

Former Gamble Store Owner Returns As Owner of Hotel

Hotel Ord Sold to H. Cuckler of Grand Island

Ord's Tallest Building, It Was Built 60 Years Ago, Remodeled Recently.

Through an agreement entered into the past week with Mr. and Mrs. Harold W. Cuckler of Grand Island, Mr. and Mrs. R. E. Teague are selling the Hotel Ord. They will give possession May 15, and after that will remain another ten days to see the Cucklers started in the work.

Mr. and Mrs. Cuckler are well known to Ord people, as they and his brother, Virgil Cuckler and wife, ran the Gamble store in Ord until the men were both called into the service at which time they sold out to the present owner, Jay Brown. The Cucklers bought the business from Cecil Wardrop, who bought it from the first owner, F. E. McQuillan.

Since his discharge from the service Mr. Cuckler has been living in Grand Island and has been connected with the Northwestern Life Insurance Company of Minneapolis. His family consists of his wife, Margaret (Marge), and two children. They plan to retain all the present furniture in the hotel.

The Teagues bought the hotel from Mrs. Teague's mother, Mrs. Partridge, when she retired in 1939. She died two years later. They have no definite plans for the future, but feel that they have earned a long vacation and are planning to take one.

History of Hotel
The history of Hotel Ord should be of interest. It was built in 1859. The builder was a well known man of those days whom many will recall, Captain L. Harris, whose sons, Clyde and Floyd (Tom) are well known Ord carpenters. The word Captain is a name and not a title, as many may suppose.

The man who had the building done was Fred L. Harris, early day banker, and he retained the front room, which was the office for his bank. The bank moved to new quarters in the present Jack and Jill building in 1923, and the hotel took over the space it had occupied.

The two men, Captain and Fred Harris, were not related, but were warm friends. Another old time carpenter, Matt Coffin, was associated with Harris in the construction of the hotel, which was the outstanding building in the entire North Loup valley in those days.

Brown First Landlord
E. R. Brown was the first landlord of Hotel Ord, and he ran the place for a number of years. Following him was J. L. McDonough, who was also postmaster of Ord for some time. Bert Boquet's father and mother bought the hotel from the McDonoughs in 1901, and continued until 1906, when they sold back to the Boquets and moved to Hastings for two years.

Mr. and Mrs. Charles Partridge bought the fixtures and took over the management of Hotel Ord in 1901, and continued until 1906, when they sold back to the Boquets and moved to Hastings for two years. Mrs. Teague, Thelma, was born in the hotel in 1901, so naturally she looks upon it as her home.

Unroofed Twice
Hotel Ord has passed through two severe storms and lost its roof in both cases. The first storm, before the building was completed and the contractor went ahead and made the necessary repairs before it had been opened to the public.

The second storm was the well-remembered tornado of June 9, 1917, which blew the top off the hotel, and the rain that followed permitted the rain to do serious damage. Since then a new roof has been put on, the walls have been rebuilt as needed, and a complete remodeling and redecorating job has been done.

The hotel ran a dining room until 1920, when it was discontinued. In 1929 the hotel was modernized, with running water in every room.

John Prien, Jr. Trophy Winner
John Prien, Jr., a student at the University of Nebraska and a member of the Pershing Rifles, a national honorary military society, this past week participated in a regimental drill meet held at the campus of the University of Wisconsin Madison. Thirty men from the University of Nebraska attended the meet and made the trip from the Lincoln airport in planes of the Nebraska National Guard. The men spent their leisure time for the three days they were there touring the campus of the university, which is one of the most beautiful campuses in the United States. The Nebraska "crack squad" unit won first place in their event, and the rifle team placed third.

Two weeks ago, John was awarded the Minute-Man Medal, along with twelve other freshmen students, for outstanding work in the Nebraska R. O. T. C. unit.

Cosmo Wading Pool Definite

The projected Cosmopolitan wading pool at the city park will be an actually very soon, with work scheduled to start sometime next week, members of the club were told at their regular meeting Thursday night.

About 50 percent of the total amount of money necessary to build the pool has been donated by Cosmopolitans and their member firms, President Floyd Beranek said, and individuals in town were sending or promising donations to make up the balance. Beranek appointed a nominating committee to report at the next meeting of the club, Thursday, May 12, at which time new officers for the year will be chosen.

Land Leveling Demonstration Great Success

Gave Visitors Chance to See Ord's Airport and the Work There.

Monday, under the direction of the Valley County Soil Conservation service, a demonstration was put on at the Ord municipal airport, in which leveling, ridging for flood irrigation, seeding and rolling were demonstrated to about 75 interested farmers and others.

The work was done on an area hauled out two times, which was to be seeded to alfalfa. The SCS leveled this plot last year. This year O. A. Kellison furnished the John Deere equipment and demonstrated the use of a land float.

Of special interest was his changing of a tandem disc to throw up borders in preparation for irrigation. A float was then used to trim up these borders, and the land was then leveled between the borders.

Leslie Nash of the Soil Conservation service says it is their plan to throw up borders in preparation for this up and level the speed with which irrigation water will cover the field. The field was then seeded to alfalfa with a VanBunt drill at right angles to the borders.

The field was then packed, in part, with the cultipacker. E. S. Murray put on a demonstration with his jeep, showing that the vehicle could be used to pull the float and the packer, all of which was quite interesting.

May Battle Weeds
In other places it started up again this spring, but was too tender and the late hard freeze killed it out. An early spring would have been much better for the wheat, which had to give through an unnaturally long period of winter.

Some Good Fields
In riding around over the county, Mr. Dale says he has seen some fields that look good, others that look fair, and quite a number that look poor. A field on the Dr. Miller place two miles north of North Loup looks about as good as any in the county. It is under irrigation, and the ground may not have been quite so dry last fall.

The seed that did not sprout last fall has been trying to grow this spring, but does not seem to have the strength to break through the crust.

Conditions here, Dale says, are different that they are in the eastern part of the state. There the wheat got a good start last fall, but much of the snow fell as sleet there and smothered the crop. It was completely killed out in spots.

Charlotte Maria Brod of Austria Wishes to Become U. S. Citizen

A most interesting woman visited in Ord Tuesday and called at the office of Clerk of District Court Clyde Baker. Her name is Charlotte Maria Brod, and she was here to file her declaration of intention to become a citizen of the United States.

She is visiting with cousins of her father in the Spalding neighborhood. Their names are Ernest, Louie, Anton, John, Albert, Carl, Theresa and Tillie Zweiner and Mrs. Mary Reiter. Theresa and Tillie came with Mrs. Brod to Ord.

Mrs. Brod was born in Czechoslovakia, became a citizen of Austria. She and her husband went to Turkey just before the war, where he was employed as a construction engineer. They were there when the war started and could not return to Austria.

Consequently he continued to work at his job there. Three children were born to them there. Ernst Johannes, who was 8 Dec. 30, was born in Istanbul. Charlotte Elizabeth, who will be 7 on May 12, and Johann Georg, who will be 6 June 30, were born in Ankara.

From the time the war broke out the Brods have been trying to get to America, and finally made it after 10 years. They left Istanbul Sept. 27 on the Norwegian cargo ship, Fernigen, and arrived in New York Oct. 23, having encountered a severe hurricane off the Azores enroute.

This Was Once an Automobile

Three Burwell young men came out of this wreck alive, after a collision with a truck in Elyria. One was almost unhurt, another will recover, the third has a chance to recover.

150 Acre Land Leveling Project at Carson Farm Biggest Here Yet

A 150 acre land leveling and soil preparation treatment now in progress at the Hugh Carson farm southeast of Ord is believed to be the biggest single farm project ever attempted in the North Loup Valley.

For the past week, machine operators under the direction of Ray Althway have been knocking down ridges and filling low places to bring the farm to proper grade, so that all can be brought under irrigation. When the work is finished, sometime next week, between 50 and 100 thousand cubic yards of dirt will have been moved.

The Carson farm, which lies under the Ord-North Loup ditch, comprises around 450 acres, of which 360 will now be under irrigation. Part of the land being leveled has been in temporary pasture the past several years, seeded to bromo and alfalfa.

Poor Germinating Weather Last Fall
C. C. Dale, county agent, believes that there is considerable damage to winter wheat this spring, and cites a few cases to prove his point. He believes, however, that most of this damage was the result of dry weather last fall, rather than the severe winter that followed.

He says that Will Valasek, Davis Creek disced up one field of wheat and put it into barley. He has another field, which from present indications he believes he will winter wheat. The poor germination last fall.

Henry Desmud of Geranium township has forty to fifty acres that he will probably put into corn. He has 80 acres on another place which he may leave. It looks fair, and, with favorable growing conditions it may make a pretty fair crop.

Burwell Men Hurt in Auto Accident at Elyria Sunday

Herbert O. Howard Is Terribly Injured But Is Given 50-50 Chance.

Three Burwell young men met with a serious accident on Highway 11 in the village of Elyria Sunday evening at about 8:30, when their auto hit the rear end of a truck belonging to Stanley Jurzenski. Jurzenski had been coming up the highway and made a left turn into the street just northwest of the Bogus Service station.

The truck failed to clear the road in time to prevent a collision with the car, which was being driven by Glen (Buckshot) Cass, with two friends, Herb Howard and Buzz Howse, in the front seat with the left side of the front of the auto was pushed back against Howard, who was seated on the outside.

Car Turns on Side
The car turned over on its side and was headed toward Burwell when it came to a stop. Mr. and Mrs. Bill Anderson, who had been visiting above Elyria, came along just after the accident, and Mrs. Anderson, who is a nurse, assisted in taking care of the injured men.

She said that Howard was very seriously injured about the head and face, and that Howse was also quite badly cut up, but that Cass seemed to have escaped almost without injury. Dr. and Mrs. F. J. Osentowski were at the Bogus station, and he and the doctor were the first to reach the damaged auto.

The doctor tells of how the auto was so badly damaged that they had to pull the side out the best they could to get at the men, who were all thrown into the back seat. One of the men got out without too much difficulty, but the second had to be helped.

Tangled in Wreckage
Those assisting, and there were a large number of them in a short time, did not know at first about the third man, but saw one of his feet. They found him stretched out with his arms and legs in the back seat and his legs tangled up in the wreckage in the front seat.

Dr. Osentowski came to Ord and at once notified the authorities and called Hastings and Pearson, who is the coroner, to the scene. The ambulance and helped get the injured men to the Burwell hospital.

The auto in which the men were riding was so badly damaged that it probably will not be worth anything. The truck suffered considerable damage. Those who were present and assisted in getting the men out say it is a miracle that they were not all killed.

Has 50-50 Chance
Dr. Smith, Burwell, stated at noon Wednesday that he thought the boy had a 50-50 chance of recovering. He added that, when he saw him first and made an examination of his injuries, he did not give him a chance. He had a skull fracture; his ribs were crushed in against his lungs, he was bleeding from the mouth, ears, nose, lungs and kidneys.

The doctor phoned the Red Cross at Grand Island and asked them to send up blood plasma the next morning, but they found a patrolman and sent it up the same night. The boy was given a transfusion of blood by the Red Cross. Howard was no longer bleeding from the lungs, and was conscious. He is a disabled war veteran.

Except for a bad cut about the mouth, young Howse is getting along fine, and undoubtedly will be home in a few days. He was alone, having fully recovered from the shock of the accident.

Concert Group Organized Here

Will Present Series of Entertainments During October-April Period.

A concert group, known as the Loup Valleys Concert Association, was organized Tuesday night at a meeting held at the Ord high school. The group, in contract with the Municipal Concert Co. of Houston, Texas, will present a series of musical concerts during the October-April period.

Named as temporary co-chairmen of the group are Hilding Pearson and Mrs. Leslie Nash, both of Ord. Ward Pscherec of Houston, Texas, will present a series of musical concerts during the October-April period.

Will Need \$1500
The sum \$1500 will be needed to guarantee concerts for the season, plans of the local association are to start a season ticket selling drive September 12 to raise this amount of money.

According to representatives of the Houston company who met with the local group Tuesday night, artists to be presented here will include vocalists, quartets, solists, ensembles and other small groups. All are outstanding young artists who have made a debut at Carnegie Hall in New York. The concerts will be presented in the Ord High school auditorium.

Rev. E. Trefz Memorial Day Speaker Here

Rev. Edward Trefz, temporary pastor of the Presbyterian Church of Ord, and an instructor at Hastings College, will be the Memorial Day speaker here at exercises to be conducted at the Ord city cemetery under the auspices of the American Legion.

Rev. Trefz is a Navy veteran, serving in World War II with the rank of lieutenant, junior grade, in the chaplain's corps.

Ord Scouts Plan Build Sod House but Sod Needed

16x30 Foot Structure Will Be Used as Scout House; Mortensen Offers Site.

A sod house, of the same general type that early settlers of the Loup valley built, but with modern improvements, is being planned by Boy Scouts of Ord as their 1949 summer project.

The building, size approximately 16x30, will when completed, be used as a permanent home for the Ord troop.

C. J. Mortensen has offered to deed to the Ord troop, or to the Cornhusker Council of Boy Scouts at Lincoln, approximately one and a half acres adjacent to the North Loup river, 2 1/2 miles north of Ord. This is the site formerly occupied by the Mortensen summer cabin and is considered an ideal site, located just the right distance from Ord for Scouts to hike back and forth.

Palmatter to Help
Charles Palmatter, old pony mail rider and Indian scout and one of the few men living here who knows how to build a sod house, has offered his services in supervising construction of the cabin. Financial assistance has been offered by the Ord veterans' groups, from juvenile funds already appropriated but the troop already has a cabin fund of approximately \$350 and will not need very much additional financial aid.

Beams from old Fort Hartsuff have been offered by Glen Auble, to be incorporated into the structure, and it is hoped to secure cedar poles from the canyons near Burwell for roof supports.

Sod Greatest Need
Greatest need now is to locate a field of virgin sod, preferably bluestem but if that is not available, native buff grass or grama, whose owner will donate an acre or slightly more of sod for use in the structure. The sod should be located northwest of Ord, as close to the Mortensen land as possible, to minimize the length of the truck haul.

Anyone having such field, or knowing of one, is asked to notify Leslie Nash, chairman of the Scout troop committee.

Work on the sod house will start as soon as school ends and the house will be completed as rapidly as possible. Most of the work will be done by the Scouts themselves, with aid from members of the troop committee, parents, veterans and other adults interested in the project.

Decision to build the house was reached last Thursday at a luncheon of the troop committee with Dave Watson, scoutmaster, who assured the committee of his Scouts' interest in the project.

Of Native Materials
A Boy Scout house built of sod is particularly suitable for this locality because it will be built almost entirely of native materials—the only native materials available. In wooded areas Boy Scouts usually have log cabins, in the southwest they have houses of adobe, and a house of sod is especially suited to the North Loup area. Such a house will be warm in winter and cool in summer, it is thought, and will last 10, 50 or more years if properly built. It will be built on a concrete foundation, with a concrete floor and board roof, covered with tarpaper and a layer of sod.

There is plenty of room on the Mortensen site for tents to be erected to accommodate several troops at one time and proximity of the river is an advantage.

Scouts hope that Ord people will become interested in the project to the extent of helping with hauling sod with their trucks, once a proper grade of sod is located, and in all other ways possible. They feel the project will be a real benefit to Ord as well as a boost for Boy Scout work in general.

Wednesday evening Mr. and Mrs. Richard Prien and Ricky Sue called on Mr. and Mrs. Glen Cochran.

Judges Ciochon, Sullivan, Have Busy Wednesday

Each Judge Hears Two Cases, All of Which Are in Court April 27.

County Judge Ciochon and Police Judge Sullivan had a busy day Wednesday, April 27. Two cases of speeding came up before Judge Ciochon that afternoon, and they were strikingly similar, even to the amount of the fine assessed. Edward Piskorski and Don Shoemaker were each brought into court by Guy Smith, Patrolman No. 63, and charged with operating an auto at excessive speed.

In each case the defendants entered a plea of guilty as charged and each drew a fine of \$17.50 and costs of \$1, which they paid and were released. The Judge arrived at this amount by assessing the minimum of \$10 with an added \$7.50 or 50c for each mile in excess of the speed limit. He also warns that he may decide to raise the ante to a dollar, in case conditions justify it.

In Judge Sullivan's court that same day, on complaint of Chief of Police Ernest Kirby, Jim Crane was charged with intoxication, entered a plea of guilty, paid a fine of \$3 and costs of \$2, and was released. Also on April 27, on complaint of Harry Clement, night police, David Maurice was charged with speeding. He entered a plea of guilty, paid a fine of \$5 and costs of \$2, and was released.

Six Contestants
First alternate, in case the scholarship should not be used by Huff, is Harold Hubbard. Second alternate is Georgia Presck. Other contestants in the field of Marlene Suchanek, Ramona Sevner and Vivian Zulkoski.

Young Huff scored highest in a news writing contest prepared and scored by School of Journalism instructors at University of Nebraska. Twelfth in the Ord senior class of 50 members scholastically, Dan has also been active throughout four years of high school in athletics, music, dramatics and most other school activities and under the scoring system used was awarded the scholarship.

Bethel Baptists' Conference Here May 12th to 15th

Long Delayed Ceremony Dedicating New Church Will Be Held May 15th.

May 12 to 15 will be a time of rejoicing and much activity for Bethel Baptist church of Ord. At that time the new church will be dedicated to the Platte Valley conference. This includes churches from Wyoming, Colorado and Nebraska.

The conference begins on Thursday evening with business sessions and inspirational messages by outstanding speakers each day through Sunday afternoon. The meetings will close Sunday afternoon in order to give the membership the opportunity to attend the baccalaureate service that night, when the pastor, Rev. Eugene Olson, will deliver the address.

The Sunday afternoon session will be of interest to all the people of Ord and vicinity, as this will be the dedication of the new church building. Rev. Lawrence Swanson of Cadillac, Mich. will give the dedicatory message. There will also be greetings from various places with prayer of dedication.

It is hoped that the people of the community will share in this joyous occasion, which has been delayed for nearly six months by weather conditions. The first date for the dedication, set for November, had to be given up because of the heavy snow, and conditions all winter made it impossible for the delegates from a distance to make the trip.

Legion to Elect New Officers

New officers for the coming year—1949-1950—will be chosen at the next regular meeting of Fidelity Post 3, American Legion, to be held Tuesday night, May 10, at the American Legion Building in Ord. Cork Biemond is the retiring commander.

The post will also review progress of American Legion Junior boys—all which will be directed by Wm. Heuck this year. Also up for discussion will be plans for Memorial Day.

Dan Huff Winner 1st Annual Quiz Scholarship

17-Year-Old Ord Senior Scores Highest in First Journalism Contest.

Dan Huff, 17-year-old Ord high school senior and son of Mr. and Mrs. Howard Huff of Ord, is winner of the first annual Quiz scholarship in Journalism, which entitles him to \$600 in tuition if he enrolls in and continues through a 4-year course in Journalism at the University of Nebraska.

A committee composed of Miss Clara McClatchey, county superintendent of schools, C. C. Thompson, superintendent of Ord schools, and E. C. Leggett, Quiz editor, Monday afternoon reviewed the records of the six candidates and awarded the scholarship to young Huff.

Young Huff scored highest in a news writing contest prepared and scored by School of Journalism instructors at University of Nebraska. Twelfth in the Ord senior class of 50 members scholastically, Dan has also been active throughout four years of high school in athletics, music, dramatics and most other school activities and under the scoring system used was awarded the scholarship.

Contest Was Close
Harold Hubbard, who placed second in the news writing contest, outranked Huff scholastically, rating third in the senior class in this respect, but failed to score as high a rating in school activities and other "intangible" points considered by the judges. His score was close to young Huff's, however, and he will be given an opportunity to use the scholarship should Dan Huff decline it or decide to attend some other university or enroll in some other department than Journalism.

Under present plans the Quiz scholarship will be given to a member of the Ord graduating class in 1950, 1951 and 1952, in the same \$600 amount and on practically the same basis as this year.

State Commander Expected Here for VFW Meet

State Commander Larry Gaughen of North Bend, Neb., will head a list of speakers at the 12th District meeting of the Veterans of Foreign Wars to be held here May 22.

Around 200 delegates from 12 VFW posts in the district are expected here for a session scheduled to start at 10 o'clock Sunday morning and close late Sunday afternoon.

Dr. F. J. Osentowski, district commander, said this week that he expected representatives from posts in Grand Island, Loup City, St. Paul, Elm Creek, Kearney, Broken Bow, Anselmo, Ansley, Raveana, Taylor and Durwell to be here.

Legion to Elect New Officers

Ethel Vogeler and Mrs. Frank McDermott and daughter, Emalie, returned last week from Omaha where they have spent several weeks with relatives. Sunday supper guests of Ethel Vogeler were Mrs. McDermott, Emalie and Arden, Mr. and Mrs. Jim Vogeler and Robert and Mrs. John Bremer and George. Mr. and Mrs. Joe Kenzchek called at the Emil Skohl home Tuesday morning on their way to Wood River. Mr. and Mrs. James Hrebec, jr., were Monday evening guests of Mr. and Mrs. Emil Skohl. Mr. Leslie Arnold has been sick the past week. Mr. and Mrs. Merlyn Tolen were Sunday dinner guests of the Comfort Cummins family and in the afternoon went to the ball game at Scotia. North Loup lost their first baseball game of the season to Scotia Sunday, 11-2. Mr. and Mrs. Fred Larkin of Omaha were week end guests of Clifton and Fanny McClellan. Of interest to many Quiz readers will be the passing of Howard Smith at Kearney the middle of April. Mr. Smith lived here in boyhood, was the son of S. S. Smith and the family lived on the place where Mrs. Ruth Hutchins now lives. He was in his late seventies at the time of his death. For several years he had spent much of his time at the home of his daughter, Mrs. John Howe, near Loup City. Burial was at Loup Olathe, Colo., where another daughter and a son live and where his wife is buried.

ARCADIA
Funeral services were held Wednesday for Mrs. Marvin Oliver at the Liberty church. Burial was made in the Arcadia cemetery. Mrs. Oliver, whose maiden name was Ruth Fitzpatrick, passed away in a hospital in Hastings. She is survived by her husband and two daughters.

ODAKO CAMPFIRE GIRLS MEET
The Odako Campfire girls met Tuesday, April 26, at the home of Sharon Hastings. Each girl told of the Home Craft she had earned since the last meeting, then recited the Campfire ranks and laws. Plans were made for a hike Saturday but was postponed because of bad weather. The group met again Tuesday, May 3, at the home of Mrs. Robert Grove. Margaret Lange and Jeanne Muncy demonstrated the correct procedure in stopping arterial bleeding, then the group had a discussion on the correct shoes and socks to wear to prevent blisters. Each girl recited the campfire law and received her membership card.

Star Route Driver H. Schaff Is Dead

Bob Hoppes, mail carrier between Burwell and Grand Island, lost an able assistant Thursday when Henry Schaff, 57, died suddenly of heart trouble. He was a retired farmer, was born in Hall county and made his home there all his life. The past few months he had been assistant to Mr. Hoppes, and drove the extra truck with the mail to St. Paul. As he returned at once after delivering the mail early in the morning, he usually got home by 8 a. m. Thursday morning he was not feeling well when he got home, and his wife called a doctor at once. He died shortly after the doctor arrived. The funeral was held Monday afternoon at the Messiah Lutheran church in Grand Island.

Ainsworth Fire Destroys Tanks

A fire at Ainsworth Monday afternoon of last week destroyed one 10,000 gallon tank and some smaller tanks belonging to the state highway department, also 1,000 gallons of oil, the boiler house, pump, motor and other equipment. It also burned a stack of poles worth \$5,000 belonging to the Bell Telephone company. Fred Worm, who hauls oil from Superior to Ainsworth for the highway department on the contract of George Newstanger of Alliance, stated that the fire did not burn the storage tanks and he is hauling several loads there each week. He had to deliver at least one load a week there all winter, usually going by way of Norfolk, a much longer trip.

WE'LL ALL GO PLACES IF WE ALL PULL TOGETHER

• WE AMERICANS enjoy the highest standard of living in the world. But the best is yet to be. If we all pull together there's no limit on how far we can go together. We can have even better food, better clothing, better wages, better homes, more leisure and more educational and medical facilities.

We can have all this IF we all continue to work together... IF we continue to realize that our standard of living will rise in proportion to how well we produce... through better machines, better methods, better teamwork.

So let's produce more efficiently than ever. Let's create new industries and expand old ones—make more new jobs for more people. Let's show the world what Americans can do when they really TRY!

Fred McNulty, 68, Formerly of Scotia, Dies at Lusk, Wyo.
Born at Ord in 1881. He lived 30 years at Scotia and 33 Years in the West. Fred M. McNulty passed away at a hospital in Lusk, Wyo., April 22, following a long period of illness. He was 68 years, 2 months and 18 days of age at the time of his death. Funeral services were held from the Peet mortuary in Lusk, April 25, and interment was made in the Lusk cemetery. The Quiz is indebted to the Scotia Register for the following account of his life. Fred Moore McNulty was born Feb. 4, 1881, at Ord. His parents were Mr. and Mrs. George W. McNulty, pioneers of Nebraska. When one year of age, his parents moved to Scotia, where he grew to manhood, remaining there until 1918, when he went to Wyoming. He was educated in the schools of Scotia and attended Nebraska Wesleyan university at Lincoln. Sept. 25, 1907 he was married to Miss Laura Long in Ashville, N. C. She was the daughter of the late Rev. and Mrs. Niles H. Long of Carolina. Mr. McNulty was an active member of the Methodist church through the years of his life at Scotia, and although in later life, because of illness, he was unable to attend services, he kept up his interest in the church. He was a member of the Masonic lodge at Scotia. Besides his wife, he is survived by one sister, Mrs. O. M. Rasmussen, of Manville, Wyo.; one nephew, Keith McNulty of Seattle, Wash.; an uncle, Dr. Milan S. Moore of Los Angeles, Calif.; and many other relatives and friends.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

When disorder of kidney function permits poisonous matter to remain in your blood, may cause nagging backache, rheumatism, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Time to Perk Up the Taster!

This is the time of the year when appetites crave something different — spring greens, radishes, green onions, garden sass.

Those of you who are steady customers of the little market on the North Side of the square don't have to be told this — but to those who aren't we want to extend a cordial invitation to get acquainted with the superior flavor and quality of our home cured meats.

That flavor isn't just an accident — it starts with careful selection of meats, skillful blending of pure spices, proper aging and curing. The result is something that has made hundreds come back for more.

Here's protection that never quits-

Permalube is 10 ways better*

- In the engine of your car, Permalube never quits. It's long on mileage and short on acid-forming tendency. It actually keeps your engine clean. It fights heat; it wards off wear and greatly lengthens engine life. It's the all-around, long-lasting, premium-plus motor oil.
- To be classed as premium, a motor oil must have certain proved qualities named by the American Petroleum Institute.
- In simple terms, a premium motor oil must be fortified against harmful changes during use—changes which cause varnish, sludge, and bearing corrosion.
- When you buy Permalube, you get a motor oil that fully meets these requirements—and then goes out and beats them 10 ways!
- At today's high level of motor-car values, your car needs all the protection it can get. When you buy premium-price oil, why not get premium-plus quality?

- *PERMALUBE has these "premium-plus" qualities: 1. low oil consumption; 2. protection against engine wear; 3. maximum engine cleanliness; 4. minimum ring sticking; 5. minimum combustion-chamber carbon; 6. increased effective filter life; 7. superior break-in ability; 8. exceptional cold-engine performance; 9. good control of water sludge; 10. protection against foaming.

Virgin Sod.

Plans for some building to be done in the near future call for the use of "virgin sod" in the construction of a house. This brings out an interesting situation. It calls for an answer to the question: "What is virgin sod?" The answer seems simple, but it is not as simple as it seems. When the first settlers came to the valley they found a rank growth of grass all over the valley land and in the canyons of the hills. The tillable land was all covered with virgin sod in those days. As time went on, more and more of this Jewel land was broken up, and more virgin sod became cultivated fields.

The original sod was rich, black soil held together with the tough roots of blue stemgrass. That sod would turn over without a break for a hundred yards or more. The sod today is good only in spots, and will break every few feet. It is not suitable for building a sod wall.

We might still have some good bluestem sod, if it had not been for the drought of the '30s. The long continued dry weather killed out much of the bluestem, which has been staging a slow but certain comeback ever since. It will take years, at the present rate of progress, to get this native grass back where it used to be.

Pioneers had two types of plows for breaking the sod: The breaker with the long mouldboard, and the rod breaker, or grasshopper, as it was called in this area by its inventor and builder, a blacksmith named Spethmann of North Loup. Most of the breaking plows used in this area were made in his shop, and they were good plows.

The plow consisted of a beam, two handles, a share, a landside, and three rods to turn the sod. They were light and easy to handle. A man could pick one up by the beam and carry it around with one hand. It would be interesting to know if one of them, still exists. It was a plow peculiar to Nebraska.

Fill The Wells.

Since the death of little Kathy Piesen in an abandoned well in California shocked the public into a sense of responsibility, campaigns have been carried on for filling all abandoned wells wherever they may be found. Starting with the county in which she died, the movement spread all over the United States.

