Vol. 64 No. 19

State Corn Yield Contest Will Be Held This Year

Any Farmer With a Ten Acre Field Eligible to Enter; Deadline is Aug. 15.

A state corn yield contest will be held this year according to a letter received this week by C. C. Dale from D. L. Gross, extension agronomist of the college of agriculture of the University of Nebraska. The rules for the contest are the same as last year and the same as those previously given for the corn yield contest in Valley county.

Prizes for the state contest have not yet been listed. In the county contest the Ord Chamber of Commerce is giving a \$50 United States savings bond for the first, a \$25 savings bond for second and ten dollars cash as the third prize. Last year Robert Scott of Arcadia who won first place in the county contest ranked eleventh in the state contest. His yield was 102 bushels per acre. A. H. Easterbrook also of Arcadia won second prize and R. E. Garnick of Elyria was third.

Eldon Sintek of North Loup is the first farmer to enter this year's contest. Entries may be made by phone, mail or by calling in person at the county agent's office. Any farmer who has ten acres of corn may enter the contest according to Mr. Dale. Aug. 15 is the deadline for entries.

In the state contest special prizes are offered for high yields of white corn. Mr. Dale explains there is a large demand for white corn from brewers and breakfast food manufacturers. Most of the work in developing hybrids has been with the yellow varieties, which are preferred by livestock feeders.

The yield determinations will be made sometime in October by Mr. Gross or one of his assistants. In determining the yield five rods of rows in various parts of each ten acre field entered in the contest will be husked and weighed and samples taken for moisture content. Usually, Mr. Dale says, the field is sampled in about twenty places. A 15 1/2 percent moisture allowance is made and deductions from the total weight are made if the corn contains more.

Last year all of the three high producing entries were on fields that had previously been in alfalfa. Mr. Dale says that this is usually true of all the high yielding fields throughout the state.

Ord Juniors Take North Loup 6-17

Local Boys Finish in Third Place; Five Have Batting Averages of 500.

The Ord American Legion Junior baseball team won its last league game of the season Thursday afternoon when it defeated North Loup 17 to 6 at North Loup. Ord finished in third place in the league. Ravenna stands at the top with Loup City in second place.

John Hannah and Bill Anderson pitched against North Loup. Paul Stoddard played a very good game, which was his second experience in a league game. Ord's infield functioned exceptionally fine with Blessing, Cochrane, Stoddard and Koll performing very well and making one double play.

Lad Cochrane was Ord's heavy hitter, making four runs, one of which was a homer. Wozniak did a good job in the outfield. Ord has four boys, Cochrane, Dahlin, Koll and Stoddard, who have batting averages of over 500 for the season. Bruce Covey accompanied the boys to North Loup and served as umpire. He has gone with them on their last three trips.

Alex Cochrane, Jr., the manager of the team is trying to get a game with Ravenna at the Ord park Sunday, Aug. 4.

My Servant Problems Are All Gone. I'll Use the Want Ads From Now On!

You don't have to worry if your maid decides to quit just before your big party. You can usually find another one in the "Situation Wanted" columns of the Quiz, or you can run a "Help Wanted" ad for just a few cents. It's the quick, practical way to get the results you want at a minimum of expense.

Three Fined for Highway Violations

Three persons paid fines in county court Friday for various violations as a result of the visit of Patrolman Smith to Ord July 19. The complaints were filed by County Attorney John P. Misko and cases were heard by County Judge John Andersen.

Kenneth E. Jensen paid \$10 and costs because he failed to heed a stop sign at an intersection of a state highway before pulling on to the highway. Frank Farmer was fined \$25 and costs because he left a truck on the highway without putting out red flags or flares. Mr. Farmer's truck stalled on the highway south of Ord and he caught a ride to Ord for help but during his absence the state highway patrolman happened by.

While the patrolman was checking Farmer's truck Donald Vogeler drove along. Vogeler's car lacked a tail light. When Patrolman Smith stopped Vogeler's car to warn him he found the car did not have adequate brakes and because of this, Vogeler was fined \$5.00 and costs in county court.

Barnett Accepts Airport Manager Contract Monday

Lincoln Man Will Bring His Two Planes Here As Soon As Hangar Is Erected.

E. H. Barnett of Lincoln Monday signed the contract which made him the manager of Ord's new airport. Mr. Barnett is a qualified instructor and is a CCA examiner. Most of the men in Ord who have received pilot's licenses took their examinations from him.

Under the terms of the contract with the city council made with Barnett, he will have the exclusive right to sell gasoline, and to service planes at the airport. The council is to receive three percent of the gross sales as rental and from the sale of airplanes the council receives three percent of the net profit. The rental fees will be used for maintenance of the airport and to make additional improvements.

Erection of the quonset hangar commenced Monday. Arthur Borden of Burwell is superintending the work assisted by a crew of ten men. Members of the Valley Flyers are also volunteering their services. As soon as the hangar is erected Mr. Barnett will bring the two planes which he owns to Ord. He plans to soon operate a flying school.

Grading and packing of the runways is nearly completed. It is believed that seeding of the runways will be delayed until cooler weather. Engineer's plans for Ord's airport call for another hangar about one hundred yards north of where the present one is being erected. An administrative building is planned about halfway between the two hangars. The three buildings are to be connected by a gravelled drive which will also go to an entrance and an exit on the highway.

Funds Available For REA Projects

Farmers Urged to Sign For Power Now Even Though Building is Delayed.

When William Bolton, local REA coordinator, Al Hadke of Elyria, Ray Lutz of Arcadia, and W. H. Schudel of Arcadia attended the REA meeting in Columbus last week, they learned that there is considerable money available for the construction of power lines to serve rural communities. To get funds allotted for an area the farmers living there must have signed application for service.

"The money is now available", Mr. Bolton declares, "even though the material to build the lines is not". By the time the material is available", he explains, "some other district will have been allotted the funds needed to develop the area."

He urges farmers to come into his office and sign applications for electrical current. He reports that many farmers in the western part of Valley county especially in the area north of Arcadia and in Eureka township have failed to sign applications for power. Many farmers and ranchers in Garfield county, too, may be able to obtain electrical service if they sign applications now. Mr. Bolton urges the farmers not to delay in signing their applications. By waiting until the construction work on the lines starts they may be too late for the funds now available to build lines to their farms may be diverted to other sections, unless some action is taken now. An application for service must be accompanied by a fee of \$5.00.

Boosters Will Make Two Trips For Ord's Fair

Destinations Grand Island & Broken Bow; 17 Towns Will Be Visited.

The Ord Chamber of Commerce will sponsor two booster trips in August on behalf of the Loup Valley Fair and Auto Races to be held in Ord Aug. 26, 27, 28 and 29. George Hastings has been appointed chairman of the committee in charge of the booster trips. He will have charge of obtaining the necessary cars and will assign each car a particular place in the caravan.

The entertainment will be the special responsibility of Dr. Glen Auble. Mayor M. B. Cummins will have charge of distributing advertising. The other members of the committee are Clyde Baker, C. C. Dale, H. G. Bobst and John LaCornu.

The first booster trip is scheduled for Aug. 19 and the destination will be Grand Island. En route to Grand Island stops will be made at North Loup, Scotia, Eiba, Cotesfield, St. Paul and St. Libory. The boosters will eat dinner in Grand Island and come back by way of Ravenna, Rockville, Ashton, Loup City and Arcadia, making stops at all the above mentioned towns.

On Aug. 22 they will make a trip to Broken Bow. On the way they will visit Elyria, Burwell, Taylor and Sargent. They plan to eat dinner in Broken Bow and take in the Custer County fair which will be in session on that day.

V. F. W. Will Meet Thurs. (Tonight)

The Veterans of Foreign Wars will meet tonight (Thursday) at 8 o'clock in the Knights of Columbus hall. The oath allegiance will be administered to many new members. The local post now has a membership roll of seventy. Dr. F. J. Osentowski, the post commander, reports, with new members joining every day.

Time Tables Are His Hobby

Do you want to take a plane from Toronto, Canada to Houston, Texas? Or perhaps it might suit you better to make an air trip from Havana to Seattle. A pleasant little jaunt would be from Los Angeles to Boston. In case you wanted to make any one of these, or any one of a hundred others you might think of, you would of course want to know when you could leave the one place, and when you would arrive at the other.

To the average man, such information would seem difficult to obtain, but here in Ord we do not have to worry about writing to find out. If you have any airway problem, just drop around to the Nebraska State Bank and ask C. J. Mortensen. The chances are about ten to one he will be able to tell you what you want to know without even looking it up. Since his earliest years C. J. has been interested in travel, then of course by rail, and now both by rail and by air. His father, Peter Mortensen, was always interested in the railroads, and was instrumental in working out an equitable system of taxation for railroad property. Peter kept his son interested in railroads and railroad travel, and it became sort of a hobby with Crawford. He made it a practice to check

Koelling Farm Brings \$8,000.00

The Melvin Koelling 27 acre improved irrigated farm one-half mile south of North Loup sold for \$8,000.00 at auction Tuesday afternoon to Mr. and Mrs. Leslie Arnold of Arcadia. Bidding on the farm was brisk with prospective buyers from as far away as Schuyler.

The farm machinery, equipment and furniture were also sold at auction. Cummins, Burdick and Cummins were the auctioneers. The North Loup Valley bank was the clerk. Mr. Koelling is leaving the farm to attend college.

North Platte To Celebrate War's Closing Aug. 14

People From 125 Towns Who Aided Canteen Invited to Anniversary. Fete.

As a gesture of appreciation to the 125 towns and communities in this area which helped operate the North Platte canteen during the war years, the greatest celebration in the history of this city is being planned for August 14, anniversary of the war's ending. Invitations have been extended to all the towns which served the canteen to send representatives for the occasion. These towns are also being invited to participate in the greatest parade ever to be held here with an anticipated 200 floats, bands and other novel entries.

During the 52 months in which the North Platte canteen was in operation 120,000 were served by the 1,000 volunteer workers who came from 125 towns in Nebraska and Colorado. During the time the canteen was in operation 90,000 sandwiches, 40,000 cookies, 150 crates of oranges, 31,000 hard-boiled eggs, 16,000 candy bars, 20,000 bottles of milk, 1,400 pounds of coffee and 250 boxes of apples were served to the servicemen. North Platte sums up the undertaking as "just plain hospitality—way" style."

In Ord the mercury failed to go over the hundred mark this week. Horace Travis, who records the temperature reports that 96 is the highest mark registered. At Burwell a high of 99 was reported Tuesday with Sidney, Chadron, Big Springs and Scottsbluff leading the state with 101.

Farmers favored with irrigation have been working long hours to keep the water flowing down the corn rows. Closely following the completion of the repairs of the Burwell dam Friday, the canal broke out below the county line. The break was quickly repaired and the farmers on the Burwell-Sumter received their long awaited water.

Loup City Boosters Visit Ord Tuesday

Loup City's Fair and Warmer club were popular visitors in Ord Tuesday evening when they came here boosting for the Sherman County Fair which will be held Aug. 6, 7, 8 and 9. Most of the boosters were dressed as clowns. Suckers were distributed to the youngsters and kisses to some of Ord's more attractive young ladies.

The band played several selections and a cordial invitation to attend their fair was extended by the visitors. Free tickets were given to the oldest man and the oldest woman and to the largest family present in the crowd. Later the visitors were guests at Ord's new Victory club.

Legion to Meet Tuesday Night

The American Legion will hold its regular monthly meeting Tuesday evening, Aug. 6 at 8 o'clock in the Legion hall. A good attendance is requested at the meeting by Ed Jenison, the post commander. The matter of revising the by laws will be taken up at the meeting.

Warning Against Phoney Salesmen

Mayor M. B. Cummins Wednesday warned Ord housewives to beware of a crew of magazine salesmen in Ord, claiming to be wounded veterans. The mayor advises Ord women to examine the credentials of any magazine salesmen who may call upon them during the next few days and if the men claim to be wounded veterans and fail to have discharge papers to prove their statements he suggests that they call the police.

No Band Concert

Because many of the farmers are too busy with threshing to come to town and many of the band members are working in threshing crews and unable to take much time off, Dr. Glen Auble, director of the Ord band, announces there will be no band concert tonight.

Hail Sunday Damages Corn Near Arcadia

Continued Drouth and Heat Injures Crops in Other Parts of County

A hail storm about 6 o'clock Sunday evening damaged crops north of Arcadia. Some hail fell in Arcadia as well as about 40 of an inch of rain, but not enough to do any appreciable damage. In spots where the hail was the heaviest, the corn is reported ruined. The hail covered an area from Arcadia to Ashton varying in width and intensity. Some farmers report as much as a half inch of rain.

A hail storm of greater severity fell on parts of Boone and Nance counties Sunday. The stones were reported as being as large as a man's fist. Many willow panes were broken out and roofs of buildings damaged. At Cedar Rapids, the center of the storm, a woman was reported injured.

In Ord 17 of an inch of rain fell Sunday which quickly disappeared under the sun's scorching rays. Horace Travis reports that during the month of July Ord received .72 of an inch of rainfall. Lack of moisture threatens the corn crop in the parts of the county not under irrigation. Many fields on ground, which was in alfalfa or sweet clover last year, are irreparably damaged, as the corn has curled and fired.

Most farmers have been grateful for the lack of hot winds which has aided the crops in the effort to survive. Emil Babka, manager of the Ord Cooperative Creamery reports that the amount of cream sold by the farmers has dropped off.

Premium Lists Now Being Distributed

Two thousand five hundred copies of the premium list for the Loup Valley Fair which will be held at Ord Aug. 26 to 29, are being distributed this week. The premium list consists of a book of one hundred pages, this year. In addition to the exhibition classifications and prizes the book contains advertisements of practically all of the business houses in Ord, North Loup and Arcadia, and a list of all the car license owners in Valley county. Many of the books have been mailed out. Persons not receiving one who desire a copy can get one at Mr. Dale's office in the Postoffice building.

Teachers Without Certificates May Take Examination

Miss McClatchey Believes Many Schools Will Lack Qualified Instructors.

Persons who desire to teach school on a temporary certificate have an opportunity of taking an examination for such a certificate in Ord Aug. 14. Examinations for such certificates will be given at 19 other towns or cities in the state throughout the month of August.

Last year about a third of the rural teachers in Valley county taught on temporary certificates and Miss Clara McClatchey, county superintendent, expects that there will be at least as many this year. A person who has taught on a temporary certificate must have earned at least three hours of college work to have the certificate renewed, according to the ruling of the state superintendent's office.

The examination which will be given Aug. 14 will consist of both written and oral parts. The written examination will be given at 9 o'clock and the oral examination in the afternoon. A representative from the state superintendent's office will give the examinations.

A fee of \$2.00 must be paid in order to take the examinations. A person in order to be eligible to take the examination must be a citizen of the United States and a high school graduate, his application must bear the signatures of three members of the board of education and the county superintendent certifying that the person making the application is the best candidate available to teach the school which can not hire a qualified teacher.

About twenty rural schools in Valley county are still without teachers. It is believed that some districts have contracted teachers but as yet have not reported it to the county superintendent's office. Applications for temporary certificates may be secured at the county superintendent's office.

New Draft Setup Starts Sept. 1

Men Between 19 to 29 Are To Be Called; Fathers Will Be Exempted.

No men are being taken into the armed forces through the draft during this month and next, but the new draft setup will go into effect in September first. Following is a resume of the way the new setup will work:

1. Draft boards will start calling men again September 1.
2. Those drafted will be 19 and through 29.
- (Since May 15 no youths under 20 had been drafted.)
3. Youths still in high school can get deferred. Not so college youths, unless their draft board makes some special exceptions in individual cases.
4. Fathers will not be drafted.
5. Every man in the 19-29 age group who now has an occupational deferment will be re-examined.

(Selective Service told the boards not to defer anyone unless he is "indispensable and irreplaceable to the national existence." This means that almost no one now will have an occupation that can be considered deferrable.)

6. But farm workers still will get the same special consideration—for deferment—that they got through the war.
7. Draft boards will review the cases of men 19 through 29 who have been found physically unfit for military service.
8. There's no quota system based on age. For instance: draft boards will take whom they can in the group 19-29, and not try to pick just so many of one age, so many of another.
9. Draft boards will consider drafting war veterans if (a) they have not served outside the United States and (b) had less than six months' military service.

Ord Beaten By Scotia, 6 to 7, in 11 Inning Game

Hot Contest on Hotter Day, Local Team Leads Until Seventh Round.

The Ord town team lost a hotly fought contest on a very hot afternoon to the Scotia team at Scotia by a score of 7-6 in 11 innings. At the end of six and one-half innings Ord held a 6-2 lead, but in the last half of the seventh Scotia exploded and shoved over four runs to take the lead 6-5.

Ord bounced back to score one run and tie it all up in the first half of the eighth, and there is where it stayed until the last half of the eleventh when Scotia managed to push one across and take the game.

The hits were evenly divided with each team getting 11. Furtak of Ord and H. Johnson of Scotia each hit 3 for 5 to lead their respective teams.

B. Stull and Bill Novosad shared the mound duties for Ord, while Graizinger went the entire route for Scotia.

Next week Ord will play St. Paul on the home diamond. The box score and line score is as follows:

Weather Balloon Found at Arcadia

P. S. Dunlap Returns Device To Weather Station and Receives Letter.

The weather balloon which was found July 8 at the Bill Hansen farm was not the first one to find its way to Valley county. P. S. Dunlap who lives seven miles north of Arcadia found one about a year ago when he was cutting alfalfa. He, too, mailed the balloon to the weather station at North Platte, and received the following letter which explains the plan for using the balloons:

We release two of these instruments every day, one about 10 a.m. and one at night at 10 p.m. Each flight costs approximately \$25 and lasts for about two hours. At many other stations in this hemisphere releases are made, at the same time, the nearest stations to North Platte that make the upper air soundings are at Omaha, Denver and Rapid City. The farthest point that we have had a recovery is one that was found near Paola, Kans.

The instrument you found was released from here June 27, 1945 at 10:09 a.m. It reached an altitude of 69,094 feet before the balloon containing helium burst. The coldest temperature recorded at the tropopause was 74F and while in the air it broadcasted the temperature, pressure and the amount of moisture in the air. Since each instrument has to be calibrated at the factory before being used they are returned to Washington. After calibration each instrument can be used as long as the box containing the radio transmitter is in good condition.

We wish to express our thanks for your cooperation in returning the instrument. It will be returned to Washington to be calibrated after which it will be used again.

Respectfully,
Wendell Hammons,
Official in charge.

E. B. Weekes Moves Real Estate Office

E. B. Weekes moved his real estate office Tuesday from the Nebraska State Bank building to the old Post Office building, where he is now located in the rooms south of those occupied by the REA office. The rooms were newly redecorated before Mr. Weekes moved into them. Mr. Weekes's business had increased until larger quarters were more desirable. Miss Ellen Weekes, a cousin of Mr. Weekes, came from Omaha to visit Mr. and Mrs. Weekes and to help them get settled in their new business office.

He attended school at North Loup, and there he grew to manhood, and was affiliated with the Seventh Day Baptist church.

On August 21, 1942, he was married to Nancy E. Beebe to whom he was an affectionate husband and tender companion. He was a home-loving man, enjoying most those quiet pleasures which he shared with his wife and his friends.

He lived several years in Omaha where he was employed as a skilled mechanic in the automobile industry.

He was inducted into the army September 15, 1942, graduated from the army air force training school at Lincoln, and from the Curtis-Wright service school at Buffalo, N. Y. He served with the 61st Depot Supply Co. at Tinker Field, Oklahoma City.

Since he was separated from the army in July, 1943, he had made his home in Lincoln.

Eddie, as he was familiarly known, was a true and generous friend, and a skilled workman. He readily made friends, and was loved, admired and respected by all who knew him.

His death brought sorrow to many hearts, even as his life brought happiness to many. The illness which preceded his death was mercifully short, but baffling. Every care was provided to ease his condition, but to no avail.

He is survived by his wife, Nancy E. of Lincoln; three daughters by a former marriage, Madonna, Wanda and Mary; by his father, Jason D. Green of Casper, Wyo.; by two brothers, Earl and Sam of Portland, Ore.; three sisters, Mrs. Clifton Clark of North Loup, Mrs. Howard Kenfield of Portland, Ore., and Mrs. Clifford Peck of Casper, Wyo.

He was a member of Post No. 1, American Legion, of Omaha, and members of Frank McMillen post, American Legion, Shelbyville, furnished color bearers and a guard, a firing squad and bugler for the final rites.

Funeral services, in charge of Dr. G. T. Savery of York, were held at the Castle Memorial United Brethren church in Shelby, Nebr., Saturday, July 20, with interment in the Shelby cemetery.

Hats Off to this Fellow... HE fed us, our soldiers, our allies, and a lot of other people while we won a war. Now he's asked to keep the world from starving. He's the American farmer. He deserves the thanks and appreciation of everybody. In the steel industry alone, the production of steel in the ten months following VJ day was 19 million tons short of expectations, enough to supply farm needs for at least five years. Most of the decline was due to strikes: That is why the steel industry has not been able to catch up with the demand for new roofing, wire, fencing, tools and all the things of steel needed on the farm. That is why the farmer is being penalized through no fault of his own. This nation cannot move ahead under the threat of ever-recurring labor strife. Steel mills need all the scrap iron and steel they can get. Farmers can help increase steel output by sending worn-out machinery, etc., on its way to the furnaces. AMERICAN IRON AND STEEL INSTITUTE, 350 Fifth Avenue, New York 1, N. Y. The Institute has printed a booklet STEEL SERVES THE FARMER. Write for a copy and it will be sent gladly.

LEGAL NOTICE OF MEASURE TO BE VOTED UPON NOVEMBER 5, 1946 (BALLOT TITLE)

CONSTITUTIONAL AMENDMENT PROPOSED BY INITIATIVE PETITION AMENDMENT to Constitution of Nebraska relating to and prohibiting denial of employment to any person because of membership or non-membership in or resignation or expulsion from a labor organization; prohibiting any contract to exclude persons from employment because of membership or non-membership in a labor organization; defining "labor organization" as any organization of any kind, or any agency or employee representation committee or plan, which exists for the purpose, in whole or in part, of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work; providing that said amendment be self-executing.

TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT BE IT ENACTED BY THE PEOPLE OF THE STATE OF NEBRASKA: That the Constitution of Nebraska be amended by the addition of the following article: SECTION 1. "No person shall be denied employment because of membership in or affiliation with, or resignation or expulsion from a labor organization or because of refusal to join or affiliate with a labor organization; nor shall any individual or corporation or association of any kind enter into any contract, written or oral, to exclude persons from employment because of membership in or non-membership in a labor organization."

SECTION 2. "The term "labor organization" means any organization of any kind, or any agency or employee representation committee or plan, which exists for the purpose, in whole or in part, of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work."

SECTION 3. "This article is self-executing and shall supersede all provisions in conflict therewith; legislation may be enacted to facilitate its operation but no law shall limit or restrict the provisions hereof." FRANK MARSH Secretary of State

LEGAL NOTICE OF MEASURE TO BE VOTED UPON NOVEMBER 5, 1946 (BALLOT TITLE)

CONSTITUTIONAL AMENDMENT PROPOSED BY INITIATIVE PETITION AN AMENDMENT to Section 6, Article VII, of the Constitution of Nebraska, relating to free instruction in the common schools, so as to require that the legislature shall raise revenue for the schools from sources other than real property tax in a sum of not less than forty dollars (\$40.00) per pupil in average daily attendance, and to provide for the distribution thereof among the school districts of the state.

TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT BE IT ENACTED BY THE PEOPLE OF THE STATE OF NEBRASKA: That Article VII, Section 6, of the Constitution of Nebraska be amended to read as follows: "Education being essential to the rights and liberties of the people and to the welfare of the state, the Legislature shall provide for the free instruction in the common schools of this state of all persons between the ages of five and twenty-one years, and shall raise revenue from sources other than a tax on real property, in a sum of not less than forty dollars (\$40.00) per year per pupil attending the common schools of this state, the number of pupils to be determined as being the average daily school attendance for the previous school year. The fund thus created shall be distributed annually among the several school districts of the state by the Superintendent of Public Instruction. This sum shall be distributed as follows: (1) Twenty-five dollars (\$25.00) for each pupil in average daily attendance in the schools, (2) two hundred dollars (\$200.00) to each school district whose tax levy in mills for the previous year is the average or more for school districts of its class as provided by law, but in no event shall any portion of this two hundred dollars (\$200.00) make the aid provided by this Section greater than one-half the previous year's current operating costs, (3) the remainder of the sum shall be distributed to school districts as the Legislature may direct to equalize educational opportunity in the state."

FRANK MARSH Secretary of State

Mrs. Rose Fuss, Mrs. Dave Bredthauer and Oscar Bredthauer of Grand Island returned last week from a vacation trip to Bismark, N. D.

NORTH LOUP

Charles Zangger spent the weekend in Hastings. His wife and daughter, Jackie returned with him and are at the W. O. Zangger home.

Dr. A. V. Hunter was a guest in the Methodist Parsonage, Wednesday and Thursday of last week.

Mr. and Mrs. Charles Harmon of Beaver City were visitors at the Methodist Parsonage, during the weekend, having known the Mitchell's when Rev. Mitchell was pastor of the Beaver City Methodist church.

The service at the Methodist church in North Loup was highlighted by the playing of Mr. Laverne Hutchins who was guest pianist.

Mrs. Ed Green of Lincoln came on the Friday evening bus and spent the weekend with Mr. and Mrs. Clifton Clark.

Miss Mildred Fuss who has been teaching at Chester, Ill., has returned home and was guest of honor at a shower at the home of Vesta Lang Wednesday evening.

Melvin Koelling's 27 acre farm south of North Loup sold at auction Monday afternoon to Leslie

Arnold of Arcadia for \$8,000 more than \$296.00 an acre. Part of the tract is irrigated and there are improvements on the place. Mr. Arnold is now living on a farm near Arcadia. Cummins and Cummins had charge of the sale.

Dill Dial of Chester, Ill., is a guest in the home of Mrs. Rose Fuss.

Tuesday Mrs. Rose Fuss and Mildred and Bill Dial were in Grand Island.

Mrs. Hazel Stewart of Omaha and Mrs. Duncan Woltemath and two children of Grand Island spent Tuesday in North Loup.

Mrs. Sarah Gogin was ill Sunday and not able to start for her home in Redlands, Calif., as planned.

Several small boys with the help of a big sister and a mother or two put on a successful circus Monday afternoon and evening on the lots west of Ben Nelson's home. Attractions were a knife eater, hairless dog, tiger, trapeze performer and most of the things that go with a regular circus.

Chances were sold on a chicken and Mrs. Virgil Annys won that. The boys were richer by \$8.00.

Loup City boosters were in North Loup Tuesday evening.

Mrs. Tillie Barnhart who has been visiting here the past week left for her home in Omaha Tuesday morning.

John Hargens who works for Paul Madsen went to Grand Island over the weekend. His home is at Cairo.

Mr. and Mrs. John Balka and daughter, Virginia, and Mr. and Mrs. Fred Russell, all of Chicago are guests in the home of Mr. and Mrs. Ign. Pokraka.

Thursday evening dinner guests of Mr. and Mrs. Clarence Switzer were Mr. and Mrs. Clark Weckbach, Mrs. Ella Weckbach and Carl of Ord.

Mr. and Mrs. Clarence Switzer attended a dinner in honor of Mrs. Crawford Mortensen as national chapeau of the 8 et 40 club held at the Victory club in Ord Friday evening.

I guess they have changed their minds on docking today. The captain told the crew to take it easy today. He said he didn't feel like docking today.

Operates Movies

The first week I was out here they put me on the engineering force and now I'm trying to get to be an electrician and the next rating I will get will be an electrician mate 3-c. Outside of my regular duties every day I run the movies and I have Mr. Biemond to thank for that because they don't dare try to put me on report or the captain doesn't get to see a show that night and he likes his shows. I surely would like to be working for Mr. Biemond again.

If I get a chance today I think I will go over and see Rodney Stoltz. He is on the USS Haven, a hospital ship.

If there are any of my friends who would like to drop me a line or two here is my address and from the looks of things I'll be out here until October at the latest and from there we are supposed to go to Guam for awhile.

Lovingly, your son, Lyle Manchester, F 1-c, U.S.S. ARD-29 % F. P. O. San Francisco, Calif.

Freddie Schoenstein in Grave Condition

The people of Ord are very sad to learn that the condition of Freddie, the three year old son of Mr. and Mrs. Gus Schoenstein, is grave. Freddie is putting up a brave fight in the Clarkson Memorial hospital where both Mr. and Mrs. Schoenstein are with him. Three special nurses are attending him. His aunt, Mrs. Betty St. John went to Omaha Tuesday to be with him. Mr. and Mrs. Emil Fafeita and Mr. and Mrs. Edward Gnaster drove to Omaha Saturday night and spent Sunday with Freddie and his parents.

Lyle Manchester Describes Atomic Blast at Bikini

Ord Boy Writes Mother Of Affects He Saw After Bomb Was Dropped.

An Ord Boy, Lyle Manchester, was one of those privileged to witness the explosion of the atomic bomb on Bikini. He has written the following vivid account of his experiences in a letter to his mother, Mrs. Esther Manchester.

Dear Mom: I have been wanting to write this for the longest time but they are keeping me and the rest of the gang pretty busy most of the time. Since we arrived here at Bikini we have had three Sundays off! That is since May 14 when we left Pearl Harbor.

Our first week out here we docked three ships and have been docking ever since that first day. It is really interesting, to see how they bring in an LST (landing ship tanks) there is only about two feet left on each side of the ship when it comes into our basin.

The 30th of June we left here and by the time the first bomb was dropped we were 80 miles out and all we could see was the smoke. It was only about three feet high where we were. The minute the bomb was dropped we started back in case we had to dock any ships but to our surprise we have only docked three since we have been in.

One night this last week the barge that the carpenter mates sleep in turned over and all that was left to show was one-eighth of it and it would have sunk then but the line we had it tied up to was holding it from sinking. Anyway they got us up at 12 o'clock that night fixing holes in the pontoon. I think some of the other ships still have most of our lumber or its floating around out to sea. All I know is that we lost three-fourths of our lumber.

Describes Wreckage

Then the 12th of this month our main docking pumps broke while we were submerged and we had to wait for six hours until they got them repaired. Yesterday four us went over to ARDC 13 for some electrical repairs. We were supposed to strip the 13 for our own use. I saw the worst sight in my life. That dry dock looked like a million tons of iron had been dropped on the cement dock and the metal which was on board the dock was bent into all kinds of shapes. The compartments where they were had an awful odor which was caused from the radio activity in the compartment which had caused the food to decay in somewhat of a hurry and the bottom deck was half way under water from the water leaking through the cracked cement. They had to keep pumping it 24 hours every day for fear it would sink.

A Hard Life

Just before we were ready to leave four English officers came aboard to look over the damage and to see what affect the bomb had on a cement ship and the commander of the ARDC 13 (Commander Perry) took the English officers around and showed them the damage the bomb did to the cement. The whole crew has to sleep under a tent because of the radio activity in the compartments. The food they eat isn't worth looking at. They have to do their cooking

SAFEWAY'S fruits and vegetables make grand salads! (we guarantee this)

It takes top quality fresh fruits and vegetables to make perfect salads. The lettuce must be crisp and tender; tomatoes must be ripe, yet firm and full flavored; every ingredient must be at its peak of goodness if the salad is to be exactly right. Yes, salad making is just about the most severe test you can make of fresh produce. That's why we invite you to try Safeway fruits and vegetables in salads. We're so certain you'll find them grand, we promise your money back if they ever fail!

Carol Drake describes complete-meal salads

Make summertime salad-time by including whole meal salads on your menu frequently during the week. If you make the salads substantial enough by adding hard cooked egg, seafood, cold chicken or meat or cheese, as well as garden fresh vegetables, then all you'll need to complete the menu is a dessert.

SUPER SUPER SALAD—Combine 1 cup flaked seafood, chopped leftover chicken or meat with 1 cup cooked peas, 1 cup sliced, cooked carrots, 1 large sliced cucumber, sliced radishes and green onion (tops and all) to taste, and 2 or 3 sliced, hard-cooked eggs. Season with 1/2 tsp. salt and 1/2 tsp. sugar. Toss in salad dressing seasoned with a bit of mustard. Serve on lettuce or cabbage leaves. Garnish with tomato wedges. Serves 6 plentifully.

KIDNEY BEAN AND VEGETABLE SALAD—Drain and chill 1 medium-size can of kidney or baked beans. Combine 1 cup shredded cabbage, 2 or 3 tomatoes cut in wedges, 2 or 3 chopped green onions, tops and all, 1 cucumber finely diced. Season with salt and pepper. Add beans and toss in a tart dressing. Serve in lettuce cups or on shredded mixed greens. Serves 6.

HAVE YOU EVER TRIED shredding raw new turnips or beets in a salad? Raw cauliflower is delectable too, sliced paper-thin or shredded.

Farmer Stricken as Granary Burns
Clarence H. Weber, 50, Beaver City farmer, suffered a heart attack Monday when his granary caught fire while he was drawing 12 hours before, a frank haul storm had destroyed his corn crop. The granary, tractor, a brooder house and 1,100 bushels of corn were destroyed. The loss was estimated at \$1,500.
The Beaver City Fire Department saved other farm buildings. Mr. Weber fell to the ground unconscious when the granary and house were destroyed. Mr. Martin had a line wheat crop hauled out three weeks ago and two months ago his large barn burned after being struck by lightning.—Omaha World-Herald, July 30.

Fine Wheat Crop Around Kimball

In writing to have her Quiz subscription extended Mrs. Carl H. Johnson of Kimball reports that they have a very fine crop this year. The following is an excerpt from her letter: "Wheat harvest is just getting well started. We have two combines of our own, have two more engaged and will probably hire more. They come all equipped to do their own cooking and they have their own sleeping quarters. They also bring their own trucks for hauling the grain. About as many are here from Canada as from Texas.

We have storage for 30,000 bushels so by hauling to the elevator when we can we hope that we will not have to pile any wheat on the ground. We wait in bread lines and yet waste wheat. I have not lived on the farm for eight or ten years, but I still am farm minded. Frank Witts, formerly of Ord and Burwell, runs a shoe shop here. She clerked at Milford at one time".

A clipping enclosed in Mrs. Johnson's letter stated that some wheat in Cheyenne county was making 60 bushels per acre. Harvest hands were being paid ten dollars per day and combines charged five dollars per acre. The elevators were filled before the harvest barely got started and many were forced to stop buying wheat. There was a great shortage of box cars and much wheat was being piled on the ground.

Crop Prospects Splendid in Iowa

From Rock Rapids, Ia., John O. Edwards writes that crops in his locality are extra good this year. The oats is all cut and shocked and they were starting to detassel their hybrid seed corn, which never looked better. Crops there are about two weeks ahead of the normal season and Mr. Edwards believes the quality of the grain should be excellent. He is in the market for a two-row corn picker. Mr. Edwards also had his Quiz subscription extended for another year.

Flour Mills At Full Capacity

Omaha—Nebraska flour mills, so starved for wheat a month ago that many shut down, are running at full permitted capacity.

"We have enough wheat to choke us," said President R. S. Dickinson of Nebraska Consolidated Mills.

Other Omaha millers gave similar reports, saying the Nebraska crop is completely satisfying their needs. Little tendency to store up wheat was reported.

Mrs. Wm. Barnas Dies at Lincoln

With great sorrow the people of the Elyria community learned of the death of Mrs. William Barnas at St. Elizabeth's hospital in Lincoln, on Wednesday evening, July 24. She had lived in the community for 17 years and during that time she had gained the respect of all through her quiet devotion to her husband and her religion.

She was born Emily Kus on January 28, 1899 at Tarnov, Nebr., the daughter of Joseph Kus and Agnes Barnas. Since her marriage to William Barnas at Tarnov on February 26, 1929, she made her home on the farm 6 miles west of Elyria. She was a faithful member of the St. Stanislaus church of Boleszyn.

