Council Lets Contract for More Sewers

Roebeck's Bid of $20,203 Accepted; Cut Made in Budget Estimates.

A contract to build 7,000 feet sewer in Ord was let to the harles Roebeck Construction Co. Omaha at the meeting of the ty council Tuesday night. Mr. ebeck's low bid for the job s $20,203.00. One other com- ny submitted an offer which was 10.50 higher than the one made Roebeck.

Mr. Roebeck has been in the nstruction business for thirty- ven years and built 200 water ystems for towns in Nebraska. Ir. Roebeck is uncertain as to e time he will begin construct- g the sewer in Ord but he hopes be started within 90 days. He id that OPA has allowed the anufacturers of sewer tiles to crease their prices which could tart production which has been talemated for some months.

The other members of the oard, who had previously consid- ed this matter stated that the ty legally could not buy such achinery, and that they might ncounter difficulty in collecting pecial assessments for work the ty did for which bids had not en advertised as provided by w. Mr. Murray stated cases here other cities owned equip- ent, such as he proposed to have e city buy.

The council voted to cut its bud- t estimate for next year from 8,500 to $10,000. The general nd was cut to $10,000 from 0,000, the road fund hiked from ,000 to $4,000, the street light nd increased from $2,500 to ,000 and $2,000 added to the dget estimate for airport im- ovements and maintenance.

The board decided to let the ntracts for grading, surfacing d seeding the runways of the port at its meeting July 2. C. Davis, city attorney, reported t he had been to Lincoln to con- r with I. V. Packard, director the state department of aeron- tics, who informed him that he uld try to be in Ord this week locate the runways and the lo- tion of the quonset hangar.

The city has received a twelve- ot wind sock and an assembly r mounting it has been sent om Lincoln. Mr. Davis displayed e sock at the meeting.

The councilmen voted to in- rease the pay of the general la- orers on the streets to fifty- ve cents per hour and the su- ervisor's pay to sixty-five cents r hour.

George Carroll Fatally Burned

North Loup Cripple Dies In Clinic Hospital Tuesday Morning.

George Carroll, 56 year old cripple, was fatally burned late Monday afternoon when the blanket in his wheel chair caught on fire as he struck a match on the bottom of the chair seat to light his pipe.

The son of Mrs. Wm. Worrell, formerly of North Loup and now of Toulon, Ill., Mr. Correll made his home with Esli Maxson. He spends most of his time in his wheel chair, and was not often left alone, but Monday Mr. Maxson had to go to Ord on the eleven o'clock bus and Carroll thought he could manage until his return.

He could not walk and the door to the house was closed but he managed some way to crawl to the door and get it open. Mr. and Mrs. E. O. Carr who live next door heard a disturbance and seeing the smoke, went to his rescue. Dr. Hemphill and Carroll's half sister, Mrs. Bates Copeland were called and Carroll was taken to the Clinic hospital in Ord where he died Tuesday morning. Badly burned on his back and head, he suffered a great deal. His wheel chair was nearly burned up, but the house did not catch on fire.

Boy Fined

Following numerous complaints of boys shooting firecrackers, Joe Rysavy, 17, was arrested and brought before Police Magistrate John Haskell who fined him a dollar and costs. Joe was charged with disturbing the peace.

Creamery Churns 62,000 Pounds of Butter in Month

The Ord Cooperative creamery churned 62,000 pounds of butter during the month of May, which the manager, Emil Babka announces was more than they turned out during any month last year. June, Mr. Babka says, usually averages better than May. The creamery gets most of its cream on Saturdays during the summer months and this year May only had four Saturdays. As June will have five Saturdays the creamery force are expecting to break all production records this month.

No Butter Shortage Here and Ord Butter Is Going Everywhere

Throughout most of the country there seems to be a drastic shortage of butter but, thanks to the Ord Cooperative creamery, people of this locality haven't been affected as yet. Moreover, Ord butter is being mailed extensively by local people to butter-less friends and relatives throughout the country.

According to express men, 90 packages of butter were shipped by individuals during April, the shipments weighing from 10 to 60 lbs. each. Parcels post shipments have been made almost daily, in addition.

One Californian who had been visiting in Ord took 100 pounds home with him; another took 60 pounds to present to friends on the coast.

Ord stores report butter sales extremely heavy of late but probably much of this is caused by the expected 11c per pound increase in OPA ceiling price, which goes into effect soon.

Corn Yield Contest Planned for County

Chamber of Commerce Will Give Prizes for High Producing Fields.

A corn yield contest for Valley county will again be sponsored by the Ord Chamber of Commers, which voted to finance the contest at its last meeting May 28. County Agent C. C. Dale announces that the contest winner will receive a $50 war bond. Second high producer will get a $25 war bond and the third prize will be ten dollars in cash.

A ten acre field, all in one place, may be entered in the contest. Mr. Dale explains that the field may be in any shape and that farmers may select a certain number of rows along the side or in the center of a larger field if they so desire. Entries will not close until sometime in August as the farmers will not know until that time what their crops prospects are.

In determining the yields of the fields entered in the contest 5 rods of rows in various parts of the field will be husked and weighed and samples taken for moisture content. Mr. Dale says that usually the field is sampled in twenty places. A 15½ percent moisture allowance is made and deductions from the weight are made if the corn contains more. If a state contest is held this year farmers entering the Valley county contest will be automatically entered in it, according to Mr. Dale.

Last year fifteen farmers entered the contest in Valley county, which was won by Robert Scott of Arcadia with a yield of slightly more than 102 bushels per acre. A. H. Easterbrook, also of Arcadia took second place and R. E. Garnick of Elyria third. Mr. Dale reports that all three of the high yielding fields had formerly been in alfalfa, which is usually true of all the high yielding fields in the state contest. Last year was the first time a contest has been conducted in Valley county. Mr. Scott, who was the high producer in Valley county, ranked eleventh in the state contest.

Safeway Entrance Improved Sunday

After being advised by the city council that the entrance to their store was considered unsafe, the sidewalk in front of the Safeway store was built up Sunday eliminating the mound of concrete in front of the door to which the council members objected. The side walk now is slightly higher than the walks on either side of the building and the approach to the entrance is gradual. The work was supervised by Charles Goodhand, the owner of the building.

Irene Auble Gets Degree at Hastings

Dr. and Mrs. Glen Auble, Mrs. C. S. Jones and Miss Dorothy Auble went to Hastings Monday where they attended the commencement exercises of the Hastings college. The Aubles daughter, Irene, was a member of the graduating class. Irene was one of two girls in the senior class to receive the bronco award. She and Carolyn Auble, who has completed her freshman year at the College returned to Ord with their parents.

Mrs. Maude Johnson, 93 of Age, Has Her Bedroom Papered On Birthday

Mrs. Maud Johnson was 93 years old Monday, June 3 and celebrated her birthday by having her bedroom papered. In fairly good health except for her eyesight which is nearly gone, Mrs. Johnson lives with her daughter, Alice at her home in North Loup.

Among the family keepsakes is tax receipt Number 1, for Valley county, issued by co-treasurer, E. D. McKinney in April 1873. It is for $6.33, and is apportioned, State general fund, .14; sinking fund, .18; State school fund, .36; State University, .04; pent. (probably Penitentiary), .09; County general fund, $1.08; District school $2.12; and Poll, $2.00.

Mrs. Johnson was born at Bolton, Warren County, New York, and when three months of age, went with her parents, Mr. and Mrs. Wm. Stewart, by way of the Erie Canal, to Chicago, on a boat towed by mules on the bank. From Chicago, they went by oxen, which they also brought on the boat, to Maquoketi, Ia., and the next spring went to Welton, Ia. Here Mrs. Johnson lived till she was twenty-five, when she came to Nebraska, arriving in Grand Island, July 3, 1873. Here her father met her with a team and brought her to North Loup with a team and wagon.

She remembers well her first day in North Loup for before dinner she had to go to the home of Dr. Charles Badger to have a tooth pulled.

On May 19, 1880, she was married to Byron H. Johnson, at one time sheriff of Valley county. Their

MRS. MAUD JOHNSON

first home was on the Pierce place in the Sumter neighborhood, and later they moved to a farm north of North Loup, which Dr. Miller now owns. In 1920 they moved to the present home in the north part of town and here in '23, Mr. Johnson passed away. Mrs. Johnson has three sons, Glen and James of North Loup, Herbert of Waterloo, and two daughters, Alice of North Loup and Mrs. Dora Seivers of Morrill, Neb. One daughter, Eva, died when a young woman. There are 10 grandchildren and 8 great grandchildren.

Sacred Trust Is Owed Hero Dead, Crosby Tells Ord

Ord Cemetery Scene of Stirring Memorial Day Tribute; Many Attend.

"Ours is the sacred trust of maintaining our country as a fit object for their sacrifices," Robert B. Crosby, North Platte, told the large throng who had gathered at the Ord Cemetery, Memorial Day to pay tribute to the soldier dead.

"Some of those whom we honor today fought and died from a sense of duty to their country," the speaker, a world war two veteran continued. "Some perhaps died in defense of free government as we know it in this country. Some simply fought because their self respect impelled them to do as much as the next fellow."

Crosby declared those whom war has spared have an abiding responsibility to defend the causes for which others fought.

A crowd estimated at 400 gathered at the natural amphitheatre in the Cemetery to attend the exercises. As the American flag was brought forward, a color guard of sailors, soldiers and marines in dress uniform stood at attention.

Rev. R. T. Cordry offered a prayer followed by a brief tribute from the ladies of the G.A.R. read by Mrs. Ella Weckbach. Following Crosby's remarks, the Ord high school band gave a selection. A firing squad of marines and soldiers gave a salute to the dead. Taps by an Ord band bugler ended the ceremony.

As in former years, the Ord cemetery was a spot of quiet beauty. A large number of out of town people were here for the first peace time Memorial day since 1941.

Mrs. Lyle Craig Dies at Clarks

After Long Illness Death Comes to Valley County Pioneer Woman.

On Wednesday morning of last week Ord relatives received word of the death at Clarks, of Mrs. Lyle Craig, who was one of the pioneers of Valley county and who spent much of her life near Ord.

Charlotte Henrietta Mason was born August 30, 1880 at Bradshaw, Nebr., to Seth M. and Sarah A. Mason. At the age of two years she moved with her parents to a farm about ten miles northeast of Ord which was the family home for twelve years, after which time they moved into Ord. She attended the rural school for a number of years and was a pupil of the Ord schools for three years.

While yet a young girl she took up the Christian life and united with the Methodist church in Ord. Always she was faithful to her profession of faith and made her influence felt for the better things of life, both in her home and in the communities where she has lived.

On October 26, 1898, she was married to Lyle Craig, and Ord was the family home until 1925 when they moved to Clarks, where the remainder of her life was spent except for a few months when they lived at Corvalis, Ore.

To this union were born eight children, five sons and three daughters. The little girls all preceded their mother in death. Left to mourn her going are her husband, Lyle Craig of Clarks, her sons, Wilmer, Kenneth and Archie of Corvallis, Ore., Elwyn and Glendell of Clarks. Also surviving are four brothers, Laurence, Leslie, John and Seth Mason of Ord and ten grandchildren.

Funeral services were held Friday afternoon at the Methodist church in Clarks, conducted by the pastor, Rev. Thomlinsen, with burial at the Pierce Chapel cemetery a few miles from Clarks.

Relatives attending the services were Mr. and Mrs. John Mason, Laurence Mason and Mr. and Mrs. Herman Worm of Ord, and Mrs. Leslie Mason of Burwell.

Mr. and Mrs. Edward Hansen and Mr. and Mrs. J. A. Meese and children also were there from Ord.

Hugo Players Will Open Here June 10

Harry Hugo was in Ord Tuesday booking the town for the Hugo Players who will open here June 10 with a comedy play "Her Unexpected Husband". The Hugos have been coming to Ord and the other towns in the Loup valley for many years and lots of people eagerly await their coming.

Daily Freight Service Again

With the cessation of the soft coal miners' strike daily frieght service (except Sunday) was resumed the first of the week by the Union Pacific from Grand Island to Ord.

Flight from Omaha to Ord Made In an Hour, 55 Minutes

Bob Schmidt and Ed Swopes flew from Omaha to Ord Tuesday morning. Mr. and Mrs. Swopes had driven to Omaha to meet her sister, Mrs. Verl Timmerman, and her son, who flew from Corpus Christi, Tex. to Omaha Monday. Mrs. Swopes and Mrs. L. J. Auble returned to Ord with Mrs. Timmerman and her son.

Mr. Schmidt came to Ord to visit his parents-in-law, Mr. and Mrs. Guy Burrows. He has the distinction of being the first veteran in Omaha to receive a pilot's license under the G. I. bill of rights training. Mr. Schmidt and Mr. Swopes rented a plane from the Lange flying school in Omaha which they flew to Ord. They left Omaha at 7:50 a.m., and landing on Ord's new airport at 9:45.

Mrs. Barber Chosen to Head Ars Poetica

Myra Thorngate Barber of North Loup was elected president of Ars Poetica, the Nebraska state poetry society, at the annual convention held in Kearney Monday. Mrs. Barber has long been active in the work of the society and a number of her poems have been published in magazines.

Other officers chosen were Grace Flebbe, North Platte, vice-president, Doris Varvel, Grand Island, secretary-treasurer, and Perry Gage, Central City, first director.

Ord Wins From Ericson 8 to 2; Scotia is Next

Town Team Chalks up 3rd Victory; Next Game Here With Scotia.

The Ord town team registered its third win in four starts in the Valley League Sunday by defeating Ericson 8-2 at Ericson.

Ord drew first blood in the first half of the first inning. They scored one run on one hit, an error and a hit batter.

The score remained this way until the fifth inning when Ord scored another run on a hit, a walk and a stolen base.

With the score 2-0 in their favor, Ord scored three times in each, the seventh and eighth innings to put the game on ice.

Ericson's only threat came in the last half of the eighth inning when they scored two runs on two hits and two errors.

Furtak and Barnes were the havy clubbers for Ord, garnering three hits apiece. B. Patrick and Payne led the Ericson attack with three and two hits respectively.

Each pitcher only allowed one walk. B. Stull struck out 10, and B. Patrick struck out 9. Ord received credit for one double play. Ericson had two passed balls. Two Ord batsmen were hit by pitched balls. Ord made four errors, Ericson 5.

Next week Ord will meet Scotia at Ord.

19 Farm Houses Moved Into Ord

The records of County Assessor J. L. Abernethy show that during the last year nineteen houses were moved into Ord from farms. He has changed the assessed valuation of land in nineteen cases where the improvements were removed and the houses brought into Ord. He has also appraised the houses in their new locations.

Butler-Griswold Campaign Major Election Issue

Little Interest Locally in Primary Less Than One Week Away.

For the first time in history a local election will be held in Valley county without the Quiz printing campaign cards for the candidates. The primary election is Tuesday, June 11, less than a week away. Locally there is little political interest shown.

In Valley county a candidate is available for every office to be filled in the court house but contests in the primary are few and far between. With but one exception all the elected officials in Valley county are asking for another term with very few challenging them for their jobs.

In District 5, J. A. Barber of North Loup, who has served on the board of supervisors for many years, wants to be relieved of his duties. Two North Loup citizens would like to replace him. Clifton W. McClellan has filed for the Republican nomination and Clem Meyers Jr. on the Democratic side. The contest between them will be decided in November.

Two Choices

Republican voters will be called upon to choose between J. L. Abernethy, present county assessor and John H. Lee of North Loup. Mr. Lee was reared in North Loup and has served one year in the navy. Although faced with many blanks on their ballot the Democratic voters in District 1 have a choice when it comes to nominating a supervisor. Seeking reelection is Joe J. Jablonski of Elyria, who is serving as chairman of the Valley county board, who is opposed by John B. Zulkoski also of Elyria.

No other places exist on the county ballot where the voters can make a choice in primary election unless names are written in on the ballot. The salaries of county officers which looked mighty big a few years ago during the years of drouth and depression have shrunk in the eyes of the post war world of inflation and higher living costs.

Conklin Campaigns

In the twenty-ninth legislative district Harold P. Conklin of St. Paul is trying to unseat the veteran John F. Doyle. Mr. Conklin has visited Ord several times during the campaign and is expected to poll a large vote in Valley county.

In the state election the contest of Governor Dwight Griswold for the senate seat of Hugh Butler overshadows all other contests. In Valley county Griswold is believed to be gaining votes and support. In a poll taken Saturday of an especially selected group of voters Butler led 6 to 4. A poll taken more than a month ago showed Butler to be favored over Griswold 7 to 3. As yet there are still many voters in Valley county who have not decided how they will vote and Former Governor Stassen's campaign in behalf of Griswold likely will have an influence in their decision. The poll taken Saturday was a part of the one which the World Herald is taking all over the state. This poll when taken more than a month ago showed a slight preference for Griswold in the state as a whole.

Names Appeal

In their choice of Governor three of the Valley county voters questioned said they intended to vote for Val Peterson, three for Arthur J. Weaver, three for William Edward Johnson, and one for Joe Wishart. Apparently the name of Swanson is losing its appeal for Valley county voters for even though the Scandinavian name appeared on the list none of the persons queried said they were going to put an X after it.

Because they believed that his father was a good governor about fifteen years ago, some Valley county people are going to vote for Arthur J. Weaver. A name with which the voter has been familiar is an asset in political life and should get Mr. Weaver a number of votes. All of three who stated they favored Mr. Weaver in the poll taken Saturday were aware they were not voting for his father.

Women In Race

Two of Valley county's native daughters are running for state offices in the primary election. Mildred Patton Pollak is candidate for state superintendent of public instruction on the non-political ticket, and Mrs. Mabel Gillespie of Gretna is again a candidate for the Democratic nomination for congress in the first Nebraska district.

Mrs. Pollak's father was county clerk of Valley county more than forty years ago. She attended grade school in Ord and graduated from high school in Lincoln. In 1913 she received her A. B. degree from the University of Nebraska and in 1927 she got her master's from Columbia. She has completed her work for a Ph. D. degree at the Ohio State university. Mrs. Pollak has taught in the Kearney State Teachers college,

FRIEND OF NEBRASKA AGRICULTURE

President of Soil Conservation District, supporter of irrigation and rural electrification.

He has the ability, experience, and practical knowledge to serve the people of Nebraska in an efficient and business-like way.

REPUBLICANS ! !

The primary this coming June 11 is election, as far as the United States Senator contest is concerned.

Senator Hugh Butler has made an excellent record. He has represented the people in the truest sense of the word. Agriculture, the service men and women, industry, labor, schools, the taxpayers—all have felt the benefit of his work in the halls of congress.

He has risen to the highest esteem of both Democrats and Republicans alike. He has been appointed to more of the important committees than has any other Nebraska senator in his first term.

Senator Butler is an honest-to-goodness Republican . . . standing steadfastly for the American way of life. He will lead the Republican party in Nebraska to certain victory next fall.

He is opposed for no reason except that another man wants his job. Senator Butler deserves a second term.

Be sure you are registered, and go to the polls and vote for him.

For United States Senator

☒ HUGH BUTLER

Well now we have Two more Houses, one modern with ½ Block of ground with it and close in, and one on Main street and in good shape and real nice, then there is the third house when it is finished, with Bath and real nice.

Some good deals on Farms, one ½ section on gravel road close to School at $6,400. Terms if wanted.

One fine 240 acres one mile from town extra good improvements at $8,000.

Now it is high time to have that Hail Insurance. Grain is too valuable to take a risk come in soon.

HAIL Could Destroy

Your Entire Crop

It's not a bit too early to make certain that your crops this year will be covered by Hail Insurance. High crop prices make it doubly important to protect your profits by insuring now for the full season. Destruction of your crop this year may mean the loss of your greatest return since 1919—unless you have the insurance to protect it.

Don't gamble on the weather. This year plan your hail insurance as you would your crop planting. See us about your policies now—before the hail season is here.

News About Our Neighbors

RAVENNA CHURCH BURNS MORTGAGE

Members of the Lutheran church congregation enjoyed a rare treat at the Sunday morning service, when a "mortgage-burning" ceremony was carried out, signifying that the entire church debt had been wiped out.

The Lutherans have carried on an active debt retirement program the past several years. In addition to wiping out a $2750 debt on the church building itself, the congregation bought a new parsonage for the Kebschull family for $4700, and this amount has been paid.

For the first time in many years, the Ravenna churches are all out of debt, and all of them have made significant progress in the past decade in various building and improvement programs. Considering the fact that none of the congregations here are regarded as very large, a very fine financial record has been made.—The Ravenna News.

IN 3 WEEKS 46 PLANES USE BROKEN BOW FIELD

The Broken Bow municipal airport is becoming more active day by day. Bob Heilig, manager of the airport, stated Monday that during the first three weeks of this month 46 transient airplanes had landed at the airport here.

The Nebraska Flying Service in charge of instruction, sales and service at the airport has had seven planes on the field during the month. Some have been sold and delivered to owners in this territory.—Custer Co. Chief.

TESTS SHOW NO T. B. IN GREELEY SCHOOLS

Dr. J. L. Brannen, Greeley physician, said Wednesday that reports received by him showed that there are no positive cases of tuberculosis among the students in the Greeley Public and Sacred Heart schools.

In preliminary tests given under the direction of Dr. Brannen, about 35 students reacted. These students were taken to a Grand Island hospital for xray examination. The xrays showed no active tuberculosis germs.

The tests were sponsored by the 8 et 40 club, Legion auxiliary and the school board in cooperation with the Nebraska tuberculosis association.—Greeley Citizen.

Elyria Wedding

St. Mary's church in Elyria was the scene of an attractive wedding at 9 o'clock last Tuesday morning when Miss Marcella Iwanski, daughter of Mr. and Mrs. John Iwanski, became the wife of Robert Jablonski, son of Mr. and Mrs. Joe Jablonski. The bridal pair were reared in the Elyria community and the church was filled with friends and relatives who came to wish them happiness on their wedding day.

The wedding march was played by Mrs. Bernard Suminski who also played for the choir who sang the responses in the nuptial mass performed by Father Gorak. The bride was attractive in a dress of net over white brocaded satin with a finger tip bridal illusion veil. Her bouquet was of gardenias.

The bride's maids, Miss Sylvia Iwanski, her sister, and Miss Alice Beran, her cousin, wore green formals and carried pink carnations. The bridegroom's attendants were Bill Chalupsky of Burwell and Julius Weverka of Sargent. The ring bearer was David Pokraka of North Loup. Connie Radke, who wore a long green dress similar to those of the bride's maids, was the flower girl.

After the ceremony a reception was held in the home of the bride's parents. People continued to call all day long to congratulate the bridegroom and to extend their best wishes to the bride. In the evening Mr. and Mrs. Jablonski were hosts to their friends at a wedding dance in the hall at Elyria.

The newly wedded couple are now on a honeymoon, the destination of their travels being kept a secret. When they return they will make their home in Burwell.

Miss Pesta Weds

Mr. and Mrs. Joseph Pesta announce the marriage of their only daughter, Josephine Iryne to Mr. Earl Eugene Taylor on May 11, 1946, at the First Christian church in Omaha. The Rev. Addison L. Cole performed the ceremony.

Mrs. Taylor was graduated from the Jordan vocational high school of Columbus, Ga., and has spent several years in the South. For the past two and a half years, she has been employed by the Omaha and Council Bluffs Street Railway company, as a receiving teller.

Mr. Taylor, a staff sergeant in the army transport corps, spent three of his four and one half years service overseas. He is a graduate of the North Loup schools, and at present is employed by Webber Motors in Omaha.

After the couple's return trip from Iowa and Minnesota, they plan to make Omaha their home.

Clever Home Makers' Club

The Clever Homemakers Club came to order Sunday, May 26th at the home of Helen Tuma. All members were present but the leader, Mrs. Kapustka. The members brought, and judged comfort protectors. Discussed the silverware cases. The members also discussed the camping trip and the demonstrations that will be held in Ord. The meeting was adjourned, with a delicious serving of sandwiches, cool-ade and a candy bar.—News reporter, Helen Tuma.

Buffet Dinner

Guests Thursday evening at a buffet dinner in the home of Mr. and Mrs. E. R. Apking were Mr. and Mrs. John P. Misko, Mr. and Mrs. Howard Huff, Mr. and Mrs. E. C. Leggett, Mr. and Mrs. Asa Anderson and Mr. and Mrs. John Hannah.

—Mr. and Mrs. Joe Lola, and Amelia, Hilda and Joe Jr. left last week with their trailer house for St. Louis where they will visit relatives. From St. Louis they plan to go to California over the southern route and

—Mr. and Mrs. Alfred Wiegardt and Wendell of Almeda, Calif. arrived in Ord last Tuesday for a visit with friends and relatives. They report they encountered a dust storm shortly after crossing the Nebraska border from Wyoming. At Auburn Calif. they met with car trouble after 5 o'clock Saturday evening and had to drive back to Sacramento, a distance of about 35 miles, to have their car repaired.

—Mr. and Mrs. M. B. Cummins and Corwin Cummins, accompanied by Walter Cummins and Mrs. Albert Haught of North Loup drove to Tekamah Sunday where they surprised Mrs. Charles Johnson of Decatur who was the guest of honor at a dinner in the home of her daughter, Mrs. Reuben Athey. The occasion was Mrs. Johnson's birthday anniversary. She is the sister of M. B. and Walter Cummins and was much pleased and surprised to have her relatives from Valley county join her in the celebration.

—Miss Marie Bell spent the weekend in Burwell where she instructed Miss Ruth Howard in the operation of the switchboard at the Nebraska Continental telephone office. Mrs. Alice Brenneman who has been chief operator in Burwell for several years has resigned her position.

—Mr. and Mrs. Raymond Olson were guests in the Smolik home recently. Raymond has been attending the college of agriculture in Lincoln. They went on to Burwell where they visited his parents, Mr. and Mrs. Robert Olson.

—Mr. and Mrs. Ralph Hatfield are spending two weeks in Ord visiting friends and relatives. The Hatfields have been living in Texas where he is employed by the Diamond Engineering Co. in laying a telephone cable. The Hatfields expect to be next stationed in El Paso.

—Mrs. C. A. Hager and Dr. and Mrs. Chauncey Hager of Denver, arrived in Ord last Wednesday where they were guests of Dr. and Mrs. C. J. Miller. They came to Ord to spend Memorial day. Friday they went to South Dakota where they visited Mrs. Chauncey Hager's relatives. Dr. Hager was married in December following his return from the Pacific theater. He was stationed in a base hospital in the South Pacific for two years.

—Miss Mary Miller, who was graduated from the University of Nebraska Monday, has contracted to teach home economics in the McCook schools. While Dr. and Mrs. Miller and son Roger were in Lincoln for the commencement exercises, they were guests in the C. B. Cornell home.

