughout the state by the department. Several crews of men, working under Brown's direction, visit every section of Nebraska and interview car and truck owners to determine what percentage of travel goes on state highways, county roads and city streets. Findings of the survey will be used by the department extensively in deciding its road program in future years.

While in Ord Mr. Brown called on a number of old friends and also drove to Burwell to see his sister, Mrs. Luther Pierce and family, and his 3-year-old son who is cared for in the Pierce home.

Councilmen Vote 4 to 2 to Purchase 3rd Diesel Engine

\$23,000 Will Be Total Cost of Used Engine Installed; Little Debate Heard.

By a vote of 4 to 2, the Ord city council decided Tuesday evening to buy a used diesel engine for stand-by use at the municipal electric plant and authorized expenditure of \$23,000 of light plant funds for that purpose.

The engine to be bought is a 550 k. w. engine located at Franklin, Pa., and the purchase price is to be \$13,700. Cost of loading and unloading, and the freight, must be paid by the city of Ord, and Light Commissioner Allen estimates that the engine installed will cost about \$23,000.

There was little debate on the engine proposition Tuesday evening, all councilmen apparently having their minds made up in advance as to the wisdom of this procedure.

Motion to buy the engine was made by Dr. J. W. McGinnis and on roll call Councilmen Johnson, Serben and Rohla, the hold-over members of the council, voted with him to buy it. Councilmen Blomond and Dworak, the new members, voted "no" but were in a minority. Though he could not vote, with a vote of 4 to 2 already cast, Mayor M. B. Cummins put himself on record as being opposed to the engine purchase.

Within two months the engine will be installed at the Ord plant, it was stated by Light Commissioner Allen this morning. Present plan is for a group of Ord mechanics to go to Franklin, Pa., and load the engine, thus furnishing the work to local men.

Ord Takes 3rd in Gothenburg Meet

In spite of the long distance traveled and the high wind which prevailed, the Ord High track team did very well when they placed third at the meet at Gothenburg Friday. At the way the boys placed in their events is as follows: In the pole vault Don Tunnell took third with a height of 10 ft. 1 in.; Charles Cetak took the 100 yard dash with the very good time of 10.3, running sidewise to a heavy wind.

Allen Zikmund made one of the finest discus throws ever made in Central Nebraska, when he got a distance of 124 ft. 8 in., but even at that he had to be satisfied with second place. He raised the recognized distance for the Loup Valley and Mid-Six by nearly twenty feet, so it is easy to prophesy that this record will be broken at the Loup Valley meet May 3.

Robert Jablonski took fourth in the high jump at 5 ft. 6 1/2 in.; Zikmund took fourth in the javelin throw with a distance of 129 ft. 11 in.; Ord placed second in the \$50 yd. relay with a time of 1 min. 37 sec.; the sprint medley relay, C. Tak, Hughes, Barnes and Jones, took second place in this event in the time of 3 min. 52.2 sec.

The same team that ran in the \$50 yd. relay, Cetak, Hughes, Dahlin and Barnes, took first place in the 440 yd. relay in the fast time of 46.7 sec. This team is expected to take the two relays in the Loup Valley meet without trouble and should make a real showing in the state meet in the 440, which they are running consistently in near record time.

Willoughby New Mayor. North Loup (Special)—The village board met at the power house Tuesday night to finish up the year's business. A. L. Willoughby was chosen mayor, in place of W. H. Vodehnal, who is the retiring member of the board. Erlo Cox is the new member.

Sunday was one of the biggest days in the history of the Ord Methodist church, as it was the occasion of the sixtieth anniversary of the founding of the church. Plans had been made for some time for this event, and nature contributed her share by furnishing a perfect day. There was a very good attendance at all the meetings, which began with Sunday school at 10:00 and continued through the day and evening.

Only about a dozen people still live in the valley who were here at the time of the founding of Ord's first church in 1878. Of these, R. J. Clark, Sol Brox and Ellory Dohannan were present for the morning service, and Dave Strong was present in the afternoon. Mrs. W. W. Haskell was also present in the afternoon. She was the oldest living member, but transferred her membership for a time. To R. C. Bailey and Sarah McLain goes the honor of the longest continuous membership. Both became members in March, 1883.

Following the Sunday school hour, the morning message was brought by Dr. Frank Emory Pfoutz of Hastings. Following the sermon a brief memorial service was held for deceased members and pastors of the church. A basket dinner was held, with a large number in attendance.

Reunion services began at 2:30, with sermons by Rev. W. H. Wright of Sutton and Rev. J. A. Moorman, both former pastors of the church. This was followed by the introduction of visiting members, and several letters were also read.

A social hour was held, beginning at four o'clock, at which a number of persons unable to attend the regular services, were present. The music for the evening service was furnished by choirs from the Ord, North Loup and Arcadia Methodist churches, each choir singing a special number, and singing together on others. The message of the evening was brought by Rev. E. H. Maynard, former pastor of the Ord church, and at present pastor of the Fremont Methodist church.

Much credit is due those who gave so freely of their time and work to make the occasion a success. It is no small task to handle a proposition of this kind, and Rev. Smith and his willing workers are to be congratulated on the fine attendance and interest they inspired. With the exception of the Seventh Day Baptist church in North Loup, which was established in 1873, and possibly the North Loup Methodist church, the Ord Methodist church is the oldest church in Valley county.

Ord Places Third In Judging Event

Ord high school's agricultural students brought home a trophy cup, two medals, and fifteen ribbons, including six firsts, from the contests at Lincoln last Thursday and Friday.

Ord was given permission to attend the state contest for eastern Nebraska schools because they had been unable to reach the state contest for western schools at North Platte. Only six boys, Robert Miller, Allen Packer, Eldon Kokes, Richard Fish, Clay Nelson and Lonnie Nelson, made the trip. The Ord livestock judging team was unable to participate because of the absence of some of its members.

In judging dairy products, the Ord team of Robert Miller, Allen Packer and Eldon Kokes ranked first. Robert Miller won the gold medal for high individual honors in judging all products, and Allen Packer took the silver medal for third place. Eldon Kokes won the blue ribbon for individual honors in judging butter. Robert, and possibly Allen, will represent Nebraska next fall at the national contest in Kansas City, due to their outstanding work at the state contest.

Exhibits of eggs sent in by Ord students were awarded 7 of the 10 prizes offered. Wilford Hansen took the sweepstakes prize with his first place exhibit of white eggs. Frank Zadina received first on brown eggs. Other awards were received by Frank Zadina, Leon Mason, Robert Packer, Emanuel Smolik and Richard Fish.

The Ord crops judging team ranked third, with Robert Miller doing the best work of the trio, which included Richard Fish and Clay Nelson.

The Ord Future Farmers were well pleased with their first attempt at the Lincoln contests. Competition was unusually heavy, 49 schools, and 638 individuals being registered in the Lincoln event. A picture of the Ord winners appeared in the Lincoln Sunday State Journal.

Attend Rotary Convention. Mr. and Mrs. E. L. Vogelanz drove to North Platte Tuesday morning to attend the district convention of Rotary clubs as a delegate from the Ord club. Dr. F. A. Barta, new president of the Ord club, also was chosen a delegate but could not make the trip because of business.

Barker Again Wins Rural School Track and Scholastic Meet

Haskell Creek Runner-up at All-Day Event Held Here Friday; Five Entered.

Barker school, that perennial winner, again captured the silver trophy emblematic of first place, in the annual track and scholastic meet for 2-room rural schools of Valley county held in Ord Friday. Haskell Creek, often a winner, placed second by a few points and Davis Creek was far behind in third place. Other schools entered were Valleyside and Elyria.

Margin of victory for the Barker school was compiled in the morning when, at the high school auditorium, students scored 41 points in the scholastic events, which included penmanship, reading, history, current events and arithmetic. Best Haskell Creek could do was 24 points.

Dale Mulligan, Lucene Fisher, Carol Mulligan, Audrey Psota, Maynard Schudel, Harriet Brown, Darlene Mulligan, and Mavis Schudel were among the big point getters for Barker, while Vieta Miska, Carolyn Jacobitz, Ruth Jorgensen, Adolph Urbanovsky and Delma Miska scored heaviest for Haskell Creek in the scholastic events.

Standing of the five schools at conclusion of the morning events was: Barker, 41; Haskell Creek, 24; Davis Creek, 14; Valleyside, 13; Elyria, 8.

In the afternoon at the fair grounds track and field events took place and though students were handicapped by a high wind which at times blew clouds of dust across the field some fine records were made. Winner in track was Haskell Creek, with 43 1/2 points but Barker scored 31 1/2 and held the lead gained in the morning. Davis Creek made 10 1/2 points, Elyria 9 1/2 and Valleyside 3 in the track events.

Final standings in the combined contests were: Barker, 72 1/2; Haskell Creek, 67 1/2; Davis Creek, 26 1/2; Elyria, 17 1/2 and Valleyside, 16. Last year the contest was won by Barker with Davis Creek placing second.

Only the lower grades of the Elyria school competed and seven of the Davis Creek students were absent because of a mumps epidemic in that neighborhood, handicapping both these schools to a great extent. Three students from the 2-room school at Joint were in Ord to watch the contests but did not participate.

Miss Clara McClatchey, county superintendent of schools, had charge of general arrangements for the event, assisted by teachers of the schools competing and by several high school students from Ord.

