

Rain, Hail Cools Ord Below Normal; Corn Crop Booms

Moisture Not Too Soon, Four Showers, 3.63 Inches; Some Hail Damage Reported

Rain and hail showered Valley county during the week to record the wettest summer week so far with temperatures considerably lower than normal.

WEATHER By Observer Horace Travis. High Low Precip. Thurs. 81 62 1.73. Fri. 78 58 .58. Sat. 84 60 .58. Sun. 80 53 .58. Mon. 70 55 1.27. Tues. 63 58 .05. Wed. noon 60 58 .

Among those suffering hail damage were Carl Wolfe, John Shals, John McCarville, Joe Kreilk, Frank Seigel and Philip Mnsny, Sr. Hail was also reported near Elyria.

Low is 55. Daily low temperatures hung generally in the high fifties, hitting a 55 for the week's lowest. Average temperature for the period was while the average for the same week a year ago was a blistering 93.

Coming of the moisture was welcomed by city and farm dweller alike. Gardens and lawns revived, and corn fields shot skyward with new growth.

"The rain didn't come any too soon," said County Agent C. C. Dale. "Corn was beginning to fire." He reported that in some advanced fields, ears of corn are now broken over at right angles to the stalk, indicating a heavy ear.

A 14 foot 2 inch stalk of corn was on exhibit in the Midway market at Elyria. The lofty plant was grown on the Leon Golka farm.

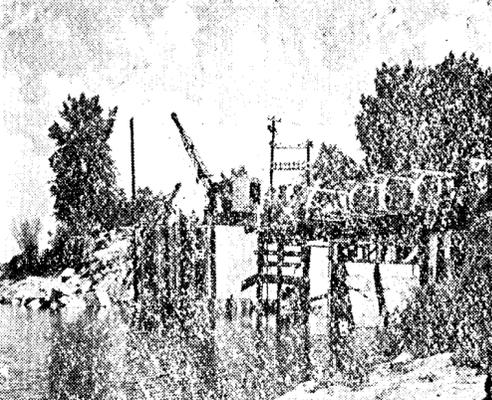

Before the rain began, 259 farmers in the valley were using water from the irrigation canals. By end of week, plenty of natural water permitted the ditches to be emptied. Farmers were confident that moisture in the ground would hold for some time.

On the stock market fat cattle went to \$10 again. Hog prices were hoisted to \$30.50 early in the week for the highest in nearly a year. Late week changes dropped the high.

Among recent sales were Harold Kooling, 21 hogs, wt. 215, \$30; Edward G. Lenz, 12 steers, wt. 981, \$33; and Archie Geweke & Son, 21 steers, wt. 1273, \$36.75—all of Valley county. In Garfield county, Amos Grant, 14 cows, wt. 1016, \$22.50 and Smith & Sperring, 11 cows, wt. 1037, \$33, were reported.

Carp and other coarse fish in this pile, the result of one sweep with a seine are estimated at 1600 pounds.

Dam owned by the Consumers Public Power District is rapidly being repaired, and local residents expect to see Lake Ericson filled to capacity late this fall.

State Men Seine 8000 Pounds of Carp From Lake Ericson Last Week

Representatives of the state fish and game department seined out an estimated 9000 pounds of carp and other coarse fish at Lake Ericson the past week preparatory to restocking operations which will be made this fall or early next spring.

The lake is at its low peak right now, with repair operations on the dam washed out by floods, being rushed by Consumers Public Power district.

Makes 70 Gallons Fish Oil. Seining crews found hundreds of large bass, blue gills and crappie in their sweeps through the lake. All game fish were restored to the lake, while coarse fish were given away to various parties.

Bruce Covey, local rendering plant owner, secured two truckloads of fish, which produced some 70 gallons of fish oil for him. Current market price is about \$10 a gallon.

Find 30 Pound Catfish. Biggest catch of the week was a 30 pound, 3 ounce catfish, which state men took with them for exhibition at the state fair. The huge cat will later be used for breeding purposes at state fish hatcheries. Other big 'uns included a 7 1/2 pound bass, which was returned to the lake.

SCS Voters Pick Schudel, Garnick

Sixty-eight Ballots Cast, Twice Last Election Vote; Count Is Still Unofficial

E. O. Schudel of North Loup and Harold Garnick of Elyria were elected to the Valley county board of supervisors for the soil conservation service last Saturday, according to the unofficial count of ballots.

With 68 ballots cast, nearly twice the number of voters went to the polls than did at the election two years ago. But only about 22 per cent of the 300 county soil conservation practitioners exercised their right to vote in the Saturday election.

Preliminary counts gave Schudel 11 votes for re-election, Garnick, a young war veteran, received 38. Of the other two candidates, Anton Wehnik of Elyria received 27; Ign. Polcraka of North Loup 25.

Results will be canvassed by the state SCS committee in Lincoln before being declared official. County Agent C. C. Dale reported. Board members will take office at the next meeting of the supervisors. Term of office is for four years.

Hold over members of the board are Harold Nelson, North Loup, and Henry Enger, Ord, who were elected two years ago. Fritz Kuchl, Ord, is the appointive member who was named recently to a three year term.

FHA Grant Is \$24,000

Announcement of a federal appropriation of \$24,000 for initial loans under the FHA in Valley, Garfield and Greeley counties was made this week by Donald Krick, loan administrator in Ord.

Money obtained under loans is authorized for use in production and subsistence, such as the purchase of stock and farm machinery.

Rusty Nails and Stomach Pains

Star, a five-year-old milch cow, was running a temperature and grunted painfully when she breathed last week. Her owner, Guy Mulligan, summoned a veterinarian.

Submitting to surgery, Star was relieved of three rusty nails, taken from her stomach. Minus the hardware, the Star brightened. She is now convalescing in the Mulligan barn with excellent prospects of complete recovery.

Airport Dedication Postponed Sept. 12

New Committee Appointed, Plans Tentative Program; P-38 Propeller Memorial

Dedication of the Ord airport as the Evelyn Sharp field was postponed this week to Sunday, Sept. 12, because of difficulties in arranging a suitable program for the occasion.

A chamber of commerce sub-committee consisting of Leslie Nash, Dillo Troyer and Ellis Carson, new airport manager, was appointed this week to make arrangements.

Following a meeting Tuesday, the committee announced that the tentative program would feature a watermelon flight and possibly a model airplane contest in addition to the memorial dedication ceremonies. A short flight demonstration on "How Not To Fly" by a veteran pilot is also planned.

The airfield will be dedicated in memory of the famous Ord aviator who lost her life in a Pennsylvania plane crash. She was taking off in a P-38 fighter on a ferry trip when the engine quit and the ship hit a tree near the runway.

A propeller from a P-38 has been donated by Mr. and Mrs. John Sharp, parents of Miss Sharp who now live in Henderson, Nev. The propeller will be mounted on a sign designating the airfield as Evelyn Sharp field. Miss Sharp's pilot log, flying license and other records commemorative of her flying career will be sealed in a concrete block memorial.

Rice Ousted As Night Police

A shake-up in the city police force occurred this week with the ousting by Mayor F. L. Blessing of Herman Rice as night policeman. Rice, the city council was told by Mayor Blessing, was not attending to his duties properly and numerous complaints had been received about him.

Henry Stara was appointed night policeman on a temporary basis and Mayor Blessing announced Wednesday that permanent appointee will be Joe Klanczyk, who has accepted the job and will assume the duties at once.

Kids Hopeful Pool Opening Hinted Friday

Swimming Possible, Maybe; Class Registration Gains, Season Tickets Offered

Kids were milling around the Ord swimming pool all week. Some stayed for hours. Anxiously they watched the workmen.

"When are you gonna open?" they shouted to Alex Cochrane, who is pool manager. "I dunno," returned Cochrane in the teen-age slang. Then seeing the glum look on his young visitors' faces, he added, "Maybe will be swimming by Friday."

The word "maybe" was getting kicked around a good deal lately at the swimming pool site. Delays in starting the water line, sewer ditch, troubles getting clothing storage shelves, finding sand for water filters—all hung on "maybe" possibilities and probabilities failed to bibe.

But the kids remained hopeful. Thirty-seven registered during the week for the swim classes.

In the prep division, boys outnumber the girls 3 to 1 with a total of 12 registered. The opposite was true in the junior class as four girls registered for each boy that signed. Five registrants were reported in the advanced class.

Sale of season tickets was also making progress. Passes for the remainder of the season were being offered for \$1, \$2 and \$3 for prep, junior and adults, respectively.

Getter Passes 100th Birthday

From Long Beach, Calif., comes word that a well known former Ordite, Marcus E. Getter, passed his 100th birthday on July 30th, and that although he is confined to Birmingham hospital, at Van Nuys, his general health is excellent despite his advanced age.

Mr. Getter is commander of the Long Beach post of the G. A. R. and members of the post present at his 100th birthday with a scroll and badge emblematic of membership in the 100 Year Club. There are only four other members of the club in California. Getter served as a private in the 129th Indian Volunteer infantry during the Civil war. He was active in G. A. R. affairs when he lived in Ord.

North Loup Church Plans to Observe 75th Anniversary

Seventh Day Baptists Held First Service Here In March, 1873

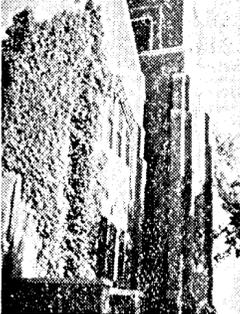

Beginning Aug. 17 and continuing through Aug. 22, the Seventh Day Baptist church of North Loup is planning to celebrate three quarters of a century of activity in the community. Twenty five years ago the Golden Jubilee was held here, and many will recall the crowd in attendance at that time, including most of the former pastors of the church as well as those of the other S. D. B. churches all over the United States.

The North Loup church is by far the oldest church established in the then infant county of Valley. In the first county book of miscellaneous records, on file in the county clerk's office, the second entry is that of the North Loup church, giving the constitution and by-laws, and signed by the pioneers in attendance at that time. The first official church service held in Valley county was held by this group in the dugout of Dr. Charles Badger, half a mile west of North Loup, where the barn on the Paul Meyer place now stands.

This was not the first service held in the area. Elder Oscar Babcock, the county's first minister, conducted a service at the place where the first arrivals camped on the bank of the North Loup river, northeast of North Loup in Greeley county. Since then this spot has been marked by a suitable monument. In fact there have been two, the first having been replaced by one of more substantial material. The church was finally located near Mira Creek, on land once part of Oscar Babcock's homestead. The present church still occupies that site.

On the stock market fat cattle went to \$10 again. Hog prices were hoisted to \$30.50 early in the week for the highest in nearly a year. Late week changes dropped the high.

Among recent sales were Harold Kooling, 21 hogs, wt. 215, \$30; Edward G. Lenz, 12 steers, wt. 981, \$33; and Archie Geweke & Son, 21 steers, wt. 1273, \$36.75—all of Valley county. In Garfield county, Amos Grant, 14 cows, wt. 1016, \$22.50 and Smith & Sperring, 11 cows, wt. 1037, \$33, were reported.

The Seventh Day Baptist church was organized March 23, 1873 (supposed date) and the minutes of the meeting follow:

"The Seventh Day Baptist Society of this place, having met according to previous appointment at the residence of Dr. Charles Badger, of this church, by known as the Seventh Day Baptist church of North Loup, Nebraska, was organized in the following manner, to-wit; after explanatory remarks concerning the object of the meeting by Elder Babcock, reading of the scriptures, prayer and singing followed in the order named; when, as the committee appointed for the purpose, Elder Babcock read the Articles of Faith and Church Covenant, which were adopted.

"After this all who wished to unite with the church were requested to rise. Brother N. W. Babcock was elected to receive the right hand of fellowship in behalf of the church. Elder Babcock was unanimously elected pastor of the church by each boy that signed. Five registrants were reported in the advanced class.

Sale of season tickets was also making progress. Passes for the remainder of the season were being offered for \$1, \$2 and \$3 for prep, junior and adults, respectively.

Burwell Students Are UN Graduates

Two students from Burwell were among the 375 who received graduation degrees from the University of Nebraska at the conclusion of the summer session Monday. It was the largest summer class in history.

Those receiving degrees were Gladys Rose, Bachelor of Arts from the college of arts and sciences, and Leslie F. DeLashmunt, Bachelor of Science in business administration.

Woman Killed by Electricity

Mrs. Theodore Amick, sr., 62, of St. Paul was killed Thursday morning when she came in contact with a live wire that had been severed during the electric storm Wednesday night.

Mrs. Amick was dressing about 9:00 Thursday morning when she heard Theda Chancelor, one of four grand children she cared for, go to the end of the porch near the broken wire. Mrs. Amick ran out barefooted into the wet grass and grabbed the live wire to prevent her granddaughter from stepping on the wire. She was killed instantly.

Quick thinking on the part of Mrs. Arthur Jeffries, of Ord, who was visiting her mother next door and saw the accident kept the four grandchildren from touching their grandmother until the electrician arrived and possibly suffering a like fate.

Mrs. Amick's husband manages the Amick Motor company in Ord. She is survived by her husband, a son, T. R. Amick of Columbus, a daughter, Mrs. Helen Chancelor, mother of Theda, and another daughter, Mabel.

Addresses Confused Where Do You Live?

House Numbers, Telephone Book, Post Office Conflict Directory Lists City Record

Fortcoming city directories may bring a surprise to some Ord residents. They are likely to discover they actually don't know where they live — not the correct address, that is.

Conflicts are arising between street numbers on houses, addresses listed in the telephone directory and house numbers recorded at the post office, according to reports of directory compilers. In some cases, one house has three different numbers.

The solution to the correct address will be worked out by reference to records of lots platted by the city, said Elder Floyd T. Waterman, representative of the latter-day Saints church which is sponsoring the directory compilation.

Issue Extra Copies. "We are making every effort to present a city directory correct in every detail," said Elder Waterman. He expressed deep appreciation for the cooperation of Ord people.

Thirty-six advertisers responded to the request for advertisers in the directory, first of its kind to be published in Ord. Wallace Doe, chamber of commerce secretary, announced this week that money received in excess of expenses will be used to print extra copies rather than to promote advertising money back to businessmen as previously announced.

Canvassing of residential districts was completed Monday. Information for the business section was collected last week. Compilation of this place, having met according to previous appointment at the residence of Dr. Charles Badger, of this church, by known as the Seventh Day Baptist church of North Loup, Nebraska, was organized in the following manner, to-wit; after explanatory remarks concerning the object of the meeting by Elder Babcock, reading of the scriptures, prayer and singing followed in the order named; when, as the committee appointed for the purpose, Elder Babcock read the Articles of Faith and Church Covenant, which were adopted.

State Bohemians To Convene Here

Z.C.B.J. Bohemian Society To Hold Convention In Ord On September 11 and 12

Preliminary plans are being laid for the Eleventh Annual State convention of the Z.C.B.J. and Bohemian society which will be held in Ord on Sept. 11 and 12 according to A. J. Adamek, Ord lodge president.

The local organizations will be hosts to delegates from approximately 65 lodges in the Nebraska districts. Invitations have also been sent to lodges in South Dakota and Kansas, Adamek said.

Any farm operator living in Nebraska may enter the contest. Fields must be located in the state and must be at least 10 acres in size and regular in shape. Contestants will be scored on the basis of 75 per cent for yield and 25 per cent for grain quality, yellow and white corn.

Purpose of the contest is to call attention to those production methods which give the greatest yields of high quality corn and to encourage a better balance between the production of white and yellow corn and flint.

The contest is conducted throughout the state by the University of Nebraska agriculture college. It is sponsored locally by the chamber of commerce.

Nebraska Will Have 35 Day Wildfowl Season

Bag Limit For Duck Season Increased To Five, Possession Ten

Nebraska will take the 35-day straight wild waterfowl season allotted to the central flyway area under a bill signed by President Truman, Game Commission Secretary Paul Gilbert said Friday.

Under the bill, Nebraska could have a choice of either the straight 35-day season or two periods of 14 days each. By taking the straight season, the state gains shooting days. The new daily and possession limits are five and ten birds. Last year it was four and eight.

Gilbert said the dates for Nebraska's season will be October 15 to November 18. The pleasant season and bag limits will be set when the Nebraska game commission meets Aug. 28.

Daily shooting hours have been changed slightly, according to the 1948 wildfowl hunting rules announced Friday by Secretary of the Interior Krug.

Ducks, geese, brant, coot, rails and gallinules may be taken daily from a half an hour before sunrise to an hour before sunset.

Woodcock, mourning or turtle doves, white-winged doves and band tailed pigeons, with a few exceptions, may be shot from a half an hour before sunrise until sunset.

On the opening day of the season or of each split hunting period waterfowl and coot may not be hunted before noon.

The bag limit on coots was reduced from 25 to 15 birds a day. The seasons for rails and mourning doves were reduced from 90 to 60 days and from 60 to 45 days, respectively.

Military Services for Ed Maruska

Military funeral services will be held for Ed Maruska from the Hastings-Pearson chapel at 2:00 p.m., Thursday, Aug. 5.

Mr. Maruska, 55, died at his home at Minocqua, Wis., Aug. 1, 1948. He is the son of Mr. and Mrs. John Maruska and is being brought to Ord for burial. He was a veteran of World War I.

Blanks Available In Corn Contest

Entries Due By Sept. 20 Encourage Dryland Entries; Award Meetings in January

Entry blanks for the annual ten-acre corn field contest are now available in the Valley county extension office, County Agent C. Dale announced this week. All entries must be received by the state contest committee by Sept. 20.

Award meetings and corn shows will be held in each of six districts next January. Ord is the site chosen for the north central district which consists of 14 counties. Blanks obtainable from the county agent will enter contestants in county, district and state contests.

Dale especially urged farmers to make dryland entries. Only a few have been received in the past, he said.

Honors will be awarded to non-irrigators for yellow and white corn, and to irrigators for yellow and white corn. Certificates will be given for five places in each of the four classes.

Already nine requests for contest blanks have been received, said Dale. He added that corn in Ord is expected to exceed by far the yields of a year ago.

In last year's contest, high scores in Valley county were Edward Christensen of Ord with 97.68 bushels per acre and Robert Scott of Arcadia with 95.79.

Contest Purpose. Any farm operator living in Nebraska may enter the contest. Fields must be located in the state and must be at least 10 acres in size and regular in shape. Contestants will be scored on the basis of 75 per cent for yield and 25 per cent for grain quality, yellow and white corn.

City Signs Contract To Provide REA Current For 5 Years

Rate Is Slightly Higher Than Old Contract; New City Attorney Appointed

The city of Ord signed a five year contract Tuesday night with the Loup Valley Rural Electric Membership Association calling for the furnishing of a maximum demand load of 150 kilowatts in electrical energy.

The contract had been approved earlier by the local REA board of directors. It must still be approved by the REA administrator in Washington.

New rates for the REA will average about 1.75 per KW/H, as compared with 1.35 under the old contract which expired recently, according to George Allen, city engineer.

Operating Cost Higher. "The new rates are based upon energy demand and consumption both," Allen said. "When all factors are added together we expect the rate to be about 1.75, which will take care of our increased costs of operation."

City dads also signed a contract with Lutz & May, consulting engineers for supervision, plans, etc. for construction of the \$275,000 addition to the Ord municipal plant. Work on the plant is expected to start within 30 days.

REA Lights By Christmas. "One of the first things to be built will be a large substation to transmit power to REA," Allen said. "We expect to start serving some portion of the REA lines by Christmas."

City dads also discussed the placing of windows, and painting at the new swimming pool. Present plans call for painting the basement with water proof paint. Opening of the pool is scheduled for this week.

City Attorney Resigns. Resignation of John P. Misko, city attorney, was accepted by the council, and Clarence Davis, a former city attorney, appointed to take his place. Mr. Misko is also attorney for the REA district and stated that he could not ethically serve both parties.

Extension of water mains in the Graeceland portion of the city cemetery was approved. The extension will cost about \$500. City dads also cancelled bonds of John Arsenow, former police judge and Ed Anderson, plumber, both of them having moved out of the city.

Cummins' Back from Long Trip

Mr. and Mrs. M. B. Cummins returned to Ord Sunday evening completing a 3,850 mile trip. They went first to Denver, Colo., where they picked up Mr. and Mrs. Roy Coleman and Mrs. Estelle Parsons and from there they journeyed to California. They went through Phoenix, Ariz., Albuquerque, N. M., the Imperial Valley and on to Mesa, Calif., where they visited Mr. and Mrs. Milton Earnest and their sons, Lyle and Gus.

They came back by way of Salt Lake City, U., where they visited the sights, on to Laramie, Wyo., and down to Denver. While in Globe, Ariz., they visited the largest copper mines in the country. The roads were high and very crooked here and ex-mayor Cummins (a plainsman) was glad he had a mountain driver with him. Even so he plans to walk thru the high spots on the next trip, especially over the road in the celebrated Painted Desert, where the speed limit is 20 miles per hour and you stop if you meet a car on a curve.

Ord High School Completes 20 Years Educational System Graduates 1,359

Thirteen hundred and fifty-nine graduates aged 17 to 20 years of the new school, Charles Bowers moved to Holdrege and later to Lincoln where he died several years ago. He was succeeded by Millard D. Bell who was superintendent for five years before going to Columbia university and later to Wilmette, Ill., where he is now superintendent of elementary schools.

C. C. Thompson, assumed the duties of high school superintendent in 1936 and has continued in that capacity since that time as a progressive and liberal educator. Of the original \$150,000 bonds issued in June 1927 to build the high school, \$67,000 still remains to be paid. While sufficient money is available to retire the debt, the bonds were issued in serial and will be fully paid over a 30 year period ending in 1957.

Approximately \$9,000 a year is paid on the principal and for interest. By the retirement date in 1957, \$130,000 will have been paid in interest. The initial issue of \$150,000 in bonds.

Vocational Ag. Since the dedication of the high school, the vocational agriculture shop was built in 1939. A valuable addition to the educational system, the shop construction cost \$7,192. Equipment for the building was (Continued on page 4)

76th Birthday Finds Her Happy

Many Ordites made an elderly lady very happy on her 76th birthday Sunday by keeping her on the telephone almost constantly accepting birthday greetings. Mrs. Clayton E. McGrew has lived in Ord many years and has made many friends. Her husband, knowing how she enjoys people, passed the word of her birthday to a few close friends. The word was spread and the number of calls grew. Many sent her cards and flowers too. The above picture was taken of Mrs. McGrew on her birthday.

Race Drivers Request Entry Valley County Fair

Speedmen From Michigan, Ohio and Nebraska Apply; Chemical To Boat Dust

Racing entries for the big car races at the Valley County fair are beginning to roll in, Track Superintendent Clyde Baker, disclosed this week.

In answer to an advertisement in a national race magazine, three inquiries have been received, said Baker. One request for entry blank came from William East of Omaha who drove in the races here a year ago.

Other applications were received from John L. Genelli of Detroit, Mich., and Billy McGee, of Columbus, Ohio. McGee wrote that he had "heard a great deal of talk concerning the fine track at Ord."

He expects to drive a racer with a Dreyer engine. "We received a very quick response, considering that the races are still a month away," said Baker. "While an inquiry doesn't guarantee the driver will race at the fair, we're happy to have the requests for entry blanks get such an early start," he said.

The dirt track, reputedly the best half-mile loop in Nebraska, will be treated with calcium chloride during the Aug. 31 - Sept. 1 race days. The chemical holds the moisture on the track surface and lessens the amount of dust.

Nursing School Tea. All girls interested in nursing are invited to the St. Francis Hospital school of nursing at Grand Island for an open house and tea at 2 p. m. Saturday, Aug. 7, according to word received from the school director.

Ward's Cookin' Column

Some of the old timers will remember one John B. Monroe, who lived at first in Ord, and later on a farm one mile west of the Vin-ton townsite. He married Anna Nelson, a sister of Henry, Charles J. and Alfred S. Nelson, all old timers of Valley county. Their two daughters now live at Cadott, Wis., where the mother passed some years ago, and where John died in 1943 at the age of 90 years. Recently their cousin, John L. W. Nelson of Omaha and family visited the girls at Cadott, and while there he got a copy of the following interesting description of the famous winter of 1880, written by Mr. Monroe shortly before his death:

"In the winter of 1880-81 we had a hard snow storm with a hard wind (blizzard) which filled the canyons level full of snow. As there were no bridges over them you simply had to go down one side and climb out the other the best way you could, as they were six to twenty feet deep. Ord was snow bound for over two months. The city folks were ill prepared for such a situation, as only a few had a week's supply of fuel or food and it was a steady cold time.