She had been sick only two weeks when death came. The funeral was held from St. Michael's church, Tarnov, Nebr., on Saturday morning, July 27, 1946. Father Stanley C. Gorak of Elyria offered the funeral mass, while Father Knute Lobinski, O. F. M. of Tarnov officiated at the burial services.

Besides her husband, William Barnas, of Elyria, she also leaves behind her aged parents, Mr. and Mrs. Joseph Kus of Tarnov, and the following brothers and sisters: Frank and Joseph Jr. of Tarnov, Stanley of Columbus, Ted of Humphrey, Michael of Ord, Mrs. Frank Sliva of Platte Center, Mrs. Stanley Syslo of Cedar Rapids, Mrs. Frank Shimck, Mrs. Alphonse Shimck, Helen, Pauline and Gladys of Tarnov, and Eleanor of Omaha.

FULLERTON REJECTS LIQUOR BY DRINK & BONDS FOR AIRPORT

Fullerton voters went to the polls Tuesday in a special election to decide the questions of establishing a municipal airport and the legalizing of the sale of liquor by the drink. They decided they didn't want any of either.

Of the 432 ballots cast on the liquor question, there were 98 for and 334 against. One the \$17,000 airport bond issue 129 votes were cast, of which 123 were for and 306 were against.

That there was a great deal of interest in these questions is shown by the fact that the total vote on the liquor question was 432, while there were less than 200 ballots cast in the regular city election last April. —Nance Co. Journal.

TERRACES.. 'Eaves troughs' for River Watersheds

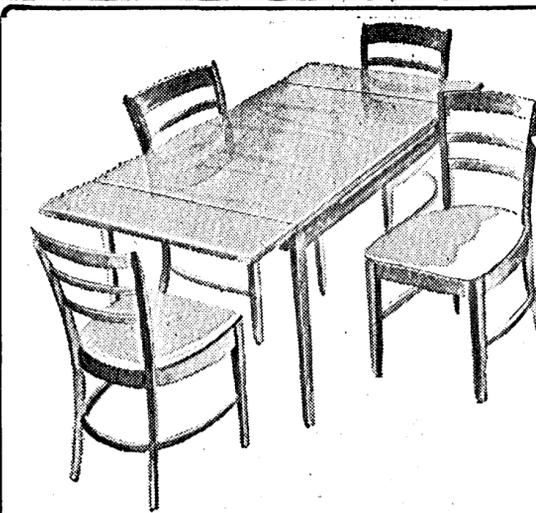

The test tube of river water pictured here is evidence that erosion may be stealing your farm from under your feet. Notice the layer of fertile silt which has settled to the bottom — a tiny sample of 100 million tons one river carries away every year from bordering farms. Erosion means more than gullies scarring hillsides. Much of your soil loss comes from the gentle creeping of top-soil down the slope to lower levels where it is floated away by runoff surface water.

You can anchor your soil safely in your fields by building "eaves troughs" — terraces and contour strips to control runoff water. These operations can be done with regular home-owned farm equipment, such as mold-board plows, disc plows or tiller discs. Allis-Chalmers is cooperating with soil conservation engineers in demonstrating tractor methods of terracing, strip cropping, constructing ponds, reservoirs and waterways. Ask us for the Allis-Chalmers handbook "You Have What It Takes To Contour and Terrace."

Arvilla Suchanek

Sunday, Aug. 18 has been chosen by Arvilla Suchanek as her wedding day. Don Aubje is the bridegroom-to-be. The marriage will be solemnized in the Ord Methodist church at 2 o'clock in the afternoon. A reception will follow in the church parlors.

Gladys McMIndes Weds

Miss Gladys McMIndes, the daughter of the late Mr. and Mrs. Albert McMIndes, was married Sunday, July 14 in the Presbyterian church in Grand Island to Kenneth Phelps of that city. The ceremony was performed by the Rev. Leslie P. Sweetland.

The bride was reared in Ord and has many friends and acquaintances in this city. For the last thirteen years she has been employed in a dry goods store in Atkinson. For her wedding Mrs. Phelps chose a tan street length dress with brown accessories. Her niece, Mrs. James Houts of Grand Island, the matron of honor, wore a black dress with white accessories.

Mr. Phelps, who was attended by Mr. Houts, is a veteran of World War II. He served in Africa and Italy. Before the war he was bulk station man in Atkinson for the Standard Oil Co. He is now employed by the state as a road surveyor.

After the ceremony a reception was held in the home of the bride's brother, A. L. McMIndes in Grand Island. The guests included Mr. and Mrs. Lores McMIndes, Mr. and Mrs. Everett Glines, Wayne Hodges, and W. H. Phelps of Springfield, who is the bridegroom's father.

"I pocketed 3 savings!
Financed my car through the STATE FARM BANK PLAN"

Yes, sir! Anyone would be mighty glad to pocket three savings these days, in financing a new car. And there's an easy way to do it—simply by using the State Farm Bank Plan. This famous plan, originated by the world's largest automobile insurance company, has been enthusiastically endorsed by new car buyers from coast to coast. Under the State Farm Bank Plan it's possible to make three clear-cut savings by following these easy steps!

- 1 Get your loan from a local, co-operating bank at its low, reasonable rates. That's how you may avoid high financing charges.
- 2 Pay cash for your car. That's how you may save on the purchase price.
- 3 Protect your investment with a low-cost, broad coverage State Farm Mutual automobile insurance policy. More than 1,250,000 State Farm policyholders have saved in excess of \$75,000,000 in the cost of their insurance alone.

It will pay you to see me FIRST—before you buy your next car. Do it today—phone for a friendly interview.

"Love" is the subject of the Lesson-Sermon which will be read in Christian Science Churches throughout the world on Sunday, August 4, 1946.

The Golden Text is: "Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you" (II Corinthians 13:11). Other Bible citations include, "Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God" (I John 4:7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "The precise form of God must be of small importance in comparison with the sublime question, What is infinite Mind or divine Love? . . . No form nor physical combination is adequate to represent infinite Love" (p. 256).

Milliken Reports Fine Wheat Crop Near Big Springs

L. D. Milliken, who returned from Big Springs Friday where he harvested his wheat, reports that section of Nebraska has the best wheat crop he has ever seen. His wheat made 30 bushels per acre on stubble ground. He reports that farmers who summer fallowed their land are getting much larger yields.

Mr. Milliken says that the wheat is of the best quality that section of Nebraska has ever produced and the harvesting weather was the best he has ever experienced and that the wheat was bringing the best price he has ever received. Some of his wheat weighed out 63 pounds to the bushel.

The elevators in that section are filled and Mr. Milliken reports that much wheat is being piled on the ground. Mr. Milliken has a large pile of wheat on his land which he was unable to get into an elevator. He reports there is a shortage of box cars to get the wheat to market and lines of trucks two blocks long form in front of the elevator every morning and that a trucker

can only haul one load of wheat daily as he has to wait in line so long to unload. He says the restaurants in Big Springs are crowded.
Several fires occurred while he was in the area. A bearing burned out of a combine and started a fire which burned about 35 acres of wheat in the field.

ST. PAUL BOYS CAMPAIGN FOR SWIMMING POOL

The younger lads of St. Paul opened a determined campaign in the city Wednesday and Thursday of last week to promote a swimming pool, by passing out crudely hand-printed circulars and circulating a petition among the business houses of the town. The outcome of the campaign is not known at this time, but The Phonograph wishes them power in their efforts.

Some Precautions for Polio Listed

A bulletin outlining preventative measures entitled "When Polio Strikes," has been prepared by the National Foundation Infantile Paralysis, 120 Broadway, New York 5, N. Y. Through the summer months and into September the threat of outbreaks of infantile paralysis is most ominous.

Some general precautions to be observed are:

Avoid over tiring and extreme fatigue from strenuous exercise.

Avoid sudden chilling such as would come from a plunge into extremely cold water on a very hot day.

Pay careful attention to personal cleanliness, such as thorough hand-washing before eating, hygienic habits should always be observed.

If possible avoid tonsil and adenoid operations during epidemics. Careful study has shown that such operations, when done during the epidemic, tend to increase the danger of contracting infantile paralysis in its most serious form.

Use the purest milk and water you can. Keep flies away from food. While the exact means of spread of the disease is not known, contaminated water and milk are always dangerous and flies have repeatedly been shown to carry the infantile paralysis virus.

Do not swim in polluted water. Maintain sanitation at a high level at all times.

Avoid all unnecessary contact with persons with any illness suspicious to infantile paralysis.

Grains

The grain market has been very spotted and there have been many changes in the market in the past couple of weeks. However we keep in close touch with the Omaha market and will pay the best price possible for your grain. We use the very latest equipment in making our tests and you are assured that they are correct. If you need a truck to get your grain moved call us. We have just added another new Chevrolet truck to our equipment and can give you prompt service. While these trucks are used primarily to haul the merchandise that we buy or sell we will help you out if you need a truck to move grain or feed.

Sweet Clover and Alfalfa Seed

We are getting in some very nice quality sweet clover seed and if you have either white or yellow sweet clover we would like to buy it. We have the best scarifying and cleaning equipment possible to have and if you want to sell your seed cleaned we will clean it for you on short notice and pay you the highest price for it. We have grain bags and will loan them to you while threshing and will send a truck out for the seed as soon as it is threshed. Come in and see us if you have seed for sale. Be sure to take good care of your alfalfa seed crop, it will pay you well this year.

Beefmakr

We have just received a load of Beefmakr and have more coming in the next couple of weeks. Beefmakr is a molasses feed in pellet form that contains 45% Molasses. Get your supply now for next winter's feeding. There is little doubt that all protein feeds will be much scarcer next year than they have been the past year and will be much more expensive. Ask for a price on a truckload of Beefmakr delivered to your farm.

Poultry Feeds

Through careful planning and buying we have been able to keep a good stock of poultry feeds on hand. It is necessary that we operate under very strict rules but we have been able to take good care of our regular customers. Try our poultry feeds, you will like them.

Hog Supplement

Our Hog Supplement contains 40% protein and is one of the very best hog feeds on the market. Use a few bags and you will be a regular customer. You will be pleased with the price.

Ground Feed

You can nearly always get ground Barley, Oats and Corn at our store. Use these feeds along with your commercial feed and reduce your feed costs.

Certified Seed

Last year we brought in to Valley county a liberal amount of Certified Pawnee Wheat. The reports so far available show that this is a very good variety to grow in this section. We plan to have more of this Certified Pawnee Wheat this year. It is possible that we may have some other varieties suitable for this section. If you are interested let us know the amount that you will need and we will then know how much to bring in.

We will have a small supply of Certified Cedar Oats and Ezond Barley. Bookings will be taken now and you will be notified when the seed is re-cleaned and ready for you.

Some of the newer varieties of grain are well adapted to our section and the yields have proven that it will pay to get some of this new seed.

It pays to buy from Noll.

Aroused Farmers Ask More Water For North Canal

Threaten to "Run Irrigation Supervisor Out of Town"; District Broke.

RFC Ultimatum

\$20,000 Loan Required To Complete Season; Talk Rebuilding System.

Following a spillway break in the Burwell dam thereby cutting off all water in the north canal system, and a three week's period of hot winds and no rain affairs of the North Loup River Public Power and Irrigation districts came to a blowup point Monday of this week.

1. The district is broke, had only fifteen dollars in the bank and was faced with \$5500 in current bills.

2. A group of farmers living in Springdale precinct, at the end of the north river canal, accused M. S. Dodd, superintendent of the district in Ord Saturday night with threats to run him out of town.

3. Directors of the district are faced with the problem of borrowing another \$125,000 to \$150,000 to rebuild the system so as to eliminate chances of further breakage.

4. Water costs will have to be raised about a dollar an acre to pay for the rebuilding.

Several dozen aroused farmers, largely from the lower area served by the Burwell Sumner canal filled the office of the North Loup River Public Power and Irrigation district Monday morning to find out why they had not been getting water to save their drouth suffering crops.

Dodd, who was present to answer the accusation of the farmers, declared, "They may carry me out of town but they won't run me out. The water carried by the northside canal has been far from adequate to meet the farmers demand since the dam at Burwell went out." Mr. Dodd explained the present lack of water is primarily due to the weakened condition of the dam, which is only temporarily patched up and may go out again if too great a strain is put on it and to the canal itself which cannot carry enough water to supply the demand and has twice broken because it was overloaded.

Bad Condition
The farmers learned that the outlook for the future of irrigation in the North Loup valley is not altogether rosy. Eugene Porter, representative of the Reconstruction Finance Corporation, informed the farmers present that at present the district had \$15 and owed obligations amounting to \$5,500.00.

"I don't propose to tolerate such actions," he declared referring to the threats which had been made to Mr. Dodd. He stated that Dodd had "done everything but die" in his efforts to get water for the farmers. "He has worked day and night the last several weeks," Porter declared, "with only an hour or two of sleep on the bank by the dam site."

Porter informed the farmers that \$20,000.00 loan from his organization is necessary to keep the district in operation until fall. "Do you want it or don't you?" Porter inquired. "We have sweat blood for seven years to keep this project alive," he declared, "but I'm not going to loan any more money to this district if we run into opposition such as we ran into a day or two ago."

Much Needed
The farmers were told that water rates would likely be increased a dollar to a dollar and a quarter per acre to meet the rehabilitation expenses. Porter said that \$100,000.00 to \$125,000.00 would be required to rehabilitate the project and get it into better working order.

Mr. Dodd related that although the detailed examination upon which this estimate of cost is based had not been completed, that he had a notebook filled with

Jurczinski Charged With Intoxication

Stanley Jurczinski of Elyria was arrested in Ord Monday by Sheriff Bob Hall. He appeared in county court Tuesday morning before Judge Andersen charged with intoxication. Mr. Jurczinski entered a plea of not guilty and was released after depositing \$100.00 cash to guarantee his appearance at a hearing which was fixed at 10 o'clock Thursday morning.

An automobile driven by Stanley Jurczinski of Burwell collided with one driven by Mrs. Mary Stara of Ord on highway 11 a short distance north of Ord about 9:30 Friday evening. Both cars were damaged, that of Jurczinski the more. No arrests were made.

20 Rural School Teachers Needed In Valley County

Miss McClatchey Says Very Few With Certificates Available Locally.

Twenty teachers are needed by the rural schools of Valley county and Miss Clara McClatchey has no idea where more than a fourth this number can be obtained. To the best of her knowledge there are less than a half dozen qualified, available teachers in the county who have not signed contracts to teach this fall. She is hopeful that a number of former teachers will report to take the examinations in Ord Aug. 19 for examination certificates.

To date Districts 16, 29, 30, 31, 33, 34, 39, 43, 44, 49, 51, 53, 57, 58, 60, 70, 71 and 74 in Valley county have not reported that a teacher has been hired for their schools. High school teachers are needed at Elyria and Davis Creek.

Ord Books Game With Scottsbluff

Football Practice Starts Aug. 22 With 3 First Stringers Back.

Ord high school will play football with Scottsbluff this year. C. C. Thompson, superintendent of the schools has announced. A previously scheduled game with Valentine was cancelled to enable the Chanticleers to fit the Scottsbluff game into their schedule. Ord still has an open date on her schedule, September 20 and an effort is being made to get a game.

Ord's schedule for 1946 is as follows: Sept. 27, Scottsbluff, there Oct. 4, Burwell, there Oct. 11, Alblon, here Oct. 18, Broken Bow, here Oct. 23, Loup City, there Nov. 1, Ravenna, here Nov. 8, St. Paul, there Nov. 15, Lexington, here Practice will start Aug. 22. Coaches Cochrane and Pearson will have a big order to fill in shaping up a team which will carry on the tradition of victories for the Chanticleers are famed. Graduation took a heavy toll from the team and only three of last year's first eleven will be back this fall. Wayne Goff, Ray Timmerman and Bryan Peterson.

Ord Residents Petition for More Sewers

Property Owners in Third Ward Ask District Be Formed for Them.

A committee representing property owners in the Third ward who desire that the sewer system be extended to serve their residences in the southeast part of Ord appeared before the city council at its regular meeting Tuesday night with a petition signed by at least 60 percent of the property owners in that locality. Elliott Clement, J. J. Novosad, and Vincent Vodehnal presented the petition.

The section for which the sewer is requested extends east from the residence of Dr. Norris. The council authorized the city engineer to lay out a district which will be District 6 and asked the petition bearers to try to get more signers and to extend the district as much as possible as a larger district could be constructed much more economically than a small one.

The councilmen expressed the opinion that a lower bid could be gotten from a construction firm to dig the sewer if the call for bids was made at a time when the company already had their machinery here. City Engineer George Allen said that in this section the sewer would likely be dug through the alleys and that it would cost the property owners two dollars for each foot bordering the alley.

Bill Skala appeared to ask the council for a right of way over which an automobile can be driven to his home in the southwest part of Ord. He now has no way of getting an automobile up to his residence, formerly the Radl property. The former occupants had no automobile and were not concerned with this problem. His home is in a hilly area and the street has never been extended to his houses. Grading and some excavation will be necessary to do this. Mr. Skala offered to do part of the work and said he would be satisfied if only half of the 80 foot street is opened. The council agreed to inspect the situation at 9 o'clock Thursday morning.

Bud Shirley, park superintendent, who was present, asked that the Ord high school team not be permitted to use the football field in the center of the track for practice. Mr. Shirley has succeeded in getting a fine turf on this field, which he says would be destroyed if the field is used for football practice. He proposed saving the field for regular games only and suggested that the Chanticleers practice in another area. The council decided to confer with the board of education in regard to the matter.

The council voted to ask the state aeronautics commission for additional funds to develop Ord's new airport. Dr. Blessing, chairman of streets, alleys and airport committee, was authorized to hire men to erect the quonset hangar for which the foundation was completed several weeks ago.

The financial report of James B. Ollis, city treasurer which was read and approved revealed that the city now has \$64,451.26 cash on hand. Or this amount \$17,048.00 is on deposit in the Nebraska State bank and \$46,386.26 in the First National bank. The city also has \$78,086.00 in bonds and securities.

The general fund has \$6,546.33, the park fund \$1887.49, the fire department fund has a deficit of \$114.97, the fire insurance occupation tax fund has \$174.97, the cemetery fund \$4,165.09, street light fund \$676.66, electric fund cash account \$21,513.91 and securities account \$66,850.00. bond fund 607.05, road fund \$1,283.56, water fund cash account \$1,719.40 and bonds \$6,000.00, perpetual maintenance fund \$1,112.77 in cash and \$5,206.00 in bonds, airport fund \$417.00 and the park improvement fund \$25,100.00.

Baker Signs Up Six Racers On Sioux City Trip

More Show Interest in Ord Program and Plan to Be Here for Fair.

Six midget auto racers were signed up for the Loup Valley Fair by Clyde Baker when he went to Sioux City Sunday. Those who agreed to come to Ord are Lloyd VanWinkle of Lincoln, Shorty Mueller of Sioux City, Huk Peterson of Sioux City, Martin White of Alta, Ia., Bub Herringfeld of South Sioux City, and Fred Jacobson of Omaha.

Mr. Baker reports that a number of other racers whom he contacted are interested in the Ord races and some of them will likely be here. The majority of the participants are expected to come from Denver, however. Auto races are not being held in Sioux City this summer Mr. Baker reports and he considers it especially fortunate that he was able to contact as many drivers and racers as he did.

Mr. and Mrs. Baker drove to Decatur Saturday where they spent the night in the Charley Johnson home. Mrs. Baker is a niece of the Johnsons who formerly lived in the Davis Creek community. Sunday they drove on to Sioux City.

St. Paul Trounces Ord 15 to 2 Here

Local Team Makes 8 Errors Visitors Score 10 Runs In 6th Inning.

With the score tied at 2 all, the St. Paul town team broke loose in the sixth inning to score 10 runs and sew-up the ball game with Ord, here Sunday. The final score being 15-2.

Ord was charged with eight errors to help the St. Paul cause. Barnes and B. Stull each racked up two hits for Ord, while W. Nielsen came through with three to lead St. Paul.

Jacobsen allowed Ord seven hits. St. Paul garnered only 10 off the offerings of B. Novosad. St. Paul's ten runs in the sixth were scored on three hits.

Next week Ord will meet Elba at Elba.

Bimonds Fly to Church Services

Mrs. M. Biemond and Cork flew to Atkinson Sunday where they attended services in the Methodist church. There were ten planes, the occupants of which came to Atkinson to attend church at the invitation of the pastor, the Rev. Birmingham. The Biemonds left Ord at 9:30 and arrived at Atkinson at 10 o'clock. The service commenced at 11 o'clock after which the fliers were guests at a dinner in the church.

Baseball Contract Awaits Ord Youth When He Gets Discharge Next Year.

A contract with the St. Louis Cardinals awaits Bill Novosad, one of Ord's baseball stars, upon his discharge from the army which will be about a year from now. Last week Bill was invited to the tryouts which the Cards held in Omaha. The scouts were impressed by his performance on the mound and wanted to take him immediately to their training camp.

The were quite disappointed when Bill told them that Uncle Sam had first priority on his services. Bill is now 21 years old. He played baseball on the Ord town team and American Legion teams before he went into the army. During his high school days he was a potent member of the Chanticleer athletic teams.

Bill has been in the army eighteen months and during this time he has played considerable baseball. His first experience in army baseball was at Fort Shafter in Honolulu where he was sent after finishing infantry basic training at Camp Maxie in Texas. Later he was assigned to the 26th Infantry Regiment and while on the Hawaiian islands he became acquainted with Jerry O'Brien, a former big league pitcher who played with the Philadelphia Phillies.

O'Brien, who was in the service at that time, was organizing a baseball team and selected Bill as one of his players. Through him Bill received an offer to play with the Phillies. He has also received an offer from the Cincinnati Reds. After VJ day Bill was transferred to the 623rd M. P. Company which was stationed in Honolulu and played on their team. He re-enlisted in the army last May and came home in June for a sixty day furlough which is now extended. Bill reported to Fort Riley in Kansas Tuesday for reassignment. He hopes to get into a unit where he will have an opportunity to play lots of baseball.

Record Crowd Expected for Burwell Rodeo

Reserved Seats Nearly All Sold; Cowboys & Indians Soon to Arrive.

A crowd such as this part of Nebraska has never experienced before is expected at Burwell where Nebraska's Big Rodeo will be held next week. Tuesday is the opening day and the first program will be presented Wednesday.

Already many of the reserved seats have been sold. Letters have been received from all parts of the country asking for seats. Residents of Detroit, Mich. have purchased \$150 worth of reservations.

By the end of the week many cowboys, cowgirls, Indians, show and carnival people, and others who follow rodeos will have arrived in Burwell, where they have been missed for four years.

An outfit from Winner, S. D., equipped to slaughter and refrigerate its own meat will erect a big tent on the rodeo grounds to feed the expected crowds. Many rodeo visitors will no doubt stop in Ord for shelter and food. The rodeo officials have issued pleas to surrounding towns for help in taking care of the expected crowds.

Ord Protests Loss of Early Mail Service

Washington Says Morning Bus Takes No Letters After Aug. 16.

Afred Hill, Ord postmaster, has been notified by the second assistant postmaster general, in Washington that the 8:15 outgoing morning mail from Ord will be discontinued Aug. 16. This service was started July 1 and Ord patrons have found it very valuable as mail leaving Ord on the morning bus can get out on the west bound airmail from Grand Island at 12:20 and on the east bound airmail at 2:58 in the afternoon.

The Ord Chamber of Commerce and the Rotary club have sent protests to Washington in an effort to save this service. At present the morning bus picks up first class mail at Ord and Burwell which it delivers to Grand Island.

Aroused Farmers Ask More Water For North Canal

Threaten to "Run Irrigation Supervisor Out of Town"; District Broke.

RFC Ultimatum

\$20,000 Loan Required To Complete Season; Talk Rebuilding System.

Following a spillway break in the Burwell dam thereby cutting off all water in the north canal system, and a three week period of hot winds and no rain affairs of the North Loup River Public Power and Irrigation districts came to a blowup point Monday of this week.

1. The district is broke, had only fifteen dollars in the bank and was faced with \$5500 in current bills.

2. A group of farmers living in Springdale precinct, at the end of the north river canal, accosted M. S. Dodd, superintendent of the district in Ord Saturday night with threats to run him out of town.

3. Directors of the district are faced with the problem of borrowing another \$125,000 to \$150,000 to rebuild the system so as to eliminate chances of further breakage.

4. Water costs will have to be raised about a dollar an acre to pay for the rebuilding.

Several dozen aroused farmers, largely from the lower area served by the Burwell Sumter canal filled the office of the North Loup River Public Power and Irrigation district Monday morning to find out why they had not been getting water to save their drouth suffering crops.

Dodd, who was present to answer the accusation of the farmers, declared, "They may carry me out of town but they won't run me out. The water carried by the northside canal has been far from adequate to meet the farmers demand since the dam at Burwell went out." Mr. Dodd explained the present lack of water is primarily due to the weakened condition of the dam, which is only temporarily patched up and may go out again if too great a strain is put on it and to the canal itself which cannot carry enough water to supply the demand and has twice broken because it was overloaded.

Bad Condition
The farmers learned that the outlook for the future of irrigation in the North Loup valley is not altogether rosy. Eugene Porter, representative of the Reconstruction Finance Corporation, informed the farmers present that at present the district had \$15 and owed obligations amounting to \$5,500.00.

"I don't propose to tolerate such actions," he declared referring to the threats which had been made to Mr. Dodd. He stated that Dodd had "done everything but die" in his efforts to get water for the farmers. "He has worked day and night the last several weeks," Porter declared, "with only an hour or two of sleep on the bank by the dam site."

Bud Shirley, park superintendent, who was present, asked that the Ord high school team not be permitted to use the football field in the center of the track for practice. Mr. Shirley has succeeded in getting a fine turf on this field, which he says would be destroyed if the field is used for football practice. He proposed saving the field for regular games only and suggested that the Chanticleers practice in another area. The council decided to confer with the board of education in regard to the matter.

The council voted to ask the state aeronautics commission for additional funds to develop Ord's new airport. Dr. Blessing, chairman of streets, alleys and airport committee, was authorized to hire men to erect the quonset hangar for which the foundation was completed several weeks ago.

The financial report of James B. Ollis, city treasurer which was read and approved revealed that the city now has \$64,454.26 cash on hand. Or this amount \$17,048.00 is on deposit in the Nebraska State bank and \$46,386.26 in the First National bank. The city also has \$78,086.00 in bonds and securities. The general fund has \$6,546.33, the park fund \$1887.49, the fire department fund has a deficit of \$114.97, the fire insurance occupation tax fund has \$174.97, the cemetery fund \$4,165.09, street light fund \$676.66, electric fund cash account \$21,513.91 and securities account \$66,850.00. bond fund 607.05, road fund \$1,283.56, water fund cash account \$1,719.40 and bonds \$6,000.00, perpetual maintenance fund \$1,112.77 in cash and \$5,206.00 in bonds, airport fund \$417.00 and the park improvement fund \$25,100.00.

Baker Signs Up Six Racers On Sioux City Trip

More Show Interest in Ord Program and Plan to Be Here for Fair.

Six midget auto racers were signed up for the Loup Valley Fair by Clyde Baker when he went to Sioux City Sunday. Those who agreed to come to Ord are Lloyd VanWinkle of Lincoln, Shorty Mueller of Sioux City, Huk Peterson of Sioux City, Martin White of Alta, Ia., Bub Herringfield of South Sioux City, and Fred Jacobson of Omaha.

Mr. Baker reports that a number of other racers whom he contacted are interested in the Ord races and some of them will likely be here. The majority of the participants are expected to come from Denver, however. Auto racers are not being held in Sioux City this summer Mr. Baker reports and he considers it especially fortunate that he was able to contact as many drivers and racers as he did.

Mr. and Mrs. Baker drove to Decatur Saturday where they spent the night in the Charley Johnson home. Mrs. Baker is a niece of the Johnsons who formerly lived in the Davis Creek community. Sunday they drove on to Sioux City.

St. Paul Trounces Ord 15 to 2 Here

Local Team Makes 8 Errors Visitors Score 10 Runs In 6th Inning.

With the score tied at 2 all, the St. Paul town team broke loose in the sixth inning to score 10 runs and sew-up the ball game with Ord, here Sunday. The final score being 15-2.

Ord was charged with eight errors to help the St. Paul cause. Barnes and B. Stull each racked up two hits for Ord, while W. Nielsen came through with three to lead St. Paul.

Jacobson allowed Ord seven hits. St. Paul garnered only 10 off the offerings of B. Novosad. St. Paul's ten runs in the sixth were scored on three hits.

Next week Ord will meet Elba at Elba.

Biamonds Fly to Church Services

Mrs. M. Biemond and Cork flew to Atkinson Sunday where they attended services in the Methodist church. There were ten planes, the occupants of which came to Atkinson to attend church at the invitation of the pastor, the Rev. Birmingham. The Biemonds left Ord at 9:30 and arrived at Atkinson at 10 o'clock. The service commenced at 11 o'clock after which the fliers were guests at a dinner in the church.

Baseball Contract Awaits Ord Youth When He Gets Discharge Next Year.

A contract with the St. Louis Cardinals awaits Bill Novosad, one of Ord's baseball stars, upon his discharge from the army which will be about a year from now. Last week Bill was invited to the tryouts which the Cards held in Omaha. The scouts were impressed by his performance on the mound and wanted to take him immediately to their training camp.

The were quite disappointed when Bill told them that Uncle Sam had first priority on his services. Bill is now 21 years old. He played baseball on the Ord town team and American Legion teams before he went into the army. During his high school days he was a potent member of the Chanticleer athletic teams.

Bill has been in the army eighteen months and during this time he has played considerable baseball. His first experience in army baseball was at Fort Shafter in Honolulu where he was sent after finishing infantry basic training at Camp Maxie in Texas. Later he was assigned to the 26th Infantry Regiment and while on the Hawaiian islands he became acquainted with Jerry O'Brien, a former big league pitcher who played with the Philadelphia Phillies.

O'Brien, who was in the service at that time, was organizing a baseball team and selected Bill as one of his players. Through him Bill received an offer to play with the Phillies. He has also received an offer from the Cincinnati Reds. After VJ day Bill was transferred to the 623rd M. P. Company which was stationed in Honolulu and played on their team. He re-enlisted in the army last May and came home in June for a sixty day furlough which is now extended. Bill reported to Fort Riley in Kansas Tuesday for reassignment. He hopes to get into a unit where he will have an opportunity to play lots of baseball.

Record Crowd Expected for Burwell Rodeo

Reserved Seats Nearly All Sold; Cowboys & Indians Soon to Arrive.

A crowd such as this part of Nebraska has never experienced before is expected at Burwell where Nebraska's Big Rodeo will be held next week. Tuesday is the opening day and the first program will be presented Wednesday.

Already many of the reserved seats have been sold. Letters have been received from all parts of the country asking for seats. Residents of Detroit, Mich. have purchased \$150 worth of reservations.

By the end of the week many cowboys, cowgirls, Indians, show and carnival people, and others who follow rodeos will have arrived in Burwell, where they have been missed for four years. An outfit from Winner, S. D., equipped to slaughter and refrigerate its own meat will erect a big tent on the rodeo grounds to feed the expected crowds. Many rodeo visitors will no doubt stop in Ord for shelter and food. The rodeo officials have issued pleas to surrounding towns for help in taking care of the expected crowds.

Ord Protests Loss of Early Mail Service

Washington Says Morning Bus Takes No Letters After Aug. 16.

Afred Hill, Ord postmaster, has been notified by the second assistant postmaster general, in Washington that the 8:15 outgoing morning mail from Ord will be discontinued Aug. 16. This service was started July 1 and Ord patrons have found it very valuable as mail leaving Ord on the morning bus can get out on the west bound airmail from Grand Island at 12:20 and on the east bound airmail at 2:38 in the afternoon. The Ord Chamber of Commerce and the Rotary club have sent protests to Washington in an effort to save this service. At present the morning bus picks up first class mail at Ord and Burwell which it delivers to Grand Island.

Mildred Fuss Marries Chester, Ill. Man

Miss Mildred Fuss, daughter of Mrs. Rose Fuss of North Loup was married to Bill Dial, son of Mr. and Mrs. S. E. Dial, of Chester, Ill., Sunday evening, August 4, at 7 o'clock.

The double-ring ceremony was performed by candle light in the St. Johns Lutheran church of the Mira Valley by the pastor, the Rev. Walter Landgraf.

The beautiful service took place before the altar of the church decorated with garden flowers, gladioli predominating. The scene was further beautified by the candleabra with tall white tapers. These were lighted by Kenneth Fuss and Lyle Foth, who also served as ushers. An aunt of the bride, Mrs. Walter Foth, was in charge of the decorations.

The nuptial music was played by Mrs. W. G. Williams of Scotia, who also accompanied a girls' trio, Joyce Foth, Wilma Lange and Maxine Fuss. The young ladies sang "Thine Forever" preceding the exchange of vows.

To the strains of Lohengrin, the bride entered the church on the arm of an uncle, Herbert Bredthauer. She chose as her wedding gown a frock of white net over taffeta. The fitted bodice was of lace, styled with a sweetheart neckline, the long sleeves tapering to points over the wrist. The skirt was trimmed with lace insets and fell to a three-yard train, ending with a deep flounce. The bodice was closed in the back by tiny self-covered buttons. The bride's two-tiered, finger-tip veil fell from a Juliet cap. Her only ornament was a strand of pearls, the gift of the bridegroom. Her bouquet was of white carnations, tied with streamers.

Miss Fuss was attended by Miss Ruth Schwalm of Omaha. Miss Schwalm was gowned in aqua net over satin, made floor length. She also wore a matching face veil, and carried a bouquet of pink carnations. Carol Lange, as flower girl, was attired in a pink rayon dress.

Wilber Fuss, brother of the bride, served as best man. Both young men wore suits of brown with pinstripe. Their boutonnieres were white carnations. The bride's mother chose a black outfit as her dress. Mrs. Dial wore brown with yellow trim. Both had corsages of white carnations.

Immediately following the ceremony, the couple knelt on a white satin pillow for The Lord's Prayer.

A reception was held at the home of the bride's mother, south of North Loup, attended by friends and relatives. The three-tiered cake was star shaped and was topped by a miniature bride and bridegroom. Relatives and friends of the bride were Maxine Copeland, Vesta Lange, Barbara and Betty June Bredthauer, Heloise Christensen and Bettie Fuss, served the guests to ice cream, cake and punch.

Among the guests from out of town were Mr. and Mrs. S. E. Dial, son, Ramon, and daughter, Letha Dell, of Chester, Ill., the Oscar Bredthauers and Mrs. D. H. Bredthauer of Grand Island, Mr. and Mrs. Alvin Meyer of Battle Creek and Mr. and Mrs. Ervin Sobrievod of Sumner.

Mr. and Mrs. Dial left after the reception on a wedding trip to the mountains. For her going-away costume, Mrs. Dial chose a dress of black bomberg sheer trimmed in white. With this she wore white accessories.

They will be at home 1516 W. Holmes, Chester, Ill., after their trip and a short visit here. Mr. Dial is connected with his father in the hardware business and his wife will continue to teach in the Chester schools, which position she has filled the past year.

Mrs. Dial graduated from the Ord high school with the class of 1939. She taught three years in Valley county, one year in Omaha and one year in Chester. Mr. Dial graduated from Chester high school with the class of 1939, also attended college in Carbondale, Ill., and served in the United States army.

Mr. and Mrs. Howard Huff and two children and Mr. and Mrs. V. A. Andersen returned Monday evening from Cullen Lake in Minnesota where they had been guests of the E. C. Leggett's, and the C. A. Andersons.

Mr. and Mrs. Louis Ringlein and Jean Marie and Mr. and Mrs. Cletus Ringlein and Dennis visited relatives in Spalding Sunday afternoon.

Mr. and Mrs. John Wojtaszek and Mr. and Mrs. Cletus Ringlein were guests of Mr. and Mrs. Freeman Haught Wednesday evening, that day being Mrs. Ringlein's birthday, birthday cake and ice cream were served late in the evening.