G. I. FLIGHT TRAINING GIVEN AT BROKEN BOW

The Nebraska Flying Service at Broken Bow airport will soon offer complete flight training to veterans under the G. I. Bill of Rights according to Bob Heilig, manager. A number of veterans are already enrolled and Heilig stated today that he could take care of several more in the class.—Custer Co. Chief.

C.A.A. APPROVAL FOR BROKEN BOW AIRPORT

Mr. Petibone, engineer inspector for the federal Civil Aeronautics Authority, visited Broken Bow, Monday and with city officials inspected the new airport here. He gave it full official approval and spoke well of the fine job of developing the property.

City officials state that a small amount of work is being done to further smooth the runways before seeding work is completed. They also stated that electric cable has been obtained to carry electric current underground to the airport so that full electric facilities will be available there soon. Wells have been completed and the airport now has an ample water supply.—Custer Co. Chief.

GREELEY WILL CELEBRATE 4th

Plans are now underway for a celebration to be held in Greeley July 4.

A complete program, including baseball games in the afternoon, is being formulated by the committee in charge.

The day's activities will close with a dance in the evening.—The Greeley Citizen.

REA GIVES CUSTER DISTRICT $176,000

Word was received here Friday by Custer Public Power District officials that an additional allotment of $176,000 had been approved by REA Administrator Claude R. Wickard.

According to Homer Loutzenheiser, district manager, the Custer district had applied to REA for additional funds about the middil of February. The new allotment money will be used to supplement the original "A" Section allocation made by REA last September and will now make it possible to construct a large step-down sub station and approximately 20 miles of three phase feeder lines throughout the heart of the "A" section project. — Custer Co. Chief.

Ord Girl Paints Panels at Rodeo Ground Entrance

Miss Clarice Fiala has given a good display of her ability as an artist on the panels flanking the main entrance to grounds of Nebraska's Big Rodeo at Burwell. Miss Fiala spent the weekend in Burwell where she painted the likeness of a cowboy bulldogging a long horned Texas steer on the panel on the right of the entrance and one of a bronco in action with a cow puncher on his back on the left panel.

Miss Fiala was engaged to do this work by the Garfield Frontier Fair association.

Postal Employees Get Pay Increase

Nearly all postal workers will get a $400 yearly pay increase as a result of the bill which became a law by President Truman's signature. Those who don't get the $400 increase are fourth class postmasters who will be paid an increase of 20 per cent and part-time workers who will get 20c additional pay per hour. The law is retroactive to Jan. 1, 1946.

Firemen to Hold Dance August 1

A benefit dance, proceeds of which will go to the rural fire truck fund, will be given August 1st at the Bohemian hall in Ord. Feature of the dance will be the door prize, a purebred Hereford cow which the firemen have secured from the W. O. Zanger herd. The cow is Flora Anxiety, calved November 6, 1945, bearing registry number 4621229, and sired by Choice Domino Anxiety. Advance sale of tickets will start in about two weeks.

McCall-Sedlacek Nuptials May 28

Miss Dorothy McCall became the wife of Emanuel Sedlacek in a beautiful wedding ceremony in Our Lady of Perpetual Help church at 9:30 o'clock, the morning of May 28. The bride is the grand daughter of Mrs. Frank Blaha Sr., and the bridegroom is the son of Mr. and Mrs. James Sedlacek of Arcadia. The double ring ceremony was performed by the Rev. Thomas Siudowski.

The bride preceded by the bride's maids walked to the altar to the strains of Lohengrin's wedding march played by Miss Margaret Petska. After the offeratory, "Ave Marie" was beautifully sang by Miss Jean Blaha, the bride's cousin, accompanied by Miss Petska.

A very impressive part of the ceremony was the placing by the bride of her bouquet on the altar of the Blessed Virgin. The bride was dressed in a beautiful floor-length white satin and net gown with a long net train and a lace finger tip veil caught with orange blossoms. She wore a strand of pearls, the gift of the bridegroom, and pearl ear rings, and carried a crystal rosary and a white satin-lined prayer book with streams of white satin deftly caught with fern. The rosary and the prayer book were gifts of the bridegroom's parents.

The bride's maids wore identically styled floor length dresses. Miss Arlene Hurt of Ashton, the bride's cousin, chose blue and Miss Margaret Blaha of Elba, a cousin of the bridegroom, wore pink. Both carried colonial bouquets and had net bands and orange blossoms in their hair.

The bridegroom chose a brown double-breasted suit and a white carnation bouttonaire. He was attended by Marvin Setlik and Robert Sestak, both of whom wore dark suits and pink carnation bouttonaires.

After the ceremony a bountiful breakfast, supervised by the Mesdames Frank and John Blaha with other relatives assisting, was served in the Blaha home. A beautiful three-tiered wedding cake decorated in pink and white, with pink tapers at its sides formed the table centerpiece. The dining room was decorated in pink and white and was adorned with peonies and other garden flowers.

After a 5 o'clock dinner, a wedding cake was given by the bridal pair for their many friends and relatives in the Ord Bohemian hall.

A few weeks ago the bride graduated from the Ord high school with the class of 1946. The bridegroom graduated from the Comstock high school in 1943. They will make their home on a farm thirteen miles south west of Ord where the bridegroom has lived for more than a year.

Out of town relatives who attended the wedding were Mrs. Pearl Libby and two children of Springfield, Ore., Mr. and Mrs. Ed Kaminski and son, Harold, of Seattle, Mr. and Mrs. Joe Blaha of Elba, Mrs. Anna Hurt and family of Ashton, Mr. and Mrs. Louis Oseka and family of Loup City, Mr. and Mrs. Anton Jerabek and family and Mr. and Mrs. Will Jerabek and family of Farwell, Mr. and Mrs. David Schaff and family of Grand Island, Mr. and Mrs. Don Tolbert and Theresa of North Loup, Mrs. John Kiser and family of St. Paul, Mr. and Mrs. Joe Blaha and Adelaide of Ericson and Mr. and Mrs. Floyd Kaslon of Ashton.

—Richard Blaha is spending his summer vacation working on the farm of his uncle, Joe Masin.

Cute tricks with June vegetables

Double your enjoyment of the grand variety of colorful, garden-fresh vegetables that are plentiful in June by preparing them in different ways. Take a look at these bright ideas on the subject.

MAIN DISH EGGPLANT—Cut eggplant in half lengthwise and parboil for 15 minutes. Scoop out center, mash and combine with chopped cooked meat, ½ cup of bread crumbs, grated onion, and seasonings to taste. Add a beaten egg and mix well. Refill shells, dot with butter or margarine, and bake in hot oven (400° F.) for 15 minutes. Serves 4 to 6.

CARROTS AND SQUASH—Cut carrots and zucchini or Italian squash in thin slices, and steam in just a bit of water until tender, about 10 minutes. Season with salt, pepper, onion juice and sprinkle with grated cheese to serve.

BROCCOLI—Season cooked broccoli with salt, pepper, and a tablespoon or two of orange juice. Top with grated orange rind to serve. Simply delicious!

GLORIFIED GREEN BEANS—For a pleasing new flavor, sprinkle green beans with a bit of nutmeg just before serving.

TOPPED ASPARAGUS — Cook asparagus stalks separately from tips. When tender, drain and mash stalks, adding a bit of evaporated milk and butter or margarine for a creamy consistency. Season and serve as a sauce over the asparagus tips.

Death Relieves Jimmie Wagner

Burwell Boy, Not Yet Five, Dies Friday After Long Period Of Suffering.

The angels came early Friday morning and took Jimmie Wagner away to a place beyond the clouds where pain and suffering are unknown. Jimmie was the son of Mr. and Mrs. B. W. Wagner of Burwell. About six months ago he was stricken with lymphic sarcoma, a malady for which medical science holds no cure.

He was taken twice to Mayo clinic in Rochester, Minn., where all the human aid was extended in his behalf to little avail. Death was the only relief for his suffering.

Jimmie was born in Burwell July 2, 1941. He was an unusually bright and attractive child and made many friends during the brief years of his life. During the long examinations and many treatments which he received at Rochester he became well known to many of the doctors and nurses there who developed an affection for him and an admiration for the way he bore his suffering and discomforts.

The Congregational church in Burwell was filled Sunday afternoon with people who grieved that Jimmie's life could not have been spared. Comforting words were spoken by the Rev. K. E. Harris and Mrs. Wallace and Mrs. Langstrom sang. The casket was borne by Roland and David Tunnicliff, Bob Hallock, Gale Demaree, Lyle Norland and Rodney Holloway. A long procession of cars followed the hearse to the cemetery where the little form which had borne so much suffering was laid away.

Besides his parents Jimmie leaves two brothers, Bernard Jr. and Dan, two sisters, Barbara Ann and Rosemary, three grandparents, Mr. and Mrs. F. F. Wagner and Mrs. Rose Webster, who has made her home with the B. W. Wagners and devoted her entire time to Jimmie or taking care of the household duties so that his mother could be with him.

Out of town relatives who came to attend the funeral were Mr. and Mrs. William Webster and Mr. and Mrs. Jesse Webster of Hastings, Mr. and Mrs. Mark Wagner and family of Scotia and Mr. and Mrs. Harry Jarmin of Ogallala. Mrs. Jesse Webster and Mrs. Jarmin are staying with the Wagners for several days.

During Jimmie's long illness countless people called to offer assistance and sympathy. One man living in Lincoln, who became acquainted with Jimmie, wanted to send the roses from his garden for the funeral. He could not get any transportation for them and so he loaded them into his car and drove to Burwell with them.

Friends kept Jimmie continually supplied with books, toys, delicacies which helped much to amuse him during his long hours in bed. After his death much excellently prepared food was brought to the Wagner home by women who regretted there was not something more they could do. The kitchen became crowded with cakes until a table was set up on the back porch to receive them.

The members of the Domestic Science club prepared and served a vary fine dinner Sunday to all the Wagners and relatives who came. The flowers sent by friends filled the front of the church and continued to come Monday from friends who had learned of Jimmie's death too late or who were unable to get their tributes delivered in time for the funeral.

—Mr. and Mrs. Allen Zikmund and daughter, Sue Allene went to Lincoln Friday morning to make their home, while Mr. Zikmund attends the University of Nebraska where he is working for his master's degree. They have been living with his parents in Ord since his release from the navy. Recently they returned to Ord from Agra, Kans., where they spent two weeks visiting Mrs. Zikmund's folks.

—Guests in the Henry Zikmund home Memorial Day were Mr. and Mrs. Hollis Campain and family of Osceola and Mr. and Mrs. Herman Stowell and family.

—Guests of Mrs. Dora Jorgensen this week are Mrs. Dagmar Cushing of Omaha and Mr. and Mrs. L. A. Christensen and Mary Lou of Shelby, Mont. The Christensens are having a longer visit here than they had anticipated as they are waiting for her mother Mrs. Daily of Fremont to recover from an accident before they return home.

—Miss Joy Larsen, the daughter of Mr. and Mrs. Arthur Larsen has returned from Blair where she completed a two year course in business administration at Dana college.

CAN'T KEEP GRANDMA IN HER CHAIR

She's as Lively as a Youngster—Now her Backache is better

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

the North Carolina College for Women, Bloomsburg State Teachers college in Pennsylvania, Oshkosh State Teachers college in Wisconsin, the University of Tennessee and the Ohio University. Mrs. Pollak moved away from Ord about forty years ago, and as far as the Quiz can learn has no relatives living here.

Old Campaigner

Mrs. Gillespie has several times come quite near to success in her campaign to get elected to congress. She is the daughter of the late County Judge Gudmundsen, is a sister of Curtis Gudmundsen, Mrs. Emil Fafeita and Mrs. Henry Enger of Ord and a niece of John Jensen of Burwell. Her friends and relatives in this locality can not vote for her, however, as Omaha comprises the major part of the electorate of the first district where she is running. Mrs. Gillespie is a veteran newspaper woman and was the first woman to be elected to the state legislature. She is a farmer's wife.

—Mr. and Mrs. E. C. Leggett and children will leave Sunday morning on a two weeks' vacation trip, going first to Eaton, Colo., where they will visit the Ralph Misko family for a few days. They also will visit briefly at Ft. Collins, Colo., with Harry Williams and family, well known in Ord. From there they will go to Estes Park to attend the convention of the National Editorial Association for 3 days and then will join an NEA—sponsored special train trip to Yellowstone Park and other scenic Rocky Mountain places.

—Mrs. W. L. McMullen Sr., of Burwell was released from the hospital in Hastings Sunday where she submitted to an operation for the removal of a cataract from her eye. Her son, Henry, drove to Hastings after her. She and her daughter, Mrs. Will Tunnicliff of Kewanee, Ill., are both guests in the Henry McMullen home. Mrs. Tunnicliff is regaining her health rapidly following an operation in the Clinic hospital. Mrs. McMullen expects to return to Hastings later to have another cataract removed.

—Mr. and Mrs. B. C. Barnes and their son and daughter-in-law, Mr. and Mrs. Ralph Barnes and daughter all of Lincoln were house guests last week of Mrs. Bertha Mason. They arrived in Ord Monday and returned to Lincoln Sunday. Ralph Barnes was released in January after spending five years in the army. He served in the Philippines the last year. The Barnes family came to Ord especially to attend the Memorial day services.

—Mr. and Mrs. E. C. Rector of Aurora and Mrs. Anna Barnes of Cotesfield were guests in the George Lint home Sunday and Monday. Mrs. Rector and Mrs. Barnes are daughters of Mrs. Lint. At one time the Rectors lived in Burwell where he was employed by the Burlington.

—J. A. Kovanda will be one of the speakers at the state conference of vocational agriculture which will be held in Lincoln the last three days of this week. At least seventy-five agricultural teachers are expected at the meeting.

—Mr. and Mrs. Jay Auble and Don and Mr. and Mrs. Alfred Hansen of San Diego drove to Madison Saturday where they were guests in the I. O. Underberg home. When they returned to Ord Sunday Connie Joy accompanied them for a visit with her grandparents. The Hansens left Tuesday for their home in California.

Frank Kriz, 80 Buried Monday

Ord Resident of 33 Years Dies Friday; Was Born In Bohemia.

Frank Kriz, who lacked but a few weeks of being eighty years old died Friday morning at his home in Ord where he had lived for thirty-three years. Funeral services were conducted by the Rev. Carl McConnell in the Hastings-Pearson chapel Monday afternoon. Mrs. Mark Tolen and Mrs. Clarence Davis sang accompanied on the organ by Mrs. Robert Noll. Interment was in the Ord Bohemian cemetery with Frank Krikac, John Moudry, Pete Darges, Anton Guggenmos, Anton Adamek and Frank Adamek serving as pall bearers.

Mr. Kriz was born in Bohemia June 17, 1866. When he was fourteen years old he came to America with his parents. After living for a time in Omaha they homesteaded in Custer county.

In 1889 Mr. Kriz and Miss Josie Severin were married and established their home on a farm near the Woodman hall where they lived for nearly twenty-two years. Thirty-three years ago Mr. and Mrs. Kriz and their family moved to Ord where they have since resided.

Besides his widow, he leaves a son, Henry Kriz, of Seattle, who came to Ord to be present at the last rites for his father, a daughter, Miss Josie Kriz of Ord and a grandson Leland Kriz of Seattle.

Speaks at St. Paul

County Attorney John P. Misko, who is president of the Nebraska Small Business Men's association in the legislative district comprising Howard, Greeley, Wheeler and Valley counties, was the guest speaker at the dinner meeting of the Good Fellows club in St. Paul last Tuesday evening.

The association which Mr. Misko heads is sponsoring the "Right to Work" amendment to the state constitution. The amendment is intended to make it possible for a man to be on a job without joining a labor union, even though the union represents all of the employees on that job.

THE HAIL INSURANCE THAT FARMERS PREFER

Farmers who know prefer to carry their hail insurance with Farmers Mutual, the "old reliable" company that has been protecting crops for 53 years. They can depend on its better production and LOW cost. Look at these 4 advantages —

1. You set your own acre value.
2. You receive 100 cents on the dollar (no pro rata).
3. You get prompt payment after adjustment.
4. You pay one low flat non-assessable rate.

Taxes Hiked on Irrigated Land

The last township assessor turned in his books to County Assessor J. L. Abernethy the first of the week. Mr. Abernethy will be unable to complete his records for thirty days as scattered schedules will be turned in for a number of weeks.

At present he is kept busy sending out postal cards to all the owners of irrigated land in the North and Middle Loup valleys, informing them that the assessed valuation of their land in the North Loup valley has been increased $6 per acre and that in the Middle Loup valley $4. This action was taken by the board of supervisors to equalize the valuation of irrigated and dry land. Up to this time dry and irrigated land have been assessed at the same figure in Valley county.

Land owners who believe that their holdings have been assessed too high may appear before the board of equalization which will meet from June 11 to June 13. This year township assessors were instructed to turn in on their schedules the amount of irrigated land which each taxpayer owned. In cases where the figure was incorrect or the taxpayer believes he is being treated unfairly, he is invited to present his case to the board of equalization.

—Mr. and Mrs. Bill Pierce and son of Kearney and Mr. and Mrs. Paul Pierce and daughter of Hastings were Memorial Day guests of the men's parents, Mr. and Mrs. A. W. Pierce.

Bright flower prints, gayly set in a background of white or pastel colors. Some novelty border prints that make such interesting fashions! Rayon jersey and cool sheers. Sizes 9 to 44.

—Mr. and Mrs. Ray Kerchal and son, Dennis, moved to Lincoln last week where Mr. Kerchal is attending the summer session of the University of Nebraska which commenced June 3. He was formerly with the army air forces and expects to study electrical engineering. Until recently Mrs. Kerchal was employed in the J. C. Penney Co. store in Ord. The Kerchals have purchased a trailer house, which they remodeled and rearranged, where they will live until they can find a suitable residence in Lincoln.

—Mr. and Mrs. Hershal D. Frazier and son, Larry from Palmdale, Calif., are visiting in the Bess Athey, Clare Clement and Earl Gates homes. He is a nephew of Mrs. Athey, Mrs. Clement and Mr. Gates. Mr. and Mrs. Frazier and Larry and Mrs. Athey drove to Omaha Friday evening where they spent the weekend visiting Mrs. Winifred Dustin and daughter, Barbara. Mrs. Dustin is a sister of Mrs. Athey. Barbara Dustin plans to visit in Ord later in the summer.

—Dinner guests in the home of Mr. and Mrs. Archie Geweke Sunday evening were Mr. and Mrs. Lloyd Geweke, Donald and Lloyd and Billy and Clive Cook of Alden, Iowa. Clive, who is the son of Mr. and Mrs. George Cook is visiting relatives in Valley county for several weeks.

—Mr. and Mrs. Harry Wolfe left for California Sunday where they will spend two weeks visiting his brother who lives at Arcata. Mrs. Edwin Hitchman is staying in the Wolfe home while they are gone. The Hitchmans are moving from Lincoln to Callaway where he will be associated with his father in a bank. Mr. Hitchman spent Saturday and Sunday in Ord and will return here again Sunday.

—Miss Dorothy Draver, who is employed in Lincoln, spent the weekend in Burwell with her parents, Mr. and Mrs. Robert Draver.

RUZICKA HARDWARE

SOMEWHAT DIFFERENT.

By John L. Ward

That reminds me of a yarn, posed to be true. Over in Ha- i a bunch of amateur gamblers ked a novice into a game of er. He didn't know the game at first, but they helped him along. After an hour or so the new man thought he had won a hand, and laid down a straight flush. As he reached for the cash another man said: "Let' em lay, I gotta razzledazzle hand". "What's that," asked the amateur. So the other explained that a razzledazzle hand is no two cards alike, and takes anything.

Later in the evening this same man held four aces, and all the rest dropped out except the new man, who kept betting until the other finally was forced to call him, having run out of cash to bet. "What you got?" asked the new man. The other man laid down his four aces, and reached for the pile of money on the table. "Let it lay", warned the new fellow, and laid down the jack of hearts, the nine of diamonds, the seven of clubs, the four of spades and a lonesome deuce, "I gotta razzledazzle hand." And he walked away with about five hundred in cold cash.

* * *

In the game last week the president held the four aces, and he bluffed the railroad men into quitting their strike, for which we are truly thankful. But John L. (Why should he have a name like mine?) Lewis, stayed right in the saddle and made his razzledazzle hand good. He got practically everything he asked for, and now he probably wishes he had asked for more. He will be asking for more before the year is out. The very day John L. signed on the dotted line, the anthracite miners walked out, so we got out of one coal strike and into another.

A few of us have been privileged to live in the Golden Age of America, extending from pioneer days down to the first world war. No nation ever saw a better period of time, and this nation will never see anything like it again, for the age of rugged individualism is now past. From here on to the end of the chapter the government will exercise constantly increasing authority over the individual. I am no longer young, and I hope to remain a rugged individualist until I canter o'er the range.

* * *

Here in North Loup we changed the old song Decoration Day eve to read, "Gang, Gang, the Hail's all Here". It might have been worse, for the rain might have been "All Hail!" Gus Wetzel's big market garden sure took a beating, and some windows were broken and hail screens torn. At the Clem Meyers place most of his fine plums were knocked off and were lying on the ground. This, after they had saved them from the freeze early in May by the use of smudge pots. Some hail stones were the size of hen eggs.

* * *

Early in the year the women were planning how they would put up plenty of tame and wild fruit to help the food shortage during the coming winter. What the frost didn't get, the hail finished, so it will be beans and mush again. At least we will have something to eat, which is more than many millions will have. We can also dream about how good those jams and jellies would have been if we had had a fruit crop, and we can gloat over the sugar we saved by not putting up any fruit at all.

* * *

The Wiegardt family arrived from Oakland last week, and were guests in the Joe Marks home in Mira Valley, Alfred drove all the way, and enjoyed every minute of the trip, but he got a few extra gray hairs when he drove into Ord from the Marks place Decoration Day morning, after the heavy rain of the night before. He says that six miles gave him more trouble than he had on the 1,700 miles from the west coast. Our good roads program costs us plenty of money, but the result is certainly worth it.

* * *

Saturday I had a chat with my friend Chris Beiers, who recently returned from a trip to Denmark. He made the trip both ways across by air, and everything was fine, he said, except that on the return trip the plane could not land at Philadelphia because of fog, so they had to circle around for several hours, and that part was bumpy. Chris found conditions in Denmark were not so bad, the Danes having done about as much damage by sabotage as the Germans did. He said food conditions were really bad in England, and he had quite a time getting enough to eat while there.

* * *

Governor Griswold has nothing on me. I am running for office, too, and I have some real competition. What chance have I got to be a delegate with old war horses like Clarence M. Davis and Viggo Hansen in the race, to say nothing of John Misko and Arthelia Ramsey. Griswold has it easy, with only one man to defeat. In this county we got a whole flock of them running for one job, and a job that pays nothing at that. Well, if I get beat I'll have more time for fishing, and the fish have been biting good of late.

Shield Expert Here

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Yancey Hotel, Grand Island, Sunday and Monday only, June 16 and 17, from 9 A. M., to 4 P. M.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge.

IN MEMORIAM

In loving memory of our dear mother, Mrs. Mary L. Sperling, who passed away June 15, 1943.
Do not ask if we miss her,
No one else can fill her place;
Oft we think we hear her footsteps,
Or see her smiling face,
For she left us broken hearted,
Some may think the wound has healed,
But little do they know the sorrow
That is in our hearts concealed.

The Sperling children and families.

Plants

We have the promise of a truckload of Tomato and Cabbage plants for Thursday of this week. Be in early to get what you need in plants. They will be in flats and they will be good.

Replanting Corn

There will be quite a lot of corn to replant. Why not put in 10 to 20 acres of of Dwarf Hulless popcorn? We believe that the price will be attractive next fall if you have good quality popcorn. We have about 10,000 lbs. of real quality popcorn seed. We also have quite a few bushels of early hybrid seed corn.

Forage Seeds

We have a very large stock of forage seed and can supply you with your needs. Atlas Sorgo, Norkan, Grohoma, Kaffir, Sudan, Millet, Milo and Early Kalo.

Hills Chicks

We have had a very good year with Hills Chicks again this year. The last hatch will be the 6th of June. We are now booking orders for next year. If you want chicks later this year we can get them for you from a very reliable hatchery in Missouri.

Grains

Most grains have been very hard to get of late. We have a fair supply of oats but we need wheat, oats, corn and barley. If you have any to sell we will pay you full ceiling prices.

Binder Twine

It will not be long till we are in the midst of a good small grain harvest. Why not come in and book your twine now. It will be subject to cancellation in case of hail or rust. Twine may be pretty scarce before the harvest is over.

Weed Killer and Insecticides

We have in stock Weedicide in convenient size containers. Weedicide has proven one of the better 2-4-D weed killers and we feel sure that you will be well satisfied with it.

In DDT we have this in three forms. We have it in the powder form that is wettable, the oil spray and the emulsion spray. We also have the new fly killer in the Aerosol bomb. This is a very effective DDT Fly killer.

'It pays to buy from Noll.

Supervisors Will Receive Petitions For Weed Control

Proposed District Covers County Except Towns; Sprays To Be Used.

Petitions are being circulated asking that a noxious weed control district be organized in Valley county. According to County Agent C. C. Dale the petitions will be presented to the board of supervisors at its July meeting.

The board will then call for a hearing and after consideration it can either grant or deny the petition. According to present plans the district will include the entire county with the exception of the cities, towns and villages.

The primary purpose of the proposed district is to control the bindweed. Mr. Dale says that the bindweed problem is not as serious in Valley county as it is in the counties south and east but the weed is spreading, "And now is the time to attack before the problem gets too big", he declares, "as it will cost less to eradicate the weed now and it will be much less work."

A farmer who has bindweed on his land may eradicate it himself and work out the assessment made on his property. The weed will be eliminated by the use of chemical sprays. Mr. Dale says that generally two sprayings kill a patch of bindweed. The plan is to have the district purchase spraying equipment and hire a man and one assistant to operate it. All work will be done at cost, Mr. Dale says. Farmers may rent the equipment and do their own spraying.

Townspeople may also rent the equipment or have their property sprayed at cost. Mr. Dale reports that some of the worst bindweed infestation in the county is within the limits of towns. City and town residents may be required to eradicate bindweed by passing an ordinance.

While bindweed is the principal offender in the weed eradication program, action may be taken against other members of the weed family such as leafy spurge, perennial pepper grass, Canadian thistle, Russian knapweed, and puncture vine.

Mr. Dale says that the main advantage in organizing a weed control district is that it affords the only way of forcing eradication along railroad right of ways, irrigation canals, and highways which are a sources of infestation for farm land.

Anders Petersen Interred Tuesday

Ord Farmer, Long in Poor Health; Dies Friday; Born in Denmark.