"Doc. Harter had a good supply of potatoes in his cellar but they all froze solid. He also had a supply of flour and groceries, so that at my boarding house we had frozen potatoes, bread, butter and coffee three times a day, a little meat and eggs occasionally. Fuel was scarce. They done the cooking in the dressing room and we ate with our coats on and wrapped our hands around our coffee cups to keep our fingers warm. The towel hung in the dining room on the door, and after two or three had used it it was frozen stiff and you could use it or the door to wipe on. I used my coat sleeve mostly. (No coal in town.)

"It was 70 miles to Grand Island, so the price of hauling with a team from there made coal prohibitive. Grand Island being the nearest rail road, the settlers depended on cedar from the cedar canyons 14 to 15 miles north east of Ord (the kind of cedar from which pencils and hope chests are made), and cottonwood and willows from the big island seven or eight miles above Ord. So, can-yons being full of snow, they done the next best thing. Used corn, those who had it, cobs, cow chips, hay, straw, etc. But now the city was cut off from all such, so had to rely on drygoods boxes and

Dairy Bar Will Open Saturday

Opening of the new dairy bar at the Riverview dairy in Ord is scheduled for Saturday with free ice cream in treats for all, according to James O'Halloran, owner.

Decorated in the high school colors of red and white, the remodeled room is one formerly used as an office. A long, curved counter bar is installed along one wall and is equipped for fountain service. Booths have been placed along another wall.

Construction of the bar and booths was engineered by John Rogers, superintendent of the plant. Most of the work was done by Rogers and other dairy employes.

Intended to cater to the teen-ager crowd, the dairy bar will serve ice cream made on the spot by new freezer equipment.

ROSE STAR NEWS.
This community is rejoicing over the rain received this last week. It came just the right time for the corn. Wednesday evening we received 1.50 in, Saturday evening 35 and Monday morning we got 1.15 inches making a total of 3.30 inches in a week.

Mrs. Lizzie Stover and Dick McDonald of Grand Island returned home Friday after spending several days visiting at the home of their brother, Mr. and Mrs. Roy McDonald.

Mr. and Mrs. Paul Zochall and family spent Thursday evening at the home of Mr. and Mrs. Frank Hewitt, a blacksmith by trade, was living on his home-stand. He was one of them who had no mill, so he took an axle of his wagon, dug a hole in the floor of his dugout, set the axle on end in it, scored the skin, put on the wheel and had a grist mill of his own.

"The neighbors caught on, and he said at daylight every morning he could see them coming from every direction, trying to get their's done first. Such was the case in Nebraska. I never heard of anyone really suffering. Most of them took it as a joke and enjoyed it." (Written by John B. Monroe, aged 90, Cadott, Wisconsin, 1943.)

With reference to the above, it would not be amiss to draw some interesting contrasts. For ex-ample, Mr. Monroe stated that the price of coal, hauled by wagon from Grand Island, made it prohibitive. Coal so hauled in 1880 sold at from 8 to 10 dollars per ton, or about half of what any coal costs us today. At present prices you can imagine anybody using corn for fuel, even in emergency. Cedar wood was used for fuel then. If we had those same red cedar trees today, the lumber would be almost priceless for making those hope chests of which he speaks and other fancy furniture. Very few homes, even on remote farms, can boast of a frozen turkey these days. All bread was home baked then, and all meat, including venison, was home killed, and flour was made at home, then or shortly after, by R. F. Milford, in the mill across the river. Yes, times have changed some.

Father's Oddities
In Ecuador, the expectant mother is put out of her house, while the father is coddled, honored and doted until he recovers from the shock of becoming a pappy. In the Sudan in Africa, after at least five children, the wife may return to her parents leaving the children as the property of the father. In the Philippines and in Japan, during the birth of a child, the father must take to his bed and simulate labor.

NO CHILD NEEDS TO HAVE DIPHTHERIA

In the first three months of 1948 three cases of diphtheria were reported in Nebraska. This is three cases too many. In 1946 seven deaths from diphtheria were reported.

No child needs to have diphtheria. Medical science has given us an immunization treatment that protects children from this disease, which is just as danger- ous as it ever was, especially to children less than five years of age.

Today more is known of the cause, prevention, and cure of diphtheria than of any other dis- ease. Diphtheria will not be conquered, however, until all par- ents realize that their children must be safeguarded against it. After the first six months of life, nearly every child is susceptible to the disease and should be im- munized. Your physician, health officer, or nurse can tell you how this can be done.

Hundreds of thousands of chil- dren have been immunized against diphtheria. Have yours been pro- tected against this disease?

Thank you very much
Wilma Anderson
(Mrs. Asa Omderson)

New Equipment.

Noll Seed Company have in- stalled a new flower cooler in their show room. This cooler was formerly enameled white and Bob Noll has taken all the finish off and refinished in blond natural wood. The result is very satisfy- ing, and it makes a spacious dis- play for cut flowers.

Above Ground Turnip
Kohlrabi is a curious vegetable. It is an above-the-ground turnip with leaves that sprout out like the scales of a fish. Cooking experts suggest preparing it exactly like a turnip—trim the leaves, pare and slice lengthwise. Cook in lightly-salted water for 20 minutes, drain and serve with melted butter or cream.

Color Blindness Told
In 1794 John Dalton read a paper describing his color blindness before the Manchester literary and philo- sophical society. This was the first comprehensive study of color blind- ness. For many years the name of "Daltonism" was used to designate color blindness.

This map shows the route of travel for the 3-day northwest Nebraska tour. More than 400 are expected to attend the Northwest Nebraska Hereford Breeders Association's 3-day tour this month, according to Harold Harnas of Valentine, head of the organization. The tour is scheduled for August 23, 24 and 25, and 25 ranches will be visited during the three days. W. W. Derrick, University of Nebraska animal husbandryman, will conduct the tour in cooperation with county agents of the agricultural agents of the four counties to be visited — Cherry, Sheridan, Dawes and Sioux. Those planning to make the tour, Derrick said, are to meet at the junction of Highways 20 and 83, five miles south of Valentine. Those coming to join the tour from the south are to stop at the Wilbur Drybread sign, approximately 12 miles south of the highway junction. The Drybread ranch is the first scheduled stop on the tour.

Ord High Ends Twenty Years

purchased for \$1,458. Of the total cost of \$9,115, nearly half of the expense was paid by the federal government. Through the years of good times and bad, the stream of young people from Ord has continued in a steady parade. During the past two decades, graduating classes have averaged 68 graduates each year. Back in 1928, Jack Romans and Rodney Stoltz were green freshmen in the new high school. Ella Marie Strong (Mrs. Ellis Carson) started her normal training courses. In 1929, Elwin Auble, Evelyn Barta, Wilma Cochran and Leonard Cronk undertook the serious duties of their first year in high school, as did Irma Kokes, Ray Melia and Wilma Slavicek (Mrs. Asa Anderson). By 1930 Harold Garnick, Bert Boquet and James Milliken were admitted to the new temple of learning along with Floyd Beranek, Arthur Auble and Doris Whiting. Through The Years. Newcomers in 1931 were Richard Rowbal, Mildred Timmerman and Richard Severson and Beulah McGinnis, who was freshman president. And Leonard Great-house was working on his baseball letter. Joe Cupp, present high school science teacher, received his diploma in 1932. Others listed among the grads were Marian Grace Cushing and Sylvia Cornell. Included in the largest graduating class during the 20 years in 1933 were Emil and John Danzek and George Allen, Jr. There were 87 receiving diplomas that year. In 1934 the graduating class colors were light and dark blue. Some of those helping to choose the colors were Ruth James, Lydia Adamek and Mildred Kasper. 1935 saw Emil Zadina, Kenneth Wilson and Eleanor Keep at the senior class commencement. The year also started a string of four years in which the Ord football team was unbeaten. Who's Who in Ord High for 1936 listed Charlotte Blessing and Dale Melia. Other seniors included Jeanette Hughes, Lowell Jones, Wilma Severson, Darrell Noll, and Ruth Koupal who was class vice-president. In 1937, Jane Ferguson was president of a peppy G.A.A. directed by Miss Crouch (Mrs. Orin Kellison). Laverne Lakin, Barbara Dale, Lorraine Kusek and Armona Beth Achen (Mrs. Martin) were senior class officers. The Oracle. The Ord high Oracle started publication as a mimeographed three columned newspaper in 1938-39 after existing during infancy as an occasional full page in the Quiz. Lyle Flagg acted as editor and Sylvia Iwanski as news editor. By 1940 the Thespians were presenting "The Good Egg" with Joe Gregory, Wilma Ollis, Christina Peterson, Rodney Rathbun, and Angelina Wachtile all taking parts. As the war neared, the spring of 1941 found Kathryn Work editing the Oracle. She was assisted by Phyllis Dodge (Mrs. Harold Garnick) as business manager. On the football field, Christensen, Furtak, Cochran, Flagg and Zlomke were some of the men starting another four year stretch of unbeaten football years. High scholastic honors of 1942 went to Irene Auble who was chosen valedictorian with Marie Kusek receiving salutatorian. Among the grads were Orel Koelling, Mary Kominek and Beverly Davis. The Annual. The 1943 Annual staff dedicated their year book in memory of Charles Thompson who died as a result of an accident in the school gymnasium. Officers of the sen-

Counted among the seniors in 1944 were Don Auble, Loyal Hurlbert, Arlene Timmerman and Roberta Stoddard. Charlene Munn, Ray Biemond and Keith Kovanda were also on the list of graduates. Cheering the teams to victory in 1945 were Patsy Griffith and Patty Achen, cheerleaders. Seniors included Dick Satterfield, Lillian Gencski and Kirk Lewis. In 1946, Willard Stowell was senior president, Marilyn Ollis won the Regent's scholarship. Dot Kokes was awarded BPWG honors as outstanding senior girl, and the Wolfe twins, Arlene and Maxine, were drum majorettes in the band. Future Farmers. First place in the 1947 Future Farmers district contest on parliamentary procedure went to the Ord group led by Eldon Poth, president. Joyce Achen was valedictorian. Other seniors included Shirley Anderson, Verda Munn, Paul Laursen and Mary Lou Beran. The 1948 class was unique in that three seniors were named valedictorians for straight A's during four years of high school. They were Al Blessing, Sharon Boyce, and Douglas Dale. With the two men honor students and Jay Stoddard, Don Wozniak, and Bill Anderson as mainstays, the basketball squad won second in the state tourney. Wayne Ziomka was president of a senior class including Joan Sedlacek, Merritt Jenison Lorene Peterson and Betty Whittford. And in 1949 and the years that follow, from freshmen to seniors, the classes will continue their march through the halls of the Ord high school to follow the heritage of learning to a better way of life as the classes before them.

It's The Wrong Joe, Says Joe
 The court case some months ago of Joseph Psota, former Arcadia youth, over no-fund checks has resulted in a lot of embarrassment for another Joe Psota, respected farmer living northeast of Ord. The confusion of names has resulted in several unhappy incidents for he and his immediate family, so he has asked the Quiz to inform the people of this vicinity that they have the wrong "Joe."

Nebraska's First Regiment Displays Bravery and Gallantry In Civil War

By James C. Olson,

Sup't. State Historical Society
 For the most part, the Civil War was too remote from Nebraska to have the impact on the new territory which it had on the States of the East. But 87 years ago this month—in August of '61—it would have been difficult to convince the men of the First Nebraska Regiment, Commanded by Colonel John M. Thayer, that he war was something remote and far away.

On August 1st, five companies of the regiment were in St. Joseph, Mo., preparing to leave for the front. They had come down the river from Nebraska on the steamer West Wind. Two weeks later, the entire regiment was assembled at Pilot Knob, full of fight and raring to go. As so frequently happens, though, the First Nebraska was in for a period of waiting, and it was not until October that the regiment got on its way to the battlefield. The men went through St. Louis on a train of 39 cars pulled by four locomotives. The St. Louis Democrat declared they were "as splendid a set of men, and as well equipped . . . as ever defended a righteous cause."

Repel Attack
 The regiment spent some time in Missouri, under the command of General John C. Fremont. In February, 1862, however, the Nebraskans were sent to Fort Donelson, Tenn.

They turned back a terrific Confederate attack at Donelson and were credited with an important part in the action which resulted in Southern surrender of the position to General Grant. On April 7 of the same year the First Nebraska took part in the decisive battle of Shiloh. At both Shiloh and Fort Donelson, the First Nebraska was part of a unit commanded by General Lew Wallace, later famed as the author of "Ben Hur." General Wallace had nothing but the highest praise for the bravery and gallantry displayed by the Nebraskans in both of these important battles.

Became Cavalry
 In the fall of 1863, the regiment was mounted and became known as the First Nebraska Cavalry. Horsemanship proved so popular with the soldiers that an order was issued forbidding the men to ride except during military drills. After almost two years in Missouri and Arkansas, following the battle of Shiloh, the First Nebraska was returned home and stationed at Fort Kearney to protect overland emigrants and settlers from the Indians.

The men of the regiment were welcomed as heroes while spending a furlough in Omaha. Their commander, General Thayer, was later to be one of the first senators from Nebraska, and after that, governor.

Auxiliary Meets, Chairmen Named

Mrs. Loren Good, president of the Legion Auxiliary, has appointed committee chairmen to serve the coming year. The re-habilitation chairman is Dolcie Waterman; publicity, Mrs. Clark Weckbach; membership, Mrs. Richard Rowbal; child welfare, Mrs. Alfred Hill; courtesy, Mrs. Frank Fafetta; Americanism, Mrs. C. W. Clark; Pan-American and national defense, Mrs. John Wozab; community service and legislation, Mrs. C. J. Mortensen.

Appointments were made at the meeting of the Auxiliary Tuesday evening. Business at the meeting consisted of reports on the money making ventures at the hot-rod races and the carnival.

It was decided that the organization would serve the Steckley hybrid seed corn dinner to be held in Ord on August 26 instead of having a stand at the fair this fall.

The hospital bed is in use at Arcadia. There is still a wheel chair, crutches, steam pack and incubator available for use anywhere in Valley county.

After the business meeting a social hour was spent playing bingo. A committee consisting of Mrs. Alfred Hill, Mrs. John Wozab, Mrs. Ivan Botts, Mrs. Frank Norman, Mrs. Jos. Beloin, Mrs. Corvui Cummins, Mrs. Bob Moore and Dolcie Waterman served lunch.

Cheek Turned Once Too Often

A cheek was turned once too often in an inter-church fight of Balsora Baptist church of Arcadia, and as a result, a complaint has been filed in county court charging Niles Frost of Loup City with assault and battery. The hearing had been set for Wednesday morning but has been postponed a week.

According to County Attorney Ralph Norman, Frost allegedly took a poke at Rev. Ray McColley, pastor of the Arcadia Baptist church at a church meeting in Arcadia, Sunday. McColley retaliated, and Frost found himself on his ear outside the church meeting.

An inter-congregation scrap over the moving of Balsora church building, formerly about five miles south of the town, to Arcadia, has put the Arcadia Baptist group into two camps.

New Road in Town But Who Did It?

There's a new road in Ord along the railroad right-of-way between M and N streets, but no one will claim it.

"I know the road was graded with city equipment but I can't find any member of the city administration who will take responsibility for ordering it graded," Mayor E. L. Blessing told the Quiz.

The road story came out in a council meeting Tuesday night when Vincent Vodehnal and others presented a petition to have a gravelled walk put in along the right-of-way. With the walk in place, several residents in the vicinity will be entitled to city mail-carrier delivery. The walk site being on the right-of-way, the city will first have to get permission from the railroad. Councilmen decided to ask for permission, but deferred decision on more walks and roads until the railroad answers.

CHURCH NOTES

Ord Evangelical United Brethren Church,
J. L. Arnold, Pastor

The Annual Assembly at Millford begins this week on Thursday evening and will continue for 10 days. Any one who can attend is urged to do so.

The Annual Conference will convene in Broken Bow Sept. 1. We should begin shaping our plans to be ready for that time. We will conduct all of the regular services this week.

The Methodist Church,
L. V. Hassell, pastor

The subject for next Sunday morning is: "The Human Lock and the Gospel Key." This is second of a series of sermons on "Christ, the Gospel."

These sermons are given that we might appreciate the Gospel more and give the Gospel the rightful place in our lives. We hope to make them so practical that little children may see and know the way of salvation, and come to a realization of those things which make life worth while.

The official board will meet Sunday evening at 8:00 o'clock.

Pre-Nuptial Dinner

Mrs. Bernice Brady will be hostess at a pre-nuptial dinner Saturday evening honoring her daughter, Miss Eetta Brady and her fiancé, Mr. Robert Brashar, son of Mr. and Mrs. Clarence K. Brashar of Espanola, New Mexico. The guest list includes members of the wedding party, out-of-town relatives and friends, who will arrive for the wedding which will take place at the residence of Dr. and Mrs. C. J. Miller Sunday afternoon, August 8.

Miss Brady has chosen for her attendants, matron of honor, Mrs. J. B. Ferguson of McCook, Neb., bridesmaids, Miss Barbara Buck of Lincoln, Neb., and Miss Jean Brug of Buffalo, Wyo.

Back-To-Farm Move Stopped

The back-to-the-farm movement has apparently stopped, according to figures released recently by the department of agriculture in Washington.

Although the farm population gained during the previous two years, the number of people on farms at the first of 1948 is estimated at 27,410,000. A year earlier there were 27,550,000.

The decreased occurred despite the fact that births to farm residents exceeded deaths by nearly 90,000. Nearly a million persons moved to farms from cities, towns, and villages last year. But more than 1,500,000 moved away from farms.

Soaring Prices Recall '38 Low

As cattle skyrocketed recently at the Omaha livestock market, round steak was selling for 90 cents a pound in Ord.

At the North Side Market, it was recalled that 10 years ago about this time, Swift's premium round steak was selling for 28 cents a pound. And Ord people, then as now, were fussing about the high cost of living.

A review of advertisements in Quiz issues of 1938 revealed smoked hams priced at 18 cents a pound and bacon at 14 cents. Cream was bringing 22 cents a dozen with some as low as 14 cents. Leghorn hens were marketed at 11 cents.

Coffee was selling for .28 for standard brands while a coffee "special" listed three pounds for .43. A three pound can of shortening was priced at .53 and 48 pound bag of flour at \$1.

Clothing advertisements announced boys' shirts for 33, girls' print wash frocks 49, men's dress shirts .57, ladies house dresses three for a dollar. In the fashion department, a well-turned ankle could be dressed with knee length pure silk hose at 4 pair for \$1. Full-fashioned silk hose were two pairs for \$1.

And the automobile business was having its troubles even then. The Anderson motor company was warning potential buyers that it had only three Plymouths in stock and could get no more for a month.

Burwell

Mr. and Mrs. "Frosty" Swanson, Mr. and Mrs. Dean McGrew, Mr. and Mrs. Billy McMullen and Mr. and Mrs. Billy Beat enjoyed a picnic in the John Walford grove Sunday.

Jr. Lund went to Omaha on business Monday. He returned home that evening.

Miss Lulu Walker returned home Sunday from a month's vacation. She spent some time with her brother Fred Smith and family in Martin Home, Ida., and the Phelps family in Montana, also visiting places in Canada. On her way home she visited Charles Phelps in Omaha.

Mr. and Mrs. Carl Weber of Ogden, U., came Wednesday and were guests of their brothers and sisters, Mr. and Mrs. D. T. Price, Mr. and Mrs. Stanley Mitchell and Mr. and Mrs. Spencer Horner of Burwell and Mr. and Mrs. Ernest Horner of Ord. They left Tuesday on their return home.

Mrs. L. B. Fenner had a frightful experience Sunday, when a swarm of bees they were working with became angry and lit on her, stinging her quite badly around the head. She was taken to the Burwell hospital, where she will remain for a few days medical care.

Mr. and Mrs. Ray Wiberg and family were guests of Mr. and Mrs. Ernest Rouse and family Monday evening. They helped the small son of Mrs. Eloise Oystef celebrate his third birthday.

July 29 was Mr. and Mrs. P. O. Peterson's 25th wedding anniversary. Although they had no celebration for the occasion they did get quite a thrill out of a telephone conversation they had with a sister of Mr. Peterson's in Denmark, wishing them congratulations.

Mr. and Mrs. Frank Wagner and daughters plan a trip to Mason City, Wednesday. Mrs. Hubert Leach will accompany them as far as Ansley, where she will visit her son and family. They will return that evening.

Mrs. T. B. Swanson and son Ronny and Mrs. "Frosty" Swanson and son Danny spent Monday in Ord.

Mr. and Mrs. H. A. Leach and the former's mother, Mrs. Elizabeth Leach, drove to Arcadia Sunday and spent the day with Mr. and Mrs. Leland Leach. The 4H Winter Wardrobe clubs of the county are planning an achievement day program August 10 at the Congregational church. There will be a style revue of all the dresses that have been made by the girls. A welcome is extended to any one wishing to attend.

Ordmen Thrash Comstock 15 to 4 To Avenge Earlier Contested Loss

Mason Alone In Loop Lead As Indians Oust Arcadia From Tied First Place

In a slug-fest at Comstock Sunday, Ord copped a 15 to 4 Loup Valley league game from the host team with the combined aid of good pitching by Patrick and regular hitting by Rickli and Rol Beran.

Beran drove out the long hit of the day with a triple. He and Rickli each collected four hits in five times up. Patrick went the route to strike out nine men.

W. Wells tallied twice to lead the scoring for Comstock. Monroe did the mound duties and allowed 16 hits for the Ord men.

An Ord player, Don Dahlin, sprained a leg badly sliding into home plate in the 7th inning, and was carried from the field.

Defeat Averaged.

The victory averaged a previous defeat by Comstock who won 6-5 on a tally scored by a runner who struck out. With a man on first, the batter, Tvrdik, swung thrice but ran to first when the catcher dropped the ball. Another batter was played on before attention was called to Tvrdik's being on base. Afterwards he scored the winning run.

A later meeting of managers ruled against Ord who finished the game under protest. The decision was based on the fact that Ord had continued the game before noticing the runner was still on base.

Mason Gains Lead.

Mason City's 4 to 3 win from Loup City gave the winners undisputed ownership of the league crown as Arcadia, the loop's co-rulers a week ago, suffered a 6 to 1 thumping by the Broken Bow Indians.

On the Mason diamond, Loup City was leading 2-1 and the home team was at bat with none down and a man on third. The Mason batter laid down a bunt to Pitcher Bill Novosad. With the pick-up too late to catch the runner going home, he threw to first. The peg went wild. The blow-up that followed allowed Mason City two more quick scores.

At Arcadia, the Indians took to the war path led by Dean who held the Huskies to two hits and fanned eleven. The Dean vs. Beasley pitching duel featured the play, but the Arcadia moundsman was brushed for eight hits by the Indians.

Weeds Aid Homer.

Beecline of Arcadia registered a home run on a hit that got lost in some weeds along the third base line. For Broken Bow, Ingram collected three additional hits.

In the lower league bracket, Litchfield lost a 6 to 2 contest at Miller; and Berwyn took a 11 to 3 win at Ansley.

Games scheduled for next Sunday will find Ord tangling with Litchfield on the Bussell park diamond. Other competition places Miller at Loup City, Ansley at Mason City, Comstock at Arcadia, and Berwyn at Broken Bow.

Ord Junior Legion Wins Championship

Tops League With Victory At Scotia Last Tuesday; To Central City Tourney

Junior Legionaires of Ord claimed the championship banner in their league Tuesday when Scotia forfeited after the winners ran up an 8 to 1 score before a second inning rain bogged down the game.

In taking league honors, Ord won a trip to Central City to participate in the area "B" tournament beginning Friday at 8:30 p. m. The juniors will exchange blows with either Stuart or Orchard in the first contest of a three day pennant race for state championship.

Coached by Bill Heuck, Ord's Junior American Legion team has racked up an enviable league record during the current season.

In a game last Sunday, Ansley won a 4 to 0 game from the Ord nine, playing at home. Ansley's pitcher sent 16 men down swinging. Nelson and Richardson pitched to Stoddard for Ord.

Bakery Serves 600 On Anniversary

Mr. and Mrs. Frank Drudik entertained well over 600 people with free rolls and coffee Saturday to show their appreciation for the business they had during the first year they have owned the City Bakery.