Arrested for Overload By Patrolman L. N. Zink

Lendell Umstead was arrested by highway patrolman Lloyd M. Zink Tuesday afternoon charged with carrying a cargo on his truck in excess of his license. He was driving with a 1 1/2 ton truck license and had on a load of 5,100 pounds. He entered a plea of guilty as charged in County Judge John L. Andersen's court, and paid a fine of \$10.00 and costs of \$4.00.

May Open Jewelry on Catalina Island

Dr. George A. Parkins said Monday that his son, John, who operates a jewelry and radio store in Los Angeles is considering opening another store of this type on Catalina Island, in the Pacific ocean just off the California shore. George Parkins, jr., who left for Los Angeles Saturday, will manage the Los Angeles store for the present while John looks into possibilities of Catalina as a site for a successful jewelry store. Dr. Parkins states.

Movie Stars Loy, Gable and Tracy Telegraph Evelyn

Telegrams from three of the nation's top flight movie stars, Clark Gable, Myrna Loy and Spencer Tracy, came last week to an Ord girl, Evelyn Sharp, who was making a personal appearance at the Capitol Theatre in Grand Island in connection with the showing of "Test Pilot," a new movie in which the three appear.

All sent to Evelyn their best wishes for her continued success in aviation and wished her "many happy landings."

Management of the theatre reports sell-out crowds at every showing of "Test Pilot" and believes almost as many people came to see Evelyn on the stage as to see the famous movie stars on the screen.

First Irrigating Will Be Done Monday on North Loup Project

First irrigating in the North Loup project will be done next Tuesday, May 3, on the W. O. Zanger and Wm. Schauer farms adjacent to the Ord-North Loup canal, and in observance of the momentous event a program is being planned, said E. H. Dummire, engineer-manager of the project, this morning. C. C. Dale is assisting with program plans and at first it was hoped to get Ivan Wood, irrigation expert from the University of Nebraska, to give a demonstration, but Mr. Wood is unable to come. Other arrangements are being made and the public is invited to be present Monday when water is first turned onto the land.

A barley field on the Zanger farm and a 40-acre field which later will be planted to corn on the Schauer place will be the first land to receive water. The Schauer place is right on the ditch but Mr. Zanger will dig a half-mile later at his own expense to get water.

This afternoon headgates on Hardenbrook dam will be closed and by tonight water should fill the canal clear to the farm owned by the Roach estate, below the Zanger farm. A state highway bridge is being built there, so that is as far as water can be taken until the bridge is finished. Thirty to forty second feet of water are being turned into the canal today, Dummire says.

All checks and turn-outs on the Ord-North Loup canal have been finished and this work is progressing at full speed on other canals in the project under the direction of W. J. Assenmacher, the contractor. Contracts for all laterals will be let very soon.

Rebekahs Elect Comstock Woman New President

District 32 Lodges Held 30th Annual Session April 20 in Arcadia Hall.

Arcadia (Special)—Seventy-nine Rebekahs, representing five lodges which belong to District 32, held their 30th annual convention Wednesday, April 20, at the I. O. F. hall here. Danneberg, Arcadia, Loup City, Rockville and Sargent are the lodges in District 32.

New district officers elected at the afternoon session were: President, Rana Brecken, Comstock; vice-president, Helen Jensen, Rockville; warden, Delpha Toops, Arcadia; secretary, Alma Henderson, Comstock; treasurer, Sarah Criss, Loup City; musician, Maud Smith, Comstock; conductor, Vida Miner, Sargent; marshal, Lola Spencer, Arcadia; inside guardian, Jessie Thornton, Loup City; outside guardian, Marie Smith, Rockville; chaplain, Minnie Peterson, Loup City.

School of instruction in the afternoon was conducted by Hazel Amos, of Sargent. Considerable business was taken care of at this session and several special numbers interesting to all were given.

One hundred were seated at the banquet given in the evening at the Congregational church parlor and tables were beautifully decorated in pink and green. The Congregational Ladies Aid served the dinner. Special music and a reading by Viola Nelson were enjoyed during the meal.

The evening program, aside from lodge work, included a duet by Vera Barger and Edith Bossen, accompanied at the piano by Lola Spencer, and a vocal solo by Maud Smith of Comstock, with Nina Smith of Arcadia at the piano. A reading was given by Alma Henderson of Comstock. The initiatory work was given by the Rockville group. The Loup City lodge had charge of seating the district officers.

Burwell Community Band to Play Here

The first outdoor appearance of a band in Ord will occur next Wednesday evening, May 4, when the Burwell Community Band, under the direction of Glen Auble will arrive in town at about 6:45, parade around the square, and give a short concert. There will be about 40 members in the band, and they will be the guests of the Ord Theater at the showing of the picture, "Snow White and the Seven Dwarfs," immediately after the concert.

TWO RAINS THIS WEEK.

The most of Nebraska was visited by a fine rain Sunday night and Monday, amounting in some places to more than an inch. In Ord the amount, according to Weather Man Horace Travis, was .51 inch. The second rain came during Tuesday night and Wednesday morning, with a possibility of more rain this afternoon. The total fall for today was .38 inch. The weather report is for thunder showers in the south central portion today.

North Loup Men Are Rotary Club's Guests

Four North Loup business men, Melvin Cornell, Dr. W. J. Hemp-hill, Charles Sayre and M. H. Mills, were dinner guests of the Ord Rotary club Monday evening and each spoke briefly, Mr. Mills telling about his work as engineer on the North Loup-Arcadia highway. They were invited as part of the Rotary club's campaign to bring about a better understanding between business interests of Ord and nearby towns.

Other Rotary speakers Monday included E. H. Dummire, who told about plans for the celebration next Monday when irrigating starts on land adjacent to the Ord-North Loup canal, and C. C. Dale, chairman of the committee in charge of the Rotary-sponsored test plot on the Zanger farm, who outlined plans for planting the plot to beets, potatoes, small grains, corn and alfalfa, in rotation.

Sign-Up Meetings For Farm Program Will Start Today

Valley County Farmers Asked to Sign Applications in 1938 Crop Campaign.

The Valley county agricultural conservation committee announces a series of township meetings to be held this week for the signing of applications to join the 1938 conservation program.

All farmers who are interested are urged to go to these meetings to find out just what they will need to do to comply with the program. The dates and places of the meetings are as follows:

Wednesday, April 27—Springdale at Arnold Bros.; Michigan, Fairview school basement; Vinton, Hardscrabble school house.

Thursday, April 28—Elyria at Town Hall; Independent, basement of Barker school; Davis Creek, basement of Davis Creek school.

Friday, April 29—Enterprise, District 9 school basement; North Loup, Town Hall; Eureka, Jung-nung hall.

Saturday, April 30—Noble at Brick school; Liberty at Pleasant Valley school; Ord at Legion hall.

Monday, May 2—Arcadia and Yale at Doe's hall, Arcadia; German at National hall.

All meetings will be open from 9 a. m. to 5 p. m.

Testing Equipment Will Be Installed Council Promises

Positive assurance that a municipal car testing station will be installed in Ord within a short time was given Tuesday evening to Alfred Wiegand and Tom Springer, representatives of the Ord chamber of commerce, by Mayor M. B. Cummins and the city council. Directors of the chamber, at a recent meeting, had passed a resolution asking the council to install testing equipment.

As soon as R. E. Weller, state highway patrol chief, approves testing equipment and sends a list of approved equipment to Ord, such apparatus will be bought, the mayor stated on behalf of the council.

Frank Johnson, chairman of a special committee having this matter in charge, said that his committee has made a full investigation and believes equipment can be bought for \$1,100 to \$1,200, plus freight and installation expense.

Dr. McGinnis, a committee member, stated that a suitable building has been found and rental terms agreed on with the owner.

On behalf of the council, Mayor Cummins definitely assured the chamber representatives that a testing station will be in operation here within a few weeks.

Lois Schoning Dies Suddenly at Age 23

North Loup (Special)—Lois Schoning, 23-year-old daughter of Mr. and Mrs. Herman Schoning of Riverdale, died suddenly Tuesday night of uremic poisoning. She had been working for some time at Wray, Colo., and came home Sunday for a short vacation. She was not feeling well at the time but it was not thought that her illness was serious, so her sudden death was a great shock to family and friends.

Lincoln, Hansen Covert, Are City Police Officers

Fred J. Cohen Only Mayoral Appointee Rejected by the New Council.

L. H. Covert is chief of police and street commissioner, W. E. (Abe) Lincoln is the new night police and Nels Hansen is the new city hall janitor and part-time policeman, as result of appointments made Tuesday evening by Mayor M. B. Cummins and confirmed by the city council.

Covert, who is police chief at present, will in future perform the duties of Street Commissioner C. L. Kingston also, and will receive a salary of \$100 per month. Councilman J. L. Dworak cast the only "nay" vote against confirmation of Covert's appointment, Tuesday, so he was confirmed by a vote of 5 to 1.

Only appointee of Mayor Cummins who was rejected by councilmen was F. J. Cohen, who has been serving as city hall janitor. Since Chief of Police Covert will be off the square most of the time doing duty as street commissioner, councilmen deemed it advisable to appoint the janitor as a part-time policeman also, and for the combined job Mayor Cummins sought to reappoint Cohen. Councilman McGinnis moved that the appointment not be confirmed, and his motion was carried. Mayor Cummins then named Nels Hansen for the position and councilmen confirmed the appointment unananimously. Hansen, now employed in the Will Misko harness shop, will be paid \$50 monthly for the new job.

Appointment of W. E. Lincoln as night police brought forth unanimous confirmation from councilmen. He will be paid \$75 monthly, the same salary paid Roy Par-due.

