Valley Co. Free Fair Opens in Ord Tuesday

New Term Opens for Project Clubs in Mid-September

Delegates Met at Bussell Park Friday, Heard Report of Mrs. John Andersen.

Mrs. John Andersen, county chairman of the extension club groups for her second term of one year, talked to representatives from a number of Valley county clubs Friday noon at Bussell park.

Nebraska now has 13,000 women studying through the means of home demonstration clubs, who will concentrate this coming nine months on the subject "Opportunities and Responsibilities of Home Demonstration Club Members in the World Today."

Other delegates from this county to the Hastings meet were Mrs. D. Bell, Mrs. Nell Petersen, Mrs. Bernard Hoyt, Mrs. Sylvia Stewart, Mrs. Alfred Wiegardt, group chairman, and Mrs. Elmer Wibbels of Arcadia, chairman of that section, were prevented from attending by the illness of their husbands at that time.

Clubs represented at the park Friday were H. O. A. Loyal Kensington, Everbusy, Jolly Homemakers, M. A. O. Jolly Neighbors and Modern Priscilla.

From each club in the county it is customary to send the president and two leaders to Ord once a month to spend the day learning from the state demonstration agent. In turn these women go back to their home clubs and present the facts they have learned.

Below is a list of the clubs in Valley county. The first name following is that of the president, the next two are the delegates; Arcadia, Clever Corner club, Mrs. Mary McDonald, Mrs. John Fells, Mrs. Forrest Smith; R. K. D. Mrs. Harvey Woody, Mrs. Ralph George, Mrs. E. Kerchal, Progressive, Mrs. E. C. Baird, Mrs. O. D. Willis, Mrs. A. O. Kriz; Ord, Springdale Kensington, Mrs. James Covert, Elsie Rathbun, Bertha Hansen; Jolly Homemakers, Mrs. J. W. Severns, Mrs. John Horn, Mrs. Edith Fiala; Jolly Neighbors, Mrs. Charles Mason, Mrs. Emil Kokes, Mrs. Fern Johnston; H. O. A. Mrs. Clara Ludington, Mrs. George Walker, Mrs. George Watson; Modern Priscilla, Sylvia Stewart, Mrs. Nell Petersen, Mrs. Archie Bell.

From Elyria is the Ever Busy club, with Mrs. W. J. Heileberg, Mrs. Melvin Covert, Mrs. Adolph Sevensen from Ord; Jolly Juniors, Mrs. Russell Craven, Mrs. Russell Watson, Mrs. Ed Kasper; Plain Valley, Mrs. Victor Kerchal, Mrs. Albert Wolf, Mrs. Louis Blaha; M. A. O. Mrs. Robert Hall, Mrs. Will Ollis, Mrs. Cash Rathbun; Jolly Prints, Mrs. Wilbur McNamee, Mrs. John Jones, Mrs. Ivan Anderson.

More Arcadia clubs are: Mixed Grove Corner club, Mrs. Albin Pierson, Mrs. Arthur Aufrecht, Mrs. Alvin Brooks; Home Makers, Mrs. Copperrsmith, Mrs. Fred Stone, Mrs. Ray McClary; Prosperity Seekers, Mrs. R. C. Evans, Mrs. Howard Boll, Mrs. Thurman A. Bridges.

There will undoubtedly be new clubs and delegates to add to this list when the first meeting is held. A profitable year of study seems sure, members think.

Miss Sack's Reading Was Program Feature

At the dinner of the Rotary club Monday evening a splendid reading, a cutting from the second act of the play "Smilin' Through," was given by Miss Virginia Sack, daughter of Mr. and Mrs. Wm. Sack, who is a dramatic student at University of Southern California.

A talk on the navy recruiting program was given by Gene Leggett, who introduced as his guest Mart Beran. Mr. Beran told about his experiences in the navy during the first World War. Other speakers included Keith Lewis, also a former navy man, and Rev. W. Roy Radliff, whose son is in the present navy. J. J. Brew was present as a guest of Bob Noll and Fred Cahill, Jr., as a guest of his father, Earl Bertis, highway engineer in charge of the Ord-Burwell construction, was a guest of Roy Randolph.

Encephalitis Victim On Way to Recovery

Mrs. Frank W. Blaha, sr., only known victim of encephalitis or sleeping sickness, in this community, is reported on the way to complete recovery by her physician, Dr. F. A. Barta. Called into consultation was Dr. C. W. Weekes, who was himself a victim of the rare ailment a few years ago.

At first Mrs. Blaha's illness was thought to be flu but when after three days she sank into a coma and her temperature rose to 105 her trouble was diagnosed as encephalitis. A new drug recently developed to combat encephalitis was used by Dr. Barta and it caused rapid improvement in Mrs. Blaha's condition.

Children of Mrs. Blaha were summertime from the west coast last week when her condition was worst. She is 64 years old.

Rubin Jay Davis Called to Final Reward on Friday

Was Resident of the Rosevale Community, Buried Sunday in North Loup Cemetery.

Rubin Jay Davis, son of Luther and Perinilla Davis, was born on a farm near Humboldt, Nebr., Feb. 28, 1870. He was the youngest of a family of five, four boys and one girl. In 1891, at the age of 11 years, with his three brothers he was baptised by Rev. H. B. Lewis and joined the Seventh Day Baptist church at Long Branch, Nebr.

Dec. 25, 1891, he was married to Miss Hannah Van Horn and they made their home on a farm near Humboldt. Later they moved to a farm near Dighton, Kas., and then to Farnam, Nebr., where they became charter members of the Seventh Day Baptist church there.

Three sons were born to them, two sons dying in infancy, Alton at the age of two weeks and Orin Hugh at 22 months. In 1910, they moved to a farm near North Loup, and ten years ago they moved to a farm in the sandhills northeast of Ord, which was their home at the time of his death.

Jay Davis was born of a long line of pioneers and it was but natural that he should become one. He endured the hardships of a new country. Once he said to a neighbor when a hail storm had ruined their crops: "We all know what we want, but God knows what we need."

He had been in poor health for a number of years, becoming seriously ill just ten days before his death. He leaves to mourn his departure, his wife, four daughters, Mrs. Edna Babcock, Mrs. Maria Brannon of North Loup, Mrs. Leona Thorngate, Battle Creek, Mich., Mrs. Lucile Swanson of Rosevale, and a son, Aubrey, of Rosevale; also a brother, Fidelio Davis of North Loup, fifteen grandchildren and many friends.

Funeral arrangements were in charge of Frazier's Mortuary. The services were held at the Seventh Day Baptist church at North Loup, conducted by the pastor, Rev. A. C. Ehret, at 2 p. m. Sunday. The pall bearers were Arthur Stillman, Rolla Babcock, Cecil Stevens, Roy Lewis, Theodore Nelson and Bert Hurley. The music was furnished by the North Loup male quartet, George Bell, George Clement, Albert Babcock and Dell Barber. Burial was made in the North Loup cemetery.

Two Changes Made in Safeway Personnel

Two changes were made recently in the personnel of the Safeway store, both George Hughes and Keith Habig having gone to North Platte. Hughes is a checker in one Safeway store there while Habig is manager of the meat department in the other Safeway store.

New employees in the Ord store are Leighton Conn, of Hastings, who takes Hughes' place as clerk, and Merl Colby, of Grand Island, who is managing the meat department temporarily, pending appointment of a permanent manager. Conn is married and has two children. He has rented one of the Wentworth houses north of the postoffice.

A. J. Campbell Dies at Home Monday Eve

At 9:30 Monday evening at his home northeast of Ord, A. J. Campbell passed away. He had been ill only since Friday. When the funeral will be held has not yet been decided, as relatives here are waiting for word from the children who live elsewhere. The body is at the Pearson-Anderson mortuary.

Fine Orchestra Coming

One of the best orchestras ever to play in Ord is that of Rene Hartley, famous band leader pictured above. The Hartley band, an NBC and recording outfit, will play Thursday, Sept. 11 as a feature of the fair. They will offer a 40-minute platform program and later will play for dancing.

"Gramp" Hastings Is Oldest Mason

Arcadia—(Special)—Gauge Lodge No. 208 A. F. and A. M. observed the fiftieth anniversary of the founding of the Lodge by banqueting in the parlors of the Methodist church last Thursday evening. About 70 persons were seated at the tables. A number of visiting Masons and their wives were present and the wives of the local Masons were guests.

The outstanding feature of the occasion was the presentation of the gold Jordan medal to Gramp Hastings. The medal is awarded to the oldest Mason in the state by the grand lodge and it is a token of distinctive honor. Chief Justice Edward J. Carter of Lincoln, who is grand master of Nebraska made the presentation address. Other members of the grand lodge present also joined the chief justice in felicitating "Gramp."

Ray Lutz acted as toastmaster, Clyde C. Hawthorne gave some of the history of the Lodge and Miss Lucile Starr and Miss Dixie Clark rendered respectively, a vocal solo and a baritone horn solo. They were accompanied by Miss May Warden.

It is a rare thing for a Lodge to have the distinction of having the oldest member in the state—it is exceptional that the golden anniversary of a lodge and the presentation of the gold Jordan medal should come to pass at the same time. The occasion will long be remembered by the participants.

Two Districts Employ Teachers

Two Valley county rural districts have been successful in securing teachers and therefore were able to open school as scheduled Monday morning. Miss Ruth Kile, of Plainview, signed a contract Saturday to teach the high school classes at Haskell Creek school and Miss Catherine Barkus, of the same city, signed to teach in District 49. Both came to Ord as result of publicity given Valley county's teacher shortage in the Omaha newspapers.

Unable to secure teachers, District 66 made arrangements for its children to attend St. John's parochial school and District 69 has made temporary arrangements to have its children attend District 34. Districts 44 and 48 have not found teachers and did not open school Monday, but hope to do so next week.

Mrs. Mortensen Heads Valley Co. Red Cross

At the annual meeting of the Valley county Red Cross chapter held Thursday evening in the home of the retiring chairman, Mrs. E. C. Whelan, Mrs. C. J. Mortensen was elected county chairman for the coming year. Mrs. Whelan was chosen vice-chairman, Mrs. Wilmer Anderson secretary and C. B. Gudmundson treasurer.

Ord Misses Out on Tuesday Night Rain

While North Loup was getting a valuable .93 of an inch of rain last night, Ord missed out almost entirely. Only .08 of an inch fell here, reports Horace Travis. A severe electrical storm accompanied the shower at North Loup. Monday night Ord had 33 of an inch of rain and about the same amount fell elsewhere in the territory.

Union Pacific R. R. Seeks Permission to Remove Motor

Evening Train Operating at a Loss Now, Is Plea; Star Mail Route Is Sought.

The Union Pacific railroad has filed with the Nebraska railway commission its application for permission to remove the evening motor now operating between Grand Island and Ord, which now reaches Ord at 5:15 p. m. A hearing will be held at St. Paul on October 16.

Railroad officials cite that the motor is operating at a loss and that because of the national emergency the trainmen required to operate it, and the gasoline and oil it uses, might more profitably be used elsewhere.

There is little passenger traffic on the motor train but it brings the mail to Ord and to other points between Grand Island and this city, so if the railway commission should authorize its removal the postoffice department would have to establish a star route in order to serve people of this and other cities.

C. J. Mortensen, president of the Chamber of Commerce, said Monday that he has just been informed of the Union Pacific's application and would bring the matter before directors of the Chamber to decide whether or not to protest removal of the motor train. He will recommend that the Chamber insist upon a star mail route being established if the motor is discontinued, possibly arriving earlier in the afternoon than mail does at present.

The Union Pacific also is seeking permission to remove motors now operating on other branch lines.

Commits Suicide on Burwell Farm

Burwell—(Special)—Charles Alexander, 35, died from a self-inflicted wound caused by a bullet fired from a 22 rifle, about 3 o'clock Thursday at the home of his brother, Bud Alexander, on the Hanley farm 4 1/2 miles west of Burwell, where he was a guest. Mr. Alexander is believed to have been depressed by marital difficulties. He was estranged from his wife and two children. No inquest was held.

Funeral services and burial took place in Grand Island Sunday, where his mother lives. Charles Alexander lived on a farm near Basset. His brother, Bud, had lived on the Hanley farm but a few weeks. Bud Alexander left earlier in the day for Sargent where he formerly lived. He intended to arrange to move his wife and family to the farm near Burwell, as they were still living in Sargent. He invited his brother to accompany him but he refused saying that he planned to return to Basset later in the day to arrange for selling his livestock and machinery as he intended to quit farming.

When Bud Alexander returned home late in the afternoon he was disturbed by the barking of his dog which seldom ever made any disturbance. In the doorway of his home he found his brother, dead, sitting on a chair with a rifle fallen between his legs. He called Dr. Smith and Sheriff Strohl, both of whom arrived about 6 o'clock. Dr. Smith stated that rigor mortis had already set in and he had difficulty in opening the man's mouth when he discovered the wound.

Spikes Signs Degree in City-District Case

The city of Ord's law suit against the North Loup River Public Power and Irrigation district was officially ended Saturday when District Judge Wm. F. Spikes, of St. Paul, approved the stipulation and signed the decree. Both district and city say they are satisfied with the outcome.

The village of Burwell's contractual rights are not affected in the slightest by this settlement, attorneys say. The settlement was negotiated on behalf of the district by Munn and Norman, as special counsel, and was signed by Guy Laverty, district attorney, and Clarence M. Davis, Ord city attorney.

Manchester House Burns to Ground

North Loup—(Special)—Fire originating in an unused attic completely destroyed the Howard Manchester house 11 miles west of here at midnight Friday. All household goods on the ground floor and articles stored in the basement were saved, however.

The fire was discovered when Mrs. Manchester heard the crackling of flames and smelled smoke about midnight. She and her husband were asleep on the ground floor. They were the only persons in the house. Mrs. Manchester telephoned neighbors, who in turn summoned the North Loup fire department. Firemen made the run to the Manchester farm with their chemical truck in about 20 minutes but fire had a big start when they arrived. Full insurance was carried on the house but it probably will not be rebuilt as the quarter section farm is farmed by Harry Waller. Howard Manchester probably will move to town. He has been working here and living in the farm house, the place being owned by his mother.

Two-Ocean Navy Offers Chance to Many Young Men

Future Assured for Men Who Enlist in Navy or the Naval Reserve Now.

With the U. S. S. North Carolina and U. S. S. Washington, 35,000 ton dreadnaughts, ready to join our growing "two-ocean navy," and new ships of the line sliding down the ways at an ever increasing rate, the U. S. Navy and Naval Reserve offer increasing opportunities for training and advancement to thousands of additional men.

So coordinated and precise is the current naval shipbuilding program that many months is being cut from the normal building time of American-made warships. This expert planning and new speed in construction of our ships from 45,000 ton dreadnaughts to

Rev. E. M. Clark Resigns.

At a congregational meeting Sunday, Rev. E. M. Clark gave notice of his resignation as pastor of the Pentecostal church here, to become effective October 1. He has several openings in view but his future plans are not definite, Mr. Clark says. The church hopes to secure another pastor.

Balloon Ascension, Stage Circus, Added Free Attractions

Kearney Drum Corps Coming Tuesday; Whole Program Is Fine Entertainment.

With addition of a nightly balloon ascension, a 7-act stage circus and the Kearney Junior Legion drum and bugle corps to an already splendid list of free attractions, men in charge of the entertainment features of Valley county's free fair are ready to call the program complete.

The free fair and street carnival opens in Ord next Tuesday and continues through Wednesday and Thursday. Exhibits at the fair grounds will be brought in Monday but no program will be presented until Tuesday afternoon.

The Roy Fredericks Carnival, with many added shows and concessions, will arrive in Ord Monday and pitch its many rides and tents right on the main downtown streets of the city.

First event of the free fair will take place at the fair grounds at 1:30 Tuesday afternoon in front of the grandstand. 4-H club boys and girls will present several events, judging of as many classes of livestock as possible will be done in view of spectators and there will be a livestock parade. On Tuesday also visitors should plan to tour the exhibit buildings and see the livestock, agricultural exhibits, poultry, flowers, school work and the many other things on display. Admission to grounds and grandstand is entirely free.

Only events to which admission will be charged, aside from the nightly dances, are the baseball games on Tuesday and Wednesday and then the admission is nominal, only 10c and 20c. At 3:00 on Tuesday the Ord and St. Paul Junior Legion teams will play and at the same hour on Wednesday the Ord and Arcadia league teams will clash. Receipts will be divided between the visiting teams and the fair association.

Tuesday evening comes the first regularly scheduled free program for silage in the non-depleting classification. The committee is urging that all farmers take advantage of this change to put up their sorghums for silage, thereby assuring a feed reserve for coming months.

Prevailing cattle prices and the government supported price for butterfat make it profitable for farmers to have as much feed as possible in reserve, points out C. E. Veleba, committee chairman.

On this evening also the Kearney drum and bugle corps will perform on the streets and there will

Open Season on Ducks 60 Days

Hunters of water-fowl will again enjoy a sixty day period of hunting this fall, it was announced recently by the federal bureau of biological survey. The season opens October 16.

Bag limits are the same as last year, 10 ducks and 3 geese daily with 20 ducks and 6 geese in possession. Shooting starts at 7:00 a. m., closes at 4:00 p. m., each day. The dates for Nebraska's open season on pheasants will be from Oct. 16 to Nov. 5.

617 Students in Schools of Ord

Ord's enrollment figures for the first day of school on Tuesday looked like this: kindergarten, 32; first grade, 27; second grade, 40; third grade, 31; fourth grade, 34; fifth grade, 35; sixth grade, 37; seventh grade, 36; eighth grade, 51; ninth grade, 77; tenth grade, 79; eleventh grade, 62; twelfth grade, 76. This is a total of 617 pupils, with a few more known to be entering within the next few days.

High school enrollment totals 294, as against an estimated 316 last spring. Several would-be high school students cannot enter school because of lack of funds or of possible places to work for board and room. Superintendent C. C. Thompson and Principal F. L. Stoddard express themselves as fairly well satisfied with the enrollment, considering all factors.

2nd Place at State Fair.

From Mr. and Mrs. Glen Barber, who are showing the Valley county agricultural exhibit at Lincoln, came word this morning that the exhibit placed second in the central division. The Barbers are perennial prize winners with the Valley county exhibit, which they prepare as a "labor of love."

THE DOCTOR RETIRES.

(Written in memory of Dr. E. D. Thurston) An old time doctor may give up his practice and retire from active life, but he never truly retires until he passes on to his final reward. He may grow old, his faculties may become impaired, he may even become unable to take care of himself, but he still retains that personal interest in humanity that only the doctor knows.

Dr. Thurston was a pioneer in a double sense. He practiced medicine in the pioneer days of the country, and also in the pioneering days of surgery. To him every new case was a new experience, and every day he was called upon to make decisions involving the life or health of a patient on matters in which he could get little help from books.

He did not judge a case by the person's ability to pay. He gave the best he had, and took in return what his patients had to offer, balancing the account with the thanks of a poor but grateful people. Pioneers do not judge a man by the size of his bank account, and the life and health of every person is essential to a pioneer community.

Dr. Thurston is credited with making this remark to an early day minister: "It is your job to heal their souls; it is mine to heal their bodies; it is their job to keep soul and body together in this new country." He died poor in worldly wealth, which he could not take with him, but rich in the knowledge of a life well lived, which is his eternal heritage.

There were no automobiles, no telephones. On more than one occasion he urged his team to the limit, only to find that he was too late, when a few hours earlier he might have saved a life. No one can compute the miles he traveled, by team, on horseback, on foot, even by ox team in all kinds of weather to answer the call of suffering humanity.

These are that time, 40 years or more ago, when he traveled far into the sandhills, arriving late in the night, to find his patient suffering from acute appendicitis. Old timers recall the story of how he performed an emergency operation (the word, appendectomy, had not been coined then) by the light of a flickering kerosene lamp, and that his patient later recovered and led a long and useful life.

The doctor was a greater man than Hitler, for his mission was to ease pain and suffering, and not to cause it. He was a greater painter than Raphael, for he painted a rosy future for many otherwise doomed to beds of affliction. He was a greater poet than Longfellow, for he put a new song into the soul of every patient he cured.

He was a greater humanitarian than Rockefeller or Carnegie, for while they gave their surplus cash, the doctor gave his very life for the cause of humanity. He is gone to his final reward, but his name should be immortalized in poetry and song that future generations may know that such a man once lived and labored among us.

A TWO-OCEAN NAVY. We may not all be in accord with everything the president or con-

gress does, but a great majority of the American people are heartily in favor of an adequate national defense. We are also largely in favor of the present plan to make our navy the strongest in the world, with plenty of first class ships to maintain a two-ocean navy.

So long as so much money is being spent, we all feel that a sensible thing to do is to spend a large portion of it in insuring our land against aggression by any nation in the future. Most of us realize that adequate preparation for the carrying on of war is the best, as well as the only certain protection against war.

As conditions are at the present time, the United States has but one major navy, which is now kept in Pacific waters because of conditions in the orient. But we know that, in case the British navy should be destroyed or taken over by the enemy, we would need just as big a navy in the Atlantic. It is this problem that the department of the navy is now trying to solve.

Contracts have been let and are being let for the construction of battleships, cruisers and smaller craft, and all present contracts are well ahead of schedule. The workmen are doing their part and upholding the tradition that the labor of the United States can break any record of the past in getting the job done. We are certain of having the necessary ships for a two-ocean navy in a very few years.

But the best ships in the world are worthless without trained men to handle them, and there must be men trained in the art of naval warfare to do the fighting. The United States navy needs men now, and needs them badly. For this reason the restrictions that have made it somewhat difficult for the average man to qualify for naval service in the past have been eased to a certain extent.

The age limit has been raised and men can get into the service in some cases up to the age of fifty. This leaves an opening for men who were past the age limit under the old ruling, and doubtless many will take advantage of this opportunity to get into a job that pays well, gives a man the healthiest life in the world, and enables him to learn any one of a large number of trades. Young men of 17 and over are eligible, including draft registrants who by enlisting in the navy will thus be selecting the service branch of their choice before being drafted.

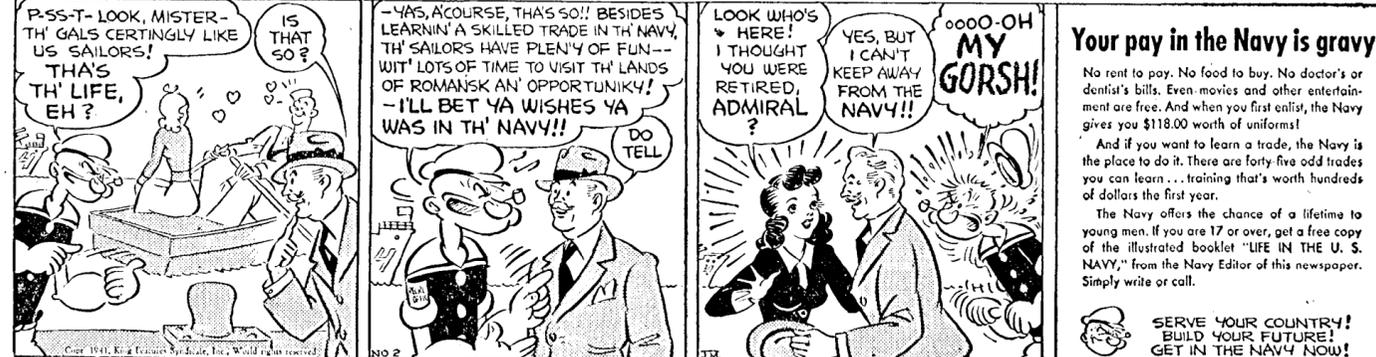

For the information of all who are interested in joining the navy the department has issued a booklet, "Life in the Navy," and a number of copies of this booklet are available for those who inquire for them. If you want one of them, get in touch with the navy editor, John L. Ward, who will see that you get one, as well as any other information that you may ask.

DO YOU REMEMBER WHEN? In the good old days the initials AAA meant American Automobile Association and nothing else? Perhaps you can remember still farther back when the only Ford you knew was the fellow who was mixed up in that Jesse James affair.

If so, you certainly recall when the only Roosevelt you knew anything about was nicknamed Teddy. And it was not so long ago that NBC was known everywhere as the initials of National Biscuit Company.

Then there was a time when they had breakfast foods called "Force" and "Egg-O-See," and a brand of crackers called "Takoma Biscuit." That was about the time when we had German officers in the United States to teach our army the

POPEYE, THE RECRUITING OFFICER, MEETS THE ADMIRAL!

A Sextet of Vallev County Farmers of 25 Years Ago

The above picture was taken by John L. Ward more than a quarter of a century ago, and he knew them all well then. The faces still look very familiar, but he just can't seem to remember them all. That guy on the left looks like his name might be Money, or possibly one of the Springdale Cooks.

The next two might be almost anybody, but probably are not. Then comes the guy in the long overcoat, who is Charley Porter, and perched over so far he is almost out of the picture also has a very familiar look. If you know the unknown members of this group, let us know.

art of warfare. In those days about the only "bureau" we had in the United States was the one in pa's and ma's bedroom. You may also recall that in those days if we did not have a thing we got along without it, because the "more abundant life" had not yet been invented.

My Own Column By H. D. Leggett Nisswa, Minn., Aug. 29, 1941. Dear Quiz Readers: The C. A. Andersons left this morning at 7:30 and will be in Ord this evening, nearly 600 miles away and the Leggetts are alone again, so far as relatives are concerned. And does the place seem quiet. Soon after they left we started putting the cottage back on a room for two basis, as we will be alone the balance of our stay, the length of which will depend somewhat on the weather and how badly I am needed at home.

Mr. and Mrs. Gross are still here and will remain until the latter part of next week. Tuesday we are planning to make a trip up the Lake Superior north shore as far as Grand Marais, stay overnight and sight see as we go and come. They have never taken the trip and while we have been up there many times, we have not made the trip this season yet and wanted to do so before returning home. So when Mr. Gross suggested we do so to sort of forget for a few days, how lonesome it is here without the kids, we gladly fell in with the idea. We will take a picnic dinner for the first day, also bacon, eggs, coffee and other things that we have on hand, rent a cottage and do our own cooking. And we want to get a meal or two of those good lake trout to sort of break the monotony of eating bluegills and walleyes here at home. On the way home Mr. and Mrs. Gross plan on attending a family reunion down in Iowa.

It is a short jump from a camp full to a camp almost deserted. A few days ago all the cottages were filled except the Penner cottage. Now most of them are vacant. The Simpsons packed up and left their cottage yesterday afternoon. The Gelows are returning to their home in Grand Island this week end, but will be back in about ten days to stay over into October. The Mackowsky cottage is vacant after being full most of the summer. The Leon Cleumy's of Elyria have been in the Michalek cottage for a few days but are leaving today. The Cash Welnlaks are coming tomorrow and will occupy our other cottage and the Augustines are still here but are likely to leave most any day now, and that reminds me of a good joke on Mr. Augustine.

The other day when the LaVern Duemeyers were here we started for the upper lake, HI and Flora and the Missus in one boat and the Duemies and myself in the other boat. It was pretty cool and the ladies had gathered up all the red and green sweaters they could find with which to keep warm and I guess, as we started the motors and went roaring up the lake, we did look like a band of Gipsies. Anyhow Mr. Augustine walked down on his dock about that time, acted surprised to see such a funny looking aggregation out on the lake and looked so long and hard that he forgot where he was standing and was reminded probably when he stepped off into four or five feet of water and muck. He

Keith Lewis, Mart Beran, Other Ord Men Who Served in World War I Navy, Endorse Service

If any young fellow in Ord or Valley county wants to know what former members of Uncle Sam's navy think about this branch of the service and the advisability of enlisting in it, he won't have to go far for an answer.

Keith Lewis, manager of the J. C. Penney store here, who enlisted in the navy in 1918 and served until the end of the first World War, working up to the rank of pharmacist's mate, gave a vigorous boost to the navy this week.

"It's the finest branch of the service and if I was a young fellow likely to be drafted or thinking of enlisting during World War II, I certainly would choose the navy," Lewis declares.

"The navy offers the young man of military age opportunities not found in any other branch of the armed services. Opportunity is given to learn almost any trade and during the time of his enlistment a man is occupied at the trade

he chooses and comes out a master of that trade. "From my own observation during the World War I would say that navy food is better, that pay is higher, that more privileges are given and that sailors are in general better off, though I don't mean to cast reflections on any other branch of the service," said Lewis.

His opinions are concurred in by Mart Beran, who operates a Texaco station in Ord. Mr. Beran, who was a machinist in the naval air service, says if he were of service age he'd go right back into the naval air corps from choice. For many years after the war he worked at the trade he learned in the navy, Beran says.

Other Ord men who served in the navy in 1918 and 1919 were Night Marshal W. E. Lincoln, Rube Lincoln, Otto Pecenka and Cecil Ward. All think the navy is the finest of all the armed services for a young man and all endorse the naval recruiting campaign now in progress.

++ Something Different ++ When Russell Craven began to think about moving away from this territory, he realized he had some 900 pennies that he might as well dispose of. He had saved Indian head pennies for years, and was accumulating so many that they were beginning to be a burden.

Mrs. Forrest Johnson has also been interested in Indian head pennies for several years, so Mr. Craven offered his assortment to her at a penny and a half each. She declined.

Mrs. Johnson began to look over the Craven pennies to see if any of them were rare or valuable, and sure enough she found several that were catalogued at \$1.50 each, several more worth 75c each, and lesser amounts.

And she certainly proved herself an honest woman when she then declined to take advantage of his first low-priced offer.

Mr. Craven was much astonished to learn he had a penny collection that was worth two thoughts.

Mr. and Mrs. Charlie Stiebler, my neighbors across the street to the south, have proved they are no ordinary travellers, but can really take it.

Now did you know they went to Oregon, driving out there to spend a few weeks with relatives? Then they accompanied their son-in-law, Jake Foley back to Nebraska in his car. What's unusual about that, you ask?

Well, they reached Ord on a Saturday night. They stayed in Ord over Sunday. And Monday morning very early and probably bright too for all I know, they left Ord with Mr. Foley for his home at Nettleton, Mo.

Those folks didn't need to go to Nettleton; they had plenty of nettle. Or do I mean nettle. Let's see???

Your pay in the Navy is gravy

No rent to pay. No food to buy. No doctor's or dentist's bills. Even movies and other entertainment are free. And when you first enlist, the Navy gives you \$118.00 worth of uniforms! And if you want to learn a trade, the Navy is the place to do it. There are forty five odd trades you can learn... training that's worth hundreds of dollars the first year. The Navy offers the chance of a lifetime to young men. If you are 17 or over, get a free copy of the illustrated booklet "LIFE IN THE U. S. NAVY," from the Navy Editor of this newspaper. THE IMPORTANCE OF SEEING No. 4—What About the Pedestrian PLACE a circle around the letter "T" if a statement is true and around the letter "F" if a statement is false. When finished, turn upside down to read correct answers at bottom of this test. Your score is the number right minus the number wrong. How good are you? 1. At night a pedestrian can be more easily seen on a concrete road surface than on an asphalt road surface. T F 2. It is advisable for the pedestrian to keep to the right on crowded cross-walk crossings. T F 3. A pedestrian who has the right of way on a cross-walk in the daytime does not have it after dark because the driver cannot see him very well. T F 4. The intelligent driver takes for granted that all pedestrians on rural roads will walk facing oncoming traffic. T F 5. Since there is greater congestion of traffic at intersections, it is safer for pedestrians to cross between rather than at intersections. T F 6. The safe driver does not have to know sound pedestrian practices. T F 7. If an adult pedestrian lacks mature judgment, the driver of a car has no responsibility toward him. T F 8. It is safe for a pedestrian to step into the street from between parked cars if he doesn't see any other car approaching. T F 9. It is a foolish driving practice to assume that every child playing on or near the street may suddenly dart in front of your car. T F 10. The man on foot often makes the mistake of believing that he can be seen by the driver from a far greater distance than is actually possible. T F 11. Whether a pedestrian on a highway wears light clothing or dark clothing at night has no bearing on the distance at which he can be seen. T F 12. It is wise for the man on foot to look first to the left then to the right before crossing two-way streets. T F 13. At intersections unprotected by traffic lights, it is not wise for a pedestrian to follow a clockwise path in reaching a diagonal destination. T F 14. It is definitely established that adults can learn new habits and attitudes. T F 15. When sidewalks are crowded, it is entirely safe to walk short distances in the roadway as long as one faces oncoming traffic. T F Correct answers: 1. T 2. T 3. F 4. F 5. T 6. F 7. F 8. F 9. F 10. —Mr. and Mrs. Deiss Muffett came Saturday to spend the Labor Day week end with their friends, the John Misko's. They left Monday for their Omaha home.
—Miss Winnie Hallen left Friday morning for her school work at Douglas, Ariz.
—Miss Wilda Chase was visited by a friend the first of the week.
—Mrs. Lois D. Harrell and little daughter Ruth Lee from Beatrice.
—Mrs. H. T. Frazier and Patty made a trip to North Platte last week to visit in the Shirley Norton home.
—Mr. and Mrs. Raymond Kerchal, jr., of Omaha, spent Saturday night and Sunday visiting the Rudolph Hozek family and other friends at Arcadia. Dinner guests in the Hozek home Sunday, honoring the visitors, included Mr. and Mrs. Anton Benben, of Sargent, and Mr. and Mrs. Charlie Brim.

—A change in the personnel of the North Loup Irrigation District force promotes Archie Bradt to ditch rider, and places Clarence Blessing in charge of Hardenbrook Dam.
—Mrs. James Milford and daughter, Miss Ruth, left Tuesday for Omaha where Miss Ruth will resume her teaching duties September 8. Mrs. Milford will visit there for a couple of weeks.
—A. P. Vandruft, representative of the Arlington Nurseries, is in the county at present visiting his old customers and making new ones. Mr. Vandruft has traveled this territory for a number of years, and has many warm friends here.

—Miss Inez Eberhart left by bus Thursday morning for her school work at Madison, after spending the summer here visiting her parents, Mr. and Mrs. Ben Eberhart.
—H. T. Frazier made a trip to Burwell last week to call upon John Lindsay, the only G. A. R. veteran living in this section of the state. Mr. Lindsay is now past 93 years of age, and is quite feeble, but still takes quite an interest in those who call upon him.
—Mr. and Mrs. C. A. Anderson, Shirley, Coralee and Tommy, accompanied by Miss Alice Mathouger, returned to Ord Friday evening from Cullen Lake, Minn., where they had been vacationing at the H. D. Leggett cottage.

Burwell News

Written by Rex Wagner

Virgil Key, the youngest son of the late Scott Key, was married in Loup City Saturday morning to Miss Ruby Janulewicz, formerly of Loup City, but now of Omaha. Mr. and Mrs. Key spent Sunday in Burwell visiting his relatives and friends. A dinner in their honor was held in the home of his sister, Mrs. Chester Johnson. Others present were Mr. and Mrs. Kenneth Timmerman and family of Ord and Mrs. Gene Warren and Bobby of Des Moines. Mrs. Timmerman and Mrs. Warren are Mr. Key's sisters. The bridegroom was born and reared near Burwell where he has many relatives and friends. He graduated from the Burwell high school with the class of 1937. He spent several years in the CCC camp at Broken Bow where he was appointed a supervisor. At the present time he is employed in a munitions factory in Omaha where he is a ballistics expert. Mrs. Key works in a clothing store in the same city where they will make their home.

Mr. and Mrs. Glenn Noble of Nebraska City were guests of Mr. and Mrs. Orville Marquardt Sunday and Monday. Saturday and Sunday the Marquardts entertained Mr. and Mrs. Delloyd of Genoa.

Miss Dorothy Paulin spent the week end with friends at Hastings.

The work of the home supervisor in the farm security administration office in Burwell will be discontinued Sept. 10 according to a letter received by the office Thursday. The reason given for abolishing the position, according to the communication, is to cut down expenses. Miss Iulda Bennett, who holds the position of home supervisor, is at the present vacationing in Mexico.

Mr. and Mrs. Ralph Walker and family returned Sunday evening from McCook and Hayes Center where they had been visiting relatives.

Harry DeLashmutt is now at Fort Warren, Wyo., where he will spend several weeks of preliminary training before going to Camp Lee, Va., where he will enroll in a school for quartermasters. His mother, Mrs. Frances DeLashmutt, took him to Omaha Monday evening. They were accompanied by the Misses Betty Manasil and Mae Meyers. Miss Manasil, who has a position with the Federal Land bank in Omaha came to Burwell Saturday with Ben Meckel when he came to visit his wife and family who are living with her parents, Mr. and Mrs. C. R. Isenfritz. Miss Meyers will spend several days in Omaha as the guest of Miss Manasil.

Stanley and Raymond Owens, who are employed in Denver, came home Friday to spend the week end. They made the trip with a friend from Loup City.

Harold Sizemore, who has spent two weeks in Sioux City and Chicago, where he has been a guest of relatives and attended big league ball games, returned home Saturday night. His sister and her husband, Mr. and Mrs. John Danley, brought him to Burwell, where they spent three days visiting in the Sizemore and Massey homes.

Mr. and Mrs. Sidney Smith and two daughters arrived in Burwell Sunday where they visited her parents, Mr. and Mrs. Tom Shelton, sr. Tuesday they went to Theford, where he is employed on a highway project.

Will Rice took Mr. and Mrs. T. B. Swanson and sons to Sutton Sunday where they attended a family reunion.

Mr. and Mrs. Ernest Mauch and family of Bassett were dinner guests in the home of his brother, Fred Mauch, Saturday. They were on their way to Lincoln where they are attending the state fair.

Mr. and Mrs. Harry Simons returned Friday from a two weeks

vacation trip to Indiana and Illinois. They took his parents, who had spent the summer in Burwell, to their home at Plymouth, Ind., where they visited relatives and friends. In Chicago they were guests of Mr. Simons' sister. They report that everywhere they visited they found crops suffering for lack of moisture.

Mrs. William T. Johnson and Charles and Julia, who have spent most of the summer in Burwell, where they have been guests in the home of her parents, Mr. and Mrs. F. A. Johnson, returned to their home in Lincoln Sunday. Mr. Johnson who drove to Burwell after them, spent the day in the Johnson home.

A picnic, honoring Miss Helen Schuldt, who returned to her home at Colby, Kas., Wednesday, after spending the summer in Burwell with her sister, Mrs. Orville Marquardt, was held in Ord park, Tuesday evening. Many of the friends which Miss Schuldt made this summer, attended.

Mr. and Mrs. Lynn Runyan of St. Paul spent the week end and Labor Day in Burwell where they visited her parents, Mr. and Mrs. Austin Anderson.

Mrs. A. J. Meyer and Betty went to Omaha Saturday where they are taking care of the daughters of Dr. and Mrs. Robert Day while Mrs. Day spends a few days in Chicago with Dr. Day who is attending a graduate school there.

Mr. and Mrs. William F. Grunkemeyer returned Saturday from Sheridan, Wyo., where they visited their sons, George and Arnold, and their wives.

Mr. and Mrs. Leslie Westover and family were guests in the home of Mrs. Bessie Key Sunday.

Vernon Johnson, who is employed in an airplane factory at Niagara Falls, arrived in Burwell Friday where he visited his parents, Mr. and Mrs. J. V. Johnson. He came with a friend whose home was at Cozad and who returned to Nebraska to be married. Vernon commenced his return trip Sunday. Buzz Grunkemeyer and Archie Ray accompanied him as far as Lincoln, where they are spending the week at the state fair.

Mr. and Mrs. Carl Davenport and family of Omaha are visiting in the home of his brothers, Charles and Garland Davenport and other relatives and friends at Burwell.

Miss Sarah Grunkemeyer, who is a student nurse in the Lincoln General hospital, spent Friday in Burwell. Miss Marguerite Grunkemeyer, who attends the Lincoln School of Commerce, arrived in Burwell Saturday and returned to Lincoln late Monday evening.

G. E. Michener went to Chicago Monday where he is spending a few days to attend to business matters.

Mrs. Lulu Dean of Glenwood, Ia., and Miss Ida Robbins of Lincoln arrived in Burwell Thursday where they remained until Saturday as guests in the D. W. and J. V. DeLashmutt homes. The ladies were returning from Estes Park where they had spent their vacation. Mrs. Dean is a cousin of D. W. and J. V. DeLashmutt.

Miss Dorothy Paulin drove to Lincoln today where she is attending to business matters. She was accompanied by Mrs. A. I. Cram and the Misses Alaire Pulliam and Nina Nickells. Mrs. Cram will attend the annual state meeting of the Congressional club at Omaha which convenes in Lincoln this week while Miss Pulliam and Miss Nickells will stop and visit friends both in Lincoln and Omaha.

Mr. and Mrs. D. W. DeLashmutt and Mrs. Agnes Hummel entertained Mrs. Frances DeLashmutt, Harry, Leslie and Keith and Mr. and Mrs. Leonard Johnson to a dinner in their home Sunday in honor of Harry DeLashmutt who left Burwell Monday and is now at Camp Warren, Wyo.

Mrs. Nellie Leonard and Myrtle Hallmann, returned to Burwell Sunday after spending a week at Westerville and Ansley where they visited relatives. Leonard spent the entire summer on the farm of his uncle's near Westerville. The grandchildren enrolled in the Burwell high school Monday.

Mr. and Mrs. Andrew Monson returned Tuesday from Lincoln where they spent three days attending the state fair.

A district forestry office was installed in the northeast room of the second floor in the old high school building Friday. The office is in charge of Wayne Banks, whose principle work will be to superintend the planting and maintaining of shelter belts. Mr. Banks has charge of this work in Loup, Garfield, Valley and Greeley counties, part of Wheeler county and all of Custer county, north of the middle Loup river.

Dan Miller of Ericson is critically ill of a paralytic stroke in Dr. Cram's hospital where he was brought Thursday. Dr. Smith is attending him. Mrs. Miller is a guest in the home of Rev. and Mrs. J. Bruce Wylie while she stays in Burwell to be near her husband.

Troy Malhan, who has spent the summer in Burwell where he has been employed in the new dairy, returned by bus to Schuyler Saturday where he will attend school. Jerome Zelenda also accompanied him to Schuyler where he spent the week end.

The school bus was pressed into service this morning to take the members of the Burwell band to Lincoln where they will furnish music at the state fair today and tomorrow. Burwellites who went to Lincoln today with members of the band are Mrs. R. L. Walker, Mr. and Mrs. R. E. Leach, Mr. and Mrs. Struve, Mr. and Mrs. H. A. Phillips, Mr. and Mrs. Leonard Johnson and Mr. and Mrs. F. W. Manasil.

The winning streak of the Burwell kittenball team was broken Sunday evening when they were defeated by the Wolbach Midgets, 11 to 3. Three of Burwell's players, Henry Douglas, Harold Elliott and Joe Klinsky were out of town and did not play in the game. The Midgets have only been beaten once this season. Friday Burwell

defeated Sargent 12 to 6. The Sargent ladies defeated Burwell 20 to 8. Tuesday night the Burwell firemen beat the Greeley firemen 21 to 17. Thursday night the Joys beat the Feather Merchants 10 to 9 and the Oilers beat the Butter Makers.

Clark Sherman, Burwell's ace ball pitcher, has more or less disproved the old adage that a man can serve but one master. He changes his colors frequently and gets by with it. His services as a baseball pitcher are much in demand. One day he maintains the honor and glory of one town as loyally as any of the home town boys, bread and born, and the next day he battles for benefit of an entirely different village. This fall and summer he has pitched at four county fairs. He pitched for Scotia at Greeley, will pitch for Boelus at the Howard county fair at St. Paul, for Ord at the Valley county fair and for Chambers at the Holt county fair as well as for various other towns. He largely finances his college education by selling his services to towns needing a top notch pitcher.

Mrs. Oscar Smith underwent a surgical operation in the University hospital Tuesday. Will Rice took her and two of her daughters to Omaha last week where she has been under observation and treatment.

Mr. and Mrs. Alvin Davis spent Sunday and Monday in Omaha.

James Meuret, youngest son of Mr. and Mrs. T. H. Meuret, has been quite ill in the home of Mr. and Mrs. Ira Beat. He developed complications following the removal of his tonsils.

Mr. and Mrs. Vernon Donner and family and Mr. and Mrs. C. F. Donner and family were guests of Mrs. Perry Donner and Florence Sunday.

Mrs. Fritz Schmidt and children, Elsie and Stanley left Tuesday with her son, Harry, for Twenty-nine Palms, Calif., where they will make their home. Mrs. Francis Dold of Lincoln visited her mother, brothers and sister, prior to their removal to California.

Mr. and Mrs. W. T. Anderson left Saturday for Aurora where they visited his daughter, Mrs. Will Douglas. They also visited another daughter, Mrs. Karl Graber, at Ravenna before they returned.

Couple Meister, a surveyor, who for several years lived in Burwell, pulled a switch at the municipal light plant Saturday night which burned out several street lights. He was tried in county court Monday on the charges of drunkenness and the destruction of property. He was fined \$10 and costs amounting to \$4.50. Mr. and Mrs. Meister and son, who now live at McCook, spent the week end with friends in Burwell.

Mr. and Mrs. Clarence Jurgensen and Mr. and Mrs. Lloyd Carricker and Russell returned Thursday from their vacation trip to Yellowstone National park. Mr. and Mrs. S. V. Holloway and sons and Mr. and Mrs. Merton Wheeler and Donald got back from Yellowstone Saturday. Mr. and Mrs. Lewis Moore, Mr. and Mrs. Charles Meyer and Bonnie, Mr. and Mrs. Emil Nelson and Mr. and Mrs. C. E. Hallock returned from trips through the west.