Mrs. E. R. Apking is in the Ord hospital recovering from an operation performed Tuesday by Dr. C. J. Miller. The Apking children are staying at the farm home of Mr. and Mrs. Chris Johnson until the arrival of Mrs. Apking's sister, Mrs. E. H. Ritter, of New York City.

Mr. and Mrs. D. A. Haney of Hyannis and Mrs. G. A. Rich of Phoenix, Ariz., were guests in the E. B. Weekes and A. R. Jones homes in Ord from Saturday until Monday. The Haney's are the parents of Mrs. Weekes and Mrs. Jones.

Mrs. Edith Fiala Has Visit With an Alaskan Brother

Mrs. Edith Fiala has had a few days visit with her brother John J. Tully, who is a regular "Sourdough" for he has lived in Alaska for fourteen years and sold land to the government when they sent colonists to the Matanuska Valley.

He tells much that to is unusual, and has pictures showing the noon sun in December which is very low and soon gone, the midnight sun in June, and his picture of a pile of prehistoric elephant tusks which have been unearthed near Fairbanks. Mr. Tully points out that most Anthropologists claim the mammoth and the dinosaur lived before man, but a recent discovery of a skull with an arrow head embedded in it indicates a possibility that this is not true.

Mr. Tully once lived in Canada and one summer the atmosphere became so clouded after a volcanic eruption that the sun was obscured and the weather became very cold. He reasons that the ice age was the result of the after effects of volcanic eruptions. The air being filled with smoke, fumes and floating particles did not let the sun rays through and caused the moisture to condense and form ice. This sudden freezing accounts for the green vegetation which can be found in the stomachs of the flesh covered dinosaurs that crack out of the glaciers of Alaska.

Clarice Fiala accompanied her uncle to Lincoln, but he expects to return for another visit before he heads his truck up the Alcan highway which he traveled by special permit.

Frank and Cecil Tully and a sister, Mrs. Weaver will also soon arrive by auto from California for a visit in the Fiala home.

Newly Weds

Mr. and Mrs. Malvern Ferris. The couple shown above were married Monday in the home of the bride's parents, Mr. and Mrs. Anton Rajewich. Mrs. Ferris is the Rajewich's daughter, Mildred. Mr. and Mrs. Ferris are at present on a wedding trip in Iowa.

Mrs. C. E. McGrew Arrived in Ord on Stagecoach in '86

Saturday, Aug. 1, was the birthday anniversary of Mrs. C. E. McGrew. It also marked the 60th year of her residence in Ord. Mrs. McGrew came to Ord as a girl of fourteen years from Galesburg, Ill. She arrived July 31, 1886 on the last stage coach to make the trip from North Loup to Ord. The next day the Union Pacific railroad began operation between North Loup and Ord.

Mrs. McGrew remembers very well her impressions of Ord, which at that time was a crude frontier sun-baked village. At that time there was not a single shade tree in Ord. Mrs. McGrew came to Ord with her sister, Mrs. Charles Barnes and Mrs. Barnes's three year old daughter. Mr. Barnes was Ord's first barber. Mrs. Barnes had lived in Ord five months when she came back to Illinois for a visit. Mrs. McGrew's mother had died and she wanted to go to Nebraska with her sister and after much pleading she was permitted to do so. Both Mr. and Mrs. Barnes and their daughter are now deceased.

The Barnes home was the house where Mr. and Mrs. Stanley Absolon now live. Mrs. McGrew attended the school where the Ord grade school now stands and here she met Mr. McGrew, who several years later wooed and won her heart and hand in marriage.

Harry Simons Honored. Harry Simons of Galesburg, Ill., was the guest of honor at a picnic in Bussell park Sunday. The others attending were Mr. and Mrs. Ivan Cook and family, Mr. and Mrs. Floyd Arnold and family, Mr. and Mrs. Clayton Arnold and family, Bruce Peterson, Mrs. Tillie Arnold, and Mrs. C. E. McGrew and Herchell McGrew.

Mr. and Mrs. W. G. Holm of Lincoln were weekend guests in the home of her mother, Mrs. E. B. Weekes and Mr. Weekes.

Hellwege Family Has Reunion

Photo by Swopes

An unusual family gathering was held on Sunday, August 4, at the Arnold Bredthauer home in Mira valley, bringing together in reunion the sons and daughters of a former pastor of St. John's Lutheran church, the Rev. R. G. Hellwege. This reunion of six brothers and two sisters was the first in 34 years, also present were their families numbering a total of 40 descendants. A number of relatives from Seward and Lincoln, also the Rev. W. Landgraf and family were present as guests for the festive occasion.

The picture above shows the entire group.

The members of the reunited family were Mrs. Clara Ebel of Wichita, Kans., Adolf Hellwege and family of North Loup, Mrs. Alma Bredthauer and family of Ord, Walter Hellwege and family of Seward, Edgar Hellwege and family of Hannibal, Mo., Otto Hellwege and family of Indianapolis, Ind., Emil Hellwege and family of Chehalis, Wash., and Oscar Hellwege and family of Diggins, Mo.

Dr. and Mrs. Kirby McGrew, Dora Mae and Chelsea, of Orleans made a brief visit to his parents, Mr. and Mrs. C. E. McGrew Saturday. The Kirby McGrews were on their way to Ericson where they are spending their summer in a cabin on the lake.

Wendell Oliver, the auditor of the Rural Electrification Administration, spent the fore part of the week in Ord attending to business matters.

Mr. and Mrs. Albert Seidel and family are very happy to have their son, Lawrence, home for several weeks. Lawrence has a leave from the navy.

Mr. and Mrs. Clarence Davis drove to Gordon Wednesday where they attended the funeral of Mrs. Griswold, mother of Governor Griswold. Mr. Davis and the governor's mother were second cousins.

Mr. and Mrs. Albert Mohr and two sons of Burwell were Ord visitors Monday.

Mrs. Dagmar Cushing of Lincoln is visiting her sister, Mrs. Dora Jorgensen and other relatives and friends in Ord.

Mrs. Jens Skov and two sons of Riverdale arrived in Ord Tuesday evening where they were guests in the George Anderson home. Later they went to Burwell where Mr. Skov is visiting her parents, Mr. and Mrs. J. N. Johnson and other relatives. Sunday Mr. and Mrs. Johnson will observe their golden wedding anniversary in their home. Friends and relatives are invited to call at the Johnson home during the afternoon.

Leonard Woods drove to Cedar Bluffs Saturday night where he was a guest in the home of his son, Duane. Sunday Mr. and Mrs. Woods went to Omaha where they attended a picnic gathering of his relatives. Mrs. Woods, who has been ill and has spent more than a month in Fremont and Cedar Bluffs, returned to Ord with him.

NOTICE TO ALL ELECTRIC USERS

Electric service will be off at 1:30 Sunday afternoon, August 11, for an estimated period of 30 minutes.

Switchboard instruments are overloaded at peak periods and this shutdown is to permit changing transformers on the switchboard to increase the capacity of meters and switch tripouts.

Last month's kwh output was 24 percent greater than the same month last year and the load is still growing and makes this increase in switching equipment necessary for safe operation.

Aroused Farmers Ask More Water For North Canal

sign which the best engineer could not have foreseen". He explained that the dam at Burwell settled and gave away because the steel sections were not driven into a firm footing, in some instances the canal was rerouted to please a farmer or a land owner when it should have followed the highest ground possible. In some places the canal was made too wide and in others the canal had been filled up to raise the water so it could be put on land above the level intended for irrigation. Mr. Porter further pointed out that the district had been unable to get material and labor to make needed repairs and corrections.

Distribution Faulty
Mr. Dodd admitted that possibly the distribution of water could be improved. He pointed out that it was a matter of judgement how far the water in the canal would reach by a given time and that the water sometimes did not get as far down the canal as he estimated that it would. Dodd said that many of the measuring devices used were inaccurate and that some farmers were getting more water than they realized. He pointed out that the water disappeared in the dry ditches and laterals just as it did in the farmer's cornfields.

The farmers, who were invited by Herman Grunkemeyer of Burwell to state their complaints, differed in opinion as to the value of the ditch to them. One farmer said that he did not believe his neighbors would sign contracts with the district in view of the poor delivery of water in the past and asked what guarantee they would have of getting water if they paid the increased cost of three dollars per acre. Mrs. Porter answered the question by telling them that the district could guarantee nothing, pointing out that a heavy rain storm could wash out all the ditches and make it impossible for the district to deliver any water.

He pointed out, however, that the farmers in the Scottsbluff district had the same difficulties when irrigation was started in their valley but that now they had corrected all the defects

Little Change In Freddie Schoenstein

The condition of Freddie Schoenstein, the three year old son of Mr. and Mrs. Gus Schoenstein who is critically ill in the Clarkson Memorial hospital, shows little change. Mr. Schoenstein spends most of his time in Omaha while the mother remains constantly with the friendly little boy, whom the people of Ord would like so very much to see improve. The Schoensteins hope to bring Freddie home as soon as his condition permits.

ALALFA DEHYDRATOR INSTALLED AT BURWELL
After several months of delay owing to the scarcity of materials a dehydrator was installed last week in the Loup Valley alfalfa mill at Burwell. Factory trained men came to Burwell to see that the machine was properly set up. The operation of the dehydrator will require several more employees at the mill.

which developed and their irrigation system now worked perfectly. He said he expected the same result could be worked out in the North Loup valley and urged the farmers not to gamble away the benefits of a lifetime for one crop.

Many Benefits
The benefits which the North Loup valley had received from irrigation were outlined by Mr. Porter. He pointed out that many farmers under the ditch had paid off their mortgages and that they all had money now and that the business men in the towns were prosperous. The consensus of the farmers present was to keep the irrigation system even though it doesn't work perfectly.

Leo Long, one of the farmers present declared that in spite of the disappointment and hardships which the farmers encountered due to lack of water that they were making at least twice as much money as they were under dry land conditions.

Mrs. Ella Weckbach, who owns a farm under the Burwell-Sumter canal, summed up the situation with the remark that spirit of give and take was necessary to straighten out the difficulties confronting the farmers and irrigation district. Mr. Porter pointed out that the district belonged to the farmers and that they elected the directors who operate it.

Unknown Party Cuts Hose To Steal Gas

One individual evidently believes that the filling stations in Ord do not remain open for business long enough on Saturday nights. Wanting gas sometime between 11:30 Saturday night and 7 o'clock Sunday morning an unknown customer drove up to V. A. Andersen's Phillips 66 station and as there was no attendant on duty, this resourceful person just helped himself. To do so he had to cut off the nozzle which was pad locked to pump, a job which likely required the use of a hack saw as a heavy wire ran through the rubber hose which the unknown visitor severed.

When Bill Skala came to open up the station Sunday morning he immediately noticed that the hose had been cut. Sheriff Bob Hall was called but no clues were left behind which would furnish any aid in tracking down the party who needed gasoline. The McBeth family, which lives next door to the station, heard a truck stop there during the night. But the truck driver may not have been the guilty party as trucks often pull into the station after hours to get water or test their tires, which they can easily and properly do as the hoses which supply air and water are not locked.

Many Respond to Call for Blood

After four blood transfusions and four plasma transfusions Harvey Barr of North Loup is reported to be much improved. Mr. Barr was brought to the Clinic hospital Sunday, critically ill with anemia.

Monday night when Dr. Weeks decided to use a blood transfusion the Ord firemen answered his call and many of them stayed until after midnight in case their blood could be used. Bill Goff and State Patrolman Jensen were the donors for the transfusions Monday night. Tuesday night Henry Benda and George Anderson were the donors. Dr. Weeks has analyzed sufficient donors to supply blood for any more transfusions which may be required.

Monday night many North Loup residents, upon hearing that Mr. Barr required a blood transfusion, came to the Clinic hospital to offer their services. Dr. Cram came from Burwell to assist Dr. Weeks in matching the blood and to aid in the transfusion. Dr. Weeks and his staff were pleased and impressed by the response of people, who are anxious to be donors. Mr. Barr is the father of Mrs. Curt Gudmundsen of Ord. Mr. Barr has many friends throughout Valley county who are wishing him an immediate recovery.

Flower Show at North Loup Wednesday Well Attended; Large Variety of Flowers Shown

—Photo by Swopes

In spite of the hot, dry weather of the past two weeks, a good showing of beautiful flowers were on display at the North Loup flower show Wednesday afternoon and evening. Perhaps the most outstanding was the large display of glads, a large table in the middle section of the north side of the community building being banked with baskets and vases of every variety and color of these.

A table of perennials held phlox, delphinium, daisies, asters, golden glow and many other varieties. Another table held annuals, and still another roses. The children's table held many displays and there was also a table of varieties of cactus.

On the south side of the hall, special table arrangements were placed and these all showed artistic ability.

Mr. and Mrs. Walter Noll were judges and spent several hours in selecting the prize winners. Two hundred and eighty-eight registered at the door, and door prizes went to Mrs. Harold Hoepfner and A. L. Willoughby.

Both afternoon and evening a program was given, feature of each being a floral movie shown through the courtesy of the Coca-Cola Company who sent a representative here with films. Music on the piano accompanied the films. In the evening Lucy Grace Switzer, as a member of the Pop Corn Girls 4H club gave an excellent demonstration on the proper arrangement of flowers. Prize winners were as follows: Special prizes; 24 lb sack of flour, for person bringing most entries, Jensen sisters, of Ord; person bringing entry the furthest distance, Mrs. Joe Karty and Jensen sisters of Ord; most unusual arrangement, frozen foods, Fortnightly club; most outstanding arrangement in the Junior division, box of candy, Walter Switzer; most novel exhibit in the junior division, manure and wave, Idona Vodehnal; best arrangement by men, \$2.00 in trade, W. O. Zangger; best specimen or display by men, \$1.00 in trade, J. M. Fisher; sweepstakes, nursery stock from Marshall nursery, Arlington, Nebr., Mrs. John Krieveld, first; Mrs. Harold Hoepfner, second; grand prize, vase, Mrs. Jim Johnson, won on a basket of perfectly matched glads.

The following won \$1.50 in cash in specified divisions: annuals, arrangement of pansies, Mrs. R. O. Babcock; perennials, Mrs. R. H. Knapp; mixed perennials, bulbs,

Mrs. Jim Johnson; one variety of glads, in basket, roses, Mrs. Joe Karty of Ord; roses of one variety, special arrangements, Mrs. Mills Hill; yellow flower in yellow container, specimens, Mrs. Ign. Pokraka; glad specimen displays, Mrs. Adolph Hellwege, gladioli, 3 spikes, children, arrangement by children up to 8 years, Walter Switzer, a single rose.

Mrs. Johnson of Scotia won first on amateur photographs of flowers or yards. The Fortnightly club won first, \$2.00 cash in the dinner arrangement and the Rebekah lodge first in the luncheon arrangement of flowers for centerpieces. In the miscellaneous section Mrs. Fern Maxson won first with an arrangement of violas.

This is the second year the Fortnightly club has sponsored a flower show and the committee in charge feel well pleased with the response. Tea was served following the afternoon and evening program and this with the money taken in with registration, helped well with the financial end of the show. North Loup business houses also responded well to help make the show a success. Beautiful flowers and shrubs have long been the pride of North Loup people and the show gives a chance for all to see the fine varieties grown.

At Springfield, Ill., the family of Lt. Col Charles R. Bean is getting ready to join him in Heidelberg, Germany, and will have no housing problem. Mrs. Grace Bean, who expects to embark with the couple's five children, said there was a 10-room house waiting for them in Germany.

5 EASY STEPS TO BETTER CREAM BETTER BUTTER BIGGER CREAM CHECKS

USE A NEW DE LAVAL SEPARATOR

A new De Laval Separator will skim cleaner... earn more... and cost less per year of use. It produces smoother textured cream, best for churning, uncontaminated and undiluted. Cream tests do not vary. In short, a new De Laval Separator will quickly pay for itself and earn additional profits for years to come.

KEEP COWS CLEAN

Clean milk and cream begin with clean cows. Keep the flanks clipped and wash teats, udder and flanks with a clean cloth and warm water just before each milking.

COOL CREAM PROPERLY

Cream should be cooled promptly. This can be done by mechanical refrigeration or by a simple, homemade cabinet type of cooler utilizing a continuous flow of cold water.

DELIVER CREAM IN GOOD CONDITION

Cream should be kept cool until delivered to the cream station or creamery. During warm weather covering the cream can with wet burlap will aid materially in keeping cream cool while being delivered.

WASH SEPARATOR AFTER EACH TIME USED... IN 2 MINUTES!

Your De Laval Separator should be washed immediately after each time it is used. With the "wetting agents" now available at grocery stores and creameries it can be done easily and thoroughly in 2 minutes. Because of its design and construction the De Laval Separator is easiest to wash.

Every effort is being made to improve the quality of cream delivered for buttermaking. Poor quality cream cannot make the best quality butter—nor yield the greatest profit to the cream producer. Gravity setting and water separation methods waste butterfat and yield poor quality cream.

Observance of the five simple steps outlined above will result in better cream, better butter... and better income for you. Why not talk it over with us today?

Valley View Homemakers Meet
The Valley View Homemakers met at Carol Benn's home on July 29. The work was discussed and it is planned that much of the canning be completed by the next meeting which will be with Joan Sedlacek on August 5. An individual demonstration on making salads was given by Carol Benn.—Joan Sedlacek, Reporter.

—Mr. and Mrs. C. D. Lemmon, formerly of Grand Island, are the new owners of the cafe in the Burwell hotel, which has been operated by John Campbell for several months. The name of the cafe has been changed from the Campbell cafe to the Burwell cafe.
—Mr. and Mrs. Sam Guggenmos and two sons left Ord Friday afternoon on the bus enroute for their home in Olympia, Wash. They spent two weeks visiting relatives in Valley county.
—The firemen were called to the Bolish Jablonski home Wednesday evening where the coal house was on fire. The flames were extinguished after the roof and the west side of the building were charred. A half ton of coal and some cobs in the building did not catch fire. The cause of the fire was undetermined. Both Mr. and Mrs. Jablonski were away from home at the time and the alarm was turned in by a neighbor.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.

The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 pints a day.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there's something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Duan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Duan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Duan's Pills.

Rajewich-Ferris Wedding

The home of Mr. and Mrs. Anton Rajewich was the scene of a beautiful wedding on Monday afternoon when their daughter, Miss Mildred, became the bride of Melvern Ferris, son of Mr. and Mrs. Arthur Ferris. The Rev. Carl McConnell performed the single ring ceremony. Mrs. Joe Beloin played the wedding march.

They were attended by Miss Marie Cervinka, a friend of the bride, as bridesmaid and Jerry Rajewich, brother of the bride, who was best man. The ceremony was performed under a white arch trimmed with fern and gladiolas, made and trimmed by Mrs. Ed Rajewich and Mrs. Joe Karty. At each side of the arch stood baskets of multi colored glad-

iolas and many other beautiful flowers were throughout the house. The flowers were furnished by Mrs. Ignatius Pokraka.

The bride given in marriage by her father, was beautiful in a white net dress over white satin. She wore a finger tip veil edged with lace with a seed pearl crown. Her only ornament was a double strand of pearls. She carried a bouquet of red roses tied with a red ribbon. The bridesmaid was dressed in a blue formal and carried white carnations. The bridegroom wore a brown suit with white carnation boutonniere. The bestman wore a blue suit with white carnation boutonniere. Miss Vivian Zikmund had charge of the guest book and Mrs. William Helleberg of the gift book.

A reception followed and dinner was served at 2:30 o'clock to fifty relatives and close friends. The bridal table was centered with a two tier wedding cake baked by Mrs. Ignatius Pokraka. The two course dinner was served by Mrs. Ed Rajewich, Mrs. Henry Stara, Mrs. Joe Karty and Mrs. John Iwanski.

Mr. and Mrs. Ferris left immediately after the reception for a short wedding trip. They will visit his brother, Calvin and wife at Ames, Iowa and other relatives in Iowa.

For her going away ensemble the bride chose a black and white checked suit with matching accessories.

Mr. and Mrs. Ferris both graduated from the Ord high school. Since then Mrs. Ferris has clerked in the Lee store. Mr. Ferris served 45 months in the army, 19 months in the Aleutian islands and several months in the army of occupation in Germany. He received his discharge in Dec., 1945 and since then has worked in the Farmers store in Ord.

Out of town guests were Mr. and Mrs. Victor Rajewich, Kaye

and Linda of Gregory, S. D., Miss Ethel Vavra of Colome, S. D., Mrs. W. J. Helleberg and Richard of Aurora.

Bursons Honor Guests

A family gathering was held at the home of Mr. and Mrs. Ralph Burson Thursday evening in honor of Mr. and Mrs. Forrest Wright and their sons, Billy and Donnie, of Berkeley, Calif., who were visiting Mrs. Wright's Valley county relatives. Mrs. Wright was formerly Ella Burson.

Those present were Mr. and Mrs. Bob Sinkler and daughters, Mr. and Mrs. Harold Burson and family, Mrs. Hattie Burson, Mr. and Mrs. Alfred Burson and family, Mr. and Mrs. George Burson, Mr. and Mrs. Joe Fryzek and family, Mr. and Mrs. LeRoy Burson and sons, Mr. and Mrs. Harry Plock and family, Mr. and Mrs. Floyd Rice and family and Reuben Hansen all of Ord. Mrs. Agnes Howie and two sons of Sioux Falls, S. D., Mr. and Mrs. Ed Chapman, the Misses Edwina and Ima Jean Burson, and Wayne and Ivan Burson of Loup City, Mr. and Mrs. John Burson, the Misses Hazel and Esther Burson, Russell Burson, Mrs. Mabel Garner, Mr. and Mrs. Lloyd Burson and family all of Burwell, and Mr. and Mrs. Audrey Garner and family of Hazard.

Before the gathering broke up ice cream and cake was served. Mr. and Mrs. Wright and sons left the next day for Missouri where they are visiting his people before their return home.

Washington Visitors

Mr. and Mrs. Charles Barnhart and Mrs. Carl Rathjen of Bellingham, Wash., have been guests in the James Larsen home. The women are nieces of the Larsens. Friday evening, July 26, Mr. and Mrs. Larsen entertained fifty guests in honor of their guests.

Last Friday Mrs. Vilhelmina Jensen entertained at a supper in honor of the Larsens' Washington visitors. The other guests were Mr. and Mrs. James Larsen, Mr. and Mrs. John Lee and family and Mrs. Marie L. Jorgensen. The Barnharts and Mrs. Rathjen left Sunday afternoon enroute for their homes in Washington.

Pecenka & Son Meat Market

"Put summer fruits and vegetables on your pantry shelves... Can now for winter eating," says Carol Drake

Add these favorites to your canning cupboard

These recipes using today's surpluses from store and garden can easily add interest and variety to next winter's menus.

TOMATO VEGETABLE SOUP

- 10 lbs. ripe tomatoes
- 3 medium-size carrots
- 6 medium-size turnips
- 2 large green peppers
- 3 medium-size onions
- 3 tbsps. salt
- 1/2 bunch parsley
- 3 cups water
- 4 stalks celery

Scald, peel and cook tomatoes in large kettle until soft, about 30 minutes, stirring frequently. Put other vegetables through food chopper, using coarse knife. Add salt and water. Cook vegetables in another kettle until tender, about 15 minutes. Combine cooked vegetables and tomatoes and cook slowly about 10 minutes, stirring frequently. Pour immediately into sterilized jars, filling to 1/2 inch from top. Adjust lids. Process in pressure canner for 60 minutes at 10 lbs. pressure. Makes about 6 quarts. Before serving, add 1 to 2 cups water per quart and boil for 10 minutes.

PLUM BUTTER

- 2 lbs. ripe plums
- 1 tsp. ground brown sugar
- 1 tsp. ground allspice
- 1 tsp. ground cinnamon
- 1 tsp. ground cloves

Wash plums; pit; cut in quarters. Cook with a little water until tender. Sieve and cook until thick. Add sugar and spices; cook about 1 hour, stirring frequently. Pour into hot, sterilized glasses; paraffin. Makes eight 8-oz. glasses.

"Home canning is given new significance by the famine emergency abroad. Canning and freezing of fresh produce by individuals are important ways to avoid waste in the foods that are abundant during summer months. You'll help when you preserve for later use some of the surplus from farms, orchards and home gardens. By filling part of your family's winter food needs from your pantry shelves, you'll release vitally needed foods for shipment to families who are hungry."

Ord Band to Play at Loup City Fair

The Ord band is in Loup City today (Thursday) where it is supplying music for the Sherman County fair. The band is under the direction of Dr. Glen Auble.

Mr. and Mrs. Dean Duncan and Billy and Nancy who now live in Ontario, Calif., arrived in Ord Saturday where they spent three days as guests in the Frank Fafeita home. Monday evening Mrs. Fafeita arranged a picnic in their honor at Bussell park which was attended by about thirty of their friends. Mr. Duncan was music instructor in the Ord schools several years ago. The Duncans left Ord Tuesday morning.

Mr. and Mrs. Adrian Tolén of Denver left Monday after spending several days in Ord where they visited his grandfather, Frank Koupal. The Toléns are moving to Mount Rose, Colo., the first of September where he will practice law.

Mr. and Mrs. Ed E. Parkos and Gary arrived in Ord Tuesday from Hawthorne, Calif. They are visiting his parents, Mr. and Mrs. A. F. Parkos and his brother, Al Parkos and wife. They will also go to Sargent where they will be guests of her parents, Mr. and Mrs. John Vondracek.

Greatly Needed Rain Saves Corn

Ord Gets .74, North Loup 1.14; More Needed To Assure Crop.

Valley county, like most of Nebraska east of North Platte, was favored with a rain Sunday evening. In Ord .74 of an inch fell, North Loup received 1.14, Arcadia got about a half inch and Burwell .49 of an inch. Burwell also got a shower Saturday night. The heaviest rainfall reported was at Creighton where 1.35 inch was received.

The rain came at a time when it was most critically needed. Many corn fields in Valley county had already fired before the rain came. A drop in temperature accompanied the shower. A. E. Anderson, federal agricultural statistician, reports that the rain will add several million bushels to Nebraska's corn crop. In Ord the first week in August has brought more rain than the entire month of July, when .72 of an inch of rainfall was recorded. In Valley county the corn crop lacks much of being assured and owing to the condition of exhausted moisture, in the soil more rain must be soon forthcoming to guarantee a crop. Farmers are hopeful that the rain will continue now that the drought and heat has been broken.

Valley Co. Horses Go to Ravenna Show

Dr. and Mrs. Glen Auble and family, Dean Bresley and Frank Beran drove to Ravenna Wednesday where they attended the Ann E Var celebration. A horse, which Dr. Auble owns, was taken to the horse show which was one of the attractions at the celebration. A number of horses and riders from North Loup also participated in the show. Clare Clement loaned a truck which took the horses to Ravenna. The spotted saddle horse which will be given away at the Loup Valley Fair was exhibited at Ravenna. Bresley and Beran will assist Corwin Cummins in putting on the horse show at the Loup Valley Fair and they attended the Ravenna exhibition to get some pointers. A number of people from Ravenna stated their intention of attending the show at Ord Dr. Auble reports.

Vavras Fined for Disturbing Peace

Joe Vavra and his son, Eldon, were arrested Monday night by Policeman Len Covert and Sheriff Bob Hall, who were called to the Vavra home in Ord where an altercation was in progress. They appeared before City Magistrate John Haskell Tuesday morning where they pleaded guilty to the charge of disturbing the peace. The elder Mr. Vavra was fined three dollars and the son five dollars. The son paid both fines as well as the costs amounting to \$4.25.

Nebraska Traffic Fatalities Rising

Highway Deaths 27 Percent Over 1945 Figure Safety Patrol Reports.

Captain C. J. Sanders, Nebraska Safety Patrol, reported that traffic death struck with continued ferocity among the ranks of Nebraska motorists during July.

Twenty-two fatalities, an increase of 46 1/2 percent over the fifteen recorded in the same month of 1945 have been reported to the Nebraska Safety Patrol. This brings the 1946 total to 135, an increase of 27 percent over the same period in 1945.

Captain Sanders stated that even though there had been a large increase in traffic on many highways, the principle causes of many of the accidents were carelessness, excessive speed, riding the center-line and drivers under the influence of alcohol.

July's 22 fatalities were the results from six non-collision, eight motor vehicle-motor vehicle, four motor vehicle pedestrian and three motor vehicle-railroad crossing accidents.

Disease Prevents Poultry Shows at Fairs in Nebraska

The poultry show at the Loup Valley Fair, as well as those of all other fairs, and exhibitions in Nebraska, has been cancelled. Saturday C. C. Dale, Valley county agricultural agent received a letter from J. R. Snyder chief of the department of agriculture and inspection and from Rufus M. Howard, director of the same department, informing him that no poultry shows would be held throughout the state because of the danger of Newcastle disease, which threatens the poultry industry.

As yet no outbreaks of the disease have been reported in Nebraska, but it is present in some of the other midwestern states. The disease is contagious and poultry exhibitions serve as a means for spreading it.

Alfalfa Seed and Sweet Clover

There has been a question in the minds of some growers as to the possibility of OPA Price Ceilings being off alfalfa and sweet clover seed along with grains. We attended a meeting of the Nebraska Seed Dealers at Lincoln last Monday and we were told that price ceilings were reinstated just as soon as the President signed that Price Control Bill, so regardless of our personal attitude we do have Price Ceilings on alfalfa and sweet clover seed. Yellow Blossom Sweet Clover is very plentiful and the Processors are selling it 75c to \$1.00 under their ceiling price; however we were able to sell some sweet clover seed at a price that will enable us to pay full ceiling price for White Blossom and for several truckloads of Yellow Blossom. If you have Sweet Clover seed to sell let us buy it; if we can't buy it there is another buyer in Ord and one in North Loup and we believe that you will do a better job of selling it locally than to sell it to an outside buyer. We will buy your seed on a dockage basis or we will take your seed in and reclean it and pay you for the clean seed. You can't find a fairer offer. We have bags for you to use in threshing and trucks to send out for your seed.

Grains

We are in the market for your grains and if you have grain to sell we would appreciate a chance to bid on it. We have two trucks ready to haul it in if you need to hire a truck. Grain prices are so changeable that it will be to your advantage to get the prices the day that you are ready to sell.

Feeding Grains

To you feeders that are going to need to buy grain later in the year, we believe that it would be to your advantage to buy any oats & barley that you will need now. Oats are under ceiling price and barley is not much over ceiling price; and while these grains are not too plentiful at present, any shipped out of this section will leave the supply just that much less. We can quote you a price on oats & barley delivered to your farm. Ask about it.

Cornhusker Hybrids

We now have a guaranteed price on Cornhusker Hybrids for 1947. We will take your order now and should prices be raised later in the season you will get yours at the price booked; if the price is lowered your price will automatically be lowered to the new price. Nothing could be fairer and you know that you are getting top ranking Hybrids. If you have followed the Nebraska State tests you know that Cornhusker Hybrids have been top yielding hybrids many times in these tests. Cornhusker Hybrids are adapted to Valley county. We do not have time to drive out and call on each one of you but you can phone or write your order on a postcard or stop in the store when in Ord.

GP's Asked To Be Patient in Asking For Furlough Pay

Wozab Expects To Receive Forms in 45 Days Which Will Simplify Job.

Discharged enlisted men are asked not to be impatient in their attempts to collect the money and bonds due them now that congress has passed the terminal leave pay bill. John J. Wozab, Valley service officer, expects to have forms which enable the men to collect the money due them for furloughs which they didn't get to take while they were in the service.

He believes it will be at least 45 days, however, before he receives these forms. In the meantime Mr. Wozab is studying all the provisions of the legislation and hopes to be sufficiently well informed that he can answer all questions regarding terminal leave pay.

Following are some of the broader provisions of the bill. Within a year after President Truman signed the bill, veterans must file a sworn statement with the war or navy department, depending upon the branch under which they served. The statements will enable the army or the navy to determine the amount due each veteran.

If a veteran has \$50 or less due him he will be paid in cash. All others will be paid in interest-bearing government bonds. The bonds will cover the total amount owed to an individual up to the nearest \$25 denomination and the remainder will be paid in cash.

The bonds can not be cashed or transferred for five years except to pay government insurance premiums or to convert government insurance into a regular policy or to pay indebtedness due the government.

The amount due each veteran will be computed in the following manner. The enlisted men will be allowed two and a half days for each month they were in the service. Deducted from this period will be any furlough time which the man actually had. Deductions will also be made for the time the GI was absent beyond his leave and for time he was confined as a court martial punishment.

The pay will be computed by the base pay which the man was receiving at the time of his discharge, plus longevity. The man will also receive 70 cents per day for subsistence and former enlisted men of the top three grades will receive \$1.25 per day in lieu of payment for quarters.

Freddie Schoenstein Now in Grand Island

Freddie Schoenstein, the little son of Mr. and Mrs. Gus Schoenstein, has been moved from Omaha to the St. Francis hospital in Grand Island. Everything which medical science can do has been tried by the doctors in Omaha in their efforts to aid the brave little boy, for whom the people of Ord have been hoping and praying. Freddie remains in a critical condition.

Valley County Assessor Works Out Plan For More Equitable Farm Land Taxation

Jason Abernathy Proposes New Method for Setting Real Estate Levies.

A new plan for more equitably determining the valuation of land for taxation has been worked out by Jason L. Abernathy, assessor of Valley county, who has found much unfairness in land assessment during his term in office. Mr. Abernathy says that in many instances the value of land for taxation was determined by a man who drove along the country roads in a buggy without ever alighting to examine the soil.

He believes his streamlined plan for determining the value of land which can be applied uniformly all over the state and which would eliminate unfairness between counties or even different townships in the same county.

The system which he has worked out would make use of the eight different classifications of soil which the Soil Conservation Service has made of all Nebraska land. The classifications are uniform over the state. Mr. Abernathy has a system for making allowances for the other factors which affect productivity which will be explained later.

Permanent Plan
The Soil Conservation Service has made aerophoto maps of all the land in Nebraska and all the land has put into one of the eight classifications, and the acreage of each type of land on each farm has also already been determined. The plan has the advantage of permanency as type I

Memorial Services to Be Held for Corp.

Fred B. Jensen

Memorial services for Corporal Fred B. Jensen, only son of Mrs. Vilhelmina Jensen of Ord, will be held Sunday, August 25, at the Bethany Lutheran church in Ord. The service will start at 11:00 a.m.

Corporal Jensen was killed in France, July 11, 1944. A 24 inch brass cross, dedicated to his sacrifice and engraved in his memory will be presented to the church and will become a permanent altar piece of the church.

Following the services a fellowship dinner will be held in the Ord American Legion hall in the nature of a welcome home dinner for veterans who are members of the congregation.

Water Supplied To All Farmers On North Canal

Burwell Dam Holds; Cooler Weather Cuts Demands; Loan Received.

The dam at Burwell as well as the Burwell-Sumter canal and laterals held everywhere throughout the week and farmers at the far end of the district received water, according to M. S. Dodd, manager of the North Loup Valley Irrigation district. Mr. Dodd and his men have been delivering water to the full capacity of the canal which in nearly all instances has been enough to satisfy the demand.

Mr. Dodd reports that the rain and cooler weather have aided the district in its effort to get water to the farmers. Some of the farmers have finished irrigating which has further relieved the load.

The district has already received the \$20,000 needed to finance it for the remainder of the season, Mr. Dodd announces. The loan was approved and made by the Reconstruction Finance Corporation, whose representative, Eugene Porter, was in Ord last week.

Scotia Celebrates Homecoming Today

A big dance will be held in Scotia this Wednesday night as a climax to the Homecoming celebration. The program started this morning with sports and races. At 1 o'clock Val Peterson, republican candidate for governor, spoke.

Later in the afternoon the Scotia and North Loup American Legion junior baseball teams played, and the Scotia and Spalding town teams crossed bats.

