Business in Supply

Ed Beran, proprietor of Table Supply, at 11th street, has been busy in preparation for the quantity of goods he had to give up March 1. Last week he had a ten per cent

store, and everything had been disposed of by 4 p.m. Monday morning a truck picked up the display racks, which Mr. Beran had sold to the Duncan Grocery, in Burwell.

Mr. Duncan has been planning for some time to install a self-help system, and the racks were just what he needed. Mr. Beran had hoped to find another location into which he could move, but was unable to do so, so was forced to go out of business. He has made many warm friends while in business here, who will regret his going.

Five Townships Have Property Values Reduced

Taxpayers to Be Given Individual Notification of New Values.

(Continued from Page 1) in value being 3/10th of 1 per cent. General farmland increase was 3 per cent.

Ord Liked 46 Per Cent

Ord, Valley county's largest tax division, took a whopping increase of 46 per cent, property values being raised from \$1,179,935 to \$1,721,360. North Loup led in percentage increase with 53 per cent, taking a jump from \$175,570 to \$269,060. Elyria was increased 40 per cent from \$25,465 to \$35,895, and Arcadia 7.6 per cent from \$244,970 to \$263,745.

"I want to stress that the increases are not straight across the board," Noll said. "In many cases in Ord and North Loup, new appraisal figures show a decline from the figures formerly used. Some properties have been increased as much as four times in appraised value, in order to bring them in line with similar properties in the towns."

Cards To Be Sent

Noll told the Quiz that during the month of April, every property owner in the county will receive a postcard telling him the old value of his property and the new appraised value.

"In May, the board of equalization will meet, and every property owner will have the right to appear before the board and protest the new valuation if he wants to do so," Noll said.

Noll said that the appraisal figures will have only a partial bearing on the amount of taxes paid by the individual. "This amount is set by your city council, village board and school board and depends on the amount of money they want to spend."

"Last year, in Ord, taxes were estimated at 6 per cent, this being the total of the state, county, township, city and school levies. This year, it is entirely possible that the mill levy can be lowered. The amount of money the state, county, township, school board and city council decide to spend sets the levy."

'Mother & Home' Film to Be Shown at Baptist Church

Juvenile delinquency and divorce have long been great problems for society. There never has been a real solution offered for either of these problems aside from the Gospel. The film, "Mother and Home" is to be shown at the Bethel Baptist church next Sunday, March 5, at 8 p.m.

It gives a dramatic, yet sensible and sound solution to both problems. This is a fine natural color film depicting real home life. The pastor, Rev. Eugene Olson, has talked with a number of people who have seen the picture and they have nothing but praise for its unusual appeal to the whole family.

This picture should be of interest to all who are interested in the trend today in so many American homes. The public is invited. There is no admission charge, but an offering will be taken.

Pesha President Chamber Group

Henry J. Pesha, son of Mr. and Mrs. Ignac Pesha of Ord, has been elected president of the Greater Lafayette Chamber of Commerce, of Lafayette, Ind., where he is general manager of Elmer Grocery company. He served last year as vice-president. The business group has a membership of 881.

"Hienie," as he was known in Ord when he attended high school here, graduating in 1922, is one of Lafayette's busiest executives. His company operates six huge super-markets and is breaking ground for a seventh this spring. Last year he headed the Elks club of Lafayette and he finds time to be active in other civic and fraternal work.

Caravan Is Coming on Friday Morning

Friday of this week, at 10 a. m., the Republican caravan is due to arrive in Ord for the purpose of organizing for the 1950 campaign. A number of the leading Republicans of the state will be present, and will speak, followed by a round table discussion.

The meeting is especially intended for members of the county and precinct committees, and is for their instruction and information.

James D. Coleman, Lifetime Resident, Died February 26

Popular Young Farmer Is Called from Life at an Early Age.

James Delwin Coleman, son of John and Edna Coleman, was born south of North Loup, Nebr., in the Barker school district, July 5, 1912, and died suddenly at the Ord Cooperative hospital, Feb. 26, 1950, having reached the age of only 37 years, 7 months and 21 days.

With the exception of one and one-half years which were spent in Polk county, Nebraska, Mr. Coleman lived his entire life in Valley county. He had been engaged in several businesses in North Loup before moving near Ord, where he was farming. He served as marshal of North Loup for a period of five years.

On July 5, 1933, he was united in marriage to Cecile Willoughby, of North Loup. To this union were born two daughters, Janet, 16, and Jill Ann, 3.

Although his life was of few years, Mr. Coleman discovered many of the things that make life meaningful, and had many sincere friends. He was one who could be counted on in time of need and was ever thoughtful of others. On many occasions he made long auto trips for the benefit of persons who needed to make a hurried trip, and for many of these he neither received nor expected pay.

He was just as free to aid total strangers as he was his friends. In an emergency the thought came into the minds of those concerned: "Leave it to Jim, he will take care of it." Above everything else he was devoted to his wife and children and thought of them as the dearest part of life. Everything that concerned their happiness was ever uppermost in his mind.

There remain to mourn his passing besides his wife and daughters, his mother, Mrs. Edna Coleman, of North Loup; two sisters, Mrs. Orville Portis, of North Loup, and Mrs. Peryl Sample, of Big Springs, Nebr.; two brothers, Hillis, of North Loup, and Deryle, of Los Angeles, Calif., besides many other relatives and friends.

Funeral services were held at the Methodist church in North Loup, Wednesday afternoon at 2 o'clock, with Rev. Warren Studer, pastor of the Mira Valley EUB church, officiating.

Music was furnished by a duet, Mrs. Harold Hoepner and Mrs. Cloyd Ingerson, who sang "In the Garden," and a solo by Mrs. Hoepner. "Some Time We'll Understand." They were accompanied by Mrs. Glenn Johnson, Mary Pecer of Shelby, Nebr.; Edith Canfield, of Tekamah, Nebr., and Ethel Barta and Alice Ulrich, of Ord, assisted with the flowers.

Active pallbearers were Arthur Jefferies, Corwin Cummins and Wilmer Nelson, of Ord; Gordon Canfield, of Tekamah; Guy Pecer, of Shelby, and James Scott, of North Loup.

Honorary pallbearers were Lind Nelson, of Auburn, Nebr.; Charles Goodrich, Floyd Reddon and Harry Waller, of North Loup, and Joe Ulrich, Emil Barta, Darr Lee and Floyd Wetzel, of Ord.

Expects Bonding Company to Pay Without Suit

Final Audit Report Given to Co. Board Tuesday by Johnson.

(Continued from Page 1)

Johnson's report traced Satterfield's financial activities in the issuance of receipts similar to those which appeared in the Quiz some weeks ago. "It is our opinion that tax receipts are still in the hands of the public which have been or perhaps never will be presented for correction."

The report also presented details of the purchases of tax sale certificates and free high school registered warrants in the names of T. W. Moore, C. M. Ward and O. F. Satterfield. "Photostatic copies made a part of this report establish the fact that these tax sale certificates and free high school warrant-purchases were made by G. A. Satterfield and the benefits derived from them went to his personal account," Johnson said.

Bond's "Stolen Property," Johnson told the board that he and Norman are still searching for \$4,100 in government coupon bonds purchased by Satterfield with funds taken from the county noxious weed fund, but that as yet, they had no results.

"Whoever the party may be that has these bonds or had received the benefit from the redemption of these has received stolen property," the auditor said.

A summary of the auditor's report follows:

Groetzing-Jacobsen

The Trinity Lutheran church at Papillion, Nebr., was the scene of a simple, but beautiful wedding Saturday afternoon, when Belva J. Groetzing, daughter of Mr. and Mrs. Henry Groetzing of Scotia, was united in marriage in a double ring ceremony to Merle W. Jacobsen, son of Mr. and Mrs. Wm. Jacobsen of Omaha.

Rev. Werner P. Welchert read the marriage lines before an altar decorated with lighted candelabra.

The bride wore a powder blue suit, her hat was of pale pink veiling and roses, her blouse was pale pink and her corsage was of shaded pink roses. She carried a borrowed pink chiffon handkerchief. Her matron of honor, Mrs. Mel Jacobsen wore a beige suit with spice colored accessories, her corsage was of shaded peach talisman roses.

Both the bridegroom and his attendant, Mr. Mel Jacobsen wore light blue suits with white carnation boutonnières.

The mothers of the bride and the groom, wore blue figured dresses completed by gardenia corsages. Following the ceremony a wedding dinner was given in honor of the couple at one of Omaha's leading dining spots. Only the immediate families and close relatives attended.

Guests at the wedding were Mr. and Mrs. Henry Groetzing and Norman, and Mrs. Mable Pinoski of Scotia, Bryce Groetzing and Rex Foster of Central City, Mr. and Mrs. Frank Bezak, Mr. and Mrs. M. O. Thompson and Mr. and Mrs. Glen Fagle, all aunts and uncles of the groom, and Mr. and Mrs. Wm. Jacobsen and family of Omaha.

Belva graduated from the Scotia high school and spent several years teaching in this community. Merle spent four years in the army, two of which were overseas as Sgt. Radio Technician. Mr. and Mrs. Jacobsen both are employed in Omaha and will continue for the present. The couple have a two weeks vacation so will be busy getting ready to occupy their new home at 1535 Park Ave., Omaha, by March 6.

Jesslyn, daughter of Mr. and Mrs. John Jones, is a new student at the Sumpter school. She formerly attended at Glendale.

Scotia Creamery Board Selects Nelson Manager

The Creamery board met Thursday afternoon and hired K. N. Nelson of Mound, Ill. to manage the creamery for the coming year. Mr. Nelson comes highly recommended and will no doubt give satisfactory results. He plans to be here March 1 to begin his duties. He was employed at Tekamah for several years and it is understood he built the creamery there to a thriving and substantial business.

Scotia's Oldest Man Is John Shoemaker

John Shoemaker claims the honor of being the oldest man in Scotia. He was born at Eagle Lake, Ill., Nov. 29, 1865. He had four sisters and three brothers. At the age of 17 he came with his parents to Fish Creek east of Scotia, where he lived until 1917.

In August 1889 he was married to Mary L. Miller, who passed away in January 1942. The Shoemakers had a farm sale in 1917 and moved to St. Paul, Nebr., and from there to California the same year. In 1918 they returned to

John Shoemaker

Scotia and at that time John, with his two sons, Walter and Roy, purchased a general store in the block, where the Valley Propane is now located. Their business grew and in 1920 they bought a store from Ed Badousek. Walter stayed in business with his father until 1934, when he moved to the family home on Fish Creek. He later moved his family to Kasota, Minn., where he now resides. Roy has remained with his father for over 30 years, is married and has one son, Roy John, who doubtless will carry on as did his father and grandfather. Alice, the only daughter, is a graduate nurse and is Supt. of the Nebraska Industrial Home at Milford, Nebr.

John has nine grandchildren and one great grandchild, two sisters living are Mrs. Will Fillingier of Seward, who recently celebrated a 50th wedding anniversary, and Mrs. Hattie Hines, of Fort Collins, Colo. and one brother, Irwin, who lives east of Scotia.

John has not been too well the past month but still gets down to the store now and then to help and to visit with old friends.

Mary J. Stiehler Answers Fatal Summons Feb. 25

Long Time Resident of Scotia and Ord Reached Age of 80.

Mary Jane Stiehler, daughter of Moses and Nancy Honeycutt, was born April 12, 1869, near Terre Haute, Ind., and departed this life at her home in Hamilton, Mo., Feb. 25, 1950, at the age of 80 years, 10 months and 13 days.

When a small girl the family moved to Nebraska. On April 25, 1887, she was united in marriage to Charles M. Stiehler at Scotia, and to this union were born ten children, eight of whom still survive, Gladis Bolin, Concordia, Kas., Mable Wheatcraft, Granite Falls, Wash.; Gertrude Wooden, Braymer, Mo.; Hazel Foley, Kidder, Mo.; Nettie Leddom, Nettleton, Mo.; Walter and Everett, Hamilton, Mo.; Harold of Lake Stevens, Wash.

Raymond and Ethel died in infancy. Her husband Charles M. Stiehler, preceded her in death Nov. 24, 1947. While living in Nebraska she united with the Methodist church and after moving to Missouri she joined the First Baptist church at Hamilton, Mo., to which she was a faithful member.

She leaves to mourn her departure, besides her children, one brother, George Honeycutt, Fourland Wyo.; 12 grandchildren, four great grandchildren, several nieces, nephews and a host of friends.

Funeral services were held at the Ord Methodist church at 10 a. m., Monday. The pall bearers were Henry, Leonard and James Covert, David and Verl Arnold and Harvey Thomsen. Mrs. Leslie Nash sang three numbers with Mrs. O. A. Kellison at the organ. Rev. L. V. Hassell had charge of the services and Hastings and Pearson of arrangements. Burial was in the Ord cemetery.

Bill Cook Draws Veterans Tract in Wyoming

The Wm. Cook family, now living at Atkinson where Bill Cook, is planning to move to near Powell, Wyo. Bill was one of the veterans who drew tracts of land made available by the government. An 80 ft. barracks is given with each tract, but the veteran must be able to show financial worth to improve this and the land. The place must be occupied by the family for 17 months and during that time must show specified accomplishments. Bill's tract is partly on a mountain side, and some more level. Irrigation is available and can be used. It is only six miles to a consolidated school at Powells, and as soon as the veterans improve their barracks into livable quarters, electricity will be available. The Cooks plan to go to Wyoming in May.

Mr. and Mrs. Anton Kenney, of Billings, Mont., are visiting relatives at Cotesfield, Elba, and St. Paul. Mrs. Kenney is a sister of Mrs. Wm. Donscheski. Dedication Services.

Joining with eight and a half million Methodists across the nation the Arcadia Methodist church will mark the Week of Dedication March 5-12.

"Widespread hunger for spiritual certainty" and "a desire to share in meeting urgent human needs" are dominant reasons given for the church-wide observance by Bishop Paul B. Kern of Nashville, Tenn., chairman of the Week of Dedication committee of Methodism's four-year Advance of Christ and His church.

Bishops and pastors have joined Bishop Kern and Advance officials in calling upon the church's membership to share in the week of spiritual emphasis. Through special services, participation in Holy Communion, and periods of penitence and self-examination, church members are being encouraged to make the week a time of personal rededication to Christ and to the highest Christian ideals. Rev. C. W. Buehler, the pastor, states that the local observance of this national program will begin on Sunday evening, March 5, with a Fellowship Sack supper at 7 o'clock and an informal service following. Monday evening's theme is "Temperance." The sound film "Power of Decision" will be shown. Tuesday night's theme is "Missions." The sound film "From Fear to Faith" will climax the service. Wednesday night the theme will be "Christian Education." Thursday night's service will be conducted by the committee on Evangelism and Membership. A gospel team from Loup City will also take part in the service. Friday night will be a service of Holy Communion.

On Sunday, March 12, the presentation of a free-will offering will be part of the climactic act of personal dedication. Funds are to be used to emergency missionary projects at home and abroad and the work of the Methodist Committee for Overseas Relief. In this offering the Methodist church will cooperate with other denominations in the "One Great Hour of Sharing" or world relief.

Mr. and Mrs. Edgar Maxson attended the picture of "The Harvest of Harmony" shown by the Scotia school last Thursday evening. Twenty-one bands were shown in color in this picture. These were the bands participating in the parade and program at Grand Island.

The Burwell high school first team defeated Sargent in the final basketball game of the season Tuesday evening, Burwell 45, Sargent 31. Heitz, Anderson and Clark were the high scorers for Burwell. The Burwell reserves lost to the Sargent reserves 29 to 30.

Mr. and Mrs. John Spelts attended the Lumbermen's convention in Omaha this week. Jo Ellen stayed at the A. I. Cram home and Mr. Cram had charge of the lumber yard while Mr. Spelts was away.

An accident in the west part of Burwell near the weather station Tuesday evening resulted in the upsetting of the truck belonging to Elgie Armour of Grand Island with a load of cattle. Two men were in the cab, but neither was hurt. The wrecker was called, the truck given necessary repairs, the cattle loaded again and they went on their way Wednesday.

Bill Wolcott, former coach at Burwell, has been a guest in the Clyde Ilgenfritz home. He operates the Shamrock Motel near Lodi, Calif., and is athletic coach at Galt high school. He had three weeks vacation between basketball and baseball. The family also visited Mrs. Wolcott's sister in Broken Bow, and she and her daughter visited her parents in Aurora while the tournament was on. They will again visit in Burwell before going back to California.

scout into Arkansas as far as De-Queen, where we stayed over night. Leaving there we drove some 620 miles to Grand Isle, La., which is the farthest point south in Louisiana, it being about 125 miles south and a little east of Baton Rouge.

We arrived at camp about 5:15 p. m. on the road and didn't take time on the road and didn't take any cups out and see plenty of nice scenery on the way down including the long spillway bridge east of Baton Rouge, which is 3 1/4 miles long and four lane drive.

Tuesday being the last day of the Mardi Gras at New Orleans, most of the cars elected to drive over and see it as it was the day of all the parades and the costume ball.

This is surely some sight and one that you will never forget, especially with the perfect weather that they enjoyed this year, and due to the weather they claim they had the largest crowd ever.

We were lucky enough, in our bunch, to get a grandstand seat for the parade, as we parked our car uptown and got on a street car and headed for Canal street where the parades are held. We arrived just to Canal street when the parade started and there we sat or rather stood in the front end of the street car packed with crowds all around us and parade right in front of us so I figure we had a great ring side seat.

I took a lot of movie film of the parade and hope they turn out good and if they do possibly we can show them to different groups if they would like to see them.

Wednesday it rained all day so we were around camp all day, eating oysters, shrimp and other sea food which is very delicious, fresh from the water.

Thursday the wind was blowing hard in the morning so there was no gulf fishing, but about noon the wind went down a little so we went out on the gulf some 28 miles, near one of the oil wells that is in operation out in the water, and this is some sight.

We didn't have very good luck but one of the boys hooked a 150 lb. Jew fish, they called it, and the tackle was on for a while.

The weather report not being good for Friday, we decided, along with another car of fellows from Nebraska, to get released a day early and come back the long way around, which is what we did, coming back by way of Galveston, Tex., then to Houston, Ft. Worth, Oklahoma City, and up that way.

Scouts to Hold Court of Honor

Troop 194 of the Boy Scouts of America here in Ord, will hold a court of honor tonight (Thursday) in the district court room of the Valley county court house, at 7:30 p. m.

Five Scouts will be advanced from tenderfoot to second class rank, and three Scouts will receive merit badges.

The troop committee also announced this week that the registration fee has been sent in to national headquarters, by the Rotary club, to send one Scout from Ord to the Scout Jamboree, held at Valley Forge, just outside of Philadelphia, Pa. Bob Moore, 17-year-old son of Mrs. Robert Moore of this city, has been chosen for the high Scout honor of attending the Jamboree and if plans work out he will attend the camp for three weeks, beginning June 21.

Scoutmaster Dave Watson, in commenting on tonight's court of honor, said, "It might be a good idea to wear a heavy overcoat to our court of honor. We haven't been guaranteed that we'll be able to heat the courtroom—coal shortage, you know."

Time to think papering that room job will be easier if drop in and choose our large selection of tasteful wall paper. There's sure to pattern to please. Priced from 25c to \$1.50 Double Roll

The Greatest Innovation in Portrait Photography In 50 Years!!

That's right! Speedlight is the most startling development in photography in years.

We have just installed a new studio speedlight system. A speedlight (or strobe light) is a radical new high-intensity flash type of light, with a flash that lasts only 1/5000 of a second. Developed in laboratories and clinics, where it was used in probing the secrets of high speed motion, it was next adopted by sports photographers.

Now, after being proved in metropolitan studios throughout the country, it is finding wide acceptance as a superior means of light for fine portraits.

One of the big problems in child photography (and we love to take pictures of the little darlings, problems or no problems) has been to induce the child to sit still, and still to "look natural."

Children just naturally don't sit still! And with our new speedlight technique, they don't have to! Why not drop in and let us prove that we can make a better, more natural portrait of your child than you had dreamed possible!

free

Free sittings for child portraits, March 3 and 4, only! During these two days, there will be no sitting charge for child portraits made with speedlight.

Bring your child to our studio. We'll take his picture and deliver a complete set of proofs to you entirely without obligation.

Remember the dates—Friday and Saturday, March 3 and 4! No deposit! No sitting charge! No obligation!

We delight in making lifelike, personable portraits of children. Brenda Bugbee daughter of Mr. and Mrs. Virgil Bugbee of Arcadia seems to enjoy having her picture made, too.

Your child will also enjoy having us make his portrait—especially with our new speedlight system. He won't have to "hold still!"

Minden Defeats Chants for Trans-Nebraska Crown

Ord Leads at End of Three Periods, But Loses, 52-46.

After leading at the end of each of the first three quarters, the Ord Chanticleers saw the Trans-Nebraska basketball crown go to Minden, in a heartbreaking struggle on the Ord high school gymnasium Monday night. The Whippets made good with a late rally to win, 52-46.

Minden and Ord were champions of the southern and northern divisions, respectively, of the Trans-Nebraska conference. And they battled like champions for the cage diadem. Furious attack and tenacious defense marked the play of both teams.

The two squads, keyed up for one last contest after coming thru a bruising season without defeat in league play, were tense. They were bound to play a game that would keep the fans roaring from start to finish. And they did.

Ord Scores First

From the time that sharpshooting Dale Richardson dunked in the first basket with only 15 seconds gone, until the final buzzer that sent tears streaming down the cheeks of red-and-white clad Ord high school girls, there was no time to relax.

Twice in the first two minutes of play, Richardson sent the ball through the hoop with field goals. Minden took time out, and then came battling back to knot the score at 4-all. With the first period half gone, Ord held an 8-5 lead. Falter scored a field goal for Ord, and Richardson hit again. Peterson snagged a fender for the Whippets before Falter and Richardson drew blood again. Just before the end of the quarter, Minden's Joyce bucketed one from in front of the basket, and the quarter ended with Ord leading, 15-11.

The Whippets came driving back in the second stanza. Holding the Chants scoreless for three minutes, Minden gained a lead of 16-15. A

free throw by Falter tied up the ball game, but Minden took the ball down the floor and scored again. It was up to Penas to bring the Chants back into a tie and then Maurice took a long pass and calmly canned a lay-up shot to send Ord into the lead once again.

Chants Lead at Half

The Whippets pulled away with a four point splurge, with only a minute to go in the half. But Ord scored five points in that one minute, and at halftime the scoreboard read, "Ord 25, Minden 24."

The third quarter was another eight minutes of hard, driving play. Every man on the Ord first string had played every minute of the game, while Minden had made but one substitution, and that for only a few seconds.

Coach Dick Peterson's boys led at the end of three periods of play, 37-35, but the pace was beginning to tell.

Alliance Falls to Chants, 46-44

The Ord Chanticleers had to stave off a determined second half rally by Alliance to win a 46-44 victory at Alliance, Saturday night.

The Chants saw an easy win in the making when they piled up a 12-3 margin by the end of the first quarter, but by halftime, Alliance had shortened the distance to 21-17.

The third quarter found the Chants faltering, with only three field goals made. What's more, Ord found itself unable to hit from the free throw line. Richardson missed four straight gift tosses and Penas and Maurice each failed once. At the end of the third stanza, the game was tied at 30-all, and the Alliance fans began to sense a victory for their heroes.

But the Chanticleers' attack took hold once more in the fourth quarter. Maurice hit the basket three times, as did Richardson. And Falter struck with two field goals, as well. Alliance fought back right down to the final whistle, but when the smoke had cleared, Ord had a slim two-point winning margin—46-44.

Score by quarters:

Alliance:	3	17	30	44
Ord:	12	24	30	46

Red Cross Drive Opens in County

The nation-wide drive for funds by the American Red Cross began Wednesday with thousands of volunteer workers taking part in the solicitation. The national quota is \$67 million dollars.

Here in Valley county, solicitation teams began the job of raising an amount of a little less than \$1,000.

Miss Katherine Helzer, county fund chairman, announced the community chairmen who will be responsible for fund-raising in their respective areas.

In Ord, Mrs. C. C. Dale, Mrs. Alpha Hill, and Mrs. Stanley Absalon are chairmen for the first, second, and third wards, and Mrs. George Parkins is corporation solicitor.

In Arcadia, Mrs. E. C. Baird is chairman, while Mary Barber and Mrs. Henry Benda are town chairmen of North Loup and Ord, respectively.

Mrs. Elmer Hornickel, president of the Missionary Society of the Evangelical United Brethren church, and Mrs. Walter Fues, president of the Lutheran Ladies Aid, will be in charge of solicitation in the Mira Valley area.

Mrs. Walter Jorgensen, president of the Happy Circle club, is the Haskell Creek chairman.

Presidents of extension project clubs are serving as chairmen in their communities, in an effort to make rural solicitations more complete. Following is a list of the club presidents, and of the organizations which they head:

Mrs. Joe Bonne, Neighboring Sisters; Mrs. Glen Cochran, Jolly Neighbors; Mrs. Bill Novosad, Jr., Plain Valley; Mrs. Stanley Absalon, Everbushy; Mrs. Earl Hanson, Springdale Kensington; Mrs. Walter Noll, M.A.O.; Mrs. George Bell, Mutual Benefit; Mrs. Dale Karre, Young Homemakers, and Mrs. Clark Weckbach, Home Arts.

Mrs. Eatty Hurst, Burwell, Jolly Homemakers, and Mrs. Paul Waldmann, Burwell, the Country Club.

Mrs. Harold Garnick, Elyria, Ar-Gu-Not Extensioners.

Mrs. Thurman Bridges, Arcadia, Prosperity Seekers; Mrs. Paul Woody, Arcadia, Clever Corners, and Mrs. Clinton Masters, Arcadia, Homemakers.

In the North Loup territory: Mrs. Eldon Sintek, Progressive; Mrs. Ralph Sperling, Needle and Thimble; Mrs. Gilbert Babcock, Hi-Way-View; Mrs. Henry Van-Slyke, Riverdale Busy Bees.

Anderson Is on UN Baseball Roster

Bill Anderson, son of Mr. and Mrs. George Anderson, of Ord, is on the roster of pitchers on the University of Nebraska baseball team.

The university squad is now holding indoor work-outs in preparation for the coming season.

Bill, a sophomore, was a very successful pitcher in Legion ball, and has had experience in town team play.

Planning to Form Garden Clubs in Valley County

Plans are being made to form a garden club for Ord for the year 1930. Mrs. Orin Kellison has been appointed chairman until the meeting, which is to be held in the county extension office under the post office, Saturday, March 11, at 2 p.m.

It is also hoped that meetings of the same kind will be arranged in North Loup and Arcadia. The object is not only for the benefit and beautification of the towns themselves, but also to develop a better display of flowers to be shown at the Valley County Fair.

North Loup Wins in Tournament Contest

North Loup won her first game in the tournament being held this week, at Ravenna, by scoring one more point than Loup City, score 50 to 49. The Challengers have for their opponents, Wednesday night, their neighbor, Scotia, in what should be an exciting contest.

Seed Oats.

We would like to show you our stock of Seed Oats. Certified Nemaha also uncertified Nemaha and both Certified and uncertified Clinton Oats. These newer varieties of oats have done remarkably well in our section this past year. It is not uncommon to get more than twice as large yields as you get from some of the old varieties and most of the time you have oats that will weigh from 35 to 40 lbs. per bu. You get a very great return for the small amount of extra money that you invest in your good seed oats. Remember all of these varieties are all purity and germination tested and guaranteed to be free from Bindweed and other Noxious Weeds. This guarantee is worth a lot to you and your farm.

Seed Corn.

We realize that many of you are having a little trouble in making up your minds on how many acres of corn that you will have this year and have held off on buying your seed corn. We believe that you should place your order for all the seed corn that you can possibly use and get the varieties that you know will do the best for you. If necessary you can cut down the amount that you take at planting time if you find that you have booked too many bushels. We will take your order that way.

Pop Corn Contracts.

We have our Pop Corn contracts now and will be glad to talk them over with you if you have good irrigated land that you would like to plant to Popcorn. These contracts are with very reliable companies and you will be pleased with the way that they handle these contracts. We will write only White Popcorn contracts and the acreage will be very limited so if you are interested please see us soon.

Alfalfa and Grass Seed.

The PMA have some very attractive payments to make for putting rough land back to pasture land. We have a very large stock of alfalfa, sweet clover and all kind of grass seed on hand. We have Intermediate Wheat Grass, Crested Wheat Grass, Western Wheat Grass, Bromo Grass, Red Top, Timothy, Gramma Grass, Red Clover, Alsike Clover, Ladino Clover. Remember that we have all of these in stock in limited quantities, and have a good source of supply in case we run a little short.

Hyline Chicks.

Now is the time to get your order in for Hylines for delivery in the next couple of months. We are receiving a lot of orders on these chicks. Nearly everyone that has had Hylines are recording this year and many of their neighbors are ordering Hylines this year. You can be sure that you will receive from two to five dozen more eggs in a year than from straight bred chickens. We carry a complete line of supplies and remedies as well as very good poultry feed.

"It pays to buy from Noll."

Lenker Working on Garage, Home

Excavating preparatory to construction of a garage and house, began last week on the Ted Lenker property, west of Bussell park, this being the high, narrow tongue of land between the old highway and the new blacktop. Mike Axthelm's heavy dirt moving equipment was used, object being to cut the garage site down to level of the paved highway.

Mr. Lenker plans to build a garage and machine shop on the highway level, using cement blocks and above it will be living quarters of frame construction. Garage

Beware of The Fly-By-Night!

With the coming of spring, another type of peddler usually makes his appearance. These peddlers are the itinerant roofers, insulation and home decorating men. In the guise of smooth, fast talk and fancy contracts, these men manage to do a fair amount of business. Their products are usually all right for quality and their work is passable.

Before you contract with them, please investigate and get bids on comparable work from one of your home town firms.

As an example:

Insulation-siding jobs have been sold in this community by these people ranging from \$25 to \$20 per square.

Asbestos shingles used cost on an average of \$12 per square. Any one of our local carpenters would be glad to handle the installation for \$5 per square. The average house using 15 to 20 squares of siding, the difference is \$150 to \$300. That's the amount of money to you to investigate before you buy?

Information

When considering the information available all times for those who at there should be so information as well. One boxes of this world is person, who, given the thing a story just as seems impelled to to his own fancy, and for the truth.

knows better than the an how prone a great people are to stretch to twist them to fit their own rather than just as they occur to the editor's every newspaper every if printed just as would lay the paper wide and suit.

remedy for this is humility, knowing the high long experience,

and checking the story with that of somebody else, preferably as near the original source as possible. It is usually safe enough to accept stories as given by public officials as essentially correct, except in cases where these individuals figure in the story themselves.

Truth is stranger than fiction, and this is true in a far different way than the man who first coined the phrase intended. Strange also means unusual, and the truth is far too unusual in this world. It should be the usual thing to tell the truth, and in the usual items of life, it is usual. It is strange that the tendency to embellish a story increases with the news importance of it.

Mankind is like the fisherman who so often manages to lose the biggest fish he hooked on the whole trip. It may be that the fish was big, but he has no way of proving it. So he resorts to the subterfuge of making the fish even bigger than he really thought it was in order to properly impress his hearers, who will probably not believe him anyway.

Not knowing the facts is another common reason for using the imagination. When there is really nothing to tell about and people want to know all about it, too many people are willing to oblige, and stretch their imaginations to do so. The result is often a story so far from the actual facts that there is no resemblance to the original story.

Passing a story from one person to another is one of the surest ways of garbling it. Each person in the chain adds something here or leaves out something there, without any real intent of doing either. If repeated often enough even the name of the party or parties concerned may be lost.

In giving a story to the press it is important to tell only what you know to be a fact, qualifying any further information with "it is claimed" or "it is rumored," or some such expression. This gives the news reporter the cue to check that part of the story for confirmation or rejection. The truth is what newspapers try to report, and what the public expects.

My Own Column

By H. D. Leggett

In writing to renew their subscription Mrs. Mary Karty gave me a most hearty invitation to come and see them the next time we make a trip to Minnesota. They formerly lived for many years in Valley county but now live near Osakie, Minnesota.

I would appreciate it if more former Valley county people, when they write to renew their paper, would take time to write a few lines about themselves and families that would be of interest to their old neighbors. When someone does this occasionally I always have several comments from those who knew them and they sure do appreciate that news.

I cannot understand why: So many people fail to return the card notice with their subscription remittance.

So many people who want the Quiz neglect to send in their renewal before the paper is out and their paper stops. So many people drive their car till all the gas is used and then have to sit on the road while someone goes and gets a few gallons. So many people, in paying for their Quiz from distant states, send only \$3, instead of the necessary \$5.50.

I cannot understand why President Truman insists on cutting the excise tax in half on furs, perfumes, jewelry and luxuries. Why doesn't he leave it as it is on the luxuries and cut it on the necessities. People who buy fur coats and other such luxuries are able to pay the tax.

If my grandson keeps on growing like he has in the few months since he was born, it will only be a few years until I can match him for a wrestling match with Otto Radil.

I had a request the other day for an autographed copy of my recipe for baked beans. Ed said he would look up a picture of a bean pot and we would print up some of the recipes. That wouldn't do through because my beans are not beanpot beans.

Heinie Pesha sent me the following which he evidently thought would be good filler for this column:

Why I Drink (No More)
I had twelve bottles of whiskey in my cellar and my wife told me to empty the contents of each and every bottle down the sink "or else." So, I said I would and proceeded with the unpleasant task.

I withdrew the cork from the first bottle and poured the contents down the sink with the exception of one glass which I drank. I extracted the cork from the second bottle and did likewise, with the exception of one glass, which I drank. I then withdrew the cork from the third bottle and emptied the good old booze down the sink with the exception of a glass which I drank.

Then I pulled the bottle from the cork of the next and drank one sink out of it and poured the rest down the glass. I pulled the sink out of the next glass and poured the cork down the bottle and drank the glass. Then, I corked the sink with the glass, bottled the drink and drank the pour.

When I had everything emptied, I steadied the house with one hand, counted the bottles and corks and glasses with the other, which were twenty-nine. To be sure, I counted them again, when they came by, and I had seventy-four. And as the houses came by, I counted them and finally I had the houses and bottles and corks and glasses emptied, except one house and one bottle which I drank.

++ Something Different ++

I was so sorry Gene couldn't get away to go on the wonderful navy cruise he was offered. Only five editors from each state were chosen, quite an honor in itself.

They were to fly in navy planes from Omaha, spend 25 days at sea watching the Portrex army and navy maneuver in the Caribbean, the object being to capture an island, I believe.

Doesn't that sound exciting? Each editor was thoroughly investigated by Uncle Sam, and had to be officially okayed as a proper person for the trip.

Gene got his O K from Uncle Sam a few days ago. So now we won't have to worry about him being a communist, will we?

There were to be no substitutes, if the selected five editors could not go. So perhaps Gene saved the taxpayers a little money when he refused: that's the only silver lining I can find to this particular cloud.

For Ord and Alliance to meet in competition for football or basketball honors seems quite ambitious—from Ord's viewpoint. Of course the new census figures may reverse the lop-sided story but I'll bet against it.

As of other years, before census, Ord's population has been approximately 2,400 and Alliance is roughly four times as large. Do you suppose Allen Zikmund ever finds himself cheering for the wrong team?

An Ord youth, he once was, but now he is head coach at Alliance.

And possibly he wonders whether to feel elated or depressed when Ord beats his team, as it did last Friday.

Somebody in Broken Bow was mighty confused the other night when the Ord Chanticleers played there. For they kept referring, on the radio, to "the" Ord Chanticleers.

I guess we did hang kinda high!

A visiting doctor, my brother-in-law, in fact, took time to tour the Ord Cooperative hospital on a recent Sunday, and was high in his praises—"in fact, it's the best small-town hospital I've ever seen!" was the conclusion of his remarks.

"It's neat and fresh throughout, it's well arranged, with everything just where it should be; the kitchen is modern and well-equipped" are some of his comments.

I have a great deal of respect for Dr. Wilcox's opinion; and I think we are all convinced we have a good hospital.

Don't you think three rousing and l-o-o-n-g cheers are in order for the hospital board? I do. For Clara McClatchey, who worried about colors and paint and decorating, and her co-worrier, Aileen Papiernik.

For the Nashes, who worked long and faithfully. And especially for Archie Geweke, who devoted his business acumen and time unsparingly, who drove here and there, wrote and phoned, ditto, about supervisors, nurses, equipment in general.

Lucky us — to have such a good, competent hospital board.

The motto at our house is "never a dull moment," and if you have children you know it's the motto at your house too.

And so it must be at the Asa Anderson home, where three little girls keep things buzzing.

Last week Sonya was ill and kept in bed. Her two smaller sisters found it great fun to wait on her, playing nurse with vim.

Mrs. Anderson sent little Lynne up with a pill which it was time for Sonya to take.

Sonya called downstairs: "What are those pills I've been taking?" "What pills have you been taking?" inquired Wilma.

"Lynne brought me two pills, and I took them, what were they?" Sonya answered.

Lynne was called and questioned. It seems she had presented little red cinnamon candies, and a glass of water. Sonya obliged by taking it, so after an hour or two Lynne, very businesslike, brought her another!

Is it horseradish time yet? Aren't kids funny? We hardly pile up the skating pond when presto . . . I see them out trying to play marbles, in the mud!

With the advent of spring there are probably a lot of new bicycles that do not have that good safety measure, Scotchlite tape, put on the front and back fenders.

Probably it doesn't matter if your youngsters ride only in daylight, but for heaven's sake if they ride after dark, either for business or pleasure, see that their bikes have this light-reflecting tape on them.

Fire Chief George Anderson said there was considerable tape left, after it was put on bicycles last fall. It was purchased by kindness of the Ord Business and Professional Women, applied by kindly Ord firemen.

It is really a life-saver.

Terry Carpenter is right about the west half of Nebraska being a step-child, only valuable for tax-collecting.

Omaha and Lincoln treat us about as enthusiastically as New York City does the rest of the United States.

Our opinions are of no value. We do not exist!

School Daze

We just came back from our annual picnic in Marshalltown, that place in Iowa where most of our nances come from. We went through the Lenox saw furnaces, blowers, and ductwork made in Marshalltown style, yet closely inspected and every one of them know his or her job. We listened to lots of other dealers' troubles and they listened to us and we picked up a lot of ideas—many of them had our faith bolstered up in a lot of our own and got a few debunked.

And they took our picture and gave us a "scoop" to give our publication. But we like our own words. It's an understatement to say we don't take a picture, so they both went down in a drawer, at when no one else is around to see them.

And now we are back, full of knowledge of heating developments, practices, and equipment. Wrinkles in oil, gas, or coal furnace service, confidence that we can take care of your heating better than ever before.

Years of Basketball from Files of the Ord Quiz

Decade of basketball school, 1910 to 1920. deal for the play- first time had a which to play. The was completed at his period, and a ample for those sided in the plans. a full size floor, a ceiling high lit long shots, and ce of perhaps two tors by crowding. ections to the room walls, especially ers at the doors. play a player out the walls and er disagreeable re- served its purpose ol, this building is ed as the grade

is rather sketchy. The writer is indebted to some of the participants of those days for much of the data used, and for keeping quite a few "bugs" from creeping into the story.