Mrs. C. D. Bishop, William Bishop, Mr. and Mrs. Harry Conrad and Mrs. George Davis returned Sunday from Ponca City, Okla., where they had been called by the death of John Conrad, who was a brother to Mrs. Bishop and Mr. Conrad and a brother-in-law of Mrs. George Davis.

Mrs. William Hoffman of Los Angeles was the guest of honor at a picnic sponsored by the Eastern Star at Riverside park Thursday morning. The same evening a family picnic in honor of the Hoffmans was held at the same place. More than sixty persons attended. Mr. and Mrs. Hoffman will commence their homeward trip tomorrow. Russell Troxell will accompany them. He will attend the University of Southern California at Los Angeles this year where he will stay in the home of his uncle, Will Johnson.

Mr. and Mrs. Earl Rector of Lowell were dinner guests of Mr. and Mrs. Lloyd Carricker Sunday.

Mr. and Mrs. J. J. Meyers, Joe and Mae, and Mr. and Mrs. F. W. Manasil and Betty drove to St. Paul Sunday where they attended a wedding dinner in honor of a relative.

Miss Ardath Alloway is now in St. Joseph, Mo., where she is taking nurse's training in the Methodist hospital.

Leslie DeLashmutt entertained Richard Petring and Don Jewell,

both of Norfolk, who are two of his Doane college friends, Monday and Tuesday.

Dr. and Mrs. Frank Troop of Columbus, O., spent the latter part of the week in Burwell where they visited his father and his sister, Mrs. Elsie Hansen and family. Thursday their son Rev. Henry Troop of St. Louis was a guest in the Hansen home.

George Fanning is seriously ill at the home of his son, Charles, at Alliance.

Mr. and Mrs. John Danley and sons of Sioux City, Ia., and Mrs. Claude Sizemore were guests in the home of Mr. and Mrs. Knute Peterson Monday. Mrs. Mike Higgins helped Mrs. Peterson cook for threshers the same day.

The condition of Mrs. Abagail Walker, who sustained a fractured hip three weeks ago fails to improve.

Mr. and Mrs. Gilbert Nelson and family left today for Idaho and Washington where they will spend their vacation and visit relatives and friends.

Alfalfa Planting Urged by Benn as Way to Make Irrigation Pay

By Harold W. Benn,
Agrl. Agent, U. P. Railroad.

No doubt the originators of the idea of irrigating from the North Loup river dreamed of some day seeing a variety of new crops, pastures filled with livestock and trim new farmsteads in the valley. Such changes do not come about quickly, especially after years of drought, but there are some things which North Loup valley farmers can and should do to make irrigation pay greater dividends.

First—don't try to farm the whole county, but concentrate on the acreage which can be operated efficiently, level the land and build good ditches in the proper places. Second—revise your crop rotation to include new crops which will give the greatest return under intensive farming and legumes to build up and maintain the soil fertility. Third—develop a livestock program to provide for consumption of feed produced on the farm and supply manure to apply on the land.

Remember that with the application of supplementary water your farm is being placed under conditions similar to those in Iowa and Illinois. The soil fertility must be built up and maintained, and the best way to do this is by growing alfalfa and applying manure. At the Scotts Bluff experiment station alfalfa has increased the yield of beets as much as 7.5 tons and potatoes as much as 166 bushels. Similar effects were noted when manure was applied. Experiments on crop rotations carried on at this station for 23 years have shown that of the eight rotations giving a satisfactory return of \$19 or more per acre, three received applications of manure alone, two contained alfalfa but not manure, two both manure and alfalfa and one sweet clover which was pastured.

Valley county farms have produced fine crops of alfalfa in the past and can again with irrigation. The first step on practically every irrigated farm should be the seeding of a good variety of alfalfa either early in the fall or spring on ground thoroughly worked and packed.

The production of alfalfa seed offers possibilities especially if the water supply is short. The best yields of seed are secured by shutting off the water after the first or second cutting. Yields of 5 to 6 bushels of seed can be expected.

If the acreage of alfalfa can be increased there is a possibility of attracting alfalfa dehydrating companies. Only 300 to 400 acres are required within an 8 to 10 mile radius from the plant. The company sends out tractors, mowers and trucks to harvest the green crop, and farmers receive \$2.00 per ton less than the price of stacked hay at the end of the month during which the cutting was purchased. In 1940 the average return per acre to farmers selling to the Denver Alfalfa Milling and Products company at Cozad, was as follows:

1st cutting	-----\$5.82
2nd cutting	----- 6.21
3rd cutting	----- 6.00
4th cutting	----- 6.78
5th cutting	----- 4.56

Total return—\$29.37 per acre

Two companies have been contacted on the possibility of establishing plants at Ord, but their representatives raised the objections that equipment is difficult to get now because of defense demands and Ord doesn't have natural gas which is used to heat the dehydrating drums. Future developments may alter the situation, but even though a plant is never built, seeding alfalfa will pay good dividends.

Other possibilities in the North Loup valley are being investigated, and stories dealing with such items as production of hybrid feed and sweet corn, raising potatoes and other vegetables, and dairying and feeding will appear from time to time.

W. I. Hoffmans Visiting Here from California

After about ten years residence in California, Mr. and Mrs. W. I. Hoffman are at present visiting their relatives and friends here and in Burwell. This is the first time they have been back since they went west to make their home, and, like all others, they are surprised at the hearty welcome they are receiving everywhere they go.

The Hoffmans are strictly Ordites, growing up in this community and receiving their education here. Mrs. Hoffman will be remembered as Beulah McMillan, daughter of Mr. and Mrs. Frank McMillan. Mr. Hoffman is a brother of our own Jake, an Ord graduate in 1903. After their marriage they lived more than 30 years in Burwell.

They are doing well in California. Their oldest son, Francis (Mike) is in the personnel department of the Vega Aircraft corporation. Billy is a supervisor in the Lockheed Aircraft factory. The daughter, Martha Mae, is married to James Sarvey of Riverside, who is an employee in the postoffice there. Mr. and Mrs. Hoffman own and operate a neighborhood grocery in Pasadena.

While they have lived in California for a long time, they still think a lot of Nebraska. Mr. Hoffman was guest speaker at the last Nebraska picnic at Bixby Park, Long Beach, and he talked on the subject of "Nebraska." Those who have heard him talk will agree that Bill doubtless gave some very convincing arguments as to why Nebraska is the greatest state in the union.

Attended Convention, then Went to Kentucky

The past two weeks have been busy ones for E. C. James of Ord. First he attended the national convention of the Spanish-American war veterans in Omaha, and the day after his return left with H. B. VanDecar on a business trip to Kentucky, also stopping at points in Ohio, Illinois and Indiana. The Ord men returned from this trip last Friday.

Mr. James reports that at the national convention in Omaha he met six men from the company of which he was a member in the Philippine Islands during the insurrection. The captain of his company, now 80 years old, also was there. James was the second youngest man in his regiment in the Philippines, so, at 62, he found himself one of the youngest veterans at the convention. Their average age is 72, he reports, and many are now 80 or older.

He was the only Valley county man at the national convention although there are several others in the county, among them Clyde Baird, of Arcadia, Kit Carson and Herb Mason, of Ord.

Two-Ocean Navy Offers Chance to Many Young Men

(Continued from page 1)

Small torpedo boats open the way for the Navy to accept new qualified men for training at the rate of 12,000 to 15,000 a month. These men, enlisting in either the regular Navy or the Naval Reserve, will be sent to one of the four naval training stations and may have a chance to go to a navy trade school even before assignment to the fleet. During this period they will receive regular Navy pay and the free Navy schooling is valued at hundreds of dollars.

"Never in the history of the United States has there been greater opportunity for loyal young Americans to serve their country and build their futures than right now," Secretary of the Navy Knox recently said.

At the suggestion of Secretary Knox, John L. Ward has been named Navy Editor of The Quiz, to help the Navy in giving ambitious young men information about the opportunities the "two-ocean navy" offers for technical training and advancement.

Letters from Navy Recruits Invited

There are several Valley county young men now serving in the United States navy or at training stations preparatory to actual service in the Navy. Letters from them are invited and will be published.

For the benefit of young men here who are thinking about enlisting in the Navy or Naval Reserve, such letters should give details of the routine followed while in training, of the privileges accorded, what kind of meals are served, what training courses are offered and everything about Navy life.

Parents are urged to transmit this copy of the Quiz to their sons now in the service of the Navy.

In outlining the many advantages offered by Naval enlistment, Mr. Ward said, "It is possible for a bright young man to increase his pay seven times during his first enlistment and he can earn as much as \$126 a month. This monthly figure is actually worth much more when it is remembered that the man has few living expenses and is provided with the finest of medical and dental care.

"You have all your food and lodging, and also your original clothing outfit is provided by Uncle Sam free," Mr. Ward continued. "In addition there are free sports and entertainment—even the latest Hollywood pictures. On top of this, you get free travel and adventure in colorful places—a thing few civilians can afford.

"As Navy men are a 'hand-picked' lot, candidates must be men of more than average intelligence and ambition, of fine moral character and must have the written recommendation of at least two local townspeople."

As Navy Editor, Mr. Ward, has just received from Washington a supply of free illustrated booklets for all men interested and, in addition, will welcome inquiries from young men who wish to look into the new and greater opportunities the Navy and the Naval Reserve now offer for training for later civilian careers as they serve their country now in its emergency.

Burwell News

Written by Rex Wagner

Virgil Key, the youngest son of the late Scott Key, was married in Loup City Saturday morning to Miss Ruby Janulewicz, formerly of Loup City, but now of Omaha. Mr. and Mrs. Key spent Sunday in Burwell visiting his relatives and friends. A dinner in their honor was held in the home of his sister, Mrs. Chester Johnson. Others present were Mr. and Mrs. Kenneth Timmerman and family of Ord and Mrs. Gene Warren and Bobby of Des Moines. Mrs. Timmerman and Mrs. Warren are Mr. Key's sisters. The bridegroom was born and reared near Burwell where he has many relatives and friends. He graduated from the Burwell high school with the class of 1937. He spent several years in the CCC camp at Broken Bow where he was appointed a supervisor. At the present time he is employed in a munitions factory in Omaha where he is a ballistics expert. Mrs. Key works in a clothing store in the same city where they will make their home.

Mr. and Mrs. Glenn Noble of Nebraska City were guests of Mr. and Mrs. Orville Marquardt Sunday and Monday. Saturday and Sunday the Marquardts entertained Mr. and Mrs. Deljord of Genoa.

Miss Dorothy Paulin spent the week end with friends at Hastings. The work of the home supervisor in the farm security administration office in Burwell will be discontinued Sept. 10 according to a letter received by the office Thursday. The reason given for abolishing the position, according to the communication, is to cut down expenses. Miss Huldah Bennett, who holds the position of home supervisor, is at the present vacationing in Mexico.

Mr. and Mrs. Ralph Walker and family returned Sunday evening from McCook and Hayes Center where they had been visiting relatives.

Harry DeLashmuth is now at Fort Warren, Wyo., where he will spend several weeks of preliminary training before going to Camp Lee, Va., where he will enroll in a school for quartermasters. His mother, Mrs. Frances DeLashmuth, took him to Omaha Monday evening. They were accompanied by the Misses Betty Manasil and Mae Meyers. Miss Manasil, who has a position with the Federal Land bank in Omaha came to Burwell Saturday with Ben Meckel when he came to visit his wife and family who are living with her parents, Mr. and Mrs. C. R. Hegenfriz. Miss Meyers will spend several days in Omaha as the guest of Miss Manasil.

Stanley and Raymond Owens, who are employed in Denver, came home Friday to spend the week end. They made the trip with a friend from Loup City.

Harold Sizemore, who has spent two weeks in Sioux City and Chicago, where he has been a guest of relatives and attended big league ball games, returned home Saturday night. His sister and her husband, Mr. and Mrs. John Danley, brought him to Burwell, where they spent three days visiting in the Sizemore and Massey homes.

Mr. and Mrs. Sidney Smith and two daughters arrived in Burwell Sunday where they visited her parents, Mr. and Mrs. Tom Shelton, Sr. Tuesday they went to Theford, where he is employed on a highway project.

Will Rice took Mr. and Mrs. T. B. Swanson and sons to Sutton Sunday where they attended a family reunion.

Mr. and Mrs. Ernest Mauch and family of Bassett were dinner guests in the home of his brother, Fred Mauch, Saturday. They were on their way to Lincoln where they are attending the state fair.

Mr. and Mrs. Harry Simons returned Friday from a two weeks

vacation trip to Indiana and Illinois. They took his parents, who had spent the summer in Burwell, to their home at Plymouth, Ind., where they visited relatives and friends. In Chicago they were guests of Mr. Simons' sister. They report that everywhere they visited they found crops suffering for lack of moisture.

Mrs. William T. Johnson and Charles and Julia, who have spent most of the summer in Burwell, where they have been guests in the home of her parents, Mr. and Mrs. F. A. Johnson, returned to their home in Lincoln Sunday. Mr. Johnson who drove to Burwell after them, spent the day in the Johnson home.

A picnic, honoring Miss Helen Schult, who returned to her home at Colby, Kas., Wednesday, after spending the summer in Burwell with her sister, Mrs. Orville Marquardt, was held in Ord park, Tuesday evening. Many of the friends which Miss Schult made this summer, attended.

Mr. and Mrs. Lynn Runyan of St. Paul spent the week end and Labor Day in Burwell where they visited her parents, Mr. and Mrs. Austin Anderson.

Mrs. A. J. Meyer and Betty went to Omaha Saturday where they are taking care of the daughters of Dr. and Mrs. Robert Day while Mrs. Day spends a few days in Chicago with Dr. Day who is attending a graduate school there.

Mr. and Mrs. William F. Grunke-meyer returned Saturday from Sheridan, Wyo., where they visited their sons, George and Arnold, and their wives.

Mr. and Mrs. Leslie Westover and family were guests in the home of Mrs. Bessie Key Sunday.

Vernon Johnson, who is employed in an airplane factory at Niagara Falls, arrived in Burwell Friday where he visited his parents, Mr. and Mrs. J. V. Johnson. He came with a friend whose home was at Cozad and who returned to Nebraska to be married. Vernon commenced his return trip Sunday. Buzz Grunke-meyer and Archie Ray accompanied him as far as Lincoln, where they are spending the week at the state fair.

Mr. and Mrs. Carl Davenport and family of Omaha are visiting in the homes of his brothers, Charles and Garland Davenport and other relatives and friends at Burwell.

Miss Sarah Grunke-meyer, who is a student nurse in the Lincoln General hospital, spent Friday in Burwell. Miss Marguerite Grunke-meyer, who attends the Lincoln School of Commerce, arrived in Burwell Saturday and returned to Lincoln late Monday evening.

G. B. Michener went to Chicago Monday where he is spending a few days to attend to business matters.

Mrs. Lulu Dean of Glenwood, Ia., and Miss Ida Robbins of Lincoln arrived in Burwell Thursday where they remained until Saturday as guests in the D. W. and J. V. DeLashmuth homes. The ladies were returning from Estes Park where they had spent their vacation. Mrs. Dean is a cousin of D. W. and J. V. DeLashmuth.

Miss Dorothy Paulin drove to Lincoln today where she is attending to business matters. She was accompanied by Mrs. A. J. Cram and the Misses Alair Pulliam and Nina Nickells. Mrs. Cram will attend the annual state meeting of the Congregational churches which convenes in Lincoln this week while Miss Pulliam and Miss Nickells will stop and visit friends both in Lincoln and Omaha.

Mr. and Mrs. D. W. DeLashmuth and Mrs. Agnes Hummell entertained Mrs. Frances DeLashmuth, Harry, Leslie and Keith and Mr. and Mrs. Leonard Johnson to a dinner in their home Sunday in honor of Harry DeLashmuth who left Burwell Monday and is now at Camp Warren, Wyo.

Mrs. Nellie Collier and her grandchildren, Leonard and Myrtle Haffmann, returned to Burwell Sunday after spending a week at Westerville and Ansley where they visited relatives. Leonard spent the entire summer on the farm of his uncle's near Westerville. The grandchildren enrolled in the Burwell high school Monday.

Mr. and Mrs. Andrew Monson returned Tuesday from Lincoln where they spent three days attending the state fair.

A district forestry office was installed in the northeast room of the second floor in the old high school building Friday. The office is in charge of Wayne Banks, whose principle work will be to superintend the planting and maintaining of shelter belts. Mr. Banks has charge of this work in Loup, Garfield, Valley and Greeley counties, part of Wheeler county and all of Custer county, north of the middle Loup river.

Dan Miller of Ericson is critically ill of a paralytic stroke in Dr. Cram's hospital where he was brought Thursday. Dr. Smith is attending him. Mr. Miller is a guest in the home of Rev. and Mrs. J. Bruce Wylie while she stays in Burwell to be near her husband.

Troy Malhan, who has spent the summer in Burwell where he has been employed in the new dairy, returned by bus to Schuyler Saturday where he will attend school. Jerome Zelenda also accompanied him to Schuyler where he spent the week end.

The school bus was pressed into service this morning to take the members of the Burwell band to Lincoln where they will furnish music at the state fair today and tomorrow. Burwellites who went to Lincoln today with members of the band are Mrs. R. L. Walker, Mr. and Mrs. R. E. Leach, Mr. and Mrs. Struve, Mr. and Mrs. H. A. Phillips, Mr. and Mrs. Leonard Johnson and Mr. and Mrs. F. W. Manasil.

The winning streak of the Burwell kitenball team was broken Sunday evening when they were defeated by the Wolbach Midgets, 11 to 3. Three of Burwell's players, Henry Douglas, Harold Elliott and Joe Kilinsky were out of town and did not play in the game. The Midgets have only been beaten once this season. Friday Burwell

defeated Sargent 12 to 6. The Sargent ladies defeated Burwell 20 to 6. Tuesday night the Burwell firemen beat the Greeley firemen 21 to 17. Thursday night the Joys beat the Feather Merchants 10 to 9 and the Oilers beat the Butter Makers.

Clark Sherman, Burwell's ace ball pitcher, has more or less disproved the old adage that a man can serve but one master. He changes his colors frequently and gets by with it. His services as a baseball pitcher are much in demand. One day he maintains the honor and glory of one town as loyally as any of the home town boys, bred and born, and the next day he battles for benefit of an entirely different village. This fall and summer he has pitched at four county fairs. He pitched for Scotia at Greeley, will pitch for Boelus at the Howard county fair at St. Paul, for Ord at the Valley county fair and for Chambers at the Holt county fair as well as for various other towns. He largely finances his college education by selling his services to towns needing a top notch pitcher.

Mrs. Oscar Smith underwent a surgical operation in the University hospital Tuesday. Will Rice took her and two of her daughters to Omaha last week where she has been under observation and treatment.

Mr. and Mrs. Alvin Davis spent Sunday and Monday in Omaha. James Meuret, youngest son of Mr. and Mrs. T. H. Meuret, has been quite ill in the home of Mr. and Mrs. Ira Beat. He developed complications following the removal of his tonsils.

Mr. and Mrs. Vernon Donner and family and Mrs. C. F. Donner and family were guests of Mrs. Perry Donner and Florence Sunday.

Mrs. Fritz Schmidt and children, Elsie and Stanley left Tuesday with her son, Harry, for Twenty-nine Palms, Calif., where they will make their home. Mrs. Francis Dodd of Lincoln visited her mother, brothers and sister, prior to their removal to California.

Mr. and Mrs. W. T. Anderson left Saturday for Aurora where they visited his daughter, Mrs. Will Douglas. They also visited another daughter, Mrs. Karl Graber, at Ravenna before they returned.

Connie Meister, a surveyor, who for several years lived in Burwell, pulled a switch at the municipal light plant Saturday night which burned out several street lights. He was tried in county court Monday morning where he pleaded guilty to the charges of drunkenness and the destruction of property. He was fined \$10 and costs amounting to \$4.50. Mr. and Mrs. Meister and son, who now live at McCook, spent the week end with friends in Burwell.

Mr. and Mrs. Clarence Jurgensen and Mr. and Mrs. Lloyd Carriker and Russell returned Thursday from their vacation trip to Yellowstone National park. Mr. and Mrs. S. V. Holloway and sons and Mr. and Mrs. Merton Wheeler and Donald got back from Yellowstone Saturday. Mr. and Mrs. Lewis Moore, Mr. and Mrs. Charles Meyer and Bonnie, Mr. and Mrs. Emil Nelson and Mr. and Mrs. C. E. Hallock returned from trips through the west.

Mrs. C. D. Bishop, William Bishop, Mr. and Mrs. Harry Conrad and Mrs. George Davis returned Sunday from Ponca City, Okla., where they had been called by the death of John Conrad, who was a brother to Mrs. Bishop and Mr. Conrad and a brother-in-law of Mrs. George Davis.

Mrs. William Hoffman of Los Angeles was the guest of honor at a picnic sponsored by the Eastern Star at Riverside park Thursday morning. The same evening a family picnic in honor of the Hoffmans was held at the same place. More than sixty persons attended. Mr. and Mrs. Hoffman will commence their homeward trip tomorrow. Russell Troxell will accompany them. He will attend the University of Southern California at Los Angeles this year where he will stay in the home of his uncle, Will Johnson.

Mr. and Mrs. Earl Rector of Lowell were dinner guests of Mr. and Mrs. Lloyd Carriker Sunday.

Mr. and Mrs. J. J. Meyers, Joe and Mae, and Mr. and Mrs. F. W. Manasil and Betty drove to St. Paul Sunday where they attended a wedding dinner in honor of a relative.

Miss Ardath Alloway is now in St. Joseph, Mo., where she is taking nurse's training in the Methodist hospital.

Leslie DeLashmuth entertained Richard Petring and Don Jewell,

both of Norfolk, who are two of his Doane college friends, Monday and Tuesday.

Dr. and Mrs. Frank Troop of Columbus, O., spent the latter part of the week in Burwell where they visited his father and his sister, Mrs. Effie Hansen and family. Thursday their son Rev. Henry Troop of St. Louis was a guest in the Hansen home.

George Fanning is seriously ill at the home of his son, Charles, at Alliance.

Mr. and Mrs. John Danley and sons of Sioux City, Ia., and Mrs. Claude Sizemore were guests in the home of Mr. and Mrs. Knute Peterson Monday. Mrs. Mike Higgins helped Mrs. Peterson cook for threshers the same day.

The condition of Mrs. Abagail Walker, who sustained a fractured hip three weeks ago fails to improve.

Mr. and Mrs. Gilbert Nelson and family left today for Idaho and Washington where they will spend their vacation and visit relatives and friends.

IT HAPPENED IN ORD. Last week Art VanSlyke returned to his job of herding the P. C. T. stage up and down highway No. 11, and he had a real fish story to tell of what happened during his vacation. He and his dad were members of a party that put out some lines for catfish. They put out 7 lines, and when they went to look at them, they got 8 catfish. Then there is the story of Clarence Blessing and A. P. Vandruft fishing. When they went each was clamoring for the honor of catching the first fish, and when they returned several hours later they had one scrawny little fish just large enough to keep, and neither man would take the blame of catching it. But all fish stories are topped by this one. A certain Ord man tells us that C. A. (H) Anderson went to church last Sunday morning. It seems that he traded for a used car that was in need of brake repairs. Sunday morning he drove it around to his place of business and tried to park it in front of the Nazarene Mission across the street. He came in just a little too fast and had the car almost into the building before he got it stopped.

Mr. and Mrs. C. W. Noll Married Sixty Years

Thursday, Aug. 28 was the sixtieth anniversary of the marriage of Mr. and Mrs. C. W. Noll of Midvale, and on Sunday, Aug. 31, their six children and their families met to celebrate the occasion. The Nolls have six children, all alive, and all of them were present Sunday. They are William Noll, York; Dessie Needham, Ord; Gertrude Trout, Culbertson and Walter, Robert and Clayton, all of Ord. Mr. and Mrs. Noll still live on the farm adjoining Midvale where they have spent their entire married life, with the exception of a few years they lived in Ord. Walter and his family moved there some years ago to help them look after the farm. In addition to the children there are 11 grandchildren, seven of whom were present, and four great grandchildren, two of whom were present. Due to the fact that two of the children had to start home early, no open house was planned for, but Mr. and Mrs. W. S. King, Mr. and Mrs. Irving King and Harold called upon them in the afternoon. Mr. and Mrs. Robert Noll brought them the fine bouquet shown in the picture, made from flowers that were raised in the cloth house here in Ord. William Noll was unable to bring his family with him, due to sickness, and had to leave to get home early. Mr. and Mrs. Robert Noll took Mrs. Trout to Grand Island that evening, as she had to be home the next day. Mr. and Mrs. Noll have raised a rather remarkable family, as there has not been a death in the family in sixty years, a record of which they have a right to be proud. They have farmed and raised stock all their lives, and in recent years have milked a large number of cows, selling the largest amount of butterfat of any patron of the Ord Cooperative Creamery for the past several years.

Editor Andrews of the Taylor Clarion had his suspicions of the new railroad extension, stating that the surveyors ran a line to the east line of the Taylor townsite and then went south to Sargent. He figured that the idea would fall through, as it did.

Fine North Loup Couple Married 50 Years

MR. AND MRS. FRANK WHITE.

On Wednesday, August 27, at their pleasant home in the village of North Loup, a respected couple, Mr. and Mrs. Frank White, observed the fiftieth anniversary of their marriage which took place in David City on Aug. 27, 1891.

Both tell of driving the twenty miles to David City, and say the morning was very cold. Mrs. White wore her mother's shawl for warmth. They traveled in a carriage drawn by her father's team.

Mr. White had come from Valley county the day before. The young folks stayed in Surprise for a week or so, and then came to Mr. White's home.

For all of the fifty years of their life together, they have lived near North Loup, Barker, Davis Creek and the Rural neighborhood which have claimed these good people.

Mr. White has always been a farmer. He started for himself when he was about 13 years of age, and has continued in this work until about four years ago, when he moved to town.

Five children were born to Mr. and Mrs. White. Vavra died in infancy. Paul living North Loup; Earl, Ft. Collins, Colo.; Mrs. Myrtle Abney, Ewing and Mrs. Ellen Manchester, Turlock, Calif. They have eight grandchildren and two great grandchildren.

Both are deeply interested in education and religion. For years they were members of the Friends church. In 1933 they joined the Methodist church, in which Mr. White teaches a Sunday school class.

Both have watched our country grow, have gone through various hardships and happy times together. Mrs. White's health is not so good at present, but she is able to get about a bit. Mr. White is often seen on the streets of our village.

May Mr. and Mrs. White be spared to each other, and to our community for many more years.

W. J. Prather is still busy improving the property he bought at the corner of 14th and P streets. He has been rebuilding his garage, and N. J. Holt got busy recently and gave the building a first coat of paint, with a finish coat to come later. It greatly improves the appearance of the property.

Rev. Martin Van Roosmalen of Hastings returned to his home on Thursday after spending a few days in Ord substituting for Rev. Thomas Stodowski, who made a trip to the east, Rev. Stodowski was expected to return Friday.

Mr. and Mrs. W. S. King and daughter Grace drove up into the northwest corner of Wheeler county Wednesday to visit Mr. and Mrs. John O. Boettger. They found them enjoying good health and a fair measure of prosperity. John was busy in the hay field, and said the crop was a little better than last year.

Miss Clara Belle King left Friday for her school work in East Chicago, Ind., after visiting for some time with her parents, Mr. and Mrs. W. S. King.

Royal Frederiksen returned about two weeks ago from Pasadena where he was employed in the North American aviation plant. He is taking a vacation but plans to return to California later.

LeRoy Frazier arrived in Ord Tuesday night on his way back to Jerome, Ida., with a new hearse he went to Lima, O., to get. He remained here to visit his parents and see his many friends until Saturday when he left, taking Archie Keep with him and planning to stop in Cheyenne and visit the Lynn Beeghly family. Archie was also going with him to Idaho, where he will visit his son Guy and family at Twin Falls.

Mrs. George (Bud) Hoyt and daughter Sharon are now in California visiting relatives. Recently Miss Sharon drew a ticket entitling her to admission to the studio while Gene Autry was filming a picture. Mr. and Mrs. Arlo Gruenkemeyer took her and she had the time of her life. Usually little folks Sharon's size are not permitted on the lot because they are apt to cause a disturbance.

Mrs. O. E. Johnson and daughters drove to Lincoln Tuesday of last week. The girls, Donetta and Carol, came to Grand Island Sunday and then to Ord on the evening bus to be here for school. Mrs. Johnson expected to stay until Wednesday when she would drive home, bringing Mrs. Earl Klein with her. After a few days visit here Mrs. Klein will leave for Vallejo, Calif., where her husband is employed by a telephone company. Mrs. Klein was employed by Sears Roebuck and company in Lincoln, and the company has already offered her a job at Vallejo.

Balloon Ascension, Stage Circus, Added Free Attractions

(Continued from page 1)

be a band concert, probably by the Ord band. Later in the evening comes a thrilling balloon ascension with the aeronaut ascending thousands of feet, then descending in a parachute while the whole act is illuminated by rockets. The balloon ascension will be a nightly feature.

Four bands will play during the 3-day show, the Ord, Scotia, St. Paul and Arcadia bands, more than 200 musicians in all. They will march in the parades and also play concerts twice each day.

Another Tuesday evening free platform program will be a 40-minute show presented by the Jane Griffith All-Girl orchestra of 11 members. This orchestra will present a similar outdoor show Wednesday evening and both nights will play for dancing in the Bohemian hall. Thursday evening the Rene Hartley orchestra, an NBC band from Chicago, will offer the platform show and play for the dance. Both of these are "name" bands brought to Ord at considerable expense.

Perhaps the highlight of the fair will be the two parades, one Wednesday afternoon and the other Thursday afternoon. Through the cooperation of the recreation division of the WPA, the Wednesday parade at 1:30 will be a Story-Book Parade in which local boys and girls will wear huge masks depicting such characters as Donald Duck, Mickey Mouse, the Three Little Pigs and sixty-five others. This parade has been seen in central Nebraska before but never on the scale such as it will be offered here. Bands will march in the parade and there will be decorated bicycles and racing cars, children leading pets and other novelties. By all means be in Ord at 1:30 Wednesday afternoon to see this parade. At its conclusion will come the baseball game at the fair-ground and at 5:00 the downtown free program will again get under way, probably with a band concert.

The Thursday parade is being arranged by the Ord Volunteer Fire Department and will be even more elaborate than the Wednesday event for in addition to the Story Book characters there will be 40 to 50 floats and cars decorated by Ord business houses. This parade will be more than a mile long.

Remainder of the free program for Thursday will follow the same general lines as that of Wednesday—band concerts twice during afternoon and evening, Purcell's Stage Circus, a platform show by the Hartley orchestra, dancing in Bohemian hall and the balloon ascension. An addition will be free outdoor movies in the evening—a feature picture, plus a color cartoon and a musical.

Program for the entire three days is so attractive that all central Nebraska should visit Ord then. The fact that everything is free except the baseball games and the dances makes it likely that thousands of people will see it.

ARCADIA

Mrs. Lowell Finney and children returned from Kearney Saturday. Mr. and Mrs. Paul Dean went to Lincoln Saturday and returned on Sunday. The purpose of their trip was to take a load of exhibits for the fair.

Mr. and Mrs. Claude Williams and Miss Doris Dean were dinner guests Sunday of Mr. and Mrs. Ellsworth Bruner and family.

Mr. and Mrs. E. D. Forney, parents of Mrs. Kermit Erickson, were guests from Monday to Saturday of last week at the Kermit Erickson home. A birthday dinner was given Monday evening in honor of Mr. Forney, of Daykin.

Mr. and Mrs. Charles Weddel motored to Lincoln Thursday to visit for several days with Mr. and Mrs. Joe Weddel and friends.

Mr. and Mrs. Kermit Erickson entertained at a dinner Friday evening. Honored guests were Mr. and Mrs. E. D. Forney, Mr. and Mrs. Eric Erickson, John Erickson, Mrs. Wilma Rutherford, Richard Nordstrom and Allan Rutherford.

Mr. and Mrs. C. A. Dellinger and Mr. and Mrs. L. H. Bulger spent the holiday week end motoring throughout several western states.

Mrs. George Olsen left Monday for a three day visit with Mr. and Mrs. Criss Olsen in Lincoln and to attend the state fair.

Kermit Erickson was in Grand Island Tuesday on business.

The Arcadia public schools opened Monday morning with Arnold Tuning as superintendent. The enrollment totalled 226 Monday evening. The kindergarten had 7 members; 1st grade, 11; 2nd grade, 14; 3rd grade, 10; 4th grade, 16; 5th grade, 12; 6th grade, 11; and the 7th grade, 10, in the grade school. In the high school the 8th grade had 15 students enrolled with 26 freshmen, 33 sophomores, 29 juniors and 32 seniors. New members of the faculty are Miss Winona McMichael, 2nd and 3rd grades; Miss Jessie Blakeslee, 4th and 5th; Miss Helen Hart, Latin and social science; Mr. Gray, music and English; Mr. Roy Houser, athletics and science. Members of the faculty who are returning this year are Miss Rosa Minne, kindergarten

and 1st grades; Miss Mary Sutton, 6th and 7th; Miss Marie Furst, commercial; and Miss Ellen Lambert as grade school music instructor, grade supervisor, and normal training instructor. A teacher has not yet been hired permanently for the position of mathematics instructor. Miss Dorothea Hudson is teaching mathematics this week as her school does not start until next week.

A piano recital was given Thursday evening of last week in the basement of the Congregational church by the students of Mrs. K. R. Erickson. About 100 guests attended this musical in a floral setting. The efforts of the students were very well received by the guests and the students should be commended on the excellence of their performances and the parents for their cooperation. Those students participating as pianists were Hollis Greenland, Dixie Owens, Dolores Lonowski, Janet Wibbels, Elinor Wibbels, Donna Greenland, Shirley Holcomb, Norma Owens, Donna McClary, Dixie Clark, and Lucille Starr. Piano duets were played by Shirley Holcomb and Elinor Wibbels, and Lucille Starr and Dixie Clark. The guests also enjoyed a violin solo by Dixie Clark accompanied by Mavis Warden and two soprano solos by Lucille Starr. Mrs. Erickson has done excellent work with these students.

Are Married in Ord.

At the Christian parsonage on Wednesday, Aug. 27 occurred the marriage of Miss Eleanor Warden of Amelia, to Clarence Rothchild, of Chambers, the ceremony being performed by Rev. Clifford Snyder. The bride is a daughter of Mr. and Mrs. Roy Warden, who once lived in Ord. She and her husband will make their home on his farm near Chambers.

To Insurance Convention.

Kermit R. Erickson, of Arcadia, will leave soon for the national convention of the New York Life Insurance company, which will be held at French Lick Springs, Ind. This meeting is held for the company's leading producers, of whom Mr. Erickson has long been one.

Soangetaha Camp Fire Girls Enjoy Camping Trip

Recently the above group of Camp Fire girls and their guardian, Mrs. E. L. Kokes and assistant, Miss Leota Crosby, enjoyed a four-day outing at a Lawless cabin at Ericson. The girls took the above photos, the top one with Dot Kokes' camera, the middle one with Norma Long's camera, and the bottom one with Mary Cathryn Travis' camera.

In the group photo above they are, standing, left to right: Carolyn Anderson, Norma Long, Marilyn Ollis, Joan Biemond, Shirley Martin, Dot Kokes and Mary Cathryn Travis; seated, left to right, Mrs. Kokes, Carol Johnson, Marilyn Parks, Verda Munn, Miss Crosby, Miss Marilyn Long, who went over one day to visit them, is second from the left in the lower photo.

The top photo was taken with their cabin in the background. The middle photo shows them enjoying a meal at the table in front of the cabin. In the lower photo they are enjoying a wading party in the Cedar river near the cabin, and are posing on the little foot bridge. They had a splendid time and enjoyed outdoor cooking, nature study and splashing in the river more than anything else.

Gas Tax Refund Law

Excluded from Ballot

People of Nebraska will not have an opportunity to vote next year on a referendum to repeal the gas tax refund law, ruled the secretary of state's office last Thursday. Petitions circulated throughout the state, including Valley county, contained 134 signatures fewer than the number required to bring about a vote on the law, he ruled after counting the signatures. Furthermore, one less than two-fifths of the counties of Nebraska were represented, whereas two-fifths are required.

This Letter Would Mean Much to Stamp Collectors

The above envelope was received recently by Mr. and Mrs. C. A. Palmatier of Ord. It was mailed at Manila, P. I., by their son, Elroy, who is printer aboard a ship which recently made a voyage to those islands. The envelope and the stamps it carried are so interesting that it is reproduced in the above cut.

Elroy apparently figured out just what stamps to use to make up the one dollar airmail postage and not use any two alike. Also the stamped statements on it are of interest, the Manila post-office stamp appearing in two places, one saying, "Join The Vol-

unteer Guard" appears in three places, and you can easily see the "Via Clipper" rubber stamp mark. All the stamps bear the legend, "United States of America, Philippine Islands." The small one below at the left is a 20 centavos stamp and shows a Filipino wearing a straw hat. In common with all the stamps, the word "Commonwealth" appears on it. It is printed in an olive green ink.

In the upper, left-hand corner appears a deep blue stamp of 18 centavos denomination, showing the landing of Magellan, first European to land in the islands. The purple 12 centavos stamp next

to it shows President Quezon taking the oath of office as president of the Philippines.

The bright green 4 centavos stamp in the center shows a young girl with the burden bearer of the Islands, a water buffalo. Next to the right is a dark pink stamp of 10 centavos value, and shows a picture of Fort Santiago.

The corner 30 centavos stamp is exactly the same shade of pink. It shows a group of Spanish gentlemen seated around a table, apparently signing some kind of a paper. Below are the words, "Bleed Compact." The 2 centavos stamp just below it is green, and contains the

portrait of a man whose name is printed but which cannot be deciphered.

The lowest stamp on the right is a 6 centavos denomination and is very interesting since it contains the photo of an arch of triumph or something of the sort. It is built very elaborately, and is named "Commonwealth Triumphal Arch." It is also printed in bright pink. Since it is doubtful if half a dozen Quiz readers ever saw all these stamps, it was thought worth while to reproduce them here. It is too bad that they cannot be reproduced in color as well.

PERSONALS

—Ralph Fell of Lincoln was visiting his friend Dean Barta in Ord last week a day or two.

—David Milliken will enter Kempter Military Academy at Boonville, Mo., September 6 or 7.

—Mr. and Mrs. Bud Auble and Myrna were in Lincoln Monday enjoying the State Fair and hearing our band.

—Mrs. John Jensen was taken home from the hospital Monday. She broke her hip several weeks ago, and since that time has been under the care of Dr. F. A. Barta. —Fred Coe left Monday morning for Grand Junction, Colo., where he will be for about two weeks. Mrs. Will Ramsey accompanied him as far as Denver.

—Mr. and Mrs. Floyd Beranek have rented the Jones apartment formerly occupied by Mrs. Charles Partridge and are now nicely settled.

—Max Hester has taken a position in the Ravenna schools and resigned at the last minute from his job in Ord. Mrs. Orin Keilison, the former Viola Crouch, will teach in his place for the present.

—Dr. Barta reports L. B. Fenner of Burwell is slowly improving and can now have brief callers and be out of bed a little. Mr. Fenner has lost 22 pounds and has been sick about five weeks.

—Mrs. Leta T. Pier and daughter Jean, of Santa Monica, Calif., left Monday after spending several days as a guest of Mrs. Pier's aunt, Miss Sarah McLaughlin.

—Mr. and Mrs. Jay Auble enjoyed a visit from her sister and family, the Arthur Wehrich's and their son, who came Sunday from Tulsa, Okla. They spent just the one day in Ord.

—Mrs. Lynn Beeghly and Jerry are visiting her parents, Mr. and Mrs. Archie Keep for about two weeks. She was brought to Ord Monday by Dr. Ivan Stern and Mrs. Stern and their two boys, who went on to Grand Island after a brief stop. Mrs. Stern was formerly Geraldine Beeghly, and her home is now in Albuquerque, N. M. Mrs. Beeghly lives in Cheyenne, Wyo.

—The Mark Tolen family returned Monday from Omaha where they had spent a week's vacation visiting Mrs. Tolen's sister, Mrs. Eldon Langevin and family. While there Mr. Tolen saw some of the amateur golf tournament matches, including the final match in which Bud Ward defeated Pat Abbott for the national championship.

—Mr. and Mrs. George Allen, Jr., came Sunday evening for a brief holiday with his parents, the George Allens, and with her sisters. Their home is at Friend, where George holds down the job his father once had as light and water commissioner. Her sister, Mrs. Lloyd Parks and Mr. Parks also came to Ord that day from their home at Atkinson.

—Mrs. Lova Trindle writes from the Masonic home at Plattsmouth saying that she recently enjoyed a visit with two old Sioux City friends who took her for an auto ride and to the hotel for dinner. One lady, a clerk in the Sioux City postoffice for 37 years, is now making her home with a friend in Florida and the other lady lives in Hartford, Conn.

—Albert Lukesh is the carpenter in charge of tearing down the old house on the former Hamilton ranch south of Ord, until recently occupied by the Everett Boettgers and now tenanted by William Schauer, jr., and family. The last of the old house was torn down Saturday, and the work of building the new house commenced this week. The land is owned by the Lincoln Joint Stock Land bank. A number of neighbors are helping with the work, including Mat Kosmata, Sam Brickner, Elmer Almqvist, Bill Graul and Mr. and Mrs. Schauer.

—Mr. and Mrs. Robert Campbell, of Portland, have been visiting his brother, L. R. Campbell since Sunday morning, leaving today for their home. Mr. Campbell, who served with the first Nebraska division in the Philippines, had been in Omaha attending the Spanish-American veterans encampment. A former Union Pacific employee, he was retired May 1 and has since spent two months visiting his daughter in Honolulu.

—A number of Ord people drove to Lincoln early Monday morning and returned home that night, so that Ord's band might play at the State Fair on Labor Day. Those driving cars were Mrs. William Zikmund, W. E. Dodge, W. E. Lincoln, Leo Long and Mrs. Long, Mrs. O. J. Miller, Joe Hybl, James Ollis, Jay Auble and Mrs. Auble, George Nay, Paul Hubert, P. L. Stoddard, Superintendent and Mrs. C. C. Thompson and Mary, and the director of the band, Henry L. Deines. Coming home some cars encountered a rain of almost cloudburst proportions between Aurora and Grand Island. Kathryn Work of Lincoln reported to play with the Ord band. The band played before the main grandstand from 12:15 until 2 p. m., then watched the program, playing again at 5:30 until 7 p. m. in the auditorium. They received much praise.

—Miss Irma Parkos will teach in Scottsbluff this year and has been assigned to the new Theodore Roosevelt school. Mr. and Mrs. John Wozab took her as far as Grand Island Thursday and on Friday she was a guest in the home of friends at Mitchell.

—Dean Barta drove to Lincoln Sunday, accompanied by his sister Evelyn, who was enroute back to Minneapolis after a month with her parents, Dr. and Mrs. F. A. Barta. Miss Geraldine Noll also went with them to Lincoln.

—Among Ordites who were on hand to hear Ord's fine band play at the Nebraska State Fair Monday in Lincoln were Rodney Rathbun, also two former teachers of Ord, Misses Bernice Slote and Louise Eberspacher.

—Staying at the John Misko home this winter will be two little girls who are the children of a cousin of Mrs. Misko. They are Marilyn and Irene Rettig, ages six and 13, whose mother is dead. Their home is in Grand Junction, Colo.

Stores to Close Tuesday, Sept. 9
First Afternoon of Fair

Because the Valley County Fair opens next Tuesday, Sept. 9 and the first afternoon's program will be held on the fair grounds, it is requested that all Ord business houses lock up between the hours of 1:00 and 5:00 P. M. and all proprietors and clerks attend the program on the fair grounds, thereby encouraging exhibitors and the 4-H club boys and girls.

On Wednesday and Thursday afternoons, when most of the entertainment is to be given on the downtown streets, stores may remain open or close their doors, as they prefer.

Most stores have agreed to close from 1:00 to 5:00 P. M. Tuesday. If you were not seen by the undersigned committee, kindly take this notice as our request that you cooperate with other business and professional men in closing.

Proceedings of the City Council

August 5, 1941
The Mayor and Council of the City of Ord, Valley County, Nebraska met in a regular adjourned session in the City Hall at 8:00 p. m. Mayor Cummins presided. City Clerk Rex Jewett recorded the proceedings of this meeting.

The Mayor directed the Clerk to call the roll. The Clerk called the roll and the following Councilmen were present: Biemond, Johnson, Rohla, McGinnis, Krikac. Absent: Pierce.

The minutes of the proceedings of July 1, 1941 were read and by motion ordered placed on file. Carried.

The report of James B. Ollis, City Treasurer, for the past two months were read and by motion ordered placed on file. Carried.

James Ulrich appeared before the Council and presented a bid to furnish the City with two thousand yards of gravel, delivered on the streets for forty-two cents a yard, or the same gravel f. o. b. the pit for twenty-seven cents a yard.

The following resolution was introduced by Councilman McGinnis who moved its adoption.

Be it resolved by the Mayor and Council of the City of Ord, Nebraska, that all commercial and residential electric bills to said City covering heat, light and power energy used during the months of August, September and October, 1941, being due on September 1st, October 1st and November 1st, 1941 shall be discounted for payment on or before the 10th of the month following the due date, 50 per cent of the amount thereof, but the said bills, after allowing said discount, shall not be less than seventy-five cents for light or heat and not less than eighty cents for the first and forty cents for each additional horsepower of connected load for power users; said additional temporary reduction being possible because the city is operating its electric light plant during said months.