Mr. Drudik started baking rolls in preparation for the crowd at 2:30 Saturday morning and worked straight thru until 7:00 Saturday evening. The last two hours his feet were so swollen he had to work in his stocking feet. Three worked at serving the treat in the bakery and at times the crowd was so dense that it was impossible to get everyone to sign the guest book. Over 500 were registered.

Incidentally, Frank Drudik went home at 7:00 to get cleaned up to meet the public in the evening and to relieve his wife who had been

working all afternoon and while waiting for bath water to heat laid down on the floor to relax and that is where his wife found him at midnight, fast asleep.

Frank Glover, 84, Dies Saturday

Ord Carpenter-Contractor for Over Half Century Laid to Rest Wed. Morning

Funeral services were held this (Wednesday) morning at 10:00 for Frank Glover, 84, a prominent carpenter at Ord for over a half century. He died at his home Saturday evening, July 31, following failing health for many years.

Frank Ellsworth Glover was the son of Shepard Reese and Delia Glover, and was born in Maple Grove, Berry county, Mich. on April 23, 1861. When he was one year old his family moved to Otsego, Mich., where he lived until he came to Valley county in 1885. He took a homestead and acquired the title on Dec. 23, 1889. He married Rose Kaiser on July 28, 1893. To this union six children were born. One son, Ray, preceded his father in death.

Fireman 50 Years.

He was a member of the Ord fire department for 50 years. He was a member of the Christian church where he taught a men's Sunday school class for over 20 years. He served several terms on the school board.

In 1943 Mr. and Mrs. Glover celebrated their golden wedding anniversary.

He is survived by his wife, one son, Robert of Denver, four daughters, Mrs. Ruth Braudaway of Gering, Mrs. Helen Brown of Buffalo, N. Y., Laura of Gunnison, Colo., and Alma of Salt Lake City, U. He has seven grandchildren and one great granddaughter. He leaves three sisters, Mrs. Leola Baker and Mrs. Etta Baker both of Newberg, Ore., and Mrs. Emma Laverly of Burwell.

Rev. Clyde Scott officiated at the services at the Christian church. Pall bearers were Andrew Nielsen, W. H. Barnard, Anthony Thill, Clayton Gilroy, Jake Hoffman and Archie Bradt.

Pfc. Lloyd Hoon Is Laid to Rest

Walter Hoon and Mr. and Mrs. Paul Holmes drove to Maxwell Tuesday to attend funeral services for his brother, Pfc. Lloyd L. Hoon who was killed in action on the Normandy beachhead, June 6, 1944. He was buried in the National cemetery at Maxwell.

Mr. and Mrs. Paul Holmes and Harold Miller of Polk, and Clarence Hoon also attended the funeral.

Funeral Here Monday for a Former Ord Boy Who Dies in Colorado

Funeral services were held in Ord Monday afternoon at 2:30 for Harold Lloyd Hunt, son of Mr. and Mrs. Lloyd Hunt of Boulder, Colo. Rev. Eugene Olson officiated at the Methodist church.

Pall bearers were Archie Mason, Victor Cook, Wallace Coats, Sam Brickner, Dean Bresley and Elmer Almquist. Burial was in the Ord cemetery.

Services were held at Boulder, Colo. Sunday for Harold, 17, who was drowned Friday afternoon in the swimming pool at Eldorado Springs, Colo. He had been swimming with friends and evidently slipped and fell when getting out of the pool, striking his head and losing consciousness, then slipped back under the water. He was not missed until his friends had finished dressing.

Harold moved with his parents from Valley county about seven years ago. They moved to Kearney and about three years ago they moved to Boulder, Colo. He had a quiet nature with a keen interest in athletics. He was active in Boy Scout work and was an accomplished musician. He played with Boulder University band. He would have been a senior in high school this fall. He was a member of the First Baptist church in Boulder, having been baptized in February, 1945. He was president of the Baptist Youth association, The American Legion Junior baseball club of which he was a member was present in a body at his funeral in Boulder.

He leaves to mourn his departure his parents, Mr. and Mrs. Lloyd S. Hunt; his grandmother, Mrs. Elizabeth Harrison; Mr. and Mrs. Ed Hackel, Mr. and Mrs. A. K. Jones, Mr. and Mrs. Lowell Jones and Mr. and Mrs. Russell Rose all of Ord.

Burial was in the Ord city cemetery.

Palmer Defeats, Dannebrog Beat; Both Tied Again

Ashton Downs Leaders; North Loup In Victory; GI. Cushing Share Cellar

Sherman-Howard leaguers juggled the team standings again Sunday as the leading Dannebrog nine stumbled and second place Palmer took a forward pace to tie top position once more.

The two teams will meet at Palmer next Sunday in a game which will decide the superiority of the two leaders. Forecasters predict a torrid tie-breaking contest.

League leading Dannebrog's fall from the loop throne came by the inspired teamwork of a hepped-up Ashton ball club. Not only did the Danes lose, but they even failed to score. Ashton brought in six runs to move into third place in the league.

Palmer regained a share of the top spot by beating Elba 9 to 4. The winners vacationed last week from the league peak. In losing, Elba gave up third place to the Ashton squad.

North Loup Whis.

North Loup doubled the score on Cushing in a slugging match which ended in a 14 to 7 record. The Loupers jumped two places in league standings and pushed the luckless Cushing to a tie level with the cellar Grand Island Knights of Columbus.

Farwell lost a tight 2 to 1 campaign to the Islanders on the GI diamond. It was the third straight Farwell game with a 2-1 score.

Flower Display Attracts 300

The fourth annual flower show held Thursday afternoon at the community hall had 300 guests registered, 115 less than registered last year. There were 172 floral entries, while last year there were nearly 300 but this decrease in numbers does not mean this year's show was less a success than last year for some classifications were eliminated this year. Wednesday night's rain spoiled some flowers that would have been shown. The smaller number of entries made it possible to display the flowers to much better advantage. Predominating in the entries were baskets of glads. In the single glad entries was a blue one grown by Cliff Goodrich. There was an unusual number of white ones. Arrangements in vases and for centerpieces were many and unusual. Mrs. W. O. Zanger won the grand prize with a centerpiece of lemon colored glads, arranged on a flat crystal dish with a tall bouquet of the same flowers on one side of the dish.

The Jensen sisters of Ord won the sweepstakes by having the highest total of points. They won first or second in many divisions and showed a variety of arrangements. Mrs. Helen Jensen of Ord won second sweepstakes. In the men's division, W. O. Zanger won first and George Maxson second. The door prize, an ivy bowl, went to Mrs. Otto Bartz and the second door prize, a named iris went to Mrs. A. J. Barts.

Ned Raun of Upland won the prize, one red Zobel horn and 50 glad bulbs for bringing flowers from the greatest distance. Mrs. Paul Mitoff of Springfield, Vt., won the prize for being the visitor from the greatest distance.

In the children's division, David Pokraka had first sweepstakes and Roger Hellewege second, while Wilma Vodehnal won the grand prize with a clever rock garden arrangement. Judges were Mr. and Mrs. Roger Harris and Mrs. Cole of Hastings, who were accompanied by Bob Chalmers. Mr. Chalmers assisted with the flowers but was not a judge. The committee from the Fortnightly club in charge of the show were Mrs. Adolph Hellewege, chairman; Mrs. W. O. Zanger, Mrs. Cloyd Ingerson and Mrs. H. C. Fisher.

Rev. Lebo of Sargent who is a glad grower came over with a large assortment of glads but because of the muddy roads and car trouble, did not arrive in time to have much of his exhibit judged.

Mrs. Ned Raun and daughter, Kathy, came from Minden Thursday and were guests in the W. O. Zanger home. Saturday Mr. Raun drove up from their home at Upland and Mrs. Raun and Kathy went home with him Sunday.

Sunday night guests of Mr. and Mrs. W. O. Zanger were Dr. and Mrs. C. W. Ellyson of Waterloo, Ia. They have been on a trip to Alaska and were returning home.

LuciGrace and Walter Switzer and their grandfather, Walter Nott, were over from Elgin Tuesday looking after the lawn and flowers at the Switzer home. Mrs. Switzer is still in Illinois at the Y.W.C.A. school.

Mr. and Mrs. Joe Burson spent the week end with friends and relatives at Ord and Burwell.

Mrs. A. W. Smith has spent the past week at Newport, Nebr., in the home of her daughter, Mrs. Hugh Moore. Sunday the Moores brought Mrs. Smith home and Charlotte Moore stayed for the week.

Mrs. Margaret Gilmore returned Saturday from Kearney where she had spent the past two weeks with the Melford Wiseman families. Jackie Wiseman, daughter of the Melford Wiseman's came home with her and Sunday Mr. and Mrs. Harry Wiseman and Mr. and Mrs. Melford Wiseman came after her.

Mr. and Mrs. Allen Tappan and son and daughter arrived Saturday from their home in Morton, Wash., and are guests of his mother, Mrs. Anna Tappan and her mother, Mrs. Frieda Noyes. Mr. and Mrs. Laverne Noyes, two sons and baby daughter arrived Thursday and are guests of his mother, Mrs. Frieda Noyes and her parents, Mr. and Mrs. Reuben Nolde.

A family picnic held Sunday at the home of Mr. and Mrs. Herman Desel included Mr. and Mrs. Allen Tappan and two children, Mr. and Mrs. Laverne Noyes and three children, Mr. and Mrs. Darrell Noyes and daughter of Norfolk, Donna, Verna and Avonne Desel of Grand Island, and Mr. and Mrs. Maynard Desel. Mrs. Frieda Noyes is making her home with the Desels since she fell last winter and broke her hip.

George Tappan of Omaha spent last week end with his mother, Mrs. Anna Tappan. Mrs. Tappan and George were dinner guests Saturday in the Emanuel Vodehnal home.

Now don't you wish that you had made a deal for that farm, even when you were afraid it was going to dry out. It is plenty wet and rough land corn was never better, and that land will be higher priced. Some land is priced high enough but the hill or rough land will go up some and should. We have some not very high in price. Better make up your mind soon.

Some real good houses at right prices. Some small tracts. Will try to show you what you want. Come in and have a look.

How It Can Be Done

Scientific, Accurate Frame Straightening
Wheel Balancing, Axle Straightening

We've invested the price of a small farm in this now, scientific Bear equipment pictured above, and we're proud of the fact that this is one of the few small town garages (and the only one in this territory) to possess such modern equipment.

Never-the-less, the use of the machine is not expensive, and it is one sure method of protecting your life and the life of your passengers against accidents caused by shimmying, unbalanced wheels, etc. In addition, a perfectly balanced car will give you more mileage, both in gasoline and tires. Let us tell you more.

Out Of Old Nebraska

By James C. Olson, Supt., State Historical Society

One of the earliest inventions ever produced in Nebraska was the roadometer, a device developed in 1817 by the Mormons under Brigham Young, making their long trek from Winter Quarters (now Florence, a suburb of Omaha) to Utah.

Those pioneer Mormons who struck out from the Missouri in the spring of 1847—Wednesday, April 14th, to be exact—were sure that they were but the first of a great throng who would cross the plains and mountains to the valley of the Great Salt Lake. Holding these views (which proved to be correct), they were anxious to provide information as accurate as possible for those who would follow.

Particularly concerned was Elder William Clayton, who as clerk of the company kept a detailed journal on the trip. He believed it especially important to maintain an accurate record of mileage. Out of that belief the roadometer was developed.

At first Elder Clayton intended himself with estimating the distance traveled each day. He found this unsatisfactory, though, because others in the company also estimated distances and almost invariably believed that his estimates were too low.

Being a patient, conscientious, determined man, Elder Clayton decided that he would remove all doubt by an exact calculation. So he measured the circumference of "the high hind wheel" of one of Brother Kimball's wagons, "being the one in which he slept, and calculated the number of revolutions it would make in a mile. He found it to be exactly 360, which, as he wrote in his journal, "some-what astonished" him.

Having done that, the good Elder proceeded to count every revolution made by Kimball's "high hind wheel." Imagine, if you can, marching along, day after weary day, counting the revolutions made by a wagon wheel.

This method silenced Elder Clayton's critics, but it was wearisome almost beyond endurance. Consequently, he kept urging that some member of the company rig up a device that automatically would count the number of revolutions made by the wheel.

Finally, on May 17, the roadometer was completed and attached to the wagon. It was an ingenious device consisting of cog-wheels made of wood which not only counted the wheel's revolutions but registered the distance traveled. It must have been with a great sense of relief that Clayton wrote in his journal:

"We are now prepared to tell accurately the distance we travel from day to day which will supercede the idea of guessing, and be a satisfaction not only to this camp, but to all who hereafter travel this way."

No Room for Trucks The Via Sol in Havana, Cuba, is believed to be the narrowest street in the world. It is only 47 inches wide.

Physical, Checkout, Practice Scheduled Ord Football Squad

Sixteen Lettermen Return
Fall Game Schedule Listed;
Five At Home, Four Away

That chill in the air may be a
little early for the football
season, but the pigskin season is fast
approaching.

Coach Dick Peterson, new head
mentor at Ord High, alerted his
football stalwarts this week with
a reminder that suits will be
checked out August 20-21, Friday
and Saturday.

Workouts will begin the follow-
ing Monday at 9 a. m.

Physical examinations will be
given Aug. 19-20. Examination
and permit cards must be signed
by the doctor and parents before
suits will be issued.

Sixteen Lettermen

Looking ahead to a tough
schedule, Coach Peterson reported
that 16 returning lettermen
were expected to take over chores
of the 1943 squad.

Paul Stoddard and Allen Blaha
are the regulars on the return list
from last year's eleven. Both are
backfield men. Dick Tolon, back,
and Dan Huff, guard, are two others
with previous experience, said
Peterson.

Other lettermen named were
Bob Moore, Dick Malolepszy,
backs; Richard Hueck, Dale Rich-
ardson, Harold Laursen, ends,
Don Eeren, Frank Adamek, Bob
Dworak, tackles; Richard Blaha,
Doane Ludington, guard; and
Gerald Severson, Jim Misko, cen-
ters.

NL Polio Victim Uses Ord Polio Pack In Lincoln

Lauritz Jensen, 20, Is
In Serious Condition;
Ord Auxiliary Aids

A polio pack purchased only re-
cently by the American Legion
auxiliary of Ord is now being used
on a North Loup youth who was
stricken by the disease two weeks
ago in Lincoln.

Twenty-year-old Lauritz Jensen
was said to be in a serious condi-
tion at mid-week. He reportedly
could breathe only with the aid of
an iron lung. He is the son-in-law
of Mrs. Ethel Hamer, Quiz cor-
respondent in North Loup.

Now the only polio patient at
the Veteran's hospital in Lincoln,
Jensen has been in an iron lung
since August 1. His condition was
such that Lincoln doctors recom-
mended use of a polio pack. None
was available in Lincoln.

Doctors at the hospital learned
of the pack in Ord and asked for
it. The kit was dispatched at
once. Exactly how the doctors loc-
ated the Ord pack was not im-
mediately learned.

Representatives of the Ord Leg-
ion auxiliary expressed thank-
fulness that the polio pack was
available when needed. They also
stressed that the pack may be used
for other illnesses which require
the use of hot packs.

The stricken Jensen is the hus-
band of the former Marjory
Hamer of North Loup. They were
married last March 25.

Forged Check Writer In Jail

Frank G. Kotera, alias Ray
Stewart, was arrested in North
Platte, Nebraska August 3 by the
state highway patrol and is now
in federal jail in Cheyenne, Wyo-
ning, county sheriff Bob Hall
told the Quiz this morning.

Kotera faces federal charges for
transporting a stolen car across
the state line, and according to
Hall, "Will get stiff rap." After
the federal charges have been sat-
isfied, Kotera can still be brought
to trial in Valley county for for-
ging checks, or in Adams county
where he is also wanted for forg-
ing.

Kotera was an employee of the
Quiz for several months a year
and a half ago, and left a trail of
forged payroll checks scattered
around Ord.

Joseph Ramaekers Is Candidate For Valley Co. Judge

Files With Petition Signed
By 380 Voters of County,
Appointed Judge Last July

Joseph W. Ramaekers, recently
appointed Valley county judge,
filed Monday as a candidate for
election to the office in the No-
vember general election. His is
the first filing received so far for
the position by County Clerk
Leonard B. Woods.

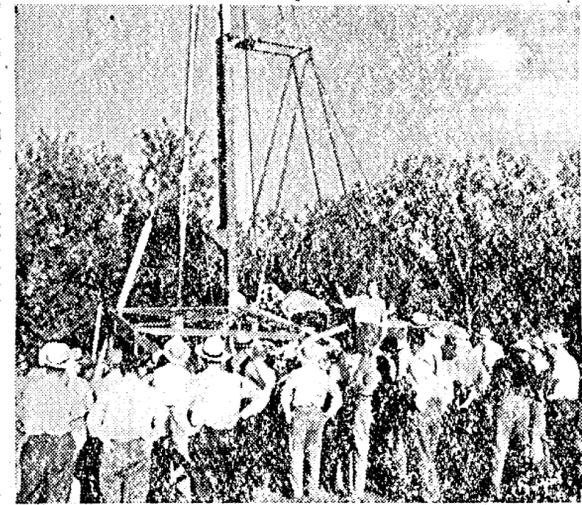

A former Ord restaurant owner,
he was appointed as county judge
by the county board to fill the
unexpired term left by the resig-
nation of Judge L. Anderson whose
re-election had been assured since
he was the only candidate to enter
the April primary. Ramaekers
took office on July 1.

For a candidate to have his
name placed on the fall ballot, he
must obtain 226 signatures — 10
per cent of the voters in the coun-
ty at the last gubernatorial elec-
tion. Ramaekers submitted peti-
tions signed by 390 voters.

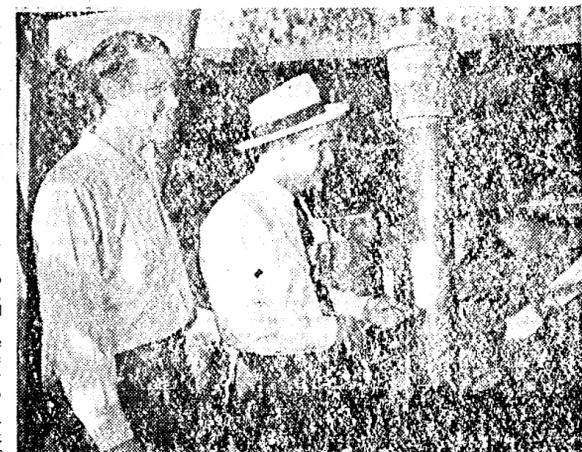

John L. Ward of North Loup has
indicated that he would also file
for the post. He is an assistant
county assessor and a newspaper
feature writer.

LEAVE FOR EUROPE.

Mr. and Mrs. Chris Johnson and
daughter, Alice, left Ord Wednes-
day afternoon for Grand Island,
first leg on their trip to Denmark
and other European points. The
Johnsens will cross the Atlantic
on the liner Gripsholm, and ex-
pect to return to Ord in late No-
vember or early December.

Approximately 100 persons met at the Davis creek dam
site late Monday afternoon to hear Paul C. Larsen of the
LVBICA (above on stand) explain preliminary surveys now in
progress at the proposed dam location prior to drawing of
construction plans. Purpose of the dam will be to aid irriga-
tion, flood control and soil conservation. — Swopes photo.

creek dam site, Paul C. Larsen, president of the Loup Valley
Basin Irrigation and Conservation association, (left) and John

Davis Creek Dam Survey Progresses Work Is Explained

Cross Sectioning Reveals
Dirt Composition And
Depth to Bed Rock

Proposed construction and the
present work of cross sectioning
the Davis creek dam site were ex-
plained to nearly 100 persons from
the surrounding area at a Monday
evening gathering at the site.

Representing Ord were M. S.
Dodd, Hugh Carson, Joe Ramaek-
ers, Ed Swopes and Leslie Nash.
Representatives were also pres-
ent from Elba, Cotesfield, Cush-
ing, Grand Island, Scotia and Far-
well.

Explaining the cross sectioning,
John Bates of the reclamation
bureau pointed out how it was
necessary to drill into the earth to
obtain dirt samples and ascertain
the depth of the bed rock founda-
tion.

Drills Probe Earth.
While drills probe the earth to
locate the solid under layers, dirt
samples are taken at various
depths. These earth specimens
are sent to laboratories in Wash-
ington. Analysis at each depth
position of soils at each depth.

From these findings, charts are
prepared showing layers of dirt
and rock formations. By this
preliminary survey, construction
engineers may learn of problems
likely to be encountered and draw
their plans accordingly.

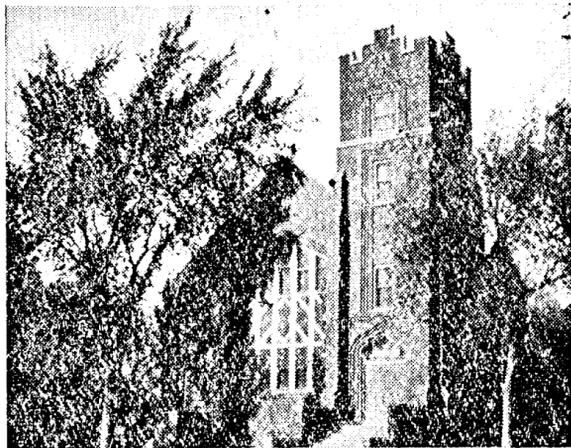

The cross sectioning also dis-
closes what soils will be available
for use in the construction of the
earthen dam planned for Davis
creek. In addition, engineers may
determine the depth and size of
an anchor necessary to hold the dam
wall which will be from 150 to 160
feet high.

Three-Fold Purpose.
Up to the present, work has con-
sisted mainly of preliminary plan-
ning. It has been determined that
the dam can and will be built if
Congress appropriates the funds to
the Missouri Basin develop-
ment.

Purpose of the dam will be in-
crease irrigation, permit better
flood control and aid conservation
of the soil.

By achieving these ends, it is
intended that agriculture in the
area will be stabilized to provide
the drain of population from the
farm land and improve the econ-
omic standard of agriculture
communities.

The meeting on Davis creek
was called by Paul C. Larsen, pres-
ident of the Loup River Basin Ir-
rigation and Conservation associa-
tion. Following the field trip to
the dam site, the party returned
to St. Paul for dinner and movies
on agriculture subjects.

Wheeler County Tops Bond Drive Valley Over Goal

142 Per Cent of Quota Is
Reported In Valley County
State Total Is \$46,201.00

Wheeler county topped the en-
tire state in the recent Security
Loan drive by more than tripling
its bond quota. Residents of the
county purchased 335 per cent of
their quota, a total of \$53,631.

Residents of Valley county pur-
chased the second highest per-
centage of bonds in this area with
a total of 142 per cent of their
quota, according to C. J. Morten-
sen, county bond chairman.

Bonds sold in Valley county
amounted to \$233,531. Only 19
counties of the 93 exceeded the
total percentage of bond sales.

Nebraskans throughout the
state invested \$46,201,000, accord-
ing to Leland R. Hall, state di-
rector of the bond sales division.

The success of the Security Loan
in Nebraska is abundant proof
that the people realize the impor-
tance of individual thrift for attain-
ment of personal and national se-
curity," Hall said.

"Sixty-nine of 93 counties ex-
ceeded their goal. Six others made
90 per cent or better. Credit for
this remarkable record must go
mainly to the many volunteers
who aided the drive," said Hall.
Nebraskans have made every bond
goal assigned to them.

Other counties in this area re-
ported the following:

Garfield \$91,808 or 139 per cent
of quota; Greeley 150,516 or 122
per cent; Custer \$543,318 or 105
per cent; Loup \$13,920, or 66 per
cent; and Sherman \$77,233 or 61
per cent.

Propane Plant Building Starts

To Supply Bottle Filling
From Bulk Storage Tank
Capacity of 18,000 Gallons

Construction was started this
week on an 18,000-gallon capacity
propane gas bulk plant on the
Union Pacific track near the fair
grounds in Ord. The new plant
will be a \$10,000 installation.

To be constructed entirely of
metal, the plant will consist of a
large tank, eight feet in diameter
and 47 feet long, and a 12 by 14
foot building which will contain
pumps and bottling equipment.

Laying of 150-foot railroad spur
for unloading at the plant was
the first work to be started. Com-
pletion of the construction is ex-
pected by Sept. 15.

R. W. Daily and E. L. Clark
are the partners who will operate
the plant, known as the Valley
Propane Gas Company. They have
been headquartered at Scotia for

Ord Pool Leaks In Initial Test, To Water-Proof

Concrete Walk Cracks
Board Stand Pulls Out
Pool Opening Indefinite

More disappointment over
Ord swimming pool showered
kids again this week. Spirits were
really dampened. But it was at
the only wetting the kids got
today. Cracks appeared in the floor
of the pool. The water disap-
peared. A few lucky kids and grown-
ups are congratulating themselves
having had a swim before
draining.