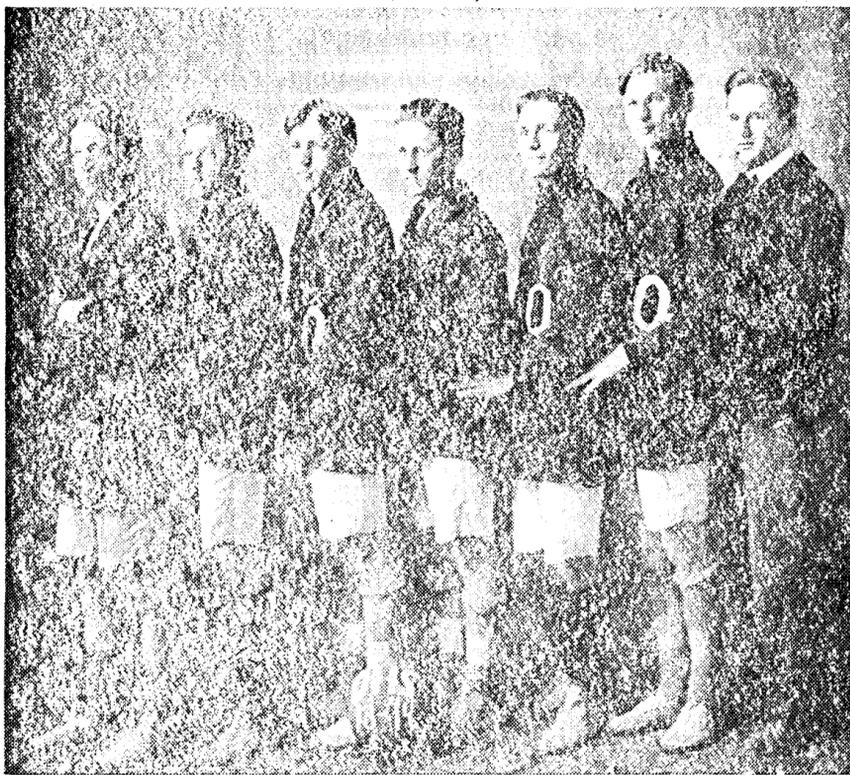

The first recorded game was played Sept. 23, 1910. The St. Paul baseball team came to Ord to play Ord high, but the game was rained out. Rather than lose out altogether they arranged a game of basketball for that evening, and Ord won by a score of 31 to 21. In credit to the St. Paul boys it might be said that several of their basketball players were not present.

The next game written about came Jan. 13, 1911 when Ord high went to Wolbach and defeated the team there by a score of 37 to 14. The score at the half was 19 to 3. Marion Cushing did the refereeing to the satisfaction of all concerned. That was long before the days of paid officials, or salaried coaches.

Feb. 10, 1911 the St. Paul team came to Ord and met defeat by a score of 33 to 16. No players are mentioned, but Ord had one of the best teams outstate at the time and the boys planned on making a tour later. They apparently didn't make it, but the team made one the next year.

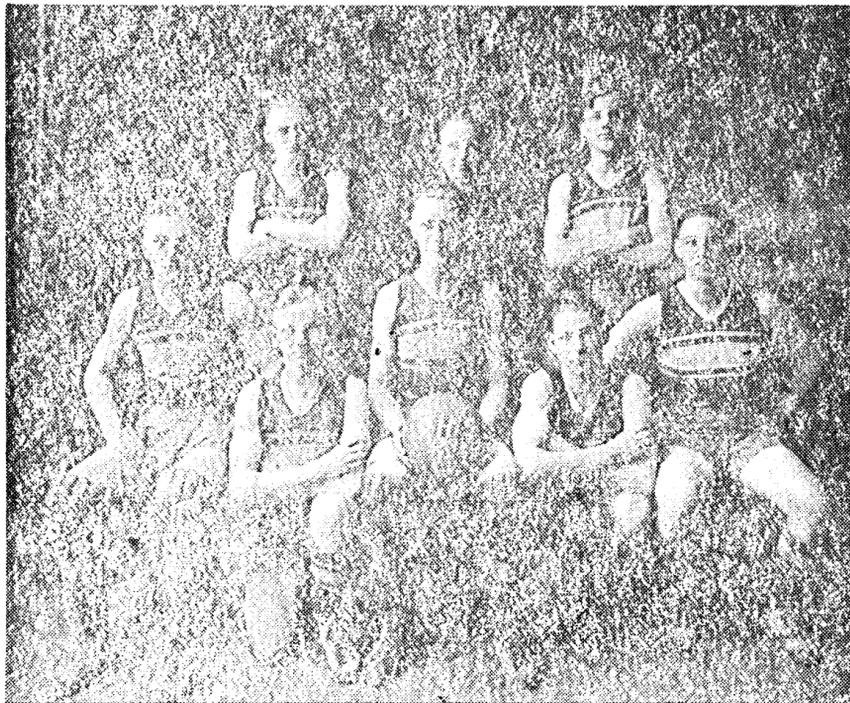

March 2 Ord was all ready to go to St. Paul for a return game when word came that the game had been called off because the players had too much school work. The game was to be played later. Imagine letting such a thing as school work interfere with athletics.

It might be well to insert here the names of some of the boys who performed for Ord high about this time. From 1911 to 1915 there were Ralph Carson, Charles Misko, Frank Nay, Evet Smith, Bill Ragan, Elgin Clason, Wes Flynn, Clayton Noll, Frank Prince, Glen Auble, Cecil Staple, F. L. Blessing, Floyd Collins, Earl Dorfner, Alfred L. Hill, Leigh Carson, Bryan Eyerly, Bill Heuck,

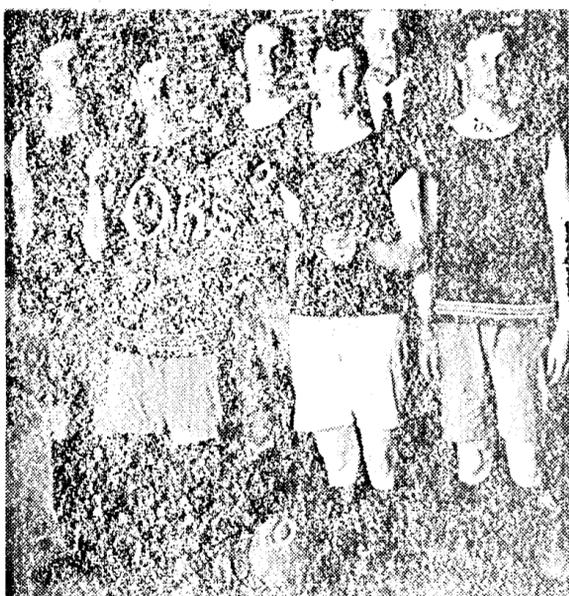

They Played Basketball in Ord's First Gymnasium

Only one of these boys still lives in Ord, Bill Heuck, next to the coach. The others are left to right: Leslie Maritz, Leigh Carson, Leslie Flynn, Bryan Eyerly, Alfred (Turk) Sorenson, and Heuck. The coach was Frank Darling. Henry Zikmund, regular center, was ill with pneumonia at the time the picture was taken. Note the funny socks and the suits, which the boys bought and paid for themselves. Photo by Orin Mutter.

Here Are the Ord Basketeers of Thirty Years Ago

Two of these fellows are still with us, Dworak and Leggett. Left to right, front row: Joe Dworak, Sigurd Moller, Seton Hansen, Edgar Piper, and Eugene Leggett. Back row: Harry McBeth, Coach LeRoy Benedict and Roy (Ponce) Heuck. Coach Benedict was later killed in a train wreck. Photo by Orin Mutter.

The 'Few But Mighty' Players of 1910

The above photo was brought in by Bob Noll, and just got in under the wire, after the story had been completed. Left to right, they are: Herman Benjamin, Glen Auble, Bob Noll, Frank Nay, Prof. W. C. Noll, coach, and Evet Smith. The Benjamins left Ord before Herman graduated. Smith and Auble were forwards, Noll was center, and Nay and Benjamin were guards.

Floyd Williams, Earl Barnes, Les Flynn, Emanuel Gruber, Stanley McLain, Leslie Maritz and Henry Zikmund.

Up to 1912 there was a tendency to start basketball early and keep it up practically all through the school year. After that time football came into its own and took up the autumn months, with basketball practice starting right after Thanksgiving, much as it does today. This may account for

One of the bright spots of the decade was the publication of Ord high school's first annual, a project undertaken by the students on their own time, without coaching and with the group raising all the necessary funds by selling ads to the merchants. It was put out by the Class of 1913, and the president, Alfred L. Hill, loaned his copy for use in obtaining data for this story.

According to the record in this

It is possible, however, by reference to the list of graduates, and with the help of men still living here, to give a list of those who won their share of games for Ord high in the years from 1916 to 1920. It is significant that Ord did not have more than ten players at any time during the entire decade. Players, listed by the years in which they graduated, are as follows:

1917: Louis Bailey, Robert Batie, Wallace Detweiler, Keene Haldeman, Herbert A. Schmid, and Clarence Woods. 1918: Lorenzo Blessing, Claude Gadd, Lloyd McGrew, Harold Scovins. 1919: Glendall Bailey, Leon McMindes. Then there are the boys who played in the picture shown herewith, but who did not graduate until after 1920.

It must be remembered that the first World War was on during 1917-1918, and, while this did not affect the number of boys in high school, it did give many of them something to do besides playing basketball. In fact, for two years the game was almost at a standstill, not only locally, but all over the area. Games had no part in winning the war, and were neglected.

This makes the team of 1919-1920 the first real post-war team, and the boys did some fine work in getting the game on its feet again and in favor with the game-loving public. The past thirty years has been marked with high class squads practically every year in Ord High school, and their story will appear in three installments.

Scouts Win Merit Badges, 5 Advance in Rank

Members of the Ord Boy Scout troop were advanced to the rank of Second Class at a court of honor held Wednesday evening in the district court room.

C. Biemond, president, and the advancements were presented by L. M. Johnson, of Columbus, of the Covered Wagon Council.

Scouts in rank were Keith Robinson, Richard Andersen, Bob Moore, Lyle Manchester and Reggett, the latter being absent.

Three Scouts also won merit badges, Bob Moore with six, Dick Andersen with three, and Lyle Manchester with one.

Dick Andersen is Scoutmaster of the Ord troop. Five new Scouts will be given tenderfoot status at the next investiture meeting.

Mayor Blessing, Other Officials, Win Endorsements

Caucuses Quiet, Just 3 Good Gov't Voters Attend Meeting

The Ord city caucuses Wednesday evening were quiet affairs, only three citizens attending the Good Government party caucus and less than a dozen the Citizens party caucus.

Present city officials were generally endorsed for reelection.

Mayor F. L. Blessing won the endorsement of both groups as did Councilmen Armstrong and Brown.

Councilman McGinnis was nominated in the third ward by the Good Government caucus but the Citizens party named Otto Pecenka for the office and the Pecenka-McGinnis race will be the only contest on the ticket.

Both parties renominated James B. Ollis for city treasurer, both named Mrs. Agnes Dodge for city clerk, both plumped for John R. Sullivan for police magistrate and both put up Orin Kellison and Ralph Norman for the school board and Ervin Merrill for the park board.

Telephone Head To Tennessee

G. A. Klein, who has been serving more than two years as general manager of the Nebraska Continental Telephone Company, Columbus, has been transferred to the Southern Continental Telephone Co., at Cookeville, Tenn.

He will serve this company in the capacity of president. Mr. Klein was a frequent Ord visitor.

He left for Cookeville, March 1, and Mrs. Klein and their two sons, Ronnie and Bill, will remain in Columbus until the conclusion of the school term.

His successor is expected to be named within a few weeks. Until that time, the assistant secretary, C. G. Farris, will be in charge.

Storm Slows Red Cross Fund Drive

The annual Red Cross fund drive came to an abrupt standstill when Tuesday's storm halted the efforts of volunteer workers who were beginning solicitations.

Miss Katherine Helzer, county fund chairman, reports that more than \$165 of the quota of nearly \$1000 has been turned in. This amount represents the corporation donations, the solicitation of which was handled by Mrs. George Parkins.

Volunteer workers in rural areas of the county have begun their work, but no report has been received from them.

Babka, Sevenker Attend Meet of Buttermakers

Four-Day Plan for Cream Delivery is Given in Detail

Emil A. Babka, manager, and Adolph Sevenker, head buttermaker of the Ord Co-op Creamery, attended the annual meeting of the Nebraska Butter Institute held at the Ag. College in Lincoln last Friday.

The Co-operative Creameries group appointed Emil Babka to serve on the Board of Directors of the Nebraska Butter Institute for the coming year.

Adolph Sevenker accepted the Certificate of Merit which was given to the local creamery in the Cream Station Scoring Program.

There were 903 stations and creameries scored in Nebraska and only twelve received a score of 98% or better. The Ord Creamery was one of the top twelve.

The four day plan of cream delivery was explained to some extent to those in attendance. This plan provides that cream over four days old could not be used in 1st grade butter.

A new test is being used by the Federal Inspectors which determines whether any decomposition of fat has taken place in the cream used in the manufacture of that piece of butter.

Most authorities are of the opinion that four days is about the limit on cream held at temperatures of 60 to 90 degrees. Any butter found to have been made from cream where the decomposition of fat has taken place is being seized and the manufacturer prosecuted.

To protect the producer and manufacturer alike, the four day plan seems to be the logical solution.

While it has been in operation, in some of the other states, with very good results, here in Nebraska it is just being drawn up by the various Dairy groups and the State Department of Agriculture and Inspection. When completed it will go to the Attorney General for approval. If approved, it will become a regulation perhaps about May 1st.

Chant Reserves Earn Four Wins

The Ord high school reserve basketball team finished the season with a 666 average, winning four of six games played.

The "B" squad began the season with a 24-14 win over Ravenna, and then dropped one to Columbus, 16-37. A 33-21 victory over Albion came before a 33-38 defeat by the Broken Bow Indian reserves.

Ord won the last two games—both by pretty narrow margins. The Chant seconds toppled Central City by a 24-20 count and got by Aurora 30-28.

Nearly 20 boys saw action on the reserve squad, and according to Coach Dick Peterson, they've had enough seasoning to prove dangerous next season.

Ord Loses 2 Days Of Mail Service; Carrier in Ditch

Hoppes Gets Stuck on Tues., Out Wed., but Turns Back to G. I.

"The U. S. Mail must go through."

"Neither wind, nor rain, nor snow, nor gloom of night, keep these brave couriers from the swift completion of their appointed rounds."

So used to run the slogan and motto of the United States postal service.

Tuesday, during one of the worst storms in the Loup Valley's history, Ord and valley towns were without delivery of mail, express, bread, milk, candy, tobacco and the other luxuries, necessities and conveniences that come daily from Grand Island via truck.

"Nobody" minded for nobody expected truck drivers and service men to risk their lives in such weather.

Wednesday morning, as highways began to open up, the flow of truck traffic was resumed. In came bread, milk, a candy and tobacco truck, the Union freight-express truck bringing daily newspapers and, finally, the heavy freight carriers. Even a fish truck came, bringing fresh oysters. Everything but mail. The mail, for a second day in succession, failed to come through. Also mail, for the second day, failed to go out. Who cares, anyway?"

Inquiry at the Ord postoffice brought no information. "Nothing has been heard from Mr. Hoppes who carries the mail," said the postmaster. Apparently, so far as the postoffice department knew or cared, the mail would get here when it got here and that should be good enough for anybody.

A long distance phone call to the Grand Island postmaster brought forth the information that the carrier had left with his load of mail for the Ord-Burwell star route at the usual time Tuesday morning and that nothing had been heard from him since. The Wednesday accumulation of mail for this branch was still piled in the corner of the postoffice there said a spokesman for the Grand Island postmaster.

At 2:30 p. m. Quiz tried a phone call to St. Paul to find out if the carrier ever got there Tuesday. The postoffice there has no telephone. Bob Fisher, editor of the St. Paul Phonograph, next was called and volunteered to find out what he could and call back.

Back to Grand Island.

A half hour later Editor Fisher's call came through. The star route carrier had passed through St. Paul on his way back to Grand Island. Tuesday morning he passed through St. Paul on time but got stuck in a ditch near Midway. He spent the night in the farm house of the Sevicks. Tuesday, got his truck out of the ditch about noon Wednesday. Then, instead of coming on to Ord and Burwell with his load, over highways that had been open all day, he returned to Grand Island.

Presumably, patrons of this star route may hope for some mail Thursday—maybe. And that once the mail comes in Ord may have outgoing mail service for the first time since Monday.

Grand Opening Held At Auble Jewelry

Seven hundred and forty-nine persons were greeted by Edith and Emil John and Arvilla and Don Auble, Saturday, when the Auble jewelry held its grand opening.

The store has been remodeled extensively, with the floor space of the jewelry department enlarged considerably. A large stock of new gift items has been added and enough display space is now available to present the new lines

Storm Causes Postponements

Tuesday's blizzard forced a series of postponements of events scheduled for this week.

The clean-up sale of Mrs. James Coleman, scheduled for Tuesday was postponed until Tuesday, March 14.

At North Loup, an afternoon free show, the Dearborn Round-up, sponsored by the Loup Valley Tractor and Implement Co., has been postponed until Wednesday, March 15.

The district basketball tournament at O'Neill, in which Ord competes, was postponed to Thursday evening and the Grand Island district meet also was set back, with finals now scheduled for 8:00 p. m. Saturday.

Jacqueline Burrows Wed in Kearney

In a ceremony Friday evening in the Zion Lutheran Church, wedding vows were exchanged by Miss Jacqueline Dee Burrows, daughter of Mr. and Mrs. R. E. Burrows of North Loup, and Roland G. Krutz, son of Mr. and Mrs. L. C. Krutz of Kearney. The Rev. E. O. Potratz read the double ring ritual in the presence of 35 guests.

The altar was decorated with spring flowers; tulips, Japanese iris and jonquils. E. F. Pflughoeft, organist, played the wedding marches, and accompanied Miss Natalie Maser when she sang "O Perfect Love," and the Twenty-third Psalm.

The bride, escorted to the altar by her father, was dressed in a suit of rose-tint gray, with gray accessories and an orchid corsage. Miss JoAnn Burrows, of North Loup, attended her sister. She wore a two-piece costume of tan and brown, with tan and brown accessories, and a corsage of pink carnations.

Liddell Steckmann, Hastings, a friend of the bridegroom, was best man. Marilyn Heiden served as usher.

The mother of the bride was dressed in black with black accessories. The bridegroom's mother wore an afternoon dress of luggage brown. Both had corsages of red roses and gardenias.

Among the guests were Mrs. Stanley Harris, Kearney, grandmother of the bride, and Mrs. George Becker, Deshler, grandmother of the bridegroom.

Following the ceremony, a reception was given at the home of the bridegroom's parents. The two-tiered wedding cake, flanked with lighted white tapers, centered a lace covered table. The cake was baked by Mr. Carl Weber and decorated by Mr. Phil Maser.

The bridegroom was graduated from the Hastings high school and spent one and one-half years in Korea while serving with the U. S. army. He is now a student at Kearney State Teachers college.

Mrs. Krutz is a graduate of the North Loup high school. She attended KSTC and more recently has been employed in the Buffalo county AAA office. Following a short wedding trip, they will be at home at 811 West 28th, St., Kearney.

Morris-Sich

Mr. and Mrs. Robert Sich.

Sunday, March 5, at 2:00 o'clock the Bethel Baptist church was the scene of a wedding when Dorothy Morris became the bride of Robert Sich. Rev. Eugene Olson performed the double ring ceremony.

The bride wore a frosty green satin gown with a high neckline and a peplum falling into a train. The long sleeves formed a point over the wrist. She carried a white Bible and gardenias with a shower and wore a pearl necklace, a gift from the bridegroom. The gown was a gift from her brother, Virgil Morris, who is now in Yokohama, Japan.

Lorraine Sich, sister of the groom was maid-of-honor, and Maxine Masin, cousin of the groom, was bridesmaid. They were dressed in identical gowns of white taffeta and carried a white Bible with gardenias.

Best man was Leonard Sich, brother of the bridegroom, and Jim Sich, also a brother, was the attendant.

Linda Lou Miller of Valley, wearing a white bonnet and white dress with a peplum, was flower girl. Betty Bruha and Marlene Bresley, friends of the couple, were candle lighters. Their gowns, which were designed alike, were of yellow and blue taffeta respectively.

Mrs. Leslie Nash sang "Beloved It Is Morn," Wm. Nelson sang, "I Love You Truly" and Don Auble sang "Because." All were accompanied by Pat Brown.

Immediately following the ceremony a reception was held for the family and friends. The four-tier wedding cake, cut by Mrs. Harold Miller of Valley, former guardian of the bride, was trimmed with pale green and topped with love birds.

Betty Petska and Donna Wilson had charge of the gifts and Garnette Kokes was in charge of the guest book. Norma Vavra and Mary Ann Roe served. All wore rose corsages.

For her going away outfit the bride chose a light tan suit dress with a frosty green dicky and black accessories. Her corsage was gardenias. After a wedding trip the newly weds will make their home on a farm north of Ord.

Mrs. Sich has, for the past year, been employed at Osborne's Shoe Store and Mr. Sich has been farming.

Out of town guests attending the wedding were Dr. and Mrs. Gerald Kuehn of Fort Leavenworth, Kans., Mr. and Mrs. Harold Miller and Linda Lou of Valley, Mrs. Minnie Turnwall of Wahoo and Rev. O. M. Smith of Flint, Mich.

Engagement Announced.

of these points. Capt. Joe Dworak played a fine floor game, also at forward. The guards were Heuck and Williams, and Seton Hansen played center. Bill Heuck was the referee.

That same night the Ord girls lost to Burwell by a score of 20 to 11 in their first game of the season. Playing for Ord were Fern Milligan and Gerda Moller, forwards, Flora Leggett, center, and Astrid Moller, Gertrude Collipriest and Fay Bunday, guards. Clarissa Gates played a part of the game. In those days the girls played a six-woman team.

Jan. 20, Ord defeated St. Paul at Ord, 22 to 13. The game was slow, with Ord ahead all the way. Playing for Ord were Mutter, Misko, Heuck, Dworak, Williams and Taylor. Conklin played best for St. Paul. The next night Ord defeated St. Paul Business college there, 18 to 13.

Jan. 21, the Ord girls went to Burwell and won, 6 to 1, in one of the lowest scoring games on record. Burwell played in the old gym, which was so small that any long throw went out of bounds by hitting the ceiling. Coaching the Ord girls was a Miss Stillwagon.

Jan. 28, Ord lost at Ravenna, 17 to 16. Feb. 3, at Ord, the locals defeated Broken Bow, 31 to 8, and Hanson made ten points. Nay was mentioned as a player. On a four Ord won from Aurora on a forfeit, won over Giltner, 28 to 24, and lost to St. Paul, 15 to 9. Ord won the final game at Burwell, 10 to 5.

The next year for which records are available, is 1924. Jan. 16, the Ord girls lost their first game to visiting Osceola, 18 to 14. Meanwhile the Ord boys had won from Burwell, Jan. 13, score 21 to 14. McMines and Fillingier are mentioned in this game.

played Jan. 23 with Loup City and Ord won 24 to 10. Whitaker starred for Loup City and Elam for Ord. Grand Island came to Ord Jan. 24, and won 16 to 2. Floyd McLain made the solitary field goal in the last half. Scotia had won from Ord on their own floor earlier, but lost at Ord, Jan. 30, 12 to 10, with two 5 minute periods needed to play off the tie.

Everett McLain starred for Ord and George Romine for Scotia. Ord went to Loup City, Feb. 13, and won there, 13 to 10. They then went to Ravenna and lost 28 to 8. In the district tournament, with E. McLain out, they lost the first game 19 to 7. On that trip were Fillingier, F. McLain, Fredericks, Taylor, Elam, Campbell, Collipriest and Round.

Coach Colwell's boys won over St. Paul at Ord, Jan. 1, 34 to 17. A game between Scotia and Ord was ballyhooed loud and long for Jan. 15, but was not played. A good game was also promised Jan. 30 with Ansley coming to Ord, but this failed to develop. However,

they won over Burwell, Jan. 22, 24 to 11. An Ord sophomore team was defeated at Comstock, Feb. 23, 17 to 7.

In December, 1926, the juniors defeated the seniors, 15 to 13, then defeated the sophomores, 15 to 10. The school news announced Dec. 16, 3 lettermen back and a total of 30 out for practice. The coach was now Rex Reed. Jan. 21, Ord won from Scotia, 16 to 15. Jan. 29, Wiggle Creek defeated Ord, but the score is not given. Earl Blessing was out with an injured elbow.

Feb. 4, St. Paul won at Ord, 12 to 6, and Vernon Andersen was out with an injured knee. Feb. 11, Ord defeated Scotia, 55 to 15. They played a five-man defense and had Sautter bottled up most of the time. Bentley was star for Ord. The next week, North Loup defeated Ord, 26 to 21, and Ord defeated Sargent, 17 to 15.

Ord went to the district tournament, at Kearney, and defeated Central City, 9 to 8. Playing a second game that day they lost to Grand Island, 17 to 9. Ord's final game saw them defeat Comstock here, 19 to 4. Playing their last game were LeRoy, Lashmet, Venie Andersen and Ward Mizar.

Ord went to St. Paul and lost their first game of 1923 on Jan. 13, 25 to 12. Al Perlinski was captain. Round also played a fine game for Ord and Bahesky and Keith Davis were the big guns for St. Paul. It was a game in which fine sportsmanship was displayed.

Ord was ahead 16 to 12, at the half time, at Scotia, Jan. 20, but lost 22 to 21. They were playing in a high ceilinged gym, and Ord was not used to it. Playing were Perlinski, Blessing, Lashmet (Irvie), Round, Adams, Weekes and Williams.

Jan. 28 they won over Coach Bailey's North Loup team, 18 to 13 but the North Loup second team won 6 to 2. Ord lost Feb. 3 at St. Paul, 37 to 8, and the second team lost 26 to 8. Feb. 10 Ord went to Scotia and lost 15 to 6. The record given then shows Ord had won from Comstock, North Loup and Loup City, and had lost to Dannebrog, Scotia and St. Paul, losing two games to each.

Rex Reed's boys opened the season, Dec. 11, on Ord's new gym floor, defeating Ansley 16 to 3. Playing for Ord were Blessing, McGinnis, Carkoski, Lashmet,

Adams, Parkins, Chatfield and Christensen. Lashmet made 9 points. They defeated Comstock, at Ord, 20 to 19, Dec. 21, and lost to St. Paul, 41 to 12, on Jan. 10. Ord defeated Scotia 13 to 8, Jan. 18. In winning over Dannebrog, 24 to 20, on Jan. 25, Capt. Irvie Lashmet made 19 points. Jan. 26 there, they beat North Loup, 12 to 5, which seems to have ended the games for the season.

Meanwhile, four town teams had been playing a round robin thru the winter, and in the end the Hill and Hill team stood first. The Ord Quiz team was second, the Gem Theatre team third, and the McLain-Sorensen team was fourth.

Agricultural Films To Be Shown Here

County Agent, C. C. Dale and Leslie Nash, Work Unit Leader of the Soil Conservation District have announced a series of interesting meetings, featuring moving pictures, to be held over the county next week. There will be a film from the Iowa State College on the European Corn Borer and several films on soil conservation practices, and one for entertainment.

The schedule for the week's showing is as follows:
Monday, March 13 -- National Hall, 8 p. m.
Tuesday, March 14 -- Arcadia High School, 8 p. m.
Wednesday, March 15 -- Barker School House, 8 p. m.
Thursday, March 16 -- To be announced.
Friday, March 17 -- Dist. No. 10 school, 8 p. m.
Saturday, March 18 -- Ord High School, 2 p. m.

The meetings at Arcadia and Ord will be held in conjunction with the Veterans Training Groups as a part of their regular meetings. The general public is invited to attend these two meetings, as well as the others.

The films will be of interest to members of the entire family and women and children will be welcome.

to send the high school pupils home also, except those from the country, who had to remain.

The teachers and about 30 students remained at the high school all day and ate dinner there, raiding the home economics room and eating up all the food they found there. Due to good management on the part of the faculty and others, all the children got through the storm in fine condition.

Tournament Postponed.

Mr. Thompson was notified Wednesday morning that the district basketball tournament at O'Neill had been postponed one day, and would start Thursday evening instead of Wednesday evening, as originally planned. The Ord team is scheduled to play Thursday evening, if they are able to get there.

Communications Out.

The telephone line to Burwell was out Wednesday, and Mr. Thompson was unable to get word to the school there of the change in dates of the tournament. He stated he would call KMMJ and have them announce the change and thus be certain that Burwell would learn of it in time.

At the Continental telephone office in Ord the morning crew came to work and remained on the job all day rather than try to make a change during the worst of the storm. The toll lines were out through the day until 5 p. m. when communication was re-established. Burwell went out early Tuesday, and was still out Wednesday forenoon.

About forty phones in Ord went off during the day, and thirty of these were still dead Wednesday morning with the crew busy trying to get them back in working order as quickly as possible. A number of country lines were out during the day, and some may be due to broken wires. Ord and North Loup were in communication all through the storm.

No Train or Wire.

Both railroads were completely dead for the day. The Burlington wire went out at 10:30, according to Agent Dan Dilla, and was off all day. A train started up from Aurora, got stuck near Central City, and gave up the trip. The Union Pacific had no wire, no train and no truck, so the station agent, G. W. Finley, stayed home all day.

Andrew J. Wise, Resident 55 Years, Goes to Reward

Manager of Ravenna Creamery Co. 30 Yrs. Member School Board

The death of Andrew Wise last week removes from the scene one of the well known early business men of Ord. He came here 55 years ago, and was well known all over the area for his ability, industry, honesty and integrity, especially among the farmers from whom he bought produce.

Andrew J. Wise was born June 30, 1886 at Ithaca, New York, and passed from this life at Ord, Nebraska, March 3, 1950. The parents moved to Virginia and he spent his youth in Virginia. He came by ox-team to Nebraska in 1888 and settled on a farm.

He was married to Martha E. Sherard in 1891. To this union were born two children, Ethel and Ernest. Ethel died in infancy. Mrs. Wise passed away in October, 1926.

They moved into Ord in 1895 and for 30 years he was manager of the Ravenna Creamery Company. In 1920 he went into the creamery business for himself and carried on the business for many years.

He was a member of the Ord school board for 15 years, at the first of the century. He was a member of the I.O.O.F. and the K. P. lodges.

He leaves to mourn his departure a son Dr. E. E. Wise and grandson Earl Barron Wise, of Lancaster, Calif.

Funeral services were held by Rev. L. V. Hassell at the Hastings-Pearson chapel, Saturday afternoon at 4:00 o'clock. The body was taken to Omaha for cremation.

Mrs. Mark Tolen sang "In the Sweet By and By," Mrs. O. A. Kellison accompanied at the organ.

Travis Reports.

Horace Travis, weather observer, says that his barometer went the lowest in years Monday evening, and continued low most of the day Tuesday. He found it difficult to get a correct reading on the precipitation, but says the gauge showed 1.60 inches of moisture and ten inches of snow. He believes this to be a little high because of the terrific wind, and pared the official reading to 1.50 of moisture and 8 inches of snow. He estimates the wind Tuesday at from 60 to 70 miles per hour.

Worse Than 1888.

Mr. and Mrs. Charles Palmatier, both of whom went through the famed blizzard of 1888, are of the opinion that the storm Tuesday was even worse than any that they had seen before. Mr. Palmatier, who is 94 years old today, March 9, says the winter of 1888 was worse in extent, but that no one of the many storms then was worse than this one. In fact, the Palmatiers say that nothing could be worse. Charlie was carrying mail to Fort Hartsuff in 1880 and had to abandon the job because he could not travel the route, even on horseback.

A. J. (Bud) Shirley, also here in 1888, agrees that the Tuesday storm was terrible, but it was not as bad as 1888 in at least two respects. He says the storm of 1888 came without warning and caught so many people unprepared, something that did not happen this time. Also, the thermometer went down away below zero in the earlier storm, and many people caught out were frozen to death.

Mail Today.

The Debus bread distributor came into Ord Wednesday and reported that Bob Hoppes' mail truck was stuck near Midway, presumably since Tuesday morning. Alfred L. Hill, Ord postmaster, had no further information as to when the mail would arrive.

The Ord municipal light company reported only two breaks, although their circuit breaker kept jumping out and in all day Tuesday, resulting in temporary outages. The REA in Mira Valley was out from 10:30 Tuesday until 10:30 Wednesday. According to the manager, W. P. Hollands, the outage was due to a tree falling across the line. At 11 a. m. Wednesday only two REA customers, F. H. Kuehl and Walter Conner,

were out of service, and these would be taken care of later in the day.

Bus Service Resumed.

At noon Wednesday it was announced that bus service would be resumed with all busses on time in the afternoon, indicating that Highway 11 is open. Tracy Hamilton said his men were working on the county roads and would get them open as rapidly as possible, but that he could not tell definitely how soon that would be, as the condition of most roads is not known until the men get out to working on them.

From reports reaching the Quiz Wednesday there will be some livestock losses in this vicinity due to the blizzard, although loss will not be excessive.

Dr. J. W. McGinnis, Ord veterinarian said that he was somewhat concerned with reports that that eyes of cattle were reported frozen. "This is farrowing time and calf season so undoubtedly there will be a number of litters lost."

Albert C. Slegel, Here Since 1885, Buried Monday

Died at Brother's, West of Comstock, March 3, Aged 72

Albert C. Slegel was born Oct. 2, 1877, in Bohemia. In 1880, he came to the United States to Omaha, Nebr. with his parents. He died at the home of his brother James west of Comstock, March 3, 1950 being 72 years, five months and one day old.

In 1885 he moved to Valley County where he had made his home since. When a young man he was united in marriage to Mary Zadina, who preceded him in death in the year 1941. To this union one son Frank was born.

He leaves to mourn his passing besides his son Frank, three brothers, M. P. Slegel of Central City, J. F. Slegel, Franklin, Mont.; and James Slegel, Comstock. Two sisters, Kathie Tomes, Sargent; and Mary Slegel, Comstock. Two sisters preceded him in death. He was a member of the Modern Woodmen of America.

Funeral services were held at the Hastings-Pearson Chapel Monday afternoon, at 1:30 o'clock. Rev. B. A. Filipi of Clarkson officiated. Music was furnished by

Calif. One other sister, Lois Copeland, was killed in a car-train accident in Gibbon in 1946.

Funeral services were held Thursday morning at 9:30 a. m. at Our Lady of Perpetual Help church, Fr. Thomas Studowski officiating. The Rosary was recited at 8 p. m. Wednesday, at the Hastings-Pearson chapel, and burial was in the Old Catholic cemetery.

Active pallbearers were Dean Bredthauer, Scotia; Bill Chalupsky, Burwell; Don Krik, Rolland

Leonard B. Woods For County Clerk

His many friends all over this area were inexpressibly shocked when news of the death of Stanley Copeland was announced Saturday evening. A young man of high character, he made sincere friends wherever he went, and he will be remembered by them for a long time to come.

Stanley Ray Copeland was born April 5, 1926, at Gibbon, Nebr. He lived near Gibbon on a farm with his parents, six sisters and one brother. He went to school in Dist. 42, and after finishing the eighth grade, he attended high school in Gibbon.

In the year 1944, at the age of 17, he enlisted in the navy. He took boot training at Farragut, Idaho, and from there he went to Shoemaker, Calif., where he was assigned to the ship, USS Orvetta. He also spent some time on the USS LaSalle. He held the rate of S. C. 2c, until his discharge in April, 1947.

While in the navy he married Eleanor Jo Jablonski of Elyria, Nebr. Their daughter, Kay Marie, was born to them in September, 1946, and also an infant son, Stanley Joe, who died at birth in 1948.

After his discharge the family lived in Burwell and Atkinson, Nebr., before making their home in Ord, where they operated the East Side cafe for two years. At the time of his death he was employed by the Bredthauer Motor Co.

He is survived by his wife and 3 year old daughter; his parents, Mr. and Mrs. Luther R. Copeland and their daughters Bonnie and Shirley, who live near Gibbon; two sisters, Mrs. Ed Jordan and Mrs. Garnet Copeland, of Kearney; a sister, Mrs. J. C. Church, of Denver, Colo.; and his brother, George Copeland of Hayward,

Charles Clochon Candidate For County Judge

Charles Clochon, now county judge by appointment, made his filing for that office last week on the non-political ballot. Clochon was appointed in December, 1948.

His is the only office in which there is a contest to date. John L. Andersen filed for judge some time ago, and should there be no more filings, both will be on the ballot next November.

Wilson Files for County Treasurer

Among the new filings for county office is that of Lloyd Wilson, present county treasurer, who presented his name for that office last week. Wilson was appointed treasurer to fill vacancy Aug. 28, 1949.

Prior to that time he had been employed as clerk in the office since Nov. 15, 1943.

Last week Leonard B. Woods filed for the office of county clerk, a position he first took by appointment May 1, 1945. He was elected to the office in 1946, and is up as a candidate for his second regular term.

Ord Schools Closed.

In regard to the Ord schools, Mr. Thompson stated Wednesday morning that there would be no school in either building that morning, but the afternoon sessions would be as usual. It would have been impossible to have held grade school in the morning, since the electricity was off and the building was cold, and an attempt to run high school would lead to some confusion.

An attempt was made to hold both schools Tuesday. By 9 a. m. it was decided to give up the grade school and Mr. Thompson took most of the pupils there home in his car, some others going home with children who lived near the school. By 10 a. m. it was decided

Chants End Season With Dozen Wins; Lose Four Games

As the Ord high basketball team heads into the district tournament this week, it's time to take a look at the season's record. In regular play, the Chants won an even dozen ball games, and were beaten three times. Ord also lost the play-off game for the Trans-Nebraska conference crown, when the Minden Whippets came here and spilled Ord, 52-46, in one of the most thrilling tilts in many a season.

The season didn't start very auspiciously for the Chanticleers. The Gothenburg Swedes ran over them in the first game of the season, by a score of 33-21.

The next game was a breather, however, and Ord ran away from Ravenna, 47-34. Another conference victory followed, this time against Loup City by a 47-28 count.

Columbus was the next Ord victim. A tense, fast game at Columbus ended in a 50 to 41 win for Ord. Broken Bow then fell before the Red and White, 58 to 46.

Ord went south for the next game, and the Minden Whippets whipped the Chants, 53-27, in the only lopsided defeat the Chants suffered.

Ord's next game was no push-over, either. The Chants squeezed by Albion 35-34 in a contest which was decided by the narrowest possible margin—a technical foul called on the Albion coach. Ord made the free throw and held on to the one-point lead until the game was over.

Ravenna provided the next cannon fodder for the Chants. The game was a 64-22 landslide for Ord.

Another trip south didn't do the Chants any good. Sutton came out on the long end of a 44-34 count. Ord got back in stride again by topping Curtis, 46-37; walloping Loup City 55-37; and tripping Broken Bow, 49-33. Then the Chanticleers had a field day when they racked Central City, 64-39.

Alliance proved a real test for the Chants, but Dick Peterson's lads pulled out with a 46-44 victory.

Minden proved to be a little bit too strong for Ord in the Trans-Nebraska conference championship play-off. The Whippets nosed out the Chants, 52-46.

The Chanticleers brought their regular season to a close against Aurora last Friday with a 45-39 win, making the season's record 12 wins and four losses.

The Chants lose some of their strength by graduation this spring, but should have enough returning vets next season to field another strong quintet.