The said motion was seconded by Councilman Rohla. The roll was called and the resolution was declared adopted.

It was moved and seconded that the City Engineer be instructed to draw up a plat showing the proposed Sewer Construction and to prepare an estimate of the cost thereof. Carried.

It was also moved and seconded that the City Engineer prepare a plat of the proposed hard surfacing of 17th street and an estimate of the cost thereof. Carried.

It was moved and seconded that the Mayor appoint a committee of 17th street residents to do the necessary work of circulating petitions. Carried. John Misko was appointed Chairman and was instructed to choose his own committee.

It was moved and seconded that the City continue giving a discount of 33 1/3 per cent on water bills for the coming Fall water. Carried.

Be it resolved by the Mayor and Council of the City of Ord, Nebraska, that it is the belief of the City that under the contract between the City and the North Loup River Public Power and Irrigation District that said City is entitled to furnish all electrical energy for itself and the other customers of the said district during the months of August, September and October, 1941, under the circumstances, the same as it did in 1940, and the city has such electrical energy available in accordance with said contract and tenders it to said district and expects the district to comply with said contract, and be it further resolved that a copy of this resolution be sent to said district.

The report of Vanhoskirk and Remington, Auditors, was then brought up and studied. Moved and seconded that the report be approved and placed on file subject to suggestions therein being carried out. Carried.

BE IT RESOLVED, by the Mayor and City Council of the City of Ord, Valley County, Nebraska, that the City Clerk be ordered and directed to prepare a list of the delinquent water rentals and charges, showing the names and amounts due from each delinquent, together with the description of the property on which the water has been used or supplied, and that he forthwith file a certified copy of said report and this resolution with the County

Clerk of Valley County, Nebraska, directing that the amounts be assessed against the different premises shown by said report, and be placed upon the assessment rolls and tax books of the said County for collection as other taxes.

Moved and seconded that the above resolution be adopted as read. Motion carried.

"Imagine me, steering a Destroyer!"

"And I've had two pay raises in only eight months! I'll say you can't beat Uncle Sam's Navy!"

YOU couldn't ask for a greater thrill than that which a fellow gets when he comes back home wearing a trim Navy uniform. The folks crowd around. They all want to know where you've been, what you've done. And man, do you have stories to tell!

GREATEST LIFE IN THE WORLD
You're proud. And you should be. For you've been leading the greatest life in the world. And it's a thrill to tell about it, too. A thrill to see the admiration in the eyes of the One and Only Girl as you tell about the first time you steered a Destroyer. Or handled a P.T. Boat at more than 45 miles per hour. Or stepped out in front of your shipmates to receive your first promotion.

And with that promotion came an increase in pay. And there were more to come. Second Class. First Class. And then Chief Petty Officer. Many might even go to Annapolis. Or to Pensacola with the flying cadets! Exciting? You bet, and fun too. Something doing all the time. Real he-man's stuff. Boxing. Baseball. Football. Swimming. AND MOVIES... previews, too!

LOOK WHAT THE U. S. NAVY AND NAVAL RESERVE OFFER YOU

FREE TRAINING worth \$1500. Nearly 50 trades and vocations to choose from.

GOOD PAY with regular increases. You may earn up to \$126 a month.

EACH YEAR you are entitled to a generous vacation period, with full pay.

GOOD FOOD and plenty of it.

FREE CLOTHING. A complete outfit of clothing when you first enlist. (Over \$100 worth.)

FREE MEDICAL CARE, including regular dental attention.

FINEST SPORTS and entertainment any man could ask for.

TRAVEL, ADVENTURE, THRILLS—You can't beat the Navy for them!

BECOME AN OFFICER. Many can work for an appointment to the Naval Academy or the Annapolis of the Air at Pensacola.

FUTURE SUCCESS. It's easy for Navy trained men to get good-paying jobs in civil life.

LIBERAL RETIREMENT-PAY for regular Navy men.

Where else in the world are there such opportunities for thrill, for fun, for a future as in Uncle Sam's Navy?

Get this FREE booklet

Mail coupon for your free copy of "Life in the U. S. Navy," 24 pages, fully illustrated. It answers all your questions. Tells what your pay will be... promotions and vacations you can expect... how you can retire on a life income. Legion and Auxiliary Plan for Convention

James Gilbert, the newly elected commander of Fidelity Post No. 38, was in the chair for the first time at the Legion meeting last evening. The newly elected vice-commander, Glen L. Johnson, and the re-elected adjutant, Harry Wolf, were also present. Gilbert, Johnson and C. J. Mortensen reported on the recent department convention in Hastings, at which they were delegates.

The question of running a bingo game for the Valley county fair was discussed, as the Legion has been asked to take charge of this as a service to the fair. It was decided to do so. The members also voted to accept Supt. C. C. Thompson's offer to police the home football games on the usual basis.

The rest of the evening as well as much of the time of the Ladies Auxiliary, was devoted to plans for the sixth district convention, which is to be held in Ord, Oct. 16. At the convention last year Harry Johnson of North Loup was elected district commander, and he and other North Loup delegates promised assistance to Ord if the convention came here in 1941.

It was also decided that a proposition of this size should be made and publicized as a county affair, and that the Legion posts at North Loup and Arcadia should be invited to render any assistance they felt well could in making the day a big success. The publicity committee, Ign. Klima, E. L. Vogeltanz and John L. Ward, are contacting the officers of these posts to work out a plan of cooperation.

The ladies' group decided upon the same course of procedure, and will ask the assistance of the ladies' groups in North Loup and Arcadia. Some idea of the magnitude of the convention may be gained when it is stated that the Legion is making plans for at least 200 visitors, and the ladies for an equal number. Plans were also made by the men for securing an orchestra for the annual Armistice Day dance.

A lunch of St. Libory watermelons was served by the ladies' committee, Mrs. Emil Fafeta, Mrs. Frank Fafeta, Mrs. Frank Benda and Mrs. Paul Duemey, ably assisted by Frank Fafeta. Mrs. Syl Furtak furnished the program for the ladies by giving the history of the Star Spangled Banner. They also decided to hold a card party some time before the convention.

Baby Dies Sunday Eve.
A baby boy born Sunday evening to Mr. and Mrs. Frank Wright lived only twenty minutes. Funeral services were held Monday, with burial in the Davis Creek cemetery. The Wrights are employed on the Clayton Noll farm.

Annual Company "I" Reunion Was Held at Bussell Park Sunday

Some years ago the date for the annual Company "I" reunion was set for the Sunday before Labor Day, and the place was decided upon as Bussell park. Sunday the above group met there for the annual affair. There were not as many as on former occasions, but those present enjoyed themselves to the limit.

Among those present from a distance were Mr. and Mrs. Courtney C. Jensen of Albion, Mr. and Mrs. Ray Lindsay of Burwell, Mr. and Mrs. Sherman (Sherry) Boyden and two sons of Greeley, Mr. and Mrs. Henry Poling and three children of Burwell, Mr. and Mrs. Mike Dehner and 2 children of David City, Clarence McDonald of Hastings, Mr. and Mrs. Earl Gates and three children of Arcadia, Mr. and Mrs. Thomas W. Foster of Omaha, Mr. and Mrs. Harry L. Slack and daughter of Doniphan.

Mr. and Mrs. Ora Masters of Arcadia and Mr. and Mrs. Mel Gideon and son arrived after the above picture was taken. Present from Ord were N. J. Holt, Martin Led, B. O. Kull, John L. Ward, Mr. and Mrs. A. A. Wiegard and Betty, Mr. and Mrs. C. W. Clark and Mr. and Mrs. Chris Beiers. For the first time in many years W. W. (Dad) Brown was not present, he being out of town.

At the business session Secretary C. W. Clark read cards from Emory McDowell and Charles M. Roberts of Lincoln and letters from Mrs. I. W. Knox of Lincoln, Ark., who stated that her husband, in the veterans' hospital at Fayetteville, was slightly better; also letters from Ben Clay, Pearson, Ia., and Alex. A. Haldeman of Jamestown, Mo.

A telegram was received from Raymond L. Crosson, state fire marshal, expressing his regrets at not being able to attend. Mr. Crosson was major of the third battalion, Fifth Nebraska Infantry, and thus major over Company "I", during the Mexican border service. A special delivery letter came from Clinton C. Shaw of Wolford, N. D.

No word was received this year from Leonard Medlar, who is still located in Idaho, but it was announced that Andrew Medlar was killed in an auto accident in New Jersey last May. Company "I" was first organized at Ord Feb. 21, 1914, and a large number of men belonged to it at one time or another.

NORTH LOUP

North Loup schools opened Monday with eighty students enrolled in high school, 29 in the seventh and eighth grades, 24 in the fifth and sixth, 22 in the third and fourth and 22 in the first and second. Of the thirteen beginners there are only two boys. The high school faculty consists of W. W. Willis, superintendent, W. H. Elley, coach and principal, Mrs. Elley, commercial course, Miss Lulu Baugh teaches home economics and Orin Schneider the vocational agriculture while Roger Johnson is in charge of English and music. Hazel Stevens has the seventh and eighth grades, Marcia Rood the fifth and sixth, Agnes Manchester the third and fourth and Beulah Porter the first and second while Erma May Waller has the rural school. By the middle of the month it is expected that hot lunches will be served to the students who desire them. The building has been cleaned and the floors varnished and waxed. The beautiful green lawn and the bright colored flowers and fine trees all go to make a pleasant place for students to work.

Mrs. W. C. Schudt of Santa Ana, Calif. is the guest of her mother, Mrs. Mary Sperling and other relatives, having arrived Wednesday. Sunday other guests in Mrs. Sperling's home were the Ralph Sperling family of Burwell the George Sperling's of Ashton, the E. W. Peterson family of Ravenna, Mrs. O. E. Nebler and son Eugene of Lincoln and the Murray Rich, Everett Wright and Lee Sperling families. Mrs. Sperling and Mrs. Schudt accompanied the Ralph Sperling home and came back Monday evening. Mrs. Sperling plans to accompany Mrs. Schudt home when she goes next Sunday.

The John Pipal family of Burwell were Sunday guests in the Earl Howell home.

Mr. and Mrs. Duane Watts of Hastings and Mrs. Anna Watts of Grand Island spent Sunday afternoon with Mrs. B. Buten. They had attended a family picnic held at the A. L. Sims home.

Elmer Howell is spending the week in Broken Bow with friends. Lois Manchester left Tuesday morning for her work in Long Beach, Calif., after spending two weeks visiting her parents, Mr. and Mrs. Ed Manchester.

Willard Ingerson was home from Cairo over the week end.

Mr. and Mrs. L. E. Walford and Elinor drove to Lincoln Saturday with an exhibit of irrigated crops for the state fair. At St. Paul they met Mr. and Mrs. Paul Dean of Arcadia who accompanied them to Lincoln. They returned Sunday evening bringing Donetta and Carol Johnson.

PFISTER HYBRID CORN.

Pfister Corn is looking good and will no doubt make an excellent yield. In fact it looks so good that a competitor placed some of his signs along fields of Pfister Corn.

We now have our 1942 prices on Pfisters corn and are ready to take your orders for this seed for April 1942 delivery. It takes only \$1.00 per bu., for the down payment and the seed will be reserved for you. Let us have your order now. The price is very little over last year's price. We have been told that Nebraska Certified Hybrids will be \$2.00 per bu., higher than last year.

SOY BEAN MEAL.

We have just received another report on the crop outlook; and there is every indication that we will see at least a \$4.00 per ton advance in the next couple months. You can still book your requirements with us at a low price. Place your order now.

We sold better than 300 tons of this Archers Soy Bean Meal under contract during August. In all tests it proves much better than 41% Meal.

Ford Tractor Ferguson System
NEW ALLOYS

The benefits of light weight while supplying even greater strength and stiffness than with heavier parts are secured for Ferguson implements through the use of newly developed alloys. Many of these alloys are used for the first time in the agricultural implement field, and were developed especially for Ferguson implements in the world-famed Ford metallurgical laboratories.

The combination of greater strength with light weight aids in making Ferguson implements easy to handle, and economical to buy. As with the new Ford tractor, light weight in implements also plays an important part in reducing fuel consumption.

Buy now while we can furnish this better-made equipment at pre-war prices.

ORD LIVESTOCK MARKET

BURWELL

Forty-seven men and women are now employed in the Loup Valley Cooperative cannery. The sweet corn line commenced operations Friday which greatly increased the number of employees. Five thousand cans of tomatoes and corn were processed Saturday. The tomato line has been operating quite steadily and successfully. The quality of tomatoes has improved and the farmers have been bringing in the fruit more often and in larger quantities. The corn line has not been operating as smoothly. The steam seeps to cause the belts to slip. The boiler which came with the plant did not prove to be of large enough capacity to supply the establishment and a steam engine has been purchased to augment the supply. Julius Sewall, who has had considerable experience in operating steam engines, has been tending it. Miss Lela Butcher has been hired as Mr. Marquardt's secretary to replace Miss Helen Schultz, who has returned to her home at Colby, Kas., where she is attending school.

A family dinner in honor of Mr. and Mrs. R. L. Maxson of Champagne, Ill., who have been visiting relatives in Burwell for several days, was held in the home of Mr. and Mrs. Fred Dawe Sunday. Besides the hosts and the guests of honor the present were Mr. and Mrs. W. H. Butcher and Lela, Mr. and Mrs. Adolph Fischer and family, Elsie Hood, Mr. and Mrs. Roy Johnson and Patsy, Mr. and Mrs. John Ehresman and family, Winona Hesselgesser, Mrs. Hugh Butcher and family, Mr. and Mrs. Edgar Maxson and family, Mr. and Mrs. George Maxson, Mr. and Mrs. Arlo Maxson and family and Mr. and Mrs. Ed Hall.

Mrs. Harley Owens was brought home from the University hospital Sunday by her father, Austin Chausiers, and her husband. She is staying at the home of her parents. Mrs. Owens is now well on the way to recovery and is able to be out of bed and walk about for short distances.

Henry Boby is quite ill with neuritis and pleurisy. His brother, Fred, is recovering from sleeping sickness.

Mrs. Glenna Cole and her nephew Max Savage, of Omaha, arrived in Burwell Saturday where they visited Miss Anna Hunt, Don Savage, Mr. and Mrs. A. C. Adams, Mr. and Mrs. Merritt Wright and Mrs. Savage and children. They returned to Omaha Tuesday morning. Mr. Savage is employed on the Port Brook bomber plant. He believes that he will soon be transferred to Princeton, Mo., where the government is building another plant. After he is moved Mrs. Savage and children will go to Princeton to make their home.

Will Rice will make another trip to California tomorrow. Those who will accompany him are Mr. and Mrs. Floyd E. Johnson and four children and Miss Helen Meyers. The Johnsons will make their permanent home in California. The ill health of two of their children has prompted the moving. Miss Meyers will visit her sister, Bernice, and if California is to her liking she may remain there.

—E. J. Shinn of Los Angeles was in Ord this week looking after his land interests south of town. He has been here on several occasions in the past.

Two Old Time Residents of Burwell Died Today
(Special to the Quiz)

Two long time residents of Burwell passed away this morning. Mrs. Abigail Walker, widow of the well-remembered Judge Walker, died at her home at an early hour today. She was 84 years of age and broke her hip in a fall about three weeks ago.

George Fanning, once a well-known builder in Burwell but now retired because of age, died this morning at the home of his son Charles at Alliance. Of course no definite arrangements for either funeral has been made as this is written.

Softball Sunday.

The Cotesfield softball team will be here Sunday evening for the first time this season, and will play the Ord All-Stars at the fair grounds. This should be a very fast game and well worth watching.

Mr. and Mrs. C. C. Dale drove to Lincoln Friday, taking the judging team down to judge stock on Saturday. Competing with 30 or 40 other teams were the three local boys, Messrs. Rousek, Kokes and Geweke. Saturday evening late the party came home, Miss Marilyn Dale accompanying them.

300 CATTLE at Burwell
FRIDAY, SEPTEMBER 5

We had a very active market at our sale last Friday, where we sold over 350 cattle. Many Eastern buyers were present, who will be back this week for more cattle. Included in our run this week will be 75 good quality white-face yearling steers, several loads of calves, some good milch cows, several loads of cutter and canner cows, some fat cows, bulls, and various lots of light cattle.

We will have some sheep and some good feeder shoats, both vaccinated and unvaccinated, fat hogs and thin sows.

Exhibits at Fair Light but Quality Exceptionally High

Poultry Department is Only One Reporting Increase; But Few Horses, Hogs.

Exhibits in all but one department of the Valley county fair are very light this year, due to a variety of reasons, but they make up in quality what they lacked in quantity, say department superintendents.

Only a few horses, cattle and hogs are being shown but the poultry building contains more chickens, ducks, geese and turkeys than in any recent year, the agricultural exhibit is fine, many beautiful bouquets and plants are on display in the floral building, the domestic arts exhibit is interesting and the schools of Valley county have their usual abundant display.

Due to the fact that fair dates had to be changed, making the Valley county fair come after the state fair instead of before, there are fewer exhibits of 4-H heaves and pigs than had been expected. At least fifty exhibitors would have shown had the fair been held on the dates originally chosen. In the horse barn Harry Bresley has six head of his fine Percherons, Henry Geweke has an excellent draft team and a fine pair of mules, as well as some saddle horses, Edwin Vodehnal and Bill Fuss have saddle horses and ponies are shown by Clarice Fiala, Kenneth Clement and Richard Long. K. C. Fouts, county agent at Seward, is judging swine, horses and cattle this year, and Tuesday afternoon in front of a grand stand crowd estimated at 500 he awarded the grand championship among 4-H club baby heaves to a yearling steer weighing 970 pounds owned by Lyle Novosad.

A few moments earlier Lyle's steer won first place in the heavy baby beef class, with steers owned by Lonnie Nelson in 2nd and 3rd places, Bill Novosad's animal in 4th and Donnie Clement's in 5th. In the light baby beef class a heifer owned by Bill Novosad was placed first over steers owned by Lonnie Nelson. Another steer of Bill Novosad's and a heifer shown by Donnie Clement were placed 4th and 5th in the light class. Neal Walkemeyer's Holstein was the best 4-H club yearling dairy heifer among nine shown before the grand stand. Fouts decided, Second place went to Lillian Floran, third to Lou Florian, fourth to Willard Visek, fifth to Paul Malz, sixth to Leonard Kokes and seventh to Wilson Chaffield. Saddle horses also were shown before the crowd and Bill Fuss' horse was awarded first place. (Continued on page 10)

Harry Russell Will Be Guest of Rotary Club

At their Rotary Ann meeting next Monday evening, the Ord Rotary club will have as guest speaker Harry Russell, of Hastings, a past district governor of the organization. He will be accompanied to Ord by Mrs. Russell and also by Mr. and Mrs. Moritz Aabel, the former being secretary of the Hastings club. Rotary program here Monday consisted of a recorded talk by Tom W. Davis, president of Rotary International.

Kearney Presbytery Meets in Ord Today

Beginning Tuesday evening with holy communion, the presbytery of Kearney assembled in Ord for a regular fall meeting. This district comprises about one-fifth of Nebraska, and some 20 pastors had registered at eight o'clock this morning. Several elders and the wives of some members also came to Ord.

Wednesday morning at the Presbyterian church the program included devotions, committee reports and meetings, beginning at 8:15 o'clock. At 12 lunch was served by Mrs. Will Ollis and her helpers, while the resolutions committee gave its report. Rev. W. Ray Radloff was chairman of the committee on pensions. M. F. Crosby was listed as an elder, also G. W. Collier who formerly lived here but now lives in Lexington.

Clifford Goff's Hogs Win at State Fair

Clifford Goff returned Friday night from the Nebraska State Fair with his Spotted Poland China show herd. His senior yearling boar defeated the Missouri Grand Champion for first place in his class. His spring boar pigs placed 1st and second, a fall boar took seventh and a spring gilt placed fourth. Clifford won third place on his young herd, and third place on his young herd bred by exhibitor.

There was a 70% increase in the 1941 hog show this year and much greater demand for good hogs was shown.

Naval Reserve Offers Way to Beat Draft, Starting Pay Ranges High as \$99 Month

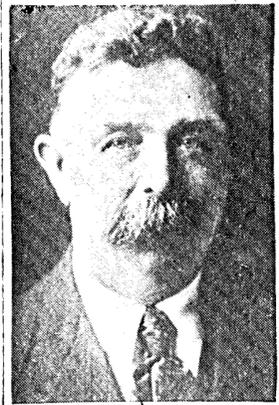

By Edwin Hadfield in Sunday's World Herald If you want to beat the draft, here's a safe and easy way: Join the naval reserve. Uncle Sam's navy is facing a predicament. The ships for the new two-ocean navy are coming down the ways faster than the men are being recruited to man them. But the navy still clings to its old tradition of never drafting men. Instead, to fill up its rolls, it has opened the doors to naval reserve wide open for enlistment of reservists at the highest ratings they can qualify for, without preliminary training required in the regular navy.

Fred Kuehl Dies at Age of Eighty

Short Illness Brings Death of Pioneer Resident, Funeral Was Held Saturday.

At the Pearson-Anderson chapel Saturday afternoon, funeral services were held for Fred Kuehl, sr., who died at his home Thursday after a brief illness. He was eighty years old and was a pioneer Valley county resident. Rev. E. H. Maynard, of Gothenburg, conducted the last rites and burial was in the Ord cemetery.

Mr. Kuehl was born in Germany in 1860 and came to the United States in 1880, coming directly to Nebraska where he was married in Omaha the following year to Anna Sieh.

In 1886 the Kuehl family moved to Valley county, settling on a farm a few miles south of Ord which was the family home until Mr. Kuehl's retirement from active work, when he moved to a commodious home in the west part of Ord. Mrs. Kuehl died August 29, 1904. In 1906 he was married to Mrs. Henry Reithardt who died May 29, 1934.

Left to mourn his departure are three daughters, Mrs. Anna Connor and Mrs. Sophie Timmerman, of Ord; Miss Mary Kuehl, at home; and one son, Fred Kuehl, jr., also of this community. There are nine grandchildren and of course a host of friends, for Mr. Kuehl was jovial, kindly and was loved and respected by everyone who came to know him during his fifty-five years of residence in this community.

Pall-bearers at the funeral Saturday were Charles Masin, Hartwig Koll, Chris Hansen, Ralph Misko, William Heuck and E. S. Murray. Honorary pall-bearers included H. C. Koll, Gust Rose, A. W. Cornell, Frank Koupal, George S. Round and Tom Williams, all friends of many years.

Three More Selectees to Camp September 22 Three more Valley county young men will be inducted into the U. S. army for training on September 22, the local draft board announced. The men will go to Fort Crook and are Anton Potrzeba, Henry S. Kusek and Paul E. Donnelly.

Alternates who are notified to hold themselves in readiness in case any of the three mentioned above should be rejected when they undergo final examinations at Omaha are Lloyd Michalski, George L. Burrows and George W. Kasper.

Pentecostal Church Elects New Pastor The congregation of the Pentecostal church has elected Rev. E. L. Wilkens, of Pawnee City, as pastor of the Ord church. Mr. Wilkens, his wife and their five-year old son will move here at once. Rev. E. M. Clark has been elected pastor in South Sioux City and therefore will preach his farewell sermon in Ord Sunday evening.

—Mrs. Lawrence Dendlinger and son are now visiting relatives in Nebraska City for three weeks.

Many Interesting Features Coming in Last 2 Days of Fair

Tuesday Show Was Heartily Enjoyed by a Big Crowd; Parades Big Events.

An estimated two thousand people saw the free attractions and attended the big carnival Tuesday afternoon and evening, the first day of the Valley county fair, and with a finer program coming up today and tomorrow it is thought that the crowd will be doubled or even tripled. The show started at the fair grounds Tuesday afternoon where some of the Purcell Stage Circus acts were offered in front of the grand stand, following a concert by the Ord band. Then came livestock judging and a baseball game between the Ord and St. Paul Junior Legion teams, to complete the fair grounds show.

St. Paul won this encounter by a score of 5 to 2. Leon Faulk started on the mound for Ord and pitched two innings, striking out five and allowing only one hit, but his arm was bothering and Manager Russell played safe by putting Billy Novosad in. Novosad gave up eight hits in seven innings. The Ord boys only hit safely six times. It was a good game and was seen by a nice crowd. Feature last evening was a performance by the Kearney Junior Legion drum and bugle corps of 34 members, which gave its drill on the west side of the square. Preceding this feature was a half hour program by Jane (Continued on page 8)

Alex Cochrane, Sr., in Hester's Place

The Ord board of education has employed Alex Cochrane, sr., a resident of this city for the past 1 1/2 years, to teach a number of subjects, social sciences in the seventh and eighth grades, one division of eighth grade English, and seventh and eighth grade hygiene classes for boys. He also will assist Roscoe Tolly with athletics, as will another new instructor, Edgar Farley. Mr. Cochrane thus replaces Max Hester, who had been here two years.

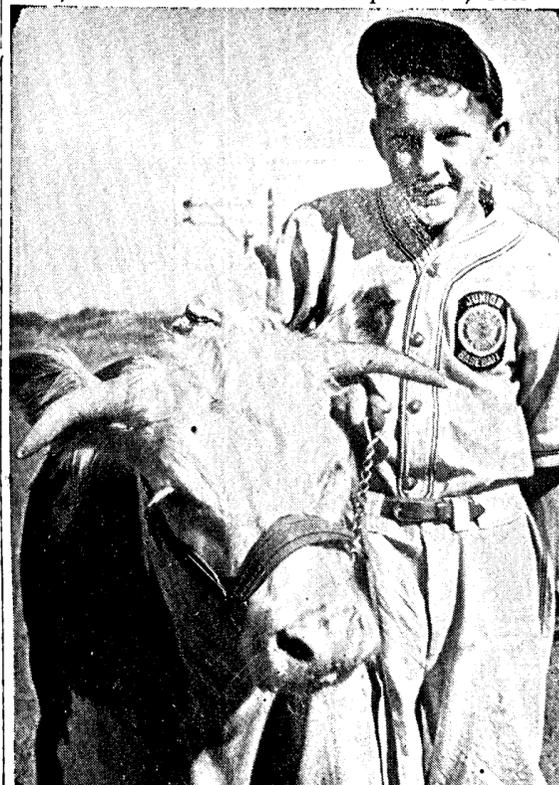

Mr. Cochrane is a 1931 graduate of Hastings college and taught in high schools for a number of years, later serving as a WPA director of recreation in several Nebraska cities. He came to Ord in that capacity. This summer he took post-graduate teaching work.

The selective service is creating a shortage of teachers, especially coaches, of which the demand now exceeds the supply. Last week the Ravenna high school found themselves without a coach, due to the fact that their coach of last year, Neil Gallant, had accepted a post as head coach of Kearney high.

Tuesday morning the Ravenna board got in touch with Max Hester, assistant coach at Ord, and offered him the position as coach there at an increase in salary. He accepted and left at once for his new duties, leaving a vacancy also of instructor in the history and science department.

Mrs. Orin Kellison, teacher in the Ord schools for a number of years before her marriage, taught the science classes until other arrangements could be made.

Lyle Novosad and Grand Champion Baby Beef

Here is shown a picture of Lyle Novosad and his Hereford steer which Tuesday was awarded the grand championship of the baby beef show at the Valley county fair.

Telephone Company Presents Case Today

At 2:00 this afternoon in the hearing room of the Nebraska Railway Commission at Lincoln, the Nebraska Continental Telephone company is presenting its application for permission to install a new telephone system in Ord and to increase rates on all classes of service. Clarence M. Davis, of the firm of Davis and Vogeltanz, will present the company's application. In Ord yesterday making final arrangements for the application to be presented, A. B. Clark, company president, said he is hopeful the commission will issue an order at its executive session next Tuesday approving the request.

Kenneth Draper Chosen Cosmopolitan President The Cosmopolitan club of Ord held its first meeting after the summer recess Thursday evening at Thorne's cafe and at a business session elected Kenneth Draper as new president. Floyd Beranek was chosen vice-president and A. A. Wiegard secretary-treasurer.

Guest speaker was Allen Zikmund, who discussed Cornhusker football prospects for the coming season and answered questions in an interesting manner. The club will meet each Thursday evening hereafter.

Proposed Change in Mail Approved by Business Men A change in mail service for Ord, which the postoffice department indicates may be adopted if the Union Pacific railroad's afternoon motor train is discontinued, seems to be satisfactory to a vast majority of Ord business men, says Postmaster A. L. Hill, who explained the new plan to business leaders last week.

At present the afternoon mail arrives over the Union Pacific at 3:15 p. m., too late to permit an afternoon city mail delivery. The star route which would be substituted would make the same connections with mail trains at Grand Island and would arrive in Ord at 3:52 p. m. City carriers could leave the office shortly after that hour and cover the city routes before 6 p. m.

From Ord the star route would go on to Burwell, returning immediately with mail from that village, and would leave the Ord postoffice for Grand Island at 5:13 p. m., arriving there in time to make all east and west mail train connections now made by the combination train which leaves Ord at 3:40 p. m.

Mail would arrive in Ord in the morning on the Union Pacific combination train at 8:20 a. m. as at present but there would be no outgoing morning mail, if the plan proposed should be adopted. At present mail leaves on the motor at 10:40 a. m.

Burwell would have a morning star route service on incoming mail but would have only one outgoing mail a day in the afternoon. Postmaster Hill emphasizes that this star route plan is merely a suggestion and may be changed subject to the wishes of cities affected between Grand Island and Burwell. The department wants to give the best mail service possible and if the Union Pacific is given permission by the Nebraska railway commission to discontinue its motor train, as now seems likely, some star route plan will be adopted to furnish afternoon mail service.

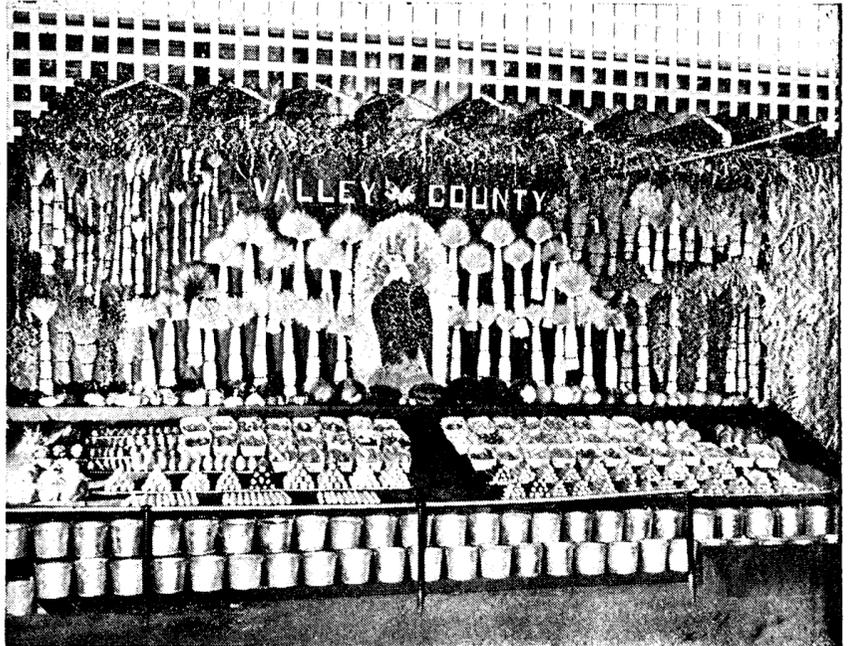

Dr. George A. Clason Elected to High Post The Quiz is in receipt of a copy of the Clinton, Mo., Daily Democrat, which contains a picture of Dr. George A. Clason and the story of how he was elected department American Legion commander of Missouri at the convention recently held at Columbia. Dr. Clason is completing his second term as district commander of the sixth district in Missouri.

Dr. Clason was a graduate of the Ord high school class of 1915, the class that produced four doctors, Hubert A. Capek, Lincoln, Clinton Royer, Los Angeles, Earl Wise of Washington and Dr. Clason. He has many warm friends here who will be pleased to know of the honor that he has won. He belonged to the navy during the World war.

Jack McNutt in England. Friends of Jack McNutt will be interested to learn that he is now in England, serving as an ambulance driver with the Canadian army. He has been stationed somewhere in England for the past six months. In a letter to Mrs. C. J. Miller he says he has many varied and exciting experiences, that the soldiers are well fed and have good quarters, and that he likes his work greatly.

—Mrs. Frank Zelewski went to Grand Island for the day Friday.

Barber Display Won at State Fair, Now Exhibit at Ord Fair

A large American eagle, made of red, black, ember and orange seeds, was the central figure in the Valley county agricultural exhibit which won second place in the central division at the Nebraska state fair at Lincoln last week. The exhibit—pictured above—was prepared and shown by Mr. and Mrs. Glen Barber, of North Loup. The eagle is backed by sheaves of wild grass. Since 1935 Mr. and Mrs. Barber have prepared the Valley county exhibit each year, growing most of the grasses and produce in their own garden but depending on friends for occasional items. In 1935 their exhibit placed sixth, in 1936 fifth, in 1937, 1938, 1939 and 1940 third, and this year second. Their exhibit made a total score of 777 points this year. The Barbers received a perfect score on grain and forage sheaves, tomatoes, cabbage, peppers and vines. They are justly proud of the fact that they won first place on white sweet potatoes raised in their own garden. Their daughter Joan accompanied them to Lincoln and helped with the exhibit.

Proposed Change in Mail Approved by Business Men

Bechtle Not Guilty on Fish Law Charge

Twice this summer J. J. Bechtle has been arrested by Game Warden George Weidman on charges of possessing under-sized catfish and each time he has been adjudged innocent. Early in the summer Bechtle was released when County Attorney John P. Misko refused to file a charge against him, after he was arrested by Weidman. Thursday he was again brought into court for allegedly having in his possession a catfish only 10 1/2 inches long instead of 12 inches as required by law, and this time Judge John L. Andersen found him innocent after a hearing.

Stories told by the game warden and by Bechtle differed. According to Bechtle, he and his 11-year-old grandson were walking home after a fishing trip to Turtle Creek. He was carrying the fish poles, he said, and his grandson was carrying a sack which contained a few carp and other fish. They had been fishing at points about a block apart on the creek and he had not seen the fish caught by his grandson, he claimed. The 10 1/2 inch fish evidently was caught by his grandson, Bechtle told the court, and he did not know it was in the sack. His grandson told the same story in court.

According to the game warden, who accosted the pair as they were walking home and inspected the fish, Mr. Bechtle was carrying both the sack of fish and the poles. Judge Andersen dismissed the case for lack of evidence.

Paul Gard Charged as Window Peeper

Paul Gard filed a plea of not guilty in county court here Monday morning to a complaint of disturbing the peace filed against him by County Attorney John P. Misko. He was released on \$100 bond furnished by his father, Dr. George R. Gard. Date for final hearing was fixed as Sept. 18.

Complaining witness is Mrs. Lois Roberts, who claims that Saturday evening she saw young Gard peeping into the window of her bedroom. The arrest was made Monday morning by Chief of Police L. H. Covert and Policeman Nels Hansen.

Proceedings at the arraignment Monday were confined to reading of the complaint by County Attorney Misko and young Gard's plea of innocence. He indicated he would employ an attorney and fight the case vigorously.

Penalty for this offense under the statute, should Gard be found guilty, is a fine of \$100 and a jail sentence of not to exceed three months. The young man was found guilty on a similar charge a few years ago and at that time was fined \$100.

Jack McNutt in England. Friends of Jack McNutt will be interested to learn that he is now in England, serving as an ambulance driver with the Canadian army. He has been stationed somewhere in England for the past six months. In a letter to Mrs. C. J. Miller he says he has many varied and exciting experiences, that the soldiers are well fed and have good quarters, and that he likes his work greatly.

More Sugar Beet Acreage Probable in 1942-Veleta

Consumers Need Fear No Big Price Increase; Allotment May Be Removed.

Plenty of sugar consumers and an improved outlook for sugar beet growers. That statement sums up the current sugar situation in the United States, according to Charles E. Veleta, chairman of the Valley county AAA committee.

Mr. Veleta called attention to the recent action of Administrator Leon Henderson of the Office of Price Administration and Civilian Supply. Henderson announced a ceiling of 3.50 cents per pound on 96 degree raw sugar, duty paid, New York. The 3.50 price compares with an average price of 2.95 cents between the time the Sugar act of 1937 was enacted and the end of 1940. It is the same price which prevailed in mid-July of this year, prior to the speculative advance.

In announcing the sugar ceiling, Henderson said:

"Consumers should not under any condition permit themselves to be coaxed into paying more for sugar in retail stores than at the present time. There is more than enough sugar for everyone. Speculators have been endeavoring all through the year to reap profit at expense of consumers throughout the country by frightening them with scare reports of one kind or another, although the actual situation is one of unusual abundance, not scarcity."

The total supply of sugar available for the American market in 1941 exceeds by more than a million tons the actual consumption of last year, and is sufficient to give consumers the highest per capita consumption on record, according to the sugar division of the United States department of agriculture.

Meanwhile, the outlook for beet sugar growers is probably better than ever before. Although current marketings of the 1940 crop are not yet completed, it is estimated that the beet growers will show an average return of more than \$7 per ton, which compares with \$6.52 return on the 1938 crop and \$6.70 return on the 1939 crop.

The 1941 marketing quota for beet sugar areas is 1,925,499 tons, the largest in history. That figure compares with a 1940 quota of 1,549,895 tons. This large quota increase means that beet acreage can be expanded next season; in fact, may mean that no acreage allotments whatever will be necessary, even if the Sugar act—which expires December 31, 1941—is continued. Of course, there will be no acreage allotments nor payments of any kind if the sugar quota system is not continued.

"The Back Forty" Returns. "The Back Forty," that popular column written for The Quiz for many years by J. A. Kovanda, is back in the paper again this week after being missing since last spring. It will be a regular feature at least throughout the school year.

TO KEEP RECORD STRAIGHT.

According to the history, the record of England's dealings with the New World began with the founding of the colony at Jamestown in the year 1607.

From the beginning there was more or less friction between the colonies and the mother country, some of which was justified and some of which was indefensible.

In fairness to the English people it must be agreed that the trouble finally came to a head under George the Third, a man of the line of Hanover, who could hardly speak the English language, and who married Sophia Charlotte of Mecklenburg-Strelitz.

England was forced to give up, but she did not for years fully grasp the idea that she was dealing with a free and independent nation.

England sided with the United States for the first time in 1821, when the Holy Alliance of Russia, Prussia, Austria and France had agreed to restore all the dynasties overturned by Napoleon, including Spain, and to aid her in conquering the rebellious republics of Central and South America.

In 1842 Daniel Webster, secretary of state, concluded a treaty with England which settled the boundary between Maine and New Brunswick, in Canada.

In 1843 Mexico notified the United States that any steps toward securing Texas would be regarded as an act of war.

In 1845 Mexico notified the United States that any steps toward securing Texas would be regarded as an act of war.

All through the trouble between the North and South over the question of slavery, which finally resulted in the great Civil war, the sympathies of England were clearly with the South, partly because the South produced cotton they needed for their mills, and partly because a nation divided against itself would not present the problems that an undivided nation would.

During the first year of the Civil war the United States navy, under the able direction of Secretary Welles, blockaded the southern coast line so effectively that the trade dropped off 95 per cent.

William Ewert Gladstone, English cabinet member, at a speech at Newcastle in October, 1862, had the following to say: "There is no doubt that Jefferson Davis and other leaders of the South have made an army. They are making it appear, a navy. They have made what is more than either, a nation. . . . We may anticipate with certainty the success of the Southern states, so far as their separation from the North is concerned."

In the beginning of 1863, when Lee was planning his campaign into the North that ended at Gettysburg, the Confederate states offered their bonds abroad and English capitalists purchased ten million dollars.

Britain suddenly realized that their idea of an invincible South was delusion, and refused to render them any further aid.

The only war in which the United States has engaged in which Great Britain did not interfere in some way was the Spanish-American war.

This is not propaganda, it is a recital of facts of history, incontrovertible facts. It proves beyond doubt that we have always been treated rather shabbily by our cousins from across the Atlantic.

My Own Column By H. D. Leggett

Nisswa, Minn. Sept. 4, 1941.

Dear Quiz:

The Missus and I are alone again so far as guests are concerned, Mr. and Mrs. F. M. Gross having left this morning for Iowa after spending the past five weeks in this camp, a part of the time as our guests.

They accompanied us on a trip to Grand Marais this week. That is up the north shore 250 miles from here and 110 miles above Duluth, and it is one of the most delightful trips one can take in this country.

There is a deep, safe harbor at Grand Marais and when we got there Tuesday there was a great, black boat in being loaded with pulp logs.

While we were there a bear weighing between five and six hundred pounds was found floating in the lake and a game warden took charge and had the body taken care of.

We always stop at the Hans Toffey tourist camp when we go up there and we wrote ahead this time to reserve the cottage we wanted, which was most fortunate, as Mr. Toffey told us everything had been full every night for the past two months.

This camp will soon be unoccupied except for us I guess. The Gellows went home a week ago but expected to come back. The Augustines are still here.

This Fine Photo Shows Dist. No. 42, Near North Loup, in 1885.

The photo above, brought to the Quiz by its owner, Claude Thomas, of near North Loup, was taken of the teacher and pupils in Dist. No. 42, in the year 1885.

The larger pupils in the back row, left to right, are: Fannie Davis Lawton, Emma Stichter, Eliza Stichter, Isabel Thomas Creager, Claude Thomas, Rozella Thomas Barrows, Hattie Stichter, Stella Beckelheimer, Wesley Hutchins, Maggie Barnhart Wetzel, Fred Green, the teacher, Miss Rachel Hill (Harter), and Ollie Crandall.

In the front row are: Jess Hutchins, Jimmy Shaw, Earl McMullen, Laura McMullen, wife of Vern Robbins, Florence Crandall Hutchins, Nellie Crandall, Eugene Davis, missionary in China, Maude Thomas, Carrie Stichter, Tommy Stichter, Elta Beckelheimer, Nora Barnhart, Elvin Barnhart, and setting on the ground, left to right are Breezie Parks Gard, Hallie Todd and Florence Thomas Holman of Oregon.

While a large number of these people are now dead, quite a number are still alive and live in or near North Loup. Mrs. Gard lives in Ord and others live in more distant places.

OBITUARY

Mr. A. J. Campbell. Alexander James Campbell was born on March 26, 1867 twelve miles west of Clinton, Ia., and died at his farm home twelve miles northeast of Ord on Monday evening, Sept. 1, 1941 at 9:30, at the age of 74 years, 5 months and 5 days.

After the death of his father, he went with his mother and family to Grundy county, Ia., in 1875 where his boyhood was spent. When a young man he taught school in Grundy county and later attended the Iowa State college at Ames, Ia., taking a course in agriculture. He went to Dubuque, Ia., in 1893 where he had employment in a hardware store and it was there he met Miss Minnie Ruth Anderson, to whom he was married on May 18, 1898 at Spencer, Ia.

They lived in Dubuque three years where their oldest son was born and then moved to the Ord vicinity where they took out a homestead.

Miss Eleanor Wolfe will leave Sept. 15 for her hospital training in Lincoln, going down with Edwin Hitchman. Edwin drove to Ord last week-end to visit old friends. Eleanor will be well enough to begin Sept. 16, her doctor thinks, after her summer battle with infantile paralysis.

To Mr. and Mrs. Campbell four children were born, their only daughter dying in infancy. Surviving are the widow, three sons, Allen James, of Chicago, John Watson, of Nelson, Calif., and the oldest son, Erwin Ray, of Ord. Also surviving are one brother, W. G. Campbell, of Reinebeck, Ia., and two half brothers, Fred Fletcher, of Reinebeck and Ray Fletcher, of Cedar Falls, Ia.

While living in Dubuque Mr. Campbell was a member of the Congregational church and since had placed his letter in the Methodist church of Ord. In 1902 he organized and named the Amity Sunday school where he served as superintendent for many years. For 22 years he served as assessor for his township.

Mr. Campbell was loved and respected by all and leaves a host of friends. To all who knew him it is needless to say that he was a kind and loving husband and father. His health had been failing for several years and about three weeks ago he took to his bed with cardiac asthma, which resulted in his death.

The funeral was held Friday at 2:00 p. m. at the Pearson-Anderson chapel with Rev. Chester Reed, of St. Paul, officiating, assisted by Rev. A. L. Nordine, of St. Paul. James Aggaard sang, with piano accompaniment by his sister, Pallbearers were Moses Clement, Clarence Clement, Rudolph Kerchal, Alfred Aggaard, K. W. Harkness and Frank McCune. Interment was in the Ord cemetery.

Called to California. —Mrs. Jay Able left Saturday afternoon at 1:30 o'clock for San Diego, Calif., upon receiving word of the death of her father, T. C. Hansen, 82, the night previous. Mr. Able took her to Grand Island, where she caught the Challenger. Mrs. Able will probably stay there about a week.

Something Different

This week when the fair comes to Ord again, let's not forget to inspect the exhibits. After all, the exhibits were the original reason for having a fair.

Let's tender a graceful acknowledgment of those hours spent tanning, or embroidering, or possibly keeping books on a 4-H club calf. Let us see that work on display down there at the fairgrounds.

Well, folks, I guess I'd better back water. I might as well break the news to you; my idea wasn't so hot. Actually, I was wrong. Do think of that! And admit it, that's something too.

You know I felt so sure a swimming pool could be created from that irrigation ditch at the park, between the last falls and the pretty little bridge?

