### Fair Officials Put Final Touches on Big 1939 Show

Track in Ideal Condition for Record Time; Exhibits Are Expected to be Heavy.

Everything is hustle and bustle at the Valley county fair grounds this week, with officials putting the final touches on plans for the big 1939 show which begins next Monday, Sept. 11 and continues through Tuesday, Wednesday and Thursday.

The midget race track is in especially fine shape and record smashing may be expected from the 20 to 30 drivers who are expected to compete. Several new entries have been reported by Clyde Baker, among them being Ralph Pratt, Kansas City, Ed Kratjeck, Omaha, Charlie Taggart, Al Seeley and Jerry Miller, Sioux City, Darrrell Woods, and Clarence Brooks, Sioux Falls, Buck Witmar, Lenars, Ia., Odis Stevens, Longmont, Colo., John Tolan, Denver, Ralph Foster, Grand Island, Pomate Elliot, Oakland, Calif., Parry Grim, Los Angeles, and Jimmie Wilson, Sioux Falls.

Race Superintendent Baker said yesterday that he is now assured that 27 drivers will be here to compete and that he won't be surprised if last minute entries swell the total to 35 or 40.

The night races to be held under the floodlights Tuesday, Wednesday and Thursday evening will be more thrilling than any races seen here in the past, in Baker's opinion. He has attended night race meets at Sioux City, Denver and other places and says that crowds literally "go wild" at the thrills that are uncoined.

Races will be run off on a different plan this fall. Time trials are to be held during the day, as time permits, and at 7:30 each evening the meet will start promptly and one race after another will be run off until the card of ten races is finished.

It is planned that the race meet will last about 1 1/2 hours each night, giving plenty of time afterwards for people to patronize the carnival and see the sights on mid-way and in the various buildings.

In spite of the dry year, exhibits of agricultural products and livestock will be "tops" in the opinion of the various superintendents. The buildings have been cleaned and are in readiness for entry day, which is Monday.

Much interest is being shown in the White Horse Troupe which gives the afternoon shows Tuesday and Wednesday. The fact that this breed of albino horses was developed in Nebraska, that the horses are so handsome and so well trained, and that this is the first time they have been shown in central Nebraska will bring crowds to see them.

Weather is expected to favor the Valley county fair with the long forecast being for temperatures of normal to slightly below, for the first half of next week.

The Thomas Amusement company will arrive Sunday and its rides and shows will be in place by Monday night, reports Chris Beiers, superintendent of concessions. While not one of the largest carnivals on the road, the Thomas company has given satisfaction every place it has shown, he says.

### Doctor's Daughter Hurt When Thrown by Horse

Arcadia—(Special)—Ella E., 12-year-old daughter of Dr. Carl Amick of Loup City, was seriously injured Friday morning while riding horseback with her father. Her horse became frightened at a clap of thunder and threw her to the ground. She struck on her head and was rendered unconscious. She tied profusely from her ears and was quite ill for a time, but at present is reported to be showing improvement.

### Final Ord Band Concert Meets Approval of Crowd

In some respects the band concert Wednesday, the final one of the summer, was more pleasing than any that had preceded it. It was a fitting climax to a summer's feast of superior entertainment. Since Mr. Duncan is gone to his new work at Lexington and Mr. Deines has had little time to become acquainted with his band members, it was decided to give some of the members of the band a chance to show their ability at directing. Among those who did so were Eugene Puncoschar, Allen Zikmund, Miss Bette Jane Vogelzang, Dean Barla, Everett Gross, Miss Angelina Wachtrie, Dick Koupal and Gerald Jirak. To their credit, it must be admitted that the band played the several selections just as well as they would have under a regular director. James Ollis pleased the crowd as cornet soloist in the waltz, "My Regards," with band accompaniment. Mr. Deibes appeared and directed the band for the final selection, and was received with great applause.

### Union Pacific Changes Time on Motor Trains

Effective Monday of this week, the Union Pacific changed the time on both morning and evening motors, as follows: The morning motor now leaves at 10:40 a. m., instead of at 8:50 a. m., as formerly; the afternoon motor arrives at 5:15 p. m., instead of at 3:55. In addition the freight leaves Ord at 3:40 p. m., instead of at 3:55 p. m. At the postoffice the outgoing morning mail will close at 10 a. m., and the afternoon mail will close at 3 p. m. Beginning Monday the afternoon mail will have to be delivered the following morning, instead of in the evening around the square, as in the past. For the same reason the Quiz will not reach subscribers around the square until Thursday morning.

### Schools of Ord Had Enrollment of 660 First Day

Teaching Assignments Made, Faculty and Students Are Starting New Term.

School opened this week in the Ord public schools, with all teachers on the job and the pupils well pleased to get back to work once more. The enrollment in the various departments of the school for the first day was as follows: from figures given out by Sup't. C. C. Thompson and Prin. F. L. Stoddard:

Nursery school, 19; kindergarten, 38; first grade, 39; second grade, 27; third grade, 32; fourth grade, 44; fifth grade, 34; sixth grade, 54; seventh grade, 45; eighth grade, 43; freshmen, 69; sophomores, 69; juniors, 92; and seniors, 64. This makes 294 in high school, 88 in junior high and 278 in the grades, including nursery school, a grand total of 660. The teaching assignments are as follows: C. C. Thompson, superintendent; F. L. Stoddard, high school principal; H. F. Brockman, manual training, coach, athletics; Miss Viola Crouch, mathematics; Miss Edith Pillel, home economics; Miss Ruth Kernodle, junior high social science, girls' athletics; J. A. Kovanda, vocational agriculture; Frank Lee, social science, assistant coach; Miss Beth Lukes, junior high mathematics;

Miss Mary Kay Rissler, English, Latin and French; Miss Wilma Shavlik, English and normal training; Miss Bernice Slote, English and school paper; Miss Emma Steele, commercial; Earl Bridgford, biology, physiology and junior high athletics; Henry Deines, music; nursery school, Mrs. Louise Winkler, director, and Mrs. Lois Zikmund and Miss Donzella White, assistants.

The grade teachers are: Miss Arletta Robinson, kindergarten; Miss Daisy Hallen, first grade; Miss Lois Buckley, first and second; Miss Aldean Swanson, second; Miss Louise Eberspacher, third; Miss Iez Swain, third and fourth, and grade school principal; Miss Lucy Rowbal, fourth; fifth and sixth, Miss Lois Finley, B. A. Eddy and Miss Elaine Donaly.

### Petition County Board To Lift Pheasant Ban

Acting in behalf of a group of Ord business men, Miss Lillian Karty was circulating a petition the latter part of last week, asking that the county board reconsider its action and have an open season on pheasants. It was stated that an open season would mean an increased revenue for Ord amounting to perhaps \$100 per day. The petition was presented to the board Tuesday and was turned down for the reason that there was not sufficient time to take the matter up with the state. It was also stated that among the farmers themselves the majority apparently preferred a closed season.

### Walt Desch Buys First Driver's License

The time for the renewal of driver's licenses began Sept. 1, and since that time there has been an increase in activity at the county treasurer's office. This year the first man to arrive for this purpose was Walt Desch, caught above as County Treasurer, George Satterfield hands him that all important slip of paper. The renewal costs 75c and is required of every car driver in Nebraska.

### Council Tables Resolution For Closing Sundays

Norman Presented Ordinance But no Action Taken; Re-financing Help Up.

Two items of interest were under consideration by the Ord city council at their meeting Friday evening. The first was the proposition of re-financing the city bonds, which had seemed well on the way to a solution at the former meeting. However, due to the uncertainty of conditions in Europe the Ord banks asked the privilege of withdrawing the 3% offer they had made last month.

Richard Daly, representative of the Wachtob-Bender company of Omaha, the company which had made an offer of re-financing at the rate of 3 1/4%, did not know what his company could do, but asked for an option on either part or all of the bonds. He also did not know whether the 3 1/4% rate could be guaranteed. Because of current uncertainty the council took no further action.

Another important matter before the council Friday evening was a suggested ordinance to compel meat and grocery stores of the city to close on Sunday.

Nine stores of this type who believe in Sunday closing employed Ralph W. Norman, attorney, to draw up the ordinance, and Friday a committee of merchants appeared before the council with Attorney Norman and requested that it be passed. The nine stores that had previously signed a petition for such an ordinance included Council Oak, Food Center, Jerry's Grocery, Safeway, Cecil Hansen, North Side Market, Jerry Petaska, J. L. Langer and Farmers Store.

After considerable discussion of the matter the council voted to table the proposed ordinance.

It was stated by a spokesman for the city council that councilmen thought such an ordinance should be passed only after a vote of the people on the subject. Before the movie theatre was permitted to remain open Sundays a special election was held, they point out, and since certain Ord stores have always remained open Sundays as a convenience to the public the council feels they should be closed only if a majority of people favor such action. Mayor M. B. Cummins told the Quiz this morning that he personally favors Sunday closing of meat and grocery stores but agrees with councilmen in thinking that citizens of the city, who in the final analysis keep the stores open on Sunday by patronizing them should vote on the question before an ordinance to close them is passed.

Two of Ord's chain store managers have been ordered by their companies to remain open Sundays to meet competition, it is stated today.

### Mrs. C. E. Dickson Dies In Denver; Funeral Here

Word was received this morning of the death yesterday in Denver of Mrs. C. E. Dickson, the former Mrs. Ora Garnick, daughter of W. J. Stewart of Ord. The body is being brought to Frazier's chapel at Ord, at which place funeral services will be held Friday afternoon at 2:30, with Rev. G. C. Robberson in charge.

### Quiz Editorial Writer Wins State Fair Award

The Quiz received notification this morning that an editorial entitled "Nebraska State Fair" published last month had been awarded first place in the contest on the subject, "Value of the State Fair to Agriculture," in the class of weekly papers in towns of more than 1,000 population. The editorial was written by John L. Ward, who receives a prize of \$25.

### Big Crowds Attracted Tuesday and Wednesday to Arcadia's Fall Jubilee; Races, Contests, Concerts Enjoyable to All

Each fall the village of Arcadia puts on a "Jubilee" to entertain people of that town and trade territory, and the 1939 show started yesterday with big crowds in attendance and continued today.

Various "freak" contests brought fun to all Tuesday, winner in some of these events being pictured here. At the top, left, is shown the board sawing contest for women which was won by Mrs. Leo Sell with Mrs. Bill Thompson second. Below that is the husband calling contest showing winner, Mrs. Fred Hunt, at right, and the runner-up, Mrs. Leroy Harbert, at left. In the lower left hand corner is shown part of the crowd that saw the agricultural exhibit, at the top right is shown Chauncey Smith, winner of the horseshoe pitching contest, and at the bottom, right, is seen Lloyl I. Smith, winner of the sack race.

Other contest included a fat man's race, won by J. J. Pester, a married woman's race won by Mrs. Orvis Hill and a men's free-for-all race won by Floyd Smith.

Arcadia men grew whiskers to help publicize the jubilee and tonight the whiskers will be judged and prizes awarded.

### 1939 Chanticleers Will Average 165 Pounds - Brockman

But Team Inexperienced Due to Loss of 17 Seniors; May Lose Some Games.

The starting line-up for Ord high school's 1939 football team probably will average 165 pounds—heaviest in many years—but the team will be inexperienced and fans should face with equanimity the possible loss of some games this fall. Such was the gist of Coach H. F. Brockman's talk on football prospects before the Ord Rotary club Monday evening.

Loss of 17 senior lettermen last spring puts a big rebuilding job up to the coaching staff, Brockman said. He has only three members of the 1938 starting line-up back, all of them line men. The three are Tatlow, Benda and Robberson. The entire starting backfield graduated. Left are several players who saw some service in 1938 but were not members of the team that started every game.

Seventy boys, many of them junior high students, reported for practice Monday afternoon. Most of the boys are overweight and conditioning exercises will be the rule during the first few weeks of practice, the coach stated.

Ord's championship 1938 team averaged about 153 pounds and this year's team will be at least 7 pounds heavier per man, he predicted. Most of the teams on Ord's schedule will be stronger this year than last, Brockman stated. Ravenna lost only one player, Arcadia only three regulars, Sargent very few and other teams also will be more experienced and stronger in all departments.

"By the close of the season our Ord team will be pretty good," the coach cautiously stated. He declined to predict outcome of earlier games, saying only that it would be a "tough job" to win them all.

### Valley Co. Fair Pays Part of Premiums Due

Checks were made out by the Valley county fair board Saturday for \$861 in premiums due exhibitors at the 1938 fair. All amounts under one dollar were made out in full, and all over that amount were paid on a fifty percent basis, the balance to be paid after the 1939 fair, according to present plans.

Coming at a time when funds are short for most people, and also at a time when there is an extra outlay at the opening of school, these checks should be a real benefit to all who receive them. Funds from several sources, including contributions by business men, made this payment possible. Secretary Ed Kokes mailed out the checks the first of this week.

### Chas. Rock and Indians In Ord Saturday Night

Charles Rock and his group of 30 Indians from the Pine Ridge reservation stopped their trucks in Ord Saturday evening for an hour or two. They were on their way to Lincoln to put on their tribal dances at the state fair. Mr. Rock came to Burwell for a number of years in charge of the Indians used at the fair there.

He now makes a specialty of furnishing Indians right off the reservation for fairs around the country. The group he had here was composed mostly of Indians who were making their first trip away from home. They came here from Gordon, where he has furnished the Indians for the past five years. He met a number of old friends in Ord.

Mr. Rock is a full blood Sioux Indian, but talks better English than most high school graduates. With him was John Grass, a band leader of the Indian band at Pine Ridge for a number of years, who stated that he knew Claude M. Roe and worked under him while he was stationed at Pine Ridge.

They brought with them the information that Leo Murray of Ft. Worth, Tex., had performed the almost unheard of feat of winning first place at the Gordon rodeo in all three main contests, the bronc riding, calf roping and bulldogging. Mr. Murray has been a contestant and prize winner at Burwell for a number of years.

### Rete Kiplinger of Ericson Sentenced To Penitentiary

Burglarized Walthers Home at Ericson, Confessed; In Trouble Before.

Rete Edward Kiplinger of Ericson was arrested here on Sunday and taken to the Wheeler county jail at Bartlett on a charge of having burglarized the home of Mr. and Mrs. O. J. Walthers. Some money and other valuables were taken most of which were recovered.

At a preliminary hearing at Bartlett Tuesday morning he entered a plea of guilty as charged, and was at once brought to Ord by Sheriff M. V. Mignery and Attorney Arthur A. Auserod, both of Wheeler county. Here he was brought before District Judge E. P. Clements and entered a plea of guilty as charged.

Kiplinger is 25 years of age and has been in trouble before in Colorado, it is understood. Judge Clements sentenced him to two years in the Nebraska State penitentiary at Lancaster and the Wheeler county men took him there following the trial, leaving Ord shortly before noon.

### Thompson White Horse Troupe Arrived Tuesday

Cal Thompson and his famous white horse troupe and Queenie, the educated cow, arrived in Ord yesterday afternoon, and are located at the fair grounds, where they will put on an exhibition next Tuesday and Wednesday afternoons. They had not been located an hour until the word got out that they were here, and people began to arrive at the grounds to see these celebrated horses. They are a stellar attraction and the fair board made no mistake in contracting with them for the fair.

—Mr. and Mrs. William Horner have moved and are now located in the Mrs. Coombs house, at 405 south 15 street.

### Miss Dorothy Gill Will Conduct Quiz School of Cookery

Classes Begin September 19 at 2:00 P. M., Last Two Afternoons.

When a gray-haired granny undertakes to teach the sweet young thing how to cook, that's not news. But when a young modern girl can show granny a thing or two about the kitchen arts, that is news. And Miss Gill, the personable and attractive young lady who is coming to Ord to conduct the Quiz's big free cooking school is prepared to do just that. The school will be held at the Ord Theatre two afternoons, Sept. 19 and 20.

"Please don't let the women of Ord get the wrong idea," wrote Miss Gill. "I know there are no better cooks anywhere than you'll find right there in Ord. And I don't expect to teach anybody how to cook. Ord women already know how. But I do hope to present some new and interesting recipes, some culinary short-cuts, and new ways of doing old tasks."

Miss Gill comes well equipped to bring her listeners the latest tricks in homemaking, for she has been conducting cooking schools for the last several years, and has lectured before capacity audiences in Iowa, Nebraska, Illinois, South Dakota, Minnesota, Colorado, Wyoming and New Mexico. Perhaps "lecturer" is hardly the right word, for the chief charm of Miss Gill's cooking school sessions is their informality. Miss Gill has a ready infectious wit which delights her listeners and makes them feel at home. She makes her audience enjoy themselves and has a good time herself while she's doing it.

Miss Gill has a clear and pleasant speaking voice and can be heard easily and distinctly.

Miss Gill received her training in the Home Economics Department of the University of Nebraska where she took her degree. For the last several years she has been doing special work in the test kitchens of Omar Mills, whose Omar Flour she will use in the school.

School will "take up" on Sept. 19 at 2:00 p. m., when Miss Gill opens the first session in Ord. The school, sponsored by The Quiz and supported by local firms, is absolutely free, and every woman in Ord and vicinity is invited to attend. In addition to the lectures and demonstrations given by Miss Gill, there will be drawings for the food articles prepared during the session and for special merchandise prizes.

### Baby Almost Smothers While on Iowa Visit

Pleasant Hill—(Special)—The Walter Orent family returned home last week from a visit to Iowa relatives, and it is learned that while they were visiting there, the Orent baby almost smothered to death.

She was sleeping in a room by herself and in some mangled pulled a rubber sheet over her face. When they went to get her she was apparently lifeless. The fire department was summoned and first aid administered, an oxygen tent almost being used, and the baby revived. She was kept in a hospital two days as pneumonia was feared but soon recovered her usual health.

### Final Softball Games at Fairgrounds Tuesday

The final games in the Ord softball league were played at the fairgrounds Tuesday, and were not up to the usual standard of entertainment. The weather was bad, with the air full of dust. The first game did not start until 8:20, and was a forfeit, the KC's losing to the Chanticleers because their players did not show up.

When the game finally got under way with the pickup KC's at bat, a comedy of errors, walks and wild pitches gave them about ten scores in the first half of the inning, which took half an hour to play. They were still in the lead when the game was called to give the other teams a chance to play a while.

The second game was much better, with Frank Lee pitching for the Douthits. He was wild all the way, but managed to keep the Livestocks from scoring many runs. Shunkweller was harder hit than usual, and the game finished 9 to 5 for the Douthits. The final results are: Chanticleers won 6, lost 3; Livestocks and Douthits, each won 5, lost 4 and KC's, won 2, lost 7.

Two games with Greeley were played at Ord Friday evening, the second team winning 14 to 6, and the Allstars winning 7 to 5. Sunday evening both teams went to Greeley for a return match, the second team losing and the first team winning. Next Sunday the teams go to Greeley for the final games of the season. The management has appreciated the support given the games by Ord fans, and wish to thank all who helped to make the season a success.

THE ORD QUIZ

MONDAY WAS LABOR DAY
Thursday Gov. R. L. Cochran issued a proclamation naming Monday, Sept. 4, as Labor Day, adding that it was a "distinct American institution."

This action by the governor is the more interesting when it is learned that the only legal holiday in the state of Nebraska that is fixed by the governor's proclamation is Thanksgiving. Labor Day comes on the first Monday in September, cannot be changed, and requires no proclamation.

It is of interest to note the many phases of labor represented in the state seal of Nebraska, with its banner, "Equality Before The Law." The central figure as we all know, is the blacksmith plying his trade in an open field with shocks of wheat on one side and timber on the other.

The wheat represents the farmer and the results of his labor. Nebraska today owes more to the labor of its farmers than to all other agencies combined. No class of men have labored more faithfully for the upbuilding of the state, and, of late years at least, no man has put in longer hours with less financial return.

The timber shown might be considered as a forerunner of the work of forestry that brought about the adoption in the legislature on April 4, 1895, of a resolution conferring upon Nebraska its proper designation, "The Tree Planter's State."

The humble house shown on the bank of the stream has multiplied until today Nebraska is known for its fine homes, wherein are taught the principles of true Americanism. The building of those homes represents the builders of Nebraska, a branch of labor the importance of which cannot be underestimated.

The train in the background and the steamboat in the river symbolize the laborers of commerce, without whom the development of the great west would have been impossible. It was they who did more than anyone else to bring the comforts of civilization to the frontier, and to carry back the products of Nebraska to the markets of the east.

Last, but not least, the hills in the background might be said to represent the vast grazing lands of Nebraska, the area that is too rolling to make good land for farming, but which is ideal for the great cattle industry for which a large part of the state is famous. And finally, the seal itself, is symbolic of the printer's art, another branch of labor.

Labor Day is a legal holiday in all states. It was inaugurated by a parade of the Knights of Labor in 1882. Colorado first made Labor Day a holiday on the first Monday in September by a law passed March 13, 1897. Other states followed until today all of the states have made it a legal holiday. In Europe May 1st was made legal Labor Day in 1890.

A few suggestions on showing products at county fairs are in order. Disappointment awaits the exhibitor who fails to read the rules or makes unnoticed technical errors. Flowering plants not in bloom are judged mainly on their leaf condition which ought to be dark and healthy. Their height should not exceed one and one-half times that of the pot. Window boxes need a balance of flowering and trailing plants.

My Own Column
By H. D. Leggett

Dear Quiz: This is Saturday afternoon, Sept. 2, and a most beautiful day. It is 4 p. m., and I just happened to think that if this was to be mailed tonight and be in Ord Monday I had better write it.

We took a little vacation this week and Wednesday morning drove up to Duluth and on up the north shore as far as Grand Marais and spent three days, returning last evening. Today we have been relaxing up from our pleasure excursion. Mr. and Mrs. Ray Luther accompanied us.

I wish you could have seen us out on Lake Superior. We hired a launch for a short trip and President Roosevelt doesn't have a thing on us. There we sat tilted back in easy chairs on the after deck trolling for lake trout and enjoying the big waves that we wouldn't dare try to negotiate with our little row boats, on Cullen. Mr. Luther caught the first trout, a 4 1/2 lb. one. I got an 8 lb. one and a 7 lb. one. I shipped mine to Eugene thinking the Leggetts and Andersons would enjoy eating them more if they knew Dad caught them personally.

Mr. Luther is a brook fly fisherman, or was, but he is pretty well converted to being a deep sea fisherman and we plan, next year, on going up and taking an 18 ft. boat and motor and fishing by ourselves when the lake is suitable for a small boat, as it often is. Three dollars an hour, we thought, was a little bit rich for our blood and after an hour or two of it we seemed to lose interest in the fishing, thinking about the expense.

The Fenners and ourselves are the only ones in camp today. Mrs. Gelow has gone down to St. Cloud to meet the Dr. who is arriving tomorrow morning and will only stay a few days and then they will return to Grand Island.

It is going to be pretty quiet on our lakes after the Labor Day people go home. Labor Day doesn't mean much to us at Ord but in the Twin Cities it is an event and coming on Monday gives thousands a chance to come up Saturday afternoon and have two full days, driving home Monday night. It is only 150 miles down to the cities. Everything is usually filled up over Labor Day and then it is mighty quiet and only really truly fishermen are on the lakes. The schools starting about this time of course takes most vacationers home.

I read with interest Irma's piece about the way we should talk or rather, should not talk, about the war. As this is written it looks like war was sure. The Germans have invaded Poland and the British and French have given Hitler until some time tomorrow to withdraw his troops or they will declare war and take a hand. It doesn't seem possible to me that Hitler could comply with that demand.

After going in and starting the fight, to withdraw his armies would discredit him as a leader. I think Eugene and Irma are right in saying that we should not take sides too violently. I also believe that Hitler has much grounds for his course, though of course I can't approve of it. I do believe it would have been better to try longer to get a settlement of the matter that he could accept, rather than plunge into what may develop into a world war.

If this war is continued, as seems sure now, and it may last for years, we in America will have an opportunity to make money. Probably not like we did in the days of old before and for a short time after the World War, but business will be speeded up. Many who were too young to be in business in those days, can't realize that a worse depression is sure to follow the war than the one that followed the world war and they should shape their courses accordingly. If they will act wisely they can be in shape to stand the inevitable crash that will come after the war. And it is none too sure that we will not be plunged into the war, if it should continue over a period of several years. Let's watch our step.

Cooperatives Should Cooperate. A few weeks ago I said that milk at the cheese factory was worth about six cents a gallon. I was called down for that several times, having been told that by saying that I was defaming the cheese factory.

It is simply a matter of figures, and there is no defaming to it. One hundred pounds of milk testing 3 1/2% would be 3 1/2 pounds of butterfat. 3 1/2 times 28c is 98c delivered at the door or about 78 cents as the trucker hauls it. There is about 12 1/2 gallons of milk to a hundred pounds or around 6c a gallon.

Even at that there is more money that way than to sell cream. There is a great debate about the value of skim milk, but the agriculture stations and experts say they have a definite value. Many claim in some instances it is worth one-half the value of skim milk, but I am not arguing that point. The 3 1/2 pounds of cream separated from the milk sold to the cheese factory, would bring 20c a pound or 70c.

Repeating what I have said at other times, I think it is an outrage that our cooperatives, all established for the benefit of the farmers and the communities at large, should enter into such hard feelings with one another. The cheese factory buys cream and has at times quantities of the finest whey cream, and all this is sent off to old line creameries, the very ones against whom these cooperatives were established in the beginning. Why could not our own cooperatives cooperate, one buying cream of the other, the other buying butter of the one?

There is not enough difference in the price of milk and cream to chew the rag over at the present time. Some men have no use for skim milk and rather sell their whole milk to the cheese factory; some will not sell whole milk even if they received twice as much money. There is business and room in our two communities for both institutions and we should be thankful that we have both. It is too bad they do not work together better.

AUBLE BROS. Call 174

A FEW THINGS TO THINK ABOUT!
Written by GEORGE GOWEN

War Talk. At such times as this, with every one excited and talking of war, it is with the most difficulty for me to find any subject that is of interest. It is difficult for me to say anything about the war that everyone does not already know.

Nevertheless, I am quite friendly with two men in N. L., and both of them are of more than average intelligence and are read far better than the average. One thinks England and France will surely win; the other thinks Hitler has the edge. I am inclined to believe the latter is nearer right.

Over a long sledge, England and France may win as they did before, but Hitler has many advantages that the Kaiser did not have. For one Hitler has Italy as an ally. England and France have no place to attack and by the time they do find a vulnerable spot, Poland will be mopped up and Hitler will have all he is asking for now.

Another point that seems to be talked freely is that United States will be into it inside of three months—six months—a year—or whatever time happens to enter the speaker's head.

I will admit that the so-called money powers, or big-wigs have influences that we out here in the sticks do not have, but still I believe if everyone vowed and swung his arms all the time that we are not going to get into it, the influence would be more in that line that it would if we calmly say to who ever we meet, "Oh, we'll be in it too, pretty soon."

And talking it by and large, I cannot understand it all. All of Poland on a silver platter would not be forth to Hitler what a war will cost to get it. Poland, alive, with her factories and buildings standing, even under the dictatorship of Hitler, would be better than to be dead and in ruins.

The cost of conducting a war is tremendous. It is money spent entirely for destruction. Let us reflect a moment the time we had getting the 1 1/2 million (or about) to build our irrigation system, a deal designed to build up a land and make the people more prosperous and better off. But that same amount of money in war, would be only a drop in the bucket, and that would be for destruction.

Cooperatives Should Cooperate. A few weeks ago I said that milk at the cheese factory was worth about six cents a gallon. I was called down for that several times, having been told that by saying that I was defaming the cheese factory.

It is simply a matter of figures, and there is no defaming to it. One hundred pounds of milk testing 3 1/2% would be 3 1/2 pounds of butterfat. 3 1/2 times 28c is 98c delivered at the door or about 78 cents as the trucker hauls it. There is about 12 1/2 gallons of milk to a hundred pounds or around 6c a gallon.

Even at that there is more money that way than to sell cream. There is a great debate about the value of skim milk, but the agriculture stations and experts say they have a definite value. Many claim in some instances it is worth one-half the value of skim milk, but I am not arguing that point. The 3 1/2 pounds of cream separated from the milk sold to the cheese factory, would bring 20c a pound or 70c.

Repeating what I have said at other times, I think it is an outrage that our cooperatives, all established for the benefit of the farmers and the communities at large, should enter into such hard feelings with one another. The cheese factory buys cream and has at times quantities of the finest whey cream, and all this is sent off to old line creameries, the very ones against whom these cooperatives were established in the beginning. Why could not our own cooperatives cooperate, one buying cream of the other, the other buying butter of the one?

There is not enough difference in the price of milk and cream to chew the rag over at the present time. Some men have no use for skim milk and rather sell their whole milk to the cheese factory; some will not sell whole milk even if they received twice as much money. There is business and room in our two communities for both institutions and we should be thankful that we have both. It is too bad they do not work together better.

NATIONAL AFFAIRS
Reviewed by CARTER FIELD

The temper of the people of the United States is decidedly against participation of any kind in a European war. Conditions vastly different from those at the time of the World War. "Big business" confers on plan to bring about a big boom in business between now and January in hopes of refuting Roosevelt's dire predictions.

WASHINGTON—The greatest difference of opinion about any one important question in this country today is whether the United States can keep out of war in Europe. There is no doubt about the temper of the country. If a referendum could be held tomorrow, nearly all astute politicians believe it would go overwhelmingly for remaining neutral—or, as most people put it, minding our own business.

Moreover, there is no such element in this country today as there was immediately after the invasion of Belgium in 1914, which kept increasing until, in 1915, when the Lusitania was sunk, it reached a formidable crest.

On the other hand, there is no such division of sentiment in this country as there was from 1914 to 1917. In many states the German population openly sympathized at that time with the central powers, particularly in the upper Mississippi valley, which, as one old political leader remarked at the time, is more Teutonic than Anglo-Saxon. Minnesota for instance, contrary to the belief of most Easterners and Southerners, has more Germans than Sweden, more Germans than Scandinavians, though of course if the Norwegians are considered as one racial group, they outnumber the Germans. Wisconsin, Nebraska and Missouri, not to mention Illinois, have huge German populations.

But today there is not much sympathy for Hitler among these German segments of our population, which were so fervently pro-German in 1914-1917. Most of them still love Germany, but they do not like Hitler. There are plenty of exceptions, of course, as becomes apparent when one starts to canvass the situation, but it is very obvious that instead of the German-Americans being a solid pro-Hitler bloc they would show a substantial majority against him. Most German-Americans today would be pleased at the news of a political turnover in Germany, which would throw Hitler and the Nazis out of power. Most of them would even prefer the return of the Hohenzollerns to continuance of the present regime.

Neutrality Laws Would Not Keep Us Out of War. All of which is cited to show that this country does not have to travel as far now in order to reach the point where it would plunge into the war on the side of Britain and France as it did in 1914-1917. Yet, although President Wilson was re-elected in November, 1916, on a "kept us out of war" issue, the country was in the war just five months later. So it may be wiser to be conservative in assumptions as to this country's remaining put of war in Europe.

Very few people think that the present neutrality laws, or for that matter any variation of them that anyone has suggested, would keep this country out of the war. As a matter of fact, the present law is very much misnamed. It provides against the shipment of "arms, ammunition and the implements of war" to belligerents. Yet it has never been applied to the present conflict between Japan and China. The answer is simple. The administration believes that to recognize that a state of war exists and consequently to impose an embargo would benefit not China but Japan.

The government at Washington sympathizes, quite openly, with China, not Japan, as the Nipponese are wrathfully aware. So it ignores the spirit of the law though observing the letter. Nobody kicks much because the whole country is almost a unit in sympathizing with China.

There is no doubt that the sympathies of the administration will be even more strongly and actively on the side of Britain and France against Germany. Hitler will know that.

Plan Boom in Business to Refute F. D. R.'s Predictions. Half a dozen conferences of men whom the New Dealers would call "big business" have been held in the last few days on an agenda looking to a sharp revival of business between now and January, when congress meets again.

The idea is to cause such a revival of business, and such an increase in employment by private employers, that the dire predictions of President Roosevelt growing out of the defeat by congress of the spend-lead bill will be made to look ridiculous to the returning lawmakers.

It would be little short of a miracle if anything came of the conferences. If business revives and employment increases, it will not be the result of them. Despite the pet theory of certain radicals, business is not such a cohesive unit in its operations. As a matter of fact no big corporation, even acting alone, is ever inspired by political

motives in deciding on an enlargement or curtailment of its operations. When business expands it is always for one reason, and only one. The same is true when it contracts. There is never any doubt about the motive, whether it be based on sound or poor judgment. The motive is always profit. When business sees a chance to make a profit it expands. When it fears losses if it continues the present scale of operations, it contracts. It may make a mistake in either direction, but there is never any question about why it was done.

New Dealers Needn't Worry; Nothing Will Come of It. So while gentlemen with imposing names really have been conferring on this question of a manufactured boom in order to thwart the President, no New Dealer need be worried. Nothing will come of it. If the management of any particular corporation decides that by expanding it can make another 20 cents on each share during the next six months, that corporation will expand its operations. If it figures that it will lose money by continuing the present rate of production, it will begin laying off men.

One of the few exceptions in history happened in the early days of the Hoover depression, in the spring of 1930, when President Hoover induced a number of railroad and big business executives to continue just as they were going, when all the executives wanted to cut down.

But that exception only made the "rate of profit" motive surer because of what happened then. Every corporation that took Mr. Hoover's advice on that occasion suffered terribly as a result. Mr. Hoover will always believe that what he induced these big employers to do softened the blow—cushioned the decline. But no business man wants to offer his own surplus to be used as a cushion.

Predict Real Market Boom Following Outbreak of War. New York stock market gyrations perplex most outsiders, and the perplexity increases if one attempts to get an explanation from shrewd market operators.

Never was this more forcibly demonstrated than by what the market has been undergoing in the face of repeated war scares. Every time there is a scare the market dips. Sometimes it almost crashes. Experts agree that when war really breaks out in Europe there will be a real crash.

But the same operators will tell you that not very long thereafter there will be a real boom in the market, with a crop of "war babies" not unlike those of 1915, though the names of the companies may be different.

Ernest Horner recently erected new windmills and towers for Matt Keefe of Garfield county, and for E. O. Kull. He also made a flowing well for Earl Kriewald of near Sumter. The area in which these wells can be made is limited to the vicinity of Spring Creek.

Moreover, the same shrewd operators will tell you that the rise of these war babies will merely be a wave on top of a tide, which will sweep the prices of most sound corporations upward. The tide will be the inevitable result, they say, of business conditions in the United States which will be brought about by the war in Europe. Almost regardless of any details with regard to what nations join in conflict, their logic is something like this. The United States will be the only country in the world capable of exporting many needed products in any quantities. This goes especially of course for manufactured goods rather than raw materials, though the demand even for some raw materials will be prodigious.

See Increased Demand for All Kinds of Supplies. As a result of this certain spurt in manufacturing, there will be increased demand for electrical energy, for coal, for all sorts of things necessary to the manufacturing processes. This will spell enormously increased buying power on the part of a very large percentage of the whole population, including coal miners, oil workers, textile workers—everyone who participates in the production of materials not only by the factories that do the exporting, but those which supply them.

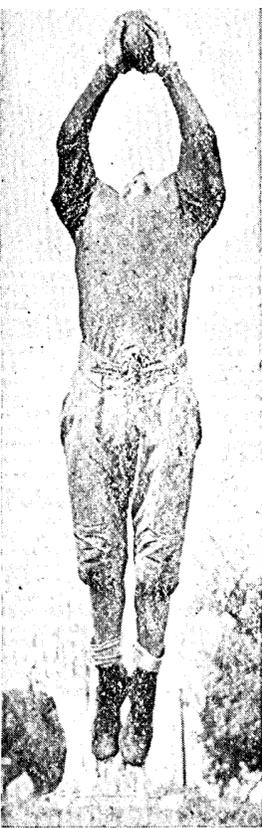

With so many lines busy, of course, the buying power of all these employees will in turn spread the prosperity into lines having no connection with the supplying of export trade materials. In short, the country will have a huge boom, very much like the one it began to enjoy in 1915 as a result of the World War.

Moreover, the world demand for all sorts of United States products will be much greater than it was then because of one important change in the world situation. During the World War, the other big manufacturing country that profited enormously was Japan. It is true that Japan was on the Allies' side during the World War, but actually it did very little fighting. After its successful raid on Shanghai and the German-owned island in the Pacific, Japan virtually forgot about the war, settling down to making goods and selling them at a profit to the Allies and the rest of the world.

This time Japan will not be able to take advantage of the same opportunity, whether or not she joins with Germany and Italy in the war.

Ernest Horner recently erected new windmills and towers for Matt Keefe of Garfield county, and for E. O. Kull. He also made a flowing well for Earl Kriewald of near Sumter. The area in which these wells can be made is limited to the vicinity of Spring Creek.

RAYMOND HURLBERT.

HENRY MISKO.

Here are two of the reasons Ord fans are hoping for another undefeated football season, even though they realize what a task Coach H. F. Brockman and his assistants face. But it should be possible, it is felt, to build another formidable grid machine with material like Hurlbert and Misko to work with.

## She'll Conduct Quiz Cooking School Sept. 19-20

Here is pictured Miss Dorothy Gill, charming young Omaha woman, who will conduct the Quiz-sponsored free cooking school at the Ord Theatre on the afternoons of Tuesday and Wednesday, Sept. 19 and 20. Miss Gill is one of the ablest home economists in the country.

Miss Gill does more than just "lecture." She actually prepares many delicious dishes right on the stage, explaining in detail every step of the procedure.

Every woman attending the school will receive a free gift—a recipe leaflet containing recipes and directions for the dishes prepared by Miss Gill during the school. In addition there will be valuable merchandise prizes given away at each session, as well as the food dishes prepared on the stage.

Attendance at the 2-day school, which opens at 2:00 each afternoon, is entirely free.

—Roy Cox, North Loup well and windmill salesman, was in Ord Saturday on a business mission.

—Rev. and Mrs. J. A. Adams of North Loup were supper guests in the E. Rahlmeyer home Thursday evening.

—Junior Fox, who is employed by the Coca-Cola bottling company of Grand Island, came to Ord Friday to spend the week end at home.

—Miss Helen Potrzeba is the new waitress at the Thorne Cafe, beginning Saturday. She is taking the place of Maxine Long, who quit to go to school.

—Miss Mattie Grace King, her mother Mrs. W. S. King and brother, Irving King and family drove to Grand Island Friday and spent the day.