Dworak, Heuck, Laursen, Richardson, Severson, and Stoddard are all at the end of the scholastic trail and it remains to be seen whether enough replacements can be found for them to give Ord the northern division championship

again next year. Of course, optimistic cage fans insist that next season will find the Chants winning not only the northern division crown, but the conference title as well—something they missed very narrowly this season.

Republicans Elected Silas Garber Governor of Nebraska in 1874-76

When the Republicans were casting around for a candidate for governor in 1874 to succeed Robert W. Furnas, who at the end of a stormy term had decided not to seek re-election, they selected Silas Garber, a man 41 years of age who had been in Nebraska only about four years.

Despite his youth and relatively brief residence in Nebraska—neither of which were serious disqualifications in pioneer politics—Garber handily defeated his Democratic opponent, and went on to win re-election in 1876.

Silas Garber was born in Logan county, Ohio, and at the age of 17 moved to Iowa, where he engaged in farming. He served in the Union army during the Civil War, attaining the rank of captain in the 27th Iowa Infantry. In 1870, accompanied by his brothers, Joseph and Abram, he came to Nebraska, homesteading in what is now Webster county. Joseph was the father of Daniel Garber, veteran Nebraska legislator.

Gov. Garber's early career in Nebraska is closely identified with Webster county beginnings. The election for organizing the county was held at his home, April 19, 1871. The next year the town of Red Cloud was laid out on the Garber homestead.

The future governor's first public office in Nebraska was that of probate judge for Webster county. In 1872 he was elected to the House of Representatives of the state legislature. The next year he was appointed registrar of the land office in Lincoln and was serving in that capacity when nominated for the governorship.

in the western part of the state. In his inaugural address Garber urged the legislature to provide adequate relief for Nebraskans stricken by hoppers. He was particularly concerned that seed be planted the next year's planting season. Through all of his legislative career Gov. Garber emphasized the importance of immigration and agriculture, increasing the amount of land available to the state.

TO THE Taxpayers of Valley County

March 10th is the assessment date and to assist you in preparing your return, an inventory sheet has been mailed to every one filing a schedule last year. However, failure to receive one of these blanks does not relieve you from filing this year.

I am asking you to fill out this blank in detail before coming to be assessed in order to save the time of the assessor waiting on you. Each farm operator should also fill out the agricultural report enclosed with his inventory sheet.

Chris Beiers, Emil Vodehnal and John Skala will be in the assessor's office in the Court House, Clifton Clark will be in the Billings Clark office in North Loup, and H. M. Brandenburg will be in the Fire House in Arcadia to assist you in making out your schedule.

These men will be on the job from March 10 until April 20. They will work six days a week and their hours will be from 8 o'clock A. M. to 5 o'clock P. M.

Remember, it is not the assessor's responsibility to see that you file a schedule. It is YOUR responsibility.

Hoping that you will cooperate and call as early as possible, I am yours truly,

W. C. H. NOLL
County Assessor

other items, with a yearly allow-
ance for depreciation on machin-
ery, vehicles and many household
goods, and thus is able by check-
ing his list to put the correct value
on any article you may list.

The state meeting of assessors
set the prices on a part of the
livestock in order to make it uni-
form throughout the state. The
recent district meeting set the
prices of all stock and grain not
already covered at 75% of the
market price at that time. This
being done in other districts and
thus the assessed values, should
be uniform all over the state
when assessing is completed.

If when this is done it still ap-
pears that any items are out of
line, it will be a simple matter for
the tax commissioner to change
those items and inform the county
assessors of the change. It should,
and probably will do away with a
condition that has sometimes oc-
curred in the past, when adjoining
counties have not agreed on the
prices of certain items.

The only place where a valuation
is called for in the inventory
schedule is in the case of shares
of stock in corporations and in in-
tangibles "A" and "B". These are
items in which the taxpayer has
the value available, and of course
the assessor does not. Consequent-
ly the valuation of all money on
hand, shares of stock, etc. should
be filled in.

The county assessor emphasizes
the importance of filling in the
answers to all of the five questions
asked on the back of the inventory
sheet. These answers furnish val-
uable information and are used
in keeping the tax records up to
date.

The business and professional
schedule is different. It has a
place for total values to be enter-
ed, and this should be filled out.
There is a place for furniture and
fixtures, tools and equipment used
in the business, and a place under
classified business to enter the
kind of business engaged in.

Finally there is the inventory
computation from books, and the
figures under this head are to be
given in full exactly as they ap-
pear in the records. Again, please
remember that the inventory sheet
or business schedule is to be made
out in full, and should be done
before going to visit the assessor.

Fair Practices Act.

The president is calling for con-
gress to pass his Fair Practices
Act. Perhaps he is right. It is just
possible that some people are not
getting a fair deal. For example,
a group of miners in West Vir-
ginia last week reached a temporary
agreement with their employer
and went back to work at \$15
for an eight hour day. They
had been getting \$14.05.

That figures \$1.87 1/2 per hour.
How many men in Ord are getting
that amount for each hour they
work? Figured on the basis of a
40 hour week and 50 weeks, that
means \$3,000. How many working
people in Ord are getting that
much? But most workers in Ord
are working a 48 hour week,

which, with overtime would figure
out \$4,550 per year. How many peo-
ple in Ord who work 48 hours per
week are earning that much.

It would be interesting to know
how many businessmen clear that
much in their business in the
course of a year. They have a big
investment and are entitled to a
percentage on their investment on
which they pay high taxes. Some
of them, if they figure a fair per-
cent on the amount they have in-
vested, have very little left for
wages for themselves.

Still another angle. \$2,300 is the
highest wage paid any official in
the Valley county courthouse.
These officials work a 48 hour
week. Allowing for overtime a
man with a \$2,300 yearly salary
draws only 88c per hour, less than
half what the miner draws. This
does not take into consideration
the greater responsibility he has
or the greater education his job
requires.

If the same county official were
drawing wages at the same per
hour rate as the miner is, he would
be drawing the same figure shown
above, \$4,550 per year. But, be-
cause of the special education and
training required to handle such a
job successfully, he could be draw-
ing about a half more, or between
\$6,000 and \$7,000 per year.

Valley county is just getting
over the surprise occasioned by
the reappraisal of land in which
some very radical and necessary
changes were made. From the re-
port it appears that a reappraisal
was necessary. How about a re-
appraisal of wages all over the
United States? This was done,
after a fashion, by the wages and
hours act, but is still far from
complete.

This is not an attempt to show
that the miner is getting too
much, but it is an effort to show
that a great many people are not
getting enough. The miner's work
is hazardous and seasonal. The
fact that Lewis is trying to get a
guarantee of 200 work days a year
indicates that they are not now
working that many days a year.

However, he works hard when
he works, and gets far more rest
time than the man who stands at a
desk or behind a counter, on his
feet all day long, waiting on the
customers all through the year.
The Quiz contends that many men,
and among them county officials,
are not paid enough for the work
they do, the risks they take, and
the responsibilities they have.

Or you can go to that town,
buy a property, put a fence
around it, stay at home and attend
strictly to your own affairs. The
longer you stay there under those
conditions, the less you will like
the town, and the less the people
will like you. What I am getting
at is that liking a town depends
not so much on what you get out
of it, but what you put into it.
You simply cannot help but like
the town you work for, the people
you work with, and you cannot
help liking your job if you put
yourself into it.

Well, the contest is coming
along fine, the reducing contest,
that is. Got a card from Claude
Honnold saying that the "Contest
is on to the finish, and I weighed
in at 195 pounds." He had a little
advantage of me, as I had to
start at 201, but when I climbed
on the scales at the Beranek Drug
establishment Saturday I found I
had lost 9 pounds and was down to
192. The trouble is that I can't
get some of the rest of the gang
interested. There is Judge Ciochon,
who could spare 20 to 30 pounds,
but just isn't doing anything about
it. And Tubby Tolen and John
LaCornu would be all the better
for some dieting. But Bill Misko,
John Mason, the mason, I mean,
Hugh Carson and L. A. Muncy
simply can't qualify. If they took
off 25 pounds apiece they wouldn't
even make decent scarecrows.

Life is certainly getting compli-
cated. Back some millions of
years when man got his first
start, life was strictly a family af-
fair, and was a most singular ex-
perience for the bachelors and spin-
sters, if there were any. A man
might live the full extent of his
existence without coming in con-
tact with more than a dozen or
two of his fellow men, and the
chances are they had a fight the
moment they met. A man was
sufficient unto himself until he
dragged a woman home by the
hair, and then the family was self
sufficient. He provided every-
thing needed in food, clothing and
shelter through his own efforts.
He missed many of the luxuries
we now enjoy and which we have
become to consider necessities,
and he didn't care.

Today we are told that we are
each and severally responsible for
the welfare of each and every
other resident of the globe, regard-
less of where he may live. When
we consider that there are two
billion people now living in the
world, this puts quite a load
on our shoulders. But it is liter-
ally true, to a certain extent.
When we use pepper, for example,
we admit a certain responsibility
to the people of the East Indies
who raise and gather the crop,
and to those who process it and
deliver it to our local store. It
takes several hundred people to

under their belts and then gallop
out of town, shooting as they
went. They never hit anybody, as
they always shot up in the air,
and that was before the days of
airplanes.

Which reminds me of the fellow
who got mixed up in a traffic
jam at a street crossing in a busy
city. He jay-walked right out
into the middle of the crossing and
noticed a truck bearing down on
him from the direction and a bus
from another. He turned around
to go back, but there was a tractor
coming down one street and
an auto down the other. He
glanced up in time to see an air-
plane swooping down toward him.
He had just one chance, and he
took it. He lifted a manhole
cover and jumped down into the
hole, just in time to be run over
by an underground railway train.
Moral: Stay on the farm.

I happened to meet an old friend
of mine from Taylor, B. B.
Holmes, Friday. I met Mr.
Holmes, who runs a general mer-
chandise store, quite a few years
ago, but I hadn't seen him for
perhaps 20 years. Except for the
fact that he is older, he appears
much the same he did then. He is
one of those fine citizens that you
will always find in the small
town, a man who lives a little for
himself and a lot for the commu-
nity. They may also live in the
larger towns, but they are harder
to find there. It is men of this
type who have made, and are
making, the small town a better
place in which to live.

And, speaking of the small
town, take the map of Nebraska,
look it over and pick out just any
town of say up to one thousand
population, with the possible ex-
ception of those within the metro-
politan areas of Lincoln or Om-
aha; having picked out your town,
gather up your belongings and
move there. Get something to do,
a place to live, join some church,
send your children, if you have
any, to the public schools, join the
community club and make your-
self useful. In just a little while
you will decide that town is the
best place in the world to live.

Dick Yilk of Greeley has been
appointed dealer there for the
Massey-Harris line of farm im-
plements, and will handle tractors
and all kinds of farm machinery.
The battle to retain service over
the Scribner and Oakdale branch
of the Chicago and Northwestern
continues, with the towns affected
trying to retain the trains and the
railroad equally determined to
take them off.

A drive is well under way for
funds to purchase a fire truck for
Bassett. It is figured that, with-
out any luxuries, the truck will
cost about \$7,800. With a substan-
tial down payment the truck can
be handled on a lease basis until
the rest is paid. It is hoped to
raise this amount within 30 days.
A movement is on to give the
town of Curtis a swimming pool.
Petitions have been circulated
asking that the council approve
the project. The idea has the
blessing of the Curtis Chamber of
commerce.

At Gordon fifteen men have
been nominated by petition for
places on the city council. The ten
candidates receiving the highest
number of votes at the city caucus
will have their names placed on
the election ballots.

K. W. Peterson had his hand
badly cut by broken glass in the
Sargent fire last week and was
taken to the Burwell hospital for
surgery, as the cut severed a
tendon in one of his fingers.

The city of Ravenna is testing
out a new type of sealed beam
street light. The light is put on a
ten foot bracket at the top of a
26 foot pole, and is expected to be
much more effective than the old
style electrolites.

Sunday the Congregational
church of Blair, founded in 1870,
celebrated its 80th birthday with
special services. A new Ham-
mond organ was dedicated there
during the past month.

Mr. and Mrs. Archie Geweke re-
turned Wednesday night from a
four week auto trip which took
them over an extended area of
the west. They went west over
the southern route, drove all along
the coast from San Diego to Ar-
cata, through Oregon and to the
Washington border.

They visited friends and rela-
tives all along the way and saw
many interesting sights. They
took a chance on the winter and
came back by way of Salt Lake
City. They saw lots of snow in
Oregon and northern California,
but had good roads all the way
and no car trouble, and report a
most enjoyable time.

Among those they saw and vis-
ited were the Scott Wolfs at Ar-
cata. They saw Don Lashmett at
a cafe in Oregon and had a fine
visit with him. They visited the
George Kellisons at Glendale, and
were taken to a radio show. They
saw the Lux program and also
"This is Your Life" with Ralph
Edwards.

Others visited were Mr. and
Mrs. Claude Roe at Riverside,
Calif.; the Andy and Ray Cooks

put a can of pepper on the grocer's
shelf. The same is true of hun-
dreds of other items. Yes, life
is certainly complicated. This all
adds to the cost of living. And,
speaking of that, here is what
Walt Mason had to say about it
forty years ago:

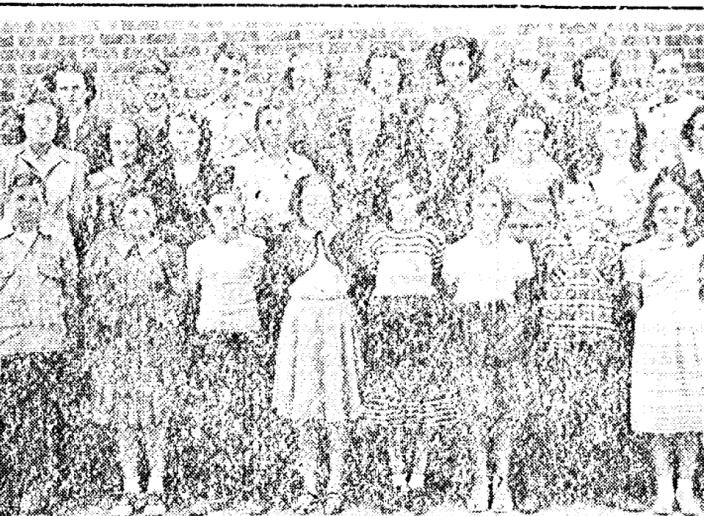

The cost of living still goes up,
and trouble round us thickens; and
yet, whenever we dine or sup,
we've portchouse or chickens. To
make our walls have proper force
we should be lean and scrawny,
yet we've the muscles of a horse
and we are fat and brawny.

The portly man gets up and
whoops about the cost of living.
While to his form some costly
soups a genial warmth are giving.
The clubman wrings his hands
and whines the cost will make us
vagrants. While to his breath
imported wines impart a pungent
fragrance. We should be hollow-
eyed and thin, our slats like wash-
boards showing, if we'd denounced
the man of sin who keeps the
prices going.

But nearly all the kicking's done
by fat and fussy sinners, who have
their pockets full of mon, and
swallow four-course dinners. I
do not hear the toiler wail or utter
threats of slaughter.

He eats his dinner from a pail
and helps it down with water.
He and his children shed their
woes and warble "Yankee Doodle."
And to the moving picture shows
he takes the whole caboodle.

Many Stories of Interest Found in Copy of North Loup Loyalist

Jesse Whiting, who lives on a farm in Independent township, was up in the attic of the house recently when the house was being wired for R.E.A. and found a copy of the North Loup Loyalist for Nov. 12, 1915, or well over 34 years ago. The paper had the name of L. Coplen as subscriber. At that time the Coplens lived on a neighboring farm, but how the paper happened to get put away in the attic is a mystery.

Whiting thought some of the items in the paper were of interest and brought it to the Quiz. The paper was being published by Walter G. Rood, who was quite a publisher in his day. One item stated that the Jemie Levl family was moving to Montana, where he was to take up government land. Jemie needs no introduction to Ord's older baseball fans.

Frank Johnson, now the North Loup postmaster, became the first North Loup businessman ever to use a full page ad in the Loyalist. He was in the drygoods business at the time, and was advertising men's all wool suits at from \$11 up to \$17, and women's cloaks at \$8 up to \$17.50. Gingham and

outings were 9c per yard, and calicos were 5c. Boys knickerbockers (knee pants) were on special sale. He couldn't give them away now.

Other ads show that C. B. Clark was in the harness business, Johnson and Co. was selling coal, Babcock and Babcock were in the land business, A. T. Jones ran a lumber yard, D. S. Bohrer had furniture and undertaking, Hutchins Bros. sold Woodmanse windmills, H. L. Prentice sold insurance, A. H. Crandall was the new butcher and Swansons ran the Cash Store.

Today Mr. Johnson is in the post office, Mr. Clark is in real estate, Cleon N. Meyers, then an auctioneer, is more or less retired, and most of the rest are dead. Johnson and Johnson and Co. is dead, but the business is still carried on under the name of North Loup Lumber Co. Guilford Hutchins, retired, was one of the Hutchins Bros.

Considerable space was used to copy a story from the Ord Quiz of how Ord football players, accompanied by about half the town and with Archie Geweke as cheer

leader, were met at Loup depot and football field by the town to play a game there. There was excitement, but North Loup lost, 13 to 8.

Three suggestions have been made: that there be one school district for the whole county; that there be three districts with schools in the towns of Dunning, Brewster and Halsey; that a two-county high school be established at Halsey. Mr. and Mrs. U. S. Reeves of Blair observed their sixtieth wedding anniversary last week by having all their children home for the occasion. The RFC last Monday announced that a loan of \$150,000 to the Kelly Ryan Equipment company of Blair had been approved. Charles Allen Fauquier of O'Neill has done a lot of living in his 96 years. He was born Feb. 6, 1854, in Troy, Ohio. Like many other old timers, he believes that the Blizzard of 1873 was the "Daddy of all Blizzards." Sargent's first school building is being torn down, according to a story in the Sargent Leader by Jim Murray. The building was a church as well as a school in the early days, and it also served the purpose for political gatherings,

shows and about everything but dances, which the seats would not permit. Four generations of Lindseys have had to do with School Dist. No. 20, Nunda, in Loup County. W. H. Lindsey was elected to serve as its first director in 1887. His son, T. B. Lindsey, served as director 1906 to 1909. The grandson, Ray Lindsey, is moderator at the present time, and Ray's daughter, Virginia, is the teacher there this year.

Co-op Oil of Sargent Will Elect Directors

The annual meeting of the Co-op Oil association of Sargent is being held there Wednesday night of this week. Due to the fact that no meeting was held last year, six directors will be up for election this meeting. Those directors whose terms expire are W. T. Haumont and Glen Butler of Sargent, C. R. Dye of Comstock, E. J. Powers of Taylor, Roy Spencer of Brewster and Henry Cremonen of Ord. A program of entertainment is planned and a lunch will be served.

Farm Notes from the County Agent's Office

Farmers who have saved oats for seeding this spring, should test their seed before planting, especially if the crop was combined, says C. C. Dale. One sample of oats from Valley county which was submitted to the State Seed Laboratory for testing showed a germination of only 37%. Because of the length of time required to get a state test, which is required only on seed to be offered for sale, farmers who are planning to plant their own seed and not sell any are advised to do their own testing. Oats which are harvested by combine are especially susceptible to heating which ruins the germination. Heating can be caused by harvesting while the grain is damp or by portions of weeds and straw which carry a high moisture content, and are not separated from the grain in the harvesting operations. Such oats may look pretty good at the present time, and still fail to grow.

Passenger Service on Sioux City Line Out

The Nebraska supreme court has ruled that the action of the state railway commission was unreasonable and arbitrary when it denied application of the Burlington railroad for authorization to discontinue passenger trains operating between Lincoln and the Iowa-Nebraska line near Sioux City. This means that Trains 15, and 16 on that line will be discontinued. The ruling also affects the Holdrege-Stirling line in southwest Nebraska, where the railroad has been trying for some time to discontinue some of its trains. The court ruled that the business houses are served adequately by trucks.

Grover C. Cook Called by Death in Vancouver

Ord friends will learn with regret of the passing Feb. 22, at Vancouver, Wash., of Grover Claud Cook, a former resident of Ord. Mr. Cook and several of his brothers returned to their former home at Asheville, O., after several years residence here about 35 years ago. Mr. Cook was 56 years of age and a veteran of World War I. He is survived by his widow, Mrs. Pearl Cook of Vancouver; sons Robert R. Cook of Portland and James H. Cook of Vancouver; brothers Lefe Cook of McCook, Nebr., and Alfred, Park and Roland Cook of Asheville. Funeral services were held Feb. 25 at Vancouver.

Small Grain Tests Held on Oats on Schudel Farm

Results of the small grain tests conducted by the Agronomy Department of the College of Agriculture, on the Maynard Schudel farm, are included in Outstate Testing Circular No. 8, which is available at the County Agent's office.

Table with 3 columns: Variety, Yield, Test Wt. Lists varieties like Osage, Cedar, Otoe, Brunker, Kherson, Cherokee, Clinton, Nemaha, Neosho, C. I. 4672, 39Ab2599, C. I. 4673, K321731, Minda, Bonda with their respective yields and test weights.

A better guide for selection of a variety to grow in this area is found in the yield results from varieties which have been included in the tests for a longer period of time. Here are the averages on eight varieties for a two year period:

Work on O'Neill Sales Pavilion

Work was begun last week on clearing away the debris and digging the footings for the new O'Neill sales pavilion, which will be erected on the site of the old one, destroyed by fire Feb. 18. J. Leo More, vice-president of the O'Neill Civic club, owns the business and he states that the new building will be largely along the lines of the old one, except that it will be larger.

Kin of Sargent Men Dead at Scottsbluff

Laura Bell Westervelt, 87, wife of Eugene T. Westervelt, publisher of the Republican, Scottsbluff's first newspaper, died Thursday. She lived in the North Platte valley for more than 60 years. She is survived by her husband, three sons and a daughter. A son, John, is business manager of the Republican. Surviving brothers and sisters include Zackaris and Will Amas, Sargent, Mrs. Nora Armstrong, of Broken Bow, and Mrs. Emma McEwin of Comstock.

Irving Thode Wins In Freshman Track

Loup City's star athlete, Irving Thode, now a freshman at Nebraska, had a vital part in a recent frosh win over the University of Missouri. The squads were tied in track events, but Nebraska ran away with the field events 32 1/2 to 3 1/2. Thode took first place in the high jump with 6 feet and 1/4 in., and Cornhuskers took second and tied for third. Glen Bechrine, took first for Nebraska in the broad jump, with Thode a close second. Both jumps were better than 21 feet.

Curtis Still Fights For Train Service

Curtis and other towns in that area of Nebraska serviced by the Holdrege and Sterling branch of the Burlington are still carrying on the fight to retain train service. The railroad seeks to take off the only trains now giving daily passenger, mail and express service. An appeal was made from the state supreme court opinion last week by A. W. Storms, attorney for the group of towns affected. These towns have been joined in their fight by the League of Nebraska Municipalities and the Omaha Cold Storage company.

Ericson Oddfellows Given Degree Here

Wednesday, March 1, twelve Odd Fellows drove here from Ericson to attend a meeting of Odd Fellows at Ord, at which about thirty Ord men were present. Three of the group, Albert Austin, Gaylord Erickson and Charles Imm, were given the first degree.

After the end of the business session a film of Clyde Beatty's "Animal Thrills" was shown. The Rebekah Kensington then served a lunch of sandwiches, salad, cookies and coffee.

It is of interest to note that the Quiz Odd Fellow story of last week in connection with the anniversary celebration was given special mention over Station KMMJ in Grand Island.

Former Ord Man Inaugurates York Lighting System

Mayor Shirley Norton of York had a leading part in ceremonies there inaugurating the new street lighting system Wednesday evening of last week. With a walkie-talkie he signaled the various units of the system and each came on as it was called. This is the first time on record where a street lighting system was inaugurated by radio. Coincidentally traffic control signals were switched on and stop and go signals blazed on Lincoln avenue. Norton is a former Ord man, a graduate of the Class of 1930, Ord high school.

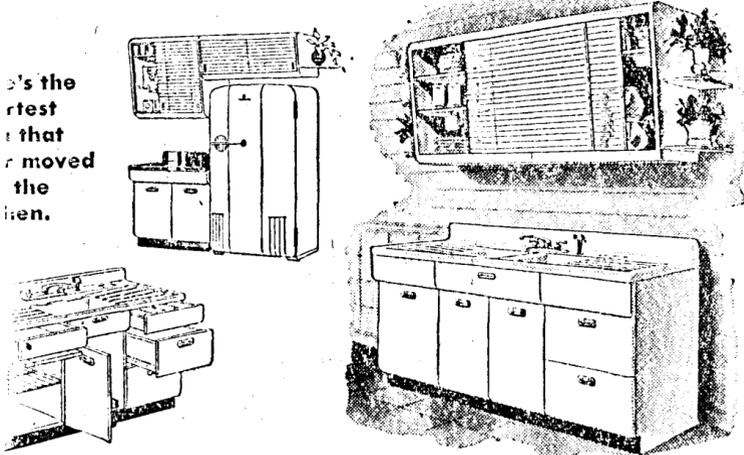

Sargent Bank Back Into Building

Business was going on in the Farmers State building at Sargent all last business having been there the preceding Sunday, painting and needs to be done to complete it. As soon as possible fire workmen began finishing the burned-out building. While the work was in progress the bank conducted its business from the former post office building. Not a single regular day for business. -Mr. and Mrs. Vincent, Mrs. Ella Bechrine, Jobst spent Sunday, evening. Mr. and Mrs. John C.

When You and I Were Young

Ten Years Ago. — M. B. Cummins and Gould B. Flagg were rival candidates for mayor of Ord. The supervisors voted to refund \$31,000 in county bonds. A salesman's auto was stolen in Ord and later found stripped. Highway No. 11 was to be torn up for some time, while work was being done between Elba and St. Paul. The fact was being stressed that rotation of crops must be practiced under irrigation. The first fire alarm of 1940 sounded March 2, and called the firemen to the ice house back of the Kasal pool hall. A planned recreation project was deferred to permit investigation.

Twenty Years Ago. — The Ord All stars were defeated by the Grand Island Legion team by a score of 23 to 22. Sarah Levinia Ramsey passed away at the home of her daughter, Mrs. Margaret Wentworth, March 1, at the age of 85 years. Zella Turner became the bride of William Helleberg March 2. — Ralph Ciochon of Ord was a new linotype operator in the office of the Harvard Courier. The Ord Independent retailers chose Roy Collison as president, J. R. Stoltz vice-president and Frank Fafelita, jr., secretary-treasurer. E. C. Weller sold a half section of Custer county land for \$80.50 per acre. The Ord Chamber of Commerce met and adopted a new set of by-laws. Thirty Years Ago. — The Ord Horoscope club, established in

1916 by W. A. Anderson, met and predictions made four years before were read. Many of those made by Mr. Anderson had come to pass. — The county board chose W. J. Hather as highway commissioner, and the road to Burwell, the first one, was built under his direction that summer. — Martin Blaha, 20, was killed in a farm accident on the Frank Blaha, sr., farm west of Ord. — Mrs. Osce Cram died of burns received when she poured kerosene on a smoldering fire at her home near Sargent. — Charles Roberts bought an interest in the Rawles pool hall, and the new name was Rawles and Roberts. — The government turned the business back to the railroad and the Union Pacific left from its own depot for the first time since the war. — Forty Years Ago. — C. F. O. Schmidt shipped a carload of cattle, getting \$5.70 for the cows and \$5.50 for the heifers. — Blessing and Marks bought a wagon-load of hogs for which they paid \$202, considered a good price. — The W. L. Vest family left Ord for their old home in Kentucky. — Charley Hather had a birthday and his friends went out to Cedar Lawn farm, pulled him out of bed and had a celebration. — W. S. Mattley went to Lincoln in the interests of a power plant he hoped to build at Sioux Creek above Burwell. The effort failed. — Rev. P. A. Davies had been invited to fill the Presbyterian pulpit, and his goods had been shipped here. — James Mortensen was badly burned in an acetylene gas explosion while working on a car. Fifty Years Ago. — H. P. Maiden, local astronomer, took issue with other astronomers on a coming eclipse of the sun. — Hal Cooley of Eagle, Nebr., became the publisher of the Arcadia Champion. — J. W. Brockus of near Burwell had sold his farming equipment and was moving to Burwell to live. — Clarence Winters was very sick with a ruptured appendix and his chances of recovery were not good. — Dr. R. A. Billings was planning to make a trip to Cape Nome, Alaska, where gold had been found. — Manderson International Farmers Union was formed with I. S. Fretz as president. — Frank Howard of North Loup came home from Omaha, where he had been taking a course in barber school. He later went to work in Ord. Sixty Years Ago. — The J. G. Johnsons, after living in Ord some years, returned to Chicago to live. — There were plenty of snow storms, and the soil was being thoroughly wet up. — The first professional card of C. A. Munn appeared in the Quiz. His office was first door west of the present E. S. Murray office, now vacant ground. — McDonough, Trundle and Ferguson were each running a livery barn and all were doing a good business. — E. G. Coffin, proprietor of the White elephant grocery, was announcing a delivery system, an idea that endured through the years. J. C. Shop was running a blacksmith shop. Sixty Five Years Ago. — The Loup County Clarion issued a special edition extolling the values in the valley. — The Herald, a paper published in Scotia, first saw the light of day. — Wolbach's new store in Ord was advertising suits for men for as little as \$3. Burns Bros. had sold their blacksmith shop to Linton Bros., and it was to be run by William Coleman. — The Ord Roller Mills began operations March 4, and was turning out a high grade of flour. The miller was R. F. Milford. — The Ord public library was to be kept open Wednesday and Saturday afternoons. — The Burwell Bell made its appearance under the management of Lon Hart. — The Ord Democrats staged a big celebration upon the inauguration of Grover Cleveland, the first democratic president since the Civil war.

State Editors Meeting This Month

The meeting of the Nebraska Press Association on March 16-17-18 affords all of us the opportunity to salute this group for its many contributions to the state and its citizens. These public-spirited leaders wield a considerable influence for good in suggesting and supporting worthy movements. For instance, most Nebraska publishers endorse and cooperate with the purposes of the U. S. Brewers Foundation. They recognize this program as a means of improving standards of beer retailing... of improving tavern conditions... of avoiding such law violations as sales to minors or intoxicated persons. These far-seeing publishers were among the first to recognize that this program speaks for true temperance.

Snow Fills Hangar at Ord Airport

Doors were tightly shut, drifting snow from last Tuesday's blizzard managed to fill hours of hard shoveling in the hangar at the Ord airport. This Swopes photo shows amount of work necessary before planes in the hangar could move.

Cattle Loss Heavy in Recent Storm, Bruce Covey Says

More Lost in One Day Blizzard Than in Entire 1949 Storm Period.

Bruce Covey, proprietor of the Ord Rendering plant, believes that when all farms are heard from the number of cattle lost in last week's blizzard will exceed the total loss for the entire winter of 1948-49. He bases his belief on the fact that a large number of people lost a few each in Valley county, and much greater losses are being reported from farther north.

As Covey is usually called first in case of stock losses, he is in position to know. He has already had reports on quite a number of losses but believes other farmers have been unable to get to town and their losses have not yet been reported.

He made a trip last week end to Atkinson and found that losses there are much higher than they are here, due in part to the increasing severity of the storm farther north.

He found that Russell Jones, former Valley county resident, lost 42 head on his ranch north of Burwell. He had a report on another rancher southeast of Chambers who lost 71 head, but did not get his name.

These two were among the heavy losses in that area, but many smaller losses were reported. From the O'Neill Frontier comes a report of 24 dead on the Lloyd Taylor place southeast of Chambers and 20 dead on the B. W. Waldo place west of Chambers.

One of the worst losses in this area occurred at the Allen Edwards place, where ten head died. Covey says the storm tore down the east half of the Joe Veleba barn, two miles south of North Loup, killing three cows. The wind even took the foundation away, he said, but the rest of the building was not disturbed.

Other losses he has heard of, most of which are verified, are as follows: Ken Jorgensen, 7 head; Everett Hornickel, 2; Dale Mulligan, 8; at Ericson Howard Pitzer lost 13 head and Bill Weber lost 22.

Covey was returning from Omaha early Tuesday morning and was caught in the storm. At first the snow came from the southeast, later turned to the west and northwest. They got nearly to Archer before having to turn back and then spent 5 hours getting the 12 miles back to Central City.

He also told of the narrow escape of Roy Worden of near Swan Lake. Worden had gone to the barn to look after his stock. The storm increased in fury while he was there, and he got lost trying to get back to the house. He finally ran into a windbreak, followed it to the end, only to find he had gone the wrong way. He then retraced his steps and found the house. Had he missed the windbreak he would have frozen to death.

Carl (Bump) Grunkemeyer of Burwell was in Ord Monday and he corroborated the stories of losses in that area, adding the name of Ellis Whiteside to the list of those who had substantial losses of stock. He agreed that the losses might exceed those of last winter.

Reports from Bassett tell of losses there on almost every ranch, with the greatest single loss reported as 40 head. Weasels and walkie-talkies were used in locating and getting to a break in the Consumers power lines between O'Neill and Atkinson, which had cut off power from the latter town.

A saga of the storm is the heroic efforts put out by about two dozen men in getting an expectant mother, Mrs. Wallace O'Connell from her farm home to the O'Neill hospital, only 3 miles away. Mr. O'Connell started to town with her in a wagon, got stranded and had to go for help. He reached the Carl Astinus home in west O'Neill completely exhausted.

Later a group of nine men went back to the wagon, got Mrs. O'Connell into town, and then another group took her on to the hospital, after a total elapsed time of ten hours. Three hours later her son, Timothy Joseph, was born. The story will no doubt take first place in the thrilling episodes of the "Blizzard of 1950."

Coal Shortage Over, Five Carloads Arrive

Ord's coal shortage came to an end Monday with arrival over the Burlington of five cars of coal consigned to local dealers, including a car of stoker coal. Until this shipment came in there wasn't a pound of coal of any kind for sale in the city.

The same freight train also brought a car of fuel oil for the

Horses Die from Lightning Bolt in Snow Storm

From Bruce Covey comes one of the strangest stories of the recent blizzard — a blizzard which already has furnished more than its share of odd happenings.

Covey, who operates the Ord Rendering Plant, was called to remove the carcasses of two horses from the Will Vavra farm.

On examination, it was found that the horses had died, not being frozen or smothered by the snow, but because they were struck by lightning. Covey said there was no mistake — the animals showed unmistakable signs of having being hit by a bolt of lightning.

It's getting so that a horse just doesn't have a chance!

Cotesfield Woman and Husband Have Led Life of Excitement

Dr. John H. Sprales, who until last week was assistant to the head physician for the Pocahontas Fuel company of Pocahontas, Va., has accepted the position of company doctor for the same concern at Itmann, Va. Scotians had hoped that the doctor would decide to take up practice there, but he believed the other job offered greater opportunities.

His wife is well known locally, as she is the former Margaret Wittwer, daughter of Mr. and Mrs. Pete Wittwer of near Cotesfield. She is a registered nurse and saw duty during the war. While attached to the Army Nurse corps at Camp Crooke, Calif., she met Dr. Sprales, whom she married at Fayetteville, N. C., in 1945.

After their marriage she shipped to the Philippines for service on Luzon, and held a first lieutenant's rating. Previously she had been on the nursing staff at Cook County hospital, Chicago, Ill. She graduated from the University of Nebraska in 1941 with a B.S. degree in nursing.

Dr. Sprales took pre-medical schooling at the University of Richmond, and was graduated from the Medical college of Vir-

Neligh Nudge Chants to Cop Tourney Crow

Ord Beats O'Neil Ainsworth, to Berth in Final

A heart-breaking loss to Neligh in the district Class "B" to O'Neill, Saturday, spoiled Chanticleers' chances to championship on the state tournament.

Ord had romped off a score of 63-30 in the first round of the tournament last night, and had defeated worth 49-38 on the second round of the tournament, but Neligh sound the 44-41.

The meet originally slated to begin Wednesday but was postponed because of the blizzard which blocked traffic between the district.

Height and experience over the Chants' domination in the final Chants jumped to a first quarter, at 22-0 at halftime, and desperately led end of the canto.

Richardson played ters of top-notch before fouling out. He points in three periods to make good on any throws in the fourth.

The first round of was easy for the Ord was not able to see superior Ord ball in shooting.

Dale Richardson points through the first evening's play, dunked in 13.

Coach Peterson's ahead 11-5 at the end of the half, and held a comfortable lead at the end of three play.

Godol was the O'Neill player. He is the Irish points, 11-0 quarter.

The Ainsworth game more difficult for the Ord led 29-19 at half coming through the with a 14-8 margin third came steamy 32-41 at the end of Richardson socked a through the hoop goals to send the C Ainsworth 38.

Richardson was high in the Ainsworth tallies, followed by Stoddard with eight.

A total of 75 points by Richardson in the of the tournament. The high point man opposing teams during day meet.

Quiz Selected for Alaska Job

Quiz Industries have been selected to make engravings for, and print, the big yearbook issued annually by Anchorage, Alaska high school, and will start work on the job at once. The book contains 192 pages and 500 copies will be printed.

The engraving department of Quiz Industries is making the engravings for more than 60 high school and college yearbooks this spring but only three will be printed here — one for Ord high school, the Anchorage job and the yearbook of the University of Idaho college of forestry, at Moscow, Ida.

Arcadia Plans for Community Health Center

Will Be Patterned After Center Built at Shelton in 1949.

Plans are under way for Arcadia to have a modern health center. Discussions have been going on for several years regarding a hospital or health center and the opinion of most people is that a hospital is out of the question for towns the size of Arcadia.

At the last meeting of the Arcadia Community club the idea of a health center was discussed at some length and a committee was appointed to try to raise funds to acquire such a building.

Last Monday R. F. Mettenbrink, Dick Marvel, Morris Fowler and W. J. Ramsey went to Shelton to look over the health center that was built there last year. They were very enthusiastic about the building and also with the support it was receiving from the community. These same four men met Monday evening with the Arcadia Village Board and found the board 100 per cent behind the program.

At present the plan is to use the \$11,000.00 bond issue and raise \$9,000.00 by popular subscription to make a total of \$20,000.00 which is about what it cost the Shelton people. The building would belong to the Village of Arcadia and would be located in an advantageous spot, to be acquired later, but probably on Main street.

The committee was given much encouragement by the Shelton doctor, who furnished names of several young doctors, who will be getting out of school this spring and summer.

\$3200.00 had been subscribed by Saturday night so the committee is very hopeful that the full amount can be raised in the next few days.

Wholesale Loss of Windmills in County Reported

Local Well Men Have Many Calls for New Mills or Repairs.

The wind Tuesday, March 7, was one of the most destructive to windmills in the area of any in recent years, apparently equaling the damage wrought by the tornado of June 9, 1947.

Local well and windmill men have been deluged with orders for new mills or for repairs to old mills ever since the storm, and more reports are coming in by the hour.

E. R. Horner said Tuesday, that at that time he had received 35 to 40 reports of damage, and had no idea how many there would be when all the farmers were able to report, as some have not yet been able to get to town.

Frank Rakosky figures he will have perhaps one hundred to take care of by the time all reports are in. Both men and helpers have been busy all the time since the storm subsided, and are certain it will take two months or more to get all the work, due to the storm, cleaned up.

