By signing this form I am confirming that I live in Valley County and I authorize the release of my name and information to *Make Christmas Happen* volunteers.

Valley County

“Make Christmas Happen”

volunteers would like to help make Christmas happen for you and your family if you are unable to do so.

Donations received from Valley County community residents, businesses and local organizations are used to prepare holiday bundles of health essentials and gifts for children. Food items will not be included but if funding is available, there may be food vouchers.

Tags, listing suggested gifts for each child (ages birth to 18), are anonymously placed on the ***“Giving Tree”*** at the Ord Township Library.

These tags indicate the age, sex, and gift suggestions you have listed on the following page. We recommend that you make suggestions of items that are \$25 or less.

Every effort is made to provide a bundle for all families participating.

If you are interested in participating