—Mr. and Mrs. H. M. Wyrick and son Harlan returned Wednesday from a three weeks' trip through the west. Their itinerary included Yellowstone Park and two days at Spokane, where they visited his brother, R. W. Wyrick. While at Spokane they saw Grand Coulee dam. From there they went to Monmouth, Ore., and visited Lloyd Severns, and at Arcata, Calif., they visited Scott and Carl Wolf. They spent five days at the Golden Gate exposition and visited her mother, Mrs. Lyman, and sister, Mrs. Hoss. They came home by way of Salt Lake City, where they heard one of the famed organ recitals at the cathedral.

## Reunion of Co. "I"

Held at Park Sunday

The annual reunion of the members of old company "I", held regally at Bussell Park on the Sunday before Labor Day, was a great success, with 29 of the members and their wives and families in total number more than seventy, in attendance. They began to arrive shortly after 11 a. m., and some even came after the picnic dinner. As usual there was an abundance of fried chicken, together with all kinds of other tempting dishes.

In attendance were: Mr. and Mrs. Herpan Johannes and family of Danneberg, Mr. and Mrs. Sherman Boyden and sons of Greeley, Mr. and Mrs. Ora Masters of Arcadia, Mr. and Mrs. Russell Jones and sons of Arcadia, Mr. and Mrs. Thomas W. Foster of Omaha, Mr. and Mrs. C. P. VanDruff and daughter of Holbrook, Mr. and Mrs. Anton Fredrickson and sons of Cushing, Mr. and Mrs. George J. Jensen of Alblon, Mr. and Mrs. William Mosel of Orchard, Ray Lindsey of Burwell, Mr. and Mrs. John F. Doyle and sons of Greeley, Mr. and Mrs. V. M. Brown of Omaha, Charles M. Roberts of Lincoln, and the following from Ord: Norman Holt, Earl Gates, W. W. Brown, Martin Led, Mr. and Mrs. E. O. Kull, Mr. and Mrs. Cecil Clark and granddaughter, Joan Bentley of Omaha, Mr. and Mrs. John L. Ward, C. H. Debers and Mr. and Mrs. Alfred Wiegard and Betty.

## Fire Razes Buildings At Loup City Thursday

A fire of unknown origin destroyed a quarter block in Loup City's business section early last Thursday morning, causing a loss estimated at \$60,000. The flames started in an old building on Main street, used for storage purposes, and spread to the Speltz-Hansen Lumber company, Frank's cafe and the Badura cafe, all of which were destroyed.

The plant of the Western Public Service Co. also in the block, was damaged by smoke and water. Wires were burned, causing the pumps to stop and threatening a water shortage. The light failure also caused a temporary blackout. Fire Chief William Zodehnal directed the work of fighting the fire, the Loup City department being aided by the departments from Arcadia and Ravenna.

## Medical Association

Met Tuesday at Greeley

Members of the Four County Medical association met last Tuesday evening at the City Cafe in Greeley and were guests for the occasion of Dr. and Mrs. J. L. Brannen. The dinner was followed by a business session and a program was presented in which Dr. Frank Conlin of Omaha was the principal speaker, and Dr. Bisgard of Omaha also took part in the program.

Following the dinner the wives of the doctors were entertained in the Brannen home by Mrs. Brannen. Mrs. C. J. Miller of Ord presided at the auxiliary meeting. In attendance from this section were Dr. and Mrs. Roy S. Cram of Burwell, and from Ord, Dr. and Mrs. J. G. Kruml, Dr. and Mrs. J. N. Round, Dr. and Mrs. F. A. Barta and Dr. and Mrs. C. J. Miller.

## Famous Passion Play Shown.

The famous talking motion picture, "Golgotha", was shown at the Bohemian Hall Sunday under the sponsorship of the Christian Ladies Aid, and drew a fair attendance. The picture itself was worth the price of admission, but because of the fact that the building is not especially equipped for sound the talking part was difficult to understand.

**Shower For Bride.**

A miscellaneous shower was given for Mrs. Thomas Rasmussen, Friday, Sept. 1, at the home of Mrs. Ella Rasmussen. Many beautiful and useful gifts were received. A delicious lunch was served to the guests.

—Mr. and Mrs. Walter Lunney of Comstock called at the T. O. Lambdin home Saturday afternoon.

Mr. Chinn went to Ord on the Tuesday morning bus.

Art Jeffries and Jim Bell were up from Hastings for the day Sunday. Ethel Jeffries came up from Grand Island also, having gone down Saturday to be ready for the opening of school Monday. Art Jeffries likes his work at Hastings very much.

Betty Jo Manchester was in Ord on business Tuesday morning.

Cloyd Ingerson has traded his house for the place where Delmer VanHorn is living. They expect to move October first.

Mr. and Mrs. Mills Hill spent Monday in Kearney where Mr. Hill played in a golf tournament.

Mrs. Geneva Greene and small grandson, Jackie, of Escondido, Calif., are in Kearney visiting Mrs. Leto Giest and will come on to North Loup in a few days for a visit with relatives.

Darrell Noyes of Holdrege spent Sunday night and Monday in North Loup with Mrs. Freda Noyes.

LaVerne Noyes accompanied Vern Robbins to Grand Island Tuesday and went on to Kearney from there.

V. W. Robbins went to Lincoln Tuesday and planned to go on to Omaha.

Dale Halverson came up from Lincoln on the Tuesday morning freight and Mr. and Mrs. George Mayo took him to Merna to begin his school work.

Mr. and Mrs. M. R. Cornell went to Scotia Monday afternoon to attend the burial of his cousin, Lois Cornell, daughter of Mr. and Mrs. Will Cornell who formerly lived in North Loup. She was killed in a car accident on the highway near North Platte when two trucks collided and the one she was riding in burned. The family are now living at Broken Bow.

Mr. and Mrs. Roy Stine and baby spent the week end and Monday with his parents at Ullyses.

Mr. and Mrs. John Wojtaszek spent Sunday afternoon and evening in Elyria.

Mr. and Mrs. Harry Thrasher and son Merlyn of Big Springs came to North Loup Sunday morning and went on at once, accompanied by Mrs. Myra Thrasher, to Shelbyville, Ill. for a visit with the Andy Townsends.

Maggie Annys returned to her work at Ord Saturday night after taking a weeks vacation because of sickness.

Mrs. Milford and daughter Ruth of Ord called at the Chas John home Monday.

While on his milk route Tuesday last week Chas John had the misfortune to have his truck catch on fire and burn. He was stuck in a mud hole at the time and does not know what caused the fire but thinks there must have been a short in the wires.

Ersel Goodrich and Paula Jones

spent Tuesday afternoon in Grand Island.

Ann Johnson spent Sunday evening in the R. P. McCune home.

Alwyn Stude of the Broken Bow CCC camp was home over the week end, returning Tuesday morning. Mrs. Mary Stude and Alwyn spent Saturday afternoon with Mr. and Mrs. Will Portis.

Mr. and Mrs. Edward Pawleska and son of Mingo, Ia., spent Sunday and Monday at the Tony Pawleska home. The men are brothers and have not seen each other for thirty-five years.

Mr. and Mrs. Abner Goodrich arrived in North Loup from Denver Saturday and will spend two weeks here before going on to New York City and then on to Florida where they plan to spend the winter. They have a new up-to-date trailer house which is parked in the H. J. Hoepfner yard. Carlyle Hoepfner who had spent three weeks in Denver accompanied them to North Loup.

Jane Hoepfner was hostess at a picnic supper honoring Marjorie Ann Wells Tuesday evening. The picnic was held in the Abner Goodrich trailer house.

Mr. and Mrs. John Peterson, Mr. and Mrs. Nels Larsen, Mr. and Mrs. Fritz Bebernes all of Danneberg, Mr. and Mrs. Chris Bollen, Mr. and Mrs. Floyd Bolisen and Mr. and Mrs. John Gee all of Cotesfield spent Monday at the Ed Wells home, coming up to attend the sale.

Alta VanHorn left Tuesday morning for her work in Salem College, Salem, W. Va., after spending the summer with her father Robert VanHorn. She came home early in the summer because of the death of her mother, Mrs. Randolph, mother of Mrs. Delmer VanHorn, who has been visiting her daughter, accompanied Miss VanHorn to Salem which is her home.

North Loup school opened Monday with an enrollment of ninety-one in high school, eighteen freshmen, twenty-two sophomores, twenty juniors and thirty-one seniors, the largest senior class for some time. There are three new teachers on the high school faculty, Robert Hammond who teaches agriculture and takes the place of Dewey Regier, Harold Pearson of Et. Edward who teaches mathematics and science and Myrtle Greene, home economics teacher who is a graduate of the Colorado state college at Fort Collins and whose home is at Sterling, Colo.

Superintendent W. W. Willis, principal Delmer VanHorn and Robert Houtchens were with us last year. Twenty boys went out for football. Ruth Williams teaches the first and second grades, Evelyn Kosch the fifth and sixth, Agnes Manchester the third and fourth and Dorothy Campbell the seventh and eighth.

Mr. and Mrs. Edward Christensen and Phyllis and Mrs. Harlan Brennick and Jenene spent Sunday with friends at Gibbon and Kearney.

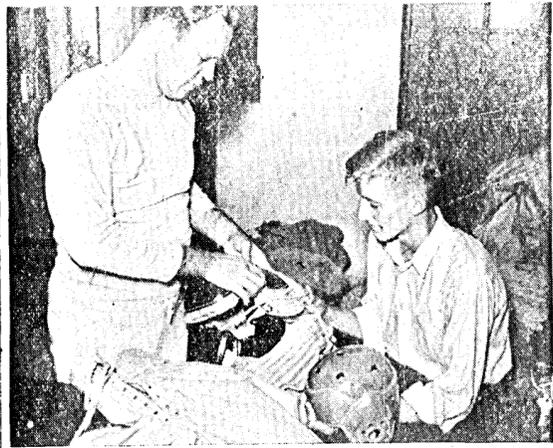

A number of the men from the Zion Evangelical church in Mira Valley spent Sunday at the parsonage helping Rev. Adams work on the lawn. The parsonage lawn has been beautiful most of the summer due to the water that Rev. Adams has been able to put on it. The Sterling Manchester lawn which joins it is also fine. Both were seeded in the spring and are where they can be irrigated from the ditch.

September 23 Les Johnson, member of the crew of the USS Minneapolis expects to be discharged, his time of service being up. His ship will be in Norfolk, Va., at the time according to word received from him this week.

Mr. and Mrs. Fred Bartz, Richard and Muriel, Mr. and Mrs. Otto Bartz and Mary Ann, Mr. and Mrs. George Bartz and Lella, Mr. and Mrs. Ray Redden of Omaha and the Stanley and Gilbert Baker families enjoyed a picnic Sunday at Pibel Lake.

The A. L. McMinder family are moving into the house which the Ed Wells family vacated.

## Equipment Issued Thursday to 1939 Chanticleers and Practice Sessions Got Under Way on Friday

Coach H. F. Brockman has been a busy man the past few days, issuing uniforms to his football prospects and planning their hours of practice. Above he is shown issuing an outfit to Lloyd Geweke, who is a junior this year. About fifty suits in all were issued last week, and others have been added this week. Quite a lot of the equipment is new this year.

Coach H. F. Brockman began issuing suits to the members of Ord's football squad Thursday, about fifty of the men reporting and getting their paraphernalia. Of these twelve are letter men, and of the twelve five had considerable experience in the games last year. They are: Art Carlsen, backfield, Henry Benda, guard, James Petska, center, Frank Robberson, tackle, and Raymond Tatlow, guard.

Of special interest is the fact that two men from Scott's last year squad will play with Ord this year. They are Clarence and Leo Roy Hansen. The family moved from the Scotia territory last spring, and are living about four miles east of Ord in Springdale. Clarence is a senior, and played fullback for Scotia, while Leloy is a junior. They are both experienced players with plenty of weight, and should be a big help.

Mr. and Mrs. W. B. Stine were guests at the Howard Anderson home in Scotia Monday evening at a dinner honoring the birthdays of Mrs. Stine and Mrs. John Schilling.

Dorothy Gudgel and daughter, Connie left Saturday for Whitman where Mrs. Gudgel will teach again this year.

Mr. and Mrs. Edward Paddock of Ord have moved into the Negley house.

H. L. Gillespie went to Murdock over the week end after Mrs. Gillespie who had spent the week there. They returned home Monday.

Mr. and Mrs. Fay Simpson of Waterloo, Ia., and Ella Swan Koeppling of Manning, Ia., spent a short time Monday with Mr. and Mrs. Alfred Crandall. They had been to the northern part of the state visiting Howard Swan and Mrs. Lou Simpson.

Mrs. Hazel Cook of Marshalltown, Ia., and Mrs. VanHorn spent Monday afternoon with Mrs. Alfred Crandall.

Mrs. Sara Gogin of Redlands, Calif., arrived Friday and will spend some time with her sister, Mrs. M. E. McClellan.

Guests at the M. E. McClellan home from Saturday till Tuesday were Mrs. McClellan's brother, Harry Connolly and Mrs. Connolly, Mr. and Mrs. Joseph Connolly, Mr. and Mrs. Gus Schram and daughter, Norma and Chas. McClellan all of Berlin, Wis., and Miss Margaret Clark of Oshkosh, Wis. They were returning by way of the Black Hills.

Guests at the Cloyd Ingerson home Sunday included Mr. and Mrs. Truman Barrows and two sons from Hansen, a daughter and her family from Woodriver and a daughter, Marjorie from Chicago. Birdine Ingerson and Edna Hawkes will attend Central college at Central City and plan to leave Monday. Birdine Ingerson has been librarian in the North Loup library for some time and hopes to have library work at college to help pay her expenses.

The household goods of the Rev. Chas Stevens family were brought up from Community Friends Thursday and they are busy getting settled in the Friends parsonage. The Friends church here has been with out a pastor for several years except when Rev. Stevens has come up from Community Friends.

Dean and Dale Hutchins are staying with Mrs. Jennie Anderson this week while their parents are in Wisconsin.

Mr. and Mrs. Guy Jensen went to Omaha Thursday called there by the death of Mr. Jensen's brother-in-law, Carl Fredrickson. They returned Saturday. Their small son, Monty, was cared for at the Leon Rogers home in Ord while they were away.

Mr. and Mrs. Raymond Burrows and Richard spent Sunday evening at the Guy Jensen home.

Mrs. Emma Stude spent several days this week in the Louie Miller home.

Mr. and Mrs. Owen White and children of Fort Collins, Colo., were guests of the Paul Whites from Friday till Monday.

Rev. Wanz and his family who now live at Orchard called at Paul Whites Tuesday evening.

Mrs. Maggie Annys spent Friday night with Mrs. Ed Post.

Mr. and Mrs. Corwin Springer of Cotesfield were Monday dinner guests of Mr. and Mrs. A. G. Springer.

Mr. and Mrs. A. G. Springer were Sunday guests in the L. M. Peterson home at Dannebrog.

Dr. Hemphill removed tonsils for Derwin White at the Clinic hospital in Ord Tuesday.

Mr. and Mrs. Will VanHorn and

### WOODMAN HALL

All school in the surrounding school districts started Monday except in District 62, where school started August 28. The enrollment in our school is the same as last year, three pupils.

Eldon Smolik entered the Ord high school as a freshman. Mrs. Charles Krikac, Mrs. Rudolf John, Mrs. Lumir Ptacnik and Mrs. Will Waldmann attended the district meeting of the D. C. C. W. at Anselmo last Thursday.

The young folks and ladies study clubs held their monthly meeting at the parish house last Friday evening. The young folks are preparing a play, entitled, "Good King Wenceslaus," which they will present at the annual celebration, Sept. 24.

Donald and Jackie Waldmann spent Friday with Gerry and Paul Waldmann.

Mr. and Mrs. John Clochon of Comstock spent Wednesday evening at Will Waldmann's.

Fred Skala, Jr., is working for Charles Krikac.

Joe Bruha and daughter Mary drove to Hastings last Wednesday where Joe consulted an eye specialist.

Joe Waldmann was a Sunday visitor at the Joe Moravec home.

### PLEASANT HILL

The Pleasant Hill school began Monday morning with Mrs. Wilma Cook, the teacher. There are twenty pupils in school this year. Sunday Mr. and Mrs. Will Eglehoff and Kenneth and Mr. and Mrs. Glen Eglehoff and Paul Dean attended a family reunion at the York park. The honor guests were an aunt of Will Eglehoff's from Lafayette, Ind., and a cousin of his from Omaha. On their way home they stopped and visited Mrs. Eglehoff's aunt and daughter.

Saturday and Sunday Mrs. Arnold Malotte went to Ord to see Arnold Malotte. He was operating on Thursday and is getting along fine.

Sunday Mrs. Ruth Rice and son and Thelma Richardson and Mr. and Mrs. Alva Goff and family were guests of Herbert Goff's.

Delpha Williams went to Rolland Marks' Monday night to work.

Walter Orents visited at Will Wheatcraft's Saturday evening.

Frank Siegel and family and Mr. and Mrs. Will Wheatcraft and Betty went Sunday fishing at Psota's lake.

Mr. and Mrs. Clarence Bresley spent Saturday at Comstock visiting their sons, Edgar and Keith.

Mr. and Mrs. Clarence Bresley visited her parents, Mr. and Mrs. Will Cronk Tuesday and again on Sunday.

Mr. and Mrs. Van Creager and family moved to the sand hill country north of Taylor last week.

Will Davis returned from Michigan Saturday morning.

Ord Women Win State Offices

Three Ord ladies won high offices in the department of Nebraska at the Legion and Auxiliary convention held at Lincoln last week. The story appeared in last week's Quiz. Above, left to right, are: Mrs. C. R. Wareham, department secretary-cassiere, 8 et 40; Mrs. C. J. Mortensen, department president, American Legion Auxiliary; and Mrs. A. A. Weigardt, department chapeau-departmental, 8 et 40.

Celebrates Birthday

Mrs. Frank X. Golka, sr., celebrated her 81st birthday Thursday at her home in Ord, her children and friends coming in to spend the day with her. Mrs. Golka was born Aug. 31, 1858, in Poland, and was married in Milwaukee, Wis. She has lived in Valley county for the past 57 years.

Legion and Auxiliary Met Tuesday Evening

The regular meetings of the American Legion and Ladies Auxiliary were held at the hall Tuesday evening. There was a good attendance at the Legion meeting, and the members listened to the report of the department convention at Lincoln, as given by Harry Wolfe, James Gibert, Tom Springer, C. W. Clark and C. J. Mortensen. C. W. Clark, past commander, acted as installing officer, and the following officers were installed for 1940: Commander, Roy Severson; vice-commander, J. L. Langer; and adjutant, Cecil Wardrop. The Ladies Auxiliary listened to a general report on the convention by Mrs. Syl Furtak; a report on the past-president's party dinner by Mrs. Harry Wolf; a report on the child welfare breakfast by Mrs. C. R. Wareham; and a report on the delegates' banquet by Mrs. C. J. Mortensen. They also made plans for a reception for Mrs. Mortensen, department auxiliary president Friday evening at the Legion hall, to which Auxiliary members and Legionnaires are invited.

Joan Barber Spells In State Fair Meet

Miss Joan Barber of North Loup represented Valley county yesterday in the spelling contest at the state fair, and did very well, although she failed to get into the prize winning list. First place in the written contest went to Miss Ruth Kean of Richardson county, who took first place after spelling 1,500 words. First in the oral contest went to Miss Iosabelle Keadley of St. Joseph school of Beatrice, who was also third in the written contest.

Progressives Meet

The Valley Progressives 4-H sewing club met with Miss Delva Babcock at her home in North Loup on Tuesday, Aug. 26. The topic for roll call was "Birds." This meeting closed the summer work. Plans on which to have achievement day were discussed. It was decided to have achievement day with the 4-H club, the date to be set later. The leader, Mrs. Buelah Clement, told of ways to label the entries for the Valley county fair, and also asked if anyone wished to enter the style show. The afternoon closed with delicious refreshments.—Roberta Cook, reporter.

Junior Auxiliary

A regular meeting of the Junior Auxiliary was held Saturday at the Legion hall with thirteen members present. Since both president and vice-president were absent, Viola Wolf acted as presiding officer. The girls heard reports of the state convention from their sponsor and from Reva Lincoln who attended. A report given by secretary Carol Hall showed that the penny carnival for the purpose of raising money to pay their dues, had netted a nice profit. Some time was spent learning Junior Auxiliary pep songs, after which a lunch was served by Viola and Arlene Wolf.

Social and Personal

Cornell-Schellenberg.

Miss Sylvia Ellen Cornell, daughter of Mr. Murray Cornell of Erickson, was married to Mr. Ward A. Schellenberg of Lincoln at a beautiful ceremony performed by Rev. L. A. Moore in the presence of guests at Epworth Methodist church Saturday evening. The bride was draped in white. Ferns palms and baskets of flowers interspersed with candelabra formed the background. During the prelude music played by Miss June Meek, Miss Marjorie Dold and Mr. Paul Bogatt lighted the tapers. Miss Meek also accompanied Mr. Melvin Cornell, brother of the bride, who sang, "Believe Me If All Those Endearing Young Charms," and Mr. Alfred Bohrer who rendered "Because."

Carol Ann Marshall, tiny flower girl, was dressed in blue and sprinkled rose petals down the white bridal aisle. To the strains of "Pomp and Circumstance" the bride entered with her father wearing a gown of white-rose-patterned lace, long sleeves which formed a point on the wrist, stand up Queen Anne collar and court train. Her veil was a halo cap of lace trim with small seed pearls, double cape and fingertip length. Her only jewelry was a cameo pin which belonged to her mother. She carried a bouquet of cream roses and swansonia. Miss Myrtle Cornell, sister of the bride, was her only attendant and wore pink net over satin with full skirt, square neckline and short puff sleeves. Her bouquet was of pink roses and baby breath with ribbon to match. Mr. Edward Meiker of Lincoln acted as best man and ushers were Messrs. Wendell Stevenson, Paul Bogatt, Roland Smith and Lewis Davis, all of Lincoln.

Following the ceremony the church parlors, decorated in blue and white, were the scene of a beautiful reception for all those present at the wedding. The refreshment table was centered with blue candles. Miss Fern Schellenberg, sister of the groom, and Miss Eleanor Carlson presided with the serving. Misses Jean Shankland, Editha Shankland, Marjorie Dodd, Dorothy Cook and Dorothy Kenzie assisted with the serving and wore blue formal with a corsage of pink rose buds presented by the bride. Misses Fern Moore and Ruth Horner also assisted and wore pink formal. Mrs. Earl Kneeb had charge of the guest book.

The couple left immediately for a trip to the Ozarks, after which they will be at home at 1227 G St. in Lincoln. The bride is traveling in a black tailored suit trimmed in white and worn with accessories of those tones. Mrs. Schellenberg is employed in the State Health Department and Mr. Schellenberg is an accountant in the State Highway Department.

Married in Ord.

Bethany Lutheran church was the scene of a beautiful wedding Wednesday, Aug. 30, at 8 a. m., when Miss Venus Bonczynski, daughter of Mrs. Caroline Bonczynski of Rockville, became the bride of Thomas Rasmussen, son of Mrs. Ella Rasmussen of Ord. Mendelssohn's wedding march was played before the ceremony, following which Mrs. Clarence Jensen sang "O Happy Home." Rev. Jensen officiated at the double ring ceremony in the presence of the immediate family.

Picnic Surprise.

A basket dinner and picnic was held at Bussell Park in honor of Mr. and Mrs. George Vascek and son Marvin, of Pocahontas, Ia., who are visiting here. In attendance from Ord were Mr. and Mrs. Charles Urban, Mr. and Mrs. John Urban and family, Mr. and Mrs. John Viner and daughter Agnes, Leonard Svoboda, Mr. and Mrs. W. F. Vascek and family, Mr. and Mrs. Ed Kasper, jr., and family, Mr. and Mrs. Edward Adamek and family, Mr. and Mrs. Steve Urban and family and Mr. and Mrs. Will Tuma and family.

For 30th Anniversary.

Friends of Mr. and Mrs. Lester Norton, of Elyria, entertained in their honor at the Onyx Cafe Thursday evening, the party being held in commemoration of the 30th wedding anniversary of the Nortons. Members of the Radio Bridge club, the Jolliffe club and a few other friends were present and presented Mr. and Mrs. Norton with a pottery set. A beautiful bouquet was given Mrs. Norton by Mr. and Mrs. C. J. Mortensen. Dancing and card playing comprised the entertainment and a chicken dinner was served at close of the evening.

Picnic At Park.

The John Zabloulli, Vaclav Lohacka, Frank Zabloulli, Joe Zabloulli, and Charles Lane families all met Sunday at Bussell Park and enjoyed a basket dinner and a pleasant social afternoon.

ERICSON NEWS

Mr. and Mrs. Joe Thomas and children and Mrs. Minnie Kemper and two children of Newcastle, Nebr., came Saturday for an over Sunday visit at the Joyce Kemper home and to see other relatives. Sunday evening there was a family get-together at the home of Sylvester Westcott, including the families of Sylvester Westcott, Irving Westcott, Joyce Kemper, and the above visitors. Mrs. Thomas is a sister of Joyce Kemper and Mrs. Kemper is a sister-in-law.

Dudley Foulk went to Grand Island one day last week and Norman Hansen kept the store. Mr. Stevenson and Mr. Dare went to Grand Island last Thursday and returned Friday.

Lloyd Foster, Frank Hargett and Irvin Schlaff came from the CCC camp at Madison Friday for a visit home over the week end and Labor Day. Frank Hargett will stay at home until time to go to the University to register for the school year.

Ted Lenker came in from Valentine, the CCC camp, on his motor bike Saturday night. He started back early Sunday morning but his machine went bad after having gone part of the way and the family car went and got him. He returned by train Tuesday, going to O'Neill to take the train. He reports that the CCC camp at Valentine is going to be moved this month to Bayard.

School started Monday morning, but there is still a vacancy in the high school of a teacher for the commercial department to take the place of Miss Hanhart. The other new teachers are Miss Helen Platz, music and high school teacher and Miss Hazel Myers, normal training. It is hoped the vacancy will be supplied soon. For the time being Mrs. Caldwell is starting the work in that department.

Mr. and Mrs. Schlaff went to Omaha last week and brought two cars back for trading. Mrs. Jack Webb is back home after having been out to Roy Reneker's several weeks. Mr. and Mrs. Joyce Kemper, Leonard Walters and Miss Wilma Swain returned from the Black Hills last Wednesday night where they had enjoyed a short vacation. Mrs. Clara Jensen who has been confined to the Witt home for many months rode to town Saturday evening and was taken into the free picture show, but was not able to stay.

The community was shocked Saturday morning to hear over the radio of the tragic death of Miss Lois Cornell out near Gothenburg. She was riding a Watson truck and there was a collision and the truck caught fire and the two young men with the truck and Miss Cornell were burned to death. Her funeral was held at Scotia Monday afternoon. She is the daughter of Wm. Cornell. The family used to live near Erickson, but now live at Broken Bow.

Hargett's car, with Mr. and Mrs. Hargett, Prof. and Mrs. Caldwell, Edwin Booth, Miss Kathryn Young and Mrs. Van Horn went to Kearney Sunday afternoon for a double purpose, to try to secure a teacher for the high school and to get Miss Young and Edwin Booth located in school. Later, we learn, that Hargett dropped off at Scotia to umpire a ball game. Earnest Foster, who has been in the hospital at Omaha, returned to his home at Burwell last Wednesday.

Ruth Patrick and Betty Belle Adams took Wilma Patrick to Royal, Nebr., last Friday, where she will teach this year again. Miss Kathryn Young went with Mr. Hargett last Friday after the CCC boys. Helen Jean Burhans has come back to stay with her grandparents for the school year. Mrs. Classon, of Spalding, is a guest at the Schlaff home. The Wray children, of Spalding, visited the Roy Schlaff home a couple days last week. Jessie Kiel and family moved last Saturday to the Keeler house in the east part of town. The McVeys who have been living in GoVeys' house are moving this week to one of the Dare cottages in the east part of town.

Albert Austin, son of Rev. Austin, came home Thursday evening from South Dakota, where he has been working. Enroute he visited his sister at Mitchell. He is working this week out to Chas. Dwinells in haying. Next week he will go to Lincoln with Rev. and Mrs. Austin as they go to conference and he will get located for school at the state agricultural college again. Mr. and Mrs. Daney Stark, of Darfur Minn., visited Rev. and Mrs. Austin last week from Tuesday evening to Thursday morning. They had been on a vacation trip through North Dakota, Montana and Yellowstone Park and were enroute home. Mrs. Stark is a sister of Mrs. Austin.

Rev. and Mrs. G. I. Friday and baby visited with Rev. and Mrs. C. E. Austin last week from Wednesday evening to Thursday evening. Rev. Friday did some fishing at the lake. The regular Saturday night free picture show was in the McGuire hall Saturday night and a dance followed.

Rev. Austin is closing up his work of the church year this week preparing to go to conference at Lincoln next Monday. All reports should be in his hands at once. Rate has been taken to the county fall at Bartlett on a charge of burglarizing the home of Mr. and Mrs. O. J. Walters. Some money and valuables were taken. About all of it was recovered and he confessed. His preliminary trial is set for Tuesday morning Sept. 5. It is reported that Earl Signor, who was so seriously injured by a gunshot here several months ago is still in the hospital at San Antonio.

Elmer Curry and Earl Ramsey of Grand Island visited at Walter Hoshaws over Sunday and did some fishing. Torvil Christensen and family came up from Grand Island Saturday to visit at the home of Alonzo Reed over Sunday. Mrs. Christensen is a daughter of Mr. and Mrs. Reed. Written by REV. W. L. GODDELL

Dr. Eugene D. Thurston celebrated his 80th birthday Sunday, Sept. 3, 1939, at his home in Burwell. His nephew, Frank Gifford, formerly of Ord and now of Nampa, Idaho, sent him a bushel of lovely, large Alberta peaches and he also received three birthday cakes from friends in Burwell. Dr. Thurston is a pioneer physician of Garfield county and a man who stands deservedly high in the public confidence and esteem. He was born in Richmond, Wis., Sept. 3, 1859, and came with his parents, Mr. and Mrs. Joshua Thurston, to Nebraska in 1875 and homesteaded two miles northeast of Ord. He received his education in schools at York, daughter, Betty Jean, Doris and medicine in the medical department of the University of Nebraska, from which he was graduated in 1884. He located in Taylor where he practiced for 10 years and in 1899 he located in Burwell where he has since remained. In January 1893 he was married to Minnie E. Davis in Taylor. Dr. and Mrs. Thurston have two children, Clarence A. Thurston and Mrs. Nora Clark.

The members of the Burwell municipal band, with their parents and friends had a picnic dinner in Riverside park Sunday. A large crowd was present and enjoyed the fellowship together. As there was such a strong wind it was decided

to have the band concert in the high school auditorium instead of at the park. The band left early Wednesday morning where they played at the state fair during the day and will play at the horse show in the evening.

Paul and Gerald Runyan, who have been visiting in the home of their uncle and aunt, Mr. and Mrs. W. E. Anderson in Kansas City, Mo., since the middle of August, expect to return home Friday of this week.

Mr. and Mrs. Raymond Johnson and daughter Thelma, Marie Mathausser and Evelyn Banks drove to Gables Friday, where Thelma remained to teach school. Marie is teaching near the old Doran ranch and Evelyn about 5 miles north of Gables. The girls expect to come home each week end during the nice weather.

Mr. and Mrs. Carl Davenport of Omaha came Friday night for a visit with relatives. They were accompanied here by Dan Murphy, who is attending school in Omaha and he visited with his parents, Mr. and Mrs. Jim Murphy and family. Mr. and Mrs. Davenport's three daughters, Betty Jean, Doris and Lois visited for the past four weeks with relatives here. They all returned home Monday.

Jack Messenger and Stanley Owens were O'Neill visitors Sunday.

Mr. and Mrs. Al Signer and son Albert of Ericson visited Sunday with their daughter, Miss Pearl Signer. They were accompanied to Burwell by Mrs. Minnie McGuire who attended a birthday dinner in the home of her daughter, Mrs. R. E. Webb, in honor of the birthday of Syble, which occurred on Monday, Sept. 3.

Howard Tucker returned Sunday evening from Lincoln where he had gone to work in a canning factory but on account of the war some of the material needed could not be secured so the work has been tied up.

The American Legion recently purchased the old Opera House and they are busy redecorating and cleaning it getting it in readiness for use.

Joan and Keith Pulliam came last week from Cherokee, Ia., where they spent the summer with their parents, Mr. and Mrs. Clyde Pulliam. They will make their home with their uncle and aunt, Mr. and Mrs. Hallet Pulliam until their parents return to Burwell.

Mrs. August Meyer has been quite sick the past week.

## GET A MODERN GAS FOR YOUR MODERN CAR!

# FILLER UP WITH MOBILGAS

### 4 STEPS THAT BALANCE MOBILGAS FOR YOUR MODERN ENGINE!

- 1 HIGH "ANTI-KNOCK"**  
Every drop of Mobilgas is made from fine gasoline stock... pre-selected for high octane value! Mobilgas is rich both in power and in natural anti-knock qualities.
- 2 OCTANE REBALANCED**  
The "light", fast-vaporizing stocks in Mobilgas are made high in anti-knock. You get full, smooth power in all cylinders... even on starts, at all times!
- 3 ATOMIZES QUICKLY**  
Mobilgas is refined to break up fast when mixed with air. This is important in modern engines... it means quicker, more complete burning... more power developed... less gasoline consumed.
- 4 G CLEANINGS**  
Every trace of dangerous gum is removed. This is tremendously important in today's close-fitting, delicately adjusted motors.

There may be more Pep... Power... Mileage in your car than you ever realized! They were all built into your modern engine—but how can a gasoline that emphasizes just one quality deliver all 3? Your engine can give full Balanced Performance—with a Balanced Gasoline—one that has every quality your precision-built engine demands!

## ++ Something Different ++

It is fun to watch the children go to school that first day of the fall for every little girl is be-curl'd and be-ruffled, and every small man has his hair slick and new clothes on. Usually he has a most evidently new haircut, too. Many of them skip and prance along, beaming happily. And my, how early they go to school that morning!

Under every arm, carried importantly, is a shiny new pencil box, as unnecessary as two tails on a cow but how happy it makes them! Eyes sparkle and toes dance.

Of course there are a good many mothers going along that first morning, but while some of them look happy and relieved at the idea of parking a baby in kindergarten most of them could easily shed a tear or two quietly. I saw one very young mother sneaking a few drops from her eyes as she trod home alone after leaving her little daughter this week.

The little first graders slide into their seats, independent and calm about the whole thing. But the little kindergartners did not always want to stay. Monday one little lad wailed and started after his mother a minute after she drove away. Last year one little miss cried and started home regularly every morning for several weeks. And one fellow could not be coaxed to speak a word to the teacher until nearly Christmas time. It takes a long time for some of the little tots to become adjusted to a group of playmates and a teacher whose word supplants Mother's for hours each morning.

I notice Albert Wiggam says the earlier tots are sent to school the faster they will learn, and the smarter they will be. He thinks a day will come when all mothers will want their babies in school constantly after the age of two and a half years.

Dr. Wiggam is brilliant, I enjoy reading his decisions, yet I think Mothers will miss a lot of fun and companionship if their youngsters are to leave home so early in life.

I think Ord is fortunate in having so many teachers who are more or less stationed here permanently. I believe older teachers definitely can give children something fresh-out-of-college girls cannot, as a rule. If a teacher is calm, has good health and a good disposition, has "the call" to teach and enjoys her profession, I believe every year of experience she has is an asset. I repeat we are fortunate in having so many teachers who live here or have been here several years.

I do not mean to belittle the new trends in teaching or newest edu-

ational methods. But often the girls who learn them and hope to apply them do not especially yearn to teach youngsters; they simply choose teaching as a lesser evil if they must support themselves. Oftimes they are more interested in clothes and men and begrudge the hours they must spend in the school room.

Of course I realize that youthful enthusiasm for teaching, coupled with a desire to absorb and pass on all the knowledge taught in college may result in excellent young lady teachers. There are facts to be considered both ways.

I also believe there is a definite place for men in teaching, and I think it is a shame that the trend has been away from this for the past thirty years.

Another idea I have about school is that it is too bad more women teachers are not given an opportunity to serve as principals and superintendents. I have seen competent, suitable women passed over many times while a young fellow fresh out of school gained new authority, his chief recommendation being that he was a man.

Something else, or did I tell you? I think I did. I firmly believe there should be a woman or women on the school board. Though I think our Ord school board a dandy as it is.

Now who will throw the first knife at me?

—Irma.

—Mr. and Mrs. Chester Frey of Lincoln came to Ord Saturday and remained until Monday evening visiting in the H. G. Frey home.

### IT HAPPENED IN ORD.

W. F. Williams added about five extra seats to the morning bus from Grand Island and says he started out with six passengers, but had lost them all when he got to Ord. The extra seats were tied on top, and were for use in the waiting room at the bus depot here. There are two sets of them here now, which is a much needed improvement.

While we are thinking about it, F. J. Dworak is making plans to have a cherry pie for Christmas. He says one of the limbs on a cherry tree in his yard is out in full bloom, and this is September. Reports of this kind are frequent heard in drouth years, though nobody seems to know just why the trees act the way they do.

Toot Harris makes the claim that Otto Radil is the biggest man in Ord, and everybody who sees Otto driving around in his car is inclined to believe that Toot is right.

Whether it was the threat of world war or whether people are just interested in religion, it must be agreed that the gospel meeting on the vacant lot north of the Food Center Saturday evening drew a large crowd of very interested and respectful listeners. The soloist, was Rev. Clark, and he was assisted by Miss LaVern and Oscar Austin, and their efforts were much appreciated.

—The C. B. & Q. railroad is giving a golf tournament on the Dundee course in Omaha Sunday for its employees, and H. G. Frey of Ord, who is a golfer of no mean ability, plans to attend and bring home the trophy if he possibly can.

**It Is No Longer EXPENSIVE To Install A WILLIAMS OIL-O-MATIC Oil Burner in Your Home**

You've always wished you could afford to install an oil burner and enjoy the convenience, comfort and economy of oil heat, haven't you? But you've been "scared out" by the expense.

We're pleased to announce that "its no longer expensive to install an oil burner"—note this great offer—as low as—

**\$5.00 DOWN and \$6.00 Per Month**

**What Does This Cost Include?**

For a price as low as \$5.00 down and \$6.00 per month we will install in your home a Williams Oil-o-Matic burner, generally conceded to be the finest burner made in the world. Included is the installation cost, also the tank and automatic instruments to regulate heat. In fact we'll put the burner in your home ready to operate when cold weather comes for \$5.00 down, with arrangements made to pay the balance off at as little as \$6 monthly.