Ord Sends Five to Legion Convention

Crawford Mortensen, who is a member of the state committee on finances, Ed Jensen, commander of the Fidelity post, Glenn Johnson, Horace Johnson and Bill Goff, intend to go to Lincoln Saturday where they will represent Ord at the American Legion state convention. The convention will last four days.

Light Showers Over Most Of Valley County

Moisture Insufficient For Corn; Early Fields Are Badly Damaged.

A shower of .14 of an inch fell at Ord Monday, the heaviest downpour being at the noon hour. North Loup reported .24 of an inch of rain Monday. Arcadia received about a half of an inch Monday. Most parts of the county were visited with showers either Sunday night or Monday. The sand flats north of Ord received more than an inch of rain Sunday night.

Burwell reported .11 of an inch Sunday night with much heavier rain to the north and east. Ericson also was favored with a shower Sunday night. Light showers fell north and east of Ord Sunday night.

Emil Kokes, Valley county AAA chairman, reports that lack of rain has irreparably damaged the dry land corn in the county, even though cooler weather has aided the corn in its battle against drought. Parts of earlier planted fields are badly fired and will yield very little corn. Later corn is in better condition. Cool weather has saved it from drought damage but the corn is showing growth necessary for a mature crop if an early frost should visit the county.

Corn Damaged by Root Worms

Root worms are doing considerable damage to corn fields in Valley county according to reports received by County Agent Dale. The worms are working in both dry land and irrigated fields and are likely doing more damage in the irrigated fields.

The worm feeds upon the roots of the corn, which retards the growth of the stalk and in cases of severe infestation the stalk dies. Mr. Dale reports that the pest can easily be controlled by crop rotation. "Planting another crop on land which has been in corn for several years", he says, "is a sure way to control the worms, as they can not live on anything but the roots of corn".

More Appliances Add to Load of Ord Light Plant

New Generator Soon Ready For Shipment; Capacity Now Overloaded.

The 24 percent increase in the number of kilowatt hours used by the patrons of the Ord municipal light plant during the month of July over the amount used last year is attributed to the greater use of electrical appliances by George Allen, city engineer. Mr. Allen points out that during the year the city bought five dozen meters to be used for stove and water heaters and that nearly all of these meters have been installed.

Mr. Allen says that the city has no new customers, which are large users of electricity, who would account for the increase in the amount of current consumed. The increase of the number of appliances now obtainable is, he believes, the solution of the demand for more electricity.

Mr. Allen says that the increase has occurred gradually over the year. Piskorski's cold storage and locker plant which recently increased its capacity is one of Ord's largest users of electricity. In most instances, Mr. Allen points out people will find their light bills are higher and likely most homes have more appliances than they had last year.

People could reduce their light bills by turning off lights which are not being used.

Mr. Allen expects the delivery of the new generator which the city has purchased to be made about the first of September. Strikes and shortages of material have delayed the manufacture of the generator, but Mr. Allen has been informed that it is now completed in the factory at St. Louis, where it will be tested and then dismantled and shipped.

The work of enlarging the plant to make room for the generator has been seriously hampered by the lack of material. Mr. Allen has been unable to get enough bricks to complete the job. The structural steel beams needed for braces and supports have never been received. Mr. Allen hopes to have them installed before the generator is set because a beam could fall on the generator during the process of construction and ruin it. Meanwhile the plant is operating at an overloaded capacity to supply the demands made upon it.

Charles Palmatiers Have 62nd Wedding Anniversary; Both are Well and Active

Now Past 90, He Complains, "They Won't Let Me Work Any More".

Mr. and Mrs. Charles Palmatier observed their sixty-second wedding anniversary Wednesday. None of their six children were able to be present for the occasion, however their great granddaughter, Miss Grace Ann Anderson and her friend, Miss Adrienne Feare, both of Chicago were present to brighten the day for the Palmatiers.

Mr. Palmatier is the oldest mail carrier in the state. He carried mail from Fort Hartsuff to Fort Niobrara, a distance of 120 miles. Mr. Palmatier is 90 years old and his wife is 79. In 1884 they were married in Youngsville, Sullivan county in New York.

Six years before Mr. Palmatier had come to Nebraska and taken a Valley county homestead ten miles west of Ord. He had grown tired of batching so he went back east to get a wife. He brought his bride to his homestead where she encountered all the dangers and hardships of frontier life.

The Palmatiers lived on the farm until all their children married and left them to make homes of their own and then they moved to Ord where they have lived for the last forty years. They are both quite well and active, have tended a large garden and raised chickens, but Mr. Palmatier complains, "They won't let me work any more".

Twice the Palmatier children have tried to move their parents to Chicago, but this hardy pair of pioneers have lived too long on the wind-swept Nebraska prairies to be transplanted to a noisier city.

The Palmatiers have six children living: Marshall of Wilmington, Calif.; Edmund of Boise, Ida.; Ellery of Baton Rouge, La.; Mrs. Al Frazier of Chicago, Mrs. William Roe of Chicago, and Mrs. Alice Monihan of Hollywood. They have eleven grandchildren and seven great grandchildren. Death

Mystery Surrounds Disappearance of North Loup Youth

Sheriff Bob Hall and Murray "Cap" Nelson went to Columbus Monday where they recovered a truck which Calvin "Choppy" Stevens of North Loup had purchased from Mr. Nelson with a no fund check. Mr. Stevens, who is 23 years old, and well known at North Loup has been missing for a week.

Clothes belonging to him were found on the bank of Lake Babcock at Columbus but a search failed to reveal a body. Mr. Stevens operated a spray painting outfit at Columbus.

Griswold Calls Special Session Of Legislature

Making Effort to Hike Old Age and Blind Pensions; More Money Needed.

Governor Griswold has issued a call for a special short session of the Nebraska legislature to meet on August 22, for the purpose of considering the passage of state laws permitting an increase in old age and blind pensions in accordance with the provisions of new federal laws.

Also to be considered at the session, the governor said, would be the appropriation of about \$10,000 for administering for a year a half-million dollar federal fund available to Nebraska for the school lunch program under laws passed this year by congress.

The legislature will also consider plans for increasing appropriations made at their last regular session for buildings at state institutions. Costs have increased since the money was appropriated so that it is no longer sufficient for the building program that was planned.

Pheasant Season Increased to 79 Days; Limit of 7 Counties West of Custer Have Only 45 Days With Bag Limit of 5 Birds.

Following complaints of Valley and Sherman county farmers that pheasants were damaging their crops the Nebraska game commission has increased the bag limit to seven birds and has increased the open season to 79 days in the eastern three-fifths of the state. The line dividing the state follows the western boundary of Custer county.

The open season in counties east of this line will begin Oct. 19 and close Jan. 5. In western Nebraska (counties west of Custer) the bag limit will remain at five, and the season will be only 45 days starting October 26 and ending December 9.

Although the bag limit was raised to seven, the commission will not allow shooting of hens. All the game must be cocks.

Last year the bag limit was five but granted a possession of ten. This year the commission decided to make the bag limit and possession limit the same, in order to help enforcement of the game laws.

Hunting hours and other regulations will remain about the same as before. As the best hunting in Nebraska now lies in a stretch extending northeastward from Buffalo county through Sherman, Valley, Boone, Antelope, and into Pierce and Wayne counties, it is a fore-gone conclusion that with the bigger bag limit and the longer season in eastern Nebraska, this area of heavy pheasant population will have lots of visitors from the cities this fall.

Flier Killed at Loup City Fair

Crash Takes Life of Wayne Fox of Litchfield; Was Instructor in Navy.

The stark spectre of death appeared at the Sherman County fair last Wednesday afternoon when Wayne Fox of Litchfield, a stunt flier, was killed when his plane struck a pole and burst into flames. Fox, who had been hired with his brother to do acrobatic flying at the fair, made a loop too near the ground.

The plane crashed and burned a short distance from the crowd of onlookers. The body was partly removed from the plane. Fox's plane was a Ryan monoplane. He and his three brothers are widely known as "the Flying Foxes".

The deceased pilot was the youngest son of Mr. and Mrs. J. W. Fox of Litchfield, where the father operates a filling station. He received flight instruction in 1942 from his brother, John Fox, who operates a flying school at Butte, Mont. Wayne was a naval flying instructor during the war and held an ensign's commission.

His brother Carl, also a pilot was assisting with the exhibition at Loup City. A third brother, Dean Fox, is a pilot for the Western Airlines.

Farmers Urged to Enter Corn Yield Contest At Once

Six farmers, Eldon Sintek of North Loup, Robert Scott of Arcadia, Lloyd Geweke of Ord, Jack Brown of Arcadia, Harold Garnick of Elyria and Ray Melia of Ord, have entered the corn yield contest in Valley county. County Agent Dale urges any farmer interested in the contest to make an entry at once.

Entries may be made by phone, mail or by calling at the county agent's office. Any farmer with a ten acre field of corn is eligible to enter. A farmer can select any portion of a larger field to enter in the contest, the only requirement being that the ten acres be in one continuous tract.

Farmers entering the Valley county contest are automatically entered in the state contest. Prizes for the state contest have not been listed. The Ord Chamber of Commerce is offering a \$50 United States savings bond to the farmer who wins the Valley county contest. It is giving a \$25 bond for second prize and ten dollars in cash for third prize.

The county officials are expected to arrive by 10 o'clock. A short session will be held in the district court chamber in the court house before dinner. The afternoon program will commence about 1:30 in the district court chamber, and will last until 4:30 o'clock.

L. C. Moul, York county clerk, will speak on "The Revaluation of City Property". York has recently had its real estate revalued for taxation using a system which has proven beneficial in many states. York is the first Nebraska city to install this system, which Mr. Moul will describe in his talk.

Proposed legislation in which county officials are especially interested will be discussed by Fred Mueller of Kearney, a member of the state senate and vice-chairman of the Nebraska Legislative council. Leonard Woods, Valley county clerk, who has had a major part in arranging the meeting in Ord, extends a cordial invitation to the public to attend the session.

Burwell's Rodeo Attracts Record Breaking Crowd

Traffic Streams Through Ord on Opening Day; Seats Scarce.

A continual stream of traffic passed through Ord Wednesday morning headed for Burwell where Nebraska's Big Rodeo is again being staged after being closed down for four years. At 6 o'clock rodeo bound tourists were walking the streets of Ord waiting for the restaurants to open so they could get breakfast before going on to Burwell.

With almost no reserved seats left to sell, all indications point to a record breaking crowd. Bleachers have been erected to accommodate the people for whom there would be no room in Burwell's vast expanse of grandstands.

A cool and cloudy day favored the spectators who were unable to get grandstand seats. Cowboys, and entertainers have flocked to Burwell in larger numbers than in pre-war years. While many of the old favorites are absent, younger and no doubt better bronco busters, who have developed during the war years, have replaced them.

A brilliantly lighted midway, with games and entertainment galore, delights many who enjoy carnivals. Glen Eschliman and Alvin Anderson have moved their roller skating rink to Burwell where it will serve as a dance floor. Several Ord people are running concessions at Burwell to help feed the crowds. Glen Johnson and Tom Williams are operating a stand where they sell hamburgers, pop, hot dogs and other refreshments which crowds enjoy. Carsons also have a concession at Burwell.

Ord's photographer, Ed Swopes, has been selected as the rodeo's official photographer and red hats and brilliant yellow shirts of his sales people and assistants can be seen flitting about through the crowds.

Several bus loads of Grand Island people will stop in Ord Thursday morning enroute to the rodeo. The Grand Island chamber of commerce has arranged for this transportation for its members and their families and friends. A Grand Island band will accompany them which will play a few pieces in Ord.

Delbert Chapman Dies at San Diego

From his mother, Mrs. Florence Chapman comes a telegram telling of the death at San Diego, Calif., at 9:00 Monday morning of Delbert Chapman, former Ord resident. He had been in ill health several years.

Born in Ord, Delbert grew to young manhood here and joined the marine corps, serving 20 years after which he retired. When his mother and his sister, Mrs. Ella Hughes, left Ord, he accompanied them to California which has since been the family home.

No further particulars are available this week.

Melvin Koelling Leaves Farm To Study To Be a Minister

Their household goods will be trucked to Naperville the first of next week. The son of Mrs. Lucy Koelling, Melvin has lived all his life in the Mira Valley and North Loup communities. He graduated from North Loup high school in 1930, having received his earlier education in the Valley Side school. Born and raised on the farm, he has followed the life of a farmer and been quite successful. Within the last few years he moved to the North Loup community on an irrigated farm and later bought a 27 acre place just outside North Loup which sold recently at auction for \$8,000.

Always a community minded man, he has been active in both community and church work. For three years he has served as president of the North Loup alumni association. Not the least of his talents, is his musical ability, and the mens choruses organized here were always sure of his help. Last spring he decided to give up his farming and take up the ministry of the gospel. They went to Naperville and bought a home and made arrangements for entry in college this fall.

The best wishes of the North Loup community go with the Koelling family in their new venture.

Central Nebraska County Officials Are Guests of Ord

Entertainment Planned For Visitors; Public Invited To Attend Program.

Mr. Leslie Nash has arranged a program for the entertainment of the one hundred people who are expected in Ord today, (Thursday) for the meeting of the Central Nebraska County Officials association. The Misses Carolyn and Irene Auble will each sing solos. A trio, composed of the Misses Auble and Mrs. Nash will also sing and Mrs. Nash will play a cello solo. Mrs. Sylvester Furtak will play all the piano accompaniments.

The entertainment will be given during the noon hour in the Knights of Columbus hall where the Catholic ladies will serve a dinner to the visitors.

The county officials are expected to arrive by 10 o'clock. A short session will be held in the district court chamber in the court house before dinner. The afternoon program will commence about 1:30 in the district court chamber, and will last until 4:30 o'clock.

L. C. Moul, York county clerk, will speak on "The Revaluation of City Property". York has recently had its real estate revalued for taxation using a system which has proven beneficial in many states. York is the first Nebraska city to install this system, which Mr. Moul will describe in his talk.

Proposed legislation in which county officials are especially interested will be discussed by Fred Mueller of Kearney, a member of the state senate and vice-chairman of the Nebraska Legislative council. Leonard Woods, Valley county clerk, who has had a major part in arranging the meeting in Ord, extends a cordial invitation to the public to attend the session.

8:15 Outgoing Mail Will Be Continued

The outgoing mail which leaves Ord every morning at 8:15 on the bus will be continued. Alfred Hill, Ord postmaster, announces that the contract for picking up the mail at Ord and Burwell was cancelled but that a new one was made whereby the bus will also pick up mail at North Loup and Scotia.

Air mail which leaves Ord in the morning makes connections with planes at Grand Island which deliver it to either coast by the following morning. Postmaster Hill announces.

Beginning August 16, North Loup will have an outgoing mail at nine o'clock in the morning as well as the afternoon mail. The morning bus will carry first class mail to Grand Island.

J. N. Johnsons of Burwell Celebrate

Day is Also Birthday For Him and Their Daughter Mrs. Jens Skov.

Sunday was a big day for Mr. and Mrs. J. N. Johnson of Burwell. All of their six children were present with their families to help them celebrate their golden wedding anniversary. The day also marked the seventy-third birthday anniversary of Mr. Johnson (or Norm as every one calls him) and the forty-ninth birthday anniversary of the Johnsons' eldest daughter, Mrs. Jens Skov, who lives at Riverdale.

The Johnson home was filled with flowers for the occasion, most of which were provided by their niece, Mrs. Herman Holcomb, who raised them in her garden at Chambers. Mrs. Holcomb brought huge sprays of brilliant red gladiolas, marigolds and many other flowers to decorate the home.

Coming home for this happy event were Mr. and Mrs. Jens Skov and three children of Riverdale, Sheriff and Mrs. Raymond "Swede" Johnson of Burwell with their son-in-law and daughter, Mr. and Mrs. Eldon Davis of Lincoln, Mr. and Mrs. Bill Johnson of Burwell, Mr. and Mrs. Harry Hughes and Bruce of Burwell, Mr. and Mrs. Mike Revolinski and son of West Point, and Mr. and Mrs. George Anderson, Carolyn, Phyllis and Bill of Ord, which included all the six Johnson children and the eleven grandchildren with the exceptions of Thelma Mae, the daughter of Mr. and Mrs. Raymond Johnson, who is a nurse in a Veterans hospital in Los Angeles and Gloria, the daughter of Mr. and Mrs. Bill Johnson, who is taking nurse's training in the Lincoln General hospital. They were unable to be present.

Also there were Mrs. Johnson's sisters, Mrs. Jane Tangeman of Chambers, and Mrs. Elmer Fickie of Burwell and her brothers, Oney, John and Asa Anderson all of whom live in Burwell. Many other relatives were also present.

At noon a dinner was served to the immediate relatives and out-of-town guests, and in the afternoon many friends and relatives called to wish Mr. and Mrs. Johnson many more happy years of wedded life. Mr. and Mrs. Johnson received many flowers, cards, letters and gifts. The children intend literally to keep the home warm with their love for they bought their parents an oil heater.

Mr. and Mrs. Johnson were married in Burwell. The George Ballard house where the Garfield Strangers lived for many years on the road to the old bridge, was the scene of the wedding. They were attended by her brother, Will

Anderson, who died last winter and by Miss Winnie Wilson, who later became his wife. The ceremony was performed by Judge W. L. Jones.

Mrs. Johnson was Cora Anderson. Her parents moved from West Point to Garfield county where they were among the first settlers. The Anderson homestead which was a few miles north of Ballagh, is now owned by Doyle Horwath.

Mr. Johnson lived about ten miles west and across the line in Holt county, where he took his bride to live in a sod house. The Johnson home was northwest of Carson lake, which in those days was quite a large body of water but for the last twenty years it has been largely non-existent.

Here was established the Carson City post office, which the Johnsons kept. He also maintained a country store, and blacksmith shop and put down wells for the settlers. Carson City failed to flourish and now has completely disappeared from the map and is nothing but a memory in the minds of the older people of that locality.

A year to the day after the Johnsons were married their daughter, Edith was born. They had selected his birthday anniversary for their wedding date. All of their children, with the exception of their two younger daughters, were born in the sod house. During the latter years of the first decade of 1900, the Johnsons were prosperous enough to build a frame house. After sixteen years on the homestead they decided to move to Burwell.

All the buildings on their homestead, which is now a part of the Carl Barthel ranch, have disappeared.

In Burwell Mr. Johnson went into the machinery, well and windmill business. Many of the wells in Garfield county are the result of his labor. Of late years he has dealt in livestock.

The Johnsons have lived in their home north of the library for the last thirty-four years. Both Mr. and Mrs. Johnson enjoy good health and are well and active, except that Mr. Johnson has been partially deaf for a number of years.

Burton-Hutchins

Miss Betty Jo Burton, daughter of Mr. and Mrs. John Burton of Scotia and Donald L. Hutchins, son of Mr. and Mrs. Floyd Hutchins of North Loup, were united in marriage at the Methodist church in Scotia Sunday, August 11 at 1:30 p.m. Rev. Samuel Mitchell officiating at the double ring ceremony. The bride was attired in a sheer white gown, with a lacy top and net skirt.

Her veil was white net with white bows interwoven in the edge. Orange blossoms formed a coronet to fasten the veil on. She carried a bouquet of white rose buds. Mrs. Ervin Steffen, sister of the bride was matron of honor and she was dressed in a blue formal. The groom wore a light grey suit and had a white carnation boutonniere. His attendant, Merlyn Schudel wore a suit of light blue, and also had a white carnation boutonniere.

Six bridesmaids attended the bride and they were Shirley Oliver, Thelma Sautter, Betty Jean Yax, Ramona Meyer and Jacqueline Anderson. Three were dressed in pink and three in blue and carried bouquets of sweet peas.

Wendall and Janey Scott were ring bearers. They were dressed in white and carried the rings on satin pillows.

Jeneane Brennick and Phyllis Christensen were flower girls. They were dressed in blue organdy with pink trimmings. They scattered pink rose petals from white baskets and a white bride's carpet.

Erwin Steffen, Dale Carr, Richard Hutchins and Dean Bonsall acted as ushers. Preceding the ceremony Miss Florence Arnold sang "Because" and "Always". She was accompanied by LaVerne Hutchins who also played the wedding music.

The church was decorated with baskets of pink and white gladiolas and old fashioned flowers.

Following the ceremony a reception was held in the basement of the church. A three-tier angel food cake with festoons of pink and white and with pink and white rosebuds was topped by bride and bridegroom dolls under an archway.

Mr. and Mrs. Hutchins left for a short wedding trip to Colorado and after their return they will be at home in North Loup, where he is farming with his father.

BRIEF BURWELL NEWS
Bill Sloan, who has spent the summer in Colorado, stopped in Ord Saturday evening enroute to his home at Burwell. Bill, who has the distinction of being the first Burwell boy to make the University of Nebraska football team, plans to enlist in the armed forces this fall even though he is only eighteen years old.

Bill Wolcott, Burwell's coach, was a bus passenger to Hastings Monday where he attended the American Legion Junior baseball games. Later he went to Lincoln where he is attending the coaching school at the University of Nebraska. Mr. Wolcott attended the funeral of Wayne Fox in Litchfield Friday. The pilot who was killed at Loup City was one of Mr. Wolcott's pupils when he coached at the Litchfield high school before he came to Burwell.

Mrs. Ruth Miller and Art Bishop of Burwell were married Thursday in Denver. Both are well known in Garfield and Loup counties. The bride is the daughter of Mr. and Mrs. Elvis Bleach of Taylor. For several years she operated the Northside tavern

in Burwell which she sold several months ago. Mr. Bishop is a discharged veteran and the son of Mrs. C. D. Bishop of Burwell. Mr. and Mrs. Bishop have many friends and acquaintances who wish them much happiness in their marriage.

TAYLOR YOUTH KILLED WHEN CAR OVERTURNS

Eldon Sears, 16, son of Mr. and Mrs. Fred Sears who reside in the extreme north part of the county, just a few miles south of Taylor, was killed instantly last Sunday afternoon when the car in which he was riding went out of control and turned over three times. The accident occurred about five miles west of Taylor. Eldon and his brother, Sammie, were riding in the back seat of the car driven by Charles Nekuda. The driver's brother was also riding in the front seat of the automobile. Loup County Sheriff, Frank Strohl, who investigated, said Nekuda apparently lost control of the machine and it went into the ditch and rolled over three times. The victim was crushed under the car. Sammie Sears received several fractured ribs and other cuts and bruises. The driver and his brother escaped unhurt. The four youths were students in the Loup county high school in Taylor, last year.—Custer Co. Chief.

LUMBER YARD AT GENOA BURGLARIZED

Believed by officers to have happened early Sunday evening, the office of the Sack Lumber & Coal Co. at Genoa was entered by prying open a rear window and about \$60 was taken. The combination was broken off the safe and it was forced open. The burglary was discovered Monday morning. Sheriff Edward Schulte investigated the robbery but there were no clues available.—Nance Co. Journal.

ANSLEY YOUTH FATALLY INJURED BY COLT'S KICK

Richard Nealey, 13 year old son of Mr. and Mrs. Carl Nealey of near Ansley, died early Sunday in a Grand Island hospital of injuries received the preceding Thursday when he was kicked in the head by a young colt. The accident occurred at the family farm home south of Ansley. The youth, reports say, was riding his bicycle and chasing the colt when the animal suddenly kicked, striking the boy a blow in the forehead. The boy was taken to the hospital in Grand Island when the seriousness of his injury was apparent. The body was taken to Trenton, Nebraska for burial Tuesday.—Custer Co. Chief.

The influence of returned war veterans on university life is being reflected even in excuses for absence from classes, say Loyola university officials at Chicago. Apartment-hunting and baby-sitting have taken their place along side such old favorites as alarm clock failures, funerals and dental appointments, they said. One married vet's excuse was: "An 8-pound boy, wow!"

Valley County Assessor Works Out Plan For More Equitable Farm Land Taxation

(Continued from Front page)

Demonstrates How His Plan Works

To demonstrate how his plan works Mr. Abernethy has applied it to the Fritz Kuehl farm south of Ord. Mr. Kuehl's farm consists of 361 acres. The soil conservation service has determined that 156 acres of this land is type II land. Mr. Abernethy has arbitrarily set the valuation type II land at \$32 per acre. Hence the taxable valuation of Mr. Kuehl's 156 acres of type II land would be \$4,992. The soil conservation service puts 21 acres of Mr. Kuehl's farm into classification III to which Mr. Abernethy has assigned a valuation of \$28 per acre which totals \$588. According to the soil conservation service 184 acres of Mr. Kuehl's farm is class VI land which Mr. Abernethy values at \$10 per acre and which would total \$1,840. Hence the value of Mr. Kuehl's farm minus the improvements would be \$7,378. Mr. Kuehl's farm is a half mile from a surfaced road, three and a half miles from Ord, his market center, and one and one-half miles from a school. According to the table of allowances which Mr. Abernethy has worked out, 5 1/2 percent should be deducted from the \$7,378. valuation of Mr. Kuehl's farm or \$405.79 and the value of his improvements should be added.

Further Adjustments

But if Mr. Kuehl had his farm in Douglas county it would be worth more even though it was still a half mile off an improved highway, three and one-half miles from town and one and a half miles from a rural school and so Mr. Abernethy has contrived a system to further equalize the value of land. He believes that land of the same fertility in Valley county is worth 83 percent less than land in Douglas county. At present unimproved land in Douglas county is assessed at \$73.97 per acre in Douglas county while the same kind of land in Valley county is assessed as \$18.75 which is a difference of 75 percent. Why is land in Douglas county worth more than a land in Valley county? Mr. Abernethy has given the question serious thought and here is the answer to which he has arrived. Distance from markets accounts for 51 percent of the difference, less rainfall accounts for 18 percent, shorter growing season accounts for 10 percent and greater hail hazard for 4 percent.

Market Advantage

Mr. Abernethy has not arrived at these conclusions arbitrarily. He points out that the railroad and truckers do not haul a farmer's livestock or grain to Omaha for nothing. He also shows that being near a terminal market has other advantages in that a cattle feeder can visit the market in the morning and if the price suits him he can go home, load his cattle and get them on the market that day while a Valley county feeder has to take the chance of selling his cattle without first having an opportunity to examine the market. For the purpose of long assessment he divides the state into six zones according to the distance from Omaha. The land within 25 miles of Omaha would be in zone I and would get no deduction. Zone II would include all land more than 25 and less than 75 miles from Omaha and would be assessed 75 percent the value of land in zone I. Zone III would include the land between 75 miles and 150 miles from Omaha and would be assessed 60 percent of the value of zone I land. Zone IV, which includes Valley, would comprise that land from 150 to 250 miles distant from Omaha and would be assessed 51 percent of zone I land. Zone V covers the land from 250 to 375 miles from Omaha and would be taxed 56 percent of the value of zone I land. The remainder of the state would be in zone VI and the land would be assessed 43 percent of the value of the zone I land.

Uses Rainfall Records

To ascertain the change in land value due to difference in rainfall Mr. Abernethy makes use of the rainfall which have been kept in the state for many years. The records show that between April 1 and September 30 Douglas county on the average receives 22 inches of rainfall and Valley county 18 inches. The four

Army Willing To Give Discharges To All Fathers

Selectees With 20 Months Service Eligible For Demobilization.

The complete program for discharge of non-volunteer, enlisted personnel under criteria first announced June 29 upon the signing of the new selective service act has been disclosed by the war department. The following provisions now govern demobilization of army enlisted personnel:

1. All non-volunteer, enlisted fathers will be separated by September 30, 1946, regardless of length of service.
2. All non-volunteer, enlisted men with 20 months of service as of September 30 will be separated by that date.
3. Beginning October 1, all non-volunteer, enlisted men with 18 months of service as of November 30, will be eligible for separation and will be separated by November 30th.
4. All non-volunteer, enlisted men who accumulate 18 months of service in any month subsequent to November will be separated by the last day of the month in which they accumulate 18 months of service.
5. Until September 30, the same discharge criteria will apply to enlisted women as to enlisted men.

All non-volunteer, WAC personnel whose term of service will expire by June 30, 1946, will be encouraged during the current month of July to volunteer until June 30, 1947, or for the duration of the emergency plus six months. WAC enlisted personnel assigned to general hospitals which are scheduled to close by December 31, 1946, who do not desire to volunteer until June 30, 1947, or for the duration plus six months will be urged to volunteer for active duty until completion of their present assignment.

Effective October 1, 1946, all WAC enlisted personnel, except those volunteering for additional duty described above or who had previously volunteered for additional duty will be eligible for separation and will be separated by October 31.

The new criteria applies only to enlisted personnel, the previously announced discharge criteria for officers remaining unchanged. Computation of length of service will include total active commissioned or enlisted honorable service, continuous or uninterrupted, since September 16, 1940. The war department directive defines "father" as any enlisted man who has a child or children dependent upon him for support and with whom he maintains a bona fide family relationship in the home. The term "child" is further defined to include a child legally adopted, a stepchild, a foster child, and a person who is supported in good faith by the individual in a relationship similar to that of a parent to a child. It does not include any person 18 years of age or over unless such person is physically or mentally handicapped. Certified true copies of a birth certificate or an affidavit of a disinterested person constitute documentary proof of fatherhood. It is the responsibility of the indi-

HOW CAN YOU GET MORE AUTOMOBILE INSURANCE FOR YOUR MONEY!

Here's how more than 1,250,000 car owners did it! They insured with State Farm Mutual—the world's largest automobile insurance company. First, in easily understandable terms, one of State Farm's 7,000 agents explained the many advantages of State Farm's thrift-famous "More for Your Money" insurance protection plan. Not the least of these are its non-assessable policies... its management economies... six month renewal policies... and its pioneering of such features as double-the-usual public liability and property damage insurance, liberal medical pay and 80% collision coverage. Then, State Farm Mutual made sure that they were careful drivers. By selecting policyholders carefully, State Farm is able to offer better insurance at significantly lower than average cost.

And that's how you, too, can get more auto insurance for your money. Get in touch with me today—and let's have a friendly chat about your insurance needs. There's no obligation.

Search for sunken treasure off the Golden Gate was spurred by the discovery of what divers believe may be the hulk of a wooden ship. The search is being conducted by 10 youthful mariners aboard the purse seiner St. John Bosco. They are seeking to locate the steamer City of Rio De Janeiro. The ship sank 45 years ago with 131 persons and a reported gold bullion shipment worth millions of dollars. However, the skipper of the Bosco, Pinky Settle, said he believed the located object was a wooden ship, not the Rio, which was metal.

City Attorney George Flynn at Superior, Wis., needs a pair of nylon stockings for official use. They are needed to satisfy a claim by a woman who is suing the city for injuries to herself and a pair of nylons resulting from a fall on a sidewalk. Settlement of the claim is routine, Mr. Flynn said. But he's faced with the job of standing in line for nylons, if he can find a nylon line.

Layaway Your Choice for Fall.

Autumn apparel is arriving with dramatic fashion changes. There's a new mood in the air. After the strain and regimentation of war years there's a desire to "go places" and "do things." Here in your popular Brown-McDonald store you will find the coats and suits that will add excitement and flattery to that desire.

Elegance and curiosity are evident. You will find many changes and points of interest to make your next shopping trip to our ready-to-wear section a real thrill. This year instead of "taking what you can get," you'll be "getting what you want."

Style Highlights

- A new style outline which will catch your eye at once.
- Fitted, smaller waists, cinched with a belt or molded to the form in both coats and suits.
- Much shoulder interest in variety of design. Dropped shoulder yokes.
- Collarless suits with well-fitted necklines.
- Coats feature club collars, and notched collars with rounded or pointed revers.
- Buttons are outstanding for ornamentation, appearing on shoulders, cuffs and collars.
- The Suit jacket is the key to suit individuality. Length is generally longer.
- Sleeves, shoulders, belt and collar carry the real style changes.

THANK YOU for waiting for delivery of your NEW CHEVROLET

We are doing our best to see that you get your new car as quickly as possible

We want to thank our customers and prospective customers for your friendly patience while awaiting your new Chevrolets.

We know it is a hardship to wait for needed transportation; but we believe you will understand that we, and Chevrolet, are as eager to deliver cars as you are to obtain them. Unfortunately, production so far this year is far under expectations. Chevrolet Motor Division sums up the situation thus:

"Even though our rate of production normally exceeds that of any other manufacturer, we have been able to build, up to July 1, only 12.4 per cent as many cars as we had built up to that date in 1941. Production is still far below normal, because of frequent shortages of essential materials and parts. Strike after strike at the plants of our suppliers has seriously impeded our progress toward full production, and the cumulative effect severely hampers every manufacturing and assembly plant. In June we were able to build only 29.2 per cent as many cars as we produced in the same month in 1941."

While production is restricted, so—in proportion—are shipments of cars to us. As production increases, we are assured of getting our proportionate share of the total—and as quickly as cars are received, we will speed deliveries to our customers.

Remember—Our CAR-SERVICE is your best CAR-SAVER. Keep your present car "alive" until you get delivery of your new Chevrolet by bringing it to us for skilled service now and at regular intervals.

Ord Schools Have Six New Teachers

William Nelson

Mr. Nelson is the new music teacher in the Ord schools. He is married has one child. The Nelsons will make their home in the little house, which was recently moved into town from the country and placed south of the James Ollis residence. Mr. Nelson graduated from the Hastings high school and the Hastings college. He was in the navy for three years where he had charge of both instrumental and vocal groups.

Phyllis Dodge

Miss Dodge needs no introduction to the Quiz readers. She was reared near Elyria, graduated from the Ord high school in 1941 and from the University of Nebraska in 1945. During the last year she has served as extension agent for Valley and other surrounding counties. The women's project clubs and the girl's 4H clubs will miss her efforts in making their programs interesting and beneficial, for Miss Dodge has resigned her position to teach home economics in the Ord high school. She replaces Miss Rachel Shaffer, who was married this summer and has retired from the teaching profession.

Joe Cupl

Mr. Cupl is another graduate of the Ord high school, being a member of the class of '32. He has contracted to teach science. In 1937 he graduated from the University of Nebraska and he has since had several years of successful teaching experience. During the last several years he has been in the army and at present he is attending the summer session of the University of Nebraska. Mr. Cupl is married.

Christian Science Services "Soul" is the subject of the Lesson-Sermon which will be read in Christian Science Churches throughout the world on Sunday, August 18, 1946.

The Golden Text, "My soul doth magnify the Lord, and my spirit hath rejoiced in God my Saviour," is from Luke 1:46,47. Other Bible citations include, "Many are the afflictions of the righteous: but the Lord delivereth him out of them all... The Lord redeemeth the soul of his servants: and none of them that trust in him shall be desolate" (Ps. 34: 19, 22).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "When understanding changes the standpoints of life and intelligence from a material to a spiritual basis, we shall gain the reality of Life, the control of Soul over sense, and we shall perceive Christianity, or Truth, in its divine Principle" (p. 322).

NINETY BUSHEL OATS Harry F. Burnham threshed a twenty acre field of oats Friday, for Casper Zulkoski who live 3 mile west and a half mile north of the Longwood school house and about five and a half miles east of Sargent. This twenty acre field produced 1800 bushels of oats which is a yield of ninety bushels to the acre. These oats were under irrigation.

Mr. Burnham says that by hauling these oats to Ansley they received 75 cents a bushel. This was because they are being shipped west into the sand hill country. There is a heavy demand there for oats by ranch men.—Sargent Leader.

3/4 cup Pet Milk
1 teaspoon unflavored gelatin
4 teaspoons cold water
1/4 cup sugar
3 tablespoons cocoa

few grains salt
3 tablespoons Pet Milk
diluted with 3/4 cup water
1/4 teaspoon vanilla

Chill 3/4 cup milk until icy cold. Soften gelatin in cold water. Mix together sugar, cocoa and salt. Stir in diluted milk. Place over boiling water. Stir and cook 5 min. after water again boils. Stir in softened gelatin. Add vanilla. Chill until syrupy; stir occasionally while chilling. Whip chilled milk with rotary beater, or electric beater at high speed, until stiff. Fold into gelatin mixture. Freeze, without stirring, in automatic refrigerator tray at coldest temperature, or in mold buried in mixture of 3 parts crushed ice to 1 part ice cream salt. Serves 4.