Other appointments made Tuesday evening by Mayor Cummins and unanimously confirmed were: City physician—Dr. F. A. Barta. City attorney—Clarence M. Davis. Bookkeeper—Rex Jewett. City engineer, light and water commissioner—George Allen. Fire chief—Cecil Clark. Park police—A. J. (Bud) Shirley.

Head lineman—Chester Austin. Assistant lineman—W. L. Fred-erick.

Plant engineers—Antone Johnson, Jis Mortensen, Harry Dye. Sexton—W. H. Barnard.

A report prepared by the finance committee composed of M. Blomond, J. L. Dworak and Frank Serben, providing for payment of the same salaries as during 1937 to all appointive officers except Covert and Hansen, each of whom received a \$10 monthly raise, was adopted by the council and an ordinance embodying the salaries was passed.

Mrs. Cylvan Philbrick Dies Monday Eve; Was 26

Funeral services will be held at the Methodist church in Ord at 2:00 p. m., Thursday for Mrs. Cylvan A. Philbrick, 26, who died at her home about 15 miles north of Ord Monday, April 25. The body is at the Frazier funeral parlors. Mrs. Philbrick was a daughter of Mr. and Mrs. Jack VanSlyke and had been married about a year.

Middle Loup Gets Funds for Laterals

Douglas G. Wright, acting chief project engineer for the Public Works Administration power and irrigation projects of Nebraska, today announced that almost \$20,000 will be made available to the Middle Loup Public Power and Irrigation District for "additional badly needed protective works on drainage structures and for additional later construction" if the officials of the district find it possible to award a contract to the Roberts Construction Company of Lincoln for the installation of turnouts and other work.

The Roberts Company submitted the low bid of \$87,351.72 for work which had been carried in the engineer's estimate at \$104,000.

Should the contract be awarded, work will start in the near future, and will make water available to the farmers of the valley along the irrigation ditches by the end of the summer.

"The district," Wright said, "plans to carry out the construction from the upper ends of the canals so that water will be available down the canals for irrigation as the structures are progressively constructed." "What we engineers describe as the seasoning and testing of the main canals,—merely the flowing of water through the canals to see if their banks are able to stand the strain of moving water,—has already started in the Middle Loup Valley. To date they have performed without fault."

THE ROLLING STONE.

This is the true story of one of those freaks of nature commonly known as a rolling stone. For the purposes of this tale, he was discovered at a tourist camp by a family who had just driven in. He was rather unkempt, made his home in a six by six tent, and traveled from place to place in a battered old model T.

Yet when the new family rolled into camp with the engine chugging and wheezing, he knew just what to do. He was the first person in camp to greet the new comers, and he at once volunteered his services in finding out what ailed the engine. He got a few wrenches, and in an hour had the engine purring as contentedly as when new.

The new family were accustomed to eating their meals from cans, but were willing to admit that a stew would taste plenty good if they only knew how to make one over a camp fire. So the rolling stone got busy at once, set a kettle of water over the fire, and added thereto numerous ingredients until he had a meal fit for a king.

After the supper was over the man of the family got out his violin and coaxed more or less musical sounds from it for a time. At length he asked their friend if he could play. He could and did. No high class music, but simple airs that told of the open road, of waves beating on the beach, of trout fishing in the mountain streams.

With wrapping paper and the stub of a pencil he drew marvelous pictures for the edification of the little folks. He told them stories of places he had visited, of marvelous sights he had seen. He gave them an evening of pleasure that they would not forget for many a day to come, for he had lived the stories he told.

When the children had gone to sleep he talked with their father, who was a man of large experience in many lines of the world's work. For once the father met his match for the rolling stone could talk with authority on almost any subject under the sun, and displayed intimate knowledge of a dozen diverse lines of human endeavor.

It appeared that he had been a printer, a clerk in a general store, a blacksmith, a photographer, an auto mechanic, a painter, was a member of the crew of a boat from San Francisco to New York and back by way of the canal. He had done his bit in France during the World War. He had been to South Africa, to Australia.

Into the short period of a quarter of a century he had crammed one hundred years of thrilling experience. And in half that time he had not known, nor cared, where his next meal was coming from. All his life he had lived for today. He had wasted no time in regrets for the past, nor in hopes for the future.

When the family woke up the next morning, the rolling stone and his Ford were gone, nobody knew where. The children felt a keen loss for they had lost a real friend. Their father told them not to worry about the stranger, who was merely a rolling stone, and would never amount to anything, but fathers are like that.

The world judges us by our ability to accumulate, and all who do not pile up earthly treasure are failures. Yet there is one and only one standard by which men are measured, and that is our service to our fellow men. God does not care so much whether we accumulate, or whether we scatter abroad, but He does care about our attitude toward those with whom we deal.

Some men pile up riches for others to waste or quarrel over. Others, like the rolling stone, have little to do, and can take time to help friends as they journey thru life. He may be down to his last dime, but he is ready to divide it with the next person he meets. Perhaps he is shiftless, but no man can truly say he is worthless.

We come into the world with nothing, and we take nothing material with us when we depart. We take with us the memories of what we have done, and we leave those same memories behind us in the hearts of our friends. When we rest beneath the sod we will be remembered, not by our houses and lands, our stocks and bonds, but only by what we have done, by the help we have rendered in time of need.

My Own Column

By H. D. Leggett

My feet have been itching to go fishing ever since the boys began to catch redhorse and last Wednesday when I saw that string of prairie trout on the back page of this paper I dug a few worms, hunted out a pole and line and some hooks and hiked for the Hardenbrook dam. Damn. That is what I said on the way home at 6:30. I didn't catch any redhorse but I got a few of the colts which of course I put back and came home to eat sardines out of a can.

My fishing tackle is all up in Minnesota. "Speck" Luddington was up on the railroad bridge with a rod and reel and enough line to reach nearly a half mile down the river and he had the right kind of bait and was getting a nice lot of small catfish, just the right size to be the best eating. Guy Burrows and wife were also there and were having fair luck and when I left, were sure of enough catfish for breakfast the next morning. Andrew Nielsen had plenty of fish so far as numbers go but the size was nothing to write home about and Tom Lambdin went home fishless and disgusted. There was an army of small boys and all were having fun. I am going to wait now till I get where I know I can catch fish. You can all think what you like about the stories I tell but you can't prove or disprove a thing.

One of my sporting magazines has a story in the May issue telling about the state of Minnesota, which it says, is planting one billion game fish in the waters of that state this year. It says this is enough, if they live, so that 8 1/2 fish would be provided for each man, woman and child in the United States. Now if President Roosevelt gets congress to OK his proposal to spend seven billion more dollars priming the pump of business, that will figure up just 8 1/2 times 7, or 60 dollars more debt for every man, woman and child in the United States. The public debt is already in the neighborhood of forty billion dollars. That is about \$420 for each man, woman and child in the U. S. Of course this situation won't worry the citizen who has nothing, but it is surely something for the person who still has a little property left, to think about.

One of the surest signs of the turning of the popular tide against the president, is the desertion of him by the La Follettes of Wisconsin. They are progressives and have heretofore supported the administration and if they definitely sever their support it means that Wisconsin is lost and many other progressives will follow in sympathy. Of course there is no hope that George W. Norris will, as usually in the past, go along with the La Follettes. This administration has given him too much of the political sop in the Tri-County project.

It seems to me that there are more people than usual preparing to raise a good garden this year. It has been most discouraging the past few years, for the drought made it almost impossible to raise a thing in a town garden. There is no question that the average family can raise a large part of the year's living by raising a good garden. We all hope this is going to be a crop year and if so, everyone should be putting in the spare time in the garden. It is as good exercise as golf and more profitable if a good garden results.

Ord Students to Sing At National Contest

Dean S. Duncan, director of music in Ord high school, received word Friday that all of those whose names he sent in to sing in the 700 voice massed chorus at the national music contest which is to be held in Omaha May 12, 13 and 14, have been accepted. On this list, most of whom will no doubt sing, are Dick Koupal, Jerrie Burrows, Allen Zikmund, Ruth Aule, Eugene Puncocchar, Virginia Sack and Arden Clark. Two girls were asked to play in the massed orchestra. Those girls were Marilyn Dale and Marjle Jean Smith.

KEEP IN THE SHADE

A FEW THINGS TO THINK ABOUT!

Written by GEORGE GOWEN

The Nurses Paid. No More Narrow Escapes Wanted. Cochran for Vern R.

A Correction.

I seem to have been mistaken last week about the two nurses, who drove through the street with their toes pushed to the foot-board, when I said that Judge Barber acquitted them with the Dutch Uncle pill. He leveled a fine on them and they said they would send the money. They said they were going to a rush confinement case in Burwell when Geo. Round finally stopped them, his own car registering 75 miles an hour at the time. On the way back they claimed they were going to another rush confinement case down to Hastings.

A Close Call.

And that all reminds me of a little experience I had the other day in Ord. I went east across the highway and by Anderson's garage, and in crossing the highway, I remembered afterward, I did not come to a dead stop. No one was in sight and I hesitated, I looked twice and moved on. I was looking for a party and stopped at the wrong house. On my way back to the street, after getting my directions, one of the Ord police drove up. He was sitting in the car with another man and they were looking at my car and me.

My heart began to sink and go through all sorts of maneuvers. I tried to think what I had done. I knew I had not sped—my car will not speed even if I wanted to. My brakes are none too good, but how did he know? Then I remembered crossing the highway, without coming to a dead stop. I thought of how the fellows would pan me when they heard of my arrest and how I had written about the law enforcement of Jim and Charley and how it had amused us all. Now it was my turn. I kept walking however as if nothing had happened. If he should change his mind I was not going to remind him of it.