I talked to Dr. Round about the purity of the water there, so he wrote to Dr. Miller, head of the state department of health. And back came a letter agreeing with Dr. Round that running water in a dirt ditch would not purify itself sufficiently and would be unsafe.

It seems that running over sand for a number of miles would so purify the water, even though some towns higher up do dump their sewage there in. But running in a canal with dirt walls the water has no chance to shed bacteria.

The only chance, probably, would be in arranging some sort of sand trap or filter just above the falls, say, so as to catch these germs.

But let's don't give up planning a swimming pool; you put your mighty brain to work. What can you think of?

I wish you could glimpse that neat little box of a pool at Halsey. It is possible to construct a pool with a paper lining, did you know? The paper is some tough specially made fiber, and it lasts a whole season, making an inexpensive pool.

Or perhaps we could each bring one brick.

I am not going to stop talking about a swimming pool.

I think anyone who has seen hot, worn children splash into a green pool on a summer day to become gay, carefree and laughing; anyone who has watched a pool turn out a hundred or 200 happy people one day; anyone who has enjoyed the grace and beauty of a swimmer meet; anyone who has seen a crippled child regain the use of a little, twisted limb through water play; anyone who loves to watch others who are proficient at a daring sport, like diving; anyone who has lost a loved one because he couldn't take care of himself in the water. . . . oh, well, I can go on like this for days.

But I suppose you stopped reading a while back.

So I'll stop writing for today. But WE WANT A POOL. —Trua.

State 4-H Health Champions Ruth Wielage of Saline county and Fred Albert of Lancaster smile happily as they are photographed in the meat exhibit of the National Livestock and Meat Board at the Nebraska State Fair. Plenty of good meat helped them win the high state honor.

BURWELL

Henry McMullen narrowly escaped losing his sight when he splashed into his eyes while he was cleaning a toilet in the store Friday afternoon. Prompt application of olive oil averted disaster. Henry is still wearing dark colored glasses to cover his orbs which are still badly discolored and inflamed.—Miss Eleanor Doran won first place in the jumping contest and third in the showmanship contest at the horse show held at the state fair last week. The Burwell band which furnished music for the horse show furnished music for the of a large rooting section for Miss Doran. The horse which she rode was unknowingly injured previously and unable to jump. When Miss Doran rode it up to the barrier at high speed the horse suddenly stopped and she was thrown over its head landing twenty-four feet in front of the horse. An examination revealed the horse's injury. Another mount was substituted.—Mary Lou Keill, daughter of Coach and Mrs. James Keill, formerly of Burwell, won third place in the baby show at the state fair in the town division for girls.—Funeral services for Rolla DeHart, 45, who died in Lincoln Monday, were held this afternoon and interment was made in the Burwell cemetery. Mrs. Jennie DeHart of Burwell was with her son during his last illness. He also

leaves a wife, a daughter, Betty June, who attends high school in Lincoln, two sisters, Mrs. Grace Davis of Burwell and Mrs. Dolly Shelby of Rapid City, S. D., and six brothers, George and Frank of Burwell, Tom of Mitchell, Wood, Everett and Charles of Natches, Wash.—Funeral services for Mrs. Abigail Walker, 84, were conducted in her home Thursday afternoon by Lyman Kern. Burial was made in the Burwell cemetery beside the grave of her husband. Mrs. Walker, who had lived in this community for many years, was well known for her work as a nurse before the burden of her years incapacitated her. She was a member of the Congregational church and an active participant in the affairs of the Ladies association. She leaves an adopted daughter, Lulu, who took care of her in her declining years, two sons, Edgar Phelps of Burwell and Isom Phelps of Sidney, Mont., and ten grandchildren.—Miss Marguerite Grunkemeyer, who recently graduated from the Lincoln school of commerce, has accepted a position as the secretary and receptionist for a firm of attorneys who have an office in the Stuart building in Lincoln.—Thirty persons interested in the culture of tomatoes attended the demonstration meeting at the Loren Butterfield farm Tuesday morning, which was conducted by J. Next Sunday marks the close of this conference year and as a result of the splendid cooperation on the part of both members and friends of the church, a good financial record has been made. Many thanks.—BACK FORTY By J. A. Kovanda—There are many empty stalls in the show barns at our county fair, but such animals as were brought in have lots of quality. Most of the pigs carry that new lowest type demanded nowadays by breeders. Out-standing among the swine is Clifford Goff's state champion boar. Betty Walkemeyer's sheep have improved greatly in both type and condition since last year. Betty really raises, fits and shows these sheep herself. It is worth a trip to the fair grounds to see her handle them. Few boys could do as well. Strangely enough, the dairy cat on exhibit are all Holsteins, while the beef cattle are all Herefords. Harry Bresley is displaying a few fine Percherons in the horse barn. There are almost more ducks and geese than chickens in the poultry house. In quality this season's poultry exhibit is the best for some time. Crops exhibits are few but fine. Valley county could display more than usual this fall, but farmers have been too busy to get things ready for the fair. Slowness in paying past premiums has also been a discouraging factor. Crops judges were numerous yesterday, forty boys competing in this event. Top honors went to Orel Koelling with an average grade of 92 per cent. Orel was closely followed by Herbert Bredthauer, Don Guggenmos, Eldon Smolik, Eldon Lange and Leonard Kokes in the order named. Today the lads will try their skill at judging livestock. A large entry is expected as this is the most popular of all contests.—IT HAPPENED IN ORD. Saturday night there were some books for sale at the auction grounds, and Oscar Hackett suggested that they might as well take them to John Ward at the Quiz office, as he buys them all, anyway. For once he was fooled, as John did not buy them all. The trouble with Oscar is, he's lealous. Once not so long ago, we wrote a story about Ord trees, and actually thought the public might enjoy it. We made two mistakes. We called the Misko row of trees Lombardy poplars, and they were boyiana poplars instead, and they were planted by James Misko instead of J. W. Perry. Twenty people called us for making the mistakes, and only one comment-

Beckman Special Speaker At Ord Christian Church

Kenneth Beckman, pastor of the Church of Christ at Beaver City, will open a series of special meetings at the Ord Christian Church Sunday, continuing until Oct. 3. The meetings will start each evening at 8 p. m. A hymn will be sung and illustrated each evening. The public is cordially invited to the services. The topics will be: Monday evening, Picture of Christ and the Church; Tuesday evening, What Must I say to be Saved; Wednesday evening, A Duty we Know, but Don't Understand; Thursday evening, How to Get Married; and Friday evening, A Good Man who wasn't Good Enough.—Was Bononia Boulogne derives its name from Bononia, believed to have been the Roman citadel.—Shark Liver Eighty pounds of refined oil, rich in vitamin A, is produced from 100 pounds of shark liver.—The First 100 Years More than 100 years of combined service at their lighthouse home 3 1/2 miles off Cleveland, Ohio, harbor in Lake Erie is the record of the Holzworth brothers, Art, Harry and Edward. POPEYE, THE RECRUITING OFFICER, HAS FOOD FOR THOUGHT!

Your pay in the Navy is gravy

No rent to pay. No food to buy. No doctor's or dentist's bills. Even movies and other entertainment are free. And when you first enlist, the Navy gives you \$118.00 worth of uniforms!

And if you want to learn a trade, the Navy is the place to do it. There are forty-five odd trades you can learn... training that's worth hundreds of dollars the first year.

The Navy offers the chance of a lifetime to young men. If you are 17 or over, get a free copy of the illustrated booklet, "LIFE IN THE U.S. NAVY," from the Navy Editor of this newspaper. Simply write or call.

SERVE YOUR COUNTRY! BUILD YOUR FUTURE! GET IN THE NAVY NOW!

Old Navy Man Wardrop Visits New Navy Man Meyers

Milton Meyers was home last week on leave from the navy, and he took occasion to call upon C. D. Wardrop, past commander of the American Legion and a navy veteran of the first World War. They found much to talk about, checking up on the regulations that were in use then, and the changes that have been made with the passing years. Above they are shown comparing Mr. Wardrop's old uniform with the new issue and noting the improvements that have been developed in the past 23 years.

Much interest is being shown locally in the navy, and a number are planning to enlist soon. Following the publication of the announcement of the Navy needing recruits, several young men of the Valley county called upon John L. Ward, Quiz navy editor, to learn more about the proposition, and to obtain a copy of the booklet, "Everything You Want to Know about Life in the Navy."

The first inquiry came from George Kasper of Ord, and the following followed in rapid succession: Edward Dlugosh, Ord; Joe Pesta, Ord; Glen Banks, Ord; Orrin Kingston, Arcadia; and Harlan Wyrick, Ord. All these would make fine navy men, and all have good opportunity to pass the necessary examinations—except Pesta and Banks, who are excluded by the ruling against married men. However, if they can qualify for special work entitling them to

Rob-See-Co. Hybrid Corn

FUNK'S "G" HYBRIDS FOR NEBRASKA.

In Nebraska state test "G" Hybrids averaged highest for 2 years, 74% to 40% yield increase. Proven by trial.

Rob-See Company corn improvement dates back to 1888. Drought, wind storm, insect and disease resistant.

"My 'G'-212 averaged 52 1/2 bushels per acre while my common corn made 27 bushels. I also had some other Hybrids and, while they turned out good my Funk's was a better quality corn and not as flinty."

Henry Ditter, Monroe, Nebr.

"I cannot praise "G"-53 too highly. It stands well, has a rougher, deeper kernel and softer kernel corn and the cob smaller, and, therefore, I believe it will shell out better. It yielded 125 bushels per acre."

Robert Bergloff, Harlan, Ia.

Harry Hopley, Cass county Iowa, feeds 7,000 head of cattle and hogs and sheep annually on "G" Hybrids. Mr. Hopley has planted 100 bushels of seed from Robinson's this year, 2,400 acres grown by Robinson's this year. Eighteen strains to pick from. See several varieties in our windows. Let us help you select the proper seed.

The September church social was held Sunday night in the basement of the Seventh Day Baptist church with about seventy-five attending. Mr. and Mrs. W. T. Hutchins were in charge of the supper and Mr. and Mrs. Albert Babcock of the program which followed.

Mrs. Mary Davis and Mary were up from Doniphan over the weekend.

One of the large maple trees in the lot where the town hall stood is being cut down this week, with Gus Eislie and H. H. Thorngate doing the work. The tree is partly dead. It has been a landmark for years and is one of the few maple trees left set out in the early days, probably by Joe Green. Two more of the same variety are on the same lot and on the place where W. B. Stine lives there are several more, probably all of them more than sixty years old. One tree when cut down and sawed up will make more than one load of wood.

Mr. and Mrs. Merrill McClellan and Mrs. Sara Gogin were Sunday dinner guests of C. W. and Fanny McClellan. Mrs. McClellan's birthday was celebrated.

Roy Lewis is giving the Otto Munson residence a coat of paint.

Fred Bartz spent Thursday and Friday at the state fair.

Mr. and Mrs. Clarence Switzer were in Grand Island on business Thursday.

Mr. and Mrs. Jim Coleman and Janet spent Saturday night, and Sunday in Elm Creek with Mr. and Mrs. Gordon Canfield.

Mrs. Mervin Scott accompanied the Harold Keeps of Cotesfield to Grand Island Monday.

Byron Fuller has gone to Circle, Mont., where he will teach in the Circle school.

Barbara Walkemer and Rena Maxson are doing light housekeeping while attending school at the home of Mrs. Margaret Gilmore.

Mr. and Mrs. L. E. Robbins and daughter, Ruth, of Delevan, Wis., were guests of Mrs. Hattie Clement and Mr. and Mrs. V. W. Robbins from Wednesday to Monday.

Yes, We Have All the Cheaper Cuts

TOO!

We have talked so much about the fine steaks we sell that perhaps we have overlooked mentioning that we have all the cheaper cuts, too. They're just as nutritious as steaks, and properly prepared are fully as delicious.

Come here for stew meat, soup bones, brisket, neck-bones, liver, pot roasts, and ground beef—everything you need we have. As low as 10c per pound, and it comes off the same fine, corn-fed beef from which we cut those super-excellent steaks.

Pork, veal, lamb, mutton, smoked meats, pickled pork and full assortment of cooked luncheon meats, always.

Mr. and Mrs. C. D. Wardrop drove to Hastings and Kearney on Saturday finding their daughter, Marian very happy after a week as a freshman at the latter place. Marian had joined the band and the orchestra and been elected reporter of her class. Monday she was to try out at baton twirling. She lives in the dormitory, as all freshman girls must at Kearney.

Chester Kirby raised some fine corn right here in Ord this year, and without irrigation, as the above photo proves. It is not even a hybrid corn, but it grew to a height of 12 feet, and you can see some fine large ears on it if you look closely. Chester says he just wanted to prove he was good for something besides mowing weeds for the city, and he certainly did.

They left Monday for home, planning to stop over in Iowa for a visit with relatives of Mrs. Robbins. This was Mr. Robbins' first visit here for many years and he enjoyed meeting old friends. He is better known as Monty Robbins.

Mr. and Mrs. Deryl Coleman left Wednesday afternoon for Glenrock, Wyo., instead of going to Los Angeles as they had planned. Wednesday morning a telephone call came from Glenrock telling Mr. Coleman there was a job for him in the refinery where he formerly worked if he could be there by eight o'clock Thursday morning.

Ord Legion Junior Team Defeats St. Paul at Fair

The Ord Legion Juniors played perfect ball behind the three hit pitching of Bill Novosad at the Howard county fair Wednesday afternoon to defeat the St. Paul Legion Juniors by a score of 3 to 0. It was the best performance turned in by Novosad this year, as he had the St. Paul team at his mercy all the way.

H. Olsen, St. Paul catcher, got two of the three hits, and Jackson got the other. Kyne pitched a good game for St. Paul, but allowed ten hits in the seven innings played, keeping them well scattered except in the fifth, when four hits in succession brought in two runs.

Why not choose the NAVAL RESERVE!

AN IMPORTANT ANNOUNCEMENT by the Secretary of the Navy

"All men now enlisting in the Naval Reserve will be retained on active Navy duty throughout the period of the national emergency, but they will be released to inactive duty as soon after the emergency as their services can be spared, regardless of the length of time remaining in their enlistment."

Signature of Frank Knox, Secretary of the Navy.

HERE IS THE OPPORTUNITY THAT THOUSANDS OF MEN HAVE BEEN LOOKING FOR

Here is your opportunity to have all the advantages and privileges of Navy life but with a shorter enlistment.

Many men do not realize—but it is a fact—that your pay, your training, and your chances for advancement in the Naval Reserve are exactly the same as in the Navy itself.

FREE TRAINING WORTH \$1500

Take your own case. Let's assume that you have had no special training. In that case here is your opportunity to learn one of the Navy's 45 big-pay trades, from aviation engineering to radio. You may receive training worth \$1500 the first year alone. In addition you get all the advantages listed in the second column of this announcement.

HIGHER PAY OPPORTUNITIES

But perhaps you have had special training or know a trade. In that case the Naval Reserve offers you the opportunity to use your knowledge. If you qualify (high school or college

not necessary), you can join as a petty officer right away—with higher pay and allowances. Also, if you have two or more years of college credits, there are special opportunities to become a Naval aviator or a commissioned officer.

LOOK WHAT THE U. S. NAVAL RESERVE OFFERS YOU

- FREE TRAINING worth \$1500. Nearly 50 trades and vocations to choose from.
GOOD PAY with regular increases. You may earn up to \$126 a month.
EACH YEAR you are entitled to a generous vacation period, with full pay.
GOOD FOOD and plenty of it.
FREE CLOTHING. A complete outfit of clothing when you first enlist. (Over \$100 worth.)
FREE MEDICAL CARE, including regular dental attention.
FINEST SPORTS and entertainment any man could ask for.
TRAVEL, ADVENTURE, THRILLS—You can't beat the Navy for them!
BECOME AN OFFICER. Many can work for an appointment to the Naval Academy or the Annapolis of the Air at Pensacola.
FUTURE SUCCESS. It's easy for Navy trained men to get good-paying jobs in civil life.

In any case, it is your chance of a lifetime to lead a healthy, exciting life... your chance to travel... and at the same time build a solid foundation for your future. There is nothing better than modern Navy Training for a successful career in civil life.

MY HAIR STANDS ON END

when Daddy monkeys with the carburetor

When Daddy finally comes up for air, with his hands all black and his face all red, he shouts words that Mummy says aren't for a child's ears. "What the blankety blank is the matter with this motor", he says. She answers, "Don't you dare swear in front of our little angel!" (that's me) ... and then the hair-raising battle begins. It's all so foolish and useless, when Daddy ... and you, too ... can get custom-tailored Phillips 66 gasoline,

without paying a penny extra. Yes sir, it needs no carburetor tinkering. It is re-matched every month to the climate in your locality. Today's Phillips 66 isn't merely a late summer gas. It is actually a September gasoline. And there is hardly a day in 365 when its high test and high anti-knock ratings are not unsurpassed in its price class. See if you don't feel that difference with your very first trial tankful ... at any Orange and Black 66 Shield.

Naval Reserve Offers Way to Beat Draft, Starting Pay Ranges High as \$99 Month

(Continued from page 1) doing justice to our registrants if we did not pass the word along to them. We wish to co-operate with the navy department and their recruiting representatives by helping them get in touch with our registrants who might be interested in taking advantage of these opportunities in the naval reserve. Uncle Sam needs 15 thousand new reservists every month. The classifications open without training being required range from bakers and cooks through all the highly skilled fields such as pattern maker and dental technician up to midshipmen, aviation cadets and even higher commissions. Almost every type of workman is necessary because a big ship must be, for weeks or months at a time, a complete community sufficient unto itself if it is to perform its function, according to Lt. Commander H. E. Peifer of the Omaha district recruiting station. The man who enlists today in the naval reserve receives whatever rating he can make by passing the professional examination. His term of enlistment is for four years, but his period of active duty will last only for the duration of

the present emergency, after which he will be subject to call during the balance of his four years—in the same manner that a draftee will remain subject to call after his training is completed. But the draftee is on call for 10 years. If fully trained and experienced in any one of the 30 trades needed in the navy, the reservist immediately receives the ranking of a petty officer of the grade comparable to his experience, with base pay from \$60 to \$99 a month, plus allowances, the same as the navy regulars of the same rating receive. And if a man doesn't qualify as a petty officer, he can enlist in the reserve and take training in one of the navy's great technical training schools, which the navy regards as worth \$1,500 to the trainee. The need is so great that enlistments are being accepted for the reserve from men up to 50 years old, for most trades. For the naval communication section, the upper age limit is 36, and telegraphers must present two letters from employers, including one from the present employer. They also must establish qualifications in use of printer machines and as Morse code operators. Aviation mechanics with the right training, can begin as third class petty officers, must present evidence of graduation from aviation vocational or aviation trade school and a letter from his employer. College graduates under 23 are being accepted for midshipman training. They must present transcripts of their college records and three letters of recommendation from responsible citizens regarding character. During their first month the candidates are classed as apprentice seamen, receive no pay. But the next three months of training they are midshipmen, receive \$65 a month. Those who pass the training satisfactorily at the end of four months are commissioned deck ensign, engineering ensign, begin drawing \$125 a month plus \$58 rental and subsistence allowance each month and \$250 for uniforms. The aviation cadets must have two years of college credits, char-

acter references and the physical qualifications to pass the tough examinations. As cadets they receive \$75 a month plus \$1 a day subsistence. When the nine months of training is completed they are commissioned ensigns with the designation of naval aviator receive \$125 a month plus allowances which boost the aggregate to about \$245 a month. In addition, a five hundred dollar annual bonus is paid after three years have been served. So there are what you get if you've got what it takes. And don't break down the doors getting into the district recruiting station. If you want to beat the draft, joining the naval reserve is a profitable and patriotic way of doing it.

When You And I Were Young Maggie

September 10, 1931. Dean Marks won third in class B with his Angus at the state fair, Floyd Rathbun won second in short fed heifers, and Merton Barber, North Loup, placed 11th in a class of 51 Herefords. John G. Sharp, better known as Doc Sharp, a hardware dealer in Ord in the early days, died at San Diego, Calif. He was at one time proprietor of Hotel Ord, also. At the meeting of the Ord Legion post E. L. Vogeltanz was elected commander, C. W. Clark, vice-commander, Dr. L. Blessing adjutant and E. L. Achen, finance officer. Most estimates were placing the drought loss of corn at anywhere from 50 to 80 per cent. Now after ten years drought, the corn loss is at least that heavy in the county. Receipts from the Valley county fair fell so short that the secretary, Vincent Kokes, believed that the loss would be at least \$3,000. Johnny Gerber, top ranking money winner at the Valley county fair and races, carried with him more than a thousand dollars in prize money when he left Ord. The state was issuing script to pleasant hunters, five tickets costing \$2.50, and the limit for one day's sport. However, a man could buy as many of the books as he wanted to. The Continental Telephone was installing an entirely new and modern telephone system in Burwell, where they had competition.

September 2, 1931. The annual Popcorn Drive celebration at North Loup drew large crowds. The Ord school started with the largest enrollment ever, although for some reason the total was not given. Ord defeated Loup City, there, in an extra inning game at Jenner's park, score 3 to 7. Work on the courthouse proper was nearing completion and the officers were soon to move to their new quarters, the old courthouse was to be torn down to make place for the imposing front porch of the new building. The corner stone of Ord's new city hall was to be laid the evening of Sept. 3, and among others on the program, Chief A. J. Shirley, was scheduled to give a talk, which he did. Lester Bly and Mr. Sickles sold the Independent Cream company to the Ravenna Creamery company through Manager Wilson. Various merchants of Ord were offering a lot of special prizes to exhibitors at the Valley county fair. John Parkins returned from the Citizens' Military Training camp at Ft. Snelling, Minn., and said that he enjoyed the training there very much. At the home of Mr. and Mrs. George Pratt in Ord occurred the marriage of her daughter, Miss Gladys Buss, to Carl D. White Sutherland, the date being Sept. 7.

September 7, 1931. Norrel Lambertson, employed in Scotia, was quite severely burned in gasoline when he was cleaning his motorcycle and a prankster lit a match. Motorcycles were dangerous in those days. Norman Collison, then 13 years old was knocked down and run over by the laundry truck and suffered a broken leg. Automobiles were dangerous then also. Word was received in Ord of the birth of twin boys to Mr. and Mrs. Henry Treftin at Thomas, Okla., on Monday, Aug. 28. Twins happened then occasionally also. J. S. Collison and W. A. Wright had just been granted a patent on the famous Collison wrench, which was a very efficient implement, but which did not bring the patentees in much of a fortune. There was a big picnic at Bussell park Sept. 8 in honor of James S. Bussell and his cousin, Mrs. Dyke of Kansas. This was the first and only public demonstration held at the park in honor of Mr. Bussell. A call was made through the columns of the Quiz to patriotic auto owners to donate the use of their cars for a big booster trip for the Valley county fair. A booster trip was some undertaking in those days of bad roads and old fashioned autos.

September 6, 1931. A big force of men were busy getting the Burlington road bed in first class condition, presumably for the through line project beyond Burwell. Bill Timm had leased the Ord laundry from "Washy" Brown, and was to take possession the following day. Clay McGrew had sold his barber shop in Burwell and was in Ord, trying to make up his mind where to locate. He had about decided to go to Oregon, which he did later. John Wentworth began the construction of the new Garrison house on the old Moeller premises on west main street, the house later occupied by the R. L. Staple family and now by the George Allen family. Wencil Misko was planning to do about \$3,000 worth of improving to his meat market, extending the sewer west from Hotel Ord and along the west and south sides of the square to the market. He also was to build an addition, 22x60 feet in the rear of the old building for his work room and refrigerator, and put a new front in the building to match the Bridgford building next door. Horace M. Davis had purchased an interest in the real estate firm of Patty and Rowan from Mr. Patty, the new firm to be known as Rowan and Davis. E. H. Stacy, W. Waters, J. V. Johnson, Ed Munn and W. C. Boydston formed a partnership and were buying a 6-roll corn shredder and sheller, something rather new in those days.

September 10, 1886. The Quiz man speaks of visiting the stone quarry of Ira James and sons near the southeast corner of the county, and found them busy getting out a white, chalklike rock, soft when quarried, but which hardened upon exposure to the air. The quarries had been worked about two years before for the first time. W. W. Haskell began the erection of a two story brick building in the middle of the south side of the square, the plan being to house the Ord Quiz in the upper story and erect the lower story to some merchant. This was done, and James and John Johnson ran a drug store there for many years, the post-office being located in the rear of the building. This was the building occupied by Johnson's beer parlor at the time the building settled and had to be torn down. A heavy but steady rain fell the night of Sept. 6th, a total of 3 1/2 inches falling, with the result that the excavation for the First National bank building at the south end of the west side was full of water the next morning. It softened the dirt to such an extent that the building settled and cracked in places after it was completed. Ord's first official auctioneer, D. N. McCord, was advertising a big sale for T. N. Newell on his farm one mile south of Kent. Mr. Newell had about the usual run of stock, including, as he put it, one Berkshire and Poland-China boar. There was a large assortment of machinery, most of it of the walking type. One item of interest was 500 red cedar posts, doubtless cut off the farm. Included in the household goods was one melodion, which would be the most valuable item of all if it could be had today.

STORZ BUYS STATE FAIR GRAND CHAMPION STEER

Prize winning Angus, raised by Lyle Schafer, 14, Nehawka, Nebr.—Bid by Adolph G. Storz.

Storz Brewing Company, Omaha, bought the Nebraska State Fair Grand Champion baby beef at the 4-H auction in Lincoln, Friday morning. The price paid was \$22 per pound, bid by Mr. Adolph G. Storz, president of Storz Brewing Company. The calf will be donated to Father Flanagan's Boys Home.

Although Storz has a long-established policy of buying 4-H champion baby beef to encourage better farming in the mid-west, this is the first time the company has bid

in the State Fair Grand Champion. In previous years, Storz has bid successfully on Ak-Sar-Ben Reserve Grand Champions, and last year bought the Ak-Sar-Ben Grand Champion.

The 1941 State Fair Grand Champion was the 910-pound Black Angus calf, Black Cap, exhibited by Lyle Schafer, 14, Nehawka, Nebraska. This was Schafer's third year in 4-H, and his first big win. The calf was bought last October in the Holt county sandhills.

a long time. All are small, none of them holding more than a cup and some only a thimbleful. She has one that came from France and was the gift of Andy Townsend when he came home after the first world war when he was a member of the American force. Probably the most valuable is a small luster ware pitcher which at one time was the property of Mrs. Inez Hill's grandmother. The collection comes from Bridgeport, Ma., Portland, Ore., from Colorado, California and from the Arkansas art shop of Bob Burns. The pitcher which Mrs. Stine has had in her possession for the longest time is one that was a part of the set of toy dishes given her when she was five years old.

The B. P. W. club met Tuesday night at the home of Selma Robbins with Mrs. S. C. Hawkes assistant hostess. Five tables of players were present and the evening was spent playing pinocle. A patriotic theme was carried out in the favors and lunch. Favors were tiny flags and red, white and blue ice cream and cake were served.

Grace Williams and Harwood Rice were united in marriage at the Seventh Day Baptist parsonage Wednesday, Sept. 3 at eight o'clock. Rev. A. C. Ehret officiated. Immediate families of both parties were present. The bride wore a medium blue crepe dress while the groom was dressed in a dark suit. They were unattended by Mrs. Rice is the daughter of Mr. and Mrs. Bert Williams and a graduate of the North Loup schools in '39. Mr. Rice is the son of Mr. and Mrs. Herman Rice of Ord. They will make their home in Ord.

Mr. and Mrs. Howard Anderson and Jackie Lou of Scotia and Mr. and Mrs. Bud Beebe and Charles were Sunday dinner guests of Mr. and Mrs. W. B. Stine.

Week end guests of Mr. and Mrs. W. O. Zangger were Mr. and Mrs. Charlie Zangger and Mr. and Mrs. Clifton Zangger, all of Larchwood, Ia. Murray Cornell accompanied his daughter, Myrtle, to Pleasant Dale Friday and then went to Ravenna to the home of Mr. and Mrs. Melvin Cornell. They brought him home Sunday afternoon.

Mr. and Mrs. J. D. Ingraham spent several days last week at the Ralph Spurling home at Burwell.

Mrs. Oyca Naeve who has been working in Scotia came over Monday and is at the home of her parents, Mr. and Mrs. J. D. Ingraham. —Recently Howard Roe closed a deal by which he becomes owner of the quarter section just west of Ord, farmed and tenanted by the Lloyd Vavra family. Mr. Roe bought the place from the Federal Land Bank of Omaha at what is considered a very reasonable price. There are 75 acres of farm land and the rest is pasture. Mr. Vavra plans to remain there and farm the place. The house on this place is the one visible from L. street looking west.

—Henry Prien of North Loup was an Ord visitor between buses Friday.

—Anton Danczek was a bus passenger for Lincoln Friday on a business mission and also to visit the state fair.

Judge Andersen Raises Huge Celery

As can be clearly seen above, Judge John L. Andersen is raising some very fine celery indeed on the land down by the river. It is raised without irrigation, but the soil is sub-irrigated. It just goes to show what can be done with this crop under favorable conditions, and also proved that John can do something besides being county judge.

ELYRIA NEWS

WRITTEN BY MRS. LEON CIEMNY

Mr. and Mrs. W. J. Helleberg and Richard spent Sunday afternoon in Ord visiting Mr. Helleberg's aunt Mrs. J. K. Jensen who is ill.

Mr. and Mrs. Cash Welniak returned Sunday from an eight day vacation spent on Middle Cullen Lake near Nisswa, Minn. They were accompanied by Mrs. Joe Poczka of Ord and Mrs. Leon Ciemny and Carol Jean. They returned home Sunday evening.

Mr. and Mrs. F. Weaver and family attended the State Fair at Lincoln a few days of last week. Their son Jack remained there where he will be a student at the University.

Mrs. Barney Kuklish and Gordon and Mrs. Albin Carkoski were Friday afternoon visitors in the Earl Crosley home in Ord.

Mrs. Frank Zulkoski sr., returned to Ord Tuesday after spending several days here in the home of her son Frank and family.

Miss Virginia Carkoski who is attending school in Ord spent the week-end here in the Barney Kuklish home.

Mr. and Mrs. Louis Brown of Lincoln spent Thursday here.

Mr. and Mrs. Wm. Helleberg and Richard were Sunday evening visitors in the Chris Helleberg home in Ord.

—Rev. and Mrs. Earl Cummings, of Maxwell, will leave for their home Thursday after spending a week with Mrs. Cummings' parents, Mr. and Mrs. Joe Rowbal.

—Mrs. Neil Peterson and son, Donald, and the Elwin Boyce family drove to the Clarence Boll home northeast of Burwell Sunday to see how Mrs. Boll was getting along. She was kicked by a horse several days before and had several ribs broken.

—Mrs. Iga Kilma, Jr., expects her mother to come this week from Okaton, S. D., where she has been visiting a daughter. Mrs. Hannah Williams also visited two sons in Iowa since she left Ord about two months ago.

—Bob Kilma went from Lincoln, after playing with the band, to Omaha, entering aircraft school there Monday morning to take a six weeks' course, after which he hopes to work in that line in Omaha. He is staying with a cousin, Elna Zikmund.

—C. J. Mortensen will drive to Grand Island tomorrow evening to take Mrs. Mortensen to catch the Streamliner. She is going to Milwaukee to attend the national convention of the American Legion and Auxiliary beginning Sept. 16. At Omaha she will join several other national officers who are making the trip. She will be away from Ord about 10 days.

—Mrs. J. M. Foley brought his wife's parents, Mr. and Mrs. Charles Stichter to Ord from Nettleton, Mo., Saturday, returning home again Sunday.

—Ralph Fell and son Bill, 5, of Lincoln, visited in the E. C. James home Thursday until Sunday, when Bill had to get back to make his initial entry into school.

—Gerald Hatfield is now a full time employee in the Brown-McDonald store, and Loyal Hurlbert is putting in his spare time there during the school year.

Exhibits at Fair Light But Quality is High
(Continued from page 1)

Second went to Edwin Vodehnal and two animals owned by Henry Geweke were given third and fourth honors.

According to Superintendent Leon Woods, the Poultry department is far ahead of last year. George Gowen, the judge, completed his work Tuesday morning. Mentioned as outstanding are Mrs. Frank Penas' White Rocks, Mrs. Harry Bresley's Barred Rocks, Mrs. Edw. W. Vodehnal's White Wyandottes. Other exhibitors include Eldon Smolik and Mrs. Frank Smolik with White Rocks, Austra Whites, Wyandottes, Richard Fish with white geese, Mrs. Pete Duda with Rhode Island Reds, Buff Orpingtons, White Leghorns, Austra Whites, Barred Rocks, Black Cornish, White Cornish and some turkeys; Frank Naprstek with several breeds of chickens as well as some turkeys and geese, Donald Jensen with geese, Mrs. Louie Florian with bronze turkeys and geese, Mrs. Thead Nelson with White Leghorns, Marion Strong with White Leghorns, Donald Anderson with ducks, Adolph Hellwege with White Leghorns, Mrs. Leon Woods and Mrs. Leonard Woods with white eggs.

In the swine department Clifford Goff has his state fair show herd of Spotted Poland Chinas, including the senior yearling boar which defeated the Missouri grand champion at the state fair last week. Other exhibitors include Dale Mulligan with Berkshires, Betty and Neal Walkemeyer with Durocs, Ed and Ernest Rousek with Poland Chinas and Willard Visek with Hampshires. All these except Mr. Goff's are club pigs.

The agricultural exhibit is intensely interesting, including as it does the state fair exhibit of Mr. and Mrs. Glen Barber, which won second place there. Floyd Wetzel has a splendid exhibit also, including nubred and hybrid corn, and Eldon Smolik is showing the 11 kinds of pasture grasses so badly needed by drought-ridden pastures here. There are about 30 other exhibitors of fruit, produce and grain items.

There are too many individual exhibitors in other departments to mention but any Quiz reader will find a visit to the fine arts and cookery, floral and school exhibits very interesting.

"NAVY INTELLIGENCE"

Is it necessary to be a high school graduate in order to enlist in the Navy?

No. Navy enlistees need not be high school graduates. All applicants will be given an examination containing approximately 100 questions. A grade of 50 per cent or better on this examination is sufficiently high to pass the Navy educational standards. However, a high school education will be valuable to the seaman during his Navy enlistment.

If I enlist in the Navy or Naval Reserve, will I be sent to a Navy Trade School?

All new recruits are sent to one of four Naval Training Stations and after a training period they may take examinations for entrance into Navy Trade Schools. Those recruits who pass their examinations with sufficiently high grades are sent to Navy Trade Schools before assignment to the fleet. While attending these schools, they will receive regular Navy pay and free schooling valued at \$1500.

What is the greatest possible pay I can expect to earn during my first term of enlistment? It is possible to earn as much as \$126 a month by the end of your first term of enlistment, and remember that your clothing, lodging, medical and dental care are all supplied free.

After I have served my term of enlistment, what benefits do I get for re-enlistment?

Depending on your rate and length of service, you can get a cash bonus up to \$300 plus 30 days leave with pay.

What does the term "ash can" mean in the Navy?

An "ash can" is a slang term applied to the depth charge used to combat submarines. The average "ash can" is a container filled with approximately 300 pounds of T.N.T. and can be dropped overboard from a ship and so controlled as to explode at depths ranging from 36 to 300 feet. These are generally carried by the fast ships in the fleet, as a boat dropping a charge regulated to explode at 70 feet depth must move away from the explosion area at a speed of 25 knots or more. These "ash cans" are either rolled off the stern or shot from "y-guns" which

Fair Successful As Entertainment Tho Crowds Light

Parades Greatly Enjoyed on Both Days, Other Features Were Fine; Last Day Best.

Completely successful from an entertainment standpoint was the annual Valley county fair held in Ord last week in conjunction with Ord's fall festival.

Feature most enjoyed by the crowds probably was the business men's parade put on by the Ord Volunteer Fire department on the final day, Thursday.

Colorful and interesting also was the children's parade given Wednesday afternoon. About 125 children took part, some carrying the Story-book masks provided by the state recreation division of the WPA.

Both the St. Paul and Ord bands marched in this parade and also played concerts during the day.

Prizes were offered to the children who took part in various sections of the parade and they were awarded as follows:

- Best decorated bicycle: Sharon Olsson, Don Wozniak. Best decorated tricycle: Jackie Beck, Eddie Purtak, Barbara Nay. Best decorated racer: Billy Anderson, Jay Stoddard. For child with dog: Beverly Brox, Mary Loft, Marilyn Absolon. For child with other pet: Suzanne Kardell, Mary Lou Arnold, Joyce Wilson. Miscellaneous costume class: Harry Tolly, Charlene Blessing, Bernice Walker.

Women Planning Tag Day for Milk Fund

Business and Professional Women of Ord are planning a tag day to raise funds for milk for school children who need it, sometime late this month.

The fund has a fine start, with \$15 from Olof Olsson, \$5 from Kenneth Peterson, \$4 from A. Friend, \$3 from Robert Noll, \$1 from Superintendent C. C. Thompson, making a total of \$24 on hand.

Friday the club sent notes home by the children asking how many parents wanted free milk, or could pay for it this year. Last year the milk was given about mid-afternoon to all underweight children of the three lower grades, and to all children who wanted it, through the sixth grade.

The business women are making arrangements to entertain a district meeting of the organization in Ord in October. Miss Clara McClatchey is the new president elected since the mid-summer departure of Miss Dolores Redfern, and is busy making plans.

Longest Season on Pheasants Starts Thursday, Oct. 16

Three Weeks Upland Shooting Authorized; Duck Season to Open Same Time.

Three weeks of pheasant hunting and sixty days in which to hunt ducks and geese are in store for Nebraska hunters this fall and with the biggest pheasant crop in history, plus an increased supply of ducks, the prospect is an alluring one for nimrods.

The open period on both pheasants and waterfowl starts Thursday, October 16 at 7:00 a. m. The pheasant season closes Nov. 5 but duck hunters will have until Dec. 14 to pursue their favorite sport.

The entire state, with exception of Johnson, Nemaha, Pawnee and Richardson counties, will be open to pheasant hunters. The daily bag limit, as heretofore, is fixed at five cocks. The season on hens is entirely closed, though if one hen is killed accidentally it may be included as part of the daily bag limit.

Pheasants are numerous but the cover is heavier too, so every sportsman will find that a good dog is practically a "must" item if lost birds are to be saved. Shooting hours on pheasants are from 7:00 a. m. to 4:00 p. m. daily, which is a change from last season when shooting started at 8:00. The 7 to 4 hours also apply to waterfowl.

The state commission announces the following additional regulations on other game birds and on squirrels. Ducks: Daily bag limit 10 in aggregate with not more than three redheads or buffheads or both. Possession limit 20 with not more than six redheads or buffheads or both included.

Geese: Daily bag limit three, including all kinds except blue geese of which three additional may be taken, or a total of six blues only. Possession limit six of all kinds except blues, of which six extra or 12 blues may be in possession. Use of cattle, horses or mules as blinds or cover prohibited.

Nebraska will have no open season on mourning doves, or on Wilson snipe or jacksnipe. Season on rabbits open all year; daily bag limit 10, with 20 in possession. Squirrel season Oct. 1 to Nov. 30; shooting hours 7 a. m. to 6 p. m. Daily bag limit 5, possession limit 10.

Coon and opossum season Nov. 1 to Feb. 1; no open season on muskrats; badger season, Nov. 1 to Feb. 1; fox season, Jan. 1 to Dec. 31; mink and skunk season, Jan. 1 to Dec. 31; beaver, no open season.

Lee's Sentence Reduced. At a hearing in Lincoln Friday, the state board of pardons and paroles reduced the sentence of James Lee, 60, from 10 years to 3 1/2 years. He has already served about 3 1/2 years of his sentence. Lee was a Valley county farmer and was sentenced for manslaughter following the watermelon patch shooting of Gall Hiner, 14.

Longest Way 'Round Shortest Way Home in Housemoving Too

North Loup—(Special)—Martin Markvicka recently purchased the house on the old Ed Stewart farm on the east side of the river to replace the house which burned last fall on his farm on the west side of the river. The farm is only a mile apart, but because the house was too wide for the bridge near the Markvicka place he moved it around by way of Scotia, a distance of ten miles.

The house is 28x32 and had two porches and a bathroom that had to be taken off and moved separately. It is being installed on its foundation this week and the Markvicka family, who have been living in a trailer house, expect to move in soon.

Heart Attack, Not Auto Wreck, Caused Christensen Death

Tree Surgeon Dies in Bed Morn After Car Crash; 5 Others Slightly Injured.

A heart attack instead of the superficial injuries he suffered in a car accident Wednesday evening was responsible for the death of Carl Christensen, Gothenburg tree surgeon, at the Ray Harding home Thursday morning, says George S. Round, sheriff of Valley county. Christensen was attended by Dr. C. W. Weekes, who told officers that the excitement of the accident probably contributed to bring about the heart attack which caused his death, but that his injuries alone were not the cause.

The accident happened about 10:30 Wednesday evening on the Ashton-North Loup road, about 1/2 mile this side of the Sherman Valley county line. Christensen, accompanied by Ray Harding, had been doing tree work in Cairo and were enroute home when they met a car driven by William Biehl, of Buffalo Grove, a little community near Lexington. In the car also were Mrs. Biehl and Rev. and Mrs. Donald Dean, of Buffalo Grove. They were returning home after attending a meeting of the Kearney presbytery in Ord.

Harding was driving the Christensen car and says he was blinded by the lights of the Biehl car and swung over to the wrong side of the road, meeting the Biehl car head-on. The Biehl car was practically stopped and the Christensen car was proceeding slowly when the collision occurred, or injuries to the persons involved would have been more severe.

Mr. Christensen was thrown against the instrument panel of his car and his nose, forehead and mouth were cut. Harding's face was bruised. Rev. Dean suffered a bad bump on his head and other occupants of the Biehl car were badly bruised.

Sheriff George S. Round and Deputy Sheriff Fred Cohen were called and investigated the accident. Harding told the sheriff, the latter says, that he was clearly in the wrong but that he was blinded by the Biehl light as the car came down a hill and that he unconsciously pulled the car over into the left lane.

A report that Messrs. Harding and Christensen were intoxicated was investigated by the sheriff, he says, but it was unfounded. Harding said they stopped in Ashton on their way from Cairo to Ord and drank two glasses of beer in a tavern but that neither was in the slightest degree intoxicated. Occupants of the Biehl car told the sheriff neither man seemed to be under the influence of liquor, the sheriff tells the Quiz.

Round and Cohen brought Christensen and also Rev. and Mrs. Dean to Ord, the former going to Dr. Weekes to be checked over and the latter two to Dr. C. J. Miller. A few minutes earlier one of Ed Manchester's sons brought Mr. and Mrs. Biehl to the Ord hospital. After treatment for minor injuries the Buffalo Grove people went to the home of Rev. W. Ray Radloff, where they remained until Thursday afternoon.

Christensen was examined by Dr. Weekes and was given a sedative, then went to the Harding home, where he stays while working in this territory, and went to bed. His injuries apparently were only superficial. The next morning he died. His wife and daughter, who came to Ord Thursday from their home at Gothenburg, told county officers that he had long suffered from a heart ailment and had been warned by doctors to avoid excitement. He is well known in the community, having worked at his profession in Ord and nearby towns for many years. His body was taken to Gothenburg for burial.

Charles Bals Died Saturday Evening, Funeral Tuesday

Prominent Farmer, Livestock man, in Valley Co., for the Past Forty Years.

Following a long period of ill health, Charles Bals succumbed to a complication of diseases Saturday evening at 10:30 p. m. He was born in Belgium June 3, 1865, and was 76 years of age at the time of his death. After a quarter of a century spent in his native land, he came to America in 1890, locating on a farm near David City in Butler county, Nebraska.

In the fall of 1901 he came to Valley county, and, together with Louie Spelts, bought the Jacques and Crow ranch southwest of Ord, the ranch later known as the Spelts place near Burwell, 1700 head of cattle and about 90 horses, together with all the equipment of both places.

After 2 1/2 years in business together the partners split up their holdings, Spelts taking the Garfield county land and Bals taking the Valley county ranch, which has been known as the Bals ranch since that time, and which he owned, together with considerable other property at the time of his death.

In 1913 Mr. Bals made a trip to the native Belgium, and was married there in the town of Cruyshauteun to Miss Marie Van Heuverswyn, Oct. 22. Their wedding trip brought them back to America, and to Valley county. One daughter, Jean Marie, was born to this union, dying in infancy.

All his life Mr. Bals was interested in farming and the raising of fine stock, especially fine horses. In 1901 he imported two Percheron stallions from Belgium, and in 1913 he imported two Belgian stallions and one Belgian mare. On a number of occasions prior to 1923 he showed his horses at the Valley county fair and won ribbons on them whenever shown. One experience he had with stock is of special interest. In 1900 he shipped a boat load, 250 head, of cattle to England, part of them being his own. All the other men who had the job of looking after

Burwell Boy, 19, Dies in Accident

Burwell—(Special)—Leonard Butcher, 19, was killed instantly when the car which he was driving on highway 53 two miles southwest of Taylor, struck loose gravel after being sideswiped by a truck 12:30 Sunday morning. His companion, John Nelson, of Ericson, sustained severe bruises when he was thrown from the car. Nelson was taken to Dr. Cran's hospital where he was treated and released Sunday evening. The deceased youth lost his life just west of the narrow bridge near the Newbecker home where a number of serious accidents have occurred in recent years.