Some mills blew completely down, pulling the pump and pipe up in the air and bending it over. In some cases the pipe broke off just below the pump and dropped into the well creating a long fishing job and possibility of having to put down a new well.

In many other cases fans blew off the mill and it can be repaired, but where the tower went down the mill is usually too badly broken up to make repairing it practical or possible.

Gnaster Replaces Duane Armstrong for Citizens Party

2 Council Nominees Out of Race, Vacancies Up to Committees.

Withdrawal from the ballot of Duane Armstrong and Jay Brown, nominees of both parties for 1st and 2nd ward councilmen in Ord, this week gave a job to the committees named at the caucus to fill vacancies.

Ed Gnaster has been selected as nominee of the Citizens party for councilman in the 2nd ward, and has agreed to make the race.

Committees are working today on selection of other nominees. The Citizens committee is composed of E. C. Leggett, Ralph Norman and Charles Kingston; the Good Government committee of Clarence Davis, E. Merrill and Floyd Ecranek.

Red Cross Drive Is Resumed

"Nothing new," reported Miss Katherine Helzer, Valley county Red Cross fund chairman, Tuesday evening. She was speaking of progress made in the annual fund solicitation for the Red Cross.

The blizzard which swept across Nebraska last week paralyzed the money-raising activities of solicitors.

Only a small amount of money — all from the city of Ord — has been reported so far, the chairman states. "But," she adds, "with pleasant weather coming again, we're going to get busy and get the money in!"

Fliers' Physical Check-up Urged by Rolland Harr

New Possibility for Scotia Plane Wreck Advanced by C. Keown

Rolland Harr, safety director for the state aeronautics department, issued a statement Saturday, urging Nebraska pilots to keep a close check on their physical condition.

He commented on a report from Clyde Keown, of Scotia, in regard to the fatal accident near Scotia, March 4, which took the lives of H. C. Christensen, 35, Grand Island, and Stanley Copeland, 24, Ord.

Mr. Keown stated that Mr. Christensen, who was piloting the plane which crashed, had been on a "strict" diet and hadn't eaten anything containing sugar for some time. Mr. Keown told Mr. Harr that Mr. Christensen said he had experienced several dizzy spells.

Mr. Keown is of the opinion that Christensen either had a heart attack or fainted. Merlyn Schulel, witness of the crash, states that the plane dipped several times before striking the line.

A number of men who have flown with Christensen, are emphatic in stating that he never took any chances. Among these is Bump Grunkemeyer, of Burwell, who believes that either something happened to the plane or to Mr. Christensen shortly before the crash.

D. L. Wolf Unhurt in Fall Saturday

D. L. Wolfe, 89, suffered quite a fall at Hotel Ord Saturday, and was taken to the Ord Cooperative hospital for examination. There it was found that he had escaped with a bruised knee. He was taken to his home and is recovering nicely.

Last winter, Mr. Wolfe met with two accidents, but recovered nicely from both. Dec. 20, 1948, he was thought to have had a stroke, but it turned out to be a case of high blood pressure. March 20, last year, he fell and fractured his hip, which laid him up for some time, but he eventually recovered.

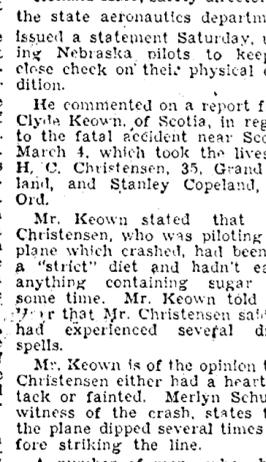

Quiz Delivers Big State Job

One of the largest printing jobs ever handled by Quiz Industries — the 461-page biennial report of the Nebraska State Board of Control — was shipped to Lincoln, Tuesday, on a special Romans truck for delivery on schedule.

The report was in book form and 2,000 copies were printed. The shipment weighed over 3,000 pounds. Produced by the Quiz under contract, the biennial report cost the state over \$5,300 to publish.

Action in Tournament Finals

Coach Peterson's ahead 11-5 at the end of the half, and held a comfortable lead at the end of three play.

Second Offender Draws 30 Days in County Jail

Joe Baron was haled into county court, Friday, on a charge of intoxication, the offense having been committed the preceding Wednesday. Upon his plea of guilty, Judge Clouch sentenced him to 30 days in jail at hard labor.

He will also have to pay costs of \$8 before he can be released. Baron was convicted of the same charge, Dec. 14, 1949. As this was a second offense, the sentence to jail was mandatory.

VFW to Hold Election

Members of the Veterans of Foreign Wars will hold their annual election of officers at the regular meeting of the post Monday evening at the Veterans Club. Retiring post commander is E. R. Apking.

The post will also be officially presented with a citation from the state VFW commander for being one of 21 posts in the state exceeding their 1949 membership. Ord post now has 164 members, a gain of 15 over the previous year.

Dick Peterson Resigns as Head Coach at Ord High

Will Be Full-Time Industrial Arts Instructor.

Dick Peterson, Ord high school head coach for the past two seasons, has resigned his coaching post to devote full time to teaching industrial arts in the high school.

The Ord schools offered Peterson an increase in salary to stay on as coach but he declined the offer.

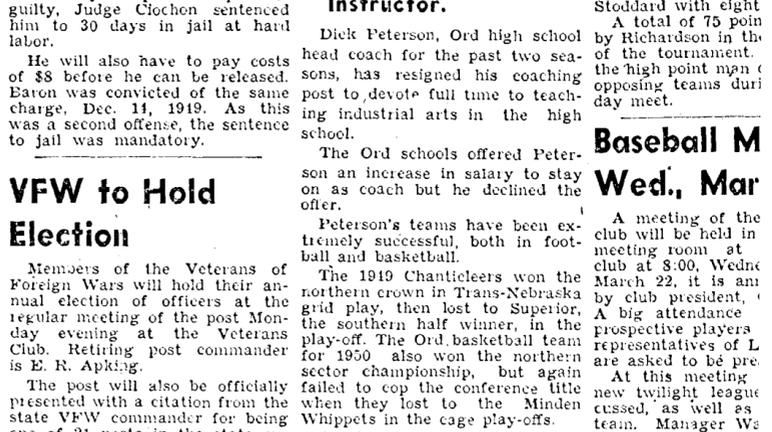

Peterson's teams have been extremely successful, both in football and basketball.

The 1949 Chanticleers won the northern crown in Trans-Nebraska grid play, then lost to Superior, the southern half winner, in the play-off. The Ord basketball team for 1950 also won the northern sector championship, but again failed to cop the conference title when they lost to the Minden Whippets in the cage play-offs.

A school board spokesman says that an additional teacher will be added to the high school staff to serve as coach and physical education instructor.

A Beneficent Tree
In Madagascar grows a native palm that has frequently proved a life-saver to stricken travelers. The sheaths of its leaf-stalks catch the rain and store up pure drinking water. Its seeds are edible and its leaves may be used to thatch a hut. This palm tree is food, drink and shelter in one to the traveler in the wilderness.

Fifty Years of Basketball from the Old Files of the Ord Quiz

In December, 1930, Clyde Baker succeeded Bill Heuck as president of the Intercity basketball league, and Harry Wolf succeeded Jess Kovanda as secretary. In addition to the city teams there was to be an Ord All-Star team to play games with other town teams in the area. Included in their list of players were a number of former high school basketballers.

A girls' playday was announced at Ord high, for girls all over the area, and basketball for that occasion was being sponsored by Miss Koenig of Arcadia, Miss Schudel of Scotia and Mrs. Cavett of Comstock.

Beginning the last week in December the city league got under way with the following teams and players: Anderson's Grocery; Carikoski, Kovanda, Adams, Chatfield, McGinnis, Andersen, George, J. C. Penney Co.; McLain, Miller, Wolf, Krecji, Christensen and Gudmundsen. McLain and Soren- sen; Baker, McManahan, Bremer, Gifford, Jobst and Beeghly. Gem Theater; Satterfield, M. Bell, R. Blessing, J. Bell, Heuck and Jensen.

The Ord All-Stars, led by Joe Krecji, won at Ord over Grand Island AC, score 26 to 22. The Ord players were Carikoski, Adams, Lashmett, Krecji, Beeghly, Jensen and Christensen. Ord high lost their first at St. Paul, 24 to 12. Their players were E. Lashmett, Rysavy, Benda, D. Lashmett, Stoltz, and Hather, with Cushing and Michels as subs.

Jan. 11 the All-Stars won from Ravenna in a very rough game, and a team called Anderson's Middlets went to Scotia, Jan. 8, and won over the town team there. Playing were Leroy Adams, Ervie Lashmett, Floyd McLain, Thurston Gifford, Frank Andersen and Bud Lashmett.

The All-Stars defeated Warner's Ramblers, 36 to 24 in a game in which Krecji made 26 points. They lost to Bowen Drugs Jan. 25 at Ord, 24 to 26 in an extra period contest. Ord high won from Burwell Jan. 27, 33 to 13, with Hather, Lashmett and Steinwart starring. Ord went to Danneberg Jan. 23 and lost a game there 10 to 33.

Feb. 2, the All-Stars, without Krecji, defeated the Harvard Indians 17 to 5, with Adams and Lashmett high. The Loup Valley tournament was held in Ord the week of Feb. 2. In the first round North Loup defeated Taylor, 16 to 7; St. Paul beat Comstock, 26 to 15; Danneberg beat Loup City, 22 to 5.

Second Round: Ord 21, Scotia 11; Sargent 24, Burwell 6; St. Paul 21, Burwell 15. Semi-finals: Danneberg 30, Ord 31; St. Paul 18, Sargent 17. Danneberg then won from St. Paul in the extra period, 22 to 19, and Sargent beat Ord in the consolation 24 to 17.

Warner's Roainers beat the All-Stars Feb. 9, 27 to 25. The All-Stars won over Blain Livestock of Grand Island 29 to 20. With Ord behind 7 to 14 at the half, crippled Krecji went in and inspired the team to win. Ord high lost to Scotia, date not given, 19 to 21 after leading 13 to 6 at the half. With Krecji not playing, the All-Stars lost to Bowen Drug, Grand Island, 15 to 27.

The All-Stars lost to Boelus in the last game of the season after leading all the way and going into the final period. Ord high won its final game at North Loup Feb. 28, 23 to 13, and the second team also won, 12 to 11. Ord high went to the Grand Island tournament, won their first game from Taylor, 18 to 10 and then lost to Ravenna 21 to 24.

At the end of the season it was announced that Claude Rowley, famous University of Nebraska athlete, had been offered the coaching job at Ord. The last standing of the Ord City league showed J. C. Penney ahead 5 games to 2; Gem Theater, 4-3; Andersen's Grocery, 3-4, and McLain-Sorenson, 2-5. Apparently more games were in prospect, but were not played.

The year 1931 was a banner year for basketball, but was followed by one of the poorest in Ord history in 1932. Apparently Rowley did not accept the job as Ord coach, as Cecil Molzen was holding that job. The Ord schedule was announced in December, with games to be played with Taylor, St. Paul, Clay Center, Aurora, Fairfield, Ravenna, Danneberg

and Johnson; sophomores: Haskell, Barta, Clark Lakin, Stone, Goff; freshmen: Hughes, Don Tunnichiff, Zulkoski, Vincent Cetak.

Coach Brockman had come to Ord first of the school year, and his Ord team won their first game of the season in the last week of December from Ericson, 64 to 4. Ord nosed out St. Paul, there, Jan. 4, 31 to 30. Jan. 11, Ord won at Danneberg, 42 to 9. Jan. 15, at Ord, Taylor had to be content with the small end of 39 to 7 score.

Grand Island came to Ord and won Jan. 26, 37 to 34. Ord won at Broken Bow Jan. 25, 47 to 24, and the won at Comstock, 30 to 5. They walked over Ravenna, 65 to 27.

Ord got off a good start in 1933 by defeating Taylor 38 to 3, although handicapped by the flu. The guards were Eldon Benda and Bert Boquet, the forwards Richard Smith and Manfred Steinwart, centers, Roland Vodehmal and Cecil Hansen. During the holidays Cecil Molzen played with the Blue team in a charity game at Lincoln, his team winning 7 to 0. That game, by the way, was football.

Ord ran into trouble when they lost to Danneberg Jan. 13, 26 to 31. Tuesday, Jan. 17, they won at home from Ravenna, 34 to 23. Guy Keep appeared at guard. Ord won from Fairwell at Ord Jan. 20, 26 to 16, but lost to Loup City, there, Jan. 24, 18 to 20. Smith was high scorer and Keep had moved to center.

At Ord Jan. 27, the Chants won over Broken Bow, 26 to 16. At half time the score was 14 to 1 for Ord. The team battled snow all the way to Ericson Jan. 31 to win 19 to 6, while the second team won, 16 to 3. Ord went to Comstock Feb. 3 and won a rough game, 17 to 15. Ord went to Scotia Feb. 14 and won 36 to 14, the reserves lost 15 to 16 and the junior high won 15 to 13.

The first round of the tournament, Feb. 22, Loup City won over Burwell, 25 to 16, Sargent made 28 to North Loup's 24, and Comstock disposed of Danneberg 23 to 13. The second round: Ord 18, Loup City 10; Scotia 17, Taylor 16; St. Paul 11, Sargent 31. Semi-finals: Ord 23, Comstock 14; Scotia 32, St. Paul 28; finals, Ord 37, Scotia 16; consolation, St. Paul 49, Comstock 33.

The cage tournament in 1934 was to go to Ord on the dates of Feb. 21 and 22. Ord lost the first game to St. Paul Jan. 5, 29 to 31. Playing for Ord were Steinwart and Keep, forwards, Greathouse, center, Severson and J. Tunnichiff, guards, and substitutes, Smith, Bill Tunnichiff and Bouquet.

Ord went to Sargent Jan. 9 and won, 14 to 12, the second team winning 17 to 11. Jan. 12 Danneberg came to Ord and won, 30 to 22. One reason for Danneberg's superior showing in basketball in those days was that they had no football teams and devoted more time to basketball. Ord defeated Duncan, coached by Lee Chatfield, at Ord, Jan. 19, 32 to 11, then beat Loup City Jan. 23, 27 to 16, also on the Ord floor.

Both these teams had beaten Ord earlier in the season. Jan. 25, Ord lost at Broken Bow, 12 to 13, and the next night walloped Comstock, 48 to 8, Ord also beat North Loup, but the score of the game is not given.

Ord defeated Danneberg 30 to 16 in the quarter-finals of the tournament at Ord. Danneberg had defeated Loup City, 19 to 18. Sargent forfeited to Taylor in the opening round. In the other quarter final games, Comstock 16, North Loup 14; Scotia 22, Burwell 17; St. Paul 57, Taylor 24. In the semi-finals St. Paul 31, Scotia 23; Ord 43, Comstock 8; finals: St. Paul 41, Ord 39, in an extra period. Ord defeated Burwell in the first game of the Grand Island tournament, then lost to the Genoa Indians in the second round, 29 to 11.

In interclass play in December, 1934, the seniors defeated the sophomores 46 to 1, and the juniors defeated the freshmen, 24 to 12. The seniors then beat the juniors 39 to 13, and the sophomores beat the freshmen, 27 to 11. Senior players were: Greathouse

19, Feb. 1, then lost to Kearney 28 to 10 on Feb. 8. They took three teams to North Loup Feb. 9. The first team won 30 to 12, the second team won 23 to 13, and the junior high won 10 to 2.

Ansey came to Ord Feb. 15 and the first team lost 42 to 16, and the second team won 14 to 3. Ord beat St. Paul 42 to 16 to win the Loup Valley tournament. They defeated Danneberg 61 to 14 in the first round and Comstock 33 to 9 in the second round. Ord played into the finals in Class A at Gethenburgh and lost to Kearney, 26 to 22.

Since a full decade would make too long a story for one issue of the Quiz, this story takes up the first five years of the decade, and the second five years will be written up in the next installment.

At the time of the accident, the broken bone was not discovered and it has always caused him a great deal of pain although he was able to walk. He will be in the hospital for several weeks and when he returns home will be on crutches for several months, but expects to be able to walk without difficulty when it is healed. While Mrs. Zangger was away, her mother, Mrs. Burris was at Upland with the Ned Raam family and the two children of Charlie Zangger were in Hastings with their grandparents. Mrs. Charlie Zangger accompanied Mrs. Zangger to Rochester.

There was much storm damage in this locality, Tuesday. At the Joe Veleba farm, south of town, part of the barn blew down and three head of cattle were killed.

At the George Jensen place, the windmill was blown off of three posts and left hanging on one. On Monday night, Mr. Jensen turned his thirteen head of milk cows out, as usual, and Tuesday morning they were not near the barn. When he looked for them he could not find them, but Tuesday evening, when the storm lulled a bit, he and his son went to look and found them on the highest hill on the place. When they tried to drive them home, they discovered their eyes were frozen over with snow which had to be removed before they could drive them. Mr. Jensen feels sure had they been left out overnight, all would have frozen to death. Many attics, which have usually been tight, were filled with snow and in some cases plaster fell.

Clara Rasmussen, of Waterloo, Ia., and Bob Wolfe, of Portland, Ind., spent last week at the home of her parents, Mr. and Mrs. Pete Rasmussen. Wandals Break Street Lamps in Broken Bow

Vandals Break Street Lamps in Broken Bow

A large number of street lamps in Broken Bow have been shot out in Broken Bow recently, according to L. E. Clark, superintendent of city utilities. The vandals are not only destroying property, but they are using guns in the city limits, and can be taken upon either charge or both.

Because of these acts, Mr. Clark stated, the cost of replacing lamps, so long as the vandalism continues, is prohibitive, and they will not be replaced until the breaking stops or the guilty persons are caught.

Little Damage Is Expected in 1950 from Greenbug

Because of the great damage to the oats and barley by the greenbug, last year, a lot of farmers have been asking whether or not it will be bad again this year.

Entomologist Jack Lomax, of the Agricultural Extension Service says that he does not expect any such damage as was done last year. He states that this insect lives through the winter only in the southern part of country in normal years, and it is only when conditions are right that it gets this far north in numbers great enough to cause damage. Lomax says that the last previous time the greenbug did any appreciable damage to Nebraska small grain was in 1933, and that even in that year it may not have spread as far north as Valley county. Last year a combination of factors which included a generally late planting of spring small grains due to wet fields, and periods of south wind which carried the adult aphids in to Nebraska while the grain was just starting, were probably responsible for the heavy damage.

"In view of this information," says C. C. Dale, "farmers of the county should go ahead with whatever acreage of spring small grains they are planning and not worry too much about the greenbug." No one can guarantee that these insects will not be with us again, but the chances seem to be good that there will be no such damage from them as was done last year, especially if conditions are such that oats and barley can be seeded at the normal planting time.

I think Old Man Winter really got one over on us, Tuesday. Everyone says they never saw snow blow into all their buildings so bad. Kenneth Jorgensen really had a streak of hard luck, as he had several head of cattle in a field and the storm drove them south against the fence, and before morning, after Kenneth bagged out with them until 4:00 a.m., they piled up and five of them were dead and two others died later. Kenneth was also much worried about his wife and didn't feel he should stay out too long at a time. When the road to Loup City was opened the next morning, Kenneth took her to the hospital at Loup City, where Karen Elizabeth, a 6 pound, 6 ounce girl was born about 9 p.m., on March 5th. Both mother and baby are doing nicely.

Rink Opens
Burwell's roller skating rink opened Friday night in the Legion hall. It's the main attraction now for Burwell's youngsters, also quite a number of older folks enjoy watching, and we notice several older people who haven't forgotten how to skate.

A number of grade school children have been absent due to having the measles.

Measurements have been taken for ordering senior caps and gowns.

The Junior Class has started plans for the prom and banquet.

Linda Jean, daughter of Marvin Wilson of Ord, was a perfect subject for an unusual portrait treatment—vignetting.

The vignette you see above has captured the fine, delicate features of this lovely little girl in a way that an ordinary portrait could never achieve.

Let us prove our skill at making fine child portraits. Call today for an appointment. Your child is young such a short time that you can't let the opportunity to have his or her picture made go another minute!

Assistant Secretary U. S. Treasury Elected Nebraska Governor in 1892

Nebraska's Governors.
As the campaign of 1892 approached, the Republican party's prospects were as dim in Nebraska as they had been since the state was admitted to the Union; the Populists were riding high, two years earlier the Democrats had elected a governor for the first time in the history of the state, and GOP itself was badly split.

What they needed, Nebraska's Republican managers reasoned, was a candidate for governor who could unify the warring elements in the party and lead it to victory over the stiffest kind of opposition. They chose for the task Lorenzo Crouse, a territorial pioneer who had long been active in state politics and who at the time of his nomination was Assistant Secretary of the United States Treasury.

How well they chose is demonstrated by the fact that Mr. Crouse, in a torrid three-way battle, defeated two of the ablest and best known men in the State—Democrat J. Sterling Morton, and Populist Charles H. Van Wyck.

Lorenzo Crouse was born at Sharon, New York, January 27, 1831, the youngest of seven sons in a German-Dutch family. His early career was typical of many of his contemporaries—a common school education, a couple of terms at college sandwiched in between teaching jobs, to help pay expenses, the study of law, admission to the bar, and service in the Union Army.

An infantry captain during the Civil War, young Crouse was wounded in battle and discharged from active duty. In 1864, he moved to Nebraska and settled at Rulo in Richardson county. He plunged immediately into politics and won election as a Republican to the territorial house of representatives in that same year. He served two terms in the territorial legislature and was active in the campaign for Nebraska statehood.

Once Nebraska was admitted to the Union, Crouse gained election to the first state supreme court. In 1872 he was elected as Nebraska's representative in Congress—the state had only one then. He was re-elected in 1874, but declined to run in 1876 in order to seek election to the

Blizzard Produces Some Unusual Situations Throughout Nebraska

Reports of unusual conditions arising from the blizzard of last week keep coming in, some serious, some comical, but all such as might be expected from such a storm. Many stories of damage have come in from Valley county.

Perhaps the worst of these is that told by Joe Veleba, of North Loup. The barn on his farm was badly damaged by the tornado of June 9, 1947, and was unable to stand a second storm of like severity. It went to pieces, killing some of his milk cows, chickens and other livestock.

Paul Schmidt of the Fish Creek community east of Scotia lost five head of cattle, and Laverne Jess, south of Scotia, lost four. Electricity went off in Scotia at 11:30 a. m. Tuesday, and was off 2 1/4 hours. The star mail carrier from Ericson arrived in Scotia before noon Thursday going around by Burwell.

Just before the blizzard struck Mrs. Wallace Hughes called the Wayne Herald to tell about a sure sign of spring she had found. It was a garter snake she had found and killed in a neighbor's yard.

Albion reported a Monday barometer reading of 29.2, the lowest ever recorded there. The lowest former reading of 29.3 came with the storm of June 9, 1947, the worst summer storm in the history of Nebraska.

Among other items of damage at Sargent was the K. W. Peterson Implement store, which had a front window broken and the front metal awning torn down. Dr. Taylor's office window was blown out and the office filled with blowing snow.

A barn on the Joe Malin place northeast of Palmer collapsed on 20 cattle, crushing them down to the ground. After jacking up the wrecked building they pulled the cattle out from under it with a tractor, and found none of them seriously hurt.

Ice went out of the Missouri river at Blair just 15 hours ahead of the blizzard. The wind played havoc at the Blair airport. One plane was blown from its moorings and carried three quarters of a mile south, leaving it a total wreck. Another plane had one wing torn off and other damages.

Bud Weedin, living one half mile west of Aurora, had a fifty-bushel load of shelled corn in his feed lot Tuesday morning. When he went there Wednesday morning the corn was all gone, having

Dr. B. F. Lott was the victim of a highway accident in the storm when his car collided with that of Fred Schamehorn, a mile west of York. The doctor suffered a broken right leg, and a chest injury. Both drivers were blinded by the snow. The doctor was returning from an urgent call.

The inmates of York IOOF home were victims of the storm which blew down the smokestack and put the heating plant out of commission. The invalids were taken to the York general hospital, and the able bodied to Odd Fellows hall down town, where cots were provided, and Rebekahs provided food from the lodge kitchen. A Lincoln firm put up a new smokestack Wednesday.

At Atkinson a former Ordite, Joe Kokes, manager for the Weller Auction company got out his high-top overshoes for the first time this year, put them on and walked a quarter of a mile to the office. He noticed one shoe didn't fit. Taking off the overshoes, he found a 1 1/2 inch water snake dangling from the heel of his shoe. Its head had been crushed, apparently by the shoe heel.

The fire whistle at Wayne blew Tuesday night, but it was a false alarm, but five firemen took a jeep and went to the Mrs. V. A. Ord

been sucked up and blown away by the wind.

Mike Newman's hat, which he recently tossed into the ring as candidate for mayor of Aurora, is missing. It was snatched off Mike's head during the storm, and nobody has found it yet.

The wind blew down seven of the corn metal storage bins belonging to the PMA at St. Paul. Mr. and Mrs. B. F. Graunke of St. Paul started Tuesday morning for Cushing and were caught in the blizzard and had to remain in their car. They were gone just short of 24 hours, and had quite a cold time of it.

Power was off all through the storm at Taylor, and schools had to be dismissed because the buildings could not be kept warm. As many wells in Taylor are pumped by motor it was difficult to keep up a supply of water for drinking and cooking.

No Parking Meters for Broken Bow
The past few weeks the Custer County Chief has been conducting a vote on the question of whether the people in that area want parking meters installed on certain streets there or not. A ballot for the purpose has been printed in the paper by the Chamber of Commerce.
To date 238 ballots have been returned, with 150 voting against the proposition and 88 for. No action is expected either for or against the meters until the new council takes over in May, but, in view of the vote, it is doubtful if any further action will be taken.
Construction on REA at Ravenna Complete
About another week of favorable weather will see the company expected to complete their work in that time with about 90 miles of line still to be hooked on.
The work still to be completed lies in the Luce and Soudtown neighborhoods southeast of Ravenna. With the completion of this line practically all the farms available for electricity will be serviced, except for an occasional short extension.

Proceedings of the City Council
March 6, 1950
Opening
The Mayor and the City Council of the City of Ord, Valley County, Nebraska, met in the City Hall at 7:30 o'clock P. M. in regular adjourned session. Mayor Blessing presided and City Clerk Jane Baylor recorded the proceedings.
Roll Call.
Roll call revealed the following Councilmen present: Schoenstein, Armstrong, Milliken, McGinnis, Huff. Absent: Brown.
Ord of Business.
The minutes of the meetings of February 6th and February 10th, 1950 were read by the clerk, moved by Councilman Schoenstein and seconded by Huff that the minutes be approved as read and placed on file. Carried.
The report of the City Treasurer as of February 28, 1950 was then read. Moved by Councilman Huff and seconded by Armstrong that the report be accepted and placed on file. Carried.
E. L. Vogelanz, Chairman of the Board of Public Works, appeared before the Council and introduced Mr. Greenfield who gave a brief resume of the increase in the insurance policies on the Ord Light and Water Plant. Emil Fafelita reported to the Council on the purchase of Government Bonds Series F. by the Maintenance Reserve Account and the Bond Reserve Account. George H. Allen, Superintendent, gave a report on the proposed plans for the coming year relative to the installation of new water pipes and sewers in various sections of the city. He also told of the plans to check all electric meters in Ord. Councilman Armstrong moved that the reports by the members of the Board of Public Works be accepted. Seconded by Councilman Milliken. Carried.
Leo Long appeared before the Council and introduced Mr. McCloud and Mrs. Rawlins, who are planning to locate a Dairy Queen stand in Ord. After some discussion about the water pipes on Mr. Long's property, it was moved by Councilman Schoenstein and seconded by Huff that the City Attorney and Mr. Long, Mr. McCloud and Mrs. Rawlins meet on March 7th at 1:00 P. M. to investigate the property. Carried.
It was moved by Councilman Schoenstein and seconded by Huff that all payments, including installment payments, made by lot owners in old part of cemetery for perpetual maintenance for their lots, be accepted and kept on record by the City Clerk. Carried.
Glen Auble reported to the Council on the progress made on the new addition to Ord.
It was moved by Councilman Armstrong that School District No. 5 be authorized to erect school stop signs. Seconded and carried.
Mayor Blessing appointed Agnes Dodge as City Clerk and was confirmed by council.
Mrs. Agnes Dodge's Bond was brought before the Council. Moved by Councilman McGinnis that the bond be approved. Seconded by Huff. Carried.
It was moved by Councilman Schoenstein and seconded by Councilman Huff that the following resolution be adopted.
BE IT RESOLVED, that, whereas, Jane Baylor Schultz was, as City Clerk of Ord and bookkeeper for the Light and Water Department of this City, for almost a year last past and during that time has rendered very efficient service in such capacities for this city and the patrons of her office, and
AND, WHEREAS, she has now severed her official connection with said city for personal reasons, and now, therefore, be it resolved that the Mayor and City Council, on behalf of said city and its citizens, express to her their appreciation of her careful, courteous and efficient work for said city and wish her the best of health and happiness and be it further resolved that her successor as city clerk prepare and certify a copy of this resolution and give it to her.
The Mayor called for the vote and the said motion was unanimously carried and Mayor Blessing declared the resolution adopted.
The Council then appointed the following election officials for the coming Municipal election:
1st Ward: Mable Abernethy, Amelia Stoddard, Alice Wilson, Christine Veleba and Lucinda Gilroy.
2nd Ward: Frank Krikac, Lydia Fafelita, Harry Dye, Josephine Petska and Suzan Bartlett.

Regional Pest Control Meets Are Being Held
Announcement was made this week that a series of Regional Pest Control meetings will be held in the state the first two weeks in April. The meetings are sponsored by the Nebraska College of Agriculture, and the Nebraska Department of Agriculture.
Plans call for talks and movies on insect control, plant disease control and weed control.
The meeting for Region 7 is scheduled for Ord, on Tuesday, April 11th, at the Knights of Columbus hall. Counties in this region are Blaine, Custer, Wheeler, Garfield, Valley, Sherman, Loup, Greeley and Howard.
The meeting here will be sponsored cooperatively by the Ord Chamber of Commerce, the Weed District, and the Valley County Extension Service.

Burwell Livestock Market for Friday, March 17

We'll have another good run of livestock Friday, weather permitting, including a load of springing Angus heifers that we think are outstanding in their class.

There'll be several loads of Hereford steers and heifers, some fat cows, a load or two of calves, and the usual run of mixed cattle.

Two loads of Whiteface steer calves, wt. about 400 lbs.

Two loads of yearling heifers, one load of corn fed steers.

Also, a good number of hogs, including several sows with pigs and a few boars.

Scotia Young Man in Armed Forces

David "Buzz" Gebhardt, yeoman in the U.S. Navy, is the 19-year-old son of Mr. and Mrs. Greeley Gebhardt, of Scotia. Buzz joined the navy in August, 1947.

Mr. and Mrs. E. R. Horner and family returned Friday evening from a three week trip which took them over the southern route to the west coast. They left Ord Feb. 18, with Stanley Mitchell of Burwell accompanying them.

On the way they spent a day at Grand Canyon National park. One of the most interesting facts there was that the deer in the park are so tame that they will come right up to the car to be fed.

They visited the Ray Engers at Monrovia, Calif. While they are now living at Monrovia, they have an eye on a location up the coast toward San Francisco at Cambria, where Ray is busy building a motel. Mitchell remained there and is helping Ray with the work.

They visited the Lloyd Manchesters at Arcadia, Calif. Lloyd is also in the building game and was busy erecting duplexes. All the relatives, about 25 in number, had a dinner at the Ralph Hass home in Los Angeles.

From there the Horners went to San Diego to visit Mabel Horner, widow of the late Clarence Horner, and while there spent an interesting day at the Balboa Park zoo, an event of special interest to the children. They also spent a day at Tijuana in Old Mexico.

On the way home they visited the Paul Wearys at Phoenix. Mr. Weary formerly taught at North Loup. They had a fine trip all the way home, but ran into sleet and ice in northern Kansas. The Alford Christensens of Clarinda, Ia., had visited in California from Christmas day until just before the Horners left Ord, and they did not get to see them.

Weather Chilly, But Improving

Following the blizzard of last week the weather continued cold over the week-end, with two days with below zero readings. After the chilly 6 below Monday morning conditions began to improve, and indications are that more spring weather is in the offing.

A peculiar condition developed at Hardenbrook Dam Wednesday following the blizzard, according to Custodian Archie Braut. He says that the normal amount of water flowing over the dam was reduced to a very small amount, and continued that way for some time.

Such a condition is usually caused by an ice gorge upstream, but a check of the river showed no gorges, and the water seemed to be abnormally low all the way to Burwell. By the next day the flow had got back to normal again.

If the present rate of melting continues, the snow should be all gone by the end of the week, and, as frost is going out at the same time, most of the frost should be out by that time also.

Farmers are hoping to be able to get started in the fields by April first which would be considerably ahead of the start of farming operations last spring. More snow is possible, of course, but is not expected.

Insurance Men Have Busy Week After Blizzard

Ord insurance men have been kept quite busy the past week, taking care of claims for damage to buildings during the blizzard of March 7. One firm reports about 10 claims are already in and more coming in as the farmers get into town. A few buildings were blown down and are almost a complete loss, but most of the losses are minor.

A second firm had about thirty claims filed and more to be filed. These would run upward from a minimum of perhaps \$25. A third company, whose agent writes nothing but town insurance, will have one roof and several plate glass windows to pay for.

Ten cases have been reported to still another insurance man, and of these, two were quite severe losses. Losses appear to have been quite extensive but will not run as high as after the storm on June, 1947. The snow-laden wind apparently had less destructive force than the wind and rain of that storm.

Paul Harvey Here Monday Evening

Paul Harvey, chief engineer of the bureau of reclamation, from Grand Island, is to be a guest of the Ord Rotary club at its meeting Monday evening, March 20, and will make a brief address on reclamation and irrigation at that time.

A meeting open to the general public, the Chamber of Commerce and other organizations, is scheduled at the high school library at 8 p.m., at which time Mr. Harvey will give a summary of the plans now being offered for irrigation and reclamation in this part of the state.

Redistricting Meet Cancelled Saturday

A meeting for members of county redistricting boards was scheduled to be held in Broken Bow, Saturday, but was called off on account of the condition of the roads, and has been postponed indefinitely.

One is scheduled for Hastings, Saturday of this week, and some of the Valley county board members may go there. The idea is to make board members better acquainted with the redistricting law.

Horners, Stanley Mitchell Make Interesting Trip to West Coast

Mr. and Mrs. E. R. Horner and family returned Friday evening from a three week trip which took them over the southern route to the west coast. They left Ord Feb. 18, with Stanley Mitchell of Burwell accompanying them.

On the way they spent a day at Grand Canyon National park. One of the most interesting facts there was that the deer in the park are so tame that they will come right up to the car to be fed.

Mrs. Arnold, 78, Here Many Years, Buried at Ord

Matilda Simons was born May 31, 1871, at Brimfield, Peoria county, Ill., and passed from this life at the home of her daughter, Mrs. Ivan Cook, south of North Loup, Nebr., March 7, 1950, at the age of 78 years, 9 months and six days.

She was one of ten children, born to Washington and Sarah Simons. Her early life was spent at home. She was united in marriage to Isaac Arnold at Knoxville, Ill., on Sept. 8, 1887. To this union were born five children, Mrs. Maud Twombly, Cambridge Springs, Pa.; Clayton and Floyd, Ord, Mrs. Sara Cook, North Loup, and Winfield, who died in 1935.

After her marriage, she lived in Illinois for thirteen years and then moved to Henry county, Ia., in 1900. After four years in Iowa, the family moved to Valley county, Nebraska, where they have since resided. Mr. Arnold passed away in 1931 and since that time she has made her home in Ord, spending her time until 1936 in caring for shut-ins.

Being unable to continue her work, she established her home and continued to live there until February 6, of this year, when the doctor ordered her to bed for a rest. She was taken to the home of her daughter, Mrs. Ivan Cook, and Mrs. Twombly came to assist in her care, but medical and loving care failed to revive her tired heart and after four weeks she quietly slipped away.

She was a lifelong member of the Methodist church and took interest in supporting and attending when she was able. She was a kind and loving mother and grandmother and greatly enjoyed having her loved ones with her in her home. She will be greatly missed by everyone. Besides her children, she is survived by 20 grandchildren, 11 great grandchildren; one sister two brothers and a host of friends.

Funeral services were conducted by Rev. L. V. Hassell, Friday afternoon, 2:30 o'clock at the Hastings-Pearson chapel. Mrs. Leslie C. Nash sang "Beautiful Isle of Somewhere" and "Nearer My God to Thee." Mrs. O. A. Kellison accompanied at the organ. The pall bearers were, James Cook, Louis Axthelm, Will Nelson, Irving Sheldon, Vern Stark and Adolph Sevensker. Mr. and Mrs. Victor Cook and Helen Sevensker assisted with the flowers. Interment was in the Ord cemetery.

Ord Man Donor in Blood Transfusion

Mrs. Anna Conner was taken to the hospital at Burwell, last week, where she is a patient of Dr. Roy S. Cram. Saturday Chester Austin and Walter Anderson drove to Burwell, where Walter, whose blood was found to be almost identical to Mrs. Conner's, gave about two-thirds of a quart of blood in a blood transfusion.

Mr. Anderson felt fine on the way back home, suffered a dizzy spell after getting out of the car, but is feeling about as usual at the present time. Mr. Austin, who has the same type blood, expects to give another transfusion to Mrs. Conner, when and if it is needed.

Films Being Shown by County Groups

The Valley County Extension service and the Soil Conservation service have been collaborating this week in showing two films, on corn borers, and the other on soil conservation, at different places over the county.

The first meeting was held on Monday evening at National Hall, with sixty persons in attendance. The second meeting, at Arcadia, Tuesday evening, brought out more than one hundred.

A meeting will be held at Dist. 42 school house, Thursday evening, at 8 p.m., and another at the same time, Friday evening, at Valleydale school Dist. 10. The final meeting will be at Ord high school, Saturday at 2 p.m.

Haught Candidate for Curtis Mayor

Freeman V. Haught, former Ord businessman and now proprietor of the Aggie Inn at Curtis, was honored by being named one of the two candidates for mayor of that city. He is opposed by H. D. Bevan, now serving his first term as mayor.

This is the first political office Mr. Haught has been a candidate for there, but he is at present president of the Curtis Chamber of Commerce. Another former Ordite, Shirley Norton, is mayor of York.

Loup City Will Have Hospital

Reports on the drive for the new hospital at Loup City show that the drive has reached one third of the way to the ultimate goal, with only about one fifth of the prospects contacted.

One solicitor announces that the people in the Dead Horse canyon area are contributing from \$100 to \$150 per person. The cause was given quite a boost when Burrows Post American Legion, Loup City, donated \$2,500 to the hospital fund.

to Sponsor Hospital

A recommendation has been submitted to Schuyler Chamber of Commerce that a sponsoring organization be perfected for a non-profit community hospital in that town. The plan is much the same as that which was put through in Ord.

The Colfax county commissioners, by the planned setup will answer the purpose fully as well. Nine incorporation trustees have already been selected.

Certified Spartan Barley.

We were very fortunate in getting about 300 bu. of Spartan Barley. This is the first really good lot of Spartan Barley Seed that we have seen this year. There is only a small amount of this seed so place your order now as it will not last long. This seed is Custer county grown and Blue Tag.

Seed Oats.

In seed oats we have Nemaha and Clinton Certified Seed and also have the same varieties in seed that is not certified. We would appreciate an opportunity to book your order now for later delivery or you may take them out now as long as present stock lasts. All of this seed is tested and is very good quality.