It is about time that something be done. Since the California incident two other children have been rescued from old wells, luckily without loss of life. It has made every man and woman danger-conscious. People are remembering abandoned wells and holes that had been forgotten about, and are having them filled.

Last week Alvin Bredthauer of Scotia, impelled by the California incident, started filling an old well on the former Harry Lyman place, a mile north of Scotia. This well was estimated to be 75 feet deep

and about ten feet across, some of the dirt apparently having caved off the sides.

It had a good start made when the front end of the tractor dropped into the hole, and all that prevented it from plunging to the bottom was the frame of the loader. Alvin, who sought to prevent the chance of an accident to some child, came near being a victim himself.

It is time that the people of this area begin a search for old and abandoned wells. There are doubtless a number of them in the county, of no use as wells and a constant menace to life and happiness in the community. A little work now may prevent the loss of a life.

If you know of any abandoned wells, the Quiz would appreciate hearing about them, and we will try to have something done about them. Luckily the method of making wells changed some fifty years ago, and they are now made too small to present danger.

There are very few, if any, dug wells or large casing wells being used today. All those not in actual use should be filled, and on. Let us do something about it before a tragedy comes to sadden our hearts.

What's Cookin' Ward's Column

I got on the bus Wednesday evening and ran into a whole flock of the Burwell Conners. In case you don't know, the original Conners came to Garfield county and located in what became known as the Conner settlement, in Byran precinct, I believe, a long time ago. Of the original Conners the only one still living out in the country wears a name George Conner, who with his good wife celebrated their golden wedding anniversary in 1940. They have since decided to take it easier and have moved to Burwell. The entire clan I have the honor to consider as real friends of mine. George has two sisters still living, Sadie and Jane. They have lived in their home in Burwell for a good many years. They never married. One is 81, the other 91 years of age.

The Conners I saw on the bus were Tommy Conner and wife, who had been here from New Meadows, Idaho for a visit. They formerly lived in Garfield county, but now find Idaho to their liking. Tommy has a section job with the railroad, the Union Pacific. I believe a branch line in Adams county, near the middle of the west line of Idaho. Tommy says they have plenty of snow there, but that it does not blow. Last year they had four feet or more on the level. Think of having to live in a country where there are no blizzards!

The other Conners on the bus were Mr. and Mrs. Charley Conner and their daughter Betty, who was to undergo a pointer operation at a Grand Island hospital. Charley farmed for a long time, but is now living in Burwell. Returning to the George Conners: They will be celebrating their sixtieth wedding anniversary next March 9, if their present state of health continues. If I am still around, and I probably will be, I will make it a point to call on them then and get another story for the Quiz. Families have a way of engraving their names on the topography of a community, but few have done so more effectively than the Conners. There are a lot of them, and as citizens they stack up above the average.

I could hardly close this narrative without returning to tell some more of Sadie and Jane Conner.

Some sixteen or eighteen years ago they asked me to paper a room for them, and I did. They are great lovers of framed pictures, and there was a row of them all around the room. I told them not to take them down, but I would take one down, hand it to them to be cleaned, hang a strip of paper behind it, hang the picture up again, take down the next, and so on until I got around the room and the job was done. I didn't make much speed, but I certainly enjoyed the job. I also recall that, although the time was in May, it snowed most of the day, and there was several inches of snow still on the ground that night. I'm going up to Burwell on purpose to visit the Conner sisters some time.

The Pilot-Tribune of Blair came out with a fifty page edition last week in honor of its 50th birthday, and incidentally the 80th birthday of the town of Blair. It was a very entertaining and interesting edition, with much valuable information in it. Most of all I was struck by a news story of that year, reprinted in an ad of the Blair Telephone company, and from a newspaper of that time. It reads as follows:

"A man about forty six years of age, giving the name of Joshua Coppersmith, has been arrested in New York for attempting to extort funds from ignorant and superstitious people by exhibiting a device which he says will convey the human voice any distance over metallic wires so that it can be heard by a listener at the other end."

He calls the instrument a "telephone," which is obviously intended to imitate the work "telegraph" and win the confidence of those who know of the success of the latter instrument without understanding the principles on which it is based. Well-informed people know that it is impossible to transmit the human voice over wires, as may be done with dots and dashes and signals of the Morse code, and that, were it possible to do so, the thing would be of no practical use or value.

The authorities who apprehended this criminal are to be congratulated, and it is hoped that his punishment will be prompt and fitting, that it may serve as an example to other conscienceless schemers who enrich themselves at the expense of their fellow creatures.

The above item is of interest, in that it antedated the first patent on the telephone by some seven years. The date above was in 1859, while Alexander Graham Bell was granted his first patent for a telephone March 5, 1876. The invention had to go through the early development stages and become an item of proven merit before it was scattered out over the nation, yet in 1859 it is a known fact that there were some phones in both Ord and North Loup. The Quiz of 1859 carried a series of more or less imaginary telephone conversations between the editor and various other people around town, one of them being J. F. Kates, erstwhile county superintendent. At North Loup that year lightning struck the telephone wire running from the bank to the Sears residence, and killed a dog in the latter place. This shows that we had telephones at least 60 years ago.

Everything new under the sun has to overcome the obstinacy of prejudice. This is especially true of inventions. Every great invention has had to go through a period in which it is suspected and disapproved by near everybody. This was true of "Fullerton's" the name on the first practical steamboat. People claimed that the smoke from the first railroad engine would kill all vegetation and stock along the right of way. The first wireless exhibited in Ord in the fall of 1901 had the transmitter on one table in the old house, the receiver on another. Half the people who saw it work looked under the table to find the wires they were sure must be concealed somewhere. In fact, they appeared to be disappointed when they could not find any wires. Observers of the first radios in this area examined the machinery carefully, trying to find the phonograph they were sure must be concealed in the box somewhere.

Ernest Kaohn Dies; Once Lived in Ord

Ernest Kaohn, a brother of John Kaohn of Comstock and Mrs. Augusta Wood of Sargent, died April 26, at his home in Long Beach, Calif. He lived in this area some forty years ago.

While positive proof is lacking, it is believed that he once lived in Ord and did painting and decorating. The last place he lived was in the house west across the highway from Fairview station. He painted an elaborate sign on the barn advertising his business.

CAN WE BEAT "BOOM AND BUST"?

YOU BET—

if we all work together— share together— and produce more

THIS AMERICA of ours, with only 7 per cent of the world's population, produces as much material wealth as all other nations combined. We are truly a land of abundance. But our American system still has its faults. We all know that. We still have sharp ups and downs

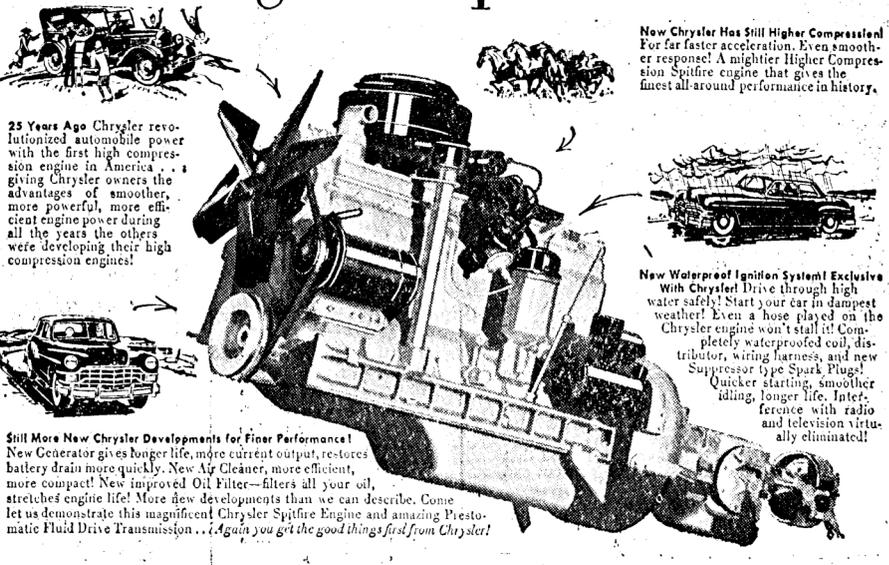

of prices and jobs. We'll have to change that—and WE WILL.

We'll change it by all working together to increase our productivity and to spread its benefits through higher wages, lower prices, shorter hours, and larger earnings. This is the way we can beat "boom and bust" and enjoy all the good things for everyone which our economic system can give us.

LEGISLATIVE NEWS LETTER
HUGH CARSON, 29th District

One of the most important problems facing the Legislature is the budget requirements of the University of Nebraska. The requested appropriation of the Chancellor has been cut by the committee to a point where it is questionable to many of us, as to its reasonableness.

The University is without doubt the most important institution in the State and any curtailment in its operation and progress should and will be carefully scrutinized.

I, for one, have great confidence in Chancellor Gustavson and believe that if he is given half a chance he will make it one of the great universities of our country.

For these reasons I am willing to go on record as being opposed to the drastic cuts that have been made in the university appropriation.

1500 Persons See Electrical Show

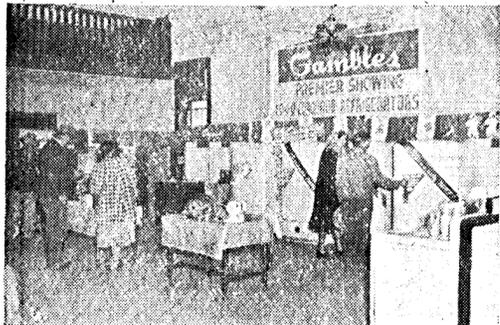

It is estimated that at least 1,500 persons saw the Electrical show held several weeks ago at the Ord Bohemian hall. Four Ord business houses shared the main floor of the building. D. E. Troyer had his display in the southwest part, Frazier had the southeast, Ruzicka Hardware the southwest and Gambles the northwest.

All the participants had a lovely array of items of interest to the housewife, including some electric gadgets, that have only recently come into the market. Asked about the probable value of items on display, Jay Brown of the

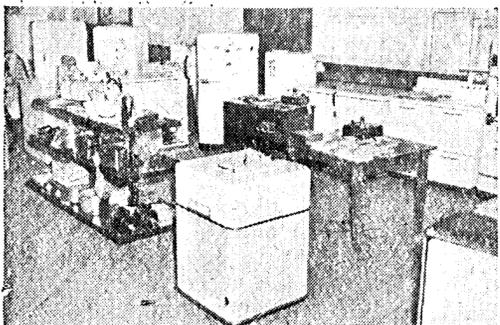

Gambles store said his part was insured for \$2,000 as were all the others, and the actual value of the display was perhaps \$10,000.

Mr. Troyer, Bill Steen for Frazier's and Joe Ruzicka and Brown were on hand nearly all the time to explain and demonstrate the different electric items, and each had, and needed, an assistant or two.

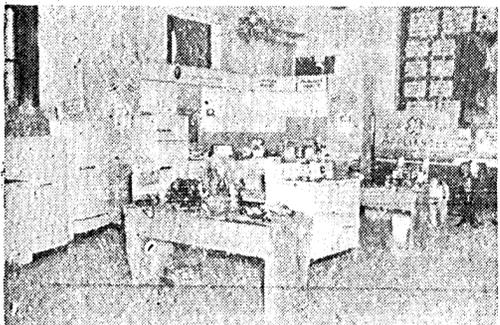

It was evident, from the interest they manifested, that the visitors liked the display and the courtesy of the gentlemen doing the displaying.

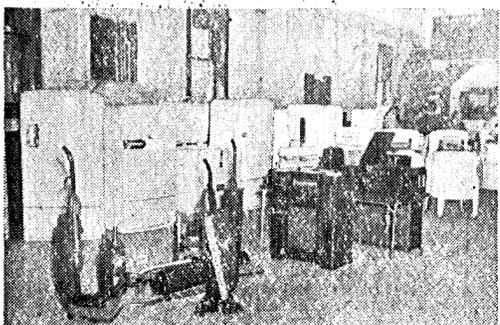

A premier showing of 1949 Coronado refrigerators featured the display by the Ord Gambles store.

Troyer Appliances had a complete display of Hotpoint major appliances, many other smaller items.

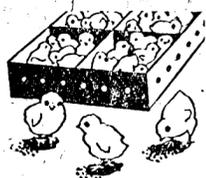

General Electric and Youngstown as shown by Ruzicka Hardware.

Philco, Speed Queen, Prestoline and Hoover were prominent in the display from Frazier's Furniture.

Radio Rangers.
On Friday evening the senior class of the Arcadia high school sponsored a program of Texas Mary and the Radio Rangers, entertainers from radio station KPAB. The group put on a very good program and the clown kept the audience in an uproar most of the time.

Other highlights in the May calendar for the schools include the Junior-Senior prom on May 13,

with Don Loflon and his orchestra for which the juniors are selling tickets. On May 15 Baccalaureate services will be held in the high school auditorium and commencement will be held in the auditorium on May 19.

Special Services.
"The Musical Places" a couple of very talented musicians by the name of Mr. and Mrs. Lester C. Place of Spring City, Pa., spent a week in Arcadia helping with the special services at the Calvary Baptist church. The couple played five different instruments and also gave some vocal numbers. Everyone hearing them seemed to agree that they received a spiritual lift from the services.

Women's Clubs Hold Meeting.
"Friendship Builds a Better World" was the theme of the convention of Inter-County Women's clubs which met in the Methodist church on last Tuesday. Representatives from the clubs of Loup City, Burwell, North Loup, Ord, Rockville and Arcadia attended the all day meeting. The morning session started off at 9:30 with registration followed by organ music by Mrs. Ben Mason, pep singing led by Mrs. Kermit Erickson; called to order by Mrs. W. J. Ramsey, president of the Inter-County Federation. Mrs. Cora Parker led devotions followed by welcome given by Mrs. Inez Lewin and response by Mrs. McDonald of Rockville. Also in the morning session a very interesting program was put on by the various clubs.

After the noon luncheon which was served in the basement of the church a very good musical pro-

gram which lasted 30 minutes was presented by the Arcadia schools under the direction of Carl Easterbrook. The afternoon speaker was Miss Gwendoline Birky from Hastings who was the European exchange teacher in 1948 and recent brides from Germany and Poland also had parts in the program.

Floyd Edwards, representative of the Blue Cross and Blue Shield from Omaha, addressed the group during the afternoon session.

Arcadia Couple Reach Fiftieth Milestone Tuesday

Mr. and Mrs. E. Hunkins in Arcadia Community More Than 45 Years.

Tuesday, May 3, 1949, Mr. and Mrs. Ernest Hunkins of Arcadia observed their golden wedding anniversary. They held open house from 2 to 5 that afternoon, and many friends and neighbors called to pay their respects. They have been residents of the community for more than 45 years.

Mrs. Hunkins was born Sept. 13, 1879, near Mt. Union, in Henry county, in southeast Iowa. When a small girl she moved with her parents to Beaver Crossing, Neb. They made the trip in a covered wagon and crossed the Missouri river on a ferry boat.

Mr. Hunkins was born March 18, 1872, near Beaver Crossing, Neb. They grew up in the same community and attended the same school. May 3, 1899, they were united in marriage at the home of the bride's parents, Mr. and Mrs. William Wells, by Rev. Bancroft of the Evangelical church of Beaver Crossing.

In 1904 Mr. and Mrs. Hunkins and two daughters moved to Valley county. They rented a farm 1 1/2 miles west of the Pleasant Val-

ley school. After three or four years they moved to a farm six miles north of Arcadia which is located in Dist. 20, Dunham. In October 1939, they moved to the home in which they now reside. They are the parents of three children: Mrs. Cythera Strong of Palmer, Neb., Mrs. Edith Strong, also of Palmer, and Ivan Hunkins of Comstock, Nebr. They have four granddaughters, Regena, Cleo and Marilyn Strong and Shirley Hunkins, and one grandson, Lyle Keith Hunkins. Relatives from a distance were planning to be in attendance for the celebration, and pictures will be taken. While too late to be used this week the Quiz is planning to have a picture of them in next week's issue.

True to Tradition...

"Consider the honor and integrity of him who makes the goods before you buy." That was the counsel a wise man of ancient Bagdad gave to a young man who wanted to know how to get his "money's worth." It's still good advice today... when we say "look for the John Deere trademark."

For more than 110 years farmers have sought out the John Deere name as their assurance of quality when buying farm equipment. They know that the familiar leaping deer has always labeled only farm equipment designed and constructed to give them the maximum service at the lowest possible cost.

Today, more John Deere equipment is being sold than ever before. John Deere regards this farmer confidence as a sacred trust that is guarded zealously in maintaining John Deere service and quality "true to tradition."

Cast for the Ord High School Senior Class Play

The Senior class play was given at the high school auditorium Monday evening and was a great success. "The play, "You Can't Take It With You", gave plenty of opportunity for the members of the cast to show their talent. — Photo by Swopes.

Students Honored for Scholarship at University

At Towns in This Vicinity Share in Awards to Local Sons. At the University of Nebraska honors convocation held at the coliseum students from Ord and towns around were honored for high scholarships. Seniors recognized were Darrell I. Dunning of Ericson and Leonard B. Kokes of Burwell. Loyal L. Hurlbert of Ord, a junior at the University, was recognized for superior scholarship. Clarice V. Fiala was among the sophomores who were rated for high scholarships. Charles H. Mohr of Loup City, Darvin D. Shoemaker and Robert Waters both of Scotia were also included in this group. Richard D. Sautter of Scotia and A. Ruth Troxell of Burwell are sophomores recognized for high scholarship in dentistry and medicine. Recognized for superior scholarship on the freshman honor list are Alfred W. Blessing, Douglas R. Dale and Adrian Kluna, all of Ord, and Ladd L. Duryea of Comstock.

Unemployment Load Dropping in Local Area; Average 22 in Eight Counties

There are fewer than 25 unemployed persons at present in the eight county area served by the Ord sub office of the state unemployment service, the office revealed this week. An average of seven persons are drawing regular unemployment compensation at present, and around 15 veterans are in the 22-20 club. The area comprises Valley, Custer, Sherman, Greeley, Garfield, Loup, Blaine and Wheeler counties. Records of the office show a trend this year which may leave the local office without clients before long. The case load in March was roughly double that of April, and May figures show a similar trend. Clarice Bellinger of Arcadia and Vern Malepovsky of Ord, who manage the local office, may find themselves in the same position that they occupied from May to September last year — when the two of them had an average of only two unemployed clients in the entire area.

Mary A. Jablonski Wins High Honors in Scholarship

Outstanding Girl in Senior Class, South High School, Omaha. Mr. and Mrs. Frank Jablonski, who moved recently from Omaha to their farm 2 1/2 miles northwest of Elyria, have reason to be proud of the achievement of their daughter, Mary Ann Jablonski, who was selected as the outstanding senior girl in South high school, Omaha, the largest high school in Nebraska, with more than three thousand students.

Jablonski lived in Omaha six years, and was formerly of Valley county. Frank is a brother of Steve and John and Mrs. Joe Dingsh. Mrs. Jablonski is a daughter of the late Charley Parker of Burwell. South High is the school in which Miss Ruth Milford teaches. Mary Ann was honored at the annual Mother-Daughter tea, which was attended by more than 150 and which was sponsored by the Girls League cabinet. She won the honor through scholarship and school leadership. Miss Jablonski is remaining in Omaha until after graduation. —You can now phone your classified ads to No. 17. Burwell Accident Victims Improved

Latest reports from Herbert O. Howard of Burwell, who was badly injured in an auto accident at Elyria last week, are that the young man is gaining steadily, and will recover unless further complications develop. At the time of the accident Dr. E. J. Smith thought he had little chance to recover. He is still in the Burwell hospital and will be for some time. Buzz Rowse, less seriously hurt, has been up and about for several days, but goes back to have his bruises dressed. Glen Cass, driver of the auto, was practically uninjured. SHOP DISPLAY. The shop boys will have a display in room 8 at the high school Tuesday night, May 17 and Wednesday afternoon and night, May 18. This display will be everything that the boys have made the last semester. The public is cordially invited to visit and see what they have done.

Four Ord teen-age youths, three of them students in Ord high school were fined in county court Monday morning on charges of drinking intoxicating liquor in a vehicle on Ord city streets. Pleading guilty were James Duda, Frank Vavra, Jerome McCarville, Harlan L. Jensen. Vavra and McCarville paid fines of \$10 and costs each. Duda and Jensen fines of \$5 and costs. The offense took place Wednesday night. Fined with them was Leonard Coufal, young farmer from Cotesfield neighborhood who pleaded guilty to buying and delivering the beer to the four minors. Coufal drew a fine of \$20 and costs. Complaints on the five were made by Joe Golus, Loup City, a state liquor inspector, who spent part of Wednesday evening here investigating conditions in local taverns.

1949 Chanticleer Out Next Tuesday

Printing of the 1949 edition of the Ord high school annual, again known as The Chanticleer, was completed early this week by the Quiz plant and copies have been shipped away for binding. They will be distributed on Tuesday, May 17, says Mrs. Mark Tolen, the annual sponsor. Besides printing the Ord yearbook the Quiz plant also printed annuals for Central City and Arcadia high schools and both have been delivered. Half-tones for about 160 other yearbooks from Sitka, Alaska to Bucksport, Maine, and Key West, Florida, also were made by Quiz Engraving Service and shipped out to be printed in home plants. —Sunday dinner guests of Mr. and Mrs. Jay Auble were Mr. and Mrs. Don Auble and Mark.

Hospital Finance Committee Meets

A dinner meeting, to be served at the East Side Cafe, will be held Wednesday evening by members of the finance committee of the Ord Cooperative Hospital Association. According to Leslie Nash, who sent out the call for the meeting, the committee will complete their program for a forthcoming stock selling drive, scheduled to get underway before June 1.

Bredthauer Motor Co., Propane Firm in New Building

Will Occupy Wilson Building, Formerly Used by Anderson Motor Co.; Opening Soon. Announcement was made this week that the Bredthauer Motor Co., Pontiac dealers, and the Valley Propane Co., would share quarters in the Wilson building, just east of the courthouse and formerly occupied by the Anderson Motor Co. The propane firm has moved part of their stock of appliances and gas equipment to the new building, and will complete the rest of their moving this week. They had formerly shared space with the Ord Farm Supply. Is New Firm Here. Although well known in both Burwell and Scotia, where they have large machinery and automotive outlets, the Bredthauer Motor Co. is a new firm in Ord. At present, no manager for the Ord location has been announced although Dale Bredthauer will probably be in direct charge of the new Pontiac is on display in the Ord showrooms at present. Plan Grand Opening. Title and possession to the Wilson building—purchased under contract by Curt Wilson a month ago—was completed Monday and minor repairs to the building are in progress now. The new tenants plan a grand opening for their joint enterprise, tentatively set for Saturday, May 21. Full announcement will be carried in the next issue of the Quiz.

Four Teen Agers Found Drinking Beer in Auto

After Pickup by State Inspector; Purchaser Rapped. Four Ord teen-age youths, three of them students in Ord high school were fined in county court Monday morning on charges of drinking intoxicating liquor in a vehicle on Ord city streets. Mrs. Ivan Botts Wins Prize for Carpet Rag Ball

Legion Auxiliary Is Sponsor of Unusual Type of Contest. The Ladies Auxiliary of the Fidelity post, American Legion, sponsored a contest during the past winter, offering a prize to the lady who would tear and sew the largest ball of carpet rags. Because of weather conditions the contest was somewhat delayed, but came to an end the past week. Mrs. Ivan Botts, who brought in the huge ball shown in the accompanying photo, as well as the three smaller ones, was adjudged winner. The idea of the contest is to produce carpet rags with which disabled service men who are able to weave, may make rugs. Mrs. Botts says the rags are torn approximately 1 1/2 inches wide. She worked at the job in her spare time, and found that the work of tearing and sewing them was not as difficult as the job of getting the ball around as it grew bigger and bigger. As shown in the picture it weighs 35 pounds and is 54 inches in circumference. The rags she used were given her by a number of people, but she did all the work herself. It looks as though the boys should be able to get quite a number of throw rugs out of the big ball. —Mrs. Robert L. Haight writes to have their Quiz sent to them at 1623 22nd Ave., San Francisco, Calif., as Bob is now stationed at the Presidio in San Francisco.

Fort Hartsuff Project Is Abandoned

Checks Being Sent to Donors: All Released from Restoration Pledges. The campaign for the restoration of old Fort Hartsuff, northwest of Ord, was officially abandoned, promoters of the plan announced this week in a letter to all donors. Some \$900 in cash donations will be returned to interested parties this week, and a release of all pledges for support has been announced. Will Still Be Park. Owners of the site, Dr. and Mrs. Glen Auble of Ord, and Mr. and Mrs. Ben Rose of Burwell, are still going to make the fort site available to the public for picnics, sight-seeing trips, and observation. All buildings on the site will be vacated for the present with the exception of several rooms in the house. Land inside the fort proper is now being leveled and sown to prairie grass, and cross fences removed. Agricultural land in the Fort area has been rented to farmers. Dr. Auble told the Quiz this week that the fort picnic grounds might be ready by late summer if work progresses well. "For the present we are keeping the main gate locked except on Sundays when persons may come and visit the Fort. When everything is ready we'll announce an inspection day." Task Too Great. In a letter to donors, Dr. Auble said "the task of continuing to raise funds to purchase the buildings and perhaps the bigger task of getting the site to do anything seemed so enormous that the owners decided to undertake the task themselves, with the help of any friends who might wish to take part moderately."

Ord Dairy Judges Win First Honors in State Contest

Harold and Gary Nelson, Kenneth Page to Attend National Contest Oct. 4. Top honors in judging dairy products were won by Harold Nelson at the annual state high school contests in Lincoln Friday. Harold's younger brother, Gary, placed second and Kenneth Page ranked fourth. Harold Nelson also ranked fifth in the crops management contest. The livestock team of Lavern Wozniak, Thad Meese and Eldon Kovarik ranked seventh, with forty-five teams competing. The three Ord dairy judges were chosen to represent Nebraska at the National Dairy Congress in Waterloo, Ia., on October 4.

Earl J. Kriewald Buys Koupal Park

A deal was closed the past week by which Earl J. Kriewald becomes owner of the 10-acre park just west of Russell park formerly owned by Frank Koupal. The consideration was \$5,000. Mr. Koupal bought this land in 1912, and at once began developing it into a park, which at one time was considered one of the finest parks of its kind in this part of the state. Recently Mr. Koupal has not been able to give it his personal attention. Windstorms and heavy snows have damaged some of the trees, and the beaver cut down quite a number. However, a season's work will no doubt put it back in good condition.

Jenison Family to Leave Soon

Early in June the Ed Jenison family will leave for Frankfurt, Germany, where he will assume an administrative post with the American Military Government. The Jenison family was in Lincoln the first of the week having passport photos taken and taking the necessary arrangements for their departure. The original sailing date given them was May 23 but they received a two week extension so their son, Merritt, may complete his term at University of Nebraska and accompany them. They will take their automobile and some of their furniture to Germany with them.

Close of Year's Activities in Grade Schools

Photos Taken, Picnics Planned for Coming Week, Rain or Shine.

The pupils in all the grades in the grade school building have had their pictures taken, and are looking forward to their several picnics, which will be held at the park next week, weather permitting, otherwise at the school building.

A fine convocation was held there recently. Groups from the different grades sang, spring songs, and the Blue Bird and

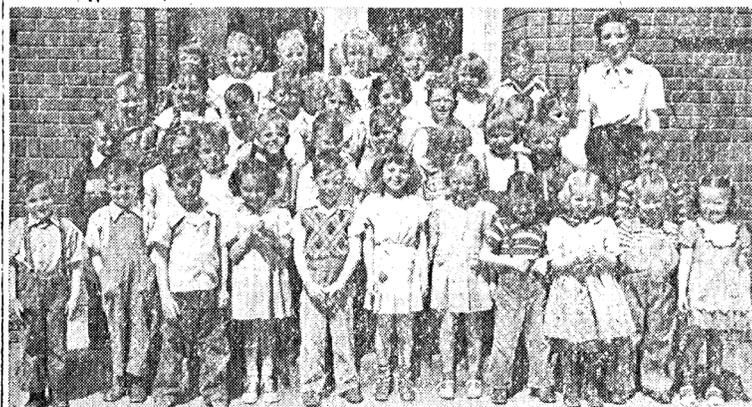

Campfire groups put on some of the plays and songs they have been working on during the past year.

Irma King is teacher of the kindergarten, Dorothy Anderson and Inez Swain teach the two divisions of the first grade, Jacqueline Hunt has the second grade, and Lucy Rowbal the fourth grade.

Teaching the fifth is Evelyn Jafferies, and Lois Strong teaches the sixth grade. The kindergarten and first and second grades will hold their picnic next Monday evening, the third and fourth grades on Tuesday evening, and the fifth and sixth on Wednesday evening.