Water splashed into the
Thursday. A Friday open-
ing seemed assured. Next morn-
ing approximately 9,000 gallons
water were missing.

Since then the pool has been
re-filled five times in that in-
terval. Monday all the water
drained. Tuesday the city
waiting again for the contrac-
tor John Claussen and Sons. It
decided the pool would need wa-
ter proofing.

Water-Proofing.
First coat of water-proof
would have to set 12 hours. A
second coating would require
hours of hardening.

"We haven't actually had
opening yet," said Alex Cochran,
pool manager. "Until the wa-
ter arrives, there's no way of
knowing when the pool will open
he said.

Meanwhile, final payments
for the pool construction were be-
ing held, according to a city offi-
cial. So far a total of \$17,599 has
been paid to Claussen.

A claim against the city for
196 is now waiting clearance
of the city hall. The \$1,920 bal-
ance of the \$26,167.70 total Clau-
sen bill is also still unpaid.

Other Bugs.
Other bugs in the construc-
tion were cropping up, too. The
edge of the concrete sidewalk
around the pool seemed to be
cracking off as the ground ap-
parently settled. In one place
promenade walk looked like it
was pulling away from the top
of the pool wall.

"Mooring of one foot on the
board stand also broke through
the concrete. As City Engineer
George Allen diagnosed it,
anchor cup apparently slipped
through the slab. Evidently
cup had no support under it.

Questioned about the safety
of the high board and other
board supports, Allen stated
other anchors in the concrete
probably aren't any better
than the one that broke."

Sidewalk Settles.
In addition to the woes
square of sidewalk on the
near the bathhouse settled a
inch from the weight of the
piled on it from the filters.

Mayor F. L. Blessing de-
clared that the pool would not
be opened until the contractor
completed until repairs were
to the satisfaction of the city.

Other installations at the
pool were in good operation. Elec-
trical circuits wired by the city and
city water main checked out
Plumbing, sewer and chlorine
were reported in good work-
ing order.

A brief resume of the pool
story since Thursday reads as
follows: After the 10 inch dia-
meter water Thursday night, the
water re-filled Friday. By a
noon, the crowd of youthful
bathers grew to such size that
they were permitted to go in while
pool finished filling.

15,000 Gallons Gone.
That night an estimated 15,
gallons slipped quietly away in
darkness. On Saturday the
filling process was started a-
gain.

Investigating the cause of
missing water, workmen un-
der the filters under the
bathhouse. To repair the leak
was necessary to remove a
or so of the filters' gravel and
which was piled in the men's d-
ing room and on the outside
walk. With the sand removed
workmen were able to plaster
inside of the filter walls.

Approximately 65 swimmers
mostly kids, were in the tank
today. When Sunday arrived
more water was needed and
pool was again re-filled. In
afternoon, the pool was opened
business once more. About
persons tested the water, but
weather forced an early eve-
ning closing.

Dry Swim Trunks.
Monday morning started the
filling again. The first swim-
ing class was held for the girls
in the forenoon. At noon,
Director Alex Cochran was
tified that the pool would
drain.

Water started through the
about 1 p. m. but receded so
to allow a few last hour stroke
the kids who were finally
out about 5 p. m.

swimming pool stood bleak and

 impossible to go in the winter time, was accomplished under the direction of S. L. Clement, now deceased, who was chairman of the board of trustees.
 Third Conference.
 During the last year, the church was repaired where storms last June caused considerable damage. Much new plaster was applied. The entire inside of the building was re-decorated.
 With a seating capacity of nearly 400, and a possibility for the placing of extra chairs, the church has been in demand for large gatherings and the meetings of the general conference are being held there.
 This is the third time North Loup has entertained the conference, the first time in 1912, when a large tent was used for the meeting, and again in 1923 when the 30th anniversary of the church organization was celebrated.
 Former Pastors.
 Serving the church as pastors in the 75 years have been 14 regular pastors and four supply pastors. Pictures of these eighteen men hang in the church foyer.
 They are Oscar Babcock, George J. Crandall, Joseph W. Morton, J. H. Hurley, E. A. Witter, A. B. Prentice, M. B. Kelly, H. L. Polan, Hurley S. Warren, Claude L. Hill and A. C. Ehret, regulars, and

4-H Homemakers From Elyria Tour In Grand Island

Seven Members of the Clever Homemakers 4-H club of Elyria made an all-day excursion trip on Wednesday last week to Grand Island where they toured various points of interest.
 Most interesting of the highlights, according to the girls, was the tour of the Daily Independent building where they followed one page of the newspaper through the whole printing process. During the morning, they visited the KMMJ studios, the cathedral, and the Coca Cola bottling plant.
 After eating a picnic lunch in the city park at noon, the girls were guided through the telephone building. Much interest was shown in the work of the telephone operators, especially long distance operators.
 The girls also went through the Singer Sewing center and visited the swimming classes. A visit to the swimming pool was somewhat disappointing because the chilly weather prevented them from swimming, but they made plans to return later in August.
 Mrs. E. P. Kapustka and Mrs. James E. Iwanski furnished the transportation for the trip and accompanied the club members on the excursion.
 Girls making the trip were Clara Kusek, Rita Wozniak, Lilian Lech, Carol Jean Kapustka, Adeline Dubas, Betty Iwanski and Patsy Wozniak.

Claims Record House-Moving

Frank Krikac, retired local farmer, believes he has established a record for house moving and remodeling.
 He moved a four-room house into Ord from the country, repainted and decorated it and built on a kitchen and bathroom — all in a couple days short of two months. He did most of the work himself.

W. Hesselgesser Killed in Crash

Funeral services will be held at Central City, Nebraska this week for Watson Hesselgesser, a former resident of the Valley View neighborhood on the Calamus.

Salesman Held On Forgery Charge

Gene Hancock, a member of a magazine subscription crew which worked the eastern part of Custer county recently, is being held in the Custer county jail on a forgery charge. Hancock was arrested at Butte, Nebraska, and returned here late last week by Sheriff R. G. Fox.
 When arraigned in county court Saturday, Hancock waived preliminary hearing and entered a plea of guilty to the charge. He was bound over to district court.
 According to information given the sheriff, Hancock raised a four dollar check, given to him for a magazine subscription, to 14 dollars before he cashed it. The check was drawn on the Security State Bank of Ansley and signed by Ellsworth E. Ferguson of near Ansley. The act, to which Hancock entered a guilty plea, took place early in July.
 Sheriff Fox has repeatedly warned Custer county people to be cautious in dealing with unknown magazine salesmen and itinerant peddlers of any kind, and points to his case as an example of what can happen. Our office receives several complaints, the sheriff said, every time a magazine crew works the county.—Custer County Chief.

Schoenstein Imp. New Ord Business

Gus Schoenstein, who has been associated with Ed Gnaster the past several months in the operation of the implement division of the Ord Auto Sales, has announced his purchase of Mr. Gnaster's interest.
 Mr. Schoenstein has also purchased the former Duemny garage building, now used as a storage spot by Carson's Market, and plans to move his Case tractor and implement business there about September 1st.

Ord Graduate With Mayo Bros.

Earl Glarborg, son of Mr. and Mrs. Geo. Glarborg of Aberdeen, Idaho and formerly of Ord vicinity, was a graduate of Uni. of Minnesota in June. Since then he has been employed as physicist in Mayo Bros. Laboratory of Experimental Medicine.
 Earl was a graduate of Ord High School in 1934. He served nearly five years in the army where he worked on the atomic bomb project in Oak Ridge, Tenn. and in New York City. He married Miss Ethel Jensen of Eeresford, S. D. and has one son.
 The Glarborg's youngest son, George Jr., a Junior at the Uni. of Idaho, is employed by the Idaho State Geologist this summer.
 Earl and George are brothers of Mrs. Bill Adamek.

Assault On Pastor Cost Frost \$16.60 After Guilty Plea

Miles Frost of Loup City entered a plea of guilty in Valley county court Tuesday to charges of assault and battery in connection with a fracas recently at a church meeting in Arcadia. He was fined \$5 and assessed costs of \$11.60.
 Frost allegedly struck Rev. Ray McColley, pastor of the Arcadia Baptist church. After the reverend returned the blow, Frost was picking himself up off the ground.
 The altercation arose out of an inter-congregation dispute over the moving of the Balsora church building to Arcadia from its former location south of town.

They Come Back For More

Why is it that customers of the North Side Market are among the most loyal patrons of an store in town. Why do they continually come back, day after day, to purchase their requirements in fresh and cured meats.

We're pretty sure it's because they know that here the quality of our meat never change — it's always the best possible.

We're rather proud that we have been able to maintain that standard of quality, and we're grateful to the many loyal customers who have made it possible for us to do so.

Brady-Brashar
Miss Betty Bernice Brady, daughter of Mrs. Clayton LeRoy Brady, became the bride of Mr. Robert Franklin Brashar of Espanola, New Mexico at the home of Dr. and Mrs. C. J. Miller of Ord Sunday afternoon at 2 o'clock.

Rev. R. I. Corary performed the double ring ceremony before the fireplace which was decorated with baskets of white gladioli and two seven branch candelabras. Miss Janice Johnston of Wayne Neb., played the wedding music and accompanied Miss Irene Auble who sang, "Because" and "Oh Sweet Mystery of Life."

The bride was given in marriage by Dr. Clinton James Miller. The bride chose for her attendants her cousin, Mrs. J. B. Ferguson of McCook, matron of honor, Miss Jean Brug of Buffalo, Wyo., and Miss Barbara Buck of Lincoln both classmates of the bride at Colorado Woman's College.

Kenneth Brashar of Espanola, New Mexico, brother of the bridegroom served as best man. Ushers were Roger Miller of Ord and LeRoy Peters of Greeley, Colo. both cousins of the bride.

The bride wore a gown of white slipper satin and carried a crescent shaped bouquet of white roses centered with a white orchid. Her fingertip veil of illusion fell from a coronet of heirloom lace made by her great aunt, the late Mrs. Wm. Lucas McNutt. Mrs. J. B. Ferguson wore a gown of pale green marquisette with matching mitts and tiara of shirred net and carried crescent shaped arm bouquets of white flowers. The two bridesmaids wore identical gowns of yellow marquisette with mitts and tiaras to match, and carried crescent shaped bouquets of yellow gladioli.

The tapers were lighted by the ushers Roger Miller and LeRoy Peters.

A reception following the ceremony was given at the Miller home. Mrs. C. J. Miller as hostess was assisted by Miss Catherine Mead of Santa Fe, New Mexico. Mrs. Robert Helvy of Big Horn, Wyoming cut the wedding cake. Mrs. Chester Peters of Greeley, Colorado, and Mrs. Guy Tullis of Grinnell, Iowa, presided at the table. Miss Carol Jean Carlson of Stromberg, Neb., and Miss Janice Johnson of Wayne, Nebraska, assisted with the serving.

Mrs. Keith Kevanda of Ord took charge of the Guest Book.

Mrs. Brashar graduated from Wicomico High School at Salisbury, Maryland, and attended Colorado Woman's College in Denver. She was a member of the Stick and Rubber Club, Palateers Club and Scribblers.

The bridegroom graduated from New Mexico Military Institute at Roswell, New Mexico and New Mexico State College. He was in the service for four years and served with Marines in the Pacific.

Mr. Brashar is associated with the Espanola State Bank of which his father is president.

Californian Seeks Ag Advice In Ord
Californians are now coming to Nebraska for agriculture advise. A cattle grower in Hamilton City, Calif., recently wired Valley County Agent C. C. Dale for details concerning his recommendation against using chlordane on cattle feed as reported in a late Quiz.

The cattelman, James Mill, jr., stated that he sprayed a cattle field 30 days ago. Cattle now feeding in the field show effects of poisoning, he said.

The spray solution contained one quart of 40 per cent chlordane to the acre. Since the spraying, a complete new growth of clover has grown following two irriga-

SEVENTH INNING

Seventh Inning Stretch By FERN AUBLE

THE stadium was filled to capacity for the opening game and a swelling chorus of voices filled the air. The sun was a brilliant ball in a sky of blue.

"I wonder how she is by now," he thought miserably. His blue eyes darkened in despair as he thought of the interminable afternoon before him.

It was too bad that Chuck Leighton had sprained an ankle. Doc said he'd be back in the lineup by next week, but next week was too late and Corky was depending on Johnny to pitch this opening game.

"How's it going, Johnny?" Corky dropped down on the bench beside him and laid a comforting hand on his knee.

"Gosh, Corky, I don't know. The Doc said she'd be all right, but I wish to Heaven I could be there with her. His knuckles whitened as he clenched his hands and Corky watched him with troubled eyes.

As Johnny took the mound for the top half of the first inning, a cheer rose from the stands. His heart warmed at the sound and some of the sag lifted from his shoulders. He looked at Windy Norton, who was catching, and nodded as he caught the signal. As he started his wind-up, a feeling vision of Milly's scared little face crossed his mind.

He got hold of himself and fanned the next three men up, leaving Bill Lofton stranded on third. As he faced the first man up in the second inning, Johnny's arm felt like lead.

"If I just knew how she was," he thought. "If I just knew she was all right."

He tried desperately to keep his mind on the game, to keep from thinking about Milly, but, in spite of himself, he failed miserably. He simply couldn't keep her out of his mind.

IT HAPPENED in the sixth inning. He walked the first man and the next batter up hit for a single, putting a man on first and third. A sacrifice hit brought in the first run of the game for the Pirates.

As the seventh inning came up, and the boys trotted out to their positions, Corky turned impatiently as someone tapped him on the shoulder. He took the note handed to him. His face spread into a huge grin and he ran out to the mound.

"Well," Johnny thought, "here's Johnny's arm felt like lead."

where I get yanked and I don't blame him. Any rookie pitcher could toss rings around me today."

But Corky simply handed Johnny the paper. Johnny read it and let out a whoop. The fans watched in bewilderment as they saw Johnny go into a dance. Then they saw his teammates come running in and cluster around him to break away with howls and back-thumpings.

Finally, everyone back in position, Johnny toed the mound and squinted at Windy, waiting for the signal. As it came, he gave a satisfied nod and started his wind-up. The ball whizzed over the plate and you could almost see the smoke trailing it. The next one was a beautiful slow ball that broke just right. Johnny grinned happily as the batter took a healthy swing at the next one and missed.

The Reds got two runs in the eighth, giving them a one-run lead over the Pirates and Johnny put them away one, two, three in the ninth. Not a very big lead, to be sure, but big enough, especially when you consider that Johnny hadn't really pitched much of a game before Corky'd brought him that little slip of paper at the beginning of the seventh.

Oh yes, the note? Well, it really wasn't a very big message; that is, not very big in words. It merely said, "It's yours, darling. Two future major league ballplayers. See that you make them proud of their Daddy today." And it was signed, "Milly."

Clayton E. McGrew Dies After Illness

Funeral Wednesday

Passes Away at Age of 81 Drove Four Horse Express North Loup-Ord in Youth

Clayton Elmer McGrew, long time resident of Ord, died Monday morning at the age of 81 following a sudden illness last Wednesday which required an emergency operation. He had been failing in health the last year.

Funeral services were held Wednesday (Aug. 12) at the Hastings-Pearson chapel. Rev. Clyde Scott conducted the services. Burial will be in the Forest Lawn cemetery in Omaha.

Mr. Clayton retired in June of last year after operating a shoe shop in Ord for more than 15 years. His last place of business was in a building he purchased just east of the Standard Oil Station.

During his last months, he continued to enjoy his many friendships. One of his favorite recreations was fishing and working around the home place.

Born 1867 Mr. McGrew was born June 19, 1867, in Abington, Ill. He was the son of William Harvey and Rebecca Ellen McGrew. They moved to Meeker county, Mo. when he was two years of age.

When Clate was 17, they came to Nebraska and settled in North Loup. He was disabled somewhat in the left shoulder as the result of a gun shot wound received while living there. But he was still able to drive a four horse stage express from North Loup to Ord which he did for some time.

The family next moved to a homestead in Garfield county, four miles southeast of Burwell. On Sept. 21, 1889, he and Miss Ann Arnold of Ord were married. To this union were born four sons, Kirby, LaVerne, Lloyd, and Herschel.

Became A Barber Soon after they were married, the McGrews went to Washington state where he took a timber claim. After three and a half years, they returned to Burwell. He became a barber and was in business in Burwell until 1901.

Moving to Ord, Mr. McGrew formed a partnership with his brother-in-law, "Uncle Charlie Barnes," who was the first barber in Ord. After Barnes retired about 10 years ago, Mr. McGrew continued the shop several years and then sold out to work in the Bailey and Detweiler hardware store, where he was employed for about 12 years.

Surviving him are his wife; an adopted daughter, Mrs. Lillian Barnes of Cotesfield; three sons, Kirby, Lloyd and Herschel; two sisters, Mrs. Walter Camel of Sacramento, Cal., and Mrs. Pearl Whitney of Stella, Nebr.; a brother, Charlie McGrew of San Diego; and six grandchildren and three great-grandchildren.

Although the attendance at the Youth for Christ meeting at the Methodist church in Burwell was small, an excellent message was brought by Rev. G. W. Bergland of Yankton, S. D. The text was "Is there anything too hard for God to do." In the connection he brought out the fact that even though man has tried but failed miserably, as evidenced by the condition of the world today, God is able to solve the problems of life, sin and death, and if he were allowed to solve the problems of the sin in our lives, the problem of life and death would be solved.

Bob Philbrick Paces Ord LVL Team In 6 to 1 Score Against Litchfield

Fryzek-Finley Double Play
Miller Throws Loup City
Indians, Mason, Arcadia Win

Bob Philbrick scored three runs on three hits and dazzled the crowd with his base running last Sunday as he accounted for half of Ord's six tallies in a Loup Valley league game against Litchfield.

Playing on the Ord diamond, Litchfield barely squeezed out a single run. Both teams were charged with three miscues. But the super-charged Ord men turned nine hits into their winning six runs.

Highlighting play of the game featured the fast footwork of a double play in the fourth. With Litchfield runners on first and second, Fryzek stopped a grounder at third, caught the runner forced to his base, and whipped the pellet to Finley at first. The play retired the side.

Patrick Fans Seven
Pitcher Don Patrick struck out seven opponents for Ord. Rassmussen, the losing pitcher, fanned five. Ord won a close 3-2 game from Litchfield in the first round of league play.

The locals got underway in the first inning with their first run. The next score came in the third, followed with two in the fourth and one in the sixth and eighth. The visitors marked the score board in the fourth on a run by Wells.

Loup City Upset

Upset of the weekend was credited to a plucky Miller nine which handed Loup City's third-place team a 3 to 2 defeat. The sixth-place Millers proved a little too hot for the battery of Novosads, the two Ord brothers who travel with the Loup City squad.

At Broken Bow, the home team lashed out with 12 runs in a slow contest with Berwyn which crossed the plate three times. The Indians clubbed 20 hits off of Vincedge while Dean allowed six.

The two league leaders carried home heavy sided victories in skirmishes with the league's weaker team. Mason City blanked Anasley's winless diamondmen 12 to 0. Arcadia claimed 18 scores while Comstock pulled one man home.

Team standings in the LVL remained unchanged with the completion of the weekend games. Only three games are left on the schedule before the beginning of the league playoff between the four top teams. Some teams, however, are behind in games.

Next Sunday games will pair Loup City at Ord, Mason City at Miller, Litchfield at Arcadia, Comstock at Berwyn and Broken Bow at Anasley.

Ord Junior Legion Beaten In Second Tournament Round

Orchard Shut-Out 12-0 In Central City "B" Opener, Aurora Scores 12-2 Win

Tough luck dogged the Junior American Legion team of Ord Sunday as they dropped their second round Class B tournament game to Aurora by a score of 12 to 2 at Central City.

In their opening contest of the tourney on Saturday, the Ord Juniors ran away from an out-matched Orchard nine with a shut-out score of 12 to 0. Richardson went the pitchers route for Ord and allowed only two hits.

Against Aurora the next night, Coach Bill Heuck sent three Ord moundmen into the fray. But it was one of those times when everything went wrong.

Outfielder Pitches.
Severson, an outfielder who had never pitched before, turned out to be the only effective twirler. Nelson started on the mound but gave up to Richardson who came out after developing a sore arm. Severson showed good promise as a pitcher for the next season.

Both games were played at night, which didn't help the Ord youngsters who are schooled for daylight play because of the lack of lights on the local field. Aurora entered the tournament after a day's rest, gained by a first round bye.

In the score box, Ord was held to three hits and made six costly bobbles. Aurora turned 10 hits into 12 runs while making two errors.

Cardinals Seek Rookies At G. I. Try-Out Camp

Baseball try-outs, conducted by the St. Louis Cardinals for boys in this area who aspire to professional baseball careers, will be held in Grand Island on August 26, 27, 28, according to word received from the Redbird roost.

The try-out camp will be open free to all boys 17 to 23. Beginning at 11 a. m. on each of the three days, the try-outs will cover running, fielding, hitting and throwing. Games between teams made up of players in attendance will be played.

Joe Nenahan and Jack Sturdy, former pro-players and experienced scouts will supervise the drills and judge players' performances at various positions. Players should bring their own gloves and baseball shoes. Those who have uniforms are asked to bring them along, but they are not required.

The neerness of the try-out camp is expected to turn up a goodly number of young players from this area. It is one of 80 camps scheduled by the Cardinals this summer. Any players signed to contracts will be reimbursed for all expenses incident to attending the try-outs.

Ord Girls Softball Beat Scotia 23-12

The girls' softball team of Ord loosed a landslide of runs in a game against Scotia's girls Friday and won by a 23 to 12 score to retaliate for a loss of the previous week.

Ord was behind 8 to 1 in the first half of the ball game but finally settled down to some heavy bat work. Irene Able displayed good pitching form for Ord's defense. Naomi Geweke was catcher.

In the earlier game, Scotia won 14 to 9 in a game played on the Ord field. Last Friday's game was played at Scotia.

STORM BREAKS WIRES.

Danes Shatter Tie With Palmer To Rule S-H Loop

Postponed Games Unplayed NL Shuts-Out Farwell Nine Ashton, Elba Record Wins

Dannebrog copped a 6 to 2 ball game from Palmer in the top contest of the Sherman-Howard league Sunday to break the loop's tie for the first position in team standings.

While the weekend games ended the regular schedule, several postponed meetings have yet to go to the diamond. The Danes still look like a championship team, although future play-offs may alter the picture.

In the Ashton-Cushing tilt, the third place Ashton squad brought in only 15 runs out of 22 hits but still topped off the game as Cushing scored seven out of seven to hold their cellar berth.

The losers paraded four pitchers over the pitchers mound. Ashton had to call on three wing-men. The game was played at Cushing after the grounds at Ashton were declared too wet.

Nebraska Hunters Will Get Chance To Express Ideas

Sportsmen Will Meet With Commission August 28 in Lincoln

Nebraska sportsmen will have a chance to give their disapproval or approval to the 1948 waterfowl hunting dates.

Nebraska sportsmen also will have a chance to express their ideas on the 1948 pheasant hunting situation.

The Nebraska Wildlife Federation will see to this. Dr. H. C. Zellers, chairman of the NWF announced in Omaha Saturday that arrangements now have been completed for the State's first general "sportsman's round-up" in Lincoln August 28.

That's the day the Nebraska Game Commission will meet to okay Nebraska's waterfowl season; to set the seasons and bags on other game.

Meeting with the commission will be representatives of Nebraska's 103 conservative groups. These delegates will present the recommendations of their individual groups. Opinions thus will be expressed by delegates from every section Nebraska.

Dr. Zellers, in his Omaha meeting with Ernie Bihier, former game commissioner, said he is hopeful the sportsmen's representatives will come to some agreement on the waterfowl dates.

The season of October 15 to November 18 has river hunters in the West up in arms. As the North Platte Telegram pointed out last week in a lead editorial, the big mallards seldom hit the West until November—so the season will be shortened. A delay in the goose flight also would leave the Westeners "holding the sack."

Nebraska commissioners had their choice of two seasons: October 15 to November 18; or October 29 to December 2. Proponents of the earlier date argue that the later season might find lakes and sloughs frozen over before the shooting started—if October 29 were the inaugural date.

At the August session, the game dads will have an opportunity to hear both sides.