The driver of the truck, Lynn Frost of Stuart, was absolved of all blame by Loup county authorities who investigated the accident. Frost was bound for Broken Bow with a load of Brahma steers to be used at the Broken Bow rodeo. He and his companion were uninjured and their truck was not damaged. Butcher's car was completely demolished.

Butcher and Nelson were returning from Sargent to Burwell. Both boys have been employed at the Alfred Peterson farm near Ericson. Nelson is Peterson's brother-in-law.

Butcher was the son of Boyd Butcher. He has lived all his life in the vicinity of Burwell. Besides his father he leaves a brother Leo, a sister Marie, a stepmother, two half brothers and a half sister, and two uncles, W. H. Butcher and Ellis Whiteside. Mrs. Joe Rowland, of Ord, is his aunt. Funeral services were conducted Tuesday afternoon in the Methodist church in Burwell by Lyman Kern. Interment was made in the Burwell cemetery.

Farm Land Moving Again, Federal Land Bank Salesmen Here Sept 20 in Only Sixteen Days

Twenty Greeley, Valley, Loup and Wheeler county farms sold in only sixteen days is the record of Federal Land Bank and National Farm Loan association salesmen in Ord, proving that farm land is beginning to move again. Truman V. Gross is district salesman for the land bank, working out of the farm loan association office, of which James B. Ollis is secretary. Between August 28 and Sept. 13 the twenty farms were sold, most of them to people who will farm the land.

Greeley county places sold include the John Emberson farm to Frank S. Lightner, of St. Edward; the Dan Bussell farm to Joe Vergantzel, of Emerson, Ia.; the Maloney place to Donald L. Degan; the Haemakers place to Thomas Kelly; the Toohy place to J. J. Nauenburg; two Peterson farms to Leon Sperling; the Whalen farm to J. G. Nobes; two Judge farms to Marion Score, of Omaha; the Dutcher place to Elmer Dutcher; the Ferguson farm to George Rankin; the

Drilling Test Well South of Loup City

The Carter Oil company, drilling subsidiary of the Standard Oil Company of Indiana, this week started drilling a test well to explore oil possibilities on the George Helle farm two miles south of Loup City. Workers erected an 84 foot steel derrick, motors using butane gas will furnish power for a rotary rig capable of going down several thousand feet, and a crew of 18 men working in three shifts will drill the well.

C. J. Havens, in charge of the work, explains that his company is making what is called a stratigraphic survey with this well. Other major companies are said to be interested in Sherman county oil possibilities and one company is making core tests all over south Valley and north Sherman county.

Popcorn Days Open With Dedication of Community Build'g

Exhibits in Place Tuesday, Queen to Be Crowned This Eve, Parade Thursday.

North Loup—(Special)—Dedication of the new community building Tuesday evening marked the opening of this village's 1941 Pop Corn Days festival, which continues throughout today and Thursday with crowning of the Pop Corn Queen as tonight's feature. Exhibits were put up Tuesday in the rooms of the new building, which hereafter will be the center of all community activities. The school exhibit, which is larger than usual, is in the library room and was put up by Mrs. Mills Hill and Mrs. W. W. Willis. The women's department is across the hall and is in charge of Mrs. John Manchester, Mrs. Otto Bartz, Mrs. Fred Bartz, Mrs. Glen Johnson, Mrs. Albert Babcock and Mrs. Clifford Goodrich. Mr. and Mrs. Glen Barber are looking after the agricultural exhibit and have a fine display in their department.

Free popcorn is being given away, as usual, and Mr. and Mrs. Gus Esile are in charge of the popcorn. The Art B. Thomas Amusement company is here with its rides and other concessions and also provides part of the free platform entertainment.

Identity of the Pop Corn Queen is a carefully guarded secret. Elected by popular ballot, the young lady will be crowned on a public platform tonight. This afternoon comes the juvenile parade and tomorrow comes the parade of floats. Thursday evening comes the prize drawing, after a platform program.

Clifford Goodrich is chairman of the Pop Corn committee and acts as master of ceremonies at all programs. At the community building dedication last evening, H. L. Gillespie, chairman of the village board, made the opening speech and introduced C. E. Beals, secretary of the League of Nebraska Municipalities, who acted as master of ceremonies and introduced each member of the board which has sponsored the project. Rev. J. A. Adams gave the address of the evening and several musical numbers were given. A free dance in the auditorium concluded the evening.

The building was a WPA project and was made by combining three old buildings, the Arlington hotel, the old town hall and the old community building. It is 60 x 120 feet and will house the library, rooms for the township and village boards, has a 60 x 60 foot auditorium with 20 foot stage, a dressing room and a kitchen. A fine outdoor platform will be used for band concerts and programs. On the second floor is a room 28 x 60 which will be used by the Odd Fellows lodge. L. R. Sheldon was the carpenter in charge of its construction.

Annual Election of AAA Announced for Tues., Sept. 23

Farmers in Each Precinct Will Ballot on Delegates to County Convention

Farmer-administrators of AAA for Valley county will be elected Tuesday, September 23, at community meetings announced today by the county AAA committee.

In each precinct farmers will ballot for three community AAA committeemen and a delegate to represent them at a county convention at which county committee men will be elected. Alternate community committeemen and an alternate delegate also will be named.

Every farmer who participated in any phase of the 1941 AAA farm program, the AAA range program, the sugar program or potato program is eligible to vote in the local elections. Voting by proxy or mail is prohibited.

Practically every farmer cooperating in the farm program who derives a major portion of his income from farming or ranching is eligible for election as committeeman or delegate. Barred from elective AAA posts are officers and employees of political organizations and those holding elective state, county or federal offices.

Here is the schedule for the Sept. 23 community elections, all of which are booked for 8:00 p. m. Arcadia, Doe' hall. Davis Creek, Davis Creek school. Elyria, town hall. Enterprise, Dist. No. 10. Eureka, Jungman hall. Geranium, National Hall. Independent, Barker school. Liberty, Pleasant Valley. Michigan, Fair Play school. Noble, Brick school. North Loup, bank building. Ord, Legion hall. Springdale, Springdale school. Vinton, Cottonwood. Yale, Hayes Creek school.

With the national defense effort placing added responsibilities upon the shoulders of farmers and their AAA committeemen, it is essential that producers in each neighborhood put their outstanding men into office at the approaching elections, county committeemen declared. They urged that every farmer attend and take part in his local meeting.

Rain, Hail, Windstorm, Came Monday Afternoon

Ord received 1.12 inches of moisture Monday afternoon, the rain falling in torrents for a period of about 20 minutes, following a lighter shower earlier in the day. North Loup had .83 inches of rain about the same time, accompanied by a severe wind storm and some hail. Trees were broken and telephone wires and poles damaged at North Loup. Northwest of that village damage was greater and at the Leon Sperling farm the roof was blown down and the windmill tipped. Windmills at the Hillis Coleman, Del Barber and Loyd Meyers farms were damaged and a granary was blown over at Joe Sengenfeld's, where 2 inches of rain fell. There was no wind damage at Ord.

Rain and hailstones as large as eggs fell for 45 minutes at Burwell. Tops of automobiles, roofs and windows were damaged there. The hail severely damaged tomato fields west of town. Alfalfa fields which had been allowed to go to seed suffered damage also. Only .58 of an inch of rain fell at Burwell.

C. E. Beals, of Lincoln, secretary of the Nebraska League of Municipalities, was an Ord business visitor Tuesday, calling on Mayor M. B. Cummins and other city officials and also at the Quiz office.

Grand Island First Test for Ord Team; J. Fryzek Injured

Ord Opens Season Friday Against Top Opponent but Regular Center Out.

Minus the services of their regular center, Jerry Fryzek, who is out for at least two weeks as result of a painful hip bruise suffered in scrimmage, the Ord Chanticleers will open the 1941 grid season against Grand Island at Bussell park field Friday evening.

Not in many seasons has an Ord team started against an opponent of Grand Island's calibre but the Tolly-coached squad expects to give a good account of itself unless more injuries intervene.

In place of the 150 pound Fryzek, who showed a world of ability in the 1940 season, Coach Roscoe Tolly will probably put 140 pound Milo Rose who saw some service last year and has been developing rapidly. Coach Tolly has twelve lettermen, of whom only four were '40 regulars, and many other promising players from whom to pick his starting line-up against Grand Island.

The backfield presents less of a problem than does the line for Gould Flagg, heady quarterback and open field runner, will again be calling signals and 185 pound George Cetak, as well as Otto Marsh, 165 pounds, and Floyd Stewart, 155 pounds, are available for service. All are veterans and there are several new-comers who will see plenty of action before the game ends. Among these are Junior Wilson, Loyal Hurlbert and Eldon Cetak.

Available for line duty are Bob Timmerman and Paul Covert, a pair of 200 pound tackles, Alex Cochrane and Henry Adams, veteran ends, Junior Petska, a fine tackle who lettered last season, Ed Reusek and Bob James, veteran guards, who will start, and Bill Novosad, a fast back who has been switched over to the guard squad. Ora Hurlbert and Frank Misko are good end prospects and Eldon Walker has looked good in practice. There are several others who may edge into starting berths this season.

Friday evening the boys had their first practice session under the flood-lights but it was a costly scrimmage for it resulted in Fryzek's leg injury. He may be out of the game several weeks, though coaches are hoping he can be back in shape for the October 3 game against Broken Bow.

Grand Island is said to be a large squad but it was hit even harder by graduation than Ord's squad was and therefore the team is pretty much of an unknown quantity. The Ord coaching staff regards this game as a practice session, albeit a stiff one, in preparation for the regular Mid Six schedule, and the open date the following week will give coaches a chance to iron out weaknesses before the league schedule starts. Fans are hungry for their first taste of grid warfare, especially when Grand Island is Ord's opponent, and an overflow crowd will be present at Bussell park at kick-off time Friday night.

Mrs. J. K. Jensen Goes to Reward

Respected Ord Woman Dies Monday After a Stroke; Funeral Is Today.

Mrs. John K. Jensen, almost 72 years old, passed away at her home in Ord Monday as result of a stroke, which followed by a few weeks a severe fracture of the hip from which she had not recovered. Funeral services are being held at 2:00 this afternoon in the Pearson-Anderson chapel with Rev. Clarence Jensen in charge, and interment will be in the Ord cemetery.

She was born Oct. 8, 1869 in Thysted, Denmark, and grew to young womanhood there. Her marriage to John K. Jensen occurred Sept. 19, 1893 and they set out for the United States at once, eager and ambitious to take advantage of the opportunities which the new land offered. They came directly to Valley county and established a home, but four years later they and other families migrated to Canada as homesteaders, but soon returned to Ord. This community was the scene of the remaining years of Mrs. Jensen's sojourn in this life, which was spent as a devoted wife and mother.

She leaves seven children to mourn her departure. They are Mary and Hannah Jensen, of Ord; Courtney, of Albion; Julius, of Broken Bow; Alvin, of Sidney; George, of LaSalle, Ill.; Mrs. Esther Manchester, of Ord. There also are four grandchildren and two brothers, P. K. Pedersen, of Peculiar, Mo., and C. T. Pedersen, of Aberdeen, Ida.

IT DOES HAPPEN HERE

Thursday evening President Roosevelt addressed the American public for 30 minutes on the subject of preparedness, aid to the allies and freedom of the seas.

In Europe today the only man who speaks is Hitler, either directly or through one of his mouthpieces, of whom he has many.

Today we are building the biggest and most powerful fleet in history. We are building the largest peace-time army this nation ever knew.

There are those who think that such as Lindbergh should be suppressed, but they are breaking no law. Lindbergh is sincere in what he is saying.

It is not treason against the United States to suggest a course that he thinks the nation should pursue. On the other hand, President Roosevelt is not taking the course he is advocating because he wants to, but because world conditions are forcing his hand.

ITALIANS TRUE TO FORM

In battle on the Dnieper river in Russia, the Italian armies are following their course elsewhere in this world war.

The Italian soldiers are not towards, but they are unprepared for the type of war that is being waged in Europe today.

If Italy were not completely dominated by Germany today she might even sue for a separate peace. She could quit today without any great loss of territory or prestige.

TOO MANY STOP SIGNS

Ord has too many stop signs, and it would be fine if most of them could be eliminated. We realize that such signs must be placed where they are needed.

Therefore the fewer of them we have, the better for everybody. These signs must be placed on every street intersected by a state or federal highway, and we have two state highways through Ord.

While it is impossible to take the highways entirely out of Ord, they can be moved out of the center of town.

ter of town. In the past the state highway department has made some study of the problem, and it has been found that No. 11 can be moved to skirt the south edge of Ord without too great expense.

WARNING 55 YEARS OLD. Just 55 years ago an item appeared in the Ord Quiz in which W. W. Haskell warned the public that a grade for sidewalks should be established at once.

Today we can see the result of that lack of foresight on the part of the early day trustees, who at that time were E. K. Harris, chairman, D. N. McCord, H. C. White, J. C. Work and P. Misko.

We have all these today, and the coming of the paving demonstrated the crying need of a grade for sidewalks. In a dozen places all over Ord we find that it has been necessary to build a flight of steps leading down from the adjoining lots to the paved street.

OMAHA IN IOWA. Recently a writer in the Grand Island Independent suggested the idea of turning Omaha over to Iowa, the cause of the outburst being the hostile demonstrations of the fans who watched Bud Ward battle his way to the national golf championship in Omaha recently.

It recalls something of interest that happened some years ago. The merchants of Omaha, or perhaps it was the Chamber of Commerce, figured out a brilliant idea. Since Omaha drew business from a large territory, why not cut out the old Omaha, Nebr., and print their stationery Omaha, U. S. A. instead.

The fact is that, while Nebraska might get along without Omaha, Omaha would not be able to get anywhere without Nebraska, the city's chief source of business. There may be some ways in which we of the rural sections could wish Omaha were better, but if we were exchanging her for any other city of similar size, we would find objections there also.

THE ORD FIRE DEPARTMENT

The heart of more than one ardent Ordite swelled with justifiable pride at the showing made by the Ord Volunteer Fire department in the parade Thursday. The firemen were scheduled to have a leading part in the parade, but it would have been an interesting parade if not another organization had participated.

Whoever got up the idea deserves a lot of credit. The plan of showing each piece of equipment in the order in which it was organized and acquired certainly made a hit with the public, and the presence of the old time fire fighters from former chiefs Shirley and Glover all down through the years was an inspiration to all who saw them.

Each piece of equipment of the department has been preserved, and they demonstrated the improvement in fire fighting apparatus through the years. There was Hose No. 1, 1888, Hose No. 2, 1891, the Hook and Ladder company, 1896, the first auto outfit, 1923, and the new pumper outfit of 1937.

Nisswa, Minn., Sept. 13, 1941. Dear Quiz:

It is 9 a. m. Friday and Asa and Wilma Anderson, who have been spending a week with us, have just driven out of the yard on their way back home. It is for them to say whether they had a good time but we did sure enjoy having them with us.

A letter from Mr. and Mrs. Gross says they arrived home safely after finishing up their vacation visiting Iowa relatives. While here Mr. Gross bought a fine Larson boat for next May delivery and plans on coming back next year and will build a cottage if he gets the tract he is trying to buy.

Edwin Rousek Awarded \$1000 Cornell Fellowship

Edwin Rousek was awarded a \$1000 Fellowship by Cornell University, Ithaca, N. Y., September 8. The fellowship for the coming year is for the purpose of doing graduate work under Dr. F. B. Morrison, the noted authority on feeds and feeding. Rousek will assist Dr. Morrison in teaching several freshman courses in animal production.

For the past two months Rousek has been a federal agent in animal husbandry on the University of Nebraska experiment station staff in North Platte. His work consisted of taking charge of the hog and cattle feeding experiments.

Rousek had an outstanding record in college where he was awarded the Union Pacific, Regents and Sears-Roebuck scholarships. He was president of the Farmers Fair board, president of the university livestock judging team, business manager of the Cornhusker Countryman, vice president of Corn Cobs, member of Block and Bridle, and a member of the agricultural executive board.

BACK FORTY

By J. A. Kovanda

Three dozen lads came out for the livestock and dairy judging contest at the fair grounds last Wednesday. Mostly they were experienced judges, and the rivalry was keen.

Placings on the animals were made, and followed by oral reasons, each boy telling how he placed the livestock and why. This reduces the element of luck, and gives the boys some experience in speaking.

It warmed up yesterday and was a delightful afternoon and last evening was the first in a couple of weeks when we didn't need a fire to be comfortable. It got down to 35 here, just missed freezing, and I presume we will not have a frost now for a couple more weeks and we should have a lot of nice weather.

This coming week I am going to be very busy moving a lot of trees and shrubbery, as we are making extensive changes in our yards. I figure it will take a week, with Oscar Wallin helping, to get the job done. I have to put a coat of asphalt on one roof and that will complete the job of covering all our roofs this year, and it takes 20 gallons to do the job. I also have to put new roofing on our old garage, now used as a woodshed and sort of store room. If I don't do that it won't be long until the roof boards and rafters will be rotted out and it don't do the firewood much good to get soaked every time it rains.

Something Different

By H. D. Leggett

I try to keep in mind that California is an incredible place where they do incredible things, but once in a while they astound me, no less.

For instance, my father sent me a bread wrapper that he considered quite a curiosity a few days ago. I wrote back that I would like a loaf of the bread to taste, so here it came, all the way from Los Angeles. In your wildest nightmares you'd never dream of putting these things together to get bread... but they did in California! Here's about it:

It is called Hollywood bread, no fats added, baked without shortening of any kind. Baked with whole wheat flour, clear wheat flour, water, non-diatatic malt, yeast, salt, honey, caramel, whole rye flour, yeast food, stone ground oatmeal, yeast flour, gluten flour, barley flour, sesame seed and a small quantity of dehydrated vegetables including celery, lettuce, pumpkin, cabbage, carrots, spinach, parsley, sea kelp, added for flavor only!

Some amusing things happened during the fair. I hope you saw the business men's float parade, and the pet parade the day before, for the crowds seemed to enjoy them very much.

Anyway, up at the high school the man in charge of the number parade or whatever they call those big funny heads made under WPA supervision did not get to the costume boxes as soon as the children did. So some 50 or 100 children proceeded to dive into those big cartons and haul out heads and costumes and try them on. Needless to say the pants, vests, smocks, pajamas and heads became well mixed.

The poor man went to work to assemble the right costume with its proper head. He began to ask children to take off this and that. He tackled a little son of Leonard Furtak's, who had on some gally striped denim pants.

Nearly ready to sit on the youngster and remove the bright pants forcibly, the harassed man at last realized Eddie was saying "These are my real pants. These are my own pants. You can't have these pants."

But it was all forgotten when Eddie's rig won a prize. His was really clever, a big brown horse head drawn on cardboard and fastened on his tricycle front, and a huge flowing tail on the back. And Eddie in a cowboy suit.

Cleverest remembering his daddy's occupation of football coach was three-year-old Harry Tolly's entry. Little Harry in a football suit complete with four-foot shoulder pads, baggy pants, striped shirt and helmet, waddled along pulling a wagon made up as a football bandwagon. On top a tiny football field was marked off, goal posts and flying pennants complete, and on the high crepe-streamed sides of the little bandwagon were tacked football schedules of Ord's coming home games.

They there was the little girl whose Henny Penny nestled in a bird cage. A bright crocheted skirt and a hat ornamented the little red hen.

There were so many cunning entries. The firemen showed enterprise, I thought, with their parade of past and present firefighting equipment. Bert Boquet was his usual

PERSONALS

See the new Form-Fit girdles at Chase's. Bob Schmidt came from Omaha after his wife and baby Sunday, who have been visiting her parents, Mr. and Mrs. Guy Burrows, for several weeks. They left for home that afternoon.

Garfield county sent two more recruits to the army Thursday when Leonard Snyder and Henry Stange left on the morning bus for Fort Crook where they were inducted into the selective service.

Mr. and Mrs. Lester Thompson, Mr. and Mrs. Roland Hoppes and daughter and Mrs. Carlos Olcott left Monday afternoon for a vacation trip through the west. They planned to spend the night in the home of Mrs. Thompson's sister, who lives at Arthur. Most of the time they will spend with their daughter and sister, Flossie and her husband, who live in the Big Horn basin near Worland, Wyo.

Rev. Wylie preached his farewell sermon in the Methodist church in Burwell Sunday. Today he and Mrs. Wylie went to Lincoln where they are attending the annual state conference of the Methodist church. Sunday a basket dinner honoring the Wylies, who have spent six years in Burwell, was held in the church basement following the morning services. The affair was well attended and a bountiful array of food was served.

The members of the Townsend club enjoyed a picnic in the Homolka park Sunday which was well attended. Mr. and Mrs. John M. Miller, state representatives and organizers spoke to the gathering. In the evening a free picture show was exhibited in Meyers and Manassil's garage.

John Wheeler of Loup City spent the fore part of the week in Burwell where he was guest in the home of his daughter, Mrs. Henry McMullen.

Everyone in Burwell is happy to learn that both L. B. Fenner and Mrs. Harley Owens, who have been critically ill for several weeks, are now definitely improved. Mr. Fenner now sits up for brief periods while Mrs. Owens has recovered sufficiently that she now is able to enjoy short auto rides.

Mr. and Mrs. Bernard Wunderlich and Robert of Lincoln spent the week end visiting relatives in Burwell. Mrs. Eben Moss who had spent several weeks visiting the Wunderlichs in Lincoln returned to Burwell with them. While they were in Burwell they received word that his father, W. M. Wunderlich, who has been in poor health for several months, had be-

come worse and they left immediately. They were accompanied by Leonard Wunderlich and Miss Cecilia Kline who returned to her home at Trumbull after visiting her father, Mrs. E. W. Fransson and Mrs. Mark Wagner, and her nephew, Leonard Wunderlich, and their families for a week.

Sergeant Maynard Sitton is spending a thirty day furlough with his parents, Mr. and Mrs. Albert Sitton. Maynard is now stationed at Camp Lewis in Washington. During the two and a half years he has spent in the army he has traveled widely and had many unusual and varied experiences. He is a member of a football squad on which he is the lightest player. (He weighs 210 pounds). Maynard has met many interesting characters while in the army and has gotten acquainted with several movie stars serving in the selective service. While in California he got to know Wanda Stewart quite well and says that he is a rather common and ordinary person.

Roy and O. S. Chaffin left Thursday on the train from Grand Island for Monmouth, Ore., where their mother lives, after receiving word that she had suffered a severe stroke.

Ed O'Hara, an old time resident in Garfield county, who moved away thirty years ago, has been visiting relatives and friends in Burwell. He now lives in Council Bluffs. Mr. O'Hara is an uncle of Elmer Wright and a relative of the Saunders and Mrs. Clarence Jeffries.

The Full Gospel Tabernacle was filled to capacity Saturday afternoon by the large number of friends and neighbors who gathered there to pay their respects to Henry Scherbarth, 56, who died Thursday in his farm home in Loup county, eight miles northwest of Burwell. Even though Mr. Scherbarth had been in failing health for several months his death came as a shock to his acquaintances. The rites were conducted by Rev. Nyles and interment was made in the Burwell cemetery.

Mr. and Mrs. John Rossenbach of Norden arrived in Burwell Sunday where they were guests in the home of her sister, Mrs. William F. Grunkemeyer. Mr. and Mrs. Orin Graber of Omaha, and Miss Betty Graber of Chapman were week end guests in the Grunkemeyer home. These people visited the Grunkemeyers at this time so that they might attend the wedding of Billy Grunkemeyer and Miss Beth Gyger in Ord Sunday. They left Monday morning.

Jess Williams and Leslie DeLashmuit left Monday for a vacation trip in Wyoming. Jess is visiting a friend in Cheyenne, and Leslie his brother, Harry, who is stationed at Fort Warren. They also plan to go to Sheridan where they intend to surprise Mr. and Mrs. Billy Grunkemeyer, who are honeymooning in that vicinity where they are guests of his brothers, George and Arnold.

At left, below, are successive shots taken during the balloon ascension. In the bottom scene the big bag is being slowly filled with smoke and hot air over a fire built in a pit south of the Bohemian hall. The next picture shows the balloon as it became full and tugged at the ropes holding it, then the start of the ascension itself and then the final collapse of the balloon after the intrepid aeronaut cut loose and rode to earth on his parachute. At right, below, are a group of parade photos, the top one showing a group of Story-Book characters with Kenneth Tatlow as Donald Duck, Robert Kokes as the rabbit, Frank Vavra as Jack-in-the-corner and Ernest Holt as Puss-in-Boots. Harry Tolly in his prize-winning costume also is seen. The "snow pony" and buggy pictured here are owned by Truman V. Gross, district salesman for the federal land bank, and the equipment was led in the parade by James B. Ollis, secretary of the National Farm Association. Riding are Harry and Nelva Gross, in the front seat, Ruth Ollis and Frances Gross in the back seat. This parade feature elicited a lot of comment. Below is Phyllis Bose, of Arcadia, with her 4-H prize lamb, Nancy. She showed five fat lambs and won five prizes.

The arrangement of concentric circles at right resulted when the Tilt-a-Whirl was photographed with a 1-minute time exposure, and beyond that the FSA exhibit on the fair ground is shown. Playing bingo were Mr. and Mrs. Mark Gyger, Mrs. W. R. Cochran, Josie Absolon, Bessie Absolon, Billie Grunkemeyer, Beth Gyger, Bernice Ferretton and Joe Borden. Humpty-Dumpty in the parade is shown at right.

Next is shown the fire department's splendid parade exhibit of fire fighting equipment, old and new. This was one of the real features of the business men's parade Thursday and showed how the art of fire fighting has progressed since Ord first had a volunteer fire department and bought its first piece of equipment. Two former fire chiefs, Bud Shirley and F. E. Glover, rode with members of the present department and other honorary members.

Riding a pony is little Larry Dale Jorgensen, eating cotton candy is Jack Holt and riding in the kiddie car is Gilbert Lee Hubert, proving that children enjoyed the fair too. In the Tilt-a-Whirl seat are Norma Long and Marilyn Ollis, and at right are seen Anton Greenwalt, Alfred Hosek and Eldon Wachtrle, trying to win a baby doll in the ball game.

to take his mother back to New York with them and she would go to Washington, D. O., to see Mr. and Mrs. Irvin Van Horn. Irvin better known as Bur, is in the civil service of the war department and has been recently transferred to a junior clerkship in the navy. Mrs. Elizabeth Harding was in Ord between buses Saturday. Maurice Williams, who came up from Grand Island on the morning bus, accompanied her. Relatives have received word of the marriage of Margie Nauenberg and Darwin Sheldon at Milwaukee, Wis., September 7. Both are well known here, the bride being the daughter of Mr. and Mrs. Ben

Nauenberg, formerly of Davis Creek and now of Scotia. At the time they left for Milwaukee recently in company with Mr. and Mrs. Boyd Sheldon, she was work- ing in Ord. Darwin is the young- est son of Mr. and Mrs. L. R. Shel- don and has lived all his life here. He graduated from our schools in 1938, has a great deal of musical talent and was active in athletics. Since going to Milwaukee he has obtained work in a boiler factory and they plan to remain there in- definitely. Mary Ann Bartz came up from Lincoln Saturday night and spent the day Sunday with her parents. Florence Hamer and Florence

Hudson returned with her Sunday afternoon going down to resume their work in the state university. Both will be seniors this year. Mary Ann is also taking some uni- versity work and is working. Some members of the North Loup band and several business men went on booster trips Wednesday and Saturday nights, boosting for Pop-Corn Days. Wednesday night they visited Scotia, Elba, Cotes- field and Greeley and Saturday night Loup City, Arcadia, Ashton and Ord. The regular Wednesday night concert was given after they returned. Mrs. Harwood Rice was honored with a miscellaneous shower Fri-

day afternoon at the home of Mrs. W. J. Hemphill with members of her Sabbath school class assisting. A mock wedding with Mrs. Cecil Severance as the groom, Mrs. Rus- sell Barber as the bride and Rena Maxson the ring bearer caused much merriment. Mrs. Rice re- ceived many nice gifts. Mrs. Stella Kerr moved Friday to the Barnhart house near the school house which Martin Watts vacated. Mrs. Louise Miller arrived on the Friday evening motor from her home at Charleston, W. Va. She will visit here till about the first of October. Mr. Miller and all the boys have work.

NORTH LOUP. Dale Gilmore was not a victim of poliomyelitis as was reported in the Quiz last week but of cerebral spinal meningitis which is distinctly different from polio. Until recently cerebral spinal meningitis has nearly always proven fatal but the discovery of sulfanilamide in the medical world has given victims of the dread disease a chance. Dr. Hemphill who diagnosed the case as cerebral spinal meningitis soon after he was called to the Gilmore home administered sulfanilamide from the start and considers Dale's recovery is due to this. He is gain- ing rapidly and it is expected that the quarantine will be lifted from the Gilmore home by the last of the week. No one else has con- tracted the disease nor does Dr. Hemphill expect that they will. Don VanHorn of Ithica, N. Y., was a Wednesday dinner guest of his grandparents, Mr. and Mrs. C. E. White. He and his wife are on their vacation and had spent a few days with his parents, Mr. and Mrs. Merrill VanHorn at Marshall- town, Ia., and came on to Omaha where Mrs. VanHorn's parents live. She remained with them while Don came up here. He has a fellowship scholarship in Corn- nell university and has two more years till he finishes. Plans were

NORTH LOUP

WRITTEN BY MRS. ETHEL HAMER

Mr. and Mrs. Fred Smith of San Dimas, Calif., were Monday night and Tuesday guests of Mr. and Mrs. M. E. McClellan. Mrs. Smith was formerly Grace Kellogg. Monday afternoon they visited at the James Left place, the old Kellogg farm, and were caught in the storm near the farm. The wind blew the chimney from the kitchen on the Kellogg house, dropping it down through the kitchen and knocking off part of the porch. Mr. and Mrs. Smith are en route to New York to visit their son and will visit other relatives on the way. Tuesday night Mr. and Mrs. Smith, Mr. and Mrs. M. E. McClellan and Mrs. Gogin were dinner guests of Fanny and Clifton McClellan.

Mrs. Amy Taylor had as her guest for dinner Sunday, Mrs. D. S. Bohrer, whose birthday was celebrated.

Mr. and Mrs. Clifton Clark went to Broken Bow Sunday to meet her father, Jason Green, of Casper, Wyo., who will spend the week here. It has been 21 years since Mr. Greene went away, and this is his first trip back.

Mr. and Mrs. Harry Thrasher of Big Springs are guests of relatives and friends here this week. They arrived Sunday.

Mr. and Mrs. Harry Bird and children, Derwin and Ruth, and Mrs. Charles Thorngate arrived Monday evening from their home at Dodge Center, Minn. The Birds are house guests of Mrs. Frances Maxson and Mrs. Thorngate is at the home of her daughter, Mrs. J. A. Barber.

Mr. and Mrs. I. L. Sheldon were over from Kearney Thursday.

The little pony belonging to the Ben Nelson children got out of his pen Friday night and started back to his old home near Scotia. On the highway he was struck by a car, injuring him so badly he had to be killed.

Mr. and Mrs. Eugene Ingerson of Fort Collins, Colo., and Mrs. Dora Marble of York are guests in the Jim Ingerson home, arriving Tuesday.

Mr. and Mrs. Ben Nelson of Monroe are guests of his nephew, Ben Nelson, and family.

John Gowen of Denver arrived Sunday and is a guest of his brother, George Gowen. Mr. Gowen is employed by the city of Denver. He left North Loup 33 years ago but has been back a few times since, the last time four years ago. He has a hobby of collecting stamps and has a very valuable collection. At one time he sold a collection for \$1,500 and now has another one.

John Davis of Denver is a guest of relatives here.

Saturday evening guests of Mrs. Augusta Christensen included Mr. and Mrs. Fred Christensen and

Mrs. Tom Greenwalt of Arcadia, Mrs. Robert Sidley and daughter, Mildred Jean and Mr. and Mrs. Givens, all of Hollywood.

Mr. and Mrs. A. L. Willoughby went to O'Neill Sunday where they met their daughter, Mrs. Logan Garrison, who had ridden that far with friends from her home at Worland, Wyo.

Mr. and Mrs. Clyde Willoughby and Mr. and Mrs. Halsey Schultz spent Wednesday in Grand Island. Sunday they spent the day in Ericson and Bartlett.

Mrs. Blanche Leonard is spending the week at the Vere Leonard home.

J. J. Smith of Minutaire arrived Friday and is the guest of Ches Chinn.

Mrs. Jessie T. Babcock arrived home on the Monday evening bus. She has spent the past month in Wiggonsin with her son Oscar and family and the past ten days in Omaha with her daughter, Katherine.

Mr. and Mrs. Hillis Coleman arrived home Friday from a trip to the state fair, to Iowa, Missouri and Kansas. In Missouri they were guests of Mr. and Mrs. Clifford Collins and while there made a trip into the Ozarks.

North Loup school children were given a treat Tuesday morning when the Coca-Cola truck drove to the school house and gave each student a bottle of coca-cola and a tablet or pencil.

North Loup football boys will play their first game of the season at Burwell Saturday night. Nineteen boys are out for football this year, and while most of them are light, Coach Elley has hopes for a successful season. The first home game will be Friday, Sept. 27, with Arcadia. Superintendent Wills expects to have activity tickets on sale by the time of that game.

Members of the senior class received their class rings Tuesday. The rings were ordered last spring before the close of school for September delivery.

Mr. and Mrs. W. W. Wills went to Fremont Saturday called there by the serious illness of Mrs. Will's 82 year old father. Mr. Wills returned Sunday and she remained.

Word came Tuesday morning that Mr. Steen had passed away and Mr. Wills went down again Wednesday.

Mr. and Mrs. Carl Unger and daughter came over from their home at Ravenna Sunday bringing Mr. and Mrs. Ed Post who had been their guests at home. Mr. Unger returned Monday and Mrs. Unger and the baby will spend the week here. Mrs. William Waddington and son Donald came up from their home at Cairo Monday and will also spend the week with her parents.

Mr. and Mrs. Mark McCall were Tuesday dinner guests of Mr. and Mrs. Ed Post.

The R. H. Knapp family were Sunday dinner guests of Mr. and Mrs. Ed Knapp.

the week with her parents, Mr. and Mrs. Gus Eistle.

Mr. and Mrs. Russell Williams arrived last week from Onalaska, Wash. He went on to Baltimore, Md., where he has a civil service job with the social security bureau. Mrs. Williams will stay here for a time with her parents, Mr. and Mrs. Claud Thomas.

Mr. and Mrs. Merle Gillespie of Murdock are guests of Mr. and Mrs. H. L. Gillespie, arriving on Tuesday evening.

I. J. Thelin is having a vacation from his duties as Union Pacific agent and a Mr. Kline is taking his place. Monday afternoon Mr. Thelin went to Omaha to spend a few days. Friday, in company with Mrs. Thelin and Mr. and Mrs. Reuben Ryberg and son he plans to go to the Black Hills to spend a week. Mr. Ryberg will arrive from Chicago the last of the week.

Fern Drawbridge has gone to Omaha where she has employment.

Lester Jorgensen, who is working at Farnamville, Ia., arrived home Sunday for a week's vacation. He was accompanied by Rudy Kall and Helen and Louise Kilmer.

Steve Jorgensen and Leonard Jacobs, who went west several weeks ago, have found work in Portland, Ore., on a dairy farm. Donald Vogeler, who accompanied them, found work in California.

BURWELL

Jerry Winslowe spent Sunday and Monday in Kearney where he visited his father and brother.

Mr. and Mrs. Glenn Bowers and family are moving this fall from their ranch home twelve miles north of Burwell to Brainard, Minn., where they have purchased a farm. They are holding a clean-up sale Sept. 23. They will also attempt to sell their ranch at auction at this time.

Mr. and Mrs. Alvin Gross and family of Hastings arrived in Burwell Sunday where they are visiting their parents, Mr. and Mrs. Frank Mallick and Mr. and Mrs. Julius Gross. While they are in Burwell Mr. Gross, who is district supervisor of the Food Center stores, is overseeing an extensive remodeling project in the local store.

Mr. and Mrs. Everett Johnson and daughter are now on their vacation. They are spending part of their time in St. Louis. They plan to be gone two weeks. Miss Bernice Troxell is assisting in the bank again during Mr. Johnson's absence. She plans to leave Friday for Denver where she will enroll in the Barnes business college.

When You And I Were Young Maggie

September 17, 1931. Two tool thieves were arrested in Genoa, and charged with the theft of carpenter tools from Tom Williams, L. D. Pierce, Joe Lola and Clements Furlak of Ord and thefts in other towns. Ole Buck, secretary and field manager of the Nebraska Press association for 13 years, died Sept. 13, at the age of 59 years. A delegation from Ord asked the state highway commission to take over the road to Comstock as a part of the state highway system. The state game commission announced a ten day open season on pheasants, beginning Oct. 13. Joe Rybin, who then lived where Warner Vershi lives now in the canyon southwest of Ord, was brought to the hospital seriously ill, and died Sept. 16, at the age of 74 years. The Valley county supervisors decided that nobody who owned and operated an automobile could be eligible for county aid. That was ten years ago. It was also voted to withhold aid from those who were able to attend picture shows. Following a stroke of a month before, Mrs. W. J. Stewart died at her home north of Ord Sept. 14 at the age of 65 years. Councilmen Carl Sorenson, Joe Rowland and William Sack and the light and water commissioner, George Allen, made a trip of inspection and then bought a coal stoker for use in the city hall.

September 15, 1941. The Loup Valley fair boosters made a second trip and visited the towns of Ericson, Greeley, Brayton, Wolbach, St. Paul, Elba, Cotesfield, Scotia and North Loup, which was some accomplishment in those days. A most delightful reception was arranged for the teachers of the Ord schools at the Community Service club rooms. The program was planned by Miss Ella Bond, Mrs. G. R. Gard and Mrs. O. S. Taylor. Appearing on the program were Miss Thelma Partridge, Mrs. A. T. Green and Percy Lowe, the Misses Anna and Viborg Aagaard, James Aagaard, Ora S. Taylor and Miss Bond. Ormsby Petty traded the Knecht place southeast of Ord and the Kaspar land toward Ericson for 120 acres of land in Missouri about 20 miles south of Shenandoah, Ia. Fred Jewett was the man he made the deal with. E. S. Coats returned from the Nebraska state fair and wrote in the Quiz that he found fair goers pessimistic over the conditions on the farm. After ten years of depression and ten of depression, wonder how they feel now. The old mill at Greeley, established in 1859 and operated by Miller Wright for 20 years, was burned to the ground Sept. 9. The Loup Valley fair, in its final days, was announced as the finest ever held up to that time, with every department crowded with exhibits.

September 11, 1911. Dr. S. W. Vallier of Ord and Miss Louisa Quillin of Grand Island were married at the latter city on Sept. 13. Monday morning, Sept. 11, Judge H. Gudmundsen pronounced the words that made Helen Hoffman and Fred Stewart man and wife. Mrs. Ed Munn returned from Missouri. She had spent some time visiting and her mother, Mrs. Aldrege, accompanied her home. Mr. and Mrs. D. N. McCord and daughter left for their home in California, having sold his interest in Schuyler. They came to Ord for a visit before leaving. Twenty-four autos left Ord on Tuesday morning, Sept. 12, on a booster trip advertising the Valley county fair. The itinerary included Loup City, Arcadia, Comstock, Sargent, Taylor, Burwell and Elyria. The trip of 120 miles was made in 12 hours, and all the cars got all the way around except Frank Stans, which broke an axle eleven miles south of Ord, and two of the occupants, Bill Timm and Carl Johnson, walked back to Ord, arriving somewhat the worse of the wear. A booster trip was a real adventure in those days.

Let Us Help You With Your... Steak Fries and Wiener Roasts. Autumn is almost here and there soon will be a tinge of frost in the evening air. Leaves are commencing to turn and birds are gathering in flocks preparatory to going south. Its the season when appetites are keenest, when outdoor eating is most pleasurable. Its the season when outdoor cookery is the most fun. Plan a steak fry or a wiener roast for tonight. Gather the "gang" and go to the river bank, or to a canyon somewhere, and there over a fire built by yourself enjoy a real outdoor meal. But be sure and visit our market first for the tastiest wieners and the tenderest, juiciest steaks it is possible to get anywhere. Pecenka & Son MEAT MARKET

Walt Mason had contracted with a publishing house to furnish them a poem every day, and the Quiz editor opined that this could not be done. Not only can it be done, but it is comparatively easy for a person who has the knack of poetry. September 13, 1901. John Beran killed 21 ducks in a half hour's shooting when a sudden cold wave brought them down from the north. If anybody does that now, he had better not have it in the Quiz. W. T. Draper, local iceman, announced that he would hardly have enough ice to last through to the end of the season. H. G. Westburg moved out of the Clements building, now owned by Miss Anna Marks, and was looking for a new place to ply his trade as photographer. The slot machines were beginning to appear in Ord. Bridgford had a machine for vending salted peanuts on a telephone pole in front of his store. That was before the poles were relegated to the alleys. W. T. Barstow had shipped in a supply of Turkey Red winter wheat, which he was trying to induce the farmers to sow, most of them preferring to sow spring wheat instead. Now most of them don't sow any. C. L. Anderson, erstwhile superintendent of the Ord schools, left for Oklahoma, where he was one of the lucky men who drew a nice piece of land in the government land drawing there. Josh Turner, who was also lucky, was already there, and they planned to shop around together, and try to find farms near each other.

September 17, 1886. Two marriages of interest are recorded: At Ord, Sept. 11, 1886, Rev. E. L. Dodder performed the marriage ceremony of Irvin W. McGrew and Miss Ella M. Simmons both of Valley county then. They are still living in Burwell, and enjoy fairly good health. "Irv" is a brother of our own "Clayt." The other marriage was that of William C. Chatfield and Miss Jennie Strain, both of Garfield county. Mrs. Chatfield died many years ago but recently Mr. Chatfield, who lives in Cheyenne, Okla., was married again. He is a brother of Ord's John Chatfield. L. B. Phelps had just opened a variety and notion store in the old county clerk's office, east of Reed's Lumber office. The clerk had moved into the new court house shortly before. The Quiz said: "It is time that a fire limit should be established in town. Nothing will be so sure to establish the business of the place and give us practically a fireproof town as a little ordinance of the kind. Why not act upon this matter at once." Also: "The Quiz office has been moved to a point opposite Daniels' Furniture store. All street car lines of the city run by the door where Pete Dargos has his plumbing shop at the present time. Still further: "More than once this paper has alluded to the necessity of the town authorities establishing a grade for walks. Brick buildings are going up and soon it will be impossible to establish one and the result will be uneven walks for the balance of time. A little proper work just now will be of benefit to this place now and forever."

The Valley county exhibit prepared by Capt. S. H. Webster and taken to the state fair, won third place. This year the exhibit prepared by the Doug Barbers took second place in its division. According to this, in 55 years more we should take first place, but we will bet it will not be that long.

PERSONALS. Willard Visek, son of Mr. and Mrs. James Visek, son of Mr. and Friday to take up his second year work in the college of agriculture. Mrs. Frank Zukoski, sr., was a bus passenger to Elba Friday, where she went to visit a daughter, Mrs. Ed Krizak. Mrs. Gertrude Lewis of St. Paul came to Ord last week to attend the fair and to visit friends here. Dobby Sprague of the sixth grade was one of the first football casualties and is carrying around a bad looking left eye, caused by coming in contact with another player's head.

Mr. and Mrs. Ed Mulligan arrived Saturday from their home at Dix, Nebr. They were accompanied by their grandson, Eugene Noyes, of Ontario, Ore., who has been with them through the harvest. After spending the week here they plan to return to Dix and later take Eugene to his home. He is the son of Mr. and Mrs. Harold Noyes who formerly lived here. Arthur Jeffries of Hastings and Ethel Jeffries of Grand Island spent the week end with their mother Mrs. H. L. Jeffries. Mrs. Luella Worden of Plainfield, N. J., arrive Thursday morning on the bus and is a guest in the Roy Cox home. Mrs. Worden is a niece of Mrs. Sabrina Williams. The Roy and Erlo Cox families and Mr. and Mrs. Ernest Horner of Ord went to Kearney Sunday where the Hubert Vodehnals of McCook met them and all enjoyed a picnic dinner in Harmon park. George Cox and Arnold Leonard were home from Kearney over the week end. Mr. and Mrs. L. W. Portis will hold open house Tuesday, Sept. 23, from 2:00 to 5:00 and from 7:00 to 9:00 in celebration of their golden wedding anniversary. Muriel Bartz accompanied the Roy Cox family to Kearney Sunday. Mrs. Ross Portis was hostess to the Junior Fortnightly club Friday afternoon. Newly elected officers of the club are Doris Barber, president; Isabelle McMinde, vice-president; Hannah Sheldon, secretary and Frances Barnhart, treasurer. The next meeting will be held in the evening of October 8 with Mrs. Hannah Sheldon. Gladys and Anna Belle McMinde and Marge Radloff came down from Atkinson Sunday and accompanied Mr. and Mrs. A. L. McMinden and Lyle to Dannebrog where they attended a Harvey family picnic. Orlan and Fanny McClellan spent Saturday and Sunday with relatives in Clay Center. Andy Townsend of Shelbyville, Ill., was a dinner guest Friday of Mr. and Mrs. W. B. Stine. He was accompanied by Mr. Wheat and his son of Shelbyville and Mrs.