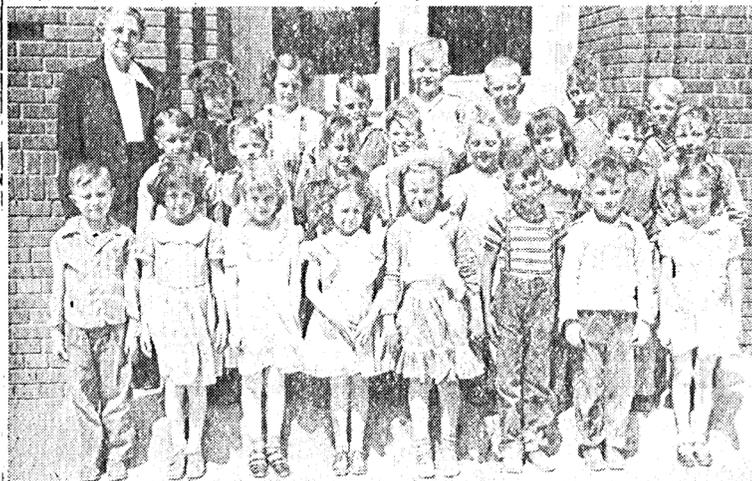

—Mr. and Mrs. Fred Drake and son, James and his friend, Miss Clara Gerdes were Wednesday supper guests of Mrs. Bill Mogens. Mr. and Mrs. Chet Kirby and family were there, also.

Annual Guest Day.

Nolo club held their annual guest day Tuesday afternoon at the home of Mrs. Cora Hemphill, with Mrs. Florence Hutchins, Mrs. Jessie Babcock, Mrs. Mary Davis and Mrs. Thelma Thomas were assistant hostesses. The program was a cleverly arranged radio broadcast, in charge of Mrs. Grace Mayo and Miss Fannie McClellan. The program was a Quiz contest sent out from station N.O.L.O. with interviews from members. Mrs. Jessie Babcock as the oldest member and one of the charter members gave the first interview. Nolo club was organized in 1903 and has met continuously through forty-six years. Other charter members still active are Mrs. Hemphill and Miss McClellan. Membership is limited to twenty-four. Mrs. Thelma Thomas is the youngest member of the club in age and years of club membership, since she has been a Nolo member only nine months. Mrs. Mary Davis interviewed on the program, gave a bird review, illustrated with drawings and with bird song imitations. A short social hour followed the program, after which the hostesses served a nice lunch.

dent, Loretta Jorgensen, vice-president; Millie Otto, secretary; treasurer and Donna Klinger, news reporter. Miss Katherine Helzer and Mrs. Paul Goodrich were present to help organize. The next meeting will be June 15 with Mrs. Loretta Jorgensen when they hope for several new members. Mrs. Goodrich served a nice lunch.

Mr. and Mrs. Ned Raun and two daughters of Minden were Sunday afternoon and night guests of her parents, Mr. and Mrs. W. O. Zangger.

Mr. and Mrs. Richard Babcock and Linda were Sunday afternoon and evening guests of Mr. and Mrs. Charles Zangger.

Mrs. A. I. Priesen, Mrs. Richard Babcock and Mrs. Bill Cook entertained the school faculty at dinner at the Friesen home Tuesday evening.

Normal School Bill Passed

The normal school liberal arts degree bill passed by a vote of 22 to 11 in the state legislature Friday.

The four normal schools are Chadron, Peru, Wayne and Kearney State Teachers college.

Under the bill L.B. 294, they can now branch out and give liberal arts degrees. They have been limited to training of teachers.

The bill's proponents had based their case on the contention of a bigger spread of liberal arts colleges was needed in the state so that students could get these degrees while attending college closer to home.

There would be no added tax cost to the state, they stated. Further, they said, the normal schools were prepared to increase tuition to provide any needed additional funds.

Opponents fought on the grounds the state could not afford "five universities." They held that giving liberal arts degree rights to the normals would, in effect, create five universities.

Opponents also expressed doubt that the normals were in position in faculty or equipment to give the degrees without added tax money.

Mr. and Mrs. G. E. McDonald of Aurora came Friday and spent the week at Ericson with Mrs. H. L. Gillespie. Mr. Gillespie spent Sunday there.

Mr. and Mrs. Virgil Annayas drove to Omaha Tuesday morning after his Mobil gas truck which has been painted there.

Miss Elaine Groceke of Boelus accompanied Ellora Jane Cook home from Kearney for the week end.

Mr. and Mrs. David Drawbridge of Omaha spent Saturday and Sunday with his parents, Mr. and Mrs. Will Drawbridge.

Mr. and Mrs. Archie Boyce, Mr. and Mrs. Carl Wolfe and Mr. and Mrs. Alvin Kron were Monday evening guests of Mr. and Mrs. Charles Wolf.

Mr. and Mrs. Max Klingensmith, Mr. and Mrs. Lyle Klingensmith and Mr. and Mrs. Alvin Kron were Wednesday evening guests of Mr. and Mrs. Charles Wolf.

Elmer Cox has been quite ill the past two weeks.

Guests of Mrs. Emma Roberts for Mother's Day were her daughter, Mrs. James Mitera, and Yvonne and James of Columbus. Sunday Mrs. Roberts, Mrs. Mitera and the children had dinner with Mrs. Augusta Bartholomew.

Mrs. Charles Goodrich was hostess to eight young ladies Wednesday, May 4, when a young ladies extension club was organized. Joan Goodrich was elected presi-

Mrs. Earl Hanson at State Meeting

Mrs. Earl Hanson represented the Valley County Extension Clubs at the Rural Homemakers Leadership Recognition Program in Omaha on Thursday, May 5th. The Agriculture Committee and the Women's Division of the Omaha Chamber of Commerce entertained Rural Homemakers from Iowa, Kansas and Nebraska. The day's program began with a coffee hour at 9:45. A frozen food demonstration and luncheon was sponsored by the International Harvester company. In the afternoon the homemakers were taken to visit the Mid-West Home Show, courtesy, Omaha Builders Exchange.

The Omaha Chamber of Commerce was host at the banquet in the evening, with Laura Lane, associate editor of Country Gentleman as guest speaker. Each homemaker was presented a Certificate of Award by the Omaha Chamber of Commerce.

Mrs. Sidney Allison, Rural Homemaker of Greeley county and Mrs. Puncocchar, Rural Homemaker of Howard county, rode to Omaha for the program with Mrs. Hanson and Katherine Helzer, Home Agent.

North Loup Girls Are Given Awards for School Work

Girls Glee Club Given Award for Fine Rating in District Contest.

At the high school honor convocation held Friday morning medals were given to Kathleen Haught and Beverly Goodrich for the best work in the commercial classes. Both girls were outstanding in all three commercial subjects: typing, shorthand and book-keeping.

Beverly Goodrich, Twyla Green, and Burdette Mulligan received awards as cheerleaders. The commercial medals and the cheerleader awards were presented by Miss Edith Stephen, commercial instructor and pep club sponsor.

All members of the girls' glee club received awards for a superior rating at the district music festival at Fullerton. These were presented by Mr. Babcock, music instructor.

Superintendent A. I. Freisen presented awards to Alice Meyers as valedictorian of the senior class and to Kathleen Haught as salutatorian. Alice Meyers also received a \$50 scholarship at the University of Nebraska for dramatics. She competed at the state dramatics contest three of her four high school years.

Fake Magazine Peddlers Sought

Nebraska 281 Association to Incorporate

Ninety-six delegates of the Highway 281 association met recently at O'Neill and voted to incorporate the organization on a non-profit basis, and designated O'Neill as the principal place of business. The chapter went on record for the second time in a year as favoring a one cent a gallon increase in the gas tax.

They made the one stipulation that the money be used exclusively for road purposes. In January the association met in St. Paul and voted favoring the tax. New by-laws and articles of incorporation were drawn up by Arthur O. Ausbrand, Bartlett, E. A. Ondracek, Greeley, and Ralph Haggart, St. Paul.

Ord Township Library Notes

Have you spent any time in the library lately? We are sure there are some new books which you would enjoy. Besides our regular light fiction and mysteries, we have several that we can fully recommend. Among them are: "Of Flight and Life" by Charles Lindbergh, "The Big Fisherman" by Lloyd C. Douglas, "Kindred" by Pearl S. Buck, "Roosevelt and Hopkins" by Sherwood, "The Gathering Storm" and "Their Finest Hour" by Churchill, and "The God-Seeker" by Sinclair Lewis. Also in the juvenile department we have added a fine

list of new books of travel, crafts, and intriguing mysteries. If your house needs redecorating or your flower garden replanting perhaps you can get some ideas from "Better Homes and Gardens" or "House and Gardens" which you may find in the library. Or if you are wanting to make that new dress we have available the "Vogue" and "McCall's" pattern books that might help you choose a style. And for those interested we have subscribed to the "Consumers' Report" that will give information on commodities that often helps one to decide what is the better buy.

NEBRASKA

Two Prominent Nebraskans Die Within a Week

Within a week the general managers of two of Nebraska's largest public power districts died. It is also a coincidence that both men were located in Columbus at the time of their death.

Harold Kramer, manager of the Loup River Public Power district, had gone to Durham, N. C., to consult a heart specialist, and was stricken just a few hours before his appointment came. He was 56 years of age and had been with the district since 1932.

V. M. Johnson, also 56, died at a Columbus hospital after a long illness. He was manager of the Consumers Public Power district. He began his work in the electric field with the Grand Island Electric company in 1915. He remained with the company when it became Central Power, and finally was taken over by the Consumers.

Ord Music Lovers Happy Over Prospect of Fine Mundy Concerts

Ord musical circles are happy at the knowledge that Ord will have at least three fine municipal concert next season, to be given by William Z. Rozan's artists. Municipal Concert Associations are entirely non-profit and cooperative, require no guarantors and incur no deficits.

The Association operates on a closed membership basis with membership privileges open to everyone. During the annual membership week all members pay annual dues which entitle them to attend all concert attractions for the season. Only members may attend concerts—there are no single admissions. There are no additional assessments or expenses.

Annual membership dues are \$5 for adults and \$2 for students, both plus federal tax. These funds are deposited in local banks, and after necessary operating expenses are met the balance is used to pay artists who are selected by a local committee of representative citizens.

At least three concerts are presented each season, and as many more as the budget makes possible. No guarantee is necessary or asked of local people.

The membership campaign is scheduled for the week of September 12-17. Several other Nebraska towns plan to bring some of these excellent musicians to their localities, among them Broken Bow.

There is considerable choice of talent among the 16 or so featured artists. Quartets, string music, violinists, pianists, and voice specialists are included in the choice offered, so there is something to appeal to everyone.

Local co-chairmen are Hilding Pearson and Mrs. Leslie Nash, Ward Pachter of Scotia is secretary, John Galika is treasurer, William Nelson will direct the membership campaign, Mrs. Eugene Leggett will write publicity.

Jollite Meets.
The Jollite winner-loser party was held Monday evening with dinner at Vera's Cafe. Later they attended the senior class play together.

Does your MILKER work well or Against your cows?

Does your milker pull and tug on the cow's udder; or does it give gentle massage completely relax the cow so that she lets the milk down freely and easily?

J. C. MARLOW 10-Inch Vacuum and gentle massage of the new, modern MARLOW MILKER gets the cow's full cooperation because there's no irritation, no hot pull, creep or crush. The Marlow takes the milk out FAST! — while the cow is still helping — and gets MORE milk, too. The new, modern, low vacuum MARLOW MILKER was developed by J. C. Marlow after 40 years of experience breeding purebred dairy cows and selling and servicing milking machines.

MARLOW users say:
Roger C. Krols, Lima Springs, Iowa: "My average milking time is 2 1/2 minutes per cow with the low vacuum Marlow Milker. It gets full cooperation between the cow and the milker, thus giving the cow the best chance for highest production."
Elmer Johnson, Eagle Bend, Minn.: "In 18 years using a suction type machine, I sold three fine herds of 25 dairy cows due to mastitis. Have had no trouble since I started using a Marlow."

Richard Piontek and Wife Coming to America Soon

Parents of Mrs. Jerry Gillham to locate in Pennsylvania in July.

Of special interest is the story of Mr. and Mrs. Richard Piontek, parents of Mrs. Jerry Gillham of Ord. Jerry is employed on the Ord Quiz. He met his future wife while he was with an army engineering supply depot in Germany. She was secretary to an army captain. They were married August 1, 1947 by a German Burgoemeister.

However, there were endless applications and recommendations that had to be obtained, many for Jerry, more for his bride. There were recommendations from the police and from the military government. She had to get a clearance slip showing she was not a party member.

Then there were photographs and identifications that had to be sent to the military government at Frankfurt and also to Berlin, where complete records of every citizen were kept. They were interviewed by an army chaplain and also by an army field grade officer. She had to be cross-examined by the Cross-Intelligence corps.

Jerry had finished his tour of duty when they were married and was free to come home. They took a honeymoon in Southern Germany, in the mountains, and eventually got back to Scotia, where they made their home. Now her parents want to come to America, and will as soon as their turn comes.

Mrs. Gillham expects her parents to immigrate to America under the refugee quota about July 1, 1949. Her father, Richard Piontek is to be employed in the coal mining industry in Pennsylvania. He is a mechanical engineer.

Her mother, Mrs. Amelia Piontek was born in the city of Sckarnow, Austria, which after World War I became a part of Poland. Her father was born in Rudy-Pickar, Poland. They were married in Kattowitz, Poland, where he was employed as a mechanical engineer in the mines.

To them two children were born, Herbert Anton Piontek, who is now a customs inspector at an American airport in Germany, and Ursula Eugenia, now the wife of Jerry Gillham. Her father has degrees in both architectural and mechanical engineering.

In 1929 Mr. Piontek was offered a better job in Liegnitz, Germany, and they moved there. With the oncoming of the Russians in January, 1945, they, like many others, were forced to lock up their homes and head west. Walking, catching trains where possible, they stopped in Grossanheim, Germany, which was later made a part of the American zone.

Mr. Piontek has been employed by an engineering unit in the construction of warehouses, office buildings, repair shops, etc., during the past 3 1/2 years.

Mrs. Gillham thinks that people are lucky to be born in the United States and that there is no country like it. The Pionteks are anxious to reach the country of their choice and become settled in a new community. Mr. Piontek did not want to sign up a contract to work in Pennsylvania, because he thought they would insist on his going to work at once, as soon as he arrived, but was assured by his son-in-law that conditions are very different here in America.

Ord Golf Course Free to Children

To encourage Ord's younger generation to become golfers, the Ord golf course will hereafter be open without charge to all boys and girls until they are through high school, whether or not the family joins the golf club.

This was the decision of a joint committee of the golf club officials and the city park board, meeting Monday afternoon. It is hoped a number of new golfers will develop this summer, taking advantage of the professional skill of Bud Shirley. Perhaps it may be possible to get several older golfers to give the kids a few pointers.

A full schedule of summer activities of the Ord Golf Club will be announced next week. Two-ball matches, tournaments, handicaps, family picnics each Friday, and an invitational match later in the summer are being planned, according to Alfred Hill, 1949 president of the club.

Marilyn Long Joins Band Sorority

Marilyn Long of Ord is a charter member of Pi chapter of Tau Beta Sigma, national band sorority at Nebraska Wesleyan University.

The Wesleyan chapter of the organization, first in Nebraska, was recently activated on the campus by national officers. Miss Long is a member of the 57-piece Pride of the Plainsman concert band which included a 1200 mile midwestern concert tour among its activities this season.

Otto Elsik's Truck Located Well Long Abandoned on Dearmont Farm

An article relative to filling old wells which appeared in last week's Quiz apparently was not published any too soon. Last week a truck belonging to Otto Elsik located an old well on the former Grace Dearmont place southwest of Burwell in Eureka township.

The truck, loaded with shelled corn, broke through a crust of earth and one of the wheels sank into the well until the truck bed rested on the ground. A crew of men had been shelling corn and the truck had driven over the well, before but probably not in quite the right spot.

The truck had a load of 200 bushels of corn, and Mr. Elsik had quite a time getting his truck out. After the truck was out of the way the men tied a weight to one end of an eighty foot rope and let it down into the well, without hitting the corn.

Others present were Joe Bover and Frank Hulinsky, sr., who has lived on the place for a number of years, and never knew that there was a well there. The well could hardly have been dug by hand as it was only about two feet in diameter and, he said, it will be filled up at once.

Saturday, Andrew Nielsen told of a dug well that used to be located on what is known as the Sershen place in the sand flats. Andrew ran across it a few years ago while hunting for a well. The last time he saw it he said there was a fence around it, but part of the wires were down.

This well may have been filled by this time. If not, steps should be taken to have it filled. Stock is likely to get into a well of this kind. If a person happened to fall alone and fell in, he would stand a very poor chance of ever being found, or at least, not in time to save his life.

In connection with this story mention might be made of one of the well-known well diggers of the early days, Alvin (Al) Hughes. He once lived in Mira Valley on the farm that is now owned and operated by Jennie and Mr. and Mrs. R. C. Clement.

Hughes dug wells for neighbors all over Mira Valley, including one he dug for himself which he intended to use for irrigation and which was 6 to 8 feet in diameter. Albert Bussie, hunting rabbits, saw one at the bottom of this well, went down the well with a rope to get it, and then was unable to get out. Luckily he was seen to go in, and help came before it was too late.

Hughes later moved to a farm in Maden Valley and there dug himself a well 180 feet deep. He had help digging it, but on several occasions he went to the bottom of the well when nobody else was around to get a buck that had come off the rope. He would go all the way down and then climb out, hand over hand. Few men could do it these days.

Some time about 1896 Hughes drove over to the Sam Upright place about two miles southeast of Midvale to see about repairing a dug well there, or about digging a new one. Without waiting for help, he climbed down a rope to the bottom of the well.

Ted Lathrop, 48, Well Known Here, Buried at Blair

Formerly Conducted Store Here; Married Margaret Norris.

Ted Lathrop, brother-in-law of Dr. H. N. Norris and at one time a resident of Ord, died last Monday at an Omaha hospital, a victim of a heart attack. For 25 years he had been a resident of Blair. For years he was employed in a store and more recently was on the road for a grocery concern. He was 48 years of age.

Mr. Lathrop was born March 22, 1901, at Nebraska City, where he lived as a boy. Later he worked in California for a time, and then was manager of the Basket Stores in Ord. He was married to Margaret Norris of Ord Sept. 18, 1923, and moved immediately to Blair, where they have made their home since then.

Surviving Mr. Lathrop are his wife, Margaret; three sons, Robert, student at the University of Nebraska, Ted, jr., and James, at home; a daughter, Margaret Ann, of Blair and Omaha; two sisters, Mrs. E. E. Fricke of Ogallala, and Mrs. Thomas Martin of Arboles, Colo.

A daughter, Betty Jean, eldest of the Lathrop children, died at the age of 6 from burns received from a gas stove. Also preceding him in death was a sister, Ruth, many years ago.

Funeral services were conducted at the Blair Christian church at 2 p. m. Saturday, with Rev. Homer L. McKinley in charge. Attending from Ord were Mr. and Mrs. Ben Philbrick and Dr. and Mrs. H. N. Norris, all of whom drove to Blair Saturday morning. Mrs. C. E. Norris went to Blair Tuesday, but Dr. Norris came to Ord and went to the funeral from here.

Teachers Examinations

Teachers examinations were given Saturday, May 7, to senior normal trainees and others interested. There will be just one more examination given before the new normal training program goes into effect, which is July 16.

Normal training high schools, under the direction of the state superintendent, will set up a new examination program for their students. This new rule effects the 1949 junior class.

Four DP's Come to Sherman County

Polish people living in Sherman county are doing their part in helping out with the European displaced persons problem. In the past week or two two couples have come to the county from Poland, one couple from Przemysl, the other from Vlna.

Mr. and Mrs. Alvin Grabowski, 6 1/2 miles southeast of Loup City, have opened their home to one couple, Stanley and Katherine Goska. The Gilbert Lewandowski, three miles northeast of Loup City, have taken in Michael and Cecelia Kolesien. Mrs. Kolesien can speak four languages.

PROPERTY

The Board of Directors has obtained an option for the purchase, from Dr. Clinton J. Miller, of the Ord Hospital, located on the North Half of Lots 7 and 8, in Block 37, in the Original Town of Ord, Valley County, Nebraska, and the hospital furnishings therein, for the sum of \$25,000.00; a warranty deed and abstract of title to be furnished, showing all taxes, including 1948, paid, the seller also to pay pro rata share of the 1949 taxes. Premises are to be clear of encumbrance. The option is to be exercised on or before October 1st, 1949. If option is to be exercised, Dr. Miller agrees not to operate a hospital in Ord for a period of five years. Dr. Miller has publicly announced that he will definitely close the Ord Hospital as an institution on October 1st, 1949, irrespective of whether the option is exercised or not. The balance of the proceeds from the sale of the stock will be used for repairs, improvements and additional furnishings. Also, a surplus is to be set aside for operating expenses when the option is exercised.

MANAGEMENT

The officials of the corporation are: President: Archie Geweke, Ord, Nebraska; Vice-President: Glen D. Auble, Ord, Nebraska; Secretary-Treasurer: Leslie C. Nash, Ord, Nebraska; which officials, together with the following, form the nine directors, to-wit: Dwain Williams, Arcadia, Nebraska; Hazel W. Weddel, Arcadia, Nebraska; Almond Brox, Ord, Nebraska; Clara M. McClatchey, Ord, Nebraska; John R. Sullivan, Ord, Nebraska; and A. C. Ehret, North Loup, Nebraska. The officers or directors are now drawing no fees or salaries, except non-resident directors are to receive their mileage in attending meetings.

HISTORY AND BUSINESS

The association was incorporated under the laws of the State of Nebraska, on April 11th, 1949, with perpetual existence. The general nature and purpose of the business of the association shall be the mutual benefit of the shareholders for themselves and the community at large, to be carried on in a cooperative manner for the purpose of operating a hospital, to provide equipment, facilities and a place for doctors to operate, and to hospitalize patients.

CAPITALIZATION

The authorized capital is \$60,000.00 and this association is authorized to issue 600 shares of capital stock in the form of common stock, of the par value of \$100.00 each. All stock, when issued, shall be fully paid up and non-assessable. The private property of the stockholders shall not be subject to the payment of corporate debts. The stock shall draw a maximum dividend rate, payable annually, to the stockholders in the sum of three per cent (3%) and which shall be payable only out of the profits of the association. No one stockholder shall be authorized to own more than five per cent (5%) of the entire stock of the corporation. Each stockholder shall have only one vote, irrespective of the number of shares of stock that he may own. His vote may be cast in person or by proxy. The Board of Directors may purchase for the company the stock of any stockholder who may become a non-resident of Ord, Nebraska, at a price not exceeding \$100.00 for each share, but said association is not compelled to make such a purchase.

These prices feature "Extras" that aren't!

If you're price-conscious these days as you shop for new cars, you've probably made a big discovery.

It's important to find out what the price includes—particularly in the normal "spread" between list and delivered prices.

Take these Buick prices given here. All of them, as the panel tells you, cover such universally wanted accessories as radio and antenna, heater and defroster, windshield washers and built-in back-up lights.

These are individually itemized on your bill of sale. Not itemized, but still included in your Buick when you get it, are many things that classify as extra-cost items on many other cars.

For instance, Foamtex seat cushions are an extra value on Buick SEDANS and ROADMASTERS that cost you nothing extra. You get direction signals, rear wheel shields; a flexible steering wheel, an air cleaner, an oil filter, a clock—all included in the basic list price. On all ROADMASTERS, these prices even cover Dynaflow Drive as standard equipment, not an extra-cost item.

Included also, of course, are such Buick extra values as Fireball power, which you get nowhere else—all-coil springing, almost an exclusive—the widest rims in the industry—and that very special and desirable solid Buick feel.

So—check the "extras" when you price today's cars. Check the "deal" too, and make sure it's as fair and aboveboard as the Buick sales policy.

We're pretty sure what your conclusion will be when you see what stepped-up production is doing to deliveries. You'll decide "Buick's the buy!"—and get your order in.

Benjamin Holmes Arcadia Resident, Taken by Death

He Lived in County Nearly Sixty Years. Was 80 Years Old.

Benjamin Franklin Holmes passed away May 3, 1949 at Loup City, Nebr., at the age of 80 years, 3 months and 8 days, after an illness of some weeks.

The son of Joseph and Mary Holmes, he was born January 23, 1867, in Clayton county, Iowa. When 17 years of age he accompanied his parents to Valley county, Nebr., where he has since resided. As a young man he joined the Church of Brethren, remaining a faithful member until he departed this life. On March 20, 1907, he was united in marriage to Miss Etta Teeter of Octavia, Nebr. To this union were born six children.

He is survived by his wife, Etta, his sons, Ivan, of Ord; Earl, Alvin and Dale of Arcadia, and two daughters, Mrs. Orville Gregg of Arcadia and Mrs. Velma Jackson of South San Francisco, Calif. Also left to mourn his passing are two sisters, Mrs. Rebecca Blakeslee of Arcadia and Mrs. Ann Lapey of Scio, Ore. He leaves 13 grandchildren and a host of friends.

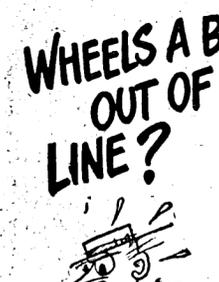

Funeral services were held in the Arcadia Methodist church at 2 p. m. on Thursday, with Rev. C. W. Buehler officiating. Hastings-Pearson mortuary in charge. Vocal music was by Mrs. Clyde Gogan and Mrs. Clinton Masters, accompanied by Mrs. Ben Mason at the organ. Pall bearers were: Earl Drake, Otto Leuck, Wm. Kingston, Orville Gartles, Knight Dorsey, Ralph Ackles. Burial was in the family plot at the Arcadia cemetery.

Hunting, Fishing Fees Increased

An increase in hunting and fishing license fees was approved Thursday by the legislature when it passed L.B. 184 by a 25-14 vote. The controversial bill was introduced by Sen. C. C. Lillibridge, Crete. It raises the fee on hunting and fishing licenses from \$1 to \$1.50.

LETTERS FROM QUIZ READERS
Favors Sod House Plan.
O'Neill, Nebr.
To the Editor of The Quiz:
The plan of the Ord citizens to put up a lodge for the Boy Scouts built of good Nebraska sod is a thrilling bit of news to every one interested in perpetuating an institution of early prairie land.

Romance and adventure wove a mystic charm about the sod house and not even the log cabin or stone-lined cave retreat of legendary heroes could so fittingly symbolize the Nebraska Boy Scout movement as a lodge for your boys built of sod.

Open House for 50th Anniversary

With nearly 100 guests present, Mr. and Mrs. Ernest Hunkins observed their golden wedding anniversary May 3 at their home in Arcadia.

Decorations for the serving table included a large three-tiered decorated golden wedding cake, and golden candles in crystal holders which were divided by golden ornaments. On the napkins were printed the names of the couple, Ernest-Bessie, and the years 1899-1949.

Mrs. Hunkins wore a large corsage of yellow carnations and gold ribbon presented her by her children. Mr. Hunkins wore a carnation boutonniere, a gift also. Assisting with the serving were Mrs. Otto Leuck, Mrs. Thurman Bridges, Mrs. Duncanson and Mrs. Woody.

Granddaughters, Regina and Cleo Strong, had charge of the guest books. Their children greeted the guests at the door. Preceding open house a relative and family dinner was served at noon in the Methodist church basement. About 40 relatives and friends enjoyed the dinner.

A short impromptu program followed the luncheon. Songs sung in unison of the gay 90's were enjoyed by all. Interesting talks were given by some of the seven who attended the wedding. Friends were recalled during that night. A duet by Cleo Strong and Marilyn Matousek, "My Happiness" and "An Apple Blossom Wedding", Shirley Hunkins, granddaughter, played several piano numbers.

It was an unusually happy occasion for Mr. and Mrs. Hunkins as members of each of their families were present. The presence of two sisters and two brothers of Mr. Hunkins made a family reunion except for one brother. An only sister and an only brother of Mrs. Hunkins were there also. Friends and relatives from Iowa, Oklahoma, Greeley, Colo., Stratton and Lincoln, Nebr. were present. The home was filled with gifts of lovely flowers and gifts.

HOMEMAKING NEWS
Spring Dresses (by Roberta John)
As the school year of 1949 draws closer to an end, the first year Homemaking girls are winding up their unit on spring dresses.

Miss Weston, our homemaking teacher this year, has decided not to teach in Ord again next year. She has taught us a lot. One of the student teachers that was here Miss Eunice Jensen, is going to teach us girls next year. Good luck Miss Jensen and also good luck, Miss Weston, too.

Believe me it has been fun and we all have certainly learned a lot more than we knew when we started out.

Time to Perk Up the Taster!
This is the time of the year when appetites crave something different - spring greens, radishes, green onions, garden sassa.

Those of you who are steady customers of the little market on the North Side of the square don't have to be told this - but to those who aren't we want to extend a cordial invitation to get acquainted with the superior flavor and quality of our home cured meats.

That flavor isn't just an accident - it starts with careful selection of meats, skillful blending of pure spices, proper aging and curing. The result is something that has made hundreds come back for more.

We're sure that one trial will make you come back for more at

girls have been having a lot of fun studying and demonstrating different kinds of cakes.
The first cake which was made was a chocolate "conventional" cake demonstrated by Dorothy Parkes and Alice Hayek. It was really delicious.