**How Is This Great Offer Possible?**

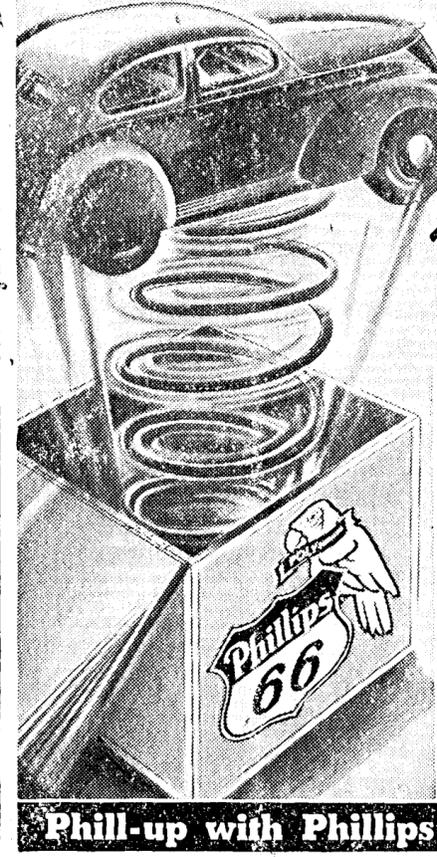

By means of an F. H. A. loan which we will handle for you. There is no red-tape involved; all you will be asked to furnish is a reasonable financial statement. We will take charge of filling out all papers. ASK US FOR COMPLETE DETAILS.

**6 1/2c Oil is Still Available**

Our offer to fill your tank with Skelly's clear, no-odor fuel oil at 6 1/2c per gallon is still open. And if you let us fill your tank at this price before Sept. 15 we'll give you a guarantee that at no time this winter will we charge you more than 7c per gallon for oil. That's a guarantee worth something in these war days of rising petroleum prices.

**GIVE YOUR MOTOR A CHANCE to surprise you**

YOU probably have just had your vacation, which was anything but that for your car. You drove it more miles in less time, and with less care, than usual. Hence it is likely the engine has more carbon in it... has less pep... is noisier... and less responsive.

So right now is the perfect time to try Phillips 66 Poly Gas, the high test, high energy, custom-tailored motor fuel, which costs nothing extra! You should feel that difference with your very first trial tankful—added power, pep, pick-up, and mileage.

Remember, the Phillips 66 Poly Gas you buy today isn't merely another Summer gasoline. It is actually a September gas, more accurately custom-tailored than any other gasoline. Matched and re-matched to the climate in your locality, every month in the year. And there is hardly a day in 365, when its high test rating and antiknock value are not unsurpassed in its field.

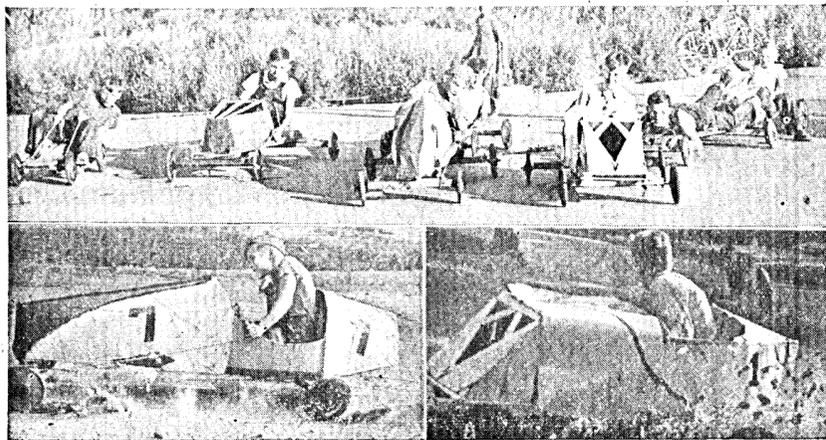

Why not find out the facts personally? Why not give your motor a chance to surprise you? September Phillips 66 Poly Gas is waiting for you now at every Orange and Black 66 Shield.

Ord Boys Build and Race Soap Box Derby Cars on 21st Street

When the Cosmopolitan club tried to interest local boys in the state soap box derby contest last summer, they started something. The boys did not get busy soon enough to enter the contest at that time, but today a number of them have cars which they race on the paving north down the hill on 21st street. Left to right in the upper photo are Frank Ramaekers, Keith Kovanda, Billy Fafetta, Donald Hill, Raymond Biemond, Bobby Klima and Jimmy Fafetta. Below, left, is Bill Fafetta making a turn at high speed. Below, right, Raymond Biemond skids into the ditch as he makes a turn, throwing mud into the air. The cost of these cars is from a dollar down, and about all that is necessary is a banana or orange crate and four wheels. They break down, but the boys have as much fun repairing them as they do in racing them, so who cares?

BURWELL NEWS

WRITTEN BY REV. W. L. GOODLELL

Ida Opal Griffith.

Ida Opal Griffith, who was born in Clarks on April 10, 1906 died in Burwell Aug. 30 at the age of 33, as a result of a chronic ailment from which she had suffered since 1920, the year she came to Burwell with her parents, Mr. and Mrs. W. W. Griffith.

In spite of ill health, Miss Griffith graduated from Burwell high school in the class of 1924. She also was a member of the Christian church and often attended the services.

Left to mourn are her mother, four sisters, Mrs. Frank Piliowski, of Ord, Mrs. Howard Hain, of Fremont, Odessa Griffith, of Los Angeles, and Mrs. Glow Fackler, of Burwell; also two brothers, Wallace, of Los Angeles, and Howard, of Burwell.

AT THE SALE RING IN ORD SATURDAY, SEPTEMBER 9 SALE STARTS AT 1:00 O'CLOCK

Last Saturday we had one of the most active sales that we have ever had since we have been in the business. This was, of course, due to the war situation and the advance of all markets. Buyers were here from a large radius and we still did not have enough cattle to supply the demand.

In next Saturday's sale it looks like 125 head of cattle, including feeder steers, light replacement cattle, 50 head of good calves, 14 head of extra good milk cows, all from one man. 20 head sucking calves. 140 head of extra good feeder pigs. 4 head of horses.

Be sure to attend this sale as there will be a lot of good stock.

### 3 BIG Night Programs of Midget Auto Racing

The most sensational entertainment ever offered in Central Nebraska! Daring drivers—at least 20 of them—gambling with death on a flood-lighted track, while you sit in comfort in the grandstand seeing every move. It will be cool at night, there will be no dust, and you'll enjoy every minute of this snappy 1½ hour race program.

See such drivers as Sam Hoffman, Ray Leslie, Vic Felt, Lloyd Axel, Ray Vorbeck, Vic Shay, Bud Martinson, Bert McNece, Chris DeHaven—and a score of others. Out of the 10 leading dirt track drivers in the U. S. picked by the National Auto Racing News at the end of 1938, four competed in last year's races at Ord.

Here is where A. A. A. drivers and the "outlaws" meet and fight it out. Don't miss these race meets—10 fast races nightly.

### Lower Admission Charges in Effect

Gate charge reduced to 25c for adults and 10c for children and this covers the whole day—afternoon and evening.

Charge at the gate for cars only 25c—good for all day and all evening.

Afternoon charge in grandstands—no reservations—15c for adults, 10c for children.

Evening charge in grandstands—Reserved seats, 50c; unreserved seats, 35c; bleachers (on south side of midget track) 25c.

Where else can you get so much entertainment for so little?

### A Great Agricultural Fair

The Valley county fair has always been noted for its splendid exhibits of livestock, products of the farm, of the schools, of the I-H clubs, and 1939 will be no exception. Every building will be packed with interesting, educational exhibits that you'll want to see.

### 2 BIG Afternoon Shows September 12 - 13 - Featuring Famous White Horse Troupe

Cal Thompson and his Famous White Horse Troupe, with Queenie, the Educated Cow, will put on a 15-minute show in front of the grandstand Tuesday and Wednesday afternoons. These are the horses that were featured in the World-Herald Roto section a few weeks ago. A new breed, pure albinos. Fancy riding, trick riding, high school acts, etc.

Bring the children to see this splendid horse act, and to enjoy the antics of Queenie, the world's only "educated cow."

### Carnival On The Grounds

The Thomas Amusement Company with 4 rides, 4 shows and a host of concessions will be on the grounds. Fun for everybody, every afternoon and evening.

### Big Dance Every Night

For the young people, Harry Collins' Orchestra will play for dancing every night in the Bohy Pavilion on the grounds.

—Last week Mr. and Mrs. Leland Barrett, accompanied by the latter's daughter, Miss Dyke Miller and niece, Virginia Ladsging, motored to St. Paul. The young ladies remained there while the Barretts continued to Grand Island to visit the latter's sister, Mrs. Robert Ladsging.

—Jack Janssen who is employed in Omaha spent Sunday visiting at Ericson and Monday with his parents in Ord.

—Mr. and Mrs. Frank Atkinson and family and Mr. and Mrs. Joe Timmerman of Stuart visited the Ray Atkinsons at Ord Sunday.

—Art Haberlan of Lincoln was a visitor in the Ralph Misko home from Sunday forenoon until Monday evening.

—Mrs. Elmer Dahlin was taken quite seriously ill Sunday evening with an attack of gallstones. She is now reported as somewhat improved.

—Donald and Loraine Atkinson, children of Mr. and Mrs. Ray Atkinson returned home Sunday after visiting their grandparents at Stuart for two months.

—Miss Zola Barva left by train for Grand Island Friday on her way to her school work at Ogallala after spending her vacation with her parents, Dr. and Mrs. F. A. Barva.

—The Ray Atkinson family moved into the Henry Misko property last week after living at St. Paul for two months. Ray is employed by the state and will remain at St. Paul a few weeks longer.

—Friday Misses Marie and Adeline Kosmata departed for their school work, the former to Imperial, where she is to teach her second year, and the latter to Hastings for her first year there.

—Mr. and Mrs. Ed Whelan and two children drove to Omaha to spend the week-end. They brought back with them Eddie, Jr., who had been visiting relatives there for two weeks.

## North Loup

Written by MRS. ETHEL HAMER

Mr. and Mrs. R. O. Babcock returned Wednesday from Milton, Wis., where they had attended the Seventh Day Baptist conference. Marcia Rood accompanied them home and Mrs. E. J. Babcock came as far as Omaha with them.

Harlan Brenneck went to Lincoln Wednesday to assist W. T. and G. L. Hutchins with their Aermotor exhibit for the state fair.

Mrs. V. T. Hutchins came in on the Thursday evening bus. She had been in Des Moines while Mr. Hutchins was attending the Iowa state fair.

Mr. and Mrs. Ed Wells spent Thursday in Palmer on business and Friday they were in Grand Island.

Mr. and Mrs. Ross Portis entertained their pinocchle club Thursday night.

A crowd of fifteen girls had a picnic at the chalk hills Friday honoring the girls who are soon to go to school. Those attending were Frances and Dorothy Meyers, Avona Nolde, Irma Waller, Paula Jones, Jane Hoepfner, Florence Hudson, Edna Hawkes, Muriel Bartz, Florence and Louise Hamer, Ersel Goodrich, Lyde Smith, Dorothy Eyerly and Lois Manchester.

Jim Coleman and Gilbert Meyers made a business trip to Omaha.

Mrs. Mary Davis and daughter Mary went to Doniphan Friday to be ready for the opening of school Monday. Miss Mary will teach economics in the Doniphan school again and they will live in the same house they have occupied for three years.

Mr. and Mrs. Clayton Meyers and Phyllis of Grand Island spent last Thursday night and Friday forenoon in North Loup. They are doing quite well in their popcorn stand in Grand Island and like the work fine. Mr. and Mrs. Cecil Knapp and daughters had dinner Friday in the Chas. Meyers home to be with the Clayton Meyers family.

Murray Cornell and daughter Myrtle of Ericson and Mr. and Mrs. M. R. Cornell and Mrs. J. A. Barber went to Lincoln Friday to be present at the marriage of Miss Sylvia Cornell Saturday.

Mr. and Mrs. Ray Redden of Omaha who are spending the week with relatives here were dinner guests Thursday in the Fred Bartz home and Saturday in the Otto Bartz home.

Mr. and Mrs. Earnest Horner of Ord spent Sunday at the Roy Cox home.

The North Loup band will go to St. Paul Wednesday to have a part in the program at the Howard county fair and there will be no concert this week.

### Phone Your News Items to No. 30

When out-of-town friends or relatives visit your home, the greatest compliment you can pay them is to have their visit mentioned in the columns of your home town paper. Just telephone No. 30, the Quiz news room.

—Roy Diktakis and sister Helen of New York City, arrived on the bus Monday evening and will visit at the Charles Boettger home in Mira Valley for two weeks. Mr. Diktakis is an employee of the City Service Oil corporation, and spends his annual vacations here.

—Miss Florence Grabowski of Burwell came to Ord Sunday and remained until Monday evening as the guest of her aunt, Mrs. Frank Hron, and husband.

—Mr. and Mrs. L. J. Auble and daughter Myrtle went to Lincoln Sunday to spend three or four days visiting the state fair.

—Mrs. Rosalie McBeth, who had been in Omaha attending the California beauty school, returned to Ord Monday to spend a few days.

Clifford Vredenburg, and son of Long Beach were overnight guests Tuesday in the George Gowen home and Wednesday the Gowens took them to Grand Island where they took the train for their home. Mr. Vredenburg has spent the summer in Europe where he went for special work in connection with his teaching. He teaches Spanish and planned to go to Spain but due to conditions there was unable to enter the country.

Two showers that gave us .30 inches of rain fell Thursday night and Friday.

Marcia Rood went to Burwell Friday to be ready to begin her school work Monday.

A mistake occurred in our items last week that seems hard to account for. We had Mrs. Ava Goodrich holding a recital with the thirty-five piano pupils Mrs. Johnson has taught all summer.

The Methodist ladies aid served ice cream and cake in the lumber yard Wednesday night during the band concert, doing a thriving business most of the evening.

Chas Zanger returned Wednesday from Camp Ouray, Colo. where he has spent the past five weeks in a Y. M. C. A. camp. He expects to return to Hastings college next week.

Mr. and Mrs. Roy Cox went to Lincoln Sunday where they will spend a few days attending the state fair. The last of the week Mrs. Cox will accompany him to the western part of the state.

Mr. and Mrs. G. D. Barber and Mr. and Mrs. Kenneth Barber went to Lincoln Friday night taking the exhibit for Valley county down.

Mr. and Mrs. G. D. Barber have had charge of Valley county's exhibit for a number of years and spend much time and effort to make it a success. Joan Barber accompanied them and will enter the spelling contest as well as attend the fair.

Harry Johnson came in on the Thursday evening bus from Lincoln where he has been attending the Legion convention.

Dale Halverson has been elected to teach seventh and eighth grades and have charge of athletics in the Merna city schools. He has been attending state university recently and Mrs. Halverson, formerly Margaret Rood has been employed in the Smith Bakery shop in Lincoln and will continue her work for another month before moving to Merna. Mr. Halverson went to Merna last week, stopping enroute in North Loup. Later in the week while lifting a large box he injured his back and was not able to return to Merna to begin his work. At the latest word he hoped to be able to go by the middle of the week.

Mr. and Mrs. Arthur Hutchins and son Richard left Saturday afternoon for a brief vacation in Milton, Wis., where they will attend a family reunion of Mr. Hutchins' mother's family, the descendants of Rev. George Crandall.

Mr. and Mrs. Ross Williams and children spent Saturday night with Mr. and Mrs. Deryl Coleman.

Ivan Miller, manager of the Strand Theater is having Work Night, every Wednesday and Thursday nights, last week being the first time the plan had been used.

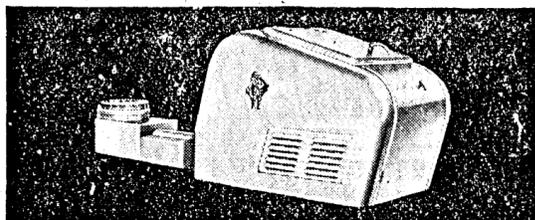

Mr. and Mrs. Ed Wells held a sale of their household goods Monday afternoon and Tuesday went to Cotesfield, planning to leave in a few days for St. Helena, Ore., to make their home. The Wells family have been in North Loup the past year and a half and while here have made many friends who regret to see them leave.

## Midget Auto Races Furnish Thrills At Valley County Fair

Two Dozen Hot Racing Cars Furnish Best Racing Card Ever Seen Here.

The Valley county midget auto races got under way last night when twenty-five of the fastest midget racers in the United States went into action on Ord's fast fifth-mile track. The races were under the direction of the famous stock of Lincoln who has officiated at races in Ord for several years. The announcing was done by Bruce Clifton of Sioux City, over the public address system furnished by C. A. (Mack) DeLaney of Lincoln.

Event No. 1, a six lap preliminary, with six cars entered, was taken by Perry Crum in car designated as Red 25. The time being 1 min. 49.63. In second place was car Gray 25, driven by Ralph Pratt, while Cal Niday, in No. 60, came in third. Niday will be remembered as the man who broke his leg when he ran into a pole on the south side of the track last year. At that time he was driving Red 21.

Event No. 3, as might be expected was run somewhat slower than the first two, in which the cars were nearly equal in speed. Vic Shay of Denver, driving a Norberg special No. 5, took this event in the time of 1 min. 51.34 sec. In second place was Charlie Taggart of Sioux City in No. 13, with Tom Elliott trailing in No. 17.

Preliminary No. 4 furnished the surprise of the evening when Roy Sherman, driving No. 6, pushed his machine around the track to win in the fastest time of any of the preliminaries, 1 min. 49.42 sec. He had to pass Eddie Krack of Omaha, who had the lead most of the way, and who came in second in car No. 1. In third place was Earl Kouba.

The first six-lap consolation was won by Jerry Miller of LeMars, Ia., driving No. 77, with Jimmy Wilson in No. 3 in second place, Otis Stevens of Longmont, Colo., driving No. 3, third, and Walt Killinger of Denver, No. 32, in fourth place. The second consolation was won by Swede Larsen, Kansas City in No. 6, with Vic Roth, No. 33, in second place and Ralph Foster of Grand Island, No. 33, third. Vic Roth furnished a thrill in the time trials when his car spun around at the west end of the track.

Event No. 7, the first 3 lap handicap, furnished the first big thrill when cars driven by Bud Martinson, Lloyd Axel and Aaron Woodard piled up at the west end of the track, luckily without injury to either driver or cars. This event went to Vic Shay, with Cal Niday second and Ralph Pratt third. Jimmy Wilson took the second handicap, with Roy Sherman, second and Eddie Krack, third.

The Australian pursuit race, in which the slower cars are started first with faster ones following at short intervals, furnished a real contest, as the cars managed to keep ahead and only a few of them were passed. Eight cars were entered and five finished, with Swede Larsen first, Roy Sherman second and Charlie Taggart third.

Nine cars were entered in the nine lap semi-final, with six finishing. Tommy Elliott finished first in this event, Jerry Miller second, Jimmy Wilson third and Earl Kouba fourth.

## Football Squad Faces Harder Scrimmage Work

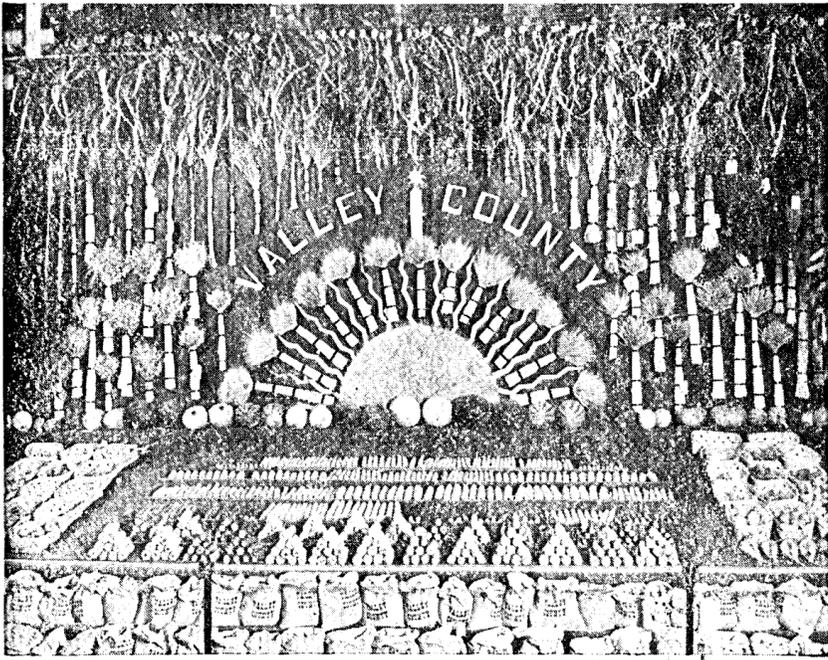

The Ord football squads are facing heavier work in the coming week, according to Coach H. F. Brockman. The work to date has been a general limbering up, but scrimmage work will begin now and skull practice, the art of learning plays, will also begin in earnest. There are about 70 men out for football, about 30 of whom are in junior high. Physical examinations began yesterday morning at 8:30.

Every member of the squads must pass this examination, and none are permitted to play who do not have the O. K. of the doctor. The examinations are made by Dr. F. A. Barta. A list of these examinations and their results is made out by the coach, is signed by the doctor, and is sent to the state high school activities organization as a part of the eligibility requirements.

Judge Kroger Here Monday.

Judge E. G. Kroger and court reporter Arthur Bass of Grand Island were in Ord Monday where a number of equity cases required their attention. The jury term in Valley county is set for Nov. 20. There will be nine cases to occupy the interest of the jury at that time.

## Valley County Exhibit Placed Third at Nebraska State Fair

Due mainly to the work of Mr. and Mrs. G. D. Barber of North Loup, and the cooperation of a number of friends, the above exhibit of products raised in Valley county and mostly in the vicinity of North Loup was given third place in county exhibits at the Nebraska state fair last week. Only Clay and Douglas counties placed ahead of Valley. A part of the above exhibit is being shown at the Valley county fair this week, and will also be shown at Pop Corn Days at North Loup next week.

## Medical Program Being Worked Out for FSA Borrowers

\$30 Per Family Yearly Will Be Cost; Own Choice of Physician Permitted.

A new medical program is being organized in Valley county for low-income farmers, says C. C. Davis, county FSA supervisor. With the aid of the Farm Security Administration, an unincorporated association will be set up which will develop an agreement with the doctors of Valley county for emergency medical care for one year.

The participation dues in this association will be \$30.00 a year for each family. Families eligible for membership will consist of Farm Security Administration borrowers and other low-income farmers who do not have financial resources to meet emergency medical needs. The services under this plan shall be rendered only by regularly licensed medical doctors who have been approved by the Valley County Medical Society. Each member of the association shall have the privilege of choosing any physician who is participating in the program, but must confine his choice to a physician within a reasonable distance from home.

Every effort is being made to complete the organization as soon as possible and it is hoped to have it in operation by November 1. Group meetings will be held throughout the county during the last of September for this purpose.

## Low Peyton Sent to State Penitentiary

Low Peyton, formerly of Burwell but more recently from the territory around Julesburg, Colo., was brought before District Judge E. P. Clements Wednesday afternoon, on a charge of breaking into a car on Sept. 5, with the intent to steal property. He entered a plea of guilty as charged and was sentenced to a year in the state penitentiary at Lancaster.

According to Peyton's testimony he had arrived in Arcadia on Tuesday from Colorado and had stopped to visit the fair being held there. He claimed that some one must have put the articles in his car, although he entered a plea of guilty to taking them from a car belonging to George Nass. He stated that he admitted guilt because he could not prove he was innocent.

Peyton is a married man and has a wife and two children living at Burwell. In July 1937, Peyton and his brother-in-law, Bob Sheffer, were arrested for stealing hogs in western Nebraska. They were sentenced from Deuel county to three years each in the penitentiary, from which they were paroled last June.

The arrest was made last Tuesday by Marshal Fred Stone of Arcadia, and Sheriff George Round went over and brought him to Ord. Authorities from Julesburg called Mr. Round and said Peyton was wanted there for questioning in connection with the stealing of large numbers of chickens. He admitted to the judge that he had been in trouble on minor charges on several occasions prior to his conviction on the hog stealing charge.

## Rev. Hill Called to Farina, Ill., Church

North Loup—(Special)—Rev. C. L. Hill, pastor of the Seventh Day Baptist church here for three years, has resigned to accept the pastorate of the Farina, Ill., church, it was announced to church members Sunday by Mrs. E. J. Babcock, church clerk, who read a letter from Rev. Hill. He is now in Farina, his former home, on a vacation trip, and in his letter said he would give up his work in North Loup "soon."

## Alvin Lee Dismisses Supreme Court Appeal

On August 30 final settlement in the Valley county attorney election contest was made, when Alvin B. Lee, defeated for the office by John P. Misko, dismissed his appeal to the Supreme court. The case previously was tried in both the county and district courts, both of which upheld Misko's election. Lee appealed the case to Nebraska's highest court but changed his mind and dismissed the appeal, which confirms Misko in the office for the balance of the present term.

Flies Suit for Divorce. Through her attorneys, Mann and Norman, Mrs. Keo Peterson filed suit Saturday for divorce from K. W. Peterson on grounds of cruelty.

## White Horse Troupe Pleases Fair Patrons

Much interest was shown yesterday in the white horse troupe from the Cal Thompson ranch north of Stuart. They are by all odds the most beautiful horses ever shown in Ord. In fact, from the time of their arrival last week, visitors by the dozen had driven to the fair grounds to look them over, and they all went away with the story of what they saw. As a result, there was a fine crowd in the stalls yesterday to see these animals perform, and they were not disappointed. Mr. Thompson believes that his white horses are more easily educated than the more common breeds, and the way they perform many difficult stunts proves this. The crowd also got a real kick out of the antics of Queenie, the educated cow.

## Deer Breaks Windshield On Car Near Bordeaux

People who are inclined to belittle the work done by the state game and fish commission will have to agree that it has saved the deer from extermination in the state. About ten days ago a group traveling by car on Highway No. 20 near Bordeaux, had their windshield broken by a deer that came running out of a ravine squarely in front of their car. The deer was killed and was taken to Hay Springs and turned over to the game warden there.

—Mrs. E. Hallock of Burwell went to Grand Island to spend the day Tuesday.

# Quiz Cooking School is Ord's Next Big Event

## Smith-Hughes Ag Classes Have Full Enrollment of 47

Quota Soon Filled and a Few Town Boys Excluded; New Equipment Arrives Soon.

This year's enrollment has been limited to 47 in Smith-Hughes agriculture, according to J. A. Kovanda. The limit was soon filled, and a number of town boys had to be excluded, it being the school policy to give the country boys the first chance in this work. This is the largest enrollment in the history of the school.

In the new ag shop building, recently completed and accepted, there are to be 24 new carpenter's benches of latest design. These will be placed in the south half of the building, which is floored with maple. The north half has a concrete floor, and the forges, anvils and other shop machinery will be placed there.

Ample lighting facilities, using the new obscure glass, make this an exceptionally well lighted building. The new type glass is rough, and cannot be seen through, and the sun's rays cannot come through with a blinding glare, as is the case with common glass. The new glass has the added advantage of being much harder to break.

In this new shop 24 lockers are arranged across the south end with office space and a checking room for tools behind them. Perhaps the best idea of all is the connecting tunnel which makes it possible to go from the main school building to the shop without going out doors. It greatly shortens the distance the students would have to travel, and protects them from the weather.

A limited amount of shop work is being done at present, although full equipment will not arrive for about six weeks. The time spent in the shop will average about every other day. Other equipment for the shop includes a power saw, a lathe, a steel hoist, two anvils, a post drill, a power grinder, iron shears and various lesser equipment.

Each agriculture student is required to carry on a project on his home farm, and either raise livestock or a crop of some kind. The students have from one to seven projects each, the only one having seven being Frank Zalina. Most of the boys are members of the Future Farmers of America, a national organization of high school boys who are studying agriculture.

The F. F. A. boys and 4-H club members were having a livestock judging contest at the Valley county fair this morning. The stock included were beef cattle, horses, sheep and hogs. Tomorrow morning the boys will judge dairy cattle. The results of these contests will be given in the Quiz next week. Last year's winners were Lloyd Vodehnal, first, and Maynard Schudel, North Loup, second.

## Ord Girls Making Good At Hospital in Omaha

Mr. and Mrs. John Haskell have received word that their daughter, Maxine, who is in the Methodist hospital in Omaha, in her final year of learning the nursing profession, has been elected a member of the student council of nurses. She is also vice-president of her class, and Miss Joy Auble, daughter of Mr. and Mrs. A. J. Auble, is president of the same group. Her sister Leota received the same honor while she was in her senior year at the hospital.

## War Division Votes Against Entering War

Three Burwell men, Roy Ulm, Stanley Mitchell and Tom Banks, went to Fremont Sunday, where they attended the reunion of the 355th division, held in the town for three days. 510 men were in attendance, and they voted "against the involvement of our country in any European war."

## Dale Mickelwait Plays Football on West Coast

The Quiz is in receipt of a clipping from a west coast newspaper containing a photo of Dale Mickelwait, son of Charles and Gertrude (Gifford) Mickelwait, of Costa Mesa, Calif., and giving the information that he is to play blocking guard for his team against the Navy. The clipping does not state what school Mr. Mickelwait is attending. The Mickelwait family formerly lived at Ord.

## Governor Cochran Fixes Thanksgiving on Nov. 30

Governor R. L. Cochran, by a proclamation issued Monday, set Thanksgiving day in Nebraska, as the official Thanksgiving day in Nebraska. In making this announcement the governor said he was not necessarily going against the precedent recently set by President Roosevelt, but was setting the date at the customary time because a change at the present time would mean a serious economic loss to many agencies that had based their plans on the usual Thanksgiving date.

## Four Nebraska Schools To Offer Flying Course

Four Nebraska schools, University of Nebraska, Omaha University, Nebraska Wesleyan and Hastings college, have been approved by the Civil Aeronautics Authority for participation in the government's nation wide policy to train civilians for the air service. The training program will begin between Oct. 15 and Nov. 15, and will be preceded by 72 hours of ground school. Students will receive from 35 to 50 hours of flying instruction, at a cost of \$40.

## Many Exhibitors at Valley County Fair, 4-H Clubs Superior

Boys, Girls, Vie with Elders for Prizes; Exhibits Are Called "Best Ever."

Tuesday was a bad day indeed at the Valley county fair but the heat, wind and dust could not discourage the crowd of 4-H club exhibitors, who had by far the finest exhibit in all respects that they have ever shown. There were 33 entries in the baby beef 4-H department, which was divided into three divisions.

Marvin Collins took first in the first division, Norris Jones took first in the second division, and Lonnie Nelson took first in the third division, and also won the grand championship. The livestock in the 4-H clubs was judged by K. C. Fouts, of Seward, county agent there. Exhibitors in this department and the places they won are as follows:

Maynard Schudel, North Loup, 4 head Herefords, won 3d and 4th; Lloyd Geweke, 2 head Herefords and one Angus; Norris Jones, Arcadia, two Herefords, a first place; Stanton Jones, Arcadia, 2 Herefords; Orel Koelling, 2 Herefords, one fifth place; Darrell and Delbert Drake, Arcadia, 1 Hereford each; Delivan Kingston, Arcadia, 2 Herefords, a third place; Orin Kingston, one Hereford; Lonnie Nelson, 2 Herefords, first and grand championships.

Dean Veleta, one Hereford, third place; Wilson Chatfield, one Hereford; Eldon Lange, one Hereford, one roan Shorthorn, a second and a fifth place; Donald Clement, 2 Herefords, a second place; Dick Peterson, 1 Hereford, a second place; Marvin Collins, 1 Hereford, a first place; Herbert Brethauer, one Hereford, a fourth place; Garis Clement, North Loup, one Hereford; Charles Ziomke, 2 Herefords, a fourth place.

Pig club exhibitors included: Harold Goff, Edward McCarville, Richard Palsler, Charles Ziomke, Donald Fells, Arthur Palsler, Edward Rousek, Otis Gartside, Ted Krason, Darrell Barber, Donald Miller, Lyle Hanson, Richard Rathbun, Neal and Betty Walkemeyer, Paul Eglehoff, Keith Dorsey, Donald Sydzick and Clarice Benn. Lyle Hanson made perhaps the best showing in this department, taking first on boar, second on gilt, and first on litter.

Most interesting of all, perhaps, was the dairy calf club exhibit. (Continued on page seven)

## Tournament Played at Cotesfield On Sunday

A one day tournament brought together softball teams from Greeley, Cotesfield, Scotia and Ord at Cotesfield Sunday. Two games were played in the afternoon and two in the evening, with prizes of \$15, \$10 and \$5 for the three high opening contests. \$ to 5, through a generally unpopular decision of the umpire, Cotesfield defeated Greeley in the other afternoon game.

In the championship game in the evening Cotesfield defeated Scotia, while Ord defeated Greeley 7 to 0, to take third place. The four team tournament is proving popular with both players and fans, and another is planned to be held at Scotia next Sunday. This will in all probability be the final softball contest of the season for Ord, and a large group of fans plan to attend.

## Miss Dorothy Gill Conducts Sessions 2 Days Next Week

Air-Conditioned Ord Theatre to Be Scene; Imposing List of Prizes Arranged.

There should be few afternoon social engagements next Tuesday and Wednesday, Sept. 19 and 20, in Ord and other communities in this territory, for homemakers from Ord and all the country 'round are expected to gather at the Ord Theatre to attend the sessions of the big free cooking school sponsored by The Ord Quiz.

From expert cook to beginner, everyone will receive much valuable instruction in the art of keeping house from the Quiz's able home economist, Miss Dorothy Gill, and Ord women should not overlook this opportunity to learn the latest pointers in homemaking.

In charge of the classes each afternoon will be Miss Gill, who will lecture on every phase of kitchen-craft, presenting new recipes and menus, new ways of serving old dishes, and describing and demonstrating the newest developments in kitchen equipment.

"The terms 'classes' and 'lectures' are really much too formal for the kind of friendly sessions we are going to have in Ord," says Miss Gill. "I want my cooking school guests to feel at ease, as though they had dropped in on me in my home and I had said, 'Come out in the kitchen while I finish my work.' It is as informal as that."

Cooking school attendees will have been invited to Miss Gill's kitchen, for a complete modern kitchen is to be set up on the stage of the Ord Theatre and Miss Gill will prepare her many delicious dishes right on the demonstration platform in full view of her audience.

Miss Gill is particularly well fitted to conduct the Quiz's cooking school, having put on many similar schools throughout the midwest. She is a graduate of the home economics department of the University of Nebraska and is director of home economics for Omar Mills, Inc., of Omaha.

Each session of the free cooking school will begin at 2:00 and will last about two hours, including a 20-minute style show to be put on each afternoon by Chase's Toggery. The newest fall garments, both for sport and dress, will be displayed by models under the personal direction of Miss Eunice Chase.

Each day's cooking school program will be different, Miss Gill promises, so plan to come to both the Tuesday and the Wednesday session. When Miss Gill held a similar school in Ord two years ago under Quiz sponsorship the Masonic Hall basement was not large enough to take care of the crowd so this year the Ord Theatre with its comfortable seats, was engaged for the occasion.

## Stokes Discontinuing His Line of Dry Goods

Homer C. Stokes, proprietor of the Corner Store at Palmer, announces that he is discontinuing his stock of dry goods, and that he will sell what he now has on the shelves at cost. Mr. Stokes was for many years a resident of Burwell, where he was in the mercantile business, and was president of Nebraska's Big Rodeo for its first five years.

## Clifford Goff's Hogs Win at the State Fair

Clifford Goff returned Saturday morning from Lincoln where he took a few of his Spotted Poland China hogs to the state fair. Showing in different classes, he won awards of first, second, fourth, fifth and eighth. Mr. Goff has been winning at the Valley and other county fairs for years but this is the first year he has exhibited his pigs at the big state show.

## Ord Township Library to Be Closed for Three Days

Because of the fair this week, the Ord Township Library is to be closed both afternoon and evening on Tuesday, Wednesday and Thursday. This was not decided upon in time to give the public notice in last week's Quiz, but this will serve as an explanation to any who might have been disappointed.

ARMIES VS. CONSERVATION

Ever since the close of the war to end all wars nearly 21 years ago, the nations of the world have been building up their armies, purportedly for the purpose of preserving peace.

In contrast to that preparation, here in the United States we have been developing an army, not for war, but for peace, not to destroy, but to conserve and increase the natural resources of the nation.

In six years, 1,741,000,000 trees have been planted; 104,000 miles of truck trails and minor roads have been built; 71,692 miles of telephone lines have been constructed; 40,000 bridges have been built; more than 45,000 buildings of various types have been erected; 5,000,000 dams have been built; 16,000,000 rods of fence have been constructed; and 20,084 springs, wells, water holes and small reservoirs have been developed.

In addition to this, fire hazards have been reduced on two million acres of land; 3,312,493 acres of forest stands improved; 9,000,000 man days were spent in fighting or preventing forest fires; soil conservation work was performed on 13,000,000 acres of farm and grazing land; farmers in all parts of the country were aided in controlling gullies, building terraces, planting trees, and taking other steps to bind the topsoil down rather than let it ride away on the wind.

While doing all this, the C. C. C. boys are being taught those phases of training that are for his better physical, mental and moral development, without the features of military training that tend to develop class hatred and the desire to destroy. In other words, they receive all the fundamentals of military training except the comparatively simple proposition of training them to carry a gun and to shoot.

The important lessons taught in the C. C. C. camps are physical development, camp administration, sanitation, mess management, group living, transportation and logistics, health and resistance to exposure, obedience, understanding of and control of social diseases, care of the feet, fatigue and rest, first aid, the building of roads and trails, the driving of cars and heavy conveyances, the making of pontoon and other ready bridges, and a thousand and one other small but vitally important items in the way of living.

The C. C. C. was never intended as a military organization, but as an educational institution. In this respect it has been an outstanding success. It has been used to improve the land in which we live in many important respects, and in so doing it has built up the manhood of the nation, which is a more important item than all the actual work the institution has accomplished. In fact, it is not too much to hope that the C. C. C. as an institution will do much to end war, for it gives the youth of America a life in camp in the great outdoors, but not in the army.