Seed Corn.

Do you have your seed corn ordered? We have both Cornhusker and Standard in the better numbers and of kernel size that is in demand. May we book your order now for the seed corn that you will need this spring? All seed has full guarantee in case of flood damage or other elements that make it necessary to replant.

Baby Chicks.

We are having a nice lot of orders for baby chicks and we would like to book your order on chicks for later delivery. Hy-Lines have proven themselves to be extremely good layers and the cockerels go to market as broilers at 10 to 12 weeks and will go a long way in paying you for the entire lot of chicks that you have started. With the heavy orders for Hy-Lines it is necessary that you place your order several weeks ahead of the time that you want your chicks. Also have White Rocks, White Leghorns, Austra Whites and New Hampshires.

Beefmakr.

Just unloaded another load of Beefmakr. This feed is guaranteed to contain 45% Molasses and carries 12% protein. If you are feeding out some cattle, just try this feed and you will be well pleased with the results and the price is extremely attractive. In fact our customers like this feed the best of any molasses feed that they have used.

Fertilizer.

We have in stock Ammonium Nitrate 33 1/2% and Superphosphate. We have many good reports on the results on the use of these fertilizers on your small grain. We have about half a carload of Nitrate coming in May that is not sold. If you need Nitrate for use on your corn this summer, let us book your order now.

The Forty Hour Week.

The ultimate aim of labor is to have all union members on a forty hour week, or less. On the face of it seems to be a fair arrangement. There are not as many work hours per man as there used to be. The idea is that limiting each man to a forty hour week would leave more work for somebody else to do.

The idea seems to be fair enough, but, if it is fair for some, it is fair for all. The farmer, who is accustomed to getting up at 5 o'clock in the morning in order to get his chores done so that he can get into the field at seven to eight a. m. is putting in too much time.

He is also putting in too much time at the end of the day, when he comes in at perhaps six p. m., eats his supper and then spends a couple of hours doing the chores again. If he starts work at 8 a. m. and quits at 5 p. m. and works from Monday until Friday, inclusive, he is working enough.

The trouble is that no farmer can work on this basis and make a success of his business. Further,

he cannot afford to hire a man to work for him on a 40-hour week basis. The farmer has to feed the world, and he cannot furnish the food on a short work week.

But, suppose the farmer decides to cut his work day short and take a little trip. He leaves his tractor in his yard shortly after 5 p. m. and drives his car into the average town anywhere in America. He stops at the service station on the way in and knows he will find a man there ready to sell him gas and oil.

But this man is also on a forty hour week, so he closed up his business at 5 p. m., and the farmer can get no gas to go anywhere. At least, he decides he will get his groceries while he is in town, so he stops at the little store where he has always bought his supplies, only to find that the groceryman is on a forty hour week, and closed up at 5 p. m.

At least he can buy a lunch, he thinks, so he goes to the cafe. But the cafe owner is also on a forty hour week, and he cannot get in. The same is true of the butcher, the baker, the druggist, the garage man, the barber, and he can't get in anywhere. In fact, he should not expect to, for all are on a forty hour week.

He goes home and finds that one of the children is seriously ill and needs medical attention. He rings central, but gets no response, for the telephone business is on a forty hour week. Even if he should get his call through, the doctor would not come, for he has worked his prescribed 8 hours. It is growing dark, so he turns on the electric light.

Like everything else, he gets no response, for the light company is also on a forty hour week. The child sickens and dies, and since the phone office is closed, he drives to town to get the undertaker who says he has done his day's work, and that he cannot come until 8 a. m. the next day.

Sounds silly, doesn't it? But what is silly about demanding equal rights for all? What is wrong about demanding the forty hour work week for all and not just for the favored groups? It is all very well to talk about hiring another man to take over at the end of the eight hour day, but how many small businessmen can afford to hire the extra help?

The big trouble with the forty hour week idea is the regimentation of men. The worker is re-

quired by the rules to quit his job the instant the eight hour day ends, and to quit work promptly at the end of the forty hour week. He is given no leeway, no time to finish up the job he may be working on when the whistle blows.

America did not become the great nation it was two decades ago by working eight hours per day, and it will not remain a great nation on shorter hours and less work for higher pay. It is time we quit kidding ourselves. It is time to get back to fundamentals and get away from clock watching. It is time to quit worrying about the hours and get the job done.

Boy Scouts Advance.

Old has a right to be proud of her Boy Scouts and the interest they are taking in Scouting. Especially of interest is the advance so many of these future citizens are making in the work. Much credit is due the scoutmaster, Dave Watson for the interest he is showing and the time he is taking in assisting these boys in developing the principles of good citizenship.

For it must be admitted that Scouting and good citizenship run along the same lines, and that a good Scout must of necessity be a good citizen. The principles of the Scout law are the same as are essential to the true citizen. In a time when ideologies of all kinds are struggling for the mastery in the world, we may be assured that the Boy Scouts will carry on the traditions of Americanism.

One has only to look over the list of Scouts both of the past and the present, to find young men who are fitted and are being fitted for leadership in the future. The trained young man of today becomes the leader of tomorrow. Since that training has been to develop the highest principles of Americanism, the future of America is in good hands, so long as enough of these future leaders are being trained. It is up to us to help with their training in any way we can.

Something Different

March isn't such a bad month if you keep your eyes on the up and up. The lovely blue sky and the whipping tree branches make an entrancing picture.

Not so the mud your feet must plod through. Eyes high does it.

Ted stamped three robins yesterday and I heard a bird song I loved, but I am not bird woman enough to identify the cheery cry. With the wild winds of March, housekeepers get wild ideas about tearing up the house and begin pitching mattresses with abandon.

What is there about spring that makes it the restless season for all of us?

The above was written Monday, (last week). This is written Wednesday! Talk about contrasts!

In the meantime we have had the first storm that I ever knew to justify those six-inch headlines the California newspapers love to stick at the top of their front pages!

You know: "100 MILE GALE SWEEPS MIDWEST 56 Nebraska Towns Isolated"

Among the scourges of spring, I would say, are the racket and smell of "baby chicks" . . . from radio to postoffice; also the yackety-yak on the radio of the continual flower and plant "offers." They are always "about to close," and so on and on.

Radio has so much that is valuable to offer. The music and many of the talks are splendid, but deliver me from all those superlative soap claims, the premium offers, the 150 Chinese elms for a windbreak, and stuff like that.

Well, it won't be long until time for dandelion greens . . . and dandelions! Now why did I have to think of that last? My undesirable thought for the day.

It is rather a shame to have Mrs. Wolfe's second hand clothes shop go out of existence. Such a shop fills a definite need. On the one hand it provides a few pennies, possibly dollars, for clothing that has been out-grown, we'll suppose.

On the other hand it furnishes clothing cheaply for some who need it yet cannot afford new garments.

Rummage sales do the same task, no doubt, but they are spasmodic, and not permanently and constantly in business.

Spring hats are a great deal of fun, so much more fascinating than the headgear of the other three seasons.

The snappy white of plique, the red of cherries, the delicate flowers of silk more perfectly formed than the blossoms in seed catalogs, the fresh ribbons and bright colored straws all look so good after the "practical" colors and shapes of winter hats.

No wonder women enjoy buying them. No wonder hats are reputed to give us "that needed lift."

That reminds me . . . Irma.

What's Cookin' Ward's Column

I got to figuring up the other day just what John L. Lewis and his constant demands for higher wages, shorter hours, better working conditions, pensions for the old miners, willing and able clauses unt so veiter, has cost me personally in the past less than five years. It really amounts to five years from the fuel viewpoint, since the fuel has been bought for five winters and most of it has been burned.

When we first moved to North Loup, Roy Hudson was selling briquettes for \$14.75 per ton, and that is what we paid for the first winter's supply of about 15 tons of coal, which certainly was a lot of getting rich on the profit he made on that coal. Since then the price has increased every year. Briquettes cost \$19.75 per ton last fall, just five dollars per ton more than they cost the first winter.

It does not take much figuring to find out that I had to pay \$75 more for coal last winter than the first winter. Since the price increased gradually through the years, it probably averaged half of \$75, or \$37.50 per year. Not only that, the Missouri Pacific strike last fall prevented the briquette company from getting their usual kind of coal, so they had to use an inferior grade, and the result was plenty of trouble.

Now Hudson makes no more on the coal at present price than he made then. His percentage is the same. Higher railroad rates may take a little of the extra cost, but most of it goes back to the men who mine the coal. But the end is not yet. The recent coal strike settlement means that the same coal will probably have to be sold for a dollar or two more than it did last fall.

It would not be so bad if the miners would be satisfied and would continue to produce coal so that the consumer could buy the kind and quantity of coal he wants. But anybody who has made a study of John L. Lewis knows that this is not the end. Regardless of how prices go, there is certain to be more demands for higher wages or shorter hours before the year is out.

There is no question but that mining coal is hard work. As far as I am concerned, they are welcome to the extra money the coal costs me if they will continue to work and keep enough coal on hand so that I can get the kind of coal I want when I want it. Whether this will be done or not remains to be seen, but this thing of the entire coal-using public being at the mercy of John L. Lewis should be stopped.

It probably would be stopped if this were not an election year, or if Teddy Roosevelt or some other man of his type were at the head of the government. Whatever happens next fall will probably be timed to happen a few weeks before election when the executive branch of the government will hes-

itate to alienate half a million votes it may need badly.

I was brought up to the belief that this is a nation where every man is a king in his own right, and where any man may aspire to the highest office in the land. I have changed my ideas somewhat in the past few years and am now firmly convinced that Harry Truman is president and John L. Lewis is king. In view of the recent coal settlement I am convinced that the king is a more powerful man than the president.

I am also firmly convinced that, if the present trend continues, the time is not far off when such men as Lewis will tell everybody what they can do and what they cannot do. It is getting near that stage now. I have one thing to be thankful for. It was my privilege to live in the Golden Age of America, and I will not be around too long to worry about what happens from here on out.

I can remember back to the winter of 1890-91, and have a fleeting recollection of the blizzard of 1888. I have been out in most of the winter storms since that time, and I can truly say that the storm of Tuesday, March 7, was the worst I can remember. From the descriptions of it, that storm must have been about what a man can walk up the street and walk right into another man before he even sees him, that has to be some storm. That is what I did Tuesday.

Luckily, the storm came on gradually, growing worse during the day. If it had hit with the suddenness of the blizzard of 1888 no doubt many persons would have been caught out in it, and would have perished as so many did then. But this time there was plenty of warning. The radios were announcing the storm the night before, and barometers showed a very low reading before the storm struck. At that, the wildest reports over the air were nothing compared with the storm itself.

The little folks who saw this storm will be grandparents before they see another like it.

As a young man I was much in sympathy with the labor movement, which first started the year I was born. The workers were held to low wages, had to work long hours and under bad conditions. They had no pensions when time came to retire. I am still much in sympathy with the fairer class of labor today. The majority of labor unions are trying to be fair, and their representatives sit down at the table with the representatives of capital and talk the situation over, a little give here and a little take there, and ultimately they arrive at a solution of the problem without even a threat of strike.

In some cases it may be necessary to strike, but such action is never advisable. Nobody profits from a strike, not even the men who win concessions by striking, for they lose as much or more in wages while on strike as they win back in increased wages. The thing to do is to have some system whereby these differences of opinion can be worked out without the workmen quitting the job. A strike means that the worker loses his wages while he is on strike; the owner loses the value of the worker's labor, and, since he cannot afford to take all the loss, he passes it on to the ultimate consumer, who had nothing to do with the deal in the first place.

Now, if the miners had continued to mine coal while their big boss was negotiating for a new contract, we would have had coal. The way it is, there is a shortage everywhere. I got disgusted, as did many other users, when the supply of briquettes ran out a month ago and I had to use nut coal to feed the furnace. Now the supply of nut coal is out, and slack is about the only thing available. The North Loup schools were dismissed after the blizzard last week because there was no coal to keep the building warm. Conditions like this prevailed all over the nation. It will take labor years to regain the prestige it lost through the coal strike, and the resultant shortage of coal.

True to Tradition

"Consider the honor and integrity of him who makes the goods before you buy." That was the counsel a wise man of ancient Bagdad gave to a young man who wanted to know how to get his "money's worth." It's still good advice today . . . when we say "look for the John Deere trademark."

For more than 110 years farmers have sought out the John Deere name as their assurance of quality when buying farm equipment. They know that the familiar leaping deer has always labeled only farm equipment designed and constructed to give them the maximum service at the lowest possible cost.

Today, more John Deere equipment is being sold than ever before. John Deere regards this farmer confidence as a sacred trust that is guarded zealously in maintaining John Deere service and quality "true to tradition."

Japanese Banquet.
Participating in a Japanese banquet at the Methodist church Tuesday evening, Febr. 28, were about 30 high school and faculty members. The room was decorated with Japanese lanterns, butterflies, cherry tree branches in bloom, and many objects of interest that came from Japan. Lighted Japanese lanterns, miniature parasols, and shell flowers in rose bowls decorated the tables. Chop sticks were the only tableware used for the dinner. Three girls in Japanese attire, Carol Matheson, Vera Marie Bartu, and Connie Petet, served the dinner. Talks were given by Rev. Merle Zook and Mrs. Mae Stegler. Shirley Griebel read a letter from Miss Zeek, a missionary. A mixed quartet composed of Marion Hovie, Roberta Dowse, Gordon Hyde and George Land sang a number, "Tokyo." The evening's program came to a close with films taken in Japan being shown by Miss Norma Lane.

Comstock Elementary Schools Plan Plays

The pupils enrolled in the Comstock elementary schools are planning some entertainment by their instructors Anna Price and Anna Bartu. The pupils will present two short plays plus some musical numbers in the near future. These plays are being given not only for the entertainment of the people in the Comstock community but also to give the pupils some training in poise and self expression.

Word was received by Mr. and Mrs. Victor Hyde that their son, Layton, a University of Nebraska student, has been accepted at medical school for next fall. Layton was graduated from Sargent high school in 1947 and will complete his 3 years of pre-med at the university this spring.

A surprise birthday party for C. D. Dye was held at the K. A. Dye home on Sunday evening, Febr. 28. Guests were Mr. and Mrs. Anton Tyrdik, Mr. and Mrs. Frank Visek, Mr. and Mrs. C. R. Dye, Miss Rae Jean Bossen and Calvin Treptow.

L. F. Oxford returned home Sunday from Savannah, Mo., where he had spent a couple of weeks receiving medical treatment.

Mrs. Paul Waldmann was taken to the Loup City hospital Wednesday. She is much improved now, and will be able to return home soon.

More Students Eat at School Cafeteria

More students took advantage of the Comstock school cafeteria during the month of February at cost to Comstock students.

Beginning the first day of March the use of pasteurized milk became a reality to comply with the State School Lunch Project requirements.

Wind Does Damage at School Grounds

The high wind which hit Comstock and vicinity Tuesday did considerable damage on the Comstock school grounds when the football goal posts were blown down and benches from many trees were broken.

The wind which started early Tuesday morning continued throughout the day. The Comstock public schools were closed all day Tuesday due to the high winds and the snow that accompanied the strong northerly breeze.

Comstock Champion.
Comstock emerged the champion of the Class D district tournament held at Anselmo March 1, 2, and 3. This was the third tournament this season that the boys were able to bring home the first place trophy. They were the victors at the Loup Valley tournament held at Arcadia, the Custer County held at Anselmo, and now the district.

In the first round played Wednesday evening, Comstock beat Merna by a score of 38-21. They met Taylor in the semi-finals and won by a narrow margin of 40-39. This was a thriller and the one point lead was attained in the dying seconds of the game. "Little Joe" Lenstrom came through with the deciding basket.

Rosenfelt's boys then had Litchfield to contend with in the finals as Litchfield beat Mason City in their semi-final battle. This was another thriller from the starting whistle till the very end of the game as the lead at no time for either team was over four points. With one minute to play at the end of the game with the score being 25-25, one of Litchfield's boys dropped a long one in from the side making the score 27-25. Immediately afterward Lenstrom was fouled and was awarded a free shot and came through. Litchfield could not keep control of the ball in their stalling game and "Little Joe" dropped a long one in from back of the foul line to make the final score in Comstock's favor 28-27. In this game Lenstrom scored 23 of the 28 points.

Thursday the boys went to Broken Bow where they met Brady in the first round of the district play-off. The score was 34-31 in Comstock's favor. At the half, Brady had a 10 point lead, the score being 18-8. The Comstock boys were able to come back and make up that slack and get in the lead for the finish. Friday evening they met defeat at the hands of Hyannis. Hyannis held the lead through the entire game.

Mrs. Elsie Dowse entertained at Sunday dinner on Febr. 28 honoring her daughter-in-law, Mrs. Bradford Dowse on her birthday anniversary. Those present were Mr. and Mrs. Bradford Dowse and sons, Mr. and Mrs. Roger Dowse and Mrs. Marguerite West.

Mr. and Mrs. Hugh Drake, Mrs. Jake Drake and Danny Egly went to Milburn Thursday where the ladies attended a pink and blue shower for Mrs. Lloyd Holmes. Mrs. Holmes was formerly Miss Jurene Drake.

Mr. and Mrs. Murl Amos were pleasantly surprised Friday evening, March 3, when a group of friends dropped in to help them celebrate their wedding anniversary. Those present were Jack Brass of Sargent, Ludvik Visek, Mary and Evelyn Plock, Mr. and Mrs. Bill Plock, Mr. and Mrs. Dorsey Plock, and Mr. and Mrs. Hersil Johnson.

Mr. and Mrs. Leonard Ahnquist of Grand Island spent the week end at the home of Mrs. Ahnquist's parents, Mr. and Mrs. Albert Treptow.

How the Other Half is Living

The post office in Ashland, is planning to offer its patrons parcel post delivery in the near future, according to Postmaster Blanche Kammerer. Ord has had parcel post delivery ever since city delivery went into effect some 18 years ago.

Following two smaller fires, the Gering fire department was called to the Larsen Market, where \$3000 damage was done by a blaze. All who went to the fires were not firemen, however, and 14 people drew fines for hindering the firemen in their efforts to put out a grass fire.

Gering people are going to have a chance to vote on a bond proposal in the amount of \$30,000 for the purpose of erecting a stadium, baseball lights and fences.

Lexington firemen were called six times during the high south wind of Monday of last week, and all but one of the calls was to extinguish a grass fire. Many other grass fires were reported that day over the state.

A solicitor at Cushing, last week, caused no little excitement when he contacted businessmen for ads in a book to be published for the benefit of the Cushing Methodist church. An alert merchant questioned the proposition and the deal was nipped in the bud.

Itinerant peddlers were busy recently selling oranges and grapefruit by the case to farmers in Hamilton county, at \$12.50 per case. They sold quite a lot of the fruit, although the price in the stores was from \$6.50 to \$7.50 per crate.

The community of Ravenna has been supporting two saddle clubs for some time past, and they have decided to unite under one name for the sake of economy and better representation of their town in contests.

THERE'S A SIX-FIGURE BUSINESS WAITING FOR THE RIGHT MAN HERE IN ORD

Maybe you are already in business here in Ord. Perhaps you operate a grain elevator, a hatchery, a feed and farm supply store. Or maybe you are simply a man who is willing to work hard to build a solid, profitable business of your own... the kind of business you'd like to leave to your son as his heritage.

In either event, there is a rare opportunity open to you to qualify for one of the few protected franchises with proven possibilities still open to a man with moderate capital. Careful surveys of this market, by experts, have shown that the right merchant with such an opportunity should be able to develop a business of at least six figures a year with this franchise. And he should be able to reach that level in less than two years. If you can qualify for this franchise, you will have the active help and backing of a firm that sells more livestock

and poultry feed than any other company in the world and that has been a leader in the agricultural field for more than 55 years. A representative of that firm will help you find and train the right kind of employees... set up efficient money-management and inventory-control methods... contact and sell your biggest prospects... and, generally, make the most of ALL the profit possibilities in your market.

If this opportunity to build a profitable feed and farm supply business sounds interesting to you, write a letter telling why you feel you can qualify for this franchise. Give us a brief history of your business experience and include the names and addresses of at least two local business men who know your abilities as references. Address your letter to Mr. Gil James, RALSTON PURINA COMPANY, 2331 Rochester Ave., Kansas City 1, Mo.

Tuesday's Blizzard Did Much Damage in Arcadia Area

The record blizzard of last Tuesday, left Arcadia people scooping snow from both inside and outside their houses. Snow drifting through into attics and melting caused plaster damage in many homes and many ladies spent Wednesday and Thursday sweeping up snow which blew into houses which were considered snow proof and cleaning off porches, which were packed with snow.
On the main street of Arcadia, the wind blew out windows in the cafe and at the Ray Holcomb building, and also in some way blew the door open at the Rambo cream station filling the room with snow. Trees were broken and small buildings were blown over.
In the country some cattle and hogs were lost by suffocation, losses being reported by Benson brothers, Elmer Wibbels, Jess Marvel and Melvin Swanson, and perhaps many more. Many windmills were damaged or blown down leaving farmers without water for their livestock and repair men were unable to handle all the calls for repairs and help that came in.
The highways between Loup City and Arcadia, and Ord and Arcadia, were not opened until Thursday, and the road between Arcadia and Anselby was opened on Thursday afternoon. Two of the mail carriers followed the plow to Anselby to bring back the mail on Thursday evening.
The wind blew with such force in last Tuesday's storm that on one farm it unscrewed the sucker rod from the cylinder at the bottom of a hundred foot well.

Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. Is Spirit the source or creator of matter? Science reveals nothing in Spirit out of which to create matter." (Page 277 and 278.)
"The realm of the real is Spirit. The unlikeliness of Spirit is matter, and the opposite of the real is not divine—it is a human concept. Matter is an error of statement. This error in the premise leads to errors in the conclusion in every statement into which it enters . . ."

Without Painful Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.
If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

For the many years of friendly business relations in Ord . . .

WE ARE GRATEFUL

The nineteen years we owned and operated the Karty Hardware in Ord have been good years, full of the richness of friendships made and friendships gained.

But, change must always come, and we have sold our business to the Beran family who will continue to operate it under the name of the Beran Hardware. We know them—just as you know them—and we can wholeheartedly recommend them to you, our friends and our former customers. We know that they, too, will appreciate your patronage and your friendships, just as we have done.

It is rather hard to say 'Goodbye' after so many years as a member of Ord's business family. Were it not for personal reasons of health we would never do it.

And so, we say 'Thank You' to the finest people in the world, for giving us such a wonderful experience of friendship.

INSIDE STORY OF THE ROLLED BALE

MORE LEAVES STAY ON THE STEM—The gentle way to bale. Saves more leaves, color and protein of hay. Leaves are rolled inside, where

they can't escape. Less feeding waste.

SHOWER-RESISTANT BALES—Rolled bales shed water like a thatched roof. Less surface on the ground; they dry off faster after a rain.

PRICED FOR HOME OWNERSHIP—Do your own baling the hour your crop is ready.

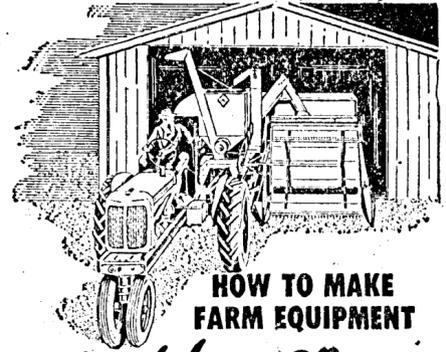

HANDLES DOUBLE WINDROWS—Double windrows cure fast and make the best bales. Turns out more bales per hour.

SEE US SOON...now... if you would like to own a Roto-Baler this year.

ALLIS - CHALMERS

Allis-Chalmers Equipment Is Truly Economical One-Man Tools — Not a Single Tool in the Line That the Average Boy of 15 Cannot Operate. First the Rubber Tired Tractors, Then the Combine, Then the Roto Baler, Now the Forage Harvester — Along With the Hay and Tillage Tools That Are All Outstanding — Best of All, They Cost Less Than Any Others in the Industry.

Every All-Crop harvester is built to give years of service . . . to harvest thousands of acres. But winter damage from rust and neglect can take more out of the life of your machine than actual use. Avoiding this loss is simple:

1. Keep your harvester in a good shed when it's not in use — clean out all dirt and trash after each job.
2. At the close of each season, let us make a Free 24 Point Inspection. We'll come out to your farm, or you can bring your All-Crop in.

Our inspection and winter tune-up program includes tightening all loose bolts or other parts, listing all needed repairs, complete lubrication, protection of all bright surfaces against rust, and removal of belts and canvas for safe storage.

Your fall tune-up doesn't cost, it pays — in longer machine life and delay-free harvests.

Spring Is Here and Farmers Are Ready for Work

Recent Snows Brought Needed Moisture, and Where It Was Needed.

Winter and spring waged quite a battle during the past week, but, as this is written, it seems that spring has won out.

The snow of the past week brought considerable needed moisture, and most of it stayed in the fields, where it is needed.

In direct contrast to last winter, the ground this winter froze hard and to a considerable depth, and should be in a fine, mellow condition for spring work.

Several reports have come in to the effect that the March 7 blizzard was severe on wild life, and that quite a few pheasants failed to survive.

Wm. Goff to Head V.F.W. Coming Year

Benda, Galka, Zulkoski, Absalon, Piskorski, Named to Offices.

Wm. Goff, World War II veteran, was elected commander of Ord Post 7029 of the Veterans of Foreign Wars at the regular meeting of the post Monday evening.

The newly elected officers will be formally installed and take office at a meeting on April 17. Midget Baseball Planned.

Three VFW members, Dave Watson, Lyle Manchester and Wm. Gogan, were chosen to aid director Wm. Heuck in the coaching and scheduling of midget baseball in Ord this summer.

Improvement Car in Ord April 5

The Union Pacific Agricultural Improvement Car will be in Ord on Wednesday, April 5th, according to an announcement received this week by County Agent Dale.

Brockman in News

The Quiz this week received a picture clipped from the Chicago Daily Tribune, which showed Coach H. F. Brockman and his squad of basketball players, as they appeared at the annual tournament at Champaign, Ill.

Hearings Held on North Loup Lions Are Entertained by 'Bum' Phillipps

At a session of district court held at Ord Thursday with Judge W. F. Spikes on the bench, temporary settlements were made in three pending divorce cases.

Arnold John Radt was directed to surrender the auto, furniture and household goods to Georgia Mae Raftlforth, and to make monthly payments of \$50 for child support, the first to be paid May 1.

In an action filed March 9, Flora L. Munn was allowed \$50 a month temporary support from her husband, Gerald Munn, whom she is suing for divorce.

Muriel E. Thompson was allowed temporary support money in the amount of \$50 in her divorce suit against her husband, Robert E. Thompson.

Married Women Teachers Are Out

The Board of Education, at a meeting held March 6, took action to return to the pre-war policy of hiring no married women as instructors in the Ord schools.

At present there are five married women holding teaching positions in the Ord schools, three in the high school and two in the grade school.

The school board has notified these women that after next year the probably will not be re-elected. At the same meeting, the board re-elected the teachers concerned in the action to their same positions for the 1950-51 school term.

Before the war there was also a rule against the hiring of graduates of the Ord schools as instructors. This rule was relaxed during the wartime teacher shortage and has not yet been officially reinstated.

Public Is Invited to Attend Meeting in Ord March 28

V. S. Peterson to Speak on Subject, 'Progress in Better Living.'

The Agricultural Committee of the Ord Chamber of Commerce announces an open meeting to be held at the K. C. Hall in Ord on Tuesday, March 28, at 8 p. m.

Guest speaker will be V. S. Peterson, Mid-West District Manager of the DuPont Company's Extension Division. Mr. Peterson of Ames, Ia., who is widely known as a speaker on industrial progress and chemical developments, has chosen as his subject "Progress in Better Living."

He will show some of the newest developments in chemical research, but also will discuss what makes them possible and how they get out of the test tubes and into the hands of the public as useful products.

Mr. Peterson not only will discuss some of the new things on the way but will also tell the story of how nylon came to be the development of "lucite" acrylic resin — the versatile plastic which, among other outstanding jobs, contributed to medical science by making it possible to turn light around a corner — and many other chemical discoveries.

As a native middle-westerner intimately acquainted with the growth of the area, Mr. Peterson says "there is progress only as long as it is the wish and the will of the people to provide conditions that make it possible."

This observation grew out of his years of association with the Du Pont company and with agricultural engineering and other activities in the Middle-West. Mr. Peterson is a graduate of Kansas State College. Prior to joining Du Pont, he served as agricultural extension engineer in Iowa and Pennsylvania, as engineering technician and acting director of the Iowa U. S. Forest Service CCC camps, and as state administrator of Soil Conservation in Indiana.

Mr. Peterson has long been active in the American Society of Agricultural Engineers and at present is chairman of its committee on farm safety. He is also a member of the Farm Conference of the National Safety Council and several other technical and farm organizations. A popular speaker at farmers' meetings, Mr. Peterson, comes to Ord under the sponsorship of the Valley County Extension Service.

Everyone is invited to attend this meeting. The talk is of interest to farmers and business men, and is popular with women and high school students as well. All these groups are especially invited.

Harry Clement Found Ill; Now in Hospital

Harry Clement, night marshal, was seized with a severe hemorrhage while on duty Thursday evening. He was taken to the Ord Cooperative hospital, where it was found that he had lost much blood and was in a very weakened condition.

Friday he was taken to St. Francis hospital at Grand Island, where he is under observation and will have a complete checkup. Just what will be done for him will depend on the result of the checkup.

Legion, VFW, to Hold Blue Rock Shoot Sunday

A blue rock shoot will be held Sunday afternoon, March 26, at the Valley county fair grounds, members of the sponsoring organizations, the American Legion and the Veterans of Foreign Wars, announced this week.

The shoot will be postponed a week to April 2, if foul weather is encountered. Prizes will be hams and bacon.

Jill Coleman Rides Again

It was hard to explain to Jill Coleman, eight-year-old daughter of Mrs. Jim Coleman, just why her pony had to be sold.

Jill's father, Jim Coleman, died a few weeks ago and her pony was going to go to the highest bidder, along with the other farm equipment, at a public sale a week ago Tuesday.

She didn't understand why it had to be that way—but she did understand that she wouldn't get to see her pony again.

But Jill is happy. She's still riding her beloved steed. A group of good neighbors bought the pony and says it back to her.

Cities Get Share of Registration Fees This Year

Ord to Draw \$2,179.06, North Loup \$484.46 and Arcadia \$514.07.

According to the provisions of the new auto fee law passed by the last session of the Nebraska legislature, the cities of the county get a portion of the money spent for license fees, and this amount should help materially in keeping up the city streets.

For example, an auto fee of \$8 is divided as follows: treasurer's fee for issuing license, 10c; state general fund, 5c; 40c; state highway fund, 40% of the remaining \$7.50 or \$3; the city 20%, or \$1.60, and the rest, \$2.90, goes to the county road fund.

The following figures on 1950 auto registration and distribution were furnished the Quiz by Lloyd Wilson, county treasurer.

Total registrations Jan. 1st to Febr. 28th, 1950, 3,108. Total fees Jan. 1st to Febr. 28th, 1950, \$30,776.25. Treasurer's fees for issuing licenses credited to County General Fund, \$310.50. State General Fund \$1,523.50. State Highway Fund \$11,577.00. County Road, \$14,111.79. Cities and Villages, \$3,253.80.

The share of the City and Villages represents 20% of the total fees paid by the residents. This is divided according to the percentage of registrations in each.

Ord City, 66.9%, \$2,179.06. North Loup Village, 14.8%, \$484.46. Arcadia Village, 15.7%, \$514.07. Elyria Village, 2.3%, \$76.21.

Both Parties Name Gnaster, Hastings for City Council

Vacancies Filled for City Election April 4; Only One Contest.

Both the Good Government and Citizens parties have nominated Ed Gnaster for 1st ward councilman and George Hastings for 2nd ward councilman, and the names of both will appear on the ballot at the city election April 4. Both were chosen to fill vacancies caused by the resignation of caucus choices.

Third ward voters will be the only ones who have a contest to decide. In that ward Dr. J. W. McGinnis, present councilman, is opposed by Otto Pecenna.

Mayor Blessing, City Clerk Agnes Dodge, City Treasurer Ollis, Police Judge Sullivan, school board and park board members, were all endorsed for re-election by both parties.

Barring a write-in vote Ord's city election this year figures to be an unexciting affair.

'Pancake Days' Going Over Big on Perfect Day

Catholic Ladies Busy Serving Huge Crowds at Bohemian Hall.

The second annual "Pancake Days" put on by the Ord Chamber of Commerce met with a perfect reception, both by the weather and by the crowds. The people began to gather shortly before 11 a. m. and serving of pancakes and coffee began at that time and will continue without interruption until everybody has been served.

The work of making and serving the cakes is in the capable hands of the Ord Catholic ladies, who are keeping everything moving right along. As the day is about perfect, it is expected that the crowd this year will exceed that of last year. However, many on side roads may not be able to get to town because of the melting snow and mud.

The block on 15th street between M and N streets is closed to traffic and Ord's implement men have the street filled with farm implements of all kinds. The men, especially, are getting quite a lot of information in regard to new machinery. Dealers displaying are Valley County Implements, Klison Implements, Neumann Implements and Schoenstein Implements.

Also of interest is the Rowbal ditching and earth moving machine, which is also on display. It is attracting much attention, as it is the first of its kind to be owned and operated locally. Ord businessmen are to be congratulated on the success of this second annual "Pancake Days."

First Foreclosure in Years Is Filed

Evidence that times are becoming more strenuous developed in the filing of a suit for foreclosure in district court this week, the first of the kind for several years, according to Clyde Baker, clerk of the district court.

The suit is filed against a residence property, and the amount involved is \$2,000. Mr. Baker believes that this first foreclosure suit will be followed by others, as suits, like many other things, seem to run in cycles.

Oscar Nay in Ord

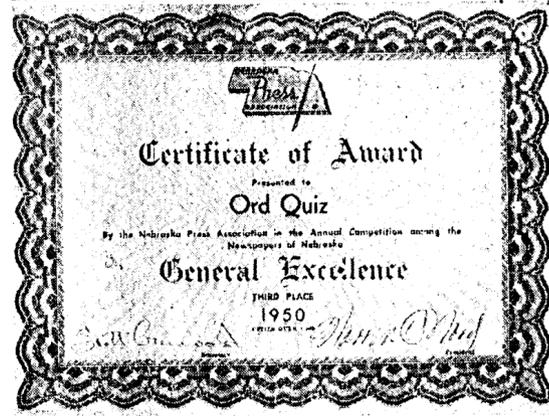

Oscar Nay arrived in Ord at noon Wednesday for a visit with friends here. He came from Perry, Ia., and brought Charles E. Detweiler as far as Grand Island, where he will visit his nephews, J. W. and M. G. Detweiler.

Red Cross Fund Drive Reaches Halfway Mark

The annual Red Cross fund drive has passed the halfway mark in Valley county. Miss Katherine Helzer, county fund chairman, reported early this week that although less than half the reports are in from community chairmen, nearly \$500 has been turned in.

With the arrival of pleasant weather, solicitation has gone ahead rapidly in the towns, but bad roads still are hampering the work of Red Cross volunteers in rural areas.

With only about ten days left in which to complete the drive, workers throughout the state were reporting difficulty in meeting quotas. Here in Valley county, however, the Red Cross committee was optimistic. "We should be able to do the job," Miss Helzer said. "It's just a matter of everyone in the community cooperating."

Quiz Honored at State Press Meet

Two handsome plaques were awarded to The Ord Quiz at the annual convention of the Nebraska Press Association held last week in Omaha. One plaque, for general excellence among newspapers published in cities of 2,000 or greater population, was awarded to The Quiz by the University of Nebraska school of journalism. The other plaque, for outstanding community service, was awarded by Ak-Sar-Bon.

What About It, Ord People? The number of students who drive to neighboring towns for entertainment is very great. Probably somewhere between 50 and 75 students leave town every night. The reason is, of course, that Ord does not have the facilities for recreation or entertainment. There are but three show changes a week; that means four and possibly five nights a week that a kid has nothing to do. Oh I know, you say they should stay home and study, but you can't possibly have enough work to keep you busy all that time. Maybe if there was a skating rink here or something, what do you think? How about it?

Arnold Lake Work Nearly Completed

Sportsmen of the Ord area will doubtless learn with interest of the work that is being done at the present time on the fishing resort known as Arnold Lake in Custer county. This is located near Arnold on the Middle Loup river, about 30 miles west of Broken Bow.

Excavation work is being done there at the present time, and the lake is being deepened from two to eight feet. In addition, the present dam is being reinforced to guard against danger from summer floods. The work will be completed about April 10.

Hubert Leach Here; All Help Retained.

Hubert Leach of Burwell will be active manager of the Ord firm, and will move to Ord as soon as he can obtain housing for his family. All present personnel of the garage, Harold Philbrick, Dale Philbrick, Don Edwards, Lloyd Witt, Richard Ingram and Paul Cahill will be retained by the new management.

Earl Richmond Pays Fine for No-Fund Check

Earl J. Richmond was haled into county court last week on complaint of Ralph W. Norman, county attorney, and charged with issuing an insufficient fund check. The check was made out to Syl Bogus on the Bank of Taylor, under date of Dec. 17. Mr. Richmond made good the amount of the check, paid a fine of \$2 and costs of \$16.20, and was released.

Morris Kirby Breaks Hip Early Tuesday

Early Tuesday morning Morris Kirby fell near the windmill on his farm home and fractured the bone in his right leg near the hip. It was some time before Mrs. Kirby, who is not at all well herself, found out what had happened.

She got word to her nephew, Ernest Kirby, chief of police, and he and Hilding Pearson went out in the ambulance and brought Mr. Kirby to the Ord cooperative hospital, where he was still in a great deal of pain later in the day. He is being attended by Dr. C. J. Miller. What makes the case more serious is that Mr. Kirby suffered a similar break once before.

Baseball Meeting Planned Tonight

At 8:00 this evening (Wednesday) at the basement meeting room in the Veterans club, the Ord Baseball association will meet. Plans for the coming season will be discussed for town team, midget, Jr. Legion and twilight baseball and all players and fans interested in any of these is urged to be present.

Historical Society Collections Tells Story of Fort Atkinson

One of the earliest records of life in Old Nebraska is the diary of James Kennerly who was sutler at Fort Atkinson from 1823-1827. The diary, edited by Dr. Edgar Bruce Wesley of the University of Minnesota (who has an article on Fort Atkinson in the December issue of Nebraska History), was published in the Missouri Historical Society Collections, Volume VI.

March 17, 1824, he wrote: "all my men drink today except Foote & Rider." Though largely an account of rather prosaic day-to-day events, occasionally the diary mentions the visit of some notable frontier character — Andrew Drips and Joshua Pilcher, to mention a couple — indicating that Fort Atkinson was very closely connected with the early fur trade of the Upper Missouri.

New Auto Plates Coming Next Year

The State of Nebraska will put out new car numbers next year, which because they are shorter, will save about \$7,000 for the taxpayers. The county numbers will be the same, but a letter will be inserted in place of the first two numbers following it. People who have favorite numbers will just have to get used to the new system. The figures will be the same height as in the past, but there will not be so many of them.