They kept watching me still, and looking at my number. I noticed they were parked on the wrong side of the street and decided to mention it to the judge. Mr. Policeman was moving now, picking up something, his book perhaps or his gun. But I did not hesitate yet.

I heaved a sigh and decided to take my medicine. I had the money. I had just sold two cases of eggs and had not bought the groceries that the wife had sent for. I felt for my pocketbook. Yes there it was. I too, thought how I would try to talk John Ward out of putting it in the paper. He is a good friend of mine.

I kept moving on toward my car however, eyeing the said policeman, but still trying to act as if nothing had happened. I had a notion to nod at him but I didn't dare. He was watching me closely and as I started to get into my car he started to get out, a package in his hand, but he did not wave or whistle so I started my engine, put the car in gear. He was walking now, around his car, I was driving off and he went into the house where I had just inquired the way.

I told last week of instances that are productive of fine feelings

within one's internal workings, and I will say that this last instance ranks well up toward the top.

I still have my money from the eggs that the city of Ord might just as well have had, and I have my self respect and I'll bet in the great hereafter I stop at the stop signs. I don't care for those fine feelings. It might not turn out so well next time.

Short Shavings.

I was at Greeley the other day and wanted to inquire about a seed and feed loan and I concluded they loaned their money, if they did at all, by wait. You wait for hours to make your application, then wait for the money, then, in all probability, next fall, they will have to wait for their money to be paid back.

Bert Brown and his wife who are making a long visit with their children in Washington are having many interesting things happen. I'll warrant they have six grandchildren, all little boys, and all between the ages of two and five.

Someone said Rev. Hill reminded them, in the pulpit, of a king. Rev. Hill did not think that such a compliment. If they had only said he reminded them of a dictator, he might have been more pleased.

Mrs. Eva Johnson had over fifty music pupils last year from this little town and territory, and that is not so bad.

Scotia has a fine school, the population of it being just about the same and sometimes a few more than the population of the town, which is around five hundred.

At the cheese factory meeting I made the remark that my chickens would not drink whey. Ansel Frazer and Art Stillman laughed and said their chickens drank a pail full every day and liked it. The conclusion was that the drinks in Greeley county have long had the reputation of being more potent than mere whey and my chicken's training and blinging up were wrong.

Politics.

George Mayo stopped and had a visit with Governor Cochran the other day and George reports that the Governor is very much delighted that Vern Robbins is running for the unicameral and hopes he is elected.

Jots 'n' Jest

CIRCUSES are going on the road again. Baseball teams are going into action. Peanut stock is going up.

Born with horns, a California rooster may live to wish that he could blow them at approaching motorists instead of using them as a head decoration.

A Minnesota weekly newspaper is sponsoring a spelling bee. But why train the kids to spot more errors in the paper?

The Kentucky Derby will be run May 7, meaning Kentucky farmers can start looking for a rainy season practically any moment.

POSTSCRIPT—The last reports are that the nurses remitted their fine money and now Jim will not have to guard over them with a sawed off shot gun while they make little rocks out of big. Too bad, Jim.

Something Different

There are still ideas that you and I never have had.

For example, Sunday while driving in the country near Ericson we passed a school house with a large cement terrace or stoop on the front, with the fashionable iron grillwork ornamenting each end of the porch.

With very little squinting and imagination it could be decided that the curlicues of the iron bars once ornamented the head and the foot of an old-time bed. Yet it was very effective in its new home, and made a fine appearance.

Have you been watching the iris? I hope you are thinking and talking just a little about iris making a fine official Ord flower, as I told you a week or two ago. The commoner varieties bloom easily, transplant almost any time of year and live without caring much if their roots are covered with earth or half-exposed. They multiply rapidly, and the place where you plant a few this year will have a thick mat of them in two years.

Iris would not be expensive, for nearly every yard has a few of them, and by some judicious trading with our neighbors we would soon have them the noticeable flower of our city. Iris do not require any special attention. In fact, I cannot see any drawbacks to appointing them to our place of honor. They may be ordinary, the bright blue-purple kind, but some of them in every yard would make Ord a very pretty place, one worth inspecting in Iris-time. And there are expensive kinds, for anyone who wishes to go to more trouble with them.

Let's do something about it. Iris take hold so naturally here, I think they are just asking for the job of City Flower.

Very skilled fingers has Mrs. Helmut Brockman, who often wears knitted garments she has made herself, and is rarely found without something she is "working on". Just now it is another lovely dress.

The Mayor's daughter, Miss Cummins, is another who has proved that she can knit something attractive. The gay red sweater-blower she wears at the ticket window of the theater many evenings was knit by her.

Miss Lena Clements is daunted by nothing, and for a long time past has been crocheting a bedspread for her sister-in-law, Mrs. Edna Clements of Calceico, and the elaborate pattern is now finished. Perhaps she inherits her courage from her father, for drouth, grasshoppers, nothing stops Judge Clements in his desire to have a beautiful back yard, and if necessary he will put in a new lawn each spring to have the greensward just the way he wants it.

Many Ordites took a genuine interest in planting trees this past week to celebrate Nebraska's own idea of a holiday, Arbor Day. I believe they were partly inspired

WASHINGTON LETTER

BY SPECIAL CORRESPONDENT

Pump Priming Tactics Encouraged by Once Optimistic Economic Leaders

WASHINGTON.—Administration economists who had hoped for a spring upturn in business conditions were the inspiration for current talk of "pump priming." Their optimism failed them when the chartered course of business continued a downward spiral, and they urged government spending... without delay, because any stimulant for which Congress fills the prescription this spring will not begin to be felt until late summer or fall.

THOSE who disagree with the theory advanced by economists to whom the President has listened say that no amount of government spending will inject new confidence in business men generally. They are answered with some bitterness by the "spenders" who make the point that overconfidence of business men generally and huge inventories are the real problems.

IN 1936 when the government was contributing a net \$300,000,000 to the purchasing power of the country, there was an encouraging boom. Now they think it would be necessary to contribute \$2,000,000,000 to create an inflationary boom next year.

Nebraska has many beauties we do not bother to go see, to talk about, or to brag about. As Edgar Howard says, we need to travel over our own state and see more of it, and he advises eastern Nebraskans to drive out to see the green sandhills with their many herds of cattle or to drive from North Platte to Scottsbluff and inspect the wonders of the sugar beet.

Pibal Lake is a beautiful near-to-Ord spot that I had never seen until Sunday. It is worth a Sunday, or several days of your time. I have never seen the eastern Nebraska apple trees in bloom, and I have a great hankering to take that drive. There are water lily gardens down that way too.

Have you been to Long Pine? It is charming, nestled in the hills, not so far from us, either. The Pine Ridge country is a lovely sight, with all the beauty of mountains, but not nearly so much danger of falling off. Go out that way some time, you will not be sorry.

Following Vision With Service

The International Uniform Sunday School Lesson for May 1 Text: Mark 7:14-29

VISION that does not result in service is useless. It is fitting that after a lesson on Receiving Vision for Service we should have a lesson on Following Vision With Service.

There has always been plenty of need in the world for those who could see it and were willing to meet it, and there is always plenty to do for those who have the vision of tasks that they are willing to perform.

Jesus communed with His disciples, taught them, and discussed various matters with them, but always they came back to the multitude, and always He enforced by His words and His example the fact that His religion was one of service.

The father of the young man, hearing of the fame of Jesus and His disciples, had brought the young man to the disciples in the hope that they would heal the boy, but they were not able. Jesus rebuked their lack of faith, but there was a mildness in His rebuke at the end of the story where He says that the miracle could have been accomplished by nothing save by prayer.

IT is difficult to derive from a lesson like this teachings that are more than general in nature, that is, unless we take a literalistic view of Christian healing. The whole subject of Christian healing is one that is deep and intricate and that cannot be discussed within the limits of brief comment on a lesson.

Do You Know This Man?

This week the Quiz is presenting the old time photo of a man whom we must admit is as unknown to the Quiz as he is to most of you. A slip which accompanied the photo has been mislaid, and we would appreciate it if the person who sent it in would call us up. The man whose picture appeared last week was identified by Marlon Crosby and Charley Hunt, who noticed a resemblance to R. J. Clark. They were correct. Mr. Clark came here in 1872 at the age of eight years, so the picture is probably sixty years old.

Bert Moore and daughters Dorothy and Lucina of Burwell were in Ord Saturday.

From Grand Island they drove to St. Paul for dinner and on to Ord where Mr. Rhodes visited Dr. Blessing where he had his teeth extracted not long ago. The roads to Grand Island were soft due to the rain of Wednesday evening. By afternoon driving was very good.

Mrs. Paul Travis of Kansas arrived Saturday to be at the bedside of her mother, Mrs. Chan True who passed away Sunday morning.

Mrs. Jennie A. True.

Mrs. Jennie A. True was born in eastern Iowa, in 1860 and died at Arcadia on the 24th of April, 1938, at the age of 77 years, 8 months and 22 days.

In the spring of 1878 she came with her parents to Nebraska where the following Christmas she was united in marriage to Chandler R. True. To this union were born 12 children, Claude, of Kimball, Howard, Alfred, Leonard, Mrs. Leonard Camp, all of Arcadia, Mrs. Harry Wagner, Central City and Mrs. Paul Travis, Kansas City, Kas. Five children preceded her in death.