Today the soldiers of Europe are destroying more in one day than the C. C. C. in America can build in a year. Each day they are destroying more lives than the C. C. C. can save in a year. Instead of learning the lessons of live and let live, the armies are learning new and more effective methods in the art of destroying life and property. War takes the best young men and none come back as good as they went.

But the civilian conservation corps takes young men and improves them, mentally, morally and physically, at the same time building up the country instead of tearing it down. The common people do not want war. The democratic nations do not want war. They are interested in the ways of peace and the problems of peace. The world will become our most useful citizens tomorrow, and they will be too busy practicing the things they learned in camp to give any time or attention to war.

POINTLESS PARAGRAPHS.

Last week a number of contemporaries offered worth while suggestions. About the best one was that the broadcasting stations get together and decide upon some certain time to put out their war bulletins, so that everybody would know when to turn their radios off. Another idea was for one station to handle all the war propaganda, so that the public would know which station to avoid. It is aggravating to have your favorite program or baseball game interrupted by some minor European news flash.

Last week the Schuyler Boot shop concluded a unique contest, in which kiddies were allowed 2000 votes for each pair of old shoes they turned in, and prizes were awarded for the best workers. It is stated that no less than 6,000 pairs of old shoes were gathered by the contestants, and that some parents had to lock up their favorite pairs of shoes to keep the kids from running off with them.

Col. Frank Knox, who was republican vice-presidential candidate in 1928, and who is publisher of the Chicago Daily News, makes of valuable suggestion. He says this country, like its president, is opposed to war, and that we should give the chief executive our undivided and whole hearted support in the problem of minding our own business. Those are fine words of peace and are uttered by a namesake of General Henry Knox, who was secretary of war under Washington.

My Own Column

By H. D. Leggett

Dear Quiz:

This is Saturday morning, September 9. It rained all last night, not hard, just a nice, gentle drizzle, rain that must have soaked down quite a ways in the dry soil. Yes, it is dry here, or was. We have used several thousand gallons of water on the place the past few days, but wherever we dig, unless the sprinkler was there, we find dry dirt all the way down and it takes a long time of sprinkling to soak down six inches. We have been rebuilding our rock garden, finished that job last night. The Missus is the chief architect and head boss, I am straw boss and Oscar Wallin is the crew. The project reminds me of a W. P. A. or P. W. A. or whatever the letters are, project Oscar forgot that he had a straight handle shovel, leaned on it yesterday, slipped and almost ran the shovel handle through his neck. I think he fell asleep. I was sitting on a keg, dozing, and didn't know about the accident until later, for the head boss was also asleep in one of the easy chairs. But the work is going along in spite of such little incidents. It is after 8 o'clock and as it is still rainy this morning I don't think the crew will show up. If it rains so we can't work I am going fishing. When we quit work at 5 p. m. last night we, Oscar and I, went out on the lake and caught a nice pall of fish which he took home and divided with his brother. We were out an hour and had 26 nice bluegills and we kicked because fish were not biting very good.

The Missus and Minnie have been making plum jelly and plum butter and is it good. Plums are very abundant hereabouts and they are very nice and very cheap. Every- one has plum bushes or trees and they are all loaded this year. We like them but we like crab apples for jelly better and this is the second year here without a crop. We always plan on making up a hundred or so glasses, jars and old broken-nosed pitchers full of jelly and leaving it here for use the following season. Usually it don't last till the new crop of fruit is ready for use aong in June.

The Missus just showed me a marvelous bouquet of flowers, a big one, too, that she just picked to put over in our other cottage. We have some people coming from Chicago today, who will occupy it for two weeks. We have it all ready for them, even to having material for a fire laid in the heating stove. Sure they will need a fire. The Minneapolis radio announcer said this morning that it was 54 in that city and I believe it is cooler than that at Cullen. I notice that a fire in both heater and cook stove feels mighty good this morning and it was cool enough yesterday so the women did their cooking on the wood stove in the kitchen instead of on the gas stove in the back porch.

Last year we had this kind of weather up till the 26th of September when we left. Cool days most of the time, real cold at night, frequent showers. They told us that they had another three weeks of the same after we left with no frost till well along in October.

And speaking of radio. Last night we sat by the fire and listened to talks from London and Paris, from Chicago, from New York, from Cincinnati and from southern Texas, in fact from Mexico. We get Canadian stations too and I never cease to marvel at it. Here we are back in the woods in northern Minnesota and just as closely in touch with world events as though we were in Ord, Chicago or New York. Of course we put in a lot of time listening to the war news and wonder whether England and France are really going to get into the fight strong enough to do Poland any good. It looks, at this time, as though Poland would be devastated. Some people hereabouts say that when that is done Hitler will quit and that the war will be over. I wonder.

Farmers are fitting their ground for winter wheat and will be putting it into the ground the coming week. They have their corn cut

and in the silos for the most part, for they always think there may be some frost by mid-September and seldom get it till a lot later.

Mr. Fenner is having a lot of fun building an out-of-doors oven and he now has it far enough along so I know it is going to be, not only a mighty nice and convenient asset to this end of camp, but it is going to be a thing of beauty as well. He is building it of rock, boulders, which he splits to suit the space that he wants to use in it. He had an oven built and is enclosing it in stone work. There will be a grill right in the oven. It will be useful for weiner roasts, steak fries, bread and cornpone can be baked in the oven if desired and it begins to look like I would have to change my ideas about the usefulness of an out-of-doors oven. At least I shall have to change them enough so I can get invited to the numerous affairs which I am sure will be held around the Fenner oven. When it is completed I shall take a picture of it with Mr. Fenner brandishing some of his numerous tools. Probably his helper Dick Gerber will also appear in the picture and I guess it wouldn't be complete without Mrs. Fenner, for she is kept busy running things. When completed the fireplace or oven is going to represent a financial outlay of somewhere between fifty and a hundred dollars and if the labor was counted at the usual cost of such labor here that would be two or three times as much more. But the labor is a labor of love, for Fenner does love to do that kind of work. For instance, he never broke a rock before, but finding the necessity to use one he had, he sent and got a couple of big hammers, or a big one and a little one, made for the purpose, and has now learned to be quite expert at the work. One has to know how to select a rock that will split nicely without too much work. Some will and some won't. Then one must know which way the grain of the rock runs so as to know how to break it. Then a few taps seems to do the job. Mr. Fenner has had to learn how to mix coloring with his mortar also. He soon found that for best results he had to use a little white lime with the cement and there are a lot more things that he has learned and he enjoys every moment of the learning too.

But there is more history back of the out-of-doors oven or fireplace. The idea for it was not furnished by the builder. He thinks of a lot of things to do and keep himself busy, but he has not thought about building a fireplace in the back yard. That honor goes jointly to Irma, Flora and the Missus. Irma and Flora talked about it continually for a couple of weeks; said they could build such an oven themselves; in fact they harped on the subject every day till the Missus finally said, "Well, if you think you can build one, go ahead." That stopped the talk for I guess the girls didn't really want to tackle the job. Talking about it didn't tire them for they are used to talking but actually building the oven would have blistered their hands and made their backs ache. Then, the Missus has been talking about such an oven or fireplace for several years, but the suggestions didn't "take" on me. One day, while visiting with Mr. Fenner over the rock wall he was building, she mentioned the out-of-doors fireplace, told him about the girls wanting to build one, and also told him about a nice one at the McDowell place across the lake; about one at the Eastman place on Hubert and about others and at once, he said "I'll build one let's go and see some of them." Then he motored across to see the McDowell oven, the bug bit him hard and the scheme was launched. He sent for magazines and plans showing such architecture and the picture which I will soon run in the Quiz will show you the result much better than I can describe it with words.

The Gelows are still in camp but I understand they will return to their home in Grand Island tomorrow. Hope they change their minds. Some Des Moines people came to the Mackowsky cottage last night for a week and today some Chicago people will occupy our other cottage. Some Illinois people who have been in Ed Michalek's cottage left for home Thursday morning. Otherwise the camp is deserted. H. D. Leggett.

IT HAPPENED IN ORD.

Some one in the vicinity of the Quiz office has a fine tiger cat. She thinks she is a privileged character and when she makes up her mind to do anything, she thinks the whole world can wait for her. One day last week she started to cross from in front of the Quiz office to the alley back of the Keown building. A lady was driving a car from the east, but the cat did not care. She took her time about crossing and the lady had to stop the car almost to a standstill, and even then she barely missed the cat, who did not even deign to look around.

Almost any fellow is remarkable for something or other, and Wes Eberhart is no exception to the rule. He and John J. Wozab got into an argument Saturday as to which had the longer reach, so they stretched themselves out along the wall. John could span 50 inches, about four inches more than Joe Louis, but Wes easily defeated him by stretching out 83 inches, just an inch less than seven feet. If you think that isn't something just try it once yourself, and see how much you miss it.

—George Lange of Burwell was in Ord Saturday evening. He was carrying his right thumb in a bandage as the result of having it smashed under the car when the fact slipped.

NATIONAL AFFAIRS

United States relations with Japan may be changed as a result of the Hitler-Stalin pact. The difference between the Russian and German governments is hard to figure out. To gain his maximum strength before the next election, the President needs poor business and a submissive congress.

Washington—The whole course of United States relations with Japan may be changed as a result of the about face of the Hitler and Stalin governments. When congress adjourned Secretary of State Cordell Hull had already served the necessary six-months notice of abrogation of our commercial treaty with Japan. Not only was this action highly popular in the country, to judge from comments at the time, but it was approved on Capitol Hill by almost every faction and group of congress— from the vigorous partisans of Britain and France to the most extreme pacifists and isolationists.

Not only that, but it was obvious that if congress had stayed in session much longer there would have been serious attempts, which might have proved successful if given the slightest encouragement by the administration, to take further steps against Japan. This move might not have gone as far as was advocated by Sen. Key Pittman, chairman of the senate foreign relations committee, who wanted an outright embargo against Nippon, but it might have approached it.

Obviously President Roosevelt, seeing that his first move against Japan had been so popular, might at any time have declared that he recognized that a state of war existed between Japan and China. This would have meant, under the present neutrality law, that this country could no longer ship "arms, ammunition and implements of war" to Japan. The only reason this is not in effect today is that Japan has never declared war, and because of fear that such an embargo might hurt China more than Japan this government has never officially recognized that war in the Orient exists.

Obviously, also, congress was set to take some step in this direction when it reconvenes, either in January at the regular session, or earlier if the President should call a special session.

Opposition to Closing Trade Door With China. This feeling, which has been widespread in the country, has been based on two factors. First, there is very general sympathy in the United States with China, as against the aggressions of Japan. But second, Japan has been the ally of Germany and Italy, and as such has been disliked by all partisans of the "democracies." Up to the Hitler-Stalin pact this dislike was shared by the Communist element in this country also. In fact Japan simply did not have any friends in this country, and had hosts of enemies, whose feelings had been fanned by the various incidents, including the sinking of the gunboat Panay, and outrages on civilians.

But now the whole situation has been changed. There is no evidence that there is any friendlier feeling for Japan. Certainly there is no more sympathy with her aspirations to subjugate and govern eastern China. And there is certainly just as much violent opposition to her closing the door to United States trade with China.

But Japan is no longer the probable adversary of Britain and France in a war, and we are inclined to which the United States might easily be drawn. So she is, for the time being certainly, no longer a possible enemy of the United States

in open warfare in the pending emergency.

Many astute observers have long felt that war between Japan and the United States is inevitable eventually. That may or may not still be true, but in the present situation it is not a factor to be considered. Japan has already, since the announcement of the Stalin-Hitler pact, given evidence of a desire to placate Britain. Naturally she does not like the thought of Germany's giving the Soviet a free hand in the Orient. Having obtained what, according to Gen. W. G. Krivitsky and other observers, Stalin has wanted for a long time—a tepid Hitler—Stalin may easily decide now to slap down Japan in her attempts to overrun China and encroach on territory that Stalin desires.

Poured Water on Wheels Of the Isolationist Bloc. Curiously enough the Stalin-Hitler agreement poured a lot of water on the wheels of the isolationist bloc. They are not doing much screaming from the housestops about it, yet, but they are studying it quietly, gathering ammunition for their own battle with the White House and state department in the event that congress is called back to Washington and the heat turned on to get rid of that embargo provision for "arms, ammunition and implements of war."

If the Stalin-Hitler pact proves to be only temporary, the isolationists will argue that it's fair warning of the danger of monkeying in power politics. If the pact proves to be durable as well as logical, producing peace by winning for the dictators just what they want without war, they will argue that Roosevelt's effort to define neutrality as a policy of preventing war is superfluous.

The immediate reaction in Washington to Hitler's coup is chagrin that the blind spot in a policy of defending democracy wherever it is attacked was so quickly and brutally exposed—reliance on participation in this policy of a dictatorship generally included verbally in the list of "democracies."

Of course this inclusion of the Soviet among "democracies" has always been a laugh to everybody except the so-called liberals. Unless one is for the Soviet lock, stock and barrel, one is not apt to consider Russia under its present government as anything but a dictatorship. Most people in this country do not approve either the Hitler or the Stalin methods of government. In fact the dissenting majority, who always wondered why the Soviet was called a democracy, have also been hard put to it mentally to understand just why those in this country who favor the Soviet have been so bitter against the Nazis, and why those who favor the Nazis are so bitter against the Communists.

Hard to Figure Difference Between Stalin and Hitler. If one eliminates the fact that the Stalin government has never been excited about what race a particular person springs from (not what religion, because both Stalin and Hitler have been rather tough on all religions) whereas the Nazis have no use for Jews, Negroes, or in fact any non-Aryans, the difference between the two governments is a bit hard to figure out.

So perhaps it should not have been such a blow to certain observers, including the United States state department, that the Stalin and Hitler governments have been getting together, despite the utmost efforts of Britain and France to bring the Soviet into their alliance against Hitler.

However, all these developments are making it more difficult for the President to get what he wants on neutrality legislation. They are cited as demonstration of the instability of the promises of European governments; as proofs that the United States will do well to keep out altogether.

Needs Poor Business and A Submissive Congress. Whatever critics of the New Deal in or outside of business, may figure about what a boom between now and next January would mean politically to Franklin D. Roosevelt and the New Deal, it is a very real question to the President. The problem is that it is not a simple question. To attain his

maximum strength from now until November, 1940, Roosevelt should have very poor business from now until January, then an utterly submissive congress to vote all the appropriations for government spending that Roosevelt may want early next spring, and finally a very real revival of business during next summer and fall.

The bad business from now until January is necessary in order to frighten congress into giving Roosevelt his own way when the lawmakers meet again. It is also necessary to prove to the country that Roosevelt knows much better than congress what is needed. Besides, it is necessary in order to put the would-be budget balancers and economy-minded group headed by Sen. Harry Flood Byrd of Virginia, Sen. Josiah W. Bailey of North Carolina, Walter F. George of Georgia, Alva B. Adams of Colorado, etc., in their places.

The good business that is necessary to the maximum Roosevelt strength after the new appropriations are made by a submissive congress next January is essential to provide good times so that the country will be satisfied with the New Deal when it goes to the polls in November, 1940, to elect a new President, and will vote either for Roosevelt himself, for another term or for some candidate Roosevelt has picked.

President Believes the Old Doctrine Still Works. It is perfectly true that many of the New Dealers know little of practical politics, and do not agree with the doctrine that there must be good times if the party in power is to be retained by the voters. But Roosevelt is no tyro in politics. He knows his way around pretty well, and there is very little doubt among political observers that the President believes the old doctrine still works.

They point to the condition which was allowed to prevail during the summer and early fall of 1936. The administration so tempered the wind to the short lamb during that period, and for a few months prior to it, that the country had a mild boom. A great many business men

decided that the Roosevelt administration was not so bad for their own profits—the only thing that influences any business man in the conduct of his business and political operations—as the Republican orators were claiming.

SAYS THIS FAMOUS AUTHORITY ON COOKING AND NUTRITION

"INSIST that every drop of MILK you buy, as well as all other dairy products used in your home, be PASTEURIZED"

Dorothy Gill Director of Home Economics Omar Inc.

HERE'S WHAT MISS GILL SAYS ABOUT OUR MILK:

"Once a mother learns the risk involved in the use of raw milk, she is never satisfied with anything but pasteurized milk and other dairy products. Only pasteurization assures milk that is safe for baby. I selected milk and cream from NOLL'S DAIRY for use at the cooking school because it is 'properly produced and positively pasteurized.'"

Our Milk Comes from One of the Finest Herds in This Section

Every drop of milk or cream sold by Noll's Dairy comes from our own herd, one of the finest in this section. We are thus able to supervise every step in the production of our dairy products, from the milking to delivery to our customers. We consider it a real honor to have our milk selected for use at the cooking school.

Munn & Norman, Attorneys. Notice of Hearing for Determination of Heirship. In the County Court of Valley County, Nebraska.

In the Matter of the Estate of Carrie Lickly, Deceased. To all persons interested in said Estate, both creditors and heirs: Take notice that Mary Alice Stoltz has filed her petition in said Court alleging that Carrie Lickly died intestate on or about March 19th, 1934, being a resident and inhabitant of the City of Ord, Valley County, Nebraska, and the owner in fee of Lot 5, Block 24 of the original Townsite of the City of Ord, Valley County, Nebraska, leaving as her sole and only heirs at law Mary Alice Stoltz, a daughter, John D. Lickly, a son, and Charles T. Lickly, a son; that said Petitioner is a daughter of the Deceased.

Said Petitioner prays for a determination of the time of the death of said Deceased, a determination of her heirs, and the degree of kinship, and the right of descent of the real property belonging to the Deceased; for a Decree barring all claims and demands against said Estate.

Said matter has been set for hearing before me on the 3rd day of October, 1939, at the hour of ten o'clock A. M., of said day in the County Court Room, in the City of Ord, Nebraska. Dated at Ord, Nebraska, this 5th day of September, 1939. JOHN L. ANDERSEN, County Judge of Valley County, Nebraska. Sept. 13-3t.

# When An Expert Chooses Meats...

SHE GIVES CAREFUL CONSIDERATION TO THE REPUTATION AND THE EQUIPMENT OF THE MARKET FROM WHICH SHE BUYS

## Meats for the Cooking School will be Bought at Our Market

### Here's why, according to Miss Gill:

"Any market that has been in business continuously in Ord for over a half century must enjoy a fine reputation for good meats. That reputation is deserved, I can see, by the splendid equipment you have and the modern, sanitary measures you use."

## We Are Proud to Receive This "Stamp of Approval"

It encourages us to continue in the course this market has always followed—selling the best meats that can be bought at a fair price; making our market as attractive as possible; giving the most cheerful and courteous service we can.

# Pecenka & Son MEAT MARKET

# Warning:

Due to the many complaints I have received from the businessmen and the pedestrians of this city, I am calling the bicyclers' attention to the fact that there is an Ordinance in the City that prohibits the riding of bicycles on sidewalks. The City administration has never tried to enforce this ordinance in its entirety, but from the carelessness and the disregard of some cyclers for the rights of pedestrians on the sidewalks, especially around the square, I am requesting that cyclers on Saturday afternoons during the congestion in the City refrain from riding these bicycles between the hour of one and six on the sidewalks around the square. The reason for this is that pedestrians have been knocked down and injured in the past two weeks from the carelessness of some of these cyclers and this must stop, even if we have to arrest the offenders.

## John William Sears.

John William Sears, son of Samuel V. Sears and Evelyn Sears, was born in Decatur county, Ia., on Febr. 28, 1886 and died at Taylor Sept. 2, 1939.

With his parents, brothers and sisters, William at the age of 20 years came to Nebraska and located in the southwestern part of Loup county in 1886. Two years later he and his brother Dan went to Cherry county and homesteaded near Kennedy and built up a fine cattle ranch which is now owned by Dan.

John William Sears and Elsie May Andrews were united in marriage in 1897. Seven children were born to this union. Bernice and Frank died in childhood. Those surviving are Mrs. Stella Keggens of Denver, Colo., Mrs. Esther Garber of Taylor, Mrs. Helen Batch-

elder of Kirkwood, Mo., Mrs. Ethel Patrick of Westminster, Colo., and William Sears, jr., of Taylor.

Mr. Sears and family lived in Colorado about twenty years and during the past eighteen years he has lived in Loup county. His wife died April 11, 1929 and since that time he and several of the younger children have made their home with his sister, Mrs. Tena Miller. There remain of the Sears family besides his children, two brothers, Dan Sears of Kennedy and Sam G. Sears of Sargent; four sisters, Mrs. Tena Miller of Taylor, Mrs. Anna Raish of Grand Island, Mrs. Angie Hall of Sargent and Mrs. Lottie Coy of St. Petersburg, Fla. Of the Sears family who came up the North Loup valley in 1886, a half century since, the father, mother and son Gary and a daughter Mrs. Jennie Cummings have passed into the great beyond. William was the fifth to break the circle.

Funeral services were held from the Evangelical church Monday afternoon, Sept. 4, Rev. Massie in charge, Rev. Shelby Light of the Congregational church reading the obituary and giving the sermon. Burial was made in the Madison Square cemetery.

Miss Grace Christensen left Sunday for Elgin where she will teach the coming school year.

Merl Hubbard of Burn, Wyo., arrived here on the bus Wednesday evening to visit his uncle and aunt, Mr. and Mrs. F. B. Hubbard and Mr. and Mrs. S. D. Copp, returning home Monday.

## A Statement of Safeway Policy

**T**HE forces of market disturbance, fear, and speculation, are at work. Prices for some basic commodities have already gone up. Increases in Safeway's retail prices on these items reflect the rise in wholesale cost, over which Safeway has no control.

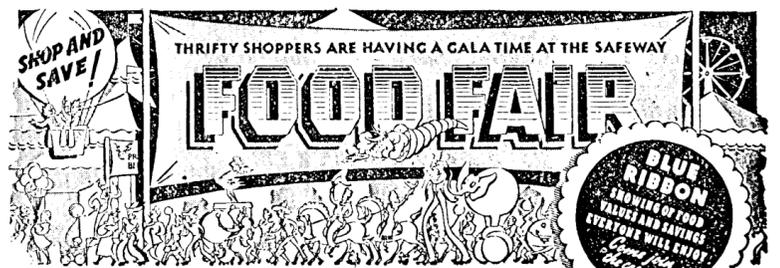

It is a fundamental Safeway policy to earn only a small profit on each sale. Safeway pledges that during the period of war emergency it will not change this policy; and that in the future, as heretofore, it will make every effort through improved methods to reduce distribution cost—the difference between what the farmer gets and the consumer pays. You will always be able to buy from Safeway at the lowest prices available anywhere.

Consumers may assist materially in preventing unwarranted increases by continuing their purchases on a normal scale. There are adequate supplies of food suffs for every American. Hysterical buying which strips retail and wholesale stocks creates artificial scarcity, which pushes prices to abnormal levels.

Machinery exists within the government to control production, storage and release of commodities, imports, exports, quotas and prices—if it should become necessary to employ these methods to protect the economic welfare of the country.

Safeway further pledges complete cooperation with the governmental agencies and with farmer producers in all efforts to stabilize prices; discourage profiteering; and maintain orderly facilities for food distribution.

### Birthday Surprise.

The friends of Miss Dolste Waterman planned a surprise for her birthday Saturday evening. The birthday was really on Friday. Miss Waterman spent the evening up-town Saturday and came home to find the house full of guests. Four tables of pinocle and Chinese checkers were played, the others visiting. The guests were: Mrs. Elsie Waterman, Mr. and Mrs. Earl Smith and Misses Mildred and Evelyn Skala, Mr. and Mrs. Ed Shoemaker, Mr. and Mrs. S. I. Willard and Homer, Mrs. Pete Honeycutt, Mr. and Mrs. Ivan Botts, Mr. and Mrs. Carl Oliver and Greta, Leonard Tolen, Mr. and Mrs. S. A. Waterman, Martin Plummer, Mr. and Mrs. Russell Waterman and sons, Mr. and Mrs. Frank Clark and daughter and Mr. and Mrs. Carl Young of Horace.

### Royal Kensington.

Mrs. Ivan Botts entertained the members of the Royal Kensington club at her home Thursday afternoon. Mrs. Charles Inness was a visitor. A play, "A Tribute to 25 Years of Agricultural Extension Service," was given. Roll call was answered by paying dues and presenting the hostess with a gift. Refreshments of apple pie, sandwiches and iced tea were served at the close of the meeting. Mrs. S. I. Willard will be the next hostess.

### G. A. R. Ladies.

The regular meeting of the ladies of the G. A. R. was held at the hall Saturday afternoon. Plans were made at this meeting for the cleaning and reseeding of the G. A. R. plot in the north part of the Ord cemetery, and the moving of the epitaph to a new location.

### 8 et 40 Picnic.

The members of the 8 et 40 met at Bussell Park Sunday evening for a meeting and picnic. # Cook as EXPERTS do with ELECTRICITY

Miss Dorothy Gill widely known authority in the art of food preparation and home-making prefers

## ELECTRIC COOKERY

"I am always pleased to show patrons of my cooking schools how to make every day a holiday when there's an electric range in their kitchens," says Miss Gill.

"Prepare meals at your leisure, pop them into the oven on your way shopping or to the party, set the time clock, and when you come home your meal is ready to serve.

"You'll appreciate the extra cleanliness of electric cookery; at the low electric rates Ord has you'll note its economy also."

# Your Kitchen Isn't Modern Or Complete Until You Install An ELECTRIC RANGE

Why? Because electric cookery is fast, clean, dependable, healthful, automatic and economical. Your electric range is a beautiful article of furniture, easy to keep clean-gleaming.

## See Electric Ranges Used at the Cooking School

Miss Gill will use two electric ranges at the Quiz cooking school. See them on the stage; visit the city office and examine Monarch, Westinghouse and Hotpoint ranges at your leisure. Investigate the many advantages of electric cookery and learn how you can buy a range and pay for it by the month "just as you pay your light bill."

Round went to Omaha on a business trip last week, being away from Friday morning until Sunday. Mrs. Round went with him for the trip.

NORTH LOUP WRITTEN BY MRS. ETHEL HAMER

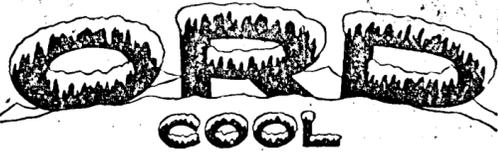

The services at the Seventh Day Baptist church Saturday were in charge of R. O. Babcock who assisted by Mrs. Babcock, Mrs. Besse T. Babcock and Marcia Rood gave reports on the recent conference held at Milton, Wis., which they all attended. Sunday night in the church basement the September church social was held with Mr. and Mrs. A. H. Babcock assisted by others in charge. Mrs. Hattie Clement had charge of the dining room which was decorated with a large number of flowers. Mr. and Mrs. C. W. Barber had charge of the program that was largely a musical one supplemented with a pageant given by the Christian Endeavor society. Mrs. May Shattuck of Methuen, Mass., arrived in North Loup Saturday afternoon for a two weeks visit in the Otto Bartz home. She drove through, bringing a friend to visit relatives in Lincoln. Mrs. Shattuck is assistant matron in an old peoples home in Methuen and has spent her vacation here the past two years. Mrs. Leo Geist drove over from Kearney Saturday to bring her sister, Mrs. Geneva Greene and small grandson, Jackie Walsh to the Ed Hurley home. Mrs. Greene, whose home is in Escondido, Calif., has been visiting the Eino Hurleys at Parkdale, Oregon and the Guy Thorngrates at Denver. Jackie Walsh is the son of her daughter Dorothy Walsh who was killed in an auto accident when he was only eight months old and he has been with Mrs. Greene since that time. He is now five years old. They expect to spend about two weeks here. Sunday Mr. and Mrs. Ed Hurley, Mrs. Greene and Jackie were dinner guests in the Reuben Malmstrom home. C. W. McClellan went to Grand Island Sunday to take his sister Fanny to take the train for Denver where she will visit Mrs. Gordon Patterson and Mr. Patterson. Evelyn Kosch went to her home at Farwell on the Friday evening bus. Mr. and Mrs. Claud Barber, Jeanne and Wayne, went to Lincoln Friday morning and spent the day at the state fair. They returned Friday night bringing the Valley county exhibit and Mr. and Mrs. G. D. Barber and Joan home with them. The exhibit placed third this year as it did last year. This week they have the exhibit at the fair at Ord. Clay county received first place at Lincoln this year which is unusual as Douglas county has placed first for several years. Mr. and Mrs. Kenneth Barber, Menzo Fuller and Bud Williams returned from the state fair Friday night. G. L. and W. T. Hutchins and Harlan Brennick returned Saturday morning from Lincoln where they had been with their Aermotor exhibit. Twila Green celebrated her birthday Saturday afternoon with a watermelon feed which her brother Harlan, Barbara Hudson and Lyle McMindes attended. The North Loup band went to St. Paul Wednesday afternoon where they took part in the contest of bands. They placed second in the marching. In the evening they played with seven other bands. Thursday evening they gave a concert on the evenings program and the St. Paul band will assist with the music one evening of Popcorn Days. Mr. and Mrs. Ed Wells came up from Cotesfield Friday evening and Saturday packed their pick-up with the things they had left at the Allen Sims home. They returned to Cotesfield Saturday night and Monday left for their new home in Oregon. Keith Watts, Donald Naeve and Lloyd Waller returned Thursday from Colorado, where they have been working in the hayfields the past month. The Harry Waller family who have been living on Jim McCall's farm north of town moved Monday to Mrs. Della Manchester's house. Harry Vanfoosens, who live on the old Nave Fisher place west of town have raised a large garden this year which they have been able to irrigate from the ditch. They put out 1500 tomato plants and now are harvesting a good crop which they are able to sell. Last week Mrs. Van Hooosen brought a sweet potato plant to the Bartz store that had seventeen large sweet potatoes and a number of small ones that had not had room to grow on it. Roy Hudson and John Manchester have a nice patch of potatoes west of town that they estimate will make 400 bushels to the acre. These have also been irrigated. Mr. and Mrs. I. L. Sheldon and Virginia Kerr arrived home from Denver Thursday evening. Mrs. Sheldon and Virginia had attended the summer camp of the Standard Bearers at Palmer Lake, Colo., and then spent a week in Denver before Mr. Sheldon could go after them. Ethel Jeffries of Grand Island spent the week end with her people here. Mrs. Mary Davis and daughter Mary were up from Doniphan over the week end. Frank Johnson went to Lincoln Sunday and spent the day with the Howard Hamilton family.

Pop Corn Days to Be Held Next Week

North Loup will hold their 37th consecutive celebration of Pop-Corn Days three days next week, Tuesday, Sept. 19 being entry day, and Wednesday and Thursday the regular program days.

There will be three guest bands on Thursday. A full hour on Wednesday and Thursday nights will be taken up by a group of entertainers from KMMJ of Grand Island.

The Thomas Amusement company, in Ord this week, will set up their rides and concessions in North Loup next week, and should prove a real drawing card to all who take an interest in entertainments of that type.

As usual there will be exhibits with prizes offered for the best. There will be free popcorn for all who attend. There will be a juvenile parade on Wednesday, and the Fortnightly club will have charge of a parade to be put on Thursday afternoon.

Poor Miss Reeve

By BERT STOVER Associated Newspapers, WNU Service.

AFTER that day when Mrs. Gaines brought back the rice pudding she had taken over to Miss Reeve's house, because she found her sitting up in bed and eating a roast chicken and ice cream (Miss Reeve had been recovering from a broken wrist), nobody had quite dared to pity the latter openly.

Yet she seemed so lonely, so "queer." When one saw her tripping down Main street, as likely as not carrying a pail containing a few blackberries picked from the hedgerows, she seemed like an old child. Not that she was insane. Miss Reeve had taught school, and, as far as anyone knew, there was no reason why she should play the part of village recluse.

There will be three guest bands on Thursday. A full hour on Wednesday and Thursday nights will be taken up by a group of entertainers from KMMJ of Grand Island. This is one of the most pleasing features of the entire program.

Miss Boyle thrilled. "Oh, poor Miss Reeve!" she said. They pecked in at the window. No. The room was peacefully steeped in the sunshine of a warm July Sunday, but the very quiet aggravated their fears, and they just gave way to panic and ran home.

"No. We didn't dare go in," shuddered the exhausted runners. "H'm! Well, I'll take a look in after I've had my dinner. Things like that set better on a full stomach. . . if there's anything there, which I doubt," said the phlegmatic Tim.

But there was nothing to see in the severely plain little Reeve homestead. Nothing but an electric refrigerator, which certainly seemed an inexcusable piece of extravagance in one who had apparently the smallest means.

Still, failing acute tragedy, the refrigerator made something to talk about. Besides, as Mrs. Gaines remarked, it explained the ice cream.

Then, one evening young Carrol Barnes, a commutator from the city, brought back some news. "Guess who I saw at the station this morning. No, not here, in the city," he said to his pretty, athletic wife.

"Can't guess. Tell," she said. "Poor Miss Reeve. I couldn't believe until she touched me on the sleeve. "I hope nobody's been anxious, she said in that fluttering way of hers. "But you see, I'm married."

"What?" almost screamed Esther Barnes. "Oh, she couldn't be!" "I'm telling you, she is. And she looked positively pretty and smart, too. One of those uneven skirts—don't know what you call 'em—and spike heels. All in blue, with flesh stockings and blue shoes. She had her husband with her, and who d'you think it was? You remember old Hassell, who got in some mess years ago and went to the Klondyke? Well, it seems he is a rich man, breeds reindeer and what not, and they were engaged back in those old days, and now he's come back and married his early love. She looks absurdly happy—like a young kid."

"But what's he like? An awful old thing? Oh, it's dreadful! If all those women had been kind to her and not hated her for being a better cook than they were and for ordering an electric refrigerator, she wouldn't have married him."

"Look out for the crossing!" called Carrol. "He isn't a bad guy—just a fat old business man, that's all. I found the bank thinks he's absolutely all right, and that scrape was simply a political frame-up. Don't you be as bad as the rest. I've asked them to come for a week-end, and you'll see all those old birds will fall all over themselves to get asked to the city. I know them!"

"Poor Miss Reeve," murmured his unconvinced wife. "I wish we had her car," said Carrol, lighting his pipe.

"Watering the Ropes" In 1589 in Rome, during the erection of the obelisk in St. Peter's square, a sailor named Bresca shouted to the workmen to "water the ropes" and thus saved the giant shaft from crashing to the ground.

Although he had disobeyed the order of Pope Sixtus V for complete silence during the ceremony, Bresca was rewarded with the perpetual right to supply palms to St. Peter's on Palm Sunday. And his posterity carries on the custom, says Collier's Weekly.

Cosmopolitan Club Open Season With Many Guests

The Ord Cosmopolitan club opened the fall season Monday at the City Cafe with a very good attendance. It was also guest night, and no less than six guests were present. Members in attendance were: Dr. J. G. Kruml, Dr. F. J. Osentowski, LeRoy Frazier, A. A. Wiegardt, John Misko, Hilding Pearson, Floyd Beranek, Harold Taylor, President J. N. Round, Dr. F. L. Blessing, H. F. Brockman, Jim Gilbert, Erwin Underberg, Harold and Virgil Cuckler, Ed Michalek and Ed Gnaster.

At the close of the meal H. F. Brockman was called upon and gave a synopsis of Ord's prospects in football for 1939, as well as some important changes in the rules for this year. Floyd Beranek, who will be leaving for school soon, was also asked to speak, and responded briefly. Dr. Blessing then introduced his guest, the music instructor, Henry Delnes, who responded with a short talk along the line of his work.

Mr. Brockman's guest, Earl Bridgford, the new biology instructor and junior high coach, told of his plans for the work this year, and of the games he had scheduled with Sargent and Grand Island. Dr. Kruml's guest, Emil Fafetta, and Dr. Osentowski's guest, Gus Schoenfeld, each spoke briefly. John Misko had two guests. He first introduced Arthur Bass, court reporter, who made a short, but interesting talk.

District Judge E. G. Kroger was the final guest introduced, and also the principal speaker of the evening. Since the talk was on football, and also since the judge is an ardent football fan with a large experience both as a player and a coach, it was natural that he should mention some of the high points of his football career. His reminiscences were received with much enthusiasm.

Mr. and Mrs. L. C. Mulligan and her father, William Plate, returned from their trip to the New York World's fair. On the way back they visited the Charlie Collins family in Missouri, and also visited relatives in several other places.

Kenneth McGinnis, who has been employed in Omaha during the summer months, arrived in Ord Tuesday and will remain until tomorrow or Friday visiting his parents and friends here before returning to his work in the University school of medicine in Omaha.

Miss Ella Wheeler Bond returned the latter part of the week from Illinois, where she had gone to visit and also to give several piano recitals.

Eldon Vavra, son of Joe Vavra, arrived in Ord Friday and will spend ten days visiting here.

OBITUARY

Mrs. Beulah Victoria White. Mrs. Beulah Victoria White nee Bissey was born Nov. 6, 1896 near Beaver Crossing, Nebr., and died Sept. 7, 1939, at the age of 42 years, 10 months and one day. She grew to womanhood on the farm near Beaver Crossing and received her education in the Beaver Crossing schools. Three years of her life were given to teaching in the public schools.

On Febr. 6, 1918, she was married to George E. White of Milford, Nebr., with whom she made a happy christian home for more than 21 years. To them seven children were born, all of whom, together with a loving husband survive.

In early youth she united with the Beaver Crossing Evangelical church on April 29, 1913, under the ministry of Rev. T. C. Marks. When she, with her family, moved to Custer county in the spring of 1936 she transferred her church membership to the Congregational church of Arcadia, where her membership remained until she was transferred to the church triumphant. She was a faithful and devoted member of the church and held many positions of leadership and responsibility.

She leaves to mourn, a loving husband, seven children, Mrs. Erma Allen of Twin Falls, Ida., Chas. E. Robert Eugene, George Oliver, Lois Ellen, Edna Leona and Joyce

Nadine, all at home in Arcadia; also her parents, Mr. and Mrs. Oliver Bissey of Beaver Crossing; a sister, Mrs. Orlan Watson of Chester two brothers, Rev. Charles J. Bissey of Denver, Colo., and Oliver R. Bissey of Beaver Crossing; and an aged grandfather, J. J. Pounder of Tulsa, Okla., and many other relatives and friends.

Funeral services were held Saturday afternoon, Sept. 9, 1939, at the Beaver Crossing Evangelical church with Rev. Walterberg, pastor, and Rev. H. A. Hagemeler of Greeley, Colo., conducting the services. Burial was made at Chester.