AMERICA'S COWS MUST BE MILKED
THE DEMAND FOR MORE AND MORE MILK IS BEING MET WITH MORE AND MORE

NEW DE LAVAL MILKERS
 NOW more than ever U. S. milk and milk products are of the most significant importance... an importance that is incapable of exaggeration.
 To maintain and increase the production of this all-important food supply the basic task is... milking the cows.
 It is a tougher job than ever before... yet milking the cows is a problem that is being completely solved by thousands of dairy farmers... who are installing more and more De Laval Milkers.
 The cows must be milked... and thousands of farmers are now making dead sure they will be milked... and that they will be milked right for best production... by putting new De Laval Milkers to work for better, faster, cleaner milking... and for the important saving of time and labor they make possible. Get in touch with us at once - today.

Farmers Grain & Supply Co.

—Mrs. Wayne O. Daffron and son, David, of Boone, Ia., and Miss Betty Jean Walker of Indianola, Ia., left Tuesday after spending a week as guests in the Leslie Nash home. They are sisters of Mrs. Nash.

—Mr. and Mrs. Lee Chatfield and two children of Lincoln came to Ord Saturday to visit his parents, Mr. and Mrs. John Chatfield, and his brother, Floyd, Mrs. Chatfield and their family and friends in Ord. Mr. Chatfield has made a remarkable recovery from the brain injuries which he received from enemy action along the Siegfried line. He is now operating an advertising newspaper in Lincoln and still retains an interest in a newspaper at Table Rock.

—Raymond T. Abernethy of Lincoln arrived in Ord Friday where he was a guest of his parents, Mr. and Mrs. Jason Abernethy. He returned to Lincoln Sunday.

—Mrs. Will Misko is in Seattle where she is a guest in the home of her son, Gerald Keim.

—Lt. M. W. Bresley, son of Mr. and Mrs. Harry Bresley, who is a marine pilot, left Tuesday for Miami, Fla., where he will join a fighter squadron. He spent ten days in Ord and while here he rented a plane and took his parents, brothers and sister for a ride.

Policeman Patrick Gilhooly and Thomas McGlade of Chicago, responding to a call to investigate a prowler on a West Side apartment porch, found a pugnacious year-old black bear cub. The bear reared up and pawed a few punches at the policemen. They roped the cub and took it to the Austin station. James Downey, who claimed the runaway bear, asked Officer Gilhooly how police had kept the cub "so quiet here in the jail." "That's easy," he said. "We've got a 'Tarzan here, Policeman Walter Tarczan."

Lightning Kills Six Cattle

A bolt of lightning Sunday night killed the six cattle shown here, which belong to McClain brothers and were killed on their farm seven miles east of Ord. The cattle are yearlings and two year olds and were valued at \$140 per head. Two of them are heifers and four are steers. The animals were killed where they lay in a small swale in the pasture. —Photo by Swopes

Arrangements Completed For Booster Trips

Grand Island Delegation Will Welcome Caravan To Their City.

Arrangements for the booster trips Monday and Thursday of next week to promote the Loup Valley Fair and auto races are practically completed. George Hastings, chairman of the Chamber of Commerce committee in charge of trips, reports that the response of people wanting to furnish cars has been excellent and that a sizeable caravan is assured for the trips to Grand Island and Broken Bow. Ed Swopes will fly a plane over the towns being visited by the boosters and drop advertising matter promoting the fair. John Andersen, secretary of the Chamber of Commerce, has been notified by the Grand Island Chamber of Commerce that a delegation of Grand Islanders will meet the Ord boosters on the third city's outskirts and escort them to the main business districts where a street will be roped off where the Ord entertainers may put on their program.

Dr. Glen Auble, chairman of the entertainment committee for the booster trip, has arranged a varied program to which other features may be added later. Dr. Auble has obtained a supply of noise-making souvenirs which will be distributed among the children in the towns visited.

The Ord band will be the principal attraction. A caged wild man from Borneo will growl at the curious crowd of onlookers. Upon learning that conditions in this section of Nebraska were quite tough, the wild man's manager has ordered a new set of sharper teeth for his charge, who has worn his original molars down by continually gnawing and gnashing them since he has been in captivity. Dr. Gard has fashioned a unique denture for this unusual human creature which he hopes will satisfy his savage demands.

The wild man eats snakes and the promoters of the Ord booster trip are sending out a call to farmers and other people for large bull snakes and other reptiles to satisfy the wild man's appetite. Any one who can capture any snake is asked to deliver them to the Ord Cooperative Oil Co.

A cordial welcome to attend the Loup Valley Fair and auto races will be extended by Dale "Hip" Norman in all the towns visited. To date twelve different racing outfits have contracted for the Loup Valley Fair. Clyde Baker, the manager of the auto races, reports the following entries this week, Eddie Raeynor and Harold Jackson of Sioux City, Mike Collins of Vermillion, S. D., Ernie Hubert and Fred Mulfinger both of Sioux City and Don Olsen of Kinsley, Ia.

Mr. Hastings urges every one planning to make the trip to be on hand early each morning on the south side of the square. The caravan will leave promptly at 8 o'clock both days. A state highway patrolman will lead the procession to insure proper safety measures.

The schedule of each day's trip is as follows:
Schedule for Monday, Aug. 19.

Ezond Barley Makes 56 Bushels to Acre

Ezond barley has proven to be a high yielding variety according to reports received by County Agent Dale. A field on the John Guggenmos farm at North Loup made 56 bushels per acre and Ed Christensen, a farmer living near Ord reports a yield of 55 bushels per acre. Both fields were irrigated.

Mr. Dale says that Ezond barley is a variety which seems to be well adapted to irrigation. It was among the high yielding varieties in the tests made in Valley county last year.

—Mr. and Mrs. T. W. Pitts of Lynchburg, Tenn., have been visiting their daughter, Mrs. William Bolton and Mr. Bolton. They plan to return Friday after attending the Burwell rodeo.

Soil Building Payments Hiked To \$132,000.00

Officials Increase Amount Farmers May Earn After Visiting County.

The amount of payments which Valley county farmers may earn for mechanical soil building practices such as the construction of soil saving and water diversion dams, terracing and land leveling has been increased to \$132,000.00 from \$117,000.00.

John Kimberley of Washington D. C., an assistant to the AAA director, R. L. Green of Lincoln, Nebraska state chairman for the AAA, and Ralph Hanks, Commodity Credit Corporation representative for Nebraska spent several days last week in Valley county where they inspected the dams which had been built and sites where others are proposed.

They decided to visit Valley county after seeing the pictures of diversion dams which appeared in the Quiz in June and July. The officials were favorably impressed by the work being done in Valley county and shortly after their departure, Emil Kokes, county AAA chairman received a telephone call informing him of the increase to be made in the payments to Valley county's farmers.

Matt Klima is Now California Booster

In writing to have his Quiz subscription renewed and to have his address changed to Los Altos, Calif., where he is now visiting his son, Lumir, Matt Klima reports that Los Altos county is the best country and has the best climate of any place where he has been. He says his present location has no wind, flies or mosquitoes and that the trees are loaded with apricots and prunes.

He reports that the peaches, pears and apples have already been picked, but that the walnuts and figs are still green. "The weather is just perfect," he writes. "The days are not too hot and the nights are nice and cool". He is located about 40 miles southeast of San Francisco and invites his friends to look him up at the Los Altos County Club Manor when they come to California.

Traffic Injury Takes Life of Broken Bow Boy

Charles Nolan, 15-year-old Broken Bow youth who was seriously injured in a traffic accident July 28 southeast of Cairo, died at the St. Francis hospital in Grand Island about noon Sunday.

Nolan and another Broken Bow youth, James Sloggett, were injured when the car in which they were riding was demolished in a collision with a loaded gravel truck driven by Elgie Armour of Grand Island. Sloggett's injuries were not serious and he was released from the hospital a short time later.

Nolan received a severe brain concussion and never fully regained consciousness.

Reckless driving charges were filed against Armour shortly after the accident by County Attorney Louis Holmes. He was released on \$1,000 bond pending the outcome of Nolan's injuries.

Earl Green of Portland, Ore., arrived on the Friday evening bus and spent the weekend with his sister, Mrs. Clifton Clark and other relatives. He came to Nebraska two weeks ago to attend his brother, Ed Green's funeral at Shelby and went from there to Arkansas for a visit with his daughter. Enroute to Portland he expects to stop at Caspar, Wyo., to see his father, Jason Green.

Bates Copeland arrived home from Thermopolis, Wyo., on the Thursday evening bus. While in Thermopolis he took treatments for the skin ailment which he has been suffering with for some time and came home feeling much better.

Mr. and Mrs. Claud Hildreth of Portland, Ore., spent Friday night and Saturday in North Loup and were house guests of I. L. Sheldon. Mr. Hildreth lived here as a boy, leaving North Loup in 1890. His father was a carpenter and helped build among other early day buildings, the old North Loup school house. The family lived in the house which U. F. Davis now owns. Mr. Hildreth found a number that he knew as a boy. In Grand Island while waiting for the bus to North Loup he met Earl Green and in the conversation they found they lived within a few blocks of each other in Portland. Mr. and Mrs. Hildreth left on the Saturday afternoon bus for Grand Island where they resumed their journey to Portland.

Mr. and Mrs. Merrill McClellan took Mrs. Sara Gogin to Grand Island Friday afternoon and she left on a late train for her home in Redlands, Calif.

Mrs. Orin Manchester and son, Dean and daughter, Mrs. Mildred Creek and baby of Fairfield, Ia., arrived on the Thursday evening bus. They were supper guests of Mr. and Mrs. Bates Copeland and spent the night with Mr. and Mrs. Everett Wright. They left Saturday for Archer for a visit before returning to Fairfield.

The little letter "t" can make a tremendous difference in the price of butter. John J. Howard chairman of the Richmond area price control board, reported that in a recent announcement of the lifting of price control on butters, a newspaper in Virginia inadvertently substituted the letter "u"

for the letter "t". Three hours later the price of butter in the community had soared from 55 cents to \$1.50 a pound.

Palisades park concession owners at New York, were puzzled when crowds lined up in front of stands to buy hot dogs and roast beef sandwiches, a half dozen at a time. When a woman appeared with a valise and asked to buy 50 hot dogs, the owners blamed it on the local meat shortage, and limited sales to one to a customer. The supply was exhausted by mid-afternoon.

Your old car is IN THE HOME STRETCH. This new Engine Clean-up Program may be the one thing that will give it stamina for the final spurt. You're probably seeing some new cars, these days. And they're mighty welcome to the eye. For their arrival means your old one can be replaced in the reasonably near future. But this last stretch may be the hardest one of all. Chances are the engine is dirty. Sticky deposits, long accumulating in that old engine, may suddenly clog the oiling system—with disastrous results. To meet the situation, your Standard Oil Dealer offers a new, economical, five-point Engine Clean-up Program. It includes the use of two remarkable new Standard Oil Products—Stano-Purge and Stano-Vim—which do an effective cleaning job without requiring expensive dismantling of the engine.

New, Economical, 5 Point Engine Clean-up Program. 1 STANO-PURGE—Purges crankcase and engine. Cleans oil screen. Removes deposits tending to clog oil lines and channels. 2 STANO-VIM—Introduced through carburetor air intake, it cleans out deposits in valve area. Restores pep, power, smooth engine operation. Treatment includes cleaning the air cleaner. 3 OIL CHANGE—Oil Filter Replacement. Fresh oil always helps keep an engine clean. A clean filter keeps the oil clean. 4 RADIATOR FLUSHING—Old engines need efficient cooling. 5 FAN BELT CHECK-UP—A worn belt is an unwise risk—if your car is old, chances are you need a new belt. At your Standard Oil Dealer's

Pike and Trout Are Stocked In Nebraska
Work is under way to release over 2 million of walleyed pike fingerlings which were produced at the North Platte hatchery this year. In one of the most successful hatches ever attained by the State Game Forestation and Parks commission, well over 2 millions of pike were hatched from eggs acquired from the Minnesota Conservation Commission, according to Glen Foster, supervisor of fishes for the Game Commission.
The pike fingerlings have made spectacular growth, Foster said reaching 2-inch length in two months time. Although it would be desirable to raise pike to a larger size, this is made impossible by the food requirements of the pike. A two and one-half inch walleye requires an average-size minnow once every four hours according to studies by fishing experts and the requirement would increase as the fish became larger. At a rate of six minnows each per day, 2 million walleyes would consume 480 million minnows in a 30-day period, a menu which would be impossible to provide.
The acquisition of an adequate supply of fresh horse meat will make possible carrying out of Game Commission plans to raise 70,000 trout to adult size for release next spring. Past shortages of meat had caused Game Commission officials to speculate on the necessity of releasing the trout in the fingerling size, with diminished chances for survival in lakes and streams.
The pike fingerling size are being stocked in the reservoir along the Platte river according to State Game Commission officials. In addition to stocking the reservoirs, some pike will be placed in lake Minatare and the upper reaches of the Calamus and Niobrara rivers.

PARMELLE RANCH IN CUSTER CO. SOLD
The largest real estate transaction which probably ever took place in Custer county was completed last week when Walter Gibbons well-known rancher of Comstock purchased the 8,010-acre Parmelle ranch south of Broken Bow at a price of 120,000.
Another Custer county record was broken in connection with the deal when the largest individual real estate mortgage ever reported was placed on file by the Traveler's Insurance Company which made a \$90,000 loan on the ranch.—Custer Co. Chief.

THE HOPE OF AMERICA
The Christian Home Orphanage of Council Bluffs, Iowa, is a unique institution, being more like a private home than an orphanage. It was founded sixty-three years ago by the Rev. and Mrs. J. D. Lennan. This institution has grown from one small, frame building to its now beautiful brick and stone buildings, which include a hospital, a building, school rooms, laundry, dormitories, office building and various other buildings, covering some three city blocks. Those now in charge of the work have been with it during all these years, and have virtually given their lives to the work. They take homeless children from infancy to fourteen years, and if possible a family group is kept together. In a great many cases, when the parents can, after a time provide a proper home for the children, they are returned to them. The Home will, however, keep the children until such time as the family can be maintained. Where the children are doubly orphaned, the Home cares for them until someone wishes to adopt them, or in cases where they are not adopted, they are cared for and sent to school, until they can support and care for themselves. This is indeed a Christian Home. The children are lovingly cared for and trained in the principles of Christian living. The great aim of the Christian Home is to train these homeless children, that they may in the years to come be a strong factor in the destiny of America.
Left on their own, they would rapidly fall into evil ways, a menace to America and the world; but sheltered at the Christian Home, given love and Christian training, they will develop into strong Christian men and women, the hope of America.
The Christian Home is supported by the free-will offerings of charitably inclined men and women all over our land. These men and women realize that if we save the children today, we save the nation tomorrow.
For information in regard to this remarkable Home, write to the Christian Home Orphanage, Council Bluffs, Iowa, and literature will be sent to you.
All contributions sent to the Home are gratefully acknowledged and credited in the official publication, CHRISTIAN HOME, a sample copy of which will be sent to you upon request.

YOUR NEW CAR
and the LOW COST way to buy it
Finance its purchase through a local bank, and have it insured through a local insurance agent.

1. Something new under the sun? Yes indeed—and you benefit all ways. First check your local insurance agent or The First National bank. Either will point out the new way to help you finance the purchase of your new car, locally.

2. Under this new plan you obtain lower cost financing for your car purchase... because there are no hidden costs in the deal. You are dealing with home town folk whom you know and who can, and want to help you.

3. You get an immediate draft for the full, unpaid balance permitting you to negotiate cash purchase of any car you wish—with full factory guarantee and dealer service. No delays, no red tape to wade through.

4. You also acquire from the start full 24 hour insurance service from a friendly local agent with whom you do business direct. You can trade your present insurance when you trade your present car. INVESTIGATE NOW.

NORTH LOUP

The Stine brothers big chicken house has been empty the past week, all the 10,000 chickens have been shipped out and a crew of men have been busy cleaning and disinfecting the pens so they will be ready for a new bunch of chickens which will come Thursday and Friday, 5,000 each day. Two men came from the Fairmont Company in Grand Island to help get the house ready. Although a chicken disease took a heavy toll early in the season, Stines feel quite well pleased with the returns from the first bunch of chickens raised. More than eight thousand were marketed in spite of the heavy loss because of disease and they hope for better luck with the second bunch. The chickens which will come in this week are a week old, having been ready last week before the house was thoroughly disinfected.

Mr. and Mrs. Charles Weber of Pottsville, Pa., were Monday and Tuesday guests of the McClellan families here. Mrs. Weber was formerly Miss Mildred Campbell of Clay Center. They have been visiting her people at Clay Center.

Mrs. John Brennick, Mrs. Elmer Sunday and twins were Tuesday guests in the home of Mr. and Mrs. Ed Green.

Mr. and Mrs. Leslie Stine and daughter went to Ulysses Tuesday afternoon, returning Wednesday. Jeanett Van Hoosen is spending this week with Connie Eberhart.

Certified Pawnee Wheat

Next week we will have a load of Certified Pawnee Seed Wheat. This Pawnee wheat will be in sealed bags. We sold several truckloads of Certified Pawnee Wheat last year and it produced very well. Grow a small acreage this year and you will like it. Place your order now while it is available. Remember it is much safer to buy this Certified Seed in sealed bags than in the bulk.

Alfalfa Seed and Sweet Clover

We are getting in a nice lot of good quality Sweet Clover seed. We are shipping one car this week and have another nearly cleaned up ready to ship. Let us buy your Sweet Clover and Alfalfa Seed. You will always find your local market a safe market. We can use several carloads of both alfalfa and sweet clover seed. We loan you bags to use in threshing and will send a truck out for the seed as well as pay you a very nice price for the seed.

Grains

As this is written the grain markets are a little more settled than they have been for several weeks. It seems that the different grain markets have hit a level that supply and demand is doing a pretty good job of regulating the markets. Bring us your wheat, oats and barley. We are in need of all these grains that you have to spare.

Cornhusker Hybrids

This week we are able to make a very limited amount of 32% Poultry Concentrate. We are limited in the amount of Proteins that we can use each month and so this heavy protein feed will have to be very limited; please do not ask for more than one bag; if you want larger amounts let us make you a 10 bag lot made to your order that does not count against our protein quota. Our Laying Mash will suit you. It is a strictly high grade laying mash and is comparable to many selling much higher than our mash sells for.

Feeds

We have the tentative price for Cornhusker Hybrids for 1947; place your order now and be protected. We guarantee the price quoted when you place your order. Cornhusker Hybrids have proven suitable for Nebraska; in fact they have been made especially for Nebraska. The old reliable number 380, 148 and 81 and in addition we have several new numbers for 1947. Come in and place your order.

Loup Valley Fair

Our Fair dates are Aug. 26-29. Take a few days off for a little vacation and attend our Fair; you will see some fine exhibits, good baseball games and a real saddle horse show as well as other attractions. Boost for a bigger and better Ord Fair; and meet your friends there.

Many in Ord For County Officials Meeting Thursday

Dinner Served by Catholic Women and Entertainment Popular with Guests.

More than a hundred people from twelve counties attended the meeting of the Central Nebraska Officials association in Ord last Thursday. The Catholic women served a fine dinner of fried chicken, roasted ears, mashed potatoes and gravy, tomatoes, cucumbers, and fresh peach pie with ice cream to 109 visitors in the Knights of Columbus hall.

In replying to the address of welcome extended by Mayor M. B. Cummins, Art Holmberg from Buffalo county said that if the dinner he had eaten was a sample of the Ord women's ability to cook there should be very few bachelors in Ord if there was any truth in the adage, "The way to a man's heart is through his stomach."

Liked Entertainment

The entertainment arranged by Mrs. Leslie Nash brought much applause from the visitors. The Misses Irene and Carolyn Auble each sang two solos. Mrs. Nash played two selections on the cello and she and the Misses Auble as a trio sang two songs. The piano accompaniment was played by Mrs. Sylvester Furtak.

When the question of their next meeting place was raised, a number of the officials wanted to come back to Ord, but the majority voted in favor of going to Grand Island. Those attending the meeting filled the district court chamber which it was held.

Objections to the merit system in the operation of the offices of the assistance directors was voiced at the meeting by several of the officials. Even though the county boards of supervisors may hire and fire the personnel of the assistance directors office, some complained that they had almost no control over the administration of relief.

Hits Federal Control

They remained the present set-up as a step away from the American system of government by the people. Many of the officials protested against the interference of federal agencies. They pointed out that grants from Washington practically always brought with them numerous regulations and restrictions which hampered the efficient administration of local government. Some officials expressed the opinion that it would be better to put an end to hand-outs from the federal government, since the tax payers have to pay for them in the end anyway. The officials expressed the belief that the grant encouraged extravagance and mismanagement under the mistaken belief that something is being gotten for nothing.

Some of the county officers objected because the salaries of assistance directors must, they maintained, be raised in units of ten dollars. Others said they had raised salaries of some assistance workers but five dollars per month.

Diverts Teachers

The officials also criticized the merit arrangement in that too much college training is required by the personnel in the assistance offices. Roy Rhoades, a supervisor from Custer county, pointed out that many schools are unable to hire qualified teachers and he voiced the opinion that it was more important to have educated school teachers than to have college-trained assistance directors.

In the absence of State Senator Fred Mueller of Kearney, who could not accept the invitation to address the meeting because of a death in his family, State Senator Fay Woods of Seward, informed the county officers of some of the legislative proposals in which they are interested.

Music Teacher Will Give Free Group Lessons

After a lapse of two years, free group class lessons on all the various musical instruments will again be taught in the Ord high school. Parents who are interested in having their child either begin or continue study on some instrument are asked to see Mr. Nelson, the instructor, sometime during the week of August 26 to 30 at the high school. Pupils in the fifth grade or above are eligible for these lessons.

The school owns several instruments that will be made available to pupils, but in most cases it will be necessary for them to own their instrument. While neither the school nor anyone connected with it will sell instruments, it is the advice of Mr. Nelson that the parents see him before selecting and purchasing one.

Ord Beats Elba To Place Third In Loup League

Game With Greeley to be Played During Fair; Fans Enthused.

Ord ended its league season Sunday by defeating Elba 12 to 6 and finished in third place in the Loup Valley league standings, winning eight and losing six games. Ord ranks after Mason City and St. Paul who are playing off a tie for the league championship.

A game with Greeley during the Loup Valley Fair remains on the Ord schedule. The Ord team enjoyed one of its best seasons for many years. Much interest was shown by fans, who believe that baseball is taking a new lease on life in Ord, and it is believed that next season should turn out to be an even better one. A lighted field is being contemplated for next year.

Father Gorak Leaves Elyria

Father Ziolkowski Returns To St. Mary's From Loup City Parish.

The Rev. Stanley Gorak who has been pastor of St. Mary's church in Elyria for two and one-half years and who has also served the Boleszyn church south of Burwell is leaving this week to be pastor of the Catholic churches in Cozad and Gottenburg. During his years at Elyria Father Gorak has made many friends who will regret his departure and who will wish him success in his new parishes.

A project which was completed a few weeks ago was the installation of stained glass windows in the Elyria church depicting different scenes in the life of the Virgin Mary. Father Gorak got these windows from a church that was being remodeled in Chicago, which is his home. He thought it especially appropriate to have scenes from the life of Mary adorn a church which was named for her.

Returning to Elyria to be pastor of St. Mary's is Father Leonard Ziolkowski of Loup City. Father Ziolkowski left Elyria to become pastor of the Loup City parish ten years ago. The Elyria people are happy to have him come back to them again. The Rev. Henry Bednarzyk who has been chancellor of the Grand Island diocese will replace Father Ziolkowski at Loup City.

—Mr. and Mrs. Eugene Puncocar of Omaha flew to Ord Saturday to visit his uncle, Jerry Puncocar and family. Mr. Puncocar piloted one of the fast army BT-13 planes, and an hour after leaving Omaha they landed on the Ord airport.

—Mrs. Victor Danczak of Lincoln is a guest in the home of her son, Anton. Miss Victoria Danczak, her daughter, who has been visiting in Ord, is leaving this week to return to her home in Texas.

Crowd at Rodeo Packs Stands & Fills Racetrack

Attendance Records Broken Thursday; Lack of Room Turns People Away.

All attendance records for Nebraska's Big Rodeo were broken Thursday by the crowds which packed the grandstands, bleachers and filled the race tracks until the race program had to be cancelled. Cars bound for Burwell made it difficult for pedestrians to cross the highway in Ord. Thursday was Grand Island day and a caravan of busses brought a throng of eager spectators to the Burwell show.

The crowds Wednesday and Friday were not as large as the one Thursday and persons who were turned away Thursday because no seats or standing room was available returned Friday and had an opportunity to see the show. Frank Manasil, president of the Garfield County Frontier Fair association, expressed himself as very well pleased at the close of the show and considered the rodeo to be an unqualified success.

People came from all parts of the United States, but the bulk of the crowd were Nebraskans who lived near enough to Burwell that they could attend the show and return the same day. Burwell homes were taxed to their fullest capacity by the visitors who came from a greater distance and many who were unable to get places to stay in Burwell came to Ord to get rooms.

Out of practice Contestants, numbering seventy-nine, came from everywhere west of the Missouri river. Many of them were rather recently discharged from the armed services and hadn't fully gotten back into the groove as they had no opportunity to exercise their skills for several years. More than the usual number of contestants were thrown, which added to the interest of the show for the spectators.

Anton Bartunek Accidentally Shot

80-Year-Old Farmer Found Dead With Shell Hole In Forehead.

Anton Bartunek, 80 year old Valley county farmer, was found dead Monday morning with a hole from a 410 gauge shotgun shell through his forehead, by his son-in-law and daughter, Mr. and Mrs. John Horn on the farm where they lived northwest of Ord. The shotgun laid nearby and Sheriff Robert Hall and County Attorney John P. Misko, who were called to the scene believe that the gun was accidentally discharged while Mr. Bartunek was crawling through a nearby fence.

They pronounced the cause of his death as accidental. Funeral services for Mr. Bartunek will be conducted by the Rev. Filip of Clarkson in the Hastings-Pearson mortuary at 2 o'clock Thursday afternoon. Interment will be in the Ord cemetery with Henry Misko, Henry Vodehnal, Joe Gregory, James Sich, Rudolph Kerchal and Frank Benda serving as pall bearers.

Mr. Bartunek was born in Strampouch, County of Caslav in Czechoslovakia, March 19, 1866. He came to the United States in 1892 and made his first home in the eastern part of Nebraska. In 1899 he came to Valley county and settled on a farm about four miles west of Ord.

He was married July 26, 1899 to Miss Frances Cech. Three children were born to them. His wife died in January of 1912. His three children, Edwin of Chicago, Mrs. Helen Horn and Alfred Bartunek of Ord survive him. He also leaves one brother, Josef Bartunek, three sisters, Mrs. Josef Capek, Mrs. August Macha and Mrs. Vaclav Prucha and two grandsons, Byron Paul Bartunek and Leonard James Horn.

In 1902 the family home was established on a farm northwest of Ord where he lived until his death. Mr. Bartunek attained the age of 80 years and five months.

—Mr. and Mrs. H. J. McBeth, their daughter, Marilyn and their sons, Harry J. Bob and Don, arrived Monday night from their home in Ontario, Calif., and will spend a couple of weeks visiting Mr. McBeth's parents, Mr. and Mrs. M. McBeth, with his sister, Mrs. Guy LeMasters, and with other relatives and friends here. The McBeths moved to California six years ago. Their two eldest sons were released from navy service recently and Harry will finish his university course at the University of Colorado, at Boulder, while Bob will attend Pomona college this fall.

Mr. Friesen is the new superintendent of the North Loup schools. He formerly headed the Belgrade schools. Mr. Friesen is a graduate of Bethel college in Newton, Kans., and has taken graduate work at the College of Education in Greeley, Colo.

Irrigation Water May Cost \$4 Acre If Any Available

No. Loup District's System Must Be Rebuilt Before Next Season Starts.

Head over heels in debt and with an irrigation system that must be repaired at an estimated cost of \$100,000 to \$150,000, the North Loup River Public Power and Irrigation district faces a gloomy future, on the basis of present conditions.

So pointed out the Omaha World-Herald in a factual article prepared by Eldon K. Langevin, who spent Friday here for that purpose. The article appeared in the Sunday edition. It is confirmed by M. S. Dodd, engineer-manager of the district.

While the facts in general have been known to irrigators and interested valley residents, they have not hitherto been revealed in such detail.

The North Loup district owes \$1,084,027.73 to the Reconstruction Finance Corporation, of which sum \$882,000 is in revenue bonds, \$96,000 of which are already delinquent. Also delinquent is the sum of \$202,027.73 in interest.

The district irrigates about 22,500 acres of land, charging \$2.50 per acre, and its total annual revenue is about \$55,000. Interest charges alone figure \$35,280 annually, leaving less than \$20,000 to pay operating and maintenance expenses and to retire the bonded debt.

On August 1 the district had only \$35 in the bank, while bills on the manager's desk totalled \$5,800. Since then the situation has been relieved temporarily by a \$20,000 short term loan granted by RFC, which must be paid in February when irrigators pay their water rentals for the past season.

It is apparent that no money will be available to operate next year and, according to Manager Dodd, it is doubtful if the district could operate anyway unless extensive repairs are made. Among the major items needed are a 2 mile siphon at Taylor, extension of several flumes, at least 5 new spillways, more work on the Burwell dam which twice went out this summer, and much rebuilding of main canals. To put the system in first class shape will cost \$100,000 to \$150,000, it is estimated.

There is a possibility that RFC might be willing to make such an additional loan on certain conditions, one of which would not doubt be an increase to approximately \$1 per acre for water, Manager Dodd and the district's board members believe. Monday evening a meeting of board members and other interested irrigators was held informally to hear Eugene Porter, RFC representative, explain the dire straits in which the district finds itself. No concrete or official proposal for refinancing was made but it was made apparent to all present that the district's only chance for survival is to secure an additional loan, put the system in first class condition so delivery of water can be assured, and pay in increased water rates whatever such a course will require. The only alternative appears to be abandonment of the district and cessation of irrigating in this valley.

The North Loup's board of directors and Manager Dodd are exploring every possibility of refinancing and will keep the public informed on progress. All are hopeful that something can be worked out, if irrigators want water and are willing to cooperate.

Mrs. Charles Day Dies at Loup City

Funeral Services Will Be In Ord at 2 O'clock Friday Afternoon.

Funeral services for Mrs. Charles Day, who died Monday in the hospital at Loup City, will be held in the Hastings-Pearson chapel at 2 o'clock Friday afternoon. The rites will be conducted by the Rev. Carl McConnell. Mrs. Mark Tolen will sing with Mrs. Robert Noll accompanying on the organ. Interment will be in the Graceland section of the Ord cemetery with Walter and Willard Conner and John Koll of Ord and Harold Clement, John Morrow and Carl Young of Scotia serving as pall bearers.

Mrs. Day was born at Fremont Aug. 11, 1901 and died at the age of 45 years and eight days. On Dec. 26, 1916 she was married to Charles Day at Grand Island. The Days went to Wyoming where they lived on a homestead near Keeline for six years. In 1922 they returned to Nebraska and for the last eleven years they have lived near Ord.

Five children were born to Mr. and Mrs. Day, two daughters, Mrs. Clyde Barth of Danneberg and Mrs. Robert Bishop of Fullerton and three sons, Everett of Ord, Sgt. Kenneth Day, who is stationed on Okinawa and Harold of Greeley. She is also survived by her parents, Mr. and Mrs. William Ragland of Neligh, and three brothers, Ed Ragland of Amelia, Claude Ragland of Grand Island and Emmett Ragland, who lives in California.

Four sisters and one brother have preceded her in death.

—Mrs. Joe Karty and Mrs. John Iwanski left Saturday for Holyoke, Colo., where they are visiting Mrs. Iwanski's sister, Mrs. Walter Gizinski.

Applications For Wheat Insurance Now Being Taken

The Valley county AAA office is now taking applications for federal crop insurance on wheat. Applications must be completed during the month of August and August 31 is the closing date for obtaining insurance for the 1946-47 crop year.

AAA officials here said that 165 farms were covered by federal crop insurance the past season. They believe that more will want to sign for the risk protection for the coming year.

The federal crop insurance protects against loss from fifteen common factors including drought, flood, wind, hail, winterkill and disease. Insurance applications may be obtained at the AAA office. The federal insurance must be bought before the crop is planted or before August 31.

Price Controls Slapped on Meat; Dealers Worried

Too Early For Predictions Locals Say But Fear Another Shortage.

Faced with meat price controls (slated to go into effect Friday) Ord meat dealers took a deep breath and collectively murmured: "Well, here we go again!"

Meat price ceilings and subsidies were ordered restored by the new federal Decontrol Board Tuesday night. Most grains and all dairy products were freed from renewed price control, the latter at least temporarily. A promise was made by the board that "if milk and other dairy prices move upward from here on, this board can and will put the industry back under control."

A survey of Ord meat, livestock and cattle dealers by the Quiz today revealed mixed feelings regarding the restoration of controls, and a deep seated fear that another artificial shortage was on the way.

Jim Cetak of the North Side Market summed the situation: "It's not price controls that bother us. What crippled our market and practically every other meat market in Nebraska was the system of drove-cost slaughter control."

"The drove cost ruling meant that we had to obtain a certain percentage of edible beef from an animal before we could pay a price. This sounds all right but the truth is that no butcher can estimate within one or two percent of what an animal will dress out, and if we estimated too high, we immediately violated OPA regulations. In other words if we bought a steer, estimating it would dress out 52 percent and paid for it on that basis, and the steer dressed out only 50 percent we had committed a violation and we soon heard about it from OPA."

Otto Pecenka, proprietor of Pecenka and Son was gloomy Wednesday morning. "It just can't be done," he stated. "Cattle raisers can't feed on an open market and sell on a controlled market."

Wm. Heuck, manager of the Farmer's Grain & Supply Co. stated that it was still too early to make anything but a guess on the future of the grain market, and cattle prices.

"Things are a bit different here," he said. "We started to dry out, and aside from the irrigated area, there won't be too much corn in Valley county." But in other areas grain is plentiful enough that controls are not needed. No particular advance has been made in the market the past several weeks, and I don't expect any.

"As far as OPA is concerned, we think it is a good deal better to operate in an open market than to be continually expecting some sort of new control and regulation."

OPA orders by the new Decontrol Board included, the payment of livestock subsidies which were in effect last June 29. This apparently will make it possible for OPA administrator Paul Porter to carry out his plan to roll back retail meat prices generally to the levels of June 30, when the price controls expired.

Milk, butter, cheese, ice cream and all other dairy food and feed products will remain freed of ceilings. Price controls will be re-established on flaxseed, cottonseed, soybeans and their by-product grain feeds. Ever since President Truman signed the new OPA bill controls have been in effect on alfalfa and sweet clover seeds.

Many Auto Racers Register for Ord Meet Next Week

Drivers Coming From Sioux City, Wichita and Other Cities; Rooms Needed.

At least eighteen auto racers have notified Clyde Baker, who is in charge of the auto races at the Loup Valley Fair which opens Tuesday, that they will be on hand with their cars to enter the races. Mr. Baker urges that any Ord people who have extra rooms call him at once. His telephone numbers are 74 and 306. At least one hundred drivers, mechanics, auto owners and other members of their crews and families will come to Ord for the races, and housing is badly needed for them.

Sunday Mr. Baker received a telephone call from Chet Wilson, a racer from Wichita. Mr. Wilson informed Clyde that he would surely be at Ord next week and that he was bringing other racers with him. He has entered 61 races this season and has won 26 of them. Mr. Wilson says that the racers at Wichita are much interested in the Ord program and that many are coming.

Fred Jacobson of Omaha also called Mr. Baker to tell him that he was coming to Ord. Mr. Jacobson owns three racing cars which he is bringing. Other racers who notified Mr. Baker over the weekend of their intentions of coming to Ord are Otto Huffman and John Mohringer of Sioux City and Walt Raines of Alta, Ia.