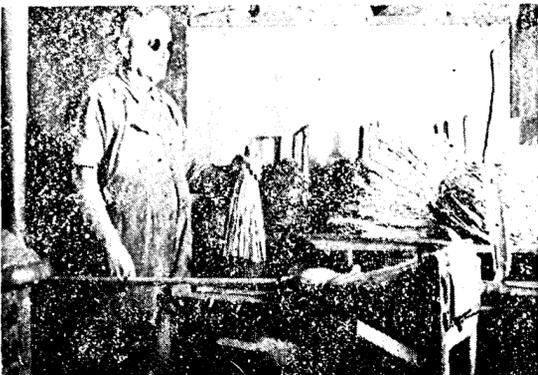

One brother, Charley Knight, Strawberry Point, Ia., and one sister, Mrs. Jessie McDonald, Loup City, three nieces and three nephews and 19 grandchildren and 7 great grandchildren, survive the deceased.

Immediately after her marriage at Loup City she moved with her husband to a homestead in Lee Park near Arcadia. Here she experienced the many and varied hardships that came with the life of the early pioneers. All who knew her life, testify that hers was a life of service and quiet reverence to her God. She was converted in early married life and united with the United Brethren church of Lee Park and after moving to Arcadia united with the Congregational church in which she remained a devoted member until the time of her death. The last five years saw her unable to attend services because of illness.

Monday evening after the Boy Scouts regular meeting at the City Hall, Scoutmaster Paul Easterbrook marched his troop to the Community Park where Mrs. Ray Hill and Mrs. Hawthorne had prepared a surprise for the boys in honor of the 13th birthday of John Hill, a lovely lunch of sandwiches and cocoa, home made ice cream and cake.

Mr. and Mrs. Harry Casteel of Crete, Neb., visited her parents, Mr. and Mrs. Wm. Higgins with their eight months old twin babies, a boy and a girl. Mr. and Mrs.

North Loup's Broom Maker and Factory

Above is shown Owen P. White, North Loup's blind broom maker and his factory, in which he keeps busy most of his time making high grade brooms. He has all the machinery necessary to make brooms in this factory, including a flailing machine to separate the seeds from the straw, a sorting table to select the fine and coarse straw, a machine for strapping the wire around the straw, a device to hold it for sewing and a cutter to cut the bottom of the broom off square.

Mr. White has no trouble in making good brooms, as he has been in the business for years, and his product is well known. His chief trouble is obtaining plenty of good quality broom straw. Weather conditions have not been the best for this for several years, but he has usually been able to find enough for his purpose within a reasonable distance of North Loup. The picture shows the sorting table, and a broom that has just received its final hair cut.—Photo by Birmingham.

Casteel have another girl 13 years of age and a boy 5. On their way they came by Ord and got Miss Della Higgins, nurse at the Miller hospital. They also visited a brother at Comstock, and were all Sunday dinner guests at the Wm. Higgins home. Other guests were Mr. and Mrs. Chas. Todd and son and Bill Todd of Ansley.

Friday Mrs. Chas. Hollingshead gave an announcement party to a group of ladies at her home, serving a 1:30 o'clock luncheon. Mrs. Walter Dreher announced that Miss Evelyn Hyatt, youngest daughter of Mrs. Chas. Hollingshead, and Donald Murray, second son of Mr. and Mrs. Fred Murray, will be married Friday, April 29.

The party was in the form of a pantry shower. A lovely assortment was received for the pantry. Pinocchio was enjoyed during the afternoon. Present were Mrs. George Olsen, Mrs. Don Kutchera, Mrs. Harry Kinsey, Mrs. George Travis, Mrs. Clyde Baird, Mrs. Alfred Hastings, Mrs. George Hastings, Jr., Mrs. Walter Dreher, Mrs. Irwin Kistler, Mrs. Inez Lewin, Mrs. Bill Sulzer, Mrs. W. J. Ramsey, Mrs. Horace Richards, Mrs. Steve Tarca, Mrs. Brownie Barber, Mrs. Richard Barber.

Last Minute Pardon for Townsend

A free man before he ever reached a jail cell, Dr. Francis E. Townsend, above, holds high the presidential pardon which awaited him upon arrival at the U. S. marshal's office in Washington, D. C., to start serving a 30-day sentence for contempt of the House of Representatives.

Ord Softball League Wants More Players

The Ord Softball League met Thursday night. Four managers and sponsors were present and said they would have a team in the league this year. These teams are the K. of C., the Brown-McDonald, The Ord Livestock and the Ord High School. It was decided at the meeting to try to interest more people in playing softball this summer, so anyone in the country or in town who wants to play softball this summer should sign up at the McGrew Barber Shop with Lawrence Shunkweller or at the Council Oak Store with Cecil Hansen.

The softball grounds will be improved this year. The light poles are to be moved back and more lights will be put in to light up the outfield. This should create more interest, as that was the bad feature last year. There is talk of a split season schedule, with a little world series between the two winners. So anyone wishing to play that has not already done so sign up at one of the places mentioned and get ready for a big summer of softball.

Junior Baseball Team Gets First Workout

Sunday afternoon at the fair grounds, under the direction of Manager Harry Wolfe, the members of the American Legion Junior baseball club held their first workout. It is apparent that the club has a number of fine performers who would do well in any man's club, and the interest they manifest is proof that they will give good account of themselves in any company. No games are scheduled for certain at this time, but it is hoped to get the boys into action in the near future.

—Mr. and Mrs. Will Misko left for Iowa Wednesday, where they expected to visit relatives at Waterloo, Nora Springs and Mason City. When they left they expected to return today.

This map indicates the six major routes to be flown on air mail pick-up service to twenty-six central Nebraska cities on May 19. With two flights scheduled for each city and several projected special flights the gross air mileage in this district will be 2,100 miles, just 542 miles less than the air line distance from New York to San Francisco. In the territory served in the entire district, there reside 318,349 mail patrons.

All east-bound mail will be collected at all regularly designated cities during the forenoon and will reach New York at 8:55 that same evening via United Air Lines connection at Grand Island. All west-bound mail will be collected in the afternoon and will reach San Francisco at 1:56 the following morning via Grand Island and United Air Lines connection.

Postoffices not included on the map may forward their mail to the closest air mail station for dispatch on any one of the six routes.

Fifteen Nebraska pilots and their airplanes are required to complete the assigned schedules. Time cards will be issued indicating scheduled arrivals and departures at all stations. Ten minute stops are provided at each station to permit the loading of mail.

At Grand Island where the regular air mail station exists the Postoffice department will sort all incoming mail, back stamp every piece, place it in pouches and dispatch on the regular air mail service.

Spring Brings WIENER ROASTS AND STEAK FRIES

There's something about spring weather that makes people want to get out-of-doors and cook their dinner over an open fire. Wienies and Steaks make ideal meats for the out-door picnic, and we want you to know that our market specializes in them. When you get ready for your Steaks for out-door cooking, tell us and let us cut them for you just the proper thickness to cook best over an open fire. And our Wienies, either for roasting or boiling, can't be surpassed—that's because they're all meat—no flour or filler added.

Kearns Workmen Making Fast Work of Erecting Olean-Burwell High Line

Even the business of building high tension lines across country has succumbed to modern machinery, as this series of interesting pictures proves. Contractor is the John F. Kearns Co. of Omaha. At top, left, is shown the automatic drill used to dig the holes. In three minutes a 7-foot hole is drilled, ready for the pole, with this augur. Around the drill, having the appearance of a pile of grass, the camera caught and stopped in mid-air the thousands of fragments of dirt flying from the hole. At top, right, workmen are loading the poles onto a truck. They are shipped in by rail, dumped at the material yard on the fair grounds, and there loaded onto trucks and hauled to points where they are being set. Eight or nine of these big poles make a truck load. Below this picture workmen are shown rigging a pole with cross arms, this work being done before the pole is erected. The poles come in three lengths, 40, 50 and 60 feet. At lower left, with the aid of a tractor, workmen are setting a pole into the hole previously drilled for it, and at lower right they are tamping the dirt around it. Work on the high line is progressing rapidly and within thirty days, it is thought, the line will be ready for use and the North Loup district will begin serving Ord and Burwell with electricity bought from the Platte valley project.

Give Program, Dance, As Library Benefit

At the K. of P. hall Monday evening, the Business & Professional Women's club of Ord revived their famous "Rainbow Night Club," giving a program and dance to raise funds for the library. The program included selections by the high school boys' quartet composed of Dick Koupal, Eugene Puncocar, Allen Zikmund and Edwin Hitchman; a skit, "The Shooting of Dan McGrew," by Ed Whelan and John Misko; songs by Virginia Sack; and tap dancing by Myrtle and Ruth Auble. Committee in charge was Miss Eunice Chase and Miss Florence Anderson; Mrs. Vera Andersen headed the program committee and Miss Ellen Servine directed the program. Although a check-up has not yet been made, the B. & P. W. club believes a nice sum was raised for the library. Guests enjoyed a splendid time.

Patrons' Support Required if Music Contest Attended

School Will Pay \$72 Fees for Registration but Children to Pay Meals, Lodging.

Cooperation of Ord people in furnishing cars and willingness of parents to defray expense of lodging and meals for their children are factors determining whether or not Ord high school musicians will compete in the national music contest in Omaha May 12, 13 and 14, said school officials in a letter mailed to all patrons Tuesday.

The Ord band, the orchestra, several soloists and small groups were found eligible to compete, the letter says, but unless parents want their children to compete in the national event, no registration will be made.