Anders Martin Luther Petersen, who died at his home west of Ord, Friday night at 11:30 o'clock, was born August 8, 1872 at Seeland, Denmark. He was the son of Mr. and Mrs. Peter Larsen.

With his parents, sisters and brothers he came to this country in May, 1881. After a short stay in Omaha, the family moved to Valley county and settled in the Haskell Creek region, north of Ord, and here he attained manhood.

In 1906 he married Mamie Petersen. They lived on a farm north of Ord until just a few years ago, when they moved to a smaller place west of Ord.

Anders Petersen was reared in the Lutheran church, and he was a faithful member of the Bethany Evengelical Lutheran church of Ord.

He is survived by his wife and three sisters, Mrs. Marie Aagaard and Mrs. Amelia Johnson of Ord, and Mrs. Andrea Madison of Los Angeles, Calif.

Anders Petersen's health has been poor for years, yet he reached the age of 73 years, 9 months and 29 days.

He was buried from Bethany Lutheran church, Tuesday afternoon, 2:30 o'clock.

Belgian Brother Visits Mrs. Bals

Mrs. Charles Bals, shown above with her brother, Gomar Van Henverswyn Lagrange, is very happy. Last week her brother arrived from Deinze, Belgium to visit Mrs. Bals and to take her back to her girlhood home in the old country to visit the relatives whom she has not seen for nine years. —Photo by Swopes

FSA Program Aims To Help Ex-Servicemen

Plans for 1947 Formed at Ord Meeting; 13 Local Veterans Aided.

The way the farm security program can help the returning veteran was stressed at the subdistrict meeting of the F.S.A. in Ord last Tuesday. Ed. R. O. Crowley, district supervisor and Miss Clarice Bloom, state home economist, were the speakers at the meeting which was attended by the personnel of the offices at Broken Bow, Loup City, Greeley, Burwell and Ord.

Plans were made at the meeting for the program which the farm security administration will carry out in 1947. The personnel is most anxious to help returning veterans and ex-service men will be given first preference for loans on any funds which are available to F.S.A. according to Joe Raemakers, the Valley county supervisor.

At present F.S.A. is financing thirteen returned veterans in Valley county. These men have been loaned $27,884.00 by the F.S.A., which has been used to buy machinery and equipment, livestock, feed, seed fertilizer, and for family subsistence. These loans are limited to $2,500.00 with an interest rate of 5 percent and are repayable in one to five years.

In Valley county, two ex-service men have each borrowed $5,000.00 with which they have purchased farms. F.S.A. may loan as much as $12,000 for the purchase of a farm. The borrower pays 5 percent interest and has forty years to repay the loan. Loans are made only on farms selling in line with their long time earning capacity. Congress has appropriated $25,000,000 for such loans to World War II veterans. Veterans interested in farming and who need financial backing are urged to contact Mr. Raemakers or Mrs. Andersen.

At present F.S.A. has 158 clients in Valley county. Since its operation in the county 208 families who have received holp from the F.S.A., have repaid their loans. Most of these families continue to live on farms in the county, Mr. Raemakers reports.

In her talk on rural health problems, Miss Bloom urged that rural children be immunized against contagious diseases. She recommended continuation of the immunization program in the rural schools.

Mr. Raemakers will not be in his office on Tuesdays for several weeks as he goes to Burwell on that day where he supervises the F.S.A. program in Garfield county.

Arcadian Heads Association of Grand Islanders

Kermit Erickson, well known life insurance agent of Arcadia, was elected president of the Grand Island Association of Life Underwriters at a meeting held in Grand Island Saturday morning in the chamber of commerce rooms. This was the first time that a nonresident of Grand Island has been chosen to head this association. All the other officers selected live in Grand Island.

Bible School at Assembly of God

Gayle White and Maude Kauffman, Bassett, have been selected to conduct a daily vacation bible school at the Assembly of God church beginning June 17 and continued for two weeks. The two teachers have just returned from a special training course at the Northwestern Bible Institute, Seattle, Washington.

North Loup Bank May Be Going By First of Month

The board of directors of the North Loup co-operative credit association unanimously adopted the resolution that they recommend to the shareholders that the association liquidate in favor of the North Loup Valley bank.. A meeting of the shareholders will be held Wednesday, June 19, at 8:00 p.m., in the Strand theater in North Loup.

C. W. McClellan, president of the board of directors of the North Loup Valley bank, which is being organized, reported Monday morning that the board had hopes of having the new bank in operation by July 1.

Arcadians Are To Vote On Hospital

Special Election Called for July 2 to Decide Bond Issue.

Citizens of Arcadia will vote to decide if their town shall build a municipal hospital costing $11,000.00 at a special election July 2. The village trustees decided to call the election after receiving a petition signed by forty-three voters asking that the hospital issue be submitted to the people.

Tho hospital will necessitate the issue of $11,000.00 negotiable bonds by the village. The bonds are to be dated Sept. 1, 1946 and bear 2 percent interest with the provision that $5,000.00 of the bonds shall be paid Sept. 1, 1951 and the remaining $6,000.00 five years later. Interest on the bonds is to be paid annually.

Arcadia has been without a resident physician for a number of years. Its residents are hopeful that doctor may decide to locate in their town and many believe that a properly equipped hospital will be an inducement for one to do so.

J. Andersen Makes Know Nebr. Tour

Chartered Bus Takes Group To Scottsbluff from Omaha To See State.

County Judge John Andersen, who is also secretary of the Ord Chamber of Commerce, and his mother, Mrs. Frances Andersen drove to North Platte last Sunday where Mrs. Andersen visited relatives while the judge joined the Know Nebraska Tour, which the secretaries of the chambers of commerce in the various cities made, starting at Omaha and ending at Scotts Bluff. Mr. Andersen got in on the last lap of the tour only. The tour was made in a specially chartered bus and is sponsored by a group known as Nebracos, which is an abbreviation for the Nebraska Commercial Organization Secretaries.

Monday night he with the other forty-one secretaries were guests of the North Platte Chamber of Commerce at a banquet served by the women of the Episcopal church. The party were guests of the Pioneer hotel in North Platte.

Tuesday morning they resumed their tour stopping to inspect the Kingsley dam near Ogallala. They arrived in Scotts Bluff at noon and were guests at a banquet in the Lincoln hotel. The afternoon was spent on a sight seeing tour of the area around Scotts Bluff, and that evening they were guests at another banquet in the Lincoln hotel.

Buys Marriage License

A license to wed was purchased in Valley county June 7 by John H. Hahn, a farmer from Greeley and Miss Maxine Daudt of Scotia.

High Wind Thursday Damages Buildings

Considerable damage to farm buildings in Valley county has been reported from the high wind last Thursday night. An open shed on the Clate Gilroy farm near Olean was badly damaged. The Armstrong Insurance agency received several reports of losses.

The buildings on the Will Krajnik farm southwest of Ord were damaged by the wind. At the Edgar Lange home in Mira valley a window was blown out. A small tornado evidently struck the barn on the Joe Wadas farm northeast of Ord and twisted the leanto shed addition on its foundation. Shingles were also torn off the roof of the barn and garage.

At the Carl Nelson farm a door was blown off the granary and shingles off the roof of the house. The electrical storm May 29 killed two cows for which claims have been submitted through the Armstrong agency. Bennie Wadas, who lives northeast of Ord and Henry Bruha, who lives east of Elyria, each lost a cow.

Kellogg Gives Old Folks' Home

Generosity of Burwellite Assures Roof for Aged Of Garfield County.

The old people of Garfield county were assured of shelter in their declining years last week when Frank O. Kellogg, well known citizen of Burwell, gave his twelve room residence to the county to be used as an old folk's home. The necessary papers have been drawn up and the residence was accepted on behalf of the county at the last meeting of the commissioners. Mr. Kellogg has reserved a life lease on the property.

The residence, which Mr. Kellogg has generously given, is one of the better ones in Burwell. It is built of cement brick and is located in north part of town across the street from the lots which Joe Homolka gave the city where the Memorial hospital will be built.

Mr. Kellogg gave the house, all its contents and six lots, which present real estate prices, is valued at least $10,000.00. In accepting the gift the county agreed to erect a bronze tablet on the premises designating the house as the Kellogg Old People's home. If the property is neglected or not operated as the old folks home for a period of one year it reverts to Mr. Kellogg's heirs.

Mr. Kellogg is eighty-five years old. For many years he operated a ranch west of Swan lake in Holt county which he still owns. He has two sons, John, who lives west of Burwell, and Irwin who lives in Iowa. For a nmber of years in the twenties, Mr. Kellogg and his wife, who has since died, lived on a farm southeast of Ord. Later they retired and moved to Burwell where Mr. Kellogg has since made his home.

Burwell residents are very appreciative of Mr. Kellogg's gift to them. It supplies a need which has long been apparent in the community. During the W.P.A. days the county maintained a home for old and sick people with the W.P.A. paying for the help and some of the other expenses. While it only partly supplied the need, its discontinuance was regretted by many. The housing shortage has added to the problem of finding homes for old people and Mr. Kellogg has been grieved to see some of his old friends and neighbors live in shacks and old buildings where they could not be comfortable and so he did something to remedy the situation.

Blueprints For Improvements at Airport Arrive

Blueprints for the improvements to be made at Ord's new airport were received by Mayor M. B. Cummins from the state aeronautics commission, Monday and may be seen at the office of the city clerk. Contracts for the improvements which consist of grading, surfacing and seeding the runways, will be let at the meeting of the city council July 2.

Several weeks ago Ord was granted $8,145.00 from the state aeronautics commission for these improvements. Mayor Cummins invites contractors or any one interested in bidding upon the above job to call at the city clerk's office and examine the blueprints.

I. V. Packard of the state aeronautics commission was expected to arrive in Ord last week to determine the location of the quonset hangar, but owing to the great demand upon his time he failed to get here. A representative of the commission is expected before the end of the wek, however. Members of the Valley Fliers, who solicited donations fot the hangar and who intend to aid in the construction of the hangar, are impatient to start the project.

Varied Program Planned For '46 Loup Valley Fair

Midget Races, Ball Games, And Calf Scramble Will Supply Entertainment.

Midget auto races, a calf scramble, ball games and a saddle horse exhibition are some of the features which the program committee are arranging for the Loup Valley Fair to be held in Ord Aug. 26 to 29. Plans for reviving the fair were made at the meeting of the board of directors Thursday evening. During the war the fair was suspended.

Clyde Baker, racing superintendent will go to Denver and Sioux City soon where they hold racing regularly to contact some of the driver's and engage them for the Ord races. Chris Beiers, the track superintendent will soon be busy preparing a speedway. Midget auto races will be the featured attraction on the evening programs.

During one afternoon of the fair a saddle horse show will be held in front of the grandstand. Around $200 in prizes will be paid for the best performances of trained saddle horses. On this day a fine, well-trained saddle horse will be given to the person holding the lucky admission ticket.

One afternoon will be given over to baseball games with the town team and the American Legion Juniors each playing games. For the third afternoon a baseball game and a calf scramble are planned. The calf scramble has provided plenty of interest and entertainment in places where it has been tried according to County Agent Dale.

The board plans to purchase ten or twelve good grade beef calves weighing between 250 and 300 pounds. About three times as many boys will be selected through a drawing and the calves and the boys will be turned loose into the ring and when a boy catches a calf, puts a halter on it and leads it out of the ring the calf is his. The one condition is that the boy must join a 4H club, feed the calf and exhibit it in the baby beef show at the Loup Valley Fair in 1947.

The Ord band will supply music for the fair and the Cudney Border State Shows have been contracted to supply a colorful carnival for the midway. The Quiz is busy printing the premium list for the livestock and agricultural show which the directors expect to be larger and better than any ever exhibited in Ord previously.

The board of directors made a change of policy in that admission will be charged for the 1946 show. The free gate policy, adopted during the years of drouth and depression, failed to draw large crowds or stimulate interest. In view of the better financial condition of the county the board does not feel that an admission charge will be unpopular.

Mrs. Leah Smith Dies At Arcadia

Funeral Tuesday for Woman Who Nearly Attained Age Of 80 Years.

Mrs. Leah Jane Smith, who had lived near Arcadia for thirty-nine years and was nearly eighty years old, died at Arcadia June 7. Funeral services were held in the Methodist church at Arcadia June 11 with the Rev. C. A. Busby officiating. Lowell Finecy sang accompanied by Mrs. Finecy. Interment was in the Arcadia cemetery with Ray Waterbury, Jess Marvel, Dick Woods, John Bray, Earl Snodgrass and Jim Cooper acting as pallbearers. Arrangements were in charge of Hastings and Pearson.

Mrs. Smith was born near Sidney, Iowa June 16, 1866. When she was five years old she moved to Ashland, Nebr., with her parents where she attained womanhood. September 4, 1883 she was married to Austin L. Smith. Four sons were born to this union. One son, Ernest died April 6, 1942 and Mr. Smith died May 6, 1938.

Following her marriage Mrs. Smith and her husband lived at Ashland for several years, leaving there to go to Kansas where they homesteaded and resided for eleven years. In 1907 they left Kansas and moved to a farm near Arcadia where she lived until the death of her husband.

She leaves three sons, Alvin and Forest of Arcadia and Chancy of Doniphan, eleven grandchildren and four great grandchildren as well as many friends and neighbors who will miss her.

—When Mrs. Theron Nolte came home from Clovis, California where she had been visiting relatives, her father accompanied her. After visiting about a week he left with Stanley Nolte to visit relatives at Vilonia, Arkansas. Stanley expects to be gone about three weeks.

Flies from Texas

—photo by Swopes

Here is Mrs. Verl Timmerman alighting from a passenger plane at the Omaha Municipal airport with her three and a half month old son, Edward. Mrs. Timmerman and her son flew to Omaha from Corpus Christi, Texas, June 3. The flight required a little over ten hours and the little fellow apparently enjoyed every minute of it. The same trip by bus or train would have taken three days and two nights.

At Kansas City they changed planes and took a smaller plane for Omaha which rode a little rough and upset the mother slightly but didn't effect the youngster. The Timmermans had been living at Corpus Christi where he was stationed with the marines.

Mr. Timmerman has been discharged and arrived in Ord last Wednesday. He drove to Denver with friends. Mrs. Timmerman was met in Omaha by her mother, Mrs. L. J. Auble and her sister, Mrs. Ed Swopes, with whom she drove to Ord. Mr. Swopes who accompanied them to Omaha rented a plane and flew home with Bob Schmidt.

The Timmermans will make their home on a farm in Springdale township where he will be associated with his father.

Auxiliary Answers All Calls for Help

Ord Women Aid Service Men And Their Families with Many Activities.

The American Legion auxiliary of the Fidelity post has concluded another year of service to the members of the armed service of the community or to members of their families in need of assistance.

Mrs. Ella Weckbach, retiring president of the auxiliary announces that all quotas asked by the national or state headquarters have been filled. The work toward the welfare and rehabilitation of service men called for gifts of money for various funds in the way of service and education, gifts for those in hospitals to send to their families at Christmas and Easter, robes for patients in veterans' hospitals and countless other activities as well as much assistance given locally.

The local auxiliary purchased three thousand poppies from the invalided service men and two thousand poppy seals to sell which netted about $285.00, half of which is sent to the state headquarters to be used for the rehabilitation of veterans or to aid their families and the other half remains here to be used for local needs or servicemen and their families.

Through the sale of magazine subscriptions the auxiliary has bought an invalid's bed and a wheel chair which will be stored in a convenient place for the use of any one in this community. In addition $120.00 was added to the auxiliary's general fund by the magazine drive.

Bible School to Be Held at Christian Church 2 Weeks

A daily vacation bible school will be held in the Ord Christian church starting Monday, June 24 and lasting two weeks. All children over the age of four are welcome to attend. The school will open at 9 o'clock and close at 12. There will be no afternoon sessions.

Specially trained teachers have been engaged as instructors. The Misses Thelma Buskirk and Wanda Swoveland of the Manhattan Bible college in Manhattan, Kans. and Miss Helen Nelson of Ord will conduct the classes.

Butler Victor Over Griswold By Wide Margin

Candidates Endorsed by Parties Win in Every Place on Ballot.

Voting Very Light

Abernethy and Jablonski Ahead; Republicans Endorse Bob Hall.

Like the rest of Nebraska the voters of Valley county expressed a preference for Hugh Butler over Dwight Griswold for United States senator in Tuesday's Republican primary election. In Valley county Butler received 379 votes to 255 for Griswold. Val Peterson won the Republican nomination for governor getting 252 votes in the county. Arthur J. Weaver was second high with 177. Joe Wishart who received the second endorsement at the Republican state convention was third with 112 votes.

In every instance the candidates who were endorsed at the party conventions were nominated. The vote in Valley county was extremely light. A total of 913 ballots were cast. In the general election in 1944, 3609 people voted in Valley county. Voting in rural townships was especially light as the farmers were busy in the fields and the warm weather did not prove to be conducive to a large vote.

In the county contest Jason L. Abernethy, present county assessor was renominated by a vote of 418 to 155 for John H. Lee. Joe Jablonski won the nomination on the Democratic ticket for supervisor in District 1 by a margin of 13 votes. Joe got 5 votes in Noble township, 30 in Elyria and 14 in Eureka. His opponent John B. Zulkoski got 2 votes in Noble, 32 in Elyria and 2 in Eureka.

There were no other local contests. The Republicans decided to adopt Sheriff Bob Hall. One hundred twelve of them took the trouble of writing his name in on the Republican ticket which was enough to insure him the Republican nomination even though he filed on the Democratic ticket. The Democrats gave him 235 votes.

Tho total of the votes cast in the county follows:

O'Connor-Scott

Miss Alice H. O'Connor married L. L. Scott at a church ceremony in Ord Wednesday even-

Baskets of white peonies and roses with potted ferns arranged in the altar with an arch clinging pink rose trellis formthe back ground, and lighted candles in seven-branched candelabra on either side were a pleasing setting for the marriage of Miss Margaret, daughter of Mrs. Christine O'Connor, to Mr. Rex L. Scott, which was an event of Wednesday evening, June 5, at the Congregational church. The church was filled with guests for the reading of the lines of the 8 o'clock service by the Rev. James Vander Heide. Mrs. Lowell Finecy played the wedding music and accompanied Milton O'Connor, Neva Hawthorne Kessick and Lowell Finecy, who sang preceding the double ring ceremony. The bride was given in marriage by her uncle, H. N. Hatt. Her gown was silk marquisette fiteed bodice, which had a heart-shaped neck line, and short puffed sleeves, and a skirt of accentuated fullness which was trimmed in corded silk braid design. The bridal veil was three quarter length, matching gown trimmed in silk embroidered lace and a beaded crown held in place with orange blossoms. She carried a bouquet of pink roses. Arm length white silk gloves and a single strand of pearls and ear loops, a gift from the bridegroom completed her ensemble. The couple was attended by her brother and wife, Mr. and Mrs. Milton O'Connor of Lincoln, and the ring bearer, their little daughter, Jeanette, who carried the two rings in a single white peony with pink and white streamers. Mrs. O'Connor wore a blue silk marquisette with full skirt and fitted square necked bodice, and trimmed in silk embroidered lace. The ring bearer was dressed in white organdy. The bridegroom and attendant wore gray suits. Ushers were Ernest Easterbrook and Anton Nelson, who also lighted the altar candles. A reception was held in the church parlors, following the ceremony. The bridal tables were arranged and decorated to seat the party and relatives. Other tables were decorated with low bouquets for the guests. A special table was beautiful with a huge four tier cake made by Mrs. C. C. Hawthorne, Miss Rosa Minnie cut and served the cake. Mrs. Nellie Royce and Mrs. Ida Bowman sat at either side of the table and poured. Assisting at serving ice cream were Mrs. Grant Cruikshank, Mrs. George Parker, Mrs. Charles Hollingshead, Mrs. John Bray, Mrs. Anton Nelson and Mrs. Leona Rounds. Mrs. D. O. Hawley took care of the gifts and Mrs. Edith Bossen the guest book.

Mr. and Mrs. Scott drove to Grand Island that evening where they boarded the streamliner for Denver for a ten days stay. Mrs. Scott wore a green wool gaberdeen suit with hat and purse to match. Mrs. Scott graduated from the Arcadia high school and attended Kearney State Teachers college. Mr. and Mrs. Scott have both taught in the Arcadia school. Mr. Scott graduated in Fremont and attended the university in Nebraska and Colorado.

Included among the out of town guests were Mr. and Mrs. Robert Larson of Boelus, Mrs. Maren Jensen, Boelus, Mr. and Mrs. Harry Denison, Los Angeles, Mr. and Mrs. George Kaelin, Weissert, Mr. and Mrs. Milton O'Connor, Jeanett and Herbert of Lincoln, Mrs. Alton Hatt and son, Russell, of Dannebrog, Mr. and Mrs. Albert Larsen, Dannebrog, Mr. and Mrs. Hans N. Hatt, Dannebrog, Mr. and Mrs. Ivan Hunkins, Comstock and Mrs. Albert Kassik, Milligan.

Wedding Anniversary

On Sunday, June 9, Mr. and Mrs. Mark Holm of Elba observed their 57th wedding aniversary. Their daughter, Mrs. F. L. Blessing and Dr. Blessing arranged a dinner for twenty-five relatives at the Jones cafe. In the afternoon a coffee party was held at the Blessing home and a number of old friends of the couple from Elba drove up to extend their good wishes. Mr. and Mrs. Holm have lived in Elba their entire married life, where for many years, Mr. Holm was in the banking business. The Holms have one son, H. P. Holm of Omaha, and another daughter, Mrs. G. G. Hansen of Stanton, Nebr., both of whom with their families, were in attendance at the anniversary party. Relatives from a distance were Mr. and Mrs. Andy Rasmussen of Los Angeles, Mrs. Rasmussen is a sister of Mrs. Holm.

A number of beautiful bouquets of flowers were received by Mr. and Mrs. Holm from Ord friends.

—Mrs. F. L. Blessing motored to Grand Island on Wednesday to meet her aunt and uncle, Mr. and Mrs. Andy Rasmussen of Los Angeles. Mr. and Mrs. Rasmussen came to Nebraska by plane, although both of them are in their late seventies they are very enthusiastic about air travel.

—Mrs. D. A. Moser, who has celebrated her ninety-first birthday aniversary, met with a misfortune last Monday when she caught her finger in a clothes wringer. Dr. Barta, who was called to attend her, used two sutures to close the lacerated flesh. Mrs Moser is now almost completely recovered.

—Mrs. Raymond Cronk and son are expected home from Lincoln today, where they spent a week visiting friends and relatives.

—Mrs. F. F. Wagner of Burwell went to St. Joseph, Mo., Monday where she is visiting a cousin and an aged aunt, who is in poor health. Mr. Wagner and Naomi took her to Grand Island where she boarded a bus. Miss Helen Wagner visited in the home of her brother, Mark, at Scotia Monday while her father and sister were in Grand Island. Miss Naomi Wagner, who has taught in the Howard school at Grand Island for several years has contracted to teach at Pheonix, Ariz. next year.

—Miss Adelaide Mason is a new employee in the Noll Seed store.

ICED TEA—For truly delicious, full-flavored iced tea, always make it fresh and in double strength. Allow 1½ to 2 teaspoons tea for each standard measuring cup of boiling water. Pour the water, freshly boiling, over tea in heated earthenware, china, pottery, or glass container, cover and steep 5 minutes. Strain immediately and pour over cracked ice or ice cubes.

SP-ICED TEA—Pour 4 cups freshly boiling water over 8 teaspoons tea in heated container. Add 2 or 3 mint leaves and ½ teaspoon allspice. Cover and steep 5 minutes. Strain immediately and add 1 cup orange juice and ½ cup lemon juice. Pour over ice and sweeten to taste with honey or sugar. Serves 6 generously.

Our Service Men

★ Bergen, Norway—(Delayed)—John W. Paddock, turret captain, first class of North Loup left this seaport May 29, aboard the cruiser, USS Houston, flagship of the 12th Fleet, which completed a six day courtesy call here. The Houston, accompanied by two destroyers, returned to the British Isles, to take part in the Victory Day celebration at Plymouth, England. The Norwegian cruise marks the first courtesy visit which U. S. ships have paid to Norway since before the war. The trip was made as part of a training cruise in European waters.

★ Dee Borden who is attending Purdue university in Indiana spent several days last week in Burwell visiting his parents, Mr. and Mrs. A. E. Borden and his brother, Joe. Dee is in the navy and attends college under the naval officers training program. He is studying business administration and civil engineering.

★ Edmund Bartusiak arrived home Monday after spending two years in the army. He is the son of Mr. and Mrs. J. L. Bartusiak of Burwell. Edmund was discharged at Fort Leavenworth and had just returned from Germany where he spent fourteen months. He was in the Forty-second Cavalry of the Third army.

★ George Rasmussen arrived in Ord Thursday evening where he is visiting his mother, Mrs. Ella Rasmussen and his brother, Tom. George is spending a 20 day delay enroute from Sacramento to New York City, where he will be transferred from the service command to the military police. He expects to return to Sacramento, where his wife lives, soon on a forty-five day furlough from the army. George enlisted in the army for three years in December following his release from the navy. George left home when he was sixteen and joined the merchant marines. He resigned from the merchant marines to enlist in the navy. After his discharge from the navy under the point system he enlisted in the army. He states that he prefers the army to the navy. He is now twenty years old.

Guy Keep, who has been stationed in Calcutta, India for a number of months, called his grandmother, Mrs. Laura Thorne, from Hayward, Calif., to tell her that he has safely landed on American soil once more after being on the water since May 6. The call was transferred to the Clinic hospital where Guy talked to his father and his sister, Mrs. Eleanor Beeghly. His mother was not strong enough to reach the telephone. Mrs. Beeghly with Geraldine and Johnnie came Memorial day to be with her mother, who is convalescing following major surgery.

G. I. LOANS

In the 30 days we have made and made commitments on 24 such loans to veterans to buy, build or remodel homes

There's A Reason!

Behind every loan we have made are hours and hours of painstaking work—housing problems are complex now—government red tape hampers.

We feel we have eliminated the bulk of this. We have our own housing appraiser — in other words, WE have the say-so, not some agency in Omaha or Washington.

All you need is your certificate of elgibility for a G. I. loan. Securing this is simple—or we'll get it for you . . . Then, let's sit down and talk it over. If you have a meritable proposition, we'll give you fast action.

★ ★ ★

Under present rulings, an honorably discharged veteran may have 50% of his loan, up to a maximum of $4,000 guaranteed by the government. However, $4,000 is not the limit you can borrow—If you need more for a good reason, talk it over with us. We're in the business to lend money.

JUNE 30 A BIG DATE FOR ARMY MEN!