Mary Alice Provard. Mary Alice Provard, fourth child in a family of seven children of Robert and Isabella Provard, was born in Fulton, Ill., Sept. 5, 1886, and passed away at the home of her sister, Mrs. Elizabeth Harding, of North Loup, Sept. 10, 1939, being 53 years and four days of age. In 1869 she moved with her parents to Iowa where her girlhood was spent and where she taught school for several years. Later she accompanied her brother to Montana where he owned and operated a gold mine and after a few years they went to Oakland, Calif., and Miss Provard spent three years in the California university studying art for which she had considerable talent. For the past thirty years she has made her home in Otis, Colo., and two weeks ago came for a visit with Mrs. Harding. She had made plans to return to Otis and close her house and come back

for the winter. Friday and Saturday she seemed ill and Saturday night was so much worse a doctor was called. Early Sunday morning after a restless night in which her sister cared for her she fell quietly asleep and passed away. She is mourned by Mrs. Harding who is the only living member of their father's family, a large number of nieces and nephews and a host of friends. In years past Miss Provard spent much time with the Harding family and was well known here. This was the first visit the sisters had had in fifteen years and she expressed a wish to be buried in the Harding family graveyard services were held Tuesday afternoon at Mrs. Harding's home conducted by Rev. A. J. Adams and that request was granted. Bearers were A. H. Jackman, Bates Copeland, Earl Howell, Paul Madsen, James and Willie Vogeler. Mrs. H. J. Hoepfner sang. Out of town people attending included Mr. and Mrs. Ray Harding of Ord, Mr. and Mrs. Wilford Williams of Grand Island and Dale Harding of Arcadia.

A FEW THINGS TO THINK ABOUT

By George Cowen

No Time to Stop Relief.

It seems to many of us that this is a poor time to start retracting on the relief business. Many people claim this is the hardest year yet, and they are surely right in some respects.

It is the hardest year yet because it is one year more of crop failure piled on to the others. Although we complained five and ten years ago about being hard up, we know now we were not. All of us had feed on hand and most of us had some grain and hay held over from the year before. The crops of those people living outside the irrigation district, for the most part, are nil.

Our pasture land too is almost nil in this section. The inquiry was made by the man who was digging up the plans, in regard to how many acres it took to pasture an animal. The people who owned the pasture land thereabouts said that ten years ago they figured three to four acres to the head. Now they said it takes at least fifteen.

Jake Barber says that he thinks there are many farm families who are more desperate for food and clothes than those now getting relief, but many of these people are so proud they will not ask for relief.

The papers came out a few days ago telling of the sudden rise of prices and how it would be a great help to the farmers. This may all be true for farmers in the eastern sections where there is sealed corn, hogs, cattle and crops unharvested. But for this section, it will finish many who are hanging on.

There is no storage grain here to profit from, there are no crops in the field, there are few hogs and only cattle and horses that most people do not want to sell. To keep this stock will just cost the farmer here more money to buy the feed; more money that he has not got.

I was at the relief office the other day wanting to see Mr. Kruml. It was the busiest place I have seen in some time. The front room and hall were filled with poor people there to get aid in some form or another. No one can make me think these people were all there trying to chisel the government or because they were not needy. This section of the state is actually in bad straits and the sooner the "big shot" discover it the better.

Mr. Kruml too has a man sized job to winnow out those who need aid the worst, for from every corner he is held up for the lack of funds to help those who are actually in want.

Perhaps relief is not the answer to this problem. Perhaps we should all move away to better land leaving this to go back to the Indians. This may be a reality too, for there are many farms that went without renters last year and there will be more now. Many taxes are becoming delinquent, many perhaps will never be paid. But for those people who have stuck here this long, many of them have no money to get out. It will take help to get away, and after they arrive to that better land, it takes time and expense to get established.

I repeat, surely, this is not a time to retract relief.

School Decline.

The schools over the country are a sort of an index to the same situation. Folks have moved out so badly and the child crop has fallen off so sharply that two schools in the county did not open this year. The Riverdale district, a large one too, ten years ago when my daughter started to school, had 28 students and there had been more previous years. This year, there soon will be only six.

Two of these students will graduate this year leaving four in sight for next. Another interesting feature is that three of these six children are adopted. Had their parents not been so kind to these three children, there would be only three in the school today.

The White Spot.

Let us not forget too, now that we are growling, to mention the tax situation. Here we live in the so called "white spot" of the nation without sales tax or income tax. It reminds one a little of the song sung during the war, "They Were All Out of Step but Jim." Almost every state in the union is wrong but Nebraska for everywhere else they have found an excellent way to raise tax money is by a sales tax.

People driving through the state proclaim Nebraska a fine place for they do not have to pay any sales tax. The wealthy men can get richer and the poor poorer because there is no income tax and folks of influence and wealth think this fine, telling the world this is the White Spot. There are many people who pay scarcely no tax at all under our system. It has been said Nebraska is the White Spot. If you don't believe it look at our corn fields. Some other bright person said too, that a boll has a white spot too.

What should be done, many think is to put on a sales tax and take off some really tax. Every new public venture now, in Nebraska has to be tacked on to the property tax. Our property tax has become so high that the income on most farms will not pay it, outside the Soil Conservation money, the property in smaller towns is taxed frequently until the rent will not pay it.

I have been told that for the county to foreclose on taxes, they must be ten years back. Ten years of taxes on much of the property in North Loup for example, would be more than the property is worth. Many people have ceased paying on their city lots, for they are really worth very little. Even on

many of the farms where the tax assessments are high, ten years of taxes would buy the farm in such times as these.

The Finis.

The story goes of the city man, who, upon looking at the burnt corn fields and the desolate farm-side said to the farmer, "You must be awfully poor. I don't see how you live."

"Oh I'm not hard up," the farmer replied, "We are only renters. We don't own the farm."

FRIGIDAIRE

Selected by Miss Dorothy Gill for the

Quiz Cooking School

Because of it's

Beauty-Excellence of Operation

Convenience and Low Cost

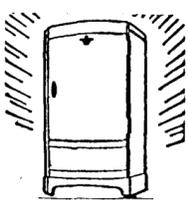

Miss Dorothy Gill

Miss Gill Says About Frigidaire

"I have selected the new 1939 Cold-Wall Frigidaire for use and display at the Cooking School because of its streamlined beauty, its great capacity, its convenience, its dependability and because I think it is a masterpiece of refrigeration design. Its truly "kitchen planned" interior has a definite space for every refrigeration need."

Inspect the 1939 Cold-Wall Frigidaire at the Cooking School

Of course the new Cold-Wall has the Meter Miser, which cuts current cost deeper than ever before. Saves more on food... makes more ice cubes... provides more storage space... than ever before. See it at the cooking school or in our show room. Ask how you can buy the Cold-Wall Frigidaire on unexpectedly easy terms.

Frigidaire Electric Range

—gives every advantage... sacrifices none. High speed, low cost, sure results—combined in an electric range as never before. See this marvelous new cooking sensation on display in the theatre lobby during the cooking school. See it in our show room before the school and afterwards. Let us tell you how you can own one without a big first investment.

LEGAL NOTICE

In the County Court of Valley County, Nebraska.

In the Matter of the Estate of Paul Plejdrup, Deceased. To All Persons Interested in Said Estate, Both Creditors and Heirs: You are hereby notified that on the 12th day of September, 1939, Mary Jorgensen, petitioner, filed her petition in the above matter, setting forth among other things, that Paul Plejdrup, a citizen and resident of Valley County, Nebraska, died intestate therein on August 19, 1937, seized and possessed of the following described real estate, to-wit: That part of the Northeast Quarter of Section Twenty-eight (28), Township Nineteen (19), North of Range Fourteen (14), West of the 6th P. M.; commencing at a stake Five Hundred Fifty-seven (557) feet South of the Quarter stake, thence South on Quarter line Seven Hundred Sixty-eight (768) feet, thence East Two Hundred Sixty and 4-12 (260 4-12) feet to public road, thence North and East following said road to a point due East of the place of beginning, thence West Five Hundred Nineteen (519) feet to place of beginning, containing Six (6) Acres more or less. A tract of land being a part of the Northeast Quarter of Section Twenty-eight (28), Township Nineteen (19), North of Range Fourteen (14), West of the 6th P. M.; commencing at a point Four Hundred Fourteen and One tenth (414.1) feet South of the Quarter stake; thence South on the Quarter line One Hundred Forty-two and Nine tenths (142.9) feet; thence East Five Hundred Nineteen (519) feet to the public road; thence North and East fol-

lowing the West line of said road to a point due East of the place of beginning; thence West Five Hundred Seventy (570) feet to the place of beginning. Lot Two (2) Block Thirty-seven (37), Original Town of Ord, Ord, Nebraska. That his sole and only heirs at law are as follows: Mary Jorgensen, petitioner and daughter, Anna Plejdrup, widow, Eva Hollander, daughter, and Elmer Plejdrup, son, Olga Vergin, daughter, Clara Lang, daughter, Esther Wilson, daughter, and Jens Plejdrup, son, who has an undivided interest in said real estate, and who has contracted to purchase the same. That the prayer of said petitioner is for a decree determining the time of the death of the decedent and the names of his heirs, fixing the degree of kinship of said heirs, and the right of descent of said real estate, barring the claims of creditors of said deceased and for such other and further relief as may be just and equitable. That said matter is set for hearing before the County Court of Valley County, Nebraska, on the 2nd day of October, 1939, at the hour of 1 o'clock in the afternoon. Dated this 12th day of September, 1939.

Midget Auto Races Furnish Thrills At Valley County Fair

The big surprise of the evening came in the 20 lap final race, in which ten cars were entered. Charlie Taggart, piloting R3, the Sam Hoffman car, out-manuevered, out-speeded and out-lasted all competitors to win in one of the fastest races of the entire evening. Comparative figures are not available, but it is believed that his time of 5 min. 56.34 sec. for the twenty-five laps is one of the fastest made in the middle west.

Hoffman was present in person, somewhat the worse for wear, with his right arm in a sling from trouble he recently met with in his line of duty as policeman at Sioux City. When the crowd realized it was his car that was out in front, they screamed approval until they were hoarse. In this final event Vic Shay in his Norge special No. 5, went out of control on the west turn when he collided with a bale of straw, but with the help of photographers got back into the race too late to set into the money.

Weather conditions were bad yesterday, but in spite of that fact a fine crowd watched the races. All last night a crew of men were busy, Ollie Whitford wetting the track and grounds, and others trucking away the loose dirt that the first day's races had piled up in a windrow along the fence in front of the main grandstand. The crowd last night seemed inclined to make the most of it, and everybody seemed to be having a good time.

Conditions now point to better weather for tonight and tomorrow, and the drivers believe that faster time will be made in both time trials and races tonight if the handicap of dust is lessened. The officials are looking forward to a new track record in the time trials tonight, and there are at least half a dozen cars which stand a good chance of setting it. The present record of 18.36 sec. was made by Harry McQuinn of Milwaukee on Tuesday last year.

Funeral Friday For Mrs. Ora Dickason

Funeral services for Mrs. Ora Dickason, who died Tuesday, Sept. 5, in Denver, Colo., were held Friday at 2:30 p. m. from the Frazier chapel, with Rev. G. C. Robinson in charge. A quartet comprising J. R. Stoltz, Mrs. E. O. Carlson, Mrs. Mark Tolen and Dick Koupal, sang, with Mrs. Robert Noll at the piano. The pall bearers were Evert Smith, George Round, John Mason, Ign. Klima, Jr., P. E. Pocock and Dave Haught. Burial was made in the Ord cemetery.

Ora Ellen Stewart Dickason, daughter of Margaret Hull and W. J. Stewart, was born in Ord, Nebr., Oct. 18, 1887, and died at the Presbyterian hospital in Denver at the age of 51 years, 10 months and 17 days. Her early life was spent in Valley county. After graduating from the Ord high school, class of 1908, she taught in the rural schools until her marriage to Horton Garnick, May 1, 1912.

They made their home on a valley county farm for six years. During the flu epidemic of 1918 her husband passed away, leaving his wife and daughter, Hortense. Mrs. Garnick attended Kearney Normal and taught for two years. Oct. 20, 1935, she was married to Charles E. Dickason of Denver, where they have since made their home.

She is survived by her husband, Charles Dickason of Denver, her daughter, Hortense Garnick, of Boulder, Colo., her father, W. J. Stewart of Ord, four brothers, Ray, Faye and Donald Stewart of Ord and Enos Stewart of Riverside, Calif., and five sisters, Alta, Estelle, and Aloha Stewart and Mrs. Frank Meese, all of Ord, and Mrs. Ruth Grady of Kearney, Nebr. Her twin sister, preceded her in death Nov. 10, 1937. She was a member of the M. E. church, later transferring her membership to the Trinity Methodist of Denver.

Guests From Omaha.

John Jones and family had as guests Saturday evening until Sunday afternoon: his father, Fred Jones, his brother, Dick Jones and son Dickie, his cousin Charley Shirley, and Mr. Reed, all of Omaha. For dinner Sunday they were all guests in the home of Mrs. Jones' parents, Mr. and Mrs. Jess Worm. They came to Ord for Miss Maxine Jones, who is returning to Omaha.

Many Exhibitors at Valley County Fair, 4-H Clubs Superior

(Continued from page 1)

In this department Delavan Kingston of Arcadia took first in pure bred Holstein, and also grand champion. Donald Miller exhibited two Holsteins and took first in the larger calf group. Dale Drake had one Holstein and took first in the small calf group. Other exhibitors in the dairy calf clubs were:

Robert Cook, 1 Holstein; Wilfred Cook, 1 Holstein; Clive Cook, 1 Holstein; David Lange, 2 Holsteins; Mildred Florian, 1 Holstein; Lillian Florian, 1 Holstein; Paul Maly, 2 Holsteins; John Duda, 1 Holstein; Dorothy Duda, 1 Holstein; Louis Florian, 1 Holstein; Kenneth Clement, 1 Jersey, 1 Holstein; Glenn Larsen, 2 Holsteins; Harlan Jorgensen, 1 Holstein; Donald Jensen, 2 Holsteins; Eldon Cernik, 1 Holstein; Keith Drake, 1 Holstein; Betty Walkemeyer, 1 Holstein; Neal Walkemeyer, 1 Holstein; Harold Robertson, 1 Holstein, 1 Jersey.

A display of 4-H club livestock by Keith Dorsey of Arcadia was of special interest. Several Shetland ponies were also on exhibition but time did not permit getting the names of the exhibitors. Another division of 4-H club work which is of special interest is the exhibit of work by the several sewing clubs. Mrs. Leo Nelson is in charge of this department.

Among the many exhibits to be seen in the 4-H club building where these are shown are school dresses, blouses, undergarments, home dresses, kitchen aprons, sewing boxes, scrap books, hand towels, and other articles too numerous to mention. The clubs exhibiting and the places they won are as follows: Jolly Juniors, 5 first, 4 seconds, 6 thirds, and 2 fourths; Valleyside Progressives, 5 firsts, 4 seconds, 5 thirds, and 4 fourths;

The Jolly Camerettes won 7 firsts, 3 seconds, 5 thirds; The Jolly Sewing Circle 3 first, 6 seconds, 2 thirds; The Pleasant Hill club won 1 first, 3 seconds, 3 thirds and 6 fourths; The Junior Priscillas, represented by one member, Eleanor Warford, won 1 first, 2 seconds, 1 third and 1 fourth.

Miss Darlene Mulligan of the Jolly Camerettes was the highest award winner, with her team mate, Mavis Schudel, tying for second place with Donna Mae Meyers of the Jolly Juniors. Tying for third position were Bonnie Belle Meyers of the Jolly Juniors and Eleanor Warford of the Junior Priscillas. An interesting exhibit in this room was rope work done by Lawrence Sidal, Lester Cook and Charles Witske of Mrs. Sidal's school near Ericson. There was also a scrap book made by Eleanor Warford this summer at Victoria Springs, giving the story of her life in a picture book.

In the exhibits by older people, the fine arts building in charge of Mrs. Edgar Roe and judged by Mrs. Luther Pierce of Burwell was most interesting. Very noticeable were a log cabin with Lincoln in it, a lumber wagon, a windmill and an airplane, all made from corn stalks by Joe Novak, 11 years old. In the same corner were all kinds of remodeled clothing.

There was a knitted afghan of diagonal design which attracted much attention. Sixteen quilts were on exhibit, and crocheted bed spreads and table cloths. There were braided, hooked and crocheted rugs of every possible description. There were pillow cases, dresser

scarfs and table covers galore, and a number of samples of remodeled clothing. The other half of the building was used for the home economics exhibit, in charge of Mrs. Willard Cornell. Judge in charge was Miss Ralph Douglas of Burwell. There were two divisions, senior and junior, with a large assortment of baked goods and canned goods of all kinds in each division. In addition there were angel food cakes, and a large number of samples of homemade butter and cheese, as well as canned meats.

Henry Enger was in charge of the agricultural hall, which boasted a very good showing of ear corn of many different kinds, including some of the hybrid varieties. Two kinds of castor beans attracted much attention. There was an extra fine showing of peppers, cucumbers, beets and turnips. There was corn on the stalk and alfalfa and grains in the sheaf and in bulk. There were some fine potatoes and cantaloupes, a good showing for a dry year. Henry Jorgensen of St. Paul was judge in this department.

J. A. Kovanda was judge of the poultry department, which was in charge of Leonard Woods. There was a fine showing of poultry of all kinds, including the famous turkeys, a cross between the turkey and the hen. The competition was quite keen in this department, with Mrs. Frank Penas winning first, Pete Duda second and Lumir Ptacnik third, for the best exhibit of Valley county poultry.

In a writeup so early in the week it is impossible to get all the details that might be desired, but the following were noticeable; first place was taken by a team of 5-year-old gray Percheron geldings owned by Mrs. Lydia Koelling and displayed by Lloyd Arnold. One of them took second as individual. W. F. Eglehoff's Duroc Jersey 600 pound sow was grand champion in the junior yearling class.

Polled Herefords on exhibit, and Frank Hiruby had a number of Herefords, as did G. C. Clement & Son and George Clement. Clifford Goff and Sons had a good showing of their Spotted Poland Chinas, and Alfred Christensen had several pens of his Chester Whites. Burton of Scotia had a number of pens of Shropshire Sheep on exhibit. On exhibit were three Holstein bulls owned by the Ord Co-operative Creamery and exhibited by George Jensen, Walter Linke and Ed Timmerman.

J. B. Young left for Kansas, and was still looking for a place to locate, having sold his farm in Mira Valley.

J. W. Moorhouse and wife left Ord for York, where he had been transferred by the Burlington.

Prof. Ulric Sorensen of Berwyn, formerly of Ord, was making plans for an airplane flight at the Custer county fair.

C. D. Hamel took over the jewelry store which he had recently purchased from A. W. Pierce.

Alan A. Clements left for El Oro, Mexico, where he was to be employed by a large mining concern.

Dr. Frederick A. Cook returned to civilization with the information that he had reached the north pole on April 21, 1908. The hoax was revealed later.

September 15, 1899

While on the way home from the Stichter neighborhood, John Mason was accidentally shot in the left shoulder.

Company "B", under the leadership of Capt. J. A. Patton, went to Lincoln to attend the annual encampment.

Mr. and Mrs. Clarence Bailey started overland by buggy to South Dakota to visit relatives there.

Rollin Bond's concert band, with

Otto Hill of North Loup and Fred Watt of Scotia helping by tooting cornets, went to Lincoln to play at the celebration being held there. Ringling Bros. shows drew one of the largest crowds ever seen in Ord, about 300 people coming from Burwell alone.

Will McCarthy and Bud Shirley were out in the hills on a hunting trip for chickens, and planned to wind it up with a fishing trip to Erlerson.

Arrangements had been made with a Miss Wharton to spend half of her time at Ord and the other half at St. Paul, as teacher of music in the two schools. From that small beginning has developed the music departments of the two schools today.

Sept. 13, 1889.—Rev. Oscar Babcock and Miss Adeline Preston were married at North Loup, Sept. 9.—The Ord schools started with J. M. Hussey, Miss M. A. Cressman, Miss Mollie Carey, Miss Neine Stanton, Miss Emma Osborne, Miss Emma Wickersham and Miss Jones as teachers. Enrollment, 300.

Sept. 14, 1883.—C. C. Wolfe and his bride arrived, and were given a big reception. John Sharpe raised some \$10 by subscription for the erection of the statue of the Goddess of Liberty at New York. The erection of the courthouse was reported as proceeding very slowly.

Sept. 12, 1884.—A slight frost was visible.

Sept. 14, 1882.—B. F. Ferguson opened a musical institute in Ord. E. E. Beecher, five miles east of Ord, had a good Marsh harvester for sale cheap. It cut the grain, and two men standing on a platform, bound it as it was delivered up the elevators.

A FEW THINGS TO THINK ABOUT

By George Gowen

No Time to Stop Relief.

It seems to many of us that this is a poor time to start retracting on the relief business. Many people claim this is the hardest year yet, and they are surely right in some respects.

It is the hardest year yet because it is one year more of crop failure piled on to the others. Although we complained five and ten years ago about being hard up, we know now we were not. All of us had food on hand and most of us had some grain and hay laid over from the year before. The crops of those people living outside the irrigation district, for the most part, are all.

Our pasture land too is almost nil in this section. The inquiry was made by the man who was digging up the Indians, in regard to how many acres it took to pasture an animal. The people who owned the pasture land thereabouts said that ten years ago they figured three to four acres to the head. Now they said it takes at least fifteen.

Jake Barber says that he thinks there are many farm families who are more desperate for food and clothes than those now getting relief, but many of these people are so proud they will not ask for relief.

The papers came out a few days ago telling of the sudden rise of prices and how it would be a great help to the farmers. This may all be true for farmers in the eastern sections where there is a sealed corn, hogs, cattle and crops are harvested. But for this section it will finish many who are hanging on. There is no storage grain here to profit from, there are no crops in the field, there are few hogs and only cattle and horses that most people do not want to sell. To keep this stock will just cost the farmer here more money to buy the feed; more money that he has not got.

I was at the relief office the other day wanting to see Mr. Kruml. It was the busiest place I have seen in some time. The front room and hall were filled with poor people there to get aid in some form or another. No one can make me think these people were all there trying to chisel the government or because they were not needy. This section of the state is actually in bad straits and the sooner the "big shot" discover it the better.

Mr. Kruml too has a man sized job to winnow out those who need aid the worst, for from every corner he is held up for the lack of funds to help those who are actually in want.

Perhaps relief is not the answer to this problem. Perhaps we should all move away to better land leaving this to go back to the Indians. This may be a reality too, for there are many farms that went without renters last year and there will be more now. Many taxes are becoming delinquent, many perhaps will never be paid. But for those people who have stuck here this long, many of them have not money to get out. It will take help to get away, and after they arrive to that better land, it takes time and expense to get established.

I repeat, surely, this is not a time to retract relief.

School Decline.

The schools over the country are a sort of an index to the same situation. Folks have moved out so badly and the child crop has fallen off so sharply that two schools in the county did not open this year. The Riverdale district, a large one too, ten years ago when my daughter started to school, had 28 students and there had been more previous years. This year, there soon will be only six.

Two of these students will graduate this year leaving four in sight for next. Another interesting feature is that three of these six children are adopted. Had their parents not been so kind to these three children, there would be only three in the school today.

The White Spot.

Let us not forget too, now that we are growling, to mention the tax situation. Here we live in the so called "white spot" of the nation without sales tax or income tax. It reminds one a little of the song sung during the war, "They Were All Out of Step but Jim." Almost every state in the union is wrong but Nebraska for everywhere else they have found an excellent way to raise tax money is by a sales tax.

People driving through the state proclaim Nebraska a fine place for they do not have to pay any sales tax. The wealthy men can get richer and the poor poorer because there is no income tax and folks of influence and wealth think this is fine, telling the world this is the White Spot. There are many people who pay scarcely no tax at all under our system. It has been said Nebraska is the White Spot. If you don't believe it look at our corn fields. Some other bright person said too, that a bull has a white spot too.

What should be done, many think is to put on a sales tax and take off some realty tax. Every new public venture now, in Nebraska has to be tacked on to the property tax. Our property tax has become so high that the income on most farms will not pay it, outside the Soil Conservation money, the property in smaller towns is taxed frequently until the rent will not pay it.

I have been told that for the county to foreclose on taxes, they must be ten years back. Ten years of taxes on much of the property in North Loup for example, would be more than the property is worth. Many people have ceased paying on their city lots, for they are really worth very little. Even on

many of the farms where the tax assessments are high, ten years of taxes would buy the farm in such times as these.

The Finis.

The story goes of the city man, who, upon looking at the burnt corn fields and the desolate farm-side said to the farmer, "You must be awfully poor. I don't see how you live."

"Oh I'm not hard up," the farmer replied, "We are only renters. We don't own the farm."

Charlie Taggart Was Hero of 1939 Midget Race Meet

Drove Sam Hoffman's Car, Swept First Money; Crowd Small Every Night.

Wednesday night's time trials at auto races held in connection with the Valley county fair were much faster than those of Tuesday night, due to the track being in better condition and the drivers becoming more used to the curves. All time trials came in under 18 seconds except two. Again fastest time was made by Aaron Woodard at 17.01, the fastest time of the week, and Charlie Taggart, driving for Sam Hoffman, came in second with 17.03.

Martinson won the first preliminary, with Vic Shay second and Woodard 3rd, time 1 min. 47.14 seconds, the fastest time of the meet. The second preliminary went to Vic Roth, the third to Ralph Pratt and the fourth to Swede Larson.

Roy Sherman won the first consolation, Cal Niday the second. In the first handicap Taggart won, with the second going to Jimmie Wilson. Jerry Miller won the Australian pursuit race.

The ten-lap semi-final was won by Stevens, with Sherman second, Larson third and Brooks fourth. The big event was the grand final in which Taggart again took first, Pratt second, Woodard third and Shay fourth. No unusual accidents happened Wednesday evening, but very fast time was made in all events. Toward the end of the evening several holes had been dug on the turns, which slowed down the cars Thursday evening.

Several fast drivers left during the day Thursday, including Willer, Lloyd Axel, Pratt, Eddie Krack, Bud Martinson, Vic Shay and Carl Forberg. Pratt left immediately after the races Wednesday evening, drove all the way to Topeka, Kas., and there drove a car in the half mile races Thursday, defeating Gus Schrader, one of the best known drivers in the half mile class.

Taggart had the fast qualifying time Thursday evening, with 17.64 sec., with Vic Roth in second place with 17.65. Taggart also won the first preliminary, Brooks taking the second prelim and Earl Kouba the third. Wilson took the fourth prelim and a few minutes later repaid by capturing the second handicap race, the first handicap going to Taggart.

Sherman spun on the east turn in the final race, which then went to Charlie Taggart with Elliott second, Brooks third and Wilson fourth. Greatest thrill of the evening came in the second handicap, when Foster of Grand Island was running neck and neck with Red Iverson all the way. About the middle of the race he hit the straw on the northeast turn and Iverson got ahead of him.

Foster hung on his tail for two or three laps and then attempted to pass on the inside on the final lap at the west end. In doing so he blew a tire and picked up a bale of straw, which he pushed ahead of him half way around the track, but could not get ahead of Iverson, who finished third.

Charlie Taggart was easily the hero of the crowd and was far ahead of all competition in events won. He won six first places in the three nights, two second places and one third place, and in addition had the fastest time trial the last evening. The fact that he was driving for Policeman Sam Hoffman, who has always been popular in Ord, probably had much to do with his catching the public attention, but he earned special distinction by the way he handled the car.

Pig Club Boys Guests of Rotarians Monday

Donald Miller and Ted Krazon, members of pig clubs organized under sponsorship of the Ord Rotary club, and Lonnie Nelson, who fed the grand champion baby beef exhibited at the Valley county fair, were guests of the Rotary club on Monday evening and spoke briefly, telling about their methods of feeding and the prizes won by their animals. They were introduced by County Agent C. C. Dale, who complimented all three boys highly on their success in fair competition.

Ben Clark, Jr., a new member of the Rotary club, was present for the first time Monday evening. He spoke, as did Ed Kokes, secretary of the fair association. The Rotary club will have its dinner next Monday evening at the Onyx cafe.

Extension Club Leaders To Meet at Legion Hall

Miss Vera Glandt, home demonstration agent, will meet with project leaders of the county extension clubs next Wednesday, Sept. 27, at the American Legion hall, for the purpose of planning the work for the coming year. It is essential that all leaders and officers of the county organization be in attendance, in order that the work of all clubs may start promptly.

Schools Dismissed 2 Days Because of Ord's Blazing Heat

Last week's extremely hot weather brought a vacation for students of the Ord schools. Wednesday afternoon, with an outside temperature of 101 and class rooms registering a 96 degree temperature, Superintendent C. C. Thompson ordered classes dismissed for the day. Thursday was fully as hot and again school was dismissed at the noon hour. It was the hottest mid-September weather Ord has known in many years, and the strong south wind made the heat almost unbearable.

Nine Jury Cases Will Be Heard in November

The fall jury term of district court will convene Nov. 20, with a total of nine cases to be heard. Of these at least five are in some way connected with the Loup river irrigation districts. Most interesting, perhaps is the case wherein D. E. Wynn Jones of Omaha is suing the Middle Loup Public Power and Irrigation district for money he claims is due him for promotion of the district.

The list of cases is as follows: 1. Tony Christensen vs. the Arcadia State bank. Doby and Lanigan and Lanigan represent Christensen, and Davis and Vogeltanz represent the bank.

2. Mary Kriz, et al vs. Reuben D. Litwiler, sr. McKillip and Barth are attorneys for the plaintiff, and John P. Misko for the defendant.

3. D. E. Jones vs. the Middle Loup district, with Ziegler, Dunn and Becker for Jones and C. A. Sorensen for the district.

4. No. 4 is worded exactly the same as No. 3, except that the names of Martin, Lane, Wells and Offutt are added as defense attorneys to assist Mr. Sorensen.

5. Mae Carpenter, guardian, vs. Frank Piskorski, et al. Evans and Lee represent the plaintiff, and Munn and Norman, Walter L. Burr, Gaines, McLaughlin and Gaines represent the defendant.

6. George J. Parker, et al, vs. Middle Loup P. P. district. C. A. Sorensen is for Mr. Parker, and Davis and Vogeltanz for the district.

7. Joseph J. Ulrich, et al, vs. North Loup district. H. B. Van Decar is for Ulrich and Guy Laverty for the district.

8. Ronald Hunt, et al, vs. Middle Loup district. Davis and Vogeltanz are for Hunt and C. A. Sorensen for the district.

9. Mary Peterson, special administrator, vs. Elmer W. Nickolaus, et al. Davis and Vogeltanz represent Mrs. Peterson, while Chambers, Holland and Locke represent Nickolaus.

Elden Malin Noha Dies in Hospital

Following a three week illness during which everything possible was done for him, Elden Malin Noha, 19, son of Mr. and Mrs. Mike Noha, passed away at the Ord hospital Wednesday, Sept. 13, his death being due to appendicitis and complications.

He was born July 31, 1920, and spent his entire life in Valley county, obtaining his education at the Plain Valley school, near which the family lived at the time of his death. Besides his parents he leaves to mourn his passing, one sister, Mrs. Edward Iwanski, and many other relatives and friends. One brother, Elvern, preceded him in death in 1935.

Funeral services were held Saturday, at 2 p. m., from the Z. C. B. J. hall, with Pearson and Anderson in charge of arrangements. Rev. B. A. Filippi of Clarkson preached the sermon. A quartet, Mrs. Glen Auble, Mrs. E. O. Carlson, J. R. Stoltz and James Ollis sang, with Mrs. Robert Noll at the piano.

The pall bearers were all near friends of the family: Joe Kreckle, Vencel Ptacnik, George Hlavinka, Leonard Klanecky, Lloyd Iwanski and Leonard Klanecky. The body was laid to rest in the Ord Bohemian cemetery.

Attending the funeral from a distance were Mrs. Steve Kovarik and daughter of Dorchester; Mrs. Leonard Kovarik of Wilber; Mr. and Mrs. Victor Koutouk of O'Neill; Stanley Novak of Grand Island; and Mr. and Mrs. Frank Novak of Wilber.

Start Irrigation Well

The Western Land Roller company of Hastings this morning started operations at the John S. Hoff farm at Vinon on the big irrigation well. Mr. Hoff stated yesterday that they would keep going down until they got a well that would furnish plenty of water to irrigate the farm. The farmers in Mira Valley are watching this well with interest, as a number plan to try the same experiment if this one meets with success.

Fair Broke Even, Estimated After First Check-up

County Money Will Enable Payment of All Premiums Within a Few Months.

In spite of the bad weather and consequent poor attendance the Valley county fair was a financial success say officers after completing a preliminary check-up of receipts. Although all bills are not in and auditing has not been completed it is thought that receipts will be sufficient to pay expenses of the 1939 show and even permit payment of some portion of the 1938 deficit.

It will be possible to pay 1939 premiums in full within a few months from the county allotment, officials believe. As taxes are paid, the share available for the fair association will be used to pay off premiums. Secretary Ed Kokes says. It is also hoped that it will be found possible to pay the unpaid portion of 1938 premiums.

Auto racers received only about \$500 in prize money, including cost of the loud speaker system and the services of Starter Joe Fahnstock, on the pro rata basis agreed upon in advance, it is said. Largest winner was Charlie Taggart, driving Hoffman's car, who received \$112.

The finest lot of racing cars that ever competed in Ord were here this year. The steward of the Sioux City racing association was present and told fair officials that never in auto racing history had he heard of a meet where 20 cars finished time trials within 1 second of each other as happened here. Even in the Chicago national meet, with \$15,000 in prizes, only six racers finished time trials within a second of each other, he said. Had weather been good and the track in better condition there is no doubt that new national records for midget racing would have been set last week by this splendid group of cars and drivers.

Wisdom of the Valley county fair board in reducing expense of the 1938 entertainment to a minimum, and also lowering admission charges, was proved last week. Had an expensive program been given and admission charges held to the 1938 level, another terrible deficit would inevitably have been the result.

Exhibits in all departments last week were extremely gratifying and particularly in the 4-H club departments, said Secretary Kokes on behalf of the fair board.

Few concessionaires, with possible exception of the bingo games made money last week, but this was due more to the hot weather and dust storms than to any other factor. Some of the concessions, including the ferris wheel, left during the day Thursday. The fair association realized practically nothing from rental of space to concessionaires.

The fair association is in better financial shape now than before the fair was held and, if stockholders so decide, it will be possible to go ahead and put on another show in 1940, officers believe. Better crop, weather and financial conditions will make it possible to put on a better show next year, it is thought now.

Ord Football Games Start At Bussell Park Sept. 29

The Ord football team will open the season on the home grounds on Sept. 29 with St. Paul as the opposing team. This should be a real game, as St. Paul is rated as a good team this season. This is both a Loup Valley and a Mid-Six conference game.

Other home games will be: Oct. 13, Burwell; Nov. 17, Sargent, and Nov. 30, Thanksgiving Day game, Loup City. These are all Loup Valley conference games, and the last one is also a Mid-Six game.

Games away include: Oct. 6, Mid-Six game at Broken Bow; Oct. 20, at Fullerton; Nov. 3, at Albion; Nov. 10, Loup Valley and Mid-Six game at Arcadia; Nov. 24, Mid-Six game at Ravenna. This is a fine spappy schedule, and all the games should be interesting.

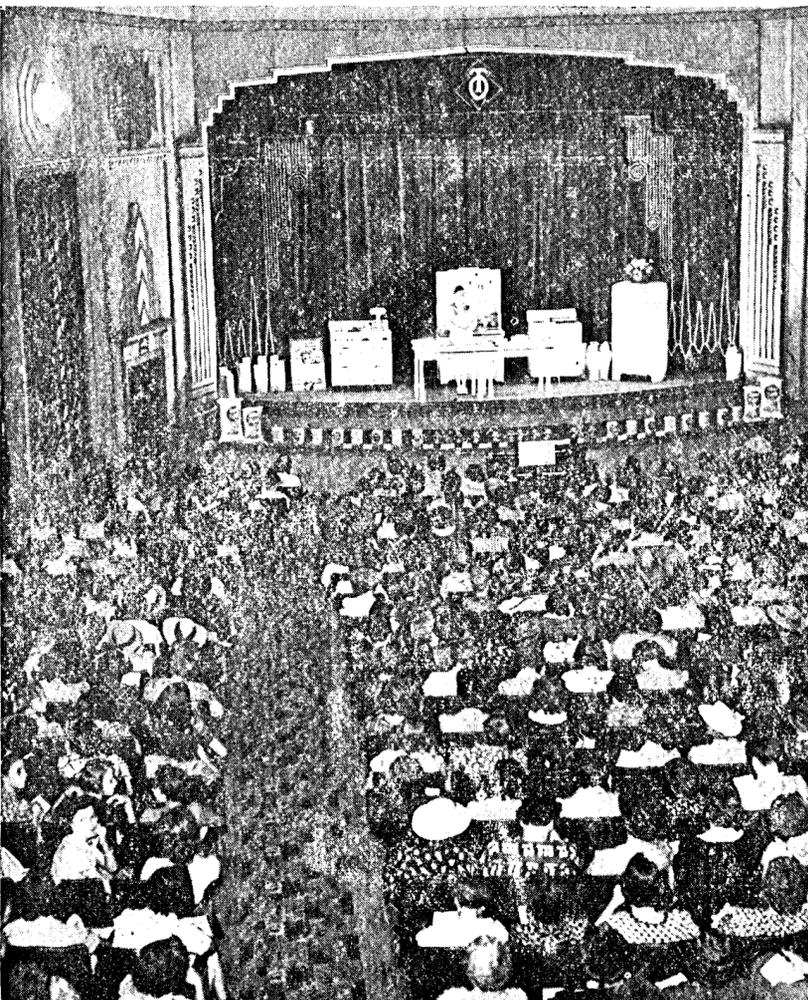

Highway No. 11 Will Be Cut Off Two Weeks

Roy Randolph of the state highway department, says that beginning today, Sept. 20, Highway No. 11 will be cut off at St. Paul, due to repair work which is being done on the bridge across the river there. Traffic to Grand Island will go south from Elba to Midway, Dannebrog and Cairo, and then to Grand Island.

Traffic to the east will cross the river at Elba, continue east and cross the Loup to the south at Palmer and from there east on No. 6. It is believed that the repairs will require about two weeks' time. The road east from Dannebrog to connect with No. 11 cannot be used as it is being reconstructed.

Mrs. Anna Holloway left this morning for Omaha in response to a telegram she received offering her steady employment there. Her son, Boyd is already employed in Omaha.