The second cake was a sponge cake made into an old fashioned jelly roll. It was demonstrated by Marlene Norman and myself. It really took the prize. Why shouldn't it? Look who made it!

The third cake was a chiffon cake made into a loaf, by Amy Christofferson and Jocelyn Bennett. Their cakes turned out lovely. All the cakes were sampled and judged by the girls. Each girl will make one of these kinds of cakes at home, and we will have a big judging day Friday. Sampling, too!

Tinting Baby Chicks.
(by Charlene Severns)
Ever hear of tinting baby chicks? Well that is what the second year homemaking girls have been doing as an Easter project. The chicks were given to us by the Goff hatchery. We want to thank Mr. Goff very much.

Betty Polak and Mildred Meese colored the chicks red and blue. The process was to take food coloring put it in warm water, and rub the liquid on the chicks. They are real pretty.

Betty Polak is going to take the chickens as a home project when we are through with them. Good luck Betty.

Lyle Flynn Gets Shot at Mountain Lion but Distance Too Great

Lyle Flynn, young farmer, and the son of Mr. and Mrs. Frank Flynn, took two shots last Monday with a 30-30 rifle at the almost legendary mountain lion reported in the Ord vicinity. The Flynn farm is in the Haskell Creek neighborhood, where young Flynn spotted the animal in the pasture and ran to the house for a gun. Flynn is very sure he hit the animal on his second shot, made at 250 yards, a bit over maximum killing range for the average 30-30 rifle. "He stopped short, stood on his hind legs and pawed the air for a bit, then leaped off," Flynn told Rex Jewett who reported the incident to the Quiz.

Sherman County Pioneers Die

Last week marked the passing of two Sherman county residents, both 90 years of age. Mrs. Mary Jane Owens, widow of a former Loup City postmaster, died in San Diego, Calif. Born in Wisconsin, she lived in Sherman county many years. She was a member of San Diego Chapter 264, Order of the Eastern Star.

A. F. Kuhn of Litchfield died at a Broken Bow hospital at an age just short of 90 years. He was married twice, and he and his second wife were privileged to celebrate their Golden wedding anniversary last fall. Mr. Kuhn was a Master Mason and a member of the Methodist church.

Bakes 2,775 Pies in Single Year

Sophia Carkoski has baked pies, cinnamon rolls and kolaczes at the Ord Grill for a little over a year now. In that year she baked 2,775 pies, but didn't count the cinnamon rolls and kolaczes. Sophia does all the baking at the Grill, usually in the morning, so if you like warm pie eat it in the morning.

Results Given of Wrangler Relays Held at Burwell

Ainsworth, Burwell, Broken Bow Win Top Honors; Ord Seventh.

Ainsworth topped six events last week at Burwell in taking first place with 64 points in the Wrangler relays. Without winning a first place except the 2 mile relay, the Burwell Longhorns performed the remarkable feat by piling up 53 points to take second place.

Broken Bow came in third with 49 points and took first in three events. Atkinson came in fourth with 35 points, with one first place to its credit. Ravenna had 22 1/2 points, took first place and tied with Loup City for first in high jump.

Witter of St. Joseph's took first in two events to help place his team sixth with 22 points. Ord and Mullen ended in a dead heat with 20 points each, although Mullen took one first place and Ord none. Loup City, 8 1/2; Scotia, 6; Arcadia, 5; and Ericson, 0, completed the scoring.

Caveman Learns Ways of World

Mitchell, Nebr., has a caveman, William Hugo by name, who claims that ever since he can remember until last fall he lived in a cave in New Hampshire with a hermit known to him as "Old Man Pop." When pop died, Hugo found \$5,000 and started out to travel.

He knew nothing of World War II and was not registered for the draft. He did, however, purchase a car, and found out too late that he was supposed to have a driver's license. The day was set for Hugo's story, which sounds rather difficult to believe.

Fishing Contest Lags; Fishermen Fail to Report

Quiz Would Like Some Entries in Bass, Trout and Other Divisions.

Another week has gone by and still no new entries in the big Quiz fishing contest. Of course this is spring, and everybody is busy with farm work, house cleaning, gardening and all, but there must be some people who are fishing.

It may be that the big ones are not biting, and it may be that the ones wintering have been getting away. Whatever the cause, the Quiz hopes that some more entries will come in before next week. This is a case where no news is not good news.

Unofficially, we know that Jess Kovarda got the better of a 7 pound bass, but he figured that it would not win anyway, so failed to have it entered in the contest. Don't let anything like that stop you, folks. A four pounder is the biggest one yet until a bigger one is caught.

Rural Field Day to Close School Year Activities

Third Year Event Has Been Held and Enjoyed by Country Students.

The third annual field day for the rural schools of Valley county will be held Friday, May 20, at the school of Clara McFurnished by Miss Clara McClatchey, county superintendent. This is the outstanding event of the year for country students.

Davis Creek won the athletic contests by garnering a majority of the points each year to date, and will be defending champion this year. It is understood that the going will be tougher for them this year, with a number of star athletes developing in different schools over the county.

To date three schools have returned their entry blanks to Miss McClatchey. They are Dist. 12, Rene Hayek, teacher; Dist. 26, Muriel Johns, teacher, and Dist. 41, Shirley Holcomb, teacher. The grades are grouped in the contests, 1st and 2nd; 3rd and 4th; 5th and 6th, and 7th and 8th.

This gives all the youngsters a change in the events, which consist of broad and high jumps, with dashes from 60 yards to 220 yards. There are separate events for the boys and the girls, and the contests wind up with a 440 yard relay.

The Valley county marble contest, sponsored by the Ord Veterans of Foreign Wars, will be held on the same day as a part of the day's program. The program will start at 1 p. m. Miss McClatchey hopes that the groups will bring a lunch with them and close the day with a picnic.

Stealing Tire Gets Morrow Fine of \$10

Marvin Morrow of North Loup pleaded guilty in county court Monday morning to charges of petit larceny and was fined \$10 and costs by the county judge. Morrow took an auto tire and wheel from a car owned by Clem Meyers, Jr., North Loup used car dealer last Wednesday, according to county attorney Ralph Norman who filed the complaint.

Timely Action by Reporter Travis Brings Fine Rain

Many Ball Games Were Rained Out, But Inch Moisture Was Needed.

Nearly an inch of rain, ninety-four hundredths, to be exact, came in the form of a slow drizzle which began at most places in Central Nebraska before midnight Saturday evening and continued by spells as of Sunday. While there was still enough moisture further down, the topsoil was badly in need of just such a rain.

The rain was general, according to all reports, Grand Island reporting one and one-half inches. Coming as it did, not a drop of water ran off and there was no erosion damage such as comes with the heavier rains. The weather was cool for several days, but no danger of frost has been forecast.

Weatherman Horace Travis says he has no grudge against ball games. Apparently he feels that he ought to make up to the public for some of the terrible weather he had during the winter. In any case, ball games can be postponed until a later date, but it is better to take the rain when it comes.

Because of the rain all over the area, no games were played, either in the Loup Valley League or with the Sherman-Howard league, the two leagues in which local people are fourth with 36 1/2, and Sutton fifth with 23 1/2. Geneva had 15 1/2 points, Ord had 12 1/2, Minden 2 1/2 and Ravenna 2. Loup City did not compete.

Among the best marks were Charles Styles of Superior with a 2:06.3 for the half mile. Omer Lathan, Superior, with a vault of 11 feet, 3 inches and Jim Tangdall, Superior, who threw the discus 135 feet, 1 inch. Floyd Anderson, Burwell won first in the 100 and 220 yard dashes. All times and distances are records, as this is the first Trans-Nebraska meet.

Hogs, Lambs Up Monday in Omaha

On light supply—shortest Monday run since mid-February—fat cattle under 1,000 pounds sold 25-50c higher in brisk trade Monday at Omaha but trade on steers above that weight was slow and spotty—anywhere from 25c lower to 25c higher. Steers weighing 1365 sold \$25.00, lighter weights also heifers to \$25.25 and mixed yearlings to \$25.35. Bulk brought \$22.50-\$24.50, with plain, shorted yearlings down to \$20.00.

Beef cows sold steady to 50c up, heaves to \$19.50, lights to \$20.00, but canners and cutters were only steady, mainly \$13.50-\$16.00. Bulls sold steady to 50c higher, beef \$18.50-\$20.00, good bolognas \$21.00-\$21.50. Vealers held at \$18.00-\$21.00, odd head higher. Stocker and feeder cattle sold \$12.00-\$15.00, good \$12.00-\$13.00, 975-pound feeders \$23.60, and light stock steers \$25.25, quotable to above \$26.00. Hogs were 25-50c higher, butchers \$16.50-\$18.75, sows \$16.00-\$17.00, stags \$16.00-\$15.50. On shortest Monday sheep run in weeks less than 1,000 head—fat lambs moved 25-50c up, springers to \$30.00, old crop shorn \$28.00-\$29.50, medium fat woolled \$27.75, choice woolled \$29.00 to \$29.00 or better. Slaughter ewes sold steady, shorn \$11.20, \$11.20, \$11.20. Ord \$12.00, 25 steers, wt. 1165, \$22.2 wt. 985, \$20.50; Garfield county: Albert Kirby, 9 steers, wt. 910, \$24.50, 2 wt. 660, \$23.50.

Neighbor's Help Their Farm Work

From Davis Creek comes a story of neighborliness which the Quiz is glad to publicize. Last week William Head and son Lester, Kenneth Johnson, Archie Boyce, Buster Wolfe and Steve Ginzinski went to the Clarence Caddy farm with tractors and helped him with his farm work.

A series of troubles was clinched for the Caddys last week when Bill Caddy, father of Clarence, was cut and bruised in a team runaway with a hay Ake, a serious experience for a man 80 years old. Then Clarence has had trouble with an ankle for some time and his wife has had rheumatism all winter. The assistance of the neighbors was highly appreciated.

Mrs. Dora Jorgensen and Alma and Mr. and Mrs. Dale Hoppes and sons were Sunday dinner guests of Mr. and Mrs. Willard Hoppes in Burwell.

Covey, Thomas See G. I. Jail

Bruce Covey of Ord and Francis Thomas of Burwell spent an hour in the Grand Island city jail Monday afternoon, when they were taken into custody by a Grand Island city policeman on charges of selling real estate without a broker's license.

The two had been conducting an auction sale of a residence property owned by Alfred Haselmann at 1008 West Anna in Grand Island. They had knocked the property down to the successful bidder for \$6,000, when the arrest was made. Both auctioneers have broker's licenses and when these were produced they were released from custody.

Superior Takes First Place in Trans-Nebraska

Burwell Takes Second Place Easily; Ord in Seventh Place of 11.

Superior took first place in the Trans-Nebraska meet at Hastings Saturday with 62 points, with Burwell in second place with 50 1/2. Loup District Is Making Good Time in Filling Ditch

Ord - North Loup Opened Last Week; Others to Furnish Water Soon.

Water was started down the Ord-North Loup ditch of the North Loup River Public Power and Irrigation district last Wednesday at 11 a. m. and went all the way to Mira Creek, west of North Loup, in record time. The ditch was in the best condition for a long time, according to Glenn Beerline, manager.

The rain over the week end slowed down the work on the other ditches, but Manager Beerline estimated Monday that the Taylor-Ord would be ready for business May 11 to 12, and the Burwell-Sumner May 13 to 14. What is holding up the work now is painting the flumes, which cannot be done in wet shape.

At the same time, the rain, which slowed down the painting, also obviated the need of irrigation water. The men are working to get the water down the canals first and will work on the laterals when this work is done. The reason is that it is important to get the water into the canals before the weeds grow too high.

The heavy snows and resulting moisture kept the canals well seasoned through the winter, and also prevented much of the damage usually caused by burrowing animals. The deep snow prevented hard freezing, which often opens cracks that are likely to cause leaks.

Farmers Warned Against Using DDT in Dairies

Because DDT in dairy products may become a hazard to human health, farmers are strongly advised to quit using it on dairy cattle or in barns where cows are milked.

The Federal Food and Drug Administration has ruled that any dairy products found to contain traces of DDT will be confiscated, and cannot be used for human food.

In place of DDT which has become the main weapon in the fight against flies, dairymen are advised to use methoxychlor, which is only about one fortieth as toxic as DDT to humans, but equally effective against flies.

Methoxychlor will be on the market in sufficient quantities to meet the demand for dairy use this summer. It is slightly higher in price than DDT, but will become cheaper as it comes into wider use.

The continuing use of DDT around milk cows might cause a considerable loss to the local creamery, because if a shipment of butter is found to contain a trace of DDT the shipment will be condemned and destroyed.

DDT may still be used for fly control on beef cattle, and around beef cattle barns and sheds.

FORAGE SEED

It looks as if there would be a very heavy demand for forage seed this year and most stocks are ample except Certified and common Sudan. With a normal planting of Sudan there will be a scarcity of seed. Sudan seed has made a couple of strong advances the past couple of weeks; and it may get higher.

We do have in stock at present: Certified Sudan, Sweet Sudan, Nebraska grown Sudan and Texas Sudan German Millet, Atlas Sorgan, Nordan, Axtell Sorgan, Kaffir Corn, Grohoma, Black Amber Cane, Leoti Red Cane and Sunac Cane. All are priced at market values. We will appreciate a chance to quote you on either small or large quantities.

SEED CORN

Corn planting is well started and many will add a few bushels of corn that they do not have ordered. We have Standard in 939, 405, 615, 613, 425, and 625. Then we have the better numbers of Cornhusker that have been making such wonderful yields. The corn that won 17 County 10 acre Corn Yield Contests last year. Nos. 148, 350, 75, 63, 81 and a few bushels of the extra early 107. These numbers have been used in Valley and adjoining counties for several years and they have performed so that the growers are well pleased. Come in and get a few bushels of these numbers while available. We are offering some extra prices on truckloads of these numbers for next year.

PLANTS

We will have another truckload of vegetable plants and flower plants for the last of this week. Tomatoes, Cabbage, Peppers, Egg Plants, Celery, Salvia, Petunias, Pansies, Snapdragons, Asters.

FEEDS

A complete line of feeds either commercial or the feed ingredients if you want to mix your own feed. Ask for prices on truckloads delivered to your farm.

GRAINS

We are in the market for your dry corn, wheat, oats and barley. When you are ready to sell let us make you an offer.

Mother Cabrini Meets.
Mother Cabrini Study club met Wednesday at the home of Mrs. Frank Kapuska. The meeting opened with a prayer by the club. The minutes of the last meeting were read. Mrs. Syl Furtak reported that the box of clothing had been sent to the Near East Missions. Roll call was "Church Etiquette." There were ten members and one guest present. Mrs. Vernon Malopezky had charge of the lesson, which was "The Imprisonment of Paul in Palestine." Mrs. Syl Furtak gave a book report on "You Can Change the World" by Father Kellner. She gave examples of how much good can be accomplished by

lay-people, acting as Christophers, especially by letter writing. Four of the five best sellers in non-fiction books you can change the world" by Father Kellner; "Peace of Soul" by Msgr. Fulton J. Sheen; "Seven Story Mountain" by Thomas Merton; and "Greatest Story Ever Told" by Fulton Ouster. Lunch was served by the hostess with Mrs. Joe Fajmon as co-hostess.

Patron's Day at Dist. 7.
Mrs. Loretta Iwanski and pupils invited the mothers of the district for a patron's day Thursday. They were each presented a corsage and a favor. Afternoon classes were observed. Those present were

Mrs. Leon Jablonski and Arlene, Mrs. James Sobon, Mrs. Earl Dent and Donna Kay, Mrs. Voras Smith and Wilma, Mrs. William Tuma, Mrs. Ed Dubas and Mrs. Frank Janus. The mothers received a potted plant for Mother's Day from each pupil.

Bridal Shower.
A miscellaneous bridal shower was held for Mrs. Lester Kizer at the Wm. Mathauer home in Burwell, Friday, May 6, at 2:00 p. m. Those present were Mesdames Kizer, Annelia Kizer, Minnie Hemmett, Myrtle Johnson, Edith Meyers, Marie Manask, Lydia Mitchell, Nora Mitchell, Ethel Wood, Lizzie Shafer, Ann Swanson, W. C. Parsons, Nona Moss, Pearl Cram, Allie Grunkemeyer, Vida Wheeler, Lila Black and Emma Mathauer. The three ladies from Amelia were Mrs. Ralph Rees, Mrs. Ber Waldo and Wilma Rees. Several interesting quiz games were played, the winner receiving a prize. The honored guest then unwrapped her many lovely gifts.

A lunch consisting of roast pork sandwiches, kolaches, peppermint chiffon pie with whipped cream and coffee was served. Mattie's friends are too numerous to mention in the Burwell community, therefore it was impossible to have them all attend in a private home. We were sorry that Lavine Larsen, Mr. Kizer's daughter of Ericson was unable to be present, also others who sent gifts and could not come.

What's Cookin' Ward's Column

This week I will start this column off with a contribution by Jeweler L. A. Muncy. He thought it worth passing on, and I think you will agree with him when you read it.

In 1923, a very important meeting was held at the Edgewater Beach hotel in Chicago. Attending this meeting were ten of the world's most successful financiers. Those present were: The president of the largest independent steel company; the president of the City National Bank; the president of the largest utility company; the president of the largest gas company; the greatest wheat speculator; the president of the New York stock exchange; a member of the president's cabinet; head of the world's greatest monopoly; the greatest "bear" in Wall Street; and the president of the Bank of International Settlements. Certainly we must admit that certain great men of the world's most successful men. At least, men who had found the secret of making money.

Twenty-five years later let's see where these men were? The president of the largest independent steel company, the greatest wheat speculator, the president of the New York stock exchange, Samuel Insull, died a fugitive from justice and penitence in a foreign land. The president of the largest gas company, Howard Hopwood, is now insane. The greatest wheat speculator, Arthur Cotten, died abroad, insolvent. The president of the New York stock exchange, Richard Whitney was recently released from Sing Sing penitentiary. The member of the president's cabinet, Albert Fall, was pardoned from prison so he could die at home. The greatest "bear" in Wall Street, Jesse Livermore, died a suicide. The president of the Bank of International Settlements, Leon Frazer, died a suicide. ALL THESE MEN LEARNED WELL THE ART OF MAKING MONEY BUT NOT ONE OF THEM LEARNED HOW TO LIVE.

If all the people in this part of the country were placed end to end, they would reach — well, maybe they wouldn't reach, but they certainly would look silly. But if all the people who do not know C. C. Dale were placed end to end they would not reach nearly as far. What I am getting at is that Carl Dale is well known. He is recognized as a man of ability in his chosen field of county agent. What people do not know is that Mr. Dale is one of the world's best authorities on wild geese, having spent considerably more than 40 years in studying these birds and their habits. His ability in this line is known by a few of his colleagues, who persuaded him to give a talk on the subject at an extension service banquet last fall in Lincoln. Below we give you that lecture, exactly as Mr. Dale delivered it. Note that the "Wonsks" were produced with a goose caller.

Ladies and Gentlemen: May I take this opportunity to assure the thousands of admirers who have written, called, or called me asking the secret of my success as a goose caller, that it comes as the result of years of study, research and practice.

I take no great credit for the fact that I have finally achieved perfection with the goose call. I have done this with ability and will to spend forty years in studying the life and habits of the wild goose, might be able to do as well.

Early in my research, I discovered that food is the first concern of all types of wild-life. It is the food that motivates the habits, movements, the actions, and reactions of wild animals, fish, and fowl. The feeding call therefore has an almost universal appeal. It should be the first call which the novice seeks to imitate, for perfection. The feeding call as it sounds when given by the expert "WONK."

Second only to the feeding call in appeal, is the mating call. You doubtless noticed that the feeding call was somewhat harsh and discordant. As I execute the mating call, note the contrast. The call is a soft, alluring, and seductive call.

Al: "Frankly, I'm getting too much—and payin' too much in fuel, too!"

Joe: "Serves you right. When I put in a Lennox Heating System, I see that it supplies the right amount of heat in the right places—economically. That's because I locate and install pipes, registers, and heat controls correctly!"

Al: "Hey—would a Lennox, ah, break me?"

Joe: "It would save you! Lennox systems for gas, oil, and coal are reasonable—planned and put in right to give years of trouble-free, economical heating. Want an estimate?"

To the Public

So many different stories have been circulated in regard to my attitude towards a Community Hospital that it seems best to publish a statement written at leisure instead of while I have several patients waiting for my attention.

The Miller Hospital is an exceptional bargain and if we are over to have a Community Hospital I advise you to buy it now.

Just as soon as we own the Hospital and have a satisfactory staff of nurses and helpers I will close the Clinic Hospital and take all my patients to the Community Hospital.

As a service to my loyal patients I will continue to operate the Clinic Hospital until the Community Hospital is in operation.

I will retain the present Clinic Hospital rooms for an expanded laboratory and separate offices for a younger associate or associates as the community requires.

Newspaper Policy

All newspapers have a definite policy in most matters of news, and the Quiz is no exception to the rule. For example, we have certain styles and sizes of type for heads of stories, as you will note in

looking over any copy of the Quiz. This is one of the things that makes a newspaper stand out as different from others. Another policy is using news of immediate interest and importance on the front page. The more important news stories get the call first. If a choice must be made between stories of equal interest, the most recent story has the preference. In a weekly paper some stories must of necessity be nearly a week old.

All newspapers have stories that are a must, and cannot be omitted. These are features of interest but not of immediate importance, which can be published in a later issue. In newspaper parlance these are called filler. They are used to fill the rest of the space when all essential stories have been used.

One of the rigid rules of the Quiz is that poetry is not published, except and unless it comes in one of the special columns. It is a fixed rule that no poetry is to be published with outbursts. News paper space is too limited and too valuable to use it for poetry when prose will serve the purpose better.

The Quiz welcomes letters from readers, especially those from former residents, or those expressing opinions on subjects of general interest. The paper reserves the right to censor anything that may be too objectionable or controversial. In all cases the name of the writer must be furnished, but need not be published.

The Quiz makes it a rule to publish all court proceedings, since these are open to the public, a

plan used by all first class papers everywhere. This is legitimate news, and should be published. Please do not ask a deviation from this rule in your particular case. This would be unfair discrimination, and we cannot do it.

I Believe In Santa Claus.

Every day I see little folks on the streets, going to school or coming home. In many cases I know their grandparents and even their great-grandparents. I note the happy smiles on their faces, the gleam in their voices. They have a great future before them, and they have the courage and confidence to face it without fear.

Their progenitors from the time of the founding of our nation, or from the time they set foot on American soil. They felt much the same as we do. They have a great future before them, and they have the courage and confidence to face it without fear.

When I look into the faces of these little ones I see there all that our forefathers expected us to look forward to and to hope for in this great nation they founded. The right to life, liberty and pursuit of happiness, that great trio, without any one of which the others are useless. The right to live, to love, to labor, to enjoy.

Why do I believe in Santa Claus? I believe in Santa Claus because I know what Santa Claus means to these little people. To them he means father, mother, sister, brother, teacher, minister, county, the flag, the Star Spangled Banner, Christmas, Easter, and every other good and perfect thing.

I believe in Santa Claus because it is a dangerous thing not to have faith. To lose even a little faith is to run the risk of losing all faith. Show me a man who has lost faith in everything, and I will show you a communist. Communism mocks God, permits no home life, makes the state the ruler of man instead of his servant.

The Santa Claus I believe in is not necessarily the jolly old fellow who brings gifts at Christmas time. To me Santa is the fellow who makes it possible for us to live as we do in free America. The fellow who gives us fresh air to breathe, clear water to drink, plenty of work to do and money to spend, relatives to love and friends to cherish.

Something Different

Why do you suppose those little snips always excoriated through the sides of asparagus to pocket a bit of grit? Purely to teach the housewife patience, no doubt. As if she hadn't already acquired an overdose of that quality!

Victor Haas on the World-Herald Sunday book page writes there is no such thing as a green thumb; Of course there isn't. There is, instead, the aching back you've heard about? A favorite aunt of mine had such beautiful flowers and shrubbery, not to mention her garden, in which she grew everything from sweet potatoes to peanuts. She also had a good many fruit trees and bushes of berries, red and black raspberries, black berries, gooseberries, currants, strawberries, even watermelon and cucumbers. Well, she grew just about anything you could mention.

And it really grew. The place was beautiful of course, with luxuriant vines and trees and flower boxes. It was not unusual for passersby to knock on the door to compliment her, and ask for flowers. And often they talked about her "green thumb" and her "luck" with flowers. Though she was a quiet, soft-spoken little person, this remark about "luck" did not sit well with her and she declared "it is not luck, it is just plain hard work."

Having watched her rise at five and six in the cool of summer mornings to weed and work over a beloved flower bed; having watched her let the water from the hydrant sit in a big tub to warm up a trifle before using it on a choice flower (and then she would have to carry it, since you can't pour water into a hose very well), well, I knew what she meant by just plain hard work. But, if that's your heart's desire, if that's your choice of work - then it isn't work to you, because you enjoy it so.

Several people have commented on the extremely high quality of scholarship exhibited by Ord youngsters now attending the University of Nebraska. Did you notice that at the honors convocation about ten days ago Ord had: Clarice Fiala, Al Blessing, Doug Dale, Keith Kovanda, all listed? And others too? We should pop off a few vest buttons, Ordites!

With the sale of the once-lovely Koupal Gardens to a man who plans a farm on that site, one of the truly beautiful spots of our upper North Loup valley vanishes into misty memory. Twenty years ago when Frank Koupal was pretty husky, all his extra-banking hours were spent on his gardens west of the Ord Golf course. Early and late he and his workmen planted and transplanted. He worked out an irrigation system, pumping water from the alluring stream that wandered through his private park.

His orchards were something, his tulips were something, his evergreens were a dream picture from a florist's catalog. Then do you remember his fancy Peking ducks? And those other odd-looking ducks that floated on the rectangular pool, high above the creek? It was a truly entrancing garden, and every visitor to Ord was proudly escorted through the delightful green lanes. That fine, slightly knoll would have been a splendid location for a clubhouse for the golf course, wouldn't it? Many people are indebted to Mr. Koupal for pleasant hours of sauntering through his gardens. Let us thank him, and perhaps it

will perk him up on a day when he isn't feeling too well. -Ima-

Comstock Grants Gas Franchise

Members of the village board of Comstock met with the representatives of the Kansas-Nebraska Natural Gas Monday evening of last week and granted them a 25 year franchise. Lake Ord and other towns in this valley, Comstock does not expect natural gas to be piped into town until next year, when the main line will be run north from Loup City and branches run to all the towns in this area.

Funeral Service for Mrs. Drobný at National Hall

Found Dead by Neighbor Who Had Brought a Gift of Flowers to Her.

Funeral services for Mrs. J. J. Drobný of Comstock were held Wednesday afternoon, May 4 from National Hall, with Rev. B. A. Filipi of Clarkson in charge. Interment was in National cemetery. Mrs. Drobný, aged 73 was found dead at her home in Comstock the preceding Saturday afternoon by Leo Zikmund, a son of Mr. and Mrs. Joe Zikmund. He had brought her flowers, and getting no answer to his knock, he walked into the house. Neighbors who had visited Mrs. Drobný that morning said that she was not feeling well, and it is believed that she must have suffered a heart attack. Mr. Drobný died Feb. 12, and shortly after his death she bought the home in Comstock and moved there.

Will Remain

Dr. and Mrs. George Thorgate, Seventh Day Baptist missionaries in China, have decided to remain in Shanghai in spite of the dangerous condition there but their son, Philip, is on his way home. Mrs. Myra Barber, sister of Dr. Thorgate, talked to her mother, Mrs. Charles Thorgate, Dodge Center, Minn., Saturday and they had a letter from Dr. Thorgate. He said they did not feel they were in too much danger and it seemed best to remain.

Luncheon Friday

The annual May missionary luncheon, sponsored by the United Council of Church Women was held Friday at the Methodist church. The Methodist W.S.C.S. was hostess for the covered dish luncheon. Following the luncheon Mrs. Warren Studer, president, presided at the business meeting. Mrs. Thelma Thomas was elected president; Mrs. Gladys Christensen, first vice-president; Mrs.

Florence Hornickie, second vice-president; Mrs. Fern Maxson, secretary, and Mildred Lenz, treasurer.

The Mira Valley ladies were in charge of the music for the program and Mrs. Milford Lenz sang a solo, accompanied by Mrs. Will Koelling. Mrs. Lenz and Mrs. Florence Hornickie sang a duet, with Mrs. Koelling accompanying. Devotions were to have been in charge of the Scotia ladies who were unable to be present. Ladies from the Seventh Day Baptist church gave a short play, "The Citadel of Faith," with Mrs. Florence Hutchins as narrator. Mrs. Leona Babcock, Mrs. Cora Hemphill, Mrs. Betty Barber, Mrs. Lois Swenson, Mrs. Gladys Christensen and Mrs. Louise Brennick playing the characters.