If you have been discharged from the Army—if you held a grade and wish to retain it—if you have dependents—then act *now*. . . . June 30, 1946, is the last day on which you can enlist in the Regular Army and still take advantage of two important benefits . . . *retention of your old grade and family allowances.*

Family allowances for your dependents will be continued throughout your enlistment *only* if you enter the Regular Army before July 1, 1946.

If you have been discharged from the Army and wish to reenlist at your old grade, you must enlist within 90 days after your discharge. And before July 1, 1946. Think it over. Act now.

Police Chief Herbert D. Kimsey of Seattle, Wash., discovered an old Seattle law requring swimmers in public pools to wear "a suitable bathing dress, which shall at least cover the body from the the waist to the knees." "Good heavens," said the chief. "We can't start enforcing a thing like that. Every shapely woman in Seattle, and some others, would be on our necks. A policeman wouldn't be safe on the streets."

WOODMEN HALL

(Written for last week)

About 1¼ inches of rain fell Wednesday night which gives us sufficient moisture for the growing crops at the present time although we need warmer weather. The temperature dropped to nearly freezing a couple nights last week. First cutting of alfalfa has been cut, but is very light on account of the heavy frost of the 9th and 10th of May.

Mrs. Edith Haynes and Mrs. Myrtle Wait were Sunday visitors of Mr. and Mrs. Charles Krikac.

Ed Waldmann arived home Saturday after spending a week in Omaha seeking medical aid.

Birth Almost Double Deaths

Births were nearly double the number of deaths in Nebraska last year, the state department of health said today. There were 24,292 births and 12,446 deaths.

The birth rate was even with that of 1944 and the death rate was .04 per cent per thousand of population higher.

Average age of Nebraskans dying during the year was 61.6 years, highest since 1939.

Heart disease was responsible for 2,264 deaths in 1945 followed by cancer 1,759 and cerebral hemorrhage 1,357.

The state had 18 homicides and 159 recorded suicides, both being higher than in 1944 when there were 17 homicides and 135 recorded suicides.

Total accidental deaths numbered 906 with automobile accidents heading the list with 207, auto and train collisions took 23 lives, airplane and balloon accidents 20, railroad accidents 25, excessive cold eight, excessive heat five and street car accidents five.

Rev. A. C. Ehret had one of the busiest days of his career as a minister last Wednesday when he officiated at three weddings. In the forenoon he went to Greeley for a wedding at the Methodist church, and in the afternoon a Greeley couple came to North Loup and were married at the parsonage. In the evening he officiated at the Maxson-Brannon wedding in the Seventh Day Baptist church. Mr. Swopes of Ord, also had a busy day, for the Maxson-Brannon wedding was the fourth he had taken pictures of and he said he had to turn down invitation to two others..

Mr. and Mrs. Clyde Barrett, Mrs. Sarah Worrell and Mrs. Velma Hish arrived Thursday from Illinois, called here by the death of George Carroll.

W. O. Gillespie of Murdock spent a day and a night with Mr. and Mrs. H. L. Gillespie last week before going on to Montana for a vacation.

Emil Jensen and Theresa Smith both of Greeley were married Wednesday afternoon at the Seventh Day parsonage by Rev Ehret.

GEORGE CORRELL

George Correll, son of Mr. and Mrs. Lewis Correll, was born May 12, 1890, at Gresham, Nebr., and died at Ord June 5, 1946, aged 56 years, and eleven days.

Being left fatherless while young, his childhood was spent with his grandarents in Seward county. In boyhood he decided a Christian life was the life worth living and joined the First Baptist church at David City. After his grandparents died he came to North Loup. Here he lived with his mother and stepfather, Mr. and Mrs. William Worrell, on Davis Creek, and then with sisters and various people in town. Three and a half years ago he went to live with Elsie Maxson.

While a young boy, his spine was injured and as he had no pain at first, his injury was neglected till too late. Though he was taken to the best doctors and hospitals, nothing could be done and he became a helpless paralytic. Though he was seldom left alone except for a few minutes, but Monday of last week, Mr. Maxson had to go to Ord and while alone, he tried to light his pipe, and set his clothing afire. Before neighbors could answer his screams for help, he was so severely burned that he was past help and died the next morning at the Clinic hospital in Ord.

Funeral services were held Friday afternoon from the Seventh Day Baptist church with Rev. A. C. Ehret in charge. Pall bearers were Ross Williams, Ronald Cress, Cecil Knapp, George Maxson, Everett Wright and Earl Smith.

Surviving are his mother, Mrs. Sarah Worrell, who lives in Illinois, a sister, Mrs. Lloyd Davis of Fleming, Colo., six half brothers and sisters, Mrs. Alice Copeland and Irvin Worrell, of North Loup, Mrs. Velma Hish, Virginia, Ill., Mrs. Blanche Manchester, Minonk, Ill., Floyd Worrell, LaFayette, Ill., Mrs. Lottis Barrett, Rantoul, Ill., and a sister-in-law, Mrs. Merle Worrel; Ord, Nebr., and many nieces and nephews.

Obituary Mrs. Hilda Olsen

Hilda Olsen was born near Lena in northern Sweden on July 28, 1865, and departed this life on June 7, 1946 at the age of 80 years, 10 months and 9 days. At the age of eleven she came to America with her fathers family and settled near Dannebrog, Nebr.

On October 4, 1884, she was married to Frank Olsen at St. Paul, Nebr. Her married life was spent in the vicinity of North Loup, in the Riverdale neighborhood till 1914 when they moved to Alda. She was raised in the Lutheran faith but later united with the Methodist church.

Her husband, two daughters, and a son, and five grandchildren, preceded her in death. Surviving are six daughters, Mrs. Ora Luse, Gardena, Calif., Mrs. Della Frank, Venice, Calif., Mrs. Ethel Louden, Medford, Ore., Mrs. H. A. Schiening, North Loup; Mrs. M. J. Duncan, Wod River and Mrs. Rudolph Hehnke, Grand Island. One son, Elmer Olsen of Kanorado, Kan., fifteen grand children, ten great grandchildren and one brother.

Just this morning had two farms taken off the market. So you see that some land owners have got the notion that this land is going to be worth more money and that they will just hold it a while for better prices. But we can sell you some real good buys at no advance in prices, most any size places. So let's get yours bought before you have to pay more for what you want. Do not forget your Insurance. Better add some to what you now have, for your buildings are worth a lot more than you did think they were worth. Have protection.

Wins Many Honors

Irene Auble

Miss Irene Auble, who graduated cum laude from Hastings college last week was awarded the Bronco award for constructive college citizenship. Usually the award is given to but one member of the graduating class but this year the judges were unable to decide between Miss Auble and Miss Regina Herrmann of Bayard and so they compromised by giving the Bronco award to both of them.

The selection was made by a committee of faculty members and students who are especially elected to select the persons so honored. The presentation was made at the honor day convocation held May 31.

Miss Auble was president of the Chi Omega Psi society, and of the women's chair and council. This year she was selected as a member of Who's Who in American colleges and universities. She has been vice-president of Taylor hall, president of Westminster guild, editor of the Bronco and co-editor of the Collegian. She was treasurer of the senior class, secretary of the Student Association, social co-chairman of Taylor hall, and has served on the Women's student government board, the women's athletic association, and the Y.W.C.A. cabinets.

Last week she was a soloist at the annual commencement music hour. Only four students were asked to present solos on this program. She also won the badminton tournament the same week.

Hill - Borden Wedding

Miss Phyllis Jean Hill, daughter of Mr. and Mrs. Alfred L. Hill of Ord, became the bride of Arthur Joe Borden, son of Mr. and Mrs. Arthur E. Borden of Burwell, at a ceremony solemnized June 8 at 2 o'clock at the home of the brides parents. The Reverend R. T. Cordry officiated with a double ring ceremony in a setting of tall baskets of peach gladioli and white daisies, flanked by tapers in candelabra.

The bride's cousin Mary Catherine Travis lighted the tapers. Mrs. William Novasod, Jr. played the nuptial music.

The bride wore a street length dress of beige mesh with white accessories and a shoulder corsage of talisman roses.

Mrs. Borden graduated from the Ord high school with the class of 13 and attended Hastings college, where she was a member of the cornet choir and Kappa Rho Upsilon Society. Later she was employed by the Farm Security Administration in Grand Island and St. Paul and recently at the Nebraska State Bank in Ord.

Mr. Borden, a graduate of the Burwell high school, was employed on the testing line at Beach-Aircraft in Wichita, Kans. before entering the service. He served in the Army air force for three years, going overseas as an engineer on a Flying Fortress and was stationed on Guam and Okinawa. At the time of his discharge he was a staff sergeant and had made many bombing missions over Shanghi and Japenese possessions.

Only the immediate families and a few close friends of the couple were in attendance at the wedding.

After a reception the couple left for a short trip. They will make their home in Wichita, Kans., where Mr. Borden will be associated with an areonautics school.

Mr. and Mrs. Vernon Claybaugh

Miss Betty Bratka was married June 5 to Vernon Claybaugh in the home of her parents, Mr. and Mrs. James Bratka, who live east of Burwell and north of Ord. They entertained their many friends at a wedding dance the same night in the American Legion hall in Burwell.

Vernon is the son of Mr. and Mrs. J. W. Claybaugh, who live north of Burwell. He was discharged from the army last November after serving many months overseas. He now is employed in the Huckfeldt International Implement shop in Burwell. The newly wedded couple will make their home in the Ed Heitz house in east Burwell which they have purchased. Mr. Heitz is building a new home.

Class Reunion

Ten members of the Class of 1916 of the Ord high school with members of their families gathered at Bussell park Sunday for a reunion picnic. The ten class members present were James Ollis, Mr. and Mrs. Alfred Weigardt, of Alameda, Calif., Nora Jorgensen Collison of Bruning, Miss Clara Jensen, Miss Ruth Milford who teaches in Omaha, Mrs. Lydia Gruber Fafeita, Mrs. Zelma Nelson Peterson of Grand Island, Dr. Wilbert Nay of Albion and Archie Geweke.

Mrs. Ollis, Rudolph Collison, Frank Fafeita and Jim, the four Peterson children, two sons of Dr. Nay, Mrs. Geweke, Mr. and Mrs. Lloyd Geweke and son were also present. Three women, who taught in Ord high school when the Class of '16 were pupils, also attended. They were Mrs. Jake Severns, with Mr. Severns and family, Mrs. Bert Cornell and Mrs. Evet Smith. Letters were read from Miss Bess Alexander of York, a teacher, Ross Brown of Minneapolis, a classmate and Mrs. Pearl Pazant Bartz of North Loup. The class of '16 has held a reunion every five years since it graduated. The members are already looking forward to their next reunion in 1951.

Surprise Party

Mrs. George Anderson was the guest of honor at a party in the V. A. Andersen home Monday evening, which was Mrs. Anderson's birthday anniversary. Mrs. V. A. Andersen asked Mrs. George Anderson to spend the evening with her while their husbands attended the firemen's meeting. Mrs. George Anderson was taken completely by surprise when a number of other friends arrived at the Andersen home to stage a celebration in her honor.

—Lloyd Parks of Atkinson has spent the last week in Ord where he is helping his father build a grain elevator at the Archie Geweke farm. Mrs. Parks is expected to join him here.

—Miss Carolyn Auble is attending a Y.W.C.A. conference in Estes Park. She joined a group of college students at Kearney Sunday who are attending the conference.

—Mr. and Mrs. C. C. Ryne of Lincoln are guests in the E. B. Weekes home.

—Miss Virginia Wozniak and Miss Phyllis Dodge were dinner guests Saturday in the V. A. Andersen home.

—Herman Schrader, who lives in Washington state, and Mrs. Canada of Bertrand were overnight guests Tuesday in the Jake Clayton home. Mrs. Clayton is their niece. Wednesday they with Mrs. Clayton and Mr. and Mrs. Otto Schrader of Taylor drove to Stromsburg where they visited another brother, Fred Schrader, who makes his home there with his daughter, Mrs. Walter Wicklund and Mr. Wicklund.

—Mr. and Mrs. I. E. Davis are moving this week to the Anderson house north of the high school. The Dobberstines have purchased the house where Mr. and Mrs. Davis live and will occupy it themselves.

—Mr. and Mrs. D. A. Haney of Hyannis spent the weekend in Ord where they were guests in the homes of their daughters, Mrs. E. B. Weekes and Mrs. A. R. Jones. Another daughter, Mrs. Del Gardner of Broken Bow submitted to major surgery in a Grand Island hospital Tuesday. Mrs. Weekes will be a frequent visitor in Grand Island while her sister is hospitalized there.

—Mrs. George Round is staying with her mother at Alliance while she is recovering from a minor operation which was performed in the hospital at Alliance.

—The Rev. and Mrs. K. E. Harris went to Gering Monday where they are attending the annual state convention of Christian churches which is being held there. They are expected home Friday.

Valley Co. Has 5 Pupils In Special Course at Lincoln

LINCOLN—Donald Hill, Wayne Zlomke, and Delores Kokes of Ord; and Rita Benson and Benjamin Wall of Arcadia, are among the 239 students attending the summer high school course at the University of Nebraska. The 239 students accepted for the course were selected from over 500 applicants. The program includes intensive study in speech or music, recreation and social activity. Donald, Wayne and Delores are studying music, and Rita and Benjamin, speech. The course lasts from June 6 to June 27.

Chris Beiers Gets Back from Denmark

Chris Beiers returned to Ord last Wednesday after flying to and from Denmark where he visited his aged father. Mr. Beiers reports that living conditions in Denmark are quite favorable. The country, he says, never suffered the privations which were the fate of most lands over run by the Nazis. Food is available with the Danes getting more sugar than the Americans.

Of England, he tells a different story, however. He spent five days in London awaiting a plane for the states and reports that the food situation is very bad. He could not eat the stuff which comprises the daily diet of an Englishman. In England the people are allowed two eggs per month and Mr. Beiers fears that someone there is going without their allowance because of his visit. As he could not eat the fare generally provided, the English were kind enough to give him extra eggs. Of meat there is practically none.

Even though the food shortage is acute Mr. Beiers reports that the English are shipping food to the continent to keep people still less fortunate from starving. He says that a person doesn't hear the British brag how they won this war. "They admit they were licked", Mr. Beiers reports, "but the Germans didn't have the courage or equipment to cross the channel and claim their prize".

—Mrs. Wanda Schmets is a new employee in the county assistance office where she replaces Mrs. Frank Fafeita. Mrs. Schmets will be a full time visitor.

Rural Schools Graduate 78

Kenneth Clement Taught by His Mother Makes Best Grades in Exams.

The valedictorian of the seventy-eight pupils who completed the eighth grade in the rural schools of Valley county is Kenneth Clement. Kenneth's teacher is his mother, Mrs. George Clement. In the state examinations, which incidentally his mother did not give or read the papers, Kenneth made an average of 94.5.

Janet Cook was a close second with an average of 94.4. She and Kenneth started to school together in District 9 but Janet moved into another district. Delores Holoun made an average of 94.2 and Velma Foth an average of 94. Diplomas were awarded by Miss Clara McClatchey, county superintendent, at ocmmencement exercises held in the Ord high school May 29. Owing to the rain only thirty-one of the seventy-eight graduates were able to attend.

Following is the list of the eighth grade rural school graduates. It includes the pupils from North Loup and Elyria as well as the country schools:

Roberta Anderson, Eugene Augustyn, Joseph Babcock, Donald Benben, Carol Benn, Walter Biskeborn, Genevieve Boyce, Luella Boyce, Evelyn Bruha, Lumir Bruha, Kenneth Clement, Kenneth Collins.

Child Badly Burned

Jean Etta Kuklish, the six year old daughter of Mr. and Mrs. Joe Kuklish was badly burned Tuesday morning. She was rushed to the Ord hospital where Dr. Miller attended her.

—Mr. and Mrs. E. A. Ledvina and two children of Roberts, Idaho arrived in Ord last Wednesday to visit with Mrs Vincent Kokes and at the Edward L. Kokes home. E. A. Ledvina is a brother of Mrs. Vincent Kokes and has not been in Ord since thirty years ago.

—Mr. and Mrs. L. V. Kokes of Grand Island, Dr. and Mrs. R. A. Hamsa and two children of Scotia, the E. A. Ledvina family of Roberts, Idaho and Mrs. Vincent Kokes were Sunday supper guests at the E. L. Kokes home.

—Lyle Witherwax suffered a badly lacerated hand Tuesday when it was caught in the blower field cutter at the ONL alfalfa mill where he works. Mr. Witherwax was cleaning out the blower at the time of the accident. He was brought to the Clinic hospital where Dr. Weekes applied several sutures in his hand. He expects to be released Wednesday.

—Mr. and Mrs. Edgar Meier and four children of Peetz, Colorado arrived June 6 and were house guests of the George Bell's until Monday. The Meiers celebrated their ninth, and the Bells their tenth wedding anniversary on Thursday. On Sunday friends of Mrs. Meier, who was formerly Merna Crow, gathered with their families at Clement's grove to picnic and visit. About fifty were present.

—Several carloads of Ord people drove to Burwell Sunday evening where they attended the service in the Christian church and afterwards they were guests at a dinner served in the church basement. The dinner was the culmination of an attendance contest between the Ord and Burwell congregations. Ord won the contest and consequently Burwell as loser paid off with the dinner.

—Mr. and Mrs. Wilbur Taylor and Bobbie of Culver, Ind. arrived in Ord Monday evening where they are spending two weeks visiting his parents, Dr. and Mrs. G. W. Taylor.

—Mr. and Mrs. Wilber Petersen and three children of Minden have been visiting in the Henry Enger home. Mrs. Petersen is Mrs. Enger's niece.

—Mr. and Mrs. John Campbell, Lyle Inness, and Mr. and Mrs. Botts called at the Charley Inness home Tuesday evening to help Mr. Inness celebrate his birthday anniversary.

—Mrs. Bertha Haught of St. Paul, Minn, visited Mrs. Botts Thursday afternoon.

—Mr. and Mrs. R. E. Collison and Gerald of Bruning were guests of her sister, Miss Mena Jurgensen and other relatives in Ord over the weekend.

—Mr. and Mrs. Edward Urban and daughters left enroute for their home in Orland, Calif. Monday morning after spending several weeks visiting friends and relatives in Valley county.

VILLAGE OF ARCADIA, NEBRASKA
ORDINANCE NO. 90

ORDINANCE CALLING FOR SPECIAL ELECTION FOR SUBMISSION OF PROPOSAL TO ISSUE MUNICIPAL HOSPITAL BONDS

An ordinance calling a special election in the Village of Arcadia, Nebraska, to submit to the qualified electors of said village the proposition of issuing the negotiable bonds of the Village of Arcadia, Nebraska, of the principal amount of ELEVEN THOUSAND DOLLARS ($11,000.00) for the purpose of erecting and equipping a building for a municipal hospital and levying a tax to pay the same.

BE IT ORDAINED BY THE CHAIRMAN AND BOARD OF TRUSTEES OF THE VILLAGE OF ARCADIA, NEBRASKA:

17-961 to 17-966, R. S. Supp., 1945.

Section 1. FINDINGS OF FACT.— The Chairman and Board of Trustees hereby find and determine: A petition has been filed with the Village Clerk and presented to the Chairman and Board of Trustees signed by 43 legal voters in this village requesting the calling of a special election in said village to submit to the electors of the village the proposition hereinafter stated of issuing bonds of the village of the principal amount of Eleven Thousand Dollars ($11,000.00) for the purpose of erecting and equipping a building for a municipal hospital; the number of voters of this village voting for the office of governor at the last general election was 392. The proposition of erecting, maintaining and managing such a building for a municipal hospital is hereby adopted.

Sec. 2. SPECIAL ELECTION CALLED; PROPOSITION SUBMITTED.—A special election is hereby called and shall be held in the Village of Arcadia in the County of Valley in the State of Nebraska on the 2nd day of July, 1946 at which there shall be submitted to the qualified electors of said village the following question:

"Shall the Village of Arcadia, Nebraska issue its negotiable hospital bonds of the principal amount of Eleven Thousand Dollars ($11,000.00) for the purpose of erecting and equipping a building for a municipal hospital, said bonds to be dated September 1, 1946, and to become due and payable and bear interest as follows: $5,000.00 to be due September 1, 1951 with interest at two per centum (2%) per annum, payable annually; $6,000.00 to be due September 1, 1956 with interest at two per centum (2%) per annum, payable annually: Provided, however, any or all of said bonds becoming due in 1951 or thereafter may be redeemed prior to maturity at the option of the village on September 1, 1951, or on any interest payment date thereafter; all interest shall be payable annually, and

"Shall the Chairman and Board of Trustees of the village cause to be levied and collected annually a tax by valuation on all the taxable property in the village sufficient in rate and amount to pay the principal and interest of said bonds as such interest and principal become due?"

☐ In favor of said bonds and tax

☐ Against said bonds and tax

Sec. 3. NOTICE OF ELECTION.—Notice of said election shall be given by publication three (3) successive weeks prior thereto on June 13, 20 and 27, 1946, in THE ORD QUIZ, a legal newspaper of general circulation in said village, there being no legal newspaper printed therein.

Sec. 4. VOTING PLACE DESIGNATED; HOURS OF ELECTION.— The voting place shall be as follows: City Hall, and the qualified voters shall vote at said voting place and the polls shall be kept open from 8 o'clock A. M. to 8 o'clock P. M. of said date.

Sec. 5. OFFICERS OF ELECTION; BALLOTS; ELECTION SUPPLIES.—Clerks and judges to constitute the election board to hold said election shall be appointed by the Board of Trustees. The Village Clerk shall cause ballots to be printed containing the proposition at length followed by the words "In favor of said bonds and tax" and "Against said bonds and tax", and voters voting in favor of the issuance of said bonds and the levy of said tax shall mark an "X" in the square opposite the words "In favor of said bonds and tax" and voters voting against same shall mark an "X" in the square opposite the words "Against said bonds and tax". The Clerk shall also provide and furnish to the election board poll books with tally sheets and the election board shall count the ballots and return the same with the tally sheets and poll books to the Village Clerk and the result shall be canvassed and declared as provided by law. The Chairman and Village Clerk are authorized to do what ever is necessary to carry out and give effect to this ordinance.

Passed and approved this 10th day of June, 1946.

L. E. Finecy,
Chairman, Board of Trustees

ATTEST:
H. D. Weddel
Village Clerk.

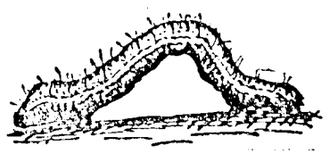
FORGET ABOUT MOTHS!

This Is The Guy That Does the Damage!



Moths, themselves are harmless. It's the eggs they lay that are bad, because they hatch into larvae like this—larvae with voracious appetites.

DON'T STORE SOILED CLOTHING!

That's why it's not safe to store winter clothing unless it is absolutely clean. DRY CLEANING not only kills moths and larvae but it removes eggs too. Putting your clothing away in cedar bags, chests or with moth crystals is helpful, but it's not absolutely sure unless your clothing is clean. Play safe! Have your winter clothing DRY CLEANED before you store it.

Sunday Mr. and Mrs. Millard Kuklish with Judy and David drove over from Sargent. They were accompanied by Fred Nekuda of Sargent who is the father of L. T. Nekuda. The occasion afforded him an opportunity to visit with his son.

Zentz-Tiffany

Sunday afternoon, June 2, at 2 o'clock, Miss Lurene Tiffany, daughter of Mr. and Mrs. C. O. Tiffany of Stapleton, Nebr., and Mr. Robert Zentz, son of Mr. A E. Zentz of Arcadia, were married at the home of the bride's parents, by Rev. Edward Holub, in the presence of 25 guests. The bride was given in marriage by her father. Miss Doris Jean Tiffany, sister of the bride, played the wedding music, and Miss Pauline Tiffany, sister of the bride sang, "The Sunshine of Your Smile" and "Savior Like a Shepherd Lead Them", accompanied at the piano by Mrs. Edward Holub.

The bride wore a floor length gown and finger tip veil and carried a white Bible, gift of the groom. Her corsage was red rose buds. She was attended by Miss Mary Zentz of Arcadia, sister of the bridegroom. She wore a gown of net over blue taffeta and her corsage was baby gladioli. Little Charles Fowler, cousin of the bride was ring bearer.

The groom wore a dark business suit. Wayne Tiffany, brother of the bride served as best man, and wore a dark business suit.

A trellis of peonies, iris and roses, formed a lovely back ground for the bridal party.

After the ceremony, a reception was held at the home of the bride's parents. A three tiered wedding cake decorated with a miniature bride and groom was the center of attraction.

The bride is a graduate of Baker high school of Stapleton, and taught 3 years in the rural school of McPhearson county. The bridegroom attended the Arcadia high school and is an enterprising young farmer of near Arcadia, where they will be at home after June 5.

Jones-Hyblo Wedding

At six o'clock on her wedding morning, the bridal chorus of twenty voices, from the Baptist choir, awakened Miss Charlotte Jones singing, "This is Your Wedding Morn". "Arise Oh bride this is your wedding morn".

Miss Charlotte Jones, daughter of Mr. and Mrs. J. P. Jones, became the wife of Vernon L. Hybl, son of Mr. and Mrs. J. F. Hybl of Grand Island, June 5th, at the home of her parents in North Loup.

Lines for the double ring ceremony were read by the Rev. Samuel Mitchel. The bride was given in marriage by her father. The bride's two attendants were her sister, Mrs. Harold Schudel, as matron of honor, and Miss Eldene Hybl, sister of the groom, as bridesmaid. Harold Schudel and John Lukesh attended the groom.

Preceding the ceremony, Mrs H. J. Hoeppner, aunt of the bride sang "I Love You Truly", and "Because". Mrs. Ruth Hutchins provided the nuptial music. The bridal party descended the stairs to the strains of Lohengrins wedding march, where they met the bride's father, and took their places under a flower entwined archway. It was the same archway the bride's parents, her sister, Mrs. Harold Schdel, and her cousin, Mrs. Ben Nelson used at the respective weddings. Baskets of flowers and ferns completed the decorations.

Mr. and Mrs. Vernon L. Hyble

The bride wore a floor length white taffeta dress and a finger-tip veil. She carried a white bible and white gardenias with satin streamers entwined in flowers, and wore a string of pearls, a gift of the bridegroom. Mrs. Schudel's dress was yellow taffeta and Miss Bybl's was blue taffeta, both floor length. They carried nosegays of roses with ferns.

Miss Jones, a graduate of the North Loup school, has been employed in Grand Island for the past two and one-half years. She is affiliated with the Epsilon Sigma Alpha sorority.

Mr. Hybl is a graduate of the Ord schools. A former lieutenant, he served two and one-half years in the army air forces as radar operator. He is now attending the Northern Illinois College of Optometry. After a short trip, Mr. and Mrs. Hybl will be at home at 4336 Drexel Blvd., Chicago, Ill.