CROP Holds National Dedication of Trains

R. E. Varner, area representative of the Christian Rural Overseas Program (CROP) for the states of California, Colorado, Idaho, Iowa, Kansas, Minnesota, Montana, Nebraska, North Dakota, Oregon, South Dakota, Washington and Wyoming, is shown above (right) presenting to Albert Farmer, national field director of the relief program, miniature trains which represent the 1949 contributions from the various states in his area. The presentation was made at the national dedication services for the 1,163 railroad carloads of farm commodities given to CROP during the year. States in Varner's area contributed 560 carloads. Iowa led with 202 cars.

Since CROP's inception in August, 1947, approximately 175,000,000 pounds of farm commodities have been sent to those most in need in 22 countries. CROP will be continued throughout the 1950 harvest season. Sponsors are Catholic Rural Life, Church World Service, (22 Protestant denominations) and Lutheran World Relief.

Davis Creek

The Neighborly Helpers club met Thursday with Mrs. Dorthea Johnson. Due to bad road only six members present Friday evening. They are planning a party at Dist. 39 and would like very much to have all the near neighbors that have moved in this spring and the neighbors who left the neighborhood this spring, to be guests. If it is possible to get them, they will try to have Carl Dale come down with his pictures, which are very interesting. He has four reels of picture. One is on the corn borer, which is of interest to every farmer. The party will be Friday night, March 24 and a lunch will be served later.

Mr. and Mrs. Guy Sample and George and Mr. and Mrs. Clifford Sample and family, of Loup City, Mr. and Mrs. Martin Vincent of Ashton went to St. Paul Sunday and took well-filled lunch baskets to the home of Mr. and Mrs. Henry Walls to help Mrs. Walls celebrate her birthday. Mrs. Walls and Mrs. Vincent are sisters. Frank Seigle received word of a granddaughter, born to Mr. and Mrs. Hubert Seigle, at Fairbury. This makes five girls and two boys in Hubert's family.

Mrs. Elgin Petersen, who has been visiting her brother, Lloyd Petersen in Loup City, came to visit her sister, Mrs. Ida Johnson Friday evening. Sunday Mr. and Mrs. Lloyd Petersen were at the Johnson home.

Mr. and Mrs. Virgil Annayas and Laciada brought Mrs. Margaret Annayas to John Williams Sunday. In the evening they all visited at Howard Manchesters, and Mrs. Annayas was an overnight guest. Harry Wallens were at the Howard Manchester home Thursday and helped Howard overhaul his tractor.

Richard Palmer is home on a furlough, having come by way of Lincoln and brought his sister, Eva, up to spend the week end. He and Mrs. Palmer took Eva back to Lincoln Sunday. They plan to visit a few days at Coleman Phelps home.

Mr. and Mrs. Merl Jacobsen of Grand Island spent Sunday at the home of Mr. and Mrs. Herbert Linke.

Mr. and Mrs. Herbert Linke and Diane went to Broken Bow Friday evening and were guests of Mr. and Mrs. Sylvan Woods.

Mr. and Mrs. Arthur Palser and Dale spent an evening last week at Herbert Linkes.

Albert Sample spent Sunday evening with his parents, Mr. and Mrs. Guy Sample and George.

Bank Cashier Embezzles Funds

Hollis D. Carlson of the Herman State bank has pleaded guilty to two counts of embezzling funds from the bank. The amount of funds missing is slightly in excess of \$2,000. He was charged with taking the money and with making a false entry in the books of the bank. He told the judge, who has deferred sentence, that he is making restitution to his bonding company.

Nebraska Firm Makes Schrader Products

A firm known as the Cornbelt Machinery company of Omaha will manufacture the products invented by Everett Schrader of Ravenna, who is becoming an inventor of state-wide fame. Mr. Schrader has designed a new type of picking roll for corn husking machines which not only improves its efficiency in field corn, but adapts it for picking pop-corn. Mr. Schrader also has a number of other farm inventions on which patents are pending.

Car Gets Hot, Fire Department Called

About 1:30 Monday afternoon the Ord Fire department was called to a place near the Dr. H. N. Norris home to extinguish a fire in the automobile belonging to Emil Darges. Emil noted the smoke coming out from under the hood and very wisely decided it was a job for the firemen. The wiring was damaged by the heat but

Bridegroom Is in Hospital During Wedding in Church

HASTINGS, NEB. — It was a beautiful wedding but the bridegroom missed it.

The organist at the First Methodist church played nuptial music. The soloist sang, the candles were lighted and the bridal party welcomed some 100 guests.

Then the Rev. Ralph Rasmussen rose to his feet and told the assemblage that Robert Kellogg and Miss Phyllis Osterbahr had been married a few hours earlier so that Kellogg could be rushed to the hospital for an emergency appendectomy.

Could Be Old Age

The earth is slowing its rotation, but the process is a very slow one, increasing the length of the day about a thousandth of a second every century. It is caused by the braking action of the waters of the earth as they flow by tidal movements over shallow areas. The same effect causes the moon to recede from the earth and thus makes the month longer as well. The maximum effect will come in the very distant future when the day and the month will be the same, equal to about 47 of our present days. Then the earth always will keep the same face toward the moon, just as that body does now toward us.

Animals Tell the Weather

It is proverbial that animals are prophets of the weather in their own peculiar ways. Characteristic of this is the fact that grasshoppers usually stop singing as soon as bad weather approaches. Contrastingly, when frogs croak loudly for a long time, fine weather may be expected soon. When fish swim near the surface of the water and jump out frequently, there will be a storm. Fair weather isn't far off when crows are perched on the top of trees. When hens roll in the dust or go to roost later than usual, bad weather is on its way. In the city the most noticeable sign of bad weather is when cats begin to lick their hair.

New Land for Farms

In the past quarter century about 35 to 40 million new acres of cropland and improved pasture land have been drained, cleared or irrigated. This is in addition to that brought into cultivation by plowing up western grassland.

Peterson Files for Third Term Wednesday

Val Peterson, governor of Nebraska, filed for re-election Wednesday afternoon. The governor has served two consecutive terms and is seeking a third.

In a prepared statement to the press, Peterson said that he intends to see that his highway program is carried through. "It's the biggest bargain in roads the people of the state have ever had," he said. "Although the roads in the state are in better condition than ever before, we still have considerable rebuilding and a small amount of new construction to accomplish before the road system in the state is entirely satisfactory," he added.

Peterson also claimed that state institutions had made great progress under his administration and that his administration was responsible for making the per capita tax rate in Nebraska the lowest in the nation.

Cub Scouts Meet

The Cub scouts had their annual pack meeting Tuesday evening at the high school. New cub master, D. E. Troyer, was appointed with Johnny Wojtaszek assistant cub master. The pack committee is Emil Babka, Bud Martin and Hilding Pearson. With the completion of cub master and the committee the charter was renewed for another year. Mr. Pearson has been cub master for the past two years.

Long Distance Swim Record

The record long distance swim was hung up by Skipper IV, a gray nurse shark in the aquarium pool at Taronga Park, Sydney, Australia. At the rate of three miles an hour, he never stopped swimming from 1934 to 1939 during which time it was estimated he negotiated about 105,000 miles. The war added interest in the aquatic performances of Skipper IV.

Thaddeus Kosciuszko

Thaddeus Kosciuszko arrived in America from Poland in the summer of 1776. He found employment at Philadelphia in construction of fortifications against the expected attack by the Delaware. This gained him his commission from congress as an engineer in the continental service, with pay of \$60 a month and the rank of colonel. He fought for six years with the American army, and fortified West Point. Kosciuszko first suggested for a national military school the spot where West Point now stands.

Member Woman's Club of Ord for Fifty Years

Mrs. Ada Munn recently celebrated 50 years as a member of the Woman's Club of Ord. At a dinner of the Woman's Club, several weeks ago, she presented the following paper, which the Quiz publishing with her kind permission: To have had a small part in the history of the Woman's Club of Ord and to have enjoyed its privileges and advantages has been highly appreciated. And we all to have been associated in the noble type of womanhood its membership—and the last friendships formed—are truly memories to be treasured. In the words of Thomas Moore, "Long—long be my heart with such memories filled. Like the vase in which roses have once been filled—you may break, you may utter the vase if you will, but the scent of the roses will hang round it still." Our "Club Motto"—and "Club Lore" and our "Motives and Goals" have remained the same throughout the years and there have been only a few minor changes in our Constitution and By-Laws. Going back to the beginning of the club membership—the year 1900—just 50 years ago—I will recall a few of the most important things that have taken place—perhaps refer to a few outstanding events in our club activities and accomplishments. Many changes took place in 1900. Thirteen ladies accepted membership in the club. As the membership of 12, for the preceding years, was that increased to 25 members and 11 printed programs were introduced for the first time. Also the club year was changed to February to the last week in no—and was changed to our

present club year. (The first Tuesday in October to the second Tuesday in April.) We joined the State Federation in February of that year (1900). The merit system was incorporated into our By-Laws also the practice of sending the best club paper of the year to the Reciprocity Bureau at Lincoln was introduced and the proud distinction fell to myself—in 1901—when my paper—"The Third Estate," was chosen for that year. In 1903—we joined the General Federation—and in 1923—(20 years later,) we withdrew from both the State and General Federations. Up to the club year of 1920-1921—the club met every week—instead of every two weeks as at present. Thus our club calendar covered twice as many meetings and programs and always contained our constitution and By-Laws. About 1910 Mrs. A. M. Daniels, one of our charter members, was sent to the State Convention at Lincoln as a delegate. (She was a guest in my home at that time.) An outstanding incident at the convention was an original poem written and given, (for the occasion) by Mrs. Daniels. The ovation she received was something to be proud of and long to be remembered. At that time the Woman's Club of Lincoln had 1,000 members, and was held to be the largest Woman's Club in the world. The courses of study throughout the years have been varied, including music—literature—art—history—government—autobiography—parliamentary usage and miscellaneous work. In our literature courses we had the question outlines as used at the University of Nebraska, and in all our study courses, each member took part at every meeting and received a merit. This encouraged regular attendance. Merits also were given for individual work—music—club papers—book reviews—debates—plays—etc., etc., and always all members stand equally on club programs. The social functions have been as varied as our studies. All kinds of parties—elaborate as well as most simple, costume and Hallowe'en parties were my favorites. One very elaborate party stands out in memory. Ella Wheeler Wilcox—sister of Mrs. Bond—the mother of Miss Ella Bond—was an honored guest. It was indeed a brilliant party—the entertainment—the decorations—the gowns were truly outstanding as a social event in Ord. The most elegant gown I ever possessed was worn at that party, and believe it or not—it had a train. Of course there were other

beautiful gowns and most of them had trains. How proud and dignified we all felt. Indeed you must be dignified to wear a train and being dignified, you will be proud. And really—the trains were not too difficult to manage. To properly wear a train one needs to be alert and train conscious, (at least while in motion) for it is very important to remember when to pick it up or let it down and how many steps to take to properly place to full view. Also—you should always very carefully gauge your distance from those following you to avoid disaster. At another party—(a very informal affair) given at the Bond home, again—Ella Wheeler Wilcox was the honored guest. Indeed! She reversed the order and furnished almost the entire entertainment for the evening by reading out "palms" and telling our fortunes. Her revelations were most startling and dramatic. All the deep dark secrets were not too terrible and in the end had much of promise and achievement. Two very unusual Hallowe'en parties—one in a large attic and the other in a large roomy basement, and at each the costumes—decorations and entertainment were in keeping with the event. Even the refreshments were typical—with lots of surprises. Many other very nice, enjoyable parties (too numerous to mention) were given throughout the year. Occasions when our club raised funds for various worthy enterprises were many. Three different times in as many years we gave an art exhibit and with the funds thus secured purchased pictures for the city schools. We purchased and presented to the city—two fine drinking fountains which served the public for many years. One year we furnished the funds for the Junior-Senior High school banquet. We gave money to the Public Library for purchase of books—and on several occasions we chartered the movie theatre and made a neat profit. On one such occasion—in cooperation with two other study clubs—(the "Laurel" and "Fortnightly") we peddled bills up and down the residential section of Ord and also placed bills in every car or other vehicle parked around the square, or elsewhere. And we were well repaid for our labors for we cleared \$100.00 which sum we held for many years as a "Library Fund." Another time we gave an ice cream social on the court house lawn for the benefit of our band. Also we gave a play that proved to be a "big hit" and netted a neat sum. There were many other times when we raised funds for good and worthy causes. I sometimes wish we could again do something worthwhile under our own banner—as our very own special effort to show our interest in the betterment of—Home and Community life. After all,—to quote from our club By-Laws—"The object of this association shall be to stimulate intellectual development—and to promote united effort for the advancement of social conditions in the home and in the community."

The Woman's Club of Ord has a distinctive place in our home and community life. It still has a special work to perform—and this work—well done will elevate the individual—better the home life—radiate helpfulness and good will to the community life. Like most organizations we have a "Purpose and Aim." The basic principles upon which we rest as an organization embrace, Intellectual Development and betterment of the home and community life. As originally drawn this section of our constitution—read—"The object of this association shall be to stimulate intellectual development—and to promote unity and good fellowship among its members." As it now reads we seem to have advanced a step for we now include the community as well as the home. There is no denying the fact that this is woman's hour. She is being emancipated from many long enslaving customs and false ideals. Her sphere has enlarged and she must measure up to new responsibilities and duties, but it should not—and need not be at the expense of true womanhood. Woman's most treasured gift is and should remain—that indefinable something that refines and elevates her station in life—no matter how humble or exalted. Retaining these beautiful qualities

she must not stoop to lower her standard of life. With the growing recognition of the worth of the individual—woman is coming to her own. She now has the right to enter any field of human activity—every avenue of trade—business—profession—literature—art or science. All this certainly has increased her opportunities for usefulness. But woman's enlarged sphere of usefulness—need not cause her to neglect the sacred duties of home life—nor her responsibility to community life. The chain of connecting links between our home life—our community life—and national life are not separate and distinct—as we are sometimes led to believe—but very intimately related. One broken chain—with the home as the center, though not the circumference of our interest and influence. Our club life is but one step removed from our home life and yet the connecting link widens our sphere of usefulness and at the same time the home life is benefited and improved. So step by step—link by link—we may enlarge our sphere of life and each link will but strengthen the whole. The full significance of our "Club Motto" is beautiful and inspiring.—It reads:—"Truth is the foundation of all knowledge—and the cement of all societies." (Dryden) If truth is the foundation of all knowledge—then truth is the greatest thing in all the world—for it is the basis of all that really is. (Jno. Sterling wrote) "Knowledge is Truth received into our intelligence." And Webster defines knowledge as a "clear perception of truth or fact." Intellectual development certainly is a seeking after knowledge—"A clear perception of truth." So if "truth is the foundation of all knowledge and the cement of all societies," then true development means,—a seeking after truth and this seeking after truth and finding it, brings about the "cement of all societies." "No life can be pure in its purpose and strong in its strife and all life not be made purer and stronger thereby." (Owen Meredith)

George Hlavinka Writes to Tell of Platte River Damage by Flood The following story of the recent flood at Linwood, Nebr. caused by the ice gorging in the Platte river, was sent in by George Hlavinka, who is teaching school at Linwood. He states that the board of education there recently re-elected him to teach next term: Regarding the recent flood near Linwood, Nebr. to differentiate the previously given reports, here is the authentic report: Newspapers and radios carrying reports of the above seem to emphasize Schuyler so much in reference to the exact location of the distress area. The farmsteads involved in this are near Linwood on the south side of Platte. One of the most dangerous and exciting tasks entailed in the stories of the flooding is the one to be described presently. Listeners and readers who do not know the details thereof, merely pass it up with no concern, but this is what actually took place. The water and ice avalanche began at night. Many of the farmers were in Linwood and when the warning came, they hurried for home. One man in particular had a dangerous experience, when his truck stalled in already hub-deep water. He could no risky to get out, and it was too risky to wade through the water carrying huge chunks of ice. The water was getting higher rapidly, so he climbed on top of the cab of the truck and began calling for help, as he was near the place of a neighbor. Soon the hood of his truck was submerged and ice chunks were floating by and crashing against the truck. His calls were fortunately heard and a neighbor came to the scene but had nothing just then with which to rescue the other person. He immediately went to another neighbor to get a boat, which was seemingly the only means of rescuing the man on the truck. For some reason the boat was not available, and a platform used as a mount for a certain implement was the next best thing to be used. With the help of another person who had also by now appeared at the scene, the ma-

Meetings for ACP Sign-Up Announced

Farmers of Valley County will have an opportunity to discuss agricultural problems and sign up for the 1950 Agricultural Conservation Program in a series of "sign-up meetings" to be held beginning Monday, March 20, at P. M. A. Office.

Other meetings have been scheduled as follows:

- Arcadia, Yale, and Liberty Townships—Thursday, March 23—Does Hall
- Davis Creek Township—Friday, March 24—Davis Creek School
- Elyria Township—Friday, March 24—Basement Hall
- Springdale Township—Saturday, March 25—Springdale School
- Eureka Township—Wednesday, March 22—Jungman Hall
- Noble Township—Thursday afternoon & evening, March 23—Brick School
- North Loup and Independent Townships—Tuesday, March 28—Community Hall

In announcing these meetings, Paul Owens, chairman of the County FMA Committee, said that farmers this year are facing a vitally serious problem in what to do with the land taken out of allotment crops.

Farmers are generally agreed that about the only use that will not result in piling up additional surpluses is to seed this land to grass and legumes, but here, says the chairman, they are up against the problem of enough adapted seed to take care of the diverted land.

Owens urges that farmers seriously consider this problem as well as the immediate conservation needs of the whole farm when they come to the meetings to sign up in the 1950 ACP. He added that the farm women of Valley county also are vitally concerned with these problems and asks that they too attend the sign-up meetings.

Remember if you intend to carry out any mechanical practice during the year, you must have prior written approval from the county committee before you are eligible for payment.

Fifty Years of Basketball from the Old Files of the Ord Quiz

In 1936, with many players lost by graduation, Coach Brockman's boys lost the first game of the season to St. Paul, Jan. 2, by a score of 16 to 37, on the Ord floor. A man named Blessing led with 7 points. Others playing for Ord were Zulkoski, Melia, Barta, Tunnicliff, Adamek, Koelling, Clark, Stone, Marks, Hughes and Haskell. Payne got 13 and LeGate 11, for St. Paul.

Jan. 7, the Ord first team beat Sargent, 28 to 24, and the Ord reserves won, 20 to 19. The starting lineup in this game were Melia, Clark, Blessing, Haskell and Tunnicliff. Jan. 17, Ord won over Scotia, 46 to 23. Jan. 21, at Ord, Loup City lost 19 to 21. Dale Melia was high for Ord. Loup City did not score a field goal until the final quarter.

Jan. 31, at Ravenna, Ord won 31 to 15, and later played Arcadia, at Ord, winning 34 to 21. In both these games, Brockman used many substitutes. Ord then lost two games, Feb. 7, at Hastings, 41 to Ord 10, and Broken Bow, 21 to Ord's 15, in a real battle. For the Loup Valley tournament, at Arcadia, Ord drew a bye in the first round. The teams were Ord, Arcadia, North Loup, Loup City, Burwell, Scotia, Taylor, St. Paul, Sargent, Comstock, and Dannebrog.

St. Paul edged out Ord by a score of 42 to 40 in the semi-finals, but Ord beat Sargent 49 to 9, and took the consolation from Arcadia, 48 to 18. North Loup won the runner-up spot when beaten by St. Paul in the finals. Ord was in the Class A tournament at North Platte; March 4 to 7, and lost the first game to Lexington, 45 to 41.

In interclass competition, in March, the seniors defeated the juniors, 29 to 20. Playing for the seniors were Carlsen, Goff, Melia, Johnson, Blessing, Marks, Koelling and Richardson. Juniors who played were Zilkoski, Lakin, Clark, Barta, Haskell and Stone.

In the spring of 1936, the Mid-Six conference was organized.

Basketball started in 1937, with the seniors beating the sophomores, 45 to 5; the juniors beating the freshmen, 30 to 5, and the seniors beat the juniors 29 to 10. Six lettermen were back, Dale Hughes, Gerald Clark, Don Tunnicliff, Harry Zulkoski, Dean Barta and Harold Haskell. New men were Charles Cetak, Ed Hitchman and Raymond Tatlow.

Laverne Lakin was writing the sports news for the Quiz. Incidentally, Haskell, Clark, Hughes and Tunnicliff were named on the football state honor roll in 1936. Others mentioned for basketball were Elmo Zilkund, Don Severson and Don Dahlin. The Chants won two practice games from Arcadia and Burwell, scores not given.

The first string lineup as reported for the opening regular game had Barta at center, Clark and Hughes at guard, and Tunnicliff and Zulkoski at forward. Ord lost to the Alumni, New Year's day, 27 to 49. Playing for the Alumni were Rich Severson, Paul Blessing, Greathouse, Bill Tunnicliff, Charles Melia, Bert Boquet, Hank Berda, and Manford Steinwart.

The Ord boys won Jan. 5, from Sargent, 24 to 21. Jan. 15, they played a very rough game at St. Paul, winning 40 to 21. Jan. 19, Cowel's reserves won at Burwell, 16 to 14, while the first team romped over Burwell's best, 41 to 16. Spalding was beaten by Ord, Jan. 26, 27 to 12, and the reserves won 28 to 11. A day or two later, Ord scalped Broken Bow, 36 to 12.

Burdette Cowel announced his resignation as assistant coach, effective Jan. 30, as he was to become head coach at Minatare. Ord's junior high, with Frank Lee, coach, won over Broken Bow, 23 to 16. The Ord lineup included Art Carlsen, Henry Misko, Ray Hurlbert, Richard Piskorski, Dean Misko, Bob Tunnicliff and Cliff Barnes.

Ord defeated Loup City, in the final game, 35 to 14, and the reserves won 21 to 11. Eight veterans were back in 1938, Dale Hughes, Don Severson, Don Tunnicliff, Don Dahlin, Harry Zulkoski, Edwip Hitchman, Charles Cetak and Arden Clark. The Chanticleers opened the season with a win, 26 to 15, over Comstock, Dec. 13. Then on Dec. 16, they went to North Loup and won, 36 to 10.

Don Tunnicliff made 10, Harry Zulkoski 8. Ord went to Curtis, Dec. 31, and lost two games, 28 to 15, and 20 to 19. Ord upset Kearney, 27 to 19, Jan. 6, 1938. The junior high also won at Kearney, 20 to 6. Keith Wolfe was their coach. Ord went to Burwell, Jan. 12, and won, 33 to 7. That week the junior high walloped Arcadia, 21 to 6.

The Ord All-Stars made their first appearance and whipped Rockville, 45 to 34. Playing for Ord, were Paul Blessing and Dale Melia, who made 13 points each. Melia, Clark, Blessing, Haskell and Tunnicliff. Ord went to Ravenna, Jan. 20, and won, 22 to 14. The junior high won at Dannebrog, 32 to 10. The All-Stars lost out in a tournament, to the Grand Island Wolbachs, 29 to 27.

At Ord the local team defeated Arcadia, 24 to 21, on Jan. 31, and the reserves won, 24 to 12. The Chants tripped Ravenna, 24 to 10, at Ord, Jan. 27, and the junior high won, 31 to 16. Ord lost to Broken Bow, Feb. 3, 23 to 26, the first loss in two years. Ord won over St. Paul, 30 to 17 and the reserves won 28 to 14. The All-Stars walloped North Loup there, 43 to 18, but their seconds lost, 8 to 30.

At Ansley, Feb. 10, Ord won, 15 to 13. The All-Stars won at Scotia, Feb. 12, 72 to 21, with Paul Blessing making 31 points. At Burwell, Ord high won over Dannebrog to win the Loup Valley crown. Burwell won over Arcadia to take the consolation. The junior high won the tournament at Ord, by defeating Loup City, 32 to 10. The Ord All-Stars lost to Lincoln 33 to 41, Feb. 23. They also lost to the Wolbachs, Feb. 27, 35 to 63.

With Comstock leading, 23 to 15, at Ord, Dec. 15, 1938, the Comstock coach took his team off the floor and forfeited the game, 2 to 0. Curtis came to Ord and won two games, Dec. 29-30, 22 to 20, and 29 to 23. Ord lost to Kearney, 11 to 22, on Jan. 5, 1939. Tuesday, Jan. 17, the first team beat Sargent, 34 to 17; the reserves won, 24 to 23, and the junior high won 16 to 11.

Ord beat Loup City on the home floor, Jan. 19, 22 to 13. The junior high won, 16 to 5. Ord defeated Ravenna, there, Jan. 26, 32 to 28. The reserves won 18 to 16. In the tournament, at Arcadia, the junior high team was eliminated by St. Paul, 14 to 15.

Comstock, Ord, St. Paul and Dannebrog went into the finals in the Loup Valley tournament. St. Paul beat Ord, 36 to 30, and Ravenna won the championship. The Ord juniors won the Mid-Six championship from St. Paul, 17 to 9.

Jan. 19, 1940, Ord defeated Loup City there, 36 to 12. Among those who played were Misko, Hurlbert, Tatlow, E. Piskorski, Furtak and McBeth. Ord lost at home, Jan. 30, to Albion, 48 to 24. Jan. 26, Ravenna had come to

Ord and had won, 30 to 22. Feb. 2, Ord won at Burwell, 50 to 17. Feb. 6, Ord won over Broken Bow, 42 to 19.

Meetings for ACP Sign-Up Announced

Farmers of Valley County will have an opportunity to discuss agricultural problems and sign up for the 1950 Agricultural Conservation Program in a series of "sign-up meetings" to be held beginning Monday, March 20, at P. M. A. Office.

Other meetings have been scheduled as follows:

- Arcadia, Yale, and Liberty Townships—Thursday, March 23—Does Hall
- Davis Creek Township—Friday, March 24—Davis Creek School
- Elyria Township—Friday, March 24—Basement Hall
- Springdale Township—Saturday, March 25—Springdale School
- Eureka Township—Wednesday, March 22—Jungman Hall
- Noble Township—Thursday afternoon & evening, March 23—Brick School
- North Loup and Independent Townships—Tuesday, March 28—Community Hall

In announcing these meetings, Paul Owens, chairman of the County PMA Committee, said that farmers this year are facing a vitally serious problem in what to do with the land taken out of allotment crops.

Farmers are generally agreed that about the only use that will not result in piling up additional surpluses is to seed this land to grass and legumes, but here, says the chairman, they are up against the problem of enough adapted seed to take care of the diverted land.

Owens urges that farmers seriously consider this problem as well as the immediate conservation needs of the whole farm when they come to the meetings to sign up in the 1950 ACP.

He added that the farm women of Valley county also are vitally concerned with these problems and asks that they too attend the sign-up meetings.

Remember if you intend to carry out any mechanical practice during the year, you must have prior written approval from the county committee before you are eligible for payment.

Be sure to sign up before APRIL 15, 1950, which is the final date for signing your 1950

Arnold-Bremer
At a 6 o'clock ceremony on Sunday evening, March 19, at the Zion Lutheran church, northwest of Shelton, Miss Esther Arnold, daughter of Mrs. Anna Arnold, became the bride of William Bremer, son of Mrs. Elsie Bremer of Ord. Rev. Alvin Becker read the lines of the double ring ceremony.

As the bridal party entered the church Vernon Arnold of Bremer, Kans., played "Let Us Ever Walk With Jesus" as a processional and "Jesus Lead Thou On," as a recessional. He also accompanied Mrs. Edward Arnold, Miss Wilma Meyer and Miss Fern Mulbach who sang "The Voice That Breathed O'er Eden."

Miss Vernetta Meyer was the bride's only attendant. She wore a gown of light blue satin fashioned with a fitted bodice with a sheer yoke of marquisette framed with a double cuff of satin to form an off shoulder effect. The full gathered skirt fell in soft folds to the floor and she carried a colonial bouquet of pale pink carnations with blue satin leaves, similar to the bride's bouquet.

The bride chose a gown of white satin. The fitted bodice had a yoke of marquisette outlined with two rows of pleated satin and long sleeves which tapered to points over the hands. The full gathered skirt was floor length. Her double tiered finger tip length veil was scalloped and edged in lace and held in place with a tiara of silver beading and seed pearls. She wore a double strand pearl necklace, a gift of the groom, and carried her mother's handkerchief, which she carried as a bride 50 years ago. Her colonial bouquet was of white carnations and white satin leaves and ribbons.

Kenneth Fuss of Ord was best man. The ushers were Franklin Bremer, Wayne Arnold and Edward Arnold.

The mothers of the bride and groom wore dark dresses and deep pink carnation corsages.

A reception was held at the home of the bride for about 75 guests. The reception table was centered with a three tiered wedding cake topped with an ornament. The cake was cut by Mrs. Herbert Arnold.

Miss Mary Rachuy of Ord was in charge of the guest book. The couple will make their home on the groom's farm near North Loup.

Hogs Slump at Omaha; Cattle Steady, Lower

Hog prices slumped sharply Monday at Omaha. The break measured 50c to \$1.00, bracketing 150 to 360 pound butchers at \$14 to \$16.25, lowest since mid-January. Average price was around \$15.50—70c short of the government's March support level of \$16.20. Sows got by with a 50c dip, enabling 300 to 600 pounders to clear at \$13.50-\$14.50. Stags brought \$8.50-\$12.00.

Fat cattle, meanwhile, sold steady to 50c lower, scattered steer sales off more, bulk \$23.00-\$25.50, heifer top \$25.50, steers to \$28.75. Plain to medium short-feds ranged from \$20.00-\$22.50. Cows sold weak to a quarter or more lower, beef hardest hit; canners and cutters \$13.50-\$16.00, beef to \$20.00. Bologna bulls sold to \$20.50, odd head \$21.00; vealers to \$28.00. Stocker and feeder trade slowed and at best was only steady to weak, the undertone, in sympathy with recent downturns on fat cattle, lower. Most stocker and feeder sales ranged from \$22.00 to \$25.00, with yearling stock steers to \$27.00. Steer calves were held above \$30.00.

Fat lambs last week hit a \$28.00 top, highest since June '49, then slumped, but Monday sold steady to 25c up, mainly at \$27.50 to \$27.75, 110-pounders \$25.50 and and 100-pound clips \$26.25. Slaughter ewes held at \$19.00-\$14.50. Feeder lambs were quotable steady, to \$27.50; bred ewes to \$16.50.

Among recent sales at Omaha for shippers from this area: Valley county, Orel Koelling 23 steers, wt. 1035, \$23.50; Gilbert Nagurski, 12 steers, wt. 1011, \$26.15.

Women Attend Annual Meeting of WSCS Group

Mrs. Elmer Zlonke and Mrs. Glen Auble were in Beatrice last Thursday and Friday attending the annual meeting of Women's Societies of Christian Service.

Three missionaries, Miss Jessie Bragg of Raymond, who recently returned after 35 years in India, Miss Blanch McCarthy, who was in India for 28 years and the guest speaker Miss Mary Kesler, who has been in China were at the meeting.

Representatives from the Omaha City Mission and Mother Jewels Home in York were present. These are the only two projects within our own state.

Mrs. Max Gentry of Gering was re-elected conference president of the Woman's Society.

Chas. Mayos Observe 59th Wedding

Last Sunday an anniversary dinner was given at the Otis Hughes home for Mr. and Mrs. Charles Mayo. Other guests were Mr. and Mrs. Don Hughes of Burwell, Mr. and Mrs. Bob Hughes, Mr. and Mrs. Melvin Clement and Charles, Mr. and Mrs. Elliott Clement and Mr. and Mrs. Milton Clement and family.

Charles E. Mayo was born at Rio, Ill., Oct. 22, 1863, and came to Valley county about 1889. Miss Emma Kildow was born Sept. 8, 1870 in West Virginia, and the family came to the North Loup community while she was still a small girl.

The record's in the Valley county judge's office show that Charles E. Mayo and Miss Emma Kildow were married by J. R. Fairbank, county judge, March 11, 1891, and that the witnesses were

Burwell Livestock Market Friday, March 24

Weather and roads permitting, we'll have an unusually nice run of cattle for our sale this Friday. Several loads of Hereford stock cows, a choice offering of Hereford calves, plus the usual run of mixed cattle, stockers, feeders and cutters.

Another good run of weanling pigs and heavy feeder shoats, plus a few sows with pigs and a few heavy boars.

PLAN NOW TO ATTEND OUR BIG Machinery & Horse Sale Wednesday, March 29

The machinery sale, starting at 12 o'clock sharp, has several new tractors and other items of new machinery. Come and buy it at your own price.

Then there'll be a wide offering of miscellaneous used machinery—ranging from tractors to hay rakes. We expect this sale to be one of the biggest machinery sales ever held in these parts.

The Horse sale will start immediately after the machinery sale and at this time around 165 head have been consigned. We expect more by sale day. At the rate buyers are inquiring about the sale, this should be a good market for your extra horses, too.

This sale has been advertised widely, so we can expect a big group of buyers and an active market.

Burwell Livestock Market SALE EVERY FRIDAY

W. S. Mattley and George Mayo. The Mayos have spent their 59 years of married life in Valley county with the exception of three years they lived in the neighborhood of Sargent. Most of this time they lived near North Loup but in 1935 they came to Ord, which has been their home since that time.

James H. McCall, Father of Local People, Is Dead

Survived by Children in Ord and Arcadia; Laid to Rest in Iowa.

James Harlan McCall was born in the state of Washington September 8, 1873, and died at his home in Fontanelle, Ia., March 16, 1950. His parents moved to Iowa when he was three years of age, here he grew to manhood. He was united with the Christian church of Bridgewater, Ia. in 1902.

He was united in marriage to Goldie Simpson of Bridgewater, on August 9, 1903, and to this union ten children were born. Eight sons and two daughters. In 1907 they moved to Nebraska and remained until 1933, when they returned to Bridgewater, Ia., farming there until three years ago, when, because of poor health he moved to the present home in Fontanelle, Ia.

Mr. McCall leaves to mourn his death, his faithful wife, two brothers, Earnie McCall of Ord and John McCall of Sioux City, Ia. Eight sons: Bill McCall of Hermiston, Ore., Seldon McCall of Boise, Ida., Lonnie McCall of Nampa, Ida., Alvin McCall of Arcadia, Cecil McCall of Ord, Louis McCall and Carl McCall of Bridgewater, Ia. Two daughters: Mrs. Alma Leininger of Arcadia and Mrs. Clatissa Engarten, Adair, Ia. Also thirty-three grandchildren and five great grandchildren, many relatives and friends. His parents and one sister, Mrs. Mable Richardson having preceded him in death.

Funeral services were conducted at the home in Fontanelle, Ia., and at the Avondale Methodist church Sunday, March 19, at 2 p. m. Two quartette numbers, "Rock of Ages" and "Beautiful Isle" by Eito Williams, Dean Roberts, Daryl Scott, and Lawrence Lucker. Also a solo "Beyond the Sunset" by Eito Williams, accompanied by Mrs. Clem Sinner.

Funeral services were conducted from the Pierce mortuary in Los Angeles, Monday, March 20. Burial was in California.

Frank A. Tully, Early Resident, Died March 16

Lived in Nebraska, Florida, California, Canada and Montana.

Old friends will learn with regret of the death, March 16, of an old resident of Valley county, Frank Tully, who lived for twenty years or more on the old Tully farm on Turtle creek near Elyria. He was well known and highly regarded, especially by the men of about his own age.

Frank Arthur Tully, son of John J. and Irena H. Tully, died in Maywood hospital, Maywood, California, on March 16, 1950.

Born in Geneseo, Ill., on August 25, 1862, he was one of a family of 12 children. He came to Nebraska at the age of six, and was educated in Nebraska.

After the death of his father in 1900 he went to Alabama to look after plantation interests.

Later Mr. Tully established himself in a successful business in Florida, then spent a year in Canada with his brother Harlan.

His health began to fail and he took up residence in the mountains of Montana, where he hunted big game and partially regained his health.

Later he moved to Compton, California, and during World War II worked at ship building.

He was preceded in death by his parents, three sisters, and two brothers.

Funeral services were conducted from the Pierce mortuary in Los Angeles, Monday, March 20. Burial was in California.

Announcement

Effective this week we have sold our Ford business in Ord to Leach & Sons of Burwell, who will operate the concern under the name of

Leach Motor Co.

It is with some regret that we make this announcement. Our business here had been firmly established, was growing larger, and we have enjoyed many, many, fine friendships made through our customers.

But due to illness in the family—which requires that we maintain two homes—one in North Loup and the other in Colorado Springs, and are expanding our Ford Tractor and Dearborn Implement business in North Loup, we must cut down on other things.

Mr. Hubert Leach, who will be in charge of the Ford business in Ord, tells me that he will retain all present personnel in the garage, thus giving you one of the finest crews of mechanics and Ford service men in the country.

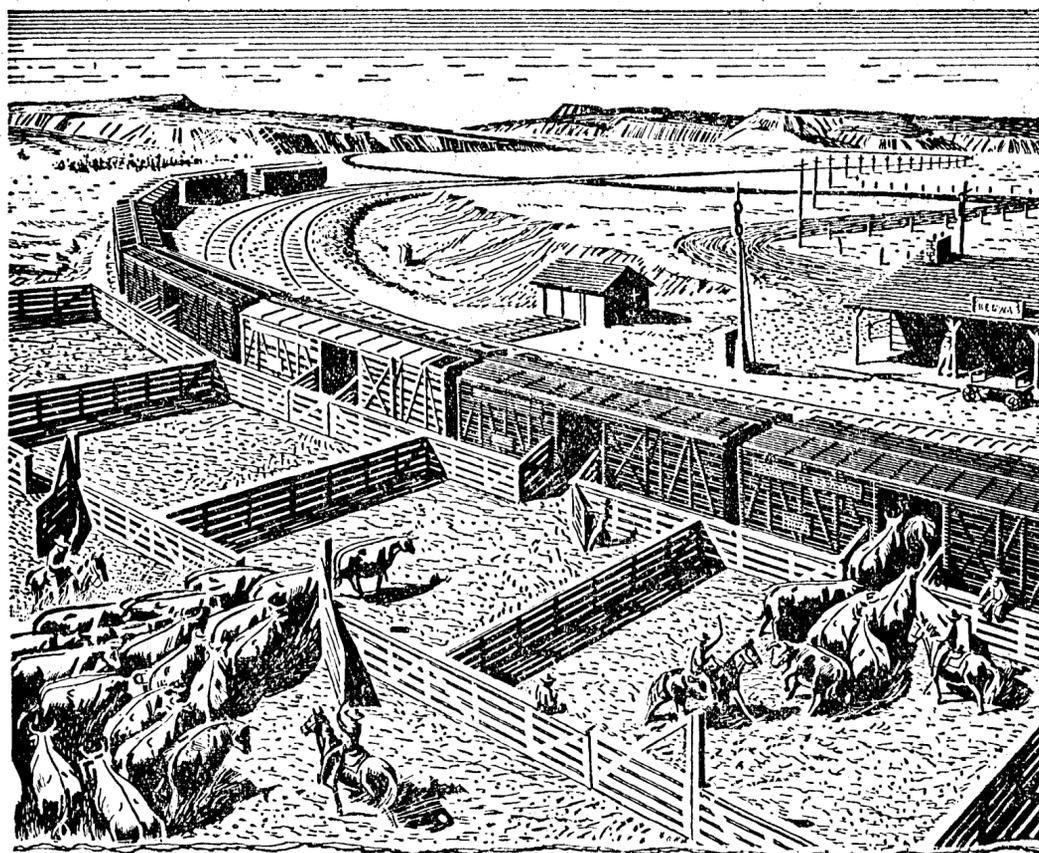

We know that Mr. Leach will make every effort to merit your patronage and good will, and knowing him personally, we know that he will be worthy of your consideration.