The dads also should pick up useful information on pheasant and quail populations from the delegates.

Daily shooting hours also will come in for discussion. Some hunters rated the noon opening of last season a "game saver," others called it "bad management" inasmuch as so many birds were lost after being down in heavy cover.

The Nebraska clubs are to meet within the next two weeks to name a spokesman—and to agree on recommendations to the Game Commission.

Navyman's Body To Be Returned

ARE YOUR CHILDREN READY FOR SCHOOL?

In a short time Nebraska children will be starting back to school. Each one needs to be ready to do his best work in the year ahead. Children whose eyes, ears or teeth need attention should have a chance to have these corrections made before school begins. It may be the difference between a profitable year or perhaps some parents feel it is a needless expense to take children who are apparently well to the family physician. Actually this is a real economy, since defects discovered in their early stages can usually be corrected with little trouble and expense.

Every child should be immunized against diphtheria and smallpox before starting to school in the fall if this has not already been done. Acute illness retard progress in school and serious after-effects may follow cases of measles, scarlet fever, and diphtheria.

With protective treatments against smallpox and diphtheria, a clean healthy throat and mouth, good vision and hearing, and with resistance to disease built up by proper diet, exercise and sleep, a child is ready to hold his own and "ready for school."

A total of 133 World War II members of the Navy, Marine Corps and Coast Guard were awarded the Congressional Medal of Honor.

The Quiz Calls On A FARM NEIGHBOR

Mr. and Mrs. E. A. Smith

by John L. Ward

Evet Ainsworth Smith is a son of Mr. and Mrs. D. B. Smith former well known and highly respected members of the community, now gone to their reward. The Smiths had quite a family of children. Olive, the oldest, died at the age of sixteen. Next came Frank, who was killed in an accident in his blacksmith shop at Rocky Ford, Colo. when an emery wheel he was using burst and a part of it hit him. He was single, and was killed in 1913. He was a Spanish-American war veteran, going to war from Grand Island college, which he was attending at the time.

A highlight of his military service was when he was a part of the detail to guard President McKinley at the Trans-Mississippi exposition in Omaha. He also contracted a bad case of poison ivy while in the army, and owed his life to the doctor, who stayed with him day and night until he was out of danger. Ethel, the next

married, and attorney in St. Paul, Minn., Richard, married, a St. Paul scientist, and Delbert, also married, who lives in Washington state and has two children.

Next in the Smith line was Lotie, who married Harvey Friend, who died in 1927. She now lives in New York City. They had three children: Ronald, who was in the service, is in Lincoln, taking up pharmacy. He is married and they have no children. Doris married Ray Bush and they live in Long Island, N. Y. Dehnar, the youngest son, died in the battle of the bulge in France. Evet was next in the family line, and we will learn more about him later.

Nina married Harry Keasoy, who was foreman on the Ord High school building, and she met him at that time. They live in Des Moines and have no children.

Dora married Elmer Hallock and they live on a ranch in Garfield county. They have two

work hanging up in the home. The Smiths are both strong Methodists, and are interested in the Ord township library. Mrs. Smith has also taken much interest in club work.

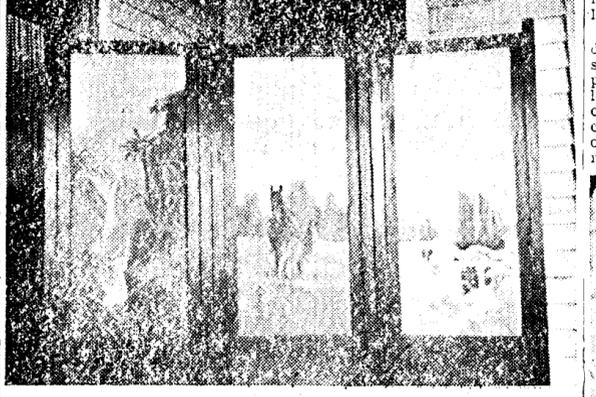

Now to return to Daniel Badley Smith, the first member of the family to appear on the scene in Valley county. He was born in Indiana, Aug. 19, 1853, the sixth child of Martin and Lucinda (Good) Smith. The family moved to Wisconsin, and from there the father enlisted in the northern army in 1861, dying of sickness in the service in 1865. The mother died the following year, and Dan remained with an older sister until his sixteenth year.

Then he started out in life for himself, going to the home of an uncle, S. J. Good, in Nemaha

county, Nebraska, in April, 1874. He lived in Nemaha county 1883, when he came to the Ord township library. Mrs. Smith has also taken much interest in club work.

When they came to Valley county they bought acres of railroad land in the neighborhood southwest of Ord and pre-empted another 160 acres.

In 1905 Mr. Smith purchased 270 acres of land two miles west of Ord, where Mr. and Mrs. Smith now live. They moved to Ord in 1913, where he died in 1932. Mrs. Smith followed her husband in death in 1935. She was postmaster of Ord for a number of years, which went through most rural offices many ago, at the time the rural service arrived in the area.

Fire screen painted by Mrs. Smith representing, left to right, the torrid, temperate and frigid zones.

daughter, married Germain Hoyt and they live at Huntington Park, Calif. They have five children, one deceased. They are Lena, Leota, Kimball, Harold and Delta Marie. Leota and Delta Marie are married.

Myrtle married Ed Thompson and they lived at Arcadia, where she still lives, he having died about two years ago. There were four boys and one girl in the family. One son died young. Alberta is the wife of Claris Bellingier. Anthony lives at St. Petersburg, Fla. He is married and they have no children. Glen lives at Pendleton, Ore. He is married and has two children. Cletus, the remaining son, lives near Arnold.

Charlie, the next in the Smith family, was a minister until his death about eight years ago. He was brought up in the Methodist faith, as were all of the family, but he changed to Congregational while in college. He first married Ida Easterbrook, who died in the early 30s. A few years later he married Annette Green, who was English instructor in Olivet college of Olivet, Mich. He had three sons, two by adoption, during his first marriage. They are Donald,

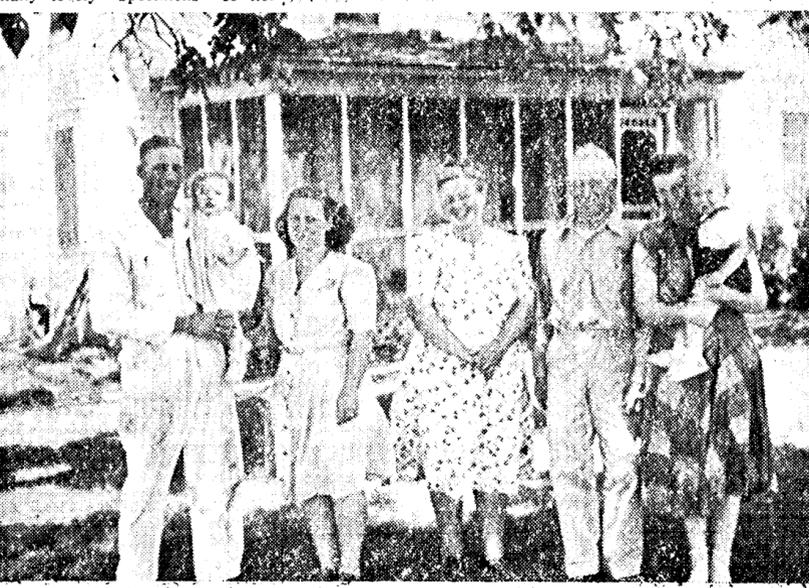

children: Bonnadell, who married Dick Foster. They live in Ericson, and have no children; Eldwin, who married Lorraine Spelling. They have no children.

Minnie married M. B. Hardenbrook, in whose honor Hardenbrook dam was named. He died about the time the irrigation district for which he worked became an accomplished fact. She married Rev. Thomas Sheperd in 1911. They live at Arapaho, where he is the Methodist minister. Mamie, who is librarian of the Ord township library, never married.

Now, returning to Evet Smith. He was born over at the Yale post office, where the family then lived, Sept. 25, 1887, and attended school in Dist. 16. His sister Ethel taught two years there while he was one of the pupils. Later, when the family moved to their new home north of Ord, he attended for a short time in Dist. 40, to brush up for the 8th grade examination. He then went through Ord high school, graduating with the class of 1911. After graduation he returned to the farm, where he still lives. Nov. 16, 1915, he was married to Mae Moyer, who is a sister of Mrs. William Sack.

REQUIRES CAPITAL Lots of It to Run Telephone Company

think of telephone service in the terms of money only, and few probably never stop to consider the investment required for what we call wire, cable, and central office equipment. The instrument itself is but a very small investment required.

Cost has been increasing rapidly during the past few years, due to increased demand and steadily rising costs. Everything from switchboards to colter pins, is on the up-tick and payrolls. But rates (our increased proportionately, with the result that they have been climbing much faster than in the past.

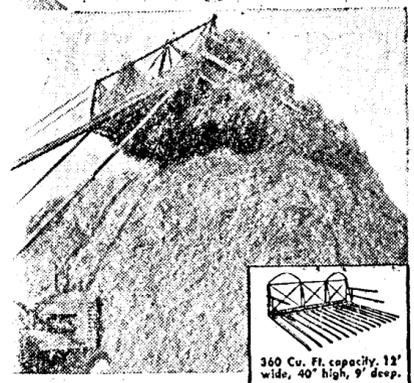

What can we do? We wish we knew! Means-service still is one of the cheapest things because telephone rates have been held down almost anything else you can think of.

Our level best to keep it that way.

SAVE 5 MEN'S WORK WITH YOUR FARMHAND LOADER PLUS HAY BASKET

SELF IN A SEASON. That's what many call this famous FARMHAND Hydraulic Hay Basket that sweeps up windrows in tracks high and fast with its 21-foot width with Pushoff attachment). Lifts 1/2 ton of hay with smooth hydraulic power connector. Saves work... saves time... saves the job of a whole crew of men! Seven men's performance on thousands of farms proves it is your best buy for haying—and for rough lifting, loading and moving jobs on the farm!

ARK LOCKER
one — Bell 195 - Farmers 26

You can make short work of all cutting jobs with these two new Oliver units.

The new 6-cylinder "77" with its six forward speeds gives you almost any ground travel speed and drawbar pull combination you want—at peak engine efficiency.

Take the new direct drive power take-off of the "77"—what could save more time in the hayfield? And, think how these advanced features increase tractor utility and cut down operating costs: choice of three new engines, (1) for gasoline, (2) for tractor fuel, and (3) a diesel to be available later... metered oil system... Oil Miser transmission case... battery ignition... choice of interchangeable cast iron or stamped steel wheels and basic interchangeability of mounted tools with all other new Row Crop models.

The new No. 22 Mower rides on two rubber-tired caster wheels... is protected from damage by a safety spring release. The sickle bar is close to the rear tractor wheel, making it easier to get around square corners. A dust-tight, oil-bath chain-drive transmission with a safety slip-clutch runs the pitman.

Out Of Old Nebraska

By James C. Olson, Supt., State Historical Society
The state's newspapers have been carrying stories this summer of threatened crop damage by grasshoppers. So long as Nebraskans remember their history, any talk of grasshoppers will bring to mind the plague which spread over the plains in the middle Seventies.

For years, nature seemed to frown on Nebraska's pioneer farmers. Crops withered in the blistering, rainless heat of summer. Livestock was destroyed in the blizzards of winter.

To many of the pioneers, though, the grasshoppers were the most discouraging manifestations of what seemed a cruel and unfriendly region. Drouth and storms were understandable. The hordes of grasshoppers sweeping down out of the heavens seemed like a plague for which there was no human answer.

Worst In 1871.
The year 1871 saw the grasshoppers at their worst over Nebraska. The spring and early summer was particularly favorable for growing crops. Many homesteaders

Convention Opens NL Seventh Day Baptist Meeting

More than 300 Delegates Register For Nation-Wide Meeting of SDB Leaders

More than 300 delegates to the Seventh Day Baptist National convention in North Loup registered in the first two days of the six-day meeting of church members from all over the nation.

Opening Tuesday, the 136th session of the conference was called to order by Karl G. Stillman of Westerly, R. I. Using the conference slogan, "Go Work Today," Rev. Elizabeth Randolph led the devotionals.

Rev. A. Clyde Ehret of the North Loup church gave the welcoming address followed by a response by Rev. John F. Randolph. Business matters occupied most of the morning session. Principal address of the session was delivered by Rev. C. A. Leebe, of Gentry, Ark.

The evening meeting was Lone Sabbath Keepers session with the leading address given by Orville B. Bond. His topic was the problems of rural Seventh Day Baptists and their solutions.

An evening playlet, written by Mrs. Katherine Shaw Stillman, showed a scene in the home of a lone sabbath keeping family.

Commemoration Friday. Special services commemorative of the Seventy-fifth Anniversary of the North Loup Seventh Day Baptist church will be held in the church on Friday at 2:30 p. m. Details of the memorial program are unannounced.

Sabbath day services will be held at 10:30 Saturday following communion at o'clock. Services will be in charge of Rev. A. Clyde Ehret, North Loup pastor. Rev. Alton L. Wheeler will deliver the sermon, "A Vision in the Valley." A youth fellowship will be held in the evening.

The young people's sunrise breakfast is scheduled for Sunday morning. In the afternoon meeting, there will be a special program in the interests of world peace and in recognition of the World Conference of Churches at Amsterdam.

Rev. Randolph Closes Sunday evening address by Rev. Elmo R. Randolph will close the conference with talk entitled "Summing up the 1948 Conference."

Among the former North Loup Seventh Day Baptist pastors here for the conference are Rev. C. L. Hill, Fairina, Ill., Rev. Hurley S. Warren, Plainfield, N. J., Rev. H. L. Polan Verona, N. Y.

Of the many who have gra from the North Loup church into religious service are Rev. Orville Babcock, White Cloud, Mich., Rev. Earl Cruzan, Dodge Center, Minn., Rev. Herbert Van Horn, Dr. Carroll Hill Milton, Wis., Rev. Chas. Thorgate, Dodge Center, Minn., H. Eugene Davis, missionary to China.

A 15 minute recording for future radio broadcast will be made of a portion of the Sunday afternoon program. A special telephone leased wire will carry the program to Plainfield, N. J., 100 Sabbaths.

"One Hundred Sabbaths of Service" was the topic highlighting the Wednesday program. Following an introduction by President Frank A. Langworthy, the Rev. Hurley S. Warren, editor of the Sabbath Recorder explained the interests of that publication. Rev. Victor W. Skaggs, corresponding secretary, addressed the conference on the church's field work and correspondence.

In the evening, lessons on "Worship through Scripture, Prayer and Song," "Rearing a Seventh Day Baptist Family," and "Problems of Urban Seventh Day Baptists and Their Solution" were presented. A dramatization—Visitation Evangelistic Work, Stressing the Sabbath—was included in the evening program.

At the Thursday morning session, the program of the missionary board will be discussed by Rev. David S. Clarke. Devotionals will be under the direction of Rev. C. Bernhard Looftborow.

Evangelism Preparation Greetings from the board of directors will be given by Mrs. J. L. Vincent. An address, "Preparation of Evangelism," will be delivered by Rev. Elizabeth F. Randolph.

That evening, Mr. Karl G. Stillman will make the principal speech on the subject of "Which Way Seventh Day Baptists." A dramatization—Efficient Visitation Evangelism—will be presented by the Battle Creek (Mich.) church.

Regular conference business will be conducted Friday morning. A sermon by Rev. Lester G. Osborn will be heard shortly before noon.

Biemond Fences With Rodeo Bull

Ray Biemond of Ord got the kind of thrill from the Burwell rodeo that few would care to experience.

He was in the rodeo area taking pictures of a Brahma bull hitched to a chariot. Just as Ray was about to shoot the bull, the critter got loose.

With the bull hot on his heels, he started for the fence. Nimble Ray cleared the top of the six foot fence with camera still in hand.

That is no bull.

Youthful Organist Has Operation Prior NL Recital

Sixteen-year-old Max Johnson, accomplished organist of Parsons, Kans., who came to North Loup last week to play at the Seventh Day Baptist conference, was stricken with appendicitis Sunday two days before the meeting opened.

He underwent an emergency operation in Ord and is reported in good condition at the Clinic hospital.

Max journeyed to North Loup with Roger Johnson, a music instructor in Parsons who formerly lived in Valley county. The young organist played at a church service and later fainted at a wedding in North Loup before the operation.

Mrs. Charlie Hawk Dealt Head Injury In Head-On Crash

Reported in Good Condition Cars Collide South of Ord On Loup City Road Curve

A head-on collision of two cars about five miles south of Ord on the Loup City road resulted in the hospitalization of Mrs. Charlie Hawk late Monday afternoon.

She was reported in good condition Tuesday at the Miller hospital in Ord where she was treated by Dr. F. A. Barta for head injuries. She was unconscious upon arrival at the hospital.

Mrs. Hawk was a passenger with her five-months-old baby in a car driven by her husband, who suffered minor bruises. The infant required no medical treatment. They were headed south toward the Orel Koelling farm, where Hawk is employed.

The other car, driven by R. C. Austin of Ord, was coming from the south toward town. According to Sheriff Bob Hall, the cars met head-on in the middle of a curve. Austin was driving alone and received minor bruises.

Neither of the cars should have been going very fast, Sheriff Hall reported. He described the damage to the cars as considerable. Austin was driving a 1936 Plymouth. Hawk was driver of a 1937 Plymouth. The accident occurred about 5 p. m.

Brake Grabs, Hurls Car From Highway, Down 10-Foot Bank

Four Scotians Narrowly Escape Serious Injury As Car Takes Nosedive

Four Scotia persons escaped serious injury Sunday night when the car in which they were riding veered sharply across the highway at O street and plunged off a 10-foot concrete wall into a ravine.

When the car came to rest, it was pointed into the ground at a 60 degree angle with one rear wheel and the frame caught atop the wall. The other wheel had rolled off the wall and was hanging in midair.

The most seriously injured was Mrs. Willis Beck who suffered from shock and a gash on the forehead. She was taken to the Clinic hospital and fainted in the corridor just before being treated by Dr. Barta. She was released following treatment.

Others in the car were Gene Bonsall, the driver, Ruth Cook, and Willis Beck. They received minor bruises and shock from the jolt.

Bonsall told Sheriff Bob Hall that he was going north and slowing down to make a left turn off the highway onto O street when the front wheel apparently grabbed. The sudden locking of the brake swung the car violently to the left and off the road.

Luckily no cars were approaching from the other direction. Black tire marks left by the locked wheel traced the path of the car on the highway.

Karl G. Stillman of Westerly, R. I., president of the Seventh Day Baptist General conference now in session at North Loup, opened the six-day meeting Tuesday.

Blue Cross-Shield Is Planned In Ord

Membership Available For Rural Families With Five Employees

Membership in the Blue Cross-Shield plans for hospital and medical care will be available next week to employees of Ord business firms having five or more employees, according to the headquarters office in Omaha.

The enrollment campaign has been arranged through co-operation of Ord physicians and hospitals, participants in the non-profit plans for health care.

Floyd M. Edwards, enrollment representative, will interview owners and managers of more than thirty firms eligible to form groups for Blue Cross-Blue Shield membership.

Self-employed persons and those employed where there are fewer than five will be offered membership at a later date, when a community group enrollment campaign will be conducted under sponsorship of a health plan committee.

Rural families may join on a township basis, after they have formed area committees to organize the groups.

The Blue Cross and Blue Shield plans were developed by the hospitals and physicians to provide a method whereby families may budget the major costs of hospital and medical care. The plans are operated on a non-profit basis, under approval of the American Hospital association, Nebraska State Medical association and the Nebraska Hospital assembly.

The Quiz is the only Ord business currently operating under the Blue Cross. The Business and Professional Women's club is the only other group in Ord now under the plan. The Cosmopolitan club has taken an active interest in bringing the Blue Cross to Ord.

Greased Pig Scramble at Fair

Ten purebred gilts from the best herds in this area will be turned loose just before the Tuesday evening program, at the Valley county fair, August 30.

The pigs will become the property of the boys who catch them. The scramble is limited to kids 16 and under who must register with John R. Haskell before the event. The scramble is an annual event of the fair sponsored by the Ord Chamber of Commerce.

Polio Victim Aided By Pack From Ord

Son-In-Law Of NL Couple Is In Improved Condition, Can Now Move Leg, Wrist

Lauritz Jensen was reported in "much improved condition" by mid-week at the Lincoln Veterans' hospital after using the polio pack which was rushed to his aid a week ago by the Ord American Legion auxiliary.

Husband of the former Marjory Hamer of North Loup, Jensen is now able to move one leg and wrist and can breathe for a minute to a minute and a half outside the iron lung. Last week he could move only his head.

His wife wrote her parents, Mr. and Mrs. T. J. Hamer of North Loup: "Some organization (the Legion Auxiliary) at Ord sent down a polio pack, which has helped a lot."

Twenty-years-old, Jensen is a student veteran at the University of Nebraska. His home was formerly in Aurora.

Purchased only recently, the pack was dispatched to Lincoln at the urgent request of hospital doctors. Knowledge of its existence in Ord was reported to doctors by representatives in the state health department. The pack was the only one known to

County Budget of \$274,824 Approved Ord Levy Is 64.16

Valley County 1948 Budget Up Nine Per Cent Over '47 State-County-Schools Levy

A 1948-49 Valley county budget of \$274,824 — a 9.2 per cent increase over last year—was approved last week at a meeting of the county supervisors.

The higher budget is due mainly to increases in the mail route improvement funds received from state gasoline taxes under the Schroeder bill. Nearly \$22,000 more is billed for route graveling than last year.

Other changes from the 1947-48 budget are a \$4,681 boost in the general fund and \$9,700 raise for the road fund. A drop of \$19,100 was made in the bridge fund. Relief fund remained about the same.

Ord Levy Up. Tax levies for the county were also set with 64.16 mills charged as the Ord levy. This is a 5.55 mill increase above the 1947 levy in Ord.

A state levy of 6.75 mills for Valley county is calculated to raise \$102,483 on this year's valuation in the county of \$15,182,715.

In a breakdown of the new budget, the following figures are listed for the county funds:

General fund—\$94,612 of which \$52,825 will be raised by taxes, \$32,037 is cash on hand and \$9,750 estimated revenue income from fees received by bounty offices.

Bridge fund—\$28,510 of which \$2,837 will be taxed, \$14,681 is cash on hand and \$11,000 estimated receipts from gasoline taxes and funds from state mail route monies.

\$101,027 Road Fund. Road fund—\$101,027 of which \$10,928 comes from taxes, \$13,097 is on hand and \$17,000 from three revenue sources—\$24,000 gasoline tax, \$9,000 mail route fund and \$14,000 motor vehicle licenses.

County relief—\$10,083 of which \$8,616 is taxed and \$1,467 is left on hand from last year.

County fair fund—\$2,000 all of which will be raised by taxation. Mother's pension fund—\$576 of which \$213 will be levied by taxation and \$363 is now cash on hand.

Special mail route road fund—\$38,000 none of which will be taxed by levy but of which \$17,000 is cash on hand and \$21,000 is estimated receipts from state gasoline taxes.

Of the total \$274,824 budget, \$77,420 will be received in taxes, \$108,654 is cash on hand and \$188,750 will come from miscellaneous revenue (office fees, gasoline tax, motor vehicle licenses, etc.).

School Districts. In the school district levies, North Loup leads the three high school towns with a total levy of 45.42 mills on a valuation of \$610,950. A bond levy of 12.69 and a high 32.72 general fund levy account for the total levy.

Total school levy in Ord is 26.69 mills on a valuation of \$2,281,335. For Arcadia the school levy is 34.90 mills on a valuation of \$561,900.

Highest levy in the rural areas is 29.42 in District No. 70 in the southeast part of the county where several Sherman county pupils attend the Valley county school. Lowest of the school levies is in District No. 66 in Independent township with 6.01 mills.

Valley Implement Starts Work On New Building

Cement blocks and tile are piling up on the site of a new building to be erected this fall by the Valley County Implement Co. The structure will be 78 x 44 and will be erected on the north side of the lot at the intersection of N street and Highway 11. The building will be used for a warehouse and repair shop. Later the firm plans to add a 48 x 34 addition to the south which will be used for a display room.

Services Held For Phyllis Stillman, Drowned In Lake

North Loup Child Succ From Lawless Leaks Sv Pulmotor Fails To Rev

Funeral services for Jean Stillman, 12, of North Loup, who drowned last week at I lake, were held Sunday at the 6th Day Baptist church in Loup. She was the daughter of Mr. and Mrs. Leland Stillman.