Out of town guests were Mr. and Mrs. J. F. Hybl, parents and sister of the bridegroom, Mr. and Mrs. William Crabtree, Mr. and Mrs. Fred Harrison, Mr. and Mrs. Ray Harrison, Mrs. Ida Jones, Mr. and Mrs. Warren Geil and Miss Leah Jane Geil, also the Misses Della Hutton, Erma Stites and Ruth Lawrence, and John Lukesh and Mrs. Mary Lukesh, all of Grand Island, Mr. and Mrs. R. S. Kerchal, Mr. and Mrs. Victor Kerchal, Leanne and Lynn, Mr. and Mrs. George Lehecka and Larry, all of Ord.

At the reception, the bride,, assisted by the bridegroom cut the beautifully decorated 3 tiered cake topped by a decorative bride and groom under a miniature archway of flowers. This cake was baked and decorated by the mother of the bridegroom, assisted by his sister, Miss Eldene. Blue napkins lettered in gold with the names "Charlotte and Vernon" were used. Mrs. Ruth Hutchins and Mrs. Harold Swanson assisted with the serving.

Mr. and Mrs. Warren Brannon

Miss Marion Maxson, daughter of Mr. and Mrs. George Maxson, became the bride of Warren Brannon, son of Mr. and Mrs. Riley Brannon at 8:30 o'clock Wednesday evening, at the Seventh Day Baptist church in the presence of about one hundred relatives and friends. The Rev. A. C. Ehret officiated at the double ring service which was by candle light before an open Bible, placed on a table with the candles and candlebra. The platform was banked with baskets of peonies, roses, mockorange and ferns. Miss Dorothy Brannon, sister of the bridegroom, played the music and Dell Barber, uncle of the bride, sang "A Perfect Day".

The bride was charming in a floor-length gown of embroidered net with a finger tip veil. She wore a gold locket and chain and carried a bouquet of red roses, entwined with blue tulle. Her attendant, Mrs. Wayne Babcock, chose a floor-length dress of blue taffeta and carried pink roses. The groom and his attendant, Wayne Babcock, wore dark suits with white carnation buttonaires.

Ushers were Darrell, Clair and Wayne Barber and Allen Babcock. Neva Brannon and Gloria Babcock, who lighted the candles, wore pale green and peach taffeta gowns. Their corsages were of white carnations. Mothers of the bride and bridegroom wore black with white accessories and had white carnation corsages.

After the ceremony a reception for Mr. and Mrs. Brannon was given at the home of the bride's parents, with immediate relatives and a few friends attending. The three-tier wedding cake was made by Mrs. Dell Barber, aunt of the bride.

Mr. and Mrs. Brannon left after the reception for a two weeks trip to Kalamazoo and Battle Creek, Mich., and after their return, they will be at home on a farm in the Union Ridge neighborhood.

The newly married couple have lived all their lives here, are graduates of the North Loup schools and active members of the Seventh Day Baptist church. The bride attended Kearney college and has been teaching the past year at the Highway View school. The bridegoom attended school at Kearney and Hastings and has recently been discharged from the army after serving in the Aleutians and later in the Pacific.

R. E. A. IS COMING

Valley county has traveled a long way since the days of the pioneers, and along many lines. None of the improvements that time has brought is any more startling than rural electrification. Edison invented his first electric light about the time the first settlers were locating in the Loup valleys, but it took nearly three quarters of a century for electricity to become general in the valley.

Many men and women now living started their existence by the feeble light of tallow candles, which in time gave way to the kerosene lamp. In many homes today this lamp, somewhat improved, is still furnishing light at night. In others, farm lighting plants of greater or less efficiency have taken their place. About three decades ago the acetylene light systems flourished for a time, but were dangerous.

The mantle lamp and lantern had their vogue, and are still much in use. They are a splendid source of light when they work, and have served well until the coming of a more efficient system of illumination. Meanwhile electricity is now the cheapest source of light and power in the nation.

It is pleasant to know that the farmers of today can have the comforts of home that were denied their ancestors. However, the pioneers, never having had a better system of illumination, were satisfied. They never knew what they were missing. Happiness is relative, and people are satisfied when they have the same comforts enjoyed by their neighbors. In some respects the pioneers were happier than we are.

FOOD PROBLEM

Harvesting of winter wheat is underway in the great Southwest. Kansas farmers are getting set to move into their field—in a matter of a few weeks the cacaphony of harvest will be heard throughout Nebraska. Early reports from the south say that the yield per acre is generally good and grain trade experts are putting their estimates of the total crop considerably above the latest calculation of the department of agriculture.

Early prospects for other food and feed crops appear on the whole to be better than average. Apparently reliable reports from the Far East indicate that that quarter of the globe is much more nearly able to feed itself this year than the West has repeatedly been told.

All of which seems to weigh heavily in favor of Herbert Hoover's recommendation that government control schemes be lifted from foodstuffs the world over and that their collection and distribution be entrusted to the ordinary processes of trade. He does not urge that a change be made in the interests of the grain trade or the flour millers, the meat packers or the farmers, he merely believes that it would put more good at the disposal of the hungry more quickly then the present ill-assorted combinations of control agencies and "administrations."

The Kankakee Daily Journal carried a headline reading: "Nose runs on wrong side, causes highway crash." The story concerned an automobile collision, and the charge of Paul Demarah that Frank Nose was driving on the wrong side of the highway when their cars crashed.

Two policemen at Portland, Ore., found missing 3-year-old Penny Morehouse on a bridge. She didn't want to go home with them so they tried to coax her by an offer to hold a cop's shiny badge and listen to the patrol car radio. Penny fell for neither one. Finally by "force" they delivered Penny home and were met by her father, Patrolman E. S. Morehouse.

Agencies Unite To Get Food To Folks In Europe

Packages To Be Delivered To Relatives Overseas May Be Bought Here.

An organization has been set up to aid persons in sending food to relatives and friends in Europe which has already assisted several Valley county families in aiding their relatives in the old country. The organization which serves this purpose is the Cooperative for American Remittances to Europe, generally known as CARE, was organized last December by practically all of the welfare agencies in America.

Persons in the vicinity of Ord interested in sending food to Europeans may learn about the work of CARE from Ed Armstrong, in the Armstrong and Armstrong insurance office. As chairman of the Valley county chapter of the Red Cross, he receives information about the food packages for hungry Europe.

Information also may be obtained by writing "CARE" 50 Broad Street, New York, 4, N. Y. The food packages which CARE distributes are the 10 in 1 rations of the army, which are the result of the army's experience in packaging foods with a maximum of nourishment in a minimum of weight and bulk.

They appeared at the front during the last year of war and are so called because one package contains food for ten men for a day. The 10 in 1 rations were popular with combat soldiers and everything contained in the package is something which the people in Europe vitally need.

The packages have 30 pounds net weight of food and average over 40,000 calories. The packages contain the following items: solid meat, stews, and hashes (processed and canned) 9.8 pounds, cereal and biscuits 6.5 pounds, fruit jam and pudding 3.6 pounds, vegetables 2.3, sugar and candy 3.9 pounds, cocoa, coffee and beverage powders 1.1 pounds, evaporated milk 0.8 pound, preserved butter 0.5 pound, cheese 0.4 and other supplies including soap, chewing gum, matches etc. 1.2.

The food is packed to withstand rough handling and the elements of the weather including both extremes in temperature. The cartons are water proof and weigh 49 pounds packed. Mr. Armstrong expects to have blanks for the purchase of these packages.

Wherever possible the orders for packages will be airmailed to CARE's representatives in Europe who will make deliverys from stockpiles in overseas warehouses. The person receiving the gift will sign a receipt which will be returned to the donor. In case the package can not be delivered the money will be returned to the sender.

The plan has a number of advantages over the system of sending food parcels packed by individuals in America. Service men who have been overseas have seen the jumble of smashed and damaged packages, containing food in various degrees of spoilage which accumulated in every base post office. The food in the packages which will be delivered by CARE is especially suited to the needs of people and to withstand rough handling. Most of the items they contain can not be purchased locally.

Use of CARE packages does not put a heavier burden on the postal service. The waste and spoilage factor is eliminated because if the person for whom it was intended has died or moved away, the donor is refunded his money and the intended package is distributed to another family. Persons not having relatives or friends abroad may purchase packages which will be delivered to needy families selected by CARE's officials.

At the present CARE delivers packages to Czechoslovakia, France, Finland, Italy, The Netherlands, Norway and Poland. It will soon be able to send them to Austria, Belgium and Greece. It has received no replies to its offers of help to Russia and Yugoslavia. It is attempting to arrange for distribution in Germany, Bulgaria, Hungary and Roumania. CARE will not operate in any country until an agreement is reached providing for entry of packages free of customs duties and rationing regulations.

ST. PAUL WILL BUILD HOUSES FOR VETERANS

Thursday, June 13, will be the day when St. Paul will be one of the first towns in the state of Nebraska to start building homes for Veterans. The Chamber of Commerce has arranged a Ground Breaking Ceremony, Robert Dillard, president, announced today. The ceremony, under the supervision of the Veterans of Foreign Wars, will be held at five o'clock in the afternoon, at 10th and Custer streets. Business houses will close at five that afternoon.

Holger Holm, a native of Elba, who is now State Director of the Federal Housing Administration, located in Omaha, and Mayor Mons Thompson will break the ground. Five homes are to be built and construction will start immediately by the Hansen Construction company, who own the lots.

A banquet will be held at the Presbyterian church at 7:00 p.m. Mr. Holm will explain the Veterans plans fully. There will also be other guest speakers. Tentative plans are that Jack Bailey, photographer from Grand Island, will be here and there may be a radio hook-up for this momentous occasion.—St. Paul Phonograph.

Mrs. Charles Bals Made Happy by Arrival of Brother from Belgium

For First Time in 9 Years Ord Woman Sees Own Kin From Overseas.

Mrs. Charles Bals was made very happy last Wednesday by the long-awaited arrival of her brother, Gomar Van Henverswyn-Lagrange, who comes from Deinze in Belgium, which is the native land of Mrs. Bals. It has been nine years since Mrs. Bals had seen any of her relatives, and the years have been filled with anxiety for her.

Mr. Van Henverswyn sailed from Antwerp on a cargo ship and flew from New York to Omaha. He says that it is next to impossible for people to get passage out of the country and that they have to wait months before any transportation is available to them. He credits American officials for his passport and transportation to America.

Although about 135,000 homes were destroyed and many people are suffering from tuberculosis, largely caused by malnutrition, Mr. Van Henverswyn reports that Belgium suffered less at the hands of the Nazis than did some of the other parts of Europe. He says that the Belgians are adopting orphaned, homeless, starving children from other parts of Europe, most of whom are French, with some Italian, Polish, and Czechoslovakian.

Folks Fared Well

Most of Mrs. Bals' relatives got along fairly well during the five years of German occupation and oppression, according to the reports of her brother. The Germans killed a brother-in-law and burned the home of her sister. Two of Mrs. Bals' nephews were thrown into concentration camps where one of them died. The other prides himself on being too tough for the Germans to kill.

Mr. Van Henverswyn took an active part in the secret underground movement, committed espionage and collected German military information which was relayed to England. He reports that 28,000 Belgian civilians were imprisoned by the Germans and later made into slave laborers for participating in this underground army. In one village the Nazis beheaded sixty-four Belgians in their attempt to discourage the underground activities.

Grateful to Red Cross

Most sincere heart-felt gratitude is expressed by Mr. Van Henverswyn for the supplies which the American Red Cross sent to the Belgians. In peace time he is a clothing distributor (wholesaler) and a manufacturer of artificial silk ribbons. When war came he was active in the work of the Red Cross and had charge of distributing food and other supplies to twenty-six Belgian villages.

Mr. Van Henverswyn speaks English with some difficulty. He was taught English in school but complains that the Americans don't talk like the English and he considers American and English to be separate languages. "America is a very wonderful country", he declares, "and Americans are very, very, very, good people". With tears in his eyes he tells how gratefully the Belgians received food from America and he requested the Quiz reporter, "Please tell the American people thanks for me".

Reverse Lease-Lend

At the time of the allied invasion the Belgian people worked for the British and American forces, helping unload cargo ships and performing other duties which were necessary for the prosecution of the war. The Belgians received no money for their help but were given food and other supplies which meant more to them. As the Belgians are naturally thrifty and are hard workers they are making progress in the rehabilitation of their country. The Belgians never have enough food even in peace time, Mr. Van Henverswyn says, because the country is so small and there are so many people. They are used to privations and more capable to cope with misfortunes than some peoples.

Hitler's buzz bombs did much damage in Belgium Mr. Van Henverswyn reports. He says that as many as 200 fell upon Antwerp in a single day. The robot bombs made a terrible noise, according to Mr. Van Henverswyn, but as long as a person could hear the noise he did not need to be afraid of them. When they became silent, he said, it was a sure sign they were going to fall, and when they fell they caused great destruction.

Ostend in Ruins

Ostend faired especially bad in the war, Mr. Van Henverswyn reports. The once queen city of Belgium, which was a summer resort much patronized by the British, is now in shambles.

When asked about the attitude toward King Leopold, Mr. Van Henverswyn, related that Leopold is a weak man rather than a traitor. He expressed the opinion that Leopold was not strong enough to cope with the terrible situation which arose and that his brother, Charles, was a much better man and more suited to be a king.

Not Close To People

"Leopold was not close to the people", Mr. Van Henverswyn declared, "He shut himself up in the palace, did not read the papers and did not learn what was happening to his country until too late".

Toward the Russians Mr. Van Henverswyn looks with apprehension. He does not see his countrymen embracing Communism Individual enterprise is very strongly entrenched in the Belgians, most of whom own a little home and a garden which they do not want to give up for living quarters in some state-owned barracks.

He reports that during the war the manufacturers used all their resources to see that their employees were fed and that many people were helped even against the will of the Germans. He does not believe that the people who are greatful for the aid of their employers, which kept them from starvation will turn to Communism.

Russians Return

Many Russians whom the Germans brought to Belgium to work in the mines do not want to return to Russia, he reports, even though their lot in Belgium under the Germans was very hard. The Russians are loaded on to trains, he says, and after the trains get into Germany or Poland many of the people escape and return to Belgium to live. As Belgium is a small country with many people of its own already, these refugees complicate matters but the Belgians are glad to offer them refuge.

Mrs. Bals has applied for a passport and plans to accompany her brother when he returns to Belgium. She is anxious to see her people. She has another brother, two sisters and many nieces and nephews in Belgium. Worry over their welfare has undermined her health. For many years she received no word from her loved ones and when a letter finally got through it informed her that her brother-in-law had been killed and a sister's home destroyed. A younger sister is planning to accompany Mrs. Bals to Ord when she returns after an extended visit.

Large Oats Crop Foreseen by Dale

Foot Rot Will Cut Barley Yields; Many Fields To Be Certified.

An excellent oats crop in Valley county is foreseen by County Agent C. C. Dale following the recent rains which have supplied needed moisture and cool weather favorably for stooling. Mr. Dale is less optimistic about the barley crop, however. He reports that foot rot is damaging the barley fields in many parts of the county.

Foot rot is a new disease for which no treatment has been discovered. Mr. Dale says that it is especially prevalent in fields of Spartan barley. He believes that the best way to avoid the disease is to import seed from Northwestern Nebraska and parts of South Dakota where the disease does not exist. Germination is slowed up by the disease and the grain does not stool out properly.

Mr. Dale reports that Ezond, a new six rowed variety of bearded barley is showing up well in the county this year. He is receiving a number of applications of farmers who want to have their field inspected for certified seed.

George Bremer has a field of Velvon 11 barley for which he has made application for certification. Velvon 11 is a new variety of which seed is very scarce. Mr. Bremer was fortunate in securing some seed from the Box Butte experiment station.

The wheat crop in Mr. Dale's estimation is fairly good. The freeze evidently didn't hurt it much and the rains have supplied the moisture needed for filling the heads. He has received around a dozen applications from farmers who want fields of the Pawnee variety certified for seed.

The rye crop will be disappointing, Mr. Dale believes. The freeze caught many of the heads in bloom and they have failed to fill. Mr. Dale does not see rust as a threat to the small grain crop. He explains that the small grain this year is well advanced for the season and that by the time the rust develops the crop will be matured. Hot, muggy, weather is favorable for the rusts and the cool weather should aid in their prevention he believes.

Three janitors at the central police building, Chicago, haven't a very sunny outlook on a project they started after the citywide brownout was ordered. As a measure to save electricity, they are removing the heavy black paper, used for blackouts during war time, which covers about 500 windows. But they told Chief Janitor James Tobin the paper was fastened so firmly the job would not be completed in a hurry. And when they finish, Mr. Tobin said they complained, they will have 500 additional windows to wash.

3 Drivers Fined For Violations

State Patrolman Smith made two arrests while he was in Ord last week. Ernest Ulrich was charged with operating a gravel truck on the state highways which was licensed only for a five mile radius of Ord. He pleaded guilty in county court Tuesday and was fined ten dollars and costs amounting to four dollars by Judge Andersen.

Elmer Marshall was charged with operating a car having an improper license plate. Elmer borrowed a license plate from his brother which he used on his car. He pleaded guilty and was fined ten dollars and four dollars costs by Judge Andersen Friday.

Joseph Vala, who is seventeen years old was arrested by Sheriff Hall for driving without a license and fined a dollar and costs by Judge Andersen Monday.

Ord Wins From Scotia 8 to 7

Triple by Tolen Breaks Tie and Saves Game For Home Team.

Ord won a hotly contested ball game with Scotia by a 8 to 7 score on the Ord diamond Sunday. Tom Tolen saved the day for Ord after striking out three times he came through for a triple when the score was tied 7 to 7. Bob Stull did a fine job for Ord on the pitcher's mound. Scotia made three home runs while the Ord fans had to be satisfied with two triples. The next game will be with St. Paul at St. Paul.

She was recommended for the fellowship by the Merrill-Palmer school in Detroit where she took work shortly before her graduation.

Ord Livestock Market

announces its offering for the regular weekly sale

Saturday, June 15

Sale starts promptly at 1:00 P. M.

The market last Saturday, we thought, was a pretty good market. Here are some of the prices obtained: Brood sows, 14.10 to 14.50. Weanling pigs, $9 to $11.75 a head. Boars, $12.00 to $14.90 a hundred. Calves, from $20.00 to $28.00 a head. Milch cows from $110 to $118. Beef cows, $13 to $13.35. Steers, $15.50 to $16.60. Feeder bulls, $11.50 to $12.30. Breeding bulls, under two years old $110 to $142.

CATTLE

This week's offering looks like 120 head of all classes of cattle incuding calves, mixed yearlings, feeding heiers, feeder cows, four good milch cows and three good breeding bulls.

HOGS

About 140 head of weanling pigs, heavy feeder shoats, several brood sows and several good boars.

HORSES

Ten head of good horses. I thought our horse market had been a little strong the past two weeks, but we have had better market horses.

MISCELLANEOUS

Brooder house, good condition 8x10, Three A Hog Houses, 1 John Deere 2-row cultivator, gang plow, some furniture. Be sure and attend this auction.

Attend and consign to our auctions, where the buyers are always present.

Burwell Takes Close One from Ord's Juniors

The Ord Junior American Legion baseball team lost a closely fought contest to a fine Burwell Junior Legion team in the first game scheduled in state league competition, 15-14.

Lad Cochrane, Ord's second sacker, was the heavy hitter for Ord with 4 hits and a walk for 5 times at bat, hitting a perfect batting percentage of 1000%. "Al" Blessing, "Snicker" Wozniak and Roger Dahlin each came through with home runs for Ord.

At the end of the third inning Burwell was leading 14-7, when the Ord bays hit their stride and started the fireworks, tying the score up in the fifth inning. The first of the seventh found Burwell leading 15-14. Cochrane and Stoddard each hit for singles putting two men on base. Johnny Hannah, handy center fielder, struck at a ball and stepped over the first base line putting him out, and retiring Ord.

June 16, Ord Juniors will clash with the Ravenna Juniors at Ord in what promises to be a fine game. Admission will be 25c and 10c.

Bill Steen Is Valley Fliers' New President

Al Radke is Vice-President Swopes Treasurer; John Andersen Secretary.

Bill Steen was elected president of the Valley Fliers at the meeting held Tuesday evening. Al Radke of Elyria was chosen vice-president, John Andersen, secretary, and Ed Swopes treasurer.

The first action taken by the newly-elected president was to express his appreciation for the work done by his predecessor, Herb Cline. He congratulated Mr. Cline for the accomplishments of the organization pointing out that three months ago all Ord had in the way of an airport was a piece of land while now the project is well underway with a hangar secured, other improvements assured and a competent manager engaged for the field.

The fliers are to meet again Tuesday, June 25, to consider a constitution which is being prepared for their organization. All members are urged to be present at this meeting which will be held in the county judge's office at 8 o'clock. Any one interested in aviation is invited to attend.

George Allen, city engineer, announced that the inspectors from the state aeronautic commission had visited the field and selected the place where the quonset hangar is to be erected. Mr. Allen said that dimension material for the foundation forms was already at the field. Members of the organization intend to build the forms after working hours and to help in running the concrete.

The members decided with enthusiasm to cooperate with the City Council, Chamber of Commerce, American Legion and other organizations in arranging for a dedication program for the airport.

Miss McClatchey Goes to Kearney Meeting

Miss Clara McClatchey went to Kearney Thursday where she attended a meeting of the executive committee of district 4 of the Nebraska Teachers association held in the Fort Kearney hotel. The principal reason for calling the meeting was to appoint a new committeeman to fill the vacancy caused by the resignation of Harold West, formerly superintendent of the Ogallala schools who has entered the insurance business. Otto Oakes, principal of the North Platte high school was elected to fill the vacancy.

Bill Wolcott, Burwell's coach, was selected to attend the summer workshop on public relations. Paul Morris, Kearney high school principal and vice-president of the district is attending the meeting of the National Educational association being held in Buffalo, N.Y.

—Mrs. Mike Revolinski and son, John, of West Point were guests in the George Anderson home Sunday. Mre. Revolinski and Mrs. Anderson are sisters. Sunday the Andersons entertained at a picnic in the park honoring the West Point visitors. Mr. and Mrs. V. A. Andersen and family were also guests. Sunday evening Mrs. Revolinski went to Burwell where she is visiting her mother, Mrs. J. N. Johnson and her sister, Mrs. Harry Hughes and Mr. Hughes. John remained in Ord for a longer visit with his cousin, Bill.

Many Sign School Aid Petitions Here

Petitions favoring the proposed amendment providing that a minimum of forty dollars be provided by the state annually for the education of every Nebraska child have been sent to the secretary of state by Miss Clara McClatchey, county superintendent. Miss McClatchey announces that already more than enough of the qualified voters in Valley county have signed such petitions but more are being submitted in case other counties do not make their quota, to insure the proposition a place on the ballot.

This week she sent in petitions bearing ninety signatures which were secured by the directors or other school board members in districts 68, 55, 53, 63 and 51. Miss McClatchey asks that persons having copies of such petitions bring them into her office as soon as possible so that they may be sent in to Lincoln in time to be effective.

St. Paul Hands Ord 2nd Defeat

Local Team Loses 11 to 1 After Holding Lead for Four Innings.

The Ord Towners, members of the Loup Valley League suffered their second defeat in league competition last Sunday afternoon at St. Paul, when they were trounced by the St. Paul town team 11-1. They held St. Paul scoreless and had a one run lead at the end of four and one-half innings, and then their trouble began.

Fluke hits, coupled with errors, netted St. Paul most of their runs. They scored three runs in the fifth, five in the sixth and three more in the seventh.

B. Stull pitched masterful ball even though the score was a weebit lopsided. Wm. Novosad also looked mighty fine in there the two innings he toiled. The latter boy will bear watching from now on.

Ord used all of their 15 men in the game.

Next week Ord will tangle with Elba at Ord.

Death Comes to George Paidar

Octgenarian Laid to Rest Monday Following Rites In National Hall.

George Paidar, who was over 83 years old and had lived in Valley county for nearly half a century, died at his home in Ord Friday following a brief illness. Funeral services were conducted by the Rev. Carl McConnell in the National hall Monday afternoon. Burial was in the National cemetery with George Paidar Jr., Ed Paidar, Frank and Louis Pesek, Carl Brim and Aloyzy Osentowski serving as pall bearers. Arrangements were made by Hastings and Pearson.

Mr. Paidar was born in Czechoslovakia July 30, 1862 and lived to attain the age of 83 years, 10 months and 15 days. In 1884 he came to America and located at Omaha where he was married to Mary Hvezda in 1887. To them seven children were born: George of Arcadia, Mrs. Barbara Pesek, Mrs. Mary Pesek, Charles and Albert Paidar all of Comstock and Mrs. Anna Brim of Ord. A son John, died in infancy.

In 1900 Mr. and Mrs. Paidar came to Valley county and selected a farm in Geranium township for their home where they lived until 1938 when they retired and moved to Ord. Mr. Paidar leaves a widow, six children, eleven grandchildren and two great grandchildren.

Nels E. Johnson Dies in Hastings

Funeral services for Nels E. Johnson, who had been a resident of Ord for many years, were conducted in the Methodist church in Ord Thursday afternoon by the Rev. R. T.Cordry. Mrs. Mark Tolen and Mrs. C. M. Davis sang three duets accompanied by Mrs. R. E. Noll. Interment was in the Ord cemetery with C. J. Mortensen, Dr. F. L. Blessing, Forrest Johnson, William Heuck, Horace Travis and Dr. G. W. Taylor serving as pall bearers.

Mr. Johnson was born Oct. 24, 1863 in Wiby Kristanstad, Sweden and died in the Mary Lanning hospital in Hastings, following a long illness. He attained the age of 82 years, 5 months and 16 days.

In 1868 Mr. Johnson left Sweden and came to America with his parents, who made their first home in Chicago where they lived for two years. Later they moved to Piatt county in Illinois. They moved again in 1878 coming to Nebraska and locating on a farm one mile north of Genoa in Nance county.

Mr. Johnson married Miss Alice M. Gregg of Alliance, Sept. 26, 1888. Three children were born to this union, Bethene who died in 1919, Mrs. Helen Harris of Hastings, with whom Mr. Johnson made his home and Wallace of Glendale, Calif.

In 1900 the Johnson family moved to Valley county where they lived on a farm north of Ord. In 1919 they left the farm and moved into Ord. Mrs. Johnson died the same year.

Besides his son and daughter he leaves three grandchildren, Miss Alice May Hill of Ord, Miss Sharon Johnson of Glendale, Calif., and Fred H. Young of Corvallis, Ore., two sisters Mrs. Minnie Baker of Seattle, and Mrs. Ellen Follis of Inglewood, Calif., and a number of nieces and nephews.

Fire Ends Life of Jean Etta Kuklish Thursday Morning

Elyria Girl Fatally Burned Laid to Rest at Ord on Her Sixth Birthday.