The list of entries for the Ord races includes Eddie Raeynor, Harold Jackson, Ernie Hubert, Fred Mulfinger, Shorty Mueller and Huk Peterson all of Sioux City, Mike Collins of Vermillion, S. D., Don Olson of Kinsley, Ia., Lloyd Van Winkle, of Lincoln, Martin White of Alta, Ia., and Bub Herringfeldt of South Sioux City.

Bruce Clifton of Lake Okoboji, Ia., has been contracted as the announcer for the race program. He is considered tops as an auto race authority.

Gene Barnett, manager of Ord's new airport, will be the starter. He has invented an electric eye starter which is being installed on the Ord track. The system which Mr. Barnett has originated makes exact and correct timing possible. The cars pass through a beam when they start which starts the clock and the cars break the beam when they cross the finish line which stops the clock.

Carnival Coming

The J. R. Leight Shows will be on the grounds to furnish a brilliantly lighted midway. They have four rides and other attractions which are necessary for the proper enjoyment of the fair.

The saddle horse show Thursday afternoon is the highlight of the afternoon programs. A fine spotted three year old mare, with saddle and bridle will be given away to some one attending this program. Corwin Cummins, superintendent of the horse show, has announced that all horses to be entered in the show must be on the grounds by noon, 12 o'clock Thursday. Horses from four counties have been entered in the show to date. Harry W. Woodward of Omaha is coming to Ord to judge the show. He is considered one of the best horse judges in Nebraska.

Calf Scramble

The calf scramble will be an entertaining feature on Wednesday's afternoon program. Ten high grade beef calves have been purchased by the Loup Valley Agricultural society. The calves weigh about 300 pounds. About thirty boys will be selected in a drawing and the calves and the boys will be turned loose in the arena. When the boys get the calf halted he leads it out of the ring and the calf is his own with the condition that he must join a 41 lb. feed the calf and exhibit it in the baby beef show at the Loup Valley Fair in 1947. Boys between the ages of 14 to 17 are eligible to enter. They should register with Carl Dale or Henry Enger in the agricultural hall by 4 o'clock Tuesday afternoon.

Edward Arnold, an ex-army paratrooper from Arcadia, will make parachute jumps every afternoon of the fair at 1:30 o'clock. Ord and Greeley will cross bats on the ball diamond Tuesday afternoon. Wednesday afternoon G-1 and Scotia American Legion baseball teams will play.

Bolton Resigns Job with REA

William C. Bolton, coordinator of the local REA district, submitted his resignation at the meeting of the directors Monday night. Mr. Bolton has accepted a better paying job with the REA in Washington, D. C., and expects to leave Ord shortly, after the first of September.

To date no one has been hired to replace Mr. Bolton who has filled the position since Feb. 15 of this year.

Martin to Barber in Theatre Shop

Beginning Friday Bud Martin will work in the Theater barber shop with Jim Gilbert. Mr. Martin has worked for a number of years in Herschell McGrew's shop north of the square. The announcement of this change was made by Mr. Gilbert Wednesday.

North Loup Loyalist

MRS. ETHEL HAMER, News and Business Representative.

At the special meeting of the village board held Thursday night, the contract for paving the parking space on main street was awarded to Bissell and son of Ord and they began work Saturday afternoon. This work has needed to be done for some time and will make a big improvement.

John Ward spent most of last week at Burwell, where he worked at the information window at the rodeo.

Both North Loup cafes had all the business they could handle last week while people were coming from and going to Burwell. Thursday evening two of the Grand Island special buses stopped here for their passengers to get something to eat and a drink of water, which many said they had not been able to get in Burwell because of the large crowd.

Plans for Pop Corn Days, September 10, 11 and 12, are going forward, with Mrs. Ava Johnson working as chairman of the women exhibits again. She has appointed her committee chairman and they are hoping for a good exhibit. Mrs. Laura Robbins heads the quilt department; Mrs. Margaret Gilmore the rugs; Mrs.

Madge Fuller, the canning; Lola Fuller, the fancy work, Mrs. C. J. Goodrich and Mrs. Derwin White, the flowers. Mrs. Carroll Annays will have charge of the school exhibit and Mrs. Vernon Thomas the 4H exhibit. As a special feature plans are being made for an exhibit of interesting dolls.

Nebraska is the theme chosen for the float parade for Pop Corn Days. The committee asks the public to observe the following topics:

Clubs—Nebraska Industries. Churches—Bible Incident. Business—Advertise own business.

High Schools — Naturad Resources of Nebraska.

Grade Schools—Nebraska History.

Farmer's Agricultural floats—a new division.

The Horse Show is invited to be in the parade.

Please call Mrs. Harold Fisher or Mrs. Ted Babcock and report the topic you have chosen in order to avoid repetition.

Guests of the Leslie Stine family this week are Mrs. Stine's aunt, Mrs. Doris Sayles and son, Vivian of Laguna Beach, Calif.

North Loup Schools Lack Two Teachers

School in North Loup will open on September 2 with a new superintendent, a new principal, and a new English and math instructor. The board still hopes to find an ag and home ec teacher.

Albert I. Friesen is the new superintendent and comes to North Loup from Belgrade where he has served as superintendent for eight years. He is a graduate of Bethel college, where he obtained his bachelors degree and he has done graduate work at Greeley, Colo. Mr. and Mrs. Friesen and their three year old daughter, Ann, arrived in North Loup August 1 and are living in Marcia Rood's house.

Richard Babcock is the new principal, and comes here from service in the navy where he had the rank of 1st Lieutenant. A graduate of the Scotia schools he obtained his bachelor degree at Milton College, Milton, Wis., and taught in Illinois before going into the service. He will teach music in the high school and grades and has spent the summer at Nebraska University specializing in music. Mr. and Mrs. Babcock are spending a short vacation in Vermont with her people and will be in North Loup before the opening of school.

Miss Minnie Jensen of Ord will teach English and math. Miss Edith Stephen who has been here the past three years as commercial instructor has signed a contract to return. Miss Stephen's home is in York, and North Loup people are happy that she has decided to come back.

Miss Clara Jensen of Ord, sister of Miss Minnie will teach the sixth, seventh and eighth grades. Birdine Ingerson who was with the faculty last year will have the third, fourth and fifth grades, and Miss Ella Mae Hill will again teach the first and second grades.

Mr. and Mrs. Rollan Fisher of Jamesport, Mo., and their son, Gordon, of New Orleans arrive Saturday and were guests of J. M. Fisher and the Harold Fisher family until Tuesday. Mr. and Mrs. Donald Fisher who have been here for two weeks went to Missouri with them and will go to their home in California from there. Gordon Fisher is employed in a government laboratory as a chemist in New Orleans and is on vacation.

Guests of Mr. and Mrs. A. I. Friesen Sunday were his parents, Mr. and Mrs. I. J. Friesen of Henderson and his sister, Mrs. D. M. Friesen and Mr. Friesen and son of Aurora.

Velma Abney of Ewing came Sunday and is spending the week with Mr. and Mrs. Frank White.

Mrs. Merlyn Mayo accompanied the Roy Hudson family home from Lincoln Sunday and was a guest of her mother, Mrs. Eva Johnson until Wednesday.

Mrs. John Ward and daughter, Alice, spent Saturday in Hastings, returning on the evening bus.

Mr. and Mrs. John Ward and Alice attended a family picnic Sunday at the home of Mr. and Mrs. Claud Honnold of Scotia. Other guests were the Herman and Kenneth Timmerman families of Ord.

Miss Myrtle Milligan of Grand Island came Monday and is a guest of her sister, Mrs. John Ward.

A birthday dinner at the home of Mrs. Ward Tuesday celebrated the birthday of Mrs. Ward and Grant Clement. Guests were Mrs. Hugh Clement, Grant and Joan, Mrs. Lou Stine and Mrs. Rhoda Cox.

Mr. and Mrs. Victor Cook, Elora and Kenneth left Saturday morning for a three weeks vacation trip to Iowa and Minnesota.

They plan to attend the state fair before coming home. Mr. and Mrs. Hillis Coleman are staying at the farm while they are away. Mr. and Mrs. Jim Vogeler and Robert went to Fullerton Sunday to attend the wedding of Richard Barnhart, son of Mr. and Mrs. Alva Barnhart of Sargent, to Miss Izone Helms. The wedding took place at the First Presbyterian church in Fullerton and a reception followed in the basement of the church.

North Loup churches were privileged to hear George L. Smith, who is pastor of the Two Rivers church at Omaha. Mr. Smith served two years in the army, most of that time in the Philippines and became interested in missionary work there. He learned some of the language and hopes to return with his family as missionaries. Saturday morning Mr. Smith spoke at the Seventh Day Baptist church and on Sunday at the Methodist church, both morning and evening. Mr. and Mrs. Smith and their sons, Danny and David were house guests in the home of Mrs. Stella Kerr. Sunday the Ben Nelson and Vere Leonard families, Lola Fuller, Bessie Eberhart and Mrs. Ora Bohrer enjoyed a picnic dinner with the Smiths at Mrs. Kerr's home.

Saturday Mr. and Mrs. Smith and sons were guests for dinner in the home of Mr. and Mrs. Arthur Stillman.

Members of the Henry and Bert Williams and Arthur Stillman families enjoyed a picnic in the Ord park Sunday in honor of the Clark Bunce family of Battle Creek, Mich.

Mr. and Mrs. Harry Van Hoesen took a load of tomatoes to Grand Island Thursday and another one Tuesday. Clem Meyers, Jr., took them down in his pickup.

Mrs. Fred Bartz is suffering with infection in her leg and was confined to bed the first of the week.

Selma Robbins has a large bed of beautiful gladioli again this year which are worth going to see. Many shut-ins who do not have the privilege of going to the house have had the pleasure of a beautiful bouquet which Miss Robbins brought them. Vesta Thorngate submitted to major surgery at the Clinic hospital on Thursday morning.

War assets administration officials at San Francisco blinked when Mrs. Lenore Osborn, 19, asked for a veteran's preference to make two purchases. She's a former yeoman in the Waves. She wants to buy a heavy truck and a tractor so she can enter the logging business. She got the purchase certificates.

Find out today why all auto insurance is NOT alike!

It costs you nothing to find out! It may save you hundreds, even thousands of dollars! That's the price many motorists who become involved in accidents have to pay, simply because they neglected to get the right kind of insurance.

All auto insurance is NOT alike! State Farm Mutual's is different in many ways that benefit you. Not the least of these differences are its non-assessable policies... its 7,000 agents in the U.S. and Canada... management economies... six month renewal policies... and its pioneering of such features as double-the-usual public liability and property damage insurance, liberal medical pay and 80% collision coverage.

I'll be glad to show you how State Farm's thrift-famous "More for Your Money" insurance plan can directly benefit you. Please call me today!

LOUP VALLEY FAIR

AUGUST - 26 -- 29 - ORD

Tuesday - Wednesday - Thursday
 Time Trials — 6:15 P. M. Races — 7:00 P. M.

Once again, it is our pleasure to invite you to attend the big Loup Valley Fair to be held in Ord, August 26 to 29. Since this is the first fair to be held since the war, we have spared no effort and expense to make it the outstanding event of the year.

Monday, August 26 is entry day. And from Tuesday through Thursday, August 27 to 29, there will be something doing every hour of every day—you'll not fail to find entertainment and pleasure.

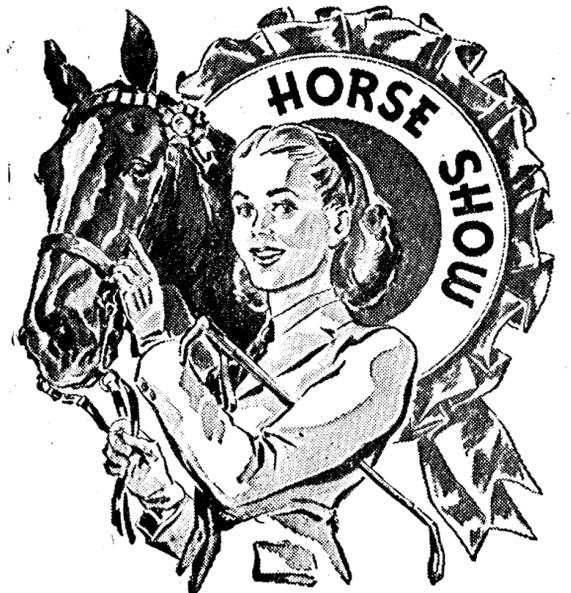

Plan now to attend—not just one day—but all three big days. We call your special attention to the large agricultural exhibits, the horse show on Thursday, and the style show Thursday evening. And there's baseball, auto races every evening, a calf scramble and dally parachute jumps by an ex-army paratrooper from this locality. Come to the fair—you won't regret it.

PIPER CUB PLANE GIVEN AWAY

Thrills a plenty here. An aggregation of some of the most daring midget race drivers in the country, headed by Johnny Tolen and Earl Kuba of Denver (who sometimes get as much as \$500 a race there) will compete for high purses. Trial runs every night at 6:15 P. M., races start at 7:00 P. M. Don't miss this for thrills and chills. Remember, every night in front of the big stand on one of the fastest tracks in the country.

The Ord post of the Veterans of Foreign Wars are sponsoring this big event. Tickets for the plane can be purchased from any VFW member, or at the fair grounds. Here's a chance to be modern—get an airplane and learn to fly!

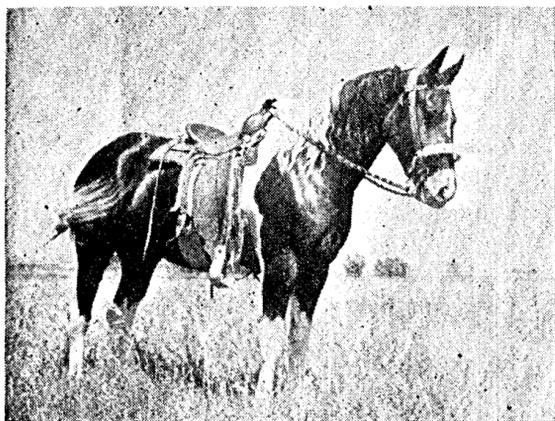

BASEBALL Ord vs Greeley - Tuesday
 Ord vs Scotia - Wedn'day

ALL ENTRIES TO BE MADE AUG. 29

Here's the big event for Thursday afternoon—an exhibition of the prize horse flesh of this territory where people are proud of their horses. There will be four classes of saddle horses and two classes of palominos. You are invited to enter your own horses—make entry Thursday morning.

CONTEST STARTS AT 2:00 THURSDAY

SPOTTED 3 yr. Old Riding Mare FREE!

The fine three-year-old spotted saddle mare is an attendance prize, and will be given away Thursday night to some person who comes to the fair.

The picture doesn't really do justice to this fine mare—she's one of the best we could find and will be an asset to any stable. Look her over at the fair and keep your fingers crossed for you may be the lucky winner!

Daily Parachute Jumps by Ex-Army Paratrooper

STYLE SHOW

Jenison's of Ord are presenting the newest fall styles in a striking exhibit in front of the grandstand. A number of Valley county's most beautiful girls will act as models, and will display a wardrobe of the newest styles, direct from world's fashion centers. And there'll be free Nylons as attendance prizes to the grandstand spectators.

\$6,000 In Premiums

PRIZES ---- FREE ACTS

Don't miss the agricultural exhibits—the Loup Valley has produced another bountiful yield of crops—and some really prize stock will be on exhibition. More than \$6,000 in prizes, premiums and free acts are scheduled for the fair—we've not spared expense to make your attendance worth while.

CALF SCRAMBLE

Ten lucky boys are going to get free white-face calves in this laugh riot calf scramble. Eligibility to compete will be determined by lot. Be sure to be on hand for this big event which takes place just before the ball game Wednesday afternoon.

Lightning Kills Six Cattle

A bolt of lightning Sunday night killed the six cattle shown here, which belong to McClain brothers and were killed on their farm seven miles east of Ord. The cattle are yearlings and two year olds and were valued at \$140 per head. Two of them are heifers and four are steers. The animals were killed where they lay in a small swale in the pasture.

Christian Science Services "Mind" is the subject of the Lesson-Sermon which will be read in Christian Science Churches throughout the world on Sunday, August 25, 1946.

The Golden Text is: "The Lord of hosts hath sworn, saying, surely as I have thought, so shall it come to pass; and as I have purposed, so shall it stand". (Isaiah 14:24). Other Bible citations include, "O the depth of the riches of God! how unsearchable are his judgments, and his ways past finding out! For of him, and through him, and to him, are all things: to whom be glory for ever". (Rom. 11:33,36).

Mrs. Neil Goodrich of Sargent has been elected to teach in the third and fourth grade room. Mrs. Goodrich received her diploma from the Kearney State Teachers College and is well qualified to teach in the elementary grades. Last year Mrs. Goodrich did substitute teaching in the Sargent schools.

Dinsdale-Lutz
Miss Joy Roberta Dinsdale, daughter of Mr. and Mrs. Robert Dinsdale of Loup City, and Guy E. Lutz, son of Mr. and Mrs. Vere Lutz of Arcadia, were united in marriage at the Methodist church in Loup City Sunday, August 11, at 2:30 p.m., using a beautiful double ring ceremony with Rev. Richard W. Dinsdale of Louisville, Nebr., and Rev. Grier Hunt officiating.

Preceding the ceremony Howard Dinsdale of Palmer, cousin of the bride, played several selections of piano music while the guests were assembling. Chester G. Dinsdale, brother of the bride, sang Cadman's "At Dawning" and Miss Theola Wilkins sang "Till The End Of Time," both being accompanied by Mrs. George Dinsdale of Palmer, who then played Lohengrin's Wedding March.

The bride, given in marriage by her father, wore a gown of Japanese parachute silk brought from overseas by her brother, with a long net veil forming a frilled cap. The gown was made with sweetheart neckline, long sleeves, full skirt and short train. She wore a beautiful heart necklace, a present from the groom, and carried a white Bible with white satin shower ribbon and blue silk kerchief.

Letitia E. Dinsdale, sister of the bride, as bridesmaid, wore a gown of peach colored silk, fashioned like the bride's gown, and carried a bouquet of white and lavender gladioli. Janet O'Conner, niece of the groom, as flower girl, wore a yellow organdy formal, and Jerry Dinsdale, nephew of the bride, as ring bearer, wore a brown and tan suit. The groom and best man, Robert Lutz, brother of the bridegroom, wore dark business suits with white chrysanthemum boutonnières.

Baskets of salmon pink gladioli arranged in an arch behind a bank of greenery, formed a lovely setting for the bridal party before the altar. Rev. Milton O'Conner of Lincoln and Keith Hughes of Hastings, both brothers-in-law of the bridegroom, acted as ushers, and also wore white chrysanthemum boutonnières.

Following the ceremony the guests were invited to the church parlors for a reception and they served ice cream, coffee and cake. Mrs. Lutz has been employed in the Loup City office of Consumers Public Power District for more than five years and will continue for the time being. Mr. Lutz is a returned veteran, having served nearly five years in the army, a greater portion of which was overseas. He is now employed as a mechanic in Arcadia where they will make their home. There were many out of town relatives and friends in attendance.

LET'S THINK about the next HARVEST

While your combine troubles this year are still fresh in your mind, LIST REPAIRS THAT WILL BE NEEDED BEFORE NEXT HARVEST AND ORDER THEM EARLY. Remove canvases and main drive belt and store in a dry, clean place. Clean combine thoroughly, inside and outside. Chaff and dirt will draw moisture, rotting the wood parts and rusting the steel. Brush out augers, clean elevators and do a thorough job. Leave doors at bottom of elevators open. Lubricate all bearings.

Refill motor crank case with fresh oil and run motor a few minutes. Drain cooling system. Remove spark plugs and pour two or three tablespoonsful of oil into each cylinder—preferably castor oil. Turn the motor over several times to distribute the oil over cylinder walls and valve mechanism. Oil should be injected into cylinders at intervals of three to six months during storage and before putting motor into service again. Before using motor again it should be run slowly for a few minutes.

Grease any parts likely to rust.
Cover motor and shelter combine.

Crowd at Rodeo Packs Stands & Fills Racetrack

(Continued from Front page) An unusually tough string of rodeo stock was furnished by Lee Case of the Lone Wolf ranch at Sutherland. Mr. Case makes a specialty of collecting wicked horses and wild cattle. His horses are past masters in the art of bucking and many a seasoned cowboy was pitched out of his saddle by them. The bulldogging steers were so strong that some of the less robust contestants were unable to twist their necks sufficiently to make them lie down properly. The calves were fleet of foot and most adept in dodging the coiled loops intended for them. The stock made

it difficult for the contestants to make any very good time in calf roping or bulldogging.

Winners Listed

In the finals Friday afternoon Jerry Ambler of Portland, Ore., was judged to be best bronco rider. Ken Roberts of Strong City, Kans., won second money while Cecil Henley of Hayward, Calif., and Casey Tibbs of Strong City, Kan., tied for third and fourth places.

Orville Mann of Okmulgee, Okla., won first money in the Brahma bull riding finals. Second money went to Bill Howard of Arapahoe, Colo., Billy Boehman of Virginia Dale, Colo., placed third and Ken Roberts took fourth money.

In the bull dogging finals Ole Rice of Sheridan, Wyo., stood first. Charles Colbert of El Reno, Okla., was second, Mike Fisher of Purdum, Nebr., third and Mel Dikeman of Hershey, Nebr., fourth. Fisher made the best time in the finals he was clocked at 7.7 seconds but his time in the other three tries brought his average up.

In the calf roping finals Jim Snively of Pawhuska, Okla., took first money. Jim Laycock placed second. Hugh Posey Jr., of Muskogee, Okla., third and Frank Allen of Larkspur, Colo., fourth. Wes Aulsbauch of Denver made the best time in calf roping, throwing and tying his animal in 15 seconds in the finals but his time on his other four tries was too poor to land him into the money. Snively tied his calf in 15.9 seconds on Wednesday, which was the second best time of the rodeo.

The Friendly Store

Dearmont, who live on a Valley county farm south of Burwell, received tremendous applause from the audience when she came out the chute on a brahma bull.

Lorraine Dyers of McClester, Okla., gave an exhibition ride on a bucking spotted horse, which the crowd enjoyed. Trick and fancy roping and riding by Chet and Juanita Howell of Ogden, Utah, Harvey and Mildred Rex of Escalante, Calif., and Pat Henry of Dallas was much enjoyed by both the afternoon and evening audiences.

Harvey Rex also presented a specialty whip act and Chet Howell gave an Australian bull whip demonstration. Bands, from O'Neill, Howells and Neligh, as well as the Burwell band, furnished music.

Palominos Entertain

The leading feature of the evening program was a square dance on horse back by Mr. and Mrs. Pat Hiser, their son and daughters, Francis and Thomas, and Loyal Thompson riding eight palominos from the Hisers palomino horse ranch northwest of Burwell. The dance was called by Lester Thompson while Leslie Johns fiddled the music.

Mr. Hiser's father, Earl Hiser, gave a demonstration of the ability of his educated 18 months old filly, Honey Dew. A band of Sioux Indians from the Rosebud reservation in South Dakota, under the direction of John Compton, a full blooded Sioux who has been to Burwell many times, lent much color and frontier atmosphere to the occasion.

Many in Ord For County Officials Meeting Thursday

(Continued from Front page)

Woods pointed out that it costs only half as much to operate it as it did the old system of two houses. He also refuted the contention that the lobbyists controlled the unicameral legislature because of its small size. However, he urged the county officers to get acquainted with their state senators and to keep them informed as to their wishes in legislative matters.

He declared that merely because a man has been elected to the legislature does not make him a great person far beyond the reach of the average citizen. Mr. Woods stated that a poorly written letter on cheap paper signed by a reputable citizen received more consideration from a legislator than many petitions or form letters inspired by organized lobbyists.

Favors Tax Payers

Mr. Woods declared that he does not favor returning to the state assistance fund, the one million dollars which was transferred to other funds. He defended his position by saying that, "The fellow who pays the bills needs some consideration." According to Senator Woods the amount received by old age pensioners in Nebraska compares favorably with the amounts paid to the aged in other states.

The county officers, present at the Ord meeting, favored the elimination of names of delegates to the county political party conventions from the primary election ballots. They favored a plan whereby the delegates are chosen at the party caucuses as in some instances as many as forty-two names have appeared on the ballot as delegates to a county convention in a single precinct.

Pass Resolution

They also voted in favor of a resolution asking that the legislature pass a bill whereby the costs of aged persons receiving medical care in a public institution may be paid from the assistance fund. As the law now stands the assistance fund bears the expense of the medical care of old people only if they are in a private hospital. Some counties are now operating county hospitals but they can not collect from the assistance fund for the care given to old people.

In telling the county officers about the revaluation of real estate in York county for tax assessment purposes, L. C. Moul, the county clerk, related that while the valuation of farm land remained about the same as formerly, the valuation of real estate in the city of York was raised considerably.

Mr. Moul said that for the purpose of taxation all the land in York county was put into four classifications. The county hired two men experienced in such work to do the revaluating. Mr. Moul said that the supervisors and many farmers assisted in the task which took nearly a year to complete.

When the work was finished the land owners were mailed a card informing them of the changes made in the valuation of their holdings and they were given an opportunity to voice their objections to the supervisors. In all the county, 99 people came in to consult with the county board, which was two and one-half percent of all the land owners in the county.

Support Necessary

In advising other county officers, who may contemplate doing the same job, Mr. Moul pointed out that such a project could not successfully be completed without the whole-hearted support of all the county supervisors. He also suggested that they devote at least a year to the task.

A concern from Cleveland, Ohio, which has made surveys and revalued the property in many

American cities, was hired to make a complete revaluation of the real estate in York. Employees of this concern examined every business house and residence in the city and considered every factor possible in making their revaluations.

The same concern is now engaged in making a revaluation of the real estate in Grand Island.

J. V. Johnson Dies At Burwell

Retired Stock Buyer Buried In Ord Cemetery Tuesday; Was Ill Many Years.

J. V. Johnson, who bought livestock in Burwell and Ord for many years and who was well known throughout the North Loup valley, died peacefully in his sleep in his home at Burwell Saturday night. Mr. Johnson, who had been in poor health for a number of years, had retired from business in 1932.

When his wife, who has cared for him throughout the years of his extended illness, called him to supper he failed to answer and when she investigated she found that life had departed from the worn and afflicted body. Mr. Johnson was 71 years old.

Funeral services were conducted by the Rev. K. E. Harris in the Christian church in Burwell Tuesday afternoon. Mrs. Don Anderson sang two selections. Interment was in the Ord cemetery.

John VanMeter Johnson was born Feb. 18, 1875 on a farm near Red Oak, Ia. When he was thirteen years old he moved with his parents, Mr. and Mrs. John V. Johnson, to a farm north of Ord where he attained manhood.

As a youth he engaged in the livestock business in Ord in partnership with his brothers, Bob and Ed. He was married to Hattie Maria Dworak in Ord, Oct. 4, 1909. In 1916 Mr. and Mrs. Johnson moved to Burwell where they have since resided. Two children were born to Mr. and Mrs. Johnson, a daughter who died in infancy and a son, Vernon, who is

now a student at the University of Nebraska in Lincoln.

For many years Mr. Johnson was engaged in the livestock business in Burwell retiring in 1932 because of ill health. During the course of years which Mr. Johnson lived in Burwell he became well known to all the farmers and stock raisers in the North Loup valley, who respected his honesty and judgment and favored him with their patronage. He made many friends who regretted his retirement from business.

Mr. Johnson is survived by his wife, who has been his helpmate for many years, his son, Vernon and a sister, Mrs. Margaret Peters of Winner, S. D. Four brothers and a sister have preceded him in death. He leaves many nephews and nieces and other relatives. Forrest, Glen and Ed Johnson of Ord, and Clarence Johnson of Burwell are nephews and Mrs. Alice Blessing and Mrs. Hope Dumond of Ord are nieces of Mr. Johnson's.

Mr. and Mrs. Ned Raun

Miss Esther Zangger, daughter of Mr. and Mrs. W. O. Zangger of North Loup became the bride of Ned Raun, son of Mr. and Mrs. Chris Raun, of Minden, in a double ring ceremony performed Sunday afternoon at four o'clock in the Seventh Day Baptist church at North Loup. Rev. Wilbur Swan, pastor of the First Presbyterian church at Minden officiated.

The church was decorated with basket bouquets of salmon and white gladioli, greenery and two seven branched candelabra. The Bible was open at the altar, flanked by tall white tapers. Baskets of white day lilies and greens decorated the pillars and green and white marked the pews. Mrs. Will Zabloudil and Mrs. Mills Hill had charge of decorations.

The candles were lighted by Harriett Manchester of North Loup and Ruth Ritchie of Eustis. Both wore white formals and pastel colored corsages. A short concert of nuptial music preceded the ceremony, with Mrs. W. G. Johnson at the organ and Mrs. Harlan Brennick at the piano. Miss Phyllis Weyer of Hastings, played two violin solos, accompanied by Miss Mary Miller of Ord.

Preceding the entry of the bride party, Miss Irene Auble sang "I Love Thee" and "Consecration". She was accompanied by Miss Miller.

Lohengrin's wedding march was played by Mrs. Johnson and Mrs. Brennick for the entry of the bride party. Charles Zangger of Chicago, brother of the bride and Bob Kohler of Fremont were ushers and led the bridal procession. They were followed by Jacqueline Kay Zangger, tiny niece of the bride who scattered red roses on the white bridal carpet. Jacqueline was dressed in a white organdy frock, patterned after the bride's and carried a white basket. Maid of honor was Eria Mae Cramer of Hastings and bridesmaids were Mrs. Merle Stromberg of Polk, and Miss JoAnn Raun, sister of the bridegroom. All three attendants wore floor length, white pique dresses, with full skirts and off the shoulder pleated necklines. They wore matching pleated open crowned hats. The maid of honor carried a cascade bouquet of corona gladioli, and the bridesmaids cascade bouquets of yellow and orchid gladioli.

The bride entered the church on the arm of her father, who gave her in marriage. She wore a frock of white imported Swiss organdy, styled with a skirt of ruffles, a tight fitting bodice, high neckline and long sleeves which ended at the wrist in a soft ruffle and bows. Her veil was shoulder length of white illusion with a frilled bandeau. She carried a white Bible which was covered with white gardenias, red roses and white streamers. The bridegroom wore a blue pinstripe suit. He was attended by his brother Bob Raun, who wore brown tweed. Both had boutonnières of white carnations.

The mother of the bride chose a dress of dusty pink crepe with black accessories. The bridegroom's mother wore a two piece dress of teal crepe with brown accessories. Both had corsages of gardenias.

Following the ceremony a reception was held at the home of the bride's parents. The wedding cake was in the form of a maltese cross topped by a tiny bride and groom. The bride cut the first slice and the cake was served by Mrs. Charles Zangger. Mrs. Frank Schudel and Mrs. C. E. Rusmissele poured and Mrs. Ray Knapp was in charge of the dining room. A color scheme of green and white was used in the appointments. The molded ice cream was trimmed in green and asters and smilax decorated the tables. Mrs. Wm. Steen and Miss Beverly Davis of Ord, Mrs. Harold Swanson and Mrs. Dale Mulligan of North Loup served. Marjorie Cunningham of Grand Island had charge of the guest book. The gifts were in charge of Miss Maxine Copeland of North Loup and Anne June Lyn of Minden.

The young couple left immediately following the reception for a wedding trip in Colorado. The bride chose a grey wool gabardine for her going away costume and with this she wore brown accessories. She had a corsage of red roses and gardenias. After their return they will be at home in Lincoln, where Mr. Raun will continue his studies at the college of agriculture and Mrs. Raun will teach in the Irving Junior high school.

Mrs. Raun graduated from the North Loup high school in 1940 and from Hastings college in 1944. Since that time she has taught in the Minden high school. She is a member of the Chi Psi society at Hastings. Mr. Raun graduated from the Campbell high school in 1942. He served with the U. S. air corps for two years as a radar navigator and is completing his education at the Nebraska University. He is a member of the Alpha Gamma Rho fraternity.

Many guests from Minden, Hastings and Ord were present for the wedding. Preceding the rehearsal guests were served lunch in the basement of the church by the Missionary Circle of the church. Tables were decorated with trumpet vine and arranged to form the initials of the bride.

Sisters Have Reunion

Mrs. A. J. Ferguson and Mrs. Lenore Nicholls, who came from California to visit Mrs. Ferguson, went to North Loup Tuesday afternoon where they were guests in the John Ward home. Mrs. Hugh Clement of North Loup and Mrs. Myrtle Milligan of Grand Island were also present. All five of the ladies are sisters, who rarely have the opportunity of getting together.

—Mr. and Mrs. Roy Watson and Mr. and Mrs. Vernon Bell of York were guests in the home of Mrs. Watson's parents, Mr. and Mrs. Louis Ruzowski in Ord last week. They came to attend the rodeo at Burwell.

—Dean Achen went to North Loup Tuesday where he spent the day visiting his friends, Mr. and Mrs. John Ward.

—Mrs. Guy Abrahams and daughter, Bonnie, returned to their home in Lincoln Saturday after spending most of the week in Ord where they were guests in the Fred Martinson home. They timed their visit so that they could attend the Burwell rodeo.

—Roy Severson is taking a vacation from his duties in the post office. He and Mrs. Severson have been in Scottsbluff where they were guests in the home of her son, Dr. Eldon Benda.

—Mr. and Mrs. Fred Nickerson of Kearney spent last week in Ord where they were guests of her parents, Mr. and Mrs. Frank Krivac. They attended the rodeo at Burwell.

—An eight and a half pound son was born to Sheriff and Mrs. Charles Rother of Scotia Monday morning in the Meyers maternity home with Dr. and Mrs. H. N. Norris in attendance.

—Mr. and Mrs. C. A. Jennings and daughter, Lois, of Rockford Bay, Ida., and their son and daughter-in-law, Mr. and Mrs. Arthur Jennings of Kingston, Ida., arrived in Ord last Wednesday where they visited until Monday with Mrs. O. E. Collins and Miss Vida Collins. C. A. Jennings is a brother to Mrs. Collins. Another brother, Elmer Jennings of Caldwell, Ida., is making an extended visit in the Collins home.

—Miss Vida Collins accompanied her brother-in-law and sister, Mr. and Mrs. Alva Barnhart and their sons, Francis and Ben to Fullerton Sunday where they attended the wedding of the Barnharts' son, Richard, to Miss Ivonne Helms. The Presbyterian church was the scene of the marriage. The new Mrs. Barnhart formerly taught school near Sargent, where she met the young man who is now her husband. They will make their home on a farm near Sargent.

Mr. and Mrs. Don Auble

Many guests attended the wedding of Arvilla Suchanek to Don Auble in the Methodist church in Ord Sunday afternoon. The double ring ceremony was performed by the Rev. Carl McConnell, which was followed by a reception in the church parlors. Mr. and Mrs. Auble are on their wedding trip in the Colorado Rockies.

Mrs. Auble was attended by her sisters, Miss Vidella Suchanek, who was maid of honor and wore a blue formal and Miss Marlene Suchanek, the bride's maid who was dressed in pink. The bride's dress was of brocade white satin and lace, with a lace train. The bouquet was of gardenias and roses.

The bridegroom, who wore a lemon colored suit, was attended by his brother-in-law, Irwin W. Underberg of Madison. Connie Joy Underberg, the bridegroom's niece, and Lonnie Suchanek, the bride's brother, who were the ring bearers were dressed in white. They carried the rings in baskets of flowers.

Mrs. Vincent Suchanek, the bride's mother, wore a black and white nylon jersey dress with black accessories. Mrs. Jay Auble, the bridegroom's mother, chose a black and white net dress with black accessories. Both mothers wore gardenia corsages.