Expense of taking 70 children to Omaha will be heavy and there are no funds in the school budget to defray all expenses. The registration fee of \$72 will, however, be paid by the school and transportation to the extent of \$1.00 per pupil will be paid, but personal expense such as meals and lodging must be paid by the individual.

Present plans are that pupils who do not play solos or in small groups will leave Ord Thursday afternoon and return late Friday or during the day Saturday, and estimates of expense for meals and lodging is \$4.00 each. Soloists and small group members will leave Ord Wednesday afternoon and return Saturday and the school estimates their personal expense at \$6.00 each.

If the trip is undertaken, says the letter signed by Superintendent Thompson, Principal Stoddard and Dean Duncan, music director, parents may feel assured that the pupils will be well supervised while in Omaha as well as enroute.

Advantages of competing in the national contest, in the opinion of school officials, are: In all probability the national contest will not be held so near to Ord for a number of years; students benefit greatly by seeing and hearing the best of high school musical organizations; a trip of this kind gives many children a pleasant experience long to be remembered; it should prove a definite help in raising the standards of music in this community; and, Ord's musical organizations are a local asset and too often local appearances fail to provide proper stimulation.

Thompson, Stoddard and Duncan make it plain, in their letter, that they have no thought of attempting to force anything upon the community but are very willing to cooperate if parents and patrons want the high school musicians to compete in the national contest, for which they are eligible because of winning the district contest.

Decision on whether or not the trip will be made will be determined by April 28, latest date when registrations may be sent in.

Ord Church Notes

Presbyterian Church Notes. Sunday school at 10:00 a. m. There will be no preaching service, as Rev. Woodruff is still at Midwest, Wyo., conducting evangelistic services.

The Missionary society will meet Friday, May 6, with Mrs. C. M. Hitchman, at 2:30 p. m. Any persons having missionary reading books out are requested to return them to Mrs. Gould Flagg or to Mrs. C. J. Miller.

The Presbyterian young people are holding a state wide rally May 8. The district group, which includes Ord, will meet that day at Loup City.

There will be services as usual Mothers' Day, May 8.

Bethany Lutheran Church. "I am the good Shepherd, the good Shepherd layeth down His life for the sheep."—John 10:11. Sunday school and Bible class, 10 a. m. Divine worship, 11 a. m. Sunday school teacher's training class Tuesday evening at Ejvind Laursons.

Mid week Bible study Wednesday, 8 p. m.

Luther League Thursday at Monty and Peter Petersen's, 8 p. m.

"We all like sheep have gone astray."—Isaiah 53:6. Has the good shepherd found you again. The best place to come into contact with Christ is in His House of worship.

You are always welcome at Bethany. Clarence Jensen, Pastor.

United Brethren Church

A group rally in the Ord district of the United Brethren church will be held at Cotesfield Wednesday, May 4th beginning at 2 o'clock p. m. Speakers will be Dr. S. G. Ziegler, general secretary of Foreign Missions; Rev. Paul Pouter, pastor of the Aurora church; President J. H. Overmiller of York college; Mrs. J. C. Morgan, state president of the W. M. A.; and State Superintendent Dr. A. P. Vannice.

In the evening Dr. Ziegler, who has visited U. B. Mission fields in Africa will show pictures of Africa.

Dr. and Mrs. Ziegler offered themselves as foreign missionaries but were not permitted to go. To their great surprise some years later he was chosen by the General Conference as General Secretary of Foreign Missions. So instead of one mission field all the mission fields in the United Brethren church are carried in a very special way in the hearts of Dr. and Mrs. Ziegler.

Special Meetings at U. B. Church

The special meetings being held in the United Brethren church are of particular interest and afford a great opportunity for a better understanding of God's word. Rev. J. R. Barkman, pastor of the Evangelical Mennonite church at Henderson and Dean of the Henderson Bible school is in charge. These meetings combine the features of a Bible conference in the afternoon at 2 o'clock and doctrinal and revival messages in the evening. Mrs. Barkman, Mr. and Mrs. Henry Siebert, Mr. and Mrs. Abram Penner, the Misses Rachel, Laura, Edith and Olga App. Misses Helen, Augusta and Anna Schmidt from the Henderson church were in attendance all day Sunday. Mrs. Barkman used objective lessons in addressing the children in all three services of the day. The App Sisters sang in quartet and the Schmidt sisters in trio. One was impressed by the fact that the words which they sang were a reality in the life.

Fellowship dinner was enjoyed in the Legion hall.

The meetings continue this week. Mr. Barkman speaking on "The Work of the Holy Spirit and the Book of Genesis in the afternoon and on the following subjects in the evening: Wednesday, "Satan". Thursday, "Crossing the Dead-line". Friday, "Let Us Run the Race". We trust many will avail themselves of their great privilege during these closing days of the meeting.

Stagehand's Winter Record Makes Colt Number One Choice in Kentucky Derby

Once again the 3-year-olds will be rounding the turn at Churchill Downs, just as they are doing above, and the big favorite in this year's renewal of the Kentucky Derby is Stagehand, right, shown with his trainer, Earl Sande.

BY IRVING DIX

IT'S Derby time again at the Downs. Louisville, capital of the blue grass country, prepares for the 64th running of America's greatest turf classic, but one doesn't have to be in Old Kaintuck to be in on the thrill.

For throughout the land it's Stagehand, Dauber, Fighting Fox, Menow, Tiger, Bourbon King, and the rest.

There are dark horses, to be sure. What Kentucky Derby doesn't have its dark horses? But the experts who know their horseflesh aren't looking for a comparative unknown, or even a mild outsider, to pound down to the finish a winner.

Stagehand was just a good 2-year-old a year ago, but when he opened his 3-year-old campaign by winning the rich Santa Anita Derby and Handicap he proved beyond a doubt that he would be the horse to beat in the Kentucky Derby.

Earl Sande, who knows a thing or three about the Kentucky classic, having ridden three Derby winners himself in his jockey days, is training Maxwell Howard's prize colt. And Sande, who isn't given to optimism, says Stagehand will be right up there when the

leaders swing down the stretch

STAGEHAND is in perfect shape. Sande has brought him along carefully since his winter campaign in California. But despite his condition and past record he'll have to be tops to withstand the challenge of three or four others who loom as dangerous contenders.

Well liked among others is Fighting Fox The Fox, however, must overcome tradition as well as the rest of the field before he comes home a winner. Fighting Fox is a full brother to Gallant Fox, winner of the 1930 event, and no full brother of a Derby winner has ever triumphed.

If the track is muddy, Chaps will be heavily backed. This colt likes the heavy footing, but on a dry course he won't find much support.

Dauber came along with a rush during the winter meetings and no one will be greatly surprised if he leads the entire field home May 7 at Churchill Downs

TIGER has plenty of speed and can carry the weight, but horsemen are a bit doubtful of his ability to go the distance. The same can be said about Menow, the sensation of the two-year-old campaign, which has

everything needed but the ability to stick it out in the stretch. Critics fear he'll lead the pack for six furlongs and then fold up under the strain.

Sun Egret definitely is a dangerous contender, and if he gets away well and isn't pocketed at any time he should be well up at the finish.

Carrying the perennial hopes of the fillies is Anafame, which, somewhat like Tiger, has the speed but not the staying ability. But it's the Derby, and as such, it's anybody's race

Ord Tracksters Run Away With Mid-Six Meet at Broken Bow Tuesday; Loup Valley Meet is Next

Placing in every event except the broad jump, which they did not enter, Coach Brockman's Ord tracksters galloped away with honors in the Mid-Six track and field meet held at Broken Bow Tuesday.

In spite of a muddy field which especially handicapped the sprinters, several new Mid-Six records were established including a new mark of 15.9 seconds in the high hurdles by Nielsen, of St. Paul; a new mark of 55.7 seconds in the 440 yard dash by Nielsen; a mark of 40 feet 6 inches in the shotput by Buckner, of Broken Bow; a broad jump of 20 feet 1 inch by Smith of Arcadia; and a discus throw of 113 feet 5 inches by Zikmund of Ord.

Next big event on the track horizon in the annual Loup Valley conference meet, which will be held in Ord next Wednesday, May 4. Given a dry track and favorable wind conditions, new records are sure to be set in many events, coaches believe. Cetak is due for record-smashing performances in the 100 and 440 yard dashes, it is thought, and several hurdle and weight marks are likely to fall.

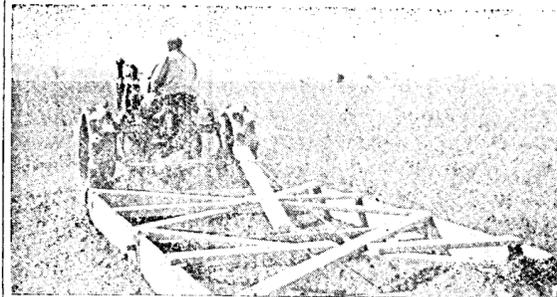

This Friday Coach Brockman is planning to take some of his best performers to the invitation meet at Kearney, principally for the work-out it will give them in preparation for the Loup Valley meet.

Performances at the Mid-Six meet Tuesday were as follows: High hurdles, time 15.9 seconds—1st, Nielsen, St. Paul; 2nd, Toops, Arcadia; 3rd, Smith, Arcadia; 4th, Jablonski, Ord. New record.

100 yard dash, time 10.9 seconds—1st, Cetak, Ord; 2nd, Capellan, Ravenna; 3rd, Toops, Arcadia; 4th, Barnes, Ord. Ties old record.

200 yard low hurdles, time 23.7 seconds—1st, Nielsen, St. Paul; 2nd, Smith, Arcadia; 3rd, Bahlin, Ord; 4th, Jablonski, Ord. New record.