A grim tragedy, which cost the life of Jean Etta Kuklish, the youngest child of Mr. and Mrs. Joe Kuklish, happened in their home at Elyria last Wednesday morning when fire, the cause of which can not be determined enveloped the little girl in flames. Mrs. Kuklish was in the same room with the child, who was apparently busy writing as a few moments before she had asked how to spell her father's and mother's names.

The mother heard the child scream and turned her head to see her daughter in a mass of flames. Mrs. Kuklish succeeded in extinguishing the fire and called neighbors who brought the child to the Ord hospital.

The little girl was beyond medical help and all aid extended in behalf was of no avail. Death relieved the little one of her suffering Thursday morning.

Jean Etta was born June 15, 1940 at Elyria. She made many friends during her brief years on earth who are deeply grieved by the untimely ending of her life. Last year she attended school in District 33 and completed both the beginner's course and the first grade. She was industrious and studious by nature and was anxious to accomplish any task set before her.

The Hastings-Pearson funeral chapel was filled Saturday afternoon with relatives and neighbors, their hearts heavy with sorrow, who came to attend the last rites for their little friend. Words of comfort were spoken by the Rev. K. E. Harris. The little form was laid to rest in the Graceland section of the Ord cemetery with Shirley and Delores Nelson, Dommie and Matilda Poprocki, Lorene Welniak and Marcella Steffan bearing the casket. Jean Etta would have been six years old on the day of her funeral rites.

The Kuklishes have another daughter, Mary Lou, and three sons, Keith, Kenneth and Perry. Two grandmothers, Mrs. Emil Kuklish of Elyria and Mrs. Emma Hansen of Ord, as well as many other relatives and friends have an aching void in their hearts for the friendly little girl.

Mrs. M. Sorensen Dies in Oakland

Family Lived Near Elyria For Many Years and Were Well Known.

The many friends of the Morris Sorensen family will learn with regret of the death June 12 at Oakland, Calif., of Anna Marie Sorensen, wife of Morris Sorensen. The cause of death was cancer from which she suffered for everal years.

She was a daughter of Elsie Marie Sorensen of Elyria, and a sister of Dorothy, Thorvald and Lauritz Sorensen, all of California. Following the death of Mr. Sorensen, the elder Mrs. Sorensen married Mr. Wiegardt of Elyria and their children, Henry W. and Alfred A. Wiegardt of California and Martin Wiegardt of Elyria, are also left to mourn, as well as many other relatives here and elsewhere.

Anna Marie was married many years ago to Morris Sorensen, a resident of Minden until he came to farm near Elyria. A number of years ago the family moved to California and located at 1906 57th St. in Oakland, which has been the family home since that time. They have one son, Morris, Jr., who lives at home.

The Sorensen home meant much to their friends, both here and after they had moved to Oakland. Their door was always open to anyone in time of need, and visitors were always invited to share a meal with them. Their home in Oakland was always filled to capacity, especially during the recent housing shortage, and Mrs. Sorensen will be long remembered for the gracious hostess that she was. Funeral services and burial were held in California.

Ravenna Takes Ord Juniors 22 to 9

A fast Ravenna team came to Ord Sunday and defeated the local American Legion Juniors 22 to 9. Alex Cochrane Jr., who manages the local boys reports that Ravenna has an outstanding fine team with a pitcher who is outstanding.

Lad Cochrane, who made Ord's only home run sprained his ankle on the home plate and is laid up as a result of the injury. Wayne Goff made two triples for Ord. Johnny Hannah and Roger Dahlin played a good game.

Department Heads For Fair Selected

Directors Decide to Spend $9,000 for Prizes and Entertainment.

Superintendents who will be in charge of the various exhibits at the Loup Valley fair in Ord Aug. 26 to 29 were appointed at the meeting of the directors of the Loup Valley Agricultural association Wednesday night. The horse show will be managed by Corwin Cummins.

George Bell will have charge of the cattle and sheep exhibits. Harold Garnick will be superintendent of the hog department. The agricultural exhibit will be under the direction of Henry Enger. The poultry department will be supervised by Darrell Noll. J. A. Kovanda will handle the 4H and vocational agriculture exhibits. Miss Phyllis Dodge will have charge of the girls' 4H club displays.

Mrs. Edgar Roe will be superintendent of the home economics department. The school display will be overseen by Miss Clara McClatchey. Many of these superintendents have supervised or worked in the departments they are heading in previous years.

The board also decided upon its admission charges at the meeting Wednesday. Children under twelve years will be admitted free at all times. The gate admittance charge will be fifty cents per person and per automobile. There will be an additional charge of fifty cents if the car is parked on the infield where persons may sit in it and view the races on the track. Each occupant in cars parked along the track will also be charged fifty cents.

For the auto races in the evenings fifty cents will be charged in the north grandstands with the exception of the reserved sections where seventy-five cents will be charged. For the afternoon programs twenty-five cents will be charged for admission to the grand stands or infield. Season tickets for general admission at the gate may be bought for $1.25 for persons or automobiles.

The budget for the 1946 show calls for an expediture of nine thousand dollars. The board of directors are putting forth every effort to engage an interesting and entertaining program. They have made several trips to the country to look over various fine saddle horses before making the selection of the one which will be given to the holder of the lucky ticket at the horse show.

Catholic Children Receive Religious Instruction Here

A summer vacation school of religious instruction, which will last three weeks, opened Monday at Our Lady of Perpetual Help church. One hundred children are enrolled who are taught by Sister Mary Borgia and sister Mary Fabian, who came from Chicago to conduct the school at Ord.

The school opens at 8 o'clock each morning when the children attend Mass. The morning classes continue until 12 o'clock. The afternoon classes begin at 1 o'clock and let out about 3 o'clock The classes will continue until July 5.

Moul Farm Brings $4000.00 at Auction

The John Moul farm six miles southeast of Burwell was sold at auction to Melvin Graves of Burwell for $4,000.00 Tuesday afternoon. Mr. Graves is a young Garfield county farmer who lives on the John Schultz farm joining the town site of Burwell on the east.

Even though the sale was widely advertised few people attended largely believed due to road conditions. The farm consists of 53 acres, 36 of which are under cultivation. Ten acres of the farm are irrigated and some of the land is sub-irrigated. The improvements on the farm are in poor condition and in need of repair.

Pheasants Cause Much Damage To Valley Co. Crops

Farmers Believe Birds Cost Them $100,000 Annually In Grain Destroyed.

The multicolored bird with the long tail who was brought to the North Loup valley about twenty-five years ago has outlived his welcome in Valley county. Frequent complaints are heard from farmers who accuse the pheasants of pulling up and eating their sprouting corn.

Some farmers have had to replant their corn three times because of the damage the pheasants have done to their fields. In some instances farmers are taking measures to protect their crops. Many secretly admit they are shooting the birds and in some instance poison is being put out to kill the unwelcome pheasants.

Flushing bars are never seen on the mowers and binders in Valley county and many farmers hope to cut their hay and grain at a time when they can destroy as many pheasants as possible. Many complaints were heard last fall that the pheasants were eating the corn before the farmers could get it out of the field. The heavy snow in November caught many farmers with considerable corn left in the field. By the time the snow cleared away so they could resume picking the farmers say they found many cobs from which all kernels had been picked and that many more ears had half the corn eaten off of them.

Farmers who are generally considered conservative insist that pheasants cost the tillers of sol $100,000 annually in Valley county. Many put the estimate much higher.

Many farmers who readily admit that they enjoy the sport of hunting the pheasants consider the long-tailed birds "a luxury which we can not afford." The cost of feeding the pheasants sets the average farmers back about a hundred dollars annually in the opinion of many farm operators. Hybrid seed, which is generally used is an item of expense to be considered and if a farmer has to replant a forty acre field as a result of damage from pheasants he has more than sustained a hundred dollar loss.

Rare is the farmer who will admit that the pheasant is of any benefit. They scoff at the idea that the birds eradicate insects, pointing out that South Dakota, the state who has suffered the most from grasshoppers also has the large pheasant population.

Many of the farmers are entertaining the idea of asking the legislature to remove the closed season on pheasants. They believe that papers such as the Quiz, which are published in agricultural communities should champion their cause. Resentment is growing against the sportmen's clubs and organizations which befriend the pheasant.

The Quiz will welcome letters from farmers discussing the pheasant question. Does the handsome long-tailed bird have any friends among the farmers? Letters defending the birds will be welcomed. Is the pheasant menace exaggerated? Expressions of opinion on both sides of the question are wanted.

Ord Scouts at Camp Augustine

Eight Boys Enjoy Week at New Resort Six Miles From Grand Island.

Ord's Boy Scout troop No. 194 is spending this week in camp at Camp Augustine, near Grand Island.

The following boys are enjoying the outing: Charles Munn, Galen Allen, Charles Hannah, James and John Misko, Dan Huff, Dick Anderson and Ronald Rodgers.

Camp Augustine is a new Boy Scout camp site located on the Platte river, about six miles from Grand Island, on the Hastings highway. About 115 boys will be in camp this week from Ord, Burwell, Sargent, Kearney, Gibbon and Lexington.

Besides a complete recreation program the Scouts will be given instruction in all phases of scouting by a competent staff from the Cornhusker Council.

If You Are Hot —Go To Mexico

While their friends back in Nebraska were sweltering in above 100 temperatures two adventuresome women were uncomfortable because of the other extreme in temperature. Mrs. B. A. Rose of Burwell, who is touring Mexico with Miss Anna Mortensen of Ord, called her husband over long distance Sunday to complain that she was cold. They were sightseeing high in the mountains and did not provide themselves with sufficient clothing for such a trip.

Farmer J. Wesley Tucker of Duquoin, Ill., wasn't complaining too much when he reported to police that a thief stole 14 of his chickens. Mr. Tucker said the robber dropped his purse containing $13.14. That was just 40 cents less than the OPA ceiling price.

LEGAL NOTICES

June 11, 1946

The Board of Equalization of Valley County, Nebraska met on the above date with all members present on roll call.

The following committees were appointed by the Chairman:

Equalization; Ball, Psota, Barber and Abernethy.

Complaints; Suchanek, Smith and Hansen.

Levies; Hansen, Ball, Smith and Woods.

First name in each group to be the Chairman of that Committee.

The Board proceeded to review assessment schedules throughout the day and recessed until 10:00 A.M. the following day, when all members were present on roll call. Review of assessment schedules was resumed until 5:00 o'clock P. M. when recess was declared until 10:00 o'clock the following day. Consideration of schedules was continued until 5:00 o'clock when the motion was duly made and carried that as this Board has sat in session for three days for the purpose of hearing and considering complaints and or objections, that any objection and or complaint to assessment not on file at 5:00 P.M. this day be barred.

The Committee on Equalization submitted the following report:

TO THE BOARD OF EQUALIZATION OF VALLEY COUNTY, NEBRASKA.

We, your Committee on Equalization beg to submit the following report:

Whereas, this Board has sat for three days in review of all tangible, intangible motor vehicle and real estate assessments, we suggest that they be declared to be fair and equitable for taxation purposes for the year 1946.

Signed,
Ellsworth Ball, Jr.
R. E. Psota
J. A. Barber
J. L. Abernethy.

Motion made and duly carried that the foregoing report be accepted.

After due investigation and consideration of complaints on file, the Committee on Complaints made the following report:

TO THE BOARD OF EQUALIZATION OF VALLEY COUNTY, NEBRASKA.

We, your Committee on Complaints wish to make the following report on Complaints on file and endorse as follows:

Complaint No. 1, Standard Oil Co. of Indiana complains that the improvements on Lots 5 & 6, Block 19, Original Townsite of Ord, Valley County, Nebraska, were built in 1922, and there has been no change in them since that time. We respectfully request that a fair valuation of said improvements should be $1500.00 in comparison of like improvements in Ord. Endorsed: No cause for complaint.

Complaint No. 2, C.M.R., John of Liberty Township complains that the assessed valuation of the Southeast Quarter of Section Seventeen (17) Township Eighteen (18) Range Sixteen (16) West of the Sixth Principal Meridian is too high in comparison with surrounding real estate. Endorsed: $1800.00 be the total assessed valuation on the above property.

Complaint No. 3. Glenn Beerline & Wife of Arcadia, Nebraska complain that the assessed valuation on Lots 18-19-20 in Block 8, Hawthorne's Addition to Arcadia, Nebraska, is too high in comparison with surrounding properties and cites the Clarence Starr, Max Wall and Kermit properties as a basis for comparison. Endorsed: No cause for complaint.

Signed,
J. V. Suchanek
S. V. Hansen
Evet Smith.

Motion made and duly carried that the report of the Committee on Complaints be accepted.

Motion made and duly carried that the Board of Equalization recess, subject to recall by the Chairman.

Leonard B. Woods,
(SEAL) County Clerk.

EXHIBIT AT STATE FAIR

In cooperation with the State Fair Board and the University of Nebraska Museum, the Nebraska Game Forestation and Parks Commission is completing an exhibition building which will house a display of ducks, geese, game fish, fur-bearing and game animals.

The building is located next to the old Fisheries Exhibit building, and will contain a projection room for wildlife and educational movies. A feature of this year's exhibit will be a realistic marsh scene showing waterfowl and fur-bearing animals in their natural habitat.

Bright Future Seen for China

Ord Native Returns After Spending 12 Years as Missionary There.

Miss Doris Trefren, who has spent twelve years as a missionary in China, was a weekend guest in the home of her uncle, Bert Trefren who lives near Arcadia. Miss Trefren, who was born and reared at Ord, told of some of her experiences in China at a meeting in the Arcadia Mission Saturday night.

Miss Trefren is the daughter of Mr. and Mrs. Henry Trefren. Her father died during her long stay in China and her mother now lives at St. Maries, Ida. From Ord Miss Trefren went to Oklahoma where she is visiting a sister. Last week she spoke over the radio from KMMJ in Grand Island on the program sponsored by the Back to the Bible Mission. She is one of the missionaries which this mission supports in China.

In December of 1944 Miss Trefren left China and was flown over the hump to Calcutta. She remained in India six months awaiting transportation home, spending part of this time in a hospital. Miss Trefren arrived in New York last August.

The western part of China, which she calls "Free China", was the scene of Miss Trefren's missions. She never came in contact with the Japanese. When the warning was issued to leave China prior to the war, she chose to remain. "I had work to do there", she explains. Miss Trefren denies that she suffered any hardships throughout the war years. "We always had plenty of meat, bread, fruit and vegetables", she declared.

Concerning the Communist rebellion Miss Trefren is wholly noncommittal. "One never can predict what will happen in China, she stated and she is most careful to take no sides in politics as she plans to maintain her work among the Chinese regardless of which faction triumphs.

She sees a bright future for China and believes that China's problems are less serious than those facing the other parts of the world. While she was in China she saw comparatively few starving people. Unless some disaster of nature intervenes China generally produces enough food for her people, according to Miss Trefren.

"The famine in China today is caused by the people, themselves, who cut the dikes along the Yellow river to keep the Japanese out", she explained. She tells a different story about India, however, and reports there never is enough food for all the people even in years of good harvests. Miss Trefren plans to return to her work in China in August.

Traffic Deaths Increase

Captain C. J. Sanders, Nebraska Safety Patrol, announced that traffic deaths continued to strike with ferocity among the ranks of Nebraska motorists during May.

Twenty-one fatalities, an increase of 40% over the 15 recorded in the same month of 1945, were reported to the Nebraska Safety Patrol.

May's 21 fatalities brought the year's total to 103, an increase of 51% over last year's 68.

The apparent causes of the deaths which occurred in May were speed, careless driving, and right-of-way violations. Therefore, Captain Sanders reported, it must be brought to the attention of the public that they must take an active part, not only as groups but as individuals, to cut down this needless wave of slaughter on Nebraska streets and highways.

Isidore F. Gallegos of Albuquerque, N. M., sent a check with a shoe order to a Freeport, Me., manufacturer. He got it back with this explanation: "We are sorry to advise that we have discontinued all business outside the United States for the present."

Celebration May Cost Many Lives

Safety Council Fears Nation To Suffer Deadliest Week End in History.

This Fourth of July may see a holiday-starved public roll up the greatest mileage ever recorded on the nations speedometers in any one week-end, the National Safety Council said today.

More important, the council fears it will be the deadliest week-end in the country's accident history—unless the emergency is met with emergency caution by everybody.

More than 20,000,000 vehicles will pack the highways during the four-day holiday period, the council estimated. They will travel more than four billion miles.

Mobilizing to avert the threatenen disaster, 150 national organizations are cooperating with the Council in a nationwide Fourth of July campaign to consolidate public and official support behind the slogan, "Be Alive on the Fifth!"

In appealing for public cooperation in the campaign, Ned H. Dearborn, president of the council, said, "I hate to throw cold water on holiday anticipation, but we still have the same combination of facts which led the council before V-J Day to predict the present upsurge in accidental deaths.

"More travel, a long-awaited vacation season in full swing, worn out tires and cars, run-down highways and a carefree attitude that often becomes a careless attitude—all this simply adds up to more tragedy. A prediction can't spoil your holiday, but an accident can."

★ Kenneth Brechbill arrived in Sargent June 8, coming from Los Angeles following his discharge from the navy at San Pedro. He was in the navy twenty-one months and spent the last sixteen in the south Pacific area. He was met in Grand Island by his mother, Mrs. Hazel Wolsleben, his sister, Ermagene, and his brother, Duane and Howard Goble. Kenneth is the grandson of Mr. and Mrs. E. G. Brechbill, who for many years resided in Valley county and who now live in California.

Collins-Palser Wedding

Miss Thelma Jeanne Collins, daughter of Mrs. Edna F. Collins, became the bride of Arthur E. Palser, son of Mr. and Mrs. John Palser at 8 o'clock Saturday evening at the Evangelical church in Mira Valley.

The Rev. Warren G. Studer officiated at the double ring ceremony. The church was lighted with pink and white candles and the platform was banked with many baskets of beautiful flowers, arranged with four candelabra.

Mrs. Merrill Koelling played the nuptial music and Orel Koelling sang "Because" and "O Promise Me".

The bridal party entered the church sanctuary to the strains of Lohengrin's wedding march. The bride was given in marriage by her uncle, H. J. Williams. She was charming in a white silk marquisette gown which had a fitted bodice and a sweet heart neck line, short puffed sleeves and a floor length skirt of accentuated fullness which was trimmed in corded silk braid design. The bridal veil was three-quarter length, trimmed in silk embroidered lace with a beaded crown. She carried an arm bouquet of pink roses and wore a gold locket and chain which completed the ensemble.

The maid of honor, Eva Palser, a sister of the bridegroom, wore a gown of pink marquisette and carried a bouquet of white daisies. Bridesmaids were Charlene Palser, niece of the bridegroom, and Viola Koelling. They wore pink gowns with white carnation corsages. Karen Peterson and Leon Collins, a niece and nephew of the bride were the flower girl and ring bearer. The flower girl was dressed in pink and the ring bearer carried the rings in a pink and a white rose with pink and white ribbon streamers.

The bridegroom wore a grey suit with a white carnation buttonaire. He was attended by Marvin Collins, brother of the bride.

Ushers were Richard Palser, brother of the bridegroom and Robert Kerr, a nephew of the bridegroom. Lois and Marilyn Cook, who lighted the candles wore pink gowns. The mothers of the bride and bridegroom wore blue and had corsages of sweet peas.

After the ceremony a reception for Mr. and Mrs. Palser was held at the home of the bride's mother, with fifty immediate relatives and friends attending.

The table was beautifully decorated with the huge wedding cake as the centerpiece. Pink and white streamers fell from a large white wedding bell which was hung above the center of the table. Waitresses were Lorene Peterson, Marilyn Cook, Kathleen Clement and Lois Cook. They all wore white dresses and heart-shaped organdy aprons. Mrs. R. J. Williams was in charge of the guest book and Mrs. R. W. Hackel and Mrs. R. W. Peterson presided at the gift table.

The bride, a graduate of the Ord high school has taught in the Mira Valley community for five years. The groom is associated with his father in farming. The couple will be at home on a farm in the Davis Creek neighborhood.

Guests from a distance included Mr. and Mrs. R. W. Hackel and son of Longmont, Colo., and Mr. and Mrs. E. W. Collins of Mitchell, Nebr.

85th Birthday Party

Friends and neighbors of Mrs. Hattie Shepard gathered at her home Saturday evening to help Mrs. Shepard celebrate her eighty-fifth birthday anniversary. Mrs. Shepard carries her years lightly, is spry and active, enjoys good health and does all her own house work. She was presented with several gifts.

Erickson-Larsen Nuptials

Miss Irene Erickson, daughter of Mr. and Mrs. Carl Erickson of Ericson, and Gerald Larsen, son of Mr. and Mrs. Lars Larson of Ord, were married Wednesday evening in the First Methodist church in Ord. The Rev. Carl F. McConnel performed the double-ring ceremony. Miss Irene Auble was soloist. Mrs. Orin Kellison presided at the piano. Miss Auble sang "I Love You Truly" and "The Lords Prayer".

The altar was banked with flowers and white candles.

The bride's gown was white lace over satin, with a sweetheart neckline and puffed sleeves. Her veil of illusion had a crownet of lace and seed pearls. She carried a bouquet of pink carnations.

Mis Gloria Martin of Bartlett was bridesmaid. She wore a blue taffeta gown and carried a colonial bouquet. Lyle Foth of Ord was best man.

After a motor trip to Lincoln the couple will make their home near Ericson on Mr. Larson's farm. Mr. Larson expects to enter the armed forces in the near future.

Wedding at York

The home of Prof. and Mrs. W. C. Noll in York was the scene of the wedding June 8 when Merle Needham Worrell became the wife of Robert E. Reis, the son of Mr. and Mrs. H. F. Reis of Mount Sterling, Ky. The bride is the daughter of Mr. and Mrs. Bert Needham of Ord and a niece of Prof. and Mrs. Noll. The double ring ceremony was performed by the professor who is an ordained minister.

For the afternoon wedding Mrs. Reis wore an aqua crepe dress with black accessories. After the wedding Mrs. Noll served ice cream and cake to the relatives and intimate friends who were present at the ceremony. The bridal pair spent Sunday in Aurora and Monday arrived in Ord where they will spend the summer.

The bride is a graduate of the Ord high school and attended York college. She has taught in the rural schools of Valley county, at Cotesfield and at Wood River.

The bridegroom graduated from the Mount Sterling, Ky. high school and was attending the University of Kentucky when he was called into the army air corps. He was stationed at the Grand Island air base and there he met the woman who was to become his wife.

With the coming of fall Mrs. Reis plans to return to Wood River where she has contracted to teach the eighth grade. The bridegroom's plans are indefinite.

Mrs. Reis was the guest of honor at a bridal shower in the home of Mrs. Henry Cremeen Monday night. The shower was attended by the members of the Sunday school of the United Brethren church. Hymns were sang and a good time was enjoyed by those who engaged in the parlor games. To climax the evening the bridal pair were led to a gift laden table where they examined the packages and made guesses as to their contents before they removed the wrappings.

Lukes Sisters Entertain

Last Wednesday evening the Misses Barbara, Elizabeth and Minnie Lukes entertained Mrs. Vincent Kokes and Mr. and Mrs. Edward Ledvina, daughter and son at a 6 o'clock dinner in their home. Mr. Ledvina is a brother to Mrs. Kokes. The Ledvinas who live in Roberts, Ida., are visiting in Ord for several weeks.

Mrs. Frank Ptacnik, who is one of the Lukes family, spent several days last week with her sisters. Thursday evening Mrs. Antonia Lukes and Mrs. Emil John were supper guests of the Lukes sisters.

—Mr. and Mrs. Will Foth and Ellen Jeanne, Mr. and Mrs. Joe Cook and Lois and Mr. and Mrs. Archie Geweke were all dinner guests in the Benny Lukesh home in Loup City Sunday evening.

—The Veterans of Foreign Wars will meet Thursday evening, June 20 at 8:30 o'clock in the Odd Fellows hall. All members are urged to attend.

War Flight of All British Gold Told

Removed to Secret Hiding In Far Parts of World.

LONDON.—Britain moved virtually her entire gold supply from this island in the greatest gamble in financial history when a German invasion threatened, a Bank of England spokesman said.

Every type of ship, from tramps to luxury liners, some running through U-boat infested waters unescorted, carried the gold to secret hiding places in the far parts of the earth.

Movements during the entire war from England and South Africa amounted roughly to $4,000,000,000 worth of gold, with losses totaling hardly more than $20,000,000.

Some of the lost gold was later recovered after treasure-laden ships sank.

One case which the spokesman called "perhaps the most remarkable salvage job in history" saw Australian divers scrape up from the ocean bed 423 feet down all but $325,000 worth of a gold cargo valued at $8,000,000 that the ship Niagra was carrying when she went down in the Pacific.

Stores of gold were concentrated in naval bases and other strategic spots throughout the world—a testimonial that Prime Minister Churchill meant what he said when he asserted Britain would fight on even though the home islands fell to the Nazis.

Huge funds were moved to two North American centers, New York and Ottawa, as Britain needed all the gold she could "get her hands on" to obtain supplies before the lend-lease program was inaugurated, the spokesman said.

Some of that gold now is coming back, but where from, when and how still is a secret.

New Canning Process to Preserve Natural Color

NEW YORK. — Scientific study as to "What makes grass green" has achieved success that will be translated into practical contributions to American foods in the post-war period.

One of the first results of the study will be canned green peas that have practically the same verdancy as the fresh product. Dr. J. S. Blair, member of the American Can company's research group, found that water in the brine solution in which peas are canned washed out magnesium from the chlorophyll molecules, which are responsible for the bright green color of grass and vegetables. By adding magnesium hydroxide to the brine, Blair stabilized the chlorophyll and so made it possible to preserve the bright green color and to obtain better flavor.

Agriculturists then went to work to develop a new type of green pea which has a deeper color than common varieties. By moving the plants from north to south three generations a year of cross-bred peas were produced, until a vivid green type was obtained. Food scientists predict the same or a similar process of packaging will be applied to other green vegetables such as asparagus or broccoli.

Specialists Who Learn Arms to Get Extra Pay

WASHINGTON. — President Truman has ordered extra compensation for enlisted men in the navy and coast guard who achieve proficiency in the use of arms when such qualification is not a requirement of their rating.

The extra compensation, ranging from $1 to $5 a month, the navy explained, is intended as incentive to the enlisted man to achieve proficiency in the handling of some arm when his rating does not require such proficiency, although his battle station might involve such handling.

For example, an enlisted man with the rating of yeoman is not required to know how to operate a gun-range finder, but under the new order, if a yeoman qualifies as an operator of a gun-range finder he would be entitled to extra compensation.