Mrs. Johnson Writes

A letter this week from Mrs. Russell Johnson, Eugene, Ore., contained a Quiz renewal and said they could not get along without the Quiz. Mrs. Johnson's mother, Mrs. Lena Taylor, is with them and has not been very well since she arrived from Phoenix, Ariz. in December. The Johnsons' youngest son, Devey, escaped serious injury recently when he unlatched the car door when they were on the way home from town and fell out of the car. He held onto the handle till the door banged against the fender, or probably would have been killed. He escaped with bruises and pavement burns on his face, head, elbows and knees. Mrs. Johnson's sister, Mrs. Eldon Cenik, works for a large electrical corporation in Denver as bookkeeper instead of at Penney's as was stated in the Quiz recently. The family asks to be remembered to everyone in North Loup.

Delores Williams and Ellora Jane Cook were home from Kearney over the week end.

Senior Activities

Cruising Down the River was the theme used for the Junior-Senior banquet, held Tuesday night at the school house. The dining room at the school house resembled a luxury liner with a large rock garden in the background, a river and a moon rising on the horizon.

Connie Eberhart and Alvin Ingraham, sopranos, played soft music from a boat on the river while the banquet was served. The waiters were Dean and Dale Hutchins and Clarence Brown who were dressed in blue sailor suits, and Beverly Knapp, Burdette Mulligan and Evelyn Brown, dressed in white sailor suits. All were sophanos.

Place cards were small flags and favors were small luxury liner nutcrackers.

The banquet which consisted of Swiss steak, potatoes and gravy, corn, pickles, salad, tea and coffee and apple pie, almonde, was prepared by mothers of the juniors, with Mrs. C. J. Goodrich as chairman.

Guests entered the dining room by means of a gang plank. Joe Babcock as president of the junior class acted as toastmaster and gave the welcome. Alice Meyers as senior chairman gave the reply. Jo Anne Earnest's speech was titled "Utter Non-sense" with incidents from the lives of the seniors. Theresa McCall spoke on "Future Years," Supt. Friesen's subject was "Sailing the Sea of Life." "Isle of Song" was a trio by Barbara Hudson, Joe Babcock and Ronald Goodrich. Janet Cook gave "Now We Look Back." Miss Minnie Jensen, junior class sponsor closed the program with good wishes for the seniors.

Following the banquet the group went to the community hall where all Hudson's orchestra was ready to play for the prom, which lasted till after midnight. Many patrons, parents and friends attended the dance and all enjoyed the good music.

Wednesday morning the senior class entertained the junior class and the faculty at breakfast at the Ord park where they served hotdogs, potato chips and doughnuts.

Thursday morning at 5:30 the senior class with Mr. Cook and Mr. Friesen as sponsors left for the annual "sneak day" going to Omaha. Their first stop was at Boys Town, where they spent more than an hour. They visited the Joslyn memorial, the Union Pacific building and the airport. An interesting feature at the airport was an inspection of the interior of a large passenger airplane. A visit to a Chinese restaurant and shopping occupied the afternoon and that evening the group saw the show "Little Women." The trip home was made in a hard rain.

Graduation

North Loup schools close this week for the summer vacation. Sixteen young people will graduate Thursday evening when commencement exercises are held at the Seventh Day Baptist church. Rev. Warren G. Studer will give the address on "Find What You are Looking For."

Baccalaureate services were held Sunday evening at the Methodist church. Rev. Harbour gave the address using "Ye Are the Salt of the Earth" as his text. Mrs. Ava Johnson and Mrs. Louise Brennick played the processional Sunday and will also play Thursday night. Sunday night Thelma Goodrich sang a solo accompanied by Alice Meyers. Thursday night the high school girls trio will sing.

Several good homes for sale and several nice, small tracts. Some have just raised their prices, so it doesn't look to me like all will get cheaper as some think, so better grab what you want while they are still cheap. Come and have a look.

Proper Sod House Construction Told Quiz by Charles Palmatier

Charles Palmatier called at the Quiz office Friday and gave the Quiz valuable data on materials needed and methods used in the construction of sod houses. Before giving this information, however, he made it clear that he is not the only man living who understands the building of a sod house. He believes there are quite a number of men who could do the job.

The first need, he says, is good sod, and this may be difficult to find. To make good sod it is necessary that the grass has had a chance to grow for years without being pastured over by stock. The cattle eat off the grass and this causes many of the roots to die, and dead roots in sod are a detriment.

Much bluestem sod was used in the old days, but the chances are none of this kind good enough can be found. He suggests that an old buffalo wallow, if any can be found, might have sod tough enough to be plowed and handled. He would appreciate hearing from anyone who knows of a wallow where the sod might be usable.

With the sod found, it will be necessary to find a breaking plow. Sod can be broken up with a turf and stubble plow, but such sod would be broken in pieces and would be useless for house building. It is possible that a mouldboard breaker can be found, and this is the type Mr. Palmatier prefers for the job.

The mouldboard breaker is similar to the regular walking plow in some respects, except that the mouldboard is long and shaped to turn the sod gradually instead of throwing it over quickly. It also has a cutter for making a sharp even cut of the sod about to be turned over. In addition there is a wheel on the front of the beam to gauge the depth of soil.

The plow should cut a furrow a foot wide. It could be fourteen inches, but the heavier sod is harder to handle. Perfect sod should be three inches deep. After the sod is turned it is cut into lengths of two feet with a sharp spade, or more correctly into sods that are twice as long as wide. Sod is laid with the grass side down.

Before the sod is laid, the ground where the building is to stand is leveled off. The sod is laid up in much the same manner as brick is laid, eight inch brick in a twelve inch lay, except that it is two foot sod in a three foot wall. The sod is cut for the door and window openings.

After it is laid, the sharp spade, the most important tool in building a sod house, is used for squaring up the outside and inside. The early settlers used pegs cut from plum brush to fasten the sod in the corners and on either side of the door and window openings.

The gable ends are laid up with sod all the way to the peak, and the spade is used to shave the corners off so that boards will lie even on the slope and leave no openings between. Planks are laid on top of the sod to form a support for the rafters.

After the house is finished it is plastered on the inside with a mixture of sand and clay. Only a few of the pioneer sod homes had floors, which were made by laying 2 by 4s flat and nailing common boards to them. The water usually dripped through the cracks when the floor was scrubbed.

Mr. Palmatier says his house had a dirt floor, even that part of it in which he kept the Ceranium post office. The method of mak-

ing the dirt floor durable was unique. There was usually a dance after a shower. It eliminated the dust and presented a solid, smooth surface. It was nothing unusual for some of the dancers to slip and fall down in the mud, and they were often a sight before the dance was over.

Window and door frames were made of 2 by 6s or even wider, and were braced across to prevent the weight of the roof from bowing them and leaving cracks between the timber and the sod. The casings were set inside these frame in the same way they are set in frame houses.

Mr. Palmatier is hoping that usable sod may be found, but is not certain about it. He says that, in case sod is not obtainable, the building might be made of adobe, but says he does not know much about that type of house. If you think you know of any virgin sod for this job, please let the Quiz or Mr. Palmatier hear from you.

Newman Grove Bus Service Resumed May 2

After having been interrupted the entire winter, bus service through Newman Grove was resumed May 2. An effort was made a week or two earlier to get the bus line started, but part of the road was still impassable.

The line runs between Grand Island and Norfolk. One bus leaves Grand Island in the morning, goes to Norfolk, and returns that evening. The other makes a similar trip from Norfolk and return.

LEGISLATIVE NEWS LETTER
HUGH CARSON, 29th District

LB 57 which provides for a constitutional amendment to make the terms of members of the Legislature four years with half of the membership being elected each two years will come up for consideration this week. I have offered an amendment to this bill which provides that the terms of the Governor and Constitutional officers be for four years with the Governor being limited to one four-year term and the other officers to two consecutive terms. The change would be effective at the election of 1951 on officers taking office in 1955.

I think it time that we had state officials working for the people rather than spending their time in office trying to work the people to return them to office. We must find some way to end inefficiency and waste in Government.

Drive For \$60,000 Hospital Will Get Underway Thurs.

Stock selling in the Ord cooperative hospital will begin with vim Thursday morning, May 19, in Ord, Arcadia and North Loup. Par value is \$100 per share, and \$60,000 is necessary if the Ord Hospital, now owned by Dr. C. J. Miller, is to be purchased and operated.

Volunteer salesmen expect to find great public interest and financial enthusiasm. Dr. Miller offers a \$75,000 property for sale at one-third its value, while Dr. Weekes announced in last week's Quiz that he is closing his hospital as soon as the cooperative hospital is operating smoothly.

With all the business which now goes to two hospitals, poured into one local organization, it seems certain that the stock will be a sound investment.

A preliminary survey of some 15 contacts has assured the sale of the first \$10,000 of shares before the actual drive began on Thursday. If Ord and vicinity secure a 26 bed hospital for \$60,000 they will be doing better than almost any town in Nebraska, it was pointed out.

Most Costs Sky High. At Albion the Boone County Community Hospital is to provide 18 beds for 14,495 people at an estimated \$165,000.

At Rushville the municipal hospital of 18 bed capacity is estimated to cost \$101,200 before it is completed.

Wahoo is planning the Saunders County Community Hospital of 23 beds, at an estimated \$262,500.

Oakland Memorial Hospital of 20 beds is to cost \$246,887.15. Miller Memorial Hospital at Chappell will have 14 beds, cost \$167,650, when finished.

Wakarusa and community will pay \$159,000 for an 18-bed hospital, now building.

O'Neill Community Hospital is to have 25 beds, at an estimated \$288,000.

Crete Municipal Hospital will have 25 beds when completed at a cost of \$204,500.

Neligh plans a 24-bed hospital, which is to cost \$173,274.

Community Memorial hospital at Crawford, 12 beds, is to cost \$152,884, they report.

All the above facts were taken from the Lincoln Journal and Star of Sunday, Dec. 26, 1948.

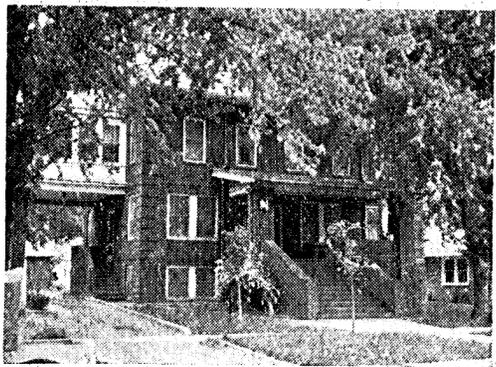

Lick Hospital Problem. Ex-Mayor Cummins declared, "This is our opportunity to get a \$75,000 property for \$25,000 and lick our hospital problem once and for all."

"We have no choice," says Dr. Glen Auble. "For what do we do if we don't get a community hospital, that's the question."

Rotary Club volunteer salesmen will give first ward residents their chance to buy stock in the hospital association.

Cosmopolitan volunteer stock salesmen are going to call on second ward residents.

City Light Plant, Is Scene of Much Activity Just Now

George Allen, Ord city manager, and his crew of assistants are busy at present with the changes necessary in the light plant building to make room for the city's new engine when it arrives.

In order to protect the valuable machinery in the building, a temporary building has been built inside the structure to be built. Board walls support the original roof, which is lower than the new roof to be put in.

As soon as possible Mr. Allen hopes to have the bricklayers at work. The old walls, built by P. E. Glover in 1916, will be torn down and the new brick walls will be built up to the same height as the north part of the building.

The new engine will be slipped in from the window openings on the west before the brick wall is built up. Mr. Allen has an ingenious arrangement whereby, in case any of the engines has to be removed from the building, the window opposite it can be taken out and the panel of bricks below can be knocked out, all to be replaced when the work is done.

The part of the building now being torn down was built originally for coal bins when the plant burned coal. The huge chimney was built for the purpose of creating a better draft for the coal burning engines.

When the new engine is in place and the new building has been completed, Ord will have one of the finest light plants among the towns of its size in Nebraska.

Bethel Baptists Conference Hosts in Three Day Meet

Delegates Here from Three States: Local Church Dedicated on Sunday.

The Platte Valley Baptist conference held its annual session in the Bethel Baptist church in Ord Thursday, Friday, and Saturday of last week, with well over one hundred in attendance from the congregations of Wyoming, Colorado, and Nebraska.

Registration began at 5 p. m., Thursday. The first session began at 8 p. m. with special song service led by Rev. David Hammar, who was leader of the song service throughout the meetings.

Women's Meeting. Pastor VanAntwerp led the devotions Friday morning. The business session and reports took up much of the time, followed by messages by Rev. Holmgren and Pastor Maurice Schultz.

The dedication was held at 2:30, May 15. This was the crowning service of the whole conference.

After legal formalities had been complied with, these men took the little boy's body, and the two men, both of whom had suffered some injuries, to the hospital at Loup City.

Funeral services for Michael were held at 2 p. m. Tuesday at St. Joseph church in Loup City. He is survived by his parents, and by his brothers and sisters: Shirley Ann, 11; Sandra, 9; Robert, 6; and Kenneth, 2, besides other relatives.

Everything Ready for Poppy Drive, Friday and Saturday. Workers Ready to Open Campaign Which Will Help Disabled Veterans.

Present plans for the annual poppy sales campaign as reported this week by Poppy Chairman, Mrs. C. C. Dale, call for soliciting in the residential section on Friday, and then continuing in the business section Saturday.

All workers needed for the campaign have been recruited, and are ready to begin work as soon as the word is given.

In the residential part of the city Mrs. F. L. Stoddard will have charge of the work in the first ward, Mrs. Frank Fafetta, jr. in the second ward, and Mrs. Herman Behrends in the third ward.

In the business section a number of ladies have been put in charge of the several areas, as follows: Mrs. Richard Rowbal has the west side of the square, assigned by Mrs. Ross Allen; John J. Wozab has the south side of the square.

Mrs. Dale, besides looking after the drive, will handle the east side of the square. Mrs. Horace Travis and Mrs. Alfred L. Hill will have the north side of the square.

Miss Helzer will solicit the postoffice group, and Mrs. Ralph Craig will be in charge of the court house.

In the afternoon other ladies will take over. Those selected by Mrs. Dale include Mrs. Curt Gudmundsen, Mrs. Joe Ruzicka, Mrs. Art Jeffries, Mrs. A. J. Ferris and Mrs. John Horn.

In the evening a third group of ladies will take over the work, among them Mrs. W. E. Lincoln, Miss Betty Peteka, Mrs. O. J. Mortensen, Mrs. Loren Good and Mrs. Joe Gregory.

Charge of Grand Larceny Is Filed in Garfield Co.

A case in Garfield county court which is attracting considerable attention is that in which Henry L. and Ella B. Turner are charging Leonard B. Fenner with grand larceny.

The defendant placed a mandamus action against County Judge E. W. Moss, following which District Judge Spikes of Grand Island ruled that Judge Moss was qualified to serve.

After the ruling was made, Judge Moss voluntarily asked to be dismissed from the case. The commissioners of Garfield county must now appoint a judge to hear the case, and the date for the hearing will then be set by this judge and the attorneys.

North Loup Boy Killed in Crash Sunday Noon

Michael Kochanowski Dies when Crushed Under Overturned Car.

Michael James Kochanowski, five year old son of Mr. and Mrs. Anthony Kochanowski of North Loup, was killed about noon Sunday, when the auto in which the family was riding overturned on the North Loup-Linton highway about two miles south of North Loup.

The car belonged to Leo Kapustka, who was riding with Mr. and Mrs. Kochanowski and their five children. Mrs. Kochanowski was driving, and lost control of the car. Her husband reached for the wheel, but was not able to prevent the accident.

Death of Farmer Near Burwell Is Adjudged Suicide. Body of Joseph Cech, 49, Found Hanging in Granary Sunday P. M.

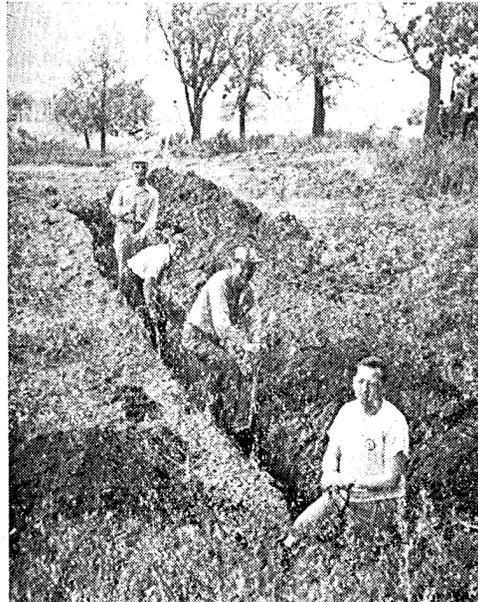

The body of Joseph Cech, 49, a farmer living just across the line in Custer county southeast of Burwell, was found hanging in a granary on the farm Sunday afternoon.

Bowers notified the Broken Bow authorities, and County Attorney James R. Kelly and Sheriff R. G. Fox drove to the place late Sunday. After an examination they declared it a case of suicide.

The body was removed to the Mitchell Funeral Home in Burwell. Funeral arrangements were made, and the funeral was held Wednesday morning at 10 a. m. from the Burwell Methodist church. It is believed that death had occurred some time Saturday.

Mr. Cech was married to Emma, a daughter of Joe Holoun, sr., and they had one son, Eugene, 19, who is graduating this spring from Burwell high school.

Work Starts on Cosmo Wading Pool

Two Cases Filed in County Court

May 12, a charge was filed against Stanley Jurzenski of Elyria for driving while intoxicated. Mr. Jurzenski is still in the hospital, but will be arrested and tried when discharged.

Tuesday, May 17, Sheriff Robert G. Hall and the Highway patrolman picked up Fred Marshall at the instance of the authorities of Lewis county, Ia., on a charge of statutory rape.

Ord Veterans' Club Given Ak-Sar-Ben Neighbor Award

Local Organization First of Ten in State Cited for Community Service Projects.

The Ord Veterans Club, a joint project of the Veterans of Foreign Wars and the American Legion, was this week cited by the Knights of Ak-Sar-Ben for performing outstanding good neighbor deeds during the past year.

The local organization, first of ten named in the state, was given its citation for general community service work, including the establishment of a living blood bank, securing a community swimming pool, providing a Christmas party for 600 school children and initiating a community auditorium campaign, among other functions.

In a statement to the press this week, Ak-Sar-Ben President W. B. Millard, jr. pointed out that the list of organizations considered worthy of citations "represents a typical cross-section of Good Neighbor spirit in Nebraska and underlines the importance of co-operation in a common cause.

These annual awards are made by Ak-Sar-Ben to groups which have performed unselfish deeds without a thought of financial or personal returns."

Also cited in this area was the Busy Bee Club of Cotesfield for originating "Mystery Visitors" program designed to "create a new feeling of neighborliness... and our hope is that it may spread and soon make a world of peace and brotherhood."

Clarence Fiala was one of the five delegates of Ag. College Farmer Fair board that went to Ames, Ia., last week to secure ideas from the largest student celebration in the nation.

Ord High School Honor Students Are Announced

Four Girls, Two Boys Included in Group of Students Honored.

The winners of the various honors and scholarships in the Ord high senior class have been announced. This year the girls have again come into their own, taking four of the six coveted honors.

Rosellen Vogeltanz, with the highest average for the four high school years, receives the honor of valedictorian, which includes a cash award of one hundred dollars, which may be used in any state, church or normal school in Nebraska.

Mary Beran Second. Salutatorian honors go to Mary Lou Beran, the second ranking student, and carries with it a scholarship in any Nebraska State Teachers' college or any of the Nebraska Association of Church colleges, depending on the choice the valedictorian makes.

The Business and Professional Women's Club award, which goes to a high ranking student with extra-curricular attainment, goes to Phyllis Anderson. In addition as the result of competitive examination, Phyllis received an additional ward worth \$100 at the University of Nebraska.

Harold Hubbard and Joan Hansen are alternates. The Cosmopolitan club award for the outstanding boy in the senior class goes to Dick Tolen, who excelled in scholarship, leadership and extra-curricular activities.

Home Making Award. The Carl Gray scholarship, worth one hundred dollars in the College of Agriculture at the University of Nebraska goes to Ellen Satterfield. The giving of this award is based on extra-curricular activities in the field of home-making. Miss Satterfield has been a faithful member of the Future Homemakers of America, an organization that had its beginning in Ord.

The Leggett Journalism award, given to the student in the upper fifty per cent of the senior class, who makes the best rating in scholarship, news writing and intangibles. This first award goes to Dan Huff, who has been active in athletics and music and a member of the Student Council the past three years.

City Council Appoints New Bookkeeper

The Ord city council met Friday evening in a special session to attend to some special items of business which required their attention. There were no applicants for the position of city clerk and bookkeeper, but the name of Mrs. Jane Baylor was brought up and she was appointed by Mayor Blessing and approved by the council.

Mrs. Baylor has accepted the appointment and will take over her new duties Monday, May 23. Rex Jewett closes his work for the city Saturday, May 21, and will begin work on the Ord Quiz force on Monday.

The council accepted the bid of \$312 of William Deifart for the lot owned by the city and located just east of the high school. Papers were made out and an ordinance drawn up authorizing the selling of the property.

Ordettes Give Mother-Daughter Banquet Mon. Eve

The formal Mother-Daughter banquet of the Ordettes was held Monday evening in the basement of the Ord Methodist church, with the ladies of the church serving the meal. There were about one hundred present. The party was given by both Junior and Senior Ordettes, the Juniors being from the 7th to 9th grades and the seniors 10th to 12th grades.

The decorations were in pastel colors, with garden flowers. Joyce Foth, as president of the Ordettes, served as mistress of ceremonies and welcomed the mothers. Mrs. E. L. Vogeltanz responded on behalf of the mothers. Verlee Mulligan sang. Richard and Jim Misko gave a humorous skit and Wilma Lange sang.

Miss Irene Auble, the sponsor, said a few words in regard to the work of the girls. The under-classmen paid tribute to the seniors, each of whom received a white carnation. The session closed by the singing of the Loyalty song of the high school.

Nebraska Highway Needs Shown in Recent Engineering Appraisal

One of the problems facing the state highway department on all paving now laid is the integration of comparatively new pavement which requires extensive crack pouring, patching and eventually, applications of bituminous resurfacing. While this condition may not develop on surfaces now being built, it is bound to occur on all roads now a few days old, and will become more of a problem as time goes on. The trouble with patching on a small scale is that it usually leaves rough spots, which detract from the value of the road by slowing down traffic. Of course, the slowing down of some traffic would be a real benefit to the highways. All vehicles traveling at excess speeds exact a heavier toll from the roads and this is especially true of heavy trucks, which often travel in excess of 60 miles per hour on favorable stretches of highway.

Another problem, closely allied to the one above are the many lightly-built bituminous roads which are not able to withstand today's traffic and create very costly maintenance operations. In some cases these roads were built with the expectation that there would be very little heavy traffic over them. In fact some were built at a time when the heaviest traffic was only half as heavy as it is today, both in weight of the individual vehicle. Autos have not changed materially in weight over the years, but trucks and busses have put on much added weight, and without a corresponding amount of tires on the paving to help distribute the weight. It has been determined that it is not the weight alone that ruins highways, but the fact that often there are no added tires on which to distribute the tonnage.

We now come to one of the worst phases of the entire road problem, and that is the fact that highways had to be abandoned entirely or carried on in an utterly inadequate manner. The causes for this are well understood. Man power was called for in three main fields: the armed forces; the war factories; the farms for growing of bigger and better crops to help win the war. The state highway department found its ranks depleted.

maintained to keep traffic on its own side of the highway. Where there is not a division line in the middle, motorists develop the habit of driving down the middle of the highway, pulling over only when they meet somebody or when some one behind wants to pass. Where the edge of the road is pitted or damaged, drivers like to swing to the left and avoid the bumps, rather than keep straight ahead and slow down to a reasonable brassy speed. The trouble with this type of driving is that it greatly increases driving hazards. People will not move over far enough to allow plenty of room and crumpled fenders, to say nothing of serious wrecks, are the result. More emphasis must be placed on center lining, and people must be taught to stay on their own side of the center line except when passing.

Routine work on road surfaces cost about one million, eight hundred thousand dollars for Nebraska's state system during 1947, while the total maintenance costs for the state highways for the year was five million, five hundred thousand dollars. Thus we see that the routine work accounted for about one third of the state's total expenditures for highways. State maintenance costs reached the peak in 1947. The next highest year was in 1945, when a total of nearly four million was reached. The next highest year goes all the way back to 1930, when the cost of highway repair and maintenance was 3 1/2 million dollars. The all-time low in cost came in 1926, in which year only a little more than a million was spent on roads.

While the figure for 1947 seems to be exceptionally high, the cost for 1948 bids fair to set a new record if funds are made available for the work. Not only did snow removal take a larger amount of the road funds than at any time in the past, but the winter left the roads in far worse condition than they were last year. The fact that they were last fall will mean a staggering outlay.

(To be Continued.)

Ak-Sar-Ben Races Start Tuesday

They're off and running! That familiar cry will echo across the turf at Ak-Sar-Ben track at 2 p. m. next Tuesday to herald the opening of the civic organization's annual 32 days of racing.

The opening bell at the starting gate will signal the first of 256 races to be run during the meet which extends through Monday, July 4. There will be eight races daily from Tuesday through Saturday, with racing carded for the holidays, Memorial Day and the Fourth of July.

A record of horsemen from over the nation will compete for a record swag of approximately \$300,000, with purses ranging from a minimum of \$1,000 to a top of \$5,000 for the George Brandeis Memorial Handicap to be run Wednesday, June 22.

Feature of the opening day will be the Ak-Sar-Ben Inaugural Handicap carrying a purse of \$2,500 for three-year-olds and upward at a distance of six furlongs.

Post time will be 2 p. m. daily, with the traditional twilight card starting at 3:30 p. m. each Thursday. Daily double windows will close at 1:45 on regular days and 3:15 p. m. on Thursdays. As in the past, Nebraska State Racing Commission rules prohibit children from entering the grandstand enclosure.

More than one thousand thoroughbreds will be in stalls at Ak-Sar-Ben field by opening day, representing the "finest type of horseflesh ever to compete at Ak-Sar-Ben" according to Presiding Steward Dick Leigh.

"Where would you look to see if someone had found your lost livestock? In the QUIZ want ads of course."

Operation Snowbound Wins First Place in Ak-Sar-Ben Estimate.

First place in the awards put out annually by Ak-Sar-Ben for outstanding achievement and service during the year, was given to Operation Snowbound. Because of the size of the undertaking and the large number of persons who gave distinguished service, no one person was singled out for special honor.

Twenty-three other persons in addition to the top award were singled out for special honor, which includes the presentation of a plaque and a pin. All these performed unselfish, neighborly deeds without a thought of personal gain.

Included in the list are Clayton J. Morey of Minden for his work with the Minden pageant, "Light of the World" . . . County Agents Cruse of Fremont, Warner of Wayne and Ag Agent Lancaster of West Point, for their assistance in putting on the Cummings county fair, when the Cummings County Agent, Joe Watson was stricken with a heart ailment.

Alvin Saunders Appointed Last Nebraska Territorial Governor

On May 1, 1867 (just 88 years ago), President Lincoln appointed Alvin Saunders of Mount Pleasant, Iowa, as governor of Nebraska territory. The new chief executive was the fifth governor of the territory, and the first Republican. He served until Nebraska was admitted into the Union as a state, March 1, 1867.

Governor Saunders was born in Kentucky on July 12, 1817, his family later moving to the vicinity of Springfield, Illinois. When 19 years of age he obtained his father's consent to strike out for himself, and went to Mount Pleasant, Iowa, where he became a clerk in a dry goods store. Later he went into business for himself.

Like many young men of his day, Alvin Saunders was actively interested in politics. Despite his southern background, he vigorously opposed the extension of slavery into the territories. This opposition got him elected to the Iowa Senate in 1854 and 1858, and, added to his abilities, gave him an important role in the organization of the Republican Party in Iowa. As chairman of the Iowa delegation to the Republican national convention in 1860, he worked hard for the nomination of Abraham Lincoln.

Chief executive of Nebraska Territory for six years as

tory were beset by problems of civil war and the transition from territorial status to full-fledged membership in the federal union. In Nebraska, one of the principal problems growing out of the Civil war was protecting the frontier against Indian attacks, and the Governor's messages frequently called attention to the need for more adequate military strength.

Following Nebraska's admission to the Union, Governor Saunders devoted himself for a decade to his real estate and banking business. Then, in 1877, the state legislature elected him to the United States Senate, where he represented Nebraska until 1883.

His last public service was as a member of the congressional commission created in 1883 to supervise a reorganization of government in the territory of Utah. He died at Omaha, Nov. 1, 1899. His name has a permanent place on the map of Nebraska in Saunders county.

Good Neighbors Given 23 Service Awards for 1948

Operation Snowbound Wins First Place in Ak-Sar-Ben Estimate.

First place in the awards put out annually by Ak-Sar-Ben for outstanding achievement and service during the year, was given to Operation Snowbound. Because of the size of the undertaking and the large number of persons who gave distinguished service, no one person was singled out for special honor.

Twenty-three other persons in addition to the top award were singled out for special honor, which includes the presentation of a plaque and a pin. All these performed unselfish, neighborly deeds without a thought of personal gain.