Leveling The Land For Irrigation

Above is shown Ed Christensen with his tractor and drag leveling the land for Floyd Hutchins on the farm a mile north of North Loup for irrigation. This land has been leveled before, but it is a job that cannot be done too well.

Buckner, Broken Bow; tied for third and fourth, Toops, Arcadia, Zulkoski, Ord, and Mackey, Ravenna. Ties old record. Broad jump, distance 20 feet 1 inch—1st, Smith, Arcadia, 2nd, Nielsen, St. Paul; 3rd, Capellan, Ravenna; 4th, Buckner, Broken Bow. New record.

Discus throw, distance 113 feet 5 inches—1st, Zikmund, Ord; 2nd, Buckner, Broken Bow; 3rd, Cetak, Ord; 4th, O'Neill, Ravenna. New record.

Javelin throw, distance 143 feet 2 inches—1st, O'Neill, Ravenna; 2nd, Smith, Arcadia; 3rd, Stone, Broken Bow; 4th, Zikmund, Ord.

A basket dinner will be the program at noon, and everyone is asked to bring well filled baskets. Dishes, silverware and coffee will be furnished by the host church.

More group singing will follow at 3:00, led by Rev. Birmingham, panel discussions by Rev. White and closing devotions by Miss Mable Young. At 4:15 a story hour for the grade children of North Loup will be conducted by Mrs.

Water Measuring Stations on Three Canals

Dozens of people have asked, "what are those little concrete buildings perched on the irrigation canals?" a picture of one being shown above, and to get an answer the Quiz this week consulted E. H. Dunmire, engineer-manager of the North Loup project. These structures, says Dunmire, house apparatus used to measure and record the number of second feet of water flowing through the canals.

PERSONALS

—Dr. F. A. Barta performed a tonsillectomy for Bud Clark Tuesday.
—Mrs. Florence Chapman's sister, Phoebe May Smith, arrived in Ord Saturday, and will remain here visiting her sister for about six weeks.
—Mr. and Mrs. Joe Karty and daughter Lillian were Sunday dinner guests at the Anton Jawich home.
—Dr. and Mrs. C. J. Miller drove to Lincoln Tuesday morning and the doctor is attending the Nebraska Medical association meeting.
—While driving into Ord over the Arcadia-Ord highway early Sunday morning a Hastings man named Batterson, accompanied by Claude Rathbun, Jr., and Morris Rathbun, overturned his car at the turn near the Warner Vergin place. None of the three was injured aside from a good shaking up. The car top was damaged some, but they were able to use it in making the return trip to Hastings Sunday evening. The Rathbuns spent the day visiting friends here.

De Luxe the only word for this car! Here's the biggest and most luxurious Ford V-8 ever built. Its modern style, and excellence of appointments, combined with V-8 performance and economy, set a new high standard in the low-price field. There's just one way to really appreciate this modern car and its 8-cylinder quality—that's to ride in it, to drive it, to own it! DE LUXE FORD V-8 PRICES INCLUDE THIS EQUIPMENT: Front and rear bumpers, and bumper guards, spare wheel, tire and tube, tire lock, two tail lights, two windshield wipers, two sun visors (in closed tops only), cigar lighter, twin horns, headlight beam indicator on instrument panel, de lux steering wheel, glove compartment lock and clock, and rustless steel wheel bands.

After the maneuvers were completed, the foot troops were loaded into trucks and hauled to Ft. Clayton to this side of the isthmus. I like Panama very much. It is very interesting with its jungles, wild cats, "Gigaboo" (natives), banana groves, orange trees, coconut trees, and strange plants. Every tree has from one to a hundred parasitic plants growing on it. The native horses are from 3 1/2 to 4 feet high and weigh from 200 to 400 pounds. They look like western bronchos only smaller.

IT HAPPENED IN ORD.

Saturday Joe Jirak came down the street just as Joe Puncocchar had climbed on a chair in front of the Food Center to paint the signs on the windows. Big Joe picked little Joe up, set him down again on the chair, next to the lamp post and told him to paint that a while.

Sunday morning the train was late. Severson, Norman and Tolen, paced by Tolen, jr., started a game of marbles in the back yard. The games was plenty fast while it lasted, but it ended, as might be expected with young Mr. Tolen copping all the honors. He did not make anything at it, as he furnished all the marbles to start with.

The other morning one of the members of the Quiz force said something about John Howard's dance band of radio fame, and another made the statement that ten people knew John Howard to one who ever heard of John Howard Payne. At once three asked, "Who was John Howard Payne?" We leave it to the reader. Do you know who he was?

This Week's Patterns

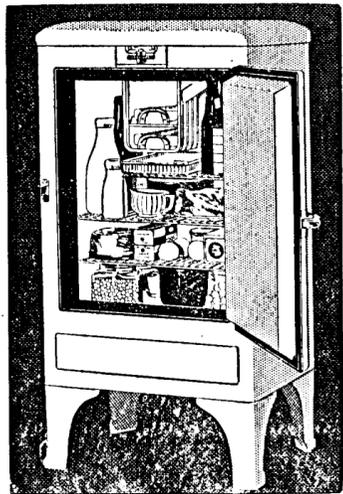

THE unusually flattering softness in Pattern 8169 is due to the pleat in the flare sleeves and the fullness with which the blouse gathers into the yoke. Sizes 14, 16, 18, 20, 42, and 44. An action skirt, with one or two patch pockets to provide ample room for knickknacks are the features of the house frock, Pattern 8164. Sizes 34, 36, 38, 40, 42, 44, 46, and 48. Smooth, unbroken slimmness accentuated by puff sleeves is the note struck by Pattern 8151. Sizes 12, 14, 16, 18, 20, 40, and 42. The bias cut of the bodice and skirt and the very feminine lines of the softly shirred blouse make Pattern 8108 something that your little daughter will love. Sizes 6, 8, 10, 12, and 14. Address your envelope to Ord Quik Fashion Bureau, 11-13 Sterling Place, Brooklyn, N. Y.

NEWS OF THE NEIGHBORHOOD

The Phonograph.—Mr. and Mrs. Ed Gnaster and family of Ord came here, Sunday, and visited at the home of Mrs. Gnaster's parents, Mr. and Mrs. J. F. Webster. They also drove to Farwell to visit Mr. Gnaster's relatives in the afternoon.

Custer County Chief.—C. W. Gressley and Harold Cuckler went to Hastings Sunday to take Walter Cuckler to the hospital there, where he will be under the care of the heart specialist. Mrs. Cuckler also went and will remain to care for Mr. Cuckler. Their son and daughter-in-law, Mr. and Mrs. Clarence Cuckler, live in Hastings.

Howard County Herald.—Friends of Dorothy Dee Williams, here, will learn with pleasure she has been given a contract as instructor in the second grade at Shelton, Nebr. Miss Williams will graduate from the University at Lincoln this spring.

Comstock News.—The Loup Valley track and field meet will be held at Ord this year and will take place Wednesday, May 3. At the present time dope points to Ord as track and field champions of the Loup Valley conference.

The Arcadian.—Mr. and Mrs. Anton Kucera received word on Monday that their son Clarence, who had been reported missing since the California flood, was safe. He was employed in a large dairy in the suburbs of Los Angeles. When the flood came everything was washed into the ocean, including 600 cows belonging to the dairy. Clarence had to swim his way to safety.

The Greeley Citizen.—Tombstones in the Concordia Lutheran cemetery, northeast of Greeley, have been disfigured by gunshot. These sacred markers, erected at great expense by loving relatives, have been used as targets by thoughtless lads or low type of grownups. This is indeed vandalism in its lowest form and deserving of severe punishment.

The Dannebrog News.—Who would think \$9 year old P. M. Hambl would dare venture out in a boat on the deep water of the new Oak Creek lake? The Grand Old Man of Dannebrog, and the town's first mayor, not only took a boat out on the creek, Monday, without assistance of any kind, but he demonstrated to the few who chanced to see him that he has by no means forgotten the art of manipulating a pair of oars.

Wheeler County Independent.—While running the 100 yard dash Wednesday afternoon on the home track, Blaine "Speed" Jennings tripped and fell in such a manner as to break his collar bone. He was taken to Spalding immediately for treatment.

The Sargent Leader.—While doing some high jumping at the school track grounds Friday afternoon, Vern Wolf slipped and fell and broke both bones in his left arm a short distance above the wrist. He was brought down town and Mrs. Taylor and Fenstermacher set the broken bones. He is a son of Mr. and Mrs. Ernest Wolf.

Spalding Enterprise.—M. McBeth and Art McVeigh most fortunately escaped serious injury Tuesday when Mr. McBeth's car turned completely over. They were driving in the vicinity of Bliss when a rear tire blew out. The car turned completely over, coming to a stop across a fence in an upright position. Aside from the severe jolt, the occupants were uninjured.