British Officer Remembers Pals in $1,952,000 Will

LONDON.—Lt. A. B. Hargreaves Brown, a 23-year-old Scots Guards officer who was killed in Belgium last October, never forgot the men who served with him. In his $1,952,000 will published recently he bequeathed $20,000 to a fellow officer, Capt. Nial O'Neill, $10,000 to Sgt. Thomas Debnam, and from $200 to $2,200 to every surviving noncommissioned officer and man of his contingent in the 49th reoccupied by the 9th. The Wolfsberg factory now is under British control.

Art Treasures Found Protection in Vatican

LONDON, ENGLAND. — A great store of Italy's art treasures was kept in the Vatican throughout the war, the Vatican radio said. The broadcast added that 691 huge cases included Mozart's sponet and the piano on which Mascagni composed his opera "Cavalleria Rusticana."

FLOOD CONTROL SURVEY MADE IN CUSTER COUNTY

Army engineers are making progress with their study of possible flood control measures for Broken Bow and the Muddy Creek valley, according to information recently received by F. W. Raasch, utility superintendent.

A preliminary survey of the valley from the area near Ravenna to and including Broken Bow has been made, and the data on this survey will be turned over to the district army engineer in Omaha August 15. This preliminary survey has been done by army engineers.

The district engineer's office in Omaha will make a careful study of the situation from the information contained in the preliminary survey and at the hearing held here early this spring, and will make recommendation for the next step, if the flood control measure is deemed proper and necessary.—Custer Co. Chief.

1945 DUCK KILL

Preliminary tabulations from hunters' report cards received from duck hunters throughout Nebraska show that the total duck kill for the season of 1945 will be greater than in the preceding year, according to Nebraska State Game Commission officials.

Although some hunters reported fewer ducks, the increased number of hunters in the field, plus a greater success in bagging birds in most areas combine to make the kill figures, game commission workers said.

SOMEWHAT DIFFERENT.
By John L. Ward

The test of friends is what they will do for you when they have the same opportunity to do the same thing for somebody else. After finding out Saturday the results of the vote on delegates to the state convention, I had a right to feel grateful to my neighbors and proud of the fact that we decided to make our home in North Loup. To lead the field in your home town does something to a fellow. Sometimes it almost makes me feel like whistling.

* * *

Father's Day was quite warm in North Loup, possibly elsewhere, but the government has been making it hot for dad for some time now, so it is doubtful of many of them noticed the difference. One thing in North Loup that made it especially annoying was the young man who kept busy most of the day riding his motorcycle up and down main street with the cutout wide open, disturbing all residents within hearing. This noisy edition of the invention of the Devil certainly did not add to the pleasure of Father's Day.

* * *

Speaking of motorcycles, they may have been important and essential during the war, and it may have been necessary to run them without mufflers then, but the boys who had to listen to their noise in those days developed such an aversion to them that they will never again fully appreciate the beauty of a motorcycle's song. One fellow made himself especially obnoxious at Hunters Point, driving at high speed to and from work through the heavy traffic, dodging in and out among the autos. One day he took too much of a chance and landed in the hospital with a broken shoulder. Luckily, his machine was smashed beyond repair, and nobody but himself was hurt.

* * *

I had intended to write something last week about the trip we North Loupers took to Beatrice to attend the Lions district convention held there. In some respects it was about like any other convention, and in others it was not. We who went feel that we got much value out of the trip, besides having a wonderful time. We enjoyed every minute of our trip, were billeted together in a private home where we got plenty of sleep, and we all agreed that the Beatrice gang proved themselves ideal hosts.

We will still remember the flavor of that barbecued beef for many years to come. The job was supervised by a Beatrice man, whose name should go into the hall of fame along with those of Daniel Freeman and J. Sterling Morton, for he does one thing better than anybody else can do it. After all, that is the true test of greatness. When you get so good at your job that you can do it better than anybody else, then you have done something worth while.

That, too, is the reason we have so many mediocre men in this world. It is foolish to argue that we do not have the opportunity. We are too easily satisfied. We can make the opportunity by doing the job we are working on just a little better from day to day. The ultimate has never yet been reached in any field of human endeavor. The trite saying, "There is Always Room at the Top", still holds good. Men once traveled four or five miles an hour on foot, and today he flits through the air at more than that number of miles per minute, and the final limit of speed is beyond comprehension.

Cook-Stewart Nuptials

The Zion Evangelical church of Mira Valley was the scene of a beautiful candle light wedding, which took place on Thursday evening, the 6th day of June, when Miss Roberta Cook, daughter of Mr. and Mrs. Dan Cook became the bride of Floyd Stewart, son of Mrs. Sylvia Stewart, Rev. Warren G. Studor, pastor, performed the double ring ceremony and received the marriage vows.

Preceding the ceremony, Mrs. Rueben Cook played a ten minute recital of nuptial music and accompanied Mrs. Walter Kleuver, aunt of the bride who sang, "Because", and Rueben Cook, cousin of the bride, who sang, "The Lord's Prayer", and "Ava Maria", which they sang as a duet. As a processional Mrs. Cook played the bridal chorus by "Lohengrin" and as a recessional, the wedding march by "Mendelssohn".

They were attended by Marilyn Cook, sister of the bride, as maid of honor, and Alwin Stewart, brother of the bridegroom as best man. The bridesmaids were Lois Cook, cousin of the bride, Betty Jean Fuss and Thelma Collins. Wilfred Cook, brother of the bride, Clive Cook, cousin of the bride, and Lores Stewart, brother of the bridegroom were ushers. Serving as flower girls were Mary Ann Kleuver and Eileen Santin, cousins of the bride and bridegroom respectively.

Preceding the ceremony, the candalabra were lit by Mrs. Ernest Zabloudil and Wilma Klenecky.

Before an altar which was decorated with mixed seasonal flowers, the bride, given in marriage by her father was lovely in a white satin gown fashioned with a basque bodice featuring a square neckline edged in lace, and long sleeves which came to a point over the wrists. The full skirt was fashioned with overskirts of net and marquisette, the latter ending in a long train. The two-tiered veil of net, edged with imported English lace, fell from a crown trimmed in white sequins. Her only ornament was a single strand of pearls. She also wore perfume from Paris, a gift of the bridegroom. She carried a beautiful bouquet of red roses, tied with a ribbon from her mother's wedding bouquet.

The maid of honor was also gowned in white featuring a lace bodice and sweetheart neckline with a skirt of net. She also carried a bouquet of red roses.

The flower girls wore identical white floorlength dresses with an overskirt of net.

The bridesmaids wore blue formals and carried red roses. The candle lighters also wore blue formals and wore corsages of red roses.

The bridegroom, his attendants, and father of the bride wore blue suits and identical maroon ties and wore white carnation boutonniers.

The bride's mother wore a navy blue crepe dress with which she combined black accessories. The bridegroom's mother also wore a navy blue dress with black accessories. Their corsages were of pink and white sweet peas.

Immediately following the ceremony, a reception for 100 guests was held in the church basement. The bridal table was centered with a four-tiered wedding cake. The church basement was decorated with blue and white streamers, the wedding colors. Audrey Novosad played the piano while the guests were being seated. Mrs. Harry Foth had charge of a brief program which was centered around the bridal party. The program was climaxed by a drawing by George Clement. Mrs. Rueben Cook played for the drawing and for the other musical numbers. Mrs. Lamoine Wigent had charge of the guest book and Mrs. Warren Studer the gift table.

Those who served at the reception were Shirley Walker, Lois Wells, Betty Hosek, Grace Rice, Mildred Valacek, Liola Koelling and Doris Beranek. The food was prepared by: Mrs. Elmer Hornickel, Mrs. Joe Rowbal, Mrs. Out of town guests present at Everett Boettger, Mrs. Anton Capek and Mrs. Arthur Ferris.

Mr. and Mrs. Stewart left immediately after the reception for a short wedding trip after which they will make their home in Mira Valley, where Mr. Stewart is working. For her going away ensemble the bride chose a black and white checked suit and a matching black topper with which she combined white accessories.

Mr. and Mrs. Stewart both graduated from the Ord high school in the class of 1943. Since then, Mrs. Stewart has been teaching school in Mira Valley for the past three years. Mr. Stewart served 33 months in the U.S. army, 18 of which were spent in the European theater of operations. He received his discharge in March, 1946.

Out of town guests present at the wedding were: Mr. and Mrs. Oscar Bredthauer and family of Grand Island, Mr. and Mrs. Virgil Brockman and Mr. and Mrs. Walter Kleuver and family of Columbus, Mrs. Lois Wells of Cotesfield, Rev. Stevens and Barbara and Rosemary of Taylor, Clive Cook of Alden, Iowa, Mr. and Mrs. Gerhard Bielke and family of Scotia, Mr. and Mrs. Frank Santin and Eileen of Fullerton.

Alfred Weigardt Talks

Alfred Weigardt told of his experiences in the shipyards at Oakland, Calif., where he was employed during the war, at the dinner meeting of the Methodist men in the church basement Thursday evening. Mr. Wiegardt, who is now in the real estate business reports that many ex-service men who were stationed in California sometime during the war are returning there to live and that the state is as crowded as it was during the war years.

The dinner was arranged by John Haskell and Leonard Woods. C. M. Davis presided.

Popcorn Maids Meet

The popcorn Maids 4H club met at the home of Joan Burrows Tuesday. The club pins were distributed and the record books were completed. Joan Burrows and Jeneane Brennick were appointed the demonstation team and they represented the club at demonstration day. The next meeting will be June 25 with June Brennick.—Judy Ingerson, reporter.

Methodist Women Meet

The members of the Women's Societies of Christian Service of Burwell, North Loup, Arcadia, Ericson, Bartlett and Greeley were guests of the Ord ladies at a luncheon and a meeting in the Methodist church basement Wednesday. Mrs. Carl McConnel filled the role of mistress of ceremonies and introduced the speakers and guests.

Mrs. Elmer Zlomke gave a report of her experiences at the national convention of the society held in Columbus, Ohio, which was most interesting to the listeners. Mrs. W. E. Cook of Hastings and Mrs. W. Harrington of York, both of whom are officers in the Hastings district, spoke. Mrs. Mark Tolen and Miss Irene Auble each sang solos.

Mrs. Cecil Clark Hostess to 8 et 40

Mrs. Cecil Clark was hostess to the 8 et 40 at her home last Tuesday evening. Preceding the meeting the husbands of the members were guests at a dinner in the Jones cafe. Mr. and Mrs. Alfred Weigardt were guests at the dinner. Mrs. Weigardt is a former member of the organization.

—Mrs. Harry Ballard was a bus passenger to Grand Island Friday where she was a guest in the Laverne Ballard home.

—Mr. and Mrs. L. A. Muncy and daughter left Sunday for a two weeks vacation trip through Colorado. They will visit her relatives in Denver, Loveland and Hayden. During their absence Lewis Heinrichs will operate the jewelry store.

—Mr. and Mrs. Harry Bresley returned from Omaha last Tuesday where they spent ten days while Mr. Bresley received treatments for his injured hand. Their son, Lloyd, accompanied them home. Lloyd was discharged from the navy at St. Louis and flew to Omaha to join his parents. He spent twenty months in the Pacific theater and attained the rank of seaman first class.

—Mrs. Frank Pilanowski is a new employee in the New cafe. Mrs. Everett Satterfield and Miss Frances Paprocki are assisting in the Grill.

—Mr. and Mrs. James Alderman and family of Bremerton, Wash., arrived in Ord Thursday evening where they are visiting in the home of Mr. and Mrs. Leon Woods, the Emil Hansens, Mrs. Alderman's parents, who live at Loup City, and many other relatives and friends.

—The vacation bible school at the Methodist church closed with a picnic at Bussell park Friday afternoon, which the children enjoyed very much after more or less being confined for two weeks. An exhibit of the work of the school was shown in the church Sunday and diplomas were awarded.

—Mrs. Joe Pesta and son, LaVerne, went to Grand Island Saturday where they visited her son, Leonard, who is employed there.

Diversion Dam Protects Crops and Soil

Spikes Grants Four Divorces

English Bride and Soldier Part; Decree Given on Insanity Grounds.

Four divorces were granted by Judge Spikes in the district court of Valley county Wednesday morning. The English war bride, Mrs. John Clingman who arrived in Ord last April, radiant with anticipation of living in America with the soldier who won her heart was disillusioned. She was granted a divorce by Judge Spikes and custody of their little daughter, Wendy Anne, who is two years old.

Mrs. Clingman testified that her husband no longer cared for her or her daughter, that he kept company with other women and drank to excess. Her testimony was corroborated by a relative of Mr. Clingman's by marriage. Mrs. Clingman asked for no alimony but was awarded $30 per month child support.

Judge Spikes expressed concern for her financial welfare as she is only nineteen and had no friends in America previous to her arrival here, but she told the judge she was certain she could get a job and that she had a grandmother in England who had means and who would assist here. The Clingmans were married in England March 18, 1944. Mrs. Clingman said she kept company with her husband eight months before she married him. She was unaware that he had re-enlisted in the army until she reached America.

Valley county had its first divorce granted Wednesday on the grounds of insanity. Joseph W. Klanecky was granted a decree from his wife, Rose, who was committed to the state hospital in Hastings in 1940. The Klaneckys have no children. Dr. Neilson, superintendent of the Hastings hospital made a deposition stating that Mrs. Klanecky's condition was incurable. Drs. C. J. Miller and F. A. Barta gave similar testimony. Both doctors are familiar with Mrs. Klanecky's affliction.

Mrs. Edith T. Fiala was granted a divorce from her husband Anton B. Fiala, who is a Presbyterian minister now living in California. Mrs. Fiala testified that she and her husband had not lived together since June, 1935. She was granted the custody of their two teen age children and was awarded title to all property now in her name and her husband retains all property now in his name.

Calvin C. White was awarded a divorce from his wife, Jackie White. Mr. White testified that he met his wife in Florida where he was stationed while in the army. He said that at the time of their marriage he was not informed that she had been previously wed and was the mother of a daughter.

The divorced wife of William Hulinsky was awarded the custody of their two daughters, who are six and seven years old, for two weeks in July by Judge Spikes. At the time of the divorce the father was awarded custody of the children, who spend short periods with their mother at specified times.

—Dillo Troyer and Joe Dworak and son left Tuesday evening for Johnson lake where they spent Wednesday fishing. They took along a boat on a special built trailer.

Farmers of Valley county have the opportunity to earn $117,000 in 1946 by following approved soil building practices. The payments are made by the AAA. All projects for which payments may be collected must be approved by the local AAA committee. The AAA outlines the projects and the farmer must secure help and advice in constructing or carrying out the practices from the soil conservation office which operates separately from the AAA.

In Valley county payments will be made for dams, terraces, field strip cropping, contour listing and seeding, summer fallowing, green manure practices, leveling land for irrigation and establishing grass manure practices, leveling land for irrigation and establishing grass on depleted crop land. Emil Kokes, county AAA chairman estimates that the farmers of Valley county will earn at least 60 percent of their payments by building dams. At present seven caterpillar tractors equipped with scoops for moving dirt and two bulldozers are available for such work in the county.

Since the first of the year many dams have been constructed in the county, one of which is shown above. The heavy rains last week afforded an opportunity to show what the dams could do. Other pictures of dams taken on Valley county farms last week will be shown in the next issue of the Quiz.

This is one of the larger dams in the county. It is located on the farms belonging to Louis Jobst and John Koll southwest of Ord. This dam serves several purposes. For Mr. Jobst it prevents water from flooding the fields of his fertile farm in Mira valley. When heavy rains occurred water often came down from the hills and ruined Mr. Jobst's crops as well as washing away much of his top soil. Both farmers benefit by the dam.

Mr. Koll plans to use the water it impounds for his livestock. The dam is on the edge of his pasture. This dam is 356 feet long, 92 feet wide at the base and 17 feet high. To build it 5,737 cubic yards of earth were moved. Both farmers will receive payments from the AAA for building the dam. The above picture shows the water which the dam held back. It would have flooded a fine fiield of barley belonging to Mr. Jobst.

July 6 Last Chance for Teachers' Exams

The last opportunity to take teachers' examinations to qualify for a certificate to teach this fall will be July 6, Miss Clara McClatchey, county superintendent announces. The examination will be given in Ord commencing at 8 o'clock and will follow this schedule.

Irrigation Flume Damage Is Feared

Loss of $5,000 Structure Was Narrowly Averted After a Night Bathing Party.

Serious damage to a flume in North Loup's district's irrigation system north of Dist. 42 school house was narrowly averted last week, after swimmers had illegally closed a check in order to raise the water level in the canal. Water overflowed for two hours and had it continued much longer the flume might have been destroyed. Since the structure cost $5,000 to build, its loss would have been financially serious but even more calamitous might have been loss of crops on the 4,000 acres which this structure serves.

This is the third time swimmers have closed the check at this same flume, says M. S. Dodd, manager of the district. Twice the Mira Valley flume, a $10,000 structure has been endangered by similar acts, and other checks in the North and Middle Loup valley systems have been closed by swimmers.

Tampering with an irrigation structure is a criminal offense, the irrigation districts warn, and any persons apprehended doing so will be prosecuted to the full extent of the law.

Loss of an irrigation structure at this time of year would inevitably cause serious loss of crops, Manager Dodd says, since the structure could scarcely be rebuilt in time to put it back into service this season. He asks that people refrain from swimming in the canals and especially that they do not tamper with the checks or other structures.

John Misko Heads Cosmopolitan Club

George Hastings & Hubert Fox are other Officers Of Revived Group.

After being inactive for about four years the Cosmopolitan club was reorganized three weeks ago. The club has been having dinner meetings in the Jones cafe Thursday evenings. John P. Misko is the president, George Hastings, vice-president and Hubert Fox, secretary-treasurer.

During the months of July and August the club plans to have but one meeting each month which will be an outdoor affair. Mr. Misko says that the club plans to sponsor the soap box derby, the football banquet and other events of community interest in the future.

Arcadia Department Will Resume Soon

The Arcadia department, missing from the Quiz since June 1 when Mr. and Mrs. W. J. Ramsey ceased conducting it because of press of other duties, will be resumed next week. New editors will be Mr. and Mrs. Gene Hastings, with the latter handling news writing and Mr. Hastings serving as Quiz representative for advertising, subscriptions and job work.

They and the Quiz management will appreciate any help that Arcadia people can give them.

A. H. Meyer Dies In Burwell After Extended Illness

Loup Valley Pioneer Buried Monday; Helped to Build Fort Hartsuff.

August H. Meyer, one of the pioneer settlers of the North Loup valley, died at his home in Burwell Friday, following many months of poor health. With the coming of spring he rallied and was able to be up and to get around again. He had gone to his elevator in the afternoon to examine some of his papers and while there he was stricken with a heart attack. He was taken to his home but never regained consciousness.

Mr. Meyer was born in Kankakee, Ill., Nov 6, 1863, As a youth of eighteen years he came to the North Loup valley. At that time the railroad went no further than North Loup and Mr. Meyer helped lay the ties on the track between North Loup and Ord. He also helped to built Fort Hartsuff.

Mr. Meyer settled on the John Lech farm in Valley county east of Goodenow and about four miles southeast of Burwell. He was married to Miss Minnie Peters, the daughter of another Valley county pioneer family. Mr. and Mrs. Meyer made their home on the farm for many years and here their daughter and four sons were born.

Later Mr. Meyer and his family moved to Burwell where he was engaged in the grain business for more than three decades. He also fed cattle and hogs and dealt in livestock for many years. Mr. and Mrs. Meyer enjoyed more than fifty years of wedded life and celebrated their golden anniversary about ten years ago.

After a long illness Mrs. Meyer died Dec. 20, 1944. Mr. Meyer leaves a daughter, Mrs. Ethel Russell of Hayward, Calif., and four sons, Fred of Midway, Calif., and Arthur, Charles and Dewey all of Burwell. He also leaves eight grand children and a number of great grandchildren.

He survived all his brothers and sisters, who made their homes in Illinois.

Funeral services were conducted in the Congregational church Monday afternoon by Lyman Kern, who was pastor of the Christian church in Burwell about twelve years ago. Mr. Meyer had expressed the desire that Mr. Kern conduct the last rites for him and Mr. Kern who now live in South Dakota returned to Burwell to do so. L. J. Garrison, F. F. Wagner, J. E. Cram and Dr. R. W. Wood sang accompanied by Mrs. W. L. McMullen. Interment was in the Cottonwood cemetery at Burwell.

His daughter, Mrs. Russell, has spent most of her time last year in Burwell to care for her father. All of Mr. Meyer's children were present at the last rites.

Firemen's Fund Now Halfway To New Truck Goal

Benefit Dance In August Expected To Raise Large Amount.

Funds for the purchase of a new fire truck designed especially for the fighting of rural fires now total $3044.10, fire chief Vern Andersen told the Quiz this week.

"Donations have slacked considerably in the past month," he said. "We have contacted most of the farmers in this vicinity who will benefit by the new truck's service, and most of them have given liberally. There are a few stragglers though and we expect to hear from them soon.

"The benefit dance we are staging in August is expected to go over big, and we think we'll have a sizeable chunk of profits to go toward the purchase of the truck.

"However, we're still only halfway to our goal of $6,000, and it's going to take a lot of donations and schemes to get the other $3,000," the fire chief concluded:

Donations to date include:

Previously acknowledged	$2855.35
John Haskell	15.00
Loup Valley Rendering Plant	25.00
S. W. Roe	10.00
T. Nelson, Jr.	10.00
E. B. Stewart	10.00
John Mason	10.00
Paul Chilewski	8.75
Sale of horse donated by Harry Bresley	88.75
Chris Beiers	35.00
R. A. Peterson	10.00
Eddie Samla	10.00
Evet Smith	20.00
H. B. Thompson & Son	25.00
Total	$3044.10

Jim Keller, shown above could likely give some valuable advice to the fellows who have been going fishing and coming home with nothing to show for their efforts except a big appetite. Jim landed this fish above Hardenbrook dam. It is a northern pike and weighed six pounds.

Teachers May Get 3 Hours Credit In Off-Campus Course

Lessons Will be Taught by Prof. Thorp and Begin Aug. 5 in Ord.

Teachers and persons interested in the teaching profession will have an opportunity of earning three hours of college credit by enrolling in the off campus course which will commence in Ord Aug. 5 and last for fifteen days. The class will be taught by Professor Thorp of the University of Nebraska, who was the instructor of the course given in Ord last winter.

The course is being arranged by Miss Clara McClatchey, county superintendent. It is listed in the university catalogue as Education 520C and consists largely in teachers' methods. Miss McClatchey will be glad to answer any questions which any one may have regarding the course. Advance registration is not necessary and people may register for the course the day the first lesson is given.

Vernon Marshall Resists Officer

Young Man Given 45 Days At Hard Labor After Disturbance.

Vernon Marshall pleaded guilty to the charge of resisting an officer in county court Friday morning and was sentenced to 45 days at hard labor by Judge Andersen. This was Mr. Marshall's second offense.

Herman Rice, city night watchman, was called when Marshall in a state of intoxication was throwing beer bottles and boards following the wedding dance Thursday night. When Rice arrived he found Marshall standing on the bumper of a car threatening the occupants with a beer bottle. The driver backed up and Marshall fell off.

Rice said that he tried to apprehend Marshall peaceably but that Marshall kicked, bit, hit and cursed him. Mr. Rice declared that Marshall would not have acted in such a manner if he had not been intoxicated as he had known him for many years and considered him a model youth when sober. Rice testified that he sustained several injuries which are being treated by Dr. Barta while getting Marshall inside the jail.

Mr. Rice called upon four men to help him and in the process of getting Marshall to the jail he tore off his shirt and kicked off his shoes. Dr. Barta was called and Marshall attacked him before the doctor could quiet him.

In sentencing Marshall Judge Andersen declared that the officers of the law must be upheld by the courts. He pointed out that the officers had nothing to rely upon except the law and that he favored backing the peace officers to the fullest degree, as their's is a difficult job. He stated that he considered drunkenness no excuse for an individual to resist arrest.

Charges against Marshall were filed by County Attorney John P. Misko. Marshall's father, Grant Marshall, who was committed to the State hospital May 31 by the county insanity board following his arrest for being drunk and disorderly, has been released on probation from the county jail where he was being held until he was received into the crowded hospital at Hastings.

William Goff Is Leasee of Rutar Hatchery In Ord

Young Man Who was in that Business before Joining Navy Takes over July 1.

After operating their hatchery in Ord for twenty years Mr. and Mrs. Stanley Rutar will retire from the business July 1. They have leased their building and equipment to William Goff who before he enlisted in the navy in June of '44 was their competitor.

The Rutars plans for the future are more or less uncertain. They plan to remain in Ord and Mr. Rutar will devote most of his time to the management of his farms. Mrs. Rutar has become allergic to baby chicks which have caused her to suffer with asthma and for this reason they are retiring from the hatchery business.

Mr. Rutar was born in Czechoslovakia. He began life as a farmer but shortly after his marriage he and Mrs. Rutar opened a hatchery in Loup City which they operated for several years. Later they ran a hatchery in Central City for two years and then then came to Ord where they have since resided. They have been most successful in the hatchery business and were happy in their line of work until Mrs. Rutar developed asthma.

William Goff has spent most of his life in Ord. He was born at Wood River. He is a graduate of the Ord schools. His wife, the former Lorraine Jorgensen, the daughter of Mr. and Mrs. Walter Jorgensen, was born and reared in Ord. The Goffs have a son and a daughter.

Mr. Goff's father, Thomas Goff opened a hatchery in Ord in 1929 which he was operating at the time of his death in 1936. Mrs. Goff ran the hatchery until 1940 when her son became her partner. The Goffs were successful in the hatchery business until June of 1941 when he answered the call of his country and joined the navy. This compelled them to close their business and sell their eqiupment.

Mr. Goff was discharged from the navy in February and since that time has been employed as a carpenter. The problem of securing a location and the necessary equipment prevented him from going back into the hatchery business until he was able to lease the Rutars' establishment. He will also operate the Rutar hatchery at Burwell, where Jonathon Conner will continue to be in charge. Don Dahlin will assist Mr. Goff in the Ord hatchery.

In addition to the hatchery Mr. Goff will carry a full line of feeds, medicines and remedies, and other poultry supplies. He is an expert in culling flocks and plans to offer his services to the poultry raisers of this area. Mr. Goff has many friends and old customers who will be most happy to learn that he is again back in the hatchery business in Ord.

Air Service for Ord A Possibility

John E. Neylon of Lincoln Seeks Permit To Operate Route Serving City.

Aircraft service for Ord is an immediate possibility. John E. Neylon of Lincoln has made application to the State Railway Commission to operate an aerial civil service route between Omaha and Ord. A hearing on the application will be held in the capitol building in Lincoln at 10 o'clock in the morning of July 24.