County Agent Notes

A few farmers in Valley County have reported to County Agent Dale that their grain is infested with weevils. Dale says that fumigation with heavier-than-air fumigants is about the only dependable method where grain is already infested with weevils. Bins must be quite tight, and the fumigation must be done before the temperature of the grain falls much below 75 degrees Fahrenheit. Either carbon bisulphide or a mixture of ethylene dichloride and carbon tetrachloride can be used. Carbon bisulphide is most effective and cheapest, but it is inflammable and the vapor is explosive. A heavy dose of the chemical lowers the milling qualities of wheat to some extent, but does not affect corn, barley, or oats. The ethylene dichloride-carbon tetrachloride mixture is slower and more expensive, but is safe to use and doesn't damage wheat. Balbo rye is being promoted in rye-producing Nebraska counties. It is claimed that Balbo is much superior to the varieties generally grown in that it will not give an undesirable flavor to milk when grazed by dairy cows. And, it is claimed that Balbo makes more rapid fall and early spring growth. D. L. Gross, Extension Agronomist at the Nebraska College of Agriculture, says that the Nebraska station has made no studies of Balbo rye as to the above characteristics. Balbo rye is a variety long grown in states south of Ne-

braska. In these states, it seems well adapted. The following statement is from the Missouri station. "The increase in acreage in this variety has been a result of its rapid fall and early spring growth and its upright habit as compared to the prostrate growth habit of Rosen and similar varieties. It is also popular with farmers because it is a so-called "sweet rye" and does not affect the taste of milk. This has been confirmed by our dairy department. "Unfortunately we do not have grazing experiments in which we compare the amount of grazing of Balbo with other rye varieties. We know from observation that it can be grazed earlier but believe also that it cannot be grazed quite as long in the spring because of its earlier maturity. Under Missouri conditions it is usually fully winter hardy. We had slight freezing last fall in Balbo rye, but that was also true of common rye and at the same time severe injury to wheat varieties." Up to the present time, Gross states, the experience of Nebraska farmers with Balbo rye from the standpoint of winter survival has been satisfactory. The following figures obtained by the Nebraska station indicate that Balbo is less resistant to cold than is Rosen, Dakold and Nebraska common. Since rye is largely cross fertilized, it can be expected to change its characteristics according to the climatic conditions under which it is grown. The source of seed is, therefore, important.

NORTH LOUP. Mr. and Mrs. Fred Bartz were Sunday dinner guests of Mr. and Mrs. Otto Bartz and Mary Ann. Otto Bartz' birthday was celebrated. The household goods of Martin Watts were sold Friday afternoon at auction, Herman Rice of Ord doing the auctioneering. Some of Jim Coleman's furniture was also sold. Mr. Watts and Arthur have gone to California and Mrs. Watts and Mary expect to go as soon as they are settled. Mrs. Watts and Mary have rooms in the Orville Portis home. H. H. Thorngate, who is in his eightieth year fell Wednesday morning at his home and broke his hip. Mr. Thorngate was alone at the time and lay for some time before anyone found him. Gus Eisle and Mr. Thorngate had been cutting the large maple tree near the old town hall site and Mr. Eisle became anxious because Mr. Thorngate did not come so went to his home and found him. Wednesday afternoon Dr. Hemphill took him to Ord for an X-ray and Thursday the hip was put in a cast. Mrs. John Williams is caring for him at present. His daughter, Vesta, teaches at Greeley and Roy Lewis went for her Wednesday. She remained home till Monday morning when she returned to Greeley. Mr. and Mrs. Ed Mulligan arrived Saturday from their home at Dix, Nebr. They were accompanied by their grandson, Eugene Noyes, of Ontario, Ore., who has been with them through the harvest. After spending the week here they plan to return to Dix and later take Eugene to his home. He is the son of Mr. and Mrs. Harold Noyes who formerly lived here. Fair Successful As Entertainment Tho Crowds Light

(Continued from page 1)

WPA sent a man to Ord with the costumes and he helped Mrs. Olson and her assistants in getting the parade organized at the high school building.

Easily the feature of the fair Thursday was the big business men's parade. This was taken over by the Ord Volunteer Fire department at the request of the Chamber of Commerce, and the department led the procession except for the Legion colors and color guard, and the Boy Scouts with their flags.

The firemen had every piece of equipment purchased since its organization in the parade, including hose companies No. 1 and 2, the hook and ladder company, the auto outfit of 1921 and the pumper outfit of 1937. Of special interest was the fact that so many of the old time firemen were in the parade, including Chiefs Shirley and Glover, both of whom belonged to Ord's first volunteer fire fighting force.

Two bands were in the parade, the Scotia band being well in the lead and making a very fine showing as they stepped down the street with precision of well drilled soldiers. Later on came the Ord band, which of course is much larger. The performance of this band is so well known here that no further comment is necessary.

It was a difficult matter to get the names of all the firms represented in one way or another in the parade. Among them however were the following: Ernest Hornor with his windmill; the Texaco service truck; the Service Oil company; two Sinclair trucks; two Coryell tankers; The Quiz decorated car; the Kellison farm on a trailer;

The Coca Cola truck; the Ord Seed and Grain company; C. A. Anderson Motors; Nelson Auto company; Howbal Radio Service; Galka Shoe Store; the Ord Co-op truck; Johnson's Tavern with Joe Kearney playing the accordion; Frazier's Furniture trailer carrying Mazie's Beauty Shop exhibit; Auble Bros. decorated auto;

The horse and buggy of the National Farm Loan office; the float of the Gamble store; J. B. Clark with two Fordson tractors, plow and cultivator; the float of the Ord Livestock Market. Of special interest to all lovers of fine horses was the Bill Treptow team which pulled the hook and ladder truck around in the parade.

No doubt there are others that were in the parade and deserve mention, but it is a very difficult matter to keep track of all of them when there are so many. It was one of the finest parades seen in Ord for a long time, and those who participated deserve the thanks of all the spectators for the trouble they took to make the parade a success.

Finest night attraction probably was the exhibition given by the Kearney drum and bugle corps Tuesday evening. Praise of this well-trained outfit of 34 young men was heard throughout the fair. The daily balloon ascension also pleased spectators, as did the 30-minute platform show given by the Rene Heitz orchestra on the final evening. The girls' orchestra heard the first two evenings failed to live up to expectations.

Three acts provided by the Purcell Stage Circus, of Chillicothe, Ia., were better than the average of such acts seen here in the past but had the same failing, that is they were practically the same each time presented. Children, especially, seemed to like the dog and pony acts.

Through the courtesy of Socoy-Vacuum Oil company and its local dealer, the Dugan Oil company, a sound car decorated with the company's "flying red horse" emblem was in evidence. Auble Bros. loud speaker system was used on the platform and Arden Clark served as official announcer uptown, doing a capable job. Mayor Bert Cummins did the announcing at the fair grounds.

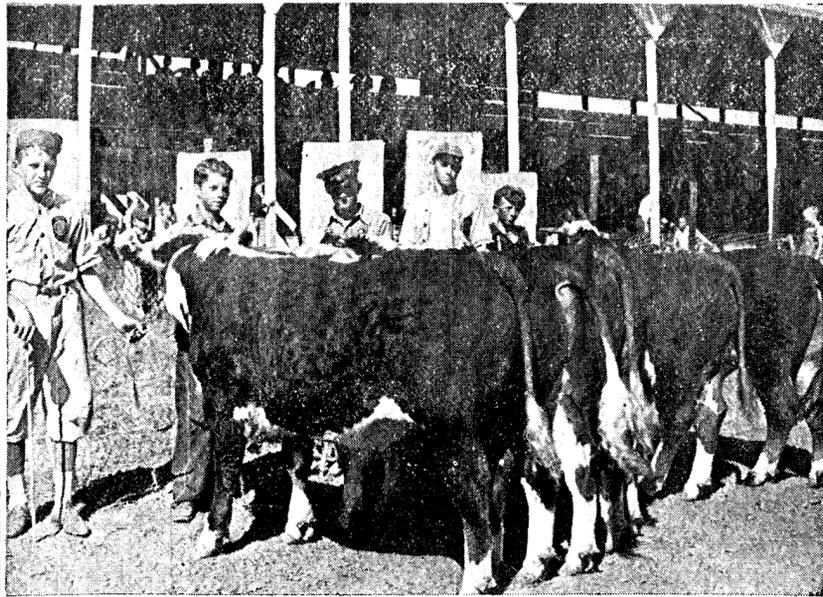

Crowds throughout the fair might be classified as small, though the Wednesday crowd numbered at least 2,500 and the Thursday afternoon crowd probably was as large. In view of the fact that practically all entertainment was free and that the weather was pleasing throughout, it is surprising that more people did not attend. Certainly the Ord community spared no effort or expense to make the fair successful and a splendid spirit of cooperation was shown in the business men's parade, in the manner in which the bingo stand was conducted and in general throughout the festival.

The Frederick carnival company proved to be a clean, well conducted outfit and the various rides were well patronized, though show operators and concessionaires said their business was light. The fair crowd was well behaved and no arrests were made during the three day show.

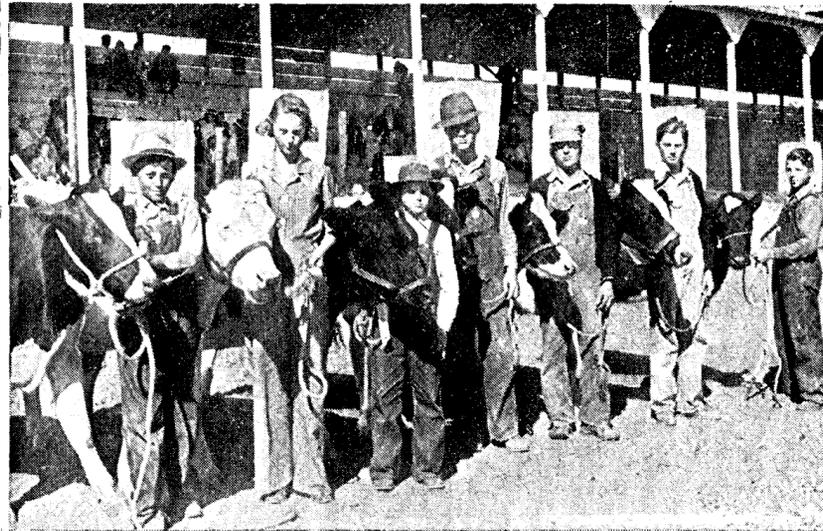

Having exhibits on the grounds and the entertainment features down town was, of course, an experiment made necessary by the precarious financial condition in which the fair association finds itself. If crop and financial conditions improve next season it is likely the association will be able to finance a fair given completely on the fair grounds, as was done prior to this season. The Ord Chamber of Commerce did its best to tide the association over this difficult year and keep the fair going and probably will be willing to do so again if such a course seems advisable next season.

At the home of Mr. and Mrs. Harold Miller near Arcadia Sunday, an enjoyable family dinner was held with the following present: Mrs. Hattie Burson, Mr. and Mrs. Alfred Burson and Mr. and Mrs. Lowell Jones, of Ord; Mr. and Mrs. Walter Jones and son of Arcadia; Mr. and Mrs. Eldon Tiffany, of Loup City; Mr. and Mrs. Allen Jones and family, of Tacoma, Wash.; Mr. and Mrs. Eldon Burson, of Los Angeles. The dinner was held in honor of the visitors from the west coast, who have been visiting relatives in Ord and elsewhere in this section.

Beth Gyger Is Wed to Billy Grunkemeyer

A pretty ceremony at the Methodist church Sunday at 2 p. m. made Miss Beth Marie Gyger the bride of Billy Grunkemeyer of Burwell. Rev. M. M. Long read the marriage lines before some 50 people, all of them related to the bride or groom. The church was tastefully adorned with asters in blue, pink and white, and with tall white tapers at the altar.

Miss Gyger wore a lovely ivory gown made by her grandmother, Mrs. Cochran. The motif bodice was long and fitted, with a soft sheer skirt falling in circular folds to the floor. A stiff corded Petticoat made the effect bouffant. A soft full yoke fitted over the shoulders, inset with rows of tiny pleats. A matching tiny pillow hat was quilted of taffeta, the top circled with lilies of the valley. A shoulder veil was even shorter over the face. The bride carried a prayer book of her grandfather's, a single orchid bound to the cover with satin streamers.

The maid of honor, Bernice Perleton of Rushville, was gowned in white, with soft blue and deep rose prints on the sheer material. The bridesmaids, Betty and Mary Lou Newman of Chappell, were dressed alike in silk marquisette of soft blue, and all three girls carried colonial type nosegays made of asters, and wore little blue net hats.

Best man was Leslie DeLashmatt of Burwell, and Jess Williams of Burwell and Billy Ray of Lincoln were ushers. Mr. Mark Gyger gave his daughter away. Miss Beverly Witham of Lincoln sang "O Promise Me," softly accompanied by Miss Norma Mae Snel.

Immediately after the wedding a reception was held at the Gyger home. The two grandmothers of the bride poured tea the first hour, Mrs. W. R. Cochran and Mrs. Mae Gyger of Chappell following. Hazel Grunkemeyer Lazenby, Florida cousin of the groom, and Mrs. Orin Graber of Omaha, his aunt, presided. A big wedding cake and a wreath of asters beautified the tea table, amid white tapers and sparkling silver.

Mrs. Gyger chose a black woolen dress, wearing a corsage of rust and yellow snapdragons, while the groom's mother, Mrs. W. F. Grunkemeyer, wore dark blue, with red and rose snapdragon corsage.

Asked to take charge of the guest book was Miss Nina Nickells of Burwell, and Mrs. Maynard Lakin, sister of the groom, had charge of the gift room.

For going away the new bride wore a tailored wool jersey in rosy beige shade, with brown accessories. The dress was full skirted below a tunic effect. Her large dark brown hat had only a band of the dress material for trim. Following a trip to the Black Hills and Sheridan, the bridal couple will return to Burwell in about two weeks, where their apartment is ready for them.

Both young people are well known in this valley and are receiving hosts of good wishes from their many friends.

Claude Kennedy Dies Suddenly

Burwell—(Special)—The death of Claude Kennedy which occurred early Monday morning was a severe shock to most of the people of Burwell who were unaware that he was in poor health. Mr. Kennedy was almost 43 years old. Funeral services were conducted in the Congregational church this afternoon by Rev. J. Bruce Wylie. Mr. and Mrs. Melvin Struve sang. Interment was made in the Goodenow family lot in the Ord cemetery. The Blazing Star Masonic lodge which Mr. Kennedy joined when he was twenty-one years old had charge of the services at the grave. Pallbearers were Leonard Johnson, Charles Meyer, John Beynon, W. L. McMullen, G. A. Butts and Richard Banks.

Claude Goodenow Kennedy was born Oct. 10, 1898 in the home of his grandparents, Mr. and Mrs. M. B. Goodenow. He was the eldest son of Lewis and Irene Kennedy Goodenow. He was named for his uncle Claude Goodenow, whose health was impaired while serving his country in the Spanish-American war and who died at the time of Mr. Kennedy's birth.

He grew up in this vicinity, spending the greater part of his life with his maternal grandparents. He was married to Tillie Gross, Dec. 28, 1924. A daughter, Marilla Belle, who died in infancy was born to them. Since the death of his grandfather, M. B. Goodenow, Mr. Kennedy has devoted most of his time to managing the Goodenow estate. He leaves his aged grandmother, Mrs. M. B. Goodenow, his stepfather and mother, Dr. and Mrs. G. L. Mills, of Hot Springs, New Mexico, his aunt, Miss Maude Goodenow and four brothers and sisters, Mrs. Florence Abbey of Spearfish, S. D., George and Mrs. Keo Kern of Witten, S. D., and Frank of Burwell. One brother, Claire, preceded him in death several years ago. All the relatives were present for the last rites.

Charles Bals Died Saturday Evening, Funeral Tuesday

(Continued from page 1)

the stock got seasick, and Mr. Bals had to look after all the cattle and take care of the men as well.

He came to America as a poor man, but with the determination not to be always poor. He succeeded so well that at the time of his death he was recognized as one of the wealthiest men in the territory north of the Platte. He often told of how he came to David City with a link of Holland cheese and three dollars in his pocket. His reason for wanting to come to America was that his sister, Mrs. Prudence Van Daele, needed help and wanted him to come. They had bought 80 acres of land near David City, Neb., and she had a sick husband on her hands as well as small children, and no one to do the farming. Mr. Bals wanted to come, but his father said for Mrs. Van Daele to come back to Belgium instead, so Charles spent his own money to come to America to help her.

As soon as he was able to do so, Mr. Bals brought other Belgians and Belgian families to America and gave them employment on his ranch. Without exception these have all become industrious and useful citizens, thus justifying the faith he had in them and improving the citizenship of the community. C. J. Mortensen tells of a business association with Mr. Bals over a period of 22 years. He was a stockholder in the Nebraska State Bank at the time of its founding and most of the time since then. During the period from 1912 to 1920 he was a member of the board of directors and vice-president of the bank. He has always been a large patron of the organization, and business relations with him were always fine, his word always being good as his bond.

He was a stockholder in the Farmers Mutual Telephone company for a number of years before that organization gave way to the Nebraska Continental Telephone company. March 7, 1923, Mr. and Mrs. Bals left the farm and moved into their town property on M street, which he bought from Albert McMindes. However, he always maintained an active interest in the ranch, which he visited every few days. While much interested in the Valley county fair prior to 1919, his active participation dates from that year, when nine men, Irl Tolson, C. J. Mortensen, H. D. Leggett, Harry Bresley, August Petersen, Ed Johnson, Cleg Hughes, Charles Burdick and Mr. Bals bought the fair grounds and buildings and reorganized it. They sold out again in 1925, all retaining considerable stock. Since that time he continued his interest in the fair, serving as a member of the board for a number of years, and also as superintendent of grounds. He retired from the board five years ago, but the members have always felt free to consult him on any matters of importance. Funeral arrangements were in charge of Pearson and Anderson, and the services were held Tuesday morning at 9:30 a. m. at Our Lady of Perpetual Succor church with the pastor Rev. Thomas Siudowski, in charge. Burial was made in the Ord Catholic cemetery. The active pall bearers were Emil Fafetta, Joe Osentowski, Ed Kokes, Ed Gnaster, Dr. F. A. Barta, James Petka, Jr., John Meese and E. L. Vogelanz. Honorary pall bearers were M. McBeth, A. W. Cornell, C. W. McClellan, C. J. Mortensen, Dr. J. W. McGinnis, M. B. Cummins, H. B. Van Decar, R. Clare Clement, William Sack and Dr. F. L. Blessing, all of Ord, and Ed Dworkak, Henry Kiosterman, Henry Hermanson and Peter Van Bummel, all of David City. Mrs. Ed Gnaster, Mrs. Syl Furtak and Mrs. Ed Whelan had charge of the flowers. He leaves to mourn his passing his widow, a niece, Mrs. Hester Van Daele, three nephews, Henry Desmul of Ord and Victor and Rene Desmul of Lynden, Wash., one brother and his oldest sister and four children of his deceased brother Gus, all of Belgium. Another valued citizen has gone but his influence will be felt with those who knew him best for many years to come. He was widely recognized as a successful stockman, and many have patterned after his methods to their own betterment. He did more for the Valley county fair, perhaps, than any one man has done. His business associates in banking knew him as a man of keen judgment, absolute dependability and unswerving honesty.

interesting Letter from Boy in Navy

(Editor's Note: The Quiz is privileged to print the interesting letter below which was written to his parents, Mr. and Mrs. Stanley Gross, by Edward Gross, who enlisted in the Navy some months ago and is now aboard the U. S. S. Scipa.)
August 10, 1941

Here we are on our way to Alaska. We are about to leave the Pacific ocean and go into the Bering Sea. There are snow capped mountains to our right side and a very heavy fog to our left. We are figuring on getting into Dutch Harbor in the morning.

We have trucks, lumber, a steam shovel, over 1200 barrels of gasoline, 50 cases of dynamite and hundreds of sacks of coal, feed and a lot of food for the people of Dutch Harbor, St. Paul Island and the Pribiloff Islands. We are quite fortunate to make this trip because just one ship makes one trip a year to the Pribiloff Islands.

It isn't as cold up here as I thought it would be but is very foggy and rainy. This is summer time here and to my notion it isn't much like summer.

We are going to bring back two million dollars worth of seal skins, Pribiloff and St. Paul islands are the only places in the world where seals breed.

This ship is surely a lot better than the Colorado. There are 205 men on this ship and there were 1,500 on the Colorado. This includes all the officers. We sleep in bunks which is much more comfortable than a hammock. They issue heavy clothes and call them foul weather clothes. We wear dungarees, or the same as bibless overalls, and shirts instead of blues like we did on the Colorado. This is a much smaller ship and we all eat and sleep in the same compartment.

One nice thing about this ship, all the cargo is loaded and unloaded by machinery and there is very little work to be done as compared with the Colorado.
Well, I will sign off for now and write again when I get back to Seattle.

BALED HAY.

We are hauling in some good quality baled hay, both prairie and alfalfa and if you need hay we can make prompt delivery. So far hay is cheaper in proportion than many other feeds, and we can expect higher prices for hay. Don't wait for cheaper prices on hay as it would be very easy for the hay market to take the same turn that the Linsced, Soy Bean and Condon Cake took during the last six weeks. Hay prices are low at present.

Dr. Roy S. Cram Married at Reno

Burwell—(Special)—Dr. and Mrs. R. S. Cram, who were married in Reno, Sept. 1, returned Thursday from their wedding trip to California. Before returning home they visited his brother-in-law and sister, Mr. and Mrs. Frank Belser at Craig, Colo., and her parents, Mr. and Mrs. A. A. Signer at Valley. Dr. Cram's niece, Miss Joyce Belser, joined them at Craig and accompanied them to Crete where she enrolled at Doane college. The Crams also visited Mr. and Mrs. Roy Anderson in Lincoln. Mrs. Cram, the former Miss Pearl Signer of Edison, has for several years been the head nurse in Dr. Cram's hospital. She is a graduate of the school of nursing of the Lincoln General hospital. She has won many friends in Burwell by the efficiency and dependability of her work. Dr. Cram has lived all of his life in Burwell with the exception of the years which he spent at the University of Nebraska and the college of medicine where he received his education. He has been very successful in his work as a physician and surgeon and has rendered the community invaluable service. He has also found time to take an active part in civic and community affairs. He was formerly president of the Garfield County Frontier Fair association, the organization which puts on Nebraska's Big Rodeo, and is at the present time boss of the Wranglers club.

At the present Dr. and Mrs. Cram are living in the caretaker's quarters of the newly constructed dog kennel which he has built on his acreage east of town where they plan to build a new home. A group of young friends gathered there Friday evening for a charivari party and to wish them happiness.

Ford Tractor Ferguson System

Owners of Ford Tractors are having lots of chances to do deep plowing (around a foot deep) for their neighbors and friends. They are being offered around \$1.00 per acre for this job and we want you to get what its worth. If a man has been paying \$1.00 for 6 inch plowing, 12 inch plowing is worth \$2.00, and we want you to get what its worth. You have a chance to cash in on the Ferguson System and you should do it. A man was trying to get one of our owners to plow for \$6c per acre as he said that's what he paid last year. Our man said why don't you get him again this year, and he said, well the finance company took his tractor away from him. Yes, you are entitled to a profit and you can have it with a Ford tractor with Ferguson System. I am still inviting you to come on down Popcorn Days, Sept. 16-17-18, and see this entirely different tractor.

Burwell News

Written by Rex Wagner

A twenty-four semitrailer, belonging to Gail Doran of Elgin, turned over into the ditch at the junction of highways 11 and 53 east of Burwell at 10:30 Friday night. The outfit was coming to Burwell to haul away the stock which Mr. Doran bought at the Burwell Livestock Market that afternoon. The driver, Anthony Schulk of Elgin, said that he was going too fast to make the corner. The truck was not seriously damaged and members of the state highway department turned it right side up after willing trucks, who were passing by, failed at the job.

September has brought the usual round of moving to Burwell. Mr. and Mrs. Orville Marquardt moved Sunday into the new residence which Mr. Fenner built in the south part of town. This modern cottage was largely built from an old barn which Mr. Fenner wrecked. It has five rooms with a bath downstairs and toilet facilities upstairs. Mr. and Mrs. Billie Gruntemeyer, who were married in Ord Sunday, will live in the part of the Verley residence which the Marquardts have vacated. Mr. and Mrs. E. G. Hizer have purchased the former Rockhold residence in the southeast part of Burwell from H. J. Coffin which they have improved and moved into, vacating the Bristowe residence in the north part of town where they formerly lived. Mr. and Mrs. James Berryman and the twins have moved into an apartment in the Hub building. They formerly lived in the house which E. A. Jensen built north of the Congregational church. Mr. and Mrs. Wayne Franssen have moved into the house where Mrs. Jennie Lytle Graham lived.

The descendants of the viper which tempted Eve are mighty unlucky if they meet up with Miss Crystal Horner, daughter of Mr. and Mrs. Charles Horner, who lives east of Burwell. This summer Miss Horner has killed more than fifty snakes. Bull snakes, sandadders, blue racers, and garter snakes are some of the varieties which Miss Horner has eradicated. Miss Horner puts in a great deal of her time herding turkeys where she encounters a great many reptiles which at first frightened her, but now she makes short work of any vipers which cross her path. Many of the hides of her victims she has tanned intending to make belts for her friends. This summer she came across a newly shed skin of a bull snake. A little farther on she saw the old boy sunning himself in her path. His hide which is six feet long is now one of the choicest numbers in her collection.

A red-headed daughter was born to Mr. and Mrs. Roy Webb early Friday morning in their home with Dr. Smith in attendance. Mrs. William Beat is assisting in the care of Mrs. Webb and her baby. Mrs. Leonard Wunderlich entertained Thursday afternoon in honor of her daughter, Jayne Eleanor, who celebrated her fifth birthday.

anniversary. A number of Jayne's friends and their mothers attended. The members of the Domestic Science club entertained their husbands to a picnic at Restmore on Wednesday evening. The honored guests enjoyed a bountiful meal with fried chicken being the piece de resistance.

Mr. and Mrs. Arthur Mohr, Mr. and Mrs. Mike Higgins and Mr. and Mrs. Knute Peterson attended the Ord fair Wednesday night.

Mr. and Mrs. Mike Nelson and Mr. and Mrs. Mike Shonka drove to Chambers Wednesday where they attended the Holt county fair.

Mr. and Mrs. Chester L. Peterson are the new owners of the Spot, taking possession Friday. Mr. and Mrs. John Bartisak, who succeeded Frank Pray in operating it, have gone to Bassett where they will assist Clarence Powers in running a restaurant in connection with the filling station and tourist camp which he has purchased from Walter Peterson. Mr. and Mrs. Peterson are well known in Burwell where both have lived all of their lives.

C. M. Lantis of Esbon, Kas., who is an extensive oil operator, arrived in Burwell Friday. He is spending several days as a guest at the Doyle Horwarth ranch home. Mr. Lantis has real estate holdings in the northern part of Garfield county.

More volunteers for Red Cross sewing can be used according to Mrs. D. C. McCarthy who has charge of the project in Garfield county. Mrs. Nell Sloan worked three afternoons last week helping to cut out fifteen dresses and assembling ten for machine stitching. Mrs. Joe Hamerda, Mrs. Alex Chapman, Mrs. Glow Fackler, Mrs. Hannah Quinn, Mrs. Emogene Hallock and Mrs. Lenora Moss have contributed buttons and other material for trimming dresses.

Mrs. Chapman has returned six dresses completed and taken out material for two more. In all Mrs. Chapman is making fourteen dresses. Mrs. A. H. Rowse has returned six pair of boy's trousers completed. Mrs. L. R. Williams and Miss Connie Akers have finished two dresses and Mrs. Leo Demaree and Mrs. Glow Fackler have each returned a convalescent robe completed.

Mrs. Harry Hughes has completed seven pairs of booties, a kimono, a pair of trousers and two hoods. Mrs. Lewis Moore has also returned a number of completed pieces. Mrs. Ivan Lux has completed two kimonos and a pair of booties. The Methodist ladies have returned a number of finished pieces and taken out material for twenty dresses. Mrs. Tony Zalud and Mrs. Harry Hughes are each doing the handwork on two dresses. A considerable number of completed garments have already been returned to the national Red Cross headquarters.

Rev. and Mrs. Nythrop and Mrs. F. A. Johnson drove to Halsey Monday where they are attending the district meeting of the Congregational church.

Rev. and Mrs. Wylie and Mrs. Nellie Collier went to Ansley Tuesday where they were guests in the home of the ladies' sister, Mrs. J. W. Mills.

Mrs. T. B. Swanson entertained the members of the New Century club in her home this afternoon.

Mr. and Mrs. F. M. Wagner and Helen drove to Mason City Sunday where they were guests in the home of her brother, C. D. Willoughby. Mr. Willoughby returned home with them for a visit.

D. C. McCarthy attended a conference for farm security administration supervisors in Grand Island Wednesday, Thursday and Friday of last week.

Rex Igenfritz spent the week end with friends in Clearwater. He plans to leave Saturday for Greeley, Colo., where he will enroll for his junior year in the College of Education.

Dutt Recommends Tomato Varieties

(Special to the Quiz)

Thirty persons interested in the culture of tomatoes attended the demonstration meeting at the Loren Butterfield farm September 9th, which was conducted by J. O. Dutt, assistant horticulturist from the extension service of the University of Nebraska. Judging from the results of the test plot planted on May 21, in which eleven different varieties were used, Firesteel, Bounty and Victor proved to be the best adapted to this locality.

The Firesteel variety made an exceptionally good showing. It is a high yielding variety, very meaty and a good canner but not quite as early as some others. Mr. Dutt warned, however, not to plant it on worn out soil or in a location where it would not receive plenty of water.

Two unnamed varieties, No. 5 and No. 6, also showed up very well. They are pink tomatoes. All the varieties which made a good showing in the experiment plot were of the determinate vine growth type. This means that after the vines reach a certain size they grow no larger but use all of their energy for the production of fruit.

The Ruby, All Red and Bison varieties which have often been recommended turned out to produce rough fruit, poorly suited to the market or for canning. The Pritchard variety yielded low and is a poor canner. Mr. Dutt recommends early tomatoes for this locality. The Earlianna, which is the most commonly planted variety, made a very poor showing in

the test plot. Its yields were low and the fruit was of poor quality.

The Bounty, a variety which was named last year, showed up especially well. It is early, high yielding, meaty and a good canner. The experiment stations in North and South Dakota also recommended this variety, according to Mr. Dutt. Agricultural experts say that it is adapted as far east as Michigan.

The All Red is often a profitable variety to plant according to Mr. Dutt because of its earliness. Its fruit which is rough and not well suited for canning can be marketed ahead of the other sorts.

Victor was found to need lots of moisture. It is early, meaty and has a good shape. Mr. Dutt warned the farmers not to drown their tomatoes. He advised that they water them until the ground is wet for the depth of two feet. "Irrigate the plants early to develop vine growth," recommended Mr. Dutt, who said that vine growth was necessary to protect the fruit from the sun and to discourage the tendency of tomatoes to be produced in bunches which causes small fruit of inferior quality.

Mr. Dutt says that within certain limits tomatoes produce fruit in proportion to the amount of water put upon them. When questioned he advised that seeds be planted rather than transplanted plants as every time the tomato is dug up it loses some of its vitality. He recommends planting the seed in a deep furrow. Mr. Butterfield suggested that the farmers plant the seeds in the north side of the furrow several inches from the bottom so that the sun could warm the soil around the roots of the small plants and yet they could be protected from the winds. Mr. Dutt said that tomatoes should be planted about the 10th of May. The ex-

perimental plot was set out May 21st.

Rotation was advised by Mr. Dutt in growing tomatoes. He warned the farmers not to plant on ground which they had formerly grown potatoes as tomatoes and potatoes, which belong to the night shade family are subject to the same diseases. Mr. Dutt suggested that the farmers treat the seed with corrosive sublimate before planting to destroy seed borne disease.

He also recommended that the farmers save their own seed. "Select a vigorous plant which is a heavy yielder of good type tomatoes for this purpose," he recommended. He said to put the tomatoes, which should not be picked until they are dead ripe, in a glass jar and set it in the sun for several days. The pulp will go to the bottom when fermentation occurs and the seeds will raise to the top and can be poured off. Mr. Dutt said that the fermentation also helped to kill diseases which might be lurking in the seeds.

The group also visited Vere Shafer's tomato patch where the Bountiful and Firesteel varieties have been very productive.

LOCAL NEWS

Gilbert Clark, now located at Sidney, where he is county engineer, was in Ord last week helping Mrs. Clark and Bobble look after their confectionery during the rush of fair week.

Mr. and Mrs. Frank Adamek, sr., Paul Adamek and Mr. and Mrs. John Kokes, jr., arrived home Wednesday evening from their visit to the Frank Adamek, jr., and Leo Kester families at Craig, Colo.

Mr. and Mrs. W. J. Byington of Lincoln were here last week for the Valley county fair and to visit the Bells and Leonards and other relatives and friends. Mrs. Byington is a sister of Wilson, John and Bud Bell and Mrs. C. H. Leonard.

Truman Gross drove to Kearney Monday to attend a sales meeting of F. S. A. men, returning home that evening. He has sold 20 farms since coming to Ord a few weeks ago, a very exceptional record.

Mr. and Mrs. Frank Svoboda and Leonard, and Mr. and Mrs. Charles Urban left by auto the first of the week for California, where they will vacation and visit relatives. The Urbans will visit their daughter and husband, Mr. and Mrs. Raleigh Meyer and family, who now live at Santa Ana. They plan to be away about a month, and on the return trip will come by way of Oklahoma, where they will visit the John Urbans at Lebanon and the Emil Urbans at Prague.

THAT HELPED NEBRASKA BACK TO PROSPERITY

Since the return of legal beer to Nebraska eight years ago, it has provided jobs for thousands of unemployed workers... new markets for distressed farmers and manufacturers... additional tax money to relieve strained budgets of state and local governments.

In fact, since 1933, the beer industry has added more than \$10,000,000 to Nebraska's total income, as follows:

- Approximately \$68,224,000 in wages during the past eight years to 9,500 workers
- \$1,000,000 annually in property rentals
- Property investment estimated at \$4,000,000
- State Excise taxes totaling \$3,545,547 since 1933
- Hundreds of thousands of dollars in materials, equipment and supplies.

Besides strengthening Nebraska's economic structure, our industry is contributing to the state's social progress, through this Committee's cooperation with law-enforcement officials to maintain conditions in retail beer outlets as wholesome as beer itself.

Plans Progressing for Legion District Convention, Oct. 16

Ord Memorial to Be Unveiled as a Part of the Day's Colorful Program.

The annual district convention of the American Legion and Auxiliary will be held in Ord, Oct. 16. This includes the sixth district, and such cities as Grand Island, Kearney, Broken Bow, Aurora and Central City and the surrounding territory. It is expected that at least 500 delegates will be in attendance, as well as a large number of visitors and many honored guests.

Ord is not trying to put the convention over alone, as an affair of this magnitude is too large for the local post to handle without assistance. The other members of the county group, which includes North Loup, Arcadia and Burwell, have offered to assist in any way possible. Plans are under the general supervision of James Gilbert, Legion commander, and Mrs. Keith Lewis Auxiliary president.

Mrs. Lewis has appointed a number of chairmen, as follows: distinguished guests, Mrs. Maude Cochran; to co-operate with Legion Mrs. C. J. Mortensen; luncheon and decorations, Mrs. Syl Furtak; registration and occupational therapists, Mrs. C. W. Clark; transportation of distinguished guests, Mrs. Horace Travis. The meetings will be held in the Presbyterian church, and the registration in the basement.

Commander Gilbert for the Legion has appointed one committee, and plans to appoint others this week as they are needed. The one committee, that on publicity, consists of Ign. Klima, chairman, E. L. Vogeltanz and John L. Ward. This committee has already contacted the posts at North Loup, Arcadia and Burwell, and has the assurance that they will help in any way needed.

Rex Jewett Injured in Pistol Accident

City Clerk Rex Jewett was shot in the hand at noon Friday by the accidental discharge of a target pistol. He was preparing to leave for Omaha to do some target shooting there, and had taken the pistol from his pocket and was placing it in a compartment in the dash of his car when it was discharged, shooting through the heel of his hand and along his arm. The bullet came out of his forearm with enough force to penetrate the side of Jewett's car.

He ran to the Cret Austin place and had Mrs. Austin call Dr. Weekes and Mrs. Jewett, who was taking his place at the city hall. He was taken to the clinic, where his hand was dressed, and where he remained until yesterday. Luckily he will not lose the use of the hand as the bullet struck no bones or tendons. It will be recalled that he lost his right hand in an explosion a number of years ago.

Loup Valley Conference Reorganized Saturday

The Loup Valley conference held its annual fall meeting Saturday afternoon at Burwell for the purpose of reorganizing and drawing up a schedule of the various events for the coming season. Only seven schools remain in the conference as now drawn up.

The schools now belonging in the conference are Arcadia, Sargent, Taylor, Burwell, Comstock, North Loup and Scotia. Ord, Loup City, St. Paul and Ravenna formerly belonged to this group. The plans call for each team playing six conference games during the season, the championship to be awarded on a percentage basis.

Officers were elected at the Burwell meeting, as follows: Supt. H. C. Ebmeier of Scotia high school, president; Supt. John Ward of Taylor high school, vice-president; Supt. Compton of Comstock high school, secretary-treasurer. Championships will be awarded in football, basketball and track.

Cosmopolitans Entertain

Thursday was guest night at the meeting of the Ord Cosmopolitan club at Thorne's Cafe. Guests were Archie Rowland, John Anderson, Roscoe Tolly and Raymond Cronk. The new president, Kenneth Draper, was in the chair, the new secretary, A. A. Wiegardt, read the minutes, and the new vice-president, Floyd Bernack, presided at the piano.

Wesley Eberhart Here

Wesley Eberhart, who had been employed in a bomber plant in California, in fact in the one that the government took over because of the strike, arrived in Ord for a short visit last week with his parents, Mr. and Mrs. Ben Eberhart. He was on his way to Kansas City here he will continue in the work a better job at higher wages. He is one of the first men to return when the troops thus got a promise. Path news reek taken.

Sewing Project to Be Closed October 1st

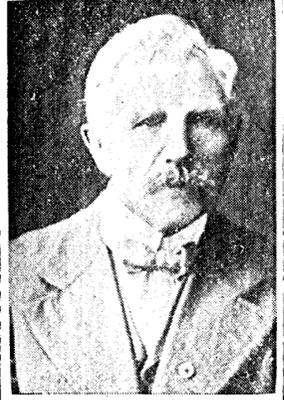

Effective October 1, the sewing project in Ord and sewing projects which have been operated in nearby towns will be closed, says a notice from Dwight Felton, state WPA administrator. To conform with the requirements of the defense program it will be necessary to reduce the number of sewing centers in Nebraska to 13, instead of the 93 now in operation, he states.

It is now proposed to operate specialized fabrication units at Albion, Beatrice, Broken Bow, Fairbury, Fremont, Grand Island, Hastings, Lincoln, Norfolk, Omaha, O'Neill, Trenton and Wahoo. All finished material will be shipped to a centralized cutting unit at Lincoln where it will be cut and a sample garment prepared, and will then be shipped to one of the thirteen sewing centers mentioned above. Each center will fabricate only one or two types of garments.

Frank Golka, sr., Died Friday Morn at Age of 88 Years

Born in Poland, Ord Man Came Here in 1877; Funeral Was Held Monday.

At his home in Ord Friday, death came to Frank Golka, sr., 88 years old. He had been in ill health for a long time. Funeral rites, with the Frazier Mortuary in charge, were held at 9:30 a. m. Monday at Our Lady of Perpetual Succor church by the pastor, Rev. Thomas Stuchowski. Burial was made in the Catholic cemetery.

Mr. Golka was born in Posen, Poland, Jan. 7, 1853 and came to the United States in 1877. After working in Chicago for a time he came to the North Loup valley in 1880 and was now Geranium township. He liked the land so well that he bought a quarter section. Returning to Illinois he worked three more years, then went to Milwaukee where he was married to Mary Slayzek.

With his wife, he came directly to Valley county where the family home has since been. In 1919 the Golkas retired from farming and have lived in Ord since. They observed their 50th wedding anniversary in 1933.

Left to mourn are his wife, five sons and five daughters. They are Joe and Frank, of Ord; Theodore, of Omaha; Edward, of Bridgeport; Stanley, of Ericson; Mrs. Sophie Kusek and Mrs. Angie Ruzovskii, of Elyria; Mrs. Mary Powell, of Canada; Mrs. Cecilia Stobozynski, of Oregon; and Mrs. Helen Pysak, of Tracy, Calif. One son, John, died in 1939. There are 65 grandchildren and 24 great grandchildren.

Pallbearers at the funeral Monday were six grandsons, Elmer Golka, Raymond Golka, Leon Golka, Alvin Golka, Ernest Ruzovskii and Harold Kusek. Mr. Golka was well known to people of Ord and several other Valley county communities and he will be missed by many.

Supreme Court Rules Against Weller Motion

County Attorney John P. Misko appeared before the Supreme court at Lincoln last week to argue against a motion filed by Davis & Vogelanz, attorneys for E. C. Weller, which asked that Valley county's appeal of the Weller tax case be dismissed for technical reasons. The Supreme court over-ruled the motion and will decide the case later on its merits.

Dodge to Drill Well

E. H. Dodge, who lived in Ord several months last year and was associated with A. W. Pierce in signing oil leases in the Scotia-Cotassfield vicinity, has moved drilling equipment to Cotassfield and expects to drill a test well at once, the Quiz learns. He has about 7,000 acres under lease, it is reported. Exact site has not been announced.

Wanted -- Men 17 to 50 for the U. S. Naval Reserve

Will be Kept on Active Duty Only for Duration of Emergency, Promises Knox.

According to an announcement made this week in Washington by order of Secretary of the Navy Knox, "All men now enlisting in the Naval Reserve will be retained on active duty throughout the period of the national emergency, but they will be released to inactive duty as soon after the emergency as their services can be spared, regardless of the length of time remaining in their enlistment."

Enlistment in the U. S. Naval Reserve is for four years but, if a man enlists today and the emergency ends within a period of several months, he will be returned to his civilian job as soon as possible after the emergency is over, and will not be required to complete his four year term in active service.

Four classes of service in the United States Naval Reserve need men urgently today. They are Class V-3, which includes radio and communications; V-5, aviation; V-6, for trade specialists or men desiring trade or vocational training; V-7, fleet officers. A more detailed outline of each class follows below.

Red Cross Service Chairman Announced

Mrs. C. J. Mortensen, recently elected chairman of the Valley county chapter of the Red Cross, announces chairmen for the services in which the chapter is active. Mrs. Mark Tolen is first aid chairman; Mrs. E. R. Pfeiffer, chairman of production; Mrs. E. L. Kokes, Junior Red Cross; Mrs. John P. Misko, home nursing chairman with Mrs. C. W. Barber of North Loup as the nursing activities committee; Mrs. Syl Furtak, disaster chairman; John P. Misko, home service chairman. Mrs. C. O. Dale has consented to serve as Roll Call chairman a second year. Miss Clara McClatchey is rural Roll Call chairman. These two with Curt Gudmundsen, treasurer, and Mrs. E. L. Kokes, as publicity chairman, constitute the advisory committee of the board.

The branch at Arcadia is headed by Mrs. E. C. Baird while Mrs. L. L. Lewis is chairman of the North Loup branch. Each of these chairmen is expected to appoint heads of local services similar to those Mrs. Mortensen appointed for the county. Mrs. Baird is acting as Roll Call chairman at Arcadia while Mrs. Lewis has appointed Mrs. W. J. Hemphill for this service at North Loup. Each in turn will welcome volunteer helpers for the task of getting the quota of Red Cross members assigned to them in the coming Roll Call. Everyone is invited to do what they can to put their home territory "over the top." Valley county's quota is \$50, and in view of the rising national emergency and increased home defense programs there will be need for everyone of us. Plan now to join.

Ord Had 1.34 In. Rain Tuesday Eve

Rain-fall in Ord totaled 1.34 inches of rain last night, according to Horace Travis. It started falling about 8:30 and continued slowly for several hours and as a result nearly all the moisture went into the earth. It was the finest rain this vicinity has had in many weeks and is duly appreciated.

Apparently the rain was general for North Loup reports .90 of an inch and Burwell also had a heavy shower.

Valley county is fortunate this year in that the first killing frost of the autumn has delayed so long, as in 1939 the first killer came on Sept. 30 and last year on Sept. 11. There has been no frost here as yet, either light or heavy, says Horace Travis.

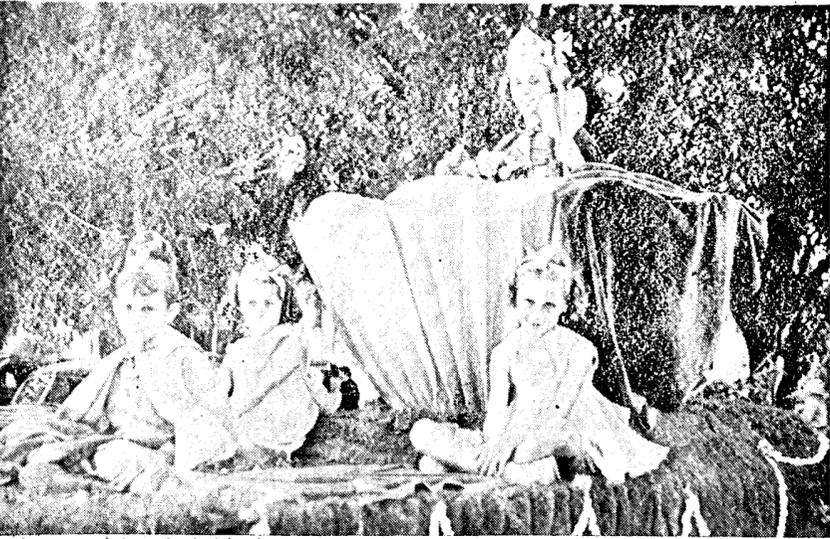

In 1935 the first killing frost came Sept. 27, in 1936 on Oct. 4, in 1937 on Oct. 14, in 1938 on Sept. 19. Last fall's killing frost on Sept. 11 was one of the earliest on record here. Western Nebraska has had temperatures as low as 24 already but central Nebraska has escaped, which means that tomatoes, cucumbers, melons and other fall fruits and vegetables may still be enjoyed.