Rev. A. Clyde Ehret officiated at the services. A quartet, Mrs. Edward Christensen, Edna Babcock, Richard E. and Warren Brannon sang in the Arms of Jesus and "Faint Isle of Somewhere." Harlon Brenneck was at the organ.

Pall bearers were E. T. Cook, Hillis Coleman, Aubrey is, Victor Cook, Clifford and Delbert Bridge.

Phyllis was drowned Sunday, Aug. 11, while attending junior camp of the Seventh Day Baptist church at Lawless near Ericson. The group of young people had been swimming in the lake. Part of the group had left to

Phyllis and two other girls floating on a log in about 6 feet of water. Suddenly the log tipped, throwing the girls into the water. Mrs. Russell Maxson, the supervisor and Russell C. managed to get the other two out of the water safely. Phyllis disappeared in the water.

She was located about five minutes by Edwin Shaw, camp instructor. With technical assistance from Don Lenker of Ericson and a motorcycle to Burwell for a pulmotor, no doctor was available and the pulmotor was used to no avail.

Dr. C. W. Weeres of Council Bluffs was summoned to Ericson. I nounced the child dead upon arrival.

Phyllis was born in North Loup on June 10, 1936. With the exception of a year and a half in Arizona and California, she lived all her life in North Loup. She was an exceptionally happy and child. Phyllis endeared herself to all who came in contact with her.

Besides her parents, she was survived by a brother, Gordon, her paternal grandparents and Mrs. A. M. Stillman; maternal grandfather, Mr. Sample; five uncles, three and eleven cousins.

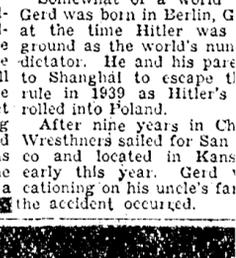

Youth Injured In Tractor Accident Once Fled Naur

Gerd Wrethner, 14, of City Mo., suffered injuries left side of his head last Sunday when he apparently slipped riding on a tractor driven by his uncle, Leslie Reed, who southwest of North Loup.

The youth was knocked unconscious by the blow a brought to Ord before 10:30. "The next thing I remember waking up here in bed," He is being treated at the hospital.

Somewhat of a world traveler, Gerd was born in Berlin, Germany at the time Hitler was ground as the world's dictator. He and his parents fled to Shanghai to escape the rule in 1939 as Hitler's forces rolled into Poland.

After nine years in China, Wrethner sailed for San Francisco and located in Kansas early this year. Gerd was cationing on his uncle's farm when the accident occurred.

Weather Timed To Crop Benefit
Valley County Prospects Continue As Best Ever. Week's Rain Totals 3.04
While temperatures remained about normal, rainfall took an upward spurt during the week with a recording of 3.04 inches by Observer Horace Travis at Ord.
Rain fell in three showers, two delivering more than an inch to the Valley county crops. It was the wettest week recorded in this area so far during the summer.
Still smiling over the crop prospects, County Agent C. C. Dale declared, "Moisture received to date will carry the crop through the remainder of the normal dry spell."
In Lincoln, state agriculture observers reported that excellent weather prevailed for crops all over Nebraska. The widespread coverage of moisture was being timed with phenomenal coordination with warm days for the best crop development, they said.
A year ago in Ord, the past week was hot and dry with no rainfall. Precipitation for the past week this year sent the total so far this year over that received at this time in 1947.
—Mr. and Mrs. John Sheldahl and two children of Chicago came Wednesday evening to spend the remainder of the week with Mr. and Mrs. John Misko and family.

Owens-Suminski

Miss Ruth Owens, daughter of Mr. and Mrs. Harold Owens, became the bride of Leonard Suminski, son of Mr. and Mrs. Bolish Suminski Wednesday August 11 at a Nuptial High Mass at "Our Lady of Perpetual Help" church. The double ring ceremony was performed by Rev. Thomas Siudowski.

Given in marriage by her father the bride wore a gown of white marquisette trimmed with satin and sequins. A satin peplum topped the full skirt which fell into a long train.

A finger-tip veil of net fell from a Juliet cap of lace, trimmed with sequins. Miss Owens carried a single orchid on a white prayer book, gift of the groom. She wore a blue sapphire necklace, gift of the groom's mother.

The bride chose as her attendants Miss Elva Papiernik and Alma Owens who were dressed in identical gowns of sea mist green taffeta and picture hats of yellow net. They carried colonial bouquets of yellow asters. Serving as the bridegrooms attendants were Adrian Jablonski and Andy Kusek. Ushers being Floyd Iwanski and Florian Kusek.

The choir accompanied by Mrs. Don Edwards sang during the mass and at the offertory John Galka sang "Rosewig's Ave Maria".

Following the ceremony a wedding breakfast was served at the home of the bride's parents for the members of the bridal party. A reception was held at the Legion Hall for immediate families. In the evening they entertained their friends and relatives at a dance at the Bohemian hall. Later Mr. and Mrs. Suminski left for a short wedding trip to Colorado.

Swimmers Crowd New Ord Plunge

Kids Outnumber the Adults
160 Persons Swim Sunday
New Equipment Expected

Ord's new swimming pool began full operation last weekend with a Sunday attendance of 160 after an armor coating on the pool floor and walls filled leaks of a week ago. Nearly 100 persons swam Saturday.

During the first days, the kids were cashing in on the big end of the swimming. Pool Manager Keith Kovanda estimated that the kids outnumbered the adults eight to one. Kovanda was named manager to succeed Alex Cochrane who leaves this week to coach at Scottsbluff.

The boys were also ahead of the girls in numbers. According to Kovanda, five boys were swimming to every girl. He emphasized that morning swimming classes for all ages were now in full progress under direction of Mrs. Robert Grove, Red Cross instructor.

Windows Expected

New wire baskets complete with numbered pins were received during the week. Until they arrived, swimmers were leaving their street clothes in the dressing room. An order for windows for the ladies' dressing room is expected this week.

Still on the shortage list were four dressing compartments and three showers for the ladies dressing room. Mirrors are also due to be installed in both dressing rooms. The men's dressing room is complete except that sand from the filters is still heaped on the floor.

In waterproofing the pool, construction men chiseled out all the old tar from the cracks and resealed them. Over that was brushed two layers of special armor coating of a type used in waterproofing the French Maginot line.

Plan Water Show

The low board anchor, which pulled out in initial tests by divers, was also re-fastened. Both forward mountings of the board were chipped out and re-set in 18 inches of new concrete.

In a meeting of the city council during the week, Mayor F. L. Blessing stressed that the city has not yet accepted the pool as completed. Both the contractor and architect met with the council in a survey of work completed so far on the pool.

As the new Ord plunge neared completion, Manager Kovanda made tentative plans for a water show on the last week end before the pool closes. Using as many Ord demonstrators as possible, Kovanda intends to provide an exhibition of different swimming styles and various dives from high and low board.

Mason City Squeezes By Miller In 8 to 7 Score For 12 Inning Battle

Arcadia Blanks Litchfield
Three Games Rained Out
Two Ord Foes This Week

Miller lost a close 8 to 7 Loup Valley league game to Mason City Sunday in a contest which stretched into 12 innings before the league-leading Masonites could squeeze by the plucky Millers.

In the argument scammed game at Miller, Mason's Pitcher Kruger was sent out of the game by officials. Arch fies on the baseball diamond, a previous game between the two teams at Mason City also ended in a dispute after the Millers accused the umpire of favoritism.

Ord's game with Loup City was postponed after heavy rains Saturday night turned the local diamond into a well-soaked swamp.

At Arcadia, the Litchfield team gave up after a scoreless nine innings as the host team brought three runners in the home stretch. Both pitchers, Slot for Litchfield and Beasley for Arcadia, turned in good games.

Wet fields reportedly caused postponements of league games between Comstock and Berwyn, and Broken Bow and Ansley.

Games this week—Ord will meet an up and coming sixth-place Miller team on the newly lighted field at Ansley on Friday at 8:30 p. m. The game is a make-up of a postponed game.

On Sunday, Ord will face the Mason City aggregation whose game score reads 13 wins and 1 loss. A headline event of Sunday's games, the contest will be played at Mason City.

Other games scheduled: Ansley at Miller, Arcadia at Loup City, Berwyn at Litchfield, and Broken Bow at Comstock.

Sunday will be the next to last weekend of regularly scheduled games in the Loup Valley league. Several postponed contests, however, are yet to be played.

Valley County Extension Clubs Plan '49 Programs

Extension clubs of Valley county selected their project lessons for 1949 at a series of meetings held in Arcadia, North Loup, and Ord on August 9, 10, and 13 respectively.

The presidents representing their clubs attended the program planning meetings and selected the following demonstrations, each being two lesson projects and covering six main lessons and six months work.

The projects selected were:
1. Clothing—fabrics (new and old). At the first meeting they will cover information on how to judge fibers and fabrics. At the second meeting they will discuss how to read labels and caring for the fabrics.

2. Food and Nutrition—milk... At the first meeting they will discuss the cooking of milk and preparing of different milk recipes. Also the place for milk in the diet. At the second meeting they will discuss improving milk flavors and why all children do not care for milk every day.
3. Home Management—Insurance for farm families. Various types of property and casualty insurance will be discussed at the first meeting and life insurance for the family will be discussed at the second meeting.

In addition to the six lessons they have 22 programs from which they select from three to five lessons for study.

Names of the presidents present at the meetings were: At the Arcadia meeting, Mrs. T. A. Bridges, Mrs. Ervon Fowler, Mrs. John Fells and Mrs. R. F. Mettenbrink. At the North Loup meeting, Mrs. Rose Puss, Mrs. Jgn Porkraks, and Mrs. Vernon Thomas representing Mrs. W. H. Schudel. At the Ord meeting they were Mrs. Archie Mason, Mrs. Ernest Horner, Mrs. E. Vorehmal, Mrs. Roland Norman, Mrs. Reuben Cook representing Mrs. Harold Williams and Mrs. Loren Good, group chairman from the Ord center.

Lightning Kills Six Yearlings

Six yearling steers, the property of L. V. Aldrich and Oscar Travis were killed by lightning on the Travis place 10 miles southwest of Ord, last week. Owners believe the cattle were killed in Wednesday night's electrical storm. The carcasses of the six were found in one group near a canyon bank Monday.

Ord Girls Lose 7-4 To Scotia

Ord's girl softball team dropped a 7 to 4 game to Scotia fenns Monday evening at the Ord diamond. The loss put Scotia one game up on the local girls in three games played so far.

The visitors were four runs ahead before Catherine Finley turned in Ord's initial score. The game was marred with numerous errors with Ord claiming the major share. The local team showed marked improvement in snagging fly balls but was weak and wild with many throws.

Lillian Genski pitched for Ord in the absence of regular Irene Aulse. Naopli Geweke caught the game.

Ashton Ties 2nd By Cushing Defeat Farwell Beat NL

Both Games In 3-1 Scores;
Danes Will Play At NL Wed.
In Final Try As S-H Champ

Ashton beat Cushing 3 to 1 and Farwell copped a 3 to 1 game from North Loup Sunday in play of previously postponed contests in the Sherman-Howard league. The regular league game schedule was completed last week.

Ashton's triumph put them in a tie for second place with Palmer, each with nine wins, four losses. Farwell's victory increased their games won percentage but still left them a notch below North Loup in team standings. In the scrap at Ashton, the Cushing nine waged an all-out battle which featured a pitching duel between Edwards and Eurek. Ashton scattered their scores in the fourth, sixth and eighth innings while Cushing ticked off their single tally in the seventh. Each club racked up six hits, one error.

Cushing To Cellar.
The win was a repeat for Ashton who won 15 to 7 from Cushing a week ago in a regularly scheduled game. Cushing's loss gave them the cellar post, breaking a last place tie with Grand Island who was inactive Sunday.

Avenges Shut-Out
On the Farwell diamond, the home team counted on the lucky breaks to slide by the North Loup squad. The losers collected eight safeties but were held scoreless until the sixth. Farwell hit six and converted half to runs in the first, third and fourth frames. Harris and Dilla were the opposing pitchers.

Farwell's conquest avenged a shut-out handed them by the Louppers a week ago in a 4-0 game.

N. L. Meets Danes
In coming play of cleanup games, North Loup will meet the league leading Dannebrog on Wednesday, Aug. 13, at North Loup. The meeting will settle an earlier protested game.

A win by the Danes will clinch the league championship and throw North Loup into a tie with Farwell. If Dannebrog loses, it would chalk up four losses for them and give second place Palmer and Ashton a chance to tie up first place in a three way split.

According to the G. A. Dilla, league secretary of Farwell, more postponed games will be played next Sunday, but a definite lineup is not available at this time.

Team Standings:
Dannebrog 10 3 .769
Palmer 9 4 .692
Ashton 9 4 .692
Elba 7 4 .637
North Loup 4 7 .364
Farwell 4 3 .333
Grand Island 3 9 .250
Cushing 3 10 .227

County supervisors last week approved a petition of the North Loup village board to gravel Main street from the Methodist church to the Union Pacific right-of-way.

CHAMBER TO MEET.

A general meeting of the Ord Chamber of commerce is scheduled for 8 p. m. Thursday in the Knights of Columbus hall, according to an announcement by Secretary Wallace Doe.

Osentowski Case In Settlement

Edmund Osentowski was released by Valley county authorities last week following an out-of-court settlement of his case which arose over his alleged non-payment of alimony for child support.

Under court stipulation, Osentowski agreed to turn over his car as alimony payment to date. He was returned to Ord from Wisner by Sheriff Bob Hall and held on charges of contempt of court prior to the settlement.

Martins, Hallocks Toured 10 States

Traveling 30 days over 6,800 miles in 10 western states, Mr. and Mrs. Bud Martin and Tommy of Ord and Mr. and Mrs. Chet Hallock and Bob of Burwell returned recently from a trip to the west coast.

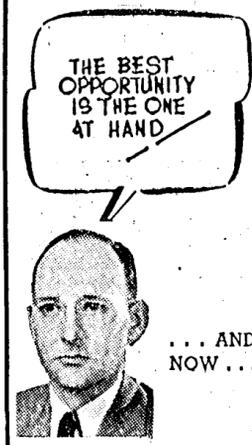

The trip took them northwest to Yellowstone National park and on into Washington where they turned south through the Oregon forests into California. On their return, they came through Las Vegas, Nev., and Salt Lake City.

One of the highlights for Mrs. Martin and Tommy was a motor launch trip into the San Diego harbor for a close-up view of the U. S. A. Tarawa, one of the largest aircraft carriers in the world.

In a Los Angeles night club, they saw Nello Luther, well-known Negro blues singer. After giving them her autograph, Miss Luther favored Bud with a comelighter version of "Hurry On Down to My House, Honey," and "You're A Real Gone Guy." Bud blushed for 30 minutes.

While in California, the travelers visited Mr. and Mrs. Ed Parkos at Hawthorne; homes of Mrs. Martin's sisters, Mr. and Mrs. C. R. Blessing, Mr. and Mrs. Larry Burke and Mr. and Mrs. Leonard Parkos of Los Angeles; and Leonard Martin of San Diego. At the horse races, they met Mr. and Mrs. Archie Cienny.

Strange as it may seem, they never saw a drop of rain on the trip until they reached Nebraska, despite the rainy reputation California has, as broadcast by the Florida chamber of commerce.

If you have not given your order for Super Phosphate, we would like to have it soon. The price is \$35.00 per ton if you take it off the car; about the first of September. Good derived from an application of Super Phosphate will be much more than the cost. Most plots show an additional yield of from 8 to 12 per acre of wheat; and quality of the wheat much better than where Super Phosphate is not used.

Cornhusker Hybrid Corn

We have our 1949 production of Cornhusker Hybrid Corn and they are cheaper per bushel than they were last year. We will also give you a discount for cash with order for this corn. Cornhusker 148 has always been a very heavy yielding hybrid which ever it is in a test plot, has probably won more places in yields in these plots than any other number. We find that 148 is one of the very highest yields in hybrids for Valley and surrounding counties. It really is an excellent corn and the shelling percentage is very heavy. Let us take your order now for your 1949 and if you are in doubt as to what number to place on your farm we can surely help you in making a decision.

SEVENTH DAY BAPTIST COLONY
LOUP LIKENED TO PILGRIMS

C. Olson, Supt. State Historical Society
The beginnings of the colony in the North Loup valley date back to 1871. That year a group of Seventh Day Baptists came out from Wisconsin in search of new homes.

Baptists. Members of the church in Iowa, Wisconsin, Missouri, and Humboldt, Nebr., who read these articles, decided to cast their lot with the North Loup valley. Hence when those who had spied out the land the year before arrived in the valley, they found others of like faith awaiting them.

Church In Dug-out.

On the first Sabbath after the arrival of the group—May 18, 1872—all of them assembled for religious services. In 1935 the Ord Quiz ran an article describing this first formal worship service held in the Loup country.

Elder Oscar Babcock, who had been ordained into the ministry a few years before, conducted the service. There was no shelter, and the Elder used an old rocking chair for a pulpit.

The next year, 1873, a formal church organization was perfected, and services were held, according to the Quiz, in "the palatial dug-out of Dr. Charles Badger." To indicate how times have changed during the past three-quarters of a century, a recently dedicated electric organ will be used in the memorial service at North Loup this summer.

Christian Science Services.

"Mind" is the subject of the Lesson-Sermon which be read in Christian Science churches throughout the world on Sunday, August 22, 1948.

The Golden Text is: "The Lord giveth wisdom: out of this mouth cometh knowledge and understanding." Proverbs 2:6.

Other Bible citations include: "Let this mind be in you, which was also in Christ Jesus" (Phil. 2:5).

In World War II, Navy submarines were credited with sinking 201 Japanese naval vessels for a total tonnage of 540,192 and 1,113 Japanese merchant vessels of 500 or more gross tons, totalling 4,779,902 tons.

Although the Navy's submarine service had less than two per cent of the total Navy personnel, the submarine forces sank two-thirds of all Japanese ships accounted for by the Navy during World War II.

Airport Memorial Plan Is Completed, Peterson to Speak

P-38 Propeller Memorial To Designate Sharp Field Will Level Land This Week

A P-38 propeller mounted on a white wooden archway over a concrete block memorial will be unveiled during the dedication ceremonies at the Ord airport on Sept. 12.

The airfield will be dedicated in memory of Evelyn Sharp, Ord aviatrix who lost her life in the crash of a P-38 which she was ferrying during the war. A sign hung in the archway of the memorial will designate the field as Sharp Field.

The memorial will be constructed in the parkway between the two roads leading to the airport from the highway. Gravel walks around the memorial are planned. Landscaping with bushes, evergreen trees and grass is scheduled by next spring.

Governor Val Peterson is named tentatively as the principal speaker for the dedication. A state official will represent him if he is unable to attend.

To Level Land
Work of leveling land and constructing better runway drainage on the field will begin this week. The south ends of the two runways are subject to flooding after rains.

A grass waterway will be constructed in an east-west direction across the south end of the field. Dirt removed in the operation will be used to build up several low spots elsewhere on the field.

Airport authorities have asked permission of the State department of roads and irrigation to discharge water into the highway ditch at the south-east corner of the field.

Car Flips on Curve, Petska to Hospital
Ord Man Injured Slightly When Kasper Car Turns Over North of Spalding

Richard Petska of Ord was treated for minor bruises at the Spalding hospital Saturday night after the car in which he was riding with George Kasper, also of Ord, rolled over on a curve north of Spalding.

Petska was held overnight for observation and released Sunday morning.

The two men were enroute to Spalding on the Bartlett road when they suddenly came upon a sharp left curve just over a knoll. Kasper, who was driving, tried to follow to the left but the car wheels went into some ruts on the inside of the curve and he lost control.

Rolling sideways, the car came to rest upside-down. Kasper reported the damage to the car was considerable. It was returned to Ord by tow-car.

Call For Bids On Gravel

The state highway department, in a notice published in this week's issue, is calling for bids for 3,725 yards of gravel on the Ord-Arcadia highway. Letting will be held on September 16.

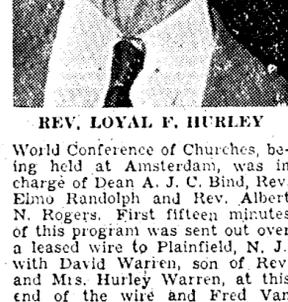

Next S.D.B. Meeting Will Be In Riverside, California

Church Ends 136th Annual Meeting at North Loup; Had 456 Delegates

The 136th General conference of the Seventh Day Baptist denomination closed a six day session Sunday evening in North Loup, with Rev. Claud L. Hill, former North Loup pastor, giving a stirring message during the devotional period and Rev. Elmo Randolph of Milton, Wis., bringing the final message of the conference. Summing up the 1948 conference, he said it had been a "Bell ringing" conference in many ways, not the least of these the bell ringing of the gold bell and striker presented to the conference by Rev. and Mrs. Emmett H. Bottoms of Adams Center, N. Y. and used for the first time in the business sessions by Karl G. Stillman, president.

The choir of sixty voices and the special musical numbers directed by Roger Johnson, highlighted all sessions.

Program Broadcast.
Sunday afternoon a special program in the interests of world peace and in recognition of the

REV. LOYAL F. HURLEY

World Conference of Churches, being held at Amsterdam, was in charge of Dean A. J. C. Bond, Rev. Elmo Randolph and Rev. Albert N. Rogers. First fifteen minutes of this program was sent out over a leased wire to Plainfield, N. J., with David Warren, son of Rev. and Mrs. Hurley Warren, at this end of the wire and Fred Van Steen, son of the Lutheran Congregational minister at Plainfield, N. J. on the receiving end. The program was recorded and will be used at a later date in other churches. Musical numbers by a male chorus and a short address by Dean A. J. C. Bond, were recorded.

Sunday morning unfinished business was taken care of and the sermon of the morning was given by Rev. G. D. Hargis of Los Angeles.

The sabbath morning service began at 9:00 a. m. with a communion service, in charge of Rev. Leon Maltby and Rev. Harmon Dickerson. The morning service began at 10:30. When Rev. Ehret in charge, Rev. Alton L. Wheeler gave the morning subject, "The Vision in the Valley." The choir rendered an unusually pleasing anthem, Chetubin song. The morning offering went toward the denominational budget and was nearly \$900. An estimated 600 people were at the morning service. The afternoon meeting was in charge of the young people, with Don Hargis leader, using the conference slogan "Go to Work Today" as the theme. In the evening, the young people were again in charge of a vesper, with the children's group taking part.

75th Anniversary.
Friday afternoon the commemorative service of the 75th anniversary of the organization of the North Loup church was in charge of Mrs. Myra Barber, who was assisted by Mrs. Jessie T. Babcock, church historian, Mrs. Carroll Swenson, Vesta Thoringate, Mary T. Davis and Mrs. R. Clare Clement. A memorial service with flowers for each pioneer family presented with a pink or white carnation closed this service.

Friday evening sermon was given by Rev. Loyal F. Hurley, Salem, W. Va., and the morning sermon by Rev. Lester G. Osborn, Shilon, N. J.

Thursday morning service was in charge of the missionary board, with Rev. David S. Clarke presiding and Rev. Burchard Looftbor-

Women's Meeting.
Following the sermon, now bringing the sermon, the Women's Board had as guest speaker, Mrs. Alonzo Pettesy, Brush, Colo., member of the Rocky Mountain Regional association executive commission of American Association for United Nations, Inc., who had attended the San Francisco conference and spent many months studying at Lake Success. She brought an inspiring message on "Woman's Part in World Peace." This meeting was followed by a tea in the basement of the church with all women attending. Thursday evening, Karl G. Stillman, conference president,

ings a drama was given by different church groups.

On Tuesday and Thursday evenings, the young people held a fellowship supper at the Methodist church and on Sunday morning they went to Ord to the park for a sunrise breakfast. Saturday night they held a skating party at the community hall. These young people's meetings were in charge of Rev. Rex Zwiebel, of Clouderport, Pa. He was also in charge of the pre-conference retreat.

Hurley New President.
A total of 456 registered for the conference. These people were representatives of 47 of the sixty-one churches in the denomination. Battle Creek, Mich., church had the largest representative guest group with 21 delegates and Riverside, Calif., was second with 17.

Rev. Loyal F. Hurley, Salem, W. Va., was chosen as president of the conference for 1949 and Riverside, Calif., was chosen as the host church for 1949.