Cookery Hints Given by Miss Gill Prove Interesting to Ord Women

Here is shown the stage of the Ord Theatre, with Miss Dorothy Gill demonstrating kitchen hints and cookery, and a portion of the big crowd of women who attended the first session of the Quiz cooking school Tuesday afternoon. Every available seat was filled, more than 1,000 being present. As will be noted here, the stage was beautifully equipped and decorated. Along the front of the stage can be seen some of the many prizes given away at close of the school. Another big crowd is attending the final session of the school this afternoon.

Eighty Boys Compete In Livestock Judging

Approximately 80 Valley county boys competed in two days of livestock judging at the fair on Wednesday and Thursday, reports J. A. Kovanda, vocational agriculture teacher. The kinds of stock judged were hogs, beef and dairy cattle, sheep and draft horses. Cash prizes were given to the five placing highest in each day's events, which were open to vocational agriculture students and 4-H club members. The competition also aroused considerable interest among older people who were interested in stock.

Winners in the Wednesday competition were as follows: first, Alan Babcock; second, Carson Rogers; third, Dean Adams; 4th, Emanuel Smolik; and fifth, Calvin Ferris. Winners in Thursday's contest were: first, Donald Miller; second, Leon Larsen; third, Calvin Ferris; fourth, Lyle Hansen, and fifth, Edward Rousek.

The contests were sponsored by J. A. Kovanda and C. C. Dale, with Harold Schudel, William Garlick, Harold Garlick, Robert Miller and Gerald Goff acting as official judges.

G. C. Robberson Returned To Ord Methodist Church

According to the list of appointments made at the Methodist state conference this week, Rev. G. C. Robberson has been returned to the Ord church. He has been in Ord for one year, and has made many warm friends while here, not only among the members of his own congregation but also among those of other churches. All will be glad to know that he is to be returned here.

Most ministers in this section were returned to their charges without change. Rev. W. C. Birmingham was transferred from North Loup to Dorchester, and Rev. Andrew Olsen takes his place at North Loup and Davis Creek. Loup City and Wiggle Creek have a new man, Rev. Charles T. Hawes.

Returned to their charges were the following: Rev. E. A. Smith, to Arcadia; Rev. W. C. George to Scotia; Rev. C. E. Austin to Ericson and Bartlett; Rev. T. W. Parkin to St. Paul and Fairdale; Rev. V. Ray Bell to Sargent and Walworth; Rev. J. Bruce Wylie to Burwell and Baljagh; Rev. J. T. Sawyer to Greeley and Comstock to be supplied. Mr. and Mrs. Iva Klina drove to Lincoln Friday, the former as lay delegate from Ord to the conference. Mrs. G. C. Robberson went to Lincoln with them, remaining until Monday evening when she returned with Rev. Robberson. Rev. Smith of Arcadia and Rev. Birmingham of North Loup.

LOCAL NEWS

Mr. Joe Klat was a bus passenger to Hastings Tuesday morning.

Everett Gross is now at Kearney State Teachers' college for his second year. He is specializing in chemistry.

Mrs. Daisy Paddock and her daughter Evelyn went to North Loup Tuesday afternoon to take in pop corn days.

Mr. and Mrs. Bill Bartz of Burwell, John Loeffler, and their niece, Miss Margaret Thiem of Ord, left Tuesday morning for Lindsay, Humphrey and other points near there.

The St. McCormick family, who have been living in Ord the past few years, will leave the last of this week by car for Hawthorne, Fla., where Mr. McCormick's parents reside, and expect to make their home there in future.

W. A. Beck of Burwell was a bus passenger to North Loup this morning to spend two days at pop corn days. He says he used to attend the celebration in the old days while living near Cotestfield, and has many warm friends around North Loup.

Miss Martina Biemond enrolled at Hastings college last Wednesday, taking the general course. Miss Dorothy Auble is also there, in her junior year in a music supervisor's course. Charles Zanger of North Loup is also a Hastings college student, taking his third year of a pre-engineering course.

Miss Armona Beth Achen left on the bus Tuesday morning for Vincennes, Ind., where she will visit for a time with the J. A. Spargur family, who formerly lived in Ord while he was employed by the E. E. Morgan company.

James G. Hastings returned from his visit to the old home in Pittsburgh Thursday evening, having spent twelve days on the trip. He says he actually got in about 60 days of visiting, and had the time of his life. The thing he noticed most was that the people there seem to be so much more prosperous than they are here.

Mr. and Mrs. Charles Peckham were agreeably surprised last evening when their son Vere and daughter-in-law, Mrs. Frank Peckham arrived from Woodland, Calif., for a short visit. Vere had to come on a business mission, so they are also doing some visiting. Mr. and Mrs. Tom Williams had as guests Sunday Mr. and Mrs. Ivan Cone of Page. At O'Neill they picked up a couple and brought them along for the trip. The Cones are quite well known in Ord.

Nebraska Safety Patrol Lists Many Activities

According to a bulletin issued Sept. 15 by Capt. R. T. Schrein of the Nebraska Safety patrol, a great deal of work was done by the patrol for the month Aug. 1 to Sept. 1. In that time patrolmen traveled a total of 196,462 miles in a total of 13,361 hours on duty. They added 1491 motorists, issued 1,076 violation cards and 513 warning cards.

Three hundred and thirty-one arrests were made, with a total of 285 convictions. Of the above 105 were for reckless driving, 59 for speeding, 34 for stop sign violation, 20 for driving while intoxicated, 10 for intoxication, 29 for over weight on capacity, 18 for no driver's license, and the others for 24 types of minor infractions.

The amount of fines in the 285 convictions was \$2,821, or about \$10 per person. In addition 35 cases were continued, 11 dismissed, 10 suspended, and 1 paroled. The amount of all fines accrues to the common school funds, and on the basis of the above showing, would amount to more than \$30,000 per year. The patrol is proving itself a worth while enterprise.

Will Crown Popcorn Queen This Evening

North Loup—(Special)—Popcorn Days, celebration held annually here, starts at 2:00 this afternoon with a juvenile parade and will continue through Wednesday evening and Thursday. Crowning of the Popcorn Days Queen will take place tonight, after an open air program that starts at 7:30. Last year Miss Dorothy Eyerly was queen. Identity of the 1939 queen will not be revealed until the coronation ceremony tonight.

A carnival company is set up on main street and quite a crowd attended Tuesday evening. Pavement dances are being held both nights. Agricultural exhibits and other features are being held as usual, and free popcorn will be given to all visitors.

Baby Girl Dies at Birth

A daughter was born to Mr. and Mrs. Adam Dubas at 12:15 Saturday, but died almost immediately. Funeral services, Pearson and Anderson in charge, were held from the Ord Catholic church Sunday afternoon at 3, preceded by a short service in the home, and burial was made in the Ord Catholic cemetery.

Mrs. Inez Hull and daughter Catherine of Gothenburg were Ord visitors Wednesday and Thursday in the home of Mrs. W. A. Bartlett and with other relatives and friends.

Cooking School Tuesday Attended By Crowd of 1,000

Standing Room at Premium in Ord Theatre; School and Style Show Enjoyable.

About a thousand women crowded into the Ord Theatre Tuesday afternoon to learn what Miss Dorothy Gill, director of the Home Economics department of Omar Mills, Inc., had to teach them about cooking. The occasion was the cooking school sponsored by the Ord Quiz in co-operation with merchants, with a dandy style show by the Chase Toggery as an added entertainment. In addition to capably demonstrating half a dozen new type dishes for the crowd, Miss Gill pleased with her many tips for shortening nouns spent in the kitchen.

Mrs. Ed Pocock came off best among the prize winners, her numbers winning a pin-up lamp from the Auble Motor company and a 24-lb. sack of Omar Wonder flour. The 48-lb. sack of Omar flour was won by Mrs. Roscoe Garnick, Mrs. O. C. Hughes held the number for the 10 lb. sack of flour and Mrs. S. W. Roe won the 5 lb. sack of Omar flour.

The lovely purse given by the Chase Toggery was won by Mrs. Joe Puncocchar, and Mrs. Henry Zikmund secured a real prize when she won a fine, large ham from Pecenska's Market.

Pound packages of Ord creamery butter were the prizes won by Mrs. John Skala, Mrs. Joe Sedlacek, Mrs. Laverne Nelson, Mrs. Emil Skoll and Mrs. Roger Benson. Mrs. Martin Wiegardt won the beautiful bouquet furnished by Walter A. Brand of the Loup Valley Florists.

Free subscriptions to the Ord Quiz were won by three lucky ladies, Mrs. Grace Fauss, Mrs. Delbert Bridge and Miss Ann Papernik. One-pound jars of Nash's best coffee were prizes taken home by five ladies, Mrs. Albert Dahlin, Mrs. Henry Benn, Mrs. John Mason, Mrs. M. F. Crosby and Mrs. Mike Savage. These were furnished by the Nash-Finch Co. of Grand Island, who also feature Uncle William canned vegetables, Del Monte canned fruit and Mrs. Tucker's shortening. All are sold by Ord stores.

The Farmer's Grain and Supply company furnished the nice basket of groceries Mrs. W. E. Kessler won. Holders of lucky numbers for other grocery assortments were Mrs. Dan Ehrsman of Burwell, Mrs. Bessie E. Edwards, Mrs. Ross Blessing, Mrs. John L. Andersen, Mrs. Anthony Thill, Mrs. Louis Kokes, Mrs. John Dobberstein, Mrs. J. A. Dlugosh, of Elyria, Mrs. J. J. Beahrle, and Mrs. C. J. Beach of Burwell.

Winners of the dishes prepared by Miss Gill during the afternoon were Mrs. Ella Marie Rasmussen the muffins, Mrs. Ella Marie Rasmussen the Dagwood delight, Mrs. Harvey Parks the jelly roll, Mrs. Lena Meyers the casserole dish, Mrs. Charles Krikac of Comstock the date pudding, and Mrs. Anton Novak the carrot cookies.

Miss Eunice Chase showed new fall clothes to advantage, using as models Miss Betty Jane Vogeltanz, Miss Eleanor Wolfe, Miss Darlene Mason, Mrs. Lois Work, Mrs. E. O. Carlson, Mrs. Lloyd Parks of Atkinson, and Mrs. Irwin Underberg. The clothes were chiefly tailored street dresses, suits and coats with smart, simple lines, and appealed to the spectators immensely.

The stage of the theatre was converted into a model electric kitchen through the cooperation of the city light department, who installed Monarch and Hotpoint electric ranges, and L. J. Auble, who installed the Frigidaire. Furniture on the stage was furnished by the Frazier store. Flowers used for decorations came from the Loup Valley Florists, Walter A. Brand, proprietor.

The crowd was by far the largest that ever attended a cooking school in Ord. The Ord Theater seats about 800 people and every seat, including the balcony, was filled. About 200 women stood in the aisles and in the rear of the theatre. The Ord high school domestic science class of 72 attended in a group.

Miss Gill and Walter Amen, territory manager for Omar Mills, Inc., express themselves as being greatly pleased with the success of the cooking school's first day. They and the Ord Quiz join in thanking co-sponsors whose cooperation did so much to make the school the great success it is.

Miss Gill used Mrs. Tucker's shortening for her baking, Ord butter, Noll's Dairy milk and cream, meats from the Pecenska market, Crystal beet sugar and Omar flour. The American Crystal Sugar Co., of Grand Island, furnished the sugar given away in grocery baskets.

Second session of the school is being held this afternoon with another large crowd of women present. Prizes are again being given away today.

THE FAIR A SUCCESS

There are many angles to a fair, and in some of these it must be admitted that the Valley county fair last week could have been different.

Yet the fair was a success: not a success in the huge crowds that might have jammed the gates; not a success in huge sums expended for the entertainment of those crowds; and the Lord, who controls the weather, knows it was not a success from the view point of weather conditions.

If you went to the fair, and did not take a look at the buildings where the 4-H club dairy calves and baby beeves were lined up in orderly rows, if you failed to see the boys and girls in their judging contests, if you failed to look at the club work exhibit in the 4-H club building, if you failed to attend the demonstrations given by the members you missed the finest part of the entire fair.

That row of baby beeves, 33 of them, shown by two dozen of the finest specimens of American youth you could find anywhere, was a treat to the eye. Those boys had spent a lot of time the past summer in taking care of those animals and fitting them for the fair.

The same might be said of the dairy calves, except that here a number of girls vied with the boys in displaying their calves, and the calves, if you will pardon the pun, looked fully as fine and drew as much comment as those of the boys.

The display of pigs shown by the pig club boys proved that in this department the boys can do fully as well as their elders in developing size and quality. One fact that was commented on frequently was that the animals were handled with the greatest of patience, and were regular household pets.

The 4-H clubs are under the direction of County Agent C. C. Dale and are distinct from the vocational agriculture group in charge of J. A. Kovanda. A part of the work of the vocational agriculture group was to judge the livestock, and in this the young people proved that they are learning rapidly to pick out the basic characteristics of animals judged.

In the 4-H club building a great assortment of articles of beauty and utility were on display, and they were made by the future mothers of Valley county, who are thus learning in their youth lessons that will be of infinite value to them in later years.

The value of the training the young people acquire in the school and these clubs cannot be measured in dollars and cents, but it must be told in their value to the future as American citizens.

Then in exhibits size counted for much and quality for little. The man who could find a bushel basket full of ears of corn 15 inches long was certain of first prize, for the idea of quality had not yet entered into the picture.

About a quarter of a century ago it began to dawn upon the public that the young people had ought to have a part in the fair, and from a small beginning the junior department has grown until today it has stolen the show.

youth. In many nations of Europe the youth are being trained in the art of destruction, but here in America we believe in training them for a life of usefulness later on.

So the next time that you are inclined to remark that the 1939 Valley county fair was a failure, think it over carefully before you say it, and perhaps you will keep still.

DWINDLING POPULATION
In the Schuyler Sun of the past week appeared a table showing the enrollment in the schools of the city for the past 20 years.

What is true of Schuyler is true of other towns throughout Nebraska, except that Schuyler reached the stagnation point a few years earlier than did the schools further America to the north and west.

There are other points of interest in the Sun's table. For example, in 1922 there were 241 in high school and 514 in the grades.

This same condition is coming to Ord. The enrollment of 660 pupils the first day in the schools is somewhat less than that of last year, and we may expect to find the number decreasing from now on.

Fewer children are being educated today, but they are better educated. They are learning a more worth while program than did their predecessors.

Tunnell's Leave Ord.
After a residence at Ord for the past fifteen years, the A. W. Tunnell family left by car and truck Sunday for their new home at Kewanee, Ill., where Mr. Tunnell has been employed for some time.

Mrs. C. E. McGrew and son Lloyd are reported at Cullen Lake on a vacation at present. They have rented the Ed Michalek cabin there.

E. L. Vogelantz returned Wednesday from a business trip to Kansas City.

NATIONAL AFFAIRS

Reviewed by CARTER FIELD

Curious position in which the United States now finds itself with respect to the European war... Swing to President's neutrality stand since war broke out... Nationalization of electric industry being considered... Political significance of the Mississippi gubernatorial primary.

WASHINGTON—There may have been more curious positions in which allegedly neutral nations have found themselves than the United States now occupies with respect to the present war in Europe, but the most studious of diplomats are unable to remember an example.

Diplomats were a bit surprised at the fervor of President Roosevelt's fireside chat with the nation. He followed very closely, they point out, the pattern of Gen. Hugh S. Johnson's speech a few days before as to being neutral in fact, but not neutral in thought.

Johnson was a little blunter. He made no bones about the impossibility of not being against a nation which uses force instead of persuasion, which has no regard for its word, and which threatens the peace of the world every time it wants anything.

There was another bit of Roosevelt's address which was generally approved by the partisans of Britain and France, and was gall and wormwood to the pro-Nazis. This was his insistence that there should be no profiteering on any commodities which the men, women and children might need in the war-stricken countries.

As mere words these are not unneutral. But when it is realized that Britain and France can buy all of these commodities in the United States that they want, allowing for certain losses through submerging of the supply ships, but that it is practically impossible for Germany to be so supplied, the evenhanded justice disappears.

There is some doubt now, on this same point, whether the embargo provision of the neutrality act applying to "arms, ammunition and implements of war" will be repealed. The President wanted that very much during the last session.

At the time inside administration officials figured, on the basis of their knowledge of the situation in Europe, that the odds for war were about three to two. However, they also figured that if the embargo could be repealed the odds would be reversed, thus becoming three to two against war.

There is no doubt that there has been a swing in sentiment toward the President's side since the war broke out. It is just a question of how many "incidents" it would take to so inflame the country against the Nazis that the only question would be when the United States would get into the war on the side of Britain and France.

But it would be a simple matter now to force through the change the President has wanted. There are some senators still who believe it would be virtually an act of war, and calculated to get the United States into the war, but there are not enough of them to make a strong filibuster—with no date for the ending of a session agreed upon.

Consider Nationalization of the Electric Industry.
Nationalization of the electric industry is one of the first moves planned by New Dealers when and if the United States becomes involved in the war. The only question is whether congress would be willing.

But the inner circle is not worrying about that question. There is no thought in the minds of the left wingers that, in the rush to give the administration every power it might ask for war purposes, control of such a vital element as power would not be included.

This time the allegation that taking over the electric industry was necessary for war purposes would be an excuse, not the real reason. The real reason is that insiders of the administration are firmly convinced that government ownership of the electric industry would be a real blessing for the people of the country as a whole.

tric industry today. In the World War the United States railroads almost collapsed. Meanwhile the weather, plus trucks for whose weight and power the roads had not been calculated, had made the highways sorry substitutes for the steel roads.

The rush of getting our own troops and supplies to Atlantic seaports, plus the necessity for keeping up that vital flow of supplies to the hard-pressed allies, was terrific. So the government took over the railroads.

Government Control Left Railroads in Bad Shape
But consider for a moment what was the chief reason why their taking over by the government was so essential. It was to get the roads out from under government regulation! So long as the roads were in private hands any collusion, any exchanging of services, any agreements that A would handle this territory and B that, while C would handle only through business, and would have been frightful affronts to the interstate commerce commission. In fact, such practices would not have been tolerated for a moment.

It never occurred to anyone, of course, that this could have been solved by the simple decision by congress that for the period of the emergency all restrictions, except as to rates and safety were abrogated. Yet after the war no one denied that the only advantage from government operation was this short-circuiting of federal regulation. In fact, there was a terrific rush to get the roads back into private hands, and there is little doubt that if the war had continued much longer the stupid inefficiency of government operation would have more than offset the advantages of removing government regulation.

So obvious and true was this, along about the time the roads were handed back to their private owners—in such bad shape that they have never fully recovered—that several ardent government ownership advocates moaned that this unfortunate experience had "put the cause of government ownership back for 50 years."

Political Significance of Mississippi Primary
Of this is no discounting the effect of the Mississippi gubernatorial primary on the possible nomination of President Roosevelt for a third term, if the Chief Executive decides he wants a third term. Victory of Paul B. Johnson, on a pro-Roosevelt ticket, and with the support of Sen. Theodore G. Bilbo, over former Gov. Martin S. Connor, who had the support of Sen. Pat Harrison, is highly important in calculating the stand that the Mississippi delegation may take at the Democratic national convention in June.

Bilbo has been an out-and-out third-termer for Roosevelt. Harrison has said little on the subject, but his plain sympathies have been with the group of Southern Conservatives including Carter Glass and Harry Flood Byrd of Virginia, Josiah W. Bailey of North Carolina, "Cotton Ed" Ellison D. Smith of South Carolina, and Walter F. George of Georgia.

For many years the practice of the Mississippi democracy has been to put both its United States senators on the delegation it sent to national conventions. But also for time out of mind the practice has been to bind the delegation in the unit rule. This means that the 18 votes she casts at these party assemblies must be cast all together, and that how they are cast is determined by a majority vote.

So while Senator Harrison may be one of the delegates, and in fact probably will be a very influential one, it is also probable now that the friends of Bilbo and Governor Johnson (as he will be then) will be able to muster a majority of the delegation. Which means, unless something unforeseen should happen, that Mississippi's 18 votes will be cast for the renomination of Franklin D. Roosevelt.

Reservations That Must Be Given Consideration
While this is the obvious political deduction from the primary, especially in view of Johnson's very large majority considering the size of the vote, there are a few reservations. For one thing, it must be remembered that Harrison did not make any speeches in favor of Connor, and, that despite the knowledge that Harrison was for him, many of Harrison's friends have never forgiven Connor for his race against Harrison last time Harrison was re-elected to the Senate.

Another factor is that, according to various polls, sentiment among the Democrats of that section does not approach a majority for a Roosevelt third term. So the question is whether Johnson, and for that matter Bilbo, will take that side of the question next year.

A FEW THINGS TO THINK ABOUT!

Written by GEORGE GOWEN

Random Thoughts Gathered at the Fair.

A Horse! A Horse!
Bill Fuss and his riding horse at the fair, are about as much a fixture as the ticket stand, and he has a fine horse this year too. It is a dark bay with a star in her face; a three year old and broke like no one's business. She will shake hands, and lie down, and when Bill asked her if she liked Mr. Gowen, she nodded her head. Now that was gratifying, for after these five years of writing this bunk, I was not sure there was even a horse that liked me.

Bill and his nag took first among the saddle horses. The judge said that the horse in itself only counted 40% and the rider and the way the horse acted counted 60%. So one can see that the judge must have had a good opinion of Bill to have awarded him the big ribbon. Walt Fuss took the red ribbon, so one would conclude Bill a little the best looking of the two. But then it would not be quite polite to take the prizes away from the police.

Regardless of the jokes, these boys have for years made a hobby of their saddle horses, and a person would get far against them. Bill picks up cold-blooded colts that look like they have the stuff, breaks them and sells them at much better prices. One last year brought over \$150 at the G. I. saddle horse sale. On another occasion he sold one to a commission man. He usually does not keep his horses long, once they are broke.

Growing Farmers.
The baby beef belonging to the 4-H calf clubs were something a little more than ordinary. These calves were in very good shape, of good quality and I did not see a one that was not a credit to the owner. Just how much practical knowledge of cattle feeding the youngsters get from such things is a question, but if it does no more than keep the child's interest, keeping him away from undesirable influences, keeping his interest at home in place of away, it is worth the candy.

It is a question too, whether we want our children to grow up to be farmers. Surely if we thought they would have to go through what the farmers have gone through in this section for the last ten years, there are many things better than farming. I have heard it commented on many times; the fact of our extensive 4-H clubs, our expensive agriculture teaching in schools, putting a kid out into a business that, in this country, comes about as near being a universal failure as anything on earth. The only person who can make a decent living in such times as these in the agriculture line, is the teacher or those government employees who are telling us what to do; telling us everything but how to make it rain.

A Lucky Lad.
While walking about the displays I saw Dr. McGinnis and a young, fine looking fellow with him. Dr. caught my arm and introduced me to his son, and there is a strong resemblance between the two, although (don't tell Dr.) I believe the son is the best looking.

The boy is going to medical college now, in Omaha. We talked a little of football and other things, and I told him he is a lucky lad to be able to go so long to school. There are many boys who would give their right hand to be able to go if the right hand would only pay the bill.

I told him too, now that it is too late and my schooling days are gone forever, that if I had it to do over again, I believe I'd take up medicine. But I feel a little as I heard a man say not long ago. Should he do it over he would be a missionary, and a medical missionary would be better. A person might be a missionary in our own land, in our own community. It is so disappointing to think only of the money one makes.

Should one take up medicine with the prime object of helping the other fellow, the secondary object to make money, it is far better. Nine out of ten people fail in a financial way, but when one's object is service, even if he does fail financially, his life and efforts have not been wasted. One doctor I know, living close by, must have acted under that spirit. He never has refused to give his services even in cases where he knew there would be no pay; he never has sued a person for a bill.

When the chances of our own success seem almost nil, our hope centers on our children, and I would think I had succeeded quite materially if I could help my son go through medical college. Things will have to change in the farming line, or we'll have to change our line before there will be many doctors blossoming out of these hills.

Doug Succeeds Too.
It is difficult to mention a few things at the fair without offending some who are not mentioned, but at that, it hardly seems we should pass up Doug Barber and the display he and his wife arrange every year for the State fair and the A. C. fair. It is a hobby with them and Doug says they never get paid if they figure their time. They gather their exhibits and specimens from over the county as he goes about, and it really is quite an honor to win third in a state as large as Nebraska.

A Horse! A Horse! Growing Farmers A Lucky Lad Doug Succeeds Too

Each Cow For Its Place.
Something should also be said about the dairy division of the fair. There was a nice display of Holsteins and Jerseys, most of them displayed by 4-H club members.

It is the height of foolishness, many think, to try to make a business of milking beef cows. One would proclaim a lad crazy to take a Holstein or Jersey calf and try to feed it for a prize winning beef. The same argument applies to milking whitefaces or shorthorns. They just aren't made for milk. On account of the ridicule the beef men have made of the dairy breeds many men insist on yet trying to make milk cows of the wrong kind of cattle.

Fred Coe asked me to take a look at the Holstein bull belonging to the creamery displayed at the fair. I gave him a look but all bulls look alike to me. However the record of the dam of the bull did impress me. This mother cow gave 10 gallons of milk a day for 90 days and that is a lot of milk for one cow. That is more than many people can say for three cows.

As a final word to the fair management, I heard several say they thought it would be better if a good rain storm were ordered on fair days in place of wind storms. The managers were indeed unfortunate to run into such terrible days.

IT HAPPENED IN ORD.
The grasshoppers got about everything in some parts of the city and county this summer and they did quite a lot of damage at the Frank Adamek place in Ord. But the hoppers overlooked one bet, and Mrs. Adamek has a nice crop of hops the hoppers didn't get.

One Ord man was much put out Saturday morning. He was too busy Friday night to listen to the Galento-Nova fight, and so he tuned in to both WOW news towers Saturday morning hoping to hear something about it, but all he got was war news. He says the radio

ought to put out some really important news part of the time, anyway. At the fair Tuesday afternoon the wind was blowing a gale, as you will recall, and the dust was whirling around everywhere in blinding clouds. It was rather amusing, under the circumstances to hear a lady giving instructions to a group of her offspring: "Now children," she admonished, "Don't get hurt, and don't get all dirty."

Archie Bradt tells some tall ones perhaps, but he claims he can prove this one. He says there are several beaver which come swimming up the river somewhere below the dam in the evening. They play around in the water for a while and then go back down the stream. They must know they are protected for they do not seem to be afraid.

Saturday Tom Borovka got an armful of groceries at the Council Oak, among them a bunch of celery, which the clerk wrapped up, but failed to break the string. Tom walked out of the door, across the street east and half way down the alley before he discovered he had been unceling string all the way.

Leland Barrett, area supervisor for this NYA district, attended a state NYA staff meeting held at Sidney from Thursday until Saturday last week.

# North Loup

Written by Mrs. Ethel Hamer

Mrs. Fred Lundsted and children accompanied the Victor Cooks to North Loup Sunday and will spend the week in the D. S. Bohrer home. Mrs. Lundsted will drive up from Hebron after them the last of the week.

Mrs. Albert McMIndes and Gladys returned to their home at Atkinson Friday after spending a week in the Bill McMIndes home.

Mr. and Mrs. Ed Mulligan were dinner guests of Mr. and Mrs. Harry Jeffries and spent the afternoon with Mr. and Mrs. L. J. Miller.

Mrs. H. J. Hoepner entertained a number of ladies in honor of her mother, Mrs. Abner Goodrich on Thursday evening.

Sunday Mr. and Mrs. J. M. Fisher celebrated their forty-fifth wedding anniversary which occurred on Saturday. Present at the dinner were Mr. and Mrs. Rollan Fisher and son Gordon of York, Mr. and Mrs. Harold Fisher, Gerald and Lucienne, Mr. and Mrs. C. B. Clark, Charles, Merlyn and Nettie, Mr. and Mrs. Clifton Clark and Mr. and Mrs. J. L. Cruzan. The table decorations were green and white and the cake sent by a friend in York

had green and white decorations and was topped by an old fashioned bride and groom. The centerpiece was a bouquet of roses that Mrs. Rollan Fisher's parents, Mr. and Mrs. Stewart of York sent. An air mail letter from Mr. and Mrs. Donald Fisher of Los Angeles was received during the day. Married in 1894 when times were hard at the home of the bride's father, Joe Clark on Davis Creek, the ceremony was simple and was performed by her father, who was justice of the peace. They went to house-keeping in a sod house on a farm on Davis Creek, which was their home for ten years when they moved to their farm in the Barker district where they had built a new frame house. Fifteen years ago they left the farm for their son Harold to operate and bought their present home in North Loup. Their yard is always gay with flowers in season and when winter comes their windows are a beautiful flower garden. Many a person has been cheered by a bouquet from Mrs. Fisher. May they have many more anniversaries. C. B. Clark was present at the wedding in 1894 and at the dinner Sunday but no

other wedding guests were near enough to go. Leighton McGinley entertained about forty young people with a weiner roast at the chalk hills on Monday night honoring his cousin, Phyllis Jean Schultz of Torrance, Calif. Mr. Houtchens and Mr. Pearson were sponsors.

Cal Lee and Walter Huebner returned Sunday from Illinois. They plan to return after popcorn days to pick corn.

Mr. and Mrs. Ben Nelson entertained a group of friends with a weiner roast at the chalk hills on Sunday night. Guests of honor were Mr. and Mrs. Chas. Schultz Duane Schultz and Mrs. Florence Peckham of Torrance, Calif.

Mrs. Elma Mulligan celebrated her 82nd birthday Tuesday with a dinner at her home with Mr. and Mrs. Ed Mulligan of Dix, Nebr., and Mr. and Mrs. Annual Frazer and Mr. and Mrs. Anson Frazer present. Born in Marshfield, Ia., Mrs. Mulligan grew up there and was married in 1886 with her husband she moved to Valley county, living on a farm in Mira Valley until they moved to North Loup. Since the death of her husband she has lived alone most of the time and is able to get to town to do her own shopping. She is the mother of four sons, all of whom are living, and four daughters, three of whom have passed on. She has sixteen great grandchildren and eighteen grandchildren.

Chas. Faudt spent Tuesday last week in Lincoln attending a meeting of the State Farm Insurance company and Wednesday in Grand Island at a similar meeting.

Clyde Barrett spent Friday in Grand Island on business. Ivan Miller, Keith Watts, Ervin Bartz and Paul Goodrich spent last Monday in Omaha.

Cecil Barrett drove to Lincoln Tuesday taking Dorothy Eyerly and Bill Cook down to enter the university. Frances Meyers is assisting in Barrett's cafe this week and Mrs. Edward Paddock in the Ideal cafe. A man who drove a car with an Ohio license plate was in town on Monday and tried to work a change swindle in several places. He made a small purchase giving a dollar bill in payment and after receiving his change asked for the bill back saying it had a serial number he wanted to keep and he would give another bill. After working the scheme at two cafes he went to the drugstore and Mr. Vodehnal called Marshall Coleman who made him restore the money obtained and leave town.

The John Palsler family spent Sunday with Mrs. Stella Kerr and family. Guy Kerr and Walter Thorngate, who left last week for California have arrived at Berkeley where Guy expects to remain and Walter has gone on to northern California to visit his brother, Arthur. They visited the Orlo Thrashers at Green River, Wyo., on their way out.

Charles Clark came home from Lincoln Tuesday and is spending the week here. Nettie Clark came over from her school work at Madison Friday night, accompanied by Inez Eberhart of Ord. They returned Sunday afternoon.

Mr. and Mrs. Ernest Jackman and Mrs. Kate Jackman of Grand returned Saturday to their home after Mrs. Kate Jackman had spent the week with Mr. and Mrs. A. H. Jackman while Mr. and Mrs. Ernest Jackman were in Lincoln attending the Methodist conference.

Everett Manchester returned on Thursday to Kearney where he will again be a student in Kearney college.

Mr. Pearson spent the week end with friends in Hastings. The Kings Herald held the first meeting of the year Saturday afternoon with Mrs. Grace Nelson. They packed a Christmas box to send to a missionary and elected officers. Donna Manchester is the new president, Grace Sims, vice president, Charlotte Jones, secretary and Donna Fay Fortis, treasurer. Mrs. Nelson served refreshments of ice cream and cake.

Helen Pokraka of Denver and Ann Pokraka of Canada were last Thursday night guests of Mr. and Mrs. Ign. Pokraka.

Mr. and Mrs. Merle Barnes and Cora Lee of Aurora spent the week end at the Allen Sims home. Grace Sims celebrated her birthday Thursday by having Ila Jean and Venetta Roby and Donna Fab Fortis as her supper guests.

Mrs. Elizabeth Harding went to Grand Island on the Thursday evening bus. North Loup is celebrating its 37th annual Popcorn Days this week. Tuesday being entry day. Mrs. A. H. Babcock and Mrs. Leona Babcock are in charge of the art exhibit and Mrs. W. W. Willis and Mrs. Mills Hill of the school exhibit. Miss McClatchey was down from Ord Tuesday morning to judge the school exhibits and the other exhibits were judged Wednesday. A pavement dance each evening with Harry Collins orchestra furnishing the music, is to be held. The pavement has been cleaned and liquid glass applied to make it smooth. The queen of Popcorn days has been elected by popular vote and will be crowned Wednesday night. Her identity is a secret.

Mr. and Mrs. Clifford Goodrich spent Tuesday afternoon in Grand Island. Mr. and Mrs. Carl Unger of Ravenna and Mrs. Wm. Waddington and baby of Cairo came up Tuesday bringing Mr. and Mrs. Ed Post who had spent the week with them, home. Mrs. Unger and Mrs. Waddington remained for a few days. # The Valley County Fair IN PICTURES

## Who's Who In The Pictures

(1) Lonnie Nelson and his grand champion baby beef. There were 33 more of them very nearly as good. (2) Team of draft horses which took first place at the fair, exhibited by Floyd Arnold and belonging to Mrs. Lydia Koelling. Jerry, the one on the right, took second place as individual. (3) Red Iverson, driving No. 14, and Ralph Foster, at the wheel of No. 33, mixed at the west end of the track, one of Foster's tires blowing out. A moment later Foster picked up a bale of straw and pushed it half way around the track, finally coming in fourth place. It was the final race of the fair. (4) Will Fuss, chief of police, and his saddle mare, Judy, who knows a lot of tricks and likes to perform. (5) Grand champion Duroc Jersey sow raised and shown by W. F. Eglehoff and son of North Loup. (6) Duane Wolf, son of Harry Wolf, tames a broncho on the merry-go-round. (7) Vic Shay in car No. 5, a Norberg special, went spinning at the west end of the track in the feature event Wednesday evening. With some help from the photographers he got back on the track and came in fourth. No. 38, driven by Vic Roth is in the background. (8) This shows the dairy calf club winners and their calves. At left is Don Miller and winner of group 2 in grade calves. In the center is the winner of first in registered calves and the grand champion, shown by Delivan Kingston, owner, Arcadia. At the right is Earl Drake showing the winner of group 1 in grade calves. He is also from Arcadia. (9) Floyd Wetzel took first place with his fine collection of agricultural products, with 30 firsts, 50 seconds and 3 thirds. G. D. Barber was a close second with 25 firsts, 36 seconds and 2 thirds. Most of these were exhibited at the Nebraska state fair. (10) Mrs. Curt Wilson, left, took first place in canned goods, pickles, fruit, preserves and butter, and Mrs. H. C. Koll, right, took first place in canned meats and jellies, of which she had 20 different varieties. (11) One of the bingo games. There were two of them and they received a liberal patronage all through the fair. (12) The high school agriculture class is judging dairy cattle, under the direction of the Smith-Hughes teach, J. A. Kovanda, left. (13) Lyle Hanson, who won first place with his spotted Poland Chinas, first for boar, second for gilt, and first for litter. (14) These girls, Mavis Schudel, left, and Darlene Mulligan, right, are explaining how to make a portfolio in the 4-H club work. Each club gave a demonstration similar to this. (15) Mrs. Frank Penas won high in poultry with her white Wyandotte fowls and white Pekin ducks. She won 3 firsts and 3 seconds as well as first place for the exhibit of chickens, ducks and eggs. Last year she won second place on her exhibit.

Something Different

The grasshoppers did me a favor last year, though I didn't realize it until this year. They did some fancy pruning for me. They moved in and chewed off the ends of my althea bushes, here in the front yard. I thought the bushes were ruined and would surely die, when lo! they bloomed this year with a dozen flowers for every one they had last year. So it's an ill wind that blows nobody any good, isn't it?

Everyone stops to ask what those bushes are? Well, an althea is sometimes called a Rose of Sharon, and it is a distant cousin of the hollyhock and the marvel mallow. They start to bloom about the time of the year everything else quits, and continue to flower profusely until frost. I think originally we bought six of them, two white and two lavender and two rose colored shrubs. The white and the lavender were double flowered. They have been a pleasure to us for some ten years past, four of them thriving today.

After they had been growing and doing very well for several years a friend told me they were considered very delicate, and were listed in the catalogs as difficult to grow. It's a good thing we didn't know it sooner!

I came across a map this week, one drawn very precisely and carefully by Pat Puson. I like maps and do not throw them away easily. In fact if you have any unusual ones you want to park, you might call me up.

This map suddenly acquired much more significance than it seemed to have when drawn, for the title reads: "A proposed system of military and commercial highways, railroads, airports, pipe lines, power lines and fortified storage areas." And all at once talk about war and fortifications seems rampant.

Once again Ord is placed on the map by the election of one of our residents to an important job. This time it is Mrs. Carol White Mortensen, new president of the American Legion Auxiliary of our state. Having the time and ability to hold such a position of trust, Mrs. Mortensen will undoubtedly proceed to be elected to more and more important offices of the Legion now that she has made a start.

Several times Ord has sent forth sons and daughters to bring home such laurels. Mrs. Anna Holloway was head of the G. A. R. organization of this state a year or two ago, as was Mrs. Cecil Clark, and both did considerable travelling.

And a year or two ago Mrs. A. F. Koupal unobtrusively but charmingly presided over the state P. E. O. councils. Since that time she has moved away, but I am sure Ord still claims her.

There is something about living in Ord that seems to put a permanent impression on one, even though he leaves and lives elsewhere a long time.

A glance at the Quiz' subscription lists would prove this to you in short order. Some of our subscribers did not live here long, and have been away many years. Yet they continue to want the Quiz, to read about the goings and comings, they write back that it is "like a letter from home." When they miss an issue they holler loudly.

And if any further proof is needed that they remain Ordites, look at the way they flock to Ord picnics in Long Beach and the way they join Ord clubs.