During the reception Mrs. William Sack and Mrs. John P. Misko presided at the tables. Preceding the ceremony Miss Carolyn Auble sang, "Beloved, It is Morn". The candles were lighted by the Misses Irene Auble and Monica Gnaster. Mrs. Robert Noll played the wedding marches. The ushers were Jay Stoddard and Ray Biemond.

The Misses Maxine Morgan, Leone Guggenmos and Gertrude Okreza served the guests at the reception. Mrs. Irwin Underberg took care of the guest book. Out of town guests included the bride's grandparents, Mr. and Mrs. Maple of Rockville. Others present from a distance were Mr. and Mrs. Claire Asher of Ravenna and Mr. and Mrs. Robert Suchanek of St. Libory.

Memorial Service for Fred Jensen

Fred B. Jensen

A brass cross, which will become a permanent altar piece, will be dedicated to the memory of Fred B. Jensen, Ord boy who gave his life for his country, at the 11 o'clock service in the Bethany Lutheran church Sunday, Aug. 25. Returned service men are asked to attend the service in uniform.

Fred was the only son of Mrs. Vilhelmina Jensen. He died in France July 11 of wounds received in action. He was a member of the 219th field artillery regiment.

An offering will be taken Sunday in memory of Fred which will be added to the building fund of the church of which he was a member. The service Sunday will be a memorial to Fred Jensen and thanksgiving observation for the safe return of other men.

Following the service a dinner will be served by the ladies of the church in the American Legion hall. Returned service men and new members of the church will be honored guests.

NORTH LOUP

James Howell, past 81 years of age died Monday night at the home of his son, Elmer Howell, where he has been ill for many weeks. No definite funeral arrangements have been made pending the arrival of another son, Elmer Howell of Gordon, Nebr., but burial will be beside his wife at Elmwood, probably the last of this week.

W. O. Zangger suffered a slight concussion and other injuries Wednesday of last week when he was loading cattle to take to the Burwell rodeo. He spent two days at the Miller hospital and is recovering nicely. Tuesday Mr. Zangger took cattle to Spalding to the fair there.

Mr. and Mrs. Clark Skadden and son, Gene, of Stockton, Calif., and Miss Irene Baker of San Jose, Calif., arrived Monday evening and are guests of the Fred Bartz family.

8 and 40 Meets

The members of the 8 and 40 entertained their husbands to a steak dinner at the Victory club Tuesday evening. Mrs. Crawford Mortensen gave a report of the Departmental Marches at which she was present last week in the Paxton hotel in Omaha, at the close of the business session which was held following the dinner. The members report they enjoyed Mrs. Mortensen's account of the event very much. Later in the evening they went to the Robert Hall home where they enjoyed a social hour.

—Charles Nolan of Broken Bow, who died last week in a Grand Island hospital of injuries received in an auto accident, was a great nephew of Mrs. Frank Sevenker Sr., of Ord, his mother being Mrs. Sevenker's niece. He has visited in Ord on numerous occasions and had many acquaintances here.

—Miss Abigail Pierce is now staying in the home of her cousin, Earl Drake.

—Dennie Hurlbert, the small son of Mr. and Mrs. Ray Hurlbert was badly burned on the right arm and left shoulder by carbolic acid Thursday. He found a small bottle of the acid while playing out in the yard of his parents' home, which he opened and spilled on himself. How the acid got into the yard is unknown. Dr. Norris attended to the little boy's burns.

—Eva Mae Wadas, the three year old daughter of Mr. and Mrs. Ben Wadas was badly burned Monday when she spilled a plate of hot soup on her chest. She was attended by Dr. Norris.

—Harry Bresley was injured last week when he was hit in the mouth with a hay sling. Dr. Norris used two sutures in closing the wound.

—Miss Dorothy Albers, daughter of Mr. and Mrs. Alfred Albers is now employed in the treasury department of the veteran's administration at Atlanta, Ga. Miss Albers was recently discharged from the army at Ft. Bragg in North Carolina. She served about a year in the intelligence division in Washington and was also stationed at Atlanta for several months.

—Milton Meyers is spending a thirty day leave in Ord with his mother, Mrs. Lena Meyers. Later he will report at the Great Lakes Naval Training station in Chicago where he is eligible to receive a discharge.

—Mr. and Mrs. Charles Funk of Central City were guests in the Leonard Woods home Sunday.

—Mr. and Mrs. J. V. Van House and daughter, of Kenesaw, were calling on Ord friends Friday while enroute to the Burwell rodeo. Mr. Van House was formerly Burlington station agent here.

—Congressman and Mrs. A. L. Miller were Ord visitors Friday enroute to Burwell.

—Miss Virginia Craig of Kansas City and Paul Rupp of Hays, Kan., visited her mother, Mrs. H. D. Leggett Sunday.

Proceedings of the County Board

July 31, 1946
Meeting of the Board of Supervisors of Valley County was held on the above date with the following members present: Jablonski, Suchanek, Hansen, Smith, Ball and Psota.

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up at night.

County Budget for the fiscal year 1946-47.
No objections or complaints having been made the meeting was recessed until August 6, 1946.

The meeting of the Board of Supervisors of Valley County was held on the above date with the following members present on roll call: Jablonski, Ball, Hansen, Smith, Barber and Psota.

Motion made and carried that the report of the County Surveyor on the Petition of Rachel A. Williams, et al, for the vacating of a certain road was accepted and placed on file.

Motion made and carried that the County of Valley, The State of Nebraska, relinquish all right and interest in the west thirty (30) feet of the N. W. Quarter of the N. W. Quarter of Section thirty-six (36) Township, Eighteen (18) Range Thirteen (13) west of the sixth Principal Meridian, as described in the petition of Rachel A. Williams, et al, for the vacating of a certain road.

clared until 1 o'clock when the meeting was resumed with the same members present as the morning session.
The application of the North Loup Valley Bank, to be designated as a depository of County funds was presented.

RESOLUTION
BE IT RESOLVED, by the Board of Supervisors of Valley County, Nebraska, in regular session assembled that the application of the North Loup Valley Bank of North Loup, Nebraska, to be designated as a depository for the deposit of funds belonging to Valley County, Nebraska, be accepted and placed on file.

BE IT FURTHER RESOLVED, that the said Bank be approved as a depository for County Funds, in accordance with the provisions of law and that the deposit of Securities by the said Bank is hereby approved as to such securities and the deposit thereof as a pledge with the Trustee Bank to secure deposits of public funds of this County in said depository Bank having deposited a trust receipt issued by the Trustee Bank with the County Clerk of Valley County in lieu of the deposit of said securities as a pledge to secure the deposit of said funds in said depository Bank.

BE IT FURTHER RESOLVED, That the County of Valley will pay the said depository Bank \$1.00 per \$1000.00 of the par value of the securities held for the Joint account of Valley County and the said depository Bank as the safekeeping fees on the same, which amount is to be paid annually on claim to be presented by the Bank. All checks placed on deposit in the Bank are to be subject to the schedule of float charges prevailing on all out of town checks, except checks drawn on Arcadia, Loup City, Scotia, North Loup, Comstock and Burwell, Nebraska. It is further agreed that an itemized list of all charges shall be submitted for payment to the County Board at the end of each quarter, semi-annually or annually.

SOMEWHAT DIFFERENT. By John L. Ward

This week I had the pleasure of reliving one of the features of the old days, the good old-fashioned booster trip. Through the courtesy of Clyde Baker I got to make the rounds with a numerous and enthusiastic crowd from the capital city of Valley County, and, personally, I had the time of my life. Nothing fills a man with enthusiasm more than to be out with a gang like that on a good will trip.

My particular job was to contact the newspaper men at the various towns along the line, and, believe me, they are fine people to meet. At Scotia, our first stop after North Loup, I found the first publisher, M. G. Williams, a fine fellow to know and a booster by nature for anything that will be a benefit to the community at large. Valley county can count on the enthusiastic support of the Scotia Register for the fair and races.

At Cotesfield and Elba there are no newspapers, but the people were out and accorded the boosters a fine welcome. At St. Paul there are the two papers. At the Phonograph office I met J. L. Webster, publisher, as well as a couple of members of the office force. They accorded me a fine reception. At the Howard County Herald office I learned that Mr. Lorkosky passed on some time ago, and that the other members of the family are now publishing the paper. St. Paul is one of the few towns of its size in Nebraska still supporting two fine home papers.

With Clare Clement I visited the Grand Island Independent, where we placed advertising for the fair and races and I gave them the news story, which came out that same evening. The Independent, in fact, the whole city of Grand Island, is awake to the fact that anything which concerns their trade territory is also of interest to them. State Highway Patrolman Smith led the procession all the way, and called ahead on his radio, telling the police department when we would arrive. As a result the police were on the job and gave our caravan the right of way into and out of town, a service we certainly appreciated.

After eating dinner in Grand Island, our route led through Cairo, where we did not have time to stop, and on to Ravenna. At Ravenna I talked with Mr. Cass of the News, who is the second in his line to publish the paper, and a fine paper it is. We found the people of Ravenna especially enthusiastic about the auto races, and also about the saddle horse show, and can expect a large delegation from there for both events.

Ravenna is advertised as having 1424 people, but the town has grown a lot since 1940, and is still growing fast. The caravan was scheduled to make stops at both Rockville and Ashton, but, due to the lateness of the time when we arrived at the former town, the stop there had to be cancelled, and the by trip to Ashton was also impossible. This was a matter of much regret to all concerned, as the stops had been advertised, and no doubt a lot of people were disappointed by the change in plans.

Loup City, always an enthusiastic rival of Ord in athletics, gave us the finest reception on the entire route. A reception committee and the local band were out to meet us, but expected us in on one road and we came in over another. However, that slipup was soon remedied and the Loup City toners led the Ord band down the street to the strains of some mighty fine music. I dropped over to the Sherman County Times office, where I met with a reception equally cordial.

At Arcadia, where we arrived at 6 o'clock, a large crowd was out to welcome us. As at North Loup, the people of Arcadia know that the Valley county fair is their fair, and feel an equal responsibility for making it a success. Through the kindness of Clyde Baker, who returned to Ord by way of North Loup to bring me home, I got back in time to attend a scheduled meeting of the Pop-Corn Days committee that evening.

High lights of the whole trip were the Ord band and the wild man, who attracted crowds in all the towns by his graceful capering and winning ways. Those kids played more or less all day, did a lot of fancy marching on the streets, and are entitled to a lot of credit for making the trips a success. How Bert could wear his outfit and get any comfort out of the trip is hard to imagine, but he always does the job and does it well.

Invaluable was the loud speaker system and the announcer, whom I failed to recognize due to other duties. The talks given by Ed Vogelitz for the Chamber of Commerce and by Mayor M. B. Cummins were always well received. In every town we visited we ran across former Ordites who will be back for the fair. Among them was Lloyd McGrew at Grand Island and Leonard and Ray Furtak at Ravenna. In fact the trip was an unqualified success and a wonderful boost for the Valley County Fair and Races.

BURWELL NEWS

Carl Weber of Ogden, Utah visited many of his old friends in Burwell during the rodeo week. He was a guest in the D. T. Price home.

Mr. and Mrs. Virgil Beck, who now live near Los Angeles, returned to Burwell to attend the rodeo. Mr. Beck is employed by a livestock feed company. Their son, Bernard, who spent the war years as a link trainer in the air corps and was stationed in California, has now been transferred to a camp in Kansas. He re-enlisted in the army.

Tech. Sgt. and Mrs. Orin Graber of Denver visited many old friends in Burwell while they attended the rodeo. They were guests in the Maynard Lakin home.

Mr. and Mrs. Harry Jarmin of Ogallala, Mr. and Mrs. William Webster and Bill and Mrs. Jesse Webster and daughters of Hastings were guests in the B. W. Wagner home in Burwell last week.

Mrs. Rex Ilgenfritz and son have been guests in the Clyde Ilgenfritz home in Burwell. Rex, who has been attending the University of Nebraska, has a job which prevented him from coming home to attend the rodeo. Ben Mickel Jr. of Omaha spent rodeo week with his grandparents, the Ilgenfritzes, and distinguished himself as a capable calf rider.

Miss Juynema Prentiss of Kansas City is a house guest of Miss Naomi Wagner in Burwell. They will soon be leaving for Phoenix, Ariz. where they will teach this year.

A son was born to Mr. and Mrs. Henry McMullen in the Burwell hospital last Wednesday, who died soon after birth. Mrs. McMullen's condition is satisfactory.

Mr. and Mrs. C. C. Scofield and family left Burwell Monday for Washington where they will make their home. They engaged a truck to move their household goods out west. Mr. and Mrs. Forrest Swanson have rented the house which the Scofields vacated.

Fair Boosters Welcomed in 12 Towns Monday

Larger Caravan Expected To Make Trip Thursday To Broken Bow.

A caravan of twenty cars, headed by State Highway Patrolman Smith, traveled from Ord to Grand Island Monday to boost the Loup Valley Fair which opens in Ord next week. In all of the twelve towns and cities visited an enthusiastic crowd was on hand to welcome the boosters.

The Ord band under the direction of Dr. Glen Auble supplied the principal entertainment. Four pretty drum majorettes, Maxine and Arlene Wolfe, Beverly Whiting and Kathryn Finley, and Miss Deloris Jablonski, who carried a huge white silk banner with "ORD" emblazoned on it in crimson letters, preceded the musicians.

Miss Shirley Martin, who was attractive in a white and red costume, turned hand springs, stood on her head and did other acts to entertain the spectators in every town visited. Hip Norman, who acted as master of ceremonies, extended a cordial welcome over the loudspeaker to everyone to come to the Loup Valley Fair and auto races and created general enthusiasm with the effective boosting. The loudspeaker was serviced by Joe Fajmon.

Zamba, the wild man from Borneo, drew the attention of all the curious spectators. The wild man growled at the crowd through the bars of his cage and gracefully nibbled at a variety of bones and raw meat which was provided for his nourishment. Sometimes he was released from his cage and frolicked about but attacked no one. When the caravan reached Ord in the evening Zamba had escaped. It is believed that he will return for the trip Thursday.

The boosters visited North Loup, Scotia, Cotesfield, Elba, St. Paul, St. Labory, Grand Island, Ravenna, Loup City and Arcadia. They ate dinner at Grand Island. A delegation from the Chamber of Commerce and another from the police force met the boosters in Grand Island. Police stopped all traffic on the side streets and allowed the boosters to pass uptown where a street was roped off for them to present their entertainment.

In Loup City they were greeted by a procession of cars and the Loup City band. In every town whistles were distributed to the children. Ed Swopes accompanied the boosters in an airplane, and distributed advertising matter from the plane.

Everyone who went on the booster trip Monday is urged to go again on the one Thursday as well as any others who were unable to make the trip Monday. It is hoped that an even larger delegation will find it possible to make the Broken Bow trip. All cars are asked to be on hand on the south side of the square at 8 o'clock. The afternoon will be spent at the Custer county fair in Broken Bow. The schedule of the trip for Thursday is as follows:

Arrive at Elyria, 8:15 a.m.
Arrive at Burwell, 8:30 a.m.
Arrive at Taylor, 9:30 a.m.
Arrive at Sargent, 10:30 a.m.
Arrive at Comstock, 11:30 a.m.
Arrive at Broken Bow, 12:30 p.m.

SOCIAL & PERSONAL

—David and Ada Brown arrived from their home in Barstow, Calif., Friday to visit their father, Homer Brown. They are guests in the Antone Pawleska home.

—Sunday Mrs. Walter Douthit entertained her mother, Mrs. Margaret Davey and her brother, Gene, of Greeley and her sister, Sister Rosellen of Cedar Rapids.

—Mr. and Mrs. C. D. Cornell of Lincoln were guests of Dr. and Mrs. C. J. Miller several days last week. Wednesday they attended the Burwell rodeo and they returned home Thursday.

—Mr. and Mrs. John Pishna and Beth of Cook, Colo., were guests in the Dan Pishna home last week. They came to attend the Burwell rodeo. Mr. and Mrs. John Miller were guests in the Dan Pishna home Sunday.

—Mr. and Mrs. Joe Borden of Wichita arrived in Ord Thursday where they visited her parents, Mr. and Mrs. Alfred Hill. They attended the rodeo at Burwell and visited his parents, Mr. and Mrs. Arthur Borden.

—Peggy Louise Prien and her parents, Mr. and Mrs. Richard Prien, were Saturday dinner guests in the home of her grandparents, Mr. and Mrs. George Houtby. The occasion was Peggy Louise's first birthday anniversary.

—Miss Phyllis Dodge is spending several days in Lincoln this week where she is attending a home economists conference. Sunday she was an attendant at the wedding of Jeanette Engle, who is one of her sorority sisters.

—Mrs. Walter Douthit has received two postal cards from her husband who left last week on a vacation trip. The party was having an enjoyable time and had arrived in Oregon with no trouble except several blowouts.

—Mr. and Mrs. W. Glendal Holm of Lincoln are guests this week in the home of his sister, Mrs. F. L. Blessing and Dr. Blessing. Last week the Quiz erroneously stated that the Holms, who have been married but a few months had a daughter. The Quiz regrets this mistake.

Pawnee Wheat Seed \$2.85 per bu.

We will have a load of Certified Pawnee Seed wheat in sealed bu. bags at \$2.85 per bu. If you need seed wheat get some of this good wheat while available at this price. We were very fortunate in getting a good buy on this wheat and are passing on the saving to you. Book your order now and get the wheat later.

Grains

As this is written we find that grain prices were not put back under OPA price control. If you have grain to sell let us make you an offer and if you are in need of grain let us quote you prices on truckloads delivered to your farm. In the report issue by the Decontrol Board it would seem that prices will not advance too much on grains or the Board will place ceiling prices on all the grains that get too high.

Feeds

At present we do not know just how the feed situation will be affected by OPA ceilings. The Board has placed Soy Bean and Cottonseed products under control again. This will possibly change the prices on many feeds.

Alfalfa Seed and Sweet Clover

We have a telegram from the Chief of OPA that has to do with Seed Control prices telling us that OPA price of June 30th were in effect and that they would remain so till an announced change, on alfalfa and sweet clover seed. And while it is true that Sweet Clover is rather plentiful and that the market on yellow blossom is quite weak, Alfalfa Seed is not plentiful and we have Black Market operators paying over ceiling prices for alfalfa in some cases. We strongly advise our local growers that they do not accept over ceiling prices for their alfalfa seed. Regulations are very strict on alfalfa seed and for your protection you should be careful that all sales are within the law. We will pay you full ceiling prices for all your alfalfa seed and will make the proper reports to Washington on all purchases. Sell to your local buyer and get full value for your seed. On Sweet Clover seed we are still in the market for your seed but the yellow blossom seed in many places is selling \$1.00 per cwt. under OPA ceiling prices and it looks as if it might be cheaper later in the season.

Rosen Rye Seed

We have a grower up north that has Certified Rosen Rye seed for sale and if there is a demand for enough of it we would bring in a truckload of it. If interested let us know how much you would use. If we are going to get it we should make our reservation right away.

Cornhusker Hybrids

The fact that Cornhusker Hybrid N. 148 was the highest yielding hybrid in so many test plots last year shows definitely that Cornhusker Hybrids made especially for Nebraska is something that you should consider before you buy your hybrid corn for next year. Cornhusker has 5 numbers that are especially good for Central Nebraska. We are taking a nice lot of orders now and believe that you should place your order at once. Come in and place your order and save having an agent bother you when you are busy at some work that you want to get done. We would prefer to take your order here in the office than to bother you at a busy time. Our plan of delivery is convenient.

'It pays to buy from Noll.

Inquest Decides Haught's Death Was Accidental

Disorderly Man Suffocates In North Loup Jail When Bedding Catches Fire.

A coroner's jury at an inquest held in the Hastings-Pearson mortuary in Ord Tuesday morning decided that Albert Haught, who was found dead in the jail at North Loup Sunday morning, died an accidental death by suffocation. Mr. Haught had been locked in the jail shortly after 2 o'clock Sunday morning by Harlan Brennick, the city marshal who was called to arrest Mr. Haught following a disturbance at the Floyd Hutchins farm home on the outskirts of North Loup.

Mr. Haught was found dead about 8:30 o'clock Sunday morning by Marshal Brennick, and Police Judge Charles Barber. Smoke poured from the cell door when they opened it. A straw mattress and blankets on the bed in the jail were partly burned. It is believed that Mr. Haught set them afire while he was smoking.

Dr. Hemphill who was called testified at the inquest that he believed that Mr. Haught had been dead two or three hours when the marshal and police judge discovered him. He said that the dead man's skull was not fractured and that a bruise under one of his eyes could not have caused his death. Dr. F. A. Barta, who examined the body shortly after it was brought to Ord gave similar testimony.

The jury, composed of Mills Hill, Sterling Manchester, Elio Babcock, Cecil Knapp, Calvin Lee and Pete Jorgensen, all of North Loup, were but a short time in arriving at their verdict. The inquest was conducted by County Attorney, John P. Misko.

Floyd Hutchins, the first witness called, testified that his wife awoke him shortly after 12 o'clock Sunday morning and asked him to get up, dress and go outside to stop the commotion which was going on in front of their home. Hutchins said when he got out there he found Mr. and Mrs. Haught and their daughter in their car and that Mr. Haught was cursing and swearing and calling his wife and daughter vile names.

He tried to dissuade Mr. Haught from his actions without too much success. Mr. Hutchins said that Haught's daughter, who was crying, put her hand over her father's mouth and finally succeeded in quieting him and they drove away. Hutchins said he went back to bed at 12:30.

Later he noticed a reflection of an automobile light through his window and a car stopped in front of his house. Another one soon stopped and Mr. Hutchins related that he overheard Haught telling the occupant that no one was going to stick his nose into his business. Haught, according to Hutchins, cursed and swore and raised a disturbance until Hutchins decided to have him arrested.

When Hutchins called the marshal Haught got into his car, started the motor and was going to leave but Hutchins got on the running board and pulled Haught out of the car which went into the ditch.

Followed Haught Donald Nelson was the second witness called to the stand. He testified that he was at the Haught home when they reached there after the first disturbance at the Hutchins home. He said that Haught had been drinking and that he was determined to go back and settle his dispute with Hutchins. Mrs. Haught and the daughter tried to dissuade him but were unsuccessful.

When he returned to the Hutchins home Mr. Nelson said that he followed him in his car. He testified that he did not see Hutchins strike Haught when he pulled him out of the car. Nelson tried to dissuade Hutchins from calling the authorities, pointing out that Mr. Haught had lots of chores to do and cows to milk in the morning and that there would be no one to do this work if Haught was confined in the jail.

He said that Haught had no visible bruises and that he complained of no pain. Nelson pulled Haught's car out of the ditch and took it to the jail where it would be available for Mr. Haught to drive home when he was released in the morning.

Marshal Testifies The third witness was City Marshal Brennick. He said when he arrived at the Hutchins home he found a car in the ditch at the right side of the road and that Mr. Hutchins asked him to arrest Haught. He testified that he could smell liquor on Haught and while he was hesitant about arresting him, Hutchins said he would call the sheriff from Ord to make the arrest if Brennick didn't do so and as this would be more expensive for Haught, Brennick decided to arrest Haught himself.

Ed Cram Recovering from Bomb Injuries

Ed Cram, who was severely injured by a bomb which he lighted to officially open Nebraska's Big Rodeo at Burwell two weeks ago, is reported to be much improved in the Methodist hospital in Omaha and is soon expected home. He lost an eye in the explosion and fractured a jaw bone. The injuries were largely confined to the lower part of his face. Plastic surgery is being used to rebuild the parts of his face injured in the explosion.

Freddie Schoenstein Still Gravely Ill

The people of Ord are very sorry to learn that the condition of Freddie Schoenstein, the three year old son of Mr. and Mrs. Gus Schoenstein, fails to improve. The little boy continues to be critically ill in the St. Francis hospital in Grand Island.

Duck Hunting Is Limited to 45 Days This Year

Reduction of 35 from Year Ago; Bag Limit Is Also Reduced.

A 45-day duck hunting season—a reduction of 35 days from last year—has been announced by Secretary of Interior Krug. In Nebraska the season will run from October 26 to December 9. The regulations for the 1946 hunting season also reduce the daily bag limit from 10 to 7, and the possession limit from 20 to 14.

Shooting hours for waterfowl, coot, rails, and gallinules will run from one-half hour before sunrise to one-half hour before sunset. This clips one-half hour from the closing end of the day. In announcing the regulations, Krug called the duck-hunting rules the most drastic since 1938.

By way of explanation, Krug said in a statement accompanying within the past two years from a peak of 125,350,000 in 1944 to 80,000,000 birds—a dangerous level.

"Drouth conditions in the north central states and the prairie provinces, together with overshooting last season when more ducks were shot than were hatched and raised, are contributing factors.

The daily bag and possession limits for geese have been reduced to two of any kind in any combination, including Brant, plus two Snow geese or two Blue geese, singly or in combination.

Will Patrol Highway Arrangements have been made between the Loup Valley Agricultural Society and the Nebraska Safety Patrol for the patrolling of the highway south of the fair grounds, to prevent parking of cars there during the night races. More than 40 cars did so Tuesday night, creating a hazardous traffic condition and also beating the fair board out of considerable revenue that is needed to pay expenses. If you want to see the races buy a ticket as you should, says the fair board. You are liable to be arrested if you park on the highway as drivers did Tuesday night.

John A. Reimers Drowns in Lake

Son-in-Law of Mrs. Henry Marks Has Tragic Death At Minnesota Resort.

John A. Reimers, a son-in-law of Mrs. Henry Marks, was drowned Aug. 22 in Spirit lake southwest of Aitkin, Minn. He was fishing on the lake in a collapsible boat at the time of the accident. The body has not been recovered.

Mr. Reimers was the husband of Ellamae Marks. They have a son, Mark, eight, and two daughters, Sandra, eleven, and Jan, three. Mr. Reimers was thirty-eight years old. Mr. and Mrs. Reimers and family were in Ord Aug. 16 visiting her relatives. From here they went to Spirit lake, which is a small summer resort of only about a dozen cabins.

Mrs. Reimers and the children arrived in Ogallala Sunday which is the home of his people. A brother and a brother-in-law are still at Spirit lake searching for the body.

Mr. Reimers was a college teacher of sociology. For a number of years he was an instructor in the University of Ohio at Columbus. Last spring the family moved to Manchester, Conn., and he taught in the University of Connecticut. Mrs. Reimers and the children spent a number of weeks visiting in Ord this summer, where they were recently joined by Mr. Reimers prior to the vacation in Minnesota which ended so tragically.

State Convention Held at Hastings By Republicans

Many National and State Officials Present For Big Meet.

One of the finest conventions in the history of Nebraska republicans was held Sunday and Monday at Hastings. Two hundred and ninety-eight delegates from a total of 71 counties were in attendance at the sessions Monday, at which the greatest enthusiasm prevailed.

While most of the delegates did not register until Monday morning, quite a number of the older wheel horses of the party, including Clarence M. Davis of Ord, were present on Sunday afternoon to get the ball rolling for the big meeting of the next day.

Sunday at the Clarke hotel meetings of the committees on platform and resolutions and on credentials and registration as well as the Young Republican executive council were held. In the evening delegates and visitors registered at the hotel and were entertained by the Hastings hospitality committee. The committee on rules and amendments also held a meeting.

Mr. Davis did not remain for the Monday session but drove on to Lincoln, where the legislature is in special session and the codifying of laws required his immediate attention. Monday John L. Ward, delegate, and Myra Thorngate Barber, visitor, accompanied M. G. Williams of Scotia to Hastings, arriving for the first morning session.

Arriving a little later was Arthelia Ramsey of Arcadia, alternate, who took Mr. Davis' place in the Monday sessions. Others present from this territory were Mrs. John Schere, delegate from Garfield county, and Mr. Schere; Nels Rasmussen of Elba, Howard county chairman for the past 26 years; W. A. Summers of Bartlett; Harry DeLand of Cotesfield; and C. M. Anderson of Wolbach.

Other interesting people well known here included Joseph G. Nekuda, former Valley county stockman and now with the state department, motor fuel division, of Lincoln; John Kniekrehm of the state railway commission, formerly of Grand Island, but now of Lincoln; A. G. Williams, father of M. G. Williams, also of Lincoln; Joseph Wishart of Lincoln, and Charles Warner of Waverly.

Dr. F. L. Blessing's name was placed in nomination for the post of chairman of the fourth congressional district committee. Also nominated for the post were Dave Martin of Kearney and R. V. Hoagland of North Platte, Martin winning the post. M. G. Williams was chosen as committeeman of the 29th senatorial district, and Irene Lorkoski of St. Paul was chosen as committeewoman.

Delbert Chapman Dies in San Diego

Death Comes to Former Ord Man in Naval Hospital After Long Service.

Delbert Woodbury Chapman, the son of Mrs. Florence Chapman, an Ord resident of many years, died Aug. 12 in the U. S. Naval hospital at San Diego after many years of poor health. Interment was in the Fort Rosecrans National cemetery at Port Loma, high over the bay of San Diego.

The fleet reserve had charge of the services at the grave. Present beside his mother and sister, Mrs. Ella Hughes, were Mr. and Mrs. M. E. Hughes of Los Angeles, Dale Delbert Hughes of Hollywood, Mr. and Mrs. W. G. Hoyt of Linda Vista and Mr. and Mrs. Roy Job of LeMasa.

Mr. Chapman was born on May 19, 1898. He enlisted in the navy at Omaha May 14, 1917. After studying medicine at the Great Lakes Naval training station and in Washington, D. C., he graduated as a chief pharmacist mate and as such served in the navy and marines for twenty years.

He visited many foreign countries and served in France during the first World War. During his navy career he spent several years in the American embassy in Moscow and several more years with the staff headquarters of the 12th naval district in San Francisco.

During the severe storm which swept Porto Rico on Sept. 13, 1928, he was on active duty at the scene of destruction. Twice he was awarded the navy's good conduct medal and his record for twenty years of service is marked excellent.

Long before his discharge he was advised to retire because of high blood pressure. He was sent to Coco Solo in the Panama Canal zone, where the weather was so hot he received a discharge because of poor health.

Biamonds Buy New Air Coupe

Cork and Raymond Biamond are the owners of a new two-passenger Air Coupe which was delivered Friday. Saturday the Biamond's automobile broke down and as there were no repairs available in Ord, Cork flew to Grand Island for them. The flight to Grand Island took 35 minutes and the return trip 24 minutes. The plane will be used to carry films and advertising from Omaha and to make business trips. It will also be available for emergency trips. At present there are four planes at the Ord airport which are available for trips of this nature.

Championship Tie To Be Played Off On Ord's Diamond

Mason City and St. Paul Cross Bats Sunday For Loup League Crown.

Residents of Ord will have a unique opportunity to see a fast game of baseball on their home diamond at 2:30 Sunday afternoon when Mason City and St. Paul will play off a tie for the Loup Valley championship. In the second league game with Mason City St. Paul succeeded in defeating the Custer county team which previously had been victorious in all its contests for the season.

In the first contest to break the tie Mason City came back to defeat St. Paul. Sunday before a crowd of fifteen hundred enthusiastic fans at St. Paul, Mason City was beaten by a one to nothing score.

Hunt pitched for Mason City while Davis was on the mound for St. Paul. The two teams have agreed to meet on neutral ground to play off the tie. Ord was selected largely because of the excellence of its diamond. The admission charge will be fifty cents.

Style Revue Will Be Thursday Night

Ord Young Ladies To Model Latest Fashions; Nylons Will Be Given Away.

A peek at the latest fall and winter styles will be afforded the women who attend the Loup Valley Fair program Thursday evening. A style revue will follow the auto races, has been arranged by Jenison's. Twelve attractive young ladies of Ord have been selected to model the formal, sports wear, coats, suits, dresses, slack suits and other numbers from the style centers in New York and Hollywood.

The models are the Misses Shirley Anderson, Monica Gnaster, Shirley Martin, Rosellen Vogel-tanz, Jean Elaba, Coralee Anderson, Vera Munn, Arlene and Maxine Wolfe, Dot Kokes, Mary Ann Novosad and Kathryn Pinky. Miss Beverly Davis will assist Mrs. Edwin Jenison in the management of the show.

Auble Brothers will provide music suitable for the revue and as a grand finale Miss Carolyn Auble will sing "Alice Blue Gown" accompanied by the band.

Twelve pairs of nylons will be given away during the show. Each spectator will be handed a numbered ticket as he goes into the grandstand. Each model will select a number and the person having that number on his ticket will get a pair of nylons.

Little Girl Falls In Tank, Drowns

Mary Ann Gregoroski, Only 1 1/2, Loses Life in Farm Accident Near Elyria.

Little Mary Ann Gregoroski, only 1 1/2 years old, was drowned Thursday morning when she fell into a stock tank at the farm of her parents, Mr. and Mrs. Paul Gregoroski, 4 miles north of Elyria. The body was found by her mother about 10 o'clock.

The little girl was playing around the tank, throwing things into it, but because the sides were so high her parents thought there was no danger of her falling in. Evidently the child climbed up on two half gallon jars, lost her footing and tumbled over into the water. The tank was three-fourths full.

Exact time of the accident is not known. She is known to have been alive a half hour before her lifeless body was found by Mrs. Gregoroski.

Besides her parents she leaves a 7 months old brother, Harry. Funeral services, with the Mitchell Mortuary in charge, were held in Burwell at 2:00 p.m., Saturday and burial was in the Burwell cemetery.

One Man Will Be Drafted Sept. 6 From Valley Co.

Selectees Will Be At Least 19 Years Old; Fathers Will Not Be Taken.

Valley county has received a call of one man for selective service in September after a no-draft holiday of two months. The young man, who as yet has not been selected will leave Sept. 6. Miss Jean Veleba, the clerk of the Valley county selective service board, says that there are a number of men in the county who have passed their pre-induction physical examinations and that one of these will be sent to Fort Leavenworth to fill the quota.

The man chosen will be at least nineteen years old. All young men are still required to register for selective service on their 18th birthday anniversary or no more than three days later. In some instances youths in the county have been a bit careless in fulfilling this obligation, Miss Veleba says. The registrar is still required even though no eighteen year olds will be drafted under the present arrangements.

Starting September 1 the new set-up goes into operation, and this is how it will work: 1. Draft boards will start calling men again September 1.

2. Those drafted will be 19 and through 29. (Since May 15 no youths under 20 have been drafted.)

3. Youths still in high school can get deferred. Not so college youths, unless their draft board makes some special exemptions in individual cases.

4. Fathers will not be drafted.

5. Every man in the 19-29 age group who now has an occupational deferment will be re-examined. (Selective Service told the boards not to defer anyone unless he is "indispensable and irreplaceable to the national existence.") This means that almost no one now will have an occupation that can be considered deferrable.

6. But farm workers still will get the same special consideration—for deferment—that they got through the war.

7. Draft boards will review the cases of men 19 through 29 who have been found physically unfit for military service.

8. There's no quota system based on age. For instance draft boards will take whom they can in the group 19-29, and not try to pick just so many of one age, so many of another.

9. Draft boards will consider drafting war veterans if (a) they have not served outside the United States and (b) had less than six months military service.

Leave Pay Forms Available in Ord

GI's Who Didn't Get Their Furloughs Will Be Aided By John Wozab.

A limited supply of blanks to facilitate the collection of pay for unused leaves for enlisted men of the armed forces have been received by John Wozab, Valley county service officer. Mr. Wozab will be very happy to assist all people in securing the pay due them for furloughs or leaves which they did not receive.

The blanks are quite simple to fill out. Pen and ink or typewriter must be used in answering the questions asked. The forms must be notarized and accompanied by the person's discharge certificate, or a photostatic or certified copy of it. Any commercial photographer can make a photostatic copy of the discharge or a certified copy of it can be obtained from the office of the county clerk, if the discharge was registered with him.

Discharge certificates may still be registered without cost at the county clerk's office and a certified copy made from it. No charge is made for this service. In the cases of army personnel, the completed form with the discharge certificate or proper copy must be mailed to the finance officer in the state where the soldier received his discharge.