We wish to thank you for our pleasant relationships in the past, and to assure you that we will always hold warm feelings for all of you.

Sales Service

insurance DOLLARS help these cattle get to market

The dollars you put into insurance do you a double service. They give you and your family the utmost in security; and they serve the industry that serves you.

The same Equitable dollar that is assuring your financial protection goes to work every day for American industry. The cattle a rancher shipped last night, the grain a farmer consigned to market this morning—were speeded on their way by Equitable dollars. Your Society's loans to railroads bought freight cars, improved right of way, and made the purchase of new passenger equipment possible.

Yes, your Equitable dollar really gets things done. It's building new industrial plants, providing the capital for the research that develops new and better products, and aiding home and farm owners with Equitable mortgages.

The capital cooperatively pooled in Equitable is available for a multitude of uses—in amounts large or small, for corporations or individuals.

In every phase of American economy your Equitable dollar goes to work, giving you and your family a more satisfying, more secure way of life.

are. They may not be doing the things they condemn in others, but they are doing other things for which they must be condemned.

We have a right to be proud we are Americans. That is a just pride. But when we condemn anything and everything not American, we are not exercising pride, but prejudice. If it were not for prejudice, there would be no need for a "Fair Practices Act." There is no need of a "Fair Practices Act" in Hawaii, for example, because prejudice is practically unknown there.

Pride is necessary to human existence. Without pride, a man would have no self-respect. He would not care how he dressed, how he talked, whether he wore clean clothes or took a bath. A man with no pride at all is shunned by his fellow men. There is no place for him in this world, and little hope for the next.

On the other hand, a man who is too proud has no place in human society. He develops the belief in his own mind that he is a superior being, and as such, looks down on all other people except the select few whom he may pick as his equals, and he is out of place, even in his society.

To illustrate, Russia is a government founded on prejudice. Under its government no true Russian can see any good in anybody who is not a Russian, or who does not think exactly as the Russians do. Here we find an entire nation with no use at all for any people not Russian, and little use for the people of the satellite nations.

Prejudice is narrow, and must always remain narrow if it continues to be prejudice. The Russian government finds it necessary to fight constantly against the ideology of the capitalist nations, for its people, if permitted, would think in broader terms, and would then find much to recommend in the nations their government now condemns.

The word "prejudice" comes from the Latin "pre," meaning "before," and "judicium," meaning "judgment." Taken literally, it means to condemn without a hearing. A prospective juror who admits prejudice, is not permitted to serve on the jury, for he has already formed his opinion without hearing the evidence.

The great trouble with pride is that it too often "Goeth Before Destruction." Excessive pride, after all is nothing more than prejudice. There are too many people today thanking the Lord that they are not as other men

As people, and peoples, become better acquainted with each other, they lose much of this prejudice. They find the other fellow is not such a bad chap after all. One nation finds that another nation has hopes and aspirations very much like its own. With knowledge increasing, prejudice decreases.

The friendly relations now existing between the Pan-American nations is not the result of accident. The peoples of the nations have come to know each other better, and have come to realize that all are working toward the common goal of improving the status of the human race.

If prejudice could be destroyed at one blow, there would be no international problem today, for all nations would be willing to accept each other on faith. But faith can do little against prejudice. Perhaps we of America cannot destroy the prejudice of the world at one blow, but at least we can broaden our point of view and get rid of it in our own minds.

My Own Column

By H. D. Leggett

I took time out last week and went to Omaha with Eugene and Irma and Ed Apling to attend the 76th annual convention of the Nebraska Press Association. It had been ten years since I attended one of their conventions. One of the functions of the meeting is a dinner which those of the past presidents still living, always enjoy together.

There is nothing formal at this dinner. They always have a nice banquet which they pay for when the food is disposed of and then, gathered around the table, old times are recalled, departed members are remembered, and while there is usually no set program, everyone present talks more or less and I believe it is agreed that it is one of the most enjoyable parts of the meeting.

I recalled that I attended my first press meeting in 1898 which was soon after I came to Nebraska and soon after I had started the Valley County Times in Ord. It happened that Edgar Howard of Columbus was the state president that year. He was present at our meeting last week, he is the oldest past president and now 91 years old. It goes without saying that he made a nice talk, for he is always a most interesting speaker. I am the next oldest past president in point of years. I was appointed to have charge of the program at our annual dinner next year. There are 22 living past presidents but there were only 15 present at the dinner this year.

I met about twenty old friends among the newspaper men present but I was surprised to find so few of the old timers there and so

many young men representing the press of the state, men I never heard of before. There seems to have been a great turnover in the ranks of the publishers in the ten years that I have been absent. It was the largest press convention ever held in the state.

When a daily paper subscription expires the subscriber's name is taken off the list at once. He gets what he paid for but, no more. We at the Quiz have been more lenient and it has been our custom to keep on sending the paper for thirty days after expiration and sometimes longer before we got around to take the name off the list. Ordinarily this works out all right in our own territory and as a rule all the subscribers get their subscriptions paid within a reasonable time. But this is not always the case with those in other states or at a distance. We have a right to believe that our home folks want to keep on getting the paper. This is probably not true with those at a distance. So we are going to change our policy and hereafter all subscribers outside the Ord territory meaning this and the adjoining counties, will be stopped at once when their time is out. I send a notice to all in plenty of time so that their renewal can reach this office before the 15th of the month, when all subscriptions end. So take notice and if you want your Quiz continued be sure to get your renewal here before the 15th.

Something Different

Did you know there's going to be green lawns and handsome plantings and sidewalks cut around the swimming pool, come spring? And a fine new bicycle rack, built by Bud Shirley? Of course nothing about swimming sounds fascinating on cold winter days like Monday. But it's reported spring will arrive tomorrow. Probably just a rumor.

Why do people keep money in their homes? I mean large sums of money, "hidden" in some cranny when it could be safely placed in the bank? Banks are carefully regulated these days, and they are safe depositories for funds. When you keep a roll of bills in the teapot or tucked under the rug you are only asking for trouble. Robbers, or worse.

We have good banks in Ord, and they are not so far away that you can't get to them.

These remarks are prompted by the news story of the three boys who took the \$9,000 hidden in a closet by one dad's father.

Only this past week a \$10 bill disappeared from a kitchen drawer in an Ord home. Money, even wallets, sometimes vanish from the lockers at high school.

This is an exceptionally honest town. Rarely do we have a trace of petty thieving.

But why leave a dish of candy on a low table if you don't want a child to help himself? That's inviting trouble.

Ord does have rats.

This was again proved a few days ago at the Veteran's Club, when a veteran punched the shufflepin machine. The two metal disks popped out of the proper slot all right . . . but they were preceded by a rat! Quite a startling game, wouldn't you say?

Often the best news stories are missed.

Like the one, approximately a month ago, about the little Burdick boy's efforts to rescue his pal from the icy waters of our North Loup river. I believe the lad he pulled out was a young Wojtaszek.

Worth a medal. You know a boy is worth a medal!

Aren't you glad the story never grew bigger? That it never made the front page, complete with funeral details? I am.

Warren Wood of Gering made a wonderful presiding officer at the state press meeting.

I believe it was because he seemed to have so much fun doing it. He was as natural as could be. The meetings were carefully planned, but if any details had to be shifted at the last minute it did not fess him. Things went smoothly, with an occasional jolly aside tossed in.

Come to think of it, they're a jolly family.

Mr. and Mrs. Jim Cornwell of Stanton attended the state press association's yearly meet for the first time. Not only did they appear to get a good deal from the program, but Mr. Cornwell contributed his share by appearing on the program.

You would know Mrs. Cornwell as the former Bette Vogelitz. (Fashion Note) She looked mighty fetching in a bright red suit!

—Irma.

Card of Thanks

We would like to express our thanks to everyone who helped in any way to get Mrs. Waldmann to the hospital during our recent emergency. Your kind neighborliness was really appreciated.

What's Cookin' Ward's Column

Hats have been going into the ring at a rapid rate the past few weeks, and a few more are scheduled to make their appearance. All those so far in Valley county, and most of those in other counties were to be expected. They were what are commonly called "naturals." These days a man does not file for office unless there is some definite reason for him to do so. In the old days offices were much sought after, and it was nothing unusual for a man to spend more to get an office than the office was worth to him after he won it.

In those days there were a couple of popular slogans floating around. One had to do with the right man seeking the office, the other school of thought was that the office should seek the man. A popular way of getting your name on the ballot then was to have your friends get up a petition urging that so and so be a candidate for the office of municipal dog destroyer, and then have the man accede to the urging of his friends and file, "with great reluctance."

The joker in the deal was that the man himself was back of the whole idea and furnished any needed funds to get the petition circulated and filed. There were a few cases where it worked, but the people are not too easily fooled, and many a man who filed at the urging of a petition, found himself stranded when the votes were all in. Yes, in the old days, offices were much desired by many people, and it was not always the best man who won out, but rather the most plausible man.

Times have changed. In so far as the county offices are concerned, the pay is not high enough in relation to the pay in other lines of work to attract a lot of people. The only ones who feel that they can afford to run for office are those already holding office, who have an investment in experience to protect, or older men or men with some physical weakness that makes a more strenuous job impossible. Today men file for office more from a sense of duty than for any other reason.

It is now nearly forty years since Fred Bell ran the theater in the building on M street where the Fenton Cream station is now located. It was quite a show place, and Fred took a pride in getting the best pictures he could for the benefit of theater goers. The present system of displaying the names of the pictures over the entrance had not reached the development it has at the present time, so Fred used a publicizing system of his own. About the

middle of the afternoon he would get out his white Buick, have some one else drive it and sit in the front seat with a megaphone and announce the shows for that evening as he drove around the square.

One time the show was about the Hebrew Children and Fred rigged up what he thought would be a good monologue to attract the attention of the public, so he went around shouting something like this "Six thousand feet of motion picture film, depicting the trials and tribulations of the Hebrew children on their journey from Egypt to the Promised Land. Taken at the time and place." An old farmer was standing on the south side of the square, and when he heard Fred's remarks, he studied a while and then shook his head. "By Gosh!" he exclaimed, "I don't believe he's got 'em!"

Calling Fred to mind will doubtless bring some interesting recollections to quite a number of Ord people. Fred was quite a business man in his day in Ord, and, considering the fact that he did not have too much education he did quite a job in running whatever line of business he undertook. One of the first I recall was his merry-go-round, which, while not the first ever to be seen in Ord, was the first owned by an Ord man. Fred took that rig all around the country, and many a grandfather today will recall taking his first ride of the kind on Fred's merry-go-round.

He ran a photo studio for years, and was past master at the job. He knew little about formulas, and often figured out his own combinations of chemicals to use for developing pictures. Be that as it may, a lot of those photos taken by F. J. Bell are still to be found in many of the homes over the county, and they look about as good today as when they were first made, which is a real test of photography. He could also build up or remodel any picture and get the most unusual effects, some of which were classics.

When the auto business was in its childhood, Fred Bell went into it with gusto, and the way he sold those little open model Buicks was enough to make the young fellows worry plenty. He sold more cars while he was at it than anybody has before or since in the same length of time. At that time the car was a real buy, and it was not difficult to convince a man with the money that he simply had to have one of them. Fred had a good sales talk and could close a deal with almost anybody. Perhaps no records are now available of all the cars he sold, but he once took a picture of a lineup of Buicks which stretched in a quarter circle across Main street from sidewalk to sidewalk. As I recall it, there

were 17 cars in that one group, and all of them were sold.

As I recall it, Fred had two different skating rinks at different times. There was one where the Goff Hatchery is, and one just across the street where Bonnie Nelson sells Fords. Dances were also held in the one on the north side, and Fred had a gargle there for a number of years. But it was years before the auto incidents that Fred got into the limelight as a telephone man. Ord had two telephone systems at that time, and Fred had some of the older country lines on his hookup. One day one of the other lines out in Mira Valley got down on the Bell lines, and the company didn't seem to be in any hurry to move the wire.

Failing to get satisfactory results, Bell put an extra girl at the switchboard with instructions to keep ringing all the time whenever anybody tried to talk over the other line. The result was that phones kept up a pretty steady

single nearly all day. But it got results, along toward evening a crew got out and took care of the wire that had been causing the trouble. Fred Bell's methods were not always strictly according to Hoyle, but he usually got results, and he didn't waste a lot of time getting them.

Large Attendance at No. Loup Show

The free Ford Tractor Show, "Dearborn Round-Up" sponsored by the Loup Valley Tractor and Implement Company of North Loup was well attended by a total of eight hundred people from a large area around North Loup, even though the country roads were in bad condition due to the previous snow storm.

The show opened with several selections on the Hammond organ played by Ernest Barton. A very interesting movie was shown—"The Power to Prosper." Several prizes were given away following the pictures. This was followed by a number of acts by the Banfields, international entertainers of bouncing rubber balls, dancing by Miss Bernice Eugene, tricks and comedy performed by Robert Huntington, and Lester Harding Master of Ceremonies closed the show by singing a few selections.

Free lunch was served after the show by the employees of Loup Valley Tractor & Implement Co.

Mr. and Mrs. Cecil Lockhart and Stevie were Wednesday afternoon and overnight guests of the George Eberhart family, and on Thursday, left for their new home in Arkansas.

Mr. and Mrs. Charlie Clark drove over from Kearney, Wednesday afternoon, to see his mother, Mrs. C. B. Clark. They had been to Kearney on business and left later for Lincoln.

A letter, Thursday, from Mrs. Frank Koepfen, had a news item for the North Loup column. On March 5, friends and neighbors came to their home with well filled baskets of lunch and surprised them on their 29th wedding anniversary. They also presented them with a nice gift. Mrs. Koepfen says it was a nice warm day, just like summer, but two days later, on March 7, they had their share of the blizzard and it went to 31 below, three successive nights. In January they had 15 inches of snow that laid on the ground, but in the blizzard they had five or six inches that piled up in big drifts. It was hard to care for stock but none was reported lost in their neighborhood. Mrs. Koepfen will be remembered as Ella Swan, and they live at Ainsworth.

Mrs. Paul Madsen went to Fremont, Thursday afternoon, to attend the funeral of an uncle.

Richard Haught Wed in Colorado

Sgt. Richard Haught, son of Mrs. Ruth Haught, of North Loup, and Miss Evelyn Wychoff, of Danbury, were married Tuesday evening, March 7, at the Methodist church in Denver. The men wore brown.

On Thursday, of last week, Sgt. Haught came to North Loup to see his mother, returning to Denver the next morning. The couple left for Merced, Calif. Monday evening, where Sgt. Haught reported for overseas duty for two years.

Mr. and Mrs. LaVerne Veleba and daughter, Betty Jo, and Mrs. George Bartz spent Wednesday in Grand Island.

Mr. and Mrs. Bud Beebe returned Wednesday evening from North Platte, where they had spent several days with Mr. and Mrs. Toni Grabowski.

Mr. and Mrs. David Alfrey spent the week end in Louisville with his parents.

Mr. and Mrs. Archie Hopkins of Burwell were Thursday dinner guests of Mr. and Mrs. Floyd Hopkins.

Mr. and Mrs. Syl Furtak and son of Ord were Sunday afternoon guests of Mr. and Mrs. Mills Hill.

Lester Leonard, son of Mrs. Nellie Leonard, who is in the army air corps and stationed at Lackland air base at San Antonio, Tex., has been promoted to corporal.

Mrs. Lou Stine was ill with the flu over the week end and Monday went back to the Howard Anderson home in Scotia.

Floyd Hutchins drove up from Grand Island Monday to bring Mrs. Donald Hutchins who has been in the St. Francis hospital for more than a week. Mr. and Mrs. Floyd Hutchins have moved to their new farm home near Grand Island and asked to have their Quiz changed to route 3, Grand Island.

Wednesday and Thursday guests in the home of Mr. and Mrs. Martin Dunklau were her brother and his family, Mr. and Mrs. Wallace McDowell and Stevie of Crete, Nebr.

Members of the North Loup school faculty went to Arcadia Monday night to attend the meeting of the Loup Valley Teachers association there.

Mrs. Golda Anderson of Kearney spent Wednesday in North Loup visiting school, Mrs. Anderson is supervisor of the hot lunch program for this district.

Mr. and Mrs. Ivan Robertson returned last week from a trip to Colorado. This week they held a sale of their household goods and plan to return to Colorado to live. While here they were house guests of Mrs. Margaret Gilmore.

Mrs. Margaret Gilmore returned from Grand Island on the Monday morning bus.

Mrs. Ray Hill spent the week end in Omaha with her sons and their families.

Health Center.
W. J. Ramsey states that the drive to raise funds for the Health Center for Arcadia is progressing so rapidly that the task will be completed this week. About \$8,000.00 had been contributed by Monday morning and the biggest boost came last week when the Arcadia Legion Post gave \$1,000.00 toward the building. The spirit of cooperation and willingness that has prevailed during this drive is nothing short of a miracle. When the funds are all in, it will be up to the Village Board to pick a site and proceed with getting plans and letting contracts. The soliciting has been handled by Morris Fowler and he should be given a lot of credit for the success of the drive.

School Caucus.
At the School Caucus held on Monday, March 13, Paul Dean and Floyd Bossen were nominated for members of the school board. Two members of the school board are to be elected at the Village election to be held Tuesday, April 4, 1950. Other village offices to be filled are three members of the Village Board for a two year term and Police Judge for a two year term. Nominations for the board are Paul Dean, A. E. Haywood, Max Cruikshank, C. W. Starr, W. J. Ramsey and Ben Mason. Nominations for Police Judge on the ballot will be H. A. Bellinger.

Christian Science Services
"Reality" is the subject of the Lesson-Sermon which will be read in Christian Science churches throughout the world on Sunday, March 26, 1950.

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause. The spiritual reality is the scientific fact in all things. The spiritual fact, repeated in the action of man and the whole universe, is harmonious and is the Ideal of Truth. Spiritual facts are not inverted; the opposite discord, which bears no resemblance to spirituality, is not real."

Who says you can't have a dream of a kitchen?

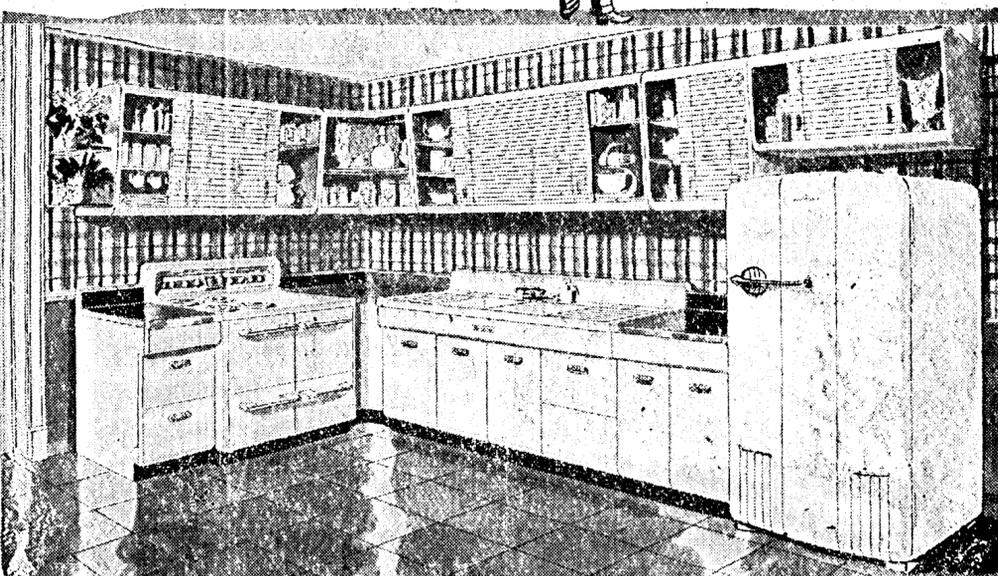

Not us! And not you... when you've discovered how these wonderful new Morton units make "dream kitchens" grow, piece by piece, gradually, or as fast as you want. You buy Morton Pantryettes and Base Cabinets separately, and fit them together to suit your ideas of the right place for everything. Pantryettes go up like pictures, Base Cabinets move in like furniture—you can re-shuffle them later. And you can start with a "Refrigerator Center," a "Sink Center," or a "Range Center," as pictured above... How's that for a fascinating adventure in step-by-step kitchen modernization, for step-saving happiness! We're waiting to tell you all.

MORTON "REFRIGERATOR CENTER." Pantryettes above have smoothing glass doors—no more bumping brass. Exclusive Traffic Road wheels. Light on Base Cabinet below and sends a soft glow through shelves above. Simply perfect!

MORTON "SINK CENTER." The Morton Cabinet Sink is the last word in work-saving features and quality construction. Front is contoured for knee and toe room. Above, another Pantryette makes the center complete.

MORTON "RANGE CENTER." Beads the range, place a Morton Base Cabinet, with quiet friction top, handle of fittings inside, and contoured front. Above a Pantryette, of course.

Really, now, isn't this portrait "sweet"? It's a memory — almost a living memory — that we have captured with the magic of a camera lens.

Don't put off having a portrait made of your child! The best time to have it done is right now! In later years, you can never recapture that charm, that merry twinkle of an eye, that belonged to YOUR baby.

The Intermediate room, under the supervision of the teacher, Mrs. Bartu, held their annual kite contest Friday afternoon, March 17. Each pupil had to construct his own kite. Many clever designs were carried out in decorations and names of kites. Vera Marie Bartu won a prize for the best decorated kite, which was named "Lucky Shamrock," and was decorated in observance of St. Patrick's Day. Maxine Bartu's kite was judged the best constructed. Raymond Stone's kite flew the highest, and Vera Marie Bartu's flew out the farthest. Prizes were awarded.

The Comstock basketball boys and their Coach were awarded a trip to Lincoln this week to attend the State Basketball Tournament, even though they lost the final play-off game to Hyannis. The Comstock fans felt that they were deserving of this trip, so enough donations were given to meet the expense of the trip. The boys left Wednesday afternoon and returned Sunday. They had to be spectators at this tournament instead of players, but nevertheless, they all had a very good time. The boys making the trip were "Little Joe" Lenstrom, Johnny Gibbons, Arthur Ritz, Donald Edwards, Donald Griebel, Gordon Hyde, Donald Bartu, George Land, Jimmie Foral, and Morris Fisher. They were accompanied by Supt. P. L. Christensen, Coach Willard Rosenfelt, Donald Leui, and Walter Gibbons.

Select Your Chicks From Quality Stock

EARLY CHICKS PAY
When you select chicks, you naturally look for high-quality chicks coming from good parent stock—because it's the chicks with the better bloodlines that really make poultry-raising pay. Our chicks are of this high-quality stock. They are heavier, stronger and mature earlier. They feather faster, grow quicker, and have a longer laying life. And their high-type breeding means lower mortality, too! Make it a point to choose our chicks for your future layers and meat birds.

Just Arrived!
Carload of Dri-Bed Litter!

Here it is—the litter you have been asking for—a litter that combines the features you want. Beds chicks better because it has been scientifically developed to meet your specific requirements. Saves chicks—helps 'em grow! absorbs. Ask us to tell you more.

Curiosity Killed Joanie, the Doggie

The Reclamation force is grieving because Joanie, the Doggie, passed away. The boys were all busy surveying outon Davis Creek and Joanie was along as usual, as fast as anyone could place a stick Joanie was ready to measure to the next. She ran from one to another, there never was a survey made during the past few months that Joanie did not verify. The coyotes were bad in this locality and made life miserable for everyone, so the boys had been placing bombs in the holes and in this manner had good success ridding the community of the pests. No one told Joanie to stay away and as one of the bombs was placed Joanie had the idea she should put her okay on this, so into the coyote hole she went and never came out when called.

When investigations were made it was found that Joanie had passed to the great beyond. She is missed by all. No one had any idea a little bundle of blonde fur could be so dear to so many people. Her master Dean Heiser is not the only mourner, every one who knew Joanie miss her and wish there weren't such things as coyotes.

Frankie Beedle scored 252 points during the basketball season, Lee Coufal came in second with 113 points, Andy Peterson and Eugene Beck were third with 100 points each. Five first team players averaged from 24 to 68 points. Lee Coufal was elected honorary captain for the year.

Typical March Now Nears End With High Wind

Farmers Anxious to Start Spring Work in Fields Soon.

The past week has been one of typical March weather. Starting out with a few fair days, conditions changed shortly after noon Sunday when a wind began blowing out of the west, and at night-fall snow began falling and for a time did fair to produce another storm like that of March 1st.

Luckily, while the clouds continued to blow over all that night and most of Monday, very little snow fell in this area. With the cold wave over, indications are for much better weather the rest of this week. Thus the month that started out as a lion and gave us two severe storms, may go out like a lamb, as it should.

While the people of central Nebraska were in the grip of a strong wind Sunday and Monday, South Dakota was having a blizzard similar to the one of March 7, but not as severe. To the south, Kansas and Oklahoma were covered with huge dust clouds and dust settled and blew into piles two feet deep in places.

Richardson, who is 6'2" tall and weighs 190 pounds, earned the all-star berth by his calm, accurate play during the season just ended. He sported a game average of nearly 20 points, and was a work-horse on defense as well.

Richardson Named to State Class 'B' All-Star Squad

Dale Richardson, 17-year old senior who sparked the Ord high school basketball team to the Trans-Nebraska northern division championship, was chosen as a member of the Omaha World-Herald's class "B" all-star team last week.

The mythical squad, representing the best players in this season's class "B" competition, had Rudolf of Omaha, Holy Name, Decker of Holy Name, Extron of Holdrege, Christensen of Minden, and Richardson on the roster.

The Catholic ladies did most of the baking and serving, but the members of the committee, Stewart, Ed Swopes, Hilding Pearson, C. C. Thompson and Joe Ryasav, were busy nearly all the time between 11 a. m. and 4:30, when the cakes were served.

Wallace McDowell of Hardy will replace Coach Graff on the faculty of the Scotia schools during the coming year.

Filling the position of Leo Gallaway, who resigned, will be Ivan Ward of Neligh. Both the new faculty members are former service men, having served with the navy, and both are married.

Jos. Prince, who recently returned to Ord, gives the following story of his trip this winter to the home of his daughter and husband, Mr. and Mrs. Elwood Murray in Denver. He went to Grand Island on the bus Dec. 22, waited until 11 p. m. for the Columbine which landed him in Denver at 9 a. m.

There were a lot of people waiting for their friends for the holidays and he could note this disappointment on many faces when they failed to find those they were expecting. He was also looking for someone, but did not see them, so he got a taxi and was taken to his daughter, Emma's place.

He asked where his grandson Allen was and found he had gone to the station for him, but had missed him because of the crowd. However, everybody was glad to see grandpa, he says, and that made the trip well worth while.

At Christmas time they had a large tree and presents for everybody, including Mr. Prince, of course. A party came from Lincoln for Christmas, including a grandson, Don Price and wife, his aunt, Dr. Ruth Warner, a sister of Frank Prince's wife, and her

DuPont Speaker to Be on Chamber Program

The Ord Chamber of Commerce sponsored the appearance of V. S. Peterson, district manager of DuPont Corporation's extension division, at the Knights of Columbus hall, Tuesday evening, March 28.

Peterson's subject was "Progress of etter Living." He showed some of the newest developments in chemical research and discuss what makes them possible. He also told of the latest uses of such important synthetics as nylon and cellophane and of new products which the industry is developing.

Free coffee and doughnuts were served by the Chamber after the meeting.

Driving Without License Brings Trouble Aplenty

Insufficient Fund Check Costs Maker Large Amount.

Upon complaint of Ralph W. Norman, county attorney, Ted Palu was brought into Valley county court on a charge of issuing an insufficient fund check to K. Leach on Feb. 11. It was made out for \$5 on the First National bank of Loup City. Mr. Palu made good the check, paid a fine of \$5 and costs of \$27.50, and was released. The hearing was held March 25.

A few days earlier Willard M. Golden was brought into court on charge of driving without a license. He paid a fine of \$10, to the amount of which he made objection, and costs of \$1 and was released.

Twilight League Out, Instead 'B' Team to Be Organized

Majority at Meeting Favors 'B' Team Play in Another League.

Ord will not have a twilight baseball league but instead will organize a "B" team to play daylight Sunday baseball in a new league being organized with Ericson, Greeley, Scotia and other near-by towns as members.

So a majority decided Wednesday evening at a meeting of the Ord Baseball club held at the Veterans club.

Vernon Beran and Venard Collins were named members of a committee to lay plans for the "B" team, with authority to seek membership in the new league.

This team will be maintained by the baseball club in addition to the Ord Colts, who will play twice-weekly night baseball in the new Mid-Nebraska league.

Other baseball activities will continue as scheduled. The V.F.W. has accepted responsibility for midgeet baseball in Ord and the American Legion will as usual sponsor Junior Legion team play.

Fears were expressed that a twilight league playing two evenings weekly would, along with the other baseball teams, be too much for Ord's single baseball field to handle. Each team needs the field for practice sessions once or twice weekly, besides playing scheduled games.

The Ord Colts will start indoor workouts at once, says Manager Walter Douthit. The high school gymnasium will be used for that purpose on Sunday afternoons until weather conditions are good for outdoor practice sessions.

A fund-raising committee made up of Dick Beran, Otto Niemeier Jr., Harold Christensen, Walter Douthit and Gene Leggett, was appointed to raise money from Ord business interests to support the big program of baseball activity for the coming season, and will start work at once.

New suits for the Colts have been ordered and the old suits will be used by the "B" team.

Manager Douthit expects to field a good team this season but whether it will be good enough to win consistently against the newer teams which make-up the new Mid-State league remains to be seen. Besides most of his 1949 team Douthit will have the services of Bud and Bill Novosad as first baseman and pitcher, respectively. Stan Johnson, who caught a few games for the Colts last year, will be with the team all season, as will Joe Dugan who played a few games for Ord at shortstop.

Union Pacific Agriculture Car Will Be in Ord

Films Dealing With Irrigation and Pests Will Be Shown Here.

The Union Pacific agricultural improvement car will be in Ord on Wednesday, April 5, and will be open to the public all day. The car has made stops at many points in the western states and is now finishing its third tour.

Sponsored in Ord by the agricultural committee of the Chamber of Commerce, the programs for the day will feature film showings and discussions by staff members of the Agricultural Extension Service. Program chairman for the Ord stop will be C. C. Dale, county agricultural agent.

The program for the day follows:

9:00 a. m. — Film: "Thirsty Acres."

Discussion — "Efficient Management of Irrigation Water," John Steele, Assistant Agricultural Engineer, Nebr. Extension Service.

10:30 a. m. — Film "The Story of Phenothiazene."

Discussion — "Control of Crop Insects," by Clifford Walstrom, Assistant Extension Entomologist.

At 1:30 p. m. the 9 a. m. program will be repeated and at 3 p. m. the 10:30 program will be repeated.

The agricultural committee of the Ord Chamber of Commerce is extending an invitation to all farmers of the county and a special invitation to organized groups such as veterans' training classes and vocational agriculture groups to pay a visit to the car next Wednesday.

"We have been trying to arrange to get this car to Ord for the past two years," says Henry Janus, chairman of the agricultural committee, "and we hope that farmers and town people alike will take advantage of the opportunity to visit it while it is here."

Anthony Thills Back from Six Months Auto Trip and Visit in California

Mr. and Mrs. Anthony Thill and niece, Marguerite Whaley, arrived home Friday from an auto trip and visit of nearly six months in California. They left Ord Sept. 29 and made the trip west without incidents worthy of note, except that the weather was ideal at the time.

They made a trip to Watsonville, which is the heart of the apple country. They visited the forests of big trees at Santa Cruz and Big Basin. They drove through Oakland and Berkeley, on north to Richmond and all the way around San Pablo bay and to Highway No. 101.

This they followed across the Golden Gate bridge and into San Francisco, where they visited the beach, the Golden Gate park and zoo. They then drove through San Francisco and saw the water front, Chinatown, the fish markets and the cable cars. Finally they returned to Oakland over the big Bay bridge.

It was raining all the time they were around San Francisco, so they did not have a chance to visit some former Ordites whom they knew, including the Alfred Wiegards and the Ralph Hunters. They spent some time visiting a nephew, Dewey Norman and family, at Richmond. At Salinas they visited Richard Rathbun and family, and they also saw Laverne Lambdin while there.

They got in contact with Don Miller, who is an electrician at the Mt. Hamilton observatory, but were unable to get there, because of the snow. However, Don got down to see them and they had a fine visit. The Rathbuns have a fine little boy, which news should be of interest to their friends here.

Mr. Thill, a member of the IOOF lodge, at Ord, attended several meetings of the Oddfellows at Salinas, and enjoyed the meetings very much, as they were a fine bunch of fellows. From there they went south to Conoco Park to visit Mrs. Thill's sister, Mrs. Jesse, who lives with Ed Bair and daughter, Dorothy, and keeps house for them.

Dorothy is employed in a government hospital there, and Ed, who is now quite old, has retired from active work. From there they went to Santa Paula, which is the lemon bowl of California. The Neil Olivers live there and they are doing fine. He is in the real estate business.

The Thills visited a nephew, Dale Norman, in Inglewood. While there they drove all over Los Angeles and Long Beach. In the latter place they saw Leonard Parkos. Ross Blessing lives with in a few blocks, but they did not get to see him.

From where their nephew lives they could see the lights of Los Angeles glittering all about them. Planes to the International airport also passed over their house when landing or taking off.

On the way home they visited Needles, Flagstaff and Albuquerque, where they were dinner guests of Dr. Widney. He took them to the gate of the atomic bomb plant at Los Alamos. The 1928 Model Ford they had in the

Red Cross Drive Nets \$738 to Date

With only a few days left in the annual Red Cross fund drive, about three-fourths of the Valley county quota is filled.

Miss Katherine Helzer, county fund chairman, reports that \$737.85 has been reported so far. The county's quota is just under \$1,000.

At the time of Miss Helzer's report Tuesday, only four rural groups had reported the results of solicitations. The North Loup report had not been received and only one ward in Ord had submitted a complete report.

Volunteer workers are making an effort to complete solicitations by Saturday, says Miss Helzer.

Census for 1950 Gets Under Way Thursday Morning

Eleven Assigned to Valley County, Five to Garfield County.

Following a three day school held at the American Legion hall in Ord, sixteen census enumerators went to work Thursday morning well coached to accumulate the material required by the census bureau. In order to acquaint the people of Valley and Garfield counties with the enumerators, their names are given herewith, as furnished by Don Moody, district manager.

Helen E. Sevensen and Frances E. Norman will canvass the city of Ord; Mardell E. Carter will canvass North Loup, and Helen M. Tuning, Arcadia; Iryne C. Kapustka will have charge of Elyria and Erna L. Owen of Burwell.

Enumerators for the rural area of Valley county are J. E. Burrows, Frank E. Fafetta, Harold E. Elliott, Vivian L. Turner, Evelyn M. Collins and William L. Zablou-dil. For rural Garfield: Elaine E. Doggett, Roy W. Moninger, Evelyn E. Simons and Robert E. Swanson.

Ballot Discloses Only One Contest in City Election

North Loup, Arcadia, Have Complete List of Village Candidates.

The ballots for the city of Ord this spring bear a striking resemblance to what a Russian ballot must be like, since, with one exception, there is only one candidate for each of the offices. It differs in the fact that any voter may write in a name in the space provided therefor.

The following are the candidates of both Good Government and Citizens parties for these offices: For mayor, Dr. F. L. Blessing; for city clerk, Mrs. Agnes Dodge; for police magistrate, John R. Sullivan; for city treasurer, James B. Ollis; for park board, Irvin Merrill; for councilman, first ward, George Hastings; for councilman, second ward, Ed Gnaster.

The only competition developed is in the third ward, where Otto Pecenka is the Citizens candidate for councilman, while J. W. McGinnis is running on the Good Government ticket. In the Ord school election Ralph Norman and Orin Kellison are candidates for the two places.

For members of the Arcadia village board, three to be elected, the candidates are Paul Dean, A. E. Haywood, Max Cruickshank, C. W. Starr, W. J. Ramsey and Ben Mason. H. A. Belling is candidate for police judge, Paul Dean and Floyd Bossen are candidates for the two places on the board of School Dist. No. 21.

With two places to be filled, C. D. Knapp, Cloyd Ingerson, Stanley Brown and M. C. Koelling are running for school board members in Dist. No. 1. To fill one vacancy, Ronald Cress and Vernon Williams are the candidates. H. L. Gillespie, Carroll Annays and M. O. Van Horn are in a three-way race for large board. Win. Drawbridge is the sole candidate for police magistrate.

In Elyria, three places on the village board are to be filled. The candidates are Philip Wentak, Andrew Kusek, and Irene Kopastka.

The election takes place next Tuesday, April 4.

Two More Filings for County Office

Friends of Bud Knapp, farmer of the Olean neighborhood, have filed a petition in his behalf to have his name put on the ballot as Republican candidate for supervisor in the 8th supervisor district. Mr. Knapp has accepted the filing.

Tuesday, W. C. H. Noll, present county assessor, made his filing for the office, subject to the wishes of the Republican voters at

Einspahr Child Loses Life in Washing Machine

Climbed on Chair and Fell In While Her Mother Was Gone.

An automatic washing machine left unattended by Mrs. Marvin Einspahr last Thursday while she hung out blankets, proved a death trap for Ruth Ann, 21-month-old daughter of the Einspahrs.

In her mother's absence the tot apparently moved a chair to the side of the washer, climbed onto the chair and fell head first into the machine.

Ruth Ann was brought to the Ord Cooperative hospital at 1:30 p. m. and was attended by Dr. C. J. Miller. She died at 4:00 p. m. The death certificate gives the cause as "accidental" due to falling into washing machine.

According to hospital attendants there was little water in the baby's lungs and death apparently was due to the buffeting she received from the paddles of the machine.

The Einspahr lives 12 miles west of Ord on the Frank Golka farm and Mr. Einspahr is employed on the Harvey Krahulik farm. He was away at work when the tragedy occurred.

Mrs. Einspahr had just finished washing four blankets and had gone to hang them up to dry, first putting some heavier car blankets into the washing machine, leaving the top partly open. There was perhaps six inches of water in the machine, she says. When she returned she found her daughter unconscious in the machine, which was still in operation.

Brief funeral services were held at the Hastings-Pearson mortuary and the baby's body was then taken to Ainsworth for burial.

Victim of Unusual Blood Disease Dies on Way to Hospital.

Veryl Christensen, 16, son of Mr. and Mrs. Elmer Christensen, of Ord, died about 10:30 p. m., Friday, as he was being taken to Omaha for a blood transfusion at University hospital in the hope of saving his life. The boy's parents and an uncle, Mr. Nelson of Cotesfield, were also with him when he died near Palmer, enroute to the hospital.

Hemophilia is a rare ailment handed down from generation to generation in certain families, to male members only. Donald, 15-year-old brother of Veryl, also is a hemophiliac. Certain blood-clotting agents are missing in the blood of hemophiliacs and they bleed profusely upon the slightest injury.

According to Melvin Clement, in whose car the boy was being taken to Omaha, a transfusion with the proper type of blood, not available locally, might have saved his life had he reached the hospital in time. The boy's parents and an uncle, Mr. Nelson of Cotesfield, were also with him when he died near Palmer, enroute to the hospital.