Included in the list are Clayton J. Morey of Minden for his work with the Minden pageant, "Light of the World" . . . County Agents Cruse of Fremont, Warner of Wayne and Ag Agent Lancaster of West Point, for their assistance in putting on the Cummings county fair, when the Cummings County Agent, Joe Watson was stricken with a heart ailment.

Lawrence Williams of Adams for his leadership with youth . . . Melvin Day of Gresham for his work for a new gymnasium . . . Mrs. Irvin L. Anderson of Stromsburg for originating "Remember the Sick on Maybasket Day". Fred Stahl of Paxton for taking the youngsters to Sunday school by team when the roads were blocked.

Dr. H. W. Benson of Oakland for completing 20 years as chairman of the Red Cross . . . Rev. Adrian J. Edgar of Cozad for aid in youth activities . . . Msgr. A. J. Klein of Brainard, 83, for 4-H club work . . . Mrs. Moneta Johnson of Friend for Scout leadership from a wheel chair.

Flowers for Memorial Day The past couple of weeks we have been watching our Peonies very closely. We feel more sure than ever now that there will be only a very small percentage of Peonies in bloom for Memorial Day. We are preparing for this condition. We are buying large quantities of Carnations, Roses and Glads for Memorial Day and we will also have a very good quantity of "Shipped In" Peonies. This does not mean that we will be able to take care of unlimited orders the last couple of days before Memorial Day; but if you will just phone us now we can be prepared to take care of your needs. We take pride in the quality of flowers that we sell and we feel that you like them also or our orders would not be more than twice as many this year as in other years. FRESH FLOWERS FOR OTHER OCCASIONS We can serve you with whatever you need in flowers for any occasion and you will be proud of the Bouquets, Corsages or Sprays and Wreaths that you get from our shop. We wire flowers anywhere. Noll Seed Co. FLORISTS PHONE 185

Decorations for Junior-Senior Banquet

The Mother Goose motif was used by the junior class in preparing the decorations for the Junior-Senior banquet, held at the Ord high school auditorium May 12. Above is shown the doorway through which the guests entered, and the walls were decorated with Mother Goose characters in which the artists showed unusual talent.

Junior - Senior Banquet Given Thursday Eve

Most Colorful of All Events of School Year; Story Book Land Theme.

The Junior-Senior banquet of Ord high school was held in the gymnasium, Thursday evening, May 12. The idea of "Story Book Land" was carried out in all the decorations, including the costumes of the waitresses and waiters. Streamers from the ceiling were so arranged that they gave the effect of a solid aqua-blue color. Upon the stage a large shoe was built to give the effect of the Old Woman-in-the Shoe.

Around the walls were pictures of story book characters, drawn by the juniors, Gerald Severson doing most of the work. The bleachers were covered to look like large open books.

At the entrance a house was built, taken from the Hansel and Gretel book, the front covered with cookies and striped candy. The place cards, programs and table decorations carried out the Mother Goose theme.

The Ord Catholic ladies served the meal. Their president is Mrs. John Wojtaszek. Music for the occasion was furnished by the Richard Rogers orchestra. The sponsors were Joe Cupi and Miss Irene Auble.

The waiters and waitresses were dressed as Mother Goose characters. Before the program began a feature, "Mother Goose on Parade" was given. The characters paraded while in the background a loud speaker recited poems and stories concerning each

Jim Misko, president of the Junior class, gave the address of welcome and Alan Blaha, Senior president, gave the response. Mrs. Mark Tolen sang a solo, Patricia Ball gave a reading, and the boys' quartet sang.

William Tolbert, Former Resident, Is Dead at 73

Family Homesteaded Near Scotia. Lived in Ord Many Years.

Word was received in Ord Monday of the death that morning in Grand Island of William Tolbert, aged 73 years. He died at a Grand Island hospital following a month's illness. While he lived there, he made his home with a daughter and son-in-law, Mr. and Mrs. Clyde Kehler.

Mr. Tolbert was born near Andover, N. Y., Jan. 27, 1876, son of Mr. and Mrs. Joshua Tolbert. The family came to Nebraska and homesteaded near Scotia in 1880.

He was married to Mary Buckley at Scotia in 1898. Four children were born to them. In addition to living in Ord, Mr. Tolbert lived for some years at Greeley. He had been a Grand Island resident since 1939.

Besides his daughter, he is survived by two sons, Kenneth of Niagara Falls, N. Y., and Donald of North Loup. Mrs. Tolbert died in 1918, and a son, Thomas, also preceded his father in death. Funeral services and burial will be at Greeley, but details have not yet been announced. The Geddes Funeral home of Grand Island is in charge of arrangements.

H. S. Homemakers Work Is Judged

During the year the Homemaking girls in all classes had some home experiences. These experiences were judged Monday evening by C. C. Thompson, Miss Clara McClatchey and Miss Katherine Helzer.

In the first year group Lillian Penas, Gladys Rice, Ellen Jeanne Foltz and Lorraine Sich were the top ones out of which Ellen Jeanne Foltz was most outstanding. Lorraine Sich received honorable mention.

Mickey Mason, Amy Christoffersen, Patty Brown and Dorothy Parkos were the better ones of the second year girls. Dorothy Parkos was the outstanding one with Patty Brown receiving honorable mention.

Betti Andersen was the outstanding one in the third year group. She had no competition. These experiences could be almost anything such as baking six or eight cakes or pies, cooking all the meals for one week, doing the laundry, taking care of children, and many other things.

The best experiences will be sent to the State Department of Vocational Education.

At the commencement exercises held Thursday night at the Seventh Day Baptist church, Rev. W. G. Studer spoke on "Find What You Are Looking For." The high school girls trio, Kathleen Haught, Beverly Goodrich and Eutalia Edwards sang two numbers. They were accompanied by Alice Meyers. Mrs. Ava Johnson and Mrs. Louise Brennick played the professional and the Junior class led the seniors and the faculty down the middle aisle of the church to the platform. The seniors wore royal blue caps and gowns with blue and white tassels. A bank of white and purple lilies covered the front of the platform and many lovely bouquets of garden flowers

filled the church. Kathleen Haught, as salutatorian of the class, and Alice Meyers, as valedictorian, each spoke. Principal Richard O. Babcock presented the class to the school board and Cloyd Ingerson, as president of the school board, gave out the diplomas.

Supt. A. I. Friesen awarded the scholarship for the highest average, one in any of the state normal schools, to Alice Meyers, and a scholarship, good in any of the church colleges in the state, to Kathleen Haught. Beverly Goodrich, as third ranking student, was awarded a scholarship good at the Norfolk Junior college.

Alice Meyers was also awarded a regents scholarship, good at the state university in Lincoln. This regents scholarship is one of 250 given to students in the state who passed the regents tests.

It was a three day affair, and was similar to a combination of our Engineers week, Fairmers Fair, Junior Aksarben and Ivy Day with canoe races, intercollegiate baseball games, and student vanesville included for good measure.

Foth - Peterson

In a beautiful and impressive ceremony, before an altar banked with white and lavender lilacs, and baskets of tulips, spiraea and iris and seven branched candelabras, Carolyn Foth, daughter of Mr. and Mrs. Will Foth and Bryan Peterson, son of Forrest Peterson were united in marriage at the Evanson United Methodist church in Mira Valley, Saturday evening, May 14th at 7 o'clock.

The double ring ceremony was performed by Rev. Warren Studer. The songs "All for You," and "Because" were sung by Orle Koelling accompanied on the piano by Mrs. Reuben Cook, who also played the processional and recessional music. The ceremony was concluded as the bride and groom knelt before the altar, while Reuben Cook sang, "The Lord's Prayer."

The bride, given in marriage by her father, was beautiful, wearing a gown of white bridal slipper satin, fashioned with tapered long sleeves and softly shirred, off the shoulder effect bertha collar, edged with venetian lace. Falling from either side of the fitted bodice were shirred folds, edged with lace. The skirt had an aisle wide court train. Her double tiered, fingertip veil of imported bridal illusion edged with double rows of venetian lace, flowed from a becoming styled sweetheart coronet, ornamented with seeded pearl orange blossoms. A double strand pearl necklace, a gift of the groom, was part of her wedding ensemble. She carried a bridal bouquet of white carnations and lily of the valley, which she later wore on her going away suit of blue tweed.

Mr. and Mrs. Bryan Peterson.

The candlelighters, Joyce Foth and Barbara Bredthauer, cousins of the bride were gowned identically in orchid and pink taffeta. Matching elbow length mitts completed their costumes.
The bride was attended by her sister, Ellen Jeanne, as maid of honor. She wore a blue taffeta gown fashioned with a fitted bodice and a large pleated bytha collar and cummerbund, with a full flare skirt. White silk lace mitts and a double strand pearl necklace, a gift from the bride, completed her ensemble. She carried a colonial bouquet of pink and white carnations.
The bridesmaids, Jean Paulsen, a college friend of the bride, and Kathleen Clement, cousin of the bride wore identical gowns of yellow and green taffeta, wearing white silk mitts and carrying colonial bouquets of pink and white carnations. Karen and Lavenna Peterson, cousins of the groom, served as flower girls, wearing orchid organza formals, carrying little white baskets of lilacs, while Donnie Geweke carried the rings on a white satin pillow.
The groom was attended by his cousin, Richard Peterson, as best man and by Eldon Foth and Robert Bryan, cousin of the groom, as ushers. Eldon Foth unrolled the bridal carpet.
The bride's mother wore a navy blue dress with white accessories and a gardenia corsage.
The groom's grandmother wore a black silk print with a white gardenia corsage. Appropriate piano music was played by Marilyn Cook and Velma Foth while the guests were assembling in the church parlors for the reception.
The color scheme of orchid and white was pleasingly carried out with streamers caught up with white bells. A large white bell centering over the bridal table. Orchid tulips and white and orchid lilacs were used for a centerpiece while small bouquets of tulips and lilacs were used on either end and on the serving table.
A beautiful white cross-shaped wedding cake with a white table surrounded by lilacs at each corner was on a table which centered the room. The cake was cut and served by Mrs. Helen Peterson, aunt of the groom. At the serving table, Ruth Bunse and Enid Schimke, friends of the bride, dressed in identical blue and green formals served the ice cream and punch.
The three waitresses of the bridal table were Geraldine Koelling, Elizabeth and Rose Mary Bredthauer. They wore blue formals.
Miss Lois Cook, aunt of the bride, was in charge of the guest book.
Mrs. Lois Peterson, aunt of the groom, was in charge of a clearly arranged music program, which was enjoyed by all.
The bride couple received many beautiful and useful gifts.
The young couple left for a brief honeymoon after which they will reside on a farm east of Ord. These fine young people begin their married life with the best wishes of their many friends.

—Katherine Rose was an overnight guest one night last week of LaRue J. Party at St. Mary's Hall, Elyria on Sunday, May 22, 8 p. m.

Blaha - Adamek

On May 17th at 9:00 o'clock in St. Theresa's Parish in Ord, Nebraska, beautifully decorated with fresh flowers, Adeline Blaha, daughter of Mr. and Mrs. Joe Blaha of Ord, Nebraska, became the bride of Paul Adamek, son of Frank Adamek of Ord. Father Albert L. Vitquain performed the double ring ceremony. The only attendants were Mr. and Mrs. John Kokes, jr., friends of the bride and groom.

Mr. and Mrs. Paul Adamek

The bride was lovely in a light blue suit with white accessories, she wore a double strand of pearls, a gift of the groom. Her corsage was of red roses and small white flowers. Mrs. Kokes wore a gray suit with pink accessories and a pink rose corsage.
The groom wore a navy blue suit and his attendant wore a brown suit. They had white carnation boutonnières.
Rudolph Blaha and Ed Blaha, uncles of the bride, served as ushers. Mrs. Robert Westland had charge of the guest book.
After the wedding a dinner was served at the home of the bride's parents for the immediate family.
Mrs. Adamek is a graduate of the Ord high school with the class of 1942. She is now employed at the Absalon Variety store.
Mr. Adamek graduated from Ord high in 1936. He served four years in the armed forces, one of which 21 months were overseas. He is now working at the Phillips "66" Station.

After a honeymoon through the Black Hills, Colorado, and Wyoming the young couple will make their home in Ord.
Out of town guests attending the wedding were Mrs. Robert Westland from Prairie Home, Nebraska and Mr. and Mrs. Otto Cerny from Weston, Nebr.
B. P. W. Tea.
The B. P. W. Club had their annual Senior Tea Sunday, May 15 at the V. A. Andersen home. Grace Heston, assisted by Mrs. Edw. L. Kokes, were in charge of the tea. Flower arrangements were made by Mrs. Geo. Farkins, Mrs. C. J. Mortensen and Miss Katherine Helzer poured.
The table was decorated with yellow and pink carnations and pink candle tapers with fresh flowers throughout the house.
The girls were served punch as they came in and later they were served coffee or ice tea, open face sandwiches, nuts and mints.
Ruth Ollis opened the program with a piano selection, "Valse Brillante." The boys quartet, Charles Munn, Dick Tolen, James Misko and Paul Stoddard sang two songs. Three selections were sung by the B. P. W. quartet. The quartet consists of Irma King, Irene Doe, Irene Auble and Jackie Hunt. Irene Auble also sang a song. Mrs. Wm. Nelson was the accompanist for all.
The senior girls and wives of faculty members were guests.

When someone asks us if newspaper advertising is generally considered successfully, we like to point out what the world-renowned Sears, Roebuck & Co. stores did in 1948. They had a total advertising expenditure of \$32,000,000—and 74.4% of this was used for newspaper space. In other words, this highly-successful corporation delegated only some \$2,380,000 to radio, mail order catalogs, handbills, pamphlets and other devices. "We expect—and receive—dollar results from our advertising," pointed out T. V. Houser, vice president in charge of Sears' merchandising.

HOMEMAKING NEWS

Finishing Our Dresses. (by Amelia Penas) The fourth period homemaking girls are finishing their dresses this week. Here is a description of the dresses made by part of the girls:

Betty Blaha made a new spring and summer dress of white dimity with small dainty flowers and a big flared skirt.

Lillian Lech looks very nice in her pink flowered cotton dress. Her dress has a white yoke and white belt.

We Have Finished. (by Joyce Huebner) As the sewing unit draws to a close the second period homemaking girls' dresses are almost completed.

Sophia Capek is making a very summery dress of flowered dimity. Her dress has cap sleeves and a flared skirt.

Charlotte Svoboda is making a becoming dress of red dotted swiss with eyelet inserted at the neckline.

Charlene Masin's dress is of dainty blue and white checked print. It has cap sleeves and a full skirt.

Roberta John will be cool and comfortable this summer in her light floral print dress with a green ribbon belt and bow at her neck.

Maxine Mason looks very nice in her dress of yellow dotted swiss which is trimmed with black lace at the neckline and sleeves. Her dress has a gored skirt.

Bernice Walker's cool cotton dress has a full skirt, and cap sleeves. The pastel colors are very becoming to Bernice.

Beth Edwards is making a pretty dress of black and white checked print. Her dress has a circular skirt and puffed sleeves. The dress is trimmed with eyelet at the bottom and around the square neckline.

Burwell Woman Dies Suddenly at Home of Son

Mrs. William Peterson Victim of Heart Attack While Away from Home.

Mrs. William Peterson of Burwell, while on a visit with her husband in the home of their son Emory Peterson in Beatrice, was stricken with a heart attack Sunday, passing away almost instantly. She and Mr. Peterson left Burwell Friday for a pleasure trip, intending to visit in several places.

The stop at their son's home was the first on the itinerary. Mrs. Peterson had a severe spell of illness some years ago, but more recently her health had been good, and she was feeling fine when they left. The body was brought back to Burwell.

The funeral is being held at 2:30 this, Wednesday afternoon from the Burwell Pentecostal church, of which she and her husband were faithful members. The Petersons have lived at or near Burwell for more than thirty years, and both were well known for their helpfulness in time of need.

She leaves two sons, Emory, who is married, lives and is employed in Beatrice, and K. W., now of Sargent but for a long time trucker from Burwell to Omaha with headquarters in Ord, her husband, other relatives and a host of friends.

Rollie Beran to Play Baseball for Peru Bobcats

Of special interest to Ord fans is the fact that Rollie Beran of Ord, a student at the college, is playing left field for Peru. He is showing up well with the stick, also, as he has second position in the batting lineup. Rollie formerly played with Ord.

Rural Field Day Is Final Event of School Year

The final event of the school season, and, in fact, the only big event of the county schools, is the rural field day, which is coming Friday, May 20, and which is put on under the auspices of the Ord Chamber of Commerce.

A large number of rural schools will be in the competition this year, and Miss McClatchey is looking forward to a day long to be remembered, especially if the weatherman will furnish a suitable day for the occasion.

Davis Creek, No. 36, is the defending champion in the athletic competition, and her athletes may have to extend themselves to retain the coveted first place. It is hoped that as many as possible will bring their dinners and have a picnic.

Ord Loses to Mason City in Fast Game Sunday, Score 4-1

Pitchers' Duel After a Wobbly First Frame; Loup City Here Next.

Following a bad first inning in which Mason City pushed across three runs, the Ord players settled down to business Sunday afternoon and held their hosts on even terms the rest of the way. Ord got one run by Stull, hits by Vail, Dillo, Stull and Watson, and made 7 errors, four of them by Fryzek. The final score was 4 to 1 in favor of Mason City.

Dick Beran and Patrick handled the mound assignment for Ord, with Stull behind the plate. Rasmussen was the winning pitcher with Rollie Jensen doing the receiving act. Orvin Cox got two hits and a run for Mason City, Rasmussen and Orville Cox each got a hit and a run, Kenny Cox came across with a run and Holger Jensen with a hit.

At Broken Bow the Arcadians earned the better end of a 4 to 1 score, Scott and Beasley pitching for the winners, with Scott catching. Paul Dean had the pitching assignment for Broken Bow, with Graham behind the plate. Dean allowed 8 hits, while Beasley held the Broken Bow lads to two hits.

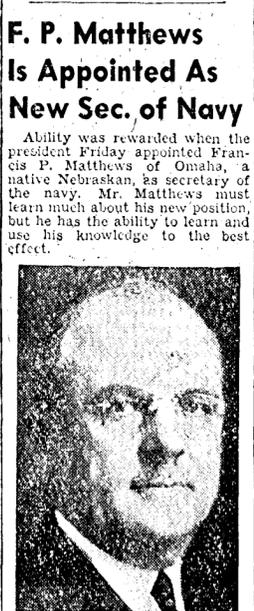

Anslie beat Loup City and Miller played Comstock in the other two games played Sunday, but the scores are not available as this is written.

F. P. Matthews Is Appointed As New Sec. of Navy

Ability was rewarded when the president Friday appointed Francis P. Matthews of Omaha, a native Nebraskan, as secretary of the navy. Mr. Matthews must learn much about his new position, but he has the ability to learn and use his knowledge to the best effect.

Of special interest is the fact that Mr. Matthews was originally a small town man, coming from Albion, a town very little larger than Ord. Except for the selection of William Jennings Bryan as secretary of state, this is perhaps the highest appointment ever to be given a Nebraskan.

Both of Nebraska's senators, Republicans, have expressed gratification over the appointment of Mr. Matthews, a Democrat, a fact that speaks volumes for the character and ability of the man. Mr. Matthews has accepted and is leaving for Washington this week.

New Entries in Fishing Contest Add to Interest

Jake Schmidt Gets 7 1/2 Pound Catfish; LeRoy, Wells Gets Bluegill.

Two new entries in the Quiz fishing contest, one for a 7 1/2 pound catfish, the other for a 7 ounce bluegill, enlivened interest this week. Jake Schmidt of the Quiz force enlisted the catfish contest when he landed a beauty of a yellow cat Thursday night about a quarter of 7. Mrs. Schmidt and the little girl were with him at the time.

That was the only one he got that night, but he got a three pound channel cat Sunday morning, which made fine eating but was too small to figure in the contest. Schmidt's entry pushes Jiro Kawata back into third place for catfish, and eliminates Mrs. Rose Suchanek from this division. She is still first in the women's contest. Frank Coupal still tops this division with a 9 pounder.

Leroy Wells of the sixth grade, Ord schools, went down to the bayou near Hardenbrook dam and at about 7 p. m. May 12, he caught a total of 8 fish, four bluegills, two crappie and two sunfish. He is shown with the largest bluegill, which weighed 7 ounces. He was using a rod and reel, a small, No. 3 hook, and worms for bait.

Palmer and Scotia Lead in Sherman-Howard League

Good Games Were the Rule Sunday; Elba Beats North Loup 1-0.

Spineck of Elba was in top form Sunday when he turned back the bid of North Loup, allowing them only three hits, while his team mates collected four hits off Beck, and tallied one run. It was the best game of the season to date.

Scotia maintained a tie for top honors by defeating Farwell 4 to 0. All pitchers did good work, with only four hits for either team. In the other games Palmer defeated Wolbach 7-0, and Ashton handed Dannebrog a 4-2 licking.

Certification of Seed Applications Is Due on June 1st

C. C. Dale, County Agent, has received information that applications for the certification of small grains, bromegrass, and sweet clover are due in the office of the Nebraska Crop Improvement Association, College of Agriculture, Lincoln, Nebraska, on June 1. Application blanks are available at the county agent's office.

Varieties eligible for certification include: WHEAT—Pawnee, Nebred, Cheyenne, and Mida (spring). OATS—Nemaha, Cherokee, Clinton, Mingo, Orage, Cedar, Brunner, BARLEY—Velvon 11, Ezond, Spartan, Plains, and Peckbar. SWEET CLOVER—Madrid, Spanish, Evergreen, BROMEGRASS—Lincoln. RYE—Balbo, Rosen.

August 1 is the closing date for acceptance of applications for certification of alfalfa, red clover, sorghums, soybeans, and native grasses.

Marble Experts to Contest for Championship

County-wide Contest Will Begin at 9 A. M. on Friday, May 20.

The marble shooters of Valley county will get together Friday, May 20 at 9 a. m. for the purpose of determining who is entitled to represent the county at the state marble tournament, which will be held in Omaha, June 13.

This has been announced by Chairman Harry Zukoski of the Veterans of Foreign Wars, which organization is sponsoring the contest. The schools of the county meet that day in Rural Field Day, and they are all invited to enter the marble contest.

Miss Clara McClatchey is taking a special interest in the marble contest as being right in line with the other contests of that day, and will be glad to have as many schools as possible have representation in the contests. The winner will win the trip to Omaha to compete there.

The winner of the state competition will receive an all-expense trip with a relative, teacher or other guardian to Pittsburg, Pa., where the national tournament will be held June 22-25.

—Where would you look to see if someone had found your lost livestock? In the QUIZ want ads of course.

Hybrid Corn

Corn planting is in full swing and many of you are going to need several extra bushels of seed corn. We have had an extra good call for those good bushels of Cornhusker and Standard corn that we have in stock. Most of you know that Cornhusker hybrids won 17 county ten acre yield contests this last year. This is a most enviable record. We have Nos. 148, 380, 75 and 63 in stock for main season numbers and have a very limited amount of 81 an early corn and a few bushels of 107, the real early corn that many of our customers planted last year. Then we have No. 1 corn when picked in the fall. The Cornhusker Hybrid Co. are very modest in the claims for their corn but you may be assured that these numbers are very well suited for our section of Nebraska. Then in Standard we have the old reliable numbers 939, 405, 615, 613 and this year we have two new numbers, 425 and 625. You will find No. 425 a very early corn and 625 is a full season corn that we believe will prove to be an extra good number for us. If you can use another bushel or two come in and get either Cornhusker or Standard. If you can use five bushels we have a veiny nice gift for you.

Forage Seeds

You should be speaking for your forage seeds now. Many of the forages are plentiful but some of them like Certified Sudan are very short this year and the supply will be exhausted before all wants are filled. At present we have Nebraska Sudan, Texas Sudan, Certified Sudan, and Sweet Sudan. Black Amber Cane, Sumac Cane and genuine Leoti Red Cane, German and Hog Millet, Atlas Sorgo, Axell Sorgo and Norjan, Kaffir and Grohoma.

Fertilizer

We expect our first car of Nitrate in this coming week. If you have an order with us for Nitrate from our first car will you be ready for it soon? The next car will come sometime next month. It is just impossible for us to get all the Nitrate that we will need this year so we are booking orders now for fall delivery. We will just have to take delivery on part of next year's requirements this fall if we are to get the Nitrate that we need. Fertilizer now in stock. Superphosphate and 10-20-0.

Have you planned on using Phosphate on your grassland and legumes? Remember under the AAA program, you can receive a very good payment for using Phosphate. Another thing this is the time of the year that you should prepare for next year's crops. You should be using Superphosphate now for the benefit of your crops in 1950. It will pay you well to use Superphosphate in your program if using Nitrate. Let us help you with your fertilizer problems.

"Henry has a comfort complex"

Henry: "Now lay off, all of you! I'm just sick and tired of visiting in homes that're cold and drafty—I just want to be comfortable!"

Phil: "You'll be perfectly comfortable here... we have a Lennox Heating System! The air's circulating quietly all the time—clean, fresh, and warm!"

Martha: "Henry! You hear that? We're getting a Lennox, too—even if we have to burn wood in it!"

Phil: "No need for that; there're gas, oil, and coal models. Your Lennox dealer can install the one that's just right for you. C'mon, Henry, park your gear and I'll give you his name!"

HIGHER ANTI-KNOCK

THE New D-X Lubricating MOTOR FUEL

Here's pick-up without motor "ping"... smooth, even power on the toughest hills... or at low speeds in traffic. Yes, the New D-X Lubricating Motor Fuel is the higher anti-knock gasoline you've been waiting for. Try it.

Catalytic Cracking Makes the Difference

The New D-X has higher anti-knock properties because it is produced by the catalytic cracking process—a miracle of modern gasoline chemistry.

Still the Protection of U. C. L. Upper-Cylinder Lubrication is still a feature of the New D-X. But now the top quality upper-cylinder lubricant is blended with a gasoline that gives you higher anti-knock. The result is an even better D-X lubricating motor fuel.

D-X Motor Oil has an "EXTRA" Top **EXTRINOL** Extrinol is the "extra" in D-X Motor Oil that helps clean your motor... protects your bearings and fights sludge. It makes D-X Motor Oil stand up longer and lubricate better. Change to D-X with Extrinol for complete lubrication protection.

Try a tankful of the new D-X or D-X Ethyl today. See what a difference its high anti-knock can make in your driving—right from the start.

Poisonous Snake in Post Office at North Loup

Found by Goodrich, on Display in Window of Vodehnal's Pharmacy.

When Cliff Goodrich was putting the mail for route 1 in the window at the post office Monday morning, ready to load, for delivery, he discovered a small snake on the floor behind some packages. With the help of some of the other men, he put the reptile into a pint jar and it was in the drug store window on display, where it attracted a great deal of attention.

Only about as large as a pencil and twelve or fourteen inches long, it was both striped and spotted. Many of the boys who have been in the service and had training in Texas, said it was a Coral snake, common in the south and sixteen times as poisonous as a rattlesnake.

Small as it was, it could have been in a package of plants, or something that was shipped in the mail. Postmaster Johnson says "some plants arrived from Texas Saturday. He remembered that last fall when Roy Hudson was putting in the new furnace at the post office, he said he saw a small snake in the basement, what he thought was a common garter snake, but that it disappeared. It hardly seems possible this is the same snake."

For the younger readers: "The Island Stallion," Farley; "Seven Strange Clues," Sutton, and "The Haunted Attic," Sutton.

Mother's Day Tea.
The Congregational Aid met on Thursday at the parsonage for their annual Mother's Day tea. The tables were decorated with beautiful bouquets of spring flowers and centered by a lovely three-tier cake, baked and decorated by Mrs. C. C. Hawthorne for the mothers. There were 17 mothers over 70 present, Mrs. Parker being the oldest and Mrs. Eutterfield next. The youngest mother present was Mrs. Beulah Force. The program consisted of devotionals by Mrs. Fowler, vocal duet by Mrs. Hollingshead and Mrs. Erickson, piano solo by Dixie Owens and poem recited by Carol Smith. Lunch was served to over 60 guests by group two of the aid with Mrs. Cruikshank as chairman.

Young Adult Group
On Wednesday evening at the Methodist church, Mr. and Mrs. Moody, Mr. and Mrs. Frank Cook, Mr. and Mrs. V. Bugbee and Mr. and Mrs. Don Murray were hosts to a group of young adults which had been meeting once a month for the past several months. The main event of the evening was a round table debate followed by discussion of the subject "The World is Built at Home." Election was

held with the following being chosen: President, Carolyn Dean, Vice-president Virgil Bugbee, secretary-treasurer, Jean Williams; Commissioner of Study, Alvin Christianson; Commissioner of Recreation, Don Mody; Commissioner of Projects, Maxine Dean. After the business meeting and social time, lunch was served to the guests which numbered around forty.

Bridal Shower.
Miss Winnifred Russell, a bride-to-be, was the honored guest at a miscellaneous shower at the D. O. Hawley home on Saturday. Table decorations included a "wishing well" and matching nut cups and a beautiful wedding cake with miniature bride and groom. The porch and two rooms where the guests gathered were beautifully decorated with lilacs, tulips and roses, so they very much resembled a flower garden. After the many lovely gifts were opened the hostess served ice cream and angel food cake.