A light rain fell in Ord all afternoon Sunday and temperatures dropped into the 40s that night and remained low all day Monday but yesterday was warmer and prospects for warm weather the rest of this week are good.

Steve Jablonski Fined

Last week The Quiz missed a county court case in which Steve Jablonski was fined \$5.00 and costs after pleading guilty to a charge of "uttering grossly vile and insulting epithets" to Joe J. Jablonski, who made the complaint.

Queen Berniece Leads Parade of Floats at North Loup Festival

Seated in a huge bowl of popcorn and with her little attendants, David Nelson, Beverly Knapp and Mary Esther Olsen around her, the 1941 queen of Pop Corn, Miss Berniece Wilson, led the parade of floats at North Loup last Thursday afternoon. The beautiful gold and green float in which she rode was designed and made by the Highway View club. Queen Berniece accepted the crown and scepter Wednesday evening from the 1940 queen, Mavis Schudel, in a colorful ceremony.—Quiz photo.

New Three Valleys Conference Formed

At a meeting held at Arcadia last week, with some 40 superintendents, principals, coaches and department instructors in attendance, a new high school conference was formed. Plans were started for this new conference last spring, but the final arrangements were not completed until last week.

The former Mid-Six schools, Ord, Arcadia, Loup City, St. Paul, Ravenna and Broken Bow, and two Loup Valley schools, Sargent and Burwell, form the new conference, which will be known under the name of Three Valleys, since schools from three valleys belong to it.

This conference will have ratings in athletics and music. In football each team will be required to play five conference games to figure in the championship. All the games will be counted as half a win and half a loss. An annual basketball tournament will be held and a regular season champion, based on percentages, will also be chosen.

The officers of the new conference as elected at the Arcadia meeting, are: president, M. C. Huff of Sargent; vice-president, C. C. Thompson of Ord, and secretary-treasurer, Fred Archer of Loup City. Officers will be elected annually by drawing, and not by ballot.

Rev. M. M. Long Returned to Ord

Ign. Klima, jr., who went to Lincoln Saturday to attend the Methodist conference as a lay delegate, came home to report that Rev. M. M. Long was returned to Ord for a second year. Rev. E. C. Robberston, formerly here, was returned to Neligh a second year, and Rev. E. A. Smith to Arcadia. The pastor from Sargent was sent to St. Paul, Rev. Mearl Smith, formerly in Ord, was sent from York to Goghenburg, while Rev. E. H. Maynard, well known here, went from Goghenburg to the First Methodist at Auburn. Burwell will have a supply pastor, and North Loup will have Rev. C. F. Waggoner from the southeast part of the state. Rev. Andrew Olsen goes to Dakota City. Dr. A. V. Hunter will be superintendent of the Hastings district.

Knight Initiate. The Knights of Columbus held initiation at the hall last evening giving the first degree to Henry Kusek and Bill Cienny.

Will Send Quiz to 1st Naval Recruit

As a premium to the first Valley county boy who joins the United States navy or naval reserve during the present recruiting drive, the Quiz will be sent to him free of charge throughout the duration of his service. And of course the photo of the first recruit and of later recruits as well will be published in the Quiz if it is possible to secure them.

Fourteen Valley county boys have indicated, through the Quiz, that they are interested in joining the navy or naval reserve. Arrangements are being made to have a recruiting officer visit Ord within the next few days. If any others are interested at the present time it will be wise for them to visit the Quiz office and leave their names at once, in order that the recruiting officer may visit them and explain matters to them while he is in Ord.

Seed Corn Demonstration

Aubie Motors, of Ord, and the Sell Implement Co., of Arcadia, are cooperating with the producers of "Wink's" hybrid corn varieties in a corn demonstration next Monday, Sept. 29, in Arcadia. The test plot there and hybrid fields on the Sell farm west of town are the scenes of the demonstration. Free lunch will be served at noon to all farmers.

Thursday Evening's Popcorn Day Crowd Estimated at 5,000

1,400 Lbs. Popcorn Given Away; Miss Berniece Wilson Was Crowned Queen.

North Loup—(Special)—A crowd estimated at five thousand, largest in the history of the festival, attended the final program of Pop Corn Days Thursday evening and helped climax the most successful and enjoyable gala days this community has ever held. The celebration was a financial success also, the committee found after a check-up completed Monday night.

Parades, platform entertainment, dancing and the crowning of the Pop Corn Queen made up the entertainment. As usual, free popcorn was given away Wednesday and Thursday to all who desired it and 1,400 pounds were required to satisfy the big crowd's appetite for popcorn, for which this valley has long been noted.

Miss Berniece Wilson, daughter of Mr. and Mrs. Leslie Wilson and a 1940 graduate of the high school here, was crowned queen of the festival Wednesday evening. An employee of a local grocery store, she has a friendly, winning way which has endeared her to all and which no doubt is responsible for the large popular vote which brought about her election.

The coronation ceremony followed a half hour concert by the St. Paul band. In the royal party were C. J. Goodrich, Pop Corn Days chairman and master of ceremonies, who led the procession with Mavis Schudel, the last year's queen. Then came the maids of honor, Charlotte Jones, Muriel Hamer, Dorothy White, Irene Barnes, Grace Manchester, Marjorie Brown, Frances Goodrich and Lucine Fisher, all attired in pastel formal and carrying bouquets of gold and green. David Nelson was cushion bearer and Beverly Knapp and Mary Esther Olsen were train bearers.

Identity of the new queen was kept a secret even when she entered the stage, hidden behind a huge bowl of popped corn. Applause was great when the popcorn bowl was removed and the new queen was revealed as Miss Wilson. She was presented with the scepter and crown by Queen Mavis and then bade the people to enjoy the festivities to the fullest, after which she retired with the royal party as the band played a recessional.

Other features of the celebration included the juvenile parade Wednesday afternoon which was in charge of the Junior Fortnightly club and was divided into seven divisions. Jimmy Williams won first in wagons with "Old McElan had a Farm" and Delpha, Gail and Geraldine Brown won second with a load of hay.

Jeannette Williams with a red, white and blue clown suit and a matching bicycle won first in that division and Walter Switzer won (Continued on page 5)

Mrs. Mortensen Returns from Convention

Mrs. C. J. Mortensen returned Saturday evening by train from Milwaukee after attending the American Legion national convention. She reports a delightful trip and a meeting that seemed worthwhile, with Legionnaires and Auxiliary members vitally concerned as to America's position at present. Although the Chicago Tribune harped on the fact that the convention was warmongering, she thought not. Mrs. Mortensen reported that big signs said in the auditorium where they met, "Love America or Leave America," and that Governor Julius Hell, of Wisconsin reverted to this theme several times in his excellent talks.

Although it poured rain Monday evening, the Tuesday parade was the most colorful event of the convention, as usual, and lasted two hours or more. A Nebraskan who has become famous in Hollywood, Darryl Zanuck, gave one of the main addresses, stressing the thought that the movies are not propagandizing for war, Secretary of the Navy Knox made a good speech, the Ord visitor considered.

Farmers Invited to Hear Benn at Chamber Meeting

U. P. Ag Agent Will Discuss Potato and Alfalfa Culture Thursday Eve.

Harold W. Benn, agricultural agent for the Union Pacific railroad, will be principal speaker at a meeting of the Chamber of Commerce to be held in the K. of C. hall at 8:00 Thursday evening. The chamber invites all farmers to attend the meeting. A special invitation to 4-H club boys who raised potatoes on irrigated land this season also is being issued and Mr. Benn will present the Union Pacific award to the winner. He also will show colored motion pictures on production of certified seed in Nebraska.

Best methods of raising potatoes under irrigation, and best varieties to plant in the Loup valley, will be Benn's topic but he will devote some attention to this valley's possibilities as an alfalfa raising section.

H. E. Reichert, of Julesburg, Colo., will discuss certified seed and the possibility of bringing it into this valley.

A full attendance of chamber members is desired. After the meeting a lunch will be served to everybody present.

Paul Gard Peeping Case Up Thursday Morning

The window peeping charge against Paul Gard, scheduled for trial last Thursday was young man one week to permit the young man to go to Omaha to consult a physician. He went there Monday, accompanied by County Attorney, John P. Misko and Mrs. Misko.

The case is now set for trial at 10 o'clock tomorrow morning, in County Judge John L. Anderson's court.

2 Fined for Intoxication

Burr Beck was fined \$5 and costs Wednesday in county court and George Benda was fined a similar amount Friday, intoxication being the cause in each instance. Both pleaded guilty. Beck was arrested at his own home the previous evening by Night Marshal W. B. Lincoln upon complaint of Mrs. Beck. Benda was arrested by Marshal Jim Coleman of North Loup during Pop Corn Days.

Chanticleers Off to Fine Start; Win G. I. Game 7 to 0

2 Other Touchdown Chances Lost but Ord's Margin of Superiority Apparent.

The Ord Chanticleers got off to a fine running start in their 1941 grid campaign Friday evening when they walloped Grand Island 7 to 0 before a crowd estimated at 2,000 people.

The superiority of Coach Roscoe Tolly's boys was evident to all, in spite of the single touchdown by which they won, for they made 9 first downs to only 6 for the Islanders and piled up 163 yards from scrimmage to only 114 for the Maudsley-coached team.

Ord's touchdown came in the third period when they recovered a fumble on the Grand Island 15 yard line. On an end-around play Cochran swept the right side of the line for a five yard gain. The Chanticleers moved ahead another five yards by an off-side penalty on their opponents and then Bailey Flagg went through a big hole opened by his team-mates in the Grand Island forward wall to score by inches only. He then tossed a pass to End Henry Adams for the extra point.

Coach Tolly's boys had the best of the argument in three of the game's four periods and twice lost good scoring opportunities. As the first half closed they had the ball well into Grand Island territory and undoubtedly would have scored had the whistle delayed a few seconds. Early in the fourth quarter they recovered a fumble on the Grand Island 12 and a line plunge by Cetak took the ball to the 4. Two more line plays failed and Flagg tried a short pass into the end zone which was unsuccessful.

George Cetak looked best in the ground-gaining department for Ord and also was a tower of strength at backing up the line. The 184-pound fullback, only a Junior in high school, was as fast as any man on the field, hit the line low and savagely, showed deception on end runs and tackled hard. It was the best job of his career and Gregg McBride, of the Omaha World-Herald, and Red Roberts of the Grand Island Independent agreed that if he looks as well throughout the season he will be on the all-state team.

Bailey Flagg cut loose with some sparkling runs and did a sweet job of passing. With exception of his fourth down pass which ended Ord's last scoring threat he did a fine job of quarterbacking.

Coach Tolly's whole team showed that it is set to go places this year, though it is sure to run up against stronger opposition than Grand Island furnished in the opener. Jerry Fryzek, who made a quick recovery from his leg injury, was fine at center, Ends Adams and Cochran played a whole of a game and the whole Ord forward wall showed mid-season form. A few fumbles marred the performance of the backfield but that was to be expected in early season.

The Ord team made its first appearance in new red and white suits, in contrast to the sober black outfits they have used in recent seasons. Their pants, shirts and helmets are brilliant red, the pants having white stripes up the sides and the shirts white numerals and white bars on the shoulders. Red and white striped stockings complete their outfit.

Best player on the field for Grand Island was Art Scott, center and game captain. He played center on offense, went back to call signals in the huddle, did most of the kicking and on defense backed up the line. It was Scott who stole the ball from George Cetak after the latter made a 20 yard gain after bursting through the line. Lucht, a tackle, also was a Grand Island stand-out.

Ord fans noted that Coach Roy Maudsley failed to make good on his pre-game statement that he would use his entire squad of 33 men whether his team was behind or ahead. As a matter of fact he used only six substitutes, one more than the Ord coaching staff used.

Ord was considered the more experienced team, which is no doubt true, but a check of the two squads brings out some interesting facts.

Californian's License to Drive Is Suspended

The license of William E. Jones to drive a motor car was suspended for a period of one year and Jones was fined \$50 and costs of \$14 in county court here Thursday, when he pleaded guilty to driving a car while under the influence of liquor. He was arrested at North Loup the previous evening.

Jones came here from California a few months ago as driver of Mrs. B. Brickner's car. He has since been assisting in the operation of the Onyx cafe in southeast Ord. His fine and the costs in the case were paid by Mrs. Brickner.

PRESENT WAR PREDICTED.

Ten years ago Chas. A. J. Mitchell of Huron, S. D., district Rotary governor, predicted that Europe was heading for another war. Bloodiest in history. In this time has proved Mr. Mitchell correct, but he was by no means correct as to his predictions as to who would be fighting when the trouble actually started.

According to his idea, France was to be aligned against all the other nations of Europe, because her imperialistic policy was alienating the good will of all the neighboring powers. He named specifically England, Austria, Germany, and Italy as among those who would be in the fight against France, when and if the great war came.

He said the people of Germany and Austria feared communism more than anything else. He said that they did not fear Hitler and his faction, believing it at the zenith and slowly descending in power. He spoke of Belgium as being in the best financial condition of any European nation. He said that both Italy and Germany were preparing for war at that time.

Analyzing his statements made in Ord just ten years ago, we find that he was surprisingly correct in his prediction of the bloodiest war in history, but he was a long way off in his prediction as to the alignment. In fact, the nation he named as the one to start all the trouble did not take the leading part in the start of the present war, and was eliminated shortly after the war started.

After all, it is not surprising that Mitchell should be right in predicting war in Europe when he did. As soon as the present war is over anybody could predict another war in Europe within 20 years and be correct. Since the dawn of European history wars have been the usual thing somewhere in Europe almost all the time.

Until the people of Europe learn to trust each other, and until they make themselves worthy of being trusted, the seed of war will be lying dormant in the fertile soil of the people's mind, merely awaiting the call of some leader to start it growing. Lack of faith is the cause behind all wars. What faith can do is shown by the border between the United States and Canada, without a fort for 3,000 miles.

WHY THE DIFFERENCE?

A laborer in defense industry becomes dissatisfied with conditions in a job where he is getting two hundred dollars a month or more. So he strikes for higher wages and a closed shop. The Federal Mediation board steps in and sees that he gets a raise in wages and a closed shop, and anything else he may happen to want.

A soldier in the army works twice as hard, as all ex-soldiers will tell you, becomes dissatisfied with his twenty-one dollar per month and decides to strike, or perhaps to quit. For a small offense he gets a month or two in the guard house, and for the larger one may draw from ten years to life in a federal penitentiary, or may even face a firing squad.

Yet young men are expected to answer their country's call and spend a number of years in the army. There is no denying that the soldiers of the United States are the best paid of any in the world, and they probably are treated the best. There are more opportunities for advancement here than in any army in the world. Their condition, mental, moral and physical, is watched most carefully.

But what about the young fellow who gets a job in defense industry at a salary ten times the amount the soldier draws? He is just as necessary in our great program of defense as is the soldier. In fact, he is more necessary, since without the results of his work the soldier would be without weapons of defense, airplanes to fly, ammunition to shoot. No matter how well drilled, he would be helpless.

For this reason it should be a federal offense to quit work in the defense industry. This is one place where strikes are inadvisable. In fact with the present high scale of wages maintained by organized labor, there is no excuse for strikes anywhere. Is it possible that the government of the United States is afraid of organized labor? If so, it is high time that something drastic be done about it.

As a rule it is not the desire of the masses that a strike be called. The ordinary workmen are dominated by their superiors, much as the German people are dominated by Hitler. When the leaders decide to call a strike, they do not take time to consult the masses, but go ahead and call it anyway, and people who want to work are compelled to quit. It is true that elections are called in some cases, but it is tough sledding for the fellows who vote against the will of the leaders and are found out.

What the American people, organized labor and all, want, is a nation without strikes. If it were put to a vote, all strikes, especially those in defense industries, would be outlawed by a decisive vote. This vote would be no indication of the feeling of the people toward organized labor. The laboring man has the right to organize, but he does not have the right to hamper vital industries with unwarranted strikes.

Greatest Milk Drinkers
The people of the United States are the greatest consumers of milk in the Western Hemisphere.

AN AGRICULTURAL FAIR.

During the week of the Ord fair, Clifton W. McClellan, who has been intimately connected with the Valley county fair for the past twenty years, and who, for this reason, should know something of the needs of the fair, brought out a suggestion that sounds so good that the Quiz feels that it ought to be presented to the public.

Mr. McClellan favors the formation of a permanent committee by the Ord Chamber of Commerce, for the purpose of cooperating with the fair board in promulgating the agricultural and stock displays at the fair each year. Of recent years people have demanded so much in the line of entertainment and amusement that they have about lost sight of the real object of the fair.

Amusement is right and necessary in its place, but, as Mayor Cummins aptly puts it, a certain emperor enjoyed amusement so much that he is said to have fiddled for six days during which time the greater part of the city of Rome burned. It is high time to quit our fiddling and get back to the basis of all fairs, the agricultural and livestock display.

This year, for instance, there was a display of experimental pasture grasses. If this display resulted in the seeding down of ten farms in the coming year, the resultant benefit would more than offset the cost of the entire fair. More farmers had seen this display, more might have become so interested that they would give these grasses a try.

Mr. McClellan's idea is to have this agricultural committee of the Chamber of Commerce keep in contact with the farmers and keep them interested in the raising of finer crops, stock, fruit and garden products for the coming fair. Since the 4-H clubs have been organized there has been an astounding increase in the interest in the raising of fine livestock.

It stands to reason that interest would increase in all lines of agriculture if a group of business men were encouraging the farmers to produce better crops for display than they have in the past. The display of farm products shown by the Doug Barber family, both at the state fair and in Ord proves what can be done right here in Valley county.

Valley county has had an agricultural fair ever since the organization of the village of Ord in 1881, and possibly displays were made prior to that time. The first fair grounds was located on the present Vothland land across the corner of the west corner of Bussell park. At one time there were quite a number of buildings there, but these were torn down when the fair was moved away.

Since the act prescribing the duties of the state board of agriculture and providing for the state fair was not passed by the state legislature until Feb. 13, 1939, it will be seen that Valley county was among the first to organize a county fair association. With such a history behind us, we cannot afford to let our county fair drift along as it has in the past. With the coming of irrigation, and we hope a period of good crops, a new era should be in store for the Valley county fair.

IT HAPPENED IN ORD.

Perhaps all the people in Ord, who should, do not go to church, but Sunday evening the attendance at the Christian church was increased by the presence of one small yellow kitten. Mr. and Mrs. L. A. Muncy and Jean live just across the street north, and they came to church. The kitten followed and Jean took her home. In a little while she was back again, and Mr. Muncy took her home that time.

Speaking of church, if you have not seen those lovely drawings by Mr. Beckman at the meetings at the Christian church you are missing something. He draws them to represent some song, which is sung while the drawing is being done. The person bringing the most new attendants wins the drawing each night.

Friday night Leonard Diugosh did a real job of cleaning up the editorial and business offices of the Quiz, and Saturday night he got busy and spread a new coat of paint on the floors. Then he put up a sign telling everybody to use the back door. To make sure they did, he pasted paper over the keyhole in the front door. It was worth all the trouble, as the paint sure looks nice now.

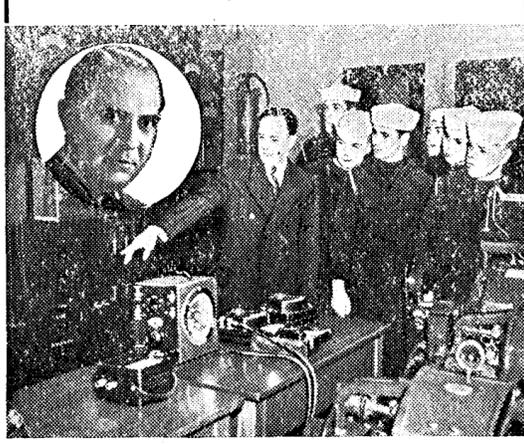

Clarence Blessing is an ardent fisherman and he likes to make things handy for his fellow anglers. So as soon as he was appointed to look after Hardebrook Dam he put in his spare time in building a bridge across the ditch just below the intake, with steps on the east side leading down to the ground. Now it is no trouble to get across the ditch to fish on the west side of the river just below the dam.

When a certain Ord young couple went away on vacation recently, they left their hens to be looked after by relatives. When they got back they found they had four hens, when they thought they had only two, so they decided two of the hens must belong to the neighbors, and they turned them out. The hens went right back into the pen. After they had put them out several times, they happened to remember that they had bought two more hens just before they left, and they had been trying to chase away their own birds all the time. Ask LaVern Duemey for particulars.

This same Duemey took a flash photo of George Cetak in action Friday night, and one of his team mates asked him if he knew he had his picture taken. "Of course I do," said George. "What do you think I made that long run for, if it wasn't so he could get my picture?"

"NAVY TRADE TRAINING GAVE ME MY START" SAYS PRESIDENT, SPERRY CORPORATION

THOMAS A. MORGAN (pictured in insert), president of the Sperry Corporation, world's largest manufacturer of aeronautical and marine instruments, received his early technical training in the U. S. Navy, in which he enlisted as a young man. "This has proved of great value to me in later years," said ex-sailor Morgan. Pictured above are new Navy recruits receiving electrical training at one of the modern equipped Navy Trade Schools. The Navy offers training to young men in nearly 50 different trades and vocations.

My Own Column

By H. D. Leggett
Jack Pine Lodge, near Nisawa, Minn., September 20, 1941.

The weather here the past few days, at least in our camp, is all that could be desired. It is sunny and warm, warm enough so we sit on the front porch and look at the lake until bedtime. It is like the weather that we sometimes call Indian Summer. There is only one drawback, or rather two drawbacks, the pike are not striking and there is too much wind. It has been blowing from the southeast for several days, and so hard that Tuesday when we tried to fish in the upper lake it blew us off the fishing grounds repeatedly and was so unpleasant that we gave it up as a bad job and came home. The reason the wind does not bother us in camp is that we are protected by heavy woods on the south and east and the most there is on the lake out in front of the cottage for a quarter of a mile is a gentle ripple. It was about this time, possibly three or four days later, last year, when the pike started hitting good in the upper lake and the Fenner and we caught plenty of them, and nice big ones too. The Fenner caught the most because they are always lucky pike fishermen but everybody who fished got plenty. I remember the string that Mr. Fenner brought home, caught after we left, for they stayed a few days longer than we did. So I am believing that it won't be many days before the pike do hit. Perhaps it will take a snappy freeze, something we have not had as yet, to make them hungry.

But it is very nice to be here and we can get all the big bluegills we want any time. All summer we caught bluegills but the proportion of small ones to big ones was very great. Now we get all big ones, and most of them are the real big ones, such as we got very few in of hot weather. How I wish Oscar Nay could be here now to get in on those big bluegills. We are sure did like to catch them. We use grubworms, and there are plenty of them, also, now while all summer we couldn't get them. Mr. Wallin says he gets a half dozen from each hill of potatoes that he digs and that in some instances they are eating the potatoes. A big one will eat himself into a nice potato and just lay there inside the potato and eat and grow. Probably thinks he has found a fine winter home if grubworms really think. Oscar says they are about as smart as some Texas democrats he knows.

But we do very little fishing and we have been doing a lot of work in our yards. The Missus took a notion that she wanted a lot of changes made, some trees had to be removed entirely, others had to be moved to new locations, the perennials had to be changed to separate beds, each kind in the proper place at one side or edge of the yard, then the old flower beds had to be spaded and filled and grass seed sowed so that the yard will be one big green carpet next year, we hope. Then evergreen trees were to be set along the house and along the stone fence at the south side of the yard. I know who inspired the changed conditions, or if she didn't inspire it she added and abetted the Missus in her plans. Yesterday we went to a timber tract about 30 miles east of here and dug up and brought back with us in the car, 20 beautiful spruce and pine trees, most of them only a couple feet tall but we got a few as much as six feet high. They are free for the digging and we had counted up just how many we needed to do the job right and that is the number we got and they are so thick over there that 20 wouldn't be missed. Apparently they grow from seed and there are countless thousands of them 6 inches and a foot tall and they do seem to grow fast. We started at 1:30 and were home and had them all set out at 5:30. And now that the job is done I have to admit that it does make a very pretty effect. I mildly opposed the changes, principally because it meant a lot of hard work for me and I am opposed to work on general principles but I am glad that we did it now and if it pleases Eugene and Flora and the in-laws when they come up next time, it will make the thing unanimous.

Oh, yes, I almost forgot to tell you the so called abettor and instigator is. It is none other than Mrs. Gelow, Tree Gelow, as she is known in these here parts. She used to be Clara Harris when she lived out south of Ord and later when she lived at Burwell, and still later when she taught for several years in the Grand Island schools, until she married the doctor I told here the other day there was seldom a week, 20 years ago, that her name was not mentioned in the news columns of the Quiz. Mrs. Chapman was the news reporter, Miss Harris was a frequent traveler between Grand Island and Burwell via Ord. Well, anyhow, enough cannot be said for her as a tree expert. She has what is known as a "green thumb." She has changed the former Dr. C. C. Shepard place in this colony, from an ugly, squatly cottage hardly suitable to stay over night in, into a place of beauty and I hope a joy to her for many years. She planned and supervised the rebuilding of the house, first moving it to a new location on the lot, added modern plumbing, fireplace, many trees and flowers, and it is now acknowledged to be by far the most beautiful cottage among the hundred or more on Middle Cullen lake. That is one reason why we have to hurry to keep anywhere near in sight of her.

Of course we do did her a lot about moving her trees. One never knows when one looks her place over one day, whether it will look the same the next time we pass. I have stood and admired it sometimes, then it would be two or three days before I happened to go that way again and at first glance I would rub my eyes and take a second look and perhaps glance about the camp to make sure I had not strayed to some other fairyland, so many trees had been shifted from here to there and yonder. Mrs. Gelow claims that it does trees good to move them and her trees sure do outgrow any others in camp and I know she has moved some of them several times in one season. She thinks nothing of going to the woods, selecting a hard or soft maple crown (meaning a fifteen or eighteen feet tall and moving them down to her yard and then all grow too, then she shifts them around to a new spot and they keep right on growing, seeming to smile at the new black dirt that she has given them to grow in. Sometimes the Dr. says quietly to me, "I liked it pretty well before she changed it, but after it is done I guess she has made an improvement." So he does appreciate her efforts. And that is why I was sort of glad the Missus enlisted her suggestions for rearranging our yards. And Mrs. Gelow is just as good a cook, and preserver and food preparer as she is a tree and yard artist, but that will have to be another story.

LEGAL NOTICES

Davis & Vogeltanz, Attorneys. Notice of Administrator's Sale. Notice is hereby given that pursuant to a license and order of the Hon. William F. Spikes, a Judge of the District Court of Valley County, Nebraska, made August 30, 1941, I will on Wednesday, October 15th, 1941 at two o'clock P. M., at the West front door of the Court house in Ord, Valley County, Nebraska, sell at public auction for cash, real estate described as the East half of Lot 7, in Block 30, Original Townsite of Ord, Valley County, Nebraska, subject to any unpaid taxes. Sale will remain open one hour. Dated September 24th, 1941. Clarence M. Davis, Administrator of the estate of Harvey Sowers, deceased. Sept. 24-31.

Valley County.) Whereas, there has been filed in my office an instrument purporting to be the last will and testament of Charles Bals, deceased, and a codicil thereto and a petition under oath of Marie Bals praying to have the same admitted to probate and for the grant of Letters Testamentary thereon to Marie Bals.

It is Ordered that the 15th day of October 1941, at 10 o'clock in the forenoon, at the County Court Room, in the City of Ord, said county, be appointed as the time and place of proving said will and codicil and hearing said petition and

It is Further Ordered that notice thereof be given all persons interested by publication of a copy of this Order three weeks successively previous to the date of hearing in the Ord Quiz, a legal weekly newspaper of general circulation in said county. Witness my hand and seal this 20th day of September, 1941. (SEAL) John L. Anderson, County Judge. Sept. 24-31

'Internal Sun'
The discovery of an amazing method of combating infections by blood "sunbaths" has been credited to Emmett K. Knott, physicist and X-ray expert, of Seattle, Wash. He proved his theory first with his own blood. After testing his own blood and that of animals, the apparatus he invented was tried on a human patient suffering from blood poisoning following a miscarriage. She is alive today although given but 24 hours to live. Dr. Knott's method has successfully responded to such dangerous cases as child-birth fever, streptococci, blood poisoning, lobar and bronchial pneumonia, and peritonitis.

Something Different

Out in Long Beach John Allan Morrison is 15 years old. And his grandmother, Mrs. Jud Tedro, was telling me about his ability to draw and paint. He seems to have decided talent in this line. John also models clay beautifully, and presented Mrs. Tedro with a lovely little figurine he had made. It was a little old lady, seated with her hands crossed. Every detail was finished and beautifully, and the whole glazed highly.

The little old lady statuette was one of two taken from Long Beach to Los Angeles for display in a big art exhibit, so Mrs. Tedro was proud indeed to bring it home for her own.

If Truman Gross had deliberately planned to have his children get acquainted speedily after the family moved to Ord a few weeks ago, he could never have hit the jackpot any more than he did. The little black pony, the Gross children ride and the little buggy that the pony often pulls make him a super-super-extra attraction. The pony's back is always covered with straddling children. Unless the buggy is packed with children, sardine style.

The Gross children are Nelva, 12, Bud or Harry, 9, and Nelda Frances, 6. Gross recently moved here from Hastings, where they enjoyed riding club a great deal.

From Atkinson comes a story about the Joe Kokes family who lived in Ord many years. It seems Joe and a friend hauled out a three-pound catfish and proudly took it home. But when Lil went to the fishing hole to see what she could see... she caught a seven pound catfish. Just like that.

The rest of the world may read with interest about the prowess of Allen Zikmund, and we can't stop them. Nor do we care to. But surely Ord and Valley county people feel more possessive about this Marvel Man of Football Field, for wasn't Allen raised here? Isn't he a cousin to this one and a cousin to that one, and didn't he graduate from our high school and didn't he learn a lot of his football across the street here, at the high school?

So then, doesn't it do you good to see the sports writers having to give Allen a big play? That's one boy they can't hold back. Last year, you remember, World-Herald photographer Eldon Langevin couldn't see Allen as a footballer, because how could a must-kill be a good footballer? Mr. Langevin was forced to eat his words, and enjoyed the meal.

This week Mr. Langevin comes forth with a new pronouncement on Ord's pride, Allen. The crack photographer of the World-Herald says that he can't catch a clear picture of Allen in action, even when his camera shutter is set for 1-1000 of one second. You try to tick off 1-1000 of a second. That's awfully fast. Langevin couldn't believe it, but his pictures prove it.

Isn't you proud of Zikmund? Just ask any Ordite! -Irma.

BACK FORTY

There's money in producing pork now, and most farmers are wishing that they had more pigs in their yards. It pays to feed swine if a hundred pounds of hog will buy twelve bushels of corn. That is the normal corn-hog ratio. At present prices, a hundred pounds of hog will buy over seventeen bushels of corn.

A lot of good porkers will be grown on barley or sorghum grain where corn is scarce. With corn selling at 70 cents, ground barley or sorghum grain is worth 50 cents a bushel as hog feed.

Tankage has jumped in cost to four cents a pound, but is still a good buy at that price since one pound will replace four pounds of corn. Pigs don't need tankage if they have plenty of skimmed milk. When tankage is expensive, it can be mixed with some cheaper protein feed. Equal parts of cottonseed meal and tankage make an excellent protein supplement at less cost than straight tankage. Alfalfa meal may also be added to tankage. In fact, all hogs should have alfalfa hay in the dry lot. It is high in both protein and minerals.

Right now, the best bargain in a straight protein supplement is fish meal, if farmers can get it. Fish meal is better than tankage, pound for pound, and costs less. The price of fish meal dropped about ten dollars a ton recently, while tankage prices have risen twenty dollars per ton. Pigs do very well on fish meal.

Another valuable tankage substitute is soybean oil meal. Its chief fault is lack of minerals. When bone meal or limestone are added, soybean oil meal is almost equal to tankage. It does not make soft pork.

Three Divorces Granted.

Burwell—(Special)—Three divorces were granted Monday in the term of district court in Garfield county. The couples who were freed from the bonds of matrimony were Mr. and Mrs. John Carman, Mr. and Mrs. Loren Livermore and Mr. and Mrs. Darrell Carpenter. In each instance there were minor children, the custody of which was awarded to the mothers. Mrs. Livermore, the former Josephine Graber, and Mrs. Carman, nee Ethel Criss were in Burwell to attend the court session. Mrs. Livermore now lives in Albany, Ore. Her sister, Miss Ethyl Graber was married last April in Oregon. Her father drives a taxicab. She reports that she and parents are well pleased with Oregon where they have now lived more than a year. Mrs. Carman now lives in Grand Island where she is employed in a cafe.

Ord Library Notes.

At a recent meeting the board decided that each student attending the Ord schools may secure a library card for 5 cents. For those living outside the Ord Township these 5 cent cards are good for the school months only. Rural schools may get a card for \$1.00 which entitles them to take four books at one time. We are ordering books now for Book Week, the first week in November. Watch the bulletin boards for the new book jackets. Have you read "Keys of the Kingdom?" Everyone brings in very favorable comments concerning the book. Let us put your name on the waiting list. We would like to have more children at the Saturday "Story Hours." Mothers, send your children next Saturday.

Ak-Sar-Ben's 14th Annual Horse Show Starts Soon

From opposite ends of the country will come two of the finest stables in the country to compete in Ak-Sar-Ben's fourteenth annual Horse Show, which, with the live stock show, two weeks from this Sunday. And every indication points to one of the greatest shows in Ak-Sar-Ben history, according to Chairman George Brandels.

California will be represented by the famous stable of Mrs. W. P. Roth, of Redwood City, owner of the controlling interest in the Matson Shipping Lines, who, with her daughter, Lurline, will make their first visit to the Omaha show. Their fine blooded steeds rank among the best in the country and have won top honors at many of the major shows. Frank Heathman, well known to Omaha show patrons as the man who developed the undefeated five-gaited champion, Midnight Star, is in charge of the Roth entries.

The east coast will be represented by one of its strongest stables, that of Adrian Van Sinderen, prominent Wall streeteer, and president of the American Horse Shows association. Mr. Van Sinderen's Glenholme Farm at Washington, Conn., is the home of some of the finest hackney ponies in the entire country. The choicest will come to Omaha in the care of Archie Williamson, the Scotch trainer for Mr. Van Sinderen.

A rivalry in the exciting roadster classes which has existed for years will break out anew at Omaha when R. C. "Doc" Flanery and Ralph Peak of the George J. Peak and Sons stables lock horns. Peak has twice this season scored victories over Flanery's last-year champion, "Playboy," with a sensational new road horse, "June Thomas." Peak's did not show in Omaha last year, but they are coming to this year's show with full intentions of taking Flanery's measure.

Many other newcomers will be seen at Ak-Sar-Ben this year, including the Argyll Stables, of Mount Carroll, Ill.; the Betty Lynn stables of Indianapolis; Miss Mary Studebaker, of the South Bend, Ind., automobile family; A. Farnell Blair, Decatur, Ga.; B. E. Moody, Duquoin, Ill.; W. C. Windsor, Taylor, Tex., and Harry Lathrop, of Hannibal, Mo., with a large string of entries that he trains for various owners throughout the country.

Coming also are many favorites of former Ak-Sar-Ben shows, among them Miss Eleanor Mahon, of Jacksonville, Ill., and Lloyd Teeter, of Libertyville, Ill.

BURWELL

Dr. Cram went horse back riding Sunday night and returned home Monday morning drenched to the skin. He was called to the Jack Lenker home back in the hills six miles southwest of Burwell. After leaving the highway he found that the rain, which continued to fall after several hours, made the roads impassible and his car soon bogged down. Mr. Lenker, who foresaw such an eventuality, met him with a saddle horse, and the doctor rode horse back 2 1/2 miles to the Lenker home where he delivered a daughter early Monday morning.

Mrs. C. W. Hughes entertained the Domestic Science club in her home this afternoon. Mrs. Albin Gaukel demonstrated the making of cream puffs and for roll call each member gave the recipe for her favorite filling.

Several rural districts have made applications for surplus commodity foods to be used for school lunches according to Miss Dorothy Paulin, county assistance director who says that more foods are available to school districts desiring them. An application for such foods must be signed by both the teacher and members of the board. For schools where there are no facilities for cooking, fruits and other foods which can be eaten without being cooked may be obtained.

Mr. and Mrs. Ted Shirley of Omaha are spending the week at the Amos Grant ranch in Loup county where Mr. Shirley is painting the buildings. From there they will go to Ericson where Mr. Shirley has contracts for several additional paint jobs. They are also visiting Mr. Shirley's parents, Mr. and Mrs. George Iwanski.

Mrs. Charles Frederick and Mrs. John Culver of Grand Island were dinner guests of Mrs. C. W. Hughes Saturday.

Mr. and Mrs. Ed Swain of Bartlett were guests of Mr. and Mrs. W. D. Massey Sunday.

Mr. and Mrs. Leo Nelson and Larue were guests of Mr. and Mrs. Nolan Smith Friday.

Mr. and Mrs. George Johnson and Mr. and Mrs. Roy Hughes and Patty visited relatives and friends in Elgin Sunday.

Miss Velma Wagner of Comstock, Max Stewart and John Barlow, both of Sargent were guests in the Knute Peterson home Sunday.

Mrs. Roy Hughes and Patty, Mrs. George Johnson, and Mrs. Leo Nelson were guests of Mrs. Robert Draver Sunday evening.

The American Legion Auxiliary has taken out material for ten dresses which their members will sew. Mrs. C. W. Hughes is sewing three dresses and the members

of the Highway club are making ten. Mrs. George Johnson and Miss Naomi Simpson are doing the handwork on several dresses. Mrs. Albin Gaukel and Mrs. Raymond Heinke have returned completed garments. Mrs. Neal Sloan worked five and a half days last week helping hand finish thirty dresses. There is still material available for any women caring to sew for the Red Cross and Mrs. McCarthy will be very grateful for additional volunteers.

Mr. and Mrs. C. G. Dale and family of Ord, Mr. and Mrs. Roscoe Garnick of Elyria and Mr. and Mrs. Leo Nelson and Leo plucked Sunday at the river in Nelson's pasture.

The garments which the women of Burwell have been making for the Red Cross are nearing completion, according to Mrs. D. C. McCarthy who is in charge of the work. Mrs. McCarthy reports that all of the convalescent robes with the exception of two have been finished and returned to her. Those who returned finished robes last week were Mrs. W. M. Haines, Mrs. Oney Anderson and Mrs. Emma Mitchell, Miss Mamie Brewer completed two robes.

Miss Wainita Marsh and Wayne Russell both of Sargent were married in Burwell by Judge Rose Wednesday afternoon. The bride is the daughter of Mr. and Mrs. Bert Marsh and the bridegroom is the son of Mr. and Mrs. Benjamin Russell. They were attended by Miss Betty Meyer and Miss Mildred Hummell.

Frank Havicka has secured a job with a construction company in Omaha.

The Farm Bureau is conducting a turkey tour today. J. H. Claybaugh, a poultry specialist from the college of agriculture, is in charge. Those making the tour are inspecting flocks at the George Weyers, Roy Hughes, Colin Anderson and Bodyfield farms.

D. L. Gross, an extension agronomist from the University of Nebraska will conduct a demonstration at the grain sorghum test plot on the John Peas farm Thursday morning.

Mr. and Mrs. O. W. Johnson entertained a third group of guests at a dinner party in their home Sunday evening. Bridge furnished the entertainment with Mrs. A. C. Duncan winning high score.

Mrs. William Edtherton was hostess to her bridge club in her home Tuesday evening.

Mrs. W. W. Griffith will leave tomorrow for Los Angeles where she will spend the winter with her daughter, Miss Odessa Griffith, and her son, Wallace and his wife. Mrs. Fackler will take her to Grand Island where she will catch a train.

A daughter, who has been named Sharon Madeline, was born to Mr. and Mrs. Ellsworth Davis Thursday with Dr. Smith in attendance.

Mr. and Mrs. Frank Sanders of Omaha, who are cousins of Mrs. E. J. Smith, were guests in the Smith home Sunday. Mrs. T. E. Sanders and Mrs. Mozelle Anderson, also of Omaha, who had spent the week visiting Dr. and Mrs. Smith, returned to Omaha with them.

Mrs. Sue Wilson Thomas of Honolulu visited Burwell Thursday after an absence of forty years. Mrs. Thomas spent her childhood on the Fred Dawe farm northwest of Burwell which was her father's homestead. Her parents came to Garfield county in 1884 and for several years North Loup was their nearest railroad. After leaving Burwell the Wilsons moved to Lincoln where Mr. Wilson practiced law. Mrs. Thomas graduated from the University of Nebraska and for many years taught in the schools of Denver. Since her marriage she has lived on the Hawaiian Islands. Mrs. Thomas was amazed at the changes which had taken place in Burwell since she left. She found the town to be much more cosmopolitan than she had anticipated. Very few of the people who lived in Burwell forty years ago still reside here. Mrs. Thomas was a guest in the home of Mr. and Mrs. H. J. Coffin, who were neighbors of her parents when they lived in Garfield county. Mrs. Thomas is a sister of Miss Clara Wilson who is an instructor of kindergarten methods in the teachers college at the University of Nebraska.

Miss Sarah Janes, who teaches in the Hastings schools was a week end guest in the home of her sister, Mrs. Osce Johnson.

Bert Hemmelt of Kearney arrived in Burwell Friday where he is visiting in the home of his brother, W. G. Hemmelt.

Miss Dorothy Jane Duncan was hostess to a group of young ladies in her home Sunday evening. The purpose of the affair was to celebrate her birthday anniversary. Elmer Freeland and Donald Savage went on a hunting expedition in the Green mountains in Wyoming last week. They came home with an antelope and they and their friends have been enjoying antelope steaks.

Mrs. Albert Sitton entered Dr. Cram's hospital Sunday for medical treatment.

Card Party October 1. The Legion Auxiliary will hold a card party at the Legion hall Oct. 1. Tickets are on sale at 25c. Everybody is invited. See the prizes on display at Sorensen Drug store on Saturday.—Mrs. Frank Fafeita, chairman. 26-11c

50th Anniversary for North Loup Couple

Tuesday was the fiftieth wedding anniversary of Mr. and Mrs. Will Portis and a family dinner was held at noon at the Orville Portis home attended by members of their family who are here, by his brother and wife, Mr. and Mrs. Ben Portis, daughter, and granddaughter of Fairfax, Mo. Mr. and Mrs. Leonard Portis, Mr. and Mrs. Alvin Jack and Mr. and Mrs. Johnnie Sheehan, all of Loup City. The centerpiece for the bride's table was a three-tier cake, baked by Mrs. Bryan Portis and decorated with a miniature bride and groom.

After dinner all went to the Portis home where they held open house to their friends for the afternoon and evening. Their home was decorated with many beautiful flowers, among them a bouquet of chrysanthemums sent by their children in Washington. Beautiful roses for the bride and groom were the gift of Mrs. Andrew Kyne of St. Paul. Many called to pay their respects to this couple who have spent the major part of their fifty years together in this community.

William L. Portis was born in Atkinson county, Mo., June 12, 1867, son of Silas and Jane Portis. Eva May Decker was born in Audubon county, Ia., November 26, 1872, the daughter of Jonathan and May Decker. In the late eighties Mr. Portis went to the west coast, making the trip down from Washington to California by boat, an unusual experience those days. Returning to Greeley county, Nebr., he took up farming and there met Miss Decker who had come to Nebraska with her parents in early childhood settling near Greeley.

September 23, 1891 they were married at the home of the bride's parents, Rev. A. G. Bartholomew officiating. They were attended by Ray Decker, brother of the bride and Miss Mary McManus.

The bride wore a dress of blue wool, trimmed in brocaded silk of matching color. The groom was dressed in a dark suit. After a turkey dinner attended by friends and relatives, the couple went to his farm to begin their life together. The next spring they moved to a farm east of Ord and in '94 went to Missouri where they spent ten years. Returning to Valley county in '04, they lived on a farm near North Loup and later on Davis Creek till farming became too much of a burden to them and they came into town to live. Of their twelve children, nine are living, Orville, Ross and Mrs. Carl Stude of North Loup, Bryan of Scottia, Owen and Mrs. Jim Kimbel of Anacortes, Wash., Eva Portis, Mrs. Robert Newton and Mrs. Raymond Vetry of Illinois. They have twenty-one grandchildren and one great granddaughter. A reunion of their family was held in July when the families who live away could be present.

In the half century of their lives together, these two good people have had their ups and downs, many sorrows with their joys, but have never lost their zest for living and though not in the best of health are still active in the life of the community. Many more happy years together is the wish of all who know them.

Delta Deck Session.