The navy personnel will send their blanks to the Terminal Leave Disbursing office, Naval Training Center, Great Lakes, Ill. Former marines mail their claims to the Director of Personnel, Terminal Leave Division, Hq. U. S. Marine Corps, Washington 25, D. C., and the Coast Guard to the Terminal Leave Unit, U. S. Coast Guard, Washington 25, D. C.

Persons entitled to unused leave pay have until Sept. 1, 1947 to collect it, so there is no necessity for immediate action. The bonds which they will receive will bear the dates of their discharges, and will be payable after five years from that date.

Leonard Roesler Loses 117 Pounds To Enter Marines

Leonard J. Roesler, a former Ord boy, made the front pages of the daily papers in the state last week, when he reduced 117 pounds so he could join the marine corps. Eighteen months ago he weighed three hundred pounds but Friday when he was sworn into the marines at Omaha he had his weight down to 183 pounds. He attributes football playing and exercises on the bar bells as the success for his reducing.

Leonard, who is eighteen, is the son of Mr. and Mrs. Ed Roesler, who now live in Grand Island. Mr. Roesler was formerly a baker in Ord.

Weed District To Be Set Up In Valley County

All Supervisors Vote For Resolution; Election Will Be Sept. 12.

The board of supervisors of Valley county voted unanimously in favor of a resolution creating a district in the county for the eradication of noxious weeds at its meeting Tuesday afternoon. A number of land owners appeared in behalf of the resolution. No one came who opposed it. Mr. Buskirk of the noxious weed division of the state department of agriculture came from Lincoln to explain the purpose of a weed eradication district.

In Valley county bindweed, which is rapidly spreading, is chief cause for organizing such a district. The district in Valley county will include all land outside of incorporated cities, towns or villages.

An election will be held Sept. 12 to choose three to five supervisors who will manage the affairs of the weed eradication district. The supervisors will likely buy a spraying outfit for killing the weeds with chemicals and arrangements will be made whereby the outfit will be available to farmers for their use.

Two Schools Still Without Teachers

Only two rural schools are definitely without teachers according to the latest reports received by Miss Clara McClatchey, Districts 34 and 49 were still without instructors. Other districts, which had been unable to get teachers are depending upon hiring persons with emergency certificates, some of which have not yet been approved by the state superintendent's office.

Large Barn At Burwell Burns

Fire Department Has Busy Day With Three Alarms; Chief Breaks Rib.

Wednesday was a big day for the Burwell fire department. About 4 o'clock in the morning its members were roused from their slumbers when Partridge's car caught on fire. About 3 o'clock in the afternoon the large barn on the Pete Jurgensen farm on the west outskirts of town was struck by lightning and burned. Mr. Jurgensen also lost 250 bushels of oats, a mow full of hay and several sets of harness which were stored in the barn. The loss was covered with insurance and paid the same day as the adjuster was in Burwell the day of the fire.

The members of the fire department worked valiantly to keep the fire from spreading to the other buildings on the Jurgensen farm. Before their job was finished they received another call. A transformer had also been struck by lightning in the rear of Daddow's store and while pouring water on it to extinguish the flames, Don Cain, an employee of the municipal utilities, was knocked unconscious, when the water he was pouring acted as a conductor to carry a heavy electrical shot. He recovered with no ill effects.

Hay stacks at the ranch of Mrs. George Dewey about 2 1/2 miles north of Burwell were struck by lightning and burned.

The next day while washing and checking over the fire truck, Clifford Anderson, the fire chief, fell and broke a rib. He was unable to work the remainder of the week because of a complication of illnesses.

Opening of Auto Races Attended By Large Crowd

Rain Makes Track Slightly Muddy But It Is In Fine Shape For Meet Now.

A large crowd nearly filled the grandstand and the bleachers to see the opening of the auto races at the Loup Valley Fair in Ord Tuesday night. A drizzling rain of .39 of an inch in the morning packed the track which was slightly muddy but will be in tiptop shape for the races tonight and Thursday night. A drop in the temperature made many spectators shiver and spoiled the pop and coca cola business.

The best time of the races was made by Chester Wilson of Wichita who went around the track in his car Red 5 in 17.04 seconds. More entries arrived in Ord than the track can accommodate and some have been eliminated from the track by the time trials.

Results of Tuesday races are as follows: First race, 6 laps. Shorty Mueller, Sioux City, Cream 25. Chester Wilson, Wichita, Red 5. Martin Lahr, Sioux City, Yellow 8.

Second race, 6 laps. Don Oleson, Kinsley, Ia., Blue 9. Ernie Hubert, Sioux City, Ivory 3. Harold C. Smith, Wichita, Red 47.

Third race, 6 laps. K. H. Brown, Cedar Rapids, Ia., Red 66. Fred Mulhager, Sioux City, Seven Up. George A. Tappan, Sioux City, White 14.

Fourth race, 8 laps. Chester Wilson, Wichita, Red 5. K. H. Brown, Cedar Rapids, Ia., Red 66. Harold C. Smith, Wichita, Red 47. Martin Lahr, Sioux City, Yellow 8.

Fifth race, 8 laps. Fred Mulhager, Sioux City, Seven Up. Shorty Mueller, Sioux City, Cream 25. Ernie Hubert, Sioux City, Ivory 3.

A look at the books of the secretary of school district No. 1 reveals some interesting facts about expenses of running the school system and the school census. The year 1945, the census was 133 while ten years ago, in '35 it was 206. The total expense of running the school in the year '35-'36 was a little over \$11,000 and in '45-'46, it cost \$22,943.98. In '40-'41, \$14,936. was spent. The increase is largely due to higher salaries paid teachers. The same number of teachers were hired but nearly twice the wages paid. In 1935 grade teachers were paid only \$60.00 a month while in '45-'46 the average was \$115.00. Last year there were 70 students in high school and 84 in the grades against 84 in high school and 120 in the grades five years ago. The decrease in enrollment in the grades was one deciding factor in hiring only three grade teachers for the coming year.

Monday Darrell Barber and Mrs. Roderick Moulton and daughter drove to Viborg, S. Dak., taking Mrs. Carroll Swensen who had spent the week here at her home. They returned later in the week.

Funeral Saturday For James Howell

After a brief illness, James Howell closed his book of life on Monday evening, August 19, at 10:15 at the home of his son, Earl Howell in North Loup. Born in Washington, Ohio, to Mr. and Mrs. Melford Howell, on November 7, 1864, he was 81 years, 8 months and 12 days old at the time of his death.

He was about 23 years of age when he came to Lancaster county, Nebr., and here on January 22, 1889 he was united in marriage with Miss Lenora Heite. They made their home in Lincoln until 1900 when they moved to Burwell, taking up a homestead east of Burwell, where they made many friends. His wife passed away in October, 1912. Five sisters and four brothers also preceded him in death. Surviving children are Earl Howell, North Loup; Elmer Howell, Gordon, Nebr.; Ilna Jordan, Saratoga Springs, N. Y.; Mrs. Ida Kanuff, Portland, Ore.; Mrs. Lucy Lewis, Burwell; and Mrs. Blanche Cunningham, Rhame, N. Dak. There are sixteen grandchildren and six great grandchildren.

Mr. Howell was a broom maker for several years after coming to Burwell. After the family broke up housekeeping in 1913 he took up carpenter work until about sixteen years ago when he came to make his home among the children. For the past thirteen years his home has been mainly with his son, Earl at North Loup. In December his health failed and after an operation in an Omaha hospital he was returned to North Loup and has gradually grown weaker until the end came. Everything that loving hands could do was done for him and he will be greatly missed in the home.

Funeral services were held Friday morning from the Hastings-Pearson mortuary and the body was taken to Elmwood, Nebr., to be laid beside his wife. Pall bearers were Will Freeman, Charlie Hopkins and Wes Claybaugh, all of Burwell and Earl Eyerly, I. L. Sheldon and C. B. Clark of North Loup.

—Jerry Fryzek, who has been visiting his parents, Mr. and Mrs. Frank Fryzek, left Ord Friday to return to the Fitzsimons General hospital in Denver where he is receiving treatments for malaria, which he acquired while he was stationed in India. Jerry is being treated with penicillin. An attack of malaria interrupted the training which he was getting in the St. Louis Cardinals' camp near Houston, Tex. Jerry plans to return to the Cardinals' camp as soon as his health improves.

DID YOU KNOW THAT YOU ARE PAYING FOR A STOKER EVERY YEAR?

If a Stoker added five years to the life of your boiler, wouldn't that be worth 100 dollars?

If you saved 1,000 trips to the basement each year, isn't that worth 5 cents a trip, or 50 dollars?

If you had the convenience and comfort of Automatic Coal Heat the year around while building but one fire a year, would not that be worth 25 dollars?

If through the cleanliness over hand firing you delayed redecorating 1 to 2 years wouldn't that be worth 100 dollars?

If the health of your family could be insured by even temperatures, wouldn't that be worth 25 dollars?

If you could burn less expensive coal at the rate of \$3.00 per ton saving, wouldn't that be a worthwhile saving?

Without mentioning tonnage savings the accumulated savings would be in excess of 300 dollars. Can you afford to spend 300 dollars without receiving any return for your investment?

Think It Over! The Stokal Automatic Stoker Can Save You This Money and Give You Automatic Heat at the Same Time.

Labor-saving ideas for Labor Day and every day

These labor-saving ideas will not only cut down your kitchen time this Labor Day week end, but are good for any day you're in a hurry.

QUICKIE OPENING COURSE OR DESSERT—Pour ice-cold ginger ale over chilled canned or fresh fruits. Garnish with mint leaves.

EASY-TO-MAKE MUSTARD SAUCE—Combine equal amounts of currant or other tart jelly and prepared mustard. Beat with a rotary beater until smooth. Serve with baked ham or cold meats.

HURRY-UP TOMATO RAREBIT—Combine a can of condensed tomato soup and a cup of grated sharp cheese in top of double boiler. Place over hot water and stir until cheese is melted. Season with 1/2 tsp. Worcestershire sauce and 1/4 tsp. dry mustard. Thin, if desired, with a tablespoon or two of cream. Serve over toast or toasted English muffins. Serves 4.

EASY CRAB OR TUNA AU GRATIN—Mix together a can of condensed cream of mushroom soup and 1/2 cup grated cheese in the top of a double boiler. Place over hot water and stir constantly until cheese is melted. Fold in 1 cup tuna or crabmeat. Pour into well-greased shallow baking dish or baking shells. Top with bread crumbs and additional grated cheese and place under broiler to melt cheese. Serves 6.

QUICK CHARLOTTE RUSSE—Prepare a package of chocolate pudding according to directions on package. Fold in left-over angel or sponge cake. (Pull pieces apart with fingers or forks.) Chill and serve in sherbet glasses topped with whipped cream and grated sweet chocolate. Serves 6.

SPEEDY FRUIT CREME—Dissolve a package of fruit-flavored gelatin in a pint of hot water. The red gelatins—strawberry, cherry, or raspberry—are especially good. Chill until thick and syrupy. Beat with a rotary beater until light and foamy. Add a pint of vanilla ice cream and continue beating until thick and smooth. Serve at once in sherbet glasses or chill several hours and then serve. Serves 6.

Arcadia Achievement Day
Many attended the achievement program of the 4H clubs in the American Legion hall in Arcadia Thursday. The articles which the members had made during the summer were on display and the visitors were impressed by the excellence of the workmanship.—Norma Blakelee, reporter.

Mr. and Mrs. Grant Cruikshank entertained at a seven o'clock dinner Monday evening at their country home in honor of Mr. Vivan Brown of Oark, Ark., and Miss Ruth Mather and her mother of Berkeley, Calif. At 8:30 p.m. four car loads of friends announced their arrival by honking. The party was a complete surprise except to the hostess. The ladies took along ice cream and cake and

Mrs. Cruikshank had reserved an angel-food cake. Those present were Mrs. Nell Taylor of McCook, Miss Margaret Ward of San Diego, Calif., Miss Jean Juist of Grand Rapids, Mich., Mrs. C. C. Hawthorne, Mrs. John White, Miss Maude Masters, Mrs. H. D. Weikel, Mrs. Augusta Mather, Mrs. W. N. Woody, Mrs. Don Moody, Mrs. Sherbeck, Mrs. D. O. Hawley, Mrs. Carol Lutz, Mrs. Edith Bossen. The couple received many useful gifts for their new home.

The Happy Home Makers held their achievement day Thursday, August 22, at the American Legion hall. The welcome was by Doris Welty, club pledge by members, club songs and yells by members, style show of things that they made during the year by members. What club work has done for my daughters, and team demonstration by Doris Welty and Kathleen Pierson. Individual demonstration by LaVonne Carmody. Plans for next year by LaVonne Carmody and Doris Welty. A display was shown of the articles made during the last year.

Mrs. Albin Pierson returned Friday from Omaha after spending a week visiting her aunt, Mrs. H. Novitsky. Mrs. Otto Lueck and grandsons, Gene and Don Bruner drove to Grand Island Tuesday evening of last week to meet her daughter and granddaughter, Mrs. Elsworth Bruner and Linda Kay, of Cheyenne, Wyo. Mrs. Bruner came after her sons who have spent the summer with their grandparents, Mr. and Mrs. O. R. Lueck. They expect to return to Cheyenne the first of September to get the boys in school.

A layette shower was given in honor of Mrs. Arwin Lueck at the community park Wednesday p.m., August 21. A group of ladies served a lovely lunch of ice cream, cake and iced tea. Mrs. Carol Lutz decorated the gift table. Mrs. Lueck received many lovely gifts. There were about 40 present.

Miss Lois and Alice Schultz returned from Long Pine Wednesday where they had been visiting for some time.

Christian Science Services
"Christ Jesus" is the subject of the Lesson-Sermon which will be read in Christian Science churches throughout the world on Sunday, September 1, 1946.

The Golden Text is: "The Father judgeth no man, but hath committed all judgment unto the Son; that all men should honour the Son, even as they honour the Father." (John 5:22,23). Other Bible citations include, "And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth" (John 1:14).

The Congregational parsonage was the scene of a quiet wedding at 1 p.m., August 21, when Rev. Vander Heide united in marriage Miss Ruth Mather and Vivan Brown, using the impressive single ring ceremony. Only the bride's family and minister's family were in attendance. The living room was fittingly decorated with baskets of autumn flowers and lighted candelabra made a beautiful setting for the occasion. The bride was attired in a soft green wool suit with brown accessories and the bridegroom wore a blue business suit. Ruth is the youngest daughter of Mr. and Mrs. A. C. Mather who now reside in Berkeley, Calif. She spent her entire life here until five years ago when her family moved to Litchfield. Her last two years of school were spent there where she graduated with the class of '43. Upon her graduation she went to California where for three years she held a position with the Dobeckuan Co., of Emeryville, Calif. Vivan is the eldest son of Mr. and Mrs. King Brown of Oark, Ark. He was reared and educated there and has purchased a home there for himself and bride. He served 38 months with the army air corps, 17 months being spent overseas. After his discharge from the service he also worked for the Dobeckuan Co. They left immediately after the wedding for their new home, carrying with them the best wishes of a host of friends. They will be at home at Oark, Ark., to their friends.

A pre-nuptial shower was held Wednesday afternoon in the basement of the Methodist church in honor of Miss Alberta Olson, of Loup City. There were about forty present. The hostesses were Mrs. Martha McMichael, Mrs. Claude Williams, Mrs. Paul Dean and Mrs. M. L. Riddle. The hostesses served a lovely lunch and Miss Olson received many beautiful gifts.

Mrs. Bib Leininger left for Sioux City last Sunday.

Mr. and Mrs. Alvin Jensen and Shirley Jean of Los Angeles, Calif., arrived in Arcadia Tuesday to visit friends and relatives.

Miss Arleen McClary returned to her home in McCook Wednesday after a three weeks visit with her grandparents, Mr. and Mrs. R. P. McClary.

Mrs. C. W. Starr returned home Tuesday after receiving medical treatment in the Loup City hospital.

—Ed V. Lukesh, who now lives at Port Townsend, Wash., writes the Quiz that he recently enjoyed a two day visit with Mr. and Mrs. Ign. Klima. They spent one afternoon fishing for salmon in the Straights of San Juan de Fuca. They enjoyed the boat ride but the salmon were not biting that day. Ed writes that he has not been lucky in catching salmon this year even though he landed a fish weighing 29 pounds and 6 ounces. He says he caught one ten pounds heavier last year. He reports that the silver salmon run is starting and he expects to catch some larger ones. He also sent the Quiz the account of his son's wedding which appears elsewhere.

Alice Lukesh Honored
Miss Alice Lukesh was the guest of honor at a dinner in the Victor Benben home Sunday in celebration of her birthday anniversary. The other guests were Mr. and Mrs. John Beran, Mrs. Smiley Barnes and son, Will Lukesh, Mr. and Mrs. Bernie Lukesh of Loup City, Jack Rashaw and Mr. and Mrs. Arnold Malotke of North Loup.

Social and Personal

If we don't call you for news, call us, phone 30. The society editor welcomes all social and personal items.

—Mr. and Mrs. Walter Maple of Alliance, Ohio, arrived in Ord Wednesday where they are guests of Mr. and Mrs. C. E. Rusmisell.

Edwin Lukesh Weds
Miss Alice Sanders, only daughter of Mr. and Mrs. William Sanders of Port Townsend, Wash., became the bride of Edwin Lukesh in a double ring ceremony performed at the Post Chapel at Fort Worden Sunday afternoon. The Episcopal service was read by Chaplain Maurice S. Amnot of Fort Worden before an altar decorated with baskets of white gladioli.

The bridegroom is the son of Ed Lukesh of Port Townsend and Mrs. W. Lafferty of Idaho. Miss Sanders is a graduate of the Port Townsend high school, class of 1946, and the bridegroom attended school at Ord, and Boise, Idaho, before being called into navy service. He was discharged in February, 1945, after 16 months' service. After a wedding trip which will take them to Clearlake, Calif., the couple will make their home in Port Townsend.

—Following his completion of boot training at San Diego, Edwin Jirak, son of Mr. and Mrs. Joe Jirak, was sent to the navy's clerical school at Bainbridge, Md., where he is now stationed. The Jiraks elder son, Gerald, is now in Dallas, Tex., where he will attend the Southern Methodist university. Texas is the home of Gerald's wife.

St. Paul Boy Weds Betty Ann Hosek

Marriage vows were exchanged between Miss Betty Ann Hosek, daughter of Mr. and Mrs. Rudolph J. Hosek of Ord, and Anthony Schmidt, son of Mr. and Mrs. Frank Schmidt of St. Paul, at a nuptial mass celebrated at nine o'clock Tuesday morning, August 20, in Our Lady of Perpetual Help church. The Rev. Thomas Suidowski, celebrant of the mass, read the lines for the double ring ceremony in the presence of many relatives and friends.

Nuptial organ music was played by Mrs. Syl Furtak and the vocalist was Miss Jean Blaha. Bouquets of peach-toned gladioli and cathedral tapers adorned the altar.

Mr. and Mrs. Anthony Smith
Maid of honor was Miss Dorothy Hosek, sister of the bride, who wore a formal of white crepe and trimmed in net. The bodice was fashioned with a heart-shaped neckline and butterfly sleeves. She carried a colonial bouquet of peach colored gladioli with white lace frill, and wore a bandeau of matching flowers in her hair.

The bridesmaids, Miss Adeline Meese and Wilma Klanceky wore formals of blue crepe, styled the same as the maid of honor. Each carried a colonial bouquet of white gladioli and wore bandeaus of matching flowers.

Escorted to the altar by her father, who gave her in marriage, the bride wore a gown of white embossed satin and net. The satin bodice had a sweetheart neckline and long tight sleeves which were puffed high at the shoulders and came to points at the wrists. The graceful net skirt fell to tip-toe length and ended in a long count train. Tiny self-covered buttons formed the back trim. Her veil of sheer illusion fell to knee length from a tiarra which was edged in seed pearls.

She carried a bouquet of red roses. Her only ornament was a two-strand of pearls given to her by the bridegroom. The bridegroom wore a blue suit. He was attended by his brother, Edwin Schmidt and Alfred Hosek, cousin of the bride, both wore dark suits. Leonard Vavra was usher. They had boutonnières of white carnations.

The mother of the bride chose a dress of powder blue with white accessories. The bridegroom's mother wore a dress of black with matching accessories. Both had corsages of pink carnations.

Following the ceremony a reception and dinner was held for the wedding guests at the American Legion hall in Ord. White candles and greenery formed the decorations for the tables. The bridal table was centered with a three-tiered wedding cake topped by a miniature bride and groom, which was baked by Mrs. Joe Gdanitz of St. Paul. The bride and bridegroom cut the wedding cake which was served on napkins decorated with gold initials. The color scheme of the room was blue and white. Assisting in serving were, Mrs. Jake Kwiatkowski, Mrs. George Benda, Carol Kwiatkowski, Reatha Ackles, Norma Klanceky, Mrs. Lloyd Vavra, Mrs. Dave Guggenmos, Mrs. Otto Cassidy and Mrs. Anton Capek.

A supper was served for the immediate members of the family at the home of the bride's parents.

Mrs. Frank Fafeita was in charge of the guest book.

Following a honeymoon trip to Denver, Mr. and Mrs. Anthony Schmidt will return to Cotesfield where Mr. Schmidt is engaged in farming.

For traveling Mrs. Schmidt chose a dress of red linen with white accessories.

Mrs. Schmidt graduated from

the Ord high school in 1943. Mr. Schmidt served with the U. S. medical corps for three and a half years and had duty in England and France.

Out of town guests were, Mr. and Mrs. Joe Gdanitz and family of St. Paul, Mr. and Mrs. Robert Schmidt of St. Paul, Mr. and Mrs. Ray G. Kerchal and Dennis of Lincoln, Adolph Hosek of Holstein, Ia., Mrs. Jens Hansen and family of Dannebrog, Mr. and Mrs. Ernest Schmidt, Mr. and Mrs. Conrad Schmidt, and Mr. and Mrs. Lester Wells all of Cotesfield, Edward Hosek of Arcadia, and Clarence and Jim Schmidt of St. Paul.

Picnic For Mrs. Jorgensen

Mrs. Willard Hoppes and Mrs. Dale Hoppes of Burwell entertained at a picnic in the park at Burwell Sunday honoring their mother, Mrs. Dora Jorgensen, the day being her birthday anniversary. Besides the Willard and Dale Hoppes families, those present included Mr. and Mrs. Norman Collison and family of Farwell, Mr. and Mrs. Ed Heitz of Burwell, Mr. and Mrs. Frank Dworak and daughters of Portland, Ore., and Miss Alma Jorgensen. The Collisons, Dworaks, Miss Mena Jorgensen and Mr. and Mrs. Leonard Woods called in the evening to wish Mrs. Jorgensen many more happy anniversaries.

—Mrs. Alfred Nicholas, who was a neighbor of the C. E. Rusmisells when they lived in Palmer, arrived in Ord Friday to visit the Rusmisells. She returned to Palmer Monday.

—Mrs. A. L. Jefferies went to St. Paul Saturday where she visited her parents, Mr. and Mrs. George Kosch. The Koschs soon expect to take a vacation trip to Washington.

—Mrs. Lenore Nicholls returned to Grand Island Monday after visiting her sister, Mrs. A. J. Ferguson and Dr. Ferguson. Mrs. Nicholls will teach in Theford this year.

Especially the Very New Jacquards

They're headed for campus glory and fit the teen to the proverbial "T". There's the one with the reindeers romping around — the devastating cupid and heart design — the ballet hit — and many, many others that will have the girls and boys agog. Offered mostly in white designs on bright red, Kelly, copen, lime and grey. No college outfit is complete without two or three. All 100% wool.

Of course there are plenty of the beloved slipover and cardigan matched sets in fine knits in all the soft pastel colors. These are called casuals, which means the unaffected and pretty look, which comes naturally when you are at ease in a sweater and skirt that really fit.

Blouses
Stardust to Wear with Your Favorite Skirt

Soft, silky rayon crepes in blue, brown, lime and white — short or long-sleeved with jewelry neckline or shirt-collared. Sizes 30 to 38.

Skirts
Pleated and Gored

Yes, we know you have a fondness for pleats all around, and we have them for you. Sweaters are usually worn over a skirt of this type.

Then — there's a new style, the one with the bulky look of unstitched, unpressed pleats in just the right places. The sweater is usually tucked inside this type. Shown in jersey, basketweave, shetland and flannel, all 100% wool.

A NEEDED AMENDMENT
On the ballot at the general election in Nebraska this fall will be the proposed constitutional amendment popularly referred to as the "Small Business Amend-

ment" but which in actuality is an amendment to curtail or regulate the power of labor unions. Specifically, it outlaws the closed shop in this state. The amendment has our fullest endorsement and we believe it will be adopted by a strong majority when Nebraskans go to the polls. Opposition to the amendment is being marshaled among union members at the present time and the CIO-PAC group reportedly is prepared to spend whatever sum of money is necessary to defeat it. Nebraskans are notably chary of outside interference in their internal affairs, and such interference may very well be the final touch that brings about adoption of the amendment.

As we see it, labor unions have with the support of the new deal administration for 14 years grown entirely too powerful, and an amendment like the one proposed in Nebraska might well be voted into every state constitution, since it is apparent that Congress is fearful of such regulatory legislation on a national scale.

Labor has won for itself immense gains in the past decade. Many of them were no doubt needed and deserved. But the conduct of certain unions and especially of autocratic union leaders since V-J day, while the United States has been trying to get back into a peace time economy, certainly has been such as to indicate that reg-

ulation is needed. The inflation which has taken place is fairly attributable, in large degree, to labor's demands for more pay for fewer hours of work, and labor's continuing demand that food prices be held back to the levels that prevailed before they did gain such vast benefits is a square slap at the residents of an agricultural state like Nebraska.

According to The National Publisher magazine, right now in Washington, D. C., union printers are demanding a new contract providing for a 30 hour work week and a weekly wage of \$135. For hours worked over 30 per week they demand time and a half pay for the first hour and double time thereafter. In New York City the union printers are more moderate, being willing to work 31½ hours per week for a mere \$115, but when forced to work at night they demand a 27½ hour work week at the same pittance. In both cities the groups demand 3 weeks annual vacation with pay and other benefits. David Lawrence comments that if such demands are allowed the operating costs of printing plants in the two cities will rise 136%. Is this the way labor unions combat inflation?

If Nebraska farmers, working 14 and 16 hours daily seven days a week, were to demand pay commensurate with that demanded by the unions in industry, agricultural products would quadruple in price. Yet union leaders demanding vastly greater pay and much shorter hours for their own members, which inevitably must result in higher prices for the farm machinery, autos, tires, shoes, clothing and other things produced, would deny agriculture any increased return.

Yes, we will support the proposed amendment and we believe it will be generally approved by Nebraskans with possible exception of part of industrial Omaha and Lincoln. We don't say it is a perfect amendment but we do know it represents an attempt to regulate the power of labor unions. We think it is high time such an attempt is made.

Feeding Lambs On Gain Basis

I am interested in having some lambs fed, paying so much per pound for the gain. Even though you have the feed and the cash or credit to buy your own stock to feed—possibly with all the uncertain times that are ahead of us, you may hesitate to do so. If you have your own feed and are interested in feeding lambs for so much per pound for the gain put on and can provide the proper care, write or call me advising what feed you have and the number of head you can care for, also give location of residence and farm.

YOU ARE WELCOME

ARE YOU STARTING AN ORPHAN'S HOME?

This would be a commendable enterprise under some conditions, but it is a headache—net—if you go into the business the way I mean.

You know of course, that there are 15 to 20 million families in the United States with a lot of money in their pockets—a lot of good U. S. Bonds hidden away—a lot of currency stuffed into the old vase or the mattress.

We say "hot" money and by that we mean money that is anxious to be spent, (In fact, over 150 billion dollars of it), for cars, furniture, refrigerators, and other appliances, pianos, new homes, etc.

"Well," you say, "what has that got to do with me?" Here's the answer to THAT one.

Out of 75 manufacturers who started making electric refrigerators, only 35 were in business before the war, and 8 brands did 80% of all the business. Did you get one of those orphans?

Seven-hundred forty-two out of 886 radio manufacturing companies folded up and went out of business between 1925 and 1940, leaving "orphan" owners high and dry.

Were you lucky enough to have one of the few surviving makes?

Fifty-six washer manufacturers out of 116 gave up the ghost, leaving 60 still operating, but 80% of the business done by one-tenth of the survivors. There are more orphans in the offing in this picture. Watch out you don't spend YOUR good money on an orphan.

Is It Hard To Get Repairs For Your Orphan?

We could go on and on quoting orphan facts. But what's the use. It's just common sense for you to spend your perfectly good money for safe, sound, known-name, national advertised and amply financed makes of appliances.

You will find that the only "easy to get" merchandise today is merchandise that has little public acceptance, no particular consumer demand, few dealers, small financial backing and all the earmarks of a potential orphan.

We don't care how much service a dealer promises you, he cannot give service unless he can get parts and you can't get parts for orphan appliances. What to do?

Well, you've waited this long. So why not wait a little longer, and you can get exactly what you want rather than a potential orphan substitute.

Remember, what you buy is going to be yours for a long, long time and is going to give you service and satisfaction for years unless it turns out to be a war baby and an orphan.

So, we say, don't start an orphan's home if you want to be happy, because real, first flight, name-things will be here soon in spite of all the strikes, OPA and general bad news we are going through today.

His Farm Fields Are Factories

U. S. FARMERS have made our fields into factories.

We live better than people in other countries because our farmers get more out of the soil.

The steel industry takes pride in the way it has helped bring about this improvement in farm practice. Tools of steel—from the plowshare to the giant combine—have multiplied in number and increased vastly in quality.

Fifty years ago the typical farm in America used about 3 tons of steel. Today the figure is nearer 17½ tons.

That is a measure of the modernization of agriculture and an indication of the interdependence of steel and farming.

We no longer have separate "farm production problems" or "industrial production prob-

lems." We have but one set of problems for everybody.

If strikes, for instance, restrict the supply of farm implements and supplies through work stoppages, or make their cost prohibitive, America is out of gear.

Anything which tends in this direction is bad for the farmer—and finally for everybody: Farmers know it. Everybody else should know it.

* * *

Steel mills need all the scrap iron and steel they can get. The shortage is serious. Farmers can get extra dollars and help increase steel output by sending worn-out machinery, etc., on its way to the furnaces. AMERICAN IRON AND STEEL INSTITUTE, 350 Fifth Avenue, New York 1, N. Y.

NOW, MORE THAN EVER BEFORE THE ARMY HAS A GOOD JOB FOR YOU!

NON-COMMISSIONED GRADES NOW OFFERED TO FORMER ARMY OCCUPATIONAL SPECIALISTS
Good jobs in non-commissioned grades are being offered now by the Regular Army to qualified former servicemen! Veterans discharged on or after May 12, 1945, who enlist or reenlist for 3 years may be enlisted in the non-commissioned grade for which qualified, provided this grade is not higher than that held at time of discharge, and provided that at least 6 months of former service was in one of 400 designated military occupational specialties in which enlistment is now desired. Important, interesting jobs are open in hundreds of skills and trades in the Army, with splendid training and educational advantages! These are in addition to free food, housing, clothing, medical and dental care, low-cost insurance. There's adventure, travel, education, a secure and profitable future in this vital, realistic profession. Get full details at your nearest Army Recruiting Station.

Highlights of Regular Army Enlistments

| | |
|--|--|
| 1. Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.) | 5. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist. |
| 2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in the Army, who may reenlist at any age, and former service men depending on length of service. | 6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement. |
| 3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge. | 7. GI Bill of Rights benefits assured for men who enlist on or before October 5, 1946. |
| 4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers. | 8. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments. |

Kindergartners Wanted at School Monday Morning

The children who will enter the kindergarten of the Ord schools will report Monday morning at 9 o'clock to be registered. Thereafter they will come in the afternoons only, but as there will be no school Monday afternoon the kindergartners are asked to come Monday morning to be registered. Their teacher, Miss Irma King, will also teach music in the grade school which will occupy her mornings.

Ord Men Attend Schuyler Meeting

John Andersen, Darrel McOstrich, Clark Weckbach, and H. G. Bobst drove to Schuyler Thursday where they attended a meeting of the Northeast Nebraska United Chambers of Commerce. The Ord delegation had the distinction of traveling the greatest distance to attend the meeting. Brig. Gen. Lewis A. Pick, who was scheduled to address the meeting, was unable to be present. A round table discussion group was held on why people are moving away from the farm.

Inquest Decides Haught's Death Was Accidental

(Continued from Front page)

Brennick said that Haught offered him no resistance or argument but that he talked most of the time it took to get from the Hutchins home to the jail. Brennick said that he turned on the light in the jail when he locked up Haught, but that there was no light there the next morning. He testified that he noticed a bruise under Haught's eye but that Haught did not complain of any pain or say that Hutchins struck him. At the time Haught was locked up he asked Brennick for a drink of water which was given him. After locking up the jail Mr. Brennick retired for the night.

No Burns On Body

Between 8:15 and 8:30 o'clock Sunday morning he drove to the home of Charles Barber, the police judge, picked up Mr. Barber, and intended to have a hearing but instead found Mr. Haught dead. Haught was lying on the floor on his right side when Mr. Brennick and Mr. Barber found him. The mattress and blankets on the bed were burned but there were no burns on the body.

The jail in North Loup is a part of the power house. The room where Haught was confined has no outside window.

Funeral Tuesday

Funeral services for Mr. Haught were held in the Methodist church in North Loup at 1:30 o'clock Tuesday afternoon.

Mr. Haught was forty-three years old. All of his life had been spent in Valley county. He was adopted by Mr. and Mrs. Chris Haught of Ord, who reared him. Mrs. Haught survives him. He also leaves a widow, a daughter, Kathleen, and three sons, Richard, Donald and Dennis.

The funeral sermon was delivered by the Rev. George Palsler.

from Big Springs, Nebr. The church was crowded by the people who came to attend the service. Interment was in the North Loup cemetery with Verl Arnold, Paul Duemey, James Coleman, Clifton Clark, Don and Harry Waller serving as pall bearers.

I will be absent from my office from Aug. 28 until Sept. 2. Dr. C. W. Weekes. 23-11c

Chuck Baylor was in Hastings Monday attending to business matters.

Seed Wheat and Rye

We have arranged for some Certified Wheat and Certified Rye Seed & we will have them in just as soon as the State Seed Tests are finished. We believe that it pays the grower to plant the very best seed obtainable and we believe that Pawnee Wheat & Rye are very well adapted for this section of the State. Prices on this seed are not unreasonable and if you have not placed your order as yet let us have it now. The price on the Certified Pawnee Wheat is \$2.85 per bu., and Certified Rye is \$2.75 per bu. As the supplies are not too plentiful you should place your order now.

Hybrid Corn

We are booking Hybrid Seed Corn for Spring delivery now. The price on large and Medium Flats on Corn-husker Hybrids is \$9.50 per bu., which is really a much less price raise than we expected. A deposit of \$1.00 with your order now assures you of the seed that you want to plant next Spring. Look up the Official test of the Hybrids in Valley County last year and then be sure to rush your order for 148. You will also find that 380, 81, 83 and 85 are adapted for this section of Nebraska.

Alfalfa Seed and Sweet Clover

We are buying a nice lot of Alfalfa and Sweet Clover seed and are paying all the OPA Regulations will allow on these seeds. If you have Alfalfa or Sweet Clover to sell see us, or you may bring it in and we will reclean it and pay the full price allowed by OPA. Anyone needing a large amount of Alfalfa or Sweet Clover seed for Spring planting can get an attractive price by buying it this fall as soon as we have the seed ready to go.

Grains

We are in the market for your Oats, Barley, Wheat and Corn and will pay you a very good price for it. Our grades are correct and you are not penalized too much if you do not have No. 1 grade grains.

Trucks

We have two trucks available for hauling grain all the time. If they are not hauling for us, they are available for outside hauling so if you need a truck for grain and we can help out, just let us know.

It pays to buy from NOLL.