Delinquent Party.
The delinquents of the Woman's club led the winners on a merry chase Tuesday morning when they entertained at the annual delinquent party. The group met at the bank corner wearing over-shoes, old clothes and carrying fishing rods. They were led by a long and indirect route to the Arcadia hotel where breakfast was served. Everyone said they had a wonderful time but this correspondent just wonders how a group of women could have a good time when no one was allowed to talk at all during the breakfast!

Homemakers' Club.
The Homemakers club met on Wednesday at the Wester Jones home. The second half of the lesson on fabric, new and old, was led by Mrs. Ruth Masters and Mrs. Claude Zentz. The next meeting will be a picnic on June 2.

Neighbors and friends gathered at the home of Mr. and Mrs. W. K. Nagel Wednesday evening to surprise Mrs. Nagel on her birthday. Outdoor games were played and lunch was served late in the evening. After the party the group charivariied Audrey Hickenbottom and husband. Pancakes were served the group by the bride and groom.
Poppy day in Arcadia will be May 28 and the Auxiliary ladies will be at your door. The Auxiliary's all day carpet rag sewing bee was a great success due to the splendid response to the call for rags and we wish to thank everyone who sent rags.

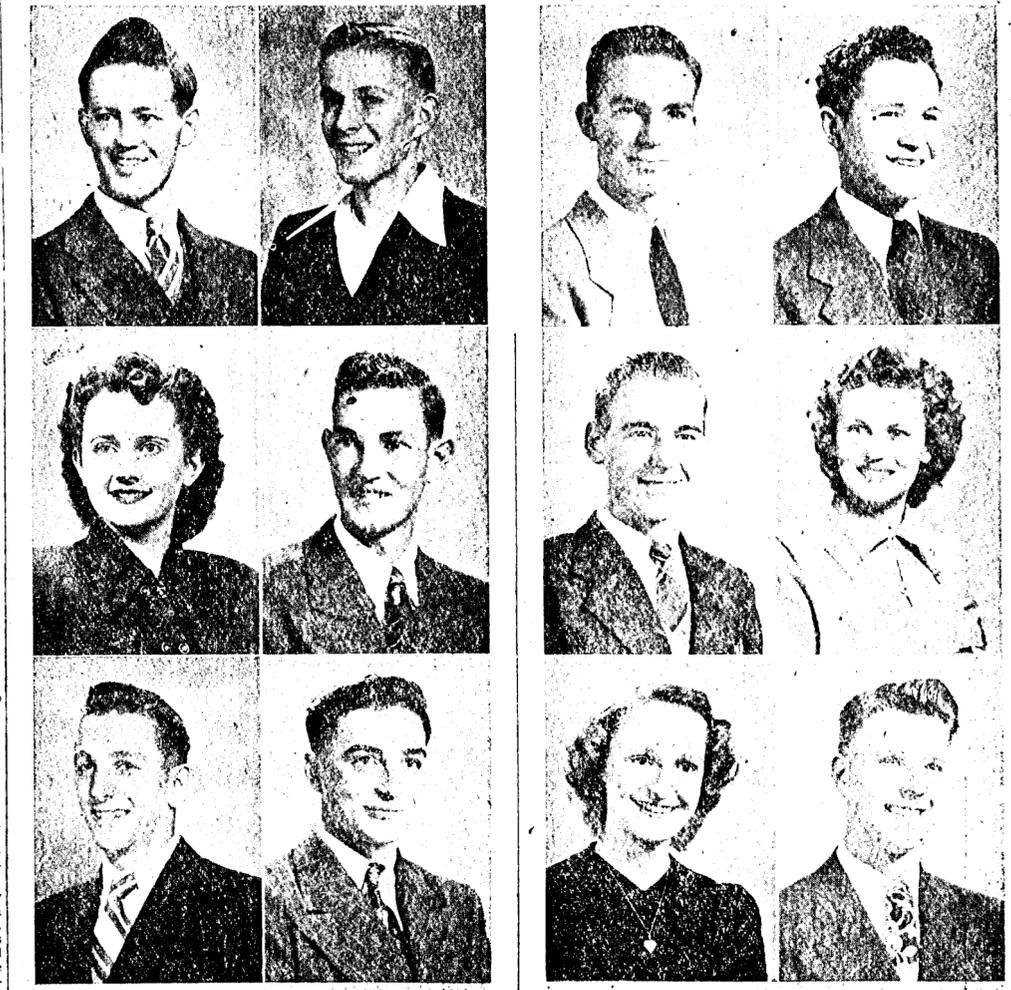

Mr. and Mrs. Lee Miller of Loup City and Mrs. Fannie Allemen spent the weekend visiting at the Roy Allemen home.

Arcadia Schools Close This Week with Class Night

Eighteen Members in Graduating Class, Twelve Boys and Six Girls.

Eighteen young people, twelve boys and six girls, comprise the graduating class of Arcadia high school for 1949. The graduation exercises are being completed this week, which marks the closing of the school year.
The baccalaureate sermon was given Sunday evening, May 15,

at 8 p. m. The graduating exercises are to take place Thursday evening of this week, May 19. Lyle E. Mantor, head of the social science department, Nebraska State Teachers' college, Kearney, will deliver the commencement address.
The Valedictorian of the class is Miss Shirley Owens, daughter of Mr. and Mrs. Bryan Owens. Shirley has been secretary-treasurer of her class, a Pep-Club leader, active in the publication of the school paper and the senior annual, active in girls' athletics, and has been taking a commercial course. She has selected the scholarship to the Church College.
The Salutatorian of the class is Miss Donna Greenland, daughter of Mr. and Mrs. Jake Greenland. Donna has been active in both vocal and instrumental music, she has taken an active part in the publication of the school paper and the senior annual. Donna intends to make teaching a career and has selected the Normal School scholarship.
Because of unavoidable weather conditions the last winter, the Quiz was unable to give the Arcadia schools the coverage and publicity they deserved. The material is now available, so we are publishing a short summary of the activities during the school year.
The members of the Arcadia school board for the past year were: Paul Dean, president, Claris Bellinger, secretary, Mrs. Ben Mason, Jess Waddell, Floyd Bossen and Harold Elliott.

The Faculty.
The teachers: Virgil Vaughn Bugbee, superintendent; William Beasley, principal; Carl Easterbrook, music; Charlotte Gruber, commercial; Rosa Minne, kindergarten, first and second grades; Arthea Hall, third and fourth grades; Olivene Bailey, fifth and sixth grades; Mary Sutton, seventh and eighth grades; Mrs. Carl Easterbrook, English; Mrs. Mildred Christ, general science, mathematics, world geography.
The members of the senior class are: Vernon Anderson, James Beams, Rae Jean Bossen, Oscar Burt, Allan Collier, Raymond Dalby, Harold Dorsey, Dale Drake, Mervin Evans, Janie Gates, Donna Greenland, Claris Lybarger, Elizabeth Nygren, Shirley Owens, Louie Rasplicka, Ronald Ritz, Alice Schultz and Dean Woody.
"What Happened to Uncle", a comedy in three acts, was given by the senior class on March 23, under the direction of Mrs. Carl Easterbrook. Following the play a party was given at the Arcadia hotel for the seniors and the faculty.

Music Dept.
Shirley Owens and Arlene Collier were two of the majorettes for the 36-piece band, directed by Carl Easterbrook. The band played a concert for the community Christmas program, Dec. 21. They played also in the spring concert and the district music contest at Kearney April 8 and 9. The little folks had a rhythm band of 24 members.
During the year the school presented "H.M.S. Pinafore", directed by Mr. Easterbrook. The mixed chorus of forty persons took part in many of the school activities. A group of 20 persons took part in the production of the school paper, "Bugle", and in producing the "Huskie" annual for 1949.
Thirty girls formed the A.H.S. Pep Club which cheered the athletes in victory or defeat. There were 17 members in the girls'

physical education class sponsored by Mrs. Easterbrook.
Athletes.
Thirty-two boys were out for football practice, many of them from the lower grades and ineligible to play. They made a good showing under Coach William Beasley and managed to win three, tie one and lose five while playing a rather heavy schedule. John Mason was elected All-Conference and Allen Collier All-Conference back.
Two dozen boys were out for basketball, most games of which were played under difficulties. During the season the Huskies lost eleven games and won two.
The Arcadia trackmen, numbering eighteen, took part in a triangular meet with North Loup and Scotts, the Loup Valley meet held at Ord, and the Ord invita-

tion. The three lettermen returning were Louis Rasplicka, James Beams and Vernon Anderson.
The Junior-Senior banquet and prom were held Friday evening, May 13, the banquet in the basement of the Methodist church and the prom, program and formal at the high school auditorium. Selected by secret ballot as king and queen for the evening were Louie Rasplicka and Shirley Owens.
One of the outstanding activities of the school was the production of the school annual, "The Huskie, 1949", of which Janie Gates was editor-in-chief. This is a 40 page booklet with a cover design by Miss Gates, and containing a large number of pictures of the many activities of the school. It is a credit to any school.

Everybody agrees: "It's amazing!"... this New Hudson

Revelation Ride

1909-1949... Celebrating 40 Year of Engineering Leadership

NEW Hudson
ONLY CAR WITH THE STEP-DOWN DESIGN

And in addition, only Hudson brings you...
All these "most-wanted" advantages: Automatic gear shifting with Drive-Master Transmission... all-new, high-compression Super-Six Engine, most powerful American Six, or masterful Super-Eight... Chrome-Alloy Motor Block... Dual Carburetion... Fluid-Cushion Clutch... Monobilt Body-and-Frame... Dismountable Individual Fenders... Interior Door Handles, Window Controls in recessed door panels... Super-Cushion Tires... Safety-Type Rims... Weather-Control Heater-Conditioned-Air System.*
*Optional at slight extra cost **Trade-mark and patents pending

PRICES REDUCED on all models, April 15, 1949

1 MOST BEAUTIFUL Voted by millions—"America's most beautiful car!" A low build is the basis for modern beauty, and the New Hudson, with "step-down" design, is lowest of all—yet there's full road clearance. Its stunning lines flow naturally, even to the graceful curves of its Full-View windshield.

2 MOST ROOMY Not just "more" roomy, but the most seating room in any mass-produced car, the most efficient use of interior space. Amazing head room, leg room to spare. You enjoy the most riding comfort—ahead of rear wheels, within the base frame, down where riding is most smooth, most relaxing.

3 MOST ROAD-WORTHY Not just "more", but most road-worthy! Only Hudson, with exclusive "step-down" design and recessed floor, achieves a new, lower center of gravity—lowest in any stock car. Result: safest, steadiest ride ever known! To all this, Hudson adds the advantages of unit body-and-frame construction.

4 MOST ALL-ROUND PERFORMANCE Your choice of the high-compression Hudson Super-Six engine, America's most powerful Six, or the even more powerful Super-Eight. Center-Point Steering for easiest handling. Triple-Safe Brakes for utmost safety. And many more high-performance, low-up-keep features.

granted. Carried.
The Clerk then proceeded to open the bids for the destruction of the old chimney at the Light & Power Plant. It was found that the bid of the Mid-West Salvage Co., of Sioux City, Iowa, was within the engineer's estimate, and was the lowest of the submitted bids. It was moved and seconded that the bid of the Mid-West Salvage Co. be accepted, and that the Mayor and Clerk be authorized and instructed to sign a contract with them for that purpose. Motion carried.
Inasmuch as the entire council was not present at this meeting, it was decided to leave the matter of salaries in abeyance, and recess until a later date when the entire council would be present. The Council then declared a recess until the 2nd day of May, 1949.
May 2, 1949.
The Council reconvened after recess, and took up the matter of salaries for City Employees. Considerable discussion ensued. It was moved and seconded that the salary of Geo. H. Allen, Light & Water Commissioner be fixed at the sum of \$375.00 per month, plus \$500.00 per year allowances for auto usage, an increase of approximately \$62.00 per month.
It was moved and seconded that the salaries of all other City Employees be left unchanged, with no increases whatsoever for the coming year. Carried.
There being no further business to come before the Council at this time, it was moved and seconded that the meeting adjourn. Carried.

Russell and — Russell his wife, real and first name unknown. You and each of you will take notice that the County of Valley, The State of Nebraska, Plaintiff, has filed its Petition in the District Court of Valley County, Nebraska, against you and each of you impleaded with others, the object and prayer of which is to obtain a Decree of said Court foreclosing certain tax liens as evidenced by certificates of tax sale and liens for subsequent general taxes and special assessments, if any, of which the Plaintiff is now the owner and holder, the same being liens against the tracts of real estate above described and which were issued by the County Treasurer of said County on March 8, 1947, together with interest on said certificates and subsequent general taxes and assessments, if any, as alleged in said Petition. And praying further that the proportionate share of the cost in and out of Cause of Action, and separate attorney fees of ten per cent of the

amount of the Decree in each Cause of Action, be assessed against each of said premises described above, each of said parcels of said real estate being a Defendant, as a part of said tax liens, and finding that the several parcels of real estate described herein and in said Petition were subject to taxation for State, County, School District, Municipal and other public purposes for the several years enumerated in said Petition and the Exhibits thereto attached and by reference made a part thereof, and for a finding that said tax liens are first liens on said premises, and further praying that unless the same are paid by you or some of you, a Decree be entered in said Court foreclosing and forever barring you and each of you and any and all claims upon, interest or estate in, right or title to or lien upon or equity of redemption in and to the real estate herein described, and in default of the payment of said tax liens, interest, costs and attorney fees, said premises, or so much thereof as may be necessary to satisfy Plaintiff's liens, shall be sold in accordance with law to satisfy the amount so due and to and further praying for such other and further relief as equity requires and as to the Court may seem just and equitable. You and each of you are hereby notified that you are required to answer said Petition or before the 6th day of June, 1949. The County of Valley, The State of Nebraska, Plaintiff, by Ralph W. Norman, County Attorney. Apr. 28-4t

Tired Kidneys Often Bring Sleepless Nights

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Ord Post Host to 110 at District VFW Convention

Delegates Endorse Lexington Man for State VFW Leader; Push Ord for Service Award.

Delegates assembled here Sunday for an all day convention of District 12 of the Veterans of Foreign Wars and Auxiliary voted to urge the election of Jack Jacobson, prominent young Lexington war veteran and mill owner for the 1949-50 state commander.

The assembly also voted unanimously to recommend the Ord post for one of the three plaques offered by the state VFW organization for community service work. The community service awards will be made officially at the VFW state convention to be held in Omaha June 12-15.

Large Ord Aux. Class. One hundred and ten delegates registered here for the all day sessions. Auxiliary meetings were highlighted by talks from Mrs. Golda Tull, Kearney, state past president, Mrs. Helen Rogge, Grand Island, district president. The Ord auxiliary presented a class of 14 candidates for membership and initiation.

VFW meetings were largely confined to a discussion of pending veteran legislation and present features of servicemen's adjustment allowances. Speakers included C. R. Kringle, Veterans' Administration; Louis R. Eby, director of the department of veterans' affairs and Larry Durfee, state VFW service officer. State commander Larry Gaughen led a panel on legislation.

Sessions here started at 10 o'clock Sunday morning, with the auxiliary meeting in the KO Hall and VFW in the Legion Hall. A noon dinner for the group, and a social hour following adjournment, were held in the Bohemian Hall.

4-H Judging Day Will Be Held in Ord on June 13

Members of Five Counties Will Learn the Art of Expert Stock Judging.

June 13 will be a special day for the members of 4-H clubs in five counties, as a judging day is to be held at Ord on that date. The five counties to be represented are Loup, Garfield, Wheeler, Greeley, and Valley.

This is not a contest, but will be conducted with the idea in view to teach the art of judging. For 4-H boys the judging will be done at the Valley County fair grounds and at nearby farms. The girls will meet in the home economics room at Ord high school.

K. C. Fouts of the Nebraska College of Agriculture will be present to help with the judging of livestock, and M. N. Lawlison for the same place will have charge of the dairy judging. The person or persons who will have charge of the home economics judging have not as yet been announced.

Spring Work Going Full Speed Ahead All Over County

Cut Worms Doing Damage in Many Fields; Some Alfalfa Ready to Cut.

Following an unusually late spring, the farmers of Valley county have been putting in every available hour getting the fields in shape and putting in their crops.

One of the handicaps not usually present is the fact that so much corn had to be harvested this spring. This task has been made doubly difficult because the rains prevented husking at times, and the corn to be harvested has to be selected.

In most of the fields much of the corn was broken down by the winter snows and ears were blown off the stalks by the wind. Many of these ears are moldy on the undersides and not worth gathering or safe to use when gathered.

Picking by Hand. To make it still more difficult, the mechanical pickers would not work as they should, and most of the work had to be done by hand, which is a slow process after using the machines.

Paul Owens of the Triple-A office says he believes that about 40% of the dry land corn remains to be planted, while only about 25% of the irrigated land is not planted yet.

He says there is a large amount of corn still in the field and he sees men husking corn every day on his trips from Arcadia to Ord and return. Most of this work is being done by hand, and he saw only one picker operating.

The cause of this delay he believes is the late spring, too much wet weather, and too much work of all kinds. Most farmers have enough work for two men, and help is hard to get.

The cutworms are taking advantage of the cold, wet weather and are doing much damage to the planted corn. One can make the statement that he was just about through planting corn and he would have to start all over, as the cutworms were cutting it all off.

Begin Cutting Alfalfa. Mr. Owens thinks there will be a lot of corn to plant after June 1. This is not unusual, but what he considers unusual is the fact that one man, out west of Ord, Floyd Petersen, had a field of alfalfa cut for hay several days ago.

It is usual to complete the corn planting before starting on the hay crop, but this year the alfalfa is so early and the corn so late that the usual procedure has to be changed. Heretofore it has been very unusual to cut hay before Decoration day.

A few hot days would settle the cutworm problem by driving the worms deeper into the ground, where they do little damage to the corn. The time is not too late for planting corn, if the weather is right through the summer months, Mr. Owens believes.

Satterfield Will Consider Sargent Bank Cashier Job

George Satterfield, Valley county treasurer, has been offered the job of cashier by the Farmers State bank of Sargent. He plans to go there June first and look the situation over. If the job suits him after thorough investigation, he may resign his job as treasurer.

Meanwhile he will be off duty for the time being and Lloyd Wilson, his assistant, will be in charge of the office for the summer and will have some one to assist him with the work. It will be 22 years since Mr. Satterfield first became treasurer.

REA Energizes Many New Farms on Branch Six

Use of Electricity Spreads Along Road Leading to Ericson.

With the coming of favorable weather, work on the REA line is going on apace. Full speed ahead has been the order now for some time with the R. A. Reiter construction company, and the men from the local REA office have been connecting up farms as fast as the lines were energized.

As a result a large number of farms on the line known as Branch 6, leading largely along the highway between Ord and Ericson, have been energized, and quite a list of users is now ready to be added to the 194 that have been announced to date.

The following are the new users, all of whom are on Branch 6: Adolph Beranek, John Blaha, William Petska, Frank Blaha, Stanley Petska, Emil Adamek, Wilber Kizer, L. J. Kizer, Edward Hansen, James Meese, School Dist. 28, George Lehecka;

Chris Deleis, Jim Visek, John Meese, Knut Petersen, L. L. Kokes, Anna Shatoski, Ign. Urbanski, E. V. Wadas, J. J. Sobotka, Wayne Peterson, Howard Sevensen, John Kokes, Dist. 13;

Mrs. W. J. Klanecky, Ernest Risan, Albert Wolf, E. F. Blaha, George Zablodnik, M. J. Field, Arvin Dye, Herman Swanson and Dist. 61.

Another Bluegill Is Added to List of Fish Entries

All Contestants to Date Are From Valley County; Other Counties Get Busy.

The story of the big Quiz fishing contest this week is short and confined to the same two classes of fish as last week—catfish and bluegills. However, another woman has been added to the list of those who are contesting for the prize for the biggest fish caught by a woman.

Anna Mraz and Bluegill. Anna Mraz, under date of May 19, entered a bluegill which she caught in the bayou below the dam at Ord. The fish weighed 9 ounces and was caught with a pole, with worms for bait. It was caught Thursday, May 12, at 5 p. m., and Mrs. John Kokes and Alberta Lancia were with her at the time.

Mrs. Mraz says, "I always have good luck and fish about every day. Fishing is my hobby and I really love it."

The following is the score to date: Catfish: Frank Coufal first, 9 lbs., 3 oz.; Jake Schmidt second, 7 1/2 pounds; Jiro Kawata third, 6 1/2 pounds; Rose Suchanek, 6 pounds. Bluegills: Anna Mraz first, 9 ounces; LeRoy Wells second, 7 oz.; Women: Rose Suchanek first, catfish, 6 pounds; Anna Mraz second, bluegill, 9 ounces.

—Mr. and Mrs. Ed Janus and Mr. and Mrs. Joe Oszkowski drove to St. Paul Monday to attend the funeral of Mrs. Frank Papientnik.

Memorial Day Rites Set for 10:30 at Ord City Cemetery

Rev. Edward Trefz Is Speaker; Ord High Band, Veterans' Groups Participate.

Rev. Edward Trefz, a navy veteran of the chaplain's corps, and substitute pastor of the Presbyterian church, will be the speaker at Memorial Day rites to be held Monday morning at the Ord City cemetery.

The program will start at 10:30 o'clock with a march to the plot by the Ord high school band, colors, color guard, firing squad and honor escort of members of the American Legion and the Veterans of Foreign Wars.

Following prayer, the glee club, under the direction of Wm. Nelson will sing the Battle Hymn of the Republic. Ladies of the G.A.R. will decorate the symbolic GAR grave.

Following the address of the day, the band will play the national anthem, and a firing squad made up of members of the two servicemen's groups will fire the salute to the dead.

Commencement and Picnic Closing School Events

Trip to Loup City Park; Dr. Wayne O. Reed Gives Fine Graduating Address.

With students furnishing the autos, ten in all, fifty members of the senior class and their sponsors, Mrs. Lucille Tolon and Miss Eula Neel, made a trip to the state park at Loup City. They left Ord about noon Wednesday and had a fine time at the park, where many went wading.

Returning to Loup City about 4 p. m. they went to the skating rink for a while, leaving to come home at about 6 p. m. This is the third year the Ord graduating class has made a trip to Loup City.

That evening the commencement program was given at the high school auditorium, opening with a musical prelude by the high school band, which also played the processionals. The invocation was given by Rev. L. V. Hassell of the Ord Methodist church.

Mrs. Leslie Nash then sang a vocal solo, "Spring Song of the Robin Woman," from Shanewis, by Charles Wakefield Cadman. The address by Dr. Wayne O. Reed, state superintendent of public instruction, followed. It was an inspiring address and well delivered.

The high school boys' quartet, Dick Tolon, Charles Munn, Paul Stoddard and Jim Misko, then sang, "F. L. Stoddard, high school principal, then presented the class of 1949, and Orin Kellison, president of the board of education, presented the diplomas.

The awards to the honor students were next given by Ralph W. Norman, secretary of the board of education. All stood at attention while the high school band played the Star Spangled Banner, and remained standing for the benediction, given by Rev. Hassell. The stage was beautifully decorated for the occasion through the courtesy of Nell Florists.

Grant Marshall in Garfield Court

Grant Marshall of Ord was haled into court at Burwell Friday morning, May 13 on a charge of being drunk and disorderly. Due to the fact that he had been booked on similar offenses, Judge Eben Moss sentenced him to 30 days in jail, the first day on bread and water.

The sentence was then suspended for one year, pending good behavior. The defendant paid the court costs and was released.

8th Grade Graduation Exercises Held Tues.

Graduation exercises for the country eighth grade graduates was held in Ord Tuesday evening. The Olean Rhythm band furnished music for the occasion. M. B. Cummins gave a splendid address. A film, "Realm of the Wild" was shown. Miss Clara McClatchey presented the diplomas.

The ten top ranking country graduates were: Ronald Kokes, Dist. 26; Jeanine Lange, St. John's; Jimmie Williams, St. John's; Jimmie Williams, St. John's; Jim Cook, Dist. 21; Cora Lee Beran, Dist. 10; Donald Radke, Dist. 63; Emily Laursen, Dist. 12; Max Lybarger, Dist. 37; George Lange, St. John's; and Edwin Penas, Dist. 38.

Second Poppy Day Coming Saturday

No one is complaining about the fine rain Saturday, but it cut down the number of people in Ord that day to such an extent that Mrs. C. C. Dale, Poppy Chairman, says that a second Poppy Day will be held next Saturday, May 28, to those who did not have a chance last week to contribute, to do so at that time.

The Ladies Auxiliary had three thousand poppies to dispose of and did put out two thousand, which they consider as very fine for a day. In case you have your poppy, please wear it. If you have not, tell the ladies you bought one and you will not be bothered further.

Contracts Let for Baseball Lights in Ord

City to Act As Purchasing Agent for Ball Club; Loup City Man to Do Construction.

Contracts were let this week for the equipment and construction to give Ord a 120 light set of night baseball lights this season. Unless unforeseen delays take place, the Ord Colts are expecting to play night baseball here in early July.

The city of Ord, through its board of utilities, will act as purchasing agent for the ball club, and equipment for the field is estimated at \$5200, by George Allen, city engineer.

The 85 foot poles will cost \$1800, unless the baseball committee manages to make a deal with Broken Bow, also erecting lights this summer, to purchase the poles and equipment for a few several hundred dollars freight for each town.

Erection will be done by Pete Wilson of Loup City at an estimated cost of \$1375.

To Build Own Bleachers. Two bleachers to seat 150 people each, are also scheduled, with material costs estimated at \$1400. Labor for the bleacher construction will be donated, according to members of the baseball committee.

Meanwhile, fund raising for the project is still going on. Up to Tuesday, a total of \$1600 had been loaned the club by business firms and private individuals, plus a guarantee of up to \$5000 by the Veterans of Foreign Wars and American Legion, or a total of \$9600.

"We're still getting donations and loans," Jim Gilbert, chairman of the fund-raising committee, told the Quiz. "And we can use all we can get."

"If Ord continues to play baseball this season, and crowds turn out like they did for the first home game Sunday, we're sure that we'll have a good business proposition."

Ravenna Woman Kills Intruder; Is Freed by Jury

Mrs. Mary Hurtya of Ravenna has been freed of blame by a coroner's jury which found that she shot in self-defense, when she shot and killed an intruder in her home recently.

The man, Felix Barton Ravenna greenhouse operator was shot and killed instantly by a pistol bullet through the heart, as he tried to gain entrance to her home.

Given Track Numerals. Henry F. Schulte track numerals have been awarded to the following Ord athletes, Coach Ed Weir of the University of Nebraska has announced: Full Blue, Bob Moore, Joseph Beloin; Dale Falter; Half Blue, Gerald Maurice, Richard Blaha. Marly Grunkemeyer of Burwell was awarded a half blue letter.

Jeep Travels 1,500 Miles, Found, Lost Again; He's a Dog! Jeep, a much-traveled dog, part setter and part shepherd, vanished again last week, leaving as much mystery behind him as he did when he vanished once before, here in Ord, Neb., and turned up unexpectedly in Fort Lewis, Wash.

Jeep was bought in Seattle four years ago by Lieut. and Mrs. Joseph Beloin. The Beloin's moved to Ord in 1916, taking Jeep with them. They had made their home in Ord, where Mr. and Mrs. Joe Karty, Mrs. Beloin's parents live, until this winter, when Mr. Beloin re-entered the service, and Mrs. Beloin and their small daughter, Veronica, followed him to the west coast.

Hospital Drive Gets Under Way Thursday Morning

Too Many Single Shares Being Sold, Chairman Glenn Auble Believes.

The drive to raise \$60,000 for the Ord Community Cooperative Hospital, Incorporated, got under way in Ord Thursday of last week, and Glenn Auble, chairman of the hospital board, says that about \$20,000 has been reported at the present time.

The committees have been received with enthusiasm, and a large number of people are contributing. This is most encouraging. On the other hand, too many single shares are being sold. These all help, but the danger is of running out of people before the necessary amount is reached.

Mike Socha, Ord sign writer was busy Tuesday painting a thermometer on the bulletin board west of the courthouse, and on this the record of the growth of the hospital fund will be painted from time to time.

Much Work to Do. North Loup planned to start their drive for funds Tuesday morning, so no report will be available from there until next week. It is planned to start the soliciting in the country next week.

Not nearly all of Ord has been solicited to date. The finance committee for the hospital board is soliciting around the square, and one block out in each direction. They have named this the fourth ward.

The Ord Rotarians are soliciting in the first ward, the Cosmopolitans in the second ward, and the Ord Chamber of Commerce in the third ward. From now on the work of solicitation will be pushed as rapidly as possible.

Charles Watson, Formerly of Ord, Dies in Oregon

Notable Record as Post, Warrior, Lecturer, Man of Many Accomplishments.

Word was received by relatives at North Loup of the death of Capt. Charles S. Watson, formerly well known in Ord. He left Ord in the 1920's, but had been back for a few visits since that time. His death was due to heart trouble. He passed on at the Veterans hospital at Hermosa Beach, Calif.