Mrs. Carl Sorenson was hostess to her bridge club last Tuesday, the Delta Deck. Three guests were asked, Mrs. Mark Tolen, Mrs. W. S. Wiggins of Napa, Calif., and Miss Norene Hardenbrook. Mrs. Albert Peterson made high score and took home the prize. Mrs. E. L. Vogeltanz will be the hostess Tuesday of next week.

Reunion of Teachers.

Mr. and Mrs. Henry Deines and son went to Sargent Sunday. There they met eight or ten other people and spent the day visiting happily, as all of the group taught seven years at Albion and are old friends. Now they are scattered, but they try to meet once a year.

Jolliate Club.

Mrs. Lester Norton was hostess to her bridge club Monday afternoon at her home, two out-of-town guests being present, Madams W. S. Wiggins of Napa, Calif., and Shirley Norton of North Platte, the latter making high score.

Family Dinner Party.

Mr. and Mrs. Clayton Noll asked her mother, Mrs. Ed Finley, her sister and family, the John Masons, and Dean Barta to come and eat Sunday with them. A pleasant day was spent.

Circles Together.

Mrs. Alfred Hill was hostess to Dorcas circle Wednesday at her home, Mrs. Alvin Hill being assistant hostess. Mrs. M. Biemond entertained the Ruth circle just across the corner at her home, so when refreshment hour came, members of the Dorcas group went to Biemond's and the two groups enjoyed lunch together.

Social Briefs.

So and Sew ladies met with Mrs. F. L. Stoddard at her home last Thursday afternoon. There were no guests present.

Bethany Circle of the Presbyterian church met Tuesday evening with Mrs. Radliff at the parsonage.

Honoring a former Ord boy who was home briefly last week, a group of his friends organized a waffle feed and party after the football game Friday evening. The party was held at the home of Mary Miller.

At the Ralph Misko home for Sunday night supper the guests were Mr. and Mrs. John Misko and Dr. and Mrs. John Round.

Surprise for Husband.

Honoring her husband's birthday, Mrs. Ed Iwanski gave a surprise supper Monday evening at which guests were Mr. and Mrs. Albert Wolf and son, Mr. and Mrs. Charles Blaha, Mr. and Mrs. Mike Noha, Mr. and Mrs. Ernest Risan and family, Mr. and Mrs. Joe Hybl and family and Mary Anna Novo-

sad. The evening was spent playing cards, after which lunch was served.

Social Forecast.

Thursday evening Lyle Flagg was a guest at the M. Biemond home for dinner, and later that evening he was a guest at the Will Ollis home.

The Everbusby club meeting has been postponed from Thursday until Friday, to be held with Mrs. Jack Romans. The extension leader will be in Ord Thursday, giving the first lesson of the fall to delegates from all over the county.

Mrs. Alvin Hill will be hostess at her home tomorrow afternoon to the ladies of the D. D. O., at their first autumn meet.

Red Cross Poster Contest Ends Nov. 1

All students in Valley county schools in grades 3 to 8 inclusive are invited to enter a poster contest sponsored by the Junior Red Cross. The subject is "Red Cross It'll Call" and the prizes are 50c enrollments in Junior Red Cross for the coming year.

Disinterested judges will decide on the best poster and the honorable mention in each of the following groups; 3rd and 4th grades of all the schools; 5th and 6th grades; 7th and 8th grades. This permits younger students to enter without competing with advanced grades.

The posters should be delivered or sent to Mrs. E. L. Kokes, county Junior chairman, or left at any of the Ord drug stores on or before Saturday, Nov. 1. They become the property of the Red Cross for Roll Call and will be displayed during the drive. These few rules might be noted: Posters should be marked only by district number and student number. They should be somewhere near 14 x 20 inches in size. They will be judged on appropriate design, originality, neatness. Any type of art work may be employed. Contest closes November 1.

Activity in North Loup to Center Around New Community Building

Here is the fine new community building at North Loup which was dedicated last week. It is 60 x 120 feet. The lower floor will have a room for the library 25 x 57 feet with a storage room 14 x 25. On the opposite side of the entrance hall are rooms corresponding in size for the township and village boards. In the west end is an auditorium 60 x 60 with a 20 foot stage across the front, a dressing room on the north side and a kitchen to the south. There are two south entrances, besides the large one on the east.

used for band concerts and Pop Corn Days programs. On the second floor there is a room 23 x 60 which will be used by the Odd Fellows lodge.

All floors on the ground floor are hard maple and have been sanded and waxed. The auditorium will make a splendid dance floor. The building was made from three old buildings, the Arlington hotel, the old town hall and the old community building. It was a WPA project and work started last September, proceeding uninterruptedly except during inclement weather last winter and a short delay when the ceiling for the auditorium did not arrive on time.

The ceiling is a light tan and cream celotex, a special material which improves the acoustics of the building, and gives a pleasing finish to the rooms.

Outside surface of the building is covered with white asbestos shingles. A wide cement step leads to the large entrance which had installed clever light fixtures. L. R. Sheldon was the carpenter in charge and sixteen WPA men worked with him.

second with a trailer of rabbits and kittens behind his green and yellow tricycle. Janice Knapp with her doll buggy made like a ship won first in doll buggies, with Phyllis Christensen as an old-fashioned lady won second. In bicycles Delores Williams, as Miss Autumn, was first and Janet Coleman second. In the pet division Wayne Goff, with a pet pig, won first as Tom the Piper's Son, and Bobby Hawkes, dressed as an Indian, won second.

In the miscellaneous group Idona and Wilma Vodehnal and Mary Esther Olsen as the three bears were first and Katherine Severance and Donald Waddington tied for second place. In the baby buggy division there was only one entrant, the Stanley Brown children who were given a second award.

North Loup and Pleasant Valley played baseball after the parade, North Loup winning 5 to 4. At the community building the crowd was entertained with free acts.

Another fine parade was given Thursday afternoon, following a concert by the Scotia and Burwell bands. Many floats were entered and it was difficult for judges to make a decision. Among 11-room schools, District 42 won first with a valentine float and second went to Dist. 1, Rural, with a Japanese garden. In the church division the S. D. B. float received first, representing Queen Esther pleading for her people, and the Methodist float second with Ruth and Naomi.

The Busy Bee club received first with a clever representation of "Why Mothers Get Gray," and the Junior Fortnightly with General Lear, girls in shorts and yoo-hooing soldiers was given second. The cheese factory's float received first and the I. G. A. store's second in the business house division.

The queen's float, with gold and green decorations and a huge bowl of popcorn in which was hidden the queen, led the procession. The Highway View club planned and worked out details of her float and also of the entire coronation. Mrs. Paul White and Mrs. Iga Pokraka were in charge. Following the parade an afternoon program of miscellaneous acts and music was given from the platform. Thursday evening came a con-

Chanticleers Off to Fine Start; Win G. I. Game 7 to 0

(Continued from page 1)

The Ord squad of 26 men contained 7 seniors, 11 juniors, 7 sophomores and one freshman, while the Grand Island squad of 30 men contained 16 seniors, 9 juniors and 5 sophomores. It is apparent that Coach Tolly is building a team with an eye to the future.

Between halves Ord's 62-piece band, led by a banner carrier, a drum majorette and a double row of girl baton twirlers, performed on the field to the delight of the crowd.

This game was the first time in twenty years Ord and Grand Island have met. In 1921 Grand Island beat the Ord team 6 to 0 with Lee Nay, Ralph Hanson, Harry Williams, Sigurd Moeller, Wilbur Taylor, Henry Pusha, Seton Hanson and Alvin Jensen some of the men who appeared in Ord uniforms.

Ord has an open date this Friday and on Oct. 3 will play Broken Bow at that city. The Broken Bow team is reported to have its finest team in many years and last week beat Arcadia 12 to 0 in the opener, so the Chanticleers will have plenty of trouble on their hands.

Charles H. Peckham Dies in California

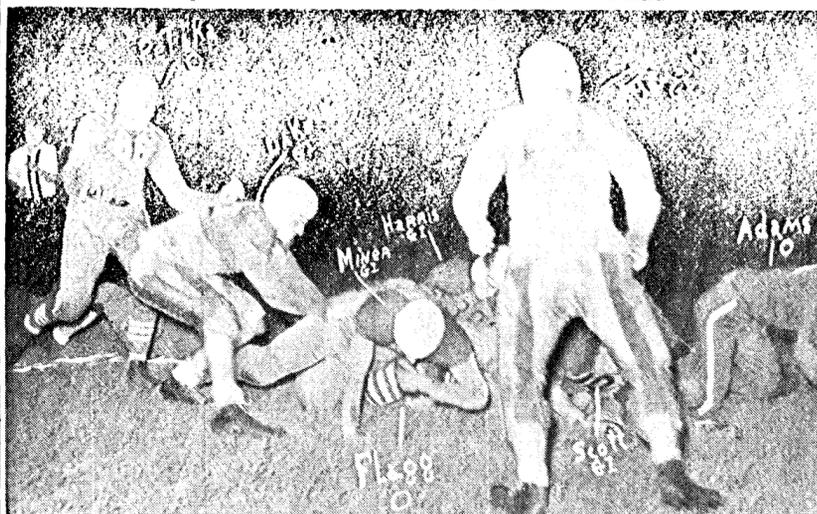

The Quiz is in receipt of the following account of the death of a former well known Ordite, as given in the Woodland, Calif., paper:

Funeral services for Charles Henry Peckham, 73, who came here six months ago from the east, were held Monday, Sept. 15, at 2:30 p. m., at Kraft Brothers with the local lodge of Oddfellows in charge of the burial at Woodland cemetery.

He was born in Illinois, March 8, 1869, and also resided in intervals in Iowa and Nebraska. Jan. 2, 1902, he and Miss Della Davis were married at Verdun, Nebr. Mr. and Mrs. Peckham had come to California to visit their sons V. H. Peckham and Frank Peckham who reside in Yolo county.

He was stricken ill recently and died Saturday at the V. H. Peckham home near Woodland. He was a member of the Woodmen of the World and the Oddfellows lodges. The Peckhams made Ord and Burwell their home for the past sixteen years, leaving Ord for California last March.

Quiz Camera Shows How Ord Beat Grand Island

Above is shown the touchdown play at the Ord-Grand Island game Friday evening. The ball was carried around Ord's left end by Flagg in the second quarter. All the players are identified. Below, left, was taken in the first quarter, a 30 yard run by George Cetak in a quick opening play. Right, the photo was taken in the third quarter, an 11 yard run by Flagg on a weak side play. A Grand Island player, unidentified, has his arms around Flagg's waist, about to make the tackle.

ORD WELCOMES...

Mr. and Mrs. John Linden from McCook. Mr. Linden is to be in charge of the Safeway meat department. He is a Methodist. The Lindens have two sons, one married who lives in California; one unmarried who is at Little Rock, Ark. in the army and is expected in Ord for a visit in October.

Mr. and Mrs. Harold Dunbar and several children who moved to Ord from North Loup, and lived at Taylor, before that. They are living in the Auble house in east Ord, and Mr. Dunbar is a ditch rider of the North Loup Power and Irrigation district. They also have a son serving his country.

Do you know someone who has just arrived in Ord? If so, please call or write the Quiz, 245 S. 1st St., Ord, Neb. If possible, tell where the new family will live, what lodges they have joined, their church and school connections, number of children and their names, ages, etc. Help us with our welcome to new citizens.

NOTICE. During October, November and part of December I will be in Burwell every Friday from 10 a. m. until 2:30 p. m. Located north of bank. Dr. Glen Auble, Optometrist.

Potatoes Most Profitable Irrigated Crop, Says Benn: Good for Loup Valley Production

By Harold W. Benn, Agr. Agent, U. P. Railroad. There is a definite place for potatoes on many irrigated farms in the North Loup valley. Prices have been unfavorable the past two seasons, but over a period of years the farmer who follows a good crop rotation including potatoes and uses recommended production methods will come out on top.

Experiments at the Scottsbluff station show that of the eight rotations indicating a satisfactory return of \$19 or more per acre, seven contained potatoes. Other evidence is a statement by Harry E. Weakley, research worker at the North Platte station that potatoes have been the most profitable irrigated crop grown at the station. Steady acreage increases in the early potato region between Kearney and Grand Island also indicate profit in raising potatoes.

Farmers at Ord and North Loup have lagged behind those in nearby sections in potato production for three reasons: First, the acreage has been too small to attract operators of washers and graders, and today potatoes must be carefully washed and graded to sell on eastern markets. Second, farmers haven't had or been able to borrow money with which to purchase good seed and equipment. Third, they are not experienced in modern production methods.

The first problem will take care of itself when the latter two are solved. Washers and graders will come in when the acreage is large enough, or farmers can form a cooperative association and buy their own outfit. Before this can come about arrangements will have to be made for financing. Either banks will have to make loans or an outsider furnish seed on a share basis. The latter arrangement is not so satisfactory since one-fourth of the crop is a pretty large share to pay for seed, and sometimes the quality of seed isn't too good. The seed should be investigated thoroughly before making any agreement as poor seed can ruin a potentially good potato section quicker than any other thing. The only sure guarantee of quality is to get certified seed every year. Farmers sometimes try to grow their own seed the second year, but they find that it "runs out". Actually, the seed "runs out" because disease has increased. Certified seed is produced from new foundation stock each year, diseased plants are carefully removed by experienced "roguers" and finally the field is inspected by representatives of the certification agency.

Consideration should also be given to the variety to be grown. Cobblers will stand more heat and produce the best yield, but usually the price is lower than that paid for the red skinned varieties. In spite of this some cobblers should be grown. A relatively new variety, the Red Warba, has met with favor in the central Platte Valley. It tends to have the desirable deep red color, can usually be harvested in 90 days and gives good yields even in hot weather. The crop must be kept growing steadily because if growth is temporarily halted and starts again the tubers will be rough and will grow crack. Chief difficulty at the present time is to get good disease free seed with a pure red color. Red Triumphs have been grown to some extent in early sections, but are always in danger of severe injury by hot weather.

Many other problems dealing with irrigation, soil fertility, plant-

Miss Lillian Visek Becomes Bride of Edwin Kosmicki

One of the most beautiful weddings of the season took place at St. Mary's Catholic church in Sargent at 9:30 o'clock Tuesday morning, Sept. 16, when Miss Lillian Mamona Visek became the bride of Edwin Kosmicki with the Rev. Michael Szeszesny officiating at the double ring ceremony.

The bride came slowly down the aisle on the arm of her father, who gave her in marriage. She was preceded by the maid of honor, Miss Alice Stenka of Loup City, cousin of the groom, her bridesmaid, Miss Helen Visek, the bride's sister, and Miss Irene Benben; and two flower girls, Margaret Boro and Hilda Visek, who strewed flowers along the way. They were met at the altar by the groom, his best man, Ed Visek, brother of the bride, Lloyd Kosmicki, brother of the groom, and John Valasek, cousin of the bride. They knelt throughout the ceremony before the altar, which was bedecked with fall flowers and candles.

A solemn high mass was sung by the pastor of St. Mary's church, the Rev. Szeszesny, assisted by the Rev. Constantine Szumski, as deacon, and Rev. Mitchell Kopyrowski, as subdeacon. Mrs. Stanley Wardyn of Loup City played the Lohengrin march for the professional. Mr. Gilbert Lewandowski sang the "Ave Maria" immediately following. A mixed choir, composed of Emily, Virginia and Gilbert Lewandowski and Mrs. Stanley Wardyn, all of Loup City, and cousins of the groom, sang "Poula Angeleus" at the offertory. For the recessional the Mendelssohn's march was played.

The bride was lovely in a gown of white lace and net made with a full skirt and a lace jacket embroidered in gold. She wore a long two-tier veil of tulle, which was crowned with a wreath of stephanotis. A white rose was attached to the white satin prayer book which she carried. Her only jewelry were a gold locket, a gift of the groom, and a gold bracelet that her mother wore on her wedding, a gift of the groom at that wedding. The maid of honor wore a blue taffeta and marquisette gown made similarly to that of the bride. The bridesmaids wore rose-pink gowns made identically with that of the maid of honor. They all wore blousers matching their gowns, and they carried rosaries. The flower girls wore long dresses of white chiffon with bonnets and they carried baskets of flowers. After the ceremony a dinner was served at the home of the bride. The table was beautifully decorated with white; a three-tier white cake occupied the center of the table. Directly above the cake hung a white bell with streamers hanging down. At the ends of these streamers were miniature white bells and these were placed all around the cake.

Besides the wedding party present for the dinner were the bride's parents, Mr. and Mrs. Vencel J. Visek and daughters Hlene and Irene, the groom's parents, Mr. and Mrs. Ignac Kosmicki and Edwin, the Rev. Michael Szeszesny of Sargent, the Rev. Thomas Sludowski of Ord, the Rev. Constantine Szumski of Elyria, the Rev. Mitchell Kopyrowski of Grand Island, Mr. and Mrs. John Valasek and son George of Ord, Mr. and Mrs. John Valasek of Comstock, Mr. and Mrs. John Drobny, Comstock, Mrs. Peter Lewandowski, Mrs. Mary Slominski, Mrs. Stanley Wardyn, John Lewandowski, Mr. and Mrs. Leo Lewandowski and Mr. and Mrs. Ted Lewandowski, all of Loup City, Mr. and Mrs. Casmere Kosmicki and son of Ashton, Miss Anne Vi-

MOVIE STAR JOINS U.S. NAVY

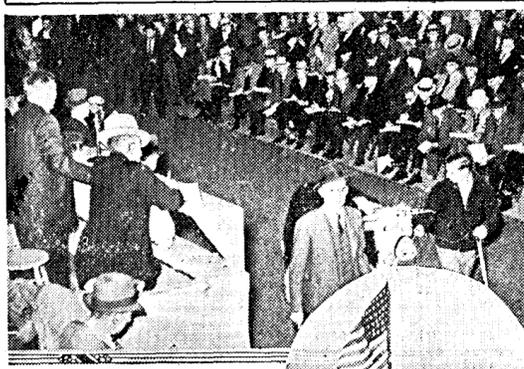

Ensign Wayne Morris Seeks Wings

Wayne Morris, recent star of "I Wanted Wings," became a member of Uncle Sam's Navy in May, 1941, when he was appointed to the rank of Ensign.

When asked what he thought of the United States Navy, Morris said, "I think every man who is considering joining a military service should look into the 'chance of a lifetime' which the Navy and Naval Reserve offer to get into the big-pay field of the future—aviation. In the Navy you can attend the finest flight training schools in the world, and receive in-

"Pot Of Gold" Awaits Owner Of Grand Champion 4-H Steer At Big Ak-Sar-Ben Stock Show

When the above scene from the world's largest 4-H Baby Beef auction is re-enacted as the climax of the 1941 Ak-Sar-Ben Live Stock & Horse Show in Omaha the week starting Sunday, October 5, returns from the sale of the Grand Champion steer will give some lucky farm boy or girl a healthy start toward a college education or their own purebred herd. Right, a group of Victor McLaglen's famed Light Horse troopers provides a sample of the sensational riding exhibitions they will give in person at the Ak-Sar-Ben show on the first two days only of Show week.

OMAHA—What lucky 4-H Club boy or girl in the Middle West will bag the "pot of gold" that goes with the grand championship of the world's largest Baby Beef show, major highlight of the 1941 Ak-Sar-Ben Live Stock & Horse show at Omaha during the week commencing Sunday, October 5th?

Somewhere in this section is a farm youngster who will garner this most coveted of all 4-H Club honors, and the rich rewards that go with it—a youth for whom a college education or a purebred herd of his own will be given a big boost toward reality when the grand champion leads off the annual Ak-Sar-Ben baby beef auction.

How much will it bring? The 1940 Ak-Sar-Ben champ, owned by Leland Herman, of Wayne, Neb., sold at \$1 per pound. Not in recent years has an Ak-Sar-Ben grand champion sold for less. In 1937, \$1.60 was paid to Lester Lutt, another Wayne boy and only two-time grand champion winner at a major 4-H show, who also received \$1.50 per pound at Ak-Sar-Ben in 1936. His two calves grossed over \$2,800!

Other top Ak-Sar-Ben calves have brought their young owners from \$880 to \$1,350 each. Small wonder, then, that speculation is rife over the 1941 top price. No one knows, but whatever it is, and whoever the owner, there is sure to be a stiff battle for the

Plans Progressing for Legion District Convention, Oct. 16

(Continued from page 1)

It will be recalled that a start was made by the Ord Legion soon after the war for Ord a few years ago, and enough money was raised to purchase a tablet to use on this memorial. Because of the drought conditions nothing further was done then, but this year it was deemed proper to complete the task by obtaining a suitable boulder and having the tablet placed on it.

Since Ord Day is Oct. 18, just two days later than the day the convention will be held, plans are being made to have the memorial ready and in place in the court house yard and to have it unveiled there as a part of the convention day program. Ign. Klima made arrangements with the county board some time ago for a place for the memorial.

Friday Mr. Klima, A. A. Wiegardt and John L. Ward made a trip to Lincoln and enroute stopped in Seward county and located a suitable boulder, which a group of Legion men plan to bring to Ord next Sunday. Any men who care to make the trip Sunday and help get the rock may see one of the above men or Commander Gilbert.

Since the plan was started for the memorial a number of Ordites have expressed the desire to contribute to the fund for the erecting of the monument. While this could be handled without additional contributions, it is only fair to give any who care to have a part in the erection of this memorial an opportunity to contribute.

If you desire to help out in this worthy cause, your contributions will be accepted by any of the above men, or, in fact, by any member of the local Legion post. The rock located is granite, is three feet high, 2 1/2 feet wide and 1 1/2 feet thick, and will be placed on a concrete base about six inches high.

It will be taken to the Desch Monument works, where Walter will level the space and fasten the tablet in place. Some time before Oct. 16, it will be brought to the court yard and placed on the foundation and kept covered with canvas until the time of unveiling. The year is appropriate, since it is now sixty years since the village of Ord was organized, and the date, June 23, 1881, appears on the tablet.

Past Commander S. B. Warden of Arcadia was in Ord last week, and assured local Legion men that they could count on plenty of help from Arcadia in putting the convention across. Sunday the past commander of this district, Arnold Webbert, of Kearney, was in town to see how plans were progressing, and Mrs. Webbert, who is district president of the Legion Auxiliary,

was with him and contacted the ladies in regard to their convention.

Legionnaires from Burwell attended the football game here Friday evening and assured the committee that they would be glad to help out. Monday Commander M. E. Wellman of North Loup was in Ord and he assured the local men of the fullest cooperation from North Loup. Various Ord groups, notably the Ord Chamber of Commerce, have offered to assist in

any way that the Legion might desire.

Young Methodists to Kearney Sunday

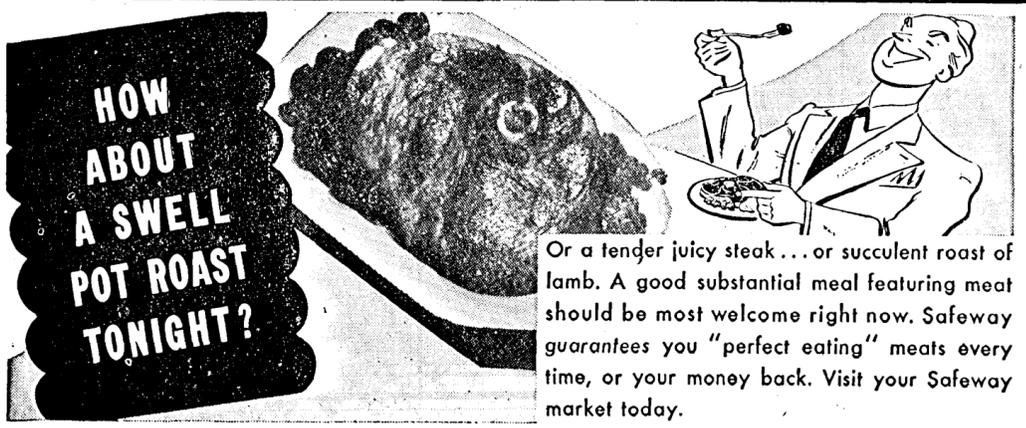

Methodist young people of the youth department enjoyed a real outing Sunday when they were taken to Kearney to spend the day, leaving Ord at eight o'clock. They visited many places of interest, including the industrial school and the churches. At noon

they asked Ord students of the Kearney normal to be their guests which included the two Stoddard boys, Marlan Wardrop, Ray Hurlbert, Patricia McGrew and Virginia Wareham.

There were 46 who went. In the list of those who drove cars and took their families were Dr. Glen Auble, Jay Auble, Alfred Hill, F. L. Stoddard, Leo Long, A. J. Cochran, and John Haskell. Mrs. Cochran and Mr. Haskell are the

teachers of the youth department. A happy day was spent.

In the various cars the following young people went: Irene, Don, Carolyn and Myrtle Auble, Loreta Achen, Calvin Ferris, Darlene and Jean Carlson, Doris Klima, Phyllis Hill, Maxine Sorenson, Betty Meyers, Bob Haught, Elizabeth and Keith Kovanda, Marilyn and Norma Long, Alex Cochran, Roberta Stoddard and Yvonne Whiting. They hope to repeat the trip before long.

Burwell News

Written by Rex Wagner

The members of the Junior Matrons' club were entertained by Mrs. Lloyd Smith in her home Wednesday afternoon.

Frank Manasil, O. A. Norland and Attorneys F. W. Manasil and D. A. Rose went to Broken Bow Thursday where they attended the Custer county fair and rodeo. In the evening the latter two were present at the meeting of the Central Nebraska Bar association.

Keith DeLashmutt, who is a freshman at the University of Nebraska, came home to spend the week end. No, he didn't get home-sock. His presence was necessary for the proper birthday anniversary celebration of a certain popular young lady.

The Burwell fire department answered a call to the Fred Loeffler farm Saturday noon where two chicken houses and a straw stack were destroyed. The high wind made the fire fighting especially difficult but by pumping water from an irrigation ditch the firemen managed to keep the flames from spreading. The fire is believed to have been caused by sparks from the chimney of the house lighting on the roofs of the chicken houses and the straw stack. The fire in the straw stack was still smoldering Monday. Mrs. Loeffler, who has been in poor health for several weeks, suffered a relapse because of the worry and anxiety brought on by the fire.

Mr. and Mrs. Robert Draver, and Dorothy and Miss Meta Draver were her guests Sunday in the Harvey Brown home at Taylor.

Mrs. B. A. Rose returned Sunday evening from a month's vacation in California. Mr. Rose met her in Arnold where she came in an auto with acquaintances.

Kenneth Draver and Miss Gertrude Patrick of Erlson were guests at a farewell dinner in the Ed Messenger home Sunday in honor of Jack who left early Monday for Omaha where he joined the marines. Three other Burwellites also went to Omaha with Earl Reineke Sunday for the purpose of joining the marines. Alex Chambers and Ed Liffenthal were accepted but Darrell Simpson, who also attempted to enlist, was rejected because of defective eye sight. He returned with Mr. Reineke Monday afternoon. The other boys went to Des Moines where they completed further examinations and Tuesday they went to San Diego where they are stationed.

Miss Marguerite Grunkemeyer of Lincoln came home Saturday to celebrate her birthday anniversary. Mrs. Allie Grunkemeyer, Mrs. C. A. Grunkemeyer and Shirley met her in Grand Island. Sunday she was the guest of honor at a family dinner in the home of her mother and later in the day she returned to Lincoln.

Mrs. C. R. Igenfritz and Rex left for Greeley, Colo., Saturday where Rex will enroll for his junior year at the college of education. Mrs. Igenfritz will visit friends in Greeley and her sister, Miss Lenette Green, who teaches at Ault. They drove the Grunkemeyer car to Greeley and today Mr. and Mrs. Pat Grunkemeyer and two children drove it back. Pat is spending his vacation in Burwell where he is visiting his mother and brothers.

Mr. and Mrs. Ed Heltz and Mrs. Nellie Jones took John Romaine to Winner Thursday where he visited friends. Mr. Romaine, who used to live in Ord and Burwell, now is a resident of Vancouver, Wash. Eleven innings were necessary to determine the winner of the kittenball game Thursday between Valentine and Burwell at the Cherry county fair. Valentine, who scored in the last inning, was declared the winner. Previously the game was a scoreless tie. Those who went from Burwell and their positions were R. E. Leach, the team's manager, Floyd Boag, catcher, Vernon Nay of Ord who pitched for Burwell; Bud Schuyler, first base; Walter Lund, second base; Henry Douglas, short stop; Pat Breneman, third base; Arthur Maxson, left field; Melvin Gideon, roaming short; Carroll Demaree, center field and Darrel Simpson, right field.

Mr. and Mrs. Fred Mauch drove to Butte Sunday where they were guests in the home of their daughter, Mrs. Harold Fried and Mr. Fried. The ladies kittenball team autographed to Greeley Sunday where they were scheduled for a game with the Irish but the rain made playing impossible and the game was postponed indefinitely.

Mr. and Mrs. Andy Snyder and Joe, H. C. Robins, and Mrs. Mae Eveleth returned Saturday from their trip. They did not stay as

long or go as far as they had planned. They visited Mr. Robbins, relatives at Hannibal, Mo., Sharoville and Cincinnati, O., and Mrs. Eveleth's children at Buffalo, S. D. They also toured the Black Hills.

Mr. and Mrs. Leonard Johnson, Mr. and Mrs. Spencer Horner and Sterling, Mr. and Mrs. P. M. Butts and Mr. and Mrs. S. W. Brechbill drove to Halsey Sunday where they attended the field day picnic in the forest reserve.

Dr. and Mrs. E. E. Troxell, Beth and Ruth returned Sunday from Denver where they had taken Bernice, who enrolled in the Barnes business college in that city Friday.

Miss Agnes Becker returned to Kansas City where she is employed in the social security division of the civil service Monday after spending four days in Burwell where she visited her parents, Mr. and Mrs. Claude Becker and her brothers.

Mrs. Betty Meyer returned from Ord on Monday where she had spent three days visiting friends. Joe Klinsky spent the week end in Schuyler where he visited his mother who is in poor health.

Mrs. Nettie Conner, who now keeps house for a farmer who lives near St. Paul, was a guest Sunday in the home of her son, Forest.

Mrs. John Mimick and Miss Marjorie Mimick of Columbus, the mother and sister of Mrs. Adam Dubas, spent Friday in the Dubas home. They came to Burwell with Col. Vivian Brian who attended the sale in the Burwell Livestock Market.

Mr. and Mrs. J. V. Johnson drove to Ord Sunday where they were dinner guests in the home of her parents, Mr. and Mrs. F. J. Dworak.

Mr. and Mrs. W. F. Herman drove to Loup City Thursday where they visited her brother who is critically ill.

Mrs. Maude Fuller and her grandchildren, Larry and Kay Woolery, Mrs. John Penas and Robert and Mrs. Arthur Borden and Joe and David drove to Loup City Sunday where they enjoyed a picnic in Jenner's park.

L. B. Fenner, who has been critically ill for two months, has recovered sufficiently that he is able to come down to his office for a short time. He made his first visit downtown Friday since his illness.

Mrs. Harry Myers of Inglewood, Calif., is visiting her sister, Mrs. J. W. Harrod, Mr. Harrod and other relatives at Burwell. The Harrods, eldest daughter, Edna, returned to her home in Seattle Thursday after spending several days with her mother who is in poor health.

John Penas and Julius Johnson drove to Norfolk Friday where they attended the convention of the managers of the telephone associations in the state.

Will Rice, Mr. and Mrs. Floyd E. Johnson, Miss Helen Myers, and Jack Anderson returned from California Sunday. Mr. and Mrs. Johnson plan to have a cleanup sale the first week in October and return to California. Their children remained in Los Angeles with the William B. Johnson family. They report that the change in climate has been very beneficial for the health of their son who has gained three pounds since he has been on the west coast. Miss Myers who has been visiting her sister, Berniece, who is employed

in the Montgomery Ward store in Los Angeles, hopes to return to California later. Jack Anderson came back to visit relatives. Mrs. Anderson, the former Kathryn Cienny, is staying in the home of Mr. and Mrs. Robert Hoyt during his absence. Mrs. Hoyt and Mrs. Anderson are cousins.

Jess Williams and Leslie DeLashmutt returned Sunday night from a week's vacation spent in Cheyenne and Denver.

Mr. and Mrs. Forrest Swanson and Mr. and Mrs. Adam Dubas were Ord visitors Sunday.

After their regular meeting in the home of Mrs. William Mathauer Friday evening, the members of the Rebekah lodge drove to the country home of Mrs. Etta Campbell where they enjoyed a covered dish supper.

The Burwell band under the direction of Mr. Struve went to North Loup Thursday where they supplied music for the Pop Corn Days celebration. Those who drove cars were James Berryman, Mrs. P. B. Wheeler, and Maurice McGrew. The bus was used to carry most of the players.

After receiving word that their father, who has been quite ill for several months, had taken a turn for the worse, Leonard Wunderlich, Mrs. E. W. Fraussen, and Mrs. Mark Wagner drove to Lincoln Friday to be near him. Mrs. Wunderlich, Jayne Eleanor and Mary Louise also went along. All nine of the Wunderlich children have been called home by their father's illness.

In a thrilling game plentifully supplied with touchdowns the Longhorns defeated North Loup 32 to 14 at Burwell Saturday evening. The climax of the evening came in the last quarter when Conlee Swanson ran sixty yards for a touchdown. Swanson crossed the goal line twice. Keith Pulliam equalled his points. Burwell's other touchdown was made by Howard Sitton. The Corn Poppers proved to be an unequal match for Coach Wolcott's boys and during part of the game he put in his second string. Dale Mulligan played a stellar role making both of North Loup's touchdowns and a safety. Keith Pulliam and Mickey Simpson each converted a point for Burwell. During the half both bands made a formation on the field where they played and marched led by Sargeant Maynard Sitton, in uniform, a former Longhorn footballer stationed at Camp Lewis in Washington, now home on a furlough, who carried the flag. Burwell's next game will be with Comstock at Burwell Friday night.

IT HAPPENED IN ORD.

This was heard in Ord at least. The announcer over station WIBW was talking about soil conservation, and in the course of his talk he said, "There is no one remedy for soil conservation." He failed to catch his mistake, but went right on with his talk. He doubtless meant "soil erosion."

Then there is Edward Dugosh who is especially proud of the blue overalls he wears in the back room at the Quiz office since he had been thinking of joining Uncle Sam's navy. They are not quite the correct shade of blue, but they are blue, anyway. Also Ed should make a fine looking sailor.

At the fair Thursday the kiddies were having a big time running the little racing cars around on the pavement on the west side of the square, and there was Clyde Baker over by the pits, drawn there by the fact that he had plenty to do with the racing cars when he was superintendent of races when we had them at the fair.

When the firemen went around the square one girl said to her fellow: "Look at that fireman over there with the red wig and the false face." To which her fellow replied: "You're mistaken, honey. He isn't wearing a wig and a false face. That's Hank Stara."

It's Time NOW To Drain Your Radiator and Re-fill It With

PRESTONE

The Worlds Safest Anti-Freeze

Last year our first severe frost came on Sept. 11, and the year before it was on Sept. 30. Average date previous to these two years was Oct. 4, so you are taking chances if you delay any longer in draining your radiator and refilling with a good anti-freeze. PRESTONE is the world's best anti-freeze for it will not rust your radiator and does not boil out. One fill lasts you all winter.

Prestone Shortage Imminent!

All the Prestone now being manufactured is going to the United States Government for defense purposes and we have been advised that the stock of Prestone we bought several months ago will be all we can secure for the winter of 1941-42. We think we have enough to serve our regular customers but we advise you not to delay if you want to have the world's best and safest anti-freeze in your radiator this year.

No Increase in Prestone Price!

Despite the shortage there has been no increase in the price of Prestone. It is still only \$2.65 per gallon—and one filling lasts all winter. Let us drain and refill your radiator today.

ITS TIME TO DRAIN YOUR CRANK CASE AND REFILL WITH WINTER GRADE OIL ALSO—WE ARE EQUIPPED TO HANDLE THE WHOLE JOB.

1500 Visitors Attend Field Day at Halsey

Despite chilly weather and a northwest wind, in the neighborhood of fifteen hundred visitors from 45 counties picnicked at Bessey Nursery near Halsey, on Sept. 21 in celebrating Nebraska's 32nd Annual Planting and Field Day Picnic. An entertainment and speaking program followed the luncheon period, while the morning and late afternoon were taken up by conducted tours of the nursery, the Civilian Conservation Corps camp, and the Bessey plantations.

James N. Lawrence, editor of the Lincoln Star, was the principal speaker. Mr. Lawrence recalled in vivid terms the late Dr. Charles E. Bessey's successful efforts to establish the Nebraska National Forest and told the visitors of its value to the state as a beauty spot and as a future producer of timber for Nebraska use. In welcoming the guests to the forest, Supervisor V. J. Dayharrish told of the work the CCC boys have done at the nursery during the past seven years. He also called attention to the fact that under new regulations boys may now enroll at the camp at any time, and he suggested that young men take advantage of this opportunity. Mrs. Ross G. Moore, Broken Bow, spoke briefly of the D. A. R. Memorial Forest established in the forest this spring, and Dr. C. W. Kreamer told of his successful plantation of trees in the sand hills near Hyannis. George S. Round, State Extension Editor, introduced the prominent guests and conducted the speaking program.

The Soil Conservation Service, the Prairie States Forestry Project, the State Nurseryman's Association, the State Extension Service, the State Game, Forestation and Parks Commission, and the Halsey CCC camp all took part in putting on the day's activities. Each of these organizations had exhibits on display depicting its line of work. The activities at the picnic ground were concluded with the planting of the annual memorial tree under the direction of Earl G. Maxwell, State Extension Forester.

At the nursery visitors were shown how trees are cared for from sowing of seed to time of shipment to farmers, ranchers, and others. The tour of the plantations consisted of a trip through the most scenic portion of the forest and to Scott's lookout tower.

The Urge

By JOHN HAMLIN
(McClure Syndicate—WNU Service.)

THE dull clack of the shears matched the discouraged look in Dan Berry's eyes. He had shaped cardboard to fit the inner sole of his shoe on other mornings; but yesterday he had walked a hole in the thin sole of his second shoe. Two pieces of cardboard were needed now.

No money for a new pair, only a five-dollar bill remaining from his last commission check—enough to last on till he made another sale—if ever. But he'd worked through his best list of prospects. Few had bought—nobody else wanted the set of books he was offering.

"Oh, what's the use!" Dan Berry jammed the cardboard into place and worked his foot into the shoe.

"A ditch digger's more independent, makes better money."

But he couldn't dig ditches, couldn't get any kind of a job. No place open for a gray-headed man, with lines in his face and tired eyes. No use trying, no use striking out this morning.

Thank the Lord, nobody looked to him for support, friends avoided him if late. Nobody cared what happened—he didn't, either.

His landlady had gone out for the day. No trick to fasten down the window, tuck a blanket over the door of his hall room, turn on the gas in the heater.

Dan Berry carefully tied the laces of his worn shoes, stood up and winced. The cardboard hurt the bottom of his feet—well, what of it? He limped across to his unmade bed, picked up a heavy blanket. It would cover the door completely.

Half-way to the door, the z-zing of a bell sounded. The blanket dropped from his nerveless fingers. Again the bell sent its metallic peal echoing through the house.

How often he had rung door bells, waited expectantly, hopefully; rung the second time, less expectantly; the third time all hope vanished. A wretched feeling—he preferred a curt dismissal to an unanswered door bell.

Berry hastily picked up the blanket, tossed it upon the bed and forgot to limp in hurrying to the front door. From the hallway he saw the head and shoulders of a man through the glass of the door. The shoulders drooped wearily, gray hair showed above the collar; the hat was ill fitting.

When the knob turned in Berry's grasp, the man wheeled.

Berry caught sight of the briefcase the man was carrying. An agent! Here's where he could pay off a hundred scores, enact the role of a dominant householder—heep insults upon this pestering peddler.

Directly he noted the man straightening his shoulders; smiling off the lines of dejection, forcing a spark of interest in tired, blue eyes.

"Good morning!"

Berry's acute ear caught the undertone of hopelessness in that meant-to-be-merry greeting; more than that, it was like an echo of his own voice when he was inwardly praying that here, at last, was somebody who'd sign on the dotted line.

Then, while still in this strange mental swirl, Berry suddenly became conscious of familiar words, phrases that he had learned by heart, repeated time and again, mostly under just such odds as this—himself standing outside the door, trying to melt cold resistance.

Curiously swept away all antagonism. He was interested to learn how this agent put over his selling talk.

"Come in!" Berry flung the door wide.

The man's face lighted up in a way that brought a damnable lump into Berry's throat. "Sit down," he gruffed.

The man opened his briefcase to the accompaniment of the stereotyped sales talk. Berry sat down beside the agent, scanning the familiar pages of the prospectus. He exclaimed over the fine illustrations, asked intelligent questions—heard the man clear up to the psychological point where he produced samples of bindings, took out a fountain pen and pushed the contract invitingly towards him.

"Five dollars down is all that's required. The books will be shipped to you immediately. The balance paid in 20 monthly installments."

Berry took the fountain pen, rolled it between his fingers tentatively. He pressed down the nib, saw that the ink was ready to flow, then stole a glance at the agent.

He was bending far forward, the tired lines had vanished, his eyes glinting with an hypnotic expression.

Dan Berry lifted the pen from the paper, without signing and the man slumped, aging 20 years instantly.

That struck home. Dan Berry understood. He signed on the dotted line, arose and walked down to his bedroom. Returning, he handed the agent the five-dollar bill.

He heard the man's thanks, bowed him out of the door and limped on back to his room. He picked up his own briefcase, put on his out-of-date hat and limped out of the house.

He had brought down upon himself an urge to live. He had signed one of his own firm's contracts, which bought him 20 months of struggling till those 20 monthly installments were paid in full.

Paul Whitford, Former County Resident, Dies

Paul Whitford, former resident of Valley county, passed away Sunday evening, Sept. 14, at the home of a daughter, Mrs. Esther Borth, in Greeley, Colo., a victim of cancer. He spent all his life in this county until he moved to Colorado 12 years ago.

Funeral services were held at his home at Sterling, Colo., at 2 p. m. Wednesday, from the funeral chapel of that city. Attending from Ord were his brother, Oliver Whitford and son Melvin, and Oliver's daughter and husband, Mr. and Mrs. Frank Bingham of Lincoln. They left Ord Monday evening, returning home Thursday.

Mr. Whitford was 54 years of age at the time of his death. Besides his widow he leaves two sons, Edward of Sterling and Robert of Independence, Mo., and a daughter, Mrs. Borth, mentioned above; also his father, Milo Whitford, and brothers Morley and George, of Orange, Calif.; Harley, at Corona, Calif.; Elbert of Santa Ana, Calif.; Oliver of Ord; Leslie of Glidden, Ia., and one sister, Mrs. Mabel Hoffman of Mt. Vernon, Ore.

For years he farmed in the Vin-ton neighborhood, where the family was popular with those who knew them best. He had been in failing health for some time, and spent several weeks in a Denver hospital until it was found that nothing could be done for him.

ARCHER'S 44% SOY BEAN MEAL.

We have three cars of Archer's 44% Soy Bean Meal to arrive the first two weeks in Oct. If you are going to need Soy Bean Meal, this will be a good time to lay in your supply. There are only 10 tons in the three cars unsold, so get your order in soon.

BALED HAY.

We are hauling in some good quality baled hay, both prairie and alfalfa and if you need hay we can make prompt delivery. So far hay is cheaper in proportion than many other feeds, and we can expect higher prices for hay. Don't wait for cheaper prices on hay as it would be very easy for the hay market to take the same turn that the Linsced, Soy Bean and Cotton Cake took during the last six weeks. Hay prices are low at present.

HYBRID CORN.

Let us have your order for Pfisters and Iowa 939 Hybrid. Only \$1.00 payment holds your seed till next April. Prices on Pfisters are \$5.50, \$6.50 and \$7.50 per bu. Iowa 939 at \$5.00 and \$6.00 per bu. These varieties yield well in our section.

Octopus in Pipe
Why repairs were necessitated for the freighter Coast Merchant in Port Angeles, Wash., was explained when workmen removed a huge octopus from the suction pipe. The night-marish creature measured 12 feet from tip to tip and its estimated weight was 75 pounds.

Ford Tractor Ferguson System

We appreciate very much the nice things so many farmers have been saying about our tractor demonstration we put on at North Loup Pop Corn Days. They were amazed at the way this little tractor pulled three 14 in. bottoms and still seemed to have power to burn. The new General cultivator also is attracting lots of attention as most farmers are beginning to realize the need for an implement that will go down into the ground and break up this hard pan these recent drouth years have caused. This new implement penetrates the soil deeper than the normal plow depth and tends to make the ground more like a sponge than a baseball.

As one very good farmer put it, we are crying because we don't get enough rain and still through our present farming methods we are wasting half of what we get.

This implement is low in price and works only off from the Ferguson system which is just one more reason you should think twice before buying anything but a new Ford tractor.

Come in and see us at once as you just as well buy before further price raise.

500 CATTLE At BURWELL

FRIDAY, SEPTEMBER 26th

We extend a cordial invitation to all farmers and feeders to attend our special calf sale Friday, October 3rd. This sale is being widely advertised and we will have hundreds of buyers here from Iowa, Illinois and Indiana. If you have any calves or yearlings to move we urge you to consign them to this sale.

This Friday we will have 100 white face yearling steers, 10 extra good milk cows, all consigned by one owner; several loads of heifers, fat cows, cutter cows and a number of bulls, and other odd lots of cattle. We will also have some good feeder shoats, fat hogs and thin sows.