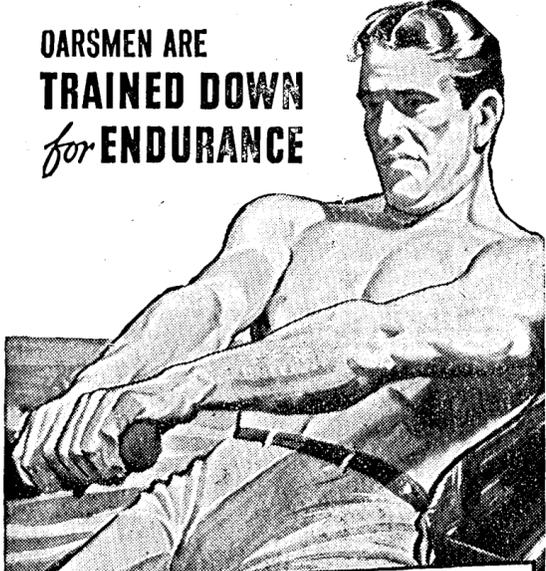

Loup Valley Camera Club Meets Monday

The Loup Valley Camera Club will meet at the American Legion hall Monday evening, May 2, for the purpose of hearing the first lecture, and viewing the first set of sixteen slides. This is the date on which all members must be present and get down to business, in order to obtain the fullest amount of good from the lessons.

Secretary Lavern Duemey received the first lecture some two weeks ago, and the slides for illustration arrived Monday noon. These are wonderful samples of the photographer's art, and will be thrown on a screen at the same time the lecture is being given. President John L. Andersen has looked over the slides and states that they are well worth seeing.

It is suggested that the members provide themselves with suitable notebooks, and take notes on these lessons as they progress, thus fixing in their minds important details that might otherwise be overlooked. Present indications are for a wonderful year for taking pictures.

Champ Lamb on Royal Throne

If you happen to get meat from this lamb in your stew, you can't complain about the price. To his smiling owner, Fevera Wilford of Santa Rosa, Calif., pictured with him above, this baby brought \$4 per pound on the hoof. Previously Wilford's woolly had joined the royal blood of lambdom by capturing the grand championship at the South San Francisco junior livestock show. Youngsters from seven western states entered their charges in the competition.

Lincoln, Hansen Covert, Are City Police Officers

(Continued from page 1)

Other standing committees appointed by Mayor Cummins are: Judiciary and fire—Johnson, McGinnis, Rohla. Cemetery and band—Sershen, Rohla, Johnson. Auditing—McGinnis, Johnson, Dworak. Street and alley—Rohla, Biemond, McGinnis. Electric and water—Dworak, Biemond, Sershen.

Many applications for various appointive jobs were received by Mayor Cummins and read to the council before appointments were made. They included: For city physician—Dr. H. N. Norris, Dr. F. A. Barta; for street commissioner—J. E. Pray, John Higgins, Ned Powers; for marshal—L. Burger, Anton Swanek, J. A. Riley, L. H. Covert, Bert Boquet; for street commissioner—C. L. Kingston, Vencil Bouda, Nate Sinkler, Nels Hansen; for janitor—Nels Hansen, John Lewis, Fred Cohen; for night police—Frank Lukesh, Roy Pardue, W. E. Lincoln, Sam Marks, J. P. Larsen, Anton Wegryza; for team hauling—W. D. Thompson. John Lewis withdrew his application for the job of janitor when he learned it was to be combined with police duties.

Election of a president of the council, which officer serves as acting mayor whenever the mayor is absent, took the most time Tuesday evening. Twelve ballots were taken with the council deadlocked 3 to 3 between Dr. J. W. McGinnis and Frank Johnson. On the 13th ballot Mayor Cummins voted for McGinnis, who thus was elected 4 to 3.

A spirit of unanimity prevailed during the council session last night except when the diesel engine proposition was being discussed. The four old members of the council, who have been working on the diesel purchase several months, were convinced of the wisdom of buying a third engine at this time, while Mayor Cummins, Councilmen Dworak and Biemond were just as thoroughly convinced that another engine for stand-by use is not needed. Discussion was cut short by Councilman McGinnis' motion to buy the engine and when it was passed by a vote of 4 to 2 there was no further need for argument, since the majority vote always prevails.

Before the new mayor and council took office, the retiring mayor, Gould B. Flagg and the old council held a brief session, passed bills, canvassed the election vote, issued election certificates to new members, heard the reports of officers, and transacted other routine business.

Tax Commissioner Smith Spoke In Ord Thursday

State Tax Commissioner W. H. Smith came to Ord Thursday for the purpose of holding a meeting of county assessors from this territory. A total of more than thirty county assessors, precinct assessors, county supervisors and other officials assembled at the court house at one o'clock to listen to talks by Mr. Smith and others, and air their problems relative to assessing property. County assessors were present from eight counties in all, Garfield, Valley, Greeley, Custer, Merrick, Sherman, Seward and Hall. Fifteen of the eighteen local assessors in Valley county were present, as were two precinct assessors from Greeley county and one from Sherman county. Also present were all the members of the Valley county board with the exception of Bremer and Jablonski, who with County Clerk Ign. Klima had gone to Grand Island to attend a budget meeting.

For years these regional meetings have been held over the state, but this is the first time that one has been held in Ord or its immediate vicinity. Much credit is due County Assessor A. R. Brox and County Clerk Klima for arranging to have a meeting in Ord at this time. It was an ideal place to hold such a meeting, as Ord is the center of a section that has been hard hit by the drought for a number of years, and the taxation problem is becoming increasingly serious from year to year.

WOODMAN HALL

Seventeen pupils took seventh and eighth grade examinations at the National hall Monday and Tuesday of last week conducted by Mrs. Lawrence Waldmann.

Mr. and Mrs. Jacob John of Ord and Mr. and Mrs. Edward Waldmann and sons were Sunday dinner guests of Mr. and Mrs. Rudolf John.

Mr. and Mrs. Ernest Vodehnal called at Joe Waldmann's last Friday evening.

Leonard Ptacnik was a guest Saturday night of Rev. Thomas Sindowski.

Mr. and Mrs. John Petska and daughter Virginia left for Rochester last week seeking medical aid for Mrs. Petska who has been ill for some time.

Rev. Thomas Sindowski and Mr. and Mrs. Emanuel Veverka were Sunday dinner guests at the John Ptacnik home.

The Woodman hall was filled to capacity last Thursday evening when the Geranium Catholic people gave Rev. Thomas Sindowski a farewell party and the new pastor, Rev. Michael Szeszney a welcome party. The following clergy were present to bid farewell to Rev. Sindowski: Rev. J. V. Zolkowski and Rev. Michael Szeszney of Loup City, Rev. Martin Lawler of Ord, Rev. C. Szumski of Elyria, Rev. T. C. Murray of Burwell, Rev. Anthony Figierski of Poplin, Rev. Andrew McDonald of North Platte, Rev. John Czajka of

Elba, Rev. David Kosky of Broken Bow. Sunday morning Father Sindowski celebrated his last mass and gave a farewell address at Geranium and departed in the afternoon for Chicago where he will be employed on the Extension Magazine. Also present at the party were Miss Lillian Przybylski of Loup City, Miss Katherine Burek of Poplin, Miss Veronica Sobon of Sargent and Mrs. Court of Elyria.

Mike Hulinsky, Mrs. Joe Turek and Mrs. John Kamarad, sr., drove to North Platte last Sunday to see Mrs. John Sibal of Ogallala who is seriously ill at a hospital in North Platte. They returned home Sunday evening.

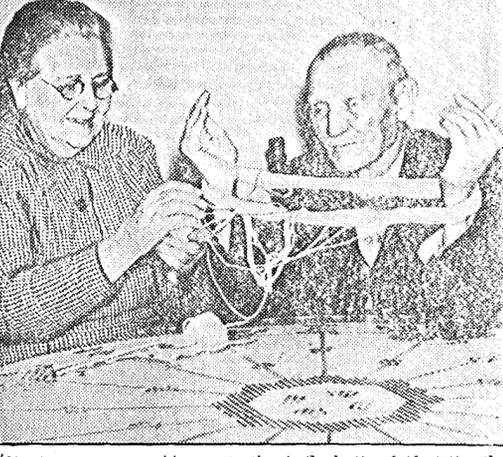

Frank Mrkvička, of near Ord, received the quilt made by the Geranium ladies study club and the door prizes were won by Lawrence Huss of Sargent, who received a sack of flour and Lumire Vodehnal who won 5 gallons of gas.

Miss Lydia Lehecka was a guest of Mildred Waldmann Sunday night.

Will Chalupsky, Vencil Ptacnik, Charles Kriak, Paul Waldmann, Joe and Will Petska drove to Schuyler Sunday morning where Will Chalupsky of Comstock, Robert Spooner of Sargent and Vencil Ptacnik were among the 30 initiated into the K. of C. lodge.

Over half an inch of nice slow rain fell here Sunday night and Monday morning and it is still raining at this writing. Mr. and Mrs. Edward Radil and Mr. and Mrs. Thomas Waldmann and children were Sunday visitors at Albert Ptacnik's.

SPINNING OUT AN OLD YARN

Yes, marriage is an old yarn to the J. E. Pratts of Marietta, Ga., but it's been 10 years of wedded bliss, the secret of which, they state, lies in "following God's rules." The Pratts set along perfectly but admit that happiness is fostered by tending to their own "knitting" and never losing both their tempers at the same time.

Make More Corn Profits by Planting Nebraska's Own

CORNHUSKER
Certified
HYBRIDS

Ask anyone who planted CORNHUSKER Hybrids last year. Here's what they say: "We got 10-bu., 15-bu., 16-bu. MORE CORN per acre than the best open-pollinated!"

And that isn't all. They say, also: "The young plants are easier to cultivate because they are stronger!" "They endure more hot, dry weather." "No barren stalks—a good ear on every stalk!" "Easier to pick because ears are at uniform height, no down corn!"

Nebraska farmers prefer CORNHUSKER Hybrids because they have proved they give excellent results in Nebraska's soil and climate. They are Nebraska-grown... State-Certified... every bag is State-Sealed.