Other points which will be served on the route are Lincoln, York, Grand Island, Hastings, Lexington, Broken Bow, Columbus and Fremont. Bill Steen, president of the Valley Fliers, was much enthused when he learned of the proposed service. He is arranging for a delegation from the organization to appear at the hearing in Mr. Neylon's behalf. "This will be a great thing for Ord", Steen declared, "and we should give this man our full and complete support".

Three routes are anticipated by Mr. Neylon. One route will cover the following cities and towns: Omaha, Wayne, Norfolk, O'Neill Valentine, Platte, Ogallala, Sidney, Kimball and Scottsbluff.

Cream Subsidies To Be Paid July 1 for April, May, June

Cream check stubs for dairy subsidy payments for April, May and June may be left at the Valley County AAA office commencing July 1, Emil Kokes, the chairman anounces. Payments of 17 cents per pound for butterfat will be paid for the month of April and 15 cents per pound for the butterfat produced in May and June.

ON PLACING BLAME

Everyone is blaming John L. Lewis these days—for everything: strikes, tie-ups, stoppages and resultant inconveniences. No one has ever thought to blame himself.

Yet if we do not stop and think it over, we will see that we ourselves—everyone—are more or less at fault. We can see that what we didn't do ourselves about democracy has given plenty of room for others—to do just about as they please with things which concern everyone.

In other words, the answer to democracy is always at the polls—and in the sort of men we allow first to present themselves, and then, later, to be voted into office. To avoid the sort of labor dictation which everyone seems to fear at present, the best answer—without regard to partisan politics—would be to put men in office who are not afraid to say "no" to labor and keep the tail from wagging the dog.

As one columnist pointed out a few weeks ago, the best way to make sure of such men is to watch the men already in office. If they are afraid of some reasonable approach the anti-strike legislation they are not the men who would say "no" ultimately to the threat of a labor dictation if it came along.

LEGAL NOTICES

NOTICE TO CONTRACTORS

Sealed bids for the development of minimum flight facilities at the Ord Municipal Airport will be received at the office of the City Clerk of Ord, Nebraska, on July 2nd, 1946 until 8:00 p.m. and at that time publicly opened and read.

Red Spiders Hurt Evergreen Trees

A tiny mite called a "red spider" is causing serious damage to many evergreen trees and shrubs throughout the county. Where it is causing injury the needles on the trees are noticeably turning brown. Often a small amount of very fine webs can be found around the needles. The red spider is so small it is difficult to see with the naked eye but can be detected if a piece of white paper is held under the branch and the branch is struck a sharp blow, causing the spiders to fall on the paper. Some control of the red spider can be obtained by washing the trees with a hard stream of cold water. More effective control can be had with spraying the trees with nicotine sulphate or dusting them with dusting sulphate. There will be much loss in some of our trees in the county if immediate steps are not taken to protect them.

The bride chose a floor-length gown of a jersey bodice with a sweetheart neckline and a net skirt. She wore a finger-tip veil with an orange blossom crown and a pearl necklace, gift of the groom, and matching ear rings. She carried a bouquet of red roses.

The bridesmaids were Mildred Moudry, aunt of the bride and Laurene Boro, sister of the bridegroom. Miss Moudry wore an aqua net floor length gown and Miss Boro wore a gown of yellow net. Both had matching net crowns and carried colonial bouquets of sweet peas and roses.

The bridegroom chose a brown suit. He was attended by his brother, Syl Boro and Adrian Kluna, brother of the bride. Both attendants wore brown suits.

About fifty guests were present at the wedding dinner and supper served in the home of the bride's parents. A beautiful three-tiered wedding cake decorated in white, aqua and yellow formed the table centerpiece.

The young couple received many lovely gifts.

In the evening the young couple entertained many friends at a wedding dance at the Ord Bohemian hall to the music of Adolph Urbanovsky's orchestra.

How to shorten holiday meal fixing

It is something of a problem to serve well-balanced meals and keep cool at the same time these warmer days. The trick is to arrange menus so that most of the meal preparation can be done in the cool of the morning and evening. We've some tips on the subject.

ONE HOT DISH—The well-balanced menu should include at least one hot dish. We naturally think of soup because it is taste-tempting, even on the warmest days. If you like to make your own, then plan to make it in the cool of the evening for reheating later. Or serve one of the delicious canned soups for even less time in the kitchen.

PLENTY OF SALADS—Summertime is salad time. Make big ones and plenty of them. They can be as hearty as you like with meat, chicken, fish, cheese or eggs to make them substantial. If the salad is to be the main course, however, be sure there are enough protein ingredients to make it equivalent in nourishment to the usual main course. The nice thing about salads: all the ingredients can be prepared in advance and all ready for the last minute slicing, shredding and mixing. Gelatin salads can even eliminate that.

CASSEROLE DISHES—Contrary to opinion, casserole dishes are grand summer offerings. They can be an all-in-one meal with only a salad and dessert needed to complete the menu. And most of them can be cooked ahead of time for reheating at the last minute. Casserole dishes can also be cooked in the morning, then wrapped in ten or twelve thicknesses of newspaper and kept piping hot for the noonday meal.

8 Women Attend Columbus Meeting

Last week a number of women from Loup and Valley counties went to Columbus where they attended a district home demonstration council. Those present were Mrs. Britton Peters of Burwell, Mrs. Leon Ciemny and Mrs. W. E. Dodge of Elyria. Mrs. Paul Goodrich of North Loup and Mrs. Ray Melia, Mrs. Stanley Absolon, Mrs. Wallace Coats and Miss Phyllis Dodge.

The purpose of the meeting was to plan the extension programs for the coming year. Dr. Patterson of the University of Nebraska addressed the women speaking on "The Homemakers' Place in World Peace".

Lawrence Erthum Buys Out Murray Sheet Metal Works

Lawrence Erthum, formerly of Hastings, has purchased the busines and equipment of the Murray Furnace and Sheet Metal works and will operate the concern under the name of Erthum Sheet Metal and Furnace Works.

G. R. Murray, who sold the business will move to Grand Island with his family in the near future.

Mr. Erthum, who worked for Mr. Murray prior to the purchase, will continue to operate the business in the same location. He will do a general furnace and sheet metal business and will handle Lennox and Viking furnaces and air conditioning equipment.

Mr. Erthum plans to bring his wife and three daughters to Ord as soon as housing becomes available.

Morning Out-Going Mail Starts July 1

Beginning July 1st there will be an outgoing mail dispatch each morning, anounces Postmaster A. L. Hill. Only first class mail will be handled and it will leave the Ord post office at 8:15 and travel by Popcorn Trails bus to Grand Island.

Several air mail connections now being missed will be made by this morning dispatch of mail, says Hill.

Applications for Free Tuition Must Be Made by July 1

Rural students who plan to attend high school this fall should sign an application for free high school tuition and submit it to the county superintendent by July 1, Miss McClatchey says that application blanks may be obtained from the office of any high school or at her office.

She points out that eighth grade graduates have largely turned in these applications but that students who have attended high school one or more years are apt to overlook the matter. An application for free tuition must be submitted every year. This applies only to students who live in a district which does not maintain a high school.

It is necessary for the applications to be submitted at this time so that the cost of free tuition may be included when the supervisors figure the county budget for the tax levy. Parents of high school students are urged to see that these applications are not neglected.

Promotion Council Fire

Okihi Camp Fire girls held a special council fire ceremony for promotion in ranks and award of honors last Thursday evening. This completed more than a year's work in the group.

The mothers and friends of the sixteen members were invited to witness the candle-lighting of We-he-lo and the explanation of merits by Dorothy Penas, the guardian. Mrs. M. S. Dodd assisted.

A total of 431 honors was awarded to nine of the girls qualifying at this time: Karen Burrows, Sophia Capek, Doris Dodd, Luella Christofferson, Marianne Gnaster, Sandra Norman, Marian Severns, and Bernice Walker. Karen, Marian and Marianne performed the lighting of the three flames; Bernlece, Doris, and Charlene Blessing who is in the rank ahead, extinguished them.

Ord Cops Tilt From Elba, 23-1

Bill Novosad Makes First Try on Pitcher's Mound; Strikes out 11.

The Ord town team went on a batting spree here Sunday afternoon and defeated the Elba town team 23-1.

William Novosad made his debut on the mound for Ord by striking out 11 men, allowing seven hits, and one run was scored against him.

Ord garnered 25 hits and scored 23 runs. Fryzek and Dahlin were the big guns for Ord, each getting four hits, followed by L. Novosad with three.

Ord committed but one miscue as compared to six for the Elba team.

Ord scored in every inning but two, while Elba's lone run came in the seventh inning.

Next Sunday Ord will meet Mason City at Mason City. The Mason Cty team defeated St. Paul last Sunday. July 4 the Ord team will go to Greeley to play the Irish who are staging a celebration.

The state highway patrolman, who will give the examinations may be contacted in the office of the county treasurer.

Kitchen Clinic Held Tuesday

A kitchen clinic was conducted in the H. G. Bobst home Tuesday afternoon by Miss Mary Runnalls, home improvement specialist of the state agriculture college. Ten women interested in remodeling their kitchens were present. Miss Runnalls placed all the furniture and equipment in the kitchen where it would serve the greatest efficiency and explained her reasons for so doing.

The number of women who can attend one of these demonstrations is limited, Miss Phyllis Dodge, home demonstration agent, explains because only a small number can be present in the kitchen to ask questions and study the arrangement. Miss Runnalls uses cardboard models of kitchens, with miniature tables, stoves, cupboards, sinks and other furnishings to show farm women how they can remodel and rearrange their kitchens to save themselves steps.

Announcement .....

After operating our hatchery for 20 years we have leased our building and equipment to William Goff, who needs no introduction to the people of Valley Co., and we are retiring from the business. Mr. Goff will take over July 1. We wish in this manner to express our appreciation to the people of this area who have favored us with their patronage for so many years. We especially wish to recommend our successor and we know he will service our customers in a most satisfactory manner.

Mr. and Mrs. Stanley Rutar

I am very happy to be back in the hatchery business again and I am anxious to serve all my old customers and those of Mr. and Mrs. Rutar as well and I hope to have many new ones. Come in and discuss your poultry problems with me. I will carry a full line of feeds, medicines, and all kinds of poultry supplies in addition to operating the hatchery.

There they visited R. W. Mead, a cousin of Mrs. Miller, then went to Salisbury, Maryland via Williamburg, Virginia and other points of interest near there, to spend some time with Mrs. Bernice Brady and daughter, Betty. During their stay they visited Ocean City a popular resort for summer visitors.

From Salisbury, Mary flew to Pittsburg, Pa., to spend a week end with a friend there and was joined by Mrs. Miller. Mrs. Brady and Betty and the party all came by car to Ord with Mrs. Brady who is spending this week at the Dr. Miller home before continuing her trip on to New Mexico where she and her daughter, Betty, will spend the summer.

Miss Shafer Married

Miss Rachel Shafer, who taught home economics in the Ord high school, was married in Beatrice Sunday to Charles Pilcher of Walthill. The wedding took place in the garden of the home of Miss Shafer's aunt at 5:30 in the evening. Miss Irma King of Ord sang preceding the ceremony.

Miss Delores Donnelson of Norfolk was the bride's maid and her sister, Miss Betty Shafer, was the maid of honor. A reception followed the ceremony after which Mr. and Mrs. Pilcher left for a wedding trip to the Black Hills. Miss Clara McClatchey drove to Beatrice to attend the wedding.

—Mr. and Mrs. Joe Lola and family returned Monday night from a trip to California and the Pacific northwest. They have purchased a duplex residence in Spring Valley, a suburb of San Diego where they will make their home. Miss Amelia Lola, who held a civil service position in Washington, D. C., has resigned her job and has secured a new one in Palo Alto. Joe Jr., has registered for the fall term at the College of California in San Diego. The Lolas only plan to stay in Ord a week before returning to their new home in California. They sold their trailer house in California. Miss Hilda Lola will return to Kearney this fall to complete her last year at the State Teachers college. While in California the Lolas visited the Harry McBeths at Ontario.

—Mr. and Mrs. Alfred Hill took their niece, Miss Alice May Hill, to her home in Hastings Monday. Miss Hill has been employed in the Penney store in Ord and has made her home with her uncle and aunt. She became ill with rheumatic fever and her doctor ordered her to quit working.

d Boy With Navy Writes From Tsing Tao; People Clothed in Rags.

The following letter was re-ved May 29 by Judge and s. John Andersen from their , Don, who is serving in the vy.

May 19, Tsingtao, China

r Folks:

Well, at last we have reached ina. It surely is some place. got in the 17th and have been t to the pier for the last two s. It surely is dirty here. The people are the dirtiest things I have ever seen. Since I have been here I have gone on one liberty. I had quite a lot of fun. We, that is two other men and myself from our division went on liberty together.

First we went to a service men's club and ate pork chops. Then we went out on the street and tried to jew the people down on their prices. I'll start at the first and tell you all about it. When we first got here there were some little kids about six to twelve years old who came down to the dock to beg for money and they are still here. They just lay down on the dock and sleep at night. They have on just old rags for clothes, no shoes, and they look as if they hadn't washed for about two years. They were surely some sight. I surely wish I had a camera so that I could take their pictures. You almost wouldn't believe it even if you had pictures of them.

A week ago today we sighted a mine. They shot at it for about half an hour before they sank it. There surely was a lot of excitement over seeing it. They first sighted it when it was about fifty feet right in front of the ship. They surely were worried about it for quite awhile.

Well there are so many things I have to tell you that I don't know where to start. When we went on liberty the first thing we saw were those damn Chinamen. They were all lined up along the street trying to sell you all different kinds of things for a pack of cigarettes. You could buy almost anything they had. They were just like the little kids down on the pier, crazy for American cigarettes, and were they ever poor. They all had on old clothes that were torn and old shoes full of holes and they were as dirty as they could be.

Then as we went along we had to get out of the road for two men who had a bunch of pigs. They were driving them right down the middle of the street. There was a dead hog laying in the middle of the street and we talked to a sailor who said it had been laying there for a week.

This surely is a hell of a place. I am beginning to dislike it more and more. Although it is lots of fun to try to get something for nothing. You stand for half an hour sometimes trying to talk a Chinaman out of some thing. We get $2,000 worth of Chinese money for an American dollar.

How are you folks? I surely wish I would get some mail. It has been almost a month since I got any mail but I think we are going to get some today. Say if you send any packages be sure to insure them. They say if you don't some one is likely to take them.

Dad, try to get me a camera and if you do, be sure to insure it for a lot more than it is worth. You can get twice or three times its price here. An officer told us that we would be in Tsingtao for at least eighteen months. The Seventh fleet has changed its headquarters from Shanghai to Ssingtao and we are taking the place of a ship that has been in China for sixteen years. So, I won't be coming home until my two years are up. Write soon.

Love,
Don.

Mrs. Ross Johnson

On Friday afternoon, June 14, 1946 at 3 o'clock the angels came and took Mary Louise Johnson to a place of quiet peace and happiness where pain and suffering are unknown.

She was the daughter of Washington and Clara Cornell and was born August 6, 1882 in Marshall county, Illinois.

Death came as a result of a paralytic stroke which occurred on Saturday, June 8, 1946. Her age being 63 years, 10 months and 8 days.

When she was a small child she moved with her parents to Scotia, later moving to Parnell precinct then to Homestead precinct where she lived until death came.

On March 5, 1902 she was married to Ross W. Johnson at Ord, and to this union five children were born. All of whom survive and were at her bedside when death came.

The children are: Mrs. Cora Ogden of Scotia, Mrs. Millie Meinecke of Burwell, Mrs. Emma Dutcher of Greeley, and Mrs. Mabel Johnson of Bloomington, Kansas, and one son, Lloyd at home.

Her father preceded her in death Oct. 19, 1919, and her mother Jan. 7, 1924.

Besides her husband and five children she is survived by two sisters and two brothers, Elmer Cornell of Grand Island, Murray Cornell of North Loup, Mrs. Vanda Johnson of Ericson, and Mrs. Addie Clement of Scotia, besides eight grand children and many nieces and nephews. Two brothers Charles and Will preceded her in death.

When a small child she was baptized in the Swedish Lutheran faith and remained true to her faith until death came. She was a true Christian and found much comfort in her daily prayer and bible readings. And she always attended church and Sunday school whenever possible to go.

Mrs. Johnson was a faithful loving wife and mother being devoted to her home and family. She was always considerate of others always glad and willing to help others. She never complained and was a patient sufferer during her last illness.

Funeral services were held Sunday at 2 p.m. at the Scotia Methodist church with Rev. Mitchell officiating.

A quartet from Ericson composed of Mrs. Walthers, Mrs. Kempter, Vesta Westcott and Leonard Walthers sang, "Beautiful Isle", "Sweetly Resting" and "When I Come to the End of the Way", accompanied by Mrs. Marguerite Westcott at the piano.

Casket bearers were sons in law and nephews. Fred Meinecke, Art Ogden, Henry Dutcher, Floyd Clement, Stanley Johnson and Richard Reck. Burial was in Mount Hope cemetery at Scotia.

CARD OF THANKS

I wish to thank the folks who remembered me with cards, letters, flowers and other gifts during the days I spent in the Clinic hospital. Your kindness was very much appreciated. Most sincerely,

Helen Keep.

PRAIRIE FIRE BURNS 270 ACRES AT GREELEY

Fire believed to have been started by sparks from a freight engine, burned over 270 acres of grass in the Rooney pasture northwest of Greeley Saturday afternoon.

The fire was discovered shortly after the Burlington freight passed through the Rooney land. The flames spread rapidly in the dry pasture. The Greeley Fire Department and more than a hundred other persons fought the flames for more than two and a half hours before bringing the fire under control.

The flames, fanned by a south wind, were finally stopped by back fires. Several tractors were used to plow furrows more that a mile long so that back fires could be set. In several places, a second back fire was necessary when the flames jumped the first fire barrier.

More than one hundred fence posts were destroyed, according to Harry Rooney.—Greeley Citizen.

BROKEN BOW PLANS BIG CELEBRATION

Plenty of entertainment will be available to the people of this area July 3 and 4 in Broken Bow with a rodeo, a circus, and a ball game on the schedule.

The rodeo will be staged the afternoons of both Wednesday and Thursday, July 3 and 4 at the fair grounds here with E. J. Francis of Thedford the promoter. They have been working for the past month in lining up what they believe will be a first class rodeo show.

Wednesday afternoon and evening the A. G. Kelly & Miller Bros. Circus will show in Broken Bow at the old football field in the southeast part of town.

Wednesday evening the local Cosmopolitan softball team will play the Metz team from Grand Island under the lights at the swimming pool diamond.—Custer Co. Chief.

BACKACHE, LEG PAINS MAY BE DANGER SIGN
Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.

The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 pints a day.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.

If finding four-leaf clovers means good luck, farmer George Crate, Farmer City, Ill., is going to have lots of it. After he found 40 four-leaf clovers, one five-leaf and one six-leaf on his farm he took the batch over to show neighboring farmers, Frank Schooley and Virgil Sheldon, in case there were any who doubted his pickings. Mr. Crate said four-leaf clovers generally are found in pairs, so he's going to look around for the other five and six-leafs.

North Loup Methodist Church

Samuel Mitchell, Pastor

Sunday, June 30, 1946:

Church school, 10 a.m., Mrs. Stella Kerr, Supt.

Morning service, 11:15 a.m. Message by the Pastor.

The Methodist Pulpit at North Loup had a most distinguished guest preacher for the morning service, in the person of Lieutenant Coloner Frank A. Wilder, of Lincoln.

Lt. Col. Wilder was in charge of Chaplains in the Pacific Theater of war. He saw much action in the various fields. During his stay on Leyte Island, he was in combat, and was wounded in that campaign, suffering the loss of his hearing, and a bad wound in the left leg, this meant his retirement from the armed services.

Last Thursday on his way to Ord, he spoke before the Lion's club. Dealing with some of problems G. I's face as they return to civil life.

Sunday he dealt with the value of missions as revealed by the war activity in the Pacific area. He has a vivid way of portraying conditions as he saw them, and bringing his audiences face to face with the challenge of today and the tomorrows.

Being on the general staff, he was acquainted with General George C. Marshall and Admiral Halsey, and many other notables of World War II.

Since his retirement, Chaplain Lt. Col. Wilder has been attached to the Nebraska Wesleyan University, as a field representative.

You are cordially invited to attend a CHURCH NIGHT at the Church, on Wednesday, June 26, at 8 p.m.

All new members since September 1, 1945 will be honored guests.

A social time with games, fellowship, community singing and light refreshments.

Be sure to come and bring your friends, and enjoy the evening.

Strike Proposed Against Pheasants

Farmers Would Pay No Taxes Until State Makes Good For Damage to Crops.

The Quiz would like to have a letter from a farmer who believes the pheasant is beneficial to publish next week. The following letter from Ernest S. Coats expresses his views on the matter. Other letters discussing the pheasant issue will be welcomed.

To The Ord Quiz:

I see you are asking for letters on the pheasant question. This puts me in mind of 15 years or so back in 1931, '32 and '33 out in Vinton township. I cussed, swore, damned and wrote about the pheasants and they grew more numerous by the year. They did me a lot of damage, two hundred dollars worth in one year. I got a gang up from Lincoln to thin them down around my farm.

Francis Flood of the Nebraska Farmer brought the boys from the Nebraska Farmer up and they camped in our grove for a week and we all got our limit every day and made no impression on the number of pheasants.

Marion Cushing brought a state game man up from the legislature to view 200 of the birds on my place. They counted them but still the game man would not believe they did any damage so Marion had no success in the legislature when he tried to get us relief.

The dry year of 1934 was the only thing that stopped them. I herded our 40 milch cows over ten miles of public roads on account of the drouth and I saw a great many dead pheasants, large and small, in the fence rows and by the next winter they were nearly all dead. '36 was the grasshopper year. The hoppers ate everything and what few pheasants that were left had a hard time. Crops came back and so did the pheasants and as we are not due for another drouth for 35 years it's time to do something.

Strikes are the order of the day. Suppose we all strike in Valley county and not pay any more taxes until the state pays for the damage to the crops these birds have done. They take the corn on the best ground and have no respect for gardens. It looks foolish to have the food supply wasted in that way and if there were an open season on them all the year round and if the farmers were allowed to kill and ship them to the cities it would help out on the meat shortage.

Suppose we yell for an open season on hens and roosters by the year and then instruct our next senator and governor to work for a compensation for the farmer whose crops are damaged by these birds.

Ernest S. Coats.

Joseph Zamboiski, Baltimore, Md., says he was driving his car, and fast, when a Virginia state trooper waved him down and said sarcastically: "Let me see your pilot's license." Mr. Zamboiski, a pilot, pulled out his airplane papers. The officer laughed and let him go with a warning to slow down on the ground.

BROKEN BOW CUTS WATER RATES

Broken Bow citizens will again benefit during the summer months by reduced water rates. The city utility board and the city council have approved the usual 50 per cent reduction in rates to be effective June 16 through September 16.

During these three months Broken Bow citizens will pay just half the usual cost for water used. The 50 percent reduction is allowed on water bills paid not later than the 10th of each month.

For several years past the reduced water rate has been effective during the summer months so that free use of water for lawns and gardens is possible.—Custer Co. Chief.

CARD OF THANKS

May we take this opportunity to thank all of our friends and relatives for the lovely wedding gifts they gave to us. We also wish to express our appreciation to everyone who helped make the day a happy one for us.

Mr. and Mrs. Albin Boro.

Card of Thanks—

I wish to thank my many friends and relatives who sent me cards, letters, gifts and flowers during my stay in the hospital in Omaha. Getting mail cheered me every day and your thoughtfulness of me was appreciated more than you will ever know.

Mrs. Emil Kokes.

Buick Car Brings $455 at Auction

A Buick automobile in good condition was sold Tuesday evening to the Rev. R. T. Cordry at the auction held in the Chevrolet garage for $455.00. The car was a 1928 model. In its day it was the object of envy in Ord. The car was sold to settle the Charles Bals estate. For the last ten years or so the auto had not been driven. It has made several trips across the Atlantic as Mr. Bals took it to Belgium where he visited frequently so that he would have an automobile at his disposal while there.

Ord Woman Returns from West Africa

The Rev. and Mrs. Murray Brown and their five year old daughter are expected to arrive in Ord today, where they will be guests in home of Mrs. Brown's father, Ellsworth Ball. The Browns are missionaries to French West Africa where they have spent the last six years. They are now back to the states on furlough and have been traveling a great deal doing evangelistic work. Their daughter who was born in Africa has visited the Balls previously.

The Rev. and Mrs. Brown will speak at a missionary service in the Assembly of God church Thursday evening (tonight) at 8 o'clock. Mrs. Brown is better known in Ord as Marjorie Ball. The public is invited to come to the meeting and hear the Browns tell of their varied experiences.

Baby Dies

Elaine Renie Paxton was born Feb. 28, 1946 at Grand Island, and died June 24, 1946 at the age of 3 months and 26 days. She was the daughter of Mr. and Mrs. Byron E. Paxton Jr. of Grand Island.

She is survived by her parents, Mr. and Mrs. Byron E. Paxton Jr., her great grandmother, Mrs. Lillie Canfield, Ord, grandparents, Mr. and Mrs. Palmer L. Canfield, Ericson, grandfather, Mr. Byron E. Paxton, Sr., San Diego, and numerous aunts, uncles and cousins.

Burial services were held Monday afternoon in the Ord City cemetery. Rev. R. T. Cordry officiating.

Ammonium Nitrate

We will have a carload of 32% Ammonium Nitrate the first part of July. Place your order now and get it off the car when it arrives For a small outlay of cash you can increase your corn yield quite a few bushels. We have only a limited amount of the fertilizer left unsold.

Sweet Clover Alfalfa Seed

We are in the market for quite a few carloads of Alfalfa and Sweet Clover seed and believe that it will bring full ceiling prices. Harvest your sweet clover and alfalfa seed crop this year and let us buy it. We will send trucks to the farms and bring it in and reclean it and pay you for the clean seed or we will buy it on a dockage basis.

Popcorn

We are interested in feeding popcorn and will pay you a real fancy price for popcorn of that quality. We are also interested in any growing crops of popcorn and if you have some popcorn that is not contracted we would be glad to have you drop us a card telling the variety and the acreage that you have out. We believe that we will be in the market for this corn while you are picking it this fall.

Baby Chicks

We are still ordering baby chicks and if you are in the market for any let us place your order for you. It takes about a week to get delivery on them. They are top quality and priced reasonable for this time of the year.

Holland Tulips

We are getting in some Holland Tulips this fall and are booking the orders for them now. Let us book the amount you want and we will notify you as soon as they arrive from Holland this fall. Remember these are the giant tulips and bright colored. Price is $1.25 per doz.

'It pays to buy from Noll.