Another town which has a similar effect on its people, they tell me, is North Loup. Once you have lived there you are forever proud of it, of its people, and your interest in the town of North Loup never wanes.

—Mr. and Mrs. Ralph Misko, C. J. Mortensen and Art Haberman left early this morning by auto for Portland, Ore., where they will attend the annual convention of the American Bankers' association. They expect also to visit the San Francisco exposition before returning home and will be gone about two weeks.

Celebrate 37th Anniversary. Sunday was the 37th anniversary of the weddings of Mr. and Mrs. S. W. Roe and Mr. and Mrs. Harry Lewis of Taylor, so that morning the Roes drove to the Lewis home above Taylor. There they all got into the Lewis car and drove on up to Brewster, where they ate dinner. They got to see the irrigation in Loup county, and said the crops in that part of the state are good, whether under irrigation or not. They returned home that evening.

Legion Junior Auxiliary. Sixteen members of the American Legion junior auxiliary responded to roll call Saturday by giving their favorite songs. Vice-president Lorigita Achen presided. Interesting reports on the junior conference, which was held in Omaha, were given by Carol Hall and Loretta Achen, who were delegates. Gail Hall told the story of the "Star Spangled Banner." It was voted to meet only once a month during the school term. After the business meeting the time was spent in singing and in playing games. The October meeting will be devoted to the election of officers.

Married At Loup City. Miss Meda Clement, daughter of Mr. and Mrs. Harry Clement, and Don Long, son of Mr. and Mrs. Dick Long, were married by Rev. Peterson of the M. E. church at Loup City on Sept. 7. In honor of them a dinner was given at Bussell Park Sunday. They received many useful gifts.

Stanley Bell Married. The Quiz is in receipt of a clipping from a Long Beach paper telling of the marriage there Sept. 3, of Stanley Howard Bell, younger son of Mr. and Mrs. Fred J. Bell, to Miss Mae Marechal Skelly, which took place at Eagle Rock, the home of Mr. and Mrs. Glen L. Hayes. The bride has been associated with the city school cafeteria department and holds an office in the California State Employees association. Mr. Bell is active in the automobile business.

Picnic Dinner. A picnic dinner was held at Bussell Park Sunday in honor of Mr. and Mrs. Albert Vascek of Ft. Bragg, N. C. Mr. Vascek is a sergeant in the army and this was his first visit home since he enlisted. Those attending were Mr. and Mrs. Albert Vascek, Mr. and Mrs. John Pokorney and daughter, Mr. and Mrs. Rudolph Kerchal, Mr. and Mrs. Frank Bartos and daughters, Max and Geraldine Osenowski, Mr. and Mrs. James Mach, Jr., Mrs. Mary Bartos, Mr. and Mrs. Eddie Mach and family, Mr. and Mrs. Milford Napstek and family, Mr. and Mrs. Joe Vascek and sons, Mr. and Mrs. Jim Turek, Mr. and Mrs. Jim Nevrlka, Mr. and Mrs. Joe Bartos and family, Mr. and Mrs. Roy Nightengale and daughter, Mr. and Mrs. Archie Ashman and their daughter, Ed Pokorny, Mr. and Mrs. Joe Urbanovsky and family, Mr. and Mrs. Fred Martinson and son, Mr. and Mrs. Tom Nedbalek, Mr. and Mrs. Charles Mottl and family, Mr. and Mrs. Jim Braika and family, Mr. and Mrs. Earl Scofield and family, and Mr. and Mrs. Steve Urbanski and family.

Gorgen-Simoens. On Monday, Sept. 11, 1939, at the Catholic Rectory at St. Paul, Rev. John Gleason, pastor of Sts. Peter and Paul church performed the ceremony that made John Edward Gorgen and Miss Elsie-Simoens man and wife. They were attended by Miss Martha Simoens of Ord, sister of the bride, and Floyd Gorgen of Central City, brother of the bridegroom.

Both young people resided in St. Paul a number of years and are well and favorably known. Miss Simoens is a daughter of Mr. and Mrs. Arthur Simoens of Ord. She is a graduate of the St. Paul Business college, and for some time has been employed in the office of the Howard County Rural Public Power district. She was also employed for a time in cafes at Ord and St. Paul, and has many warm friends in both cities.

Mr. Gorgen is a son of Mr. and Mrs. John H. Gorgen of Central City, is a graduate of Grand Island Business college, and has been bookkeeper for the Howard County district for the past two years. He is an exceptionally good penman and in that time has done a fine job of keeping the records of the organization in a neat and workmanlike manner. Following the ceremony the couple left for a wedding trip through the Black Hills.

When You And I Were Young Maggie

September 19, 1929. The Oliver twins, Carl and Cecil, had been married ten years, and they and their wives had a real celebration, being invited to the Harry Tolen home for the occasion. Popcorn Days were held at North Loup and were an outstanding success. Paul Gard was winner in the golf tournament for boys held at the Ord golf course. The season on water fowl opened in this section, but most of the hunters agreed that the hunting was poor, it being too early for migratory birds. Vernie Andersen and Miss Vera Haught were married, Rev. T. C. Perry performing the ceremony. Miss Florence Barnard and Boyd Weed were married at the Lincoln home of Mrs. Everett Tibbs, sister of the bride. Glen Auble won the Sunday golf event, defeating Marlon Larson of Greeley. Mart Wiegardt, M. Larson and L. McBeth tied in qualifying at 38.

September 18, 1919. Mrs. Palle Moller, one of the oldest citizens of Valley county, passed away at age of 82 years. Carl and Cecil Oliver, twin sons of Mr. and Mrs. L. L. Oliver, were both married, Carl to Rachel Flynn and Cecil to Eunice Stroup. Frank Sawdye, 14, was killed while out hunting when the gun he carried was discharged while hunting near Burwell. Miss Gladys G. Gudmundsen became the bride of Henry J. Enger, the ceremony being performed by the bride's father, Judge H. Gudmundsen. Alexander Norman, one of Ord's best known attorneys over a long period of years, passed away at the age of 61 years. The new clothing firm of Perryman-Hill was organized, with P. C. Perryman and Alfred L. Hill as the members.

September 16, 1909. The old Cernik building on the north side of the square was removed to the Woodbury addition. In order to get it out it was necessary to take down telephone and light poles and wires, and general confusion resulted for a day or two. Miss Hazel Rogers went to York to attend college there. Yankee Robinson's shows were billed for Ord on Saturday, and were to set up on the fair grounds, the only place big enough for them. E. L. Johnson returned from a hog purchasing trip to Kansas, and brought back a shipment of 900 head. The walls were going up very rapidly on the Firkins building on the north side of the square. The Ord high school reported a first day enrollment of 130, the largest in the school's history. There were 61 freshmen, 31 sophomores, 18 juniors and 13 seniors.

September 22, 1899. Mr. and Mrs. George Eberhart celebrated their golden wedding, with thirty guests present. Ord had its Will Rogers. Mr. and Mrs. Will Rogers returned from a two week's visit to Greeley, Neb. The democrat and populist parties were still separate entities in Valley county. They held their county conventions the same day in Ord, but in different places, and

Can You Buy Better Meats At Fairer Prices

Day in, day out, year in, year out, it will pay you to buy all your meats at our market.

One day you might save a few pennies at some other market, the next day it might cost you a few pennies more. Some markets offer so-called "specials" for certain days—our market never does. Fair prices every day on high quality meats is our policy, and on that policy the half century of successful operation this market has had, has been built.

A good habit for you to form is that of buying ALL YOUR MEAT at our market. Such a habit will pay you dividends in the form of better meat, and in the long run you will spend less money.

September 20, 1889.

Arrangements had been made to take the buffalo out of Woodlawn Park in Lincoln and bring them to Ord for exhibiting at the county fair. That might be an idea for Ed Kokes to think about.

A new law had just gone into effect which numbered the townships in the county, the odd numbered ones holding their elections in the odd years and the even ones in the even years. There was one supervisor for each township under the setup, and one for Ord city, 16 in all.

Daughters were born to Mr. and Mrs. J. A. Patton, and to Mr. and Mrs. D. A. Gard.

John Fogt was in the bee business and was making a great success of it.

A fire was started in Wisda's Bakery at a time when the door was locked, and the firemen had to break in. A few buckets of water put out the fire. The firemen arrived on the job in 3 minutes.

John F. Kates, formerly of Ord, was leading a brass band in Grand Island and doing a good job of it.

September 19, 1881.

Because the band was receiving no pay whatever for their work, and had not been paid what they were promised for playing at the July 4 celebration, the boys had not been playing for the public during the summer.

The large county of Wheeler had been divided into the east and the west halves, and the citizens were to meet and vote as to where the new county seat was to be located.

T. T. Bell was to go to Cedar City as instructor of the Wheeler county institute to be held there. Cedar City was located northwest of the present Ericson, but nothing is left to mark the place today.

The plasterers were putting on the finishing coat in the Woodbury and Mortensen buildings.

The brick layers and Contractor Dilts went to Omaha and hired six men from there.

A new school district, No. 46, had been formed just west of North Loup, and election of officers was to take place Sept. 29.

LEGAL NOTICE Notice is hereby given that by virtue of an order of sale issued by the District Court of Valley County, Nebraska, in an action pending in said Court wherein Carlino Appelt and Myrtle Clark are plaintiffs and Blanche E. Appelt, wife of Carlino Appelt, and others are defendants, being Case No. 4059 in said Court, directing me as Referee to sell the following described real estate, to-wit:

The East Half of Lot One (1) in Block One (1) in West Ord Addition to Ord, Valley County, Nebraska. I will sell said real estate at public auction on Saturday, the 14th

day of October, 1939, at 2 o'clock P. M. of said day at the west main door of the courthouse in the city of Ord, Valley County, Nebraska. Terms of sale, fifteen per cent cash, on day of sale, balance on confirmation. H. B. VanDecar, Referee. Sept. 13-5t.

Munn & Norman, Attorneys. Notice of Hearing for Determination of Heirship In the County Court of Valley County, Nebraska.

In the Matter of the Estate of Carrie Lickly, Deceased.

To all persons interested in said Estate, both creditors and heirs: Take notice that Mary Alice Stoltz has filed her petition in said Court alleging that Carrie Lickly died intestate on or about March 19th, 1934, being a resident and inhabitant of the City of Ord, Valley County, Nebraska, and the owner in fee of Lot 5, Block 24 of the original Townsite of the City of Ord, Valley County, Nebraska, leaving as her sole and only heirs at law Mary Alice Stoltz, a daughter, John D. Lickly, a son, and Charles T. Lickly, a son; that said Petitioner is a daughter of the Deceased.

Said Petition prays for a determination of the time of the death of said Deceased, a determination of her heirs, and the degree of kinship, and the right of descent of the real property belonging to the Deceased; for a Decree barring all claims and demands against said Estate.

Said Petition further prays for a finding that the Deceased died intestate more than two years prior to the filing of said Petition; that no application has been made in the State of Nebraska for the appointment of an Administrator and said Estate has not been administered and no Administrator has been appointed in the State of Nebraska; that the heirs at law of said Deceased as above set forth shall be Decreed to have succeeded to the ownership in Fee Simple of the above described real estate and for such other and further relief as may be just and equitable.

Said matter has been set for hearing before me on the 3rd day of October, 1939, at the hour of ten o'clock A. M., of said day in the County Court Room, in the City of Ord, Nebraska.

Dated at Ord, Nebraska, this 8th day of September, 1939. JOHN L. ANDERSEN, County Judge of Valley County, Nebraska.

Sept. 13-3t.

BACK FORTY By J. A. Kovanda

Strawberry clover is so called because its blossoms resemble strawberries. This new crop sold last season for as much as \$4 a pound, and yielded as high as 400 pounds per acre. Some of it was tried in Valley county, but failed to respond because of drought. The plant is used chiefly for grazing purposes. The writer saw an irrigated Colorado meadow of strawberry clover that was carrying 4 Guernsey cattle per acre. Incidentally these cows held a world production record for all breeds.

A few patches of strawberry clover had been started in this pasture. They spread rapidly and soon crowded the weeds and various forage grasses out. The animals would not touch other vegetation while they had the clover to herd on.

Strawberry clover is best adapted to wet land, it will survive flooding for many weeks, and likewise do well on salty, alkali, and acid soils. It can stand some drought, but should only be planted in extremely low or irrigated fields. It will tolerate a wide range of

temperatures varying from high summer heat to 40 degrees below zero. It will also endure much tramping, and is regarded as a good honey plant.

Some drawbacks to strawberry clover are its cost, and susceptibility to dry weather. It seldom grows tall enough for hay. The seed is difficult to get, and harvesting is generally carried on by hand.

Move Store In Hurry.

Sunday the Council Oak store at Burwell was moved from the Beynon building across the corner from the court house to the O. J. Miller building on the south side of the square. The local crew was assisted by managers and helpers from Ord, Albion, Norfolk, Newman Grove, Bassett and Elgin, and by two supervisors from Sioux City. The entire stock was moved and ready for business by 4 p. m. Frank Dubsky and his assistant,

Jerry Samla, of the Ord store were in attendance.

## My Own Column

By H. D. Leggett

Dear Quiz:

This is Saturday evening, September 16th, we have just finished up a strenuous week of making improvements on our lake front grounds. I have told you that we rebuilt our rock garden. Then we cleaned the shore line, taking off sod between the Fenner lot and the dock on our south property. There was quite a bank of sand pushed up through the years by the ice as it went out in the spring. This made a soggy depression all along the shore line just back of the bank at the edge and all this depression was good for was a safe haven for frogs and sow thistles and Canada thistles. Well, we took this all off and hauled it back to fill an old rubbish hole in the back of the lot. Then we had Jimmie Luther haul in numerous loads of sand which we spread on the lake front after we had shoveled it all off to make a gradual slope from the top of the bank down. It is a grand improvement. Then we built a set of cement steps from the top of the bank down to our dock. These steps are 42 inches wide, nice and easy and I think it makes a nice improvement. The dock and beach, which now extends from the top of the bank to the water's edge and is something like 15 feet wide, will make a place for the children to play. There were more or less depressions all over our yard and we have filled them with good black dirt and as there was a nice bluegrass sod and as the fill is nowhere more than two or three inches thick, I expect the bluegrass to come right up through the new dirt where the fills are and that next year we will have a much easier yard to mow. We also prepared several new flower beds and while we have had lots of nice flowers this year, we expect to have many more next year. Two new flower beds are devoted to the perennials which we took out of the rock garden. Another will be devoted to phlox, though we will not feel able to fill it this fall, so we will have until next fall, when we think we can divide the phlox plants and perhaps fill the bed. We have been putting the finishing touches on the yard today by raking it to get all rubbish off after a week of making more or less litter while doing our work.

Mrs. Clate McGrew and son Lloyd drove in one day this week and are spending a few days here, occupying the Ed Michalek cottage. They are out on the lake much and Lloyd says he is getting lots of fish, is having a fine time and is making plans to come again next year for a garden. We were glad to entertain them for dinner the day they drove in.

Contrary to what I thought would be the case, there are many boats and many fishermen on the lakes every day. I thought that Labor Day would see most of them gone. I think they took the kids home and started them to school, then came back to resume their fishing. But bass and walleye fishermen are being disappointed, for these varieties of fish refuse to bite at this time. Work as they may, they come home from Pelican and Gull and Hubert without fish or with two or three small specimens. The alibi is that this hot weather is not as soon as it turns cool they will bite again. It does seem like the season has been reversed this year. Usually August here is hot and September cool. Most of August was cool this year and most of September to date has been unreasonably hot. Minneapolis reported 99 yesterday and similar readings were reported over this state and Wisconsin. I hear the weather reports every day and while I sympathize with you Valley county folks for having such hot weather we have also been having it too warm for comfort. Of course it don't get to anything like 99 or 100 out here around the lakes but I suppose we have had higher than 90 readings several days this week. It turned cool Friday noon and there were scattered showers all afternoon and today has been cool enough so a little fire was appreciated most of the day and this evening a good blaze is necessary if we are to be comfortable. The fishermen are saying that now, with two or three days of cool weather, the bass and walleyes will start.

The pan fish have been doing all right in our middle lake but it has been hard work to catch even bluegills in the upper lake. Last evening Oscar and I went out when we quit work at 5 o'clock and were back at the cottage 45 minutes later and had our limits of very nice bluegills. Tonight the Missus and I went out and repeated the operation. I dressed 10 nice ones for our Sunday dinner and gave the balance of the catch to the neighbor who didn't have any luck getting them for himself. I used my glyrod entirely and it is great sport to handle those big bluegills, most of them half a pound or over, on a 6 ounce rod.

The Gelows finished their vacation and left Friday for their home in Grand Island. They have rebuilt their cottage and beautified their lot this year and plan on coming earlier next year and staying longer. Mr. Fenner has completed his out-of-doors oven and is busy cleaning up his yard and plans on having black dirt hauled in to cover and level it and will then seed it to bluegrass and white clover.

The Missus and I are getting the things done that we want to

do this fall, and it will not be long now until we will be coming back to Ord for another eight months of attending strictly to business. We read Eugene's letters about the kind of weather you are having there though and hope to stay here until that brand of weather is swapped for a better brand. We are anxious to get home; we want to see the children and grandchildren and friends; I feel that I should be there to help out with the work at the Quiz office, but I don't banker after any of that 100 degree weather with hot winds and dust coming from the southwest.

## WE'RE WORKING FOR YOU!

Yes, even if you don't drink beer, our job concerns you. Why? Because the brewing industry is one of the state's major taxpayers, because its payrolls support over 3,000 Nebraskans, because through purchases and operating expenses the breweries stimulate every Nebraska business, either directly or indirectly.

Help protect the beer industry! WE are assisting law enforcement officials with our good conduct program. YOU can do your part by reporting disorderly taverns and by patronizing only reputable dealers. The brewers, beer distributors and beer retailers ask your co-operation!

## My Own Column

By H. D. Leggett

Dear Quiz:

This is Saturday evening, September 16th, we have just finished up a strenuous week of making improvements on our lake front grounds. I have told you that we rebuilt our rock garden. Then we cleared the shore line, taking out sod between the Fenner lot and the dock on our south property.

There was quite a bank of sand pushed up through the years by the ice as it went out in the spring. This made a wet, soggy depression all along the shore line just back of the bank at the edge and all this depression was good for was a safe haven for frogs and sow thistles and Canada thistles. Well, we took this all off and hauled it back to fill an old rubbish hole in the back of the lot. Then we had Jimmie Luther haul in numerous loads of sand which we spread on the lake front after we had shoveled it all off to make a gradual slope from the top of the bank down. It is a grand improvement. Then we built a set of cement steps from top of the bank down to our dock. These steps are 42 inches wide, nice and easy and I think it makes a nice improvement. The sand beach, which now extends from the top of the bank to the water's edge and is something like 15 feet wide, will make a fine place for the children to play. There were more or less depressions all over our yard and we have filled them with good black dirt and as there was a nice bluegrass sod and as the fill is nowhere more than two or three inches thick, I expect the bluegrass to come right on up through the new dirt where the fills are and that next year we will have a much easier yard to mow. We also prepared several new flower beds and while we have had lots of nice flowers this year, we expect to have many more next year. Two new flower beds are devoted to the perennials which we took out of the rock garden. Another will be devoted to phlox, though we will not feel able to fill it this fall, so we will have until next fall, when we think we can divide the phlox plants and perhaps fill the bed. We have been putting the finishing touches on the yard today by raking it to get all the rubbish off after a week of making more or less litter while doing our work.

Mrs. Clate McGrew and son Lloyd drove in one day this week and are spending a few days here, occupying the Ed Michalek cottage. They are out on the lake much and Lloyd says he is getting lots of fish. He is having fine time and now he is making plans to come again next year for a real vacation. We were glad to entertain them for dinner the day they drove in.

Contrary to what I thought would be the case, there are many boats and many fishermen on the lakes every day. I thought that Labor Day would see most of them gone. I think they took the kids home and started them to school, then came back to resume their fishing. But bass and walleye fishermen are being disappointed, for these varieties of fish refuse to bite at this time. Work as they may, they come home from Pelican and Gull and Hubert without fish or with two or three small specimens. The albit is that the hot weather is what is the matter with fishing; that as soon as it turns cool they will bite again. It does seem like the season has been reversed this year. Usually August here is hot and September cool. Most of August was cool this year and most of September to date has been unreasonably hot. Minneapolis reported 99 yesterday and similar readings were reported over this state and Wisconsin. I hear the weather reports every day and while I sympathize with you Valley county folks for having such hot weather we have also been having it too warm for comfort. Of course it don't get to anything like 99 or 100 out here around the lakes but I suppose we have had higher than 90 readings several days this week. It is a nice cool Friday noon and there were scattered showers all afternoon and today has been cool enough so a little fire was appreciated most of the day and this evening a good blaze is necessary if we are to be comfortable. The fishermen are saying that now, with two or three days of cool weather, the bass and walleyes will start.

The pan fish have been doing all right in our middle lake but it has been hard work to catch even bluegills in the upper lake. Last evening Oscar and I went out when we quit work at 5 o'clock and were back at the cottage 45 minutes later and had our limits of very nice bluegills. Tonight the Missus and I went out and repeated the operation. I dressed 10 nice ones for our Sunday dinner and gave the balance of the catch to the neighbor who didn't have any luck getting them for himself. I used my flyrod entirely and it is great sport to handle those big bluegills, most of them half a pound or over, on a 6 ounce rod.

The Gelows finished their vacation and left Friday for their home in Grand Island. They have rebuilt their cottage and beautified their lot this year and plan on coming earlier next year and staying longer. Mr. Fenner has completed his out-of-doors oven and is busy cleaning up his yard and plans on having black dirt hauled in to cover and level it and will then seed it to bluegrass and white clover.

The Missus and I are getting the things done that we want to

do this fall, and it will not be long now until we will be coming back to Ord for another eight months of attending strictly to business. We read Eugene's letters about the kind of weather you are having there though and hope to stay here until that brand of weather is swapped for a better brand. We are anxious to get home; we want to see the children and grandchildren and friends; I feel that I should be there to help out with the work at the Quiz office, but I don't hanker after any of that 100 degree weather with hot winds and dust coming from the southwest.

H. D. Leggett.

## WE'RE WORKING FOR YOU!

Yes, even if you don't drink beer, our job concerns you. Why? Because the brewing industry is one of the state's major taxpayers, because its payrolls support over 3,000 Nebraskans, because through purchases and operating expenses the breweries stimulate every Nebraska business, either directly or indirectly.

Help protect the beer industry! WE are assisting law enforcement officials with our good conduct program. YOU can do your part by reporting disorderly taverns and by patronizing only reputable dealers. The brewers, beer distributors and beer retailers ask your co-operation!

## Estimate Popcorn Days Crowd At 7,000; Most Ever

### No. Loup Community Much Pleased Over Success of Annual 2-Day Event.

North Loup's 37th annual popcorn festival was attended by record breaking crowds, estimated at 2,000 Wednesday evening and at 5,000 Thursday. The people enjoyed themselves immensely but were very orderly at all times, so well-behaved, in fact, that the Thomas Amusement company complimented the town very highly. A count of cars Thursday evening showed 768 parked about the business section, with many more in the residence district.

Ten thousand sacks of pop corn were popped and given away under the direction of Mr. and Mrs. Gus Eisele, who were assisted by many others. The pop corn committee, of which H. L. Gillespie was chairman, feels very grateful for the assistance and co-operation given by many. Financially the celebration was a success also, as the tickets sold and the money taken in from the open air dance and other sources left a nice balance for next year.

Tuesday evening the chief attractions were the pavement dance, with Harry Collins' orchestra of Grand Island furnishing the music, a dance at the Legion Hall with Joe Lukesh's KMMJ orchestra and the carnival. Wednesday afternoon the chief attraction was the juvenile parade sponsored by the juvenile Fortnightly club, in which many participated, with prize winners as follows:

In the miscellaneous class first place went to Pleasant Hill school for their presentation of a circus, and second place to Catherine Sevranice, who was dressed as Tony Galento. In the goat cart group DeLores and Gary Cox received first with a large blue goat, and Jeanette Williams second as the old woman who lived in a shoe. In the doll bugles Connie Noyes was given first and Angela Vandewalle of Cedar Rapids, second.

Belva Babcock, dressed as a gold prospector and leading a goat, took first in the pets division, and Kay Rae McGinley second with her pet chicken. In the coaster wagon class, the Ross Williams and Don Horner children, dressed as grasshoppers on a devastated field, were first, and the Clark Roby children representing a doctor and nurse with a stork and a wagon full of dolls, took second.

The sweepstakes went to Idona Vodehnal with her sister Wilma as Jack-in-the-box. Second sweepstakes was Connie Manchester with a bumper crop of irrigated vegetables behind her decorated bicycle. Following the parade North Loup and O'Neill played baseball on the athletic field, the visitors winning by a score of 6 to 1.

The adult amateur hour Wednesday afternoon gave Laverne Hutchins and Warren Brannon first with a piano duet, Warren Brannon second with a tubbone solo, and Mavis Schudel third with a vocal solo. The children's amateur hour Thursday gave first place to a one act play by the Davis Creek school, second to Donna Manchester, Neva Brannon and Phyllis and Belva Babcock, who played a piano quartet, and third to 3-year-old Lou Gies, who sang "Mary Had a Little Lamb."

The parade Thursday afternoon, sponsored by the Fortnightly club, was in five divisions. In the clubs, the No-Lo club was awarded first with a Georgia cotton field float, and Highway View took second with a yellow and gold Nebraska. Horace received first in two room schools, with a clever presentation of Scattergood Baines, and North Loup 7th and 8th with Death Valley Days took second.

Dist. No. 43 took first in one room schools with Helgh-Ho, and Dist. 38 took second with Mary Had a Little Lamb. In the Sunday school division the Seventh Day Baptists took first place and the Friends took second. In business houses, the Farmers Store took first and George E. Johnson, second. The parade on both days were led by bands, the St. Paul band on the first day, and the Scotia and Burwell combined band the second day.

The coronation program at the community building on Wednesday evening attracted a large crowd. An 80 piece band comprising the North Loup and St. Paul bands gave an hour's concert before the crowning of the queen. The Neighborly club was in charge of

### Rotarians Meet at Onyx.

Members of the Rotary club enjoyed their weekly dinner Monday evening at the Cafe Onyx instead of at their usual place, Thorne's. Speaker was Rev. C. L. Hill of North Loup who contrasted the splendid feeling now existing between his community and Ord with the intense rivalry of some years ago. George Mayo, of North Loup also was a guest.

## Pearson Arraigned on Embezzlement Charge, Gets 3-Year Parole

Max Pearson, former manager of the Sinclair bulk plant in Ord, was arraigned here Saturday on an embezzlement charge filed at the instance of his former employers. The amount involved was \$89,644. He waived preliminary hearing in Judge Andersen's court and was bound over to district court under bond of \$1,000 signed by Frank Piskorski. Before District Judge E. G. Kroger at Grand Island Monday he pleaded guilty to the charge but it was testified that he has since made full restitution of funds allegedly embezzled. The charge carries a penitentiary sentence of 1 to 7 years but upon recommendation of County Attorney John P. Misko, the judge paroled Mr. Pearson to an uncle living in Lincoln for a 3-year period. If he violates terms of the parole he will be returned to Ord for sentence but if he lives up to them he will be free at the end of that period. Pearson has been employed in Lincoln for the past several weeks.

## Joseph Verzal Dies of Heart Ailment

Joseph Verzal, farmer living near Ocean, passed away rather suddenly Saturday afternoon at 2 p. m., the cause of his death being a heart ailment. He was born in Poland, March 31, 1874, and was 65 years, 5 months and 23 days of age at the time of his death. His death occurred under circumstances similar to that of his brother Charles, who passed away last May 14 at his farm northwest of Ord. His immediate family consists of his widow, who has been helpless from paralysis for several years, and a 7 year old son.

Funeral services, with Fraziers in charge, were held at the Ord Catholic church Tuesday morning at 9 a. m., and burial was made in the Ord Catholic cemetery. The brothers and nephews of his widow acted as pallbearers. The rosary service was at the Ord Catholic church at 8 a. m. Monday.

Two brothers preceded him in death about twenty years ago, and his brother Charles died last May. Living are: six sisters, Mrs. Annie Shogwaller of Omaha, Mrs. Mary Hagemann of Ponoka, Alberta, Canada, Mrs. Kathrine May, Mrs. Sophia Novak, Mrs. Ina Klimek and Mrs. Rosalie Wozel, and a brother, John, of Compton, Calif.

## Kenneth Leach Winner of Gates 'Mystery Man' Prize

When a stranger drove into the Corvett station recently with smooth tires on the front wheels of his car, Kenneth Leach got busy and tried to sell him some new tires. Thursday Leach got a check for \$5 by mail from the Gates tire company, stating that the man was the Gates "mystery man," who drives around the country finding out which tire salesmen are wide-awake.

### 14th Burson Has Operation.

Harry, 12-year-old son of Mr. and Mrs. Ralph Burson, had an operation for appendicitis Friday at the Ord hospital, surgeons being C. J. Miller and F. A. Barta. He is the fourth member of the Burson family to have this operation within a year, others being Mr. Burson, Mrs. Burson and a 5-year-old daughter.

### Visiting Rural Schools.

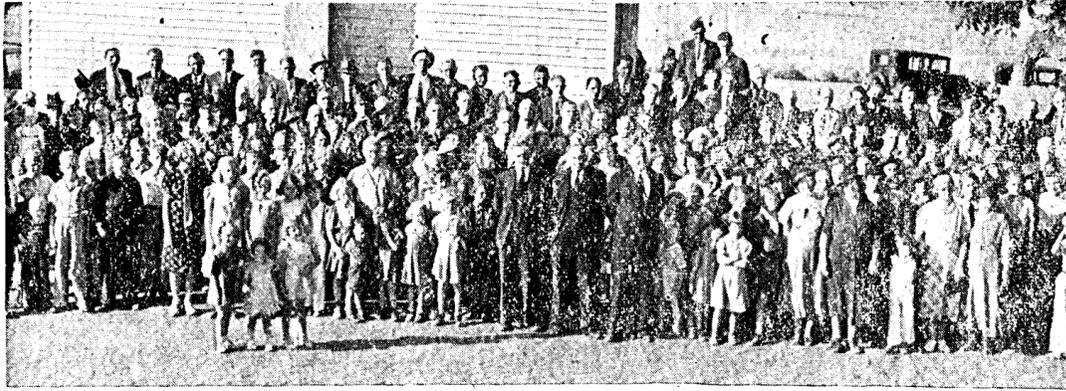

This week Miss Clara McClatchey, county superintendent, began the task of visiting the rural schools, a job that will take quite a long time. While she is busy at this work, Mrs. Adolph Sevenker is keeping the office open and looking after the work there.

## Ersel Goodrich Crowned Pop Corn Queen As Thousands Cheer

The 1939 queen of Pop Corn Days was Ersel Goodrich, it was revealed last Wednesday evening, and the coronation ceremony pictured above was witnessed by at least 2,000 people. Rev. C. L. Hill, master of ceremonies, introduced the Pop Corn Queen to the crowd. Here Queen Ersel is seen with two of her maid-of-honor and two pages who bore the crown and scepter.—Quiz photo.

## 50th Anniversary of St. John's Lutheran Church of Mira Valley Observed Sunday

On Dec. 27, 1889, St. John's Lutheran church of Mira Valley was organized by Rev. A. Groerich, a traveling minister serving several small preaching stations in Valley and adjoining counties. Last Sunday the 50th anniversary year of this church was properly observed with a crowd of about 400 members and former members present, most of them being pictured in this Quiz photo.

Services were held both morning and afternoon, two former St.

John's pastors—Rev. C. Ernstmeier, of Jensen, and Rev. A. Boehnke, of Potter—assisting the present pastor, Rev. Bahr. People from Burwell, Scotia, Ashton, Grand Island, Shelton and Worms were present, special music by the choir was enjoyed and meals were served by the ladies' aid society.

Charter members of St. John's were John Bremer, Ferdinand Vergin, Carl Schmidt, Albert Malottke, Louis Miller and Carl Kupke, all of whom are deceased. The first re-

sident pastor was Rev. E. Jost, 1892 to 1894, then came Rev. Walner, 1894 to 1901, Rev. Hellwege, 1902 to 1918, Rev. Ernstmeier, 1918 to 1924, Rev. Boehnke, 1924 to 1929, and the present pastor since that time.

In 1900 a parsonage was erected and in 1902 the church was built. In 1925 both parsonage and church were moved to the present location and the church was enlarged. In 1932 St. John's became a member of the synod and in 1931

a Walther League was formed. In 1934 the congregation decided to have a Zion day school and the basement of the church was equipped for this school, Alfred Bangert being employed as a temporary teacher. In 1936 his appointment was made permanent.

Present voting membership of the church is 28, with 79 communicants and 133 persons in the families of voting members. Sixteen children attend the day school.

## Geweke, Dale, Speak on Facts and Fun Program

How farmers in Valley county have used spring and fall irrigation to advantage will be related on the regular Farm Facts and Fun radio program over a state-wide network on Saturday, Sept. 30. Appearing on the half-hour broadcast will be Archie Geweke, prominent Ord farmer and president of the North Loup valley water users' ass'n, and Carl C. Dale, Valley county agricultural agent.

Geweke will describe his farming operations in the North Loup irrigation district and some of his experiences in his first year of irrigating. Dale will discuss irrigation developments in the Middle Loup and North Loup valleys and how individual farmers have utilized irrigation to the best advantage. The Farm Facts and Fun radio program is heard each Saturday from 1 until 1:30 p. m. over the following stations: WOW, Omaha; KMMJ, Grand Island; WJAG, Norfolk; KGFV, Kearney; and KGNP, North Platte. It is sponsored by the extension service of the University of Nebraska college of agriculture in cooperation with the radio stations.

## 100 Tons of Ensilage Destroyed in Silo Fire

Arcadia (Special)—Fire caused by spontaneous combustion Friday afternoon burst out in the big silo of tilting on the Rube Holman farm north of this village and 100 tons of ensilage in the silo was destroyed. Mr. Holman had been storing the ensilage since 1936 in preparation for just such a winter as this one will be. A strong wind from the south blew sparks from the silo and ignited a stack of straw, which also burned.

## Prairie States Forestry Office at Ord is Closed

Brennan Davis, who has been head of the Prairie States forestry service office at Ord, left Monday for O'Neill, where he will be located in the future. The office at Ord has been closed and the territory attached to the district of which N. J. Paul has charge. The Davis family made many warm friends while located in Ord, who will regret that they had to leave.

## Taylor Couple Observe Fiftieth Anniversary

Taylor—(Special)—Sunday at the Clark hall here 200 friends and relatives of Mr. and Mrs. John Hetfield gathered to help them celebrate their 50th wedding anniversary. After reenactment of the wedding, with Judge T. A. Smith performing the ceremony, a handsome wedding cake baked by Mrs. Ed Bohy was carried forward by Mary Max Rusko and presented to the couple. At 4:00 a brief program was given and ice cream and cake then were served to the crowd. The Hetfields have seven children and five grandchildren, all but one of whom were present. They received many lovely gifts.

## New Neon Sign Adorns Front of Ord Theater

For several days workmen from the Star Neon company of Minden, have been busy taking down the old sign and marquee from the front of the Ord Theater, and erecting a new one in its place. The sign proper was hung last week, and stands out from the front of the building, with the letters O R D from top to bottom on either side. The letters are 22 inches in height, and this part of the new front is 14 feet high. It is the new power tubing in fluorescent colors, in five different shades, and a total of about 350 feet of tubing is used in the entire job. The marquee is in the shape of a huge A with the top cut off, and the advertising can thus be read from in front as well as from the sides.

There will be three rows of letters in the new advertising, black silhouettes on a glass background, with neon tubing behind to set them out and make them more easily read. This is the first sign of its type in this part of the state, there being a similar one at Broken Bow, and, of course, a number of them in Grand Island.

The principal part of the work of making the sign and marquee was done in Minden, and it was brought here in pieces and assembled here. The work will probably be completed by Thursday evening. Arlo and Oliver Bjorklund were here last week on the job, and B. G. McDuffee and Arlo Bjorklund are here this week completing the job.

## Chanticleers Open '39 Season Against Apostles Friday Eve

### Ord Team Averages 166 to 162 for St. Paul; a Grueling Battle is Predicted.

St. Paul, a team that has given Ord plenty of hot competition in the past, will be the first team to meet the Chanticleers this season. The game will be played on the local gridiron Friday evening, and will be a real test for Brockman's heavy but comparatively inexperienced team. This game is doubly important as it is both a Mid-Six and Loup Valley conference game.

From figures furnished by Coach H. F. Brockman and by St. Paul, the following facts will be of interest: The St. Paul line average is 160 pounds, the backfield average is 166, and the team average is 162. From approximate figures the Ord line averages 169 pounds, the back field average is 155 pounds and the team average is 166 pounds.

The probable starting lineup will be: St. Paul: r. e., C. Larsen, 165; r. t., Rex Klingensmith, 160; r. g., Morris Prince, 160; c., Harry Leth, 165; l. g., Robert Fairbairn, 155; l. t., Earl Roberts, 165; l. e., Donald Armstrong, 145; q. b., Bernard Gorache, 163; l. h., Albert Gorache, 172; r. h., Arthur Sull, 163; f. b., Dell Nielsen, 160.

Ord: r. e., O. Stoddard, 160; or Harold Christensen, 158; r. t., R. Timmerman, 150; r. g., George Cetak, 170; c., J. Petska, 180; l. g., H. Benda, 160; l. t., Frank Robertson, 175; l. e., R. Hurlbert, 160; or E. Piskorski, 150; q. b., Guld Flagg, 145; or G. Stoddard, 170; l. h., H. Misko, 160; r. h., C. Hansen, 155; f. b., R. Tatlow, 160.

Comparative scores for the past 14 years show that Ord has made 144 points to St. Paul's 99. Ord has won six games in that period, and St. Paul has won six, with two going to scoreless ties, in 1931 and 1932. The best Ord score was in 1925, when Ord won 47 to 0. The best St. Paul score came in 1928, when they won 37 to 0.

The Ord high school band will play before the game and from time to time throughout the game, as in former years. The kickoff will be at 8 p. m. As there are no conflicting attractions, the opening crowd should be a record breaker.

## Irrigation District Proposed at Fremont

A new irrigation project designed to include 200,000 acres in the vicinity of Fremont is being proposed by a group of men in that section, headed by J. M. Sorensen, Fremont banker, George McVicker, North Bend farmer, and John R. Armstrong of Columbus. The plan is to take the water from the Loup river at Columbus and carry it by canal along the bluffs as far east as Valley. Mr. Sorensen is a former Ord man and is well known here. The acreage seems rather large, since it amounts to more than half that of Valley county.