A nursery at the school house took care of the little folks and the children under thirteen were entertained at the school house each morning and afternoon.

Plunge Will Close With Water Show By Ord Swimmers

Aqua-Fun Fest to Include Egg, Speed Races, Fancy Diving and Water Safety

Ever see a swimmer paddle a pool length while carrying an egg in a spoon?

You're invited to view this rare sight next Sunday afternoon when the Ord men and mermaids splash through an hour of swimming and diving demonstration as part of the closing day ceremonies at the new Plunge.

Beside the egg and spoon race, there will be speed races, comic diving, a night shirt race and water wrestling of two-man teams—one boy on the shoulders of another. Mrs. Joyce Grove, swimming instructor, will demonstrate rhythmic swimming to music accompaniment.

Life Saving Demonstration.
The Aqua-Fun show will include a water safety exhibition of life-saving carries, releases from grips and artificial respiration by Bob Moore and Keith Kovanda, pool lifeguards. Fancy diving will be demonstrated by local experts.

Swimming classes, who will have completed three weeks of instruction, will also display their new talents in the water. All swimmers will be Ord people except for Al Mailhot of Massachusetts who consented to come over from Loup City where he is visiting.

Mailhot has previously competed in National AAU swimming meets and will demonstrate the best in amateur swimming and diving. He will be imitated by Bob Moore in a comic mockery.

Pool attendance during the past week is estimated by Manager Kovanda as approaching 600 paid admissions beside the swimmers using season passes. Eighty passes have been sold.

Pool Health Okayed.
Last Sunday was the largest day so far with nearly 200 crowding the pool to escape the heat. Saturday marked up the week's low with only 30 paid admissions.

Two representatives of the state board of health inspected the pool last week and reported an okay on the health and sanitation, according to Kovanda.

Meanwhile the three pool filters were still undergoing trials after being re-cemented and water-proofed following the discovery of leaks on first tests.

Building of First REA Line Awaits Washington Okay

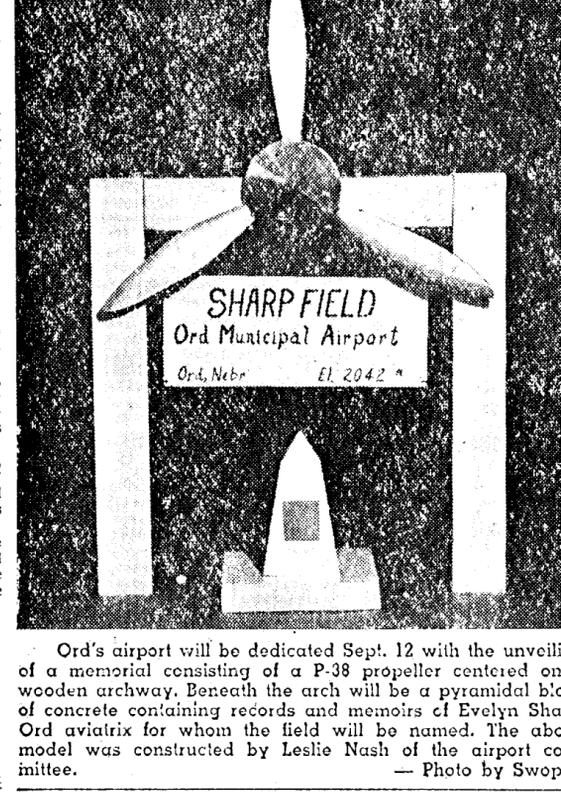

REA officials in Ord this week are still awaiting Washington approval of the contract with the Denver construction company to build the 360 miles of wiring of the "A" section.

W. P. Hollands, REA manager in Ord, reported that the approval was expected any day now.

The company's bid of \$104,193 was approved Aug. 10, subject to a review of the documents. Since that time the contract was drawn and signed by REA in Ord and by the company representatives before being forwarded for final federal approval.

When word of the approval is received here, the REA engineer in Columbus will be notified immediately, according to Hollands. The engineer will then have five days to notify the Denver contractor.

As soon as the contractor is informed of the approval, he has 10 days to get his men and machines on the job. The pole set-

Ord's airport will be dedicated Sept. 12 with the unveiling of a memorial consisting of a P-38 propeller centered on a wooden archway. Beneath the arch will be a pyramidal block of concrete containing records and memoirs of Evelyn Sharp, Ord aviatrix for whom the field will be named. The above model was constructed by Leslie Nash of the airport committee.

Mrs. John Truth Dies at Age 100

D. A. Moser received word Tuesday of the death at Long Beach, Calif., of his sister, Mrs. John Truth, who was almost 100 years old, having been born in November 1848. Her death occurred Aug. 23. Burial was made at Long Beach beside her husband.

The former Clarinda Moser was one of 11 children. Another brother, Dr. Orin A. Moser, Rocky Hill, Conn., also survives.

Rural School Cost Rises 13 Per Cent, Salaries Still Lag

47-48 Cost Nears \$100,000
\$178 Is Average Per Pupil
Library Law Disregarded

Just like groceries, clothing and rent, the cost of education in Valley county is going up—but the upward trend is not as fast as the common household expenses.

Total expenses in the rural county schools last year were \$98,876.10, according to a report completed this week by County Superintendent Clara McClatchey.

Cost Up \$11,585.
The expenditures amount to an increase of \$11,585—a little more than 13 per cent—over the \$87,291.86 expended in the previous school year of 1946-47.

Average cost per pupil in the rural districts was \$178 for each of the 555 pupils attending in 1947-48. During the previous year \$154 was spent for each of the 564 pupils.

In the 59 one-teacher schools, salaries increased slightly from an average of \$1,147 in 1946-47 to \$1,261 in 1947-48. This amounts to an average increase of 10 per cent—a three per cent lag behind overall increases in expenditures.

The total spent for teachers' salaries last year was \$74,591 and in the year before \$67,663.

State Law.
An apparent disregard for the state law governing the minimum to be spent on library books is also revealed in the county report.

While the law provides that not less than \$5 per teacher shall be spent on library books outside regular textbooks, only \$91.80 was expended for this purpose in 1947-48. To comply fully with the law, at least \$295 should have been spent by the school boards.

Money used for textbooks and supplies last year totaled \$3,138 for the 59 schools. Fuel for all the schools cost \$5,276.

Ruth Mayo to Hawaiian Work

Miss Ruth Mayo of Ord left last week for San Francisco to sail for Waialua, T. H., where she will assume duties as director of the child development center on the Waialua plantation, one of the largest on the island of Oahu.

The 70 children at the center represent five different races and include youngsters of workers from all branches of plantation life. Waialua is about 35 miles from Honolulu.

Grand Opening For Anderson Motors Set For Monday

Inaugurate New Building, And Equipment With Treat, Floor Show and Displays

Headlined by a display room of new Chryslers and Plymouths and the latest in automotive shop equipment, the grand opening of the Anderson Motor company in its new two-story brick building will be held Monday afternoon on August 30 in Ord.

A nine act floor show by professional actors will be on hand to entertain the host of expected guests. Free ice cream and cold pop will be available to visitors. The program will begin at 3:30 p. m. Owner C. A. "Hi" Anderson announced.

Started about a year ago, the new building contains the service and parts departments. Plans for the future call for additional construction to the north of the present structure.

Additions Planned.
The addition will contain a body shop, wash rack, grease rack and a display room in a rounded corner. Apartments will be furnished on the second floor.

As now completed the new building has 4,320 square feet of floor space in the service department which measures 54 x 80. In the two floors of the parts department there are 900 square feet on each floor, or 1,800 total.

One of the unusual pieces of equipment for a town of Ord's size is the front end machine. With this machine a mechanic can detect and straighten bent axels and frames by the use of various heavily cast attachments and closely calibrated measuring instruments. Front wheels may also be aligned by means of a quadrant under each wheel.

Versatile Analyzer.
Most versatile of the apparatus is the motor analyzer on which electrical, mechanical and fuel checks may be run. On the electrical side, tests are made on starters, generators, voltage regulators, batteries, coils and distributor.

The machine will register the amount of electricity being used by a starter and whether it is dragging or using too much juice. It will also detect if the starter brushes or bushings are worn.

On the generator, the motor analyzer will reveal if sufficient electricity is being generated. Brushes and bushings are also tested for wearing. Capacity of batteries and the effectiveness of coils can be determined by additional adjustments of the machine.

In testing voltage regulators, the analyzer shows on its dials if the correct amount of voltage is being put out. Since cars carry no voltmeters, this ability of the instrument may often locate the trouble of an engine.

Tests Fuel Use.
By running the motor at various speeds and employing a special attachment to the exhaust pipe, the motor tester will register the amount of gasoline the motor is using. From several tests at different speeds, the most economical speed is determined.

This information permits the proper setting of the rich or lean fuel adjustment of the carburetor by installation of the right sized jet. Fuel pumps may also be tested for vacuum and pressure.

Frank Janicek Age of 83

Frank Janicek was born in 1865 in Burwell, Nebraska. He lived there until 1925 when he moved to Ord, Nebraska. He was a farmer and a member of the church. He died on August 13, 1948, at the age of 83. He was buried in the Ord cemetery.

Frank Janicek and his wife lived in Ord for two years before moving to Custer county. Six years later they purchased a farm in Loup county and lived there until 1925 when they moved to Burwell, Nebraska. Preceding her in death was her husband, Frank Janicek, sr. who died in 1932.

Survivors are two sons, Aldrich and Frank of Burwell, and three daughters, Mrs. Mildred Ronbleck of Verdigris, Nebr., Mrs. Emma Drobny of Chico, Calif., and Mrs. Ella Tuma of Sacramento, Calif., eleven grandchildren and one great grandchild. Also her brother Lou Penas, three sisters Mrs. Antonia Lukes, Mrs. Rudolph Kerchal and Mrs. James Bazant, all of Ord.

—Mr. and Mrs. Willard Hill of Arcadia are the parents of a 6 lb. girl born, Wednesday, Aug. 25. Mrs. Hill and daughter are at the clinic.

Fair Days Open Monday in Ord

Full Schedule Planned In Races, Stage Show, Pig Scramble, Carnival

Hurry, hurry, hurry—Make your plans to attend the biggest Valley County show of the year. Now less than a week away.

Preparation for the stage show, auto races, pig scramble, 4-H exhibits, carnival and dancing at the Valley County Free Fair on Aug. 30, 31-Sept. 1 is progressing in good order this week.

With 34 race drivers already entered in the races, workmen began this week to drag and grade the fairgrounds track. During the week, a wire from a speedman in Tampa, Fla., asked that his car be entered. The entry raised to 11 the number of states represented.

Excellent Cars.

Commenting on the unprecedented number of entries, Track Superintendent Clyde Baker said, "We expect that some of the drivers will be unable to appear, but there will still be a large field of excellent cars."

Construction of the floor show stage before the grandstand starts this week. A full set of stage scenery and drops will be furnished by the show company. Music from an electric organ will provide music for the show.

Advance sale of tickets for reserved grandstand seats is now starting at Beranek's drug store, according to Ed Armstrong, secretary of the fair board.

Scramble Monday.

Entries in the scramble for 10 purebred greased gilts numbered 18 by mid-week. While all the registrants so far are boys, girls are also invited to enter. Entrants must have facilities for raising the pigs, which are valued at \$35 each.

Winners of the pigs in the Monday night scramble will be required to show the litter at the county fair next year. The event is planned by the Ord Chamber of Commerce and the 4-H clubs to be an annual affair. Anyone wishing to donate toward the scramble may see John Haskell.

Word was received this week that Congressman A. L. Miller of the fourth congressional district will attend the fair on Aug. 31.

Sorenson Rites At Arcadia

Funeral services were held Monday, August 23, in charge of the Rev. Harry Dan of Wescott, in the Methodist church of Arcadia, for Adolph Sorenson, 76, who died Saturday in a Loup City hospital.

Adolph Sorenson, son of Iver and Anna Sorenson was born in Rilling, Denmark, March 23, 1872. He departed this life August 21, 1948, at the age of 76 years, 4 months, and 29 days.

He was confirmed in the Lutheran church in Denmark at an early age.

He came to America at the age of 17 years and settled around Loup City, Nebr.

He became a member of The Modern Woodman of America Camp No. 1411 and this spring earned his 50 year membership pin of which he was very proud.

On November 17, 1895 he was united in marriage to Herle Bear of Denmark, at Chapman, Nebr., and to this union eight children were born, three of whom died in infancy.

He was employed by the Burlington Railroad as Section Foreman for a number of years, with headquarters at Arcadia, later resigning this work to engage in farming around Arcadia.

In 1916, he, together with his family moved to Wilson, Tex., and resided there 10 years, coming back to Arcadia in 1926, where he continued to reside until the time of his death.

He leaves to mourn his passing, two sons, Ivan of Big Springs, Nebr., Vernon of Comstock, eleven grandchildren and one brother, Walter Sorenson of Arcadia, other relatives and a host of friends, for to know him, was to admire him. His wife and five children preceded him in death.

Mr. Sorenson was always a strong, hard working man until recent years when his health began to fail. He suffered a paralytic stroke Tuesday, August 16, at the home of his daughter, Louise Nelson, at whose home he had been visiting. He was taken immediately to the hospital but never regained consciousness although everything medical science and loving hands could do, were done for him. He passed away at 12:30 p. m. August 21, in the Sacred Heart hospital in Loup City.

Mrs. Rae Jean Gogan and Mrs. Clinton Masters sang, Rock of Ages, and Goodnight Goodmorning, accompanied by Mrs. Ben Mason. Mrs. Maudie Smith, a friend of the family, also rendered a special number, God Understands.

Six members of his Woodmen Lodge were pallbearers and interment was in the Lee Park cemetery.

Rainless Week, Heat Into 90's

Heat Normal With 89-64. Harvest Nears Completion Forecast Is Fair and Hot

Temperatures for Ord and vicinity climbed into the 90's four times during the week with hot winds and high humidity, but failed to crack the century mark.

Heat was about normal with an average high of 89 and low of 64. A year ago for the same week the average high-low marks were 86 and 71.

Most disturbing in the weather development was the lack of rain. With only a trace of moisture on Friday, farmers along the North Loup canals began calling for water.

Threshing in Valley county was nearing completion as the warm weather dried shocks, soaked by last week's 3.04 inches of rain. Sprouting of grain in the shock was found in some fields.

Good corn growing weather improved the outlook for the crop replanted in the haled out areas. Ed Jensen reported the fast maturing of the replanted fields. He predicted 20-35 bushel yields if the frost holds off.

Meanwhile weather forecasters had visions of continued fair and hot weather until thunder showers cooled the area by Saturday or Sunday. Temperatures elsewhere over the state were frequently into the hundreds.

More Fall Pigs Good Business

Unless farmers can manage to raise more pigs this fall, next year Americans will have even less meat per person than they have in 1948.

Secretary of Agriculture Charles F. Brannan has asked farmers to hold back enough bred sows and gilts now on hand to boost the fall pig crop by at least 10 per cent.

It takes time to expand cattle or sheep numbers and the fastest way to increase the red meat supply is to increase the fall pig crop, according to Brannan.

Assurance of government price support, probable strong demand for meats, and a first-rate prospect for a record corn crop and other feeds are factors encouraging the request for increased pig crop. More pigs this fall looks like good business, said Brannan.

6 Local Pastors Attended Conference

Work Starts On Co-Op Building

Foundations and footings are being poured this week for a new brick and tile addition to the Co-operative Oil Co. of Ord. The new structure, to be 34 by 74 feet, will house wash and grease racks, accessories and oil storage, and the firm's delivery trucks. Elmer Zlohke, temporary manager of the firm told the Quiz that the addition would cost about \$10,000.

Pfc. Don Loft To Ft. Warren

The educational advertising done by Ord school authorities was one of their better ideas, I thought.

They urged that every child have physical examinations and corrections and inoculations before started back to school. This was surely sound advice.

Schooling is the most important thing that happens to children under 16, and it is provided for every youngster.

How foolish then, if he is not in the best condition to absorb his lessons as easily and thoroughly as possible.

How are the teeth, the eyes, the physical condition of your children? Do they need vaccination? That reminds me, could be we need to make some appointments in our family!

All over Minnesota this summer just past, we saw John Ward!

We saw him in Montevideo, a lively town snuggled up against steep hillsides, which brags that it is exactly as far to the east coast as to the west coast from that spot. The John Ward Cafe is an attractive restaurant there.

Then we saw him again just north of Duluth, THE port of the Great Lakes, at the tip of Lake Superior. This northern city brags that it is a heavenly spot for hay fever sufferers! I wouldn't know about the hay fever—but it is a heavenly spot!

Well to the north of Duluth a few miles is the inviting entrance to the John Ward camp for Boy Scouts!

by John L. Ward

Joseph Vaclav Smolik was a native of Valley county, born in Germanium township Sept. 28, 1884. He attended school at the Woodman hall school, and also at the Frank Jarusek school, with a year or two at Ord schools. He had no high school education, but his life he was interested in manual training, as he is a natural mechanic. The need for repairs on the farm soon taught him the essentials of carpentry and blacksmithing. To these he later added mason work, plastering, painting, and, in fact, any kind of work needed on the farm.

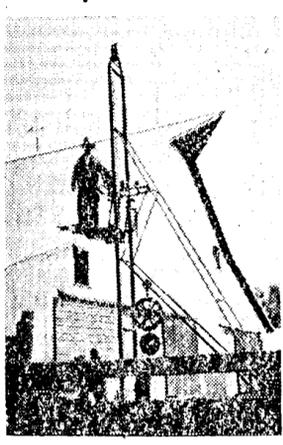

His father, Joseph F. Smolik, came to America and to Valley county in the early 1880's and was married to Rosalie Hasek at Ord about 1882. They lived on the farm near Woodman hall for many years, but moved to Ord in 1912, and both of them have gone to their reward many years ago.

Joseph married Josephine Turek Dec. 31, 1906, and to this union were born two children, Joseph Jr., and Minnie, now the wife of Philip Wentek of Elyria. Mrs. Smolik's health has been poor since she suffered a severe attack of pneumonia about twenty years ago. For this reason she spends much of her time at the home of her daughter in Elyria, where she is under her daughter's care. The son, Joe, is still at home, and finds plenty to keep himself busy on the farm, where he does most of the field work on the farm.

Joe did his bit with the school armored division in Europe, where he was a tank driver. He went through about everything the service had to offer, and was in every country except Italy, and got by without a scratch. Now that he is home, Joe says he has seen all the foreign travel he cares to see, and is happy to be on the farm again. After their marriage the Smoliks farmed near Woodman hall having land in sections 31 and 32, with the buildings located on section 32. There were some buildings on the place, but Joe improved these and added others as they were needed, doing all the work himself. When he got ready to move to a new location he left all the buildings in perfect condition.

In 1918 he brought a farm located one mile south of the old Goodenow station in Elyria township, and lying to the southwest of the Goodenow school. There are 420 acres of land in this farm, of which about 150 acres is in cultivation and 102 acres of this signed up under irrigation. The Taylor Ord canal runs through this land now, separating the most of the farm land from the pasture to the southwest. The buildings are located along the east side of the place, on the north bank of Happy Jack's gulch.

For the benefit of those who may not know, this is the deep canyon that the highway crosses between the John Lech place and the Goodenow place, and is known as "Happy Jack's Gulch" because,

Mr. Smolik on the hoist he built as a ladder substitute.

in the early days, a character named Swearingen had a dugout on the bank of this gulch at the time of the arrival of the first settlers. The dugout was located, I believe, half a mile or more above where the highway now crosses it. The gulch extends on to the south and west and crosses onto the Smolik land about half a mile south of the Goodenow school.

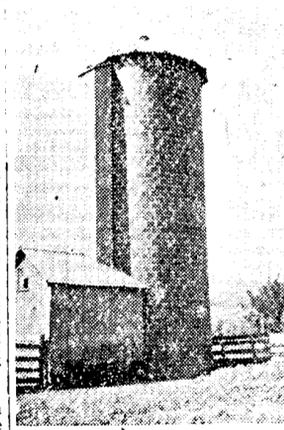

There are several high hills on both sides of the gulch on the Smolik farm, and these afford a wonderful view of the valley in all directions. One of these hills, two thousand feet to the west of the building site, has been utilized by Mr. Smolik for his water system. Near the top of the hill he had a well put down and a windmill erected. There he had a large reservoir built, large enough to furnish water for all the needs around the farmyard.

It took nearly two thousand feet of trench to put in all the pipe from the reservoir to the house. Now he has hydrants wherever they are needed, and a plentiful supply of cold water at all times. To insure clean water, he had the top of the reservoir covered, with only a manhole to furnish access, and the water is pumped into the reservoir under ground, with no chance of contamination between the well and the reservoir. When the reservoir is full the pressure in the Smolik kitchen is 43 pounds, about on par with many town systems.

When the Smoliks moved to this farm there was a house, a barn and a few other buildings. Since then, Joe has added other buildings as they were needed, and has remodeled the house and barn. One of the pictures shown herewith shows the rear of the house and the sleeping porch which he built on, with windows on three sides. This is used as a living room most of the time, and is well built as the best professional carpenter could

build it. The barn had an addition built to it, and at the present time Joe is covering it with metal roofing.

Another building of special interest is the silo, one of the few of its kind still to be seen in the valley. It is built of glazed tile and has a metal roof. Just at present the building is not in use, but Joe figures the time will come when silos will be used again, especially in dry land farming. Smolik put in his water system in 1924, and a year or two later decided that the machinery he was buying ought to

have a home. It was then that he built the large shed shown in one of the illustrations. This is substantially built with doors on the side and end for convenience in storing the machines, of which the building is full. His shop, equipped with a great variety of tools of all kinds, is at the rear of the machine shed.

In recent years Mr. Smolik has found it difficult to climb ladders, so he has devised a means of getting at the high work without having to climb. This is perhaps the most interesting item to be found on the farm. The base is a tripod, with wheels under it to make it easy to move. Upon this foundation is erected two metal beams 25 feet in length and braced with pipe. A platform is built to slide up and down these beams, and for motive power Joe has a winch, with a long cable. He gets his materials on the platform, takes hold of the handle of the winch and cranks himself up as high as he wants to go. To come back down he simply releases the brake and the platform comes down quickly to wherever he wants to stop it.

The Smoliks go in for diversified farming, using a lot of corn and alfalfa, with small grain to rest the land from too much corn. For years they went into the stock game in a big way, but at present have cut down considerably. They have quite a few cattle on hand, and have 35 to 40 Hampshire pigs. Mrs. Smolik used to raise a lot of chickens, but now that she is not able to tend them, Joe has cut down on them also, having only a few White Rocks and Leghorns. Like many other farmers the Ord Quiz has interviewed, Mr. Smolik is waiting until prices become more stabilized before stocking up on cattle again.

LETTERS FROM QUIZ READERS

To The Ord Quiz:
Brother farmers, look out for chicken thieves. I have seen two tough looking men around these parts of late, looking things over. It happened that way other years before we had our chickens stolen. We are loaded for them this year. I have a watch dog that sleeps near the chickens and I have a wife who sleeps with one eye on her poultry. I have electric lights that go on and light up the poultry house and I have a long range shotgun that will shoot the seat out of a chicken thief's pants at long distance.

We also have a good sheriff who can be called in quick order. I don't suppose a chicken thief ever reads a good paper like the Ord Quiz but maybe they will hear about my arrangements and stay clear of us this year. I hope you have the same luck, Brother Farmer.

Yours truly,
Ernest S. Coats.

Interesting Letter From Nome, Alaska

Aug. 5, 1918

Dear Friends: Making good my promise to your reporter and other folks at Ord that I would report when I arrived here at Nome; I might start by saying that we had a most wonderful trip.

We covered over 3,800 miles from Ord to Fairbanks, Alaska, 1,534 miles of which is over the Alcan and Military Hiway. From Dawson Creek to Fairbanks was the best road we had. It is all gravelled or crushed rock which might be dusty in dry weather, but it rained most of the time and the road was perfect. Accommodations were swell. You can get gasoline, oil, eats and cabins every few miles and more camps are in progress of going up all along the highway. Gasoline retailed around 50c per gallon in a few places, but 12 of the Dominion's gallons equal 15 of ours so it was not bad. (Imperial measure). We really got good mileage thru the Canadian Territory. We paid from \$2.00 to \$4.00 for cabins and food was approximately one-half the price that we paid either in the States or in Alaska. Expenses were much less than we had anticipated.