Highway 11 in Bad Condition, Due to Thawing

Highway 11, especially between Ord and North Loup, and through the Chalk Hills, is getting in very bad condition with the spring thaws. It is expected that deterioration will continue until spring weather is settled.

As of the present time no less than 13 places along the 12-mile stretch from Ord to North Loup are broken up completely across the highway so there is no chance of missing them by moving over toward the center of the road.

In addition there are dozens of other smaller breaks, all of which are becoming larger under traffic. The State Department of Roads and Irrigation will get these breaks repaired as rapidly as possible, but there is a lot of work to do.

Buffalo Bill, Famous Character, Was History Maker in Nebraska

William F. Cody—better known as Buffalo Bill—one of the most famous characters in the history of Nebraska (and, for that matter, all of America), is at the same time the most elusive. More has been written about the famous scout and showman than about any other Nebraskan, yet it would be virtually impossible for even the most careful historian to write a biography of him that would be exact and satisfactory in all respects.

A great difficulty in trying to pin down the truth about Cody's life arises from the fact that for virtually all of the information about him, the biographer must rely either on Cody's own statements or those of his contemporaries. Cody left no "papers" from which an accurate account can be written.

In his own statements, it is safe to say, Bill was not completely scrupulous with regard to the truth. His press agents apparently were bored by dull facts. Then, his contemporaries were violently partisan—either he was a daring hero of unlimited power or he was a low-life of the worst order, a pariah who had taken advantage of a credulous and unsuspecting public.

A phase of Buffalo Bill's career over which there is particular—and typical—confusion concerns his supposed election to the Nebraska state legislature in 1872. He was Democratic candidate for representative in the 26th district. When the returns were first announced it appeared that he had been elected. That announcement, however, had failed to take into account the vote of Harlan County, which gave his opponent, D. P. Ashburn, a majority.

Despite these returns, Cody claimed to have been elected, and "resigned" his seat, on the grounds that he was too busy to serve. For years biographers have repeated the fiction that Buffalo Bill was elected to the Nebraska legislature.

Another illustration of the difficulty in documenting his career is the fact that almost every museum in the West has Buffalo Bill's gun. We have one in our museum in the capitol—a seven-shot, Spencer repeating carbine. Ours is believed to be genuine—and most of the others probably are, too! The simple fact is that Buffalo Bill had hundreds of guns in his Wild West Show.

Be that as it may, the man whose 104th birthday is celebrated this February 26th is a genuine western hero. I'll try to relate some of the more probable facts of his career in a later column.

Thaddeus Kosciuszko arrived in America from Poland in the summer of 1776. He found employment at Philadelphia in construction of fortifications against the expected attack by the Delaware. This gained him his commission from congress as an engineer in the continental service, with pay of \$60 a month and the rank of colonel. He fought for six years with the American army, and fortified West Point. Kosciuszko first suggested for a national military school the spot where West Point now stands.

Fish Creek School Holds Election

At a special meeting for the voters of the Fish Creek school district Tuesday night, it was voted to continue high school as they had in the past. This was through to 10th grade. There will be four new members elected to the school board, nominations were made as follows: Ted Meyer, Mervin Winter, Irvin Hermesmyer and George Meyer were named for a three year term, Fred Meyer and Dan Wegner for two years, Marjan Medberry and John Gyderon on the one year ballot. Teachers will be hired at the next regular meeting.

The Triangle club met at the home of Mrs. Frank Miller Tuesday night. There was one guest, Mrs. Dean Bredthauer was a substitute at bridge.

"Pretty as a picture," is Linda Ann, daughter of Mr. and Mrs. Wm. Beard of Ord. Making a portrait of such a lovely little Miss isn't just a job to us—it's a pleasure.

You want to remember your children tomorrow as they are today? We can capture that memory with a sparkling speed-light portrait of your child. Won't you let us?

If you'll call 18, we'll arrange for a sitting, and make that portrait.

Scotia Creamery in Special Meet

The Co-operative creamery called a special meeting last Thursday to receive the report of the recent audit. Mr. E. Lee Teverbaugh was present, and the meeting was called to order at 10:00 o'clock. Mr. Teverbaugh predicted a much brighter future for the creamery. Beginning Monday, Earl Gove of Cotesfield will drive the creamery produce truck in the country. April 1, Junior Vance will join the force, he will use a contract lease truck for country routes also. Both men will work on commission basis.

K. N. Nelson, the manager, expects to change the refrigeration system, making it more modern and has purchased the material to begin work this week. Mr. Nelson and George Jensen, the president of the board will go to Omaha this week to attend Nebraska's annual Co-Op creamery meeting. Nelson is a delegate and Jensen an alternate. Both men have been elected on the state director's board.

Members of the board at Scotia are: George Jensen, pres.; John Rodgen, vice pres.; Roy Fillingim, sec.-treas.; Will Sautter, Ed Stillman, Earl Hughes and D. E. Busnell.

School Activities

The Scotia school students will have a busy month in April. The Girl Scouts will hold their investiture services the 4th. The scouts are all school girls and Miss Ellen Maxon is their leader. April 6 will be the music festival at Spalding, a pre-contest music program will be given free to the public on April 7, at the school building. The district music contest will be on the 14th and 15th, tentative plans are for this to be at Central City. The high school group will take over the Greeley county government on April 18, at the Greeley county court house.

The cast has been chosen for the senior play, "The Funny Brats," and will be the 20th, in school auditorium. There are several track meets scheduled for the month but the dates are not set for publications.

Out of twenty-five calls made Monday morning, there were but two that failed to mention the windy weather. Housewives were groaning because of the mud tracked in, couldn't wash and tomorrow night be club day or the music clinic. Farmers are worrying about field work, fences aren't fixed, nothing in the air but wind, and real estate changing hands illegally. This happens every spring, giving a good case of jitters. Might be good advice to stay away from your neighbor's fence, maybe he too has the jitters.

The Riverside card club and one visiting couple were guests of Mr. and Mrs. Bryan Portis Friday night. Mrs. Darrell Ingram and Chas. Spencer were high and Mrs. Chas. Spencer and Wm. Donscheski were the low takers.

Money Lost — and Found

Young Jimmy Hamsa wanted to earn some money this winter so he shouldered the family scoop and went to every door in his neighborhood and asked for a job of shoveling snow. Jimmy made quite a sum of money and wanted to carry it in his pocket. His mother was dubious but his father thought if he was old enough to earn it, he should surely have the pleasure of hearing it jingle. So Jimmy jingled his way up town and after displaying it several times, was satisfied and went to his home, naturally mother asked if he had his money. A look of dismay crossed his face when he could not find it. After retracing his steps several times he finally gave it up as lost. His faith was shattered, but when the telephone rang a little later, Jimmy rejoiced for Janice Wagner had found his money and returned it to him, his faith in humanity is unbounded, not to mention one in particular.

Sunday's World-Herald ran two pictures on page 8-a that our community should be proud of the credit given the justly due participants. Complimentary comments have been heard from time to time of this fast growing and substantial business.

St. Paul Will Follow Sargent Hospital Plan
A group of St. Paul men made a trip to Sargent last week for the purpose of looking over the hospital situation there with the view of developing something similar for St. Paul.

They were favorably impressed and Judge Wm. F. Spikes wrote W. G. Birginal, Sargent lawyer, saying that the group at St. Paul was going forward with a plan patterned after that used at Sargent.

Neck Fractured in Fall on Ice
William Winkler, farmer living southeast of Ravenna slipped and fell on a patch of ice near his home recently and suffered a fracture of one of the vertebrae in his neck.

He was taken to a Grand Island hospital, where he was placed in a cast from his waist up. He is now home, and is expected to recover if no complications develop.

Ord Tracksters Begin Workouts
Ord high school track hopefuls checked out shorts and spiked shoes this week and began training for the coming cinder season.

Coach Dick Peterson says that he is encouraged by the number of boys reporting, but he is pessimistic about the Chanticleer's chances during the season. "We are going to be weak," says Peterson, "but if the weather will just give us a break so we can get some training done, we'll accomplish something."

Among the returning veterans are Adamek in the high jump, Maurice and Falter in pole vault, Stoddard and Clement in the 440, McMipdes, Thomsen, and Harold Larsen in the 880, Collins in the sprints, and Blaha in the discus, and Kirby in the mile.

About 25 men are working out with the high school squad and about half that many with the junior high team.

The weather has prevented full-scale training, but indoor workouts and some outdoor road work have been done.

Henry J. McCarty, of Woods Park, Is Laid to Rest

Homesteaded Farm on Which He Died; Was Member MWA Lodge.

Henry James McCarty, the eldest son of Henry James McCarty and Rebecca Ann Carr, both deceased, was born near Omaha, Nebr., Jan. 24th, 1876, and passed away March 18, at his home 17 miles west of Ord, the cause of his death being heart trouble.

When a small boy he moved with his parents on a farm in Woods Park, located 6 miles north and east of Comstock. He received his early education in a country school known as the Clark Moore school. He homesteaded a farm which he still maintained at the time of his death.

He was an active member of the Modern Woodmen of America, Geranium Camp No. 5406. He was married to Nellie Sullivan, Feb. 23, 1925. He leaves to mourn his passing, his sister-in-law, Mrs. Teresa McCarty, one niece, Patricia Ann; two nephews, Jerry C. and John James McCarty, a number of cousins and numerous other friends.

He endured the hardships of pioneer life with his parents, and no task was too great or too small for him to perform for neighbors who needed help.

Funeral services were held in St. Mary's Catholic church, in Sargent, Rev. Michael Szczeny officiating. The choir sang "My Rosary." The bearers were Frank Krikac, Ed Waldmann, Rudolph John, Joe Suchanek, Gerald Krikac and Rudolph Krahulik. He was laid to rest in St. Mary's cemetery in the family lot by the side of his wife.

FARMER'S ELEVATOR

1950 Migration of Wildfowl Largest in Many Seasons

Not in thirty years or longer has the Loup region seen a wildfowl migration as large as seen during the past two weeks. Thousands upon untold thousands of ducks of every species followed the Loup flyway northward, many of them staying here several days to glean the corn left in river bottom fields by the mechanical pickers.

Steve Beran, who has been watching migrations from his Springdale farm for more years than he likes to admit, said Saturday evening that he has never seen anything like it. "There were big flocks of four different species of ducks on my ponds at one time and for days we could look out the window and see thousands of ducks in the air at any hour."

Migrating geese were plentiful also. One observer counted 15 flocks in the air at one time.

Redheads, which usually follow a different route north were said to be present here in great numbers this year, as were mallards, pintails and teal. A few canvasbacks were seen and many gadwalls, widegon and butterballs.

If the old saying is true that ducks always return south by the same flyway they took going north in the spring, Loup Valley nimrods should enjoy some real sport next fall.

Edward Jeffries, Former Nebraskan, Dies in Oregon

Well Known at North Loup, Where He Lived in His Early Years.

Edward Jeffries, a son of Sara Lund and Thomas Charles Jeffries, was born Aug. 26, 1887, at Elba, Nebr., and died March 14, 1950, at the Immanuel hospital in Portland, Ore., at the age of 62 years.

Most of his youth was spent in and around Elba and North Loup. He was married to Rebecca Smith March 27, 1912, in Grand Island, and moved to a farm near North Loup. To this union were born 8 children, one son, Clarence, preceded him in death, in December 1930.

Surviving him are his widow; sons, Donald of Chico, Calif., Charles and Vernon of Grant's Pass, Ore.; LeRoy, a sergeant at Barksdale air base at Shreveport, La., and George and Ernest of Gresham, Wash.; a daughter, Mrs. Gordon Canfield of Tekamah; three grandchildren; two brother, Will of Cotesfield and Ray of Chico; and one sister, Mrs. Edith Van Skike of Lamar, Colo.

Mr. Jeffries and family moved from North Loup to Payette, Ida., in 1937, and, after the enlistment of their sons in the armed forces they moved to Chico, Calif. in 1941, where in 1945 they settled in the home they occupied at the time of his death.

He had been in failing health for 4 years and was in the hospital four days before his passing. He was a member of the United Brethren church and lived a good Christian life.

Funeral services were held in the chapel of the Carroll Funeral Home at 10:30, March 18, Dr. G. W. Bruce of the Gresham Methodist church bringing the message from the 14 chapter of John's gospel. The music consisted of "Beautiful Valley of Eden" and "Some Sweet Day," sung by soloist Wm. Elliott.

Burial services were brothers-in-law Dallas Smith, Willis Smith, Vern Nelson, Orville De Rousse, and nephews Willis Smith, Jr. and Frank Anderson. Interment was made in the beautiful Forest Lawn cemetery at Gresham.

The pattern of the life he led was exemplified by the beautiful floral pieces and friends present at the services. All who knew him loved him and will miss him greatly.

School Building Survey Made in Arcadia Tuesday

Dr. Merle Stoneman, and four students from the University of Nebraska with Floyd Parker, Building Advisor from State Superintendent Reed's office, were in the Arcadia schools making a building survey, Tuesday, March 14. The object of the survey was to determine the most desirable place for a kitchen to service a school lunch program.

There is a possibility that in another year a school lunch program may be instituted. Allen Elliott, State Director of the School Lunch Program, was here several weeks ago to discuss the program with Superintendent Bugbee. The following members of the Board of Education met with Dr. Stoneman and Mr. Parker after they had completed the survey. Mrs. Ben Mason, Floyd Bossen, Harold Elliott, and Paul Dean.

Valley County Teachers Group Meet in Arcadia

The Valley County Teachers Association met at the Arcadia high school for a 6:30 dinner and regular meeting Monday, March 20. This was the third meeting of the teachers this year. The opening meeting was held in the Ord high school and the previous meeting was held at North Loup.

Leslie Nash, Valley County Conservationist, gave an interesting talk and showed several slides of the practices in conservation that are being carried out in the county as well as several slides illustrating where the practices are needed.

The officers of the association are: Virgil Bugbee, Arcadia, president; Miss Irma King, Ord, vice-president; Miss Clara McClatchey, treasurer; Mrs. Ellamae Hill, North Loup secretary; Martin Dunklau, North Loup; Joseph Culp, Ord; Mrs. Helen Williams, Elyria; Mrs. Frances Svoboda, Ord.

Neal Goman, Field Representative of the Nebraska State Education Association met with officers and the chairman of the Legislative and Public Relations Committees in Ord Tuesday, March 21, 8 p.m. The members of the public relations committee are Mrs. Kokes, Ord; Miss Minne Holoub, Elyria; John Ubben, Arcadia; Miss Clara Jensen, North Loup. The members of the Legislative committee are Jess Kovanda, Ord; David Alfrey, North Loup, and Mrs. Donald Landon, Arcadia.

Band to Present Concert Tuesday

The annual spring concert by the Ord high school band, under the direction of Wm. Nelson, will be presented at the high school auditorium next Tuesday evening.

Tuesday's concert will be the last public appearance of the band before the district music contest on April 14th and 15th.

The program, which will begin at eight o'clock, will open with Mancini's "Symphonic March." The overture "Niobe" by N. De Rubertis, is next on the program.

The second section of the program will feature three pieces of modern music, "Birth of the Blues," by Henderson, "On the Trail," from Grofe's "Grand Canyon Suite," and "Bandwagon" by Donald Moore.

The third part of the four-part program consists of "The Four Hornsman," "Trombones Triumphant," and "Vistas." In the first number, a horn quartet (Charlene Blessing, Mary Thompson, Virginia Struckman, and Sharon Olson) will be in the spotlight. The trombone section is featured in the second work, and in "Vistas" Charlene Blessing will play the French horn solo.

Khachaturian's famous "Sword Dance" from the ballet "Gayne" will be the first number in the final section of the performance. "Elsa's Procession to the Cathedral" from Lohengrin is the lone example of operatic music on the program.

John Philip Sousa's immortal "Stars and Stripes Forever" will conclude the performance.

Loup Valley Livestock Club.

The Loup Valley Livestock club met Friday evening, March 24, at the home of the leader, Ray Knapp, with all members present and Robert Knapp presiding. The meeting was opened with a parliamentary drill. At this meeting we chose a name for our club. Committees were appointed as follows: song leader, Bill Schauer; music, Ronald and Loren Babcock; health, Carl Schauer and cheer leader, Ronald Shoemaker. Ray Knapp and Gib Babcock led a discussion on livestock feeding and members checked their record books. Plans were made to make a tour Sunday to view the boys projects. During the social hour we sang several songs and played games.

Manual Arts Class to Display Work

The manual training classes of Ord high school will display specimens of their work next Tuesday evening before and after the concert by the high school band.

Work done during the year by beginning, intermediate, and advanced students will be on display, as well as projects completed by students in the wood turning class.

Dick Peterson, manual arts instructor at the high school, says that some of the work produced by students this year has been of superior quality and that the classes will be happy to display their work to the public.

Business Women Install Officers

Three state officers were present at the Ord Business and Professional Women's club meeting Tuesday night at the home of Mrs. George Parkins. The officers were the state president, Miss Gladys Anderson of Grand Island, the state publicity chairman, Miss Helen Mader, and international relations chairman, Miss Mae Cook.

Miss Anderson invited the Ord group to Grand Island to be guests at their meeting on April 25. Miss Cook told about her Easter excursion with the Pope in Rome two years ago. Officers for the coming year were elected at this meeting and were installed at a candle light ceremony by the state president. The officers are Miss Maude Holden, president; Mrs. Helen Kokes, vice-president; Miss Eunice Jensen, recording secretary, Miss Wilda Chase, corresponding secretary and Mrs. Verna Jean Ruzicka, treasurer.

A convention is being held in Omaha the early part of April and Miss Anderson urged as many Ord club members to attend as possible and asked them to send their six delegates.

Hostesses for the evening were Mrs. Ella Marie Carson and Mrs. Leona O'Halleran. The dinner was served by the Presbyterian ladies.

—Richard Prien and Hartwig Koll drove to Grand Island Monday night to meet Mr. Prien's aunt, Mrs. Jens Christensen, of Saco, Mont., who arrived with the body of Mrs. Charles Prien, sr.

Our Non-Certified Nemaha Seed Oats have all been sold. But we do still have Certified Clintons, Nemaha and Cherokeses. Also have Non-Certified Clinton Oats. From actual field tests last year these varieties made good yields when other varieties in adjoining fields did not make any yield at all. These seed oats are all tested and re-cleaned in 3 bu. bags. We feel that you can make a lot of difference in your oats crop next year if you will sow some of these better varieties of oats. Try a small field if you are not convinced that a large field will pay you well. We still have a limited amount of non-certified 2-row barley and have a small amount of Nebraska Certified Spartan Oats. Most of these field seeds are very limited and we urge you to get what you will need soon; don't wait till you are ready to start planting.

Seed Corn.
Most of you now have your Corn Acreage Allotment and now know just how many acres of corn that you are going to plant. We have many of the best numbers of both Cornhusker and Standard Hybrids. There are many cases of Cornhusker numbers of being the highest yielding hybrid in the State Tests for many years. If you want the best in hybrids let us take your order.

Fertilizer.
It is the time of the year that you should be using Fertilizer for spring application. We have available Nitrate, Superphosphate & 10-20-0. Use Nitrate now on your Bromo Grass and small grain fields; Phosphate should be applied to Alfalfa fields now.

We have a number of cars of Nitrate coming in during May for use on your corn in the last cultivation.

Chicks.
We can furnish you with some Started Chicks. Several hundred Hy-Lines available that are two weeks or more old and we have some Leghorns and Austral Whites that are two weeks old. You can make a real saving on these started chicks. Then we have day old chicks that can be gotten on short notice although the Austral Whites and Hy-Lines are pretty well spoken for on most hatching days. Let us have your order a couple of weeks before you want them.

Spring Is Here.

The vernal equinox arrived March 21. Officially, spring is here, or, as the Latins put it, Ver Adest. While spring does not always arrive in Nebraska upon this date, it will average about that time, one year with another. Last year, you may recall, the last snow, and one of the most destructive, came April 14.

The arrival of spring is not the same all over the United States. At the present time gardens are beginning to come up in Oklahoma, and truck gardens are harvesting their early crop down in the Rio Grande valley. In the Dakotas and Montana spring will be a couple of weeks later than here.

The equinox brings that time when the days and nights are of equal length and the sun is high enough in the sky to produce some effect. The ground thaws

faster than it freezes and the snow melts faster than it falls. In due time the ice will clear in all the streams and lakes, and every hibernating thing in nature will awaken with new life.

How much more appropriate it would be, if instead of making a lot of resolutions on New Year's which will all be broken before spring comes, we could wait until the first day of spring to make those resolutions. This is a time when everybody is in a mood to do the things a person ought to resolve to do. Make those resolutions today, and they will be much easier to keep.

The trouble is that men employ their awakening energy for purposes of war as well as peace. That great apostle of peace, Thomas Jefferson, was born in April, but so also was one of our greatest warriors, U. S. Grant. The two opening conflicts of our two great wars as a nation, Lexington in the Revolution and the firing on Fort Sumter in the Civil War, both came in April.

If the minds of all men concerned had attuned to the spirit of spring, possibly those conflicts and the wars that followed could have been avoided. Spring brings to mankind the glory of God in at His splendor, if we lift up our eyes to behold that glory, a glory which culminates with the coming of Easter, the commemoration of the rising of the Son of God from the tomb.

Lewis Won—And Lost.

Much has been said in recent years about the powers of the chief executive of the United States, and there is no question but that such remarks are justified. No president prior to 1932 wielded as much power as have two men who have held the office in the 18 years that have elapsed since 1932.

The executive branch, through clever appointments, row dominates the judiciary, and by the formation of bureaus is taking away from the people many of the rights and privileges they once enjoyed. The only defense left is the legislative branch of the

government, which still holds the balance of power in many issues.

Yet, great as the power of the president now is, the economy of the United States today is dominated by a man still more powerful, and a man who has shown himself to be ruthless in the use of that power. In the recent display of power between the president and John L. Lewis, the president came off second best.

Lewis is accustomed to winning victories, but he never won a greater victory than he did when he forced the mine operators, through the threat of an economic crisis, into signing a contract with him which granted practically all that the mine chief asked. When one man becomes more powerful than the executive branch of the government, our economic structure is in grave danger.

There were many rumblings of discontent when the likelihood of a coal shortage became apparent, but those rumblings will become much louder when an approximate ten percent is tacked onto the price of coal for next winter. The coal industry cannot pay the added expense of the new contract, and the cost will be passed on to the ultimate consumer.

Therein lies the danger to John L. Lewis, who, in winning a single great victory, has probably lost the war. The public has been patient, but there are times when patience ceases to be a virtue. The people who had to shiver with cold during the coal strike, the people who had to keep their children out of school, are looking for a chance to strike back.

Their chance is at hand. There are two other means of heating, either of which is superior to coal in some respects. Many will charge over to the use of gas or fuel oil during the coming summer, and that will mean that less coal will be sold during the coming year than in 1949. This process has been going on for years, and will now be accelerated.

++ Something Different ++

Give Dr. Miller credit for a Boy Scout deed: When the Reader's Digest printed that crackin' good article on Why Do You Want to Smoke When It Pollutes Your Lungs, The Air, and Your Pocketbook, Dr. Miller sent for 200 copies of same and distributed them where I thought they'd do the most good," as he phrased it.

Cigaret smoking is increasing by leaps and bounds. There is no doubt about it. Each year a new crop of boys and girls tries it, and are enrolled in the ever-growing army of smokers.

One thing the late war is responsible for, and that's bringing news of the cigaret to every finest cranny of the globe. Our soldiers and those of other countries speedily introduced nicotine habit and it spread like wild fire. And now a cigaret might almost be called the common coin of the universe.

"But," as one non-smoking lady remarked "you do have to give the tobacco companies credit for bringing us some fine musical programs on the radio!"

It must be a mighty healthy corner of town to live in, thinks I. There's Mr. King in the eighties. There's Mr. and Mrs. Frank Pfeiffer, sr. who live on the corner, on the highway.

And there's D. A. Moser, who is in his nineties. And following the last blizzard Mr. Moser scooped the snow off his own front walk, and upon noticing that Mr. King was unable to get

out to do his walks, what did Mr. Moser do but clear the snow off the King front walk too!

More electric lights burning at night on the grade school grounds might solve quite a few problems for parents of the children who like to play there these pleasant evenings, declares one mother. (Shall I add, "darkly"?) Anyway, I agree with her.

S-sh, don't tell, but it's fairly certain that Galen Allen is going to be one of the lucky boys who get one of those fancy navy college educations!

Ozzie's friends are pleased for him, and that includes me. He had to put up quite a battle for the appointment... an unusual sort of a battle.

On taking the many tests at Kansas City, it seems the Ord kid was underweight ten pounds or so. This was a terrible situation after he had sailed through the various examinations, to be bogged down by a missing ten pounds. Those in charge were sympathetic and favored him with a few words of wisdom about how to gain. He had a month to put on the needed pounds.

A shot of insulin every day did wonders. A malt at bedtime was no bad idea. Bananas helped. "Eat a lot of salt" said the officers, and then just before you're weighed in again, you go to the drinking fountain and drink and drink and drink!

We'll hope it all took, and that the navy takes him.

Wonder what happened to those exciting spring spell-downs we used to have in Valley county? The winner received a free trip to Omaha, given by the World-Herald, wasn't it?

We could have spell-downs without the trip to the big city of course. Wonder if the teachers felt the spelling contests took a disproportionate amount of study time on the part of the young entrants?

Now I have to go look in the dictionary to see if that big word is spelled right... and I used to like spell-downs, too. Probably I'll learn it isn't a word, at all, at all...!

--Irma

Max L. Brown of Lexington Dead

Max L. Brown, secretary of the Lexington Chamber of Commerce, died suddenly last week following a heart attack. He was only 32 years of age. He began work with radio station at Hastings in 1941 and later went into Chamber of Commerce work in that city.

Mr. and Mrs. Brown and daughter, Barbara, moved to Lexington Sept. 1, 1948, when Mr. Brown became secretary of the chamber there. He was serving as president of the Nebraska Junior Chamber of Commerce this year.

Gering Attorney Files in Fourth District

Hans J. Holtorf, Gering attorney, has announced his filing for congress from the fourth district of Nebraska, on the democratic ticket. Dr. A. L. Miller is the present incumbent.

Mr. Holtorf is a native of Saunders county, graduating from Prague high school, Luther college at Wahoo and the University of Nebraska. He was in army service 1942 to 1946.

Irrigation Club Elects Officers

Officers have been elected to head the Upper Middle Loup Irrigation Promotion club for 1950 at a meeting held at the Legion hall. George Semler was re-elected president, F. W. Spooner, vice-president, K. W. Peterson, and J. B. Conrad, secretary.

Peterson is chairman of the executive board and the two other members are Harold Everhart and Verclis J. Huss. Directors are: Comstock, Harold Grint; Sargent, Rudolph Hosok; West Union, Lloyd Pointer; Milburn Quinton; Voss; Lillian and Victoria, John Jacobson.

What's Cookin' Ward's Column

The Clay County Sun, which advertises itself as the only newspaper of general circulation in Clay County, runs the names of a few towns under its dateline, as follows: Dewees, Edgar, Eldorado, Glenview, Harvard, Fairfield, Inland, Ong, Saronville Spring Ranch, Sutton, Trumbull and Verona.

Thirteen may be an unlucky number, but there are that many in Clay County, all big enough to appear on the map of Nebraska. Of course there is also Clay Center, which makes it fourteen. It makes towns look scarce in Valley county, where we have only four, or even more so in Garfield or Loup, with only one each. However, we have just as much room for towns here as Clay County has, whenever the citizens decide build them up.

There is room for a town the size of Omaha right out in Mira Valley, and Olean, Sumter, Plain Valley, Woodman Hall, Davis Creek and Lee's Park would be fine locations for towns the size of Ord.

Irritated by the publicity given O'Neill in the recent blizzard, a woman from Creighton wrote the World-Herald complaining about it. She said: "The rest of us apparently did not have a storm. I wonder what it was we did have?" The O'Neill Frontier's devil remarked: "Why did they keep their storm a secret?" The fact is that they couldn't very well let the world know with telephone and telegraph lines all down and highways blockaded. Also, it must not be forgotten that O'Neill was the center of the big storms of last winter, and the name became familiar to news writers. In the final analysis the secret of getting publicity is having a good press agent. I'll tell the world it is!

The Schuyler Sun last week said in a headline that "School Bus Route Reserved March 20." The story tells that the route will be reversed instead of reserved, which goes to show that, not only was the route to be reversed, but the head was reversed as well. And that reminds me of a fellow who wrote a new version of Shakespeare's MacBeth when he was going to school. He called his product: "MacBeth. A Revised Version from a Reversed Vision." And that sounds somewhat like that classic put out fifty years ago by Edward Bellamy, "Looking Backwards."

Last Friday I had the honor of visiting with no less than three old friends. Mr. and Mrs. C. O. Twombly arrived about the middle of the forenoon and as I had the work well in hand at the time, I was able to take a few minutes to talk over old times. Ord has the honor of being named the same middle names as the town of Ord. I never have asked him what the C. stands for, and, after all, it does not matter, since he never uses it except as an initial, anyway. Like many others, the Twomblys decided they had to go somewhere else to make a living after disastrous 1930s, and they seem to be doing all right. There is always plenty to do, and Ord has his choice of what he does. Except for gray hair he looks very much as he did in the old days when he held up the honor of basketball in and around Ord.

The Twomblys had hardly gotten away when the phone rang and a familiar voice asked if I ever went on a blind date. I replied that I did, and so he told me to meet him at Frank's cafe at noon and he'd buy a dinner. I am not accustomed to turning dinners down, so I was there, and found out the mystery of the voice that had puzzled me. It was Ray Bissell, who needs no introduction to a lot of people in Ord, or to anybody at all in Burwell, where he first showed up in the North Loup valley and where he got his wife. Needless to say, we had a fine time recalling old memories.

Ray has about got back into his old stride after recovering from the effects of a terrible fall he had last June, when he was inspecting buildings to assess hail losses. He slipped and fell about 20 feet, landing on a cement sidewalk, breaking his left arm and getting a terrific jolting. He was back on the job in five weeks with his arm in a cast. That is one thing about Ray. He can do about as much

work with one hand as a lot of fellows can do with two.

I recalled the first time I ever saw him, which was about a quarter of a century ago at Burwell, where he was selling Coca-Cola weather stripping. He wanted some signs made, so he got tin discs to put on the outside of his Model T wheels, had me paint the lettering on them, and then drove around town with those discs telling the story. They were an effective ad, too, as they were weighted on one edge, and stood still while the wheels spun around, an idea which certainly attracted a lot of attention. Ray still sells and installs weather stripping, although I do not know whether he still handles the same brand as he did then.

Somehow, I cannot but feel that there is something missing in the modern farm auction sale. It isn't what it used to be. Possibly it never was. But, as I recall it, everybody went to the sales in the old days, and they went in wagons, buggies, on horseback or on foot. Prices were not as high then as they are today, and the bidding was not too spirited, as most of the buyers had to watch the corners to keep from paying out more money than they had. They stood around and just about froze on cold days, but, the colder it got, the hotter the bidding became. The only thing that seemed to put a real damper on sales was a cold snow, sleet or drizzle.

The one item that seemed to make those sales so different from those of the present time was the free lunch, which always attracted a lot of people who had no other reason for going to the sales. They seldom bought anything, but they could make a meal on the free lunch, and a penny saved was a penny earned. There was always a boiler of hot coffee which was brought out at the last moment, so that it would be really hot, and the lunch was usually put up in paper sacks, each person being supposed to take only one.

Each fellow would get his cup of hot coffee and his sack of lunch and then find some sheltered spot, if possible, in which to eat it. People often ran across some friend from a long distance away whom he had not had a chance to visit with for a long time, and they would eat their lunch and exchange bits of neighborhood news. Most farmers did not get a daily paper, and there were no radios, so about the only way to learn of the week's happenings was by word of mouth. There was always somebody who liked to tell the news, and a lot of fellows who were glad to listen. If the sale came just after election they would talk about how the voting came out. As I recall, it was a lot more fun than it is to go to sales the modern way, always by auto.

"Homemade"

There's a word that's been kicked around. Usually, nowadays, "homemade" foods are processed in big factories and sold to the largest possible market. But here at George's, "homemade" still means "made at home." Our meats are processed in small quantities, right here in Ord. We give special attention to the quality of our products. And, even though it may seem old-fashioned, we don't aim to sell the MOST meat; we just try to sell the BEST.

MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backaches, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

State Farm Mutual Slashes Automobile Insurance Rates!

Effective immediately-- Nebraska drivers save up to 25% on Collision Insurance

Again State Farm leads the way! The State Farm Mutual Automobile Insurance Company, which writes more full coverage automobile insurance than any other company, has just reduced premium rates for the second time in the past fourteen months!

There are savings up to 25% on Collision and 20% on Comprehensive (Fire, Wind and Theft)—and up to 25% on Bodily Injury and Property Damage—with no reduction in the amount of protection. Policyholders benefit immediately wherever new rates apply!

Why has State Farm been able to offer low cost, full coverage protection for the last 27 years?

1. Policies are written for a period of six months rather than the usual twelve-month period, which makes it possible to adjust rates at more frequent intervals.
2. State Farm desires to insure only careful drivers. This reduces the number of accidents and contributes to the low cost of operation.
3. State Farm is a mutual company. Savings benefit the policyholders!

Extra benefits, too!

A State Farm full coverage policy meets every requirement of your state financial responsibility law. And, since automobiles were made to travel, State Farm service is geared to travel with the car. Wherever trouble occurs in the United States or Canada, claim service is available.

Investigate now!

Call your neighboring, licensed State Farm agent. (Look under "State Farm" in your phone book). He will be glad to discuss your insurance problems—and give you full details on the new money-saving, low rates!

Note to new car buyers: If you are planning to buy a new car, ask your State Farm agent about convenient, low-cost financing through the Bank Plan. And remember, your State Farm Insurance—at the new reduced rates—can easily be transferred to your new automobile.

MRS. JOYCE MATHESON,
Quiz Representative

Miss Anna Price went to Ansley Monday to attend funeral services for her uncle, Elmer Egleston.

Three senior students of the Comstock high school took the University of Nebraska Regents' Scholarship Competition tests Monday. The tests are standardized and are graded by machine since all answers must be written with a metallic pencil. The tests are graded at the University of Nebraska.

George Land, Marian Hovle and Leona Anderson took a two hour test covering the social studies and natural sciences, Monday morning and forty minute test covering reading at 2 p. m. on Monday.

An evaluation of the tests will be returned to the Comstock schools before graduation. If any of the seniors receive a scholarship it will be awarded commencement night.

Students graduating from the Comstock high school have won their share of the University scholarships. During the past four years four scholarships have been awarded to seniors at the completion of their senior year.

A Regents' Scholarship is valid for use during the freshman year at the university. It is worth up to \$120 for the year, depending on whether the student carries 12 or more hours each semester. Usually approximately 800 students take the examination with 250 scholarships being awarded.

ORDER YOUR BABY CHICKS NOW

This Hatchery is a Member of Dr. Salk's National Wide Poultry Service

Yes, our chicks grow bigger faster. The reason they do is because they are quality chicks. They are heavier, huskier and they have a rugged resistance to disease . . . a resistant that means liability.

That's why you can't go wrong with our chicks. It's common sense to make poultry raising pay, you have to invest in the best.

We'd like to speak a few good words for our large English Leghorn. This is a breed you should know more about.

Maggie Horner, Comstock, Is Taken by Death

Maggie Horner, daughter of William and Emily Horner, was born on May 7th, 1871, at Astoria, Fulton county, Ill., and departed this life on March 8th, 1950, at her home in Comstock, Nebraska, at the age of 78 years, 10 months, and 1 day.

Her early childhood was spent in Illinois and at the age of 13 years, in the year of 1884 she moved with her parents to Nebraska, where they established a home on a farm near Friend, where she grew to womanhood.

In 1892 she was united in marriage to John Hightlighter, the ceremony taking place in the town of Wilber, Nebr., and for a number of years they maintained a home on a farm near Friend.

In the year of 1909 they moved to Custer county purchasing a farm near Comstock where for 20 years they successfully managed their farm, Mr. Hightlighter passing away in 1920.

She was a woman of tireless industry and continued to manage the farm for several years after the passing of her husband.

Both she and her husband enjoyed children and the gift of children being denied them, they tried to make up for it in other ways, raising several foster children and sheltering other homeless people.

About nine years ago she disposed of her farm and moved to Comstock where a home was purchased and where she continued to reside until her death.

The deceased had enjoyed rugged health and sickness was almost an unknown quantity in her experience until about five years ago when she became afflicted with a chronic ailment which she bore uncomplainingly even though at times her friends suspected that she suffered considerably. She often expressed her desire and hope of not becoming a burden to anyone, which desire had apparently been granted her as she passed away quietly Wednesday evening, March 8, and her body was found early next morning still sitting in her usual easy chair at her fireside, by a concerned neighbor friend.

She leaves to mourn her dear departure two sisters, Mrs. Carrie Bowen of Friend, Nebr., and Mrs. Rebecca Corman of Superior, Nebr., a number of nephews and nieces, and a host of other relatives and friends.

Funeral services were held Sunday, March 12, at the Methodist church with the Rev. Merle Zook in charge. Music was furnished by Mrs. William Higgins and Mrs. Sherman Matheson with Mrs. Richard Stone at the piano. Interment was made at Douglas Grove cemetery.

POWERGLIDE AUTOMATIC TRANSMISSION*

Here, for the first time in low-cost motoring, is a truly automatic drive. Chevrolet's exclusive Powerglide Automatic Transmission, teamed with a new 105-h.p. Valve-in-Head Engine, that is the most powerful in its field, brings you an entirely new kind of smooth-flowing movement at all speeds, without clutch pedal, "clutch push in" or gearshifting. All this with traditional Chevrolet economy in over-all driving!

*Combination of Powerglide Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

Think of all the things you want in your new motor car . . . and of how completely the new Chevrolet fulfills these desires at lowest cost . . . and we believe you will agree it's your No. 1 buy!

All comparisons will convince you that it offers the finest motor car qualities at lowest prices . . . from the smooth-flowing beauty of its Body by Fisher to the smooth-floating comfort of its Knee-Action Ride . . . and from the thrilling performance of its thrifty Valve-in-Head Engine to the extraordinary ease of control that comes with your choice of the finest in automatic or standard drives.

Yes, here's the car that gives you your best dollar's worth in quality . . . feature after feature and advantage after advantage of higher-priced cars at the lowest prices and with surprisingly low cost of operation and upkeep . . . so come in and place your order—today!

APRIL Fool's Day

You'll never be April fooled on the first day of April or any other first of the month in keeping track of what you spend if you'll follow this suggestion.

This Plan Is "Fool Proof" for Knowing Where Your Dollars Go.

A Nebraska State Bank checking account is an excellent means of having a complete record of income and outgo. You simply deposit your earnings and pay by check—your checkbook stubs are a complete record of your financial transactions.

In addition, it's safe, it's convenient, it's business like.

Card of Thanks —

I wish to express my thanks to my many friends and neighbors, who sent me cards and gifts and offered to help during my illness. Their kindness will never be forgotten.
Mrs. Henry Desmid

Trouble can't hide from us—

when we do a **MARFAK JOB**
• When you bring your car in for Marfak Chassis Lubrication, we check the out-of-sight places where trouble starts—a frayed cable, broken tail pipe, tire cuts, brake system, etc. We can stop a lot of trouble that way—before it happens.