## Kiddies Hold Fair.

The second grade children, under the direction of Miss Aldean Swanson, presented a fair in their room last Tuesday. It was a great success, both in the matter of exhibits and attendance, as all the other grades in the building visited them. The exhibits consisted of flowers, vegetables and art work. The first grade furnished some of the exhibits, which were very fine indeed.

## Clark Anderson Is New Dugan Oil Co. Manager

By virtue of a change put into effect last week, F. V. Haught is no longer with the Dugan Oil company, and Clark Anderson, who had been assistant, was made manager. Joe Rameakers was hired to take the place made vacant by the advancement of Mr. Anderson. Since coming to Ord from Newman Grove a year ago last spring, Mr. Anderson has made many friends who will be glad to learn of his advancement.

## Comstock Boy Breaks Arm in Sargent Game Sept. 15

Robert Brandt, son of Mr. and Mrs. Walter Brandt of Comstock, had both bones in the left forearm broken in the Sargent game, Sept. 15, a later checkup revealed. At first it was thought the arm was severely sprained, but when it failed to yield to treatment the x-ray revealed the break, which will keep him out of the lineup all season. Comstock won the game, 20 to 9.

## Romines Lease the Onyx, Will Take Charge Oct. 1

Mr. and Mrs. George Romine of Broken Bow have leased the Onyx cafe from the present operator, J. L. Johnson, and will take charge Oct. 1. The Romines have been operating a cafe in Broken Bow since they went there from North Loup some time ago, and will continue to manage the business there, which will be operated by Mr. and Mrs. George Hazen, who have been employed by the Romines for some time. The Johnsons will return to Grand Island, but their future plans are indefinite.

## Wisda is Fieldman For Finance Corporation

According to the Schuyler Sun, J. C. Wisda has severed his connection with the Colfax Finance company after serving as the company's manager for a year to become fieldman for the Reconstruction Finance Corporation. His first assignment, including work in Colfax and adjoining counties, with headquarters in Schuyler.

## Fall Retriever Trials Develop New Interests

At the fall retriever trials to be held in Omaha this month, a stake will be run, which commanded a great deal of interest in the east. For the first time in America a trial was conducted in which retrievers were hunted on upland birds, chukars and pheasants, like spaniels or bird dogs. This was held on Fisher Island, N. Y., upon the estate of Mr. Lawrence.

Although dogs are not usually hunted in that manner in the east it will be an event which a great many fellows in Nebraska will enter, as it simulates closely hunting methods in our state. Retriever breeds, Irish water spaniels, Chesapeake, goldens and Labradors will be hunted ahead of the gun just as many sportsmen hunt them during the pheasant season. The owner may handle his own man, or he may have some friend shoot for him. Both pheasants and pigeons will be used. The dogs are expected to flush the birds, be steady to wing and shot, and retrieve tenderly to hand.

Judging will be based upon the dog's nose, his ability to find birds, whether or not his handler can control him. The handler is judged as to his ability to kill birds clearly, and at the same time control his dog. Cash or trophies will be given as awards. Dates of the trials are Sept. 29 and 30, and Oct. 1.

## Theatre Packed to Capacity for 2nd Cooking School

### Estimated 1,850 Women Present in 2 Days; Many Fine Prizes Again Awarded.

The Ord Theatre was again packed to capacity Wednesday afternoon of last week for the second day of the Quiz cooking school so efficiently conducted by Miss Dorothy Gill through the courtesy of the Omar flour makers. The ladies much enjoyed learning how to make minced ham biscuits, veal casserole and several other delicious things to eat. The Chase Toggery gave a very complete showing of new fall clothes, and the spectators enjoyed glimpsing the luxurious new coats, the handsome suits and dresses modeled.

Prizes given away to holders of winning numbers for the second afternoon of the cooking school included a pound of Pride of the Prairie butter to Mary Ann Dugosh of Elyria, Mrs. Clyde Baker, Mrs. Wayne Turner, Mrs. Roscoe Garnick of Elyria, Anna Parkos, while Mrs. Ray Harding, Mrs. Edward Hackel, Mrs. Leonard Furtak, Rosalie Smolik and Mrs. Axel Jorgensen each carried home a free pound of Nash's coffee.

The purse given away by Chase's Toggery was won by Mrs. C. F. Flynn, Mrs. L. W. Seerley who got the bouquet given by the Loup Valley Florists, and one-year subscriptions to the Ord Quiz were won by Maude Clemens, Lorraine Jorgensen and Mrs. James Petska, Jr.

A big market basket full of good groceries was given to Mrs. Theo. Albers of Nampa, Ida, by the Farmers Grain and Supply company, and other market baskets made up of donations by the manufacturers were won by Mrs. Martha Renfro, Mrs. Henry Zikmund, Mrs. Lloyd Hunt, Mrs. Albert Dahlin, Mrs. George Houtby, Mrs. Jim Larsen, Mrs. Joe Sedlacek, Mrs. Alfred Wiegardt, Della Peckham, Mrs. Frank Johnson.

Cooking school products were won by Mrs. A. A. Pratz who got the coffee cake, Mrs. Anna Krauhlik the cup cakes, Mrs. Joe Puncchar the dessert, Mrs. R. C. Bailey the cinnamon sticks, Mrs. Fred Coe the biscuits, Frank Kovarik the veal casserole. Alma Jorgensen won the fine ham offered by Pecena's market.

Miss Gill was delighted with the big crowd and the interest they displayed in her cooking methods, and the Omar Flour manufacturers wrote that it was one of the most successful schools they had held. The Ord Quiz felt the project had been worth while, since some 1,800 to 2,000 women took advantage of the opportunity to see and hear Miss Gill.

### Recipe Folders Here.

When Miss Dorothy Gill conducted the Quiz cooking school here Sept. 19-20 there was a shortage of recipe folders and Miss Gill promised to send a new supply so women who missed getting them could be supplied. These folders came Tuesday and may be had free of charge at the Quiz office.

## Mrs. Mortensen Attends Convention At Chicago

Mrs. C. J. Mortensen, president of the department of Nebraska, American Legion Auxiliary, left Ord Friday enroute to Chicago to attend the national convention. At Omaha she met the thirteen district presidents and many other ladies of the organization, and most of them went on to Chicago from there on a special train which left Omaha Saturday evening. Mrs. Mortensen is expected back in Ord Monday.

## Cosmopolitan Club Met For Business Session

The Ord Cosmopolitans met Monday evening at the City Cafe for the discussion of a large number of matters of business, and for this reason the usual program was dispensed with. Two new members, Russell Craven and Clifford Brown, met with the group for the first time. At a recent election two new officers were elected to take the place of two who have moved away. Harold Taylor, replaces Max Pearson as treasurer, and Ed Gnaster is a board member in place of Dean Duncan.

### Eschliman Passes Exam.

Harley Eschliman went to Lincoln yesterday, where he passed the physical examination necessary to make him a full fledged extra helper on the Burlington. He came through with flying colors, and is subject to call as an extra anywhere he may be needed. He is working at the Ord depot at present.

### License Issued.

A marriage license was issued Saturday, Sept. 23, to Harold H. Friedrich, farmer from Aurora, S. D., and Miss Frances Bremer, daughter of Mr. and Mrs. John G. Bremer, of Mira Valley.

A FEW THINGS TO THINK ABOUT!

Pop Corn Days Fan Mail Short Shavings

Written by GEORGE GOWEN

Pop Corn Days

Just what the secret is that makes the Popcorn Days bring such crowds of people to the town of North Loup is a mystery to almost everyone, and anyone who claims that it is sleepy, surely would take it back were they there at that celebration.

J. A. Barber, with others, attempted to count the cars about town Thursday and the count was around 750. Multiplied by five would give between 3,000 and 4,000 people.

The exhibits are small but quite good. They were not better than the county fair, but different. There was a hobby show and it was quite interesting, it promising to be better another year.

The open air program at night is nothing to go miles to see, but they go anyway. The Popcorn Queen is crowned each year, the same thing over and over again, but a new queen each time, and it is an honor, coveted secretly no doubt, by all the girls.

The floats, outside the homecoming features is probably the big thing of the celebration. Almost every school, church and club in this section stages a float, they even come from as far as Horace, Scotia and Mira Valley at times.

It is a big time too for romance. Geo. Round said there was no law against romancing on Popcorn Days and I guess the young folks must have found that out too.

Another thing that helps bring the people is that there are no gate tickets. The business men all have to kick in a little and tickets are sold for a quarter. However, if a man is poor enough, and we all are around here, he can bring his family, see the parade, entertainments and exhibits without spending a cent.

The different merchants offered prizes to be drawn by lottery for the tickets purchased. Some of these lucky ones were interesting. Geo. Boettger got the first prize. Wm. Darges drew a finger wave and shampoo at Ann's beauty shop.

After years of running P. C. Days, a system has been worked out so it is not such a task. Most everyone has something to do during those days and most everyone enjoys it too.

And that brings me up to Clark Roby. He was awarded the ribbon, as usual, of being special police. Someone doubted his qualifications for that task saying, "You're too shallow chested for a policeman."

"See there, your chest has slipped down. Pull it up."

You touched on a subject that has been a jam on my mind for a long time. It is nothing more than Nebraska, so called white spot, and advertised on big billboards down the Republic valley.

Nebraska saddles a cent extra on gas to pay it's relief and old age pensions; then crows about it.

Edgar Davis says he remembers a governor saying a few years ago in regard to the roads of the state, "We have finally got Nebraska out of the mud."

It was told me that Chas. Johnson cut and put into a silo 90 acres of corn fodder and from that 90 acres one small nubbin was found. That's not bad. Some didn't even get fodder. What's Charley got to howl about?

The N. L. Loyalist says, concerning the poultry show at the Co. fair, "Including the famous turkeys, a cross between the turkey and the hen." This is not true.

A new sort of potato, the Warba, shows considerable promise as an early crop for our locality. Leo Long planted a patch to this variety last spring. He reports that the Warbas are outyielding his Cobbler and Ohio, with most vines carrying from 10 to 15 potatoes of even, smooth and uniform quality.

An objection to Warbas is that they deteriorate soon when placed in storage. If used quite promptly after harvest they are of excellent cooking quality.

Warbas are also very susceptible to scab and other diseases. But because of their extreme earliness and because they will either on dry land or under irrigation, our state agricultural college is recommending Warbas for a portion of every acreage.

The ideal potato for Nebraska has not yet been developed. Irish Cobbler are generally the best for dry land, and most resistant to hot rainless weather. However, they are apt to be hollow if grown on rich soil having an abundance of moisture.

Early Ochos are a popular strain, but more susceptible to changes of climate. If growing conditions get bad, they may produce knobby, hollow and growth-cracked potatoes.

The Triumph potato is a leader out west, and sometimes does well in the Loup valley. It is not reliable here, as the leaves are tender and likely to burn during the hot weather. Western potato growers specialize in producing Triumph seed for southern states where potatoes are raised during the winter.

The Pinochle club held its first meeting of the fall at the Albert Haught home Saturday evening. It was also a surprise party for Everett Wright whose birthday was Sunday.

Miss Ruth Haught, of Omaha, visited with her brother, Albert Haught, and family from Thursday till Sunday. They all spent Sunday at the Roy Nelson home near Elyria. Miss Haught will remain there until Wednesday and then she will return to her work at Omaha. Miss Haught and Mrs. Nelson are sisters.

Mr. and Mrs. Roy Nelson and Norman Nelson of Elyria and Miss Ruth Haught of Omaha were at Albert Haught's for supper, Wednesday. They all attended the Popcorn days entertainment in the evening.

NORTH LOUP

WRITTEN BY MRS. ETHEL HAMER

Donna Dezel, who came up from Missouri recently, is working for Fanny McClellan.

Mr. and Mrs. Chas. Faudt moved Friday and Saturday from the Mill Earnest house on main street to the house they recently vacated.

Wm. Huebner, sons Frank and Rudolph spent Sunday at the Chas. Otto home.

Word received from the Ed Wells family says they reached Houston, Ore., safely after laying over for a day and a half in Laramie for repairs for their car.

Mrs. Florence Smith and Donnie were up from their home at Grand Island for the day Wednesday.

Mr. and Mrs. Ralph Collins of Loup City spent Wednesday and Wednesday evening attending Pop Corn Days.

Mr. and Mrs. Bill Smith of Grand Island spent Thursday in North Loup.

Mr. and Mrs. Melford Wiseman and daughter of Kearney spent Wednesday in North Loup, being the guests of Mrs. Margaret Gilmore. Mrs. Wiseman was the former Jessie Gilmore. They returned to Kearney Thursday morning.

Sherm Fuller, who is in the University hospital at Omaha is not as well as he had been, according to word received by his family. His broken limb had been put in a cast because he could not stand the pain the cast had to be removed. There seems to be no chance of his coming home soon.

A unique dining hall, being constructed in the Community park by NYA labor, under the auspices of George Scott. It has a framework of tree trunks and rip-rap made of willows form the walls and roof. It shelters four tables. This is a big improvement to the park as the one dining room was always full to capacity each Sunday and many picnic parties had to eat out doors under the trees, which wasn't so nice especially on windy or stormy days.

Miss Viola Nelson of Ord spent the week end with her parents.

William Louis Johnson, son of Mary and John Johnson was born in New York City, Jan. 9, 1903. He was a member of a family of four boys and one girl. The brothers are Nelson, Gordon and Thomas and the sister, Clara, is deceased.

From the age of three, Mr. Johnson, was reared by others than his family. He has lived much of his life at Ord and Arcadia, save for a period when he worked in the mining districts and on ranches. After his return from the west he stayed with Mr. and Mrs. Germain Hoyt of Ord when in that community. He thought of Mr. and Mrs. Hoyt as a brother and sister and they treated him as such.

He was baptized in the Methodist church at Ord when he was small and has lived in that faith since. He was a great friend of small children and a lover of music singing being his greatest delight.

On Dec. 6, 1934 he was united in marriage with Pauline Holmes, daughter of Mr. and Mrs. Sam Holmes of this community, the marriage took place in Grand Island.

He passed away Sept. 19, 1939, at the age of 36 years, 3 months and 10 days. His last illness was of ten days duration. Flag Codes Displayed. Last week Mrs. C. W. Clark, Americanism chairman of the Legion auxiliary, and her committee began putting flag codes in the business places and offices of Ord, as well as in the schools. The work has not yet been completed, but the aim is to have one displayed in every business place and public building in Ord. Anyone who cares for one of these codes may have one by calling Mrs. Clark. The flag code is a leaflet, which tells all about the American flag and how it should be displayed and respected on any and all occasions. Most people are desirous of showing proper respect for the national banner, but oftentimes they are not informed as to the proper means of doing so. The distribution of these codes is the beginning of the Americanism work for the year.

POINTLESS PARAGRAPHS. When Old Doc Cook reported the discovery of the Pole in 1909, he let himself in for a lot of grief when the fraud was discovered. Even Peary, who really found it, did not derive much profit from the discovery. Amundsen did not get much out of his discovery of the other Pole. When Hitler began looking for Poles he probably started something that will give him plenty of grief before he gets through with it.

Burwell struck wonderful weather for the rodeo this year. Pop Corn Days at North Loup had weather made to order. In sharp contrast, the Valley county fair hit the worst three days of the entire year to date. It might seem that we don't live right, or that the Lord doesn't like us, but the boys are planning already for a better

fair for next year. Success will eventually crown the efforts of those who never give up.

—Mrs. E. C. Brink, resident of Grand Island 27 years, left Monday for Ypsilanti, Mich., where she will make her home with her daughter, Miss Ida K. Brink, who is a member of the faculty of Michigan State Teachers' college. Before moving to Grand Island the Brinks lived in Ord, where both ladies were well known.

A new sort of potato, the Warba, shows considerable promise as an early crop for our locality. Leo Long planted a patch to this variety last spring. He reports that the Warbas are outyielding his Cobbler and Ohio, with most vines carrying from 10 to 15 potatoes of even, smooth and uniform quality.

An objection to Warbas is that they deteriorate soon when placed in storage. If used quite promptly after harvest they are of excellent cooking quality.

Warbas are also very susceptible to scab and other diseases. But because of their extreme earliness and because they will either on dry land or under irrigation, our state agricultural college is recommending Warbas for a portion of every acreage.

The ideal potato for Nebraska has not yet been developed. Irish Cobbler are generally the best for dry land, and most resistant to hot rainless weather. However, they are apt to be hollow if grown on rich soil having an abundance of moisture.

Early Ochos are a popular strain, but more susceptible to changes of climate. If growing conditions get bad, they may produce knobby, hollow and growth-cracked potatoes.

The Triumph potato is a leader out west, and sometimes does well in the Loup valley. It is not reliable here, as the leaves are tender and likely to burn during the hot weather. Western potato growers specialize in producing Triumph seed for southern states where potatoes are raised during the winter.

The Pinochle club held its first meeting of the fall at the Albert Haught home Saturday evening. It was also a surprise party for Everett Wright whose birthday was Sunday.

Miss Ruth Haught, of Omaha, visited with her brother, Albert Haught, and family from Thursday till Sunday. They all spent Sunday at the Roy Nelson home near Elyria. Miss Haught will remain there until Wednesday and then she will return to her work at Omaha. Miss Haught and Mrs. Nelson are sisters.

Mr. and Mrs. Roy Nelson and Norman Nelson of Elyria and Miss Ruth Haught of Omaha were at Albert Haught's for supper, Wednesday. They all attended the Popcorn days entertainment in the evening.

Delores and Jimmy Williams spent Saturday night with their grandparents, Mr. and Mrs. Roy Williams.

Mrs. Rose Eyrly of Torrington, Wyo., Mrs. Joe Hammond and two daughters and Mrs. Elmer Banta and children of Lyman visited at the Honeycutt home from Wednesday until Sunday. They came to be here during Popcorn days.

Mr. and Mrs. Ross Williams and children and Mr. and Mrs. Darrell Coleman were at Mike Whalen's for dinner Sunday. Mrs. Whalen has been sick with the flu for the past week.

Mr. and Mrs. Clarence Bresley attended a birthday dinner at the Harry Bresley home near Ord Sunday.

Calvert Bresley returned home Sunday evening from Wyoming where he has been working for the past few months. He plans to stay with his folks this winter.

Many Ducks Flying Monday. The cold snap Sunday night sent many flocks of bluewing and greenwing teal flying southward, report people living along the river, and a nice flight went on most of Monday. A few flocks of larger ducks were seen also. The duck season doesn't open until Oct. 22 so probably most of the small ducks will be out of the country before Nebraska sportsmen may legally take a shot at them.

Wins at State Fair. Miss Corinne McBeth, daughter of Mr. and Mrs. Victor McBeth of Spalding, received the news last week that she had won second place at the Nebraska state fair with her 4-H club secretary's book. She is secretary of the Ever Ready Cooking club.

THE FOOD CENTER

PRICES EFFECTIVE AT JERRY'S GROCERY

An Important Statement!

The FOOD CENTER POLICY has and will remain unchanged. This policy is simply this: Your Food Center will provide good foods at lowest prices possible. We know the hardships that increased prices can bring to countless families, therefore, our prices will be adjusted only to the extent that is absolutely necessary. If owing to the laws of supply and demand, the prices for foods we purchase move upwards, obviously we will have to pay the higher cost and change retail prices accordingly. You have our assurance, however, that Food Center's margin of profit will continue to be very small, and normal in every respect.

## IT HAPPENED IN ORD

Friday, while the thermometer stood at 92 degrees, George Hubbard was unloading coal at the city hall and R. O. Hunter was likewise engaged at the court house. It looked rather foolish then, but the air was decidedly different on Saturday, so perhaps they will have some use for that coal.

Monday when two cars were approaching each other on No. 11 in Ord, one of the drivers swerved his front wheels as though he intended to drive right into the other car. Of course he turned the other way again, and thought the fright he gave the other driver was a good joke. It is fool jokes like that by more foolish jokers that cause many of our accidents.

The H. L. Hatfield of Gillette, Wyo., celebrated their 50th anniversary on Aug. 25. Last Sunday, Sept. 25, the John Hatfields of Taylor celebrated their golden anniversary. The names are not spelled exactly the same, but are frequently confused. Anyway, here's wishing them many more celebrations.

Mrs. Frank Holden and Mrs. Daniel Pishna attended cooking school Wednesday.

Mr. and Mrs. Joe Novosad had a Sunday dinner guests Mr. and Mrs. Vencil Sedlacek and daughter, of the Manderson neighborhood.

There are quite a few ways to follow in the footsteps of one's father. Rather unusual, however, is it that George Allen was city light and water commissioner at Friend for many years and now George, jr., holds that same position of responsibility in the same town.

I believe Noat Loup has the right idea, at least the big crowds attending popcorn days would make us think so.

I believe perhaps people like a hometown fair the best; one with amateur acts or plays, one with a good deal of local interest, but probably not costing nearly as much as some fairs do. Maybe too, the free popcorn has something to do with it. I like to get something free, don't you? Let's us think of something to give residents of Ord's trade territory, some show or feature they would like.

I think children's parades, children's pets and so forth would be very interesting to the crowds. Or the Chamber of Commerce might arrange a free movie for the children, possibly let each child pay his way with a big potato or something that could be given to the needy.

That turkey fling or whatever those free turkey throws were called, that got crowds, made us new friends, don't you think so? Watermelon is a natural for a late-summer gift to our customers, with fine home grown melons nearby. We owe our patrons some interesting festivals of this type.

In the eastern part of the United States, free bingo games are raging, with baskets of groceries given right and left, and they make a great hit I hear.

Up at Atkinson they stage a weekly treasure hunt in which everyone takes part. The public seems to think they are great stuff. I don't understand just how they are conducted, but Mrs. Lloyd Parks says they are a big success.

Something else I wish we had in Ord is some of the adult recreational or vocational classes they are offering in other towns. In most cases some rooms of the school buildings are used for these classes. I would like to do some sketching or painting of some kind, if an instructor could be found, and there are many other courses that would no doubt interest most of you more.

Classes in sculpture, in weaving, in basket-making would appeal to quite a few. I think a cooking class would interest more men than you think. They quite fancy themselves as the cooks, dearie.

I suppose it would be out of line for me to suggest that winter-time is the time for us to get busy and scratch until we get that swimming pool we all hanker for. When it is swimming weather there's no time to build the pool and get it ready to use you know.

People who live in small towns I think have more fun than people who live in cities, but they have to step out and provide their own amusement. Couldn't we do "something different" this winter? —Irma.

## AUCTION SALE!

Ord Residence Property  
AT 2 O'CLOCK P. M.

**Saturday, October 14**

I will sell the residence property located on the East Half (E½) of Lot One (1) in Block One (1) in West Ord Addition to Ord, Valley County, Nebraska at the west main door of the courthouse in Ord, Nebraska under an order of sale issued by the District Court of Valley County, Nebraska.

This property is located but two blocks from the Ord High School in a good neighborhood. There is 7 room house with bath, city water and electric lights, also a large building now used as a double garage and store room, also a large chicken house, thereby making it a good general purpose residence property. The house was recently repaired, and painted inside, and is now in good condition. It is a very desirable home property for a retired farmer, or any one having children of school age, or a good investment for any investor. It is in active demand for rental.

Terms of sale will be 15% of purchase price date of sale, balance on confirmation of sale by the District Court.

This ad will appear but once. I will gladly furnish further information on request of any one interested.

C. E. McGrews Married Fifty Years

Thursday evening, Sept. 21, neighbors and friends called upon Mr. and Mrs. C. E. McGrew and brought many beautiful flowers and presents, including a beautiful wedding cake, which was served together with ice cream and sandwiches during the evening. Mrs. McGrew wore a beautiful panvelvet dress and a pink and white rose corsage, in honor of the occasion, their fiftieth wedding anniversary. From a clipping furnished by Mrs. McGrew and taken from the Ord Journal of that time, we learn the following: "Married, at the residence of C. W. Barnes at Ord, Nebraska, on the 21st day of September, 1889, Mr. Clayton E. McGrew of Burwell, to Miss Anna Arnold of Ord, Rev. George O. Ferguson officiating. Miss Arnold was one of Ord's most handsome and accomplished young ladies. Mr. McGrew is well known in Ord and Burwell, and is a moral, intelligent and thorough business young man. The McGrews lived at Burwell for a year after their marriage, then moved to Washington, where they spent 3 1/2 years. Since that time practically all their lives have been spent in Ord, where Clay was engaged in various enterprises, among them undertaking, barbering and shoe repairing, in which work he is still engaged. They have seen the city of their choice grow from a village to one of the finest towns in central Nebraska.

Social and Personal

Jollite Girls Meet. Members of the Jollite club were entertained Monday afternoon in the home of Mrs. C. A. Anderson. There were two guests, Mrs. Harry McBeth and Mrs. Eugene Leggett.

Church Reception. The annual Presbyterian church picnic and reception for the public school teachers was held at Bussell Park Friday evening, with a very fine crowd, about 125 in all, in attendance. A covered dish luncheon was served, with fried chicken very much in evidence, and a splendid time was had.

Entertain Mothers. The first grade children in Miss Daisy Hallen's room entertained their parents Friday afternoon. Games were played, songs were sung, and stories were told, and at the close of the recreation period the children served orangeade and cookies. Twelve mothers and three small children were in attendance, making 15 guests in all.

Quilting Party. A quilting party was held Tuesday afternoon at the W. H. Barnard home, when a number of ladies arrived to help her with her quilt. Those assisting were Mrs. L. H. Covert, Mrs. George Watson, Mrs. El Mason, Mrs. E. C. James, Mrs. George Vavra, Mrs. George D. Walker, Mrs. Edwards, Mrs. L. Shunkweiler and Mrs. John L. Ward.

Contract Club Starts. The Ord Contract club held its first meeting after the summer recess at the home of Mr. and Mrs. E. C. Leggett. Sunday evening where dinner was followed by an evening of bridge in which E. L. Vogeltanz held high score. Two couples were absent, Mr. and Mrs. C. J. Mortensen and Mr. and Mrs. L. B. Fenner, so the club played with only three tables.

A Surprise Dinner. A surprise dinner was given in the J. N. Van Slyke home in honor of Mr. Van Slyke's birthday which was the 21st of September. September Heat Wave Is Definitely Broken

The unusually hot weather that prevailed through most of September has apparently been brought to an end. From a high of 90 above Friday the mercury dipped sharply during the night, and everybody began looking for their coats Saturday morning. The cool spell soon passed, however. A very light shower fell Saturday night, and the next day the temperature was back near the 90 mark. In the night the wind again blew from the north, sending the mercury down about 50 degrees in 13 hours. Danger of frost was averted by a light rain, which started shortly before noon and continued about three hours, only .05 of an inch falling. Tuesday morning the temperature fell just to the freezing point, but clouds again saved the day. It was slightly warmer this morning, with warmer weather reported.

Proceedings of the City Council

September 1, 1939
The Mayor and Council of the City of Ord, Nebraska, met in adjourned, regular session in the City Hall at 8:00 o'clock P. M., Mayor Cummins presided. City Clerk Rex Jewett recorded the proceedings of this meeting.

The Mayor directed the Clerk to call the roll. The Clerk called the roll and the following Councilmen were present: Martinus Diamond, Joe Rohla, Bob Noll, J. W. McGinnis and Frank Johnson. Absent: Guy Burrows.

The minutes of the proceedings of August 4, 1939 were read, and by motion ordered placed on file. The report of James B. Ollis, City Treasurer was read, and by motion ordered placed on file.

Mayor Cummins made the announcement that in the future, the names of Councilmen making motions, and the names of those seconding the same, would be omitted from the records, the minutes from now on, not showing the identities of such Councilmen.

A delegation of Ord Grocersmen, accompanied by Attorney Ralph Norman appeared before the Council and asked that an ordinance regulating the closing of grocery meat and food stores on Sunday be enacted. Attorney Norman presented a model ordinance designed for this purpose. Some discussion ensued, and ended with the matter dying for lack of a sponsor.

The following resolution was moved and seconded, and asked to be adopted:

BE IT RESOLVED, by the Mayor and Council of the City of Ord, Nebraska, that whereas the City is levying a tax for Band Concerts which has been handled in a careful and prudent manner by a Committee or musical organization in the City for many years, and whereas it appears to be for the best interest for the said musical promotion that the said work be under the management and general control of one body, therefore be it resolved that the present members of the school board of the school district located in and composed of the City of Ord and certain surrounding territory, and their successors as members of such school district be designated and named as the vocal, instrumental and amusement organization provided for by the statutes of the State of Nebraska.

Be it further resolved that the provisions of this resolution shall have the force and effect of rules, regulations and by-laws authorized by Section 2 of Chapter 16 of the municipal code of Ord and that said organization, above designated shall have the right to make other and additional rules and regulations not inconsistent herewith, and not inconsistent with the law or the said code provisions, and subject to the passage of other rules and regulations by the Mayor and Council of this City, and

Be it further resolved, that in consideration for the summer band concerts and such other similar concerts as may be given from time to time, that the money so raised by said tax for such purposes be turned to said organization, being the members of the school board and their successors, to be used as follows: \$300.00 toward the salary of said band leader, and the remainder to be used to pay the players in the said band and other incidental expenses of running such band, and that the school board

shall render an annual account to the City Council of such use, and

Be it further resolved, that there are certain band instruments used by such band that the City may have or claim to have some right or title in or to, and since it appears that it is for the best interest of all concerned that said instruments be taken care of and handled by the school board, and such real or apparent title to said instruments is hereby transferred to the said school district. The provisions of this resolution shall go into effect as of September 1, 1939. The appreciation of the Mayor and Council is hereby expressed to the committee which has been in charge of said musical work during the past years.

Attest: M. B. Cummins, Mayor. Rex Jewett, City Clerk.

The roll was called upon said motion, and resulted in 5 yeas, and said resolution was declared adopted.

Representatives of the two banks in Ord, Nebraska and a representative of Wachob-Bender Co., appeared before the Council and spoke on refunding certain outstanding bonds of the City. The Ord banks asked permission to withdraw certain offers on refunding bonds that were made at the previous Council meeting. Permission was granted and the offers were withdrawn. It was moved and seconded that representatives be asked to submit a refunding proposal to pay off said bonds as to serial numbers. Carried.

The report of Police Judge John Andersen was read, and by motion ordered placed on file.

The request of Cecil Clark, Fire Chief that the funds in the Fire Insurance Co. tax fund be turned over to him was then read. Moved and seconded that the funds be turned over to him, and that the Clerk be authorized to draw a warrant in his favor. Motion carried.

The request of Clement Brothers for a building permit and a permit to install a gasoline storage tank was then read. Moved and seconded that the building permit be granted, contingent on the building being constructed in accordance with Ordinance No. 85 of the City of Ord. Motion carried.

Also moved and seconded that the request for a permit to install a gasoline storage tank be granted. Motion carried.

Munn & Norman, Attorneys. Notice of Hearing for Determination of Heirship.

In the County Court of Valley County, Nebraska, in the Matter of the Estate of Carrie Lickly, Deceased.

To all persons interested in said Estate, both creditors and heirs: Take notice that Mary Alice Stoltz has filed her petition in said Court alleging that Carrie Lickly died intestate on or about March 19th, 1934, being a resident and inhabitant of the City of Ord, Valley County, Nebraska, and the owner in fee of Lot 5, Block 24 of the original Townsite of the City of Ord, Valley County, Nebraska, leaving as her sole and only heirs at law Mary Alice Stoltz, a daughter, John D. Lickly, a son, and Charles T. Lickly, a son; that said Petitioner is a daughter of the Deceased.

Said Petitioner prays for a determination of the time of the death of said Deceased, a determination of her heirs, and the degree of kinship, and the right of descent of the real property belonging to the Deceased; for a Decree barring all claims and demands against said Estate.

Said Petitioner further prays for a finding that the Deceased died intestate more than two years prior to the filing of said Petition; that no application has been made in the State of Nebraska for the appointment of an Administrator and said Estate has not been administered and no Administrator has been appointed in the State of Nebraska; that the heirs at law of said Deceased as above set forth shall be Decreed to have succeeded to the ownership in Fee Simple of the above described real estate and for such other and further relief as may be just and equitable.

Said matter has been set for hearing before me on the 3rd day of October, 1939, at the hour of ten o'clock A. M. of said day in the County Court Room, in the City of Ord, Nebraska.

Dated at Ord, Nebraska, this 8th day of September, 1939. JOHN L. ANDERSEN, County Judge of Valley County, Nebraska. (SEAL) Sept. 13-3t.

The Jolly Neighbors club met at the home of Mrs. LaVern Aldrich last Thursday, with all members except Mrs. Stanley Gross and Mrs. Wallace Coats present. The afternoon was pleasantly spent in visiting and most of the ladies doing some fancywork. At the close of the afternoon a very delectable lunch was served by the hostess and co-hostess, Mrs. Alvin Travis.

The Night Owls club held their first card party at the home of Mr. and Mrs. Emil Kokes. All members were in attendance and the guests were Mr. and Mrs. Wilford Connor and Mrs. Della Jobst and girls. The evening was spent in playing pinochle. High went to Fritz Kuehl, Jr. and low to Mrs. Elmer Almqvist. A very nice lunch was served about midnight, and plans were made for a horse-dance game and dinner in the near future.

Louis Jobst accompanied by Carl Knecht, left Sunday forenoon for the Ozark mountains with a load of cattle for Ivan Canedy of North Loup who is going there to make his home. They expect to be home about Wednesday evening.

Mrs. Stanley Gross accompanied by her sister Mrs. Wilma Kilma, who arrived here Saturday from Vero Beach, Fla., to get her son, Everett, who spent the week end with home folks, returning Sunday with Harlan Wyrick, who had accompanied him home for a visit with his parents.

Henry Williams entertained some friends at their home Monday of this week. They were Mrs. Pearl Severance and daughter and her sister and husband, Mr. and Mrs. Roy Lewis, from North Loup.

**SATURDAY SALE**  
 AT THE SALE RING IN ORD  
**SATURDAY, SEPTEMBER 30**  
 SALE STARTS AT 1:00 O'CLOCK

Large consignment of stock in last Saturday's sale. Cattle market was 25c to 50c lower, but the pig market and the fat hog market was 35c to 50c higher.

The buyers that are in the market for the replacement cattle think that they have been too high and were bearing down on the market, but the demand was broad, and we have lots of buyers in this trade territory that still want cattle.

We had the best demand for feeder pigs that we have had in four weeks, and that made the market very active.

In next Saturday's sale we look for 125 head of cattle, which will include 70 head of good calves, part of these are off of the cow and the balance hand fed. 35 head of 400 to 500 lb. replacement cattle. 15 head of cows, 3 Durham and Hereford bulls about one year old. These are really good.

225 hogs, including weanling plgs, feeder shoats and feeder sows.

Consign your stock to this market.

**Estimate Popcorn Days Crowd At 7,000; Most Ever**

(Continued from page 1)

the coronation ceremonies, the order of the services being as follows:

First came the crown bearer, Carrol Mulligan, and the bearer, Gordon Hill, followed by the flower girls, who strewed popcorn before the queen. Then came the maids of honor, Betty Jo Manchester, Bernice Wilson, Mavis Schudel, Darlene Mulligan, and Marcella Nolde, all dressed in pastel shades. Next came Rev. C. L. Hill, master of ceremonies, followed by the Queen, Ersel Goodrich, followed by four little train bearers.

The procession was a roll of drums played by Mrs. Van Horn and Mr. Moore of Scotia. After Rev. Hill placed the crown and gave the charge, the queen accepted graciously and Darryl White sang a song of allegiance. Ersel is the daughter of Mr. and Mrs. Clifford Goodrich, a member of the class of 1936, North Loup high school, and has been employed the past year in the IGA store, where she is a very efficient clerk.

Four musicians from KMMJ did a remarkably fine job of entertaining the crowd following the coronation ceremony. They also entertained Thursday evening. Thursday afternoon the crowd was entertained by a rather weird exhibition of baseball at the park, the Ericson team defeating North Loup by a score of 16 to 4.

Music was furnished Thursday evening by 120 persons, made up of the North Loup, Scotia and Burwell bands, special numbers being a cornet solo by Merle Anderson, fifth grader of Burwell, who played "Little Sir Echo," and a vocal solo by Mr. Struve, Burwell band leader, who sang, "God Save America." After the program by the KMMJ players, the drawing for prizes was held on the platform, the following being winners:

Arthur K. Jensen, Sheldon Van Horn, Herbert Goff, G. Butel, Hastings, Otto Gehar, Merrill Anderson, Mrs. Hugh Adams, William Darges, Ord, Charles Buller, Richard Hutchins, Earl Brannon, Archer, Clyde Barrett, Henry Drudik, Comstock, Mrs. A. E. Barnhart, J. J. Thelin, and Ed Lee. The radio went to John Urban and the studio couch to George S. Boettger of Ord. M. R. Cornell acted as announcer and master of ceremonies for the entire celebration.

The exhibits were excellent. The women's department was in charge of Mrs. A. H. and Mrs. R. O. Babcock, with a number of committees assisting. The school exhibit in charge of Mrs. Mills Hill and Mrs. W. W. Willis was splendid. A large number of beautiful flowers were on display, with Joe Velba, expert florist, in charge. The 4-H club work was in charge of Rev. Chas. Stevens. Windows of business places were decorated as usual, those of the Clark Garage and Bartz store attracting much attention.

—Word from Ernest Foster of Burwell is to the effect that he has been in bed most of the time since coming home from the hospital about a month ago. Mr. and Mrs. Charles Burdick were in Burwell to see him, and they say that he feels that he is making some improvement, and that he will be able to be about the house before long.

—Miss Bernice Austin, piano teacher from Grand Island, will be in Ord on Tuesdays and Wednesdays, each week. 27-11p.

**PRICES ADVANCE!**

This is the story we have heard on every hand the past few weeks. Many times lately we have sold merchandise for less money than it cost us to replace it.

Never have we in the past few weeks refused to sell because we thought the price would advance and give us a chance to make a larger profit.

Regardless of the "hectic" market conditions of feed, flour and grain you will find us selling at the lowest possible prices.

We will appreciate a chance to quote you prices before you buy.

Remember we have Peerless and Mother's Best Flour, Dixiana Pancake Flour, Potatoes and feeds of all kinds. Laying Mash, Scratch Feeds, Meat Scraps, Oyster Shell, Shell Maker, Alfalfa Meal, Bran, Molasses, Shorts, Tankage, Cattle Feeds, Hog Feeds.