Nebraskans in 1871. The Watson family first arrived in Nebraska in 1874, and homesteaded near Keneasaw. They stayed there long enough to prove up on their homestead, then moved to Grand Island, then briefly to St. Paul and finally to North Loup, arriving there in 1881. The father worked on the railroad grade when the road was being built into North Loup.

After the railroad arrived he worked in an elevator at North Loup. The Watson children, including Charles, obtained their education in the North Loup schools. Charles worked at a number of different trades. He took orders for photo enlargements. He ran a harness shop in North Loup, and, with Ben Barnhart, ran one in Spalding.

Lecturer, Soldier. He spent one year giving lectures on the Chautauqua platform. He was a soldier in the Spanish-American war. He was on the Mexican border in 1916, served in the first World War, and returned to the reserve with the rank of captain. He served as fire warden during the second World War. He served as commander of the American Legion.

Plumber, Tinsmith. The chief work of his life was (Continued on page 2)

Jeep Travels 1,500 Miles, Found, Lost Again; He's a Dog! Lieut. Beloin was again transferred and reported a few weeks ago to Fort Lewis, Washington. Much to his surprise, as he walked through the Fort Lewis gate, there was Jeep, 1,500 miles from Ord.

Jeep looked half starved. He tried to get into Beloin's arms but hardly could walk. A Fort Lewis veterinarian said both the dog's hind legs had been broken.

Beloin had Jeep's injuries treated and then called Mrs. Beloin who took Veronica to Fort Lewis for a happy reunion.

The reunion, however, did not take place. Lieut. Beloin had taken Jeep to the bachelor-officer quarters when he left him at 3:30 in the afternoon. But when an orderly looked into the room at 4:30 he learned that someone, probably hearing Jeep's whine and feeling sorry for him, had taken him out. The Beloin's spent most of the night, aided by military police, looking for the dog. But once again, Jeep had vanished.

the plumbing and tinsmith trade, and he was equally good at both of them. He worked at the trades in Ord over a long period of years. One of his jobs here was the plumbing in the Quiz building when it was first taken over by the paper. From here he went to Gothenburg, where he was employed for many years.

While living in Ord he took active part in the affairs of the community. He was a most active member of the Church of Christ. He was a member of the Ben Hur Lodge, and other organizations. For a time he was secretary of the Ord Chamber of Commerce. All his life he delighted in writing poetry for any and all occasions, even writing letters to friends, all in poetry.

He married Allie Von Brookhoven, a widow, and became an ideal father to her three daughters, Bethel, Laurie and Darlene. They had one son, Darrell, who attended school here, completing his school work at Gothenburg. His daughters all graduated from Ord high school.

Built Lovely Home.

From Gothenburg the Watsons moved to Eugene, Ore., where Charles built a lovely home, which Mrs. Watson lived only a short time to enjoy. His health became poor a few years ago, and since then he had been taken care of in the home of his step-daughter, Bethel Woods, of Hermosa Beach, until he was taken to the Veterans hospital at Hermosa Beach a few months ago when his condition became serious.

Funeral services were held for Charles H. Watson at Hermosa Beach Tuesday and the body was taken to Eugene to rest beside his wife. He is survived by his three step-daughters, Mrs. Woods, Laurie Cushing, wife of President Herbert L. Cushing of Kearney State Teachers college; and Darlene, of Portland, Ore.; his son, Darrell, of Kansas City, Mo. All were present for the funeral.

Mr. Watson was born April 22, 1874, at Lyons, Iowa County, Michigan and was 73 years old last Arbor Day.

Vacation Bible School Opens Monday in Ord

Vacation Bible school got off to a fine start Monday in Ord. The department is meeting at the Presbyterian church, with Mrs. O. A. Kellison in charge. Her assistants are Mrs. Hilding Pearson, Mrs. Darrell Noll, Mrs. Lowell Jones, Mrs. Thomas Williams and Miss Beverly Brox.

Mrs. L. A. Muncy, primary department, meets at the Methodist church. Mrs. L. A. Muncy has charge of this department and is assisted by Mrs. Art Kroger, Mrs. Mearle VanZandt, Mrs. James Covert, Mrs. Gladys Walker, Verjee Mulligan and Rogene Rogers.

The Junior-Intermediate, also at the Methodist church, had Mrs. James Ollis as superintendent, with the following assistants: Mrs. Ed Armstrong, Mrs. Ralph Douglas, Mrs. Elmer Zlonke, Mrs. D. L. Karppe, Mrs. Leslie Nash, Mrs. L. V. Hassell, Rev. Hassell, Patricia Ball and Margaret Heuck.

Attendance is 134.

Irene Auble has charge of the Junior-Intermediate students during the recreation period, and takes them to the grade school at that time. To date the attendance is 134. The classes open at 9 a. m.

and close at noon. The school will continue for two weeks.

This vacation school idea has been carried on in Ord for a number of years. It has the advantage of giving continued study of a subject, which is more effective in two weeks time than attendance at Sunday school would be in a year.

Each Friday morning a film will be shown. The one for Friday of this week is "It's The Brain That Counts." The one for next week: "That Boy Joe." The school will close with a picnic on the last day, outdoors, if the weather permits.

—Mrs. William Vasicek and Charley of Tacoma, Wash., and Mr. and Mrs. Joe Turek and Carrie Joyce were callers at the Leonard Hansen home Friday evening.

Ord Christian Church Holding Youth Program

A two day program, a Youth Rally, is being held Wednesday and Thursday at the Ord Christian church of Christ. Speakers for the meeting are here from many towns in Nebraska.

Among them are Palmer, Norfolk, Burwell, Tilden, Oakdale, Auburn, Dewese, and also from Julesburg, Colo., and Smith Center, Kas. Of special interest are open forums being held each afternoon.

ORDER FLOWERS NOW FOR

Memorial Day

We have arranged for a good quantity of Quality Flowers for Memorial Day. In Roses and Carnations we will have Denver grown cuts. Glads will come from the best growers in the South and our Peonies will start to arrive Thursday from the best peony growing section of Northern Missouri. All of our flowers will be guaranteed and you will get them in nice condition with fern included. Call us today and order your Memorial Day flowers. It seems very definite that there will not be very many local Peonies in bloom and Spirea, Snowballs, and Iris will be pretty well gone by that time. So if you place your order now we will be able to have enough flowers to fill all orders. It is pretty hard to know just how many flowers to have on hand when the orders do not come in until Saturday afternoon. Phone or drop a card. We also have some nice blooming plants and growing fern for your boxes and urns. We will deliver any flowers wanted Saturday and we will be open from 7:00 to 11:00 Monday morning. Since Memorial Day is on Monday there may be a few that want to get their flowers Sunday afternoon. We do not make a business of holding our store open on Sundays but will be at the store Sunday afternoon if you want your flowers at that time.

Rural Field Day in Valley County a Great Success

Dist. 40, Bailey School, First by Two to One Over Dist. 37, in Second Place.

In one of the best exhibitions of its kind ever held in Ord, the young athletes from the Bailey school, No. 40, dominated the field of twenty competing schools and won first place with better than 48 points. Mrs. Arlene Timmerman Peterson is the teacher in Dist. 40.

In second place with 24 points was Dist. 37, Mrs. Maxine Moody, teacher. Third honors went to Dist. 26 with 21 points. Miss Marie Liska is teacher in this school. Fourth place was taken by St. John's Lutheran, Mira Valley, Miss Dorothy Holtz, teacher. The score was 15 points. The way the rest of the schools finished is shown in the table below.

Miss McClatchey is grateful to the Ord Chamber of Commerce for their backing in putting on the field day, and to Coaches Peterson and Moore for their valued assistance during the day. She says special credit should be given Dorothy Adamek, who competed in her own class and in the higher competition as well, doing much to help Dist. 40 win first place.

Other outstanding competitors were Max Lybarger, Dist. 37; George Lange, St. John's; Ronald Kokes, Dist. 26, and Veri Nelson, Dist. 40. The complete record of the meet is given below:

Only Two Games in Sherman-Howard League Sunday

Palmer Beats North Loup, Dannebrog Loses to Farwell; Other Games Rained Out.

Only two games were played in the Sherman-Howard league Sunday as the Scotia-Wobach and Elba-Ashton titles were postponed on account of wet grounds. Palmer kept their slate clean when they took a hard fought battle from North Loup by a 5 to 3 score. Farwell transferred their home game to Dannebrog, where they won a well played 4 to 2 victory. Line scores:

Palmer	100	022	000	5-12-4
Battery—C. Davis and J. Gee				
North Loup	100	000	101	3-13-1
Battery—Beck and Max				
Farwell	001	102	000	4-8-0
Battery—R. Borzych and D. Lukaszewicz				
Dannebrog	000	100	100	2-8-2
Battery—B. Dwehus and A. Jensen				

League standings this week:
Team W L Pct.
Palmer 3 0 1000
Scotia 2 0 1000
Farwell 2 1 .667
Elba 1 1 .500
Ashton 1 1 .500
Wobach 0 1 .000
Dannebrog 0 2 .000
North Loup 0 3 .000

Artificial Breeding
The Loup Valley Dairy Breeders association has been operating for the past fifteen months. Technician Jay Campbell reports that the breeding percentage has increased greatly during the past six months. He thinks that the breeders are watching their cows closer and getting them bred at the right time.

The members that are already receiving calves from artificial breeding notice the outstanding quality of the calves over ordinary breeding of cows. Technician Campbell reports that more members have entered the association since they have seen some of the association's calves.

119 Lbs. at Birth.
Some people often ask if these calves are not little and weak, but Evert Smith, surprised at the size of two calves, weighed them 21 hours after birth and found that one weighed 119 pounds and the other 117 pounds. Mrs. Frank Norman told Campbell she was astonished at the size and type of dairy calf they received.

Members who have paid advance fees and have not used any of it, are wondering if they have lost their money, but it is still good, and they can still breed cows even if they have not done so since the association began.

Ord Colts Win Over Loup City Sunday, by Score of 4 to 0

Superior Pitching by Dick Beran Throttles Efforts of Loup City.

In the first home game of the season, played on Ord Athletic field Sunday afternoon before a huge crowd, the Ord Colts played nine innings of errorless ball to win over the visitors, Loup City, by a score of 2 to 0. The first four and last four innings of the game was a pitchers' battle, with little advantage on either side.

In the fifth inning the Colts managed to get two men on base, and then Manager Douthit decided to slip Stull in as a pinch hitter. Stull obliged with a clean single, which gave the two men on, Moore and Wozniak, time to cross the plate with what proved to be the winning runs.

The diamond, which was wet in the morning, was dried by the wind and sun and by an application of clay in vital spots and was in perfect condition for the game. The day was cool, with a light breeze from the northwest. The fans who stayed away, expecting the game to be postponed, missed one of the finest games ever seen in Ord.

Dilla for Ord got two hits out of four times at the plate. The other four hits for Ord were credited to D. Patrick, Moore, Wozniak and Stull. Lyle Novosad was champion with the willow, getting three out of four for Loup City. Novosad, in right field for Loup City, had four putouts to his credit and Krokaski in left had another.

Dilla got a three-bagger for Ord and L. Novosad a two-bagger for Loup City. Novosad also stole two bases. Beran gave only four hits, hit nobody and walked none. Turek in 8 innings gave 9 hits and one walk. Novosad in one inning gave no hits or runs.

Beran struck out ten of the 31 men who faced him, Turek struck out four and Novosad two. Neth and Estes handled the umpiring chores in a satisfactory manner, while Otto Niemeyer did a fine job of keeping score.

Elbert Whitford, Once Living Here, Dies at Santa Ana

Once Carpentered with Frank Glover; Leaves 3 Sons and 3 Daughters.

Elbert M. Whitford, 66, died at his home in Santa Ana, Calif., Monday, May 17, following a heart attack. He was born in Dixon, Neb., the eldest son of Mr. and Mrs. Milo Whitford. He had lived in Santa Ana the past 37 years, was a retired carpenter and had been employed for many years by the Fluor Construction company.

For many years he and the rest of the Whitford family lived in Valley county. While here Elbert worked as a carpenter with Frank E. Glover. He married Cora Burson, daughter of Mr. and Mrs. H. G. Burson, and sister of John Burson, Burwell, George Burson, Ord, Joe and Ralph Burson, North Loup, and of Ella in California and Mabel in Colorado, Neb.

Funeral services were held Thursday, May 19, at 10 a. m. at the Smith and Tutthill Mortuary, Rev. Gerald Bash of the First Christian church officiating, with interment in Fairhaven cemetery. All the children were present for the funeral.

Mr. Whitford is survived by his wife, Cora Whitford; three daughters, Mrs. David Keen of Petersburg, Va., Mrs. Ray Underwood of Santa Ana and Mrs. Stan Doer of Cypress, Calif.; three sons, Mineo and David of Santa Ana and Clifford of Boston, Mass.

He is also survived by his father, Milo Whitford of Orange.

a sister, Mrs. Mabel Bernard of Mt. Vernon, Ore.; four brothers, Leslie Whitford of Grand Island, Oliver Whitford of Lyman, Neb., and Mosley D. and George of Orange; thirteen grandchildren and three great-grandchildren. A brother, Harley Whitford, died March 28, 1949.

Beginners Must Be 6, to Enter First Grade

Under the new law a child must be six years old by Oct. 15 in order to enter the first grade, and one year younger, or by Oct. 15, is given to enter kindergarten.

This would not apply to children who have already had a year of kindergarten under the old law.

Ralph W. Norman, secretary of the Ord school board, says this will not change conditions in the Ord schools very much. The old rule here was that first graders had to be 6 by Dec. 15. The new law moves the age limit back 2 1/2 months here. Since this is the law, the board can make no exceptions in any case.

This explanation is given here for the benefit of parents who have children nearing school age, so that they may plan accordingly. A date must be taken somewhere, and the one chosen is as fair as any.

Training Meeting for 4-H Club Girls Held

A special training meeting for 4-H girls' club leaders was held Friday in the Methodist church basement. Thirty leaders were present from Valley, Sherman, Greeley, Garfield and Howard counties. Mrs. Doris Huffaker, home agent of Greeley and Howard counties, attended. It was an all-day meeting, and training was in sewing, cooking and home-making projects, and a recreation period was held.

A state specialist conducted the meeting. Mrs. Allegra Wilkens led the sewing group, Miss Charlotte Riecke the food group, and Miss Catherine Kirwan the home-making and recreation activities. A cotton bag wardrobe received from the National Cotton Council of America was exhibited by Katherine Helzer. This wardrobe consisted of school and sports dresses, play clothes and children's clothes made out of feed bags.

John L. Gogan in Radar School

John L. Gogan, 19, son of Mrs. W. L. Gogan of Arcadia has reported to Keeler Field, Miss., to begin training in the air forces radar school located there. Keeler Field is one of the bases in the technical division, air training command.

The training Pfc. Gogan receives in the radar school will extend over a period of 20 to 36 weeks, 16 of which will be an introduction to the fundamentals and principles as applied to radar.

Late Corn Planting

We have a good supply of real early corn if you feel that fall season corn is late to plant at this time. Some of you are going to plant your barley and oat fields to corn and remember that we do have extra early corn for late planting.

We feel that for another week or more Cornhusker 118, 75 and 380 are still a good bet to plant. These numbers all mature rather fast in the fall and with anywhere near a normal fall we should have sound mature corn from these numbers. Then we have Standard 405, 425 and 615 that will surely mature if planted in the next couple of weeks. If you have to re-plant as late as the middle of June you can't get a better corn than Cornhusker No. 107.

Sudans and Sorghums

We are practically out of local Sudan but as yet have a pretty good supply of Sudan, Sudan, Certified and Sweet Sudan. It is getting time to get your Sudan planted. Time to plant all Sorghums and millets. This year we have a new early Sorgo. It is Certified Axtell Sorgo. This Axtell Sorgo has all the good points of old Atlas Sorgo but is at least two weeks earlier than Atlas. We also have the regular Atlas and Norkan. We have limited amounts of Grohoma, Kaffir, Milo and Early Kaffir and have a very good stock of Sumac Cane, Black Amber, and Leoti Red Cane. German Millet and Hog Millet also on hand.

We are carrying a very good stock of all kinds of commercial feeds. Perhaps you are going to feed on grain; if so we have a very good supplement feed for the range feeder. A heavy molasses feed or a heavy protein feed.

Ann-E-Var Dates Set for July 11-13

Ann-E-Var, the celebration that is peculiar to the city of Ravenna alone, has been carried on over a period of years. At first the observance was held the first week in June, but more recently it has been moved over into the middle of summer.

Last week the Chamber of Commerce announced that the dates for 1949 would be July 11 to 13. A large number of attractions have been engaged for the occasion and the public is looking forward to one of the best celebrations in years.

North Loup Lions Hold Election of Officers Thursday

Also Elect Delegates to State Convention; Mrs. Gillham Talks.

At their regular session Thursday evening at the Porfiria cafe, the North Loup Lions club elected officers for the coming year, elected delegates to the state convention, and listened to a most interesting program. In point of interest it was the most important meeting of the year.

In the election the nominating committee through its chairman, A. C. Ehret, proposed a slate of candidates, two for each office, which was approved by a vote.

Members had the privilege of nominating others from the floor, but none were nominated.

Charles Zanger will succeed C. J. Goodrich as president for the coming year. A. L. Willoughby is first vice-president, Roy Hudson is second vice-president, and Charley Goodrich, third vice-president. John L. Ward was re-elected secretary-treasurer, William Vodehnal is tall twister, succeeding Mills Hill, Orville Portis was re-elected lion tamer, and W. O. Zanger succeeds A. L. Willoughby as board member.

For delegates and alternates to the state convention in June eight names were elected, with the understanding that all who could would attend. They are: C. J. Goodrich, Charles Zanger, B. E. Copeland, A. L. Willoughby, W. H. Vodehnal, Orville Portis, Lee Mulligan and Ben Sintek.

In the rest of the business session it was announced by chairman W. O. Zanger that a meeting relative to the Sumner bridge would be held at the Community building on Friday, May 20. In the it was voted to expend not to matter of irrigation in the village, exceed \$50 in having the ditches cleaned out.

Guests present for the meeting were Elsworth Ball, jr. of Ord, Mr. and Mrs. Jerry Gillham of Ord, and Mrs. W. O. Zanger. Mrs. Gillham gave a very interesting account of her experiences in Germany both during the war and in the time immediately following.

George T. Winter, former resident, dies at Oakland.

Member of Ord Methodist Church; Followed Mason Trade While Living Here.

Death came to George T. Winter, former resident and member of the Ord Methodist church, at Oakland, Calif., May 15, 1949. Born at Wellersburg, Pa. in 1855, Mr. Winter was 93 years of age at the time of his death.

The Winter family lived in North Loup when they first came to Valley county, but moved to Ord in 1887. Their first home was in a house on the lots where the Kellison Implement company now stands.

Shortly after the turn of the century they moved out to the farm formerly known as the I. C. Clark place just southeast of the Munn farm. After living there for a time they returned to Ord, and were living in the property now belonging to Mrs. Geo. Walker at the time of Mrs. Winter's death in February, 1915.

In 1916 Mr. Winter moved to Omaha, and moved from there to California in 1932, and had lived in Oakland since that time. The remains were accompanied to Ord by his daughter, Mrs. Elvora Bundy and son, Clarence Winter. Graveside services were held at the Ord cemetery, Rev. Hassell officiating, and burial was beside his wife in the family plot.

At Oakland funeral services were held at the Bannan Mortuary, Wednesday, May 18, at 1:30 p. m. Mr. Winter was the father of two daughters and two sons: Mrs. Elvora Bundy, Clarence E. Winter, Mrs. Fannie Morley and Lawrence E. Winter, the last now deceased; also six grandchildren and nine great-grandchildren.

While living in Ord, Mr. Winter worked steadily at his trade of plaster and brick-layer, and many buildings now standing were the results of his handiwork. One of these was the former Dworak building which houses the Farmer's store. He was a man of sterling honesty and high moral character and believed in dealing fairly with all men.

David E. Strong, Resident Here 60 Years, Is Dead

Legislative Member and Also Member of Constitutional Convention of 1920.

David E. Strong, son of Mr. and Mrs. Ephram Strong, was born Aug. 28, 1858, at Rockford, Ill., and passed on this life at the home of his daughter, Mrs. George Nay, northeast of Ord, May 19, 1949. At the time of his death Mr. Strong was 90 years, 8 months and 21 days of age.

He came to Hamilton county, Nebr., in 1878, and to Valley county in 1879, where he has resided most of his life. He took out a timber claim and also a homestead when he came to Valley county.

April 16, 1884, he was united in marriage to Miss Florence Drake. To this union were born three children, Marion, Guy and Hazel, now Mrs. George Nay. Mrs. Strong passed away June 5, 1938, and Guy passed away Dec. 19, 1939.

Mr. Strong united with the Court Street Methodist church of Rockford, Ill., at the age of 11 years, and for 80 years had been an active and faithful member of the church. He was for many years active in the Springdale church, serving as superintendent of the Sunday school, a teacher, and in many capacities on the boards of the church.

He also served on local school boards. He was elected and served two terms in the Nebraska state legislature from Valley county, and he was also a member of the constitutional convention of 1919-20, of which A. J. Weaver, sr. later governor of Nebraska, was presiding officer. He leaves to mourn his departure, two children, Marion Strong and Mrs. George Nay, eight grandchildren and thirteen great-grandchildren.

At the time of his death he was a member of the Ord Methodist church, where funeral services were held Saturday at 2 p. m., Rev. L. V. Hassell officiating. Mrs. Mark Tolen and Mrs. Leslie Nash sang two duets, and Mrs. Tolen sang, "Goin' Home," accompanied by Mrs. Orin Kellison. The pall bearers were Bud Covert, Earl Hanson, Wilbur Rogers, Leo Long, Ed Zimmerman and Orin Kellison. Mrs. Wilbur Rogers and Mrs. Leo Long had charge of the flowers at the cemetery. Interment was in the Ord cemetery. Hastings and Pearson had charge of arrangements.

Greeley Resident Dies at Fremont

W. H. Bolin, long-time resident of Greeley and for more than forty years in business there, died at the home of his daughter, Mrs. George Rump, in Fremont, Sunday of last week. He had been in poor health for several months and his death was due to a heart affliction.

A resident of Greeley since 1888, he was married to Miss Lydia Taylor, who died six years ago. The sons are Leo, of Scottsbluff, James in military service, and Gerald, who died in 1932. The daughters are Mrs. Rump and Miss Mary Bolin of St. Louis.

Harold Cucklers Happy to Be in Ord

For the past ten days the Cucklers, Harold and Mary, have been learning the art of hostelry from those experienced artists in the business, Dick and Thelma Teague, and will soon be ready to take over the full responsibility of their new work.

They say they are happy to be back in Ord and in possession of one of the finest hotels in the area, and hope to do their part in making Ord a bigger and better town. So from now on, it is Harold and Mary (not Marge, as we had it in the recent writeup).

Jackie Anderson Hurt in Accident

Jackie Lou Anderson of Scotia was bruised but not otherwise seriously hurt when her Chevrolet coupe upset near the Clarence Moody farm north of Scotia. She was enroute to the Parnell school, where she teaches. A tie rod came loose, throwing the car out of control and into the ditch, where it turned over. Jackie went on to her school and taught that day. Her father, Howard Anderson, went out after the car and brought it back to Scotia.

Something Different

The idea of building a sod house has fired the imaginations of all who hear about it; particularly the idea of the youngsters themselves building it for a Scout House.

The Ord Scouts are about to put themselves on the map of Scouting permanently, as well as putting Ord into the news!
Hurray for the Scouts!

The idea of rammed earth houses for this region has always fascinated me. If it is true that a habitation should be built of the material most native and natural to the region, then surely rammed earth would be our material?

The Quiz? Mr. Appling swears he helped build one, and that he is an expert rammed-earth-house-builder.

I hope you have heard what an interesting person one of our recently acquired teachers turned out to be? Miss Eula Neel, who succeeded Rosalind Northway is the quiet little woman to whom I refer.

She arrived in Ord complete with trailer, and this trailer she proceeded to locate in the yard of the Greenfield home, north of the high school a few doors. Unusual? Yes.

Then she has been a SPAR. Unusual, don't you think?

And she has flown her own plane. Now I haven't had time to dig around and learn, but she likely has more "unusual" history, for she seems to harbor an adventurous approach to living beneath that smiling way of hers.

Another family that uses flying in a comfortable and satisfying manner is that of Leslie Nash. For instance, Mrs. Nash' people live at Ames, Iowa, so the Nashes think nothing of packing up Papa, Mama and two little daughters, bundling into the plane and flying to Ames for a brief visit.

This summer Mrs. Nash' parents plan to spend a holiday at Two Harbors, Minn., as they have done for two or three years past. And the Leslie Nash family plan to fly up to that lively little city to share a little of this summer fun.

I will always remember Two Harbors. Firstly, the name is intriguing; just try to forget it. Then the location is unforgettable, beside the blue waters of Lake Superior.

The block-long ore liners are also unforgettable.

And so is the shiny little black train of a long-ago day, a memento carefully preserved under a long shed-like roof, in a small railroad park.

But I have forgotten just why the little train is famous!

Baseball really has the men of the city in its grip. The little tads are playing catch, the bigger boys "play" baseball from morning until dark, the men discuss it on every street corner.

The game Sunday drew a record crowd. The game was a dinger, so now baseball will enthrall us more than ever.

One reason for the crowd, of course, was because it was Ord vs. Ord... in a way. You see Ord provided some of those good ball players Loup City was using.

April Fires

Decoration Day

No more will they answer the call to arms... no more will they heroic deeds do! For they slumber on in eternal peace amid the clover on American soil... the poppy fields of Flanders... the terrain of Pacific isles! On this Memorial Day, let us honor the war heroes by pledging to do our part to create an America and a World worthy of their sacrifices.

Studebaker buying wave sweeps the nation!

Another all-time record in April!
More people bought new Studebaker cars and trucks in April 1949 than in any previous month in any year.

Studebaker sales in January, February, and March were the biggest for any quarter in Studebaker history.

Twice this year Studebaker has increased production in an attempt to meet this sensational upsurge in demand.

1949 is a Studebaker year!

Studebaker's really rolling!

IN THE MATTER OF THE APPLICATION OF JAMES PETSKA, JR., GUARDIAN OF THE ESTATE OF ANNE KUTA, DECEASED, FOR LICENSE TO SELL REAL ESTATE. ORDER TO SHOW CAUSE. On reading the Petition, duly verified, of James Petska, Jr., Guardian of the estate of Anna Kuta, deceased, and the cash and personal property filed herein for license to sell the following described real estate, to-wit: Lot Seven (7) in Block Thirty (30) in Haskell's Addition to Ord, Valley County, Nebraska. It appearing from said Petition that the cash and personal property in the hands of said Guardian and belonging to said incompetent and the income from the real estate of said incompetent are insufficient to maintain said incompetent and to pay the debts and expenses of her hospitalization, and that it would be for the benefit of said incompetent if said real estate should be sold and the proceeds thereof used to pay her debts and to maintain her: It is ordered that the next of kin of said incompetent and all persons interested in her estate appear before the District Court of Valley County, Nebraska, or a Judge thereof, at the Courthouse in the City of Ord, Nebraska, on the 16th day of June, 1949, at 10 o'clock A. M., to show cause, if any there be, why license should not be granted to said James Petska, Jr., to sell said real estate for the purposes above set forth. It is further ordered that a copy of this Order be published once each week three successive weeks in the Ord Quiz, a legal newspaper printed, published and of general circulation in Valley County, Nebraska. Dated this 12th day of May, 1949. By the Court, William F. Spikes, Judge of the District Court. May 19-3tc

Munn & Norman, Attys. PROBATE NOTICE. Whereas William Schauer, Jr. has filed in my office Petition praying that Letters of Administration upon the estate of Helen Schauer may be issued to John J. Go direct to the WEST YELLOWSTONE GATEWAY

• Union Pacific's smartly appointed, air conditioned trains take you in restful comfort to West Yellowstone Gateway, most popular rail entrance and nearest to famous Old Faithful Geyser.

In addition to this "land of magic" with its dramatic natural attractions, you can visit near-by Grand Teton National Park famous for the grandeur of its rugged mountains.

On the way to or from Yellowstone, a Union Pacific, stop over at historic Salt Lake City.

See your local Union Pacific Agent for descriptive literature, reservations and travel information.

Anselmo Rodeo to Be August 7

The date of the annual Elks rodeo at Anselmo has been set for Aug. 7. The date was set three days in advance of Nebraska's Big Rodeo, to give the cowboys the chance of making the two events a part of their circuit.

Clarence Johnson of Arnold has been awarded the stock contract. A number of his horses have been purchased from the well known Lee Case of Hershey, Nebr. The show is approved by the Rodeo Cowboys Association.

Virgil Ferguson, Comstock Coach, Being Replaced

Due to the fact that Virgil Ferguson, Comstock coach the past two years, has decided to attend Kearney State Teachers' college the coming year, he has resigned his position there.

The school board has signed Willard E. Rosenfeldt to coach athletics next school. His home is at Cambridge. He is attending Kearney college but will graduate this spring.