We checked across the border into Canada at Sweet Grass, Mont. on Sunday evening and arrived in Fairbanks the following Saturday at noon, driving 2,395 miles in 5 1/2 days and taking pictures and sight-seeing enroute. This perhaps sounds queer to those who read the letter published in the Omaha paper just a few weeks ago, where some lady couldn't express in words what she thought of the Alcan Highway... perhaps she had a grudge against SOMEONE or was ALERGIC to travel?

We stayed over a night in Fairbanks, which is really a "boomtown" and enjoyed the atmosphere of a real frontier as wealthy gold miners and construction workers parted with easily earned money at the multitude of bars or saloons.

Departing Fairbanks on a huge DC-4 we arrived in Nome three hours later... but one hour earlier as the time had changed on us! Carl and Eunice met us at Nome's huge and splendid Airport which belongs to the Army. Everything was arranged for us and I started working immediately on the new hotel. Bill went to work as cashier in Nome's biggest and finest restaurant — "The North Pole" and as everybody works, we have had but very little time to get acquainted. Carl operates his own business, having a new office on the main street. He has an Insurance Agency... operates the Artic Alaska Travel Service and is also the Railway Express Agent here, besides keeping books for three business houses... he works both night and day and inasmuch as campaigning soon starts for the coming election, I can't understand how he intends doing anything about it, but I understand he plans to win the much desired seat in the Senate—guess he figures everything is going RE-PUBLICAN this year!

Nome is a very busy place with the Army doing a lot of construction work and the U. S. Engineers always on a new project. Within a mile radius of the heart of the City are several huge gold mining dredges working 24 hours a day and we hope to see one of their clean-ups soon. It is reported one dredge took out over \$550,000.00 in a 10-day operation, which makes one feel UNDERPAID for hard labor, but perhaps the physical difference is what keeps us "feeling fit."

It is very possible that within several years one can drive all the way to Nome and up to where Cape Prince of Wales sticks out as the most westerly point on the North American continent... it is also rumored that Uncle Sam and Big Joe are planning a tunnel beneath the Straits between Wales, the Diomedes and Siberia, thus permitting a train line from New York to Paris... some of those who dislike flying are living 20 years too soon.

Be It Ever So Humble, There's No Place Like Nome!

Sincerely,
Ed Anderson

Meaty Meat Meals Help Child's Learning Capacity

is not too far off to the time when school will ring and with school days come the school lunches. Remember the old slogan, "A Lunch a Man Can Work On" . . . now, "Pack a Lunch a Child Can Learn On." Lunches induce better learning for a child, one who is hungry or half-hungry cannot as well as the well-fed child.

If you want your child's lunch to be filling and being bulky put a generous amount of meat spread, or cold meat in their sandwiches.

And, of course, you want the best meat available — come to the North Side Market and our display of home cured sandwich meats.

Delivered 2,158 Cars.
Anderson entered the automobile business in Ord 23 years ago this month when he brought his first car out of Hastings. Since that time he has delivered 2,158 new and used cars to people in the Ord area.

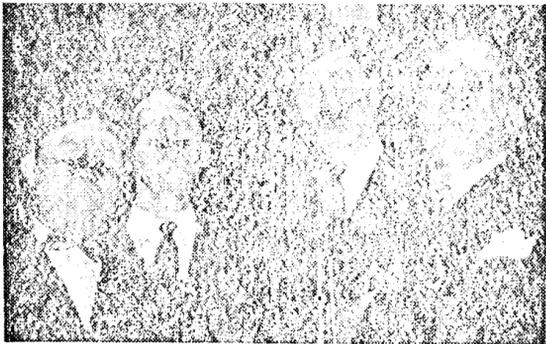

Reminiscent of those earlier years, Anderson will display during his opening one of the first Chryslers ever sold in Valley county. Still equipped with its original tires and paint, the oldster will be shown in an honored spot among the new, sleek Chryslers and Plymouths.

The old car was purchased in October, 1925, by Mrs. Ada Munn of Ord. It cost \$2,407 upon delivery to Ord from Hastings.

Burial Monday For S-Sgt. E. L. DeHart

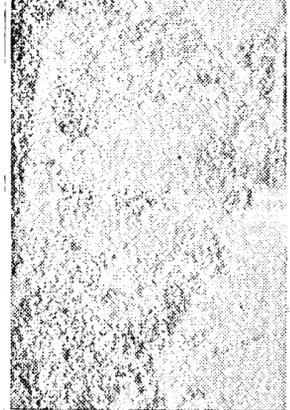

Killed in Philippine Jungle, Former Ord Youth Is Laid To Rest in Peaceful Valley

Funeral services for S/Sgt. Eldon Lee DeHart, who was killed while serving his country in the Philippines in 1945, were held Monday afternoon at the Hastings-Pearson chapel. Burial was in the Ord cemetery.

Rev. L. V. Hessel officiated at the services. Music was furnished by Irene and Don Auble accompanied by Viola Kellison. Pallbearers were George Knecht, Richard Rowbal, Mable Clement, Bernard Guggenmos, Harley Eschliman and Vernon Nay.

Struck by Box
S/Sgt. DeHart was killed at the age of 23 when a box of rations struck him after being dropped from an airplane. At the time of the accident, he was digging a fox-hole in the Luzon jungle during an American advance.

Prior to his death, DeHart was

stationed in Australia for eight months before beginning the slow push through New Guinea with troops of General MacArthur. Once he was with an American detachment which was cut off in the jungle from the main army for three days without food or water before making their way back to the main force.

Was Ord Grad.
He received his army training at Camp Roberts, Calif., and Camp Beutner, N. C., prior to going overseas to the South West Pacific area.

The son of Mr. and Mrs. W. L. DeHart of Ord, he graduated from the Ord high school in 1939. Following his graduation, he was employed by the Fairmont Creamery in Lincoln until entering the army in August, 1942.

Surviving him besides his parents are two sisters, Mrs. Bernard Kingston of Ord and Mrs. Virginia Lofflin of Lawrence, Kans.

Lack of License Costs Texan \$16

Driving without a drivers license cost John Debolt a \$10 fine and court costs of \$6.50 in Valley county court last Saturday after he pleaded guilty to the charge.

The accused claimed to have had a Texas license but could not produce it. Judge Ramaekers ruled that he was required to have a Nebraska license. Debolt said he had lived in the state nearly a year.

He was arrested by Sheriff Bob Hall on Aug. 19 after becoming involved in a minor accident in Ord with a car driven by Miss Emma Novosad.

Ord City Directory Out in Two Weeks

2,000 Copies Are Ordered
48 Pages, Size 5 1/2 by 8 1/2;
Distribution to Be Free

Two-thousand copies of the 48-page city directories for Ord will be available to the public in about two weeks, according to the latest information from the Chamber of Commerce.

The handy reference book, first of its kind in Ord, will be printed in a 5 1/2 x 8 1/2 size. It will be finished in a heavy weight cover in attractive color. Distribution will be free.

Other than the directory of persons listed by address, the first edition will contain a short history of Ord, lists of city and county officials, churches, lodges, societies and businesses, a map of the city and a street index.

Addresses Untangled.

A foreword by representatives of the Church of Latter-day Saints who compiled the information is included. In the gathering of statistics and the compilation of the information, they found many confusions in street addresses. These houses have been listed according to legal records.

In one such confusion, a house numbered 318 was found in the same block and next to another house numbered 408. Across the street from house 408 was another numbered 303 which should have been 119.

In a similar instance, houses with numbers 621 and 624 (odd and even numbers were found on the same side of the street. All of such mixups have been untangled and listed according to best available information.

Return from Vacation in West

Mr. and Mrs. Leonard Ptacnik and Bobby returned last week from a three-thousand mile trip which took them through Kas., N. M., Ariz., and Colo.

Among the points of interest included in the trip were the oil wells of Kas., the old Spanish towns of N. M., the Indian reservations in N. M., and Ariz., the Aztec and Wupatki Indian ruins, Meteor Crater, the Painted Desert, Petrified Forest, the Lava Beds, Montezuma Wells, the Sky City of Acoma, and the Grand Canyon. They also drove the Oak Creek Canyon road, the most scenic drive in Arizona. On the return trip they came through Colorado, stopping to see the Royal Gorge, the highest bridge in the world, and visited friends in Colorado Springs.

The little girls, Marianne and Judy stayed with Mr. and Mrs. Joe Ptacnik and family while their parents were gone.

Ord Whipped By Miller, Mason City Dumps Locals to Sixth Place Team

Mason Hits Three Homers
Arcadia Cops Loup City 6-1
Indians Win Fifth Straight

Ord's Loup Valley league nine was knocked all over the field during the week as both Mason City and Miller roared by waving the heavy end of the score sheet. The two losses dumped Ord into sixth place from fourth. It is the first time this season the locals have dropped out of the top four teams of the league.

Mason City scored 19 to 9 for Ord. Miller brought in 14 to Ord's 7.

On the other league fronts, Arcadia took home an easy 6-1 victory from Loup City, Broken Bow walked away from Comstock to the tune of 11-3. Berwyn overtook Litchfield 20-15. Miller coasted by Ansley 18-11.

Three Homers. In the Ord game Sunday, three Mason batters—Orvin Cox, Kruger and Burns—beat out home runs in one of the league's most base-circulating games of the year. Both teams scored in every inning except the last two.

Finley led off on the mound for Ord. He was followed by D. Patrick and D. Beran, who was the most effective of the hilltoppers. For Mason City, Kruger and Jensen did the pitching chores.

Bobbles were scratched up for both teams but Ord's 10 costly mistakes outweighed the six for Mason. Six men of Mason were also allowed free trips to the first sack.

The Arcadia mix on the Loup City diamond turned up a brilliant duel between the pitching bills—Beasley of Arcadia and Novosad for Loup City. Each registered eight hits. Beasley retired three on strike-outs. Novosad fanned 12.

No Arcadia Errors. In the pay-off, the difference appeared in the number of walks. Beasley gave away tickets to two Loupers. But eight Arcadia men stroled to first.

Arcadia also played errorless ball while their opponents counted for four miscues in the field. In the slugging department, Cox of Loup City led with three hits, while Beasley, B. Brown and G. Gregory snagged two hits for Arcadia.

The Valley county club's conquest sets up a possible league championship game next Sunday when they meet Mason City. Arcadia is the only team yet to whip Mason crew which fell in a 2-1 score in their previous game.

Watch Broken Bow. The other team in the league to watch is Broken Bow which boasts five straight wins with the trimmings handed to Comstock Sunday. Paul Dean pitched and batted the Indians to victory by allowing only eight hits and swatting three safeties in four times at bat.

Barnhart struck out nine for Comstock but had little help from his teammates who pulled nine bogies while Broken Bow erred only once.

Next Sunday will conclude the regular schedule with only the postponed games remaining. On the weekend schedule: Miller at Ord, Mason City at Arcadia, Loup City at Berwyn, Litchfield at Broken Bow and Comstock at Ansley.

Danes, Palmer and Ashton Tie 3-Way S-H Championship

North Loup Downs Danes, Palmer and Ashton Beat Farwell, Elba whips NL

A helter-skelter scramble for the Sherman-Howard league championship developed into a three-way tie for first place during the week with a possibility of a fourth team moving into the top spot next week.

During the past week, games were won by Palmer and Ashton, both previously tied for second. The victories cut them in for a share of the league peak with Danneberg which lost its contest. Elba is the possible fourth for first.

The Danes were humiliated by an aroused North Loup nine by a score of 3 to 1. Played Wednesday on the winners' diamond, the game was a re-match of a game protested earlier in the season.

NL Beats Danes
North Loup's success squelched Danneberg's chance of clinching the championship. The game finished the two rounds of league play for both teams and left the Loupers in fifth place.

Palmer's triumph came at St. Paul in a previously postponed game with Farwell. The count ended with a 10 to 7 score under the lights Thursday. The contest completed league competition for each team.

Ashton's win from Farwell by an easy 18 to 7 score was chalked up Sunday on the losers' field. As both teams finished their number of league games, Farwell was dumped into sixth position in team standings.

Two Games Remain
In the other Sunday games, Elba romped over North Loup 14 to 4. The two teams will meet again next Sunday. If the Elba lads repeat the win, they will claim a share of the championship, while North Loup will continue to hold its fifth spot.

Beside the Elba-North Loup game, the only other contest remaining in the league is between Cushing and Grand Island. The playoff would break the tie of the two teams for the cellar. Since it would have no other effect on league standings, it is possible the game will not be played.

36 Candidates For Football Positions

Chanticleers Begin Drills With Two Daily Workouts Back Shortage Reported

Thirty-six boys checked out for football practice which started Monday for the Ord high school squad with light drills in blocking and tackling fundamentals.

Coach Dick Peterson reports for Tuesday night when the squad practices. An average of approximately 25 boys have turned out for two daily practice periods.

High temperatures have caused the main discomfort so far. Originally scheduled for 9 a. m. the morning session was set up to 8 a. m. to escape the heat. Most of the heavy work has been done during the two-hour morning period following calisthenics.

Pass and Run. The evening workout from 6 to 7 p. m. has been filled principally with limbering up exercises and drills in passing and running. A few plays were run through by the middle of the week.

Coach Peterson suited up his proteges for all practices except for Tuesday night when the squad turned out in shorts. The workout was cut short, however, as the mosquitoes drove the boys to cover.

No Predictions. "We have a shortage of backfield material," the coach said. He added that there are many candidates for the line positions.

With an eye on the rugged game schedule, Coach Peterson declined to make any predictions for the season play. He and Assistant Coach Roland Moore will soon start the squad in scrimmages as preparation for the first game at Holdrege on Sept. 17.

Bill Novosad Is Top LVL Hitter

L. City Pitcher From Ord Leads Clubbers With 400 Stull and R. Beran Place

Leading the Loup Valley league hitters to date is Bill Novosad, Loup Valley's star pitcher who hails from Ord, with 18 hits out of 45 times at the plate for a .400 average.

Another pitcher, Bill Beasley of Arcadia, shares second place with Orval Cox of Mason City.

Among the 16 leading hitters with at least 40 times at bat, Ord lists two—Shorty Stull and Rod Beasly. Each of the Ord men have batted more than 50 times.

Stull Is Sixth. In sixth place, Stull collected 18 hits out of 51 times up and turned 16 into scores for a hitting average of .353. Beran poked 17 safe hits in 53 chances with the stick for 11 runs and an average of .321.

Dale Cards A 28 For Golf Record

Five Under Par of 33, Six Birdies, Two Pars Record From Blessing

Doug Dale carded a five-under par 28 to establish a new record at the Ord golf course recently.

He scored par on holes 2 and 9, a bogey on 7 and cupped the ball with birdies on the other six holes. Par for the route is 33.

Al Blessing formerly held the record with 29. Prior to that time, a four-way tie at 30 was held by Dale, Blessing, Tom Tolen and M. D. Tolen.

With Dale on the record flight were Don Hill, Walt Noll and Blessing.

Former Ord Man Dies From Polio

Donald VanHouse, 32, son of Mr. and Mrs. J. C. VanHouse formerly of Ord, died of polio last Friday at the County Hospital in Omaha.

VanHouse was stricken with the disease on Saturday, August 14, and was placed in an iron lung on Monday. Pneumonia complicated his illness. Only ten days before, his 3-year-old son, Teddy, died of the same disease.

Funeral services were held Monday at the St. Stanislaus church and burial was in Neligh, Nebr. ...

VanHouse was premium supervisor for an insurance firm. His parents, Mr. and Mrs. J. C. VanHouse now live at Kenesaw, Nebr. Mr. J. C. VanHouse was formerly the Burlington depot agent at Ord. His wife and daughter, Donna, 3, also survive.

Alfalfa and Sweet Clover Seed

At the present time alfalfa and sweet clover seed is bringing a very good price. It has been a very good plan in the past to sell this seed at harvest time and not have to take any shrink on it. We will pay top price for the seed, loan you sacks when threshing and send a truck out after the seed. If you have seed to sell let us make you a bid on it.

Super Phosphate

We expect our car of Super Phosphate in right after the first of September and the price will be \$35.00 per ton off the car. We will make you a very good price on this delivered to your farm. There are a couple of truck loads not sold as this is written but you should place your order now to be sure of getting it when you want it. We believe that this will be the only car of Super Phosphate that we will have this fall. We are also booking orders now for Nitrate for winter and spring delivery. Nitrate is extremely scarce and prospects are not any brighter for next year so we feel that you should get your supply now and have it on hand when you want it.

Cattle Feed

Molasses and protein cattle feeds are much lower at the present time and this might be a very good time to lay in a supply for feeding this fall. Let us figure with you when you are ready to buy your protein feeds.

Grains

We have seen about 30c per bu. drop in corn the last ten days and some lower prices in other grains. It is pretty hard to figure just what these grain prices are going to do; wheat is still a very good price but oats and barley are selling very cheap. When you have grain to sell get in touch with us and let us figure a price for your grain right on your farm.

UN Home Training Boon to Ord High Nebraska's First

"Ord citizens should feel very proud that their homemaker department has been chosen by the University of Nebraska to be used as a teacher training center," said Miss Grace Heston, supervisor from the university, said this week.

"As yet, it is the only training center for senior university vocational education students in the state. One more such center will be established by Miss Florence Corbin, vocational education pro-

essor, before school starts," said Miss Heston.

Under the present training center program, senior university women will study homemaking for five weeks under the supervision of Miss Heston, a staff member of the university.

While the Ord homemaker department is considered very good, no physical changes have been made since the building was erected twenty years ago. Plans to modernize the department within the next three years are being laid by Superintendent C. C. Thompson and the board of education.

It is hoped that the modernization will make the department a place where Ord girls can get the best homemaker training in the entire state.

CONTROL CANCER.

The cancer committee of the Nebraska State Medical association has recently prepared research material on "What, Why and Wherefore of Cancer." This material appears now in a booklet under the title of "What You Should Know About Cancer." Published jointly by the Nebraska division of the American Cancer society and the State Department of Health, this booklet is available to all Nebraskans for the asking.

Dr. W. S. Petty, director of the Department of Health, urges all Nebraskans to acquire a copy to become familiar with its contents. The prediction is that 150,000 persons in the United States will succumb to cancer in 1948. We can save fifty per cent of these persons (90,000) through early diagnosis and treatment.

There are seven tumor clinics in Nebraska. Write for further information about these clinics.

Step right up and ask for "Lubri-tection"!

I'll Know You're Talking About The Product That Makes Me Proud— Phillips 66 Premium Motor Oil!

Man this "Lubri-tection" is something to boast about! It means the two things you get with Phillips 66 Premium—lubrication plus protection! Here's a motor oil with all the great lubricating qualities you just naturally get from fine base stocks and expert refining, plus additives and inhibitors that protect by helping to lick sludge, carbon and varnish deposits.

That's a lot in one quart of oil but Phillips 66 Premium's got it! Why don't you switch to "Lubri-tection" today!

* "Lubri-tection"—the protection rendered by an oil of fine base stock containing special detergent and oxidation inhibiting ingredients.

To All Ord Citizens

Ord wants to take its rightful place in the statewide traffic safety program for the Labor Day week end, now being conducted by the Nebraska State Safety Council to hold down the holiday accident toll.

I earnestly ask every citizen of our community to join with me in the safety endeavor by accepting personal responsibility for avoiding accidents over the holiday week end.

Let us remember that the Labor Day holiday was created to honor our workers. It should be a happy occasion, so let us do everything in our power to keep it that way.

Let each one of us dedicate himself to making this Labor Day week end one of safe and sensible festivity.

Arcadia

By MRS. A. RASMUSSEN
Arcadia, Nebr.

The American Legion Auxiliary met in regular session in the basement of the Methodist church Tuesday afternoon. The president, Mrs. Dorothy Drake, presided and honorary memberships were presented to Mrs. Mae Osborne, Mrs. Ella Baird, and Mrs. Lura Cooley. Since the American Legion is made up of only World War I and World War II veterans, the three ladies were ineligible for membership since their husbands were Spanish War Veterans. However, they have been outstanding in their contributions and assistance and the group is happy to have them as members.

A beautiful pieced quilt was presented by Mrs. Osborne to the Auxiliary, to be disposed of in any way acceptable to the Auxiliary. Twenty-six members enjoyed the delicious lunch served by Mrs. Baird, Mrs. Osborne, and Mrs. Weddel.

The meeting was adjourned to meet in two weeks with each member bringing sandwiches.

Starr-Zabel.
Miss Lucille Carol Starr, daughter of Mr. and Mrs. C. W. Starr, became the bride of Harvey John Zabel, son of Mr. and Mrs. John Zabel of Elm Creek, Nebr., on August 14, at the Evangelical Lutheran church in Kearney. The Reverend E. Pokrant officiated at the double ring ceremony performed in the presence of immediate relatives and friends.

The bride wore a gray covert suit with matching accessories. She wore an orchid corsage. Her only jewelry was a triple strand of pearls, a gift of the groom.

Miss Doris Dworak, maid of honor, wore a moire taffeta suit with black and white accessories and wore a red gladioli corsage. Kenneth Zabel, brother of the groom, acted as best man. Both he and the groom wore dark business suits.

The groom's mother was attired in a gray dress of tissue faille with gray and black accessories. Her corsage was of yellow gladioli. Only jewelry was a triple strand of pearls, a gift of the groom.

The couple then left for a trip to the Black Hills, Yellowstone Park, and points in Colorado and Kansas, acting as best man at home in Elm Creek, Nebraska.

The bride was graduated from Hastings college and did graduate work at the University of Colorado. She is a teacher in the Elm Creek High School.

Mr. Zabel, a veteran of World War II, spent three years in the service, two of which were spent in the South Pacific. He is now attending Nebraska State Teachers' College, Kearney, Nebr.

Mr. and Mrs. Jerome Walker entertained Sunday at a birthday dinner for their daughter, Mrs. Adeline Pascoe of Grand Island. Those attending were Mrs. Ann Dowis, Mr. and Mrs. Everett White and Linda of Arcadia, and Mr. and Mrs. Don Walker and Gary Donald of Loup City. Attirenoon callers were Mr. and Mrs. John Walker and Norman of St. Paul, and Mr. and Mrs. Harry Kramer of Grand Island.

Mrs. Adeline Pascoe of Grand Island, who has spent the last week visiting her parents returned to her home Tuesday. Mr. and Mrs. Jerome Walker accompanied her to Grand Island where they will spend a few days. They also will visit their son, John and family at St. Paul before returning home.

Mrs. Placke, 75, Dies Suddenly

Martha Placke, 75, died Wednesday evening at the home of her son, Walter, at North Loup. Mrs. Placke, who lived at 422 South Lexington, in Hastings, was spending a vacation with her son and had been ill only a short time.

Funeral services were held Sunday at the Zion Lutheran church in Hastings with Rev. C. A. Kruckeberg in charge. Her gardeners acted as pallbearers. Surviving are four daughters, Mrs. Anna Grim of Bellingham, Wash., Mrs. Lester Lord, Danbury, Nebr., Mrs. Henry Manske of Ayr and Mrs. Clarence Martin of Hastings; six sons, Walter of North Loup, Frank of Superior, Henry, Jr. of Kearsaw, Harry of Hastings, and Ernest of Edgar, one sister, Mrs. Henry Gartner of Hastings, twenty-five grandchildren and seven great-grandchildren.

The Pulpits at North Loup and Scotia were occupied by Rev. Bob Gellers, a minister in the Presbyterian church, working in the West Virginia coal fields. Mrs. Bob Gellers sang during the morning service at North Loup. Danny Nelson played the offertory and Miss Alice Meyers was the regular pianist.

The air cooling system installed as a gift to the Methodist church at North Loup, was used during last week, during the banquets served by the W.S.C.S. and during the regular morning service. It was given and installed free of all expense by Harry Johnson, son of Mrs. George Johnson. The cooling system will be greatly appreciated in the warm days of the fall season.

Chinese Girl Goes to School
Angie Lin, eighteen year old Chinese girl, arrived in North Loup Saturday afternoon, on her way to Salem, Va., to attend college. Miss Lin has been a student in the Grace school in Shanghai, and was a pupil of Dr. and Mrs. George Thorgate, Seventh Day Baptist missionaries there. In San Francisco she was met by Wayne Rood, who put her on the train for Grand Island, where Mrs. Chas. Thorgate and Mrs. Myra Barber met her. She will spend a few days in Mrs. Barber's home and then will go to Milton, Wis., before going on to Salem. At the Sunday afternoon conference meeting Miss Lin sang a solo. She speaks some English.

The Lion's Club will resume its meetings on Thursday, September 2. The Zone meeting that was planned for this date will be held Thursday, September 16.
